Lloyd Manjeot left Tuesday for Oklahoma City where he entered the McBride Joint and Bone Hospital on Wednesday for a knee operation.

He was accompanied by his mother, Mrs. A. L. Manjeot. Lloyd injured his knee while playing football with the Hereford Whitefaces before entering the Navy and surgery is now thought necessary by bone specialists.

Mrs. Carl Mounts has returned home from Detroit, Michigan, where she has spent the past month with her sister, Mrs. G. R. Jones, and family. She was accompanied by her mother, Mrs. Frank Lambert, who stopped in Fort Scott, Kansas, enroute home, to visit with a daughter, Mrs. Lloyd Wright, and family.

### "It Happened on 5th Avenue" Comes to Star Theatre Soon

Frances Hardwick and Ervin Ward of the Star Theatre are beating the ton-toms this week for their coming attraction, "It Happened on 5th Avenue", which will be on the screen at the Star next Wednesday and Thursday (Thanksgiving). Heralded as something new in Hollywood productions, the picture combines comedy and pathos in a timely story of a hobo (played by Victor Moore) who moves into a boarded-up New York mansion for the winter, and out of generosity of his heart, opens it up to a hand-

### Three Hereford Men Initiated In Shrine on Monday

Three Hereford candidates were among 73 initiated as nobles of the Mystic Shrine by Khiva Shrine Temple in Amarillo Monday.

New Shriners were F. M. Cogdell, Bill Hutson, and Robert Wagener. Horace Brooks of Dimmitt was also initiated.

The full-form ceremonial closed Monday night with a dance at The Nat following an all-day session at the Shrine Temple.

Monte Rosenwald of Amarillo was the successful ring candidate. More than 130 candidates had petitioned Khiva Temple for admission, and of these 73 were initiated Monday.

### CHILD STUDY CLUB MEETS TONIGHT

The Child Study Club will meet tonight in the home of Mrs. Carroll Whiteside. The date of the meeting was changed from November 27, as scheduled in year books.

than a generation old, but you people who live in this great country out here have an opportunity to set a pattern for the remainder of our great nation to see," he said.

He went on to point out how the East Texas land had lost 75 per cent of its productive capacity within recent years, and how the land that once produced three bales of cotton per acre now only produces three-fourths of a bale per acre. That similar exploitation could reduce the productivity of the South Plains was heavily emphasized by Mr. Bromfield.

### Ashes of Parents Are Interred In Family Plot Here

Two new grave markers in the F. L. Pinckert family plot at West Park Cemetery mark the resting place of the ashes of Mrs. Pinckert's parents, believed to be the first cremated remains ever interred at West Park according to Jesse Stanford of the E. B. Black Funeral Home.

Mr. Pinckert reports that the appearance of the new markers, which flank the family monument, have caused numerous questions to be asked of the family, and asked that an explanation be published.

The markers, which were erected about a month ago, mark the resting place of two urns containing the ashes of Joseph N. Carver, 75, who died on February 22, 1932, and of Mrs. Elizabeth Carver, aged 73, who died on December 28, 1930, both in Seattle, Washington. They were the parents of Mrs. F. L. Pinckert of Hereford.

Since the deaths of the elderly couple, the ashes had been in the possession of a sister of Mrs. Pinckert's in Seattle. The sister has been seriously ill recently, and Mr. and Mrs. Pinckert, on a recent trip to visit her in Seattle, at her request brought the ashes to Hereford for interment in the family plot at West Park.

### Bromfield Talk Draws Big Crowd At Lubbock

LUBBOCK, Nov. 17.—Louis Bromfield, noted author, lecturer and practicing farmer warned an audience of approximately 1,000 persons in the Lubbock Senior High School auditorium November 13 that American civilization as we know it is doomed unless agriculture builds up its declining per-acre yields and practices soil conservation. His talk here climaxed a day-long visit of over 150 of the nation's leading business executives who are traveling on a special Soil Conservation train being sponsored by the Second National Bank of Houston and the Burlington Lines.

"As agriculture production per acre declines and costs increase and as our population increases, we are moving exactly along the path that brought ruin to the Chinese government, economy and civilization. If we pay higher prices in subsidies rather than in cash across the counter, we are taking money out of the pockets of our citizens through increasing taxation—either visible or invisible. We thus constantly decrease our purchasing power. We drain away capital that should be employed under the free enterprise system to bolster the system's economy in providing employment and developing wealth. We tax ourselves more and more in order to hold down living costs. We devour our economic vitals to do so, and we bring ourselves constantly nearer totalitarianism. A democracy essentially is a luxury—A poor country can't afford a luxury—England did not go Socialist because she wanted to; England moved toward the left and Socialism because she had to."

"It's hard to talk to people who are sitting on millions of dollars in this new country which is not more

## Hereford Group Attends Meet In Plainview

Eleven members of the Hereford chapter of the Order of Eastern Star went to Plainview Saturday to attend a meeting held by the Plainview chapter when the deputy grand matron of the Order of Eastern Star gave instructions for the coming year's work. Representatives from 16 chapters attended.

A worthy matron's club was organized for the purpose of better coordination of the work of the district. Mrs. W. C. Hromas, worthy matron of the Hereford chapter, was named president.

Those from Hereford included Mesdames; W. C. Hromas, Horace Hershey, W. L. Jones, Bernard Robertson, Henry Melton, Vern Witherspoon, John Patton, H. C. Baird, F. L. Terrell, Vivian Major and Bob Higgins.

## Rance H. D. Club Meets November 5

The Rance Home Demonstration Club met in the home of Mrs. George Delozier on Wednesday, November 5.

The club was invited to attend the Achievement Day programs of the other clubs. The home demonstration agent on "Clothing for Children" and "Work Aprons and Dresses."

The next meeting of the club will be held in the home of Mrs. Jack Streun.

Attending the meeting were Mesdames H. G. Behrends, Jack Streun, Kester Duran, L. J. Counselman, A. F. Blakemore, Roy Coker, Woolbright, Clifton Harper and the hostess and Miss Seago.

Mr. and Mrs. Ross Errington of Amarillo were guests in the home of Mr. and Mrs. George B. Pace Jr. Sunday.

**NEW ARRIVAL**  
Mr. and Mrs. Jimmie Mercer announce the arrival of a daughter, Dorothy Ann, on November 13. Mrs. J. I. Funderberg is maternal grandmother and Mr. and Mrs. J. R. Mercer of Central City, Ky., are paternal grandparents.

Mr. and Mrs. Jack Lester and son Bob of Pueblo, Colo., are guests in the home of her mother, Mrs. W. B. Dameron. They were in Hereford to attend the Barber-Jones wedding held here Sunday. Mr. Jones is a nephew of Mrs. Lester. Also a guest in the Dameron home is another daughter, Mrs. W. C. Witherspoon of Dallas, who arrived in time for the wedding.

"must see" for the American tourist. She was able to see a remarkable number of countries, people and points of interest in her ten week tour.

Miss Viola Phillips (above) talked to B&PW Club members Monday night on her recent tour of Western Europe.

were privileged to ask questions following her talk.

The outstanding feature of life in Europe, according to Miss Phillips, was the sharp contrast in standards of living of the upper or wealthy classes, who are literally living off the fat of the land, and the poor living little better than animals. This was true especially, she said, of Italy and France.

Germany has been left by the war with no class distinction and very little else. Switzerland is the cleanest country in all Europe and conditions and people are like us. England has the highest prices on food, clothing and about everything. She was impressed by the use of every bit of soil in all the countries which she visited and of how all fertilizer was saved in order to make these plots produce.

Italy has the richest food and best prepared which is saved for the wealthy class and the tourists. France has such a shortage of white flour and sugar that her food is very poor even for the upper classes.

Switzerland has the best perfumes and France's styles were extreme but were shown at style shows more than worn by the Parisians or anyone else. These styles also carried extreme prices. A satin brocade dinner gown was priced at \$1200.00 American money.

