

Club Officers Called to Meet, Organize Drive for Aluminum Scrap To Relieve Defense Need

Around Town

Sights and Faces Seen

Classiest thing in offices is the one now shared by A. R. Bateman and John Carter. It boasts a complete line of antique magazines, two dressmaker's dummies and some kiddie games in addition to what might normally be expected in a county agent's office.

Some people are blessed with a philosophic attitude. Instead of fussing about the rain, one country library patron told Mrs. Clara McLean that she was enjoying it--nothing to do but eat fried chicken and make ice cream, she said.

Alex Thompson boasts of his "Chinese Hay Fever Cure," which is probably funny to everyone except hay fever sufferers--but then they are beyond even a sense of humor.

Close Drug is starting a phone communication system in the store, but all by accident. Wednesday morning Harold Close, at the Western Union phone, called number 113 (The Chemical Plant) and got number 13 (The Drug Store) to be answered by Lavelle Moore, who was standing all of fifteen feet away from (Continued on Page 10)

Legion Chooses Officers for 1942

Officers elected by the Hereford American Legion Post at a meeting, July 1, were Claude Ricketts, commander; Harry Taylor, 1st. vice-commander; John Olson, 2nd. vice-commander; Reed Williams, adjutant; Leonard Foster, financial officer, and Harvey Redford, chaplain.

Chosen as delegates to the state convention at Fort Worth in August were Frank Givan, Frank Gyles, H. E. Miller, Archie Dobbins, Leonard Foster and Harry Taylor. Legion members this week received an invitation to the monthly meeting of the 18th district, which will be held in Clarendon, July 16, with the Clarendon Legion and Auxiliary as hosts. The feed will be at 7:30 p. m., to be followed by a short business meeting and a dance.

To plan Deaf Smith County's part in the nation-wide drive for scrap aluminum, John McLean, district chairman of Boy Scout activities, has announced a meeting of secretaries and presidents of all organizations in the county, Thursday night, at 8:30 o'clock at the courthouse. Mr. McLean also invites any other interested persons to attend the meeting.

In announcing the drive here, the district chairman explains that the collection of scrap aluminum is under the direction of the Administration for Civilian Defense, headed by F. H. LaGuardia, and that the plan is to secure enough scrap aluminum to relieve a serious shortage now threatened in aircraft manufacture. Scrap aluminum cannot be used for plane manufacture, but it can be used in much defense production and at the same time release much-needed raw aluminum for aircraft use.

A complete canvass will be made over the entire United States on July 24 and 25. The general plan is to get pledges on the first day and to make collections on the second. Living up to their reputation for national service, the Boy Scouts have already been assigned a part in the campaign and other organizations are expected to co-operate whole-heartedly. (Continued on Page 10)

Texas Pioneer Dies At Home of Son In Hereford

Funeral services were held Sunday in Dallas for Mrs. S. D. Hickman, 93, who died suddenly Friday while visiting a son, John Hickman, of Hereford. Mrs. Hickman was injured in a fall at her son's home Friday morning.

Mrs. Hickman had lived in Texas for all but one of her 93 years, her family having settled at the old Towash Community, where her father, Simpson Dyer, built the first Baptist Church in Hill County.

Married in 1864 to Peter Taylor Hickman, Mrs. Hickman lived at Ennis until her husband's death in 1914. Since that time she had lived with a son, A. O. Hickman of Hutchins. She was a member of the First Baptist Church of Dallas.

Other survivors are three sons, S. C. Hickman of Altus, Okla.; A. E. Hickman and G. H. Hickman of Dallas; a daughter, Mrs. Sallie D. Botzler of Dallas; eleven grand-children and thirteen great-grandchildren.

Chamber of Commerce Program Is Vital

By W. E. DAMERON, President Hereford Chamber of Commerce The Hereford Chamber of Commerce is not a new organization. It is so old, in fact, that many evidently think it is dead; others, by the way they have kicked it about and knocked its efforts, have expected it to die ever since its birth. But in some way, things worth while seem to survive the indifferent, the critic and the knocker. Through the years the Chamber of Commerce has accomplished more, perhaps, than even its friends and supporters realize. Our business men have served as its officers and directors. Their collective judgment has usually been good. Some mistakes no doubt have been made. Some programs may have been advocated not suitable to our particular community. This is a new country. Only the smart boys, those who know everything and do nothing, are the ones who know in advance of the test that can and can not be done. At these same critical moments, also said that certain state highways would never be paved,

that still others would never be designated as state highways, removing from the shoulders of our tax payers a heavy burden. They also said the creamery could not be built and even if it were this was not a dairy country anyway; that building the R. E. A. lines was a "pipe dream;" that our rural homes were too far apart and the plan was not practical. This same group now tell us we can not grow potatoes here and even if we do we will flood the world markets and they will not be worth anything. Every community, we are told, has such a group. Whatever progress is made must be made in spite of, and not with the aid of, this group.

If the accomplishments of the Hereford Chamber of Commerce could be listed, totaled and reduced to a money value, all of us would be surprised at the big returns received on the small outlay in time and money. To, the non-member, if false, would be convinced. We are typical of other communities. Do you know of a

Wheat Queen

BACKED BY A SHOCK OF WHEAT AND FIVE LOVELY FARMERETTES, PATRICIA ARNOLD OF PERRYTON, TEXAS, was crowned 'Wheat Queen of the World' at the nation's first wheat festival in Perryton, Saturday, June 28. This 13 year-old Miss was presented a National Defense Bond by E. B. Germany, regional chairman of the USO for Texas, Oklahoma, and Arkansas and Louisiana. The 'Wheat Queen' will be official hostess for the 22nd birthday celebration in Perryton, August 22. The Farmerettes standing left to right are Misses Betty McKay, Ann Lou Herndon, Margurite Benton, Margaret Farnsworth and Marcilia Frittz.

Clubs Asked To Canvass Members To Reach Subscription Goal of U. S. O.

Savings Stamps Will Be Given With Mdse. At Haile Drug Sale

A chance at unexcelled bargains on all items in the store, combined with the offer of defense savings stamps as a premium on purchases, is the combination offered by Haile Drug at their special Defense Bargain Days Sale on Friday and Saturday of this week.

The giving of defense savings stamps in the 10, 25 and 50 cent denominations to stimulate business and at the same time help out Uncle Sam's defense program is a new idea and should boost Hereford's defense securities sales.

"We think we have a new idea, and a very good one," points out Meade Haile, adding, "The bargains we are offering this weekend, would by themselves be worth your attention; but with the added inducement of the defense savings stamps, we believe we really 'have something'."

Many specials are listed in the Haile Drug ad and Mr. Haile invites everyone in the Hereford territory to his store on Friday and Saturday to see the bargains and find what items carry defense savings premiums.

"This county has had an enviable record so far as actual volunteers for defense forces are concerned, but in backing up these boys with a little cash for service clubs, we are under our quota," says Harold Close, chairman of the United Service Organizations committee, who goes on to urge that Hereford and Deaf Smith County get into the spirit of the drive and over subscribe the goal of \$350 set for the county.

Subscriptions of \$57 had been received up until Wednesday, noon; and Mr. Close hopes to raise the required sum within the next few days with the help of the clubs of the county. He asks that officers of all the women's clubs make a canvass of (Continued on Page 10)

West Texas Feed & Seed Has New Cream Tester

Announcement of the installation of a modern cream testing station by West Texas Feed and Seed Company was made this week by Jack Wright, manager. He said that the firm will buy cream, eggs, poultry and hides.

The cream testing station is finished in white and is complete in every detail. Friends and customers were invited to visit the firm and inspect the new department.

Hereford Exhibit In Short Subject Next Week

A shot of the Hereford Exhibit, which attracted much favorable comment at the 1940 State Fair, is included in the short subject "Down Texas State Fair Way," which will be shown in Hereford on July 16 and 17, next Wednesday and Thursday.

The picture is announced in a letter received by E. B. Posey, secretary of the chamber of commerce, several months ago.

\$3,986.92 In Parity Checks Arrive Wed.

First 1941 wheat parity checks have arrived at the AAA office, announces James Eiland, secretary, who reports that 37 checks arrived on Wednesday. Total value of checks so far received is \$3,986.92; and now that initial red tape has been cut, it is hoped that the rest of the checks for the county will come through rapidly. "Producers will be sent a notice as soon as their checks arrive," Mr. Eiland says.

Wheat Crop Depends On The Weather Next Week; Only Small Part Moved

Special Session of Legislature May Be Called To Pass Road Bond Measure

Service Board Loses Three Registrants

"Lost in the draft" is the way the local selective service board would classify three of their registrants, mail to whom has been returned unclaimed from their last known address.

Anyone knowing the whereabouts of Jack Lowry, Clyde Nobel Estes or Preston Hairless Fabion are asked to communicate with the Deaf Smith County Selective Service Board, who will have to turn the names over to Federal authorities if the men are not found soon. Failure to report to draft boards on change of address is liable to fine and imprisonment under the selective service act of 1940; and though names may be reported after ten days, the local board is making a last attempt to find the registrants.

Estes' last known address was at Hereford; Lowry was last heard from at Mt. Pleasant, and Fabion at Clovis, N. M.

Delegates For Short Course To Leave This Week

Georgia May Reeves, 1941 Hereford High graduate and for two years president of the Wyche 4-H Club, Nancy Olson, gold star winner for the county clubs in 1940 and president of the Wyche Club in 1938 and 1939 and V. C. Hopson, outstanding 4-H Club boy of the county, have already made reservations to attend the annual short course at College Station beginning July 16. It was announced this week. At least two other club boys and possibly some other girls will be delegates from this county.

Of the women's home demonstration clubs, Mrs. Oscar Vaughn, Mrs. Mark Dixon and Mrs. B. T. Gowell have been chosen as delegates from the North Hereford, Frio and Westway Clubs, to attend the adult course which begins July 16. Alternates have not been named but at least two of the clubs listed will send other delegates should those elected be unable to make the trip.

County Agent A. R. Bateman, Assistant Agent John Carter and Home Demonstration Agent Miss Sadie Lee Oliver will leave Friday for College Station, where they will be present at opening meetings of the course on Sunday and on Wednesday will attend the Agent's Conference.

Two Men Leave Today For Army Service

Two men today left for Fort Bliss, El Paso, in answer to the first selective service call so far received here this month. The men are Ervin Kenneth Criswell, order number 19, and Elmer Bredehoff, order number 338, a transfer from the Lafayette County Board at Lexington, Mo. It was definitely known this week that men past the age of 28 will be deferred for military service. It was also announced in press releases from Washington that the names of men who registered on July 1, will be shuffled, their order numbers to go into the existing list of order numbers from the first draft. A national lottery, such as that held last fall, will probably be held within the next two weeks to determine the order numbers of July registrants.

Deaf Smith County, along with most other Texas Counties, is interested in the news that a special session of the legislature will probably be called within the next six months to re-enact the road bond assumption bill.

The 47th legislature adjourned its regular session last Friday without passing the road bond law. The bill fell, not because of any dispute over the continued payment of the bonds, but because of a difference between the House and Senate over distribution of a \$2,000,000 yearly surplus in the bond fund.

