Rex Tynes, who presides over the prescription counter at Close Drug, is a Chess addict and is itching for competition.

Rex, incidentally, is an Old Master at the Chessboard, and any aspiring novices around town who are interested in learning something about the game could do worse than take him on for a little instruction.

Ona Faye Smith-Hudson, who has just resumed her duties as a beauty operator at the Beauty Mart, has also just completed a year's training as a mortician.

Jim Whelan, the man behind the counter at Kemp Lumber Company, is the proud daddy of a new boy.

Father Krukkert Of Umbarger Dies Tuesday Morning

Father John H. Krukkert, pastor of St. Mary's Church at Umbarger since 1943, died Tuesday morning at St. Anthony's Hospital in Amarillo.

Funeral rites were held this morning (Thursday) at 10 o'clock at St. Mary's Church in Umbarger.

Mass this morning for Father John was celebrated by Rev. Peter Morach, of White Deer, and Mgr. Francis J. Pokluda of Wall preached the funeral sermon.

The body was brought to Umbarger yesterday afternoon to lie in state until the funeral rites this morning.

Father Krukkert was 57 years old. He was a native of Holland, and was ordained in 1920 at Fribourgh University in Switzerland.

He returned recently from a trip to Holland, where he visited his father, who is now 96 years old.

Brother of Andy Thomas Dies at Endee, New Mexico

Funeral services for J. E. Thomas of Endee, New Mexico, were conducted there Tuesday, November 11.

At the meeting last week, Calvin Brumley of Amarillo, himself an ex-Aggie, brought a message to the local group from the President of the state federation.

Fifteen Hereford boys are currently enrolled at A & M. They are Phil and Bill Goiston, Roger Corbett, John Estes, James Ellis Higgins, Wayne Phillips, Ben R. Plummer.

Deaf Smith Farmer Finds New Cash Crop as County's First Lettuce Turns Big Yield

John Paetzold, who is a strong believer in diversified farming and one of the most successful practitioners in these parts, has found a new crop to turn Deaf Smith county soil and water into cash.

Crop May Become Big Producer in Plains Area

Paetzold, whose specialty is growing spuds on a commercial scale, was one of a handful of Plains farmers to take a flier on lettuce this fall, and he's sold.

In spite of the fact that labor troubles delayed harvesting until an early frost nipped two-thirds of his crop before it could be cut, Paetzold is still enthusiastic about growing lettuce and intends to try it again next year.

Paetzold planted six and a half acres of lettuce early in August on land from which early potatoes had just been harvested.

That's when his troubles began. A labor shortage developed, and by the time he had imported labor from Colorado to begin harvesting, it was too late.

The lettuce was producing about 250 crates to the acre on the first cutting, however, and would have produced between 350 and 400 crates of excellent quality lettuce if harvesting had been started in time, Paetzold reports.

Even with more than two-thirds of the crop lost, the yield paid expenses for this first experimental planting, Paetzold says.

However, next year he intends to plant on a large enough scale to have the crop packed and marketed out of Hereford.

This year, the lettuce had to be trucked to Monroe, where the marketing centered, with a consequent extra expense and trouble, Paetzold believes that enough lettuce will be grown here next year to support a local marketing center.

It's an excellent follow-up crop for early potatoes, he says, "and the growing season is ideal in this area."

D. L. McDonald, Amarillo water engineer and Hereford cattleman, is reported to be in a serious condition at Scott-White Hospital in Temple, following a stroke Friday evening.

Farmers Urged to Seek Conservation Aids This Year

Deaf Smith county farmers and ranchers who want federal aid for carrying out planned conservation practices should get their applications in and approved before the end of this year.

There are ample funds still in the Deaf Smith county 1947 allotment to cover a great deal of this work, Collier reports, and these funds cannot be carried over into 1948.

Approximately \$180,000 was allotted to Deaf Smith county in 1947 for payments for conservation practices.

Car Load of Wheat to Be County Gift

Deaf Smith county's contribution to the "Friendship Train"—a car-load of wheat for the people of Europe—must be ready to go not later than Monday, D. C. Kinsey, Lions Club president, told the sponsoring Lions Club yesterday at noon.

Santa Fe Railway has set aside 120 cars to be loaded in the Panhandle area served by Santa Fe and pulled into Chicago where the Chesapeake and Ohio will take over to move the train into New York.

The Texas train is scheduled to leave Amarillo not later than Tuesday.

Deaf Smith county's planned car-load of wheat was less than one-quarter filled by donations of grain and cash yesterday, and a county-wide drive to provide the remainder of the 1500 bushels of wheat, or cash to buy it, to fill the Deaf Smith car is planned this week-end.

Pete Cowart, Grant Fuller, and Glenn Snyder were appointed yesterday by Kinsey on a committee to aid in coordinating the efforts of all local service clubs, churches and other organizations in filling this community's contribution to the Friendship Train.

No soliciting whatever is planned, Cowart announced yesterday after a conference with his committee.

Announcements are to be made in schools and churches, and letters are being sent out to farmers-all over the county asking for donations of grain.

For farmers who want to make gifts of wheat, the Pitman Grain Company elevator in Hereford has volunteered to act as collection agency.

Persons wanting to donate wheat, but having no means of hauling it to the elevator, should phone 287 in Hereford and arrangements will be made to have it hauled to the elevator.

Speaking briefly to the Lions Club on the purpose of the Train, Kinsey said Wednesday, "This is to feed the hungry children of Europe. There's (Continued on page 8)

City Drug Store Is Sold to G. W. Edwards Tuesday

Sale of the City Drug Store by W. L. Alexander and Robert Singer to Mr. and Mrs. G. W. Edwards, formerly of Leedy, Oklahoma, was announced yesterday.

Mr. and Mrs. Edwards assumed active management of the store yesterday.

Mr. Alexander will remain with the store for the present time. Singer has announced plans to move to Dimmitt, where he will be associated with his father, T. A. Singer.

There will be no changes in the personnel at the store, Mr. Edwards has announced. Complete fountain and prescription service will be maintained, and improvements are planned in the near future.

J. G. White Dies At Bovina Sunday After Long Illness

J. G. White, long-time resident of Bovina, died at his home last Sunday morning, November 9, after a long illness.

Funeral services were conducted at the Bovina Methodist Church Monday afternoon, with the pastor, Rev. George York, officiating.

Interment was in the Bovina Cemetery under direction of Lemons Funeral Home of Plainville.

Palbearers at the services were Billy Harlow and Artis Jones of Hereford, Byron Turner, Earl Richards, Harry Jackson, and Elton Venable of Bovina.

Mr. White is survived by his widow, Mrs. Mollie White, of Bovina; one daughter, Mrs. Harold Turner, of Patterson, California; and two sons, Otis White of Bovina and Hubert White of Hereford.

Mrs. Turner was unable to be present for the funeral rites. Mr. White had been engaged in farming until two years ago, when falling health forced his retirement. He had been confined to his bed since last May.

Six Highway Crashes in Hereford-Friona Area Keep Highway Patrolmen on the Move

Twenty-three persons involved in series of crashes—several hurt, none fatally

A series of at least six serious highway accidents in a five-day period kept state highway patrolmen busy in the Hereford-Friona area during the week-end and over the Armistice Day holiday, Tuesday.

