

BRAND CLOSED SATURDAY

The Brand Office will be closed all day Saturday to permit painters and carpenters to complete work on re-modeling of the business offices. The office will be open for business as usual on Monday morning.

Sunday will be December 7. The wheel has turned a full circle. This will be the sixth anniversary of that black Sunday in December, 1941, when the news flashed across the nation, and the world, of the Japanese attack on Pearl Harbor. It was a day of this nation's greatest shame... and greatest glory. Shame because of our unpreparedness... glory because of the immediate and whole-hearted response to the challenge of war. The date will not soon be forgotten. Let's hope that the lessons we learned then will be remembered as well.

The Texas Tech-Hardin Simmons football game last Saturday evening up a score of long standing between two brothers, Wayne and Raylan Evans. Last year Simmons won, and ex-student Wayne gave ex-Techson Raylan the Cowboy version of the Bronx cheer. This year they attended the game in Lubbock, and the results are too well-known to be repeating. Wayne isn't talking.

Rose and Bart's realtors are proud of some new office furniture which, they are told by frequent visitors, is "prosperous looking." Prosperous or not, the chairs are solidly comfortable and aren't encouraging the visitors to rush away.

The Brand office is in the process of getting a face-lifting this week, too. In our present state of disarray, we aren't urging anybody to come in and look us over, but if the painters, carpenters, electricians, et al, get out of the way on schedule this week-end, we'll be happy to have visitors on Monday. Hadn't we something to live up to these near signs in the window.

John Sexton is around town this week sporting a beautiful shine which, he explains to numerous inquiries, was acquired while trying to ride a bronc under a barn. It's a new story, anyway.

Lions To Offer New Chevrolet at Public Auction

A brand new 1947 Chevrolet Aero sedan, complete with accessories, will be sold to the highest bidder at a public auction sale sponsored by the Hereford Lions Club in Hereford on Thursday afternoon, December 18.

The new '47 auto will be the top offering at the auction, which is being staged by the Lions Club to raise funds for several Lions Club projects.

Other items to be offered at the sale will be a new 50-gallon electric hot water heater; a new trailer retelling for \$85; a new Frigidaire, an electric washing machine; a deep-freeze box, and a Roper Gas Range. These are not offered as bargains. All items are being purchased by the Club at regular prices, and will be auctioned to the high bidder. Purpose of the sale is to raise funds to support such Lions Club projects as the support of a boy at Boys Ranch and other public service obligations.

The new Chevrolet was made available at list price to the Lions Club by Boss Lion D. C. Kinsey for the purpose of the auction sale. It is completely equipped with white side-all tires, heater, seat covers, radio with rear-seat speaker, fog-lights, outside rear-view mirrors, chromium wheel rings and mud guards.

Other items offered the Lions for the sale on a wholesale basis include the hot water heater from Consumers, the trailer and Frigidaire from Cogdell Motor Company, the washing machine from E. B. Black, the deep freeze box from Bill Warren, and the gas range from Blanton Butane.

Robert Thompson Speaks to B&PW On Marshall Plan

Robert L. Thompson was guest speaker at the B & P W Club Monday night in the home of Gwendolyn Springer.

Mr. Thompson spoke on "The Marshall Plan" explaining what it is, and why the plan was formed and its aim. He said it was an idea or ideal of one man for whom it is named. It is not political in any way and without much thought most of the people in Europe want it and all the people of America are willing to use it as a guide.

He gave as a background the life and accomplishments of Marshall, the man who planned it and the

life of Stalin, the man who strongly opposes it and explained why each felt as he did about the plan.

The simplicity of the plan is its strongest recommendation in that it is on a huge scale what every civic club, church and other organization practice in their community of helping the poor and needy or people who have so much less than ordinary people, especially during holidays, times of grief and other troubles. One of the best examples of this he recalled, was the results obtained by The Friendship Train. It was expected to bring in about sixty carloads and five hundred have already rolled into New York.

A special session of Congress is meeting now to work out the feasibility of the plan and if possible carry it into speedy action at a time when it is so urgently needed by the peoples of Europe.

Pearl Harbor Day To Be Remembered in Texas By VFW-Sponsored Broadcast Sunday

AUSTIN, Tex. Dec. 1.—Sixth anniversary of one of the darkest days in the proud history of the world's most powerful nation—the sneak attack by the Japanese on Pearl Harbor—will be the occasion for a statewide broadcast that should serve as a warning that another "Pearl Harbor" not only is possible but it is entirely probable.

Sponsored by the Veterans of Foreign Wars, Department of Texas, this momentous broadcast will be featured by addresses by Gov. Beauford H. Jester; by high ranking Army, Navy and Air Force officers; by Ray Brannaman, Denver, Colorado, commander-in-chief of the Veterans of Foreign Wars, and by Roger O. Evans, commander of the VFW in Texas. The broadcast will be from 2 to 3:30 p. m., Sunday, Dec. 7.

Governor Jester will tell of the all important contributions of Texans in averting the Jap attack that plunged the United States into history's most tragic world conflict, hostilities of which ended with the unconditional surrender of the Tokyo war lords who dared challenge peace loving America to mortal combat.

Representatives of the armed forces will briefly outline the world's most brilliant war effort, one that saw the fighting units of the United States grow from almost nothing to the most devastating war machine in the history of mankind.

In addition to this, the spokesman for today's armed forces will sound terse warnings that imminent danger lies ahead of a nation that once more has jeopardized its combat units to girdle far below the minimum requirements of a sound national defense.

These speakers will join the Veterans of Foreign Wars in advocating the immediate adoption of universal military training as the only safeguard of world peace, and protection against the ever increasing threat of communism.

Although the American people might like to forget Pearl Harbor, they will never be able to do so, and the Veterans of Foreign Wars, according to Commander Evans, believes that the tragedy of that peaceful Sunday morning six years ago should serve as a constant reminder that a nation unprepared is susceptible to future assaults that might prove even more costly.

"We of the VFW would not forget Pearl Harbor nor the tragic years that followed, years that saw hundreds of thousands of our finest men and women fall at their battle stations the world over. We are intensely interested in preserving our hard earned peace and we who fought on foreign soil and on hostile seas can best do this through organized and concerted effort," Commander Evans said in announcing plans for the December 7th broadcast.

