

AROUND A Town

Sights and Faces Seen

Margaret Higgins, who attended Texas Tech last year, is now holding down a two-way job--working part time at the Hereford Insurance Co. and part time at the old age assistance office.

After this, we won't be surprised by anything less than a banana tree bearing banana splits. Mrs. Ed Dziuk, who lives two miles south of Hereford on the Dimmitt Highway, has been reading about the unusual garden produce grown in Hereford and has added her own contribution. She has some bluebonnets in bloom now, and a fig tree which actually bore figs last year.

This E. Ramey is wasting his time as a rural letter carrier; he ought to have gone into the selling business long ago--or at least that is what is indicated by his bond sales record in this drive. Mr. Ramey sold \$1,406.25 in bonds (cash value) this week, which brings his total for the month to \$5,587.50. This is cash value bond sales. Mr. Ramey points out, and does not include stamp sales. Bond Salesman Ramey appreciates the help given him by patrons on his route and asks that all rural route customers buy their bonds from the carriers, who are eager to serve as bond salesmen.

Mrs. R. R. Shuck of Bellview, N. M., was in the Brand office yesterday to pick up a letter from her nephew, T. Sgt. Claude W. Shaffer, from which The Brand got a story a couple of weeks ago. Mrs. Shuck has this to add to her nephew's story. When he joined the Army Air Forces he promised the family a "Christmas card from Tokyo," and after going from Greenland, to England, to Africa, to India, Shaffer just might be able to keep that Christmas card date--at least he is going in the right direction.

There have been lots of rumors circulating around town about a new beauty parlor, but Marvin Boyd, manager at Furr Food, is not waiting for the rumor to materialize. He does his own hair dressing work--and is taking a terrible ribbing from of the spotty quality of his the bunch at the store because "henna rinse."

Apply Now for Non-Highway Gas Needs

All farmers requiring gas for non-highway use will be required to make applications in advance. It was announced this week at the office of County Agent A. R. Bateman.

Farmers may stop by the county agent's office and fill out application forms there, and the county transportation committee, which meets each Saturday afternoon at 1:30 o'clock, will take action on the applications at the first possible meeting.

Farmers should apply immediately for their last-quarter needs for non-highway gas.

Notice to All Prospective War Bond Purchasers

The government wants everyone who is able to buy War Bonds to do so. The quota for Deaf Smith County is \$490,000, about one-half of which has been raised.

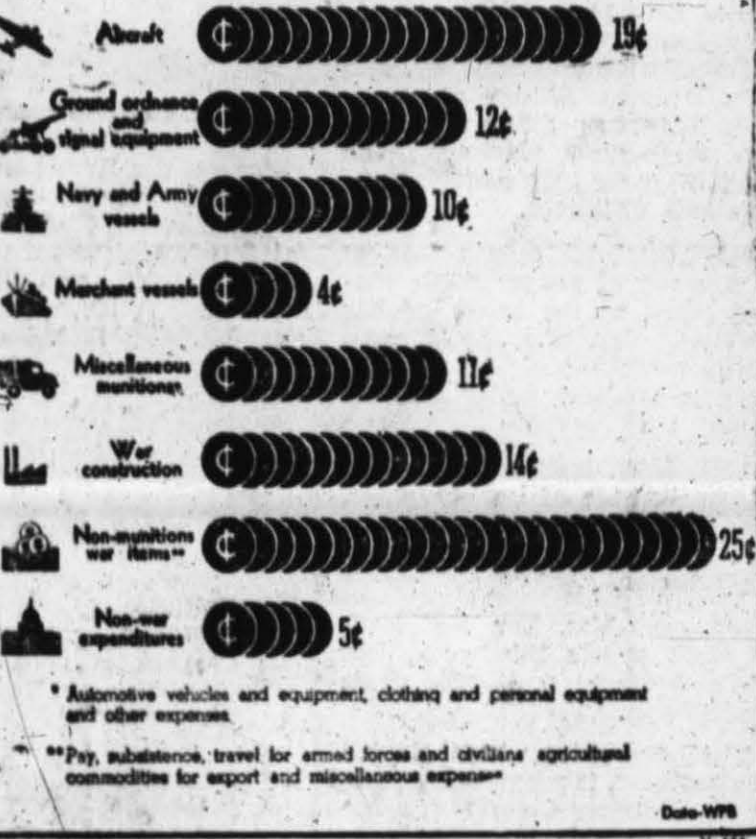

If you have not bought your share of bonds, you should do so at an early date, as the committee would very much prefer that it not be necessary to bring pressure to bear on anyone who should buy bonds.

It is equally important that no one be unjustly accused.

Cash and Food Gifts Needed by Cafeteria

One hundred and sixty children ate at the Central School Cafeteria Tuesday, and with the service getting off to a good start, sponsors state that food and cash donations are needed to keep up cafeteria supplies and to insure that meals will continue to be offered at a minimum cost.

Donations which would be appreciated include cull potatoes and any vegetables of which farmers and gardeners may have a surplus. Some donations of meat have already been received and the cafeteria has a locker at the Hereford cold storage, where any donations of meat may be left.

"Hereford people have always been generous in their support of the Central School Cafeteria," sponsors declare. "And we feel sure that they will again help the project at this time."

Ration Board Office Hours Are Changed

Office hours at the Ration Board office will hereafter be from 9:30 to 5 o'clock each weekday, it was announced today.

The new office hours apply to both the tire and food panel and to the gasoline rationing office, and persons having business with the board are asked to observe the new hours.

Football Schedule Is Revised at Dist. Meet

Some revisions of the Whiteface football schedule were made Monday night when representatives from District 1-A met in Hereford. Changes were caused by the definite decision of Dalhart not to play football this year, and other teams in the district were forced to make some changes in dates.

Representatives from Dumas, Friona and Dimmitt met with Hereford representatives. The Tulsa superintendent and coach were unable to attend the meeting.

The revised schedule is as follows:

SEPT. 24--Olton, there.

OCT. 1--Dumas, there.

OCT. 8--White Deer, here.

OCT. 15--Friona, there.

OCT. 22--Dimmitt, there.

OCT. 29--Open date.

NOV. 5--Tulsa, here.

Trimbles Have 4 Sons in Service

With the induction this week of Eugene Trimble of Casper, Wyo., the Jess Trimble family of Hereford holds a unique distinction.

Mr. and Mrs. Trimble have four sons, all in the armed service of this country--and their choice of service branches covers a wide range. Eugene Trimble went into the Marines; Tech Sgt. Earl Trimble and Lt. Sanky Trimble are in the Army, while Si-c Larry Trimble serves in the Navy. In addition, Mr. Trimble is employed at the Prisoner of War Camp at Hereford, and Mrs. Trimble was employed there until recently.