The house voted to give the surplus to the counties and the Senate voted it to the State Highway Department. The conference report on the bill followed the Senate viewpoint, and the House refused to accept it. Stevenson Opposes It

Despite the opposition to a special session of Lieut. Gov. Coke R. Stevenson, who will be governor if W. Lee O'Daniel goes to the U. S. Senate after July 14, most legislators expect to return to Austin for 30 days some time between September and January. County financial difficulties, caused by the failure of the state to continue bond payments after August 31, is expected to force a compromise on the bond bill. If a majority of both houses agree in advance upon a single bill, speedy discharge of the business is expected. Counties Face Problem

Because dispensers of the bond fund have no authority for paying principal and interest after the end of the fiscal year next August, counties must find other means of meeting these obligations or impair their credit by defaulting on payments. Taxpayers interest is high because counties may have to raise ad valorem taxes to pay off the bonds. In some cases an increase of more than \$1.50 on the \$100. valuation would be required to (Continued on Page 10)

Masons To Install Officers On July 14

All Masons are urged to be in attendance at the regular monthly meeting of the Hereford Lodge next Monday evening, July 14 at 8:30 o'clock. Highlight on the program for the evening will be the installation services for the newly elected and appointed officers for the ensuing year.

Officers to be installed are as follows: Worshipful Master, R. L. Thompson; Senior Warden, Sylvester Slagle; Junior Warden, John Patton; Secretary, E. L. Bradley; Treasurer, Miles Robertson; Tyler, H. F. Keenan; Senior Deacon, Frank Terrell; Junior Deacon, Cecil Gunter; Stewards, W. C. Pitman and J. Wallace Robinson. Refreshments will be served following the program.

Deaf Smith County's 1941 wheat crop was still in the guessing stage this week, although some elevator men estimated that perhaps one-third of the crop had been moved.

Harvest was underway in all communities although progress was slow because of rains, and because fallen wheat and high weeds made combining difficult in many fields.

General opinion is that unless the crop is harvested within the next week, much of the grain will not be worth gathering--in fact, it seems to be a battle between the farmers and the weather with the weather so far holding the upper hand.

But despite some pessimistic features to the outlook, good wheat is being reported, and elevator men agree that the quality of the grain, so far as moisture content is concerned, is much better than that which was brought in earlier. Tests this week were running from 54 to 60 on most of the grain.

Philip Miller's wheat is making 35 bushels, and for the most part, elevator operators feel that the yield will be better over the county than was expected a week ago.

Light combines and binders are still doing most of the harvesting job, as heavy machines bog down in the wet fields.

Deposits Down, Loan Activity Up Statements Show

Loans and discounts at Hereford Banks were increased \$129,232.36 over the figure for 1940, according to statements released this week in accordance with federal reserve and state banking commission regulations. An increase of \$235,573.14 was made over the amount of loans and discounts for 1939.

These increases show a generally more active business picture, despite a slow harvest and rain damage to many crops. Deposit figures, \$889,146.95 for the two banks, were down from 1940 by \$87,248.60, but still showed a gain of \$166,006.09 over deposits for 1939. The lower deposit figure is probably accounted for by the fact that harvest this year is several weeks late.

Combines assets of the two banks is now \$1,201,124.54 as compared with \$1,288,005.73 for a year ago and \$1,004,710.16 for 1939.

Eiland Is AAA Secretary

James Eiland, not E. S. Ireland, as was reported in the Brand of two weeks ago, is secretary of the AAA committee in this county.

Spud Harvest Preparations Finished by Craner-Gault

Lamar Craner and Howard Gault, local potato growers and dealers, are rapidly completing preparation for the potato harvest which will get under way here next week. Complete facilities for washing and grading potatoes are installed in their warehouse on the track, directly across from the Santa Fe Passenger Depot.

Besides taking care of their own potato crop they plan to do custom washing and grading as well as some handling of other potatoes grown in the district. Mr. George H. Carmody of Burley, Ida., has just arrived from California, and will assist Craner and Gault in selling operations at the warehouse.

WEATHER

Temperature extremes and moisture for past week, furnished by Department of Agriculture weather station in Hereford.

Table with 4 columns: Day, Max, Min, Precip. Rows for Thursday, Friday, Saturday, Sunday, Monday, Tuesday, Wednesday.

LOCALS

Mr. and Mrs. Joe Warner of Santa Ana, Calif., are here looking after harvest interests. They are accompanied by their son, Joseph Warner, Jr., and his wife, also of California. The Warners are former Hereford residents.

Jimmie Easley has returned from a ten days visit with the Hal Bruners at their ranch in Silver City, N. M. He attended the July 4th Rodeo there.

Top prices for your cream, poultry, eggs and hides. West Texas Feed & Seed.

Mr. and Mrs. P. L. Beyer of Amarillo and their daughter, Mrs. Van Bates and Mr. Bates of Dumas were week end guests here in the home of Mr. and Mrs. J. E. Beyer. P. L. Beyer is the son of the J. E. Beyers.

Mr. and Mrs. Palmer Norton have returned from a trip to Syracuse, N. Y., and will spend a few days here with his parents, Mr. and Mrs. E. H. Norton.

This is a good time of the year for you to have us cover your floors with linoleum. Prices correct. E. B. Black Co.

Mr. and Mrs. A. A. Foster of Lubbock transacted business and visited relatives in Hereford this week.

Miss Maggie Cocanougher has recovered from a two weeks illness at the home of Mrs. A. D. Godwin and has returned to her home near Hereford.

Mrs. J. W. Skipworth and daughter, Maxine, of Dimmitt, are spending the week with Mrs. Skipworth's brother, C. R. Smith, and family.

Mrs. A. J. Lambert of Alva, Okla., arrived Sunday to spend the week with her mother, Mrs. Marie Angelo. Mr. Lambert and the Lambert's daughter, Mrs. Floyd Utz, and Mr. Utz, of Wichita, Kan., will arrive the last of this week for a short visit with Mrs. Angelo.

We are going to markets soon. We need the room. Ladies Ready to wear going at sacrifices. Save now. Popular Store.

FAMILY REUNION

What almost amounted to a family reunion was held at the home of Mr. and Mrs. E. H. Norton last night. All members of the R. H. Norton family were present except one daughter, Mrs. Ruby Urschell of Mexia. Those attending were R. H. Norton and two daughters, Mrs. Una Hutchcoons and Miss Alma Norton, and grand-daughter, Miss Helen Hutchcoons, of Amarillo, Mr. and Mrs. Dick Norton and

Welcome back to town, Jim. Oh, yes, do you remember Bill, who used to argue against capitalism at high school? Well, he's our mayor, banker, and has a little factory here. In fact, he's the richest man in town.

daughter of Carthage, Mo., Calude Norton of Goldthwaite, Mr. and Mrs. Palmer Norton and the hosts.

Mrs. H. E. Henslee and Oliver Streu left last week for visits with relatives in South Texas. Oliver is visiting his grandmother, Mrs. P. L. Hackworth, in Houston, and Mrs. Henslee will spend two or three weeks in the home of her son, Homer Henslee, near Galveston.

See our new wall paper. Patterns are lovely. E. B. Black Co.

Mrs. H. D. Reed and daughter, Bertella Kay, were in Amarillo yesterday to visit Miss Wanda Jean Reed, who is a student in St. Anthony's school of Nursing.

Morris Kehler of New York City and brother, Joe Kehler of El Paso, are looking after business interests in Hereford this week.

Mr. and Mrs. L. L. Stephens of Amarillo spent the week end with Mr. and Mrs. Darrell Stagers.

Rev. and Mrs. H. M. Redford left Monday for Arlington where he will hold a two weeks revival meeting. They were accompanied by Mrs. Claude Witherspoon, who was returning to her home in Dallas after visiting her mother, Mrs. W. B. Dameron, and other relatives here.

Celebrating Independence Day and the accompanying week end in the home of Mrs. Cooper Morgan were her son, W. C. Morgan, and Mrs. Morgan of Paris, a daughter, Mrs. Harold Weyer, of Muleshoe and her grandchildren, Gloria and Beverly Morgan of El Paso.

We have a fine line of new wall paper on hand. We can please you in price and pattern. E. B. Black Co.

Mr. and Mrs. Logan Ware have arrived in Hereford and are now located on East Eleventh Street. Mr. Ware is the new Hereford High School football coach.

ATTEND FAMILY REUNION. Mr. and Mrs. C. F. Moore and family were in Henrietta, Sunday and Monday, to attend a reunion of his family at the home of his brother, Hollis Moore. It was the first time since the brothers and sisters had scattered to homes of their own that they were all together. One brother, Orville Moore, of Ft. Bliss was unable to attend. Those present were E. Lemond Moore of Amarillo, Frank Moore of Floydada, Louis Moore of Lubbock, W. R. Moore, Waco, C. F. Moore, Hereford, Mrs. Ernest Boothe of Wichita Falls and Hollis Moore of Henrietta.

Mr. and Mrs. Ted Houston and children left for their home in Boise, Ida., an Monday after spending the past two weeks here with her parents, Mr. and Mrs. F. H. Oberthier.

ROY HASTINGS TO PENSACOLA. Roy Hastings left Dallas last week for Pensacola, Fla., where he reported Tuesday morning to the Naval Flying School for further instruction before being assigned to a navy post.

Mrs. F. E. Walker of Lone-wolf, Okla., and Mr. and Mrs. Lloyd English and daughter, Jan, of Altus were guests of Mr. and Mrs. N. E. Milburn, Sunday and Monday. They were enroute to Wyoming for a two weeks vacation trip.

Roy had attended several government flying schools, the last one in Dallas. He is the son of Mr. and Mrs. Henry Hastings.

Miss Clisby Allen of Los Angeles, Calif., is visiting in the home of Mr. and Mrs. Elmer Mathies.

We have a big stock of fine carpet in twelve foot widths for large rugs or complete coverage. E. B. Black Co.

Mr. and Mrs. Lloyd Dennis of Commerce, Robert Hough of Fort Bliss, El Paso, Mr. and Mrs. William Lovan of Dallas and Mrs. L. W. Hough of Amarillo were visitors last week in the home of Mrs. M. B. McLean.

Mr. and Mrs. J. Horace Black of Dallas spent Friday and Saturday in the home of Mr. and Mrs. J. B. Ellison.

Mr. and Mrs. E. L. Brady spent the week end in the home of her parents, Mr. and Mrs. W. M. Stovall, in Nara Visa, N. M. Billy Brady, who has been visiting his grandparents, returned to Hereford with them.

Miss Barbara Brotherton of Abilene spent Sunday with her grandmother, Mrs. B. L. Branson.

Call Troy Moore for complete Butane Service, bottle or tanks. Moore Independent Oil Co.

Mr. and Mrs. W. F. Craddock, Jr., of Sante Fe, N. M., stopped in Hereford one day last week to visit his aunt, Mrs. Will S. Kerr. They were enroute to southern points in Oklahoma for a short vacation. Mr. Craddock is a former Hereford resident.

John L. Wilson of Vega spent Sunday here with his children, Mrs. Jeff Glibreath, Mrs. Cliff Estes and Paul Wilson, and their families.

Mrs. Harold Hicks and three children of Winfield, Kan., arrived yesterday for a month's visit with her parents, Mr. and Mrs. J. E. Beyer.

We are going to markets soon. We need the room. Ladies Ready to wear going at sacrifices. Save now. Popular Store.

Ray Nunn of Camp Barkley, Abilene, spent a three day furlough here last week with his wife and his father, R. T. Nunn.

Walter Palmer of Wichita Falls spent Tuesday night here with his mother, Mrs. Mary Palmer.

Mrs. Ella Lamb has gone to Abilene to visit her daughter and husband, Captain and Mrs. C. C. Craddock.

Top prices for your cream, poultry, eggs and hides. West Texas Feed & Seed.

Mr. and Mrs. Jim Williams and baby of Becker, N. M., recently visited his mother, Mrs. E. J. Williams.

Complete Butane Service, bottles or tanks, delivered to your home or at our warehouse on Highway 60. Moore Independent Oil Co.