The general atmosphere of countries varied, in the struggle to survive the poor were complacent, hysterical or stoic or at times even sheep-like "follow the leader air" according to the nature of people of countries in which they lived.

Miss Phillips told of famous buildings, parks, beaches, villas and many of the things that have become a

### Two Grandsons Are Wed In Foreign Lands

Mrs. E. J. Williams has received announcements of the marriage of two grandsons with one wedding held in Alaska and one in China.

In Alaska on October 23, Miss Margie Burnett of Dallas, daughter of Mr. and Mrs. W. H. Burnett, became the bride of Mrs. Williams grandson, Lewis Edward McBride, and they will make their home in Fairbanks, Alaska. He graduated from Stillwater High School, Dallas, and attended N.T.A.C. and Southern Methodist University. He served in the Naval Medical Corps for four years.

In China on August 30, Miss Luba Navetna of Shanghai became the bride of Mrs. Williams grandson, Fred McBride, also of Dallas. The ceremony was performed in the Community Protestant Church of Shanghai and the couple will make their home there where he is located with the United States Forces. He is a graduate of the Adamson High School, Dallas and attended N.T.A.C. before his four years of service with the Army.

Both young men have visited their grandmother in Hereford on many occasions and have many friends here.

Announcement was made Saturday of the engagement of Miss Viola Phillips and Carl Lynn Ohlholm of Tacoma, Washington.

Announcement of the engagement and approaching marriage was made at a breakfast given by the bride-elect's mother, Mrs. Wirt Phillips, for close friends and relatives.

The large table in the dining room was laid with an exquisite hand-made linen cloth which Miss Phillips purchased in Italy while touring Europe this past summer. The table centerpiece featured a miniature bridal couple on a mirror reflector edged with small yellow chrysanthemums. White tapers flanked the arrangement with the wedding news revealed on the white satin bows at the base of each candle. Printed in gold was the inscription "VI and Lynn - December 22". The wedding is scheduled to take place in Tacoma.

Guests attending the breakfast were: Mrs. August Frye and Mary Frye of Dawn; Mary Jane Morgan, Mrs. Jack Geffkin, Mrs. Phil Radovich, Phyllis Jean Radovich and the honoree.

**Citrus Movement From Valley Is Underway Now**  
**COLLEGE STATION, Nov. 18**—The movement of citrus fruits from Bowman, Tom Melugin, L. A. Wester, Ira Ricketts, and A. C. Hershey. The next meeting will be the Christmas party, when the club members will entertain their husbands on December 19 in the Floyd McGee home.  
 F. J. Walterscheid is recovering after an attack of pneumonia. He is expected to be released from the hospital this week.  
 Another fruit dessert which is particularly refreshing after a dinner of roast chicken or turkey is ambrosia, made of sliced oranges and coconut.  
 Oranges are good in the lunch-box. They'll be easier for the children to handle if sliced through the middle and then wrapped tightly in waxed paper.  
 Miss Mason says that citrus fruits should be carefully selected. Good quality fruit is well-shaped, firm and springy to the touch. Fruit that is heavy for its size usually has the most juice. Don't worry if there are rust-colored spots for they are only skin deep and do not affect the quality of the fruit. Oranges don't have to be "orange" to be good, though often the growers give them a harmless treatment to bring out the natural color.

**10 ways you can help yourself to good telephone service**  
 Telephoning is easy. But more depends on the user than you perhaps realize. What you do when making or receiving a call often has a lot to do with how satisfactory that call is. Here are ten suggestions:

1. Before you call, make sure of the number.
  2. Give the called party time to answer.
  3. Speak directly into the mouthpiece.
  4. Move the switch hook slowly up and down to recall or signal the operator.
  5. Replace the receiver carefully when you have finished talking.
  6. Answer calls promptly. It's courteous to do so.
  7. Identify yourself. Not everyone recognizes you by your voice.
  8. Space calls on party lines. If you have a series of calls to make, allow a few minutes between each one so others can use the line.
  9. Keep calls brief on party lines. Other folks on the line will appreciate your thoughtfulness.
  10. Avoid calling during busy hours if possible.

### Bromfield Lauds Deaf Smith County Soil and Foodstuffs

Louis Bromfield, noted author, expert amateur farmer, and enthusiastic soil conservationist, paid high tribute to Deaf Smith county soil and the foods that it produces during his tour of the West Texas Panhandle-Plains with the Soil Conservation Special Train last week. Bromfield told his audiences that the so-called "balance diet" was

greatly overrated, and observed that highly rated spinach and other vegetables are no better than the soil in which they are grown. "Regional or national health is not dependent on the so-called 'balance diet' but on the diet that utilizes to the fullest certain minerals that are absolutely necessary to health and must be in the soil that nourishes the foodstuff," Bromfield declared. Bromfield cited Deaf Smith county citizens as noteworthy examples of a regional population enjoying the results of a diet containing a minute but adequate portion of fluorine, one of approximately 20 minerals of which traces must be present in the diet to insure health.

"For a long time," he told his audiences, "it was thought that the high proportion of calcium in the diet of these people accounted for their excellent teeth and the comparative absence of dental ills. Actually," he stated, "the calcium is only a contributing factor and the fluorine is the real cause of the condition."

Bromfield pointed out that the areas of sub-standard health and progress in the deep south and other parts of the United States will be found to coincide almost exactly with those areas in which agriculture has lapsed, due to exhaustion of the soil or soil of a poor nutritive value.

Bromfield was the central figure on a 17-car special train sponsored by the Burlington Lines which toured West Texas last week. He spoke

### Turkey For Year 'Round Table Use Goal of Growers

COLLEGE STATION, Nov. 18.—Turkey usually means a Thanksgiving or Christmas dinner to most people. Or a banquet for some special occasion.

That idea has always made turkey production a risky business. An unsteady demand plus an uncertain price made poultrymen think twice before going into the turkey business.

The consumer thinks twice before buying a turkey, too. A small family can't use the large bird except for special occasions and it isn't always an economical buy, nor easy to prepare and serve.

F. Z. Beamblossom, extension poultry marketing specialist for Texas A & M College, says that some work has been done during the past few years on selling turkey in forms that would be attractive to consumers the year around. He says there are six fundamental requirements of merchandising which turkey products must meet before a greater year around consumption will occur—uniformity, economy, nutrition, eye appeal, ease of preparation and service. One turkey product which meets these requirements is the boneless turkey steak, and it also offers an opportunity to use the large toms to an advantage.

Boneless turkey steaks are comparatively simple to prepare and many processors throughout the state offer them for sale. The meat is removed from the thigh and the breast bones, cut into four to four and one-half ounce portions, and then run through a machine such as is used to make veal cutlets. The result is a generous serving of boneless turkey, either light or dark meat that is easily and quickly cooked.

The drumsticks, wings, giblets, back and neck are left to be used in different ways. Some firms sell these parts as pieced turkey, others to canneries. Locker plant operators have found that their customers use these bony pieces for salads, soup stock and roasting. The drumsticks, wings and back may be boned and the meat made into the steaks, but it requires more labor and consequently the cost of such steaks is a little higher.

Other turkey products which have been developed recently to encourage greater consumption all year are disjointed turkey, canned turkey, smoked turkey, fryers and barbecued turkey. They all have a definite place in the better merchandising of the Great American Bird.

Mr. and Mrs. C. C. Cox and son, Clifton, of Slaton, visited her father, W. B. Anthony, the past week-end. Mr. and Mrs. Cox are former Hereford residents, having moved to Slaton recently.

at Amarillo last Wednesday, and in Lubbock on Thursday.

### Aggie Mothers Elect Leaders

Aggie Mothers, local A & M Mothers Club, completed organization procedure Thursday night at a meeting held in the home of Mrs. Frank Gyles. New officers who were named include; Mrs. B. E. Brumley, president; Mrs. Jim Higgins, vice-president; and Mrs. Cliff Estes, secretary and treasurer.

