### Log of Garcia Lake Oil Test Encourages Operators; Night and Day Crews Push Work

The Garcia Lake oil test well, located on the rim of Garcia Lake about 35 miles northwest of Hereford, is now down to the depth of 1490 feet and what is known as the White Horse sand has been struck. This is a formation, according to E. H. Blood, found in some of the big oil gushers in Oklahoma. The drillers are working 24 hours a day and have gone through some hard and difficult formations and hope that drilling now will progress more rapidly.

The log of this well, Mr. Blood asserted, is better than any in this part of the Panhandle. At 1,220 feet, about one foot of sea shell bed was drilled through, while from that to 1,230 feet, the work went through a brown sand with a mixture of red sandy clay in it. Several rainbows of oil have been found.

Casing has been carried to 1,210 feet.

### "Dr. Jekyll and Mr. Hyde" Friday Night

The stage is nearly set for the three-act drama, "Dr. Jekyll and Mr. Hyde," dated for Friday night of this week, and to be staged in the high school auditorium at 8:30.

Following is the cast of characters: Poole, Marlin Gilliland; James, W. J. Fetters; Uterson, Johnnie Biggs; the Vicar, Clifford Kester; Dr. Jekyll and Mr. Hyde, Guitford Miller; Alice, daughter of the Vicar, Gwendolyn Spradley; Dr. Lanyon, Frank Cogdell; Newcomen, R. V. Miller; Guest, Spaulding Barley; J. McSweeney, E. W. Young; Biddie, Mrs. Velma Dawson.

### CARLYLE GRATEFUL FOR PAST PATRONAGE

"Thanks to everybody for the liberal patronage the past 15 years," L. W. Carlyle said at the Brand office, when he gave the information that he had disposed of his grocery stock to Frank Richards. Mr. Carlyle takes this time of thanking the public for the liberal patronage bestowed upon him while he was engaged in the grocery business in Hereford.

### SETH B. HOLMAN IMPROVES FOLLOWING SEVERE ILLNESS

Seth B. Holman, owner and editor of the Brand, has been seriously ill at his home on East Third Street the past week or ten days, but friends will be glad to know that his condition Thursday morning showed marked improvement. Because of his illness, no editorial comment is possible this week, but he hopes to continue this interesting column in future issues.

### Lions and Ladies Prepare for Big Time Wednesday

The Hereford Lions Club, in session at the Presbyterian church basement Wednesday noon, decided to "throw" a picnic in the City Park next Tuesday evening at six o'clock, and to make sure of the success of the affair the following committees were named:

A. H. Stren and L. D. McCurdy were called upon to act as a general committee. Mrs. John McLean, Mrs. J. C. McCracken, and Mrs. D. H. Alexander are to arrange the program. Mrs. J. C. Parker, Mrs. J. G. Weir and Mrs. J. M. Pooty will superintend the menu.

Lions, their wives and invited friends will be included in the Tuesday night celebration.

At Wednesday's luncheon, L. L. LeGrand, club member, was put through the den, and after surviving the ordeal was declared a full-fledged Lion. Elton LeGrand did not have a great deal of public work to do—only ride one burro up Main Street, at the same time attempting to drive or lead another. He knows they do not lead easily, and also knows more about the animals in general than before. To allay suspicion that he might be attempting to put something over on the unsuspecting, some kindly brother Lion strung a sign across his back which stated: "I am a Cub."

### Highway 60 Gets Attention of Road Body in Amarillo

(BY L. BASKIN)  
The United States 60 Highway National Convention held in Amarillo May 26-27, was pronounced the best ever held by that body. L. Baskin of Hereford was a delegate and represented Deaf Smith County.

Mr. Baskin got the following report from this county in the minutes of the convention: "Highway 60 is now hard surfaced to the east line of Deaf Smith County; a 125-foot right of way is 100 per cent procured, with deeds on record covering the 15 miles from the end of present pavement into Hereford; a 100-foot right of way covering seven miles west of Hereford to Summerfield is surveyed and a good portion of the right of way procured."

Two of the finest caliche pits yet discovered, one four miles east of Hereford, the other 11 miles east, both just a few hundred yards off the highway, have been blasted and contracts signed.

A good caliche pit two miles west of Hereford, on the Jeff Gilbreath place, is under contract and ready for opening up.

A new survey west of Hereford to Clovis saves about three miles and with scarcely a curve the entire distance of 57 miles.

President H. H. McClintock and practically all of the old officers were re-elected, and Riverside, California, selected as the 1934 meeting place. President McClintock has before an audience. Mr. Baskin states that Amarillo entertained the convention in a delightful manner and that the delegates without exception so expressed themselves.

### Mrs. E. O. Flynn Dies At Home Monday

Mrs. E. O. Flynn, 45 years of age, died at the family home in North Hereford last Monday afternoon at 4:00 o'clock after a long illness. The funeral services were held Wednesday morning at the local Catholic church at 10:00 o'clock. Officiating were Fr. Matthias, Hereford; Fr. Gabriel, Lubbock; Fr. Salvator, Dalhart; and Fr. Davort, of Littlefield. Interment followed immediately after the funeral services.

Survivors of Mrs. Flynn who live here, are her husband, seven sons, Raphael, Leo, Omer, O. P., Hubert, James Edward and Tony, and two daughters, Aurelia and Reta Marie.

Out-of-town relatives who attended the funeral services were: from Groom, Mrs. Katherine Bohr, her mother; Nick Bohr, a brother; Mr. and Mrs. P. F. Britton and family, Mrs. Britton being a sister; Raphael Bohr, a nephew, and his family; L. N. Bohr, a nephew, and family; John Britton, a nephew, and family; W. L. Keuhler, a nephew, and family; Andrew Dunn, a nephew, and family, and Mrs. Theo Conrad, an old friend of the Flynn family. Jake Bohr, a brother of Mrs. Flynn, and wife of Creston, Iowa, were here.

### L. V. FLOWERS MOVES INTO NEW DEPARTMENT

L. V. Flowers is moving his Ever-Ready Lunch and grocery stock into his new building adjacent to the place he has been occupying for several years. The new addition is constructed of brick and concrete, and the dimensions are 18 by 25, making quite a lot more room, especially for his lunch department. Mr. Flowers expects to have an opening day soon.

### L. H. SPRATT INSTALLS NEW STEAMER IN STATION

L. H. Spratt has installed a brand new W. H. Cramer & Son steamer in his cream station in the rear of the frame building opposite the Star theatre. He has a rear entrance on Fourth street, and buys poultry, cream and eggs. Mr. Spratt claims the distinction of being the first cream buyer in Hereford, and started in a building on South Main Street 20 years ago.

### Winter Wheat Loans Available to June 15

Time for granting winter wheat loans has been extended by the Federal Government to June 15. It has been announced by John E. Hill, chairman of the Panhandle Farm Relief Committee, according to the Amarillo News of Thursday morning.

Wheat loans were due to end May 31, but an extension was procured through the influence of Congressman Marvin Jones.

### Pre-School Clinics to Be Held Over County

Special clinics will be held for all rural pre-school children under six years old, and all children who will enter school in September, next week in the following communities: Ford, Wednesday, June 7; Ward, Thursday, June 8; Summerfield, Friday, June 9; Progressive, June 10; Dawn, June 11; Messenger, on June 12, and Westway, June 22.