Dr. W. W. Melton, chairman of the Texas Promotional Committee on Baptist war work, is touring Texas in behalf of the special campaign to raise three hundred thousand dollars in the South. The 3,250 Baptist churches in Texas have been asked to raise \$35,000 on Sunday, July 27th.

Adrian News

By MRS. GEORGE A. SYMS

Mesdames J. P. Collier and R. E. Caldwell will be hostesses at a Hospital Linen Shower to be given at the home of Mrs. R. M. Glenn on Tuesday afternoon.

Mr. and Mrs. E. L. Brown and sons visited Mrs. Brown's parents at Flomot last Sunday. Mrs. Brown's sister, Miss Edna Ruth Bourland, returned with them for a few weeks.

Jack Reynolds is visiting his mother, Mrs. A. L. Reynolds and other relatives. Jack has recently been transferred from Ft. Warren, Cheyenne, Wyo., to Fort Bliss in El Paso.

Mrs. Otto Redlich and daughter, Vivian, of Arlington, visited her mother and brother, Mrs. Henry Klein and A. C. and Ed Klein last week.

Miss Henrietta Creitz, nurse at Northwest Texas Hospital in Amarillo, spent the past week with her parents, Mr. and Mrs. Henry Creitz. Henrietta spent the first three weeks of her vacation at the Girl Scout Camp near Amarillo.

Mrs. L. L. Biddle is ill at the home of her parents at Dustin, Okla.

Mr. and Mrs. E. R. Clevenger and children of Vega visited at the Syms home Sunday afternoon.

Mr. and Mrs. John Skages and son, Grady, and Mr. and Mrs. E. N. Jacobson and daughter, Norrien, spent Sunday afternoon at Buffalo Lake.

The Adrian territory has received more rain the past week, causing the wheat to fall and cutting down the average yield. Many are cutting; thought cutting is difficult in the wet fields.

Mr. and Mrs. R. E. Caldwell visited relatives at Bovina, Sun-

day. Mr. and Mrs. Ralph Robison of Phillips and Mr. and Mrs. Albert Watson of Albuquerque, N. M., visited in the home of Mr. and Mrs. Frank Watson, Sunday. Mr. Watson is employed for the summer at Phillips; and Mrs. Watson is visiting her husband while on her vacation. She is employed in the secretarial department of the Albuquerque school system. Mr. and Mrs. O. G. Calhoun and daughters, Evelyn and Sarah, visited their son and brother, Orville, Jr., at Western Life Camp near Las Vegas, N. M.,

over the week end. The Calhoun's plan to visit Santa Fe and other points of interest on their return.

Mr. and Mrs. Glen Howard made a business trip to Oklahoma this week.

The O. A. Fincher family is moving to Amarillo this week, where Mr. Fincher has a job at the smelter.

Nathan Willis and John Cooper spent Friday and Saturday visiting relatives in Hedley.

Mrs. Hurley Maynard is cooking for the men at the elevator west of town during harvest.

SOCIETY

MRS. JOHN McLEAN, Society Editor Phone 181

Miss Thelma Holly Of Happy Is Bride Of Hereford Man

Announcements have been received here of the marriage of Miss Thelma Holly, daughter of Mr. and Mrs. J. H. Holly of Happy, and Fred Axe, son of Mr. and Mrs. F. J. Axe of this city.

Rev. E. Hawthorne, pastor of the Baptist Church of Happy officiated at the services at the Baptist parsonage in Happy on Saturday, June 28.

The bride wore a black and white dress with matching accessories.

Former Hereford Resident Married In Wichita Falls

Miss Eleanor Longino, formerly of Hereford, became the bride of Lieut. Roger L. Mills of Ft. Sill in a ceremony performed Saturday evening at the home of her parents, Mr. and Mrs. George H. Wilson in Wichita Falls.

Rev. Albert Steel, pastor of the Vernon Presbyterian church, officiated at the rites which were read as the couple knelt on a white satin-covered prayer bench before a background of fern white gladioli and white tapers.

Preceding the ceremony, Chas. Kiker played "Liebestraum" and accompanied Mrs. W. M. Priddy, who sang "Because" and "At Dawning." He also played the wedding marches and played soft music during the ceremony.

The bride was escorted by her father to the altar. She wore a dress of white silk twill fashioned with lace yoke and sleeves. Tiny covered buttons were the only trim. Her accessories were in white including a dainty Hodge hat of white flowers with blue veil. She carried a white prayer book topped with a cluster of white orchids.

Miss Jane Wilson attended her sister as maid of honor. She wore a frock of powder blue angle-skin, and a turban and other accessories in navy. Her corsage was of white roses.

Little Miss Mary Frances Newth of Vernon was the ring bearer. She wore a dress of blue shadow organza with Irish lace trim and her hair was ornamented with clusters of white flowers. The rings were carried on a white satin pillow.

Lieut. Logan Rappe of Ft. Sill was best man and George Wilson, brother of the bride, was also an attendant.

A reception was held immediately after the ceremony, after which the couple left for a week's wedding trip. Mrs. Mills wore a suit of black vision net with white pique and pearl button trim. Her accessories were of black felt and patent leather. Upon their return, Mr. and Mrs. Mills will live in Lawton, Okla.

Weocantewaste Camp Fire Girls Hold Ceremonial

Weocantewaste Camp Fire Girls held their summer ceremonial at the Camp Fire Hut Thursday night. Mothers of members of the group and others were invited guests.

Wohela candles, signifying work, health and love, and seven candles representing the seven points of the law gave candlelighting for the impressive service.

Norma Jean McCollough, Virginia Lyons, Betty Carl and Betty Morrow received the Trail Seekers Rank and Marion Plummer and Mary Ellen Henslee were awarded the Firemakers Rank.

After the ceremonial the girls served refreshments to the guests.

Afternoon Party Is Enjoyed By Contract Club

Crimson combined with blue and white sage were used about the house in decoration Tuesday afternoon, when Mrs. C. H. Dyar was hostess for members and guests of the Tuesday Afternoon Bridge Club.

In the games of contract Mrs. Glenn Snyder played high for club award and Mrs. N. E. Milburn won the guest award.

Enjoying the party were Mesdames Knox Kinard, Travis Dameron, Glenn Snyder, W. M. Emmons, W. L. Davis, Gaston Baer, N. E. Milburn, Grant Fuller, F. H. Oberthier, Timothy Tinsley of New York City, Henry Sears, Logan Ware and the hostess.

Rosie Russell, who has been cashing at Haile Drug, went to work Monday at the Telephone Office.

Justakrd Club Meets At Home Of Mrs. Haile

Justakrd Club met at the home of Mrs. Meade Haile on Wednesday afternoon last week.

Two guests played with members. They were Mrs. Sylvester Slagle and Mrs. William Teeter. High score awards went to Mrs. Teeter and Mrs. Grant Fuller.

Tall spikes of gladiola blossoms furnished the floral accent for the party and after the games a salad course was served to Mesdames J. W. Wither-spoon, Henry Sears, N. E. Milburn, Sylvester Slagle, G. R. Lunford, George V. Stambaugh, William Teeter, Grant Fuller and the hostess.

Patriotic Pageant Presented For Order Of Eastern Star Members

Members of the Hereford Chapter of the Order of Eastern Star were entertained with a patriotic pageant at the regular meeting held at the Masonic Hall, Tuesday night.

The pageant served to emphasize the correlation between the flag of the nation and the emblematic colors of the Order of Eastern Star.

Mrs. W. H. Russell, dressed as the Goddess of Liberty, took the part of Miss Columbia. Her escorts, Phyllis and Frances Hunter, were dressed in red, white and blue costumes. The star points were Mrs. Pearl Kinsley, blue; Mrs. Edna Bowe, yellow; Mrs. Jack Rose, white; Mrs. Ullman Hunter, green and Mrs. L. H. Shore, red.

After the presentation of the American flag, Mrs. Russell gave a reading which told the story of "The Making of Our Flag." Mrs. O. G. Hill and Mrs. H. D. Reed sang in duet, "America, The Beautiful."

Mrs. Ed Boggus directed the pageant.

Luncheon Club Is Entertained

Mrs. Oscar Easley was hostess to members of the Wednesday Luncheon Club last week.

After a luncheon downtown, the group enjoyed bridge games at the Easley home which was decorated throughout with varicolored gladioli.

High scores were made by Mrs. H. K. Fox and Mrs. W. L. Davis. Others playing were Mesdames W. M. Emmons, Alton Fraser, J. C. McCracken, C. C. Acker, S. P. Rosson, and Jimmie Gillentine.

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation to the many friends who were so kind during the recent illness and death of our loved one, Mrs. S. D. Hickman. Your remembrance and kindness during our time of need is greatly appreciated and will be always remembered by us.

The Hickman Family, Mr. and Mrs. John Hickman and Robert.

Mrs. Woodford Is Club Hostess

Full blown poppies floating in low containers centered refreshment tables Friday afternoon when Mrs. Louis Woodford entertained members of the New Deal Bridge Club at her home on West Ninth Street.

High score award in bridge games went to Mrs. Sylvester Slagle and low to Mrs. Alton Miller.

After the games a delectable salad plate was served to Mesdames J. T. Gilbreath, Jr., Alton Miller, Ralph Hastings, B. Y. Crosthwait, Sylvester Slagle, Frank Huckert, Willis Edelman, Urlin Streu, and the hostess.

Westway Items

BY MRS. MERLIN KAUL

Several new granaries have been built in this community this year. Most recent are those of Maurice Tannahill, Clarence Morrison and W. L. Jones.

Wheat harvest has actually started this week. Both binders and combines are being used. Several fields of late wheat will not be ready to cut before the last of next week. There are more acres of oats and barley this year than usual. Some wheat is very good and some is very poor. The earlier wheat so far is turning out better yields than the late wheat.

A heavy rain fell in the entire community Friday morning and stopped all work in the fields.

Several of our citizens are in the northern part of the community Saturday afternoon but in the immediate vicinity of Westway school house and west there was only a shower so that work was resumed by Monday afternoon.

Ava Gene Gore returned to Pampa, Sunday, where she will spend the summer with her mother, Mrs. Ava Belle Gore. Ava Gene has spent the winter here with her grandparents, Mr. and Mrs. L. O. Gore, and attended school.

Mr. and Mrs. Newton Stokes and children of Pampa were visitors Sunday in the Jess Otis and L. O. Gore homes.

Billy Gene Wilson, son of Mr. and Mrs. Ellis Wilson of Carlsbad, N. M., is visiting in the home of his uncle, Grady Wilson, and helping harvest.

Mrs. Pauline Campbell and children are here visiting relatives and friends.

Mrs. T. J. Parsons has been suffering with asthma. Her mother, Mrs. Stephenson, of Claude visited her daughter and

family last week. Mrs. Parsons returned home with her.

Miss Billye Sykes of Hereford is helping Mrs. Orville Houser with her canning this week. Monday they canned 70 quarts of peaches from the trees at the Hartman home and were canning green beans Tuesday. Several in this community had cherries to can this year from their own trees. Most of the ladies have beans ready to can this week. Mrs. Floyd Tucker has some fine head lettuce in her garden.

Mr. and Mrs. Paul Rudd and boys went to Spring Lake, Sunday, to visit in the Will and Ralph Rudd homes. Another brother, Raymond, was home on a short furlough from Fort Sill, Okla.

The Sunday School classes of Mrs. Floyd Tucker and Mrs. Earl Little enjoyed a picnic Wednesday at the park at Hereford. The afternoon was spent playing games and fishing. Even such good refreshments as home-made ice cream, cookies, and

punch were almost forgotten when Elaine Cox and Weldon Stephan caught some "whoppers" the first time they had ever tried to fish.