Members of the group decided to set no regular meeting dates but to issue calls for all meetings necessary to carry on the work of the club in cooperation with the state organization.

Plans were made for the annual Christmas dinner-dance which will be given for A & M students during the holidays. Members attending were Mesdames; Earl Phillips, Henry Williamson, J. Wallace Robinson, Roger Corbett, 2674 London, Bruce Plummer, R. E. Brumley, Cliff Estes, Jim Higgins and the hostess. Ex-Aggie mothers are invited to join the organization.

### Wesleyan Guild Has Covered-Dish Supper Monday

A covered dish supper was featured in a regular meeting of the Wesleyan Service Guild at the home of Ellen Bryant November 17.

In the program which followed, Eula Lee Cave gave scripture reading Psalm 100, and Rev. O. B. Herring gave the prayer. The regular planned program by Audine Dettman was dispensed with because of a picture which was shown. "We the People" was the subject and it was shown by Leo Forrest.

Reports on the Thanksgiving projects were made by Bonnie Jean Kelly.

Guests were Mesdames Norman Gray, Ernest Wade, Leo Forrest, Homer Bryant, Merin Kaul, Homer Brumley, N. W. Whisenand, and Messers Cawthorn Bryant, Leo Forrest, John David Bryant and Rev. O. B. Herring. Members present were Audine Dettman, Byrdie Lee Fellers, Eula Lee Cave, Ela Alkman, Sadye Rigler, Ellen Bryant, Eunice Mathies, and Bonnie Jean Kelly.

Next regular meeting will be in the home of Byrdie Lee Fellers on December 15.

### Summerfield

BY MRS. GUY WALSER  
This community received about a quarter of an inch of rain over the week-end. Some of the farmers still have feed in the fields, and there is also some cotton still to be picked.

Rev. M. D. Rexrode of Dallas visited in this community last week. Mr. and Mrs. Roy Lee Campbell are the proud parents of a baby boy

born last week. Mrs. B. E. Robertson accompanied a group of Eastern Star members from Hereford to Plainview Saturday. Mr. and Mrs. Sam Ratcliff and sons of Amarillo and Mrs. Cleo McCharg of Amarillo spent Sunday in the home of Mr. and Mrs. Jack Streun and son. Mr. and Mrs. J. M. Wright and family visited friends in Amarillo Sunday.

Several people from this community attended the BTU study course meeting in Hereford Sunday afternoon.

Sheldon Green, who has been in the Hereford hospital for a month, was brought home this week-end. Mr. and Mrs. L. B. Lookingbill and family were host and hostess to a dinner in honor of Mrs. J. L. Lookingbill of Hereford on her birthday. Those present were Mr. and Mrs. John Winkler and daughter, Mr. and Mrs. Alton Lookingbill and family of Hereford, Mr. and Mrs. Cecil Lookingbill of Amarillo, Mr. and L. H. Lookingbill and L. H. Jr. and son, Dickie, Mr. and Mrs. J. A. Noland, Mr. and Mrs. L. B. Lookingbill and Mr. and Mrs. Horace Wilhelm of Amarillo.

# Streu's Diary

Nov. 19, 1947

**DEAR DAIRY:**  
What with Thanksgiving almost upon us, it is high time to consider Christmas shopping. As a lady said the other day, "You can Christmas shop at Streu's any day of the year." This has been true for many years as regards fishing tackle, tools, china, glassware, crystal, pottery, and many other gift lines. It will also be true from now on concerning bicycles, tricycles, wagons, and many other juvenile lines such as electric trains, construction sets, and other educational toys.

Our supply of trains, dolls, and wheel goods is rather short this year due to failure of several of our suppliers to fill their commitments—however we have several Lionel train sets, extra track, switches, Lionel construction sets in a range of prices, good stock of dolls, and many smaller items.

The gas heater situation is getting rough. Water heaters which have been plentiful, show signs of becoming scarce again. Gas ranges are hard to get, as are bicycles, pipe, and many other items. A word to the wise is sufficient.

Just received: Revere ware, Presto cookers, aluminum roasters in several shapes and sizes, large shipment of Duco enamels in a

wide variety of colors, small lot of Dupont outside white paint, some good paint brushes, few kegs of 8 and 16 common nails, a few Case pocket knives and hollow ground kitchen knives.

Coming: Lots of things—I HOPE.

Have a few Xmas light sets left—Xmas wrapping materials—novelty candles and other decorating items.

No more duck hunting now until Dec. 14th—most of the boys complain that the ducks and geese will be gone by then—that is probably just what the authorities had in mind—there will be lots of hunting going on in spite of the law—and no doubt those who get caught and fined will scream very loudly about the curtailment of their liberties—and it is because of duck hogs that the present drastic laws are in effect. Unfortunately, not all hunters and fishermen are sportsmen, and, unfortunately too many people in all walks of life do not have the training of true sportsmanship—there are too many who want more than their share of everything, and who will stop at nothing in order to get what they want. Why?

### Only Two More Rehearsals For Messiah Chorus

Only two more rehearsals are scheduled for the Hereford Civic Chorus before the annual presentation of "The Messiah" here on Dec. 7. Miss Mattie Mae Swisher, director of the chorus, announced this week. All members who will sing with the chorus on this occasion are urged to be present for both of the remaining rehearsals, Miss Swisher said. The next rehearsal will be Monday evening, and the final dress rehearsal will be held on Monday, December 1.

It is imperative for all singers taking part in the final presentation to be present for both of these rehearsals, Miss Swisher said. Eight new members were added to the local chorus last week. They were Mary Helen McGilvary, Gwen-dotyn Springer, Zelma Allmon, Mary Lou Allmon, Mrs. Imogene Whitehead, Mrs. W. J. Stafford, Mrs. A. J. Schroeter, and Mrs. C. C. Ferguson. The Clovis, New Mexico, Chorus is the latest addition to the roster of Panhandle-Plains choruses participating in singing of "The Messiah" oratorio this Christmas. Clovis singers have been invited to join the Hereford Chorus in the presentation here next month.

### Tri-Hi-Y Members Hear Talk Tuesday By C. Hamilton

Tri-Hi-Y met Tuesday night with Inez Tucker in charge of the program. Mary Helen McGilvary opened the evening exercises by playing "Pass Me Not, O Gentle Savior." Clarence Hamilton, instructor in Social Science Department, was speaker of the evening and chose for his subject, "Woman's Place in the World of Tomorrow." Tri-Hi-Y members will distribute pot plants and fruit to "Shut-ins" and Thanksgiving basket-dinners to the needy, for next meeting instead of having a regular program.

### Mother of Mrs. G. Rutter Dies Last Week at Lelia Lake

Mrs. C. G. Aten, mother of Mrs. Glenn Rutter of Hereford, died at her home at Lelia Lake last week after a long illness. Surviving her are four sons, Calvin and Austin of Uvalde, Lamar and Quinn of Lelia Lake; and four daughters, Mrs. Cassie Flora of Custer and Mrs. Carlyle Butcher of Knightstown, Indiana; Mrs. Moody Moneoy of Clarendon, and Mrs. Rutter of Hereford.

### Mr. and Mrs. J. E. Beyer Joined By Children Sunday For Celebration of Fiftieth Wedding Anniversary

It was love at first sight for Emma Balding and Joe Beyer more than half a century ago and Sunday Mr. and Mrs. J. E. Beyer celebrated their golden wedding anniversary here. Two strings of events led up to that long ago wedding day. One began in Iowa and one in Indiana. Emma Balding was born in Des Moines, Iowa, and later moved with her family to a farm near Sterling, Kansas. Young Joe had moved with his family to Sterling from Plymouth, Indiana when about a year old, and he had become an apprentice operator for the Santa Fe Railroad at Sylvia, about 30 miles from Sterling. Emma was already "promised" and Joe was "going steady" with another girl, and they both happened to visit the other girl at the same time. From then on Emma "beau" and the other girl didn't have a chance but the beau was a little slow to admit it. He was one of those kind that stood outside an open window near where the couple would sit in church, and scowled menacingly at them. Sometimes Emma was almost afraid to leave the church but Joe said "Shucks, he didn't scare me." The man even threatened to use a gun, but even that failed to break up the romance.