Hereford Herd Meets Olton in Gridiron Tilt

Out to recover from their first-game defeat at the hands of Panhandle, the Hereford Whitefaces journey to Olton tomorrow night to practice some of the lessons learned the hard way in last week's game.

"And Olton is tough," emphasizes Coach H. V. Stanton, pointing out that Olton has defeated Dimmitt 13-7 and Dimmitt is reputed to have a good team this year.

Olton, defeated in an early season game by the 1942 Whitefaces, will be out to avenge the defeat, and the Olton boys were no pushovers last year, Coach Stanton comments. "They have a fullback who is a big, fast boy and their center is rough on defense," the coach adds.

Whiteface time this week has been spent mostly in improving the blocking, which looked ragged last Friday night, and in making some shifts which may (Continued on Page 12)

New Washer Installed At Olson Station

That a new Champion pressure car washer has just been installed at Olson Service Station, was this week announced by John Olson.

In making the announcement, Mr. Olson said that the new machine affords 300 pounds pressure by multiplying the city water pressure. "This allows us to give faster and better cleaning on cars and tractors," he pointed out, "but does no harm to paint finishes. We are glad for any interested persons to visit us and see this new equipment in operation."

Care Urged in Re-Use of Season-Old Anti-Freeze Solutions This Winter

Owners and operators of all types of motor vehicles who plan to use anti-freeze saved over from last winter are urged by the Office of Defense Transportation to have the liquid tested before putting it into the radiator.

In testing the anti-freeze it should be made certain that it is not of a harmful oil or salt (corrosive) type; that its anti-freeze strength is not impaired and that it contains sufficient acid and rust inhibitor.

In fact, according to ODT maintenance men, anti-freezes of the salt or oil type should not be used at all, and if they have been saved over from last winter they should be discarded.

With the addition of acid and rust inhibitor as needed, permanent type anti-freeze (the ethylene-glycol type) can be re-used safely as long as it has the required strength to withstand cold temperatures. This type anti-freeze can be easily tested with a standard tester and if found weak in anti-freeze, ethylene-glycol should be added to

Wilson Killed In Action On June 13 Raid

Lt. Wendell Kermit Wilson, 27, reported as missing since he participated in a bombing mission over Kiel, Germany, was killed in action on June 13, according to a message from the International Red Cross received yesterday by S. O. Wilson, Lieutenant Wilson's father.

After the original message received the latter part of June, no word had been heard from Wilson except a letter from his commanding officer, reporting that his plane was seen to "make a controlled landing" somewhere in Germany. After that, it was hoped that Lieutenant Wilson might have escaped through the occupied countries back to an Allied base. The message received here yesterday had no further details than the bare announcement that the Hereford man was listed on official records as killed.

A Popular Student
Well-known and well-liked in Hereford, Lieutenant Wilson had attended the Hereford Schools, graduating from Hereford High School in 1934 after serving as president of his class from the sophomore through the (Continued on Page 12)

Presbyterians Drive to Wipe Out Church Debt

Stating that a campaign is now in progress to liquidate the debt on the Presbyterian church property, Rev. James Aiken, Jr., Presbyterian pastor, stated this week that officers of the church hope to have all indebtedness removed this year.

A committee composed of D. H. Alexander, Ralph Hastings, A. J. Schroeter, Frank Gyles and Will S. Kerr has been appointed to canvass the membership of the church and work in contacting members is going forward rapidly this week.

Funeral Rites For J. H. Spratt Held On Monday

Funeral services for James Harold Spratt, 39 years old, who died suddenly Saturday in Corpus Christi, following a long illness, were held at the First Methodist Church in Hereford Monday afternoon. He was a son of Mrs. I. H. Spratt, of Hereford and came here with the family in 1909.

Mr. Spratt attended the Hereford schools and graduated from Hereford High School in 1923. He attended Draughon's Business College and had been employed by the Santa Fe Railroad and by the E. W. Marland Oil Company before going to work for the Continental Oil Company, with which he had been associated for several years. He had worked in Conoco agencies at Big Spring and Basile, La., and was district manager at Corpus Christi at the time of his death.

Well known in Hereford, Mr. Spratt had made regular visits here in the home of his mother and had kept up many old-time friendships.

New T Ration Books to Be Mailed from Office

Holders of all types of T gas ration stickers will receive their renewed books just as soon as the force at the gas ration office can get the new books in the mail.

"We hope to have all books mailed out by Oct. 1," employees said this week, pointing out that farmers and truckers need not come by the office before that date to make applications or to inquire concerning renewals.

C. of C. Questionnaire To Be Returned By September 27th

That all Chamber of Commerce Questionnaires mailed to members must be returned by Monday, Sept. 27, was today announced by Harold A. Close, president.

"It is very important that the sheets be checked and returned immediately," Mr. Close pointed out. "If the people do not think enough of the organization to do this much, it would be better to fold up and quit."

Sixty-four questionnaires had been returned today out of a possible 124, Mr. Close said.

A sample of the questionnaire is being published in The Brand this week and all residents are also urged to check and mail or send to Mr. Close. Non-resident land owners were invited to fill out this form along with local residents.

Former Resident Dies At Home in Oregon

P. C. Short, a former resident of the Hereford territory and for many years proprietor of the Westway Store, died last Wednesday, Sept. 15, in Hermiston, Ore., where he had made his home for several years.

Two nieces of Mr. Short, Mrs. John R. McDonald and Miss Mary Martin, live in Hereford.

Hereford Boy Seriously Wounded in Pacific Area

Pvt. Quince Williams, son of Mr. and Mrs. L. M. Williams, who live southwest of Hereford in the Messenger community, was reported last week by the War Department as being seriously wounded. Pvt. Williams is in a medical detachment attached to an infantry unit which has been in action in the South Pacific area.

No details on the condition of Pvt. Williams were received by his parents.

The Williams have another son, Sgt. Vernon Williams, who is stationed somewhere in England in a Air Force unit.

Bond sales this morning had reached a total of \$249,536.22, and there is \$240,769.78 to go to reach the county's \$490,000 goal; and with just ten more days remaining in the drive, Deaf Smith County citizens are faced with the task of buying \$24,076.97 in bonds every day for the rest of September.

"We are not saying this is an easy job," says Bond Sales Chairman J. C. Ricketts, "But it is certainly insignificant compared with the sacrifices which have been made by some of the young men from our county."