To date no fatalities have been reported, although seven people have been hospitalized, six others dismissed after receiving first aid treatment, and ten more involved in the series of accidents escaped without serious injuries.

Seven cars, a truck and a tractor were involved in the six accidents, and considerable property damage has resulted.

The first and most serious of crashes occurred three and a half miles west of Friona on Highway 90 last Friday night when a 1942 Buick, driven by Bob Follett of Pittsburg, Pennsylvania, crashed into a stalled 1929 Ford operated by Vidal Gutierrez of Santa Rosa, N. M., and his son Eugene, 16.

The Ford was demolished. Gutierrez suffered two broken legs, a broken jaw, and cuts and bruises. The boy had a broken leg, fractured jaw, and cuts. Both are in the Farmer County Community Hospital in Friona.

Follett and his wife were not seriously injured. Their small daughter, 6 years old, is recovering in the Friona hospital from a possible skull fracture, and a 5 year old son escaped with minor injuries.

Three hitch-hikers who were riding with the Folletts escaped injury. Patrolmen said the Ford had been stalled on the left side of the highway, and had no lights. The Folletts car collided with it head-on. The accident occurred at 7:05 p. m. Friday.

Veterans Observe Armistice Day With Parade, Barbecue

Armistice Day was observed in Hereford Tuesday by veterans of both World Wars with a colorful parade, a barbecue, brief outdoor memorial services, and two dances Tuesday night.

Practically all Hereford stores were closed for the day, and a long line of flags decked Main Street in observance of the holiday.

The Hereford Riding Club organized this fall, made its first public appearance when 30 club members, at the invitation of the veterans, rode in the Armistice Day Parade on Main Street Tuesday morning.

The parade was led by the Veterans Color Guard, followed by the Hereford High School band. Members of local veterans organizations followed, each wearing the official overseas cap of the VFW and American Legion.

The mounted riders of the Hereford Riding Club brought up the rear. Following the parade, veterans and their families adjourned to Veterans Memorial Park for a barbecue dinner served at noon, followed by brief Memorial services conducted by Rev. Russell Wingert, pastor of the First Presbyterian Church and (Continued on page 8)

### WT High to Have Homecoming Friday Afternoon

West Texas State High School, at Canyon, will stage its annual Homecoming celebration Friday afternoon and evening, November 14.  
The celebration will begin with a game between the West Texas High

Calves and the Clarendon Bronchos, at two o'clock in the afternoon, on Buffalo Field.

The climax of the day's festivities will be a Sadie Hawkins party Friday evening at 7:30, in the Education Building gymnasium, where prizes will be given for the best Lil' Abner and Daisy Mae costumes and for the Daisy Mae bringing the most Lil' Abners.

Principal Cecil Briggs and Coach Hatcher Brown, former member of the Calves' team, are expecting a large number of ex-students to return to the campus for the occasion.

### 4-H Club Girls Observe Achievement Day in Special Program at Courthouse on Saturday

Deaf Smith county's 4-H girls observed 4-H Achievement Day Saturday with a special display of hand-work and a program for parents and friends at the District Courtroom in the courthouse in Hereford.

Thirty-four girls, members of the three girls 4-H clubs in the county, were present and received recognition awards—4-H club rings—from the Deaf Smith County Home Demonstration Club council.

Mrs. Merlin Kaul, chairman of the County Home Demonstration Club Council, presented the awards.

Special guests of the group were 20 4-H club boys from the Deaf Smith county club. Other guests included parents, sponsors, and interested friends. Mrs. Tom Draper county Home Demonstration agent, estimated that more than 90 persons attended the meeting.

Mrs. Kaul presided at the session. After the club pledge was repeated, Jeanette Scott led two songs which she had learned at the 4-H Round-up at College Station, and with Dorothy Young and their sponsor, Mrs. E. H. Little, reported on their trip to the Round-up.

Mrs. Louie Olson delivered the welcome address, and Mrs. Little led a group of the girls in a skit.

Girls displayed their achievements and told what they had done in 4-H club work this year, and Mrs. Kaul presented the awards.

From the Sims-Bippus club: Mary Kathryn Gruhky, Esther Gruhky, Alma Jo Whittell, Joyce June Wagner, Maudene Kemp, Armelda Johnson, Lyla Mae Bronneman, and Shirley Faye Perry.

### Panhandle Farmers Know The Value of LEVEL LAND

• They Make Irrigating Easy — Save Water — Cut Labor Costs — Increase Efficiency of Modern Farm Equipment

**with an EVERSMAN AUTOMATIC LAND LEVELER**

Here's a machine that makes LAND LEVELING easy. The automatic action of the EVERSMAN planes off the high places, fills in the low ones as the machine moves along. While automatically leveling it also breaks clods, mulches the soil, forms a firm, well pulverized seed bed.

Makes possible "table top" land for irrigation farmers, saving time, labor and water, eliminating spots that drown out or high places that burn out. The EVERSMAN, by producing smooth, level fields saves wear and tear on cultivators, corn-planters, mowers and balers, makes harvesting faster, results in better yields and better recovery. Also efficient dirt mover operated from the tractor seat.

Here's a 3-purpose machine for land leveling, dirt moving, and seed bed preparation—the machine you'll need year after year. One man and your present tractor operate it.

The EVERSMAN is inexpensive to buy. Comes in four sizes to fit your tractor power. Come in today and get full details on all EVERSMAN models.

### Passing of Pioneer Resident Adds Page to County History

**BY BESSIE PATTERSON**

One more paragraph toward the close of the chapter on pioneer days in Deaf Smith County was completed with the death on October 26 in Dallas of Mrs. Fannie Jackson Witherspoon, widow of C. G. "Judge" Witherspoon, who taught the first full term of school in Amarillo and was one of the three prominent Amarillo men in the summer of 1890.

Fannie Armstrong Jackson was born in Joshua, Johnson County, Texas, 84 years ago on May 1. Although she was a petite young lady, her father is said to have given her the nickname "Strong-Arm," perhaps because of her strong singing voice, which relatives say could be heard for long distances as she crossed the draw to carry water from a spring.

"She was always singing," Vern Witherspoon of Hereford, her brother-in-law, recalls. "I thought of her almost as a mother after we moved to old La Plata; I spent so much time in their home. I never heard her speak a harmful word of anyone, although I know she had cause."

The Witherspoons moved from Amarillo to Deaf Smith County immediately after its organization, and Mr. Witherspoon served as its first county clerk. Later he served several terms as county judge, taught in the school, which had about 300 pupils from this county and the eastern part of New Mexico, and operated a real estate office for the Western Union Land Company. They built the first house at La Plata and later at Hereford.

Mrs. Witherspoon died at the home of her son, Claude Witherspoon, in Dallas. Funeral services were conducted in Dallas, and she was buried beside her husband in the cemetery at Waxahatchie. She is survived by the one son and two grandchildren.

### Mrs. Rodgers Leads Calliopian Lesson

Mrs. David Rodgers was in charge of the program for the Thursday night meeting of the Calliopian Club held at the home of Mrs. Clyde Cave.

Mrs. Rodgers spoke on "Outstanding Contemporary Negroes," mentioning Marian Anderson, singer; Jackie Robinson, baseball player; Duke Ellington, orchestra leader, and others.

