

County Voters Favor Nixon

Richard Nixon

By EARL MOSELEY
Staff Writer

Republican Richard M. Nixon officially declared as winner of the presidential race Wednesday morning after one of the closest races in history, had little trouble in Deaf Smith County where he polled more votes than his two opponents combined. Deaf Smith County voters gave the former vice president a 929 vote lead over Democrat Hubert Humphrey while third party candidate, George C. Wallace came in a poor third. Nixon's county vote was 2,474 compared to 1,545 for Humphrey with Wallace receiving only 791 votes. However, Texas 25 electoral votes went to Hubert Humphrey who took an early lead in the state and managed to hold on although Nixon gained steadily

throughout the night as votes were counted in scattered precincts throughout the state. Deaf Smith County voters also favored Republican Paul Eggers of Wichita Falls over Preston Smith of Lubbock, and gave Republican Frank Ford of Hereford a lead over incumbent Bill Clayton of Springlake. Democrat Andrew Shuval of Hereford led his Republican opponent, Jerry Tucker of Dumas in this county. District voters however favored Bill Clayton and Jerry Tucker in the final tabulation and downstate voters put Preston Smith in the Governor's chair in Austin Smith, who has served eighteen years in the Texas legislature and as Lt. Governor, is a longtime resident of the South Plains. Eggers, who has lived in north central Texas

for a number of years, was making his first bid in politics. U. S. Representative of the 18th Congressional District Bob Price from Pampa, easily bested J. R. (Dick) Brown of Hartley with a vote of 2,986 to 1,669. Price, the Republican candidate, has held the office since 1964. House Speaker Ben Barnes, a Democrat, was also a strong winner here over Republican Lou McCluitt as Lieutenant Governor. The 30-year old Barnes, youngest candidate ever elected to this office in Texas, totaled out 3,138 against McCluitt's 1,551 vote. Attorney General's office saw incumbent Crawford C. Martin receive 2,955 votes over his opponent, Sprouser Wynn, who received 1,504 local votes. Comptroller of Public Accounts Robert S. Calvert received 3,034 votes over opponent John M. Bennett Jr. with a 1,514 count, and longtime State Treasurer Josse James rang up 3,265 votes over Manuel Sanchez 1,330. Democratic votes continued in the majority in Deaf Smith County with Commissioner of General Land Office Jerry Sadler garnering 3,136 over opponent Millard K. Neptune's 1,399. Commissioner of Agriculture John C. White's 2,916 over E. G. Schuhart II's 1,601, and Railroad Commissioner Jim C. Langdon's 2,881 over Jim Secrest's 1,551 vote.

67TH YEAR - NO. 45

HEREFORD, TEXAS, 79045, THURSDAY, NOV. 7, 1968

PUBLISHED EVERY THURSDAY

Clayton Wins 72nd District

Incumbent State Representative Bill Clayton of Springlake turned back his Republican challenger Tuesday losing only Deaf Smith County in his bid for reelection in the 72nd District. Clayton received 1,994 votes in this county while Frank Ford Jr. tallied 2,481. Ford, a Deaf Smith County farmer and businessman has been active in Republican politics in this county for a number of years. This is his second defeat at the hands of Clayton, who went to the Texas legislature in 1962. Clayton, a Democrat, has been highly criticized for his part in the daylight saving time controversy but it apparently did not seriously hamper the popular Springlake farmer at the polls.

Unofficial totals from Deaf Smith, Bailey, Castro, Cochran, Lamb and Parmer counties show Clayton with 10,087 and Ford 5,941.

Contacted Wednesday morning, Ford said that this campaign has been a real fine experience for his family and he would like to thank the many people who helped in it. "And I believe it was a very worthwhile effort."

Clayton has had a key role in the water development and conservation programs in Texas. As a member of the Conservation and Reclamation Committee of the House of Representatives, Clayton has either authored or cosponsored, or confereed on, a committee of every major piece of water legislation passed during the last six years. As Chairman of the House Interim Water Study Committee for two terms, Clayton is working for the water importation program, which would maintain the economy in his district. His role with the water importation program was

thought to have contributed to his success at the polls Tuesday.

Ford, who has pledged to work with all elected officials and others interested in the water importation program and the economy of the area, had this to say Wednesday: "Competition and cooperation are two essential ingredients of progress. We have provided the competition and now we will provide the cooperation."

Bank Scene - dusting for prints

Futile Attempt Is Made To Rob Local Bank

A daring robbery attempt at the Hereford State Bank was unsuccessful early Wednesday morning, but the would-be safecracker was far from his goal when he fled from the scene.

Bank custodian C. W. Allen discovered the break in at the bank about 9 a. m. when he reported for work. He quickly raced to the police department some two blocks west of the bank on Third Street and reported the offense.

Upon investigation, police found that someone had attempted to cut a large hole in the safe. The eight-inch square hole was in at the bottom part of the safe door, which was never opened.

Found at the scene were welding equipment and a suitcase which apparently held a number of bags, pry bars, flash light, gloves, and other items which would be used in welding. The articles were strewn over a wide area in front of the safe.

Bank officials reported that a security organization had met at the bank until 10:30 or 11 p. m., so the offense had to have occurred between that time and when Allen arrived.

It is felt that it was possible that the attempt could have been in progress about 2 a. m. Wednesday when firemen answered a call and sirens sounded throughout the downtown area. The sirens could have scared off the culprits.

Two representatives of the Federal Bureau of Investigation arrived at the scene soon after 7 a. m. Wednesday and also investigated the scene. Some fingerprints were found on the safe, and officers felt that one would be especially good to use as identification.

In getting to the vault, the robber or robbers broke the locks on four doors, with initial entry being an equipment room door.

Barlan Vander Zee, president of the Hereford State Bank explained that molten steel created by the welding had fallen on one of the arms which plays a big part in opening the safe, therefore making it impossible to open the safe until that steel was cleaned off.

He pointed out that there was no way for the person to trip releases to open the door, and the safecracker would have had to cut a hole large enough to crawl through. Even then, said Vander Zee, the person would have had to go through another eight-inch steel door to reach the big money.

Tucker Wins 69th DA Race

Hereford attorney Andrew J. Shuval, making his first bid in area politics as the Democratic candidate for District Attorney, 69th Judicial District, was defeated Tuesday in perhaps the closest election in the state. Shuval's opponent, Republican Jerry Tucker of Dumas, garnered 181 votes more than Shuval, although most of the plurality came from his home county. The Moore County lawyer, also a newcomer to politics, tallied

7,202 votes while Shuval netted 7,021.

Shuval carried Deaf Smith County with a total of 2,445 votes against Tucker's 2,107. In Tucker's home county, Shuval received 1,919 against his opponent's 2,830.

Tucker carried only two counties in the 69th District but the final total was enough to put him over the top in Dallam County. Shuval received 997 votes to 885 for Tucker. Hartley County gave the Democrat 607 votes to 495 for his Republican opponent and Oldham County also favored Democrat Shuval with 474 votes to 258. In addition to the Moore County vote, Tucker carried Sherman County with 628 votes to 579 for Shuval.

Tucker has lived in Dumas and practiced law there for the past four years. Prior to that time, he was research law clerk for the late Federal District Judge Joseph B. Dooley in Amarillo for one year. He is a native of Georgia in 1954 as honor student and valedictorian and president of the student government. He is a member of the Methodist Church.

Tucker and his wife, a native of Fort Worth, have three sons.

Hereford Band Has I Rating

The Hereford High School Whiteface Band began its drive for a seventh consecutive Sweepstakes Award in convincing style Tuesday when it received a I rating in marching competition at Canyon.

The Whiteface band was one of five bands among the 30 competing to receive the I rating, but it was the only one to receive a I rating from all three judges. There were 105 band members marching for the Whitefaces.

Trisha Hill and Denise Daniels, twirlers for the Whiteface Band, also took a share of the spotlight as they received Division I ratings on twirling solos.

Hereford and Dumas were the only bands in Class AAA to receive I ratings, while Pampa, Plainview and Borger earned the honors in Class AAAA.

"This was one of the toughest meets we've ever been to," said Ben Gollehon, HHS band director. Gollehon proudly added, "This is one of the best days we've ever had."

The band, along with the other segments of the Fine Arts Department at HHS — the choir and speech classes, will present "Oklahoma" in the near future. Concert and sight reading portions of the University Interscholastic League contest will be held in April.

Awards Given By Homemakers, Young Farmers

Lewis Block, Mrs. Layton Sawyer and Clark Andrews received top awards during the Annual Deaf Smith County Young Farmers - Young Homemakers banquet Saturday night at the Caisson House.

Block was chosen the "Outstanding Young Farmer" for 1968. Mrs. Sawyer received the "Outstanding Young Homemaker" award, and Andrews was presented the "Workhorse Award." Stories on each of the award winners are on the A-BI (Agriculture, Business and Industry) page in this issue.

Mrs. Larry Dobbs, president of the Young Homemakers organization, presented the certificates. Larry Dobbs, president of the Young Farmers, served as master of ceremonies. Speaker was Rev. Gerald Mann, pastor of the First Baptist Church.

5 Candidates Had No Foes

Five Deaf Smith County candidates were returned to office in Tuesday's election without opposition.

They were Ed Roberson, Sheriff; Mrs. Nell Miller, Tax Assessor-Collector; John D. Aikin, County Attorney; Earl Holt, Commissioner of Precinct 1; and Bruce Coleman, Commissioner of Precinct 3.

All were running on Democratic tickets. James A. Joy of Plainview was also unopposed for Court of Civil Appeals, District 7.

Five state offices were also unopposed.

Soil Survey Book Is Now Available

Deaf Smith County Soil Survey Reports are now available from the Hereford Soil Conservation Service office or the Board members of the Tierra Blanca Soil and Water Conservation District.

These members are Eldred Brown, Clarence Betzen, Virgil Marsh, F. L. Eicke and Gerald McCathern, Wilton Green of the Soil Conservation told the Board.

Preparation of this report has been in process since 1956. The field work, or soil mapping, was done between 1956 and 1963 by Herbert Bruns and Bill Chance of the SCS. Luther Gligler and Bruns then prepared the written report and submitted it to the Government Printing Office.

The Texas Agricultural Experiment Station gave assistance in the preparation of the report. Copies of the report are being made available to every land owner and operator in the county by Congressman Bob Price and

Senators John Tower and Ralph Yarborough, through the district and SCS offices.

This report has information for everyone interested in the land resources of Deaf Smith County. The soils map covers the entire county and provides detailed soils information for each farm.

The written portion of the report has both general and technical descriptions about the soil.

Other sections of the report cover use and management of soils, genesis, classification and morphology of soils, chemical and mineralogical characteristics of the soils and general nature of the county.

This type of report is very popular in the nation and can be adopted for use by a wide segment of the population.

Contact the SCS office for copies of the report.

UF Officials To Meet Today

Deaf Smith County United Fund officials, who had reached about \$32,000 by Wednesday, will meet at 10 a. m. today to tabulate money and formulate plans for reaching the \$37,100 goal.

The meeting will be held in the Hereford State Bank, according to Drive Chairman Johnny Clark Jr. Drive Majors all are expected to be present to turn in money from their division.

Organizations which will receive support from the United Fund during the coming year and their budgets include Camp Fire Girls, \$6,369.25; Boy Scouts, \$7,200; Pony League, \$2,025; Little League, \$2,581.14; Colt League, \$1,250; Salvation Army, \$4,200; Red Cross, \$11,000; Cerebral Palsy Center, \$100; Council on Alcoholism, \$750; U.S.O., \$475; and local United Fund expenses and the Texas United Fund, \$1,150.

Bids still are being taken on a Shetland pony which was donated to the United Fund by Martin Wagner. All bids made on the animal will be used in UF projects, with the highest bid receiving the animal.

Persons wishing to donate to the UF may mail their donations to Debbs Knox, 519 Park Avenue, Hereford, or drop it off at the post office in an envelope marked United Fund.

This year's budget is 22 per cent higher than two years ago, when local residents made their goal faster than any other city in the state.

City To Offer Reward For Info On Vandalism

Due to recent acts of vandalism and the fact that it is costing the City of Hereford more each year, members of the City Commission voted Monday night to offer a reward of \$200 for information leading to the conviction of a person or persons for such an act.

City Manager Dudley Bayne reported to commissioners that the playground in Dameron Park had been hard hit by vandals on Halloween night, there already has been vandalism at the new Camp Fire Lodge, and the damage was high at the recent arson and vandalism at the City Barn.

Bayne also said hundreds of dollars are spent each year by the city in repainting or replacing street signs which are defaced by spray paint or otherwise damaged. It was his feeling that something had to be done which would help stop the vandalism.

Commissioners discussed the matter at length, unable to decide whether a reward of \$200 would be enough to get some response. They agreed that most Hereford residents would feel the same way.

Persons with information which lead to the conviction of vandals are urged to contact the Hereford Police Department or city officials and present the information.

Car Caravan To Go To Muleshoe

At the regular Monday night meeting of the Whiteface Booster Club, plans for a caravan of cars to the Muleshoe game Friday were discussed.

Earl Stagner, president of the club, said that persons wishing to travel to the Muleshoe game with the caravan should be at the Sugarland Mall parking lot between 5:30 and 5:45 p. m. so that they may leave by 5:50.

Also at the meeting, Bill Narzell, junior varsity grid coach, announced that the Longhorns, who were scheduled for an open date today, will entertain the New Mexico Institute 'B' team today at 7:30 at Whiteface Stadium.

See sports story this issue for a preview of Friday night's game.

Local Resident Is Honored In Book

Mrs. Dorothy Ferguson, who has lived in Hereford since May, has the distinction of being listed in "Personalities of the South."

The wife of Hal Ferguson, she was notified in late September of the listing and received a wall certificate signifying the honor.

The book is for "carefully selected group of American citizens whose background, profession and achievements are a worthy of note by other citizens."

She is included with biographies of governors, U. S. Senators, Congressmen; business, civic, educational, governmental leaders, and many other outstanding and distinguished citizens of the South.

The book is reviewed by outstanding businessmen, journalists, librarians, historians and biographers.

Selections are made by the Executive Board of the publication from nominations furnished by businesses, civic clubs, colleges and universities. And the Executive Board also selects individuals from various sources who in their opinion are worthy of this honor and recognition.

Until May 5, Mrs. Ferguson's home was at Littlefield. In Littlefield, she was selected as both past and present Outstanding Citizen of the Community, and was nominated for the honor by the various clubs in that city. Her biography was sent into the executive board.

She is past Matron of the Order of Eastern Star at Littlefield and past officer of the Order of Eastern Star. She has also been active with the American Red Cross, Women's Club, Home Demonstration Club, Art Club (she is an art instructor), and the Garden Club.

Mrs. Dorothy Ferguson

can Red Cross, Women's Club, Home Demonstration Club, Art Club (she is an art instructor), and the Garden Club.

Mrs. Ferguson has also been extremely active in the Baptist Church, where she has been Sunday School superintendent and taught an adult women's class. She said that one of the things "nearest to my heart" is the Women's Missionary Union. She has also done much work on the Benevolence Committee and helped organize the Calvary Baptist Mission in Littlefield for Latin-Americans.

"There were so many of us working for the Calvary Mission," she said, "that I certainly can't take credit for it. But it is eighteen months old now and it has 85 members."

In fact, Mrs. Ferguson — who is now a student at La Plata Beauty School in order to add to her already active life — maintained that she didn't "feel worthy" of any part of the honor she has received, although it is obvious the people of Littlefield felt that she was more than worthy.

And she listed the other thing nearest her heart as her two grandsons, John and Lynn. Her daughter is Mrs. Buddy Miller of Littlefield.

She stressed that she loves to entertain. "Sometimes I have had as many as 50 at a time for meals. Just give me two hours' notice. I love to entertain in my home."

She and her husband — he is a home-builder and contractor here — live at 306 N. 25 Mile Ave.

TO WEDNESDAY — Miss Olga Santos, daughter of Mr. and Mrs. Esiquel Santos who reside south of Hereford, and Horace Vargas are to be married at 1 p.m. Sunday in Central Church of Christ. Abel Ortiz will be the officiating minister. The couple plans to make their home in Hereford.

Scout Camporee Is Big Success

George Ochs, district scout executive, reported that the combined camporee of the Tierra Blanca and Randall County Districts of the Boy Scouts of America was a success for the approximately 95 boys and between 10 and 15 adults present here Friday and Saturday, although it was postponed Saturday at noon because of the rain. It was scheduled to end at 5 p.m.