The ladies who took cars were Mrs. Earl Little, Mrs. Carl Leeper, Mrs. Paul Rudd, Mrs. T. B. Cox, Mrs. Floyd Tucker, and Mrs. Carl Lee.

Children present were Billy, Florence, Phillip, and Steve Goldston, Donald Dean Wilson, Wanda Marie Allmon, Helen Marie Tucker, Inez and Richard Lee Tucker, Elvin and Rose Stephen, Homer and Harold Rudd, Kenneth Wade, Rae, Doyle, and Elaine Cox, Allen and Bernard Leeper, E. H. Little, Jewel Clark of Summerfield.

Mr. and Mrs. Foy Dodson and Monte Max and Neelle Reed of Plainview visited here Sunday in the R. M. Gunn and Merlin Kaul homes. Mrs. Dodson and Neelle attended church services Sunday morning.

Rev. and Mrs. Carl Leeper and boys and A. B. Leeper were guests Sunday night in the Merlin Kaul home.

Wilburn Tannahill of Lockney and Miss Tress Allen of Canyon were visitors Sunday in the home of Wilburn's brother, Maurice Tannahill. Wilburn will leave

Thursday for Fort Bliss for military training.

Vernon Wilson and V. Skypala went to Abilene, Friday, to get Vernon's combine. Mr. Skypala visited his daughter, Mrs. Richard Connally, and family at Abilene. They returned Sunday, Vernon bringing his wife and baby son who will remain here during harvest.

Mr. and Mrs. John Johnson and family of Morton were visitors Sunday in the home of Mr. Johnson's sister, Mrs. Grady Wilson.

Mrs. Fred Millard, Mr. and Mrs. Hughes Millard and Sheila, Mrs. Bud Hophon, Jerry Ray Landers, and Mrs. M. S. Roe and Monty, all of Hereford, were visitors Sunday afternoon in the Grady Wilson home.

A working bee chooses apple blossoms before pear blossoms. The nectar from apples runs 55 per cent sugar and pears 15 per cent.

Heaviest infestation of flea hoppers in many years is expected in Texas cotton patches this summer by Texas entomologists.

Those accompanying the couple were Mr. and Mrs. Wilburn Axe and Mr. and Mrs. Clayton Devin of Des Moines, N. M.

Mrs. Axe is a graduate of Panhandle High School and holds a B. A. degree from West Texas State College at Canyon. For the past five years she has been a member of the Happy High School faculty.

Mr. Axe is a graduate of Hereford High School and is a farmer in Castro County. After a short wedding trip to points in New Mexico the couple will be at home near Hereford.

Wyche 4-H Club Has Meeting

At the meeting of the Wyche 4-H Club last week at the Wyche School house plans for the "Hope Chest" project sponsored by the group, were discussed. The hope chest is a clothes hamper filled with household articles usually found in a bride's hope chest. Chances on the hamper will be sold and the funds used to finance the 4-H group on a trip to New Mexico in August. A community picnic will be held on August 9, at which the name of the winner of the chest will be revealed. The chest is on display at the E. B. Black Furniture Store.

It was announced at the meeting that Georgia Mae Reeves and Nancy Olson, county Gold Star Girl, will represent the club at the Junior Short Course to be held at College Station, July 17-18.

Refreshments were served to Barbara Robertson, Wilma Robertson, Ina Mae Hewitt, Patsy Harris, Betty Jo Boeskin, Vera Rea, Georgia Mae Reeves, Bernice Elliston, Nancy Olson and Mrs. Louie Olson.

What The Local Unit For Cancer Control Has Done

Mrs. Bob Wilson, chairman of the Deaf Smith County Unit of the Woman's Field Army of the American Society for the control of cancer has made the following report to the state organization covering the activities of the local organization since its beginning on December 6, 1940.

There is one representative in every participating organization in the county who has kept his organization informed from time to time on the cancer control program. Mrs. M. B. McLean, county librarian, reports that more people have used the available material than in any past year.

There were 11 talks made in Deaf Smith County by graduate nurses and two doctors gave lectures on two different programs. The approximate attendance at these meetings totaled 349.

The film "Choose To Live" was shown twice in the county with an approximate attendance of 100 persons.

The quota of sixty dollars which was set for Deaf Smith County was raised and has been sent to headquarters. The enrollment campaign funds are distributed in the following manner; 70 per cent goes to the state organization to be used under the supervision of the state executive committee. 30 per cent goes to the national office to be used under the direction of the Society for general organization and educational expenses.

Contributions were made on the quota by 33 individuals, 13 study clubs and Home Demonstration Clubs, 4 church organizations, American Legion, Summerfield School and numerous small contributions.

Over 600 pieces of literature, pamphlets and leaflets on cancer have been distributed over the county and local doctors have reported that more interest is shown in physical check-ups, more questions are being asked and more people are having physical examinations.

Mrs. Wilson pointed out, in making the report, that while the facts show that only a small beginning has been made, a good foundation has been laid for the future progress of the work. A definite interest has been established and that interest will bring about the main objective of the organization which is the education of lay persons, especially women," Mrs. Wilson said.

Olton Boosters Will Be In Hereford Friday

Boosters for the annual Olton Lions Rodeo will be in Hereford, Friday afternoon at 3:15 o'clock, according to an announcement received from the Olton Club.

The group will be here for a few minutes to advertise the 11th annual Olton Rodeo which will be held July 15 and 16, and which they promise will be the best ever offered by the South Plains city.

KANSAS CITY—The tall, slim man on an airliner which stopped here briefly said he was making his first trans-continental flight as a passenger.
He was Charles A. Lindbergh.

Ward News

MRS. CHARLES B. MILES
Mrs. W. A. Brown of Quail is visiting in the home of her daughter, Mrs. E. Ward and family.

Almost everyone from the community was in Hereford, Saturday night, to see the "black-out."

Mrs. Matteson and son, Paul, of the Westway community were here Sunday, making preparations to harvest their barley.

Mr. and Mrs. E. Ward went to Collingsworth county, Friday to visit relatives.

Mr. and Mrs. I. A. McLain and daughter of Hereford were dinner guests, Sunday night, of Mr. and Mrs. T. B. Cox and family.

Mrs. Tom Bradford and daughter of Borger were here over the week end looking after their farming interests.

HEREFORD

BULL

By Jimmie Gillentine

Maybe the rains have gone. We all hope so, but it's too late to help any in the case of Ray Coneway. He's so far gone that he is making up verses about the rains—and when an old boy like Ray starts imitating Shakespeare you can bet that it's time to call in a specialist. His latest parody is:

"The saddest words of tongue or pen are those:
"It's Raining Again."

Everywhere folks are saying we had a "washout" rather than a "black-out." I didn't get to see the affair, but it seems that among other things the fire whistle wouldn't blow. Finally, in desperation, the boys got "Old Napoleon"—that's the big truck—warmed up and started blowing that siren as loud as it would go. About the time their ear drums were on the verge of bursting they happened to look around and discover that the doors to the firehouse were closed and none of the noise was getting out. Somehow, the incident struck me as carrying a vital message to everyone in the community. It shows just how poorly prepared our nation, our state and our community are in event of war. What if there had been a real, honest-to-goodness air raid? The entire town would have been wiped off the map, just as hundreds have been wiped out in the invaded countries.

In The Brand this week you will find an article by Elmer Dameron, newly elected president of the Chamber of Commerce. The article outlines some of the C. of C. objectives, accomplishments, etc., and should be read by every resident of the community. The Chamber of Commerce is getting ready to "go to town" with their present program; they deserve and will get general support of the community.

Walter Ayers can't understand the younger generation. Tuesday night about 4 o'clock his three-year-old son, Ralph, awakened him with a series of loud calls. Walter got up, went in to Ralph's room and the youngster asked him to close the doors. He closed one and Ralph insisted that the other also be closed. At noon Wednesday, Mr. Ayers remembered the incident and asked Ralph why in the world he wanted the doors closed.

The youngster grinned, and said: "My feet were cold."

If you like to fish, do so now. Jimmie Aiken is hauling wheat this week, which gives other folks a better chance to catch fish. No kidding, Jimmie has been hauling wheat this week for Bill Kerr and they say he is making a real hand.

Bill Teeter can push more buttons and get less results than any man in town. Jim Gilliland has a new hat in an off-election year. Noah Ewton says he is going to sell out and move to Colorado, due to poor health of his son, Wiley, who thrives in higher altitudes. Harry Danforth was out with his left-handed golf clubs driving rocks Wednesday afternoon. Speck Lunsford is fishing near Galveston again. Mrs. H. A. Burk is a genius, she had her husband out mowing the lawn the other afternoon. The housing situation is getting bad again.

Mr. and Mrs. Deward Roberson of Amarillo and Mr. and Mrs. Owen Andrews spent Friday with Mr. and Mrs. T. L. Sparkman, Sr.

George Jones, who is stationed at Camp Bowie, is here visiting his parents, Mr. and Mrs. A. T. Jones, and other relatives and friends.

Mr. and Mrs. George A. Springer visited, Mr. and Mrs. Clyde Renfro of Jumbo, Wednesday.

Miss Laverne Balze of Wyche spent Saturday and Sunday nights in the J. M. Dixon home, where she visited Lurline Dixon.

Mr. and Mrs. Deward Roberson of Amarillo, Mr. and Mrs. A. T. Jones, Mr. and Mrs. Elmer Jones and George Jones, of Camp Bowie took dinner Friday with Mr. and Mrs. Wesley Brown, Friday night. They enjoyed a chicken fry at the home of Mr. and Mrs. T. L. Sparkman, Sr.

Miss Dortha Hodges, who has been visiting her sister in White Deer, returned home Tuesday.

Misses Lurline and Wanda Dixon spent Tuesday with Mr. and Mrs. Chock Collins of Hereford.

Mr. and Mrs. Webster Johnson and family from Pampa and Miss Wanda Goforth from Wellington visited Mr. and Mrs. Haskel Benson and daughters, last week. Mr. Johnson is Mrs. Benson's brother and Miss Goforth is her niece.

Mr. and Mrs. Harold Balze of Hereford visited Mr. and Mrs. J. M. Dixon Thursday afternoon. Mr. Balze is stationed at Camp Bowie.

About 3-4 of an inch of rain fell here Tuesday night. Another rain fell Monday afternoon.

Mr. and Mrs. Aubrey Bartlett of Gainsville are visiting her parents, Mr. and Mrs. D. O. Benson. They plan to work here during harvest.

Mr. and Mrs. Haskel Benson and daughter were Amarillo visitors, Sunday.

Mrs. J. M. Dixon and daughters visited Mrs. S. J. Barclay of Hereford, Monday afternoon.

SEEDS of ADVICE

from
The Garden Club

Like the zinnia and the marigold, the modest morning glory that used to ramble unnoticed over kitchen doorways and backyard fences, is now having the spotlight upon it.

Painstaking efforts of modern plant breeders are lifting that graceful climber completely out of the ranks of the common old-fashioned flower. Within a very short time attractive new varieties have come into being, to set a new standard of size, coloring and profusion of blooms.

Four new varieties seem outstanding in the morning glory realm. They include the Heavenly Blue, with which we are all so familiar, Clarke's Blue, White Glory and Scarlet O'Hara.