The next meeting will be held on November 20, with Mrs. B. F. Cain. Mrs. Carl Perrin will give a program on "Children's Literature."

Members attending were Mesdames Richard Bernard, Paul Conway, Alton Fraser, Norman Harris, J. E. Kirby, N. E. Millburn, Millard Nohles, Carl Perrin, David Rodgers, Elizabeth Womble, W. L. Davis Jr., Miss Genevieve Eberle and the hostess.

### Bay View Club Studies Russia

Mrs. Paul Mathers, vice-president, presided at the Bay View Club meeting which was held Thursday afternoon in the home of Mrs. D. H. Alexander.

During the business session a change in hostesses for the next meeting was made. The meeting will be held with Mrs. Roy Ford instead of in the home of Mrs. F. T. Robinson as listed in year books.

The third program dealing with Russia was presented by Mrs. Herman Ford and Mrs. Travis Dameron. Taking up the religious life in Russia they presented a question and answer lesson with Mrs. Ford discussing: "The earliest forms of religion in Russia, state control of the church, Peter the Great, formation of ecclesiastic bodies and the Dismissal."

Mrs. Dameron discussed "The effect of the Revolution in Russia, cause of antagonism to the church, the League of Militant Atheists, the reaction of World War II, and How and Why the Kremlin is now the political head of the Eastern Orthodox world."

A discussion of the lesson was held after the main program.

Members attending were Mesdames Phillip Barkley, H. O. Cookwright, T. M. Dameron, Herman Ford, Roy Ford, E. W. Harrison, G. G. Beard, J. W. Kirby, Paul Mathers, John McLean, J. P. Slaton, Bob Wilson, R. B. Miller and the hostess.

### 50th Anniversary To Be Observed By J. E. Beyers

Mr. and Mrs. J. E. Beyer, who were married in Kansas November 17, 1897, and who have lived in Hereford 25 years, will celebrate their golden wedding anniversary Sunday by holding open house at their home, 408 McKinley. Invitations have been mailed and friends of the couple will call between 3 and 6 o'clock.

Mrs. Beyer is a native of Iowa and Mr. Beyer is a native of Indiana. Their living children include: Mrs. Harold Hicks of Little Rock, Ark.; J. E. Beyer Jr., of Hutchinson, Kansas, and P. L. Beyer of Amarillo.

### Mrs. Arthur Brooks Attends Reunion

Mrs. Arthur Brooks returned last week from Snyder, where she attended a family reunion in the home of her sister, Mrs. Etie Evans.

All seven of sisters and brothers were present: Mr. and Mrs. John G. Harvey of Crosbyton, Jim Harvey of Snyder, Mrs. J. A. Adams of

**Cecilia Guseman Is Visitor at St. Louis Art Exhibit**

COLUMBIA, Mo., Nov. 8.—Miss Cecilia Guseman of Hereford, Texas, was one of more than 100 Stephens College students here who visited the 40th anniversary exhibit of the St. Louis Art Museum and attended a concert featuring Raya Carbova, violinist, with the St. Louis Symphony Orchestra in St. Louis, Mo., on Nov. 7.

The St. Louis visit was the first in a regular series of student trips, sponsored by the Humanities Division of the college, to cultural and educational activities each year.

At Stephens College, Miss Guseman lives in Towel Hall, the largest of the 25 residence halls on the campus. She is the daughter of Mr. Cecil T. Guseman, 504 East Fifth St., Hereford.

**Parent-Teachers Meet Monday at High School**

The Hereford Parent-Teacher Association met Monday, November 10, in the High School Auditorium, following an afternoon of visiting in the various schools by the parents.

By-laws were read by Mrs. Lynn C. Kester, a member of the By-laws and Constitution Committee. These were adopted as read.

Supt. George Graham spoke to the group on the relationship between parents and teachers in school work. He said his favorite conception of this was "Hands across the Table."

A short get-acquainted game was played and refreshments were then served by the Executive Committee.

Parents and teachers alike were gratified at the attendance and interest shown thus far in the P. T. A. At this meeting 72 new members were registered, making a total of 160 paid members now in the P. T. A. There were some 12 guests registered, and probably some that did not register.

The next meeting of the P. T. A. will be an evening meeting at 7:30, December 8.

**LARGE CROWD ATTENDS OPENING OF BOYS RANCH FARM**

These scenes were recorded at Boys Ranch, 16 miles south of Dimmitt, Sunday when more than 2500 people gathered for a barbecue dinner to pay tribute to Mr. and Mrs. Dwight Axtell, who gave the 1500-acre irrigated farm to Boys Ranch. The Spring Lake couple are pictured above with three of their "adopted boys," Danny Price, Kenneth Palvadore, and George Jordan. In the lower photo is part of the crowd gathered in front of the ranch-style house erected for the boys by friends in neighboring communities of Dimmitt, Plainview and Spring Lake. Eight boys are now making their home here. County Judge Ernest Tibbetts of Plainview made the dedicatory address, officially opening the new home for Boys Ranch Inc. **Streu's Diary**  
Nov. 12, 1947

DEAR DIARY:  
Winter is finally putting in a belated appearance. I never did like winter weather—however it will seem warmer this winter with the ladies in their new long skirts.

I have often marveled at their endurance to the cold — bet I would freeze to death in knee length pants.

As I predicted some time ago, our stock of gas butane heaters is shot to pieces—however, we are getting in a few along, and still have one of the most complete stocks available. Just received one Coleman oil heater.

Just received: Gas and butane ranges—3-inch conductor pipe—large milk strainers—Old English floor wax in all sizes—small shipment of Magic-Skin dolls — one Stromberg-Carlson console radio without record player—and lots of miscellaneous hardware items.

Coming soon: Complete stock of Arlington pattern Glastonbury crystal—one boy's and one girl's bicycle—shipment of Black-Eyed Susan dishes—our annual shipment of Aladdin lamps and accessories—one Lionel electric train and a bunch of track and switches and other accessories—Thanksgiving novelty candles—Turkey plates and other Thanksgiving items.

The outlook for better toys is getting worse all the time, but we are still holding out for definite commitments. The situation on nails, pipe, fittings, galvanized ware, and other items requiring sheet steel is worsening — no relief in sight for windmills.

With the above pleasant note, I bid you a fond adieu for the nonce.

### Radio "Breakfast Club" Gets 1,000 Pounds of Deaf Smith County Spuds

When Don McNeil, who emcees the popular Breakfast Club program each week-day morning over NBC stations, decided to reverse the trend of give-away programs and ask his listeners to send him gifts instead, he started something.

McNeil's idea was to turn over all gifts sent in to him to worthy charitable organizations in Chicago—his headquarters city—for distribution to the need.

At least some of the members of the board of directors of the Hereford Chamber of Commerce—or maybe Secretary-Manager Pete Cowart—just maybe, some of their wives, are regular listeners to the Breakfast Club program and were tickled by the idea.

At a director's meeting, they decided to do something about it.

So, one morning last week, local listeners got a surprise when McNeil gleefully announced the receipt of one thousand pounds of Deaf Smith County potatoes as a gift from the Hereford Chamber of Commerce "down in the town without a tooth-ache."

Local Chamber of Commerce directors got a surprise, too, when an Amarillo newspaper, reporting the story, went into detail about how the "people of Hereford . . . made a collection over a period of several weeks, with everyone contributing his share."