The clinics will be held from 10:00 to 12:00, with Miss Nell Ayers in charge. A special clinic will be held later for the pre-school children of Hereford. All children six years old will be permitted to enter school in September, as the school age bill failed to pass.

Let every child who is to enter school for the first time have a clean bill of health, and thereby meet with no handicaps in his school life.

### Santa Fe Offers Good Rates to Chicago Fair

The Santa Fe Railway has a remarkably low round trip fare to Chicago this summer for the benefit of those who desire to attend the Century of Progress World's Fair, now in progress in the Windy City.

The single round trip good until November 1 is \$57.35. You can go and stay 30 days on another ticket for \$51.00. Tickets good for 16 days will cost \$42.05. Three passengers, three adults, or two adults and a child, purchasing a ticket for the same train is only \$38.25 each, and of course the child's ticket is only half that amount. Four passengers can go for \$38.35 each, and five passengers can get tickets at \$32.55 each. One hundred passengers buying tickets for the same train can get them at only \$21.95 per ticket. Ticket purchasers going in groups of three or more need not return at the same time.

Pullman fare can be purchased on only the first three fares mentioned above, all others "must travel by chair or day coach."

J. E. Beyer, local agent, says that a number of calls for information on ticket fares have been made and he anticipates a number of Hereford people will make the journey to Chicago this summer.

## Three Ball Games Recounted By Brand's Sports Reporter

BY HOMER FOX  
Brand Sports Editor.

(The baseball season has officially opened in Hereford. The boys are having some mighty interesting games "across the track.") Our witnesses these games, Homer Fox, writes in this play-by-play, and includes many hy-plays. Go to the ball games with Homer—he tells the story in his own cryptic way, and makes it interesting. This week he takes you to three contests—read 'em and weep.)

### Friday's Game.

Last Friday afternoon the Odd Fellows and Midgets locked horns in a plumb good ball game, the Midgets winning 5-1.

Pleas Baker went the full seven innings for the Midgets, and Young for the Odd Fellows. The Midgets got six hits and the Odd Fellows 5. The Midgets made one tally in the first inning, when Speegle, first man up, went to first on an error, swiped second, went to third on Baker's fly to center field, L. B. Russell laid down a nice bunt and Speegle scored. A Russell, substitute first baseman (a Seed had to mow the lawn) hit to first, retiring the side.

The Odd Fellows threatened in the first frame. Onstead came to bat with two men out, and singled over second. Husey doubled over into right field; Roy had left his bicycle at home and third was as far as he could make it in one

### Frank Richards Enters Hereford Grocery Field

Frank L. Richards, long identified with the grocery trade of Hereford, both as a clerk and later as manager of the L. W. Carlyle Grocery, this week took over the ownership, management and operation of the Huggins Cash Grocery, and work is now under progress preparatory to making the establishment modern and convenient for the use of customers.

Frank Richards is a Hereford product, having lived here most of his life. He is well known to people of this trade territory, and proposed to put forth his best efforts in further pleasing the trade with the best of service and high quality goods.

According to current reports, L. W. Carlyle will quit the grocery business in Hereford this week, and the stock will likely be consolidated with the Huggins grocery, both going under management of Mr. Richards. L. W. Carlyle has been in the grocery business in Hereford for many years, and it is with regret that old friends and customers see him close.

### MR. AND MRS. JOWEL MURCHISON ENTERTAIN TWIN BOYS SINCE JUNE 1

Born to Mr. and Mrs. Jowell Murchison, Thursday morning June 1, twin boys.

Jowell Murchison, genial deputy in the sheriff's office, came to town Thursday wearing the kind of smile that won't come off. Also a slightly puzzled, bewildered look—for he was the father of twin boys, one of whom weighed 5 3/4 pounds, the other an even 5. He stated the young fellows were healthy and making a terrific racket about living in Hereford. They have been named Park McCullough and Shannon McShane. Mr. Murchison intimated that he might have to get up earlier in the morning and work later in the evening if they were to continue to grow and thrive.

### Hereford People Visit Waxahachie Relatives

Mrs. Edgar S. Ireland and son, Edgar, and Miss Carey Estes left Wednesday morning for Canyon, where they were joined by Mr. and Mrs. Harvey Cash and daughter, Mrs. Dorothy. They will go directly to Waxahachie where Miss Estes and Mrs. Ireland will visit in the home of Miss Estes' mother. Others in the party will go to College Station, Texas, where Harvey Cash, Jr., will graduate this week at A. & M. College. They expect to return home Sunday, except Miss Estes, who will spend the summer with her mother in Waxahachie.

### Witherspoon went to game for the Firemen and Smith for the Lions.

The game went to the fourth without anything happening. Air tight pitching and perfect support, but in the last half of the fourth L. B. Russell, first man up for the Midgets, slammed one for three bases. A Russell, still substitute for Seed) hit one into center for two bases, scoring L. B. D. Baker was out, short to first; Carlyle popped to second, then this Clayton kid (catcher for the Midgets) walked up to the plate, with his chest stuck out and picked out one of Ted's fast ones and busted it off the creek for a home run, scoring Russell ahead of him and putting the game on ice.

The Odd Fellows lone score came in the first of the sixth. Onstead got two bases on an error. Conklin singled over short, scoring Onstead. A Russell scored again in the seventh inning on an error, and a single by Carlyle and Clayton ended the game, with the Midgets 5, Odd Fellows 1.

The Odd Fellows pulled the first triple of the season in the fifth, with the assistance of Speegle. With a man on first and second, P. Baker hit to pitcher Witherspoon, was forced at third. Baker was thrown out at first and Speegle was tagged at second.

### Monday's Game.

Monday afternoon, the Lions roared, and the H. F. D. boys turned the water works on them and tamed the jungle kings to the tune of 7 to 4.

### Prospects for Big Cotton Acreage Said to Be Good

Cotton seed is arriving daily from Plainview, according to S. B. Dial, at the Hereford cotton gin, who says about 6,000 pounds daily are being brought to Hereford. He also stated that the seed is being sold about as fast as it can be brought in.

It is now estimated by Mr. Dial that enough cotton seed has already been sold to plant in the neighborhood of 3,000 acres.

### Christian Convention Scheduled June 13-15

Fort Worth, May 31.—Dr. George A. Campbell, pastor of the Union Avenue Christian Church of St. Louis, Missouri, and president of the International Convention of the Disciples of Christ, will be the principal guest speaker at the annual Texas Christian Convention to be held at Texas Christian University June 13 to 15, inclusive.

Rev. L. N. D. Wells, pastor of the East Dallas Christian Church, is president of the 1933 convention. Judge Eimer Lincoln of Texarkana is vice president, and Rev. Patrick Henry of Fort Worth, is secretary-treasurer. Rev. Lee Johnson of Dallas is chairman of the program committee.

One of the high points of the convention program will be the formal dedication of the new \$65,000 University Christian church on Tuesday evening, June 13.

Among the Texas ministers who will have a place on the program are: Rev. George Cuthrell, Tyler; Rev. J. Leslie Finell, Fort Worth; Rev. Graham Frank, Dallas; Rev. Gus Ramage, Pecos; Rev. J. M. O'Hearon, Waco; Dr. F. L. Jewett, Austin; Rev. Harvey Redford, Arlington; Rev. J. C. Walsh, Palestine, and Rev. Glenn C. Hutton, Longview.