This statewide radio program will climax an intensive membership drive of the VFW in Texas, and that followed years that saw hundreds of thousands of our finest men and women fall at their battle stations the world over. We are intensely interested in preserving our hard earned peace and we who fought on foreign soil and on hostile seas can best do this through organized and concerted effort," Commander Evans said in announcing plans for the December 7th broadcast.

Jester Proclaims Americanism Week in Texas

AUSTIN, Dec. 1.—By proclamation of governor Beauford H. Jester, the week of Dec. 1 to 7, inclusive, has been officially designated as Texas Americanism Week, and Sunday, December 7, has been proclaimed Texas Americanism Rededication Day.

Issued November 15, the proclamation by the governor was made at the request of the Department of Texas, Veterans of Foreign Wars, which had dedicated the first week in December as Texas Americanism Week and Sunday, December 7, as Texas Americanism Rededication Day.

In his proclamation, Governor Jester urges all citizens of Texas to cooperate in the observance of the first week in December, as Texas Americanism week by speech, action and conduct, and to cooperate in programs conducted in exemplification of Americanism and for the reaffirmation of their faith in the United States of America and the American way of life.

Speakers representing the 400 posts of the Veterans of Foreign Wars in Texas will present the VFW Americanism program to schools throughout the state during the first week in December, and will make numerous addresses urging Texans to ever be on the alert to defend American way of life.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CARD OF THANKS
We wish to thank our neighbors and friends for their kindness, flowers and acts of friendly interest since our recent car accident. We are grateful for the many thoughtful expressions of kind interest.
Mrs. W. J. (Bill) Smith
Mrs. F. E. Walters

Children, grandchildren and even great grandchildren attended the family reunion held Sunday to honor Mr. and Mrs. John Haber. Thirty one members of the family attended the get-together which was held in the home of a son, Herman Haber, in Muleshoe.

CARD OF THANKS
As we approach this season of the year and look back over the experiences and blessings that have been ours, we are indeed grateful for our great share in the "Bank of Friendship." We thank each one for his deeds of love and thoughtfulness, and trust we may be able to return these in "doing unto others."
Our most sincere prayer for you is that we may all love one another more and try to serve others in the example Christ our Master gave us.
Sank Ramey and family, 49-1p

Chili Supper Is Given for Group

Miss Ruth London, of Amarillo, entertained a group of friends at the home of Mr. and Mrs. Walter London Jr. on Wednesday evening, November 26.

A chili supper with all the delectable accompaniments was enjoyed and later card games and dancing provided entertainment. The Thanksgiving motif predominated in decorations and appointments.

Those attending were: Wilma Jo Robertson and Ed Dyer; Sara Owen and Carl French; Gayle Foster and Neely Kimbrough; Lillie London and Jimmie Hendrick; Peggy Bernard and Hilton Higgins; Ruth London and Bobby Millard and Mr. and Mrs. Walter London Jr.

Birthday Celebrated

Beverly Billingslea was complimented Saturday afternoon when her mother, Mrs. Beverly Billingslea and her grandmother, Mrs. W. L. Alexander, entertained to celebrate her ninth birthday.

After games, gifts were opened and favors were presented to each guest. The candle-topped birthday cake was a feature of interest.

Attending the party were: Paula Sue Springer, Caryn Williams, Loreta Straus, Theora Cosby, Mary Ann Young, Sallie Sue Kirby, Doris Lee Singer, Zandra Singer, Linda Sue Phillips, Jessa Gilliland, Anita Allen, Dixie Young and the honoree.

Jack Simmons, who is attending Texas A & M spent the Thanksgiving holidays with his parents, Mr. and Mrs. Al Simmons.

Rosa Mary Phillips spent the holidays in Hereford with her parents. She attends school in Canyon.

Lewis, with Lucy Welby as Big Sister. Following were the initiators: Mrs. B. F. Roberson spoke on "Poise and Posture."

During the business session plans were made for an entertainment to be given sometime during the Christmas holidays, honoring Cherry Ann Peres, Rainbow representative from Ohio to Texas, and other members of the Assembly who will be home from college for the Christmas season.

At the next meeting pro-tem officers will take over at the conclusion of the meeting and will conduct a "leave it or take it" quiz on the Assembly ritual and secret work. Prizes will be given. Mrs. Juanita Hershey will prepare the quiz and judges will be Horace Hershey and Art Manjeot.

"My curtains stay clean so much longer since we have vented heat"

It's true. If you are now using unvented heating equipment, you probably cannot even imagine how much joy you would experience from using vented equipment such as floor furnaces, panel wall heaters or a forced-air central gas furnace. Curtains stay soft, fluffy and clean for long periods. Draperies and furnishings stay clean longer. There's no condensation on windows or walls, no huddling near heaters, no blistering on one side and shivering on the other, no odors. And vented heat is more healthful.

See your gas equipment dealer today for information about VENTED gas heating equipment.

A. Finch, a brother and his family, Mr. and Mrs. L. H. Finch and son, and a sister, Mrs. Kelly Billberry and children, all of Crosbyton. Also Mr. and Mrs. J. M. Dawson and children of Lorenzo, Mrs. Lonnie Pfeiffer and children of Spur and Mrs. G. H. Logan and daughters of Big Spring.

Included among the gifts that the guests brought for the newly arranged home was a large mirror for the fireplace.

STUDENTS HOME FOR HOLIDAYS

Among the students home from Texas A & M College for the holidays were: Ben R. Plummer, son of Mr. and Mrs. Bruce Plummer, Roger Corbett, son of Mr. and Mrs. Roger Corbett, Bill Stanford, son of Mr. and Mrs. W. J. Stanford, James Ellis Higgins, son of Mr. and Mrs. Jim Higgins, Jack Brumley, son of Mr. and Mrs. B. E. Brumley, and Jack Simmons, son of Mr. and Mrs. A. L. Simmons.

Mrs. W. A. Percival of Hutchinson, Kansas, and Mrs. Beulah Lee Carter of Amarillo were in Hereford over the Thanksgiving week-end to visit their mother, Mrs. Hattie Rutherford.

PERSONALS

Mr. and Mrs. Jeff Gilbreath returned Friday from California, where they spent the past two weeks with relatives.

Mayor and Mrs. W. E. Dameron returned Monday from Fort Worth, where they spent the Thanksgiving holidays with their son, Bill, a student at T. C. U. and a daughter, June, a student at the University of Texas, who joined them in Fort Worth. While there they stopped in Silverton for a brief stay with her sister, Mrs. Clyde Wright.

Mr. and Mrs. Carlos Vaughan are visiting his sister, Mrs. John T. Anthony in Elida, New Mexico.