Ochs gave credit for its success to Ray Bosley, camping activities chairman of the Tierra Blanca District.

The camporee was held on the land in Veterans Memorial Park which had been donated to the Boy Scouts during the summer by the Hereford VFW and American Legion posts. Saturday morning, Robert Betzen presented a flag to the scouts, donated to them by the Hereford American Legion Post 192.

Ochs said there were three Tierra Blanca troops and two Canyon troops represented. They wished to thank Ogle Riddle for his help with the digging machine used during the camporee.

Farmers Union Convention Set

Deaf Smith County Farmers Union will have its local convention tonight at 7:30 in the Flame Room of the Pioneer Natural Gas building.

This meeting is for the purpose of electing officers for the coming year, selecting delegates for the state convention, and the adoption of resolutions.

There will be eight members of the local organization who will be an official part of the State Farmers Union Convention which is scheduled in Austin, D.C. 5-7, at the Terrace Motel.

Entertainment for the convention tonight in Hereford will be provided by the Spiritual Singers. Dinner will be furnished by the county organization.

4-H Banquet Is Saturday

Achievement Banquet of Deaf Smith County 4-H Clubs is scheduled for Saturday at 6:45 p.m. in St. Anthony's School auditorium.

Banquet committee chairman Joette Hanna has asked those who wish to attend to call 364-3573 by noon Friday.

Many awards will be presented to local 4-H members, including the Gold Star Boy and Gold Star Girl, Home Economics Award, horse, sheep, dress review, bake show, agriculture and clothing.

On Oct. 3, 1863, a small, cigar-shaped submarine belonging to the Confederacy attacked the Union ship *New Ironsides* in Charleston Harbor causing considerable damage.

Glady's Garden

By Gladys Howton Manjeot

ROSES... STATE BOARD MEETING

If you can just imagine the beauty that can be created by 166-DOZEN cut long stem roses. This amount was used for arrangements and decorations at The State Board Meeting of Texas Garden Clubs Inc., which was held in the Rose Capital of America, Oct. 29-31.

Each of the sessions or special events featured a special rose. For instance, at the opening business session Wednesday morning, "Garden Party" was used in the arrangements. Thursday morning, breakfast featured "Circus," and the main speaker was Robert L. (BOB) Shelton Jr., Director of Public Services, and he is the person who arranges for the clowns which perform at the Rose Festival. During the parade, he is the "Chief" of the clowns, and really entertained us. Yet he brought us many facts and ideas pertaining to Civic Beautification in our Home Town.

Other roses which were featured were "Apache Belle," "Miss All American Beauty" (usually known as Miss America, it is now being grown in the Memorial Garden at the First Baptist Church and it is beautiful. It has many special features which we will tell you about later); "First Love," and "American Heritage." The latter was used in the house on the Tour and Tea of "Roseland." "Roseland" is made up of homes, a chapel, and a fortified brick house in which vaults and money boxes were used for money deposit by the plantation owners. "Roseland" has been a project of Mrs. W. C. Windsor, past president of Texas Garden Clubs, Inc., since 1952.

This project has consisted of the restoration and recreating of a Southern plantation, authentic in each detail. It was originally known as the Hambrick Plantation.

The first step was the purchase of the headquarters house which was built in 1854 by Burrhampton Hambrick. The house originally was used as the half-way stop between Dallas and Shreveport for the stagecoaches, and the main house for the 3,000 acre plantation. When Mrs. Windsor purchased the house it was in a very bad state; in fact it was practically a wreck. However, the old dwelling had been very sturdily built, and after one and one-half years it was completely restored, and is now a lovely old plantation house to visit and enjoy.

Mrs. Windsor is a most charming and highly intelligent lady, and has done a wonderful thing in the restoration of "Roseland." She has furnished the houses completely, and there are many beautiful, exquisite heirlooms throughout. China cutlages, furniture, coverlets, carpeting, curtains, draperies, etc. all so lovely and interesting. I was thrilled with all of them and will remember always the beautiful pergeries which were used on the dining tables. "Entertainment," a very pretty pink rose, was the variety selected for the Hambrick House, and in another home "American Heritage" was the choice. Throughout the tour appropriate floral arrangements were used. Approximately 20 dozen roses were used in the arrangements. One of the interesting features, to me, was the fact that "Roseland" is used by Mrs. Windsor and her family. It is their summer home, and the granddaughters have their slumber parties, and house parties at the old plantation. At each of the homes I noticed an OLD dinner bell, and am sure these get a good work-out when the young people gather at "Roseland" for fun and frolic. Some of the trees, and special gardens are as they were, when the stage coaches stopped there. I was enhanced at one of the old trees which centered a wide expanse of lawn. It was an oak, and Mrs. Windsor told me that it was over 250 years old. She gives it tender loving care, and it has responded in a magnificent way.

Since I had known about Mrs. Windsor's project since it had been started, I was especially glad to tour the historic place, and to share with her the pride which she has in this wonderful restoration. She received the first Texas restoration Award ever presented by the State of Texas, June 20, 1966.

Another place of interest and beauty, which we visited was The Tyler Rose Garden, in this there are 35,000 rose bushes in 380 varieties. The roses were exceptionally pretty, their color and textural qualities were especially nice. Cool nights, and morning mists had aided them, as the colors were more intensified. The Garden Clubs of Tyler have played a LARGE part in this civic development project, their Garden Center is located in the garden. The entire city takes great pride in this beautiful place, and I venture that the city has grown and been made a much better place in which to live because of this togetherness project. Tyler is known far and wide for the Texas Rose Festival Mrs. Luther Norville, a member of The Hereford Garden Club, attends the Festival almost every year. She and her sister of Floydada attended it in October.

The sessions of TGC were profitable and interesting. District One was honored, in that our Director, Mrs. Lee Coil of Lubbock was elected as State Corresponding secretary. Detailed plans for The National Garden Club Convention, which will convene in Dallas this year, were presented. Our District will be responsible for the decorations and favors for one of the luncheons. There was discussion pertaining to a piece of legislation which is to be presented relative to preservation of wildlife, and refuges in Texas. This is very important, and each of us should be concerned at the widespread and destruction of our natural wilderness areas. They SHOULD be preserved.

Mrs. O. G. Hill Sr. (Bessie) and I made the trip by car, and it was most enjoyable. Autumn colors had touched the sumac, and oak in many of the drives, and the contrast in the greens was lovely to behold. The tall pines, and the many kinds of trees always thrill me. Another special thrill for me, was that we went through some of the towns, and urban areas where I had lived in my childhood. Yes, I did some reminiscing, especially when we passed by a very beautiful lake near the road side. It was eventide, and had the appearance of a huge mirror casually dropped amid the stately trees, and surrounding water grasses. The reflection of the evening sunset was breathtaking. When we topped the last caprock on our return, and the exquisite harvest moon suffused the expanse of the loved plains country, it was GOOD to know that soon we would be home again.

THINGS TO DO NOW. Water the lawn, mow if needed. It is not good to go into the winter months with a heavy growth of grass. When leaves have all fallen, rake and place into a compost pile.

Check shrubs and evergreens, water thoroughly. It is very important that they have a good soaking, as they should not go into the winter months dry. A dry freeze always is harmful, while moisture tends to protect plants in freezing conditions. Soil should be damp at least 18 inches deep. If they are not well established, a mulch should be added around the base.

Groom the roses, both the bush and climbers. All long canes, which will whip and break, should be cut off. If they have been infected with mildew and black spot or any other diseases, all fallen leaves and all old blooms should be carefully raked and burned. Do not add this to the compost pile. When groomings have been completed (all dead canes should be removed, and others which effect shape of bush) spray with a well recommended protective spray. If drainage is a bit bad, cover the crowns and lower part of canes with mounded soil 6 to 8 inches. This will aid in protection against freezing. (Mounded soil should be removed in spring as soon as growth starts). Garden sanitation is important

County Residents Split Amendments

The Constitutional Amendments voting in Deaf Smith County indicated that Amendment 9 — allowing contributions to be made on the basis of full salary of members of the Teacher Retirement System of Texas — received strong support with a total of 2,860 for it and 1,164 against. But some of the other amendments failed to gain revision support here.

One county precinct — Precinct 10 — voted opposition to all amendments.

By proposition number and precincts the voting went as follows:

No. 1: (Administration of the Employees Retirement Fund): 1: 423 for, 304 against; 2: 441 for, 284 against; 3: 25 for, 24 against; 4: 29 for, 32 against; 5: 583 for, 330 against; 6: 49 for, 61 against; 7: 35 for, 43 against; 8: 20 for, 22 against; 9: 4 for, 12 against; 10: 11 for, 47 against; 11: 342 for, 265 against;

No. 2: (Raising the limit on Public Assistance payments): (1): 298 for, 422 against; 2: 310 for, 413 against; 3: 15 for, 35; 4: 15 for, 45 against; 5: 393 for, 516 against; 6: 29 for, 83 against; 7: 28 for, 53 against; 8: 14 for, 28 against; 9: 4 for, 13 against; 10: 5 for, 52 against; 11: 226 for, 374 against; Absentee: 133 for, 160 against.

No. 3: (Investment of the Permanent University Fund of University of Texas): 1: 406 for, 313 against; 2: 459 for, 248 against; 3: 28 for, 21 against; 4: 33 for, 29 against; 5: 584 for, 308 against; 6: 55 for, 59 against; 7: 45 for, 34 against; 8: 21 for, 18 against; 9: 6 for, 11 against; 10: 28 for, 29 against; 11: 373 for, 216 against; Absentee: 203 for, 83 against.

No. 4: (Dallas County road bonds): 1: 296 for, 388 against; 2: 327 for, 359 against; 3: 12 for, 32 against; 4: 18 for, 42 against; 5: 419 for, 432 against; 6: 32 for, 80 against; 7: 32 for, 47 against; 8: 16 for, 23 against; 9: 7 for, 10 against; 10: 7 for, 49 against; 11: 268 for, 291 against; Absentee: 182 for, 92 against.

No. 5: (Legislator salary increase): 1: 400 for, 330 against; 2: 446 for, 291 against; 3: 31 for, 21 against; 4: 24 for, 40 against; 5: 574 for, 353 against; 6: 61 for, 55 against; 7: 33 for, 49 against; 8: 23 for, 19 against; 9: 13 for, 5 against; 10: 23 for, 35 against; 11: 380 for, 248 against;

Absentee: 206 for, 87 against.

No. 6: (Exempt ad valorem taxation): 1: 362 for, 354 against; 2: 397 for, 317 against; 3: 26 for, 22 against; 4: 32 for, 27 against; 5: 525 for, 370 against; 6: 48 for, 67 against; 7: 33 for, 47 against; 8: 17 for, 22 against; 9: 6 for, 11 against; 10: 11 for, 47 against; 11: 346 for, 249 against; Absentee: 205 for, 86 against.

No. 7: (Reducing state ad valorem taxes): 1: 441 for, 274 against; 2: 481 for, 236 against; 3: 31 for, 19 against; 4: 32 for, 27 against; 5: 627 for, 283 against; 6: 57 for, 59 against; 7: 51 for, 30 against; 8: 19 for, 23 against; 9: 11 for, 5 against; 10: 23 for, 35 against; 11: 406 for, 195 against; Absentee: 220 for, 70 against.

No. 8: (Legislature building improvements, etc.): 1: 303 for, 394 against; 2: 348 for, 349 against; 3: 23 for, 22 against; 4: 21 for, 36 against; 5: 448 for, 433 against; 6: 50 for, 60 against; 7: 34 for, 46 against; 8: 19 for, 23 against; 9: 9 for, 8 against; 10: 13 for, 45 against; 11: 290 for, 292 against; Absentee: 174 for, 121 against.

No. 9: (Teacher Retirement System): 1: 570 for, 226 against; 2: 577 for, 194 against; 3: 28 for, 23 against; 4: 56 for, 13 against; 5: 742 for, 229 against; 6: 76 for, 45 against; 7: 51 for, 31 against; 8: 29 for, 15 against; 9: 9 for, 8 against; 10: 26 for, 34 against; 11: 464 for, 186 against; Absentee: 233 for, 80 against.

No. 10: (Tax refund on cigars and cigarettes in Texarkana): 1: 198 for, 514 against; 2: 195 for, 516 against; 3: 16 for, 34 against; 4: 22 for, 37 against; 5: 284 for, 610 against; 6: 24 for, 89 against; 7: 12 for, 65 against; 8: 13 for, 30 against; 9: 8 for, 10 against; 10: 4 for, 52 against; 11: 169 for, 418 against; Absentee: 102 for, 182 against.

No. 11: (Consolidating government offices at El Paso and Tarrant Counties, et al): 1: 310 for, 374 against; 2: 365 for, 320 against; 3: 13 for, 34 against; 4: 19 for, 39 against; 5: 436 for, 427 against; 6: 34 for, 75 against; 7: 28 for, 49 against; 8: 17 for, 24 against; 9: 8 for, 9 against; 10: 15 for, 39 against; 11: 257 for, 313 against; Absentee: 171 for, 103 against.

No. 12: (Authorize cities and counties to issue revenue bonds): 1: 398 for, 323 against; 2: 423 for, 300 against; 3: 15 for, 34 against; 4: 25 for, 34 against; 5: 515 for, 414 against; 6: 56 for, 57 against; 7: 34 for, 44 against; 8: 19 for, 24 against; 9: 10 for, 8 against; 10: 19 for, 38 against; 11: 333 for, 279 against; Absentee: 211 for, 85 against.

No. 14: (Fixing the time legislators shall be ineligible to hold other offices): 1: 480 for, 240 against; 2: 512 for, 211 against; 3: 34 for, 17 against; 4: 29 for, 31 against; 5: 643 for, 263 against; 6: 63 for, 54 against; 7: 53 for, 28 against; 8: 24 for, 19 against; 9: 9 for, 8 against; 10: 28 for, 30 against; 11: 424 for, 186 against; Absentee: 245 for, 51 against.

Sausage Festival To Be Sunday

The annual Umberger Sausage Festival will be held from 11 a.m. until 4 p.m. Sunday at St. Mary's Parish Hall in Umberger.

Tickets for the meal will be \$1.75 for adults, \$1 for children under 12, and free to children under 6.

Services Are Held For Roy Jowell

Funeral services for Roy Jowell, 809 Lee, member of an early-day ranching family of Deaf Smith County, were conducted Monday afternoon at First Christian Church, of which he was a longtime member and a deacon emeritus. He was 74 years of age.

Mr. Jowell, who came to this county in 1905 with his parents, the late Mr. and Mrs. J. L. Jowell, died late Saturday in a local hospital after an illness of a few weeks. The last surviving member of that family, he was born Dec. 26, 1893 at Midland and came here from Tulsa.

He married Lela Orr in Hereford June 3, 1926. She survives him with a daughter, Mrs. Ed Roberson, and two grandchildren, Jean and Edward Roy Roberson.

The funeral was conducted by the Rev. Gene Brink, First Christian minister, and burial was in West Park Cemetery directed by Gilliland Funeral Home. Pallbearers were George Jowell, Richard Jowell, Jerry Jowell, Bob Gentry, Ace Hooper and Ronnie Orr.

A veteran of army service in World War I, Mr. Jowell was a member of the American Legion post here. He was an enthusiastic fan of local high school athletic teams and seldom missed a game. An honorary membership in the Whiteface Booster Club was presented to him several years ago.

He supported the organization of Deaf Smith County Historical Museum and contributed to Boys Ranch and Girlstown. A retired mechanic, he worked regularly on the yard of his home and was rewarded by its designation as Residential Beauty Spot of the Month last year by the Chamber of Commerce Beautification Committee.

A memorial has been established in his name, for contributions to Boys Ranch, Girlstown, or the contributor's favorite fund.

LET'S COOK SOMETHING!

Hurry-Up Cake Is Good

By SUE COLEMAN
Women's Editor

Ministers' wives have long been noted as good cooks; the reason usually given is that they entertain many visitors and so learn many facets of cookery.

THE RULE WORKS both ways, says Mrs. Leo Buscher, wife of the pastor at Summerfield Baptist Church. Ministers and their wives frequently visit in other homes, are served special dishes by their hostesses, and thus have the opportunity to collect many recipes.

Mrs. Buscher, a tall brunette with expressive dark eyes, likes to cook and to find new recipes for trial in her kitchen. She looks for dishes that are simple to make and good to serve at church luncheons and suppers.