### Hereford Creamery Sends Load of Butter to Chicago

The big International truck of Alton Fraser left here Saturday night with a truck load of tub butter for the Chicago market. Of course Mr. Fraser could not load to capacity in Texas, so he reloaded at the Texas-Oklahoma line. Mr. Fraser's truck looks as big as a small sized circus tent and is cooled by ice on the order of a refrigerator railroad car.

Mr. Fraser was accompanied by a driver, Lloyd Edwards, and Herman Schulz, manager of the local creamery. They expect to arrive at their destination Tuesday evening and before returning will take in the Century of Progress Exposition. Mr. Schulz will also investigate and study the Chicago butter market.

Mr. and Mrs. Mark Hanna made a business trip to Amarillo Tuesday of this week.

### Reed, Pioneer Cream Buyer, Again in Field

"Back in the cream business," H. D. Reed, local groceryman remarked, after 12 years retirement from that line. Mr. Reed informs the Brand that he is not the first one to buy cream in Hereford, but the second oldest buyer of that product. Mr. Reed will buy eggs and cream in the rear of his grocery store and will have plenty of caliche-paved parking space between the alley and rear of the building.

He also mentioned the fact that since the retirement of L. W. Carlyle from the grocery business that his is now the second oldest grocery store in Hereford. Back in the old days, according to Mr. Reed, if he bought 20 cans of cream a week, he was doing a land-office business, but now the purchase of 20 cans a day is not uncommon.

### Streu Hardware Cooking School Declared Success

The Streu Hardware Company held a very successful cooking and demonstration school on Tuesday afternoon at their store, about 50 ladies attending.

The Kelvinator electric refrigerator was featured. Mrs. Bess Orr, cooking expert of the Kelvinator Company, prepared and served a most delicious luncheon. She took her listeners through every step in the preparation of the food and demonstrated the quick process of freezing in the Kelvinator.

Messrs. Kennedy, Woods and Ratcliff, representatives of this company, were on hand to give detailed information on the merits of this refrigerator.

Streu Hardware Company furnished a number of lovely and useful prizes which were given to Mrs. Artis Daniel, first prize; Miss Josephine Weaver, second; Miss Beth Weaver, third, and Miss Maxine Brooks, fourth.

### Eastern Star Installs New Set of Officers

Hereford Chapter Order of the Eastern Star installed new officers for the coming year Wednesday night at the Masonic Hall. Mrs. Nora Irwin, retiring Worthy Matron, being the installing officer, Miss Jessie Morris marshal. Officers of the Chapter for the year are: Mrs. Geneva Ray, Worthy Matron; W. C. Nix, Worthy Patron; Mrs. Jewel Womble, Associate Matron; H. C. Baird, Associate Patron; Mrs. Mary Baird, Conductress; Mrs. Iva Coonaugher, Associate Conductress; Mrs. Bessie Hill, Ada; Mrs. Virgie Hunter, Ruth; Miss Lucy Reed, Esther; Mrs. Mable Nix, Martha; Mrs. Brucie Rose, Electa; Mrs. Myrtle Witherspoon, Secretary; Mrs. Myrtle Reed, Organist; Mrs. Boren, Chaplain; Mrs. Ollie Bradley, Treasurer; Mrs. Woods, Marshall; Mrs. Nora Lawhon, Warder; Wess Brady, Sentinel.

Following installation ceremonies, members of the Chapter gave Mrs. Ivy Coonaugher, a recent bride, a kitchen shower, she receiving many useful utensils for use in the home. Mrs. Lawhon, retiring matron, was presented a Past Matron's pin by the Chapter as a mark of esteem for splendid work performed the past year.

Refreshments of punch, sandwiches and cookies were served.

### C. F. Miller, Dawn, Buried Here Saturday

C. F. Miller, 68, of Dawn died last Friday in the home of his daughter, Mrs. Louis Smith. The funeral services were held at 3:30 o'clock Saturday afternoon, in the Back Funeral Parlor, followed immediately by burial in West Park cemetery. Rev. V. M. Cloyd officiating.

Surviving him are his wife and daughter, both of whom live near Dawn.

The Brand is in receipt of the following information from Jowell Murchison, deputy sheriff and tax collector, concerning penalty and accrued interest on state and county taxes:

"Penalty and interest that has accrued on state and county taxes, delinquent on or before February 1, 1933, has been released by the legislature providing, however, that a penalty of one per cent is now due on taxes delinquent at this time, regardless of the year or years. The penalty will increase to two per cent after September 30, 1933, and to four per cent after December 31, 1933, and to six per cent after March 31, 1934; and the law will expire and become void after June 30, 1934, at which time the accrued penalty and interest again become due as before.

"This law is mandatory in its application to state taxes and county and common school districts, but is not applicable to cities and independent school districts until a resolution is passed by the governing boards thereof adopting the law. The penalties given above are not cumulative.

"The local school board has not adopted the law up until this time, as they feel it is necessary to obtain a ruling from the Attorney General's department on certain phases of that law that are evidently not entirely self-explanatory. Delinquent school taxes may now be paid one-third cash and two-thirds in school warrants outstanding on the independent school district of Hereford, by action of the board of trustees at a special meeting held on the 31st day of May, 1933."

### Dimmitt Students Rank High in English-Speech

The senior class of the Dimmitt high school was here Wednesday afternoon for the purpose of having a class picture made. The work was accomplished after a few sittings at the Hanna & Hanna studio.

According to Miss Hilma Bartlett, sponsor of the class, and instructor in English and Speech in the Dimmitt schools, two-fifths of the senior class passed the State English examinations, making "A" grades, and the remainder of the class stood so high that it was thought that a state affiliated Speech course would be instituted in the Dimmitt schools next school year.

All the class, 13 in number, were here, as follows: Miss Jewel Eaye Webb, valedictorian; George Bremer, salutatorian; Luke Beck, Vaden Coventry, Herbert Wiltz, Darwin Stringer, Lon Woodburn, Misses Ruth Crump, Ruth Waggoner, Daphne Hutchings, Willie Mae Pawkes, Roxie Sprutell, Pauline Hembree, Mrs. W. H. Waggoner, of Dimmitt, one of the room mothers, also accompanied the class to Hereford.

### Holland Sale of Fine Jerseys to Be Held June 14

The J. C. Holland & Sons public sale is scheduled for Wednesday, June 14, at 1:30. The Holland farm is located 12 miles west on Harrison Highway, and a mile and one-half north. The offering at this sale will be 75 head of Jersey milk cows, 45 head of Jersey heifers, ranging in age from 2 to 7 years.

This herd of dairy cattle is one of the most select in this part of the country and all have been bred for heavy milk production. A rare opportunity awaits those who desire profitable dairy cows and heifers. Col. Ray Barber, auctioneer, said, and there was never a better time for those who are in need of milk cows to take advantage of this sale, for it is thought that the stock will be sold at a very reasonable price.

Mr. Holland is also offering some good Duroc sows and pigs that are bred up to standard. Col. Barber will auction the sale, and states that he has carefully examined the above offering and this sale will be worth any man's time to attend.