Home from Texas Technological College, Lubbock, for the Thanksgiving holidays were: Peggy Barnard daughter of Mr. and Mrs. D. C. Barnard, Bobby Carnahan, son of Mr. and Mrs. C. D. Carnahan, Jimmie Easley, son of Mr. and Mrs. Oscar Easley, Elizabeth Benson, daughter of Mr. and Mrs. George Benson, and John S. Coombes, son of Mr. and Mrs. Ellis Coombes.

Mrs. Mae Skelton of Prairie Grove, Ark., has arrived to spend several weeks with her sister, Mrs. Mont Baker.

Dr. and Mrs. Early Joiner and son were Thanksgiving Day guests of her parents, Mr. and Mrs. G. W. Brumley.

Mr. and Mrs. Liston Wilson and son, Dwight, went to Oklahoma City to spend the holidays with her relatives.

Mrs. Joyce Meeks of Denver, Colorado, visited last week in the home of her brother, Mr. and Mrs. Troy Womble and a sister, Mrs. L. B. Brady. She came because of serious illness of her brother, Mr. Womble who is in the hospital.

hunt with a yarn about the big one that got away. A group of nine hunters in Cecil's party were on a hunt in New Mexico when Cecil's brother shot a buck, creating his back. The deer fell, and thinking him dead but taking no chances, the hunter jumped on the deer's back. The deer, in turn, proved to have plenty of life and some of the qualities of Texas bronc, tossing his rider a nice loop as he sprang up and dashed away.

Hereford PTA to Hold Meeting at School on Monday

The Hereford Parent-Teachers Association will meet Monday night, December 8, at 7:30 o'clock in the High School Auditorium, Mrs. Beale Patterson, PTA president, announced this week.

The meeting is being held in the evening, Mrs. Patterson said, so that both fathers and mothers will be able to attend.

A musical program will be presented by High School students under the direction of Miss Thelma McMinn.

Don Martin, high school principal, will address the group, and the program will be placed by a short get-acquainted period. Refreshments will be served.

The plane was badly damaged, but the occupants escaped without a scratch. Both wings, the landing gear, and tail section of the plane were damaged considerably.

Carl Kropf, manager of Glover Field, praised the pilot for his action in averting a serious crash into one of the two farm houses.

Guests in the home of Dr. and Mrs. Norman Harris over the Thanksgiving weekend included her parents, Mr. and Mrs. L. W. Broms of Oklahoma City and Mrs. Harris' sister, Mrs. George Schroeder. Mr. Schroeder and their daughter Georgia of Guyman, Okla. Dr. Harris' mother, Mrs. Guy Harris, who has also been a guest in the Harris home, left Tuesday for her home in Santa Ana, California.

Mr. and Mrs. Ernest May were in Canyon Sunday to visit in the home of Mr. and Mrs. Iverson Leake, former neighbors at Dawn.

and 24 enlisted men.

At full strength, the rifle company will have seven officers, 186 enlisted men.

Cowart has accepted a temporary appointment as company officer and will be in charge of forming the unit.

Officers and enlisted men who have served in any arm or branch of the service are eligible for appointment in the National Guard, he pointed out, urging all men interested in membership in the company to contact him at the offices of the Hereford Chamber of Commerce.

Enlisted men of the first three grades will be eligible for appointment in the local company in the grade of second lieutenant, Cowart said.

The annual payroll for a National Guard company at full strength can eventually amount to between \$25,000 and \$30,000 in Hereford, Cowart pointed out.

into the Welch car.

The big trailways bus crushed the light car, killing Welch, his daughter, and the elder Mrs. Welch instantly.

The Welch car was one of three returning from a funeral at Blue Grove, Texas.

A mass funeral for the accident victims was held Wednesday morning at 10:30 o'clock at a Bowie funeral home. Following the service,

the body of the elder Mrs. Welch was returned to Dimmitt, where funeral rites were scheduled this afternoon (Thursday) at 3 o'clock. Interment will be in the Dimmitt cemetery.

Mrs. Welch is survived by her husband, T. L. Welch of Dimmitt; one son, Leon, of Canadian; and two daughters, Mrs. Stub Jones of Dimmitt; and Mrs. Cecil Vandiver of Dawn.

The Welch family had lived at Dawn for three years before moving to Dimmitt three years ago. They had lived for nine years at Black before moving to Dawn.

The Bench Warmer

District 2-A grid officials, who waited last year until early spring to announce the official All-District team, have promised this year to reform and get their selections on paper before Christmas. As soon as the official selections are made, The Brand will announce them. However, just to get the argument starting, The Benchwarmer is crawling out on that long limb this week with his own, and strictly unofficial, selections. Here they are:

1st TEAM	POSITION	2nd TEAM
Burris (C)	End	Burris (C)
Simms (T)	End	Jowell (D)
Davis (D)	Tackle	Griffin (C)
Kimberough (H)	Tackle	Simpson (T)
Corbett (H)	Guard	Miller (D)
Bible (C)	Guard	Stallings (T)
Owens (H)	Center	Patterson (O)
Stark (T)	QB	Rice (D)
Zelger (D)	HB	Sanderson (T)
Michael (C)	HB	Warren (D)
Simpson (T)	FB	Hemington (H)

Now let the arguments begin. Make up your own lists, and compare them with the official selections when they are announced. (Continued on page 4)

Class A Grid Districts Re-organized for 1948 Schedules

Canyon, Perryton Tangle for Bi-District Honors Friday

Whitfaces Pick All-Opponent Team From District Rivals

The Hereford High Whitfaces picked their 1947 "All-Opponent Team" from District 2-A rival eleven this week.

These selections, along with similar selections by other teams in the district, will be used by District 2-A officials in selecting the official All-District Football Team.

Canyon, Tulla and Dimmitt, in that order, begged the Whitface roster of toughest opposing players, with Olton earning one position on the "all-opponent" team.

Patterson, Olton center, was the top-heavy choice of the Whitface riders for the pivot position. Puffer of Dimmitt was rated second.

Other positions rated: Guards: Bible of Canyon and Miller of Dimmitt. Tackles: Davis of Dimmitt and Griffin of Canyon. Ends: Burris of Canyon and Sims of Tulla. Quarterback: Stark of Tulla. Fullback: Simpson of Tulla. Halfbacks: Davis of Canyon and Zelger of Dimmitt.