Mr. and Mrs. Joe Beyer are pictured above as they celebrated their Golden Wedding Anniversary Sunday. (Photo by Alex Thompson).

He was almost late for the wedding and the women folks became a little bit worried before he arrived. He had started right after breakfast but the day was bitter cold and also he was driving a good team of horses, he had to get out and walk part of the way to keep warm. About frozen he made it just in time and J. E. Beyer and Emma Balding were married at his home in Sterling, Kansas, on November 17, 1897.

They lived in Sylvia for a few months and then he was transferred to Sterling and there they set up housekeeping. The first thing they bought for the home was a piano, for they were both musical, and then they bought two fine bays and a rubber-tired cut-away buggy, which was followed later by a surrey with the fringe on top. Soon he was transferred to Kinsey where their oldest son was born, and from there he was transferred to Garfield as agent and their second and third sons were born there. Seven years later he was sent to Harper, where their daughter was born, then to Norwich and finally to Mooreland, Okla., where they spent 14 years. Twenty-five years ago the Santa Fe transferred Mr. Beyer to Hereford as their agent, and Joe has literally whistled and sung his way into the hearts of the entire populace. Their influence has been recognized in many worthwhile endeavors, especially in the work of the Methodist Church. He possesses a fine tenor voice and is never happier than when singing some fine old hymn as a solo, or when singing in the choir where they both have taken active parts since coming to Hereford. They must have a dozen hobbies, and one of hers is helping him do the things he likes to do, but so close has been their interests during these past fifty years that a story of one would include that of the other. Among their hobbies are "helping make Hereford a more desirable place to live, home beautification, raising beautiful flowers, raising chickens, and being good neighbors and friends, which Mr. Beyer declares is the "finest hobby in the world."

Mr. and Mrs. Beyer held open house Sunday afternoon for more

than 150 friends. The golden theme was carried out throughout their home with touches of glided greenery and bowls of chrysanthemums in yellow and gold tones and all members of the house party wore corsages of single chrysanthemums in pale gold. On the refreshment table, which was laid with a Quaker lace cloth, while tapers burned in silver Candelabra. The centerpiece was an arrangement of beautiful gold-colored chrysanthemums, and cake squares were topped with a single golden rosebud done in icing. Yellow and white mints completed the color theme and silver appointments were used throughout. Mrs. C. H. Dillehay of Vernon and Mrs. John McLean poured during the first hour, Mrs. Grady Stegall and Mrs. George Sasser, both of Clovis, presided the second hour and Mrs. W. E. Dameron, Mrs. W. J. Stanford and Mrs. Harry Seed presided for the last hour.

Guests were greeted at the door by the Beyer's daughter-in-law, Mrs. Lenia Shanz of Amarillo, and the celebrating couple headed the receiving line followed by their three GAL 2-MR AND MRS BEYER -- children, Mrs. Beyer's sister, Mrs. Clara Moore, of Modesto, Calif.; a niece, Mrs. Will Saunders, Puente, Calif.; and Mrs. W. E. Hicks of Garden City, Kansas. Mrs. P. L. Beyer of Amarillo presided at the guest register and others assisting in the house party were Mrs. Lawrence Beyer, Amarillo, Mrs. Van Bates, Abilene, and Mrs. Norman Whisenand.

As the guests came and went, traditional wedding music was provided by the couple's children, the sons at the piano and Mrs. Hicks giving vocal selections. When the older son struck up "Put on Your

Old Grey Bonnet" Mr. and Mrs. Beyer left the receiving line to sing and as the song reached its climax the rooms rang in happy harmony as the entire assemblage joined in singing "And we'll ride to Dover through the fields of clover--on our Golden Wedding Day." Mrs. A. C. Thompson, violinist, and Mrs. W. J. Stanford, pianist, entertained and Beverly Beyer, granddaughter from Hutchinson, Kansas, sang and gave clever interpretations of request numbers. Mrs. D. W. Hawkins entertained with an original poem bringing out highlights of the courtship.

Besides those already mentioned out-of-town guests included: Mr. and Mrs. Lawrence Beyer, Mr. and Mrs. Melvin Beyer and two daughters, Mr. and Mrs. Gordon P. Tompkins, and Dr. and Mrs. Bill Dinau, all of Amarillo; Mr. and Mrs. Van Bates and daughter, Abilene; Grady Stegall, Clovis, N. M.; Mr. and Mrs. C. C. Col and son Clifton of Slaton, Mr. and Mrs. Wes Anthony, Springlake; Mr. and Mrs. C. H. Dillehay, Vernon; Mr. and Mrs. L. F. Sheffy, Canyon; Mr. and Mrs. Jack Lester and son Bob of Pueblo, Colo.; Mr. and Mrs. Carl Spratt, Lubbock; Little Spratt, Artesia, N. M., and Oscar Hellman, Friona.

Mr. and Mrs. J. A. Pitman will leave Thursday for a visit with their daughter, Helen Ann Pitman who is in school at Stephens College in Columbia, Mo. The Pitmans accompanied by Helen Ann will visit Mr. Pitman's sister, Mrs. Don Taylor in Louisiana, Mo. Later they will return by Kansas City to visit with friends before returning home.

The Bench Warmer

As this department has been predicting, doubtfully, we'll admit, and without the courage of our convictions, the District 2-A football scramble has wound up in a three-way deadlock. The irony of the thing is that the team that pulled it off... the Dimmitt Bobcats... were out on the toss of a coin within 48 hours after their victory on the gridiron.

The Benchwarmer will go on the line right now, however, with the prediction that the Tullia Hornets will wind up in the bi-district play-off, where they probably belong anyhow. With all due respect to Bobcats and Eagles, we're still convinced that Tullia has the best team in District 2-A in 1947... and just as certain that any of the top teams in the other three districts of Region 1-A can take them. District 2 has been, without much argument, the weak-sister in the Region this year. If the Hornets or the Eagles come through with a victory over the winner of the Phillips-Perryton fracas, we'll cheerfully eat those words.

The right to represent District 2-A in the bi-district play-offs this year is a doubtful honor... sort of like being tossed to the lions... with the painful prospect of meeting either the Phillips Blackhawks or the Perryton Rangers just around the corner.

The Hornets, who were mauled 35-6 early this season by the Blackhawks, would probably prefer a meeting with the Rangers from Perryton to sort of vary the diet. After running headlong into the Floydada Whirlwind, the Phillips (Continued on page 8)

### Hornets Clip Herd 14-6 in Final Grid Game Here Friday Night to Tie for Championship

### Bobcats Tumble Canyon; Toss District Race in 3-Way Tie

Dimmitt's fighting Bobcats tumbled the Canyon Eagles from the District 2-A undefeated ranks last Friday night at Buffalo Stadium in Canyon with a 12-0 shutout which cost the Eagles their undisputed title to the district championship and boosted the Bobcats onto the top deck in a three-way tie with Canyon and Tullia.

The Tullia Hornets clinched their own place in the sun simultaneously at Hereford by downing the Hereford Whitefaces 14-6.

The Bobcats scored both their touchdowns in the first half, but had the game under control all the way.

The Bobcat captain and quarterback, Lonnie Rice, and fullback Wade Thompson, spearheaded the first Bobcat scoring drive near the

end of the opening quarter, after the Bobbies recovered one of the numerous Eagle fumbles on the Canyon 23 yard line, Rice dived over for the touchdown from the one-yard line on a quarterback sneak. The try for extra point failed.