NOTICE OF THE PROPOSED AMENDMENT TO THE CONSTITUTION OF TEXAS

H. J. R. No. 43.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a), of Section 20, of Article XVI, of the Constitution of Texas, be amended so as to hereafter read as follows:

"(a): The manufacture, sale, barter or exchange in the State of Texas of spirituous, vinous or malt liquors or medicated bitters capable of producing intoxication, or any other intoxicant whatever except vinous or malt liquors of not more than three and two-tenths per cent (3.2%) alcoholic content by weight, (except for medicinal, mechanical, scientific or sacramental purposes) are each and all hereby prohibited. The Legislature shall enact laws to enforce this Section, and may from time to time prescribe regulations and limitations relative to the manufacture, sale, barter, exchange or possession for sale of vinous or malt liquors of not more than three and two-tenths per cent (3.2%) alcoholic content by weight; provided the Legislature shall enact a law or laws whereby the qualified voters of any county, justice's precinct, town or city may, by a majority vote of those voting, determine from time to time whether the sale for beverage purpose of vinous or malt liquors containing not more than three and two-tenths per cent (3.2%) alcohol by weight shall be prohibited within the prescribed limits; and provided further that in all counties in the State of Texas and in all political subdivisions thereof, wherein the sale of intoxicating liquors had been prohibited by local option elections held under the laws of the State of Texas and in force at the time of the taking effect of Section 20, Article 16, of the Constitution of Texas, it shall continue to be unlawful to manufacture, sell, barter or exchange in any such county or in any such political subdivision thereof, any spirituous, vinous or malt liquors or medicated bitters, capable of producing intoxication or any other intoxicant whatsoever, unless and until a majority of the qualified voters in said county or political subdivision thereof voting in an election held for such purpose shall determine it to be lawful to manufacture, sell, barter and exchange in said county or

A LONG TIME AGO IN HEREFORD

(From The Hereford Brand, June 6, 1902.)

John E. Day had been in from his North Draw ranch.

Judge C. F. Kerr had been here from Dimmitt. Judge Kerr was seeking re-election as county judge of Castro county.

Miss Clara Stewart, popular teacher in Hereford schools, was spending her vacation with her parents in Lufkin.

W. E. Reid and Andrew May had consolidated their meat market interests.

People living north of Hereford had been called to meet in town the following Saturday for the purpose of organizing a stock company to build a telephone line into that district.

Among the things needed by Hereford were electric light and ice plants.

Tests made of Hereford dirt in a Denton brick plant seemed to indicate it unfit for the manufacture of brick.

Mr. and Mrs. W. B. Robinson were visiting relatives in Indiana.

Hereford College, a new educational institution, was advertised to open its doors on September 10, 1902.

(From The Hereford Brand, May 31, 1912.)

Misses Frankie Dameron and Clara Edwards had been elected to places on the faculty of the Hereford schools.

The McDonald farm north of town was cutting the first alfalfa of the season, also the first of this crop to be raised under irrigation from deep wells in this or any other section of the Panhandle.

Mrs. G. A. F. Parker had been severely burned about her hands when she tore a burning curtain from its fastenings in her home. The accident happened at the close of a party, honoring the birthday of her little daughter, Miss Annie Fitzhugh.

Special mention was made of a great number of run-away teams on Hereford streets the past few days.

Henry Ford Dearborn, Mich.  
May 22, 1933  
I suppose that I may claim to be the first Ford Dealer. I not only made cars, but sold them and frequently delivered them myself.  
The "drive away" is not new; often I have driven cars from Detroit to towns in Ohio or Indiana or Michigan to make delivery.  
There were no good roads in those days, and the people where I drove had never seen a motor car before.  
My first really enthusiastic customers were Country Doctors. They were the first to realize the value of dependable transportation to a widely scattered practice.  
Even today I occasionally hear from some of those first Ford users. We had to teach local mechanics how to care for the cars. That is how Ford Service began, which is now found everywhere in the world.  
We believed from the beginning that a sale does not complete our transaction with our customer — it creates upon us an obligation to see that our customer's car gives him service. Ford Dealers know their duty to the public in this respect.  
I can say of Ford Dealers generally that they have been and are men of character and standing in their communities. Most of them have been with us many years, which indicates that we agree on basic business principles. The Company provides that the methods used to sell the Ford car are consistent with the self-respect of the Dealers who handle it.  
The present Ford V-8 is the peak of our 30 years experience. We have never made a better car. Its eight-cylinder engine is powerful and smooth running. The car is admittedly very good looking and has comfortable riding qualities. It is economical in operation because of advanced engine design and low car weight. It is the fastest, roomiest and most powerful car we have ever built.

 Young people at 7:30 p. m.  
 Let us all go to church next Sunday.

The Methodist revival will begin June 11. Rev. W. L. Tuttle of Plainview will assist the pastor. Dr. Tuttle is an able preacher. The people of Hereford are invited to hear this great leader of religious services. The Methodist choir will lead the music for the meeting. Let every one feel free to attend these services at 10:00 a. m. and 8:30 p. m. each day.

Lost 40 Pounds  
 On Doctor's Advice

"I'm a user of Kruschen Salts as a reducing remedy and can say they are fine. Have lost more than 40 lbs. in the past year. Am gradually reducing as my doctor advised." Miss Bertha Waldo, Haman, N. Dak. (Oct. 30, '32).

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that last 4 weeks costs but a trifle at any drug store in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back. adv

SIMMS REVIVAL SUCCESSFUL

T. F. Bohannon of the Sims district, was in town Saturday trading with Hereford merchants. Mr. Bohannon led the singing at the Sims Church of Christ revival meeting. He reported ten confessions and one baptism and one reclaimed. Sunday three services were held and the attendance that day surpassed any other day of the meeting. Rev. Claude McClung of Fort did the preaching. The services were due to close Tuesday night of this week.

Here and There

BY MRS. C. E. TICE

Take Produce to Carl's Gro. If From 2 1/2 to 3 3/4 inches of rain has fallen here and farmers are busy planting crops.  
 Rev. Montgomery of Clovis spent Friday night with J. J. Lindsay and held services at Wyche Saturday. The ladies spread a basket dinner at noon.  
 Mr. and Mrs. D. D. Bennett of Plainview were here Sunday to look after land interests. Mr. Bennett has recently shipped cotton seed here for planting.  
 The Baptist workers meeting for this district was held at Frio Thursday, with about 75 present. Rev. Hicks of Canyon preached in the morning, and Frio ladies served lunch at noon. Rev. Brewster had charge in the afternoon. Rev. Bost of Dimmitt, Rev. Eaves of Happy and Rev. Cloyd of Hereford made talks.

The W. W. Club held a quilt show at Frio Saturday night. Good music was supplied by Messrs. Trout of Dimmitt, Jameson of Easter, and another, whose name we did not learn. Marguerette and Raymond Mabley and Jack Allman gave readings. There were 13 finished quilts, 19 tops and two spreads shown, one being made in 1861, two others were over 60 years old. Quilts were judged by the audience in three groups. Misses. Henry Kendall, Ace Campbell and R. Bridges winning first places; Misses. Randall, Allman and Mack Dixon, second; Misses. K. F. Campbell, J. W. Berry and W. A. Sprinzler third. Much interest was shown and the evening declared a success.