Not that they wouldn't have done it if they'd been asked, Secretary Cowart pointed out, but it wouldn't take "several weeks" to dig up a thousand pounds of spuds around Hereford, and anyway it was the Chamber of Commerce directors' idea and it took about ten minutes to arrange the shipment through one of the local potato houses.

Deaf Smith County spuds, incidentally, have proved popular gifts. The Hereford Lions Club recently presented a carload of them to Boys' Ranch.

### Six Highway . . .

the highway into a driveway leading to the Straufus home. The Straufus car was southbound from Vega, the Barclays heading north.

Mr. and Mrs. Straufus were taken to St. Anthony's hospital in Amarillo, where their injuries were reported as not serious. The Barclays were brought to the Deaf Smith County Hospital in Hereford, where Mr. Barclay was found to have sustained a fractured knee.

A few minutes after the initial crash, a south-bound truck driven by Robert Eugene Davis, 22, and accompanied by Jack Geffken of Hereford, crashed into the wreckage of the Straufus car. Neither of the occupants of the truck were injured, but all three of the vehicles were damaged—the Straufus car being badly wrecked.

**Wreck on Harrison**

Monday afternoon at about 4 o'clock a mile and a half west of Hereford on Harrison Highway, a 1929 Ford sedan driven by Charles T. Busby, 17, accompanied by Bobby Perry, 17, both of Hereford, turned over. The Perry boy was injured and was brought to the Deaf Smith County Hospital, where he was dismissed yesterday.

**Two in Friona Crash**

Monday afternoon at about 4 o'clock a mile and a half west of Hereford on Harrison Highway, a 1929 Ford sedan driven by Charles T. Busby, 17, accompanied by Bobby Perry, 17, both of Hereford, turned over. The Perry boy was injured and was brought to the Deaf Smith County Hospital, where he was dismissed yesterday.

Two persons escaped injury Tuesday afternoon a mile and a half west of Friona, when Kenneth D. Boyd, a soldier stationed at the Roswell air field, driving a 1935 Buick sedan, crashed into a trailer pulled behind a tractor driven by Ernest Bass of Friona.

The accident occurred on Highway 60 at 4:45 p. m. There was considerable property damage to car and trailer, but neither driver was injured.

**Wreck Near Hereford**

Henry Murrell Jr., about 18, of Hereford, suffered a severe concussion when a 1935 Hudson in which he and three other Hereford boys were riding overturned on a county road six miles north and three miles west of Hereford Tuesday afternoon.

Henry Eugene Berry, 21, was driver of the car. Other occupants were James Murrell and Gerald Adams. The boys, with the exception of Henry Murrell, were dismissed from the hospital after receiving emergency treatment.

The Murrell boy is still in the hospital, although his condition is not considered critical.

The accident occurred, according to the story placed together by highway patrolmen, when the boys were engaged in hunting jackrabbits. The car had run into ditch, struck a culvert, swerved across the road and travelled about 100 yards before overturning.

Damage to the car was estimated at about \$400.

Again Massey-Harris brings you another engineering "first" in the new One-Way Disc with "Roto-lift." This new Massey-Harris power lift raises and lowers the discs only—there is no waste of power in lifting the entire frame. In the Roto-lift design, discs are mounted on a rotating steel pipe mounted on a full length high carbon steel axle. The steel pipe revolves on its fixed axle and this action raises or lowers the discs as desired. There is no sudden drop—the leveling action of the disc gang is fast but gentle. Other time-saving features you'll appreciate are the convenient hand wheel adjustments for leveling and depth control . . . improved Mich design . . . easy turning either left or right. Solid construction all the way through with the weight where it does the most good.

In approximately two feet of travel the discs are lifted clear of the ground and reach the maximum clearance in less than 40 inches. See us for complete data . . . make it a Massey-Harris!

a lot of politics in Washington about the European relief program—but this Friendship Train is straight from the people.

The "Friendship Train" movement was started by Washington columnist Drew Pearson, with the approval of President Truman's administration. Pearson envisioned a train travelling from the West Coast to New York, with each community along the route adding a box car of food for Europe's starving.

The program was backed by Lions International, who, through Lions clubs throughout the U. S., sought to make it nation-wide. While the Lions Clubs are taking the leadership in sponsoring the Friendship Train all over the nation, local Lions Club leaders point out, this is not a Lions Club project.

"We are seeking the help and cooperation of every church and civic club in the community, and of every individual, in putting over our share in 'The Friendship Train.'" Kinsey told the Lions yesterday.

John McLean, the Lions District Governor, reported that clubs all over the district had taken up the movement and were sponsoring it in their communities.

Amarillo has already loaded one car. The little community of Hartley, near Dalhart, has already filled a car of wheat, McLean reported. Other Panhandle communities are working toward that goal, too.

What all sorts of non-perishable foods are acceptable for the Friendship Train shipments, it was decided that Hereford's best contribution should be made in the form of wheat.

The food, on its arrival in Europe, will be distributed by established church agencies only. Most of the food is slated for France and Italy. Some will go to Germany and Norway.

Sponsors are urging that each community decorate its car with a banner identifying its place of origin.

practices to be approved will go into effect. One of the most important locally is the provision that federal aid for digging wells for stock water can be approved only where there is as much as 1200 acres of grass in the field to be served by the well.

Funds are still available for this purpose under the 1947 program, as well as funds for improvement of irrigation systems and for building terraces.

"A lot of work which has been planned couldn't be carried out this summer on account of the continued dry weather," Collier pointed out, adding that there is a great deal of conservation work needed in the county which funds under the 1948 program may not be available.

The County ACA committee is anxious to make as much of the 1947 funds available to local farmers and ranchers as may be needed before the surplus funds have to be turned back, and hope that enough of the projects can be approved under the current program to take the load off next year's depleted funds.

This county has always, in the past, had a surplus in the annual appropriations, and 1948 may bring the first shortage.

this year is a new variety known as "Stewart's Special." It was introduced by Lee Stewart of Lubbock, who insists that there's no connection between the name of the seed and the seed sower.

It's a specially developed wind-resistant type of lettuce which was developed and grown successfully along the Atlantic coast. The head develops an unusual lot of foliage, which forms a protective shell of leaves around the lettuce.

This year most of the lettuce planted on the Plains centered around Monroe, with some experimental planting near Littlefield. Paetzold's crop was the only one grown in this county, and it is believed to be the first commercially produced head lettuce ever grown in Deaf Smith county, although Mr. Paetzold says that Joe Ballinger planted lettuce here about ten or fifteen years ago but did not produce it on a successful commercial scale.

Lettuce this year was bringing about \$1,000 a car on the market—and that's not hay.

The Bench Warmer

There's a lot of talk about a three-way tie in the District 2-A football race, and the odds are even that's the way it will wind up. Just in case, this department has been inquiring into what settlement would be made to determine the district representative in the playoff for the bi-district title.

First: there won't be any extra games to play off a tie. The procedure, according to Coach Stanton, who has no further interest in the matter, is like this: Representatives of the three tying teams get together and match coins. The "odd-man" is out. Of the remaining two teams, the flag bearer is selected by the same method used in case of a two-way tie. In other words, the team which defeated the other in conference play automatically becomes the district standard-bearer.

