TUESDAYS—TWICE-A-WEEK—FRIDAYS

24TH YEAR, NO. 30

HEREFORD, DEAF SMITH COUNTY, TEXAS, FRIDAY, MAY 2, 1924

PRECINCT CONVENTIONS TO BE HELD SATURDAY, MAY 3, IN PRECINCTS ONE AND TWO

NUMBER ONE WILL MEET IN COUNTY COURTROOM AND NUMBER TWO IN THE DISTRICT COURTROOM, BOTH BEGINNING AT 2:30

SHALL DELEGATES BE INSTRUCTED?

That is Burning Question, With McAdoo Men Determined to Grab Texas Delegation for their Man and Opposition Equally Determined Against Such an Outcome

Precinct conventions for the purpose of selecting delegates to the county convention will be held by the Democrats of Deaf Smith county Saturday afternoon at 2:30 o'clock at the courthouse. County Chairman Travis Dameron has issued a call for meetings of Precincts Number One and Two at that hour. Number One to meet in the County courtroom and Number Two in the District courtroom.

Last week Mr. Dameron named precinct chairmen for all the county precincts and called a meeting for Monday afternoon at the courthouse. But as is usual in such cases, no interest was taken and no meeting held. Accordingly it is proposed to hold the conventions just the same for Precinct One and Two on Saturday, when chairmen and secretaries can be named by the voters, and the delegates to the county convention suitably and legally elected.

There is a lot of local interest this year in these meetings for the reason that there is a divided sentiment as to whether the Texas delegation to the New York national convention should go with positive instructions or uninstructed. There are McAdoo men in the state who are determined to corral the delegation for their man and likewise there are many who oppose this idea and will fight for their convictions on the floors of the precinct and county conventions so that delegates in sympathy with their views may be named.

The meetings Saturday afternoon promise to be live ones and full of fight, and every voter in the precincts is urged to be on hand and vote the way he feels about it.

Tent Show Here This Week Pleasing to Good Crowds

The G. Bert Davis company opened in their big tent on Main street Tuesday night with a full house. The play, "Which One Shall I Marry," was well liked and the Davis company is growing in popularity as the week goes on. Wednesday night they produced "The Devils Lane" and Thursday night "The Open Lane." Friday night "Why Wives Go Wrong" will be the big drawing card, and is considered by Mr. Davis to be their best production.

J. W. Houston's Alfalfa Very Prolific, is Report

J. W. Houston brought in a fair sample of just one stalk of Grim alfalfa Wednesday. The root measures about an inch at the top of the ground and from it springs about 130 stems measuring from a foot to eighteen inches long. Mr. Houston just finished watering his alfalfa the first time and expects to make the first cutting in two weeks.

Big Sing Song at Progressive School, May 11

The first big sing of the Deaf Smith county association will be held May 11, at Progressive School. Progressive is making big preparations for the coming convention and a feast of song, spiritual uplifting and a big basket dinner will take up the greater part of the day.

Progressive has been fortunate to secure the Vaughn quartet, directed by Virgil O. Stamps, bass singer, who is known throughout the southwest. For the occasion a large arbor will be erected, affording protection and comfort to all who may come. Considerable Hereford talent will aid in the program, and the president and secretary of the convention, Messdames Bob Higgins and C. C. Bowman, are doing everything to make the sing a success.

Only Grand Jury Will Work Next Week, Says Judge

District Court is scheduled to open here next Monday, May 5, but beyond empanelling a grand jury Monday nothing else will be attempted for the week. Judge Tatum has a special case to try at Dalhart Tuesday and has decided to start the Deaf Smith county grand jury to work Monday and then return home, reopening here on the following Monday. He has instructed Sheriff Purcell to finally discharge the petit jurymen for next week.

The men from whom the grand jury will be selected Monday are announced as follows: O. J. Beene, J. O. Robinson, A. T. Frye, V. T. Glenn, W. G. Slagle, W. C. Russell, G. B. Combs, W. R. Higgins, J. T. Gilbreath, H. G. Conkwright, J. W. Houston, F. A. Gyles, W. A. Daugherty, J. H. Pitman and J. O. Newell.

The petit jurors excused for next week are: W. A. Miller, J. W. Clark, W. G. Harris, C. R. Walker, Henry Tiefel, John Patton, C. C. Acker, L. W. Hough, A. C. Pierce, J. S. Orr, A. A. Foster, John Whitaett, Troy Womble, C. A. Skelton, I. A. Cochell, C. R. Tubb, H. D. Reed, Chas. Hodges, F. A. Millard, E. S. Ireland, W. H. Engle, H. M. Beach, C. C. Cox, C. L. Savage, O. G. Hill, H. C. Bowsher, A. S. Higgins, W. O. Fox, L. H. Spratt, C. R. Waiser, C. C. Ferguson, R. W. Carroll, J. K. Gray, Will Adkisson, Jas. R. Higgins, E. B. Harris.