"Out of \$41 invested one club woman realized \$135 worth of finished materials," said Miss Isora Clark at a meeting of the W. W. club Wednesday. Miss Clark gave a lesson on Care of Bedding, color schemes and bed-making, displayed woolen blankets, comforts and bed spreads, woven in Colonial designs or coverlets. These things were made from Castro county wool which she had sent to an Eastern mill. The lady referred to sent wool there and had several of the named articles woven and then priced them in stores with the above comparison. Several Tex Tech is putting in a wool washing and cording machine where farm women can have wool prepared. A covered dish luncheon was served at noon, the main dish being Mrs. Ingle's fried chicken. Fifteen members and several visitors were present. The next meeting will be with Mrs. Paul Williams June 14.

**Turkey Hens Work Even When Buried**

Carl Perrin—a citizen of the Adrian community, about 45 miles northwest—is just another farmer. He takes no credit for that—he just likes the business and follows his natural bent. The sand she has been blowing in that neck of the woods the past few weeks, and has created more or less discomfort, and quite a bit of confusion—also it has been disagreeable.

That same sand, has whipped around, formed eddies and piled up to a depth of two feet or more in his yard. Carl is not discouraged about that—what gets his goat is the way it served his turkey hens. Those hens—as turkey hens will do—picked out obscure spots, layed their eggs, started setting, and had future Thanksgiving turkeys under incubation. The sand—she blowed—and blowed—and blowed again. Mr. Perrin went out to seek his turkey hens. He found them—buried to the neck in sand; dug them out, and found their eggs, safe and whole. He cleared the dirt away—and the turkey hens are still on the job.

That worried Carl Perrin, and in order to have opportunity to think it over, he is now in Haskell, Texas, visiting relatives and thinking over the situation. He believes if those turkey hens can stick it out on a nest while being covered with sand, that a man should be able to stick, even though the wind blows—and the sand rolls—and he is coming back to Dearf Smith county.

**STAKING AND PRUNING TOMATOES WILL BE IMPORTANT THIS YEAR**

It will pay to stake and prune tomatoes this year, in the opinion of J. F. Rosborough, horticulturist in the Extension Service of Texas A. and M. College. "The freeze damaged tomato plants and most of the crop may be expected to come off at about the same time. Staking and pruning tomatoes will hasten maturity and increase the size of the fruit. It also decreases the yield. If there is a worm at all in the tomato deal this year, it will be the early bird who will probably get it." Proper methods of pruning and staking may be learned from any of the county farm demonstration agents, says Mr. Rosborough. Where county agents are not available, bulletin help may be had from C-42, "Tomatoes in Texas," published and distributed free on application to the Extension Service at College Station, Texas.

That plaintiffs also hold title to said land under and by virtue of the five and ten year statutes of limitation. That defendants are claiming some interest in said land, the nature of which is not known to plaintiffs but casts a cloud on plaintiffs' title to said land, which cloud they are entitled to have removed. Plaintiffs pray that citation issue, that their title be quieted and the cloud cast by defendants' claim be removed, that they recover their costs and for general relief.

You are hereby commanded to summon such defendants and serve this citation by making publication of this citation once each week for four consecutive weeks previous to the return day hereof in some newspaper published in this county; but if there be no

newspaper published in said county then in any newspaper published in the nearest county in which a newspaper is published. Herein fail not but have you before said court on the first day of the next term thereof this writ with your return thereon showing how you have executed the same. **That Good Gulf Gasoline is now lubricated!**

**GULF** stations from Maine to Mexico are now offering a motor fuel that surpasses everything that has gone before.

This great fuel is new in everything but name. It actually gives greater mileage and cuts repair costs—because it lubricates the upper cylinder and valves.

The new lubricating Good Gulf Gasoline contains an upper cylinder lubricant made by an exclusive Gulf process. This lubricant—correctly blended with that Good Gulf Gasoline, the famous fresh gas—makes today's greatest non-premium fuel for modern motors!

It lubricates the intake valves, prevents sticking, and forms little or no carbon!

If you want to get more and lower cost miles out of a gallon of gas, try the new Good Gulf Gasoline today. It doesn't cost a penny more.

Notice of Proposed AMENDMENT To the Constitution of Texas.

S. J. R. No. 23.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article VIII of the Constitution of the State of Texas be amended so to hereafter read as follows:

"Article VIII, Section 1-a: Three Thousand Dollars (\$3,000.00) of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all State purposes; provided that this exemption shall not be applicable to that portion of the State ad valorem taxes levied for State purposes remitted within those counties or other political subdivisions now receiving any remission of State taxes, until the expiration of such period of remission, unless before the expiration of such period the board or governing body of any one or more of such counties or political subdivisions shall have certified to the State Comptroller that the need for such remission of taxes has ceased to exist in such county or political subdivision; then this Section shall become applicable to each county or political subdivision as and when it shall become within the provisions hereof."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in August, 1933, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"For the Amendment to the Constitution of the State of Texas exempting Three Thousand Dollars (\$3,000.00) of the assessed taxable value of all residence homesteads from State taxes."

Those voters opposing said proposed Amendment shall write or have printed on their ballots the words:

"Against the Amendment to the Constitution of the State of Texas exempting Three Thousand Dollars (\$3,000.00) of the assessed taxable value of all residence homesteads from State taxes."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution and Amendments thereto.

Notice of Proposed AMENDMENT To the Constitution of Texas.

S. J. R. No. 3.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of Texas be amended by adding thereto a section to be Section 3, which shall provide:

"Section 3. (1) Holding the belief that the highest degree of local self government which is consistent with the efficient conduct of those affairs by necessity lodged in the Nation and the State will prove most responsive to the will of the people, and result to reward their diligence and intelligence by greater economy and efficiency in their local governmental affairs, it hereby is ordained:

"(2) Any county having a population of sixty-two thousand (62,000) or more according to the last Federal Census may adopt a County Home Rule Charter, to embrace those powers appropriate hereto, within the specified limitations hereinafter provided. It further is provided that the Legislature, by a favorable vote of two-thirds of the total membership of both the Senate and the House of Representatives, may authorize any county, having a population less than the above specified, to proceed hereunder for the adoption of a Charter; however, as a condition for such authorization, it is required that notice of the intent to seek Legislative authority hereunder must be published in one or more newspapers, to give general circulation in the county affected, not less than once per week for four (4) consecutive weeks, and the first of such publications shall appear not less than thirty (30) days next prior to the time an Act making proposal hereunder may be introduced in the Legislature. No County Home Rule Charter may be adopted by any county save upon a favorable vote of the resident qualified electors of the affected county. In elections submitting to the voters a proposal to adopt a Charter (unless otherwise provided by a two-thirds vote of the total membership of each House of the Legislature) the votes cast by the qualified electors residing within the limits of all the incorporated cities and towns of the county shall be separately kept but collectively counted and the votes of the qualified electors of the county who do not reside within the limits of any incorporated city or town likewise shall be separately kept and separately counted, and there shall be a favorable majority of the votes cast within and a favorable majority of the votes cast throughout the Charter shall not be adopted. It is expressly forbidden that any such Charter may in any way affect the operation of the General Laws of the State relating to the judiciary, tax, fiscal, educational, police, highway

and health systems, or any other department of the State's superior government. Nothing herein contained shall be deemed to authorize the adoption of a Charter provision inimical to or inconsistent with the sovereignty and established public policies of this State, and no provision having such vice shall have validity as against the State. No Charter provision may operate to impair the exemption of homesteads as established by this Constitution and the Statutes relating thereto.

