

Groundbreaking Held For County Sports Complex

Movin' Dirt

Groundbreaking ceremonies for the new Deaf Smith County Sports Complex at 15th and Whittier were held Monday afternoon with city and county officials on hand. The new complex has mainly been the result of the work of Kids, Inc. president Chuck Cosper [1]. Turning the earth at the site

were [l to r] County Judge Sam Morgan, Hereford Mayor Bartley Dowell, and County Commissioner Bruce Coleman. Work on the complex is expected to begin within two weeks according to Cosper. [Brand photo by Bob Nigh]

The local dream of a new county sports complex came one step closer to reality Monday afternoon as county, city, and Kids, Inc. officials met with other dignitaries to break ground for the Deaf Smith County Sports Complex.

County Judge Sam Morgan, Hereford Mayor Bartley Dowell, and County Commissioner Bruce Coleman took turns spading the dirt at the complex location at 15th and Whittier just outside the city limits. The ceremony took place at the north end of a 31-acre section of land purchased by the county.

The actual sports complex will be constructed at the south end of the tract of land, and will cover approximately 8 1/2 acres for the initial four baseball fields.

"We put our sign up here at the north end so people could see where the diamonds are going to be located," Jerry Don George, president-elect of Kids, Inc. revealed. The sign proclaiming the site is visible from 15th street heading either east or west.

The start of work on the complex is as near as two weeks away after preliminary ground preparation has been done. "We've got to survey the boundaries and set stakes for the diamonds and fence," Kids, Inc. prxy Chuck Cosper said. Cosper added that the sprinkler system for the fields and the fencing material has been

ordered and is expected to be in soon.

"If we can get the sprinklers in and the fence up it will kinda get us started," Cosper said. "Once we get something going out there I think it will snowball."

Kids, Inc. is relying on volunteer help to do the bulk of the work on the new complex. That volunteer labor will go to help pay most of the cost of the complex, which will cost approximately \$40,000 out of our pocket," according to Cosper.

Additional help has come from the county, which donated the land for the complex. The total 31-acre tract cost \$24,000. Also, the Bureau of Outdoor Recreation granted Kids, Inc. \$31,500 to go toward the bill.

"We had asked for \$36,000 to cover four diamonds, but BOR allowed us just the \$31,500, which was enough for three," Cosper said. "But, we are going on ahead and build the four we planned on."

Some local organizations, as well as the city, have also chipped in funds toward the project. "We need to thank the city, the Lions, the Rotary, and the American Legion for all their help," Cosper said.

"You can do it cheaply if you get out and contact the right people. We've dug our sack a bunch I guarantee you," he added.

Construction of the concession stand and bleachers at the four-diamond complex will be done by local volunteer labor.

Local utilities and contractors will aid in laying pipe for the sprinklers, putting up the fence, and wiring the lighting system.

"We'll always take volunteers," Cosper said. "We'll try to get as much done as we can through the winter with work on weekends and in the evenings after work."

The initial construction of four diamonds at the site is just one-half of the original plans calling for eight new diamonds there. "We first figured on eight ballparks out there, which would take up about 18 acres," Cosper revealed.

That would leave 13 acres of land at the complex. As to the remaining ground Cosper said

that "Soccer has been mentioned. We have discussed soccer in our board meetings, and it would be real easy to get it started. If there was enough interest I think we could handle it."

Looking ahead Cosper figures to be using the new diamonds next spring. The only problem he foresees is a scheduling conflict. "We'll have a minor problem in scheduling, but we're going to try to let all the teams play on the new fields at least once a week," he said.

The current fields on Avenue H will continue to be used next season, but the field at Veteran's Park will "be turned back over to the Veterans," Cosper said.

Stagner Nearly Perfect Winner

Earl Stagner was nearly perfect in last week's Brand Football Contest, winding up with only one miss on the 26-game list to claim the top prize of \$25. With a record like that you might expect Stagner to be far ahead of the pack, but two other entrants were just behind with two errors apiece.

Cawthon Bryant and Melvin Hoover each missed two games in the contest, and Bryant took second place money of \$15 for his tiebreaker guess of 48 on the Michigan-Navy game which wound up 14-7. Hoover's guess was 52.