If there is a three-way tie, the tying teams will be Canyon, Dimmitt, and Tulla. That's assuming, of course, that Dimmitt manages to beat Canyon tomorrow night, and Tulla comes through against Hereford. In that event, everything would depend on the toss of a coin. Canyon would be winner over Tulla, Tulla over Dimmitt, and Dimmitt over Canyon. If Tulla were tossed out, Dimmitt would automatically represent the district. If Canyon were tossed out, Tulla would become the flag bearer, and if Dimmitt were tossed out, Canyon would be in the driver's seat.

Of course, all the Eagles have to do to settle the things without all this fuss is to defeat Dimmitt. . . . but if the Bobcats are playing up to their usual form, that may be a large order.

The Tulla Hornets aren't doped to have too much trouble in Hereford Friday night. . . . but neither, we recall, were the Dalhart Wolves a few weeks ago. The Whitefaces are still capable of packing a strong punch if they manage to get off on the right foot. Don't look for any miracles in this game, however. The Hornets had a long dry spell without any victories at the beginning of the season, and are still smarting from those defeats.

Pete Cowart and Earl Stagner, who officiated the Tulla-Oilton game last week-end, are high in their praise of the Hornets' performance.

## Dimmitt Bobcats Shut Out Whitefaces 27-0 Friday Night

### Wellington Upset Biggest of Season in Region 1-A Race

### Canyon Eagles In Close Call With Spring Lake

Biggest upset of the season in Region 1-A football was scored last Friday night when an under-dog team of the Lefors Pirates bowled over the Wellington Skyrockets 19-13 in a District 3-A conference battle.

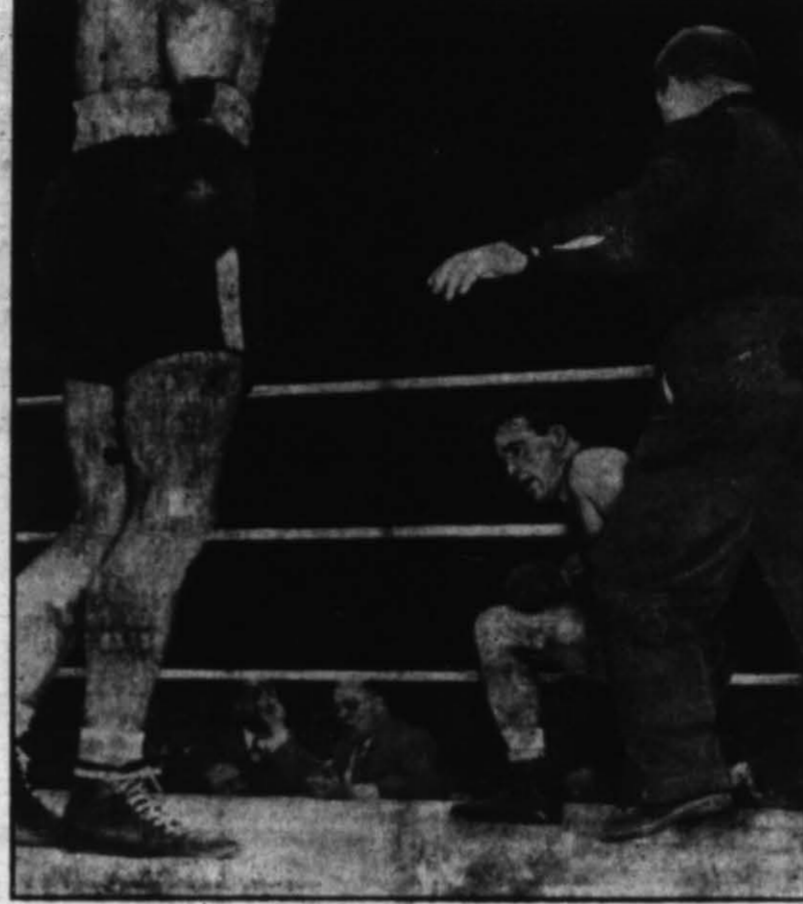

The Rockets had been generally conceded the District 3-A title and were considered powerful candidates for Regional honors, having been doped to meet with winner of the Perryton-Phillips title tilt in District 1-A in the Regional finals.

The Eagles were held scoreless through the first half, but finally broke loose in the last two periods to put across a pair of touchdowns and take the game 14-0.

The Eagles were minus their two star-backs, Mead Michael and James Inman. Michael left the game early with an injury, and Inman was not allowed to play because of scholastic deficiencies.

The Eagles aren't the only District 2-A team to find the Wolverines tough going. Dimmitt's Bobcats had trouble taking a 13-7 win over the Springlake crew in the season's opener on September 12.

### Gets Up to Win

Marcel Cerdan, European middleweight champion, gets up from the canvas in the 10th and final round against Anton Raadik at Chicago to go on to win. Cerdan was floored three times in the 10th, but the first nine rounds were his. Referee is Dave Miller.

### Eagles, Bobcats to Fight It Out as 2-A Grid Race Ends

The race for the football championship of District 2-A is heading for a show-down tomorrow night when the Canyon Eagles and the Dimmitt Bobcats tangle at Buffalo Stadium in Canyon, and the Tulla Hornets meet the Hereford Whitefaces in Hereford.

### Herd to Meet Tulla in Final Game Friday

Hereford's Whitefaces, now out of the running for the District 2-A title, will meet their old enemies, the Tulla Hornets, in their final conference game of the season at Whiteface Field tomorrow night.

The Hornets, district co-champions with the Whitefaces last year, are fighting for a share in the title this season. A win over the Herd, and a victory by Dimmitt's Bobcats over the league-leading Canyon Eagles tomorrow night at Canyon, could give it to them.

The Hornets are rated by many observers as the best team in the district this year, despite their poor season's record. The Tullians opened the season against some of the toughest teams in Region 1-A, and after playing the Canadian Wildcats to a scoreless tie in the opener, lost their next four starts to the Floydada Whirlwinds of District 4-A (18-0), to the Phillips Blackhawks of District 1-A (35-8), to the Wellington Skyrockets of District 3-A (26-0), and the Canyon Eagles (13-7).

It was the last loss which hurt. The conference set-back cost the Hornets any chance at a clear title in District 2-A. Since losing to the Eagles, they have come along rapidly, taking the Dimmitt Bobcats 14-0 in a hard-fought game, the Friona Chiefs 48-4, and the Oilton Mustangs 26-0.

The Whitefaces matched the Hornets loss for loss as the season opened, dropping their first three games to Sudan (37-0), to White Deer (46-0) and to Panhandle (26-0). Then on October 3, the tables were turned, and a surprising Whiteface eleven dorned Dalhart's Wolves 7-6. The Herd went on to win its next two games, defeating Friona 18-0 and Oilton 19-0, but slipped back into the losing column with a 31-0 shutout by Canyon and a 37-0 shutout at the hands of the Dimmitt Bobcats.

### Hereford Frosh Lose to Horace Mann Buffs 19-0

The Hereford Whiteface Yearlings went down 19-0 before the Horace Mann Buffaloes of Amarillo in a football game on the Amarillo Junior High field last Thursday afternoon.

The game was played in icy weather, and for a short time in the second half of the contest, snow flurries obscured the gridiron.