"(3) A Charter hereunder may provide: the continuance of a County Commissioners' Court, as now constituted, to serve as the governing body of a county to operate hereunder; or may provide for a governing body otherwise constituted, which shall be elective, and service therein shall be upon such qualifications, for such terms, under such plan of representation, and upon such conditions of tenure and compensation as may be fixed by any such Charter. The terms for service in such governing body may exceed two (2) years, but shall not exceed six (6) years. In any event, in addition to the powers and duties provided by any such Charter, such governing body shall exercise all powers, and discharge all duties which, in the absence of the provisions hereof, would devolve by law on County Commissioners' Courts. Further, any such Charter may provide for the organization, reorganization, establishment and administration of the government of the county, including the control and regulation of the performance of and the compensation for all duties required in the conduct of the county affairs, subject to the limitations herein provided.

"b. A Charter hereunder may provide that Judges of County Courts (including that County Court designated in this Constitution), and Justices of the Peace be compensated upon a salary basis in lieu of fees. The jurisdiction of the County Court designated in this Constitution, and the duties of the Judges thereof, may be confined to that general jurisdiction of a probate Court which elsewhere is defined in this Constitution. The office of Justice of the Peace may be made either elective or appointive. Other than as herein provided, no such Charter shall provide for altering the jurisdiction or procedure of any Court. The duties of District Attorney and/or County Attorney may be confined to representing the State in civil cases to which the State is a party and to enforcement of the State's Penal Code, and the compensation of said attorneys may be fixed on a salary basis in lieu of fees.

"c. Save as hereinbefore and hereinafter otherwise provided, such Charters, within the limits expressed therein, may invest the governing body to be established for any county electing to operate hereunder with the power to create, consolidate or abolish any office or department, whether created by other provisions of the Constitution or by statute, define the duties thereof, fix the compensation for service therein, make the same elective or appointive and prescribe the time, qualifications and conditions for tenure in any such office; save, that no such Charter other than as hereinbefore authorized, shall provide to regulate the status, service, duties or compensation of members of the Legislature, Judges of the Courts, District Attorneys, County Attorneys, or any office whatever by the law of the State required to be filled by an election embracing more than one county. Excepting herefrom nominations, elections or appointments to offices, the terms whereof may not have expired prior to such time as a Charter provision adopted hereunder may be in effect (save as to those offices which must continue to be elective, as herein elsewhere specified), all terms of county officers and all contracts for the giving of service by deputies under such officers, may be subject to termination by the administrative body of the county, under an adopted Charter so providing, and there shall be no liability by reason thereof.

"d. Any county electing to operate hereunder shall have the power, by Charter provision, to levy, assess and collect taxes, and to fix the maximum rate for ad valorem taxes to be levied for specific purposes, in accordance with the Constitution and laws of this State, provided, however, that the limit of the aggregate taxes which may be levied, assessed and collected hereunder shall not exceed the limit or total fixed, or hereafter to be fixed, by this Constitution to control counties, and the annual assessment upon property, both real, personal and mixed, shall be a first superior and prior lien thereon.

"e. In addition to the powers herein provided, and in addition to powers included in County Home Rule Charters, any county may, by a majority vote of the qualified electors of said county, amend its Charter to include other powers, functions, duties and rights which now or hereafter may be provided by this Constitution and the status of the State for counties.

"(4) Any county operating hereunder shall have the power to borrow money for all purposes lawful under its Charter, to include the refunding of a lawful debt, in a manner conforming to the General Laws of the State, and may issue therefor its obligations. Such obligations, other than those to refund a lawful debt, shall not be valid unless authorized by a majority of all votes cast by those resident qualified voters of the area affected by the taxes required to retire such obligations, who may vote thereon. In case of county

obligations, maturing after a period of five (5) years, the same shall be issued to mature serially, fixing the first maturity of principal at a time not to exceed two (2) years next after the date of the issuance of such obligations. Such obligations may pledge the full faith and credit of the county; but in no event shall the aggregate obligations so issued, in principal amount outstanding at any one time, exceed the then existing Constitutional limits for such obligations and such indebtedness and its supporting tax shall constitute a first and superior lien upon the property taxable in such county. No obligation issued hereunder shall be valid unless prior to the time of the issuance thereof there be levied, a tax sufficient to retire the same as it matures, which tax shall not exceed the then existing Constitutional limits.

"(5) Such Charter may authorize the governing body of a county operating hereunder, to prescribe the schedule of fees to be charged by the officers of the county for specified service, to be in lieu of the schedule for such fees prescribed by the General Laws of the State; and, to appropriate such fees to such funds as the Charter may prescribe; provided, however, no fee for a specified service shall exceed in amount the fee fixed by General Law for that same service. Such Charters as to all judicial officers, other than District Judges, may prescribe the qualifications for services, provided the standards therefor be not lower than those fixed by the General Laws of the State.

"(6) a. Subject to the express limitations upon the exercise of the powers by this subdivision to be authorized, such Charters may provide (or omit to provide) that the governmental and/or proprietary functions of any city, town, district or other defined political subdivision (which is a governmental agency and embraced within the boundaries of the county) be transferred, either as to some or all of the functions thereof, and yielded to the control of the administrative body of the county. No such transfer or yielding of functions may be effected, unless the proposal is submitted to a vote of the people, and, unless otherwise provided by a two-thirds vote of the total membership of each House of the Legislature, such a proposal shall be submitted as a separate issue, and the vote within and without any such city, town, district, or other defined governmental entity, shall be separately cast and counted, and unless two-thirds of the qualified voters cast within the yielding defined governmental entity, and a majority of the qualified voters cast in the remainder of the county, favor the proposed merger, it shall not be effected. In case of the mergers hereby authorized, without express Charter provision therefor, in so far as may be required to make effective the object of the proposed merger, the county shall succeed to all the appropriate powers, duties, procedures, restrictions and limitations which prior to the merger were imposed in, or imposed upon, the yielding governmental agency. Particularly, it is provided that the power to create funded indebtedness and to levy taxes in support thereof may be exercised only by such procedures, and within such limits, as now are, or hereafter may be, provided by law to control such appropriate other governmental agencies were they to be independently administered. Such mergers may be effected under proposed contracts between the county and any such yielding governmental agency, to be approved at an election as hereinbefore provided for. In order to increase governmental efficiency and effect economy the county may contract with the principal city of the county to perform one or more of its functions, provided such contracts shall not be valid for more than two (2) years.

"b. In cases of the partial or complete merger of the government of a city operating under a Home Rule Charter, with the government of a county operating hereunder, those city Charter provisions affected thereby shall cease to control, and the county Charter provisions shall control.