Farmers and Ranchers To Get Ammunition

Restrictions on the purchase of ammunition have been lifted slightly, according to an announcement made this week by the Deaf Smith County USDA War Board. Under the new program approximately 100 million shotgun shells, 12 million center-fire rifle cartridges and 100 million .22 caliber rim-fire cartridges will be made available to farmers over the nation.

Farmers and ranchers will be able to purchase, during any calendar quarter, 100 rounds of .22 caliber long rifle cartridges or other rim fire cartridges, 40 rounds of center fire cartridges, such as .30-30 caliber, and 25 rounds of any gauge shotgun shells. Farmers and ranchers who need ammunition should execute certificate No. 4 of WPB Order L-286. The certificate may be obtained from any sporting goods dealer. Farmers needing a larger amount of ammunition than can be secured by using certificate No. 4, may purchase a special quota (50 rounds of .22 long rifle cartridges, 30 center-fire rifle cartridges and 25 shotgun shells) by using certificate No. 5, provided they secure the amounts prior to Oct. 1 or their written orders are in the hands of the dealer by that date.

If the farmer needs a still larger amount of ammunition, he may apply to the Government Division, War Production Board, Washington, D. C., using Form PD-860.

As pointed out by bond sales committee heads, "The American people now have an opportunity to answer the call to match the performance of our fighting men by sending them the supplies they need to finish the job--sooner."

Wagnon Rites Held Tuesday

Funeral services were held at the Church of Christ Tuesday afternoon for Mrs. Mary H. Wagnon, 84 years old, who died at her home here Sunday.

Mrs. Wagnon, who was born in Arkansas, had lived in Hereford a number of years and was active in church work until failing health made such activities impossible.

She is survived by five daughters, Mrs. W. A. Johnson, Miss Lexie Wagnon and Mrs. Ann Daugherty, all of Hereford; Mrs. B. E. Brown and Mrs. Myrtle Ford, both of California, and one son, Jim H. Wagnon of Hereford.

B. E. Brumley and Lloyd Otton will be auctioneers, E. C. Eubanks clerk. Trustees for the estate are C. C. Acker and F. E. Givan.

Finlan Ships First Car Load of Summer Squash

Owen Finlan shipped out Hereford's first full car load of summer squash on Tuesday, Sept. 21, and according to present prospects expects to gather from two to three carloads a week from his 25-acre field as long as the producing season continues.

The Finlan farm is one and one-half miles south of Hereford.

Western National Has Farm Auction Sale

Featuring a large offering of farm equipment, livestock, hogs and miscellaneous items, trustees for the old Western National Bank today announced that an auction will be held on the farm located just across from Joel Switch on Highway 60 next Thursday, Sept. 30.

The sale was listed as a "Going out of business Auction," and points out that many of the items to be included cannot be replaced today. J. O. Miller and several other individuals have also consigned items in the

Actually, though Deaf Smith County citizens have bought approximately a quarter million dollars worth of bonds since the beginning of the drive, bank deposits in the two banks in the county show an increase since the first of September. Total deposits are \$108,388 more than they were on Sept. 1, according to a check made with Hereford banks yesterday.

The figures quoted above should be an answer to Deaf Smith Countians who are asking, "Where's the money coming from?" For the phenomena noted in Hereford is not unusual, as the Treasury Department states that idle banking deposits over the nation are rising at a rate of four billion dollars every quarter--and part of this idle banking money is needed, and desperately to get in the fight and be converted, today, into invasion dollars.

Admittedly, the drive is lagging a little in Deaf Smith County. The first big burst of enthusiasm is over, and though the war loan drive is progressing, "according to plan" it is going to take more enthusiasm, more spirit of sacrifice to get all the idle dollars--and maybe some active ones converted--into war bonds.

As pointed out by bond sales committee heads, "The American people now have an opportunity to answer the call to match the performance of our fighting men by sending them the supplies they need to finish the job--sooner."

Saw Two Planes Crash

Lt. George T. Jones, son of Mr. and Mrs. A. T. Jones of Frio, saw two planes in his formation crash over the Gulf of Mexico. Jones, who was piloting the third plane in the formation, was unscathed, but reports the experience as unnerving. He is stationed at Alexandria, La.

Joins Cadet Reserve

James Murphy White, son of Mr. and Mrs. J. M. White of Dawn, joined the aviation cadet enlisted reserve of the Army Air Forces at Amarillo Field last week.

Col. John K. Gowen, Jr., executive officer of Amarillo Field, presented White with a pair of blue and silver wings, identifying him as a future aviation cadet, a status which he will hold until he reaches the age of 18 and is called to active duty and sent to a basic training center to receive 28 days of foot soldier training. He will then be sent to one of the over 100 colleges and universities in the United States which have undertaken the academic training of aviation cadets for the Army Air Forces. After five months of college work he will begin his flying training.

White graduated last year from West Texas High School at Canyon, where he lettered in football and basketball.

Sends Unusual Clipping
Lt. Chilton M. Foster, now stationed with the 8th Army Air Force Command, somewhere in England, in a recent letter to his parents, Mr. and Mrs. A. A. Foster, now residing in Lubbock, inclosed a clipping from one of the papers printed over-seas for our service men showing a picture of B26 Marauders flying through a flak field on their way to attack German air bases at Omer-Rouge, France. One of the planes shown in the picture happened to be one that he co-pilots, and he and his crew have

named it "Murder, Incorporated."

On the reverse side of the picture is an article pertaining to the discovery of a flour which makes humans immune to dental decay. The article goes on to say that the discovery is a result of an investigation made in Deaf Smith County, Texas, where dental decay is almost non-existent. The fact that Chilton was born and raised in Deaf Smith County, Texas, where all this tooth decay publicity started, and the picture showing one of the planes he flies, makes the clipping an unusually interesting one to his parents and other relatives. That he still maintains an interest in Hereford and Deaf Smith County is evident, as he asks that The Brand be sent him each week.

Holman in Pacific

Pvt. James Holman, son of Mr. and Mrs. E. H. Holman of Hereford, has been in the Army a year, and reports that time passes a lot faster after a soldier is shipped from the States. Holman is somewhere in the Pacific and asks that The Brand be sent to him.

Posey On Furlough

Pvt. J. M. Posey, USMC, arrived in Hereford Sunday for a brief furlough with his family and friends here. J. M. has just completed Marine boot training.

Sailor On Furlough

Seaman 1st Class Joe L. Hamilton is spending a furlough with his parents, Mr. and Mrs. Homer Hamilton, after his return from ten months duty in the South Pacific. Hamilton says that he has seen plenty of action, but censorship rules forbid any detailed description. He will be here until Sept. 26.