Another Canyon fumble, recovered by the Dimmitt end, Carl Jowell set up the second Dimmitt touchdown in the second period. Jowell recovered the Eagle fumble on the Canyon 27 yard line. Co-captain Jack Ziegler smashed over for the score from the 7-yard stripe.

A 15-yard roughing penalty against the Bobcats set them back on the try for extra point, and Ziegler failed to make the grade on a smash at the line.

### Near-Upset Is Engineered by Hard-Charging Hereford Line

In one of the hardest-fought games of the season, the off-and-on Hereford Whitefaces, crippled by the loss of three regulars, battled the heavily-favored Tullia Hornets on even terms Friday night and dropped a 14-6 decision by an even narrower margin than the scores indicate.

The under-dog Herd roundly out-played the Hornets thru the first half of the game, and gave ground grudgingly in the last two periods. The patched-up Whiteface forward wall turned in its best performance of the season in holding the Hornets to a net gain of only 63 yards, and a single first down, in the first half of the game.

### Frona Clinches Cellar in Loss To Mustangs

Frona High School's Chiefs clinched the cellar position in District 2-A last Friday night at Olton, when they went down before Olton Mustangs 20-0.

The game wound up a disastrous season for the Chiefs, who have suffered eight straight losses since winning the season's opener from the Melrose, N. M., Buffs by a 27-7 score.

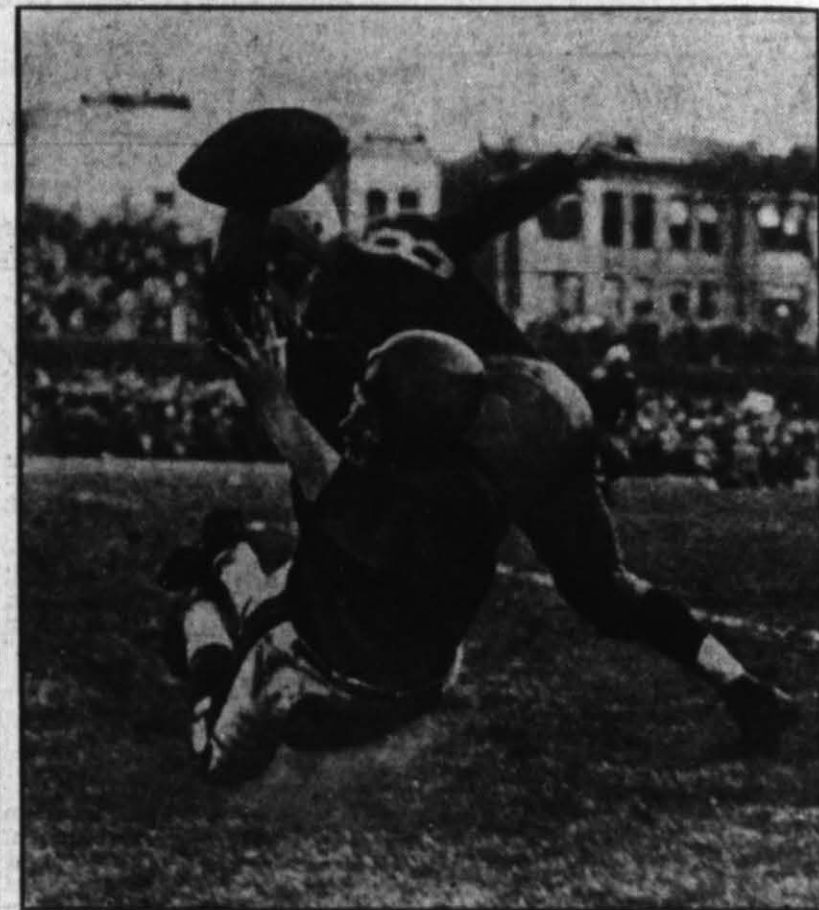

The Mustangs wound up in fifth place, behind the Hereford Whitefaces, with Tullia, Dimmitt, and Canyon all tied for first.

The District Conference standings for the season:

### No Wonder Luckman's Good!

### Dimmitt Out On Toss Of Coin Sunday

The Canyon Eagles and Tullia Hornets will meet tomorrow afternoon (Friday) at Tullia's Younger Stadium in a play-off game to determine which team will represent District 2-A in the bi-district play-off.

The winner will have the doubtful privilege of meeting the winner of the Phillips-Perryton battle for the bi-district championship. Phillips and Perryton will play Friday night at Phillips to settle the Championship of District 1-A.

The play-off game was decided upon at a meeting of school officials from Canyon, Tullia, and Dimmitt, the three schools which have tied for the District 2-A championship, at Tullia Sunday afternoon.

Under district rules, a toss of the coin cut the number of competing schools to two, and the Dimmitt Bobcats were eliminated. A play-off game between Canyon and Tullia was agreed on to decide which of the two schools will represent the district in bi-district play.

The Eagles were victors over the Hornets 13-7 in the opening conference game for both teams at Tullia on October 10.

Dimmitt tossed the league into a three-way tie last Friday night by defeating Canyon 12-0 at Buffalo Stadium in Canyon, while the Hornets were cutting themselves in for a share of the title by defeating the Hereford Whitefaces in Hereford 14-0.

The Dimmitt Bobcats had lost only to Tullia in conference play; the Tullia Hornets only conference loss was to Canyon; and the Canyon Eagles dropped their only league game to Dimmitt.

The three-way snarl which resulted was settled at the Sunday afternoon meeting between officials of the three schools. All three will be declared Co-Champions of District 2-A, but the play-off game is necessary to determine which team shall represent the district in the play-off.

Tullia's Younger Field, where a new grid stadium similar to Hereford's has been completed this fall, was agreed on as the site for the game with the Canyon Eagles.

Coach John Blaine of the Bobcats expressed regret that his team, which has the best season's record of any District 2-A school, had lost out in the toss after their hard-

### Three District Titles Still At Stake As Season End Nears

Three Region 1-A district championships are still undecided as the Class A football race goes into its final week of conference play. Only in District 3-A, where the Shamrock Irish have clinched the pennant, is the standard-bearer definitely decided.

The Irish put their name at the top of the list in District 3 last Friday night with a 12-0 shutout victory over the powerful Wellington Skyrocks.

The loss tumbled the Rockets into third place in a district in which, two weeks ago, they were the controlling power. The Wellington gridders went down the week before in the Region's most stunning upset before the Lefors Pirates 19-12.