One is for a quickly-mixed cake which is always welcome on the menu. It requires no egg and no shortening, so when she lists ingredients the recipient usually questions its completeness, but she says the five ingredients make a delicious cake.

PINEAPPLE CAKE

- 2 cups flour
- 1 1/2 cups sugar
- 2 tsp. soda
- 1 No. 2 can crushed pineapple
- 1/4 tsp. salt

Mix well, put in a flat pan, sprinkle with 1/2 cup nuts and 1 cup brown sugar. Bake 30 minutes at 350 degrees.

ICING

- 1/2 cup sugar
 - 1 stick margarine (1/2 cup)
 - 1 small can evaporated milk
- Cook together 10 minutes. Ice the cake while it is hot.

MRS. BUSCHUR took this recipe from a cookbook compiled by women of a church at Plainview, who held a "tasting bee" where each cooked a favorite dish and supplied the recipe for it.

Plainview was the first home in Texas for the Buschers, who came to Summerfield late in June from Bula. She is a native of Kentucky, grew up and attended schools of McKee, Ky., then lived in Ohio after her marriage.

Her husband entered the ministry after they had been married a few years, and wanted to attend a Baptist college. A neighboring minister recommended Wayland College at Plainview; they came to Texas "and just stayed!"

HE IS STILL A student, completing his work at Wayland this year while he serves the Summerfield church as pastor.

Mrs. Buscher assists him in duties at the church, as ministers' wives usually do. She likes best to work with young people, especially the Girls Auxiliary

Mrs. Leo Buscher
native of Kentucky

for young girls, and also enjoys programs and projects of the Women's Missionary Society.

Her enthusiasm for music stands her in good stead when a piano accompanist is needed in the church, and she plays regularly for the junior choir which sings on Sunday evenings.

The piano is also her favorite spot for relaxation; she says it is restful to play a while. Her study of music began with piano lessons when she was a child.

Handcrafts give her another hobby, and she likes to sew for herself and her daughters, 14-year old Karen Yvonne and Elena, 7.

ANN FISHER — who plans to leave next month for Ghana, West Africa, to work as a nurse in the Saboba mission station and Clinic. Miss Fisher spoke Sunday at the Assembly of God Church in Hereford.

In Thailand when you are invited to a party or a social affair, you must accept. Whether you show up or not is another story.

Anne Radney rolled a 233 for the Queens portion of the Kings and Queens bowling league, while Buck Bauman hit for a 204 to grab the mens honors in last weeks action.

Missouri Beef Packers won the "High 3-Game Series" with a 2269 and Farmers Elevator collected the "High Single Game Team" honors with a total of 811.

Last week, One Hour Martinizing won 3 and lost 1; Missouri Beef Packers won 3 and lost 1; Quarterhorse Club won 1 and lost 3; Sunset Food Center won 3 and lost 1; Vance Hall Sporting Goods won 1 and lost 3; Hereford Janitor Supply won 1 and lost 3; and Farmers Elevator won 1 and lost 3.

Team standings include Vance Hall Sporting Goods, 18-10; Sunset Food Center, 17-11; Farmers Elevator, 17-10; Sunset Lanes, 16-12; One Hour Martinizing, 15-13; Missouri Beef Packing, 14-14; Hereford Janitor Supply, 11-17; Quarterhorse Club 11-7; Cougar Club, 11-18; and Powells Mobil Service, 9-19.

Roberts Wins In Football Contest

Of some 110 entries in last week's football contest, only 14 people predicted that Hereford would come out on top, and that was the game that decided the winner for the contest.

Ricky Roberts, 113 Western, predicted 14 of a possible 15 games correct as did two other entrants, but he came the closest to the tie-breaker to win first place money. Roberts missed the decider by 21 points.

Taking second place was Pleasant Baker of Burbank, Calif., and third place went to Pat Manchee, 125 Northwest Drive. Baker missed the tie-breaker by 34 points and Manchee was off 43 points. For winning, Baker got \$4 and Manchee, \$2.

Cole Is Cited In Amarillo Paper

Bill Cole, 170 pound Whiteface field general, has been named as the player of the week for in district 1-AAA by the Amarillo Daily News for his performance against the Perryton Rangers in the 13-12 upset by the locals.

Cole scored both Whiteface TD's in the contest, both coming on short yardage plunges. He called the plays that carried the Herd on a 95-yard scoring drive that provided the TD necessary for the win.

This is the second week in a row that the Whitefaces have had a player named as the "Player of the Week" in the Globe polls. In the contest against the Canyon team, Rodney Dearing received the honor.

The pros drafted a total of 36 seniors from the Southeastern Conference in the 1968 pool of college players.

Jim Katsavage of the New York Giants is a 13-year veteran in the National Football League.

What Is the Paper Lion?

Local Youth Gets Hole-In-1 Here

Denny Hicks, 16-year-old son of Dr. and Mrs. Clarence Hicks of 105 Douglas, scored a hole-in-one Sunday while playing at the John D. Pitman Municipal Golf Course.

Hicks, who was playing with his brothers, David and Gary, and his father, used a No. 5 iron to drive the ball 155 yards into the cup on the number 8 hole. Hicks is a junior at Hereford High School.

The 1968 USGA women's Open golf championship will be played at the Sevier Hills Country Club in Pensacola, Fla.

Muleshoe

Whitefaces Will Encounter Highly Improved Muleshoe

By MARSHALL DAY
Sports Writer

From here on out, there will be three "must" games on tap for the Whitefaces and the next in line is the unpredictable Muleshoe Mules who the locals will face Friday in Muleshoe.

Muleshoe, which has won but one game this season, and that being last week against Tulia, has shown a consistent effort. Muleshoe faced a tough schedule in pre-district competition, with defeats coming at the hands of Dimmitt, Abernathy, top-notch Olton, Denver City and Portales. In district competition, the Mules put up a good fight against Dumas team but fell 21-6, then bounced back and won their first game, 14-7 over Tulia.

Though their record indicates a lack of scoring ability, this is the same indication given by the Whiteface record. Through the seven games thus far this season, the Mules have scored 33 points while allowing the opposition 154 points. Hereford on the same token, has scored 98 points and have allowed 88 through the same number of games.

In their last three games, the Mules have, as Whiteface coach Larry Wates put it, "been awful stingy and real tough on defense by not allowing a lot of points to be scored against them." For the last three games, Muleshoe has scored 26 of their 33 points and have given up only 49. They lost a one-point game to Portales, 14-13, were beaten in the last half of the Dumas game, 21-6 and clipped Tulia, 14-7. In the four previous games, they had given up 12 points to Dimmitt, 6 to Abernathy to whom they lost 6-0, 49 against highly regarded Olton and 38 to another high classed AA Denver City club.

"They have been throwing the ball a lot," Wate said, "but their defense has been the thing that has helped them improve so much in the last few games. It was the same situation in their game against Dumas a couple of weeks ago when they played Dumas to a 7-6 game at the half. Their trouble came in the second half when their of-

fense had a lot of trouble moving the ball."

On offense, Muleshoe has a good sized unit with three of the starting eleven being lower classmen, and the entire team averaging out to about 173 pound per man. Filling the field on offense will be junior quarterback Ronnie Barrett, 150 pounds; Roger Swent, 190-pound senior fullback; halfback Charles Beamon, 180-pound senior; Bobby Burge, 140-pound wingback; split ends Keith Truner, 165 pounds, sophomore and Prentiss Griffiths, 140-pound junior; left tackle, David Lee, 200 pounds; junior guard, Alfred Blecker, 175 pounds; Joe Pat Riley, senior center; right guard Eusebio Villaral, 180 pounds; right tackle Terry Reasoner, 195-pound senior and right end Larry Kitchens, 155-pound senior.

Defensively, Muleshoe will not make many substitutions or changes than those in the offense with the changes being at defensive back and defensive linebacker. At the linebacker slot, Dennis Beene will go and in the back position, J. C. Slaughter. These two will replace the split

end and guard from the offensive unit.

PERRYTON STATS
In last week's game against the Perryton Rangers, the Whitefaces played the best ball they have played thus far this season in upsetting the previously undefeated team, 13-12. Starting with the Muleshoe Mules Friday night, the Herd must begin a long road of consistent playing to reach the district crown they are presently sharing with the Dumas Demons with 2-0 records.

Perhaps with last week's game, the Whitefaces, who were inconsistent throughout the pre-district games, found their place as statistics show that they led in every category where it counted, including the scoring.

Hereford had 23 first downs to Perryton's 10; the locals had 266 yards rushing to the Rangers 126; had 48 yards passing to the visitors' 71; and five of the boys on defense were in on 10 or more defensive plays each. The backfield came up with 13 pass defensive plays to aid the winning cause while the offense executed 69 plays, to Perryton's 32. The Herd also snatched two

Ranger aeriels and averaged 3.5 yards on each ground gain. The kicking game, which has been the main factor in all of the locals wins, averaged 57.7 yards per boot.

With these figures staring them in the face the Whitefaces will be looking for their fourth win in the last four starts when they visit Muleshoe Friday night at 7:30 in a crucial 1-AAA contest.

Turkey Shoot Is Slated At Easter

The Easter Lions Club has announced plans for its annual Turkey Shoot, which is to be held Sunday, Nov. 23.

Shotguns are the only firearms to be used in the shoot, which begins at 10 a. m. and lasts until dark. The shoot will be held on the Main St. of Easter, 10 miles south of Hereford on Farm Market 1055.

City planners deliberately imported pigeons to Brasilia.

Lack Of Height Will Be Main Problem Of Local Cagers

By MARSHALL DAY
Sports Editor

With only two returning starters back and one returning letterman, head basketball coach Coby Kitchens' cage team is looking at a somewhat bleak season this year, in comparison to other district 1-AAA teams.

Kitchens is looking for help from the previous seasons junior varsity team which, he hopes will produce talent to make up for that lost due to graduation last year. Presently, there are seven boys working out for the upcoming season, but a good number are still competing with the football teams, and still others are involved in band and other school activities.

Hopes for a district crown this season appear to be the same as those of last year, with Perryton and Dumas both coming on with teams of good height. The only player that Perryton lost through graduation, from a team that lost out to bi-district champion Andrews last season, will be replaced by a player capable of filling the vacated shoes, Kitchens said. Dumas, who Kitchens expects to be in the crown chase with Perryton, returns about the same number of boys as does the Rangers, from a team that felt defeat only three times last year. —twice to Perryton and once to the Whitefaces.

"Perryton has good height," the mentor explained, "with two of their starters being six-foot, five and another being six-foot-

three. Dumas also has a couple of tall boys that will put them right in there with Perryton."

Hereford, will field the shortest team in the district and the shortest team since Kitchens has been coaching the cage program; that being 13 years. His tallest starter will be six-foot-two center Marsh Pitman who played with the third place finishers last year. Other cagers; five-foot-ten senior Dusty Duncan and six-foot-one-half-inch Bill McMinn the only other two lettermen back, will be the nucleus of the cage program this year. Pitman, a junior this year, was second in district scoring for the Whitefaces last year with 11.7 average per game while Duncan, the ball handler for the team, had a 5.5 average per game. McMinn getting in on a lot of action last year, is expected to add a little spice to the club this year.

Coming up from last year's junior varsity will be Jim Rakestraw, who led that team through a good season; Percy Mays, a top rebounder for the JV's last year; Santry Rush, and numerous others. Kitchens expects a lot of the load of the coming season will be resting on the boys who have stepped up from the JV squad.

Five seniors will compose the major part of the varsity Whiteface cage roster with others aiding the cause from the junior class. Kitchens, planning on having three teams this year, is trying to have at least 10 players on the varsity, 12 on the junior varsity and 12 on the "B" team.

Preparation for the upcoming cage season began Oct. 15 when it became legal, through University Interscholastic League rules, to work out for basketball. Workouts at the present time consist of small detail work with individual players and scrimmaging when enough players are able to work out.

The average height of this year's team will be six feet if not less on the players, whereas the other district teams will average around six-foot-two-inches per player. To offset this problem, Kitchens is planning on using the press more this year than in previous ones. The press, plus a small amount of speed that the boys will have this year, is expected to make them a possible contender for the district crown.

Along with Dumas and Perryton, there is expected to be other district teams in on the spoils for the district crown, including Muleshoe, Tulia and Canyon. Kitchens feels that there is not a team in the district that will be considered an all-out winner before the season gets underway. Muleshoe, who had another poor season last year, is rebuilding their cage program with the help of one starter back. They will

have two six-foot-or-better boys to add to the rebuilding blueprint along with several other adept ball handlers.

Canyon follows the same design of construction as will Muleshoe, as they will have only one or two returning lettermen back. Their strength will be in a couple of "B" teamers who have been added to the varsity roster for the '68-69 campaign. Coupled with the size of the young players will be their ability to handle the ball well.

Mike Henthorn, three year starter for Tulia, will be the stepping stone for the Hornets as they make an attempt to bring recognition to their town. Henthorn, who started for the Hornets when he was a sophomore, plus a lot of others, add to the height of the Tulia team and thus putting them up for contention for the crown.

The cage season will get underway on Saturday, Nov. 23, — the day following the end of district football competition. That game will be against 4-AAAA Amarillo Caprock and will be played in the local gym. Other games during the early stage of the roundball season will see the locals host Amarillo Palo Duro on Nov. 26; travel to the Amarillo tournament on the weekend of Nov. 29 and 30; go to Littlefield on Dec. 3; compete in the Plainview tournament on Dec. 5; play at Phillips on Dec. 10; host the Clovis team on Friday, Dec. 13; and then host Littlefield on Dec. 17.

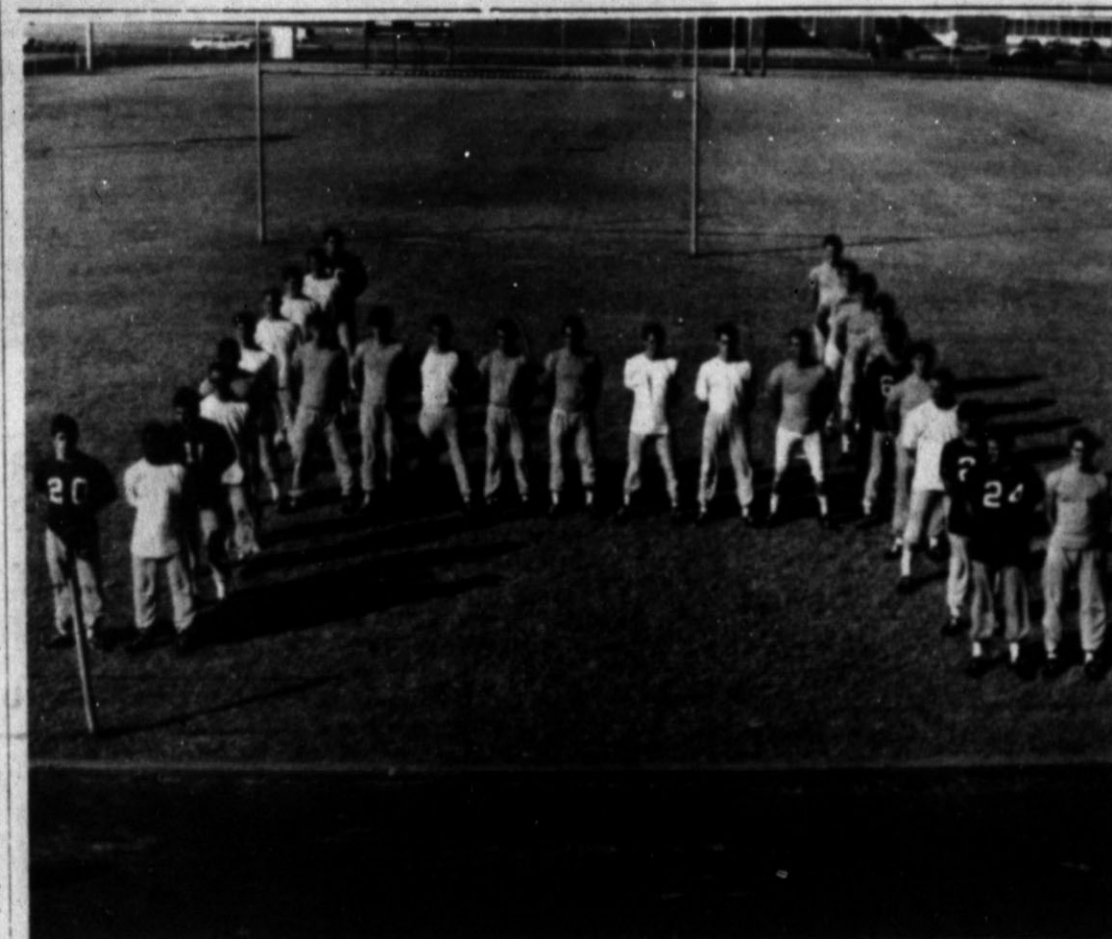

Trophy Shoot Planned Sunday

The R. J. Cramer Trophy Shoot will be held at the Hereford Gun Club near the airport Sunday afternoon.