Stagner missed only the

Littlefield 27-14 (win over Lockney in the fourth contest of the year in winning the top prize. Bryant lost out by picking Phillips, a 22-13 loser to Panhandle and Hart, a 21-7 loser to Petersburg. Hoover's misses came on the Oakland 16-7 win over Pittsburgh, and Boston College's 49-28 win over Army.

The money-winning trio were not the only entrants to do well last week, however. Eight others missed only three games, while 16 more were wrong only four times, and one missed just five.

Browns Upset Patriots

By **MIKE HARRIS**
AP Sports Writer

CLEVELAND (AP) - Cleveland Browns Coach Forrest Gregg watched intently during overtime as his team moved steadily toward the New England goal line.

Suddenly, defensive backfield coach Billy Kinard broke into his thoughts with a surprising suggestion.

"Why not get it?" Kinard said, referring to a field goal attempt.

Gregg gave it some thought, quarterback Brian Sipe tried to talk him out of it and - after the coach rejected Sipe's plea - Don Cockroft calmly booted a 35-yard field goal to give the Browns a 30-27 National Football League victory over the Patriots.

The Browns won the toss and received the kickoff in the fifth period. Sipe felt he had good reason to try to veto his coach, since he had directed the Browns from their own 29-yard line to New England's 17. It was second-and-nine when Cockroft connected on his third field goal of the see-saw game 4:45 into the extra period.

A crowd of 76,416 at Cleveland Stadium and a national television audience watched as Cockroft's kick stayed barely inside the right upright, giving Cleveland, 2-0, its second straight upset victory.

"I felt we have a field goal kicker who can get it through the uprights," Gregg explained.

Cockroft, whose second 37-yard field goal of the night had given the Browns a

short-lived 27-24 lead with 55 seconds remaining in the fourth quarter, agreed enthusiastically with Gregg's decision.

"I was ready at 50 yards," he said. "I hit some 55-yarders in practice."

New England Coach Chuck Fairbanks said, "I was not necessarily surprised by the field goal at that point. He was close enough to make it and they weren't risking a fumble or loss.

What made the loss more bitter for the Patriots, 1-1, was the fact they blew leads of 17-7 and 24-17. They got a new life when quarterback Steve Grogan

Shipp

Rallies

Joyce Shipp made up some ground on leader Speedy Nieman by posting a 21-5 mark in the fourth week of the Fearless Forecasters Panel.

Ship trails Nieman by only two picks this week. Nieman leads the panel with a 78-26 mark, while Shipp is at 76-28.

Bob Nigh ranks third on the list with a 71-33 mark, while Craig Nieman (66-38) and Paul Sims (63-41) round out the list. Sims made a move upward this week with a 20-6 mark after a disastrous 12-14 record last time around.

Nigh and the elder Nieman both had 19-7 marks last week, while Craig Nieman had the worst week on the panel with a respectable 18-8.

Sims won out over the rest of the group by picking Canyon in the Eagles' 20-14 win over the Herd and by tabbing the Texas A&M Aggies in their 33-17 win over Texas Tech.

Games which fooled the entire panel included Phillips' 22-13 win over Panhandle, and Boston College's 49-28 win over Army.

Some close contests dotted the slate last week with the Oklahoma Sooners' 29-28 squeaker win over Ohio State one of the most exciting. The Sooners eked out the win on a field goal late in the game.

Other close games had Muleshoe a 14-13 winner over Levelland, Monterey 10-7 winners over Estacado, Palo Duro 13-11 winners over El Paso Coronado, and the Houston Oilers nipping the Green Bay Packers 16-10 on a late-game 95-yard pass interception return.

Lubbock salvaged the tie with a TD by Bobby Mitchell in the third period, and a four-yard run by Ricky Moreno with just 15 seconds left. Kelly Roberts made a diving catch of a pass on the PAT attempt to knot the score at 14-14.

Mitchell's score followed a Tolbert fumble on Dunbar's initial play of the second half. James committed the crucial turnover for the next LHS score losing the handle on the Panther 18.