"c. When any incorporated city or town elects to merge its governmental functions with those of the county under the provisions hereof, such Charters may provide for defining or redefining the boundaries of such cities and towns, provided, however, that in defining or redefining the boundaries of such cities and towns, such boundaries may be extended only to include those areas contiguous to such cities as are urban in character; and as to such cities or towns and for the benefit thereof the county, in addition to the primary city and county tax herein authorized and any other lawful district tax, may levy and collect taxes upon the property taxable within such city or town as defined or redefined, within the limits authorized by Sections 4 and 5 or Article XI of this Constitution, (or any Amendment thereof) for incorporated cities according to the population, provided that no tax greater than that existing at the time of such merger or for any added purpose shall be imposed upon any such city or town unless authorized by a majority of all votes cast by the resident qualified voters of such city or town.

"d. Areas urban in character, though not incorporated, under appropriate Charter provision may be defined as such by the governing body of the county, provided, however, that no portion of the county shall be defined as an urban area unless it has sufficient population to entitle it to incorporate under the then existing laws of the State; and no such urban area, when created, shall be valid with any taxing or bonding power which it would not possess if it were operating as a separate incorporated unit under the then existing Constitutional and Statutory provisions of this State; and provided further that the governing body of the county for the government of such areas shall have and exercise all powers and authority granted by law to the governing bodies of similar areas when separately incorporated as a city or town, and such areas shall be subject to additional taxation within the same Constitutional limits as control taxation for a city or town of like population. Likewise such Charter may provide for the governing board of the county subject to existing Constitutional and statutory provisions to define, create and administer districts, and have and exercise the powers and authority granted by the Constitution and laws relative to the same.

"7. No provision of this Constitution inconsistent with the provisions of this Section 3, of Article IX, shall be held to control the provisions of a Charter adopted hereunder, and Charters adopted hereunder shall make appropriate provision for the abandonment, revocation, and amendment thereof, subject only to the requirements that there must be a favorable majority of the vote cast upon such a proposal, by the qualified resident electors of the county; and, no Charter may forbid amendments thereof for a time greater than two (2) years. The provisions hereof shall be self-executing, subject only to the duty of the Legislature to pass all laws (consistent herewith) which may be necessary to carry out the intent and purpose hereof. Further, the Legislature shall prescribe a procedure for submitting to decision, by a majority vote of the electors voting thereon, proposed alternate and elective Charter provisions.

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State at an election to be held throughout the State on the fourth Saturday in August, 1933, at which election all ballots shall have printed thereon the following:

"For the Amendment to Article IX of the Constitution of Texas, adding Section 3, providing authority for the adoption of a Home Rule Charter by the voters in counties having a population of sixty-two thousand (62,000) or more, to effect more efficient and economical government within such counties, and to authorize mergers of separate governmental agencies within such counties as may from time to time be authorized by vote of the people therein."

Each voter shall scratch out one of the above listed clauses on such ballot, leaving unscratched that particular clause which expresses his vote on the proposed Amendment to which it relates.

Section 3. The Governor of this State is hereby directed to issue the necessary proclamation ordering an election in conformity herewith to determine whether or not the proposed Constitutional Amendment set forth therein shall be adopted, and the Governor shall have the same published as required by the Constitution and laws of this State.

er which it would not possess if it were operating as a separate incorporated unit under the then existing Constitutional and Statutory provisions of this State; and provided further that the governing body of the county for the government of such areas shall have and exercise all powers and authority granted by law to the governing bodies of similar areas when separately incorporated as a city or town, and such areas shall be subject to additional taxation within the same Constitutional limits as control taxation for a city or town of like population. Likewise such Charter may provide for the governing board of the county subject to existing Constitutional and statutory provisions to define, create and administer districts, and have and exercise the powers and authority granted by the Constitution and laws relative to the same.

"7. No provision of this Constitution inconsistent with the provisions of this Section 3, of Article IX, shall be held to control the provisions of a Charter adopted hereunder, and Charters adopted hereunder shall make appropriate provision for the abandonment, revocation, and amendment thereof, subject only to the requirements that there must be a favorable majority of the vote cast upon such a proposal, by the qualified resident electors of the county; and, no Charter may forbid amendments thereof for a time greater than two (2) years. The provisions hereof shall be self-executing, subject only to the duty of the Legislature to pass all laws (consistent herewith) which may be necessary to carry out the intent and purpose hereof. Further, the Legislature shall prescribe a procedure for submitting to decision, by a majority vote of the electors voting thereon, proposed alternate and elective Charter provisions.

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State at an election to be held throughout the State on the fourth Saturday in August, 1933, at which election all ballots shall have printed thereon the following:

NOTICE OF PROPOSED AMENDMENT TO THE CONSTITUTION OF TEXAS.

S. J. R. No. 30.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 3 of the Constitution of the State of Texas be amended by adding thereto another Section, Section 51a, which shall read as follows:

"Section 51a. The Legislature shall have power to authorize by law the issuance and sale of bonds of the State of Texas, not to exceed the sum of Twenty Million (\$20,000,000.00) Dollars, bearing interest at a rate not to exceed four and one half (4 1/2%) per centum per annum; and payable serially or otherwise; not more than ten (10) years from their date, and said bonds shall be sold for not less than par and accrued interest and no form of commission shall be allowed in any transaction involving said bonds. The proceeds of the sale of such bonds to be used in furnishing relief and work relief to needy and distressed people and in relieving the hardships resulting from unemployment, but to be fairly distributed over the State and upon such terms and conditions as may be provided by law and the Legislature shall make such appropriations as are necessary to pay the interest and principal of such bonds as the same become due. The power hereby granted to the Legislature to issue bonds hereunder is expressly limited to the amount stated and to two years from and after the adoption of this grant of power by the people. Provided that the Legislature shall provide for the payment of the interest and redemption of any bonds issued under the terms hereof from some source other than a tax on real property and the indebtedness as evidenced by such bonds shall never become a charge against or lien upon any property, real or personal, within this State.

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State on the Twenty-sixth day of August, A. D. 1933, at which election all voters favoring such proposed amendment shall write or have printed on their ballots the words, "For the amendment to the Constitution providing that the Legislature may authorize the issuance of bonds of the State of Texas, not to exceed Twenty Million (\$20,000,000.00) Dollars, for relieving the hardships of unemployment and for the necessary appropriations to pay said bonds."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Friday night only the Star features Nancy Carroll in "The Woman Accused."

Eight stars, Janet Gaynor, Lew Ayers, Norman Foster, Frank Craven, Will Rogers, Sally Eilers, Louise Dresser, Victor Jory, appear in "State Fair," dated for June 11-12-13.

There is one thing impossible, even to the modern miracle workers of the picture studios who recreate lost worlds, part seas, raise mountains and destroy cities. It is impossible to remain sombre on a film that has Will Rogers in the cast. He is just that kind of a fellow.

Far from being a wise-cracker, Rogers keeps everyone laughing because he instinctively gets a humorous slant of everything from the news of the day to the humdrum routine of work. It isn't what he says, although that is plenty, but the way he says it. Paper and print can't reproduce the Rogers drawl nor the sly subtle humor of the Rogers' grin.

He was in particularly good form on the sets where he worked with the above named stars in "State Fair." It is all because he was unusually satisfied with the picture and the role he plays in it.

He wore overalls and rough blue shirts. He puttered around a farm yard, and he had the time of his life doing scenes with Blue Boy, the 900-pound prize hog of the picture.