Plans call for practice to begin at 1 p. m., and the shoot will start at 2 p. m.

C. J. Lance, who has won the trophy two times in a row, will be attempting to gain sole possession with a third victory. A shooter must win the traveling trophy three times in a row to keep it.

Cost of the shoot will be \$5 per person, with 100 rounds to be fired under trap shooting rules. Ammunition will be sold at the shoot. All persons interested in shooting are invited to enter the competition.

PLAYERS OF THE WEEK—Selected of Whitefaces. For details on team as the players for the week in the 13-12 upset win over the Perryton Rangers last Friday was the whole team averages in the game, see story, this page.

Muleshoe, Dumas Nab Other Victories In District 1-AAA

It has again reached the stage in district 1-AAA where Hereford and Dumas are running neck-and-neck in early standings with each sporting 2-0 records.

Through two weeks of district competition, Hereford has downed Canyon (46-0) and previously undefeated Perryton (13-12) and Dumas has clipped Canyon also (46-7) while dealing Muleshoe their first setback in dis-

trict play (21-6). While the Whitefaces were doing their damage to the number one ranked Rangers last Friday, Dumas registered their win over the winless Eagles with sophomore Demon quarter back Bobby Laughry passing them to the runaway.

The young field general hit for 269 yards on 14 completions of 20 attempts. Two of his connections went on in for TD's while the ground game was carrying its weight also. The Demons outrushed the Canyon team 181 yards to 155 and had 21 first downs as compared to 10 for the Eagles.

Dumas found themselves facing the short end of the score in the opening moments of the game when the Eagles recovered a Demon fumble and carried the ball into the end zone a few plays later. But, Dumas found the key to the game as they retaliated for 33 points in the first half, forcing the game out of reach of the Eagles.

Dumas now holds an identical record as that of Hereford in both district competition and season play — 3-4 for the season and 2-0 in district. Hereford will encounter the Dumas team in the district closer on Nov. 22 at Dumas.

In the only other game in 1-AAA play, the Muleshoe Mules won their first game of the season with a 14-7 score over the Tulia Hornets. This was the first win for Muleshoe and Tulia has yet to win a game this season.

Muleshoe drew first blood in the game when back Charles Beamon scampered 44 yards on a reverse play, but Tulia tied the game up when they scored from three yards out in the wan-

ing moments of the same period. Muleshoe took the game in the fourth period when Beamon again scored from seven yards out this time.

In team statistics, Muleshoe completed one of six passes as did the Tulia field general; the Mules intercepted three Tulia passes while the Hornets did not steal a single one; Tulia outgunned the visitors in the first downs category when they tallied 14 to the Mules' nine; and Muleshoe fumbled three times and recovered two while Tulia let slip of six balls and recovered all of them, plus one of Muleshoe's.

This week, Hereford will meet the Mules in Muleshoe Friday at 7:30 p.m. and Dumas will play Tulia. Perryton will meet Canyon in Eagleland on the same night.

Can this be the Paper Lion?

SEASON NEARS — Head cage mentor Coby Kitchens outlines a few plays to junior roundballer Jim Rakestraw as the basketball season nears. The Whiteface team will open their season by hosting Amarillo Caprock on Saturday, Nov. 23.

The Hereford Brand, Hereford, Texas, Thursday, November 7, 1968

... The Golden Rule. And what a world this would be if men would only live it! There would be no more necessity for preaching and the jails could rot down. Observation of the "Golden Rule" would bring in the Age of Gold. Hillel, the Jewish lawyer, called it "the whole law." Leo Tolstoy, "discovered those clear simple truths," gave up a most successful profession and spent the rest of his life crusading for the welfare and understanding of his fellows. "Do Unto Others," was made more Golden by the American Indian when in his memorable words, he counsels us to travel "A moon in his moccasins," before we criticize another. The Golden Rule carries the secret of a good society... A Democratic society. But don't forget the man who uttered the rule in the Gospels. That makes it different. His message includes the parable of the Good Samaritan and of the Last Judgment... feed the hungry, clothe the naked and remember the man in jail. It all boils down to a most significant question... "Will you keep it in good conscience?" In your home, your business, your social affairs, will you "DO UNTO OTHERS AS YOU WOULD BE DONE BY?"

More on the Golden Rule next week.

You In The Church
The Church In You
... form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker and attend services regularly.

FOR SERVICES RENDERED — These persons were presented certificates for "Outstanding Service" to the Young Homemakers during the annual banquet of the Deaf Smith County Young Farmers-Young Homemakers Saturday night. From left are Leo Forrest, manager of the Deaf Smith County Electric Cooperative; Mrs. Argen Draper, County Home Demonstration Agent; Mrs. J. J. Dur-

ham, former home economics instructor at Hereford High School; Mrs. Joe Bradley, home economics teacher at La Plata Junior High, and Jess Robinson, Future Farmers of America teacher at HHS. Others receiving the certificates were Mrs. Beryl Bursmith, HHS home economics teacher, and Richard Robinson, FFA instructor at HHS.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Doctor, I'd Like To Know—

AGAINST your written advice in one of your columns three years ago, I submitted to being sterilized by surgery to avoid having any more children. Since then I have been remarried after having been a widower for almost two years. Now my wife would like to have children and I would willingly undergo any surgery to make this possible. Can this be done and are there doctors who specialize in this type of surgery?

Mr. H. P., California
Dear Mr. P.: The sterilization operation that you probably had was a technique that is performed by cutting the vas deferens—a tiny tube through which sperm passes during intercourse. There are two leading from each testicle and when they are cut, or tied, the chance of impregnating a woman is almost impossible. I say almost impossible, because some cases have been reported where the tube has not been adequately tied off and seems to have grown together again.

Unfortunately, there is little or no chance that anyone who has had this operation, vasectomy, can have another one performed to reopen the closed tube. Such surgery has been tried and almost always by the very surgeon who performed the vasectomy on men who, just as you, have subsequently changed their mind about lifetime sterility.

Consultation with your surgeon may induce him to try to repair and reopen the tube. I doubt that he will undertake an operative procedure, the results of which are so rarely effective. This is a discouraging answer, but it highlights a very important aspect of the problem. No one should undertake surgery of this kind when it is well known that it is almost always irreversible. The idea you might consider, after complete discussion with your doctor, is artificial insemination, so that your wife will not be deprived of the

possibility of motherhood.

We vaguely recall a warning by you in one of your columns about the dangers of allowing children to eat nuts. We have tried to find the article and have been unsuccessful. Can you once again tell us about it? Is the contents of a nut harmful to children?

Mrs. V. G., Massachusetts
Dear Mrs. G.: Your letter gives me an opportunity to again warn parents about the dangers of feeding small children nuts, especially peanuts. Ten days ago I had occasion to remove a peanut from the lung of a child. This is not an uncommon experience to those of us who practice the specialty of bronchoscopy. By means of a rigid tube passed through the mouth into the lungs, foreign bodies can be removed. Peanuts are very nutritious, a cup contains almost a thousand calories. But there are far safer foods which have as much nutritive value without the danger of being aspirated or sucked into the lung.

A special type of pneumonia is set up by the peanut and other nuts and frequently a severe lung condition can result, especially when the presence of a foreign body is overlooked.

Children frequently grab handfuls of peanuts and throw them into their mouths while laughing and playing and set themselves up for the chance of inhaling one of them. It is for this reason that I truly believe that there is not enough advantage in feeding nuts to children until they are old enough to self guard themselves against this unnecessary hazard.

SPEAKING OF YOUR HEALTH — Manipulation of the spine for low back pain without a definite diagnosis by a physician or osteopath can be exceedingly dangerous.

Dr. Coleman welcomes letters from readers, and, while he cannot undertake to answer each one, he will use questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Coleman in care of this newspaper.

AUSTIN HIGHLIGHTS

Highlights And Sidelights From Your State Capital

By VERN SANFORD
Texas Press Association
AUSTIN — Texas' first bilingual education plan designed to curb the school dropout rate and provide better teaching for 500,000 children has been cleared for action.

Fifteen-member advisory committee approved a plan as drawn by the Texas Education Agency task force.

Dr. Severo Gomez, director of TEA International and Bilingual programs, said the high dropout rate among Spanish-surnamed pupils is largely due to traditional instruction methods.

New statewide plan would enable young pupils to learn their lessons in Spanish until they get thorough grounding in English.

At the same time, it seeks to teach English-speaking children to be fluent in Spanish as well.

Federal government has allocated \$7.5 million for bilingual education programs, and Texas is due to get a substantial share early next year.

REGIONAL PLANNING — U. S. Department of Housing and Urban Development has given Gov. John Connally's office its National Award for Outstanding Contributions to Intergovernmental Relations.

HUD Secretary Robert C. Weaver commended Connally, saying his regional-planning programs are "indicative of how initiative, cooperation and sound program execution can improve the living environment of our citizens and meet the challenge of urban growth."

Connally released a directory of councils of governments and regional-planning commissions, revealing that assistance by the state for regional-planning in the last fiscal year was in excess of \$1.7 million to voluntary associations of local governments which serve three-fourths of the state's population.

Currently, there are 20 active COGs in the state, and they cover 101 counties, 277 cities, 72 school districts and 51 special districts.

LIQUOR IMPORTATION — Texas Liquor Control Board is launching a new program of public information, figuring that if the average citizen is well informed, he'll stay out of trouble more.

One new area is educating persons heading for Mexico. This will be in the form of letters handed out at all likely spots, telling the visitor that, when he returns, he can bring back only one quart of liquor every 30 days, and Texas law requires a tax of 42 cents per quart.

Emphasized will be the state law against importation or even possession of any liquor container of less than one-half pint. This prohibits the mini-bottles which many tourists try to bring back as souvenirs.

NEW BOTTLE CLUB PLAN DRAWN — Liquor Control Board staff has drawn another new set of rules for conducting private bottle club business which soon will be subjected to public hearing.

While rules of last February sought to tighten guest card distribution and eliminate cash sales of mixed drinks, this latest revision is not so strict. It does not deal with controversial guest card and cash sale issues which are still under court challenge.

Rules would require a minimum of 25 members to form a club and provide that new members be approved by a membership committee.

COURTS SPEAK — In a key labor case, Texas Supreme Court reversed the Beaumont Court of Civil Appeals and dissolved a temporary injunction which had halted picketing by the millwrights' union at Owens-Illinois' plant in Orange.

High Court denied a rehearing sought by a Waco man who unsuccessfully filed a defamation case when Sears, Roebuck posted his name on a hot check list.

In line with the U. S. Supreme Court Witherspoon decision prohibiting automatic exclusion from capital case juries of those who object to the death penalty, Court of Criminal Appeals reversed two Texas death penalty cases and affirmed two others.

Conviction of an Abilene man for violating the state securities act was reversed by Court of Criminal Appeals which earlier had upheld the trial court finding.

POLICE TRAINING PUSH ON — Warm on crime efforts is proceeding on many fronts. Many center around improvement of police training.

Sam Houston State College at Huntsville is pushing for recognition as the site of a statewide police academy.

Unless a statewide academy is created, says Sam Houston College President A. B. Templeton, 30 to 40 local academies soon will be started with federal funds. He proposes to build facilities between Sam Houston and the penitentiary at Huntsville with convict labor and materials produced at the prison at a cost of about \$2 million. Federal government would be expected to pay half that cost.

BAIL BOND REFORM — State Bar of Texas and the State Junior Bar will ask the Legislature in January to change the state's system of making bonds for release while persons accused of crimes are awaiting trial.

Idea behind the new plan is to let judges release people, when possible, without making bond at all. But when the judge feels a bond necessary, the prisoner could deposit up to 10 percent of the bond himself.

As it is now, the accused generally has to pay the 10 percent to a professional bondsman, and the money is a fee for services rendered and is not returned. In the proposed system, the man would get his deposit back when he showed up in court.

COLLEGE ENROLLMENT UP — Enrollment in Texas' senior colleges and universities has grown by more than 88,000 students—47 per cent—since 1963, the Coordinating Board, Texas College and University System, reports.

Almost 274,000 students enrolled this fall, compared to about 135,000 in 1963. An increase of 58 per cent was recorded by the 22 public senior institutions, and private schools numbering 37 grew by 20 per cent.

No public senior institution has declined in enrollment.

APPOINTMENTS — Liquor Control Board unanimously named O. N. (Newt) Humphreys Jr. its full-fledged administrator. Humphreys, ex-Department of Public Safety investigations chief, has been serving as acting administrator since last March following the resignation of Coke Stevenson Jr.

Governor Connally appointed R. B. McGowan Jr. of Pecos to the Pecos River Compact Commission, succeeding the late J. C. Wilson of Pecos.

HIGHWAY DELAY POSSIBLE — Texas highway projects may be stalled and their prices advanced by federal policies just invoked, according to a state highway commissioner.

Garrett Morris of Fort Worth said the Commission is concerned that the federal policies may further force the state to take over right-of-way buying now done by counties.

Morris said the state will be required to get appraisals and make money offers to land owners before any property is acquired for road building.

ATTORNEY GENERAL RULES — Harris County auditor cannot take over county clerk's duties of issuing paychecks to his own employees, Atty. Gen. Crawford C. Martin has held.

In another recent opinion, Martin concluded that expenses of a district judge (including such incidentals as laundry) while attending a National College of State Trial Judges can be paid out of appropriations of the legislature for the general purpose of reimbursing those who enrolled.

WATER RESEARCH — The University of Texas at Austin has set aside \$375,000 for a 35,000-square-foot building to house facilities for its Center for Research in Water Resources.

Pointing to Texas' gigantic water problems, Dr. Earnest Glynna, director of the center, said the facility will be dedicated to solving those problems. "In establishing this research capability," he said, "we expect to attract top-flight students and researchers from all over the U. S. and other parts of the world."

Unit will include such sophisticated equipment as special environmental control chambers, hydraulic model facilities, tanks for study of wave actions, flumes to evaluate selected stream flows, models for measuring mixing and dispersion patterns, pilot plants for water and waste water treatment studies and a materials test capability.

PENAL CODE REVISION AIDED — State penal code revision has been aided by a \$5,000 grant to the State Bar of Texas committee on revision. Committee, assisted by the

year ago.

possibility of motherhood.

Local Workers Of Gas Firm Are Honored

Hereford area employees of Natural Gas Pipeline Company of America were honored at a banquet Wednesday night at the Holiday Inn, Clovis, N. M.

The occasion was the Company's annual Service Awards Banquet at which employees with five-year multiples of service are given special recognition. All Company employees in the area and their respective spouses were guests at the dinner.

As the highlight of this year's program, Miss Candace Schroe-

d. r. public relations representative of NGPL, presented "The Magic Suitcase" which includes samples of the more than 26,000 natural-gas-based products on the market. Since the start of the program earlier this year, "The Magic Suitcase" has been shown to more than 30,000 persons.

Awards for fifteen years' service were presented to Jackie G. Hughes and Floyd R. Eubanks, both of the pipeline department, Hereford. Each received a commemorative pin.

William H. Burford, district pipeline superintendent, Lovington, N. M., served as Master of Ceremonies for the evening. Musical entertainment was provided by Ted, organist.

Executives from the Com-

NOT AS PLANNED
ST JOHANN, Austria — Two teenage girls each received three-month prison terms for setting up a barricade on the country road intended to prevent their boy friend from visiting a girl in a neighboring village. Besides bringing the jail term the girls' scheme backfired in other respects too: The barricade caused another motorcyclist to have an accident while the boy visited the girl via another road.

The record for extra points missed in one National Football League game is four. It happened to Washington's Joe Aguirre against Philadelphia in a 1944 game.

pany's Chicago headquarters attended the dinner.

Rites Held For Mrs. F. Medina

Funeral services for Mrs. Felisita Hernandez Medina, 79, will be conducted at 10 a. m. today in St. Joseph's Catholic Mission, with the Rev. John Broderick, pastor, officiating. Burial by Gilliland Funeral Home will be in St. Anthony's Cemetery.