In Amarillo Tascosa upped its record to 4-0 with a 21-6 bruising of Coronado. The Mustangs actually tied the game at 6-6 in the second period as Buck Williams tallied on a 64-yard run, but the Rebels got clincher scores from Rick Thomas and Don Williams.

Tascosa outgained the Mustangs 214-157 on the ground, and had 73 passing yards to Coronado's 48.

Hereford's 20-14 loss to Canyon Friday night was the second in a row for the 'Faces, who have been hampered by the loss of starting regular Kelly Kitchens at quarterback. Junior Jackie Mercer led the Herd in the contest for the second straight week.

Paul Bell romped for 120 yards enroute to one touchdown in the game, while Mercer got his first varsity TD for HHS in the second period. The Herd had a minus one yard passing in the game while rushing for 182 markers.

Games this week have Palo Duro at Coronado Thursday night, with Hereford at Amarillo and Canyon at Plainview Friday, and Hobbs, N.M. at Monterey, and Lubbock High at Odessa Ector Saturday.

Loop Suffers

District 4-4A teams suffered through a poor weekend of football in the fourth week of the campaign, with the Monterey Plainsmen the only loop team to register a win. Monterey had to struggle to a 10-7 win over Estacado Friday night while both Hereford and Plainview lost.

Thursday night action saw Lubbock High knot Dunbar 14-14 on two late scores, and Tascosa blast Coronado 21-6.

Monterey now leads the league with 3-0-1 record on the non-loop slate. Hereford and Plainview are both 2-2, while Coronado is 1-3 and Lubbock 0-3-1.

The plainsmen overcame a early 7-0 Estacado lead with Eric Voyles scoring on a 28-yard TD pass and Phil Breudigan booting the winning field goal from the 11 with 37 ticks left in the half.

Estacado's Kinzey Burrell escaped the Monterey defense for 175 yards on 26 totes, including one 69-yard scoring burst, but the Matadors sealed their own doom by losing five fumbles to the Plainsmen.

In Plainview the Bulldogs staged a rally which fell just short as Amarillo High posted a 19-14 win. The Sandies rolled to a 13-0 lead at the half, but a four-yard pass from Bruce Wesley to Eddie McAlister made it 13-7 late in the third quarter.

Amarillo came back with Kym Fletcher capping a 70-yard drive on a one-yard run, and the Bulldogs set the stage for their rally.

An 11-play, 74-yard drive made it 19-14 with 2:48 left. Wesley pulled the 'Dogs close by grabbing a fumble out of the air and sprinting in for a TD from the five.

Plainview lost a chance for the win on the final play of the game as end Louis Davis dropped a Wesley aerial on the two-yard line.

Thursday night Lubbock avoided an 0-4 mark by rallying to tie Dunbar 14-14, taking advantage of late fumblebits by the Panthers.

Dunbar raced ahead of the Westerners as Kenneth James and Walter Alsbrooks tallied on TD runs of nine and seven yards respectively. James and Tolbert added the PATs.

moved the team 72 yards in six plays, setting up a tying 34-yard field goal by John Smith with no time remaining in regulation play.

"If we would have got the ball, we would have scored again. But Cleveland won the toss in overtime," said New England tight end Russ Francis, who caught one of Grogan's two scoring passes and lugged a 28-yard toss to Cleveland's 17 with just one second left in the fourth quarter.

Sipe also passed for two touchdowns, one of them to running back Greg Pruitt, who also threw a five-yard scoring pass on an option play and darted for -151 yards in 26 carries.

Grogan finished with 15 completions in 23 passing attempts for 172 yards, seven of them to fullback Sam Cunningham, who also netted 70 yards on 18 running plays.

SAN FRANCISCO (AP) - Fourth-seeded Dick Stockton has defeated Bob Carmichael 6-3, 6-2, in the first round of a \$125,000 professional tennis tournament here.

Michigan Falls To Third

Sooners Vault Back to Number One

By **HERSCHEL NISSENSON**
AP Sports Writer

Michigan Coach Bo Schemmeler, who asked newsmen a week ago not to vote his team No. 1 in The Associated Press college football poll, got his wish today.