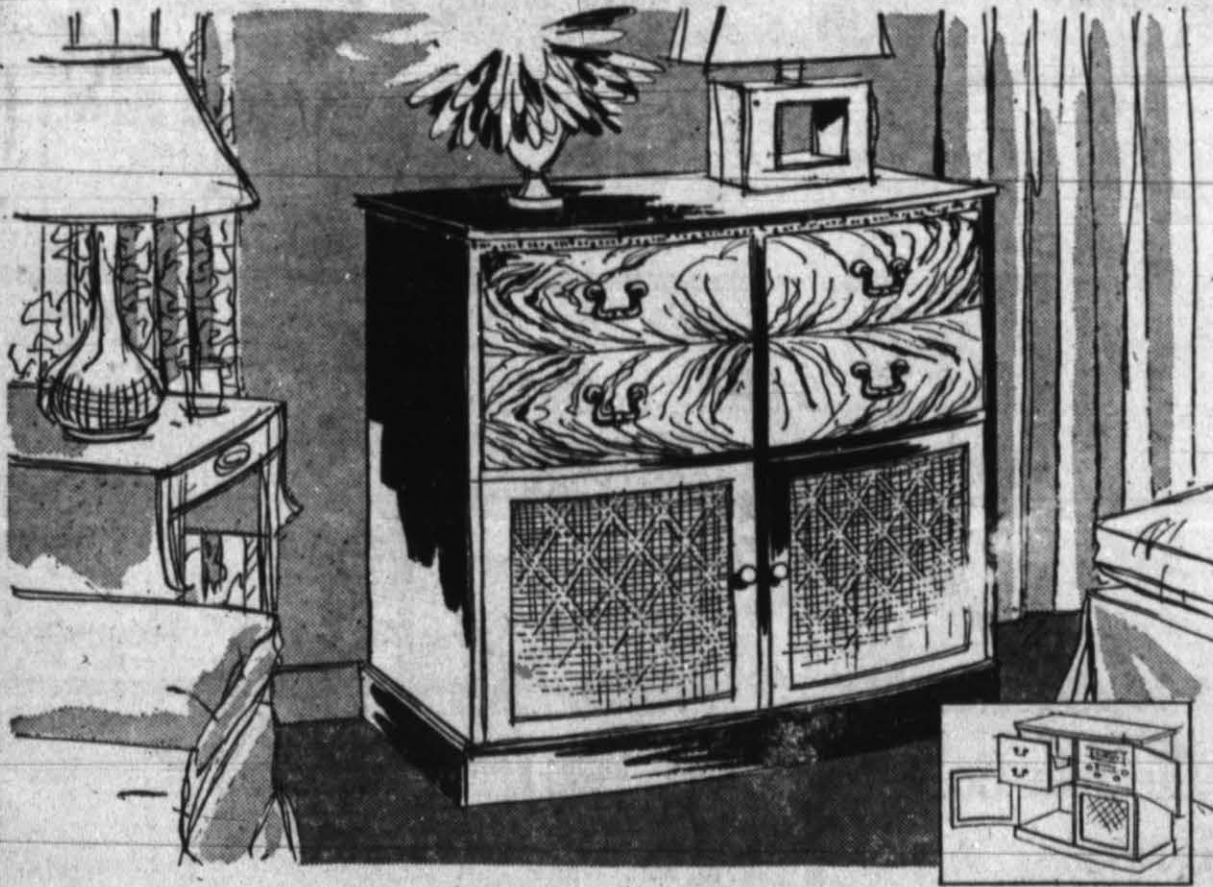

With Shamrock's undefeated Irish definitely in for the championship, the Pirates nalled down second place in the district standings with a 25-6 win over McLean Friday, leaving Wellington in third place. The Rockets still have to meet the Wheeler Mustangs.

In District 4-A, the Lockney Longhorns are still on top and going strong after handing the Matador eleven a 20-7 licking on Armistice Day last week. The Longhorns still have to meet the Paducah Dragons. Both the Dragons and the Spur Bulldogs have an outside chance at a tie with the Longhorns. Paducah must defeat Lockney and Matador; and Spur, depending on Paducah to handle the Longhorns, must defeat Floydada's still-powerful Whirlwinds and the Ralls Jackrabbits. It's a long-shot, but upsets have been the order of the day in Region 1-A this year.

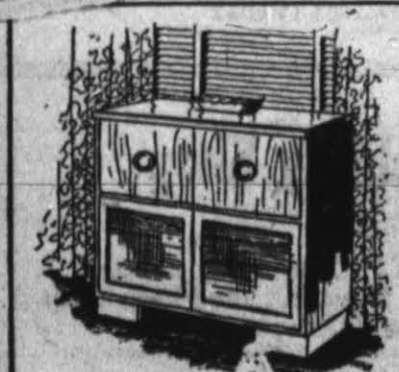

The battle of Titans still looms in (Continued on page 8)

Sisters-Brothers Hold Reunion

Three sisters and two brothers, children of the late Mr. and Mrs. W. A. Ricketts, held a reunion here the past weekend.

Mr. and Mrs. Ben Thomas (Ruth) of Los Angeles, California, Mrs. Lee Davidson (Maude) of Taft, California, and Mrs. B. R. Anderson (Gene) of Borger, arrived Thursday for a visit with their brothers, J. C. and Ira Ricketts, and their families.

Every day in the United States, 100 farm fires take the lives of ten farmers.

The peanut acreage of the Texas West Cross Timbers area is three times as large now as before the war.

Benchwarmer

Blackhawks, and the Wellington SkyRockets on three successive week-ends at the beginning of the season, however, no member of the Hornet squad can have much doubt of his ability to take a drubbing. The Eagles aren't so well prepared, having had a fairly easy season to date.

Incidentally, the Benchwarmer was a little off the beam in reporting the method of selecting a play-off candidate in event of a three-way tie. Coach R. D. Wheelock of Canyon explains that the procedure outlined by the Benchwarmer last week was discussed at a meeting of District 2-A officials last

spring, but was never settled on. Hence the play-off.

Wheelock is having troubles of his own this week. The Eagles had scheduled a game with Dalhart this week-end, and, unable to fill their commitment, were trying desperately the first of the week to find an opponent to take their place.

Kudos and such are due several of the Whiteface linemen for their outstanding performances in last Friday night's game. Owens, who has been a power at the pivot spot all season, spent a lot of time in the Tulla backfield with excellent results.

Chamber of Commerce Secretary Pete Cowart was on the ball bright and early Monday morning inviting Tulla and Canyon officials to bring their game to Hereford this week-end, but the Tullians have just built a new stadium of their own and are anxious to get the mortgage on it paid off. No soap.

Three District

District 1-A, where the Perryton Rangers and Phillips Blackhawks will get together this week-end to settle the championship fuss. Both are undefeated in conference play, and both won easily last week-end by top-heavy scores, Perryton defeating Dumas 60-0, and Phillips battering Canadian 51-8.

Bobcats

Zeigler and Thompson were the offensive stars for the Bobcats in the game which left the Bobbies in third place on the offensive in Region 1-A standings.

The Bobcats racked up 9 first downs to five for the Eagles, and gained a net of 134 yards to 59 for the Eagles.

The Bobcats passed seven times, completing one for a 4-yard gain. The Canyon game boosted the Bobcats to 4th place in Regional standings on defense.

## Helen Ruth Barber Is Bride of Andrew Pat Jones in Church Rites

The First Methodist Church was the scene of nuptial rites performed Sunday afternoon at 3 o'clock to unite Miss Helen Ruth Barber, daughter of Mr. and Mrs. Frank Barber, and Andrew Pat Jones, son of Mrs. A. M. Jones. Close friends and relatives of the couple were assembled to witness the double-ring ceremony which was performed by Rev. Roy Ford, pastor of the First Christian Church.

Palms and baskets of yellow chrysanthemums formed a background for the altar which was decked with flowers and ferns. Pewes were marked with yellow button chrysanthemums tied with satin ribbon. Music for the wedding was provided by Mrs. Glenn Snyder, organist, who played a prelude of "The Rosary" by Nevin, "Serenade" by Drigo, and "Evening Star" by Wagner. She also accompanied Jimmie Hendrick who sang "O Promise Me" and "Ah Sweet Mystery of Life", as well as the traditional processional and recessional and "Clair De Lune" as the vows were spoken.

Mrs. Ralph Rash of Dallas was the honor attendant. She wore a gaberlone suit in autumn blue with matching felt hat and brown accessories, accented with a single gardenia corsage. Ben H. Gull of Pampa was best man. Ushers were Henry Sears, Newt Gilliland, Dr. M. C. Adams and Frank Cogdell. Mr. Barber gave his daughter in marriage. She wore a Gilbert suit in nut brown gaberlone with darker brown accessories. Her palomino blouse featured gold trim at the throat which matched the gold touch on her off-the-face veiled hat. Her flowers were two white orchids which she wore as a shoulder bouquet. She also wore the bridegroom's gift, a gold necklace studded with rhinestones, and an heirloom gold bracelet belonging to a sister-in-law.