Mrs. Medina was born Dec. 12, 1888, and died Monday in a local hospital. She married Elario Medina, whose death occurred in 1937. She came to Texas from Mexico in 1908 and to Deaf Smith County in 1957 from San Marcos.

Surviving are a daughter, Mrs. Anastasia Castillo, nine grandchildren and 15 great-grandchildren.

Look Who's New

Mr. and Mrs. Mark Anthony Koehnig are the parents of a son, Timothy Robert, born Nov. 2. He weighed 9 lbs. 14 ozs.

Mr. and Mrs. Billy Joe Wall are the parents of a daughter, Andrea Janenne, born Nov. 3. She weighed 7 lbs. 6 ozs.

Mr. and Mrs. Jackie Ray Stallings are the parents of a son, Jackson Dirk, born Nov. 4. He weighed 7 lbs. 5 1/2 ozs.

Mr. and Mrs. Donald Ray Dumas are the parents of a daughter, Karrie Mae, born Nov. 5. She weighed 7 lbs. 1/2 oz.

Mr. and Mrs. Homer Wesley Rudd are the parents of a son, Wesley Farrell, born Nov. 6. He weighed 7 lbs. 15 ozs.

COOLING-OFF PERIOD

SAIPAN (AP) — Bringing modern airline service to the somewhat relaxed native attitudes of the remote Pacific has its light moments.

A Micronesian chief recently boarded an Air Micronesian aircraft for a trip to another island.

Felling uncomfortably warm while waiting for take-off, he solved the problem simply by taking off all his clothes.

The embarrassed stewardess escaped into the cockpit until the chief was sufficiently cooled down to put his clothes on again.

Airman Artemio Cano

Airman Cano Is Home On Leave

Airman Artemio Cano, the 18-year-old son of Mr. and Mrs. Jesus Cano of 413 Ave. C, has been home on leave after completing basic training at Lackland Air Force Base at San Antonio.

Cano is a 1968 graduate of Hereford High School.

He will now be stationed at Stewart Air Force Base at Nashville, Tenn., where he has been assigned on-the-job training in the administrative specialist field.

Texas Legislative Council, expects to have the proposed code ready for submission to the 62nd Legislature in 1971. A law enforcement advisory committee, headed by Dean W. Page Keeton of the University of Texas Law School, is comprised of metropolitan chiefs of police, representatives of the Texas Sheriffs' Association the Department of Public Safety.

SHORT SNORTS

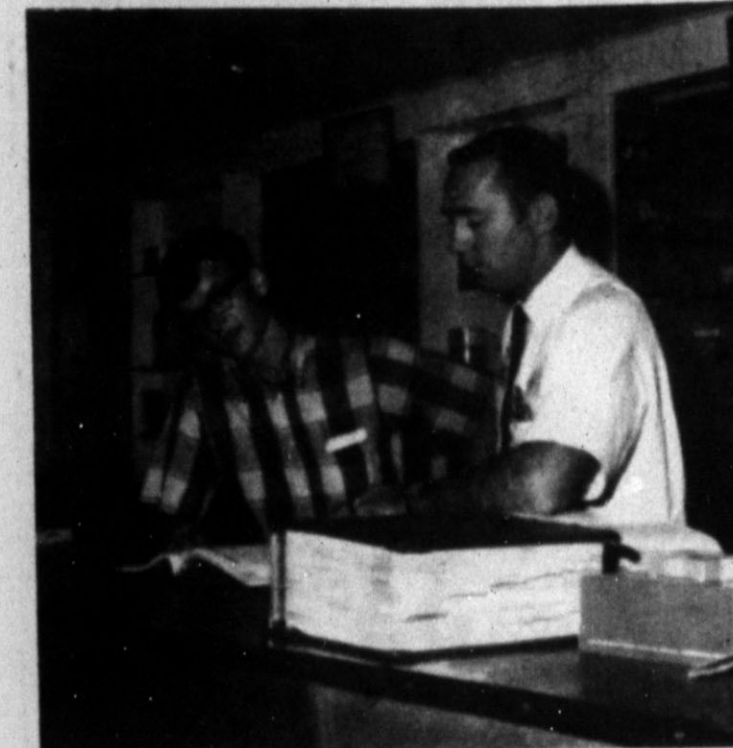

Governor Connally proclaimed November 17 "Safety Sunday." Texas traffic accident toll is 2,577 this year compared with 2,566 for same time in 1966. Department of Public Safety reports. State Building Commission will open bids on November 14 on construction of the new veterinary medical diagnostic laboratory authorized by the Legislature in 1967. Texas construction activity declined six per cent from August to September, but index remained 35 per cent higher than September a year ago.

DE STUDENT OF THE WEEK is Deborah Kay Boardman, daughter of Mrs. Irene Boardman, Rt. 3. Miss Boardman, employed at Gaston's Popular Store, is a junior DE student this year. Her plans after graduation include going to business school. Pictured with Miss Boardman is Gaston Baer.

KIWANIAN OF MONTH — Ray Todd, left, president of the Hereford Kiwanis Club, is shown presenting the "Kiwanian Of The Month" award to Bub Sparks at the club's last meeting.

ICT STUDENT OF THE WEEK — Selected as this week's ICT student of the week is Buddy Roberson, son of Mr. and Mrs. Ed Roberson of 137 Greenwood. Roberson, a junior at Hereford High School, is employed under the ICT program at Orval Watson Ford Co. as a partsman. Pictured with Roberson is parts manager, Raymond Self.

VOE STUDENT OF THE WEEK is Renee Beckman, daughter of Mr. and Mrs. Louis C. Beckman of 244 Elm St. Miss Beckman, a senior at Hereford High School, is employed under the VOE program at the Deaf Smith County Chamber of Commerce. After graduation she plans to attend college at WTSU. Pictured with Miss Beckman is Thelma Lamm, her supervisor.

By MELVIN YOUNG
By the time you read this we may have elected a new president for the United States, but this is going to be one of the closest races in history as was the race in 1960 between Nixon and John F. Kennedy.
And like the race in 1960, it will have its share of vote stealing, principally in Cook Co., Ill. where they were still looking for the ballot boxes Wednesday morning. Cook County usually stays in the Democratic columns, one way or another.

By CONNIE HOOVER
Happiness is beating Perryton. Double happiness is going to State! The 1968 Hereford Homecoming was super fabulous "And we bring you Fire" — the only words to describe Thursday's bonfire! The Seniors won with 104 loads of wood while the Juniors had 96 loads and Sophomores had 28 loads. The cheerleaders led several yells & spirit-springers with the help of the band.
Excitement was added to the pep rally with the suspense of learning which candidate would become Homecoming Queen: The Queen, Trisha Hill, said, "Last Friday was the most fabulous Homecoming we've ever had! The attendants and I thank everyone for the honors. We never wanted that day to end. It was so great!"
"Through the Pages of History" was most effectively seen in the parade Friday afternoon. The results were band, Best All-Around Float; Junior Float, Most Original; FHA, Most Expressive; Choir, Best All-Around Car; Theatians, Most Original Car.

HHS
HHS is proud of its band. Last Tuesday they brought home three 1's from marching contest in Canyon. They were the only ones to receive three 1's in AAA and AAAA band competition. Denise Daniels and Trisha Hill both brought home 1's for their twirling! Congratulations! Also, they received the Spirit Stick in the pep rally Friday.
HHS
Seniors... Annual Supper ticket money is due tomorrow.
HHS
Morale and Manners, the panel topic for the last FHA meeting. The Future Homemakers of America thank the panelists Father Heine, Charles Frye, Gene Fooks, Dr. MacBrayer, and Lowell Sharp for their participation. Public guests are encouraged to attend these meetings. Another one will be held next month on Christmas Wrappings Girl of the Month for the summer months were Debbie Todd and Sherry White, for September was Anna Johnson, and for October was Chris Loerwald.
HHS
Formal initiation for FFA greenhands was held last Monday night.
HHS
Christmas candles will be sold soon by Tri-Hi-Y members. Formal initiation will be November 21. For Thanksgiving they are fixing a basket to give to a needy family. Also, a Thanksgiving visit will be made to all.

HHS
"NOTICE: E. R. D. Smith, have no sewing machine for sale. I smashed it. Don't call 958, this phone has been taken out. I have not been carrying on with Ms. Kelly. Until yesterday she was my housekeeper."

Shooting The Bull At HHS
King's Manor. Thanks are extended to everyone for the support of the Tri-Hi-Y concession stand at the games.
HHS
Convention? Jane Zinser, Teresa McAndrews, Cheryl Cole, Sabra Traweck, and Connie Hoover attended at District FTA Convention in Canyon last Tuesday. The theme was "Education — America's Dream." District officers and Mr. and Miss FTA were elected.
HHS
You might not know, but for the information of High School Students the Deaf Smith County Council on Alcoholism is trying to get factual information to you so that you can make intelligent decisions about the use of alcohol and narcotics. In the near future information will be presented by students who have been invited to meet with this council.
HHS
"Happy Birthday to you dear Anna Johnson, Mary Torres, Joaquin Ganez, Bill McMinn, John Seiver, Jana Denton, Mary Sue Neff.

Jr. Historical Members Talk About Election
The Junior Deaf Smith County Historical Club met last Monday at the Deaf Smith County Museum.
According to Randy Corlis, president, the purpose of the meeting was to discuss the issues of the candidates for Tuesday's election and to look into the background of each of the candidates. The members also discussed how Hereford has voted in previous election.
This was the third meeting this year for the club, which consists of twenty Hereford youths, with Mrs. Henry Sears as sponsor.

Varied Agenda Is Handled By Commissioners
Hereford city commissioners, who were feted by a group of Camp Fire Girls at their regular meeting Monday night, acted on items ranging from annexation to vandalism.
The Camp Fire group, sponsored by Mrs. Earnest Langley, presented commissioners with cookies and coffee as "a token of our appreciation for your help in securing our Camp Fire Lodge." The girls, who are eighth graders, remained for about 15 minutes of the meeting and then made a tour of City Hall.
First reading on two annexation ordinances was held by commissioners, with no one present to protest the annexing of property in the north part of the city between Fifteenth and Sixteenth streets and Avenues H and I, and blocks through 8 in the south part of Hereford. The annexation ordinance was approved by commissioners during their previous meeting, and there must be three readings before it becomes effective.
Also annexed by the city was a part of the Knob Hill subdivision in South Hereford where the proposed new elementary school will be built. The annexation was requested by the

Lions Postpone Annual Fish Fry
The Annual Lions Club Fish Fry which was scheduled for tonight was postponed until a later date because of another civic project held election day.
According to Boss Lion, Ray Moore, the Lions Club did not want to interfere with the Kiwanis Club project by selling tickets for their supper.
The Lions Club was to have set the date for the supper at a meeting held last night. The supper will be held at the Bull Barn in late December or after the first of the year.
Proceeds from the supper which has been held every year for the last several years will go in the clubs general fund. In previous years the proceeds have gone toward scholarship funds, Boys Ranch, Girl's own and any other worthwhile project.
Serving for last years supper was slow, but the club promises faster service this year with the doubling of their facilities.

HCP Members To Meet Nov. 14
A membership meeting of Hereford Community Players was set for Nov. 14 at a session of the board of directors Tuesday evening in the home of Mrs. George Warner, Orval Watson, board chairman, presided.
Purpose of the membership meeting is to present and discuss suggested plans for productions of this season after the initial play, which is to be staged Nov. 21 and 22 in Stanton Junior High auditorium. Another three-act play and a program of one-act plays are tentatively slated for the Players' first season.
Now in rehearsal for the Nov. 21-22 date is Blithe Spirit, three act comedy by Noel Coward, being directed by Imogene Anderson, high school speech and drama instructor. Its improbable but hilarious plot concerns the return of a first wife's spirit to the home of her husband and his second wife.

JUNIOR DEAF SMITH County Historical Club of officers are, left to right, Bob Nelson, parliamentarian, Joette Hanna, secretary and Randy Corlis, president. Not shown is Jan Turrentine, vice-president.

KENTUCKY FORESTS LOUISVILLE (AP) — More than 45 per cent of the 40,395 square miles in Kentucky are forested, making lumbering one of the important industries.

GIBSON'S PHARMACY

Lewis Block Is Chosen As Young Farmer Of The Year

Lewis Block was honored as Young Farmer of the Year at the Caisson House Saturday night — and said that he wasn't even sure prior to that time that he could attend the meeting, because his wife had only been home from the hospital for a few days from the recent birth of their third daughter.

But Block said that the Young Farmers organization had contacted his wife prior to the meeting "to make sure that I got there" — and she had done so, unaware that he had been selected for the honor.

He told the Brand: "I thought it was a real honor — a real surprise. I thought it would be anybody else but me!"

Block, who is 27 years old, went to school in Hereford throughout his elementary and high school years and entered Oklahoma State University at Stillwater in 1959. He received his degree in Animal Husbandry in 1963.

Also in 1963, he and his wife Carole were married. Their three daughters are Deborah, 5; Carrie, 4; and Tracie, 2 weeks.

When he first returned to Hereford, Block said that he worked for Foxworth-Galbraith Lumber Company for about six months, then started farming with his father. Last year he started farming by himself on the old Prisoner of War Camp place — 640 acres.

He has 150 acres in wheat, 200 acres in milo, 20 acres in cotton, 75 acres in sugar beets, 20 acres in carrots, and 20 acres in potatoes.

Along with his farming, Block said that he has a strong interest in flying. He doesn't own his own plane as yet, but he indicated that he spends a lot of time with the rented ones.

Prices Listed On Beet Crops

Net selling price for the sugar sold for the year ending Sept. 30, which is the 1967 crop, is \$8.367, James W. Witherspoon, executive secretary and legal representative of the Texas-New Mexico Sugar Beet Growers Association, Inc., has announced.

"The payment for the 1967 crop started out on the basis of \$7.30 as a net selling price, and they raised it up at one time during the middle of the year to \$8, and this means that the last payment which the grower will now receive will be on the basis of a new selling price of \$8.367 which is 67 cents per ton, to be received at the year end and the checks should be in the mail," said Witherspoon.

"The new selling price of Holly Sugar Corporation in the Delta area is \$8.245 for the 1967 crop, and at Torrington is \$8.336," he continued.

"The price in California reached \$8.771 for Holly. For Spreckels it was \$8.4565, and for American Crystal it was \$8.6161. Holly only has the four marketing areas the way they break it down, and that is the California, the Delta, the Torrington and the Hereford area."

Clark Andrews Gets Workhorse Award

Clark Andrews, who farms in the Frio Community, was winner of the Workhorse Award presented by the Young Farmers at their annual banquet held Saturday night at the Caisson House here.

Andrews was born in 1932 in the Frio community, where he went to school until he entered Hereford High School. Afterward, he went into farming, with time out for Army service in 1952-54.

He said that he had begun farming with his father, brothers and brother-in-law. In fact, they still have cattle together, but he started raising crops on some of their land — wheat, milo, cotton, carrots and soybeans.

Andrews farms now at Frio, next to the Frio Baptist Church where he teaches a Sunday

School class. When he returned from Army duty, however, he lived on his grandfather's place, until he built his own home in 1963.

He and his wife, Sue, have three children, Rocky, Kirk and Lynette.

Andrews has been a member of the Farm Bureau for 10 years in Castro County (he lives just across the county line, he said) and is a charter member and past president of Young Farmers.

He said, "I am real proud to get the award. I appreciate all the boys being willing to give it to me."

He said that his primary interests outside of farming is the teaching of his Sunday School class and the Young Farmers Livestock Show.

YOUNG FARMER OF THE YEAR—Lewis Block, center, is presented the "Young Farmer of the Year" award during the annual banquet Saturday night. Making the presentation is Melvin Jayroe, manager of Southwestern Public Service Company, as Mrs. Block looks on.

Young Homemaker Award Is Presented To Mrs. Sawyer

Mrs. Layton Sawyer was presented the Outstanding Young Homemakers Award at the annual Young Farmers-Young Homemakers of Texas banquet Saturday at the Caisson House.

The award is presented by the Deaf Smith County Rural Electric Cooperative to the outstanding young homemaker selected by members of the Young Homemakers Club.

Gina Sawyer has been an active member of the Hereford Chapter, Young Homemakers of Texas since she joined in 1962. Since that time, she has held office as secretary-treasurer for

one year, second vice-president last year and was president this past year. She has also served on various committees.