Has Censorship Troubles

Lt. Lynnwood Hallum, son of Mrs. F. S. Smith is having troubles with the censor, according to letters received by Mrs. Smith this week. Lynn mentions the difficulty of finding any uncensorable topic for a letter—and he evidently did not find one, because his letters have some blacked-out spots.

Hallum has been in Australia but is now back at his South Pacific base, where he found his tent in a pretty decrepit condition. However, he reports that he is settled down again, and that "the weather has cleared up right for us to go on the rampage again."

MRS. D. E. MCKENDREE

The 1938 Woman's Study Club opened their year's work with a tea given in the home of the president, Mrs. C. C. Wimberley on Wednesday afternoon. Bowls of orchid petunias and silver king decorated the rooms. Music by Mrs. E. L. Krahn added charm to the occasion. Presentation of the year books by Mrs. Claude Morris was made in a clever and interesting manner. The course of Study for the year will be, "The American Home." Those attending were Mrs. Everett Krahn, Mrs. Paul Arthur, Mrs. Iva Houseman, Mrs. Fred Cotton, Mrs. Robert Armitage, Mrs. Raymond Thompson, Mrs. Joel T. Shelton and Mrs. O. H. Loyd, honorary members and the hostess.

Miss Vernez Turner left Monday for Canyon where she will spend the winter with her sister, Mrs. Bob Orton and also enroll in the High School for her Senior year.

Mr. and Mrs. Roy Ivy and Mr. and Mrs. Jim Larson returned Monday from Espanola, N. M., where they spent the week end.

Mrs. Lillie Ellen Price arrived home Saturday from San Diego, Calif., where she had been near her husband who was stationed at the Naval Training base.

Mrs. Emma McNabb returned Wednesday from Carlsbad, N. M., where she visited Mrs. George Straub and family.

The Parent Teacher's Association gave a reception Tuesday, afternoon at five o'clock for the Teachers and Parents. A social hour was enjoyed by about 40 persons.

The Palo Duro Association of

the Baptist Church met with the First Church, Pampa on Tuesday and Wednesday. Delegates from the local church were Reverend and Mrs. A. L. Hicks, Mrs. Roy Horrell and Mrs. Merle Morgan.

Mrs. Lois Ivy and sons, Billy Glen and Joe Neal spent several days visiting Mr. and Mrs. Buck Voyles in Espanola, N. M.

Mr. and Mrs. Ray Smith have gone to Arkansas to visit Mr. Smith's grandmother, who is seriously ill.

Miss Minnie Vicks resigned her position in the Vega school to accept the Principalship in the school at Happy. Her place here is being filled by Mrs. Audie Morgan, who lives here.

Mrs. Calvin R. Bailey of Artesia, N. M., is visiting Mrs. Madge McNabb.

Miss Leona Spinhrine, daughter of Mr. and Mrs. John Spinhrine, has entered Saint Anthony's Hospital in Amarillo to begin her training as a Cadet Nurse. Miss Leona has two brothers in the service, John who is a member of the Army and stationed at Marfa and Fred with the Navy some where in California.

Mr. and Mrs. Allen Stagg left Sunday for Corpus Christi to visit their son Sam, and Mrs. Stagg.

A tragedy came to the home of Mr. and Mrs. T. R. Burrell, who live southwest of Vega, Thursday afternoon, when their 15 months old son fell in the tank and drowned. Funeral services were held in Shamrock Friday afternoon. We extend to the bereaved parents our heart-felt sympathy.

Mrs. Hobbs, mother of Mrs. J. C. Stewart is in Amarillo in the hospital with a wound caused from a fall she got several weeks ago, but she is reported to be

getting along as well as can be expected.

Mr. and Mrs. Glen Boyd-stun and Mr. and Mrs. J. A. Watkins were guests of Mr. and Mrs. Herman Looney of Amarillo Thursday for dinner, after which they attended the football game between the Sandies and Childress.

Miss Opal Miller was hostess to a group of young people Friday night at the home of her parents, Mr. and Mrs. George Miller southwest of Vega. Games were played after which refreshments were served.

Mrs. J. W. McKendree is still at the bedside of her daughter, Mrs. F. H. Krahn in Amarillo, but reports Mrs. Krahn somewhat better.

Mr. and Mrs. Ben Hill have as their guests this week, Mr. Hill's brother and wife from Fort Worth.

The bond drive which started September 9, is progressing nicely in Oldham County and we hope to be able to report over the top, next week.

Miss Decimae Ramey and O. J. Beene Are Married in Church Ceremony

Miss Decimae Ramey, daughter of Mr. and Mrs. Edwin Ramey of Dimmitt, and O. J. Beene were married Saturday morning at 10 o'clock at the Baptist Church in Dimmitt with Rev. R. V. Temple, pastor, reading the ceremony.

White tapers in seven branch candelabra and tall urns filled with white gladioli flanked the altar which was banked with greenery and fern. The pre-nuptial music was played by Mrs. Chas. Dean of Plainview who accompanied Miss Nadyne Newell who sang "The Rosary" and "Indian Love Call." Mrs. Dean also played the "Lohengrin" wedding march and the "Mendelssohn" recessional.

Mrs. Jim Elder was matron of honor and Miss Geraldine Pratt of Lefors and Mrs. Jack Gilliland were bridesmaids. Mrs. Elder wore a rose taffeta dress made with bodice effect and sweetheart neckline. The bridesmaids dresses were of turquoise taffeta made like the matron of honor's and all three wore halo caps harmonizing with their gowns and carried American Beauty roses. All three wore gold necklaces, the gift of the bride.

Dr. Jack Gilliland was best man, and Messrs. Ralph Roden and Jim Elder were ushers.

The bride, escorted by her father, wore a gown of white taffeta made with bodice effect, deep lace yoke and full bouffant skirt. Her fingertip veil of illusion fell from a halo of white and she carried a white prayer book. Her flowers were a cascade bouquet of white roses.

After a short wedding trip the bride will return to Hereford where she is a member of the public school faculty, and the bridegroom will return to Seattle, Wash. He is a pharmacist's mate in the U. S. Coast Guard.

Mrs. Beene attended the Dimmitt schools and is a graduate of Texas Technological College, Lubbock. For the past four years she has been teaching here. Mr. Beene is the grandson of Mrs. J. W. Beene of Hereford. He is a graduate of Hereford High School and attended the Denver, Colo., School of Pharmacy. For the past several months he has been on duty with the United States Coast Guard Forces in the Pacific War Area.