Reception Is Held Following the wedding a reception was held at the home of the bride's parents, the entertaining rooms being decorated throughout with yellow and gold fall flowers. Guests were greeted by a receiving line composed of the bride's parents, the bridegroom's mother and the bride and bridegroom. The bride's table was done in blue and white featuring a wedding ring cake decorated with sugar bells tied with tiny blue icing-ribbons, and a large arrangement of white carnations. Appointments were in silver. Mrs. B. R. Dixon, Lubbock, Mrs. Bruce Ross, and Mrs. Jack A. Barber, Lubbock, poured with Mrs. W. P. Maddox, Dallas and Mrs. Frank Barber Jr. of Carlsbad, N. M. serving cake. Mrs. Orland Newell presided at the guest register. After an extended wedding trip the couple will return to Amarillo where he is employed. Out-of-town guests for the wedding included: Mr. and Mrs. Ben Gull and Mrs. H. H. Gull of Pampa, Mrs. Ralph Rash, Mrs. W. P. Maddox and Peggy Maddox, Dallas, Virginia Brann, Greenville, Mr. and Mrs. B. R. Dixon, Lubbock, Mr. and Mrs. Frank Barber Jr., Carlsbad N. M., Mr. and Mrs. Jack Barber, Lubbock, Mr. and Mrs. Bill Ordway and Mr. and Mrs. H. A. Burk Jr. of Amarillo, Mrs. W. C. Witherspoon, Dallas and Mr. and Mrs. Jack Lester and son Bob of Pueblo, Colorado.

Mrs. Jones is a graduate of Lubbock High School and attended Texas Technological College there. She has been employed here in the Hereford State Bank.

Mr. Jones graduated from Hereford High School and attended W. T. S. C. Canyon. He received his degree at Texas A & M College. He served several years in the Navy during the war and was a Lieutenant Commander at the time of his discharge.

### Announce Wedding

Former Hereford residents, Mr. and Mrs. H. L. Bicknell, now of Fort Worth, have announced the marriage of their daughter, Beth, to Mr. Elvin Bobo, son of Mrs. Minnie Bobo, also of Fort Worth. The candlelight ceremony took place Saturday at Southside Church of Christ with the Rev. Leroy Brownlow officiating. Mr. and Mrs. Bobo will live at 1425 W. Rosedale, Fort Worth.

Another Letter to the Editor from . . .

### The Bootleg Philosopher

Dear editor: I read in a copy of the New York Times which turned up out here at Hereford Monday without explanation and which was about as much out of place here as a copy of The

Hereford Brand would be on a intellectual giant's desk on the 11th floor of the Empire State Building in New York, where some scientist has formed the opinion again that there is life on Mars.

### Honeymoon After \$370,000 Wedding

The Duke and Duchess of Montoro smile happily as they sail from Southampton, England, for a honeymoon in the U. S. She is the daughter of the Duke of Alba, Spain's foremost nobleman, who gave them the most sumptuous wedding since the fall of the monarchy. The wedding is said to have cost \$370,000, and she wore \$1,000,000 worth of jewels.

Now I ain't got no objection to form an opinion. You and me and a lot of politicians I know do it all the time; don't make no difference whether we got any facts at hand or not, but if them scientists really believes there is life on Mars, my suggestion is that they lay off, give up tryin to get there, turn their thoughts to makin more streamlined automobiles or better strikin matches or improved mechanical cotton pickers or easier ridin cultivators.

For all I know, there may be life on Mars, maybe human beings, but as I see it we ought to leave em alone. We can't even run the world we got, let alone takin on another one. We ain't even smart enough to operate this world without pullin off a war ever fifteen or twenty years and squabblin all the time in between and right now half the world ain't got enough to eat and inflation is about to get the best of the other half and we ain't hardly clear of the second world war when the foundations is been laid for the third. Looks like the last thing we need is another planet full of people to worry about.

Also, who knows but what the people on Mars ain't no better off than we and the second trip over after communication was established between the two planets half the governments of Mars would be after the United States for a load, and after we get through with Europe I don't believe we could stand it.

Nope, I tell you science can go too far and my advice is to leave them other planets alone unless they're dead sure ahead of time there ain't

nobody livin on them. On the other hand though, come to think of it, maybe the folks on Mars is better off than we are and we could swing a loan from them. On second thought, I won't stand in the way of the advancement of science and progress. I could use a loan myself.

Yours faithfully J. A.

### Bromfield Says Next Generation To Improve Farm

LUBBOCK, Nov. 17.—Agricultural practices will probably be improved 75 per cent by the next generation of farmers who, in their youth, have had advantages of specialized agricultural educations in colleges, and of participation in 4-H and PFA activities, according to Louis Bromfield, noted author and proponent of soil conservation.

Bromfield and more than 150 other national leaders in business, finance, industry, nutrition and land saving, visited Texas Technological College recently while on a tour covering Texas agricultural and industrial centers.

Texas Technological College and other schools that teach agriculture are playing a vital part in furthering soil conservation, Bromfield stated, pointing out that conservation does not end with preventing soil erosion, but also includes building up the soil by sound agricultural practices.

"Only about 10 per cent of today's farmers are really good farmers," he said, "with some 30 per cent more capable of being classed as fair. The remaining 60 per cent, frankly, are very poor."

"It is up to today's youth, with its improving knowledge of sound farming, to step in and save the situation," he continued.

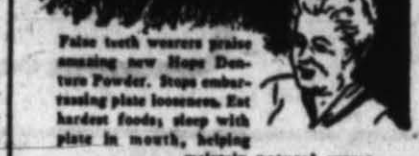

Bromfield stated that Texas appears to rank above the average national level in taking care of the land.

### Freeman Lambs At Kansas City Market

KANSAS CITY, Mo., Nov. 13.—Cornbelt buyers were pleased with a shipment of feeding lambs from Mack Freeman of Hereford, Texas,

which were on the market early this week and were readily sold. Freeman shipped 628 lambs, all of which averaged 74 pounds, and sold for \$20 per hundred-weight.

### Lots of Winter Grazing Needed to Save Grain Feed

COLLEGE STATION, Oct. 31.—It's going to take plenty of winter and spring grazing to fall in line with the government program of saving feed grain.  
 E. A. Miller, Extension agronomist of Texas A. & M. College, offers a few pointers on planting winter grain crops. He says that as soon as there is enough moisture in the ground, forage crops can go into the soil. If the land is not too hard, it's safe to go ahead and plant even in dry soil. The seed will germinate when it finally rains.

the oats and wheat will usually offer good grazing in the spring. Rye, especially abuzzi and balbo are good crops on the sandy soils of East Texas and the West Cross Timbers area.  
 Vetch and other winter legumes can be planted with grain to improve the grazing. Over a large area of Texas, hairy vetch is planted with rye or other grain crops for seed production and soil improvement as well as grazing.  
 In the southern half of Texas, when enough moisture is in the soil, hulum and annual yellow blossom sweet clover are first-rate crops, good for grazing, seed and soil improvement.  
 Mr. Miller says that winter and spring grazing not only will help to save badly needed grain, but will also cut down on the cost of livestock production.

### MARKETS

Most southwest farm products sold at fairly steady to moderately higher prices last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.  
 Unfavorable prospects for next year's winter wheat crop and large export demands still dominated grain markets. Wheat registered further substantial gains to sell at \$3.11. Other grains held close to last week's levels.  
 Limited rice movement met firm to slightly stronger markets during the past week. Uneven trends continued to rule feed markets, with average prices a little higher. Peanut oil and meal strengthened, but shelled peanuts remained dull. Domestic wools moved slower. Less than 15 per cent of domestic offerings sold in an auction sale held on Thursday, November 13. Mohair was slow at uneven prices.  
 Cotton harvesting and ginning continued active during the week, although cool days and sandstorms retarded progress somewhat in Northwest Texas and Western Oklahoma. Sales decreased slightly despite net price advances of around \$4 a bale.  
 Week's cattle sales went largely at steady to stronger prices, with many lots going higher at Wichita and Denver. However, low grade cows at Texas markets moved counter to the trend to sell as much as 50 cents lower at \$8 to \$12 for canners and cutters. These grades brought \$9 to \$12 at Oklahoma City, \$10.50 to \$13 at Wichita, and \$11 to \$14 at Denver. Texas paid \$12 to \$15 for common and medium cows. Sheep prices held mainly steady to strong for the week but lambs showed some easiness at Oklahoma City, Wichita and Denver. Common and medium lambs sold at \$14 to \$18 at San Antonio, as medium and good grades cashed at \$19 to \$21.50 at Fort Worth, and \$17 to \$21 at Oklahoma City. Denver paid \$24.25 for choice natives.  
 Hog markets rallied some during the week but butcher classes suffered losses up to 25 and 50 cents at some terminals. Feeder pig prices dropped 50 cents to \$1 at San Antonio and Oklahoma City and \$4.50

at Fort Worth, where top offerings sold at \$20. Closing top butchers ranged from \$24.75 to San Antonio to \$25.50 at Denver.