Gina and Layton Sawyer make their home at the headquarters building of the noted Dameron Ranch, 21 miles from Hereford. The Sawyers have two young sons, Sidney, five, and 17-month-old Seth, who Mrs. Sawyer classifies as "typical farm boys."

Although she must drive farther than most of her friends to get to meetings, Mrs. Sawyer feels that its programs give her practical information she needs in caring for her family, and keep her informed of community events. In addition, she enjoys the association with other young mothers whose interests are similar to hers.

Mrs. Sawyer is a member of Central Church of Christ and is a substitute teacher in the nursery.

Her girlhood was spent on a farm in eastern Oklahoma. She was still a child when she came to Hereford with her parents, the A. E. Guinns. Gina graduated from Hereford High School where she was a member of Future Homemakers of America.

After high school she attended a school in Denver to train her for work in floral shops. She has previously been employed here and in Lubbock, and she liked it well enough to feel that she may return to it someday, after her children are grown up.

Cotton Harvest Is Gaining Strength

Harvesting of the High Plains cotton crop is already at a peak in counties south of Lubbock and is rapidly gaining momentum from Lubbock north.

And despite expectations of the largest crop since 1965 most observers are anticipating one of the area's shortest harvest seasons.

The November 1 cotton estimate, jointly compiled by the Lubbock Cotton Exchange and Plains Cotton Growers, Inc., set production from the 23 counties at 1,579,000 bales. The total for 1965, prior to the enactment of the current cotton program, came to 2,205,000 bales.

Planted acreage this year was only about 1.6 million as compared to almost 2.2 million acres planted in 1965.

The only apparent "fly in the ointment" at this stage of harvesting is a serious shortage of labor, both for the operation of area gins and for field hands.

Ginners in particular are having trouble rounding up with the harvest. Special recruiting efforts by the Texas Employment Commission have helped, but ginners in particular are still crying for labor.

Don Smith, Executive Vice President of the Texas Independent Ginners Association, has initiated a program to use Texas Tech students at gins within a 20 or 25 mile radius of Lubbock and believes this may help to alleviate the shortage in that small area.

Many ginners, looking back to the days when the U. S. Department of Labor permitted the entry of Mexican Nationals under the old bracero program, are asking officials for foreign labor.

But Ed Dean, Field Service Director of PCG, says it would be difficult to complete all the preliminaries and get Mexican workers in time to help with this year's crop.

"The normal procedure for importing workers in the past," Dean noted, "has called for intensive pre-recruitment of domestic workers both interstate and intrastate, pre-approval by the Department of Labor of housing, establishment by the Department of Labor of a wage that will have no adverse effect on the wages being paid domestic workers similarly employed, and several other time-consuming prerequisites."

He went on to say "PCG and many others, including Congressman George Mahon, have urged Department of Labor and other officials to forego these procedures in order to take care of the current emergency, but to date we have had no luck at all."

While Dean holds little hope for getting foreign workers this year, he does believe there is at least a possibility such a program could be arranged in future years if the labor shortage continues to worsen.

"But one of the things that will have to come first is a flooding of Texas Employment Commission offices with orders for workers," he said. "Unless those offices get orders for workers the Department of Labor is inclined to assume that no labor is needed."

He noted, for instance, that the Lubbock TEC office reports all orders filled. "Consequently it is difficult to get these people excited about a labor shortage," he said; and added "Even if they don't feel there is a chance for getting workers from the TEC, every ginner and every farmer who needs a hand should place an order."

WORKHORSE AWARD — Clark Andrews, center, is presented the "Workhorse Award" during the annual Deaf Smith County Young Homemakers — Young Farmers banquet Saturday night. Mrs. Andrews looks on as Dale Young, manager of Pioneer Natural Gas, makes the presentation.

Holly Creates New Positions

COLORADO SPRINGS — Two new positions have been created by Holly Sugar Corporation to emphasize employee relations. President John B. Bunker announced today.

They are Director of Personnel and Administration and Director of Corporate Communications. The new positions are effective Nov. 1.

Robert B. Heiserman, Jr., currently Bunker's assistant will assume the additional duties of Director of Personnel and Administration.

He will be responsible for all aspects of the company's employee relations programs, for organizational planning and development; and for Purchasing, Traffic, and all main office Administrative Services.

Alfred C. Parker, now Director of Public Relations, will take on expanded responsibilities for corporate communications both internally and externally.

Agricultural Briefs

FALL AND WINTER PASTURES — Good fall and winter pastures can make a tremendous difference in the dairy feed bill. Temporary pastures, say Texas A&M University Extension dairy specialists, are the most dependable source of grazing and that the use of adapted varieties, proper seedbed preparation and fertilization are most important in getting maximum plant growth.

FARM PRODUCTION — U. S. farmers in 1967 continued to do their part by producing 4 percent more than in 1966 and 18 percent more than the 1957-59 average. Each farm worker supplied the agricultural needs of 42 domestic and foreign consumers, reports Cecil A. Parker, Extension farm management specialist. But, he adds, inputs that went into the cost of production also increased, 2 percent more in 1967 than '66 and 24 percent more than the 1957-59 average. Food is still a bargain.

WATER FOR TEXAS CONFERENCE — Texas A&M University's 13th annual Water for Texas Conference will be held Nov. 25-26. Theme of the conference will be "Meeting Texas Water Needs" and all sessions will be held in the Memorial Student Center.

NEW CANTALOUPE FOR TEXAS — The Texas Agricultural Experiment station's scientists have developed a new cantaloupe, especially for South Texas, and it carries the name "Dulce." R. T. Correa, horticulturist at the TA&MU Agricultural Research and Extension Center, Weslaco, developed the new variety. Local county agents can supply 1-760 which describes the new melon.

BRUSH CONTROL — Individual plant treatment methods using basal pour of kerosene or 2,4,5-T mixed in diesel oil should be applied when the soil is dry enough to allow penetration of the material to the bud zone, reports Extension range specialists.

NEW TEXAS 4-H PROJECT — For youth who are interested in learning more about small engines, a new Texas 4-H project may be the answer. Henry O'Neal, Extension agricultural

OUTSTANDING HOMEMAKER — Mrs. Layton Sawyer beams as she accepts a plaque proclaiming her as "Outstanding Young Homemaker." Award presentation was made by Leo Forrest, manager of the Deaf Smith County Rural Electric Cooperative, at a banquet Saturday night.

Results Given On Feeding Study Made On Beef Cattle

TULIA. Beef cattle perform equally well on rations composed of three different types of processed grain sorghum — steam flaked, whole reconstituted and rolled and ground reconstituted. Reconstituting is bringing the moisture level of the grain up to about 30 percent.

That's what the final results show in a feeding study conducted at the Swisher County Cattle Co. just north of Tulia.

"I'm more impressed by the uniformity of animal performance and carcass results rather than any major differences," points out Dr. Lowell Schake, area livestock specialist with the Texas Agricultural Extension Service and coordinator of the feeding study. "Cost of processing, feeding and other management practices may be of more concern to the feeder than the type of processed grain fed."

FIRST SUCH PROJECT

This is the first time such a project has been undertaken under actual feedlot conditions. Thus, information obtained from the study should be of interest to all cattle feeders throughout the area, says Schake.

The three types of processed grain were used in each of three rations fed to six groups of feedlot steers. The rations differed only in the type of processed grain. Three groups of steers were lightweight, averaging about 665 pounds, and the other groups consisted of heavier steers averaging about 807 pounds. Thus each ration was replicated with a light and a heavy group. There were 75 steers in each group. The steers starting out with the extra weight were slaughtered at 129 days while the lighter steers were slaughtered at 158 days.

"Midway through the study, the steers feeding on the steam flaked grain were apparently out-performing the ones being fed the other two preparations," explains the specialist. "However, in the end, animal performance differed only slightly."

For instance, the final average daily gain from each of the three types of processed grain was as follows: steam flaked, 2.95 pounds; whole reconstituted and rolled, 3.02 pounds; and ground reconstituted, 3.03 pound.

FEED EFFICIENCY DISCUSSED

"Looking at figures on the average daily feed consumption, however, there is an interesting difference among the three rations," adds Schake. "Figuring the rations at 12 percent moisture, daily consumption ran 22 pounds for the ration with the steam flaked grain, 21.2 pounds

for the whole reconstituted and rolled and 22.4 pounds for the ground reconstituted. On a total moisture level, the ration with the steam flaked grain had 29.7 percent while the whole reconstituted and rolled had 40.7 percent and the ground reconstituted, 44.3 percent."

Only 7.04 pounds of the ration containing whole reconstituted and rolled grain were required per pound of gain. This was about six percent less than for the other two rations. For the ration with the steam flaked grain, the conversion was 7.53 while the ground reconstituted grain ration had a conversion rate of 7.43.

CARCASS DATA AIRED

Taking a look at carcass data, Schake points out that there was little difference in dressing percent which averaged lightly more than 63 percent. However, differences were noted on two other counts. The steers on the steam flaked grain had the lowest number of carcasses grading low choice or above with 59.4 percent. Those on the whole reconstituted and rolled grain came in with 66.6 percent of the carcasses grading low choice or above and the ground reconstituted grain averaged 66.1 percent.

Costs of per pound of gain of

the three different rations were tabulated by Ed Garnett, Extension area farm management specialist.

All three groups of large steers outperformed the groups of smaller steers. The group of large steers on whole reconstituted and flaked grain were tops with an average daily gain of 3.2 pounds at a feed cost of 15.2 cents per pound. A close second were the large steers on dry ground reconstituted grain with an average daily gain of 3.3 pounds at 15.9 cents per pound. Those on the steam flaked grain had an average daily gain of three pounds at 16.3 cents per pound.

Ration costs regarding the groups of small steers also showed little difference, according to Garnett. The steers on the steam flaked grain and the group on the whole reconstituted and flaked performed identically, each showing an average daily gain of 2.8 pounds at a cost of 17.2 cents per pound. The steers on the dry ground reconstituted grain gained 2.8 pounds per day at 18.5 cents per pound.

In arriving at these cost figures, Garnett points out that all rations were adjusted to a total moisture level of 29.7 percent, the amount in the ration containing the steam flaked grain.

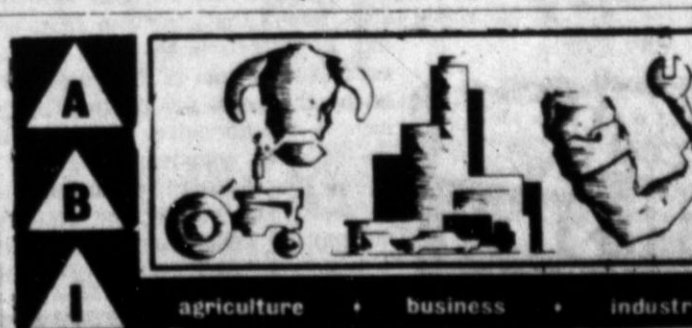

Cooperators in the feeding project, in addition to the Swisher County Cattle Co. and the Texas Agricultural Experiment Station and Extension Service, were Parker Cattle Co. at Waysside and Elliot Feedlot at Canyon.

engineer, says it is officially known as the Petroleum Power program and includes projects on both small engines and tractors. Winners in the program on the county, state and national levels will be named, he said. Local county Extension agents have details on the new program.

DAIRYMAN'S SHORT COURSE AT A&M — The annual Dairyman's Short Course will be held Nov. 7-8 on the campus at Texas A&M University. All sessions are scheduled for the Ballroom of the Memorial Student Center. Discussions will cover the full range of the dairy industry, said A. M. Meekma, Extension dairy specialist and program chairman.

REFERENDUM ON COTTON MARKETING QUOTAS — Cotton producers will be voting by mail during the period from Dec. 2-6 to determine whether or not they approve marketing quotas for the 1969 crop. Marketing quotas and acreage allotments were announced on Oct. 14 by the U.S. Department of Agriculture. Notices of farm acreage allotments will be mailed to cotton farmers prior to the referendum.

TEXAS CROP REPORT — Production of most major crops in Texas is expected to exceed last year's levels, according to

oats, barley, rye, rice, hay, Irish potatoes and sugarbeets is forecast above last year.

PRODUCTION SALE — Shown here are scenes from last Thursday's First Production Sale at Colby Conkright's C Bar Ranch north of Hereford. In top left photo, Colby Conkright welcomes visitors and buyers to the sale. In top right photo is the bull which sold for \$4,300 to John Nash of Austin. It was the first animal sold during the day and brought the second highest price. Bottom left photo shows a portion of the crowd looking over some of the animals just prior to the sale, and at bottom right, Jim Conkright also welcomes guests and thanks many persons who helped with sale.

C Bar Ranch Has Successful Sale

The "First Production Sale" at Colby Conkright's C Bar Ranch last Thursday was rated a big success as 45 buyers from five states purchased 90 head of registered Herefords. Jim Conkright pointed out that the 64 bulls sold for an average of \$834 each, while the 26 females averaged \$417 each. The overall average was \$743.

The top 11 head averaged \$2,711 each, and the first 3 head sold for an average of \$1,215, said Conkright.

Top-selling bull went to Walter Graham of Happy, who submitted the high bid of \$4,400. Runner-up bidder was J. P. Caliham of Conway. The bull was calved on Dec. 23, 1967 and weighed 810 pounds on Oct. 25.

Second top-selling bull went to John Nash of Austin on a bid of \$4,300. Calved on Oct. 29, 1966, the bull weighed 1,560 pounds on Oct. 25. Nash also bought the third top-selling bull for \$3,500, an animal calved on Oct. 21, 1966, and weighing 1,500 pounds on Oct. 25.

A representative of Winrocks Farms of Sulphur, Okla., owned by Gov. Winthrop Rockefeller of Arkansas, purchased the top heifer for \$730. Conkright said 21 sons of Silver Prince 687 had averaged \$1,620 in the sale.

The Conkrights have planned their next sale for Oct. 30, 1969. The Texas Junior Hereford Association will hold its annual summer field day at the ranch in June, 1969.

COME ONE - COME ALL!

HELP US CELEBRATE OUR

1st ANNIVERSARY

We are grateful to you our Public for making our first year a memorable one and to prove our gratefulness we are offering specials in all phases we teach in the beauty culture field.

Manicures, Pedicures, Facials, Permanent Waving, Tinting & Bleaching, Lash & Brow Tinting. Bring this coupon to the school and investigate our special discount on our training program for Fall Classes, and be pleasantly surprised.

 23 — Community Concerts present Norman Luboff Choir in concert.

The Hereford Rotary Club served barbecue and all the trimmings just prior to the sale. Auctioneers were Walter Britten and George Morse.

Beginning January 1, 1969, the annual income limitations governing the entitlement to VA pensions and dependency benefits will be raised \$200. Further, the present income levels, with three graduations, used in determining the amount of benefits a recipient may be paid, will be restructured to provide a range of 13 to 28 income levels graduated in \$100 increments, the VA Manager pointed out.

As a result of these changes, more than 1.1 million pensioners will receive approximately \$120 million in increased pension benefits next year, he estimated.

In addition to changing pension rates and income limits, Public Law 90-275, signed by the President last March, also provided that no beneficiaries on the VA pension rolls would have their pensions reduced in 1969 solely as the result of increased Social Security payments.

VA pensions are payable to war veterans with limited incomes and total non-service-connected disabilities and to widows and other dependents of war veterans who meet established income limitations.

Approximately 575,000 pensioners continue to receive VA benefits under an "old law" in effect prior to July 1, 1960, when the "new law" covering nearly

Adrian News

By ANN BEAVERS
Brand Correspondent

Mr. and Mrs. N. L. Jacobson and Mr. and Mrs. Ed Jacobson attended the Knife and Fork Club Dinner held Thursday night at the Tascosa Country Club in Amarillo. Robert Kaznayer, an arthur, publisher and world traveler, spoke on "Topic Of The Day." They also visited with Mr. and Mrs. Bob Caldwell of Canyon and formerly of Adrian.

Mrs. W. B. Hale and Ralph of Guymon spent the weekend with Mr. and Mrs. Ted Hale and family.

Mrs. Winford Perry and Kay and Jim spent Sunday afternoon in Claude with Mr. and Mrs. Matt Heck and children.

Mrs. Mattie Stauss and Mr. and Mrs. Andy Jones of San Antonio, spent the weekend with John Skaggs and Mr. and Mrs. Grady Skaggs and family. Saturday Mrs. Mattie Stauss, Mr. and Mrs. Andy Jones and John Skaggs visited in Bovina with Mrs. Bessie Caldwell.

Mr. and Mrs. Alford Jobe and family were Sunday dinner guests with the Lewis Jobe family at Endee, in honor of Alford's Birthday.