Miss Hicks is Praised But Loses in Debate

Waco, Texas, April 30—Miss Emmie Bittner of Schulenburg, Texas, and Miss Mary Hicks of Hereford, Texas, Baylor University girls debating representatives, were defeated by a girls team from S. M. U., Dallas, here Tuesday night. The Dallas girls were awarded the unanimous decision of the judges. The debate took place in Baylor University chapel. The Dallas girls defended the negative side and the Baylor girls the affirmative side of the question, "Resolved, That the Congress of the United States Should Be Given Power to Override a Decision of the Supreme Court as to the Constitutionality of an act of Congress in a Case Where Fewer Than two-thirds of the court concur in the decision, and only in such cases."

The Baylor girls were splendid at delivery, but the Dallas girls scored more points. It was the first time Methodist and Baptist girls have debated at Baylor.

Mayor Knight Issues Proclamation Setting Week of May 5 as Cleanup Period for Hereford

To the People of Hereford:

It is the custom of all good house-keepers to have an annual spring cleaning and it has also been the custom of Hereford to clean up once a year, at least.

I therefore designate the week beginning with Monday, May 5, as a general clean-up week for the City and community, and I suggest and request that the people of the City and community co-operate in cleaning up their premises and the adjacent streets and alleys and vacant lots during that week.

If the people will co-operate and work together much better results can be obtained. To this end I suggest that the people in each block organize and select some certain day in the week when all the alleys and adjacent streets in the block will be cleaned up.

All combustible trash and refuse should be burned. Ashes and cinders should be scattered in the low places. Tin cans and other non-combustible refuse, except ashes and cinders, in the residence part of town will be hauled away by the City, if placed in piles in the alleys accessible for teams and trucks. Don't expect the trash collector to climb fences to get waste material from the inside of your premises.

The right clean-up spirit and united efforts will give the City a cleaner and more attractive appearance and put it in a better sanitary condition than ever before.

Let's all talk to our neighbors about making this effort. Let's be the cleanest and most attractive town on the Plains.

W. M. KNIGHT, Mayor.

Chautauqua Meeting Next Monday for Start of Drive

Final arrangements for the ticket drive for the Chautauqua, which opens here May 24, will be made at a meeting of all those interested on next Monday. Representatives of the Chautauqua have been here most of this week conferring with the local committee and arranging preliminaries. It is understood that Miss Jessie Sisk's Girl Scouts will again volunteer their aid in selling the tickets.

Mrs. H. C. Gooch of Amarillo Guest Here for Week

Mrs. H. C. Gooch of Amarillo returned home Friday after spending the week visiting friends here. Mrs. P. W. Price and Mrs. Seth B. Holman. Mrs. Gooch was honored with a number of informal social affairs while here. Thursday night Mrs. C. B. Williams had Mrs. Gooch as guest of honor at a beautifully appointed dinner. Mrs. Williams was assisted by Miss Bess Hopkins. A course dinner was served. Those present were Misses Alice Johnson, Grace Skelton, Mattie Swisher, and Mesdames Gooch, Price and Holman.

Business Houses Set Example By Laying Sidewalks

A badly needed civic improvement this week is the laying of additional sidewalk in front of the places of business of the Williams Bros. Grocery and the City Drug Store.

There has been an unpaved gap in these sidewalks for years, ever since the pavement was put down in fact, when the original walks were widened. Since that time unpaved strips have been left between the old walks and the curbing in several spots on Main street.

It is hoped that the example set by these enterprising business concerns will be a hint to other property owners and that the day is not far off when all walks on Main street at least will be paved all the way out to the curb.

Dr. H. D. Rucker, Former Citizen, Died in Hospital

Information was received here early Friday morning that Dr. H. D. Rucker of Amarillo had passed away Thursday evening in a sanitarium at Rochester, Minn., where he has been for some time. Dr. Rucker was a former land owner of Deaf Smith county and leaves many friends in this vicinity who will regret to hear of his passing.

Local Golfers to Compete at Amarillo on Sunday

Members of the Hereford Golf Club are planning a big day next Sunday when all who can get away have been invited to go to Amarillo and play a round over the links of the Hill Crest Golf Club. At 1:00 p. m. a picked team of eight of the Hereford players will meet an equal number of Amarillo men in a contest.