No flower in the garden is more gorgeously blue and more ethereal in its makeup, than the Heavenly Blue Morning Glory. When fully opened each flaring trumpet resembles a bit of sky with a scrap of white cloud in the center. The tones vary from pale blue to deep azure but the flower itself is moody. If the day is clear, the blossoms

open early in the morning in accordance with the flowers of its family; and unless the sun is very hot, they do not close until late afternoon. On a cloudy day they may not close at all.

Clarke's Blue is an early flowering strain of Heavenly Blue, with larger blossoms. It makes a heavy vine that covers itself with blooms all through the blooming season and adapts itself to many and varied uses.

White Glory is a Straffel's production with an unusual large blossom. It is pure white except for a faint touch of blue in the ribs. The blossoms are later than the blues or the Scarlet O'Hara, but the foliage is completely hidden by blossoms every morning. White Glory and Scarlet O'Hara planted together make a striking picture when in bloom.

In 1937 when Margaret Mitchell's "Gone With The Wind" was the year's most successful novel, a morning glory with large, red blossoms was named after the book's vivacious heroine. It was so unusual in its dev-

elopment that it was awarded the gold medal as the year's most outstanding flower.

Scarlet O'Hara does not lend itself to so many uses as the Heavenly Blue, and it does not bloom so profusely; but its richness in color makes it an easy favorite.

Besides serving so many outdoor needs morning glories make

Ideal plants for the house in the winter. Start the seed in a pot and keep in a sunny window. As the plant grows keep the laterals pinched back to make the plant shapely. You will be surprised at the amount of color and cheer one small plant can provide.

Courting Days Were Never Like This

Wouldn't it be nice if a man would not start, as soon as he is married, to fall into the following habits:

Getting off with the men in any gathering of husbands and wives—if there is no attractive unattached girl around for the men to show off in front of.

Climbing into the front seat with the man driving a car, leaving the two women to sit together in the back. (Courting days were never like that.)

Shutting up like a clam the minute the food is put on a restaurant table when just he and his wife are dining together.

Listening apprehensively, instead of proudly, when his wife takes the conversational spotlight.

Grabbing the most comfortable chair in his own home.

Questioning his wife's taste in clothes.

Waiting to get a haircut until his wife reminds him three days in a row.

Feeling that his wife was darn lucky to get him—even though he worried himself sick for a year for fear she might marry another guy who seemed to have more to offer her.

"Haven't You Got On Too Much Rouge?"

Pulling the old "hen-pecked husband" line whenever there is another man around to chime in with him.

Saying on the way to the party, "Haven't you got on too much rouge?" or "Why didn't you wear your blue dress?"

Answering all questions in monosyllables—if they happen to be asked by his wife.

Letting his wife (unless someone is looking)—but no other woman—open car doors for herself, move chairs, and struggle with windows.

Dawn Items

By MRS. CARL WIMBERLEY

Heavy rains Friday and Sunday mornings have caused some of the wheat to fall, making cutting difficult, although not impossible if there is no more rain. Because of wet fields some farmers have bought new lighter weight combines. Only a small part of the wheat has been cut.

Because of the mud, Sunday School was held at the home of Mr. and Mrs. L. A. Smith this week. Twenty-six were present and Rev. Clarence Wylie of Canyon preached. He was accompanied by Mrs. Wylie and they were dinner guests in the Smith home. Despite the unusually bad weather, only once has there failed to be Sunday School services in the last year. That was during the ice storm last fall.

Mrs. N. R. Miller is ill. Mrs. Sam Murphy of Breckenridge who has been visiting Mr. and Mrs. Jim White and family left Sunday for Snyder, where she will visit before returning home. Mrs. Murphy is Mrs. White's mother.

Mrs. Lester Galley and Mrs. Walter Galley entertained with a dinner at the latter's home recently for Mrs. Walter London on her birthday. Others present were Mrs. C. P. Galley, Mr. London and children of Hereford, Walter Galley, Lester Galley, Charles, Orville, Clifford and Irene Galley.

Mr. and Mrs. Charlie Brown formerly of Durant, Okla., who have recently moved to Umbarger, spent Thursday night with Mr. and Mrs. Charles Benton. Miss Laverne Barrington of Midland is visiting Mr. and Mrs. C. E. Mariner and daughter.

Mr. and Mrs. Iverson Leake visited Mr. and Mrs. Cliff Leake at Bovina, Thursday evening.

Misses Sherley Donnell and Ella Smith of Amarillo visited Mr. and Mrs. L. A. Smith and family Saturday night and Sunday.

Mr. and Mrs. Ed Koonce visited Mr. and Mrs. Mayo Whitten at Petersburg over the week end. J. B. Jones of Canyon visited Mr. and Mrs. W. P. Caraway and family, Thursday night.

Mr. and Mrs. Roy Oglesby and family spent the Fourth of July holidays at the home of Mr. and Mrs. J. R. Oglesby at Westbrook. They returned home Sunday afternoon.

Mr. and Mrs. Walter Galley and children visited Mr. and Mrs. Howard Hershey at Hereford, Saturday night and Sunday.

Mr. and Mrs. Cecil Benton of Exzell visited relatives here over the week end.

The section gang here on the railroad has been increased to ten men.

Mr. and Mrs. E. A. Oberst of Canyon visited Mr. and Mrs. William Wimberley, Monday.

All kinds of separators have been invented. How about one that will separate news from propaganda?

Progressive News

BY MRS. HOWARD HIGGINS
The northern part of the community received about 3 inches of rain during the past week. The southern part received some throughout the week, however, to cause several lulls in planting. Most farmers now have row crops planted. Harvest is in full swing on days that are dry enough. Quite a lot of the wheat is being bound as some of it is falling. The weeds have grown so high along the roadside that it is practically impossible to see crops without getting into the

Is Your Wife Average? Then This Is Her Life

The Cleburne Times-Review published this description of an average woman:

She marries at the age of 24. Quarrels at least twice a month with her husband.

Spends four years washing dishes.

Is 5 feet 4 inches tall. Spends 2,784 hours (five years) gossiping.

Weights 128 pounds until she becomes careless about her figure.

Spends \$312 in beauty parlors and \$387 on drug cosmetics.

Attends 2,027 movie matinees, many of them double features.

Threatens at least eight times to go home to mother—but never does.

Spends three years and eight months on the telephone.

Never learns to play a golf game that satisfies her husband.

Buys 369 hats and 582 dresses.

Amarillo. Mr. and Mrs. Ray Hershey, Mr. and Mrs. Arnold Hershey and son and Mr. and Mrs. Horace Hershey and sons of Springfield, Colo., visited Mr. and Mrs. Arch Conklin and family of Hereford.

Most Dangerous Months Are Here, Watch Your Step

Beware the ices of March may sound good in mythology, but July and August are the month for modern Americans to watch their step. Accident statistics disclose that they are the most dangerous of the whole year. Two thousand dead each week—one every five minutes—has been the accident record of these months year in and year out, according to the National Conservation Bureau, accident prevention division of the Association of Casualty and Surety Executives. With Americans enjoying at least temporary prosperity after many lean years, and excitement running high over international events, the prospects for avoiding an even higher death rate this year are none-too-good, say the safety specialists.

"But it can be prevented with just a little care and reason," says Julien H. Harvey, chief of the National Conservation Bureau.

Things That Cause Accidents
"Already 1941 has produced a 16% increase in traffic deaths over 1940, with 1,500 more fatalities recorded in the first four months of the year than in the corresponding months of last year. And experience shows that the motor vehicle deaths rise sharply in the vacation months, when more cars are on the road than at any other season.

"The peak season for drownings has arrived and lightning generally kills several hundred persons each summer. Injuries incurred in recreational activities also result in many fatalities. Sunburn and sunstroke, heart failure induced by over-exertion, poisonous snakes, mushrooms and berries, impure drinking water, and infection of neglected cuts and scratches—perhaps the stealthiest killer of all—add their quota to the summer accident death rate.

"Bad cases of sunburn probably ruin more vacations than any other single cause. The way to avoid severe burn is to expose yourself to the sun in gradually increasing doses—a few minutes more the next day, and so on. Any good commercial suntan lotion will stop most of the rays that cause sunburn. So will a 5 per cent tannic acid solution, or a liberal application of olive oil or cocoa butter. If you do get sunburned, use a good commercial remedy or apply wet cloths saturated with Epsom Salts.

Dizzy? Get Out of Sun!
"Get out of the sun at the first symptom of dizziness, nausea, or chill. You may be on the verge of collapse from either sunstroke or heat exhaustion. Persons who suffer from the heat will get some relief by drinking a teaspoonful of salt in a glass of water. This restores the saline content of the blood, which is frequently depleted by excessive perspiring.

"Don't stand under a tree or close to a wire fence during thunderstorm.

"Swim only with other swimmers who can help you if you get into trouble.
"Avoid wild plants with small whitish berries and deep green leaves! They're likely to be poison oak, ivy, or sumac. An Epsom Salts dressing is a good first aid treatment for plant poisoning.

"If you are not sure of the purity of drinking water on picnic or camping trip, boil that water for fifteen minutes before drinking.

"Remember that speed is by far the greatest single cause of traffic accidents.

"Moderation does it. Take it easy! You'll have a pleasant, carefree, accident-free summer."

Deadly Flame Thrower in Action

For defense against enemy fortifications or tanks, the Army's chemical warfare service has developed a new model flame thrower, demonstrated recently at Fort Belvoir, Va. It's a portable model for use by the individual soldier.

length limit on all species of fish in the recent report of the Virginia Commission of Game and Inland Fisheries. After a three season's trial the Commission has found its ruling abolishing a length limit on trout and providing a daily bag limit regardless of the length of the fish has met with the universal approval of anglers in that state.

When a length limit was in vogue, it was a common occurrence to observe dead undersize trout floating down the streams, these having been killed when caught and returned to the streams. It is believed by the Commission that a saving of at least 50 per cent has been accomplished.

The Commission met considerable opposition when it inaugurated the rule. However, it was given a fair trial and today no opposition is registered and many anglers are urging the Commission to let a non-length limit apply to all species of fish. They believe, as do biologists of the Texas Game Department, that there is greater waste of fish than is generally thought in returning undersize fish to the water.

Several states have recently adopted the no length rule.

NURSED DOE BACK TO HEALTH

Because Mr. Haul Johnson of Uvalde took the trouble to bring home and treat a yearling doe he found in the woods near the close of the last hunting season there is one more deer in Texas today.

The doe was down, sick and blind in both eyes when Mr. Johnson found it. He took the deer to town and upon closer examination found that the doe's ears were packed with ticks. Mr. Johnson removed them. For six weeks the deer could not get to its feet. However, after two months it began to show improvement. Now the deer has completely recovered its health and its sight, as well.

Potato Insects And Diseases Combated By Spray and Dusting

With harvest of the early potato crop almost ready to start, Harold Close, owner of the Close Chemical Company, today gave information on insects and diseases which are a threat to the potato crop.

Said Mr. Close, "The potato leaf hopper and aphids seem to be doing the most damage, with some Psyllid also present; and for the control of both, sulphur or liquid lime sulphur are recommended."

"Leaf hoppers," Mr. Close adds, "live by sucking the juices from the plant; they cannot be killed by stomach poisons and leaf hopper injury is characterized by a whitening and curling of the leaves with drying of the edges."

Mr. Close explains that Psyllid Yellow is shown by the upward

curling of leaflets towards the top of the plant and a yellowing of their bases and margins. In some varieties, discoloration takes on a reddish or purplish tint. The progress of the disease is from top of the plant downward, causing stems to enlarge and producing spotted tubers.

The proper time to spray or dust depends on seasonal development of the insect. However, the average farmer does not have time to inspect his crop daily; therefore to spray or dust at certain periods in the development of the plant is generally considered a good plan.