The Wolverines, who squeaked past Navy 14-7 after struggling to beat equally-un-

heralded Duke 21-9, dropped to third place in this week's poll behind Oklahoma and Southern California.

Oklahoma, the preseason leader, surrendered the top spot to Michigan for the first two weeks of the season but climbed from third place back to No. 1 by nipping Ohio State, last week's No. 4 team, 29-28.

The Sooners received 23

first-place votes and 1,164 of a possible 1,260 points from a nationwide panel of 63 sports writers and broadcasters.

Southern Cal, a 51-9 winner over Texas Christian, actually received one more first-place ballot than Oklahoma but the Trojans only total 1,116 points to remain No. 2.

Then came Michigan with eight first-place votes and 981

points, compared to last week's 42 and 1,094.

Penn State continued to climb, rising from fifth to fourth with seven first-place votes and 860 points after a 27-9 whipping of Maryland. The Nittany Lions were followed by Texas A&M, up from sixth to fifth with no first-place votes but 798 points thanks to a 33-17 victory over Texas Tech. The loss dropped the Red Raiders from eighth to 13th.

Next came Ohio State with 601 points, followed by Colorado with 581. The Buffs, last week, trounced New Mexico 42-7.

The remaining first-place ballot went to Texas, which had the weekend off. The Longhorns, who have outscored their two opponents 112-0, received 430 points in climbing from

ninth to eighth.

Florida, 13th a week ago, defeated Mississippi State and cracked the Top Ten, vaulting to ninth place with 395 points. Rounding out the Top Ten is Alabama with 320 points. The Crimson Tide, also 10th a week ago, defeated Vanderbilt 24-12.

The Second Ten consists of Nebraska, Arkansas, Texas Tech, Notre Dame, Brigham Young, Pitt, California, Mississippi State, Houston and Arizona State.

Last week, it was Notre Dame, Mississippi State, Florida, Nebraska, Washington State, Arkansas, West Virginia, UCLA, Houston and Brigham Young.

Pitt, California and Arizona State replaced Washington

State, West Virginia and UCLA. Pitt swamped Temple 76-0, California beat Missouri 28-21 and Arizona State edged Oregon State 33-31. Meanwhile, Kansas downed Washington State 14-12, Kentucky knocked off West Virginia 28-13 and Minnesota upset UCLA 27-13.

The Top Twenty Teams in The Associated Press college football poll, with first-place

votes in parentheses, season records and total points. Points based on 20-18-16-14-12-10-9-8-7-6-5-4-3-2-1-:

- 1. Oklahoma (23) 3-0-0 1,164
- 2. S. Calif. (24) 3-0-0 1,116
- 3. Michigan (8) 3-0-0 981
- 4. Penn St. (7) 3-0-0 860
- 5. Texas A&M 3-0-0 798
- 6. Ohio St. 2-1-0 601
- 7. Colorado 3-0-0 581

G-Portland Up After 70-13 Win Last Week

Class 3A powerhouses Gregory-Portland and Mount Pleasant spent last weekend trying to outdo each other against Class 4A competition. Gregory-Portland won.

Although Mount Pleasant, ranked No. 1 in 3A last week, edged 4A Nacogdoches 6-5, Gregory-Portland massacred 4A Kingsville 70-13 and moved from No. 2 into the throne room this week.

It was the only shakeup of top-ranked teams as Sherman in 4A, Bellville in 2A, Seagraves in A and Wheeler in B, maintained their No. 1 rankings.

Stafford Dulles earned a No. 8 ranking in 4A this week after upsetting Brazoswood 24-13. Galveston Ball, No. 10 last week, dropped from the top 10 after a one-week stay. Longview, up to No. 7 this week, edged Ball 17-13.

Ennis was the lone casualty in 3A, losing to McKinney 17-0. Dickinson moved into the 3A to replace Ennis as the No. 10 team.

Class 3A Fort Stockton whipped No. 3 ranked 2A Kermit 34-1, knocking Kermit out of the top 10. Slaton, 4-0, replaced Kermit in the No. 10 spot.