The invitation from Amarillo was issued the first of the week and accepted at once. All members of the Hereford Golf Club who care to go are asked to assemble, with their cars, in front of the postoffice Sunday morning, ready to leave here at 8:30 sharp, so that there will be time enough after arrival at Amarillo to play a round before dinner and familiarize the men with the Amarillo course before the big match in the afternoon.

The Hereford players have had practically no experience on any other course than their own, and are entering the match with no illusions as to their chance of winning, but will do the best they can and anticipate a day of wholesome pleasure and instruction.

The presidents of the three locals, banks and officers of the Hereford Chamber of Commerce held a meeting Friday morning to confer with A. S. Stinnett and C. B. Pash of Amarillo concerning a proposition of joining with Amarillo, and other Panhandle towns in a united effort to develop a gigantic plant for generating and distributing electric current from the Amarillo gas field.

A big company in the East is interested in the project and it is the plan of the promoters to work up extensive data and briefs showing the possible consumers of electric current for all purposes in the territory to be served.

Messrs. Stinnett and Pash have been here on the proposition before and work is now well advanced. The vast possibilities of the Amarillo gas field, hooked up with Hereford's vast natural resources, were forcibly and ably presented by the two gentlemen Friday, and the project was endorsed by the meeting and Hereford will take her place in the ranks of those progressive Panhandle towns that are determined to do something along real development lines within the next few months.

Senior Play "An Early Bird" Makes Big Hit

Splendid crowds witnessed the performance of the Senior play "An Early Bird," at the Star Theatre Wednesday and Thursday nights. The cast was well drilled, the plot was funny and catchy, and the students showed a well-drilled smoothness that was very creditable.

Young Daughter Mr. and Mrs. B. F. Fulkerson Dies

Mary Frances, daughter of Mr. and Mrs. B. F. Fulkerson, passed away early Wednesday morning, April 30. She was twelve years, seven months and fifteen days old at the time of her death. Miss Fulkerson, at the time of her last illness, was a student at the Canyon West Texas Teachers College, and was immediately brought to Hereford for an operation. The funeral services were held at the Methodist church and interment at the City Cemetery Wednesday afternoon, April 30, Rev. W. P. Garvin officiating.

The school mates who attended the funeral were: Henry Johnson, Herman Heath, Grenville Corzin, Hatcher Brown, John Root, George Heath, Wayne Williams, Melvin Tucker, Marion Downing, Elmer Hardin, Henry Higgins, Leona Roffe, Margaret Griffin, Evelyn Shanklin, Ethel Bonland, Bessie Thomas, Owayne Price, Fanita Coleman, Lois Thomas, Aileen Swafford, Louise Meyer, Mr. and Mrs. Savage, Mrs. Scott (college nurse), Mrs. Coleman, Marie Gardner, Mrs. Montfort, eighth grade teacher.

A Real Surprise Party At Tice Home Sunday

Last Sunday, April 27, a large crowd gathered at the home of C. E. Tice in honor of Walter Tice's birthday. When the noon hour came they all marched into the dining room and found that the table was loaded with all kinds of good eats. The afternoon was spent in enjoying music and other entertainments. Those present were: Misses Hazelale, Mr. and Mrs. E. H. Jacobs and family, Mr. and Mrs. Guy Hamm, and family, Mr. and Mrs. L. E. Boyd, and family, Mr. and Mrs. Lee Hill and son Travis, Mr. and Mrs. S. P. Edwards, Mr. and Mrs. F. A. Bone and little daughter, Mr. and Mrs. George Castle, Mr. and Mrs. E. E. Rogers, Mr. and Mrs. J. W. Henry and family, Messrs. Huston Stroud, Ray Smith, Boyd and Malcolm Castle, Glen and Loyd Smith, Mr. and Mrs. Ernest Betts and family, Mr. and Mrs. John Gaetz and family, Mr. George Mosley and Mother, Miss Bessie Beaton, Mr. and Mrs. J. RADIO HINTS

It will be static season in two weeks. Put a lightning arrester on your aerial. Remember, lightning is NOT attracted by an aerial. The arrester is to discharge any excessive electrical charge accumulated in the atmosphere to its shortest path, which is the ground.

Your plain variable condenser can be made into a vernier type by adding a small vernier control, sold by all radio dealers.

You cannot get too expensive or good a rheostat, or a grid. The best is far the cheapest.

If your antenna is stretched across a city apartment house roof,

and the roof has a tin covering, or if water pipes or water drains pass under the antenna, your antenna is only as distant from the ground as the tin roof, the water pipes or the water runways.