Mr. Close gives a schedule which experience of most farmers has shown to be a good plan.

First application when plant is 4 to 5 inches high.

Second application when plant is at early bloom stage.

Third application in late bloom.

Fourth application two to three weeks before maturity.

Summer Queen

Clark and G. H. Whitaker spent the week end here. Clark is a private in the Medical Corps at Camp Bowie, Brownwood, and G. W. is with a Motorized Unit at Fort Bliss.

Mr. and Mrs. A. J. Hellman are in Friona for a few weeks where Mr. Hellman is working at the Santa Fe depot.

Hospital Notes

Mr. Cecil Balkman, improving. Mrs. J. W. Adrian, improving. Mrs. Bessie Smith, to be released Friday.

Mrs. H. G. Conkwright, minor operation July 8.

Nancy Williams, treatment for injuries, resting well.

Mrs. L. Newmen, maternity, boy born July 9.

Charles Spradley Leaves For Marine Training Base

Charles Spradley left last Wednesday for the marine training base at San Diego, Calif., where he will continue work begun last summer toward receiving his reserve officer's commission in the marine corps.

Following several weeks' intensive training, he will go to Philadelphia, where he will receive his commission, after which he expects to be stationed at San Diego for some time.

Spradley has completed his third year's work at Texas A & M. He is a son of Mr. and Mrs. J. W. Spradley.

Tom Wilson Makes Good Record at YMCA Camp

Tom Wilson, son of Mrs. C. C. Rockwell, who is attending Y. M. C. A. Camp Ross Sterling near Houston, last week christened "The Rotarian," a boat presented to the camp by James W. Rockwell, Rotary Club member.

This is Tom's second summer at the camp, where he is manager of the canteen and also working in the hospital. Camp officers consider his record outstanding.

Clean, fresh water in sanitary containers should be kept before young turkeys. Water should be shaded in hot weather because poult will drink more if it is cool.

Charming "Queen of Summer" is Dagmar Petersen, Long Beach, Calif., who won honors as fairest during the city's Sun, Surf, and Sand Days celebration.

of a storm the boat will be unmanageable.

Every boat should be equipped with one life preserver for each person in it, fire extinguisher, lights and good oars or paddles.

Every outboard motor should be equipped with a chain or good rope because motors will frequently come loose and be lost at the bottom of the lake or stream.

Never leave a motor unattended while it is running. The motor may give a quick turn and throw you into the water.

And most important of all: leave your bottle at home; water and alcohol do not mix.

DEER NOT VERY CHUMMY

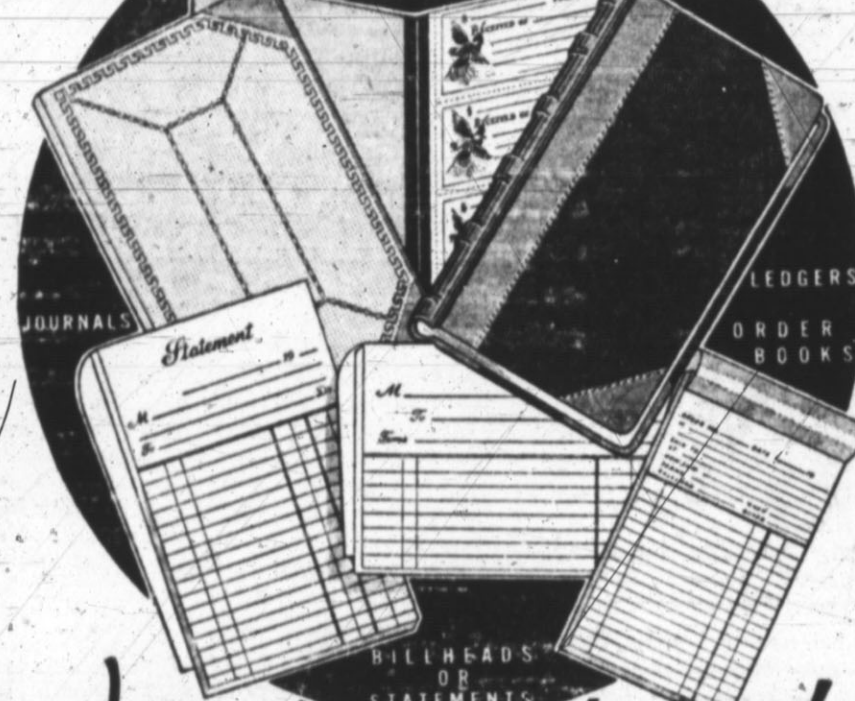

Deer liberated on the Wardlaw restoration area of the Texas Game Department in Tom Green and Iron counties can hardly be called sociable, according to reports to the Austin office by game managers. The new deer seem to prefer their own company to that of the deer upon the area previous to their arrival; there being no evidence of the two groups associating in any way.

ALLIGATOR IN WEST TEXAS
Alligators are common enough in Eastern Texas near the Louisiana line and there are some in a few lakes on the coastal plains, but for one to be reported several consecutive years in Western Texas is unusual. The alligator, six or seven feet in length, in habits Pecan Bayou near Brownwood. The latest group of persons reporting having seen it is composed of R. H. Adams, R. H. Crook, George E. Broughton and Dowling Adams, according to the Brownwood Bulletin.

TEXAS OUT-O'-DOORS

DON'T ROCK THE BOAT
Austin.—The fishing and boating season is well under way. Texas has been fortunate in having a dearth of fatal accidents on lakes and streams, but the executive secretary of the Game, Fish and Oyster Commission is issuing his annual don't for fishermen and boaters. Observance of these simple rules by operators of all crafts, whether they be rowboats and canoes or larger boats, will do much in holding down the list of drownings:

Never overload a boat; nor allow occupants of a boat to stand up in it.

Do not use a motor of too large horsepower for the size of the boat. It is also unsafe to use a small horsepower motor on a large boat because in case

Miss Louise Hopper And Richard Calloway Marry In Clovis, N. M.

Announcement has been made here of the marriage of Miss Louise Hopper and Richard Calloway on Saturday, June 28. The wedding took place in Clovis, N. M., with the bride's brother, Walter J. Hopper and Mrs. Hopper attending the couple.

Mrs. Calloway is the daughter of Mrs. Maggie Hopper and has spent most of her life in Here-

ford. Mr. Calloway is the son of Mr. and Mrs. William Calloway of Hereford. He has lived near Hereford for several years.

The couple is now living at 1600 West Sixth Street, Amarillo, where he is employed at the smelter plant. They are planning to begin the construction of a new home in Amarillo in a week or two.

Mrs. Dameron Entertains For Out-Of-Town Guests

One of the prettiest of weekend parties was the bridge dinner given Saturday night at 8 o'clock by Mrs. Travis Dameron to honor Mrs. Ted Houston of Boise, Ida., and Mrs. Timothy Tinsley of New York City, who have been visiting their parents, Mr. and Mrs. F. H. Oberthier.

A cutwork linen cloth, snap dragons and ivory tapers in silver candelabra decorated the table in the dining room. Covers were placed at small tables centered with cornflowers, sweetpeas and pansies.

After the dinner bridge games provided entertainment with Mrs. Clara McLean winning high score prize and both honor guests receiving prizes.

Enjoying the party were Mesdames Tinsley, Houston, F. H. Oberthier, Clara McLean, Knox Kinard, Henry Sears, Ernest Medkief, W. E. Dameron, Claude Witherspoon of Dallas, A. M. Jones, Miss Frances Dameron and the hostess.

Al Fresco Supper Party Is Given By The S. P. Rossons

Mr. and Mrs. S. P. Rosson entertained Friday with an al fresco supper party at their home. The neighborhood party which was the fourth annual affair, was in the form of a courtesy to Mr. Rosson's mother, Mrs. B. M. Rosson of Plainview, and his sister, Mrs. T. J. Edins, and daughter, Patsy, of Abilene, who spent last week here in the Rosson home.

Barbecued steak and picnic accompaniments were featured and tables arranged on the terrace were covered with bright colored cloths.

Included, besides the honored guests, were Mr. and Mrs. Colby Crookwright, Mr. and Mrs. I. O. Crosthwait, Mr. and Mrs. C. C. Acker and family, Mr. and Mrs. Abe Martin and Lonidene Martin, the hosts and their daughter, Jo Ann.

Friday Morning Courtesy

Invited to the Rosson home on Friday morning for cokes were former acquaintances of the house guests who have made previous visits here. They included Mesdames H. K. Fox, C. C. Acker, Colby Crookwright, Knox Kinard, A. R. Bateman, Dow Mercer, Seth B. Holman, Mark Galloy of Amarillo, Jimmie Gilentine, I. O. Crosthwait, J. H. Pitman and Miss Eloyse Pitman.

Dennis Maker Promoted To Corporal

Private Dennis Baker has been promoted to corporal at Ellington Field, Houston. He has recently gone to Ellington Field after spending three months in an army school in Denver, Colorado.

A Brand Ad Will Sell It!

of Lt. Bell's duties to go in advance of the trucks and make arrangements for camping at night and to secure a police escort from the outskirts of the city or town to the camp site.

Another son of Mr. and Mrs. Bell, James Bell, left Tuesday for San Diego, Calif., where he will be employed with The Consolidated Aircraft Corporation. He has recently been attending a government school in Amarillo. He will begin work in California, Monday.

Informal Tea Compliments Two Visitors

A delightfully informal affair was the tea given Thursday afternoon by Mrs. E. T. Brooks at her country home to compliment Mrs. Ted Houston of Boise, Ida., and Mrs. Timothy Tinsley of New York City who have been visiting their parents, Mr. and Mrs. F. H. Oberthier.

Summer blossoms were all about the house with pink roses predominating and mixed old-fashioned flowers as accessory blossoms.

Refreshments carried out Fourth of July suggestions.

Those attending were Mesdames Laura Hicks, W. N. Lemon, W. E. Dameron, C. R. Smith, Jim Lipscomb, Helen Pipkin, Fred Oberthier, Jr., of Clovis, F. H. Oberthier, the two honored guests and the hostess.

Grandson Is Master Councilor, DeMolay

Lewis McBride of Dallas, grandson of Mrs. E. J. Williams of Hereford, was elected master councilor of the Texas state chapter of the Order of DeMolay at the state convention held in Galveston on June 21.

McBride, as head of the order, will name 15 appointive officers to serve for the next year.

According to the Federal Housing Administration, built-in-features, such as window seats, bookcases, closets and storage cabinets, and even built-in-beds, desks and tables, have grown in popularity with homeowners during the past few years.

Legal Notice

THE STATE OF TEXAS To the Sheriff or any Constable of Deaf Smith County, Greeting:

You are Hereby Comanded to summon Arthur Tarter by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 69th Judicial District, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof in Hereford, on the first Monday in August, A. D. 1941 the same being the 4th day of August, A. D., 1941, then and there to answer a petition filed in said Court on the 19th day of June, A. D., 1941, in a suit, numbered on the docket of said Court No. 2565, wherein Arrie Tarter, Plaintiff, and Arthur Tarter, Defendant, and said petition alleging: Now comes Arrie Tarter, who resides in Deaf Smith County, State of Texas hereinafter called plaintiff, complaining of Arthur Tarter, whose residence at this time is unknown to this plaintiff, hereinafter called defendant; and for cause of action, plaintiff represents to the court that she is and has been for a period of twelve months prior to the exhibiting the petition herein an actual bona fide inhabitant of the State of Texas, and has resided in Deaf Smith County for at least six months next preceding the filing of this suit;

That on or about the 19th day of September, A. D., 1932, in Ellis

County, Oklahoma, plaintiff was lawfully married to defendant, that they continued to live together as husband and wife until on or about the 5th day of August, A. D., 1940, when, by reason of the cruel and harsh treatment and improper conduct of defendant toward plaintiff, she was forced and compelled to permanently abandon him, since which time they have not lived together as husband and wife.