Guests and relatives from Hereford attending the wedding were Mrs. Cliff Estes, Mr. and Mrs. Jeff Gilbreath, Miss Thornton Shirley, Mr. and Mrs. Knox Kinard, Mrs. J. W. Beene, Miss Myrtle Beene, Miss Kathryn Davies, Miss Pauline Hancock, Miss Ethel Womble, Miss Irene Crawford, Mrs. George Millard, Miss Arline Millard and Mrs. Nona Jowell. Also Douglas Beene of Camp Berkeley and Mrs. C. C. Barnett of Plainview.

Card of Thanks
We wish to thank our friends for all their loving deeds of kindness during our hour of sorrow. May God bless each one who had any part in making the burden lighter.

The Spratt Family.

Past-President's Luncheon is Annual Music Study Club Pre-Session Event

Highlight of the year for the Past-President's Club of the Music Study Club, is the annual luncheon which honors the incoming president as she prepares to take over her duties as leader of the musical group.

Plans for the season's activities have been perfected and Mrs. T. W. Roberson will serve as president for the ensuing year.

The annual luncheon honoring Mrs. Roberson was held at the home of Mrs. W. E. Dameron with the three first presidents of the club as special guests. They were Mrs. G. A. F. Parker who served as the club's first president in 1916, Mrs. H. L.

Broadwell and Mrs. C. C. Ferguson.

Petunias and asters, shading from pale lavender to deep purple, and white tapers in silver candelabra decorated the large table where places were laid for twelve.

Mrs. J. C. McCracken, retiring president, welcomed the new president into the group and Mrs. C. C. Acker presented new year books.

Those attending were Mesdames C. J. Mountz, J. C. McCracken, T. W. Roberson, G. A. F. Parker, H. L. Broadwell, C. H. Dyer, R. P. Conaway, H. K. Fox, C. C. Ferguson, A. O. Thompson, C. C. Acker and Mrs. Dameron.

Luncheon-Meeting In Stanford Home Opens Season for Music Study Club

Mrs. T. W. Roberson took over her duties as new president of the Music Study Club at the luncheon-meeting held Monday at the home of Mrs. W. J. Stanford. Fall flowers in shades of pink decorated the Stanford home throughout. Luncheon was served from a lace laid table, centered with an arrangement of huge pink dahlias and roses. Quartet tables repeated the decoration theme.

After the luncheon a business session was presided over by the new president and new year books were presented. A chorus practice was held with Mrs. J. C. McCracken directing and Mrs. A. J. Schroeter at the piano.

Members present were Mesdames C. C. Acker, J. E. Beyer, H. L. Broadwell, H. A. Close, R. P. Conaway, Ellis Combs, C. C. Ferguson, Jeff Gilbreath, J. C. McCracken, W. E. Dameron, C. H. Dyer, H. K. Fox, C. J. Mountz, G. A. F. Parker, T. W. Roberson, S. P. Rosson, A. J. Schroeter, C. R. Smith, Glenn Snyder, A. C. Thompson, A. O. Thompson, Miss Mattie Mae Swisher and the hostess.

The course of study for the year will be "Our Contemporary Composers" and programs have been arranged by Mesdames J. R. Allison, Ellis Combs, A. J. Schroeter and C. C. Acker. Other committees include: study, Mrs. H. L. Broadwell; advisory, Mrs. J. C. McCracken; Mrs. C. H. Dyer and Mrs. A. O. Thompson; war service, Mrs. R. P. Conaway and Mrs. A. O. Thompson; phone, Mrs. Broadwell, Mrs. W. E. Dameron, and Mrs. C. C. Ferguson. The hospitality committee includes Mesdames H. A. Close, S. P. Rosson, C. C. Acker, C. R. Smith, Jeff Gilbreath, R. P. Conaway, A. C. Thompson, C. H. Dyer and Glenn Snyder.

Programs will include patriotic music, new composers, women composers, sacred and Christmas music. The symphony, music of the Americas, Music of the United Nations, Music from motion pictures and a Texas Day program and a Federation Day program will be featured.

As has been the custom of the club for several years, one open meeting is held during the year for the general public. This year the open program will be held on December 13, and will feature sacred and Christmas music.

Burlap Bag Quotas Removed
Quotas on farmers and packers purchases of new burlap bags for packing certain agricultural products have been removed for

the balance of 1943. "Certain agricultural products" includes, but is not limited to, beans, cotton, feed, flour, meal, fruits, potatoes, vegetables, and tobacco. The restriction on the bag sizes permitted for certain commodities has been relaxed to allow an additional size for each of two types of seed. A 1-2 bushel-bag is allowed for hybrid seed corn, a 3 bushel-bag, for cottonseed. These are in addition to the sizes previously permitted.

Woman's Part In The War Effort Will Be Subject of Study for Club Group

Woman's part in the war effort will play a big part in programs arranged for the Summerfield Study Club this year. Mrs. D. C. Walser is president and presided at the first meeting of the season which was held at the home of Mrs. L. L. Cannon Thursday evening. Lieutenant Gullet of the Hereford Prisoner of War Camp was guest speaker and chose for his address the subject, "Our Men In Uniform." He told something of army life and the different ranks of officers and spoke briefly of the Army Camp here.

3 REASONS why I head for

1 My boy is a fortress bombardier in the Southwest Pacific. So it means something special to me that Phillips is putting a mighty shoulder to the wheel in our war effort, making lots of 100 octane aviation gasoline and butadiene for synthetic rubber.

2 I like the kind of service I always get at Phillips stations even when I don't buy a thing. "Good Neighbor Service," they call it, and they're right.

3 For more than ten years, Phillips 66 Gasoline and Phillips 66 Motor Oil have been my favorites. They still are!

You are invited and urged to bring your car to the Phillips 66 Service Station at least once a week because your car is a vital link in the nation's transportation resources . . . and Phillips Service Wardens have pledged their help in preserving the efficiency of your car and in extending its life.

To help you CARE FOR YOUR CAR—FOR YOUR COUNTRY. Phillips tire-saving service includes checking air pressures, inspecting for cuts and bruises, criss-crossing with the spare every 3,000 miles.

Phillips car-saving service includes inspection of battery, air filter, and radiator; lubrication at every point specified by your car manufacturer.

Good products . . . Good Neighbor Service . . . offered by an organization wholeheartedly devoting its best efforts to war production . . . doesn't it all add up to three good reasons why you, too, should head for the Phillips 66 pump, whether you buy one coupon's worth of famous Phillips 66 Gasoline or merely want water or air!

The loneliest kid that ever lived...

Even as he fought to free himself from his parachute the kid instinctively reached his tommy gun.

Just a few seconds before, this boy was one of a handful of American paratroopers who had waited inside a darkened plane for the tiny red light which was his jumping signal. Then a smile had flickered across the faces of his companions—he had felt the reassuring touch of a friendly hand.