Hurry will never get you anywhere. Therefore, when you hook up a radio set, take your time and do it very carefully and slowly. Guard particularly against the plates in your condenser touching each other.

If you suffer from body interference when your fingers touch the knobs on the panel, place a shield of tin-foil or thin copper directly behind the knobs on the

inside of the panel and ground them by soldering them to the ground wire. Shields can be held to the panel by shellac.

The bugaboo of soldering has brought about another device for making quick and sure connections. It is a small semi-circle of brass, which will make a firm and instant connection for as many as six wires. This is specially valuable when you find it necessary to reverse wires to get the best out of a set. The new brass clip is being sold everywhere.

FRIO-EASTER ITEMS

On Tuesday of last week an election was held at Easter school house for the purpose of voting bonds to erect a new school building. The votes cast were eleven in favor of bonding the District. Although this raises our school tax some, we feel that we shall be repaid by what it will do for our children and community as a whole.

Mr. and Mrs. K. Hunter and family visited Sunday in the home of Mr. and Mrs. M. Simpson of Jumbo.

Mr. and Mrs. I. Woolery motored to Tulla Sunday to visit relatives.

Miss Lily Mae Allen and Miss S. T. Fields visited Tuesday night of last week in the Frye home.

Mrs. Bob Knox, Mrs. M. Mobley, Mrs. W. J. Sullivan, Ina Sullivan and Mrs. Carl Frye and children visited Mrs. Henry Allman one day last week.

Mr. and Mrs. E. T. Green were Sunday guests of Mr. and Mrs. Bob Knox.

Mr. and Mrs. Jim Bagwell of Bethel spent Saturday night with Mr. and Mrs. Henry Allman and attended the play at Frio.

Miss Maurine Sullinger visited Saturday night and Sunday with Miss Grace Woolery.

Misses Lottie and Della Stagner, Owen Stagner, Mrs. J. B. Harlan and children visited Monday and Tuesday with Mr. and Mrs. G. Owens of West-Way community.

Mr. and Mrs. Percy Estes visited Saturday in the home of Mrs. Estes' mother, Mrs. Greer, of Hereford. Mr. Joe Greer and little daughter of Lockney were also guests in the Greer home.

Mr. and Mrs. Lem Carlyle of Hereford visited in the K. Hunter home on Saturday night and attended the play at Frio.

"Aaron Slick of Pukin' Creek" was played to a crowded house at Frio Saturday night. Although put on by home talent, it seemed to please the audience throughout the three acts.

The characters were: Verle Sullivan Wilbur Merridew (his niece) Lily Mae Allen Clarence Green Sam Hunter Sis Riggs (a regular tom boy)

Anne Hart Owen Stagner Mrs. Rosy Berry (a lone widow)

Mrs. Carl Frye The Girl in Red Mrs. Verle Sullivan Guest, Mrs. Bob Knox, Percy Estes and Bob Knox.

Next Sunday night the two schools of these communities will render a program at Frio. Miss Allen and Miss Hart have been working hard for the last two weeks in getting up this program and we are sure it will be enjoyed by all. This will be the close of the two schools. We are glad to know that Miss Allen will be with us during the summer, and regret very much that Miss Hart will depart from our midst to spend her vacation with her parents near Kress.

Mrs. Mayes Miller, who has been sick the past week, is showing some improvement.

SIMS SCHOOL HOUSE

"Remember the Sabbath day and keep it Holy."

We had a fine April shower last Saturday night which helped everything—but we need a good rain.

This Great West is too fine a country to remain as it was "long ago or as one of the use to be's." People are finding it out and coming every year.

In a short time the prairies will be dotted with houses and farms.

John Skeggs and wife transacted business in Adrian Monday.

Miss Ella Whitten was on the sick list Sunday. Glad to report her able to be in school.

Only four more days of school, teachers and pupils too, will be glad to have a rest.

Mrs. John Rector was in Adrian Sunday.

Victor Links was in Adrian Monday. John Rector went to Adrian and Vega Monday.

Jeff Reed left Tuesday for Austin, to attend the Interscholastic League meet, as Senior Rural boy Declaimer representative from this district.

Temple Lynch and several Rall H hands are moving cattle from near Endee, N. Mex., to the Rall H ranch. They will dip their cattle soon.

J. M. Chapman and family spent last Sunday in the canyons getting evergreens to set out around their home. Professor Howard and wife accompanied the mas sight seers.

"More People—More Farms" ALL OUT OF SORTS? So Was This Hereford Woman Who Tells Her Experience

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Hereford case is one of many:

Mrs. F. A. Millard, Hereford, says: "My kidneys were in a weakened condition and acted too freely. I had a dull ache across the small of my back. Headaches and dizzy spells also bothered me a great deal. I took Doan's Pills

for the trouble and they brought me relief. I continued with Doan's and they cured me!"