Second choices in the Whitface voting for their toughest opponents were Puffer of Dimmitt for center; Stallings of Tulla and Barrett of Canyon for guards; Lindsey of Canyon at tackle; Jowell of Dimmitt at end; Carter of Canyon at Quarterback; Hunter of Canyon at Fullback; Warren of Dimmitt, Inman of Canyon, and Sanderson of Tulla at halfbacks.

Only the Friona Chiefs failed to rate a mention from the Herd among their choices of their best opponents.

These selections will be turned over by Coach H. V. Stanton to officials of the District 2-A executive committee who will make the official All-District selections.

Special trophy awards are to be made this year by the Amarillo Globe-News Sports Department to all members of All-District teams in the four districts, making up Region 1-A.

The Eagles have a better defensive (Continued on page 4)

Shamrock Irish Meet Paducah in Other Title Fray

The region 1-A football title race was narrowed to four teams last week-end, with the big battles in the bi-district play-offs scheduled for tomorrow.

Canyon's Eagles, representing district 2-A, will run smack into the double-tough Perryton Rangers tomorrow afternoon (Friday) at 2:30 o'clock at Ranger field in Perryton.

Shamrock's Irish, champions of district 3-A, will journey to Paducah to meet the Dragons, surprise champions of district 4-A, on the Paducah gridiron at the same time.

Perryton and Shamrock will go into the bi-district rounds as heavy favorites to move into the final bracket, with the Rangers, rated all season as the top Region 1-A team, doped to win in the championship round.

The Rangers looked all-impressive in defeating the powerful Phillips Blackhawks, perennial regional champions, 22-0 in their District 1-A finale two weeks ago. Shamrock squeezed out a championship in district 3-A after taking the Wellington Skyrockets.

The Paducah Dragons were the last entries in the Regional title chase. The Dragons pulled one of the season's outstanding upsets two weeks ago in the district 4-A title chase when they nicked the favored Lockney Longhorns 7 to 6 to score the first victory of the season over the Lockney eleven. Paducah had already lost to spur 12-0 earlier in the season.

The Dragons, however, had an early season 40-0 rout of the Wellington Skyrockets, a team which dominated district 3 until they were toppled by Shamrock, will be rated little chance to defeat the Irish in the bi-district round.

The Perryton-Canyon fracas ought to be an easy go for the Rangers. The Eagles were able to get only a one-third share of the district 2-A crown this year, being tied by Dimmitt and Tulla and boasting little of the terrific power that has carried the Rangers through an undefeated season against a tough schedule of opponents.

Some idea of the Ranger power can be found in their season's scoring record, which credits the Rangers with 353 points to 61 for their opponents in ten games.

Friona, Dimmitt, Olton Drop To Class B Rank Next Year

Radical changes in organization of Class A football competition in Texas for the 1948 season are underway all over the state, following an announcement by Rodney J. Kidd, director of the Texas Interscholastic League, last week that next year Class A football teams will play through to a State Championship for the first time.

A reduction in the number of Class A teams, and shifts in districts, are resulting from the order, and a strict observance of the enrollment rules in classifying schools as Class AA, Class A, and Class B is to be enforced.

District 1-A next year will be composed of seven teams from the 1947 line-up in Districts 1 and 2. In the new district will be Hereford, Canyon and Tulla from old District 2-A, Phillips, Perryton, Dalhart and Dumas from the present District 1-A.

Friona, Dimmitt and Olton in District 2, and Canadian, Panhandle and Whitdeer of District 1 will drop to Class B rating next year.

Officials of all these schools met in Dumas Monday night to work out plans for the new district, with

Coaches H. V. Stanton and Dalton Christwell representing Hereford at the meeting.

Supt. V. D. Armstrong of Dalhart was elected chairman of the new District 1-A committee. Of the 13 schools making up the membership of Districts 1 and 2 this year, only six were over the minimum 200 enrollment figure required for automatic Class A classification. These were Hereford, Dalhart, Dumas, Phillips, Perryton, and Tulla.

Whiteface 1948 Grid Schedule Announced by Coach Stanton

The 1948 conference football schedule for the Hereford Whitefaces was announced yesterday by Coach H. V. Stanton following a meeting of officials of the new Class A District at Dumas Monday night.

The Herd will return to District 1-A in 1948, and will be running in the toughest sort of competition. Making up the new district are Perryton, Phillips, Dalhart, Dumas, Canyon, Tulla and Hereford.

The conference schedule, as outlined by Coach Stanton, follows:

- October 5: Dumas at Dumas.
- Oct. 15: Canyon at Hereford.
- Oct. 22: Perryton at Hereford.
- Oct. 29: Dalhart at Dalhart.
- Nov. 5: Phillips in Hereford.
- Nov. 12: Open.
- Nov. 19: Tulla at Tulla.

Non-conference games for the opening of the season have not yet been scheduled, Stanton said. Stanton was well-pleased with the schedule as it was arranged. The Whitefaces will meet two of their toughest opponents, Perryton and Phillips, on the home gridiron.

Panhandle will eye the map and the large area covered by the new District 1-A, should be pleased too. The longest trip will be to Dalhart—and two of the top teams in the district will meet the Whitefaces in Hereford.

Schedules for the other district 1-A teams will be announced in The Brand next week.

Stanton made no indication as to whether other traditional Whiteface opponents who have been dropped to Class B for the 1948 season, including Dimmitt, Friona, Whitdeer and Panhandle, will be included in the non-conference schedule.

Sudan, the Herd's opening opponent for the past two seasons, remains in Class A competition in new district 4-A.

Mrs. J. M. Stovall and grandsons, Zay and John, of Dimmitt spent the Thanksgiving holidays in Mrs. Stovall's home in Hereford.

Another Letter to the Editor from . . .