Now he's the loneliest kid that ever lived! He knows that it will be hours before Allied landing barges reach this enemy shore. He knows that all around him are enemies, waiting . . . instinctively the kid checks his tommy gun, pistol, grenades, rations, cigarettes, medical equipment and knife-bayonet. Now he is on his own—a little scared perhaps and terribly lonely as his thoughts turn for comfort to the folks back home.

Yes, this is it! The attack must go on! Stealthily he starts out . . . remembering the hopeful words in your letters . . . feeling the re-

assuring touch of the weapons your dollars made for him.

He is just one of the millions of American boys who are pressing forward for you. He is doing his duty, whatever the cost. Keep doing your best for him.

SOCIETY

MRS. JOHN McLEAN, Society Editor Phone 181

LaPlata Club Has Meeting In Eberle Home

La Plata Club met in the home of Genevieve and Mary Virginia Eberle Tuesday evening. Mrs. D. C. Kinsey was leader of the program which was built around the central theme of "Health".

Two health topics were discussed, the first by Mrs. Wayne Evans who told interesting facts about the new drug "Penicillin" saying "It is believed to be the most amazing discovery of medical science. It is difficult to produce and up to now there is not even enough to supply the armed forces."

Mrs. Liston Wilson told about the importance of vitamins, using the Texas Food Standard as a basis for her talk. She also explained the need for a balanced diet in children's school lunches.

Six new members were welcomed into the club. They included Mrs. Clyde Cave, Mrs. James Aiken, Jr., Mary Virginia Eberle, Mrs. C. S. Hinman, Mrs. L. B. Barnett and Mrs. C. R. Whitehead.

Others attending besides the new members were Mesdames Homer Brumley, Wayne Evans, Meade Halls, C. M. Hardwick, Lynn Kester, D. C. Kinsey, Chas. Newell, Gaylord Newell, Elmer Patterson, A. J. Schroeter, T. E. Seigler, Jr., Loraine Sisk, Gordon Taylor, Liston Wilson, W. J. Wilson, Mrs. Frank Hockett, an associate member and the hostess.

B&PW Discusses Use Of Womanpower To Fill Wartime Labor Shortage

Starting their year's program on the problems of war-time America and plans for the post-war world, the Hereford B and PW Club met Monday night in the home of Mrs. Ethel Robinson to hear a program concerning the use of womanpower to fill the margin in the nation's labor shortage.

The program chairman gave statistics on the gap between labor supply and demand and described the difficulties, both of management and society, in drafting women to solve the manpower shortage.

The next meeting will be at the home of Mrs. Florence Wilkins on Monday, Oct. 4.

Present at the meeting this week were Mesdames Velma Hodges, Miss Carter, Verna Scott (a new member), Jewell Dodson, Ursula Jacobson, Florence Wilkins; Misses Virginia Bowman and Mary Kate Brotherton and the hostess.

Where's the Fire?

New York's "Chief" sits peacefully in his own hook-and-ladder side-car waiting for the next alarm. The 15-month-old Dalmatian tumbled off so often on screeching swerves around corners that the boys decided he should have a special seat, since he just wouldn't stay home from fires.

Gift Party Given For Miss Helen Streu

Miss Helen Frances Streu of Amarillo, formerly of Hereford, who will become the bride of Sgt. Thomas H. Farmer on Oct. 2, was complimented with a buffet supper and gift party at the home of Mrs. H. E. Henslee Tuesday evening.

The bride-elect's chosen colors, white and gold, were used in decorations throughout the house. Those same colors reappeared in gift wrappings and in table appointments.

The surprise shower was introduced when guests untangled a web of string that led to the gifts.

Those attending were Mesdames J. Wallace Robinson, Wirt Phillips, Bob Wilson, R. A. Daniel, Jr., Jack Higgins, Virginia Griffith, John S. Sandifer of Amarillo, A. H. Streu of Amarillo, Ullin Streu, Misses Virginia East and Ann Cockrell and

Mrs. Streu Is Luncheon Hostess

Mrs. Ullin Streu was hostess yesterday at a one o'clock luncheon at her home on East Eleventh Street.

The luncheon was served buffet style from a lace-covered table centered with clusters of yellow and gold blossoms. On the buffet ruddy-toned fruit formed the decorations. Places were marked at small tables by mirrored cards bearing names of the guests. Games were enjoyed after the luncheon.

Those attending were Mesdames Carroll Hinman, T. E. Seigler, Jr., Meade Halls, L. B. Barnett, J. E. Kirby, Chas. Hardwick, J. R. Allison, Wayne Evans, John S. Sandifer and Miss Helen Streu of Amarillo and Mrs. Ralph Hastings.

AUXILIARY HOLDS GENERAL MEETING

A general meeting of the Woman's Auxiliary of the Presbyterian Church was held at the church Tuesday afternoon with all groups taking part in the meeting.

Mrs. H. L. Broadwell gave the devotional lesson on ways of praying. The lesson subject for the afternoon was "The Wrecks of Time" with the relative subjects Shortages and Rationing, The Christian Use of Talents and Dim-Out, Black-Out and All out, discussed by Mrs. Arch Cocklin and Mrs. E. H. Norton.

"This War Will Become Bigger and Tougher ... During the Long Months to Come"

Franklin D. Roosevelt

Italy has fallen—but the war is not over and you know it! Think of Berlin and Tokyo—think of the men dying at this moment.

Can we, you and I, afford to let them down—to turn *their* battlefront victory into a home-front defeat? Let's buy *more* War Bonds than ever... let's back up *their* victory with *ours*—the success of the 3rd War Loan!

There are battles coming—tough, bloody, hard-to-win battles—before this war is over. And it's the *last* battle that counts. We've got to back up our fighting men ... we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of

the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments..."

Our fighting men will do *their* job—it's up to *you*, personally, to keep their victories safe by *buying War Bonds NOW* with every dollar you can—not with what you'd ordinarily save or invest, but *more*—every bit more you can manage.

Whitefaces Bow to Panthers In Season-Opener Friday Night

Outplayed after the first half, the Hereford Whitefaces went down to the Panhandle Panthers 13-7 last Friday night in a game played on Whiteface field.

The maroon and whites made a rapid march down the field to score early in the first quarter with Olson's line plunging accounting for most of the gains, but the Panthers caught on to the Whiteface system, held the ball and scored in the second quarter. The game hung on the low end of the 7-6 score until the last part of the fourth quarter.