Turkeys moved to market in greater volume for the Thanksgiving holiday trade. Prices stayed close to support levels at most places. Fryers and broilers in the Northwest Arkansas surplus area weakened further to mostly 28 to 31 cents per pound for 2 3/4 pound birds. Other eggs and poultry changed little for the week.

Tomato prices broke sharply in the Lower Rio Grande Valley but rallied slightly toward the end of the week. Thursday's price of mostly \$4.50 per lug for 6 by 7 and larger U. S. No. 1's remained \$1.50 to \$2 lower than a week before. Peppers held about steady. Onions strengthened in Colorado, while potatoes changed little. Sweet potatoes sold firm to slightly stronger in Louisiana. St. Louis and Kansas City wholesale markets quoted beans, onions, and sweet potatoes higher.

On October 19, 1947, Congress voted to establish a committee to handle Naval affairs. This body, called the Marine Committee, and composed of three members, was the forerunner of the present Navy Department.

Seven civilian scientists from Swarthmore College and Cornell University are in Point Barrow, Alaska, northernmost United States settlement, to begin a Navy-supported program of biological research within the Arctic Circle.

### Hornets Clip

(Continued from page one)

Hornets for downs. An exchange of punts left the Tullians in possession at mid-field. Then came the break: Ray Simpson, Hornet half-back, sliced his way off tackle, eluded several tacklers, and sped 50 yards downfield to score standing up. Jackie Ramsey was rushed into the game for the conversion, booting the ball cleanly between the goalposts.

After the next kick-off, the Whitefaces took control of the game and held it for the remainder of the half. The Hornet kick-off was taken by Knox on the 15, run back to the 27. After a couple of plays had lost five yards for the Herd, Wilson took a hand-off from Knox, swept around left end for 17 yards and first down on the 39. Knox hit the end for four, and Wilson struck cen-

ter for 2. A 5-yard penalty set the Whitefaces back on their heels. Hennington, taking a lateral from Knox, picked up the five but was still short for a first down.

Hennington attempted to punt, and a Tullia end crashed in to partially block the kick. A scramble followed, and Janssen came up with the ball on the Hereford 48-yard stripe for a first down and a big break for the Whitefaces.

Davidson, Wilson, and Hennington teamed to smash their way for two more firsts down to the Tullia 20 yard line, when Hennington, hitting the line on the 20, fumbled and Tullia recovered as the period ended.

As the second period opened, the Hornets started a drive from the 20, but bogged down in the face of a tough Whiteface defense after Simpson and Sanderson had smashed their way to a first down on the 31. Owens twice crashed through the line to smear the Tullia backs for heavy losses, and Sims was finally

forced to kick from the 33, the ball going out of bounds on the Hereford 45.

The Herd immediately started rolling. Hennington hit center for 4, and Wilson circled right end for a yard. Davidson smashed through center for a first down on the Tullia 45. Wilson lashed at guard for 2, and Hennington made it first down again on the 33 with a 9 yard sweep around left end. Wilson circled right end, getting good blocking, for 12 yards and another first on the Tullia 19. Hennington hit right guard for 2, and Knox pulled out on the famous Whiteface sucker play, sliced off tackle for 17 yards and the score. Sims blocked Hennington's attempted placement to protect the Hornet's slim one-point lead.

Taking the Hereford kick-off, the Hornets were held for downs by the hard-charging Whiteface line, and Sims dropped back, got off a booming 46 yard punt which was taken by Hennington on the Whiteface 15.

Unable to gain, the Herd was held for downs and forced to punt as the half ended.

Tullia's big break came on the second play of the third period. The Tullia kick-off had gone down to Wilson on the 5 yard line, and the Whiteface back was stopped cold on the 12. On the first play, a Whiteface fumble was recovered by the Hornets on the 10 yard line. Ramsey circled right end for 7 yards, Hennington and Gresham pulling him down on the 3. Stark was stopped on a thrust at guard by Owens, but Ray Simpson smashed through the line for the score, and Ramsey again converted, to end the scoring with the Hornets leading 14-6.

The Herd was unable to gain after the kick-off, and Hennington booted the ball out on the Tullia 22, a 83-yard kick. With Ramsey, Simpson, and Sanderson carrying most of the load, the Hornets drove their way downfield for four straight first downs which carried to the Hereford 22. There the Hornets drew a 5-yard penalty for off-side, and Stark, fading to pass, attempted to pull off the old "Statue of Liberty" play, fumbled, and Gresham, racing in, recovered on the Hornet 38, ending the threat.

Falling to make a first as the Hornet defenses stiffened at the opening of the last period, the Herd elected to kick. Hennington dropped back and sent a beautiful 43-yard punt sailing out of bounds just inside the flag on the Tullia 1-foot line.

The Hornets were on their toes, however. In punt-formation, with Sims back, they caught the Whitefaces with their fences down as Sanderson sneaked over center for 17 yards and a first down. Simpson smashed of tackle for 11 and another first on the 28, and the Hornets were out of danger. A 15-yard penalty for holding set them back to the 13, and Sims kicked out to the Hereford 43.

Held again for downs, the Herd fell back in punt formation and Wilson sent a 40-yard boot sailing out on the Tullia 20.

The Hornets bounced back, driv-

fought victory over Canyon Friday night had topped the Eagles from their perch at the top of the conference standings. The Bobcats, however, would not have been able to take part in a play-off game, since they have already completed a ten-game schedule.

Coach R. D. Wheelock of the Canyon

ing their way out to the Hereford 43 where they were held for downs and forced to punt. Sims' kick went out on the Hereford 13 yard line, and the Whitefaces were fighting their way out of the shadow of their own goal posts as the game ended.

yon Eagles said Monday that if Dimmitt and Canyon had been bracketed in the play-off, however, the Eagles would have conceded the honor of representing the district to Dimmitt, rather than force the Bobbies into a play-off in which they would have had to use reserves who had played in less than ten games this season.

Since the Bobbies had lost the toss, however, Wheelock said, his Eagles were eager to tackle the Tullia Hornets again in an effort to demonstrate to the district at large that their early-season victory was no accident.

The Eagles were considered by many fans to have been "lucky" to squeeze out their 13-7 victory over Tullia in the first meeting.

The Hornets, co-champions of the district last year with the Hereford

Whitefaces, opened the season rated as the Number One team in the district.

A series of double-tough opponents from neighboring districts, however, wrecked their season's record and crippled their team before they were well underway. The Hornets tied Canadian 0-0 in the opener, then lost four straight games, in order, to the Floydada Whirlwinds of District 4-A 18-0, to the Phillips Blackhaws of District 1-A 35-6; to the Wellington Skyrockets of District 3-A 26-0, and to the Canyon Eagles in the conference opener, 13-7. Since then they have been undefeated.

The Eagles lost their opening game in a surprising 14-0 shutout by Muleshoe, then romped through the season undefeated until they met

the Dimmitt Bobcats last Friday night.