The Bootleg Philosopher

Dear editor:
I was sittin by the kitchen stove thinkin this mornin, ignorin my wife's suggestion that the woodbox was gettin empty as it don't do much good to fill it as it'll get empty again, it's just about like rescuin Europe from dictatorship every 30 years, and while I admit I don't know much about the rest of the world, in fact ain't never been to Europe and don't intend to, which ain't necessarily important as I been readin after lots of people who has been to Europe but they don't seem to come back with no more dependable information about the place

than I got, most folks just confirm whatever prejudices they already got when they travel anyway and I always figured I was about as well off at home with my prejudices as takin em around the world with me, yet I been readin about the Marshall Plan and the fact President Truman called Congress together to figure out how to save Europe with one hand and lower the price of steak with the other.
As I understand the situation, Congress believes it is confronted with the problem of saving European civilization.
Now I don't mind helpin-out hun-

dry people or cold people, will share what I got with anybody, will share what anybody else's got, a rule ought to work both ways. But it seems to me Congress ain't about to save any European civilization, even if Congressmen was in an intellectual position to do it. Do you really think Europe is civilized?
I don't exactly know what civilization is, and I don't know who starts them wars, but I notice everybody pitches in, on one side or the other, in Europe every fifteen or twenty years, and if Europe spent one-half as much energy plowin as it does fightin and gettin ready to fight, she wouldn't be nearly so hungry, although understand I ain't advocatin no all-out program of plowin if it involves me in anyway.
Also, what farmin is done in Europe, I understand, is done mostly by peasants who ain't even up to my standards of farmin, and I'm here to tell you the world can't feed itself and farm like I do.
Nope, I believe in helpin Europe out all we can, and right now, without too much arguin in Congress about it, but us folks out here at Bootleg know we ain't savin civilization, we're just helpin some hungry people out. Two-thirds of Europe ain't civilized yet, and I ain't even sure about you and me.
Yours Faithfully,
J. A.

from the date of the issuance of this citation, same being the 12th day of January A. D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 23rd day of October A. D. 1947, in this cause, numbered 3018 on the docket of said court and styled Vesta Mae Johnson Plaintiff vs. Ralph L. Johnson Defendant.

A brief statement of the nature of this suit is as follows, to-wit: For divorce and custody of a minor child, to-wit: Jackie Lynne Johnson, now in the custody of Plaintiff; the grounds for said divorce being mistreatment, abandonment and mental cruelty on the part of the defendant toward the Plaintiff, rendering their further living together insupportable, as is more fully shown by Plaintiff's Petition on file in this suit.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Ted Hardwick Is Promoted in Cadet Ranks at School

Cadet Ted S. Hardwick, son of Mr. and Mrs. W. F. Hardwick, Hereford, was promoted at Wentworth Military Academy here last week. Lt. Col. William McKee, professor of military science and tactics, said, Hardwick was promoted to the rank of corporal.

The special order promoting cadets who have displayed leadership qualities at Wentworth was read at a special convocation of the corps.

This promotion was based on favorable commendations made by the departmental heads and approved by Col. James M. Sellers, the academy's superintendent.

The birth rate on farms in 1946 was apparently the highest since 1929. There was an increase of about 2,300,000 in farm population in 1946 over 1945, and of this number 773,000 were babies born during the year.

Penguins literally "fly" under the water. These birds use their flattened wings to drive them through the water swiftly and gracefully, extending their feet behind them to serve as rudders.

As early as 1523, the movement to build a canal across the Isthmus of Panama was initiated by Charles V of Spain. It was not until four centuries later, however, that the canal was completed.

Banks Are People

We often hear banks referred to as "Financial Institutions." To some of us that sounds impressive. Actually, however, we here at the Hereford State Bank like to think that banks are people. Your bank is the teller who takes your deposit, the officer you consult about your business, and the many other men and women who, even though they may be unseen, serve you.

At our bank you can discuss your problems and plans with people who not only have a businessman's point of view, but who are also familiar with today's influences in the community that affect the customers' own business.

Venison Sausage Becoming Popular This Season

COLLEGE STATION, Nov. 30—There's a use for venison that is becoming more and more popular. Roy Snyder, extension meat specialist and in charge of the animal husbandry meats laboratory for Texas A. & M. College, says that for many years most hunters discarded the tougher parts of the deer—that is the front shanks, lower part of the hind shanks, the neck and lower parts of the ribs—since they didn't make good roasts or steaks.

A few years ago, the laboratory started processing these tough parts into sausage. People liked it. And this season, Snyder says, every hun-

ter that has brought in a deer to him for processing and storing has asked for the sausage.
If the sausage is seasoned with sage, it's a lot like pork sausage, but when the sage is omitted, it's like hamburger and can be used in dishes calling for ground meat.

Snyder says for seasoning they use one pound of salt, three ounces of black pepper and three ounces of sage for 50 pounds of meat. The sage, of course, can be left out. A pound of pork fat is added for every pound of deer meat, and it is ground through the largest grinder plate first, then through the hamburger plate. He says grinding twice mixes the fat and lean and makes a more uniform seasoned product.

The amount of sausage, of course, depends on the size of the deer and the condition of the carcass. A badly shot animal, or one that has been improperly handled in the field, will yield less edible meat, whether steak, roast, or sausage.

On the average, 8.13 per cent of the earth's crust is made up of aluminum, 4.71 per cent iron, 0.07 manganese and 0.01 nickel.

The eggs of birds that breed on rock ledges without building nests are very pointed, so that the eggs will tend to roll about in a small circle instead of rolling off the ledge.

Don't let the milk wait on the doorstep or on the kitchen table after delivery; delay in refrigeration robs milk of food values and hastens spoilage.

V. A. Contact Offices Close On Saturdays

Veterans administration contact offices will no longer be open for business on Saturdays after the thirtieth of December, according to an announcement by Robert W. Sisson, Manager, West Texas VA region.

VA contact offices in this region are located at Borger, Amarillo, Childress, Lubbock, Abilene, San Angelo, Big Spring, Odessa and El Paso.

Veterans and their dependents are invited to contact the office any day from Monday through Friday between the hours of 8:00 AM to 4:45 PM.

"It is deeply regretted that it has become necessary to close the VA contact offices on Saturdays, but under Civil Service regulations our work-week has been limited to 40 hours," Sisson said.

Employer Paying Social Security Taxes Warned

It has come to the attention of the Social Security administration that some employers are reporting wages for themselves as well as their employees, according to J. R. Sanderson, Manager of the Amarillo office of the Social Security Administration.

"Employers in unincorporated businesses who have reported wages for themselves should file for a refund of the tax which they have paid on their own wages. The application for refund should be filed with a collector of Internal Revenue before the expiration of four years after the payment to the collector of the tax," he continued.

"At present, old-age and survivors insurance benefits under the Social Security Act are limited to wage earners. Excluded, therefore are many persons who work for their living. They are the self-employed owners of small stores, farmers, insurance agents, and others. The Social Security Administration has recommended that the old-age and survivors insurance system be extended to all self-employed persons," Mr. Sanderson said.