Class A emerged as a disaster

area after five ranked teams were defeated in games last week and only one of the losers remained in the poll this week.

Fifth-ranked Grapeland fell to 10th after a 24-0 loss to Groveton while No. 6, DeLeon, No. 7 Poth, No. 8 Hull-Daisetta and No. 9 Barbers Hill all fell from the list after suffering their second losses of the season.

Groveton and Marfa return to the top 10 as the nos. 6 and 7 teams, each with 3-1 records while Blooming Grove and Charlotte, both 4-0, made their first appearance as the Nos. 8 and 9-ranked teams.

In B, Sonora dropped from the list after a scoreless tie with Ranger and Axtell, 4-0; returned to the top 10 as No. 8.

Here is The Associated Press Schoolboy Football Poll with first place votes in parentheses, season records and points based on 10-9-8-7-6-5-4-3-2-1:

Men's Play Opens

The Hereford YMCA men's flag football season got underway Sunday, while the boys' league completed its second week of play Saturday. One close battle highlighted the opening day of the men's play, while the youngsters had three shutouts posted in eight games.

The Printer's Devils and Toters fought to a 13-13 tie in the men's opener with the former staging a late comeback to knot the game with 13 points in the final period. Other games saw the defending champ Beacon Bad Company rip the Farmers 26-12, the Cowpunchers brand the Giants 33-7, and Sante Fe smash the Midnight Cowboys 27-7.

Boys' results included the following: Bears 13, Saints 6; Cardinals 0; Cowboys 19, Rams 0; Colts 7, Bengals 6; Dolphins 13, Raiders 12; Jets 20,

Chargers 13; and the Steelers 32, Oilers 0.

Teams on top in the boys' league after two weeks include the Cowboys, Jets, Bears, and Steelers, all with 2-0 marks. The Saints, Dolphins, Lions, Falcons, Raiders, Colts, and Chargers are all 1-1 while the Cardinals and the Rams are both 0-1-1. The Packers, Oilers, and Bengals are all 0-2.

Men's action Sunday will pit the Giants against Sante Fe at 1 p.m.; the Cowpunchers against Toters at 2 p.m.; Beacon Bad Company against the Midnight Cowboys at 3 p.m.; and the Printer's Devils against the Farmers at 4 p.m.

All games in both league are played at the Y field marked off at the Northwest Elementary School grounds at the corner of Stadium Drive and Moreman.

Volleyball Team Loses Co-Captain

"We were experimenting at Pampa due to the injury, and we'll be experimenting again tonight at Amarillo High," HHS volleyball coach Helen Reed said Tuesday morning. The injury she spoke of was a broken right foot suffered by Herd co-captain Teresa Lambert, a break which knocked the Whiteface senior out of the lineup for the rest of the season.

That loss looms menacingly for the Herd as they look to the opening of district action on October 10. Despite the loss of Lambert, undoubtedly one of the team leaders, the Herd finished third at the Pampa Tournament last Saturday.

After losing to Pampa 13-9, 15-6, and to Borger 15-2, 15-5, the 'Faces rallied to down Perryton 15-12, 15-5 to win third place. "Teresa hurt her foot in practice last Wednesday, and didn't even go to Pampa, and now we know she's out for the year," Reed said.

The senior's loss is coupled with nagging injuries to Tonic Blackwell (foot) and Anna Wilson (knee). "That just leaves us four of our original seven varsity players," Reed added as she tried to think of the right combination of players to face the Sandies tonight and to work the district slate after meetings with Pampa and Dumas.

"We're still trying different combinations, but the district opens in just two weeks, and we've got to come up with something before that," the coach added.

The HHS volleyballers are now 5-8 on the year with three non-district matches left. The team will play home matches in district action October 17 (Lubbock) and November 7 (Monterey). They will be on the road in district play against Coronado October 10 and Plainview October 24.

NEW YORK (AP) - New Hampshire, 3-0, was voted the unanimous choice in the first week of voting for the Lambert Cup which is presented annually to the top NCAA Division II football team in the East.