Lacking game experience, the Whitefaces tired quickly, lost their punch and were further demoralized by Olson's injury early in the second quarter. Olson's lameness accounted for the bad punting which consistently got the Herd out of one hot spot into a hotter one.

Panhandle played a fast game, sparked by some good backfield play and a passing game which evidently had the Hereford defense baffled. The Panthers also had the edge in blocking, where Hereford inexperience had a good deal to do with the Whiteface defeat; and though there is some promising new material in the Hereford backfield, the boys sometimes failed to take advantage of what interference they had.

In the Hereford starting lineup were Fluit, LE; Hopson, LT; Jennings, LG; Skelton, C; Higgins, RG; Manjeot, RT; Rogers, RE; Close, RH; London, LH; Reeves, F; and Olson, Q.

Substitutes were L. H. Lookingbill at end; J. W. Robinson, tackle; J. B. Sowell, end, and Orville Calhoun, left half.

CHAMPION PRESSURE

CAR WASHER!

What's So Wonderful About That . . . ?

Well, sir, it's just wonderful the way it cleans the dirty old mud and grease off the bottom of a car, truck or pickup. And for cleaning motors or tractors, it can't be beat.

Why is It Better than Ordinary City Water Pressure?

It's better because it multiplies the ordinary city pressure by more than ten times. It hits that grease and mud with 300 pounds of pressure, and believe me, it takes it all off and leaves the surface pure and sanitary. It does no harm whatever to the paint finish.

So, if you really want your car, pickup, truck, motor or tractor cleaned up all over, just bring it to . . .

CHURCH News

BAPTIST CHURCH NEWS

Next Sunday is Promotion day throughout the Sunday School and Training Union. We hope that every boy and girl, every man and woman will make a special effort to be present. This year we are having the promotion day services in the departments. We believe it will be more effective, but for it to be so, we must have all who can possibly be present.

Sunday School is still at 9:45, preaching 10:50, Training Union 7:15 and evening preaching at 8:15.

Sunday School is coming back to normal again. Three hundred were present last Sunday and there were 85 in Training Union.

We especially invite all Baptists to unite and worship with us. There have been 12 who have united in the last two Sundays, but this ought to be just a beginning. If you do not have a church of your choice here, we invite you to worship with us till you can worship at your own church. If you are not a Christian, come worship with us. We would like to have you.

Attendance was splendid at the dedication service last Sunday. Let's make it good next Sunday. W. E. Barnes, Pastor.

CHURCH OF CHRIST

It is natural for man to worship, but if he does not worship as the word of God directs,

his worship is vain. Jesus said, "But in vain do they worship me, Teaching as their doctrines the precepts of men." (Mt. 15:9)

The Church of Christ pleads with all people to follow the teaching of Christ as they worship. You have an invitation to attend all the services of the Church of Christ, 204 E. 6th St. Bible Study begins at 10:00 A. M. Morning worship begins at 11:00 A. M., with congregational singing, prayer, preaching, taking the Lord's Supper, and laying by in store. Evening worship begins at 8:30. Ladies Bible Class Wed. 4:00 P. M. and Prayer Meeting 8:30 P. M.

This Sunday L. H. Andrews will preach on these subjects: "Does Our Giving Please The Lord?" 11:00 A. M., and "The Blessedness of Giving," 8:30 P. M. These subjects will close the series of sermons on "Worship." Come and study with us.

L. H. Andrews

First Presbyterian Church
All of the regular services will be held at the Presbyterian Church this Sunday. The morning worship service will be held at 11:00 A. M.

The evening worship service will be held at 8:30 P. M. The pastor is delivering a series of sermons at the evening hour from the Book of Genesis. The subject for this Sunday evening is: "The God of the Pioneer."

The Sabbath School convenes at 9:45 A. M. and the Young People meet at 7:30 P. M.

A cordial invitation is extended to all who so desire to worship with us in all of our services.

Marjorie Morrison went to Canyon Monday to enroll in W. T. S. C.

Al Werner lost a good heifer by lightning Sunday night.

Merlin Kaul is building a chicken house this week at his farm.

Mr. and Mrs. Henry Fangman and children went to Clovis, N. M., Sunday to see their daughter, Mrs. Joe Marnell, who is in the hospital there. A son who has been named James Robert was born Friday to Mr. and Mrs. Marnell. The Marnells live south of Friona.

Amarillo visitors Monday included Mr. and Mrs. Vernon Wilson, Grady Wilson, Mrs. Paul Rudd, Mr. and Mrs. Wilburn Smith, Mrs. Merlin Kaul and Mr. and Mrs. C. F. Rickels.

Mrs. Merlin Kaul accompanied Miss Oliver to the Fairview Home Demonstration Club meeting at the home of Mrs. R. L. Campbell last Tuesday.

The Clovis paper reports the following news from Captain John F. Beall, better known

here as Foster Beall: "In the past two weeks Mrs. John Foster Beall, now living in El Paso, has received two cards from her husband, Captain John F. Beall, now a Japanese prisoner in the Philippines. He states he is in the hospital being treated, but is improving. He sends all his love to his wife and best regards to his friends."

Mrs. Beall was a teacher in the Clovis schools before her marriage to Captain Beall. Both are well known here. Mrs. Beall is now teaching in the El Paso schools.

Mrs. Beall was formerly Emily Minter and taught the primary grades here, and Captain Beall lived in this community several months.

Mrs. F. W. Dodson reports that there are now 30 pupils enrolled in school here. Five new pupils enrolled Tuesday morning. They are Melba Wals from Wellington in the fourth grade, Ray and Frances Boldes in the fourth, Roy Boldes in the second, and Homer Boldes in the first and they are from Tucumcari, N. M. The Boldes family lives on the W. W. Hill place.

D. D. Brian of Wayland College at Plainview preached here Sunday morning and Sunday night. He was a dinner guest Sunday in the home of Mr. and Mrs. T. B. Cox.

Mrs. Vincent Skypala reports that they talked by telephone to their son Elwood Skypala at San Diego, Calif., Tuesday night. Elwood is doing fine and expects to be sent overseas soon.

Dawn

By HELEN OGLESBY

Evert Enlow of Panhandle and John Roy Oglesby were honored with a birthday supper in the J. R. Oglesby home Wednesday night.

Mr. and Mrs. H. E. Miller and family visited in Tulla Sunday afternoon.

Mr. and Mrs. Ernest May visited in the Owen T. Smith home in Amarillo Friday.

Mrs. Evert Enlow of Panhandle, Mrs. J. R. Oglesby and Misses Helen and Arless Oglesby visited in the J. R. Gandy home in Canyon Friday.

Mr. and Mrs. Adolph Frye and David took dinner in the R. F. McConnell home in Happy Sunday.