The Buffaloes scored their three touchdowns in the first half of the game, all on long runs. Ray Bingham and Ronald Johnson, a pair of fleet Buffalo backs, each scored in the first period on runs of 70 and 80 yards.

### Sub-Freezing Weather Fails To Slow 'Cats

Despite the sub-freezing temperature last Friday night, the Dimmitt Bobcats were hot as a pistol as they stormed their way to four touchdowns and a 27-0 shut-out victory over the Hereford Whitefaces at Bobcat Field.

The Bobbies, defeated only once this season (by Tulla in a conference game) are driving for a victory over the Canyon Eagles tomorrow night which would give them a tie for the conference crown and a chance to represent the district in the bi-district play-offs.

Coach R. D. Wheelock, Eagle mentor, was scouting the Dimmitt-Hereford tilt and offered no bets that the Bobbies wouldn't be able to pull it off.

The loss to Dimmitt dropped the Whitefaces definitely out of the conference race.

The Bobcats unleashed one of the fastest and trickiest ground attacks seen in District 2-A this season to wrap up their victory over the Hereford Herd.

**MARKETS**

Lower prices for poultry, hogs and some other livestock marred otherwise steady to strong southwest farm markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Carlot movement of tomatoes and peppers from the Lower Rio Grande Valley picked up sharply. Tomatoes sold strong at \$6 to \$6.50 per lug box of U. S. No. 1 green wrapped 6 by 6 and larger sizes. Peppers moved slowly at barely steady prices of mostly \$3 to \$3.25 per bushel basket of 2 1/4 inch minimum U. S. No. 1's. Colorado onions and potatoes and Louisiana sweet potatoes strengthened some.

Unsettled conditions in the wheat markets during the past week left prices a little higher in the Southwest. Feed grains strengthened too as continued active demand for corn found only moderate offerings from the new crop. No. 1 hard wheat closed Friday at \$3.07, No. 2 white corn around \$3.10, yellow corn \$2.66.

No. 2 white oats \$1.31, and No. 2 milo \$3.76 in bulk carlots at Texas common points.

Rise held steady the past week, with fairly active domestic and foreign demand. Southwest feed prices showed mixed trends but a weaker tone prevailed. Hay continued about unchanged. Current peanut haulings moved largely to government warehouses, while a few went to shellers at support prices. Some privately owned good French combing original bag 12-months Texas wools sold at \$1.25 per pound, clean basis.

Southwest poultry markets experienced general weakness, and eggs eased off at some places. Northwest Arkansas broilers dropped to 30 to 32 cents per pound on the farm, and principal cities paid 30 to 35. Heavy hens fell to 28 to 30% at New Orleans and from 20 to 25 at other points. Turkeys sold at or near support prices.

Cattle moved to markets at mostly steady, to slightly stronger prices except at Fort Worth, where considerable weakness appeared. However, slaughter cows sold mainly steady to lower. Houston bought common and medium cows at \$12 to \$14.50, as San Antonio paid \$12 to \$15.50, and Oklahoma City, \$23.10 at Wichita, and \$26.15 at Denver. Declines on cows fully equalled those on butcher hogs, and closing prices ranged from \$23.50 to \$25.50 except San Antonio.

Southwest sheep markets held mostly steady, but lambs lost up to 50 cents at Oklahoma City and Denver. Good and choice lambs brought \$21 at San Antonio, \$22.50 at Oklahoma City, around \$23 at Wichita, and \$24.25 to \$24.75 at Denver. Goats sold steady to strong at San Antonio. Whesty gull and common grades pushed at \$4 to \$5.50.

Cotton trading continued very active at about \$1 higher prices. Labor supply improved in the western part of the belt, but congestion at gins hampered movement.

# Tech to Celebrate Homecoming With Big Show on Nov. 29

LUBBOCK, Nov. 10.—Texas Technological College ex-students will have a busy time at Homecoming, Nov. 29, if they attend all functions planned for them, D. M. McElroy, executive secretary of the Ex-Student association, has announced. Over 4000 homecomers are expected. Festivities will start Friday night, Nov. 28, with a pep rally in the Gymnasium and the traditional bonfire near the Gym. Saturday at 9 a. m. registration will start in the new recreation hall on the campus and in downtown hotels. At 10 a. m. a parade is scheduled, with social clubs and other organizations entering floats.

The annual buffet luncheon hosted by the Texas, New Mexico and Oklahoma Bus Company and the Lubbock City Bus Company is scheduled for noon in the Gymnasium, followed by the annual business meeting at 1 p. m. At the meeting Dr. W. M. Whyburn, president of the college, will report on Tech progress; McElroy will discuss a challenge to the alumni; Elmer Tarbox, retiring association president, will introduce new officers. Bill Nugent, Amarillo, president of the Tech Students' Association, will give the welcome address.

Following the football game between Tech Hardin-Simmons University in the new Clifford B. and Audrey Jones stadium, social clubs will hold open house from 6 to 9 p. m. Persons not attending these functions are invited to an open house in the recreation hall. The annual dance is scheduled for 9 p. m. in the hall, followed by a post-dance breakfast in the new college cafeteria from 11:30 p. m. to 1 a. m.

Ex-Student association executive council is to meet at 8 a. m. Saturday in the Hilton hotel to draft policies for the coming year and to elect new officers.

The Ex-Lettermen will meet at 11 a. m. in Aggie Memorial auditorium to map plans for greater cooperation with the Tech athletic program.

# Clean Teeth Even Better Than Local Water for Halting Tooth Decay

HOUSTON, Nov. 10.—An apple a day—plus a little celery and raw carrots—will keep the dentist away, says a University of Texas Dental School doctor.

"One way to prevent tooth decay in children is for them to chew raw carrots, celery, and apples at the end of every meal. Although it is no sure prevention, it will help lessen decay," Dr. S. E. Armin said.

As good as celery, carrots and apples chewed immediately after a meal, he said, is a good scouring with a tooth brush.

"Anything," Dr. Armin added, "to get the food out of the mouth and into the stomach, where it belongs." "I can say now what I could not

have said 10 years ago. We have acceptable methods for control of tooth decay. The most reliable through the years has been surgery followed by restorations with metallic materials," he said. "Add to the old one of grinding and filling teeth a diet low in sugar, combs, drugs (ammonia, urea, fluoride, vitamin K, silver nitrate), and oral hygiene.

"Oral hygiene is the least satisfactory," Dr. Armin said. "Getting people to brush their teeth regularly is no easy matter. But I don't give up hope. All of us take a bath daily, and maybe some day we will develop the habit of actually keeping our mouths clean."

Mr. and Mrs. Beryl Witherspoon and family of Amarillo visited in the Vern Witherspoon home Sunday, because of illness.

## Luther Daniel Has Part in Maneuvers Of Navy, Marines

Pfc. Luther B. Daniel, USMC, son of Mr. and Mrs. Warren Daniel, of East Tenth, Ave. A, Hereford, has participated in the Navy and Marine amphibious training exercises held on the Southern California Coast. About 9,000 Navy and Marine Corps personnel, 43 ships and 300 planes participated in the various phases of the exercises.

The amphibious demonstration included landings on the Silver Strand at Coronado, on San Clemente Island, and at Camp Pendleton, just north of Oceanside.