Roxann and Shana Brownlee spent Friday overnight with the Bill Gudgell family.

Rev. Charles Bryant was in the High Plains Baptist Hospital in Amarillo last week. He came home Monday and is better.

Rev. Hardy Stevens of Amarillo was the visiting preacher at the Adrian Baptist Church, Sunday.

Mrs. D. P. Doherty is visiting in California with her son and family for two weeks.

Capt. and Mrs. Freddie Harris and family of Pueblo, Colo. spent Saturday with the R. Lee Petty family and Sunday they visited in Hereford with Mr. and Mrs. Everett McIntosh.

Mrs. E. E. Huggins of Dimmitt spent last week with Mrs. Burt Huggins and family.

The King and Queen winners at the Halloween Carnival were Senior-Kathy Garrison and Larry Pridmore; 7th grade-Kris Garrison and Ersel Harris and the 5th grade-Joy Sifford and Charles Durham. Ben Hess of Amarillo was the winner of the Door Prize of the T. V.

Burt Huggins spent last week in Kansas City on a tour for Grain Elevators Managers.

Mr. and Mrs. Joe Speed are in Dallas to see Joe's doctor and to visit the Chapmans in Ft. Worth.

The Adrian P. T. O. had their Halloween Carnival Friday night and after all the bills were paid, we cleared about \$529.56. We would also like to thank each and everyone who helped in any way to make this carnival the success it was.

Mr. and Mrs. Sonny Fincher and family at Channing and Mr. and Mrs. A. B. Fincher of Amarillo visited Sunday afternoon with Mrs. Julia Fincher and the Jack Fincher family.

The Jr. High School Basketball will be held this Tuesday, Thursday, Friday and Saturday at Adrian.

Mr. and Mrs. C. W. Gresham visited in Amarillo Sunday with Mrs. McCustion.

Mr. and Mrs. E. E. Allen visited in Amarillo Sunday with Mr. and Mrs. Paul Knupp and with Chester and Keith Wood at the Childrens Home.

Sunday visitors in the R. M. Gruhkey home were Mr. and Mrs. C. C. Gruhkey, Mr. and Mrs. Roger Gruhkey and Bill and Jim all of Amarillo, Mr. and Mrs. R. E. Caldwell, Etta Jean Smith, and Joann Miller of Stillwater, Okla. Miss Carol Jahnell of Canadian and Billie, D. Dale and Gale Gruhkey of Amarillo.

Mrs. Jewell Suddeth of Hugoton, Kansas visited her sis-

ter Mrs. Millie Maupin over the weekend. Sunday, they left for Arroyo Grande, Calif. to visit another sister, for two or three weeks.

Mrs. Jimmy Brown was honored with a Pink and Blue Shower Saturday from 3 to 5 p.m. in the home of Mrs. Keith Kromer. Hostesses for the occasion were Mrs. Donald Pinnell, Mrs. Grady Skaggs, Mrs. Robert Jacobson, Mrs. Earl Kromer, Mrs. Elmo Pinnell, Mrs. P. H. Gruhkey and Mrs. Ted Boydston.

Mr. and Mrs. Bobby Lively and family of Childress spent Saturday and Sunday with the Manuel Loveless family.

Mr. and Mrs. Hardy Harris of Farmington, the Wilbur Harris family, the R. Lee Petty family were Sunday dinner guests of the Everett McIntosh family in Hereford and to honor Capt. and Mrs. Freddie Harris and family. Freddie will be leaving for Korea soon.

Mrs. Opal Pond of Amarillo spent Sunday afternoon with Mrs. Emma Bales.

Mr. and Mrs. Joe Brownlee and family visited Mr. and Mrs. A. M. Chapman in Amarillo Sunday evening and also Mr. and Mrs. Wayne Digs of Lubbock were there.

Mr. and Mrs. Bud Morrison of Bippus Community visited the Fred Brownlees, the first part of last week.

Mr. and Mrs. E. B. Pounds and Mr. and Mrs. Hoarce Betts visited Sunday with Rev. Charles Bryant in the High Plains Baptist Hospital in Amarillo.

Bill Turner of Canyon visited last week with the Ted Boydston family.

Mr. and Mrs. Joe Brownlee and Roxann, Shana and Joel, Sharon McCown and the Bill Gudgell family were Sunday night supper guests of Mr. and Mrs. Lewis Spinks.

Mr. and Mrs. Joe Lomax and Mr. and Mrs. Giles Tate of Amarillo were Sunday dinner guests of the Oscar Bronniman family.

Peter Brown was in a piano recital held at the Musical Arts Conservatory in Amarillo Sunday afternoon.

Clinton Earl Brown was home Sunday with his parents, the Earl Browns. Clinton Earl is attending College at Eastern New Mexico at Portales.

Mrs. Joe Brownlee, Mrs. Bill Gudgell and family, Mrs. Lena Gudgell and Roxann Brownlee visited Mrs. Jerry Conner and family in Amarillo Wednesday.

Gainesway Farm, breeder of 1966 Hambletonian winner Kerry Way, is a 600-acre tract which includes part of the former C. V. Whitney breeding establishment on Versailles Pike in Lexington, Ky. It is owned by John R. Gaines whose father and grandfather sought to win the Hambletonian.

Now is the time for all good women to come to the aid — that sentence could be completed in a number of ways, but there is certainly no excuse for a woman looking sad and remarking that she simply hasn't anything to do now that her children are all in school, or at college, or married.

ONE ORGANIZATION that needs the help of women always in some capacity or other, is the Camp Fire Girls. Right now, Mrs. Dick Gholson is looking for women, individually or in clubs or classes, to act as sponsors for Camp Fire groups.

Half a dozen groups are still without sponsors this year, and the demand is greater as the program keeps growing and new groups are formed. A sponsor pays the charter fee, leader's and sponsor's dues for the group a sum of about \$8.50. That's the only required expense.

Then a good sponsor will respond if called upon for help or advice, and will attend an occasional special meeting of the group if invited (or in the case of a sponsoring club, choose a representative to be at the meeting.)

AS AN EXAMPLE of the type of help which might be asked of a sponsor, a Camp Fire group recently sent an SOS to its sponsor to help find someone to drive a bus, because a member's father who had volunteered for that job became ill on the day of the trip.

Sometimes a sponsor may be asked to help plan a program, or even to give a program if she is a person with special knowledge on some subject of interest to the girls. Or she may not be asked for any help at all.

Workers with the three age groups, Bluebirds, Camp Fire Girls and Horizon Clubs, are all needed. Work directly with the girls or in adult sessions to plan for them may be chosen by the volunteer.

It just takes more than mow; it takes people willing to give a little of themselves and their time.

If you want to help, Mrs. Gholson's phone number is 364-0077 and the Camp Fire lodge office, where Nita Lea is in charge, is 364-0395.

ALMOST AS MUCH fun to watch as a parade, is Dollar Day shopping crowds. Monday I saw Mrs. Charles Hood among those looking over merchandise on one of those odds-and-ends tables that are so much fun.

and she is not obligated for any specific service.

The one who is obligated is the group leader, of course, and more of those are needed too, Mrs. Gholson says. In fact, there never was a Camp Fire program that didn't need leaders or assistant leaders, to my knowledge.

A LEADER MUST be willing to spend a good deal of her time with the girls, to hold group meetings regularly and do extra work for special programs such as the National Camp Fire Week events. The assistant should back her up constantly, and be ready to substitute when necessary.

Workers with the three age groups, Bluebirds, Camp Fire Girls and Horizon Clubs, are all needed. Work directly with the girls or in adult sessions to plan for them may be chosen by the volunteer.

Refreshments in Halloween colors were served after a business period to Mrs. R. A. Daniel, Joe Evans, J. B. Harlan, J. B. Pickens, Lena Meneff, John Patton, J. M. Gilliland, Charlie Walsler, J. J. Buckner, A. O. Thompson, Annie Beauford, Vivian Major, Beulah Dobbins, C. J. Mounitz, Otto Massie, Minnie Robertson, T. W. Robertson and E. B. Moseley.

BIG DAY FOR CLASS — The Special Education class at Central Elementary School got a big treat last week when they received free hair sets and manicures at the La Plata Beauty School. Special Education teacher Elaine Rowan took her class to the school for the full treatment.

Armistice Day To Be Observed Here

An Armistice Day breakfast is scheduled by the American Legion Post 192 at their headquarters in Veterans Memorial Park between 6 and 8:30 a. m. Monday. All veterans and their wives are invited to attend, including those who saw service in World Wars I and II, and the Korean and Vietnam wars, whether they are members of the American Legion or not. It is described as a breakfast to honor all service veterans. In fact, Armistice Day of the past has now been renamed Veterans Day. Veterans Day will be observed from one end of Texas to the other. Joining the old soldiers will be the not-so-old veterans of some 665 posts. Texas Legion News has advised that "this is the day for the veteran. . . every Legionaire who can walk should don his Le-

gion cap and join ranks with his buddies in one of the greatest demonstrations of love of country that your community has ever seen." Armistice of World War I was signed 50 years ago. At the 11th hour of the 11th day of the 11th month hostilities came to an end from Switzerland to the sea. Early that morning, from the wireless station on the Eiffel Tower in Paris, there had gone forth through the air to the wondering, half-incredulous line that the Americans held from near Sedan to the Moselle the order from Marshall Foch to cease firing at the stroke of 11. On the stroke of 11 the cannon stopped, the rifles dropped from the shoulders, the machine guns grow still. There followed then a strange, unbelievable silence as though the world had died. It lasted but a moment, lasted for the space that a breath is held. Then came such an uproar of relief and jubilation, such a tooting of horns, shrieking of whistles, such an outburst from the bands and trains and church bells, such a shouting of voices as the earth is not likely to hear again in our day and generation. And the files of the Hereford Brand revealed there were six Deaf Smith County men who gave their lives in France during World War I — four of them during the final weeks, and even days, of the war. They were Wilbur Renfro, Joy Roy Kemble, Joseph J. Cwen, James M. Henington, Ceill Cochell and John R. Gilliland.

Thomas Lesly Gets Promotion

Cadet Thomas L. Lesly, son of Mr. and Mrs. Luther Lesly, Rt. 4, Hereford, has earned a promotion at Wentworth Military Academy at Lexington, Missouri. Col. Robert C. Ingalls, professor of military science at the school, said that Lesly had been advanced to the rank of cadet master sergeant for performing his duties in "an excellent manner" at the academy. Lesly was given the duties of assistant first sergeant in Company D in the Brigade.

Registration Period Begins On Gun Law

Dallas — Anyone having an unregistered machine gun, sawed-off shotgun, short barreled rifle or other gangster-type weapon, or a device such as a bomb, grenade or land mine, may register it with the Internal Revenue Service without penalty from Nov. 2 through Dec. 1, according to B. Frank White, Regional Commissioner, Southwest Region, IRS. The Gun Control Act of 1968, signed into law last week, establishes a 30-day period for the registration of certain weapons and destructive devices. The registration requirement does not affect ordinary rifles, shotguns, pistols and revolvers. The Gun Control Act Law provides that information or evidence submitted in registering a weapon during this period cannot be used against the registrant in any criminal proceeding arising out of a prior or concurrent violation of the law. However, this would not prevent prosecution for furnishing false information. Firearms and devices covered by the registration requirements must be registered by filing Form 4467, in duplicate, with Director, Alcohol & Tobacco Tax Division, Internal Revenue Service, Washington, D. C. 20224. "Anyone with a weapon to register," White said, "should write or phone an office of the IRS and obtain a copy of Form 4467. Weapons and devices should not be brought to IRS offices for the purpose of registration."

Federal registration requirement for ordinary rifles, shotguns, pistols and revolvers, although certain controls on the sales of these weapons become effective December 16, 1968, as part of the new gun law. Firearms which must be registered under the act include shotguns with barrels less than 18 inches long, rifles with barrels less than 16 inches long and altered rifles and shotguns with an overall length of less than 26 inches, such as shotguns or rifles cut down to pistol size or shape.

Other firearms covered by the registration requirements: fully automatic guns, such as machine guns and pistols that fire more than one shot by a single function of the trigger, and firearm mufflers or silencers. In addition, registration is required of all weapons or devices, except for conventional pistols or revolvers, which are capable of firing a shot and being concealed on a person and weapons formerly classified as "DEWATS" — deactivated war trophies.

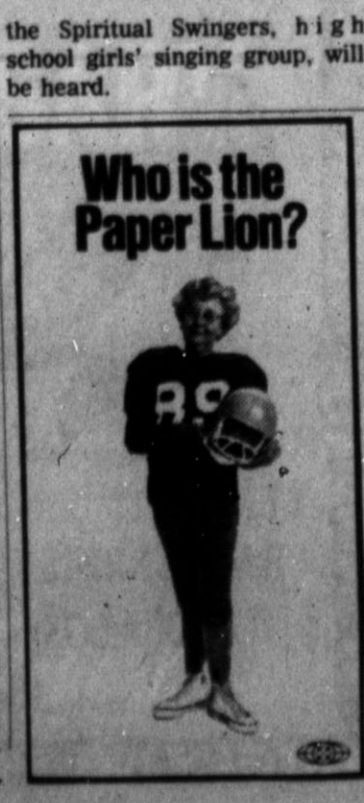

Destructive devices, such as explosives, incendiary or poison gas bombs, grenades, rockets, missiles, mines and certain projectile firing weapons, namely anti-tank guns, bazookas and mortars, also must be registered. White said anyone who possesses a firearm or destructive device, as defined by National Firearms Act, and who fails to register the weapon between Nov. 2 and Dec. 1 as required by the gun control act, will be subject to imprisonment up to 10 years, a fine up to \$10,000 or both for each weapon not registered. Under certain conditions, the law provides civil penalties and property forfeitures.

Former servicemen should register any automatic weapon, pistols with shoulder stocks, or other national firearms act weapon they might have as a souvenir of their military days. Anyone with a bomb or grenade should make sure it is deactivated. The IRS can make arrangements to have the device inspected and de-activated. The registration requirement for gangster-type weapons dates back to the National Firearms Act of 1934. There is no

Area's Past Is Recalled

Little-known facts about the history of Deaf Smith County were mentioned in answer to roll call in Dawn Home Demonstration Club Friday, when all members were present. One member said the Galley farm, in Dawn community, was the first place where sod was broken for farming.

Argen Draper, County H. D. Agent, outlined the history of H. D. Club work in this county and in Texas, and spoke of changes in the program in recent years to meet changes in farm life as agriculture becomes more mechanized. Final plans were discussed for the Cavalcade of Cotton style show to be presented in Dawn Community House Nov. 15. Other H. D. Club women of the county have been invited, and the afternoon fashion show is open to all women of the area. A number of garments from the National Cotton Council at Nashville, Tenn., will be included among styles modeled by Dawn Club members. Music by

Who is the Paper Lion?

Hereford Members Give Program For Chapter

Hereford members of Delta Xi Chapter, Delta Kappa Gamma, gave the program at a meeting in Friona Saturday. Mrs. Jim Bookout was in charge of the discussion and music was by a vocal quartet, Mmes. J. D. Neill, H. V. Crawford, Merlin Kaul and Miss Lucille Park. The meeting was in homelike rooms of Friona High School with Martha Bates, Ethel Bengler, Iona Cook, Lois Miller and Joy Martin as hostesses. Also on program was a reading, From Nowhere To Somewhere, by Joan Snider of Dimmitt. Members at Dimmitt will be

hostesses for the next meeting, at 2:30 p. m. Dec. 7 in Dimmitt Country Club. Those attending from Hereford included Mmes. Charlie Bell, Gary Billingsley, Tommy Braddy, Caudie Ola Brown, Fritz Christman, J. J. Durham, Spicer Gripp, Earl Holt, W. T. Legg, Claude McDougal, Fred Mercer, Fred Mulkey, Tolbert Painter, Sam Ratcliff, Earl Springer, V. P. Walker, H. E. Wester, Jimmy Mercer, Elizabeth Wills and Bob Wilson; Misses Della Stagner and Erma Walker.

Silver Wedding Marked

The Silver Anniversary of their 1943 marriage will be observed by Mr. and Mrs. J. B. Shirley, 912 South Main, when their children are hosts at a reception in their home from 2 to 3 p. m. Sunday. The actual wedding date was Nov. 13, 1943. Children of the couple are Susie and Dwight Shirley of Hereford, Wayne Shirley of Amarillo and Perry Shirley of Phoenix, Ariz. Married at Clovis, N. M., the Shirleys have lived here since the early 1950's, when they moved from Friona. Shirley does custom hairdressing. Mrs. Shirley was Miss Teriece Sholar before the marriage.

the Spiritual Swingers, high school girls' singing group, will be heard.