On his first meeting with the giant pig Rogers was properly impressed. "So you're Blue Boy," he mused. "You're certainly some hog. When it comes to pork there's nothing like you, even back at Washington. Well," he added reflectively, "You and me, just a couple more hams for Hollywood."

Utterly devoid of temperament, Rogers is the screen's perfect example of democracy. He never uses the canvas chair with his name painted on the back. He prefers perching on boxes, stools, automobile running boards, or, if possible, corral fences.

What sort of girl is Sally Eilers? To begin with, she is a good cook, and likes to prepare plain and fancy dishes. Waffles are her supreme culinary achievement. They are crisp and brown and fluffy, and are her own creation from the mixing of the batter to the tending of the iron.

She is fond of good clothes and expert at designing them. She also likes to sew, although she leaves the making of her own gowns to the dressmakers.

Perfect democracy is one of the secrets of her ability to win and hold friends. No one has ever accused her of being high hat, and probably no one ever will. While she is as enthusiastic about her career as a youngster just out of school, success apparently has not inflated her ego in the slightest.

Like Janet Gaynor, the other romantic heroine of "State Fair," Miss Eilers is a simon-pure product of the screen.

#### LOUIE OLSON PREPARES TO CARE FOR CHICKENS

Louie Olson believes in chickens to the extent that he now has under construction a brooder and laying house, the dimensions being 18 by 32 feet. Mr. Olson lives in the Wyche community.

Mr. and Mrs. E. A. Brotherton and children of Olton visited Sunday in the home of her parents, Mr. and Mrs. B. L. Branson. Donald Brotherton, son of Mrs. Gertrude Brotherton, returned home with them for the summer.

#### LIFE IN THE C. C. C.

In the following items will be found interesting information relative to camp life in the recently formed Reforestation corps initiated by President Roosevelt for the purpose of furnishing employment to those most badly in need of it. These items are by a Hereford boy, and most Brand readers will readily recognize that "By Sandy." He was stationed at Fort Sill, Oklahoma at the time this communication was sent, May 24.

#### BY "SANDY"

Life in the C. C. C. is somewhat similar to that of the regular army. At 6:00 a. m., comes roll call, then everyone helps police up the tents and prepares for breakfast. At 7:30 details are formed of from two to fifty men each, each detail with a foreman in charge. Men not on details have to hike for two hours, and everyone reports back to their regular company streets at eleven. One hour off to prepare for dinner.

Starting at 1:00 p. m., details are the same as that of the morning. Supper is at 6:00. The boys are free to do as they please from then until 10 o'clock. Some go to Lawton to show, dance or skating; some play baseball, football, basketball, wrestle or box; some have guitars, harps or fiddles. Groups gather and they play or sing. There is a recreation hall that is crowded most of the time. Saturdays and Sundays are rest days, and one may go to Lawton or the Post, but special permission is required to go elsewhere. A two-day leave is granted to some to go home, but such leaves are few and far between.

Some of the boys have not liked the rules and have secured discharges or "gone over the hill." Most of them like it so far and enjoy themselves.

My company has been here the longest, and it doesn't seem as if we are going to ever leave. Some newer companies have been sent to their stations, and have stayed only a few days here. The latest report is that we are going to Cheyenne, Wyoming, before Sunday, May 28. I am anxious to get out of here and to our camp where ever it is.

Memes are like this: For breakfast, fresh milk, 1 pint each; bacon and eggs, fresh fruit, toast and coffee. Dinner: Meats (pork chops, spare ribs, steak or roast), vegetables, beans, potatoes, pudding or cake, tea or lemonade. Supper: Meats, dried fruits, vegetables, potatoes, tea, lemonade or ice water.

#### BALL GAMES

(Continued from Page One)

two hits, Carroll and Wood. The Lions came back in their half to almost win a ball game. Doc Wiltshire, first man up, went out, short to first—he didn't want to run, or couldn't—Smith walked, Harold, the flat-head, struck out; Renfro, substitute center for the Lions, walked; then Tubby, dear old Tubby, who never fails in a pinch (only when he plays for the Midgets) hit a sizzling two base error through second baseman Patton, scoring Bob and Ralph, then Jim stole third with Artis standing on top of it. Looked like a tie game for sure now, with old Eagle Eye Downs coming to bat. The score stood 7 to 6 in favor of the Fireman, Jim on third and the Chief up—and did he hit it, folks, did he hit it!! Jim was across the plate long before the ball came down. But this Carroll boy that plays everything but first base and catcher, had the ball in his little mitt, so the game was over, 7 to 6 in favor of the Fire boys. Son Wood led the Firemen with the stick, getting three singles, one being a triple, and Renfro a triple and a free trip. For the first time out the Lions looked mighty good. Jim Robinson's base stealing was outstanding. Mue Davis in left grabbed everything hit at him, and this Posey on short looked like a million. The Lions made 6 runs, 7 hits and no errors. The Firemen 7 runs, 8 hits and no errors, and this is the biggest we have ever had—but we just couldn't count 'em, fans.

#### Firemen-Midgets.

Tuesday afternoon, this bunch of fire-fighting boys thought the Midget aggregation were getting too hot and went out to the ball park with old "Nappy" Dew's chemical and the pump, and in the last half of the fourth inning they turned all three of them on the kids at once, and did they cool 'em off, or did they cool 'em off?

The Midgets scored in the first, Speegle, lead-off, singled, then stole second, and Baker tripled into right field, scoring Speegle. Russell was safe on a F. C., and Baker was out at home. Clayton went in first on a F. C., and Russell was out at second; Seed went out, pitcher to first. The Midgets scored again in the sixth, when Seed singled and Carlyle tripled, to score Seed, and that was all for the Midgets.

The game was three up and three down almost until the last of the fourth, with Carroll coming up first for the Firemen. Manager Dubs turned in the alarm, Onias got in on that Buck and headed for the fire. He reached second, then old Glenn crawled into the driver's seat of old "Nappy" and wound up at first, scoring Onias. Then Bob came up, substitute. We thought we had him bought off, but he forced Glenn at second, Dick got in front of one of Russell's fast ones and got hit, sending Bob to second. Pete Engle, substitute catcher for the fire boys, busted one to left field for a single, Bob and Dick going to second and third. J. M. Posey, substitute first baseman and a kind of a ball player, made a connection to the wrong water plug and singled to center, and L. B. walked over to

short and handed the ball to Pleas. J. M. yelled and asked L. B. if he was getting tired. L. B. said he was not, but when you hit one I QUIT!" J. M. wise-cracked back something to the effect that "he sounded just like his brother, Artie," and the game went on. Woods walked, Wiltshire singled, and Carroll, up for the second time in one inning, hit into a double play, with the help of a Fireman third base coach. Folks, I don't like to write about this inning, had rather leave it out, but this bunch of ball boys play ball just like they fight fires and they can certainly get them both put out. They all fight just as hard ten runs ahead as they do three behind.

The score wound up 8-2. The Midgets got two runs, seven hits and lost the errors. Firemen, 8 runs, 9 hits, and again we can't spell errors. Carroll and Engle led the Firemen with a single and double each, and Pleas Baker with a double and triple, and Carlyle with two walks and a triple for the Midgets.