That the marriage relation still exists. That her maiden name was Arrie Smith. Premises considered, plaintiff prays the court that defendant be cited in terms of law to appear and answer this petition, and upon hearing she have judgment dissolving and annulling the marriage relation existing between them, for the restoration of her maiden name; and for cost of suit and for such other and further relief, in law and in equity that she may be justly entitled.

Herein Fall Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at its office in Hereford, this, the 24th day of June, A. D., 1941.

R. L. THOMPSON, Clerk
District Court Deaf Smith County,

Former Hereford Boy Is Now Pole Vault Champion

Ten years ago Guinn Smith was a not particularly impressive small boy scuffling on the play ground at Hereford's Central School; today he is a strapping, six-foot, junior at the University of California, the holder of the intercollegiate pole vault championship, winner of three college titles and slated to be captain of the powerful Berkeley track squad in 1942.

Smith's father, Owen P. Smith, practiced law in Hereford several years ago, before going to Glendale, Calif., where Guinn, while in high school, first began jumping. He won the Glendale Kiwanis trophy for the outstanding all-around high school athlete and got his first push into the big time. Since then he has won the National Collegiate Meet, at Palo Alto, the Pacific Coast Conference and the West Coast Relays, all top meets. At the relays he soared 14 feet, 6 and 3-8 inches for his record jump last May 17.

Mr. and Mrs. Smith returned to the Panhandle about three years ago and now make their home in Amarillo. Guinn stayed at Berkeley to continue his schooling and will graduate next spring.

Looking at newspaper headlines the Hereford boy who made good is inclined to think that he chose the wrong college major. "What good will history do me now?" he says ruefully.

PAULINE MOORE

Mr. Williams of Tennessee, formerly of this community, visited in the F. E. Finney home Sunday.

The wheat here has fallen badly; and unless it stops raining soon, the farmers will be unable to save it.

Miss Glenna Lucille Moore of Kress is visiting Miss Alma T. Allred this week. Miss Allred spent last week with Miss Moore at Kress.

Don Moore of Kress was in the community on business Wednesday.

Mr. and Mrs. Bernice Sweatt of Amarillo took dinner in the F. E. Finney home, Sunday.

Shopping in Hereford this week were Mrs. Joe Moore and Mr. and Mrs. Ervin Shugart.

Mr. and Mrs. McGaughey and family visited in the J. F. Matthews home, Sunday evening.

Mr. and Mrs. Frank Finney were in Canyon, Tuesday morning.

Miss Doris Elrod, who has been visiting in Plainview, returned home, Sunday.

Ford News

BY MRS. TROY NEWMAN

We received another big rain, and some hail, Wednesday night. Hail damage was not general, but the high wind blew down some grain. We also got rain Friday morning and Saturday night.

Wet ground has stopped much combining, and, where the wheat has fallen, weeds are growing rapidly.

W. E. Ferguson of Ballinger and Jim Ferguson of Winters, brothers of F. D. Ferguson, arrived here Friday with their trucks and will work during harvest.

Mrs. J. E. Medford's brother, Arnie Price and a nephew, Hamp Murry of Bonham, arrived last week and will help Mr. Medford with his harvest.

Mr. and Mrs. Hardy Benson, Hardy, Jr., Mary Lou and Mother Parks were at Buffalo Lake one day last week for an enjoyable boat ride.

Mrs. Lawrence Straffus' mother, Mrs. Lewis Paschel and a sister, Mrs. George Meyers, Mr. Meyers and son, Richard, left Monday for their home in Kansas City, Mo., after a two weeks visit here.

Mrs. Arnie Jacquess spent the week end with her son, Russell Coursey and Mrs. Coursey.

Mr. and Mrs. J. E. Medford, Mrs. Bettie Price, Arlie Price, and Hamp Murry spent Sunday in Panhandle with a nephew, Ray Price, and Mrs. Price.

Mr. and Mrs. Floyd Benson and daughters, Miss Adelia and Evelyn, drove to Amarillo, Sunday to move his sister, Mrs. Vivian Major from the hospital to their mother's home at Clarendon.

Mrs. Pete Rozell left Tuesday morning for Terrell, Okla., to the bed side of her mother, who is ill.

Mr. and Mrs. Clyde Shephard

Mrs. Gerald McElroy and baby son of Dublin spent the past week with her parents, Mr. and Mrs. J. J. Wilder.

and family and Mr. and Mrs. Ray Campbell and family of Walcott are staying at the Godwin farm during the harvest.

Vernon Stewart of near Hereford is here taking care of his farming interests.

Mr. and Mrs. Herman Both and Miss Hilda were in Amarillo, Tuesday.

George Benson and Carl Straffus have some apricot trees which were planted in 1928, and this is the first year the crop has ripened. The fruit is delicious.

Mr. and Mrs. Ernest Stocker and son, Earnest Eugene, made a trip to McLean, Wednesday, to take Mrs. Stocker's sister, Miss Ida Mae Stockton to her home.

A. K. Webster of Dallas spent Thursday night with the J. E. Medfords.

Among those going to Hereford last Saturday night to see the "black-out" were Mr. and Mrs. H. D. Hill and sons, Mr. and Mrs. Troy Newman and family, Mrs. Fred Brunson and family, Mr. and Mrs. Russell Coursey, Mr. and Mrs. E. E. Frost and sons, Mr. and Mrs. Gib Vinson and son, Miss Thelma Ruth Hobbs and David Scales.

Summerfield

MRS. JIM CLARK

Parts of this community have received as much as an inch of rain already in July. The showers are spotted, being heavy on some farms and light on others.

Combines have been at a stand still, except in a few fields, since Tuesday. Many farmers are binding their wheat in an effort to save it before it falls or before the weeds take it.

L. L. Cannon was sick last week.

Miss Ruth Atchley left Monday afternoon to spend her vacation in California. She will visit Mr. and Mrs. W. H. Walser and family of Eagle Rock while sight-seeing in that section.

Miss Shirley Ruth Thomas is home from an Amarillo beauty school. She will be here for two weeks before going to Austin to receive her license as a beauty operator.

Mr. and Mrs. Jack Streun took their son, Joe, to Amarillo Saturday to an eye specialist.

Mrs. J. A. Blakemore is here with Mr. and Mrs. Forbus Blakemore, after an extended visit with her daughters and sons in other Texas towns.

Miss Mary Lookingbill spent Saturday night with Miss Nadyne Newell in Hereford.

Miss Joan Walser visited her grandmother, Mrs. R. A. Fullwood in Hereford, Sunday and Monday, accompanying her to Amarillo Monday.

Rev. J. L. Ponder, district missionary, will preach here next Sunday evening. Rev. Marcus Rexrode has accepted the call from the church here and will take up his duties the middle of August.

Members of the local Women's Missionary Union and Y. W. A.

with several visitors, met at the Baptist Church, Wednesday afternoon, for the purpose of studying Edward Doziers, "A Milestone in Japan." Mrs. D. C. Walser taught the lesson using Japanese pictures, a miniature dwelling, a products table and other exhibits to create a friendly feeling toward the Japanese people.

Members enrolled in the study class were Mrs. Lloyd Lookingbill, Mrs. Roy Euler, Mrs. Ky Lawrence, Mrs. B. E. Roberson, Mrs. Lee Kendall, Mrs. C. R. Walser, Mrs. Guy Walser, Mrs. J. B. Noiland, Mrs. Jim Clark, Mrs. L. L. Cannon, and Misses Pearl Prachar and Mary Lookingbill.

Several visitors were present also. These included Mrs. Ray Johnson, Mrs. Lee Curry, Mrs. Sid Barclay, and Mrs. Barnie Woods.

Mrs. Cal Brown of Borger, who has been visiting her parents, Mr. and Mrs. J. E. Roberson, and other relatives here the past few days returned home Sunday. Her two older daughters, Emma Jane and Colleen, remained here for a longer visit.

Mr. and Mrs. Albert Cross and family have moved to the section

house.

Mrs. L. B. Lookingbill visited Sunday with Mrs. L. P. Shaw in her country home, near Hereford. Mrs. Shaw, who is recuperating from an operation, is up and about the house.

Mr. and Mrs. Tandy Legg and children returned from points in Kansas the first of the week.

Mrs. Jim Clark's Sunday School Class enjoyed a weiner roast at the school house Friday evening. Various yard games were played in the early evening. Guitar music and singing were enjoyed around the fire after supper.

Among those present were Mary Lookingbill, Christine Merrill, Jewel Clark, Jean Clark, Pearl Prachar, Ruth Atchley, Gertrude Atchley, Tommy McMahon, Pete McMahon, L. H. Lookingbill, Thurmond Atchley, Roy Suttles, Jack Clark, Duane Baize, L. J. Clark, Mr. and Mrs. Lloyd Lookingbill, Mr. and Mrs. Jim Clark and sons, and Misses Eunice Caldwell and Kitty Kloe Harlin of Hereford.

Misses Caldwell and Harlin were guests of Miss Ruth Atchley in her home here.

National Conference Outlines Part Of Agriculture In Defense Program

Agriculture's part in the national defense program was the dominant thought at the national AAA conference held in Washington recently, Texas delegates pointed out on their return, according to J. A. Pitman, chairman of the Deaf Smith County AAA Committee.

Greater conservation of soil, greater assistance to the small farmer and the encouraging of production of ample supplies of foods needed both in this country and other countries were ideas which will be stressed in the 1942 farm program, the state AAA office has reported to the local committee.

The conference adopted resolutions urging that farmers avoid speculative expansion and reduce debts and build up reserves of cash and farm commodities during the present period of industrial activity. To prevent inflation the conference urged higher taxes on excess profits, incomes and luxury items and more intense efforts to sell defense bonds and stamps. It also urged that, because of shortage of farm labor in some areas, priority be given to production of farm machinery and parts, and that a balance be maintained between farm and industrial prices.

The national conference proposed a change in the method of computing farm payments, which would eliminate the payment made on general crops such as oats, barley and rye, and would make funds formerly used for this purpose available for carrying out additional soil conservation work. Farmers would continue to receive acreage allotments for such crops as wheat and earn payments for planting within their allotments of such crops.

The recommendations of the national conference were taken from the suggestions made by farmers from all over the country through their community and county committees. All recommendations are subject to the approval of the Secretary of Agriculture.

Chamber of Com-

(Continued from Page 1)

of articles and press notices were published through out the nation about this new industry at Hereford, Texas. Did you know the State Fair officials considered this one of the educational features of the fair last year as well as one of its outstanding exhibits? Did you know that continuously, through out the fair, moving pictures were shown depicting our diversified resources of cattle, hogs, poultry, dairying, wheat, onions, alfalfa, grain sorghums, with emphasis on the development of our shallow water area? Thousands of people saw the pictures and the exhibit. Most of them were amazed at our diversified program and many stopped to say they did not know we could raise anything here but cattle and wheat. The Dallas Fair has invited us again this year to show the only exclusive potato exhibit there. We are going, with your help, with a better and bigger exhibit than we had last year. This follow up program of the work started last year will definitely fix Hereford as the potato center of the Southwest. Too, we will have more and better pictures showing our diversified program of farming and stock raising.