The first paper mill in colonial America was built in 1690 at Germantown, Pennsylvania, resulting from the combination of the needs of a Philadelphia printer, William Bradford, and the arrival of an ambitious German papermaker, William Rittenhouse.

The waters of the Atlantic Ocean are saltier than those in corresponding regions of the Pacific. Although the reason for this is not yet known, evaporation is probably less in the Pacific because of lower wind velocity, and rainfall is greater than in the Atlantic.

Right up in the FOUR-FRONT

SCATTERED across this nation are some of the cagiest automobile buyers the world ever saw.

They cut their eyeteeth on a steering wheel, so to speak—they know car values from A to izzard—and you have to be plenty good to step ahead of your price class in the volume of your sales to them.

That's why it's startling—sometimes even to us—to see the double-barreled story of public preference that's written in the sales records and registration figures:

ITEM: Only three cars outsell Buick—and all of these are in the so-called "low-price field."

ITEM: In some localities—and quite often in polls that ask "Which car will you buy next?"—Buick ranks not fourth, but third, actually ahead of one of the lowest-priced three.

Naturally, the smart buyer will ask "How come?"

Well, the most standout style of the season, the style that's the clearest forecast of wonderful

things to be, undoubtedly has much to do with it.

But that isn't all. The dollar is still a pretty important measuring stick.

So we don't think Buick could be where it is if it didn't offer a bigger dollar's worth—bigger in size and substance, in lift and life, in soft ride and easy handling, bigger in the all-round happiness you'll get out of your buy.

Which suggests, of course:

Why go against the solid judgment of your fellow men?

Why not see your Buick dealer now—with or without a car to trade—and place the order that will put you where you belong, right up in the four-front?

Fourteen Whiteface Gridders To Receive Letters for 1947

Fourteen members of the Hereford Whiteface 1947 football team will receive letters this year. Coach H. V. Stanton announced this week. Of the fourteen, eight lettermen will be eligible for the team next year.

Receiving their letters for the second year are Co-Captains Leo Hennington and Neely Kimbrough, Bobby Owens and Buddy Corbett. First year lettermen included Floyd McGee, Bob Johnson, Jack Reynolds, Gilbert (Trigger) Carlyle, Reuben Knox, Don Wilson, Don Davison, L. T. Hawks, Homer Rudd, and Charles Gresham.

Due to receive letter sweaters as the team's student managers are

Gene Walker and Rayburn Strange. Prospects for the 1948 squad are a little brighter, from the standpoint of experienced men, than they were a year ago.

Fullback and co-captain Leo Hennington has played his last year of eligibility, and will be too old for interscholastic league competition next fall.

Reuben Knox, quarterback of the 1947 team, will graduate in the spring, as will Guard Buddy Corbett, End Trigger Carlyle, and Halfback Homer Rudd.

Floyd McGee, starting end on the '47 squad, will also be a victim of the Interscholastic League age

rule. Co-Captain Neely Kimbrough, a stand-out player at tackle for the past two seasons, still has another year of eligibility, however. Bob Johnson, who held down the other starting tackle post most of the season, is a junior and will play another year.

Jack Reynolds, starter at guard, is a sophomore with two more years of eligibility; and Bobby Owens, candidate for all-district honors at center this year, is a junior with another year to play.

Don Wilson and Don Davison, both regular performers in the backfield this year, are both juniors and will be back in harness next season. L. T. Hawks, who held down a starting end position for most of the season, is a sophomore with two more years of eligibility.

Charles Gresham, who turned in a stand-out performance at guard toward the close of the season, is a sophomore with two more years of

Five of the remaining seven petitions for admission to the new Class A district, and only Canyon was voted in. Neither Friona nor Dimmitt asked for admission to the new district, although both schools were represented at the meeting.

Canadian, Olson, Panshandle, White Deer and Canyon all petitioned for admission to the Class A district. District officials agreed to admit the Canyon Eagles, since Canyon's enrollment this year is over the 200-mark and the Eagles would automatically become Class A competitors in 1949 anyway.

Petition of the other schools was denied, however, in order to keep the conference straight to seven teams.

New Class B districts will be organized next year to accommodate the schools dropped from Class A leagues.

The shift also hit several Class AA schools in the Panshandle area. Both Childress and Brownfield have been dropped to Class A rating, since their enrollment is below the minimum figure of 500 necessary for automatic AA competition. Brownfield officials have indicated however, that they will petition District 1-AA officials for re-admission to the higher bracket.

Other Panshandle Class A district line-ups recommended by the Interscholastic League include the following:

District 2-A: Childress, Clarendon, McLean, Wellington, Memphis, and Shamrock.

District 3-A: Floydada, Abernathy, Ralls, Spur, and Paducah. Lockney, Matador and Crosbyton were dropped to Class B, but one or more of these schools may be voted in to fill the Class A conference ranks.

In District 4-A, the Interscholastic League has placed Brownfield, Levelland, Muleshoe, Littlefield, Morton, O'Donnell, Slaton, Post, Sudan, and Tahoka.

seventy-five guests attended with places laid at long banquet tables decorated with baskets of fruit and autumn leaves. Favors were cut-out turkeys.

A musical program was given by Myra Jo Sowell, Wynogene Sowell, Mrs. Clyde Russell and Mrs. Merin Kaul. Later games of forty-two were enjoyed.

Benchwarmer . . .
(Continued from page one)

The listings above were made, of course, after seeing most of these teams in action in only one game. For the most part, however, they jibe with the Whiteface selections for their own all-opponent team, and the benchwarmer has always held the opinion that the boys on the playing field are in a better position to judge their opponents' abilities and shortcomings than an alleged "expert" in the press box.

The players above are picked with an eye toward creating a balanced (if mythical) football team, rather than a collection of stars. We'd like to see either or both of these combinations in action. There would be a football game to remember.

District 2-A this season had a multitude of good backs, but few outstanding linemen. At the pivot spot, however, two players stood out. They were Owens of Hereford and Patterson of Olton. Owens gets the nod from this department, partly, perhaps, because he is a home-town boy and we're naturally prejudiced; partly because he was, consistently, a more effective line-backer.

*Three outstanding ends turned up this season. They were Burris of Canyon, Simms of Tulla, and Jewell of Dimmitt. Burris was probably the best for his position. Simms gets the first string nod over Dimmitt's Jewell because of his superior kicking, in addition to outstanding performances at the wing post. Burtz of Canyon, placed on the second team doesn't rate with the others but seems to be the best choice from the rest of the field.