Talks On Alcohol, Narcotics To Be Heard At Local Churches

Texas Alcohol Narcotics Education (TANE) representatives will speak in seven Hereford area Churches Sunday.

TANE speakers, ministers and laymen of several Christian denominations, speak in some 2,500 churches in Texas each year. The organization is dedicated to the prevention of problems that arise from the use of alcohol, narcotics, and other dangerous drugs. TANE programs include public school assembly programs, publishing, production of audio visual aids, legislative information service, free film lending library, and an annual school on alcohol and narcotics studies, sponsored jointly by TANE and Baylor University.

TANE's books and film strips, geared to prevent alcohol and drug problems, have been distributed throughout the English-speaking world. Some are being translated into other languages for use in the Far East and South America. A non-profit, educational organization, TANE is supported financially by Texas churches of 19 denominations. "The speaker's purpose in visiting a church is not to reach drunks and narcotics addicts, but to report to the church on alcohol and drug problems, what can be done, and what is being done about them," said Rev. Albert F. Tucker, TANE Executive Director.

Hereford area churches that will have TANE speakers include, Temple Baptist Church, Hereford; Frio Baptist Church; St. Paul Methodist Church, Hereford; Avenue Baptist Church, Hereford; Thompson Memorial Baptist Mission, Hereford; Dawn Baptist Church, Dawn; Summerfield Baptist Church, Summerfield.

GIFT TRACTORS
CHANDIGARH, India (AP) — Indians living in Britain soon may be helping India's drive to overcome hunger. Punjab Finance Minister Jagjit Singh Chauhan said the government will allow customs-free gifts of agricultural implements, including tractors, to Punjab peasants from their relatives in Great Britain. He expressed confidence that the number of gift tractors in the next year would reach 20,000.

The Hereford Brand, Hereford, Texas, Thursday, November 7, 1968

Town & Country

By MRS. T. B. THOMAS
Brand Correspondent

Mrs. Freddie Harris, Samantha and Angela Kay are here with her parents, the Everett McIntoshes, for 13 months white Capt. Harris is on a tour of duty in Korea. They have been living in Pueblo, Colo.

Mr. and Mrs. C. A. Saulcy turned their home into a small terminal for the past week. Friends and relatives have been coming, going and some staying. Those enjoying the fellowship were, Bernie Alsop and daughter Becky of San Pedro, Calif.; Larry O'Dell, home on leave from the Marines; Mr. and Mrs. Bobby Mullins, Mark and Todd, Mr. and Mrs. L. A. Mullins of Roaring Springs; Lesly and Stony Mullins of Lubbock; Mr. and Mrs. Roy Vaughn

and Marlene, Almeda Haney, Mr. and Mrs. J. O. Vaughn of Chickasha, Okla.; Mr. and Mrs. Herman McClisky, Gary and Al; Mrs. Jimmy O'Dell, Mona, Ross, Mike and Kelly of Amarillo; Nell Pitman; Wanda Richardson; Lynette Joplin; RMSN D. C. Moore of Calif.; Billy Estep and Randy of Nashville, Tenn.; PFC Hary Livingston of Huntsville, Ala.; Mr. and Mrs. Teddy Alsop and her children Donald and Marilyn of Tuscon, Ariz. The Alsups, newlyweds, were enroute to Nashville, Tenn., to make their home. Mrs. Alsups was the former Edith Rud of Tuscon.

Mr. and Mrs. T. B. Thomas, accompanied by Deborah of Levelland, spent several days in Alpine attending the 23rd Annual Intercollegiate Rodeo held

at Sul Ross and to visit with son and brother, Dan, David Hill of the WTSU team in Canyon, also participated in the rodeo.

Mr. and Mrs. J. C. Morrison visited in Clovis with Mr. and Mrs. Don Heddings on Friday. On Sunday they drove to Kerrick to visit Mr. and Mrs. Raymond Morrison and children.

Mr. and Mrs. Bud Morrison spent Saturday night in Quanah visiting her sister and brother-in-law, Mr. and Mrs. Frank Gibson. Gibson has been ill for the past two years and is convalescing at home after a stay in the hospital in Temple.

Mr. and Mrs. Charlie Young of May, accompanied by his uncle and aunt, Mr. and Mrs. Luther Young of Lyford, spent several days here visiting with the elder Young's sister, Mrs. Lonnie Drake, and in the home of Mr. and Mrs. Herman Drake. Other nephews and families were Mr. and Mrs. Lee Drake, Mr. and Mrs. John Bob Drake and Mr. and Mrs. Bill Drake of Dimmitt. Mrs. Charlie Young visited his sister, Mrs. Troy Newman.

Mrs. Jimmy Thomas and Deborah visited in Amarillo on Friday afternoon with Carolyn Morrison.

Mr. and Mrs. Labry Ballard are proudly announcing the arrival of another grandson, Michael Todd, born on Oct. 22 in Baytown to Mr. and Mrs. Ronnie Welty. He weighed 7 lbs. 8 ozs. The Welty's have a three-year-old son, Labry.

Mrs. Charlie Burk, Mrs. John Hill and Mrs. Jack Weaver were in Amarillo Monday on business.

Mr. and Mrs. Phillip Miller are at home after their third trip to Hot Springs, Ark. They plan to return there soon.

Mrs. Gene Roach and Martha of Odessa spent the weekend here visiting mother and grandmother, Mrs. Bess Werner who is a patient in the Deaf Smith County Hospital. Mrs. Werner returned a fall recently.

Mr. and Mrs. J. V. Perrin spent the weekend recently in Lubbock with their son, John, and to attend homecoming at Texas Tech.

Mr. and Mrs. Bud Morrison and Virgil Inman returned home on Saturday after attending a meeting for the Rural Telephone Association in Corpus Christi. The Morrissons spent Friday in Stephenville with her father and wife, Mr. and Mrs. J. C. Frast.

James and Vickie Frost spent several days furlough here from Colorado Springs with his parents, Mr. and Mrs. W. J. Frost and other relatives.

Mr. and Mrs. John Burns and children left on Saturday for their new home in Fort Worth. John is employed by Shur-Gro enterprises. Frank Burns of California has moved to Hereford to be with his mother, Mrs. Fred Burns. His wife, Margo, will join him shortly.

Members of the Bippus Community church held an old fashioned Halloween party on

Saturday night. There were table games, outside races, bobbing for apples and a cake walk. Joe Don Weaver won first prize for best costume. Cookies, punch and coffee was served to approximately twenty members.

Mr. and Mrs. Bud Morrison visited on Wednesday night with retired friends, Mr. and Mrs. Fred Brownlee of Glen Rio.

Mr. and Mrs. T. B. Thomas and Mrs. J. C. Morrison spent Thursday in Clovis to help Mrs. Don Heddings celebrate her birthday. They were luncheon guests in the Heddings home.

Bud Morrison visited on Tuesday in Amarillo with his brother-in-law and family, the Tommy Frosts, also with Rickie Forst on leave from San Diego and Mrs. Peggy Fore and Julia of New Orleans. The latter two were home for the funeral services of an aunt, Mrs. Dorothy Guentree of Lubbock.

Mrs. Kenneth Rudd was hostess for the Westway H-D club on Thursday with the meeting held at the Community Room of First National Bank. Mrs. J. C. Morrison gave a demonstration on how to make tortillas. Refreshments were served to Mrs. Albert Lamb, Mrs. Andrew Kershen, Mrs. Morrison and Mrs. Paul Rudd. The next meeting will be Nov. 4 in the home of Mrs. Donald Douglas with Argen Draper giving the program on Club History and Future.

New club officers are Mrs. J. C. Morrison, president; Mrs. T. B. Thomas, vice-president; Mrs. Andrew Kershen, secretary; Mrs. Merlin Weber, council delegate.

Mrs. Albert Lamb, parliamentarian and Mrs. Thomas, reported.

Mr. and Mrs. Benton Balin and children of Olton spent the weekend recently with her parents, Mr. and Mrs. W. W. Thomas and Jeanne.

Mr. and Mrs. H. E. Owens spent the week on a deer hunt in Colorado.

C. A. Bearden of Lubbock vis-

ited with his daughter and family, Mr. and Mrs. Albert Lamb and Carol.

Mrs. George Turrentine, Janice, Carol and Alma Paetzold spent the weekend in Lubbock recently.

Mr. and Mrs. John Coffman and family have moved from Hereford to Odessa. Coffman was the minister of the 15th St. Church of Christ.

JUDICIOUS ADVICE
PAINTSVILLE, Ky. (AP) — William Hazelrigg remembers the time a 78-year-old man, convicted of murder, was sentenced to 20 years in prison. "I won't live that long," the prisoner complained. "You know my age."
"Well," the judge replied, "you just go along and do as much of it as you can."

Sulphur's name came from the Latin word for brimstone, meaning burning stone.

Taxpayers Ask IRS

Q - What conditions have to be met before you can deduct an educational expense? I'm thinking of signing up for a course that will help in my work.

A - For education to be a deductible item it must either be required to keep your present salary, status or employment or it is taken to maintain or improve the skills required in your present work. Education taken to meet the minimum educational requirements of your present job or that qualifies you for a new job or business is not deductible.

help substantiate your claim for an educational deduction. Receipts, cancelled checks and bills for the tuition, books and other expenses of the night course can establish the amounts you spent.

Q - My son has a small scholarship that covers part of his college tuition. Will he have to report this as income or will it since he is my dependent?

A - Most scholarships are not taxable. If your son's scholarship happens to be taxable, however, it will be counted as his income not yours. He would report it on his own return. To find out whether your son's scholarship is taxable or not, check with the person or organization granting it. Information on the tax status of scholarships may also be obtained by sending a post card to your IRS district director and requesting Document No. 5045, 'What is Income?'

Tickets On Sale For HCP Comedy

Tickets are on sale by members of Hereford Community Players for the first production of that amateur drama group, Blithe Spirit, which will be staged Nov. 21 and 22. Tickets are priced at \$1.50 for adults and 75 cents for students.

Chick Holbert and Orval Watson are in charge of ticket sales and have completed sale of advertising on play programs. Miss Imogene Anderson is directing the sophisticated Noel Coward comedy, which has been a successful stage play with the late Gertrude Lawrence in the title role, and was later adapted for the screen.

A light air is maintained throughout the play, which concerns the troubles of Charles Condomine, played by Fred Howard, with his domineering wife and complications added when the ghost of his first wife is materialized in a seance conducted by a wacky medium, Madame Arcati.

Mary Howard teams with her husband to play the live Mrs. Condomine, while Sylvia Parsley is the happy-go-lucky spirit of the deceased Elvira. Diane Roberson plays the adle-pated medium, Donna Johnson and Tom Kendrick a couple of the Condomines' friends, and Carole Byers the maid, Edith, who is constantly bewildered by the goings-on.

Staging and lighting will be in charge of John Claypool, John Gilliland and Earl Wood. Martha Watson and Jean Holbert will direct the properties committee, Mary Howard and Sherry Kerr costumes, Bessie Wood, Amy Gilliland and Katie Claypool makeup.

Posters are being placed in business houses by Jean Holbert Julia Kendrick and their committee. Sue Coleman and Darrell Rose are in charge of publicity.

Collection of properties, stage furnishing and wardrobe items

Easter News

By RUBY STONE
Brand Correspondent

Mrs. Carmen B. Flood narrowly escaped serious injuries Thursday afternoon when her car left the road, tore down three mail boxes and a fence. The accident happened when the driver of a truck failed to give a left turn signal over by the Frio Baptist Church. Extension is in progress with Mrs. Watson in charge. Anyone who will donate items which may be used in this or future plays is asked to notify her.

sive damage was done to the truck, belonging to Loyd Shultz. A ticket was given the driver for no left turn signal.

Mr. and Mrs. Trini Epperson and children, Laura and Amy, spent last week end in Lawton, Oklahoma, visiting relatives.

Mrs. W. A. Epperson and Mrs. G. H. LaPlant were shopping in Amarillo Monday.

Mr. and Mrs. Densil Field (nee Barstow, Calif.) visited the Fred Waltons recently. Walton is still in the Deaf Smith Co. Hospital, where he is not doing as well as we would like to see him do.

Mrs. Bettye Renfro and Mrs. Ruby Stone spent Friday afternoon with Mrs. W. A. Epperson

Along The Frio

Mr. and Mrs. Sam Lindley of Brownwood left Thursday after a week's visit with their parents, the H. E. Lindleys and John Simpsons. On Sunday the other Simpson children came to be with the Simpson family. They included Mrs. Leon Roberts and her daughter, Mrs. Ronnie Ford and her daughter, all of Wellington, and families of J. C. Simpson.

making and packing candy for the Servicemen.

Mr. and Mrs. W. A. Epperson visited Fred Walton in the hospital Friday evening.

son, Robert Simpson and the Billy Cottons. The older Lindley son, Wesley is married and lives near Ft. Worth. The other, Lloyd is a student at Howard Payne College at Brownwood.

The Rev. and Mrs. Sam Ogan attended funeral services at Fieldon for his aunt, Mrs. Ethel McCain. Rev. Ogan helped conduct the service in the Fieldon Baptist Church. Burial was at Littlefield. Mrs. McCain's survivors include a daughter, Mrs. Clifton Robinson, of northwest of Hereford.

About 40 or 50 people attended a community Hollow'en party at Easter Community Center Thursday night. They brought supper, after which the children played games and the adults played "42."

Better Picture in Bigger Area

KVII Gets Texas' Tallest Tower

Texas' tallest television tower is no Texas tall tale. Bill Canady, Channel 7's Director of Engineering, explains: "We'll begin erecting the new tower in about a month. To give you an idea of its height—it's three times taller than Dallas' highest building: it's 15 of our own Santa Fe buildings stacked on each other; it's 200 feet higher than the tallest antenna atop the Empire State Building; it's equivalent to a 150-story building. In other words, it's tall!" The station's new tower will stretch upward 1,706 feet above average terrain, with an overall height above mean sea level of 5,949 feet.

"When we finally top her out and begin transmitting from the new stack, we'll increase our service area by nearly 9,000 square miles (about the size of New Jersey and Rhode Island combined). That means that cities such as Hereford, Pampa and Dalhart will receive essentially snow-free pictures in other words, about the same quality picture we've received in Amarillo," Canady said. "Area viewers with their own antennas will get substantially better reception than they are now getting from any station."

"The tower is being built by Amarrillo station," he added. "Cable viewers also will see a definite improvement in reception."

Foundations for the structure have been laid.

"You can tell a little about the tower's size by the foundation required to support it," Canady noted. "The base contains 73 cubic feet of concrete and four tons of reinforcing steel. The whole thing covers about 625 square feet."

Construction is expected to begin December 1, with completion set for around January 15. The tower will be located 12 miles north-northwest of downtown Amarillo, 5 miles northwest of the present tower north of the city.

Canady, a veteran television engineer with experience in tower construction, is still somewhat awed by this one. "Everything about it is huge," he said, studying photographs of the steel shaft. "There will be 191 tons of steel in the tower, including the 6-ton helical antenna portion that bolts on top. The guy cables are 31,000 feet long; if they were unraveled and the individual wires laid end to end, there would be 400 miles of wire in each cable. That's about as far as from here to El Paso. There are two-and-a-half miles of electrical wiring. It'll take about two-and-a-half tons of zinc to galvanize the thing."

Canady paused a moment, apparently thinking about who's going to have to change the lights that burn out at the top. "For anyone in physical condition to attempt it," he finally went on, "it'll take about an hour-and-a-half to climb the tower. He's hesitated again. "That's for somebody in good shape," he repeated.

"Any way you look at it," Canady mused, "it's a long way to the top."

PRIME SHOWS FOR AFTERNOON

"Our afternoon lineup of shows is one of the finest available anywhere from the California coast to New York Harbor," John Tyler, Channel 7's general manager, observed. "It's designed with the home-maker and youngster in mind," he added.

For example, at 2:30 p.m., PASS-WORD is on. "These are specially selected programs from the best of this highly popular word game show hosted by Allen Ludden. Tyler said. "Area viewers with their own antennas will get substantially better reception than they are now getting from any station."

"The tower is being built by Amarrillo station," he added. "Cable viewers also will see a definite improvement in reception."