Rear Admiral A. D. Struble, USN, Commander of the amphibious training operation, and Major General G. B. Erskine, USMC, was in charge of the tactical exercises ashore after the amphibious landings.

Close air support was provided by Marine Corps aircraft from the escort carrier USS Bairoko, Fleet Air Wing West Coast, and by Marine Corps shore based squadrons.

These amphibious training exercises culminated in First Task Fleet demonstration landings at San Clemente and at Aliso Canyon on the California Coast under Vice Admiral G. D. Murray, USN, Commander First Task Fleet.

Navy Marine Corps teamwork which brought success in the amphibious campaigns of the war was reproduced in these exercises, and new men were trained to take the places of the Pacific veterans who are no longer in uniform.

## Dimmitt Grid Fans Announce Plans for New Grid Stadium

Supporters of the Bobcat football team at Dimmitt have launched a drive to raise \$7,500 for the construction of a new football stadium at Bobcat Field.

Tentative plans have been made to erect a modern steel frame, with heavy plank walks and seats, similar to the new stands constructed at Hereford this fall.

Seats for between 1200 and 1500 fans are planned at the Dimmitt Field. Similar stadiums have been erected this year at Hereford and Oilton, and a new stadium of this type was opened at Dalhart last year.

Almost half of the required amount had been subscribed last week. A total of \$3,134 had been collected.

Heading the stadium-fund drive are G. L. Willis, Winifred Fuller, Joe Butler, M. A. Kelly, and Stub Jones.

Mr. and Mrs. Fred L. Smith were week-end visitors in the C. D. Hardesty home. They also visited her sister, Mrs. Frank Huckert of Sumnerfield.

# The XIT Brand

THE story of how 3,000,000 grassy acres became the greatest ranch under one fence in the world.

By J. EVETTS HALEY  
ILLUSTRATED BY H. D. BUGBEE

When the state of Texas drafted its constitution in 1876, it set aside a tract of land on its far frontier to be used in paying for a capitol. When the magnificent, red granite structure was completed twelve years later, three million acres of this land had been deeded to a Chicago syndicate in exchange for the building. Texas, long on land and short on cash, had driven a hard bargain, for millions of other acres just as good could have been bought at the time for less than a third of the price.

To meet the heavy financial outlay for conversion of the lands, the Chicago syndicate, made up primarily of John V. Farwell, the great merchant, and his brother, Senator C. B. Farwell, organized the Capitol Freehold Land and Investment Company, Limited, and at once raised five million dollars by the sale of bonds in England. Thus, with the raw land in Texas, the savings of conservative investors in Britain, and the managerial genius of broad-gauged business men in Chicago, the Capitol Syndicate Ranch came into existence in the middle eighties.

There was nothing in the history of the West quite like it. From the northwest corner of the Panhandle, it bordered on New Mexico across ten counties in Texas, and for some 225 grassy miles to the south. Barbed wire fencing was bought by the ranch in car-load lots, side-tracked on the nearest railroads at Dodge City, Kansas; Trinidad, Colorado; Springer, New Mexico; and Colorado, Texas; and snaked hundreds of miles to the fence-line by mule and ox teams. These three million acres were eventually enclosed to become the greatest ranch under one fence in the world.

The manager, an expensive cowman from Kansas and Indian Territory who branded BC, and hence was known as "Barbecue"

Campbell, was still casting about for a brand in the summer of '85 when Ab Blocker drifted in with the first herd. Blocker, anxious to be on his way, and spurred by that suggestive impulse that prompts artists to original conceptions of color and design, musicians to new melodies and refrains, and cowboys simply to the creation of brands, dragged his boot-heel through the coral dust to form the pattern, XIT.

Campbell seized upon it. Blocker foreclosed the first cow to be branded, and thereafter XIT crews burnt this brand into the hides of hundreds of thousands of cattle. Then they got another great range beyond the Yellowstone, and each year several great herds, maneuvered with finished ease by riders who knew the "cow business", were driven up the Montana Trail a thousand miles from Texas. Two years later the brand, marking prime and heavy beef of Montana's ranges, was on the Chicago Stockyards in trainload lots.

Legends grew up about this far-flung enterprise, and the XIT came

to signify "Ten in Texas", as imaginative minds reasoned from the fact that it spanned in whole or in part ten great counties in the Lone Star State. Spurred and boot-ed men sweated and slaved, and even battled and bled, in defense of their land and loyalties, as well as the mark of law and order, and of decent, honest ownership.

Those who boldly conceived this splendid enterprise are dead and gone, the ledgers in Britain are long since closed on bonds and interest paid, and the 3,000,000 grassy acres are broken up among thousands of owners of country homes. But the capitol building of Texas still stands in stable, granitic pride, and the memories of the XIT are revived in an annual reunion in a prosperous little city that has grown on the ranch's land. From Blocker's casual boot-heel tracing in the sand, the XIT brand spread, from seared hide and storied tradition, into a saga of the West.

### Informal Wedding Held Here Thurs.

An improvised altar of ferns and baskets of white chrysanthemums, lighted by white tapers in candleholders formed the background for the marriage of Miss Jane Harris to Mr. Dava Schnack, which took place Thursday in the home of the bride's aunt, Mrs. John I. Morris.

Rev. R. H. Cagle, pastor of the First Baptist Church, read the

double ring ceremony at 7 o'clock in the evening. Mrs. Bill Taylor gave the conventional wedding music.

Mrs. Harry C. Ford of Oklahoma City, sister of the bride, was the attendant. She wore gray crepe complemented by a corsage of Tallman roses. Robert Barrett served as best man. Candles were lighted

by Betty Jean Hamilton. The bride wore a metallic threaded dress in powder blue made with draped effect, and she carried a white prayer book topped with two gardenias tied with satin streamers knotted with sweetheart rombosids. Her fur-felt hat matched her dress in color with matching metallic trim.

An informal reception followed the ceremony. The attractive refreshment table was done in yellow and white with crystal appointments. The three-tiered wedding cake was served by Frances Young, Lillye London, and Ruth Fickens. Owendolyn Springer presided at the guest book where 30 close friends and relatives registered.

After a short wedding trip the couple will make their home in Hereford, where he is employed with the United Geophysical Company.

Mrs. Schnack is the daughter of Mr. and Mrs. E. B. Harris and is a graduate of Hereford High School. She attended business college at Hills University, Oklahoma City, and has been employed at the First National Bank.

Mr. Schnack is the son of Mr. and Mrs. Marcus Dobbs of Salem, Oregon. He attended Clarkson College of Technology, Potsdam, N. Y., before serving several months in the Army. His home is in Alexandria, Louisiana.

Out-of-town guests at the wedding included: Mr. and Mrs. Jack Roberson and family of Amarillo, B. L. Freeman and Charles Ingram of Vega, and Mrs. Harry C. Ford of Oklahoma City.

What Is Its Color and Shape?

Donate Wheat at Pitman Grain Co. or Donate Cash at any Hereford Business House and LOAD OUR CAR in the Friendship Train NOW!

It is red, of course. Any child knows that. And its shape? Not exactly the outline it has been given in Valentines. But we're not talking about physical hearts.

THE HEART WE MEAN is that part of your nature that measures the extent of your thoughtfulness for your fellow man.

THE HEART WE MEAN is that part of your being that causes you to choke just a little over your good meals because you are haunted by the faces of starving children you saw in that last newsreel.