The Wildcats, who have never won the award, routed West Chester State 26-0 on Saturday. In the voting of sports writers and broadcasters released Monday, Lehigh ranked second followed by Massachusetts, Main, Indiana Pa. State, American International, Clarion State, Delaware, East Stroudsburg and California Pa. State.

Yanks Aiming At Winning Last Six

By **BOB GREENE**
AP Sports Writer

The New York Yankees have it all figured out. If they win their remaining six games, it doesn't matter what the second-place Boston Red Sox do.

"We want to do it ourselves," second baseman Willie Randolph said after the Yankees defeated the Cleveland Indians 4-2 Monday night. "We don't want any help from anybody."

The Yankees have a 3 1/2-game edge over the Red Sox, who have seven games left to play after having Monday's contest against Toronto rained out. New York's "magic number" is four - any combination of Yankee victories and Boston losses totaling four - to capture its second straight American League East title.

"I can't worry about the Red Sox," said Yankee Manager Billy Martin. "I don't care if they win a doubleheader tomorrow as long as we win."

In the other AL game played Monday, Oakland crushed Kansas City 7-1. In the National League, Chicago downed Philadelphia 10-7. Atlanta beat Houston 12-10. Montreal defeated St. Louis 9-5 and San Francisco clobbered Los Angeles 9-1.

"Thank God for Sparky," said Yankee starter Mike Torrez, 17-13, after Lyle came on in the seventh to record his 26th save of the season and the 201st of his career.

New York scored two runs in the first inning when, with the bases loaded, Dave Kingman was hit by a pitch and Cliff Run-scoring singles from Thursday Munson in the fourth inning and Paul Blair in the seventh.

Cubs 10, Phillies 7
Home runs by Bobby Murcer, Greg Gross and Larry Bittner paced Chicago's 20-hit attack as the Cubs defeated Philadelphia, keeping the Phillies from clinching the NL East title.

Philadelphia's "magic number" remains at one.

Brewers 12, Astros 10
Seventh-inning home runs by Jeff Burroughs and Gary Matthews snapped a tie and boosted Atlanta over Houston. Matthews also had a two-run homer in the second inning and Brian Asselstine added a solo shot. Jose Cruz and Bob Watson homered for the Astros.

Expos 9, Cardinals 5
Montreal erupted for four runs in the ninth to defeat St. Louis. Gary Carter slammed a

three-run homer in the seventh and added a two-run single in the ninth to spark the Expos. Gary Templeton had a two-run, inside-the-park homer for St. Louis.

Giants 9, Dodgers 1
Willie McCovey and Gary Thomasson slammed two-run homers and Ed Halicki, 15-12, backed his six-hit pitching with a solo shot as San Francisco crushed Los Angeles. The homer was McCovey's 27th of the season and 492nd of his career, one short of Lou Gehrig, who holds 12th place on the alltime list.

A's, Royals 2
Joe Coleman scattered five hits and Jeff Newman and Mike Jorgensen both homered as Oakland snapped Kansas City's eight-game winning streak and handed the Al West champion only its second loss in 26 games.

Carter's Goals May Be High

**By JOHN CUNNIFF
AP Business Analyst**
NEW YORK (AP) - You might
say it's the Carter Administra-
tion's own fault that its
economic projections are now
being criticized. It probably set
its goals too high.

That observation is inherent
in almost all the reports from
business economists and a good
many academics too, and to
some extent it seems also to be
shared by the Joint Economic
Committee of Congress.

One inevitable consequence
of setting such high goals -
originally, they were 4.5 per
cent unemployment, 4 per cent
inflation and a balanced budget
by 1981 - is that good news is
viewed as fair, and fair as poor.

The administration currently
says it expects growth in Gross
National Product, the total of all
goods and services produced, to
reach about 5.3 per cent next
year. The congressional com-
mittee says 4 to 4.4 per cent.

That latter rate certainly
doesn't suggest weakness, but
it is being viewed that way
because, it is observed, it is 20
per cent or so lower than the
administration's goal.

The truth is that the Joint
Committee's estimate is consid-
ered bullish by some nongov-
ernmental forecasters, whose
own figures are even lower.
Still, these academic and
business forecasters aren't
worried about recession.