The Guard positions were tougher. Bible of Canyon and Corbett of play ahead.

Added to the good crop of lettermen are a big group of players who will move up from Freshman ranks next season. A squad of more than 50 boys made up the Yearling eleven this year, and several of them may be making strong bids for starting positions on the 1948 team.

Hereford get the first-team nod over Stallings of Tulla and Miller of Dimmitt, but there's not enough of a margin to talk about. Just say we picked them out of a hat.

For the tackles, we've chosen Davison of Dimmitt and Neely Kimbrough of Hereford, placing Simpson of Tulla, and Griffin of Canyon, on the second string eleven. Kimbrough was this department's choice for an all-district berth last year, and still is. Not a flashy player, he is nevertheless one of the steadiest and most efficient at his position.

In the backfield, there's not too much choice either between first and second elevens. Stark of Tulla gets the nod for the quarterback position because he's not only one of the smartest field generals in the loop, but a dangerous runner and passer to boot. Rice of Dimmitt is our second choice.

Zeigler of Dimmitt and Michael of Canyon were two of the slickest halfbacks in the district this year. Sanderson of Tulla and Warren of Dimmitt are our second choice, and probably Inman of Canyon should be among 'em but there are only two halfbacks on a team and we're not going to try and select a third team for fear of running out of players. Simpson of Tulla was voted by the Whitefaces as their choice for the hardest hitting fullback, and that confirms our own observations. Leo Hennington of Hereford gets the nod for the second team, largely because he has one of the best kicking records in the district and is a speedy runner besides.

That's all folks. Probably there are a lot of others who deserve positions on an All-District 2-A eleven, and maybe the district committee will pick 'em when they make the official selection. They have the last word.

Hereford Friends Attend Funeral Rites in Lubbock

Attending funeral services for Carl (Bud) Roberts in Lubbock last week from Hereford, were Mrs. Jas. W. Witherspoon, Cliff Estes, Mrs. Carl Gilliland and Miss Johnnie Estes.

The Roberts family are well known long-time residents of this part of the country and have lived many years in or around Lubbock. Mrs. Roberts, Carl's mother, was an Estes.

At the time of his sudden death, Mr. Roberts lived in California. He is survived by his wife only in his immediate family. Mrs. Kreuger, wife of Dr. Kreuger of Lubbock, is his sister.

Tech Receives New Scholarship After Conservation Tour

LUBBOCK, Nov. 29.—The recent visit of 150 of the nation's leading business men on a tour promoting soil conservation has benefited Texas Technological College in the amount of a \$500.00 scholarship.

John E. McKee, president of the Continental National Bank & Trust Company of New York, was so impressed by the vast natural resources of the South Plains and the soil conservation research being carried on at Texas Tech that he forwarded a \$500.00 check to aid one more student in the furtherance of soil conservation study for the semester years of 1948-49.

The scholarship honors C. M. Malone, vice chairman of the Second National Bank of Houston. Mr. Malone and officials of the college will jointly determine the qualifications of eligible students.

Mrs. Maude Montfort has returned after spending several weeks in the Missouri Ozarks. She was joined here Thanksgiving Day by her daughter and family, Mr. and Mrs. T. L. Pope and son of Amarillo, for a get-together in the home of her daughter, Mrs. Homer Brumley.

Last year, farmers in the U. S. raised only about 80,000 mule colts and 205,000 horse colts, the smallest total since at least 1920.

Cows bred in December and January should calve next September and October. This means more milk next fall and winter.

Cows are creature of habit. Proper handling of cows on a regular schedule is the essence of good dairy management.

There will be no cotton marketing quotas and no acreage allotments for the 1948 cotton crop, according to the U. S. Department of Agriculture.

Christmas Program Is Given For Members of Hereford Garden Club

The Hereford Garden Club met in the home of Mrs. Liston Wilson Friday afternoon with Mrs. O. G. Heard as hostess and Mrs. Homer Brumley assisting.

During the business meeting when Mrs. O. G. Hill, president, presided, members decided to grow dish-gardens and Amarillo for spring display, under the direction of Mrs. J. P. Slaton, horticultural advisor for the club.

Members also voted to sponsor a Christmas decorating contest among Garden Club members with displays duly judged and prizes awarded.

Mrs. C. D. Carnahan was chairman of the program for the afternoon which consisted of Christmas arrangement demonstrations. Mrs. Carnahan showed a large arrangement using a large red candle, evergreen and colorful berries. Mrs. John Robinson showed an arrangement of spruce boughs and apples. A Christmas arrangement for a large table was demonstrated by Mrs. DeWard Roberson who used magnolia leaves in brown and gold, combined with tapers and bright balls on a mirror reflector. A New Year scene was done by Mrs. C. H. Dyer with skating figures on a mirror-lake against a snow-covered forest background.

The next meeting will be in the form of a Christmas coffee in the home of Mrs. Homer Brumley on the morning of December 12.

Those attending the meeting were Mesdames: D. C. Barnard, Jim Black, Lyle Blanton, Homer Brumley, C. D. Carnahan, Roy Crutchfield, Charles Dones, C. H. Dyer, E. E. Fridley, N. E. Gass, E. W. Harrison, J. M. Simpson, W. S. Elliott, Will S. Kerr, P. M. Kester, Lynn Kester, Marion Rutter, G. G. Heard, A. V. Hendrick, O. G. Hill, John Jacobson, Jr., DeWard Roberson, John Robinson, J. P. Slaton, Earl Springer, A. O. Thompson and Walk Boston.

People living on farms owned an estimated \$22,077 million of currency, bank deposits, United States Savings Bonds and stock in cooperatives at the beginning of 1947, in comparison with only \$4,975 million in 1940.

Texas leads all other states in the production of wool, with an average annual production in excess of 100 million pounds.

Old spring plants of tomatoes, eggplant, okra and peppers, if fertilized, worked, mulched and watered, will yield excellent fall crops.

Mrs. Uel D. Crosby Is Appointed to Executive Position in Nat'l Council

GRAND RAPIDS, Mich., Nov. 24.—Mrs. Uel D. Crosby, of Lubbock, formerly of Hereford, was elected a member of the executive committee of the Children's Workers Commission of the Methodist Conference on Christian Education here today at the seventh annual session of the Conference, which opened November 21.

Mrs. Crosby is the wife of Uel D. Crosby, former pastor of the First Methodist Church of Hereford. Rev. Crosby resigned his post here last spring to accept an appointment as secretary of the Northwest Texas Methodist Conference, and is now living in Lubbock.