Mrs. A. T. Frye and Misses Helen and Arless Oglesby attended the services in the Baptist Church in Hereford Sunday honoring the boys in the service.

W. P. Caraway and Virginia and Eddie Leake visited in the home of Mr. and Mrs. H. H.

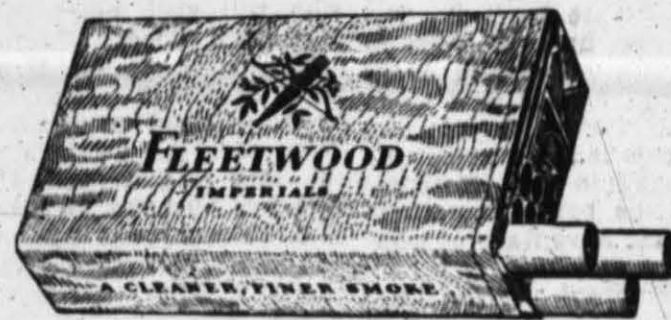

Caraway in Wyche Friday. Mrs. Herbert McCabe and daughter Ann visited with Mrs. Evert Enlow of Panhandle, here Thursday.

This sudden change in the weather seems to have caught most of us unprepared and we are all rather on the chilly side. There was a very good attendance at the Dawn church here Sunday.

Miss Doris Smith was dismissed from the hospital in Amarillo Thursday and she is up now and doing very well.

The Dawn school will begin its enrollment Tuesday morning and the buses will take the high school and college students to Canyon.

NEWS

in the
World of Religion
by W. W. Reid

In the recent death in London of the Rev. William Paton, D. D., British secretary of the international Missionary Council, the missionary bodies of Great Britain have lost their ablest leader, and the non-conformist churchmen of England have lost one who had the confidence of not only their own denominations but the leaders of the Church of England and of the Roman Catholic Church in England. A former secretary of the Student Christian Movement of Great Britain and Ireland, then a missionary under the Y. M. C. A. in India, and the organizer of the National Christian Council of India, Ceylon and

Burma, he was called to England in 1926 to head the Council that unites missionary agencies of the entire world. The American secretary of the council is Dr. John W. Decker of New York. In the years during the present war, Dr. Paton was one of the chief organizers of the British Council of Churches, and was influential in forming the World Council of Churches, and the councils of churches of a number of European nations whose governments are now in exile in England.

Protestant churches of South America recently sent to the United States four "ambassadors of goodwill," who, under the auspices of the Board of Foreign Missions of the Presbyterian Church in the U. S. A., are now touring some of the major cities in the interest of inter-American understanding. The delegation includes: Mrs. Eleazer Z.

Perez, of Alamos, Mexico, a leader in Sunday school work; the Rev. Manuel Escorcia, of Barranquilla, Colombia, pastor of the Central Church in that city; Miss Guillemine Morales, of Mexico City, a nurse and deaconess; and Alfonso Lloreda, of Bogota, Colombia a leader of Christian youth in South America. The group will have meetings in New York, New Jersey, Pennsylvania, Ohio, Indiana, Illinois, Kansas and Nebraska.

Among worldwide trends and movements that are affecting the rural church in America, according to Dr. O. E. Baker, eminent economist and sociologist, are: the progress in agricultural techniques and the resulting increase in per-worker production; the decrease of the national birthrate, more marked in the cities, and the growth in the cities of a proletariat composed in part of children of farm tenants; the trend toward dependence on the state and away from the family unit; and the possible development of father-son partnership in farm ownership. Dr. Baker urges that the rural ministry of America recognize these trends and adapt teaching and service to encourage the good and oppose the evil possibilities.

"A new idea has found its way into the thinking of the masses," says Bishop Herbert Welch (Methodist), of New York. "It is the idea of the worth and the dignity of the individual man, the idea of human brotherhood based on the fatherhood of God. This has in it the germ of the new social order. This is the answer to the problems of individual pride and bigotry, of class antagonisms, of racial intolerance, of national lust for dominance over other peoples. This is the basis, and the only basis, of a genuine internationalism which must lead to world organization for justice and peace. The Gospel of Jesus Christ is the master creative force of world history."

The Pasadena Community Church of St. Petersburg, Florida, Dr. J. Wallace Hamilton pastor, has devised a plan of War Service Membership which makes it possible for absent men in the armed services to share in the fellowship of the home church. To each man in service is sent a pledge card which he

is asked to sign. It says, "I believe in Jesus Christ as the Son of God and have decided to accept him as my Friend, Guide, Lord and Savior. I hereby apply for membership, in absentia, in the Pasadena Community Church, St. Petersburg, Florida." The men are also urged to visit the chaplain in their post or area and tell their chaplain of their membership in the St. Petersburg church. The church keeps in touch with the men and their families.

A recent arrival in the United States, is the Rev. Newton Chiang who came from Chengtu, West China, via India, Africa, and Florida. Mr. Chiang represents the Chinese youth movement and is in this country at the request of the Chinese government to help interpret to American youth the struggles, aspirations, and needs of the young people of China. Mr. Chiang is a staff member of Nanjing Theological Seminary—an interdenominational ministerial school which is now a refugee in Chengtu. He represents also the Boy Scouts of China and the various Christian associations of that country.

"My old Sahara Jeep was never like tourin' this way, Mom"

When Johnny comes sailing home again, he'll be more than ready for soft seat cushions. Through the windows he'll eye that super-colossal feature, the grand old U. S. A. It will look all the better because you—Johnny's loving proud folks—are with him again. After your nights of volunteer war work—and coupons—and questionnaires—you could easily stand as much touring as Johnny.

You'll need a car that can stand it. But since the conversion from war production must take time—just as conversion from peace production did—you'll fret a long while for any new Victory model. Better preserve your present car for the duration and beyond.

One big thing working against this, plainly speaking, is engine acid! After combustion stops, and your car stands long, the acid always formed in any engine can keep gnawing undisturbed. Gone are the big mileage, ample speed and resulting engine heat that formerly kept down acid damage. Today's opposite driving conditions could multiply acid damage, except that you can have the interior of your engine protectively OIL-PLATED by the simple economical change to Conoco Nth motor oil.

There is a synthetic in Conoco Nth oil that makes it "magnetically active," as it were, attracting OIL-PLATING to inner engine surfaces. OIL-PLATING resembles other anti-corrosive plating in not all draining down at a standstill, and in maintaining interference against such a dangerous corrosive as acid. Today—and for many tomorrows—OIL-PLATE with Nth at Your Mileage Merchant's Conoco station. Continental Oil Company