The latest figures from the
Wharton Econometric Forecast-
ing Associates, a group which
analyzes the economy every
three months foresees real
growth of 4 per cent or so, a
decline from this year, but
hardly a disastrous one.

In fact, Lawrence Klein and
others at the Wharton unit
foresee some areas of strength,
including a "boomlet" in fixed
business investment, or capital
spending.

Such a development has been
awaited for many months.
Repeatedly forecast, it never
seemed to develop. But now, as
some forecasters expect some
moderation in consumer spend-
ing, capital investments are
likely to take up the slack.

This probability also has been
expressed by the leasing-financ-
ing unit of Commercial Credit,
which reports that in the past
two months its clients have
stepped up their capital
spending plans strongly.

At the same time the Joint
Economic Committee was
issuing its report, a group of top
business executives was telling
President Carter that the
economy is in somewhat better
shape than some of the bearish
forecasts indicate.

Business, of course, some-
times sees things from a vastly

Connally Blasts Med Act

HOUSTON (AP) - Former
Gov. John Connally says
government interference in
medicine could lead to national-
ized medicine.

Connally said Sunday the
proposed Hospital Cost Con-
tainment Act would unfairly
introduce very strict price
controls on hospitals.

Increased hospital costs, he
said, have been caused by
inflation, government inter-
ference, and a heightened quality
of hospital service.

Connally gave the keynote
address at ceremonies dedica-
ting the \$35 million Neurosen-
sory Center at Baylor College
of Medicine and the Methodist
Hospital at the Texas Medical
Center.

He said that in 1950 there was
no such thing as a heart
transplant or surgical hip
replacement.

"Houston was experimenting
with recovery rooms, there
weren't even intensive care
units in 1950," Connally said.

"Believe me, the cost has
gone up and so has the quality,
and any government inter-
ference in this is unwarranted,
unnecessary, counterproduc-
tive, foreboding, and the
forerunner of nationalized
medicine."

Connally said the 850
individuals who through private
donations funded all but \$1
million of the new center were
"fighting the commonality of
mediocrity and inefficiency of
bureaucracy."

The Neurosensory Center was
dedicated to study and
treatment of disorders affecting
the brain, nervous system, eyes,
ears, nose, throat, voice,
speech, and language.

Texan Contracts Disease

DALLAS (AP) - He was unconscious for almost a month and ran a 107-degree fever. But all he's worried about now is that he will be a social outcast because he became the first Texan to contract Legionnaire's Disease.

"I don't mind talking about it but I'd rather my name wasn't in the newspaper. You know, there are a lot of people out there who still think this is contagious," he said, asking that he be identified only by his first name, George.

"If my name gets out, no one will want to be around me - I'll be in total isolation," he said.

He became ill Aug. 5. Within a week his temperature had soared to 107. A friend drove

him the 100 miles from his home in Bastrop to Temple.

"I had been sick, felt headachy all over," the 52-year-old executive recalled. "I had chills that almost shook the bed apart."

At first a doctor diagnosed it as pneumonia. But massive doses of penicillin could not break the fever. The doctor suggested the hospital.

Doctors here immediately shrouded George in ice blankets and inserted an oxygen tube in his throat.

Dr. Julian Acker, chief of staff at the Veteran's Administration hospital, said tests indicated pneumonia. But after further tests showed no cause for the pneumonia, the doctors tested

Ann Landers Aggravated By Answer

DEAR READERS: I am writing from the doghouse. And all I said was, "Artificial flowers at a wedding are the pits!" I was promptly hit with approximately 2,000 letters from women who are allergic to flowers. An irate reader in Denver wrote, "there would have been no wedding if I had had to carry the 'traditional' bridal bouquet. I am allergic to virtually every flower that grows—especially roses, lilies of the valley and daisies. So I carried a white satin Bible with ribbon streamers instead."