Mrs. Crosby is in charge of children's work in the conference.

The Michigan conference, with a theme of "Teach Christ or Perish," was attended by 500 delegates who are of professional or semi-professional religious education workers.

They were divided into the following commissions: executive secretaries; presidents of conference boards of education, adult workers, youth workers, children's workers, directors of christian education, and college teachers of religion.

In a general business session, it was voted that the conference would meet biennially in the future instead of annually. The next meeting will be held in 1949. Place of the meeting has not been decided.

Amarillo ABC to Sponsor Amateur Boxing Tourney

AMARILLO, DEC. 1.—The second annual American Business Club invitation boxing tournament will be held Dec. 12 and 13 (also the 15th if enough entries are received) at the Automobile Building, Tri-State Fair Grounds, Amarillo. All proceeds will go to the Maverick Club which is sponsored by the ABC organization.

The tournament, which is sanctioned by the Amateur Athletic Union, will be in two divisions, one for high school boxers and the other an open division.

Beautiful trophies will be awarded winner and runnerup in each weight division in each class and a special team trophy will be awarded in the high school division.

The high school bracket will include eight weight divisions, from 105 pounds to 175 pounds (no heavy weight division). The open division will be from 112 pounds through the heavyweight division.

Boxers will be given free rooms and meals as long as they remain in the tournament. Weighing in and physical examination will be at the Maverick Club from 9 until 2 o'clock on Dec. 12. Drawings at 3 o'clock.

In the high school division, Texas Interscholastic League eligibility will prevail.

Coaches and boxers may contact Bill Ferem, Bucks Sporting Goods, 106 East Tenth Street, Amarillo, for registration or information.

cutters moved at \$9.50 to \$12.50 at Texas markets and up to \$13.50 at other southwest terminals.

Sheep prices rose 50 cents at most markets, and lambs gained around \$1.50 at Oklahoma City and Wichita. Good and choice lambs sold \$22.50 to \$23 at Oklahoma City and \$23.25 to \$23.75 at Denver. Medium and good lambs brought \$18 to \$21 at San Antonio and \$19 to \$22.50 at Fort Worth.

Wool and mohair remained quiet, but some mohair sold at Junction, Texas at 73 cents for kid and 53 for adult hair, while San Angelo paid three cents less.

Hogs lost 25 to 50 cents per hundred for the week at most southwest markets, but Oklahoma City netted a little gain. Closing top on butchers stood at \$25.25 at San Antonio and Wichita, \$25.75 at Fort Worth and Oklahoma City, and \$26.25 at Denver. Sows brought \$23 to \$23 at San Antonio and \$23.50 to \$24.75 elsewhere.

Wet fields slowed harvesting in the lower Rio Grande Valley most of the week. Light vegetable loadings found better request but citrus demand waned. Fort Worth wholesale trade maintained mostly steady tones: Colorado onions and potatoes held about steady at principal shipping points. Colorado celery and Tex-

as bunched carrots sold well at Denver. Few sweet potatoes moved in dull trade from Louisiana, where prolonged rainy weather hampered field work and damaged beans and other crops.

Rice markets maintained a steady tone during the past week. Larger offerings of hay met generally active demand at firm prices. Clearing skies gave promise of renewed peanut picking after recent rains, delayed and damaged the crop.

Liver is a rich natural source of needed iron and vitamins. Beef and pork livers are just as valuable as calves' livers in this respect.

MARKETS

(USDA)—Southwest farm markets maintained generally firm to higher trends last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Grain markets reached new high levels and remained strong throughout the week. Principal strengthening factors included unfavorable condition of the winter wheat crop, short European supplies, and rapidly diminishing domestic feed grains needed for the coming heavy winter feeding season. Texas wheat closed Friday at \$3.27 1/2.

Activity in southwest cotton markets continued brisk during the week. Farmers offered freely in most sections, as prices advanced around \$7.50 per bale.

Eggs and poultry sold steady to firm last week in good holiday demand. Current receipt eggs brought 47 to 50 cents per dozen at Dallas and Fort Worth and a little more at Denver and New Orleans. Most markets bought turkeys close to support levels. Heavy hens brought mostly 24 to 26 cents but New Orleans paid 30.

Cattle sold generally steady to 50 cents higher compared to a week earlier, the only notable exception being a net loss of 25 to 50 cents at Denver on steers and yearlings, which continued scarce at all markets. Common and medium cows brought from \$12 to \$15 at Texas markets, and \$14 to \$17 at Oklahoma City. Denver paid \$15 to \$19.50 for common to good kinds. Canners and

Additional 4-H Club Awards Are Announced Recently
 COLLEGE STATION, Dec. 1.—Two additional Texas delegates joined the original group of 25 to the 4-H Club Congress in Chicago Nov. 30-Dec. 4, state 4-H Club leader, announced.
 They are Jack Heald, Muleshoe, Bailey county, and Walter Do Moon, Mipden, Rusk county.
 Both boys received Santa Fe educational awards, enabling them to attend the Congress.

then and there to answer Plaintiff's Petition filed in said Court, on the 1st day of December A. D. 1947, in this cause, numbered 3022 on the docket of said court and styled Jock Flowers vs. N. R. France and the unknown heirs and legal representatives of N. R. France, defendants.
 A brief statement of the nature of this suit is as follows, to-wit: For the title to and the possession of the South 1/2 of the East 1/2 of Block No. 42, Evans Addition to the town of Hereford, Deaf Smith County, Texas; in addition to the statutory allegations of Trespass to Try Title the plaintiff also alleges that he is the purchaser of said land for a valuable consideration at a foreclosure sale, duly and regularly held in Cause No. 2672, entitled the Hereford Independent School District vs. W. A. Miller et al, in the District Court of Deaf Smith County, Texas, wherein judgment was duly rendered on September 2, 1944, and said land was duly and properly sold to plaintiff on the first Tuesday in Feb. 1945; and plaintiff further alleges that he is the owner of said land by reason of having held the continuous, peaceable and open possession of said land for a period of over ten years under and by virtue of the Ten Year Statute of Adverse possession and Limitation of the

State of Texas; and is more fully shown by Plaintiff's Petition on file in this suit.
 The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
 Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas this 1st day of December A. D. 1947.
 Attest:
 R. L. THOMPSON, Clerk, District Court, Deaf Smith County, Texas. (SEAL) 49-40