THE HEART WE MEAN is that part of your thinking that knows the war is not over for starving victims of the European turmoil.

THE HEART WE MEAN is that part of your existence that gives you an urge to lend a hand when disaster strikes your fellow man.

FOLLOW THAT HEART and give to the "FRIENDSHIP TRAIN" that concrete expression of our concern and good will for suffering Europe.

The Friendship Train has already left the West Coast. Our car must be ready immediately. We, every one, can contribute, whether we are a wheat grower or not. Cash will be accepted to purchase your wheat. Whatever your contribution, MAKE IT NOW!

**So You Thought We Were In The Lumber Business**

Isn't it funny how ideas like that get around? Just because there is always some stock in our windows, some lumber in our bins, some hardware on the shelves, and just because we mention these items from time to time in our ads . . . you just took it for granted that we were in the lumber business. In reality, it seems sometimes to us as if we were in a hundred other enterprises. A young man comes in and asks for counseling service as he formulates plans for a new home for himself and his bride. A veteran is at a loss in interpretation of G-I benefits as he prepares to remodel or build a home or business. Then there was the man and wife who couldn't agree on the house plans at all . . . brother, we even solved that one! And, these people all visit us more and more regularly. They are our friends; we offer them any service at our command. Oh, you were right if you thought we were in the lumber business, but that's not all there is to it . . . we enjoy meeting new people, new families, so do call on us and come in and visit.

# Littlefield Has Parking Meters

LITTLEFIELD, Nov. 6.—Installation of parking meters in the business district of Littlefield was started here this week.

Contracts with a Mineral Wells firm call for installation of 330 meters.

The meters are of the one-hour-for-one-nickel type. They have been installed by the city on a six-months trial basis.

Mayor A. C. Chester said that the meters are being installed to provide

additional revenue for the city, which is needed for expansion of the Littlefield police force and other projects.

Jacqueline Nowell was in Clarendon over the week-end visiting her friend, Juanita Carpenter, who was crowned "Football Queen" at the time.

Mrs. Lorraine Sisk's sister, Mrs. Irvin Kimmins of Phillips is visiting her this week.

# I Want A Home

I am a 1947 car.  
 I was built by a famous automobile manufacturer.  
 I was sold to one of their authorized dealers.  
 This dealer delivered me to a new owner for \$1,362.10.  
 My new owner didn't need me very badly.  
 At least he sold me to another dealer for \$1,700.00.  
 Then some fellow bought me at an auction sale for \$1,920.00.  
 We started south and west.  
 Somewhere down the way we stopped for another sale.  
 I heard the auctioneer shout "sold to the man over there for \$2,250.00."  
 I am now on a big lot with a price tag of \$2,475.00.  
 (Gee I must be improving with age)

I have never been registered.  
 I know I am in good shape because I've already been 1813 miles.  
 (Maybe all of that doesn't show.)

I've been tried at all speeds and by five different drivers.  
 I look like I am brand new.

**WON'T SOMEBODY PLEASE BUY ME FOR KEEPS?**

Another Letter to the Editor from...

The Bootleg Philosopher

Dear editor: I been meanin to write you about this for several weeks but just ain't got around to it what with one thing and another and anyway tomorrow's as good as today as far as I'm concerned, but one Monday in October I went into town to cash one of my wife's egg checks which she carelessly left on the kitchen table and I will pay her back just as soon as I get around to it although the community property law ought to work both ways and half of what she makes ought to be mine, don't make no difference if she ain't got no legal mind and can't see it that way, and went to the bank and pushed on the door but it wouldn't give and since the bank didn't have no way of knowin I was comin to town that mornin I knowed it couldn't have closed on my account, just to keep me from askin for another loan and besides I ain't dumb, I finally catch on and have been convinced for

### Hornets Defeat Olton 26-6 To Slay in Race

The Tulla Hornets rang up their third straight District 2-A victory at Tulla Friday night with a 26-6 win over the Olton Mustangs.

The Hornets had to come from behind to win, as the Mustangs opened up with a long downfield scoring drive to take the lead early in the game. Billy Waldon plunged over from the 4-yard line for the first score, but the Mustangs failed to convert.

The Hornets came back fast, and Ray Simpson crashed through for the touchdown. Jackie Ramey, the Hornets' diminutive place-kicking expert, booted the ball squarely between the goal posts for the conversion and put the Hornets out in front to stay.

The Hornets scored again in the second period, Ray Sanderson going over for the counter, to lead 13-6 at the half. Sanderson put the game on ice in the final period with a 62-yard gallop, and Simpson scored again, Ramsey converting, to wind up the game late in the period.

The Hornets are tied with Dimmitt for second place in the district race, and are pulling for a Dimmitt victory over Canyon tomorrow night to give them a one-third share of the title. The Hornets will be playing at Hereford.

### Dimmitt Bobcats ...

(Continued from page 1)

The Bobcats launched their second scoring drive late in the third quarter after recovering Knox's fumble on the Hereford 46. Exactly nine plays were required, with all four of the Bobbies backfield quartet taking turns at totting the leather, to complete the touchdown. Thompson crashing over for the score after Rice had made a first down on the 3-yard line. The conversion was successful, and the Bobbies led 14-0.

The Bobbies counted twice more in the final period. The first touchdown was set up by a Hereford error, when Hennington attempted to get off a fourth down pass from his own 35 yard line and was finally run to earth on the 25. Thompson immediately crashed through center for a first down on the 8, Rice knifed through guard for 5, and Zeigler dived off tackle from the 3 yard line to score. Warren failed to convert on a drive at center, and the Bobbies led 20-0.

A pass interception by Thompson at midfield, and a 15-yard penalty against the Whitefaces for unnecessary roughness, set up the final score, giving the Bobbies a first down on the Hereford 30. Rice and Zeigler made it first down on the 15, and Rice and Thompson smashed to another first down on the 4 yard line. Zeigler went over for the score on two plays, and Taylor went around left end for the extra point.

**Game Summary**  
Dimmitt kicked off, Wilson taking the ball on the 10 where he fumbled momentarily, recovering and getting back to the 20. Rudd hit guard for 2, and Hennington picked up 3 yards

### Gribble Appoints New Reporter for 9th District Court

H. F. Pardue was appointed official court reporter for the 100th Judicial District, effective October 13, 1947, according to an announcement by Luther Gribble, Presiding Judge of the Ninth Administrative Judicial District.

Pardue will replace Allen Harp of Childress as secretary for this administrative district.

Prior to his appointment as court reporter, Pardue was employed as official reporter of the Oil and Gas Division, Railroad Commission of Texas in Austin, where his duties consisted in reporting technical testimony given by petroleum engineers and geologists.

He is a holder of the Diamond Medal from the Gregg Publishing Company and is a graduate of the School of Shorthand Reporting of Gregg College. One who is awarded the Diamond Medal can write shorthand at the rate of 200 words per minute.

Mr. and Mrs. Pardue and daughter will make their home in Childress.

### Benchwarmer ...

(Continued from page 1)

will be by the luck of the draw and the grace of the Dimmitt Bobcats. Only the Bobbies have a chance now to head-off Canyon, and the Hornets and Bobbies alike are out in the cold unless the Eagles can be stopped.

### Wellington ...