That was only the beginning! The heaviest mail came from the "in" crowd who told me I was plenty "out." They informed me that handmade silk flowers are a lot classier than fresh flowers and where in the heck

have I been for the last three years anyway? Many mothers of brides decked me with statements such as this one from Short Hills, N.J.: "Mrs. G" crowed, "The silk flowers we used at our daughter's wedding cost a small fortune but they were well worth it. We even used them on the altar. The guests are still raving." Then she added a charming P.S.: "Hang up your typewriter ribbon, Granny. You are definitely getting senile."

Have you ever heard of flowers made of wood fiber folks? Well, neither had I—until I came up with what appears to be a landmark gaffe. Now I know wood-fiber flowers are not only terribly chic, but almost indistinguishable from the real thing—especially when they are scented. I was also clobbered by the dried flower enthusiasts. At least a thousand wrote to say dried flowers are breathtakingly beautiful, especially when arranged by a florist. The best part is that they can be a life long keepsake.

So—forgive me, one and all. When I put the kibosh on artificial flowers at weddings, I had in mind those wax jobs and plastic atrocities. Thanks for setting me straight. Nobody can know everything but after being dumped on by about 10,000 people, I feel as if I don't know ANYTHING. This afternoon I'm going out and buying some silk flowers for my desk.

DEAR ANN LANDERS: I seem to be the only girl in the world with this problem and I have no one to talk to. I'm 22 and, embarrassed to say, still a virgin. These days if you haven't had sex by the time you're 18, you might as well join a convent. All my girlfriends have been having sex since high school. They used to make so much fun of me that in self-defense I invented stories about my "escapades."

Ann, I just can't give myself to a man I don't love, but I guess no one my age feels that way any more. I'm beginning to think I'm a freak. For example: Last week my girlfriend had a barbecue and set me up with this new guy. He got insulted and wouldn't drive me home because I refused to agree to sleep with him that same night?

Am I a fool to think there are any decent guys left in this world? Please give this 22-year-old maid some advice—Miss Fit

DEAR MISS: You sound like a first-class lady. You WILL meet Mr. Right one of these days—and when you do, you'll be awfully glad you waited. He's out there someplace—I promise. Let me know when he shows up.

North America is the world's most mobile continent. The United States is the leader with 1.6 people per vehicle; Canada, with 2.1 per vehicle, ranks second.

Of the 8,000 deaths by drowning in 1975, about 3,000 were related to swimming or playing in the water. The remaining 5,000 were non-swimming fatalities.

Open Letter to Dan Rather (author of "The Camera Never Blinks")

Dear Dan:
I am addressing you rather informally as you nearly missed being named in a suit to end a 28-year-marriage.

Last Sunday I was reading your book when my husband said, "How do you like the book?"

I told him I thought it was fascinating and he asked if you broached the subject of that infamous press conference when you arose to scattered applause and Mr. Nixon asked, "Are you running for something" and you replied, "No, Mr. President, are you?"

"I always felt that was an out-of-line retort," said my husband.

"You had to have been there," I said. "It wasn't the way it seemed at all."

"Knowing you, you probably got it screwed up anyway."

"What do you mean by a crack like that?"

"Exactly what you think I mean. You are always quoting statistics that when tallied up exceed 100 per cent."

"At least I know how I feel before a bumper sticker comes out on it."

"Unlike some people, I do not have time to read for pleasure. I am too busy cutting the lawn, moving the hose and cleaning the garage. If I had wanted to work Sunday's I'd have been a priest."

"And I suppose I do not work Sundays? This morning, I did a load of towels, got breakfast, went to church..."

"That's another thing. Why is it when we are supposed to give one another the kiss of peace, you kiss me on the lips, then turn to the people behind you and whisper, 'Who is this weirdo?'"

"Just a little humor. Can't you take a joke anymore?"

"Speaking of your mother, she wants you to call her."

"You know what I can't stand about? It's the way you smile when you argue. Why can't you snarl like everyone else? I read the other day where 69 per cent of the American people hate it when you smile, 35 per cent like it, and 13 per cent had no opinion."

"There you go again. That adds up to 117 per cent." He picked up the book. "Why does Dan Rather want to break up our marriage?"

"I don't know. I never figured him for a homewrecker."

I don't know your reason for doing this, Dan, but I know that Walter Cronkite would never make trouble!