How to Avoid Grade Crossing Accidents

Automobile drivers, when approaching railroad crossings, should go into second speed. Then look and listen. Absolute control thus is assured. Stop or go ahead, as conditions warrant.

During 1923 one hundred and three persons were killed and four hundred seventy-four injured at highway crossings on the Santa Fe Railway.

These regrettable accidents might have been avoided if these motorists had been careful.

The rapid increase in these grade-crossing accidents is due to the greatly increased and general use of the automobile in the hands of drivers ignorant or willfully disregardful of the perils which attend careless driving. Sometimes it is the careless driver alone who pays the penalty, but usually innocent ones pay it in part or entirely.

Automobiles should be safer at railroad crossings than horses, because they

You are urged to give this "Safety First" suggestion most earnest consideration. Better be safe than sorry.

do not become frightened and are better controlled; but the opposite seems to be the case. An experienced driver of horses describes the proper method of approaching a railroad crossing as follows: "Gather up the reins tight, take out the whip, and bring the horses to a walk." An experienced automobilist advises: "Always go into second speed."

The method is precisely the same in either case. The driver has absolute control, can stop or go ahead as conditions demand, and is alert to the situation.

If all drivers would but adopt this simple rule and adhere to it faithfully the problem would be solved. What a saving there would be of priceless human life, of grief untold, ambitions wrecked, and hopes lost forever!

How to Test Your Cottonseed

If you have a warm room in which test may be made, a simple device may be made by placing a piece of blotting paper on a pie plate, placing 100 seeds upon it, cover with another piece of blotting paper, moisten, turn another pie plate over the one containing the blotters and keep in room at 70 degrees or above for 5 or six days. Moistened blotters occasionally and at the end of the sixth day count out seeds which failed to germinate.

and Mary Belle Atchley Thursday. A good program was rendered and most of all of the members were present.

A social hour was enjoyed after the program, and refreshments consisting of cake, fruit and whipped cream were served and enjoyed by all.

Mrs. Lawrence Johnson and her sister Mrs. Englund were visitors, with us. The next meeting is Thursday evening, May 8, with Mrs. Cas Lance.

Ray Robinson, wife and little son of Helena, Okla., arrived here Sunday noon. They drove through in their wagon, making the trip in fifteen days. Ray will tend his mother's farm this year.

A splendid crowd greeted the visitors and speakers at the workers' conference here Tuesday. There were representatives here from Hereford, Frio, Dimmitt and Borino, and Bro. Scranton, a field worker with headquarters at Plainview was here and brought a great message at the 11:30 period on the program; also Bro. Hall of Tennessee and Bro. Rankin of Petersburg, who gave some great thoughts on topics presented on the program. A number of the speakers assigned on topics failed to get here and we were very much disappointed. Lunch was spread at the church and all enjoyed it to the fullest and there was plenty left for those who didn't come.

Miss Estelle Slaton and Miss Beard attended church and Sunday school here Sunday.

WEST-WAY ITEMS

West-Way is on the map, eight miles west of Hereford on the Harrison Boulevard.

We have Sunday school every Sunday and preaching three times a month. Rev. Garvin preaches First Sunday, Rev. Merrill the Second and Rev. Hill the Third.

Miss Estelle Slaton spent the week end with friends at Summerfield.

The Parent-Teacher Association took their play, "An Old Fashioned Mother" to Summerfield last Friday night and played to a large and appreciative audience.

The friends of Mr. Wilder gathered at his home last Sunday, with well filled baskets, it being his birthday. After all the good things were eaten up, we all went to Sunday school.

Quite a number from Hereford were present at our Sunday school on last Sunday.

A New De Laval will stop such WASTE

separator lost 20 lbs. fat last month; another losing 35 lbs. fat was replaced with a new one. One of many similar items from cow tester reports—

At 40c. per lb. for butter-fat, one separator lost \$8.00 and the other \$14.00 in just one month. On hundreds of thousands of farms cream is being lost like this because of inferior or worn-out cream separators. Stop this robbery by getting a new De Laval Cream Separator. It will soon pay for itself.

Reports from cow testers, who test skim-milk from separators, and who reach over 6000 dairy farms, show an overwhelming preference for De Laval because of cleaner skimming and longer life. A De Laval will skim closer and do it for 20 or more years with proper care—that's why there are over 2,500,000 De Laval in use, why most creameries use them and why they have won over 1000 grand prizes.