Our potatoes, like our cattle, are better known in other sections than they are at home. Isn't it strange we do not know what is going on in our own community? That we can not see what is right before our eyes? That the Stranger can, and does, see what we fail to recognize? That is the reason it takes "new blood" to develop a country. The old timers are too set in their ways, prejudiced against new ideas and "agin" anything that disturbs the old order of things. In this respect many of us are like the old farmer who said; "No one could learn him anything about soil conservation, that he knew more than these new fangled upstarts, for he had worn out

three farms already."

We must not be prejudiced against everything new, it is the only way a community can progress, by new developments. The potato is here. It has come to stay and we welcome it into our diversified program of agriculture. We must not be selfish. Perhaps you are not directly interested in growing potatoes; neither are we, your directors, but surely, by this time, we must recognize the fact that many others are interested and this new industry will help develop our country, increase the value of our lands, build our town and help every business in it. This new industry will bring more people, more money better farming methods and a new spirit of achievement. Mr. Land Owner, Mr. Merchant, Mr. Average Citizen would you not welcome all of these in your plan of operations?

QUESTION ANSWERED

For years we have been seeking a crop, suitable to our soil and climate, which could be grown under irrigation and which would show a nice profit. Wheat, grain sorghums and other crops, over a period of years, have failed to show a profit unless combined with stock raising, or feeding. Those in a position to know, and we can not ignore the facts we have seen, tell us the potato is the answer to the question. It is the best money crop tried to date and we are for it until you can show us something better. However, we should not go "hog wild" over the potato business as we have been guilty of doing in some other instances, notably that of cotton a few years ago. We would avoid extremes for they are costly in the end. We should keep our feet on the ground, for this, like every other business, will have its fat years and it will also have the lean ones.

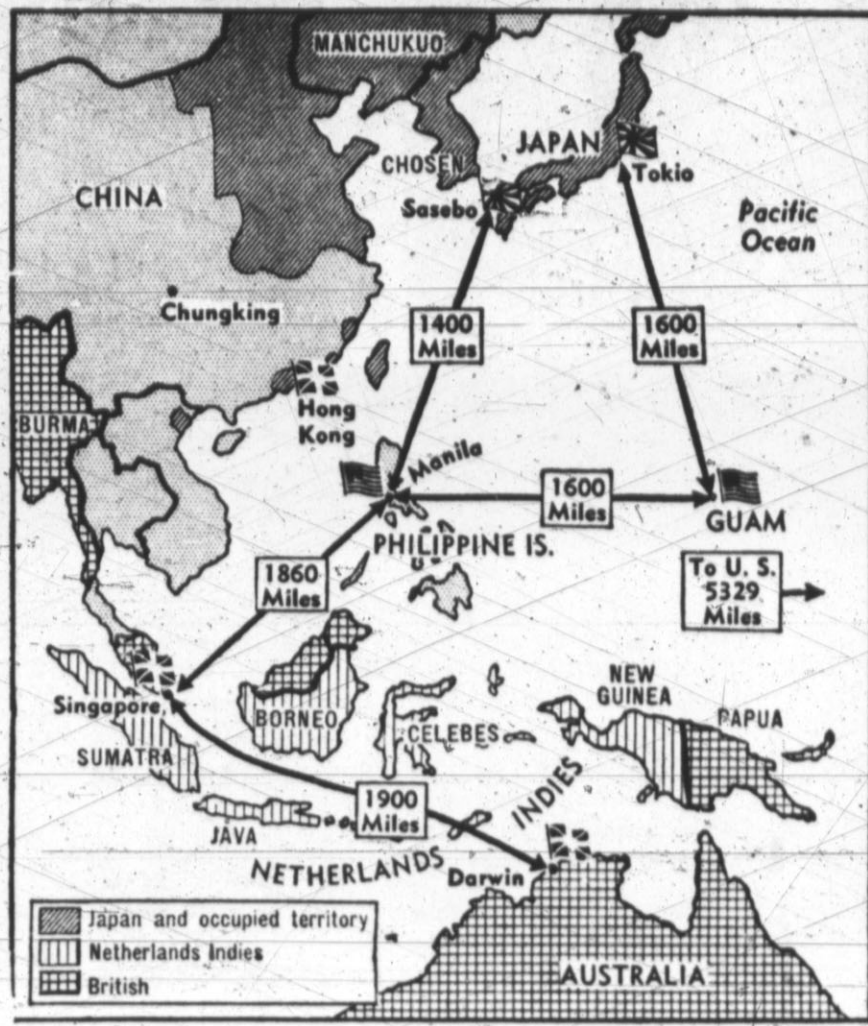

This new industry is not all, perhaps, that some claim for it, but it is definitely more than many others concede to it. The middle ground appeals to us as being safe, and we would rather be safe than sorry. There are people, good people with money to buy our lands, who know how to raise potatoes and we have a place for them here. These people need to be told about the opportunities here. We have the soil, we have the climate, we have the water suitable for potato growing; why, then, keep these facts a secret? If many progressive communities had what we have to offer the investor and the home builder they would make such a noise everyone from ocean to ocean would know about it. Shall we hide our lamp under a bushel, or place it on a hill where those who are interested may find their way to us?

ADDITIONAL BENEFITS
Potato growing forces a diversified program of farming. Crop rotation is essential in potato farming and this diversified program is highly desirable. Any one crop country is headed for disaster. Potatoes should not supplant our other crops, but supplement our other crops. We should add the potato to our other sources of income, and it could develop. If given the proper opportunity, into one of our major crops, even the most profitable of them all. With cattle, hogs, sheep, wheat and potatoes we have a combination of good money crops that can, and will, attract the investor and the home seeker. Bread, meat and potatoes, what a combination! Can you beat it? Some one or all of them on every table at every meal. Add to these poultry, dairying, grain sorghums, alfalfa, onions, truck farming and we really have what it takes to build on a solid foundation, a diversified program that will pay off.

Consider the benefit of potato growing to labor? It requires very little labor to grow and harvest our other crops. It is not so with potatoes. We are told approximately thirty cents is spent for labor on every sack of potatoes grown. Count the sacks grown this year and you will discover more money is spent for labor in growing potatoes than in all of our other crops combined. This money paid to labor stays here, is spent with our merchants and helps everyone in the community. Not only that but this flow of money continues from early spring to the late fall harvest. It is the nearest thing we have ever had to a "Pay Roll," and is being overlooked by many who are being helped by it.

OUR MAJOR OBJECTIVE
With other industries definitely established, we should center our efforts this year on potatoes. Boost the Hereford Potato. This year we should be potato minded—it will pay us to be so. We should think potatoes, talk potatoes, eat potatoes, and be sure they are Hereford Potatoes. Ladies, call for

Japan Studies Next Move

With occupation of the East Indies as a goal, Japan is reported to be concentrating troops for a possible thrust toward the French base at Saigon, in French Indo-China. Map shows the position of British and American bases, which would be threatened by Japanese moves toward the Dutch colonies.

them by name. Hereford merchants, wake up and advertise Hereford Potatoes, they will be advertised in other places this year. Surely we should be willing to do as much for ourselves as others are doing for us. When the Hereford Potato is established in our markets, we can then turn our attention to the development of other industries.

WAY OF ATTAINMENT

We must have a membership revival. Our present members will be asked to substantially increase their financial support of this organization. We should have 200 additional members. This is not an exclusive merchants organization. We need, as members, the farmer, cattleman, professional man, potato grower, mechanic, truck driver, teacher, preacher and the average citizen of the community. Every family should be represented in our membership. We are asking you to invest something in your community, your home town, where you raise your children, have your friends, make your living, in fact—spend your lives.

COST

Yes, an efficient chamber of commerce will cost something. Everything worth while does. One of the growing evils of our day is the wide spread idea of getting something for nothing; many act like the world owes us something and we will just sit down and wait until it is dumped in our laps. Have we not waited long enough? Have we not yet learned the simple truth that we can not get something worth while for nothing? By the rules of life we must, and should be willing to work and pay for what we get.

Suppose then, since waiting has failed, we go to work and bring the things to pass we would like to have for our community? "If you would have anything in life pay the price and take it." The price, in this instance of community advancement, is some of your time, a little of your money and above all a co-operative spirit. These: time, money, purpose and spirit united in a community can accomplish any reasonable thing the community seeks to do.

OUR HONOR ROLL

Membership cards will be issued to every member of the Hereford Chamber of Commerce. Our membership will be the Honor Roll of the Community. Every real citizen will be proud to hold a membership card. Membership means we have united in a co-operative effort to better develop and serve our community. Membership means we are willing to co-operate with our friends and neighbors; that we believe more can be accomplished by all pulling together rather than by pulling in opposite directions. Membership means we prefer to belong to that group who are willing to do "their bit" as distinguished

from those who want a "free ride." Membership means we will play with the group. Remember when we were children the games we played? How the good sports always entered into the game wholeheartedly, and got the utmost out of the game. Remember, too, the "ugly boy" who would not play unless all played his way. That boy never learned co-operation. Some of those boys are grown now, even old, but still are to be pitied for they have never known one of life's finest experiences, that of working in co-operative harmony with their fellows.

YOUR ANSWER

Make up your mind Mr. Citizen what are you going to do with your local Chamber of Commerce; for you will be asked to join and support it. Will you enter into this game of life, which really is a lot of fun, and has its big rewards for those who co-operate wholeheartedly, or will you stand apart from the group as the "ugly boy," uglier now in maturity for boys may be excused of things unpardonable in MEN?

Spud Farmers Asked To List Labor Needs With State Employment Office

All potato farmers are asked to call at the state employment office, located at the Hereford Johnston Pump Company, one door south of the old post office, and leave an estimate of the number of men they will need for harvest labor. If J. J. Foley, in charge of the office can find out within the next few days the labor needed during harvest, he will be able to secure an adequate supply.

A meeting scheduled for last Monday night was not sufficiently well attended to get any idea of the number of men who will be needed.

Offered our choice between the gliders used in the German invasion of Crete and the gliders on our front porches, most of us will take the latter.

Scrap Aluminum

(Continued from page 1)

lections which have already been made in two cities have encouraged civilian defense officials to feel that enough scrap can be donated to manufacture 2,000 airplanes.

Besides the old pans which instantly come to mind when scrap aluminum is mentioned, there are many other articles—old vacuum cleaners, radio parts, ice trays, picture frames, bottle and jar caps, electric appliance parts—which contain the vital defense metal.

Proceeds to Civilian Defense After the scrap has been collected and sorted it will be shipped to smelters, there to be sold

at a government-fixed price. The proceeds will go to the Civilian Defense Office to be used for any expenditure required for the proper defense of the civilian population should war come.

A Part for Everyone

Mr. William S. Knudsen, head of the Office of Production Management, says, "Every American who wants to help build airplanes for the defense of our way of life can do so by contributing all the aluminum he can spare in this collection campaign," and Edward Stettinius of the Priorities Board says: "Behind every piece of modern defense equipment lie raw materials. Millions of Households in this country have one of the most vital of these materials—aluminum—lying around in cellars and attics.

"Start thinking about this canvass now," says John McLean, and concludes, "We hope to have our drive well organized as a result of the meeting Thursday and another one on July 17; we want your cooperation and feel sure that you will be glad to take this part in the defense drive.

Clubs Asked

(Continued from Page 1)

their members to get either individual subscriptions or a donation from the club as an organization. The Lone Star Study Club has already written a check to the U. S. O. for \$5.00, and Lions Club members have subscribed practically 100 per cent. **Worthy of Support**

"The U. S. O. is worthy of support," says Mr. Close. It is an organization of several service groups, banded together with the idea of providing wholesome recreation for men in military service. It builds morale! and the quality of morale can make or break an army, so respond generously when you are asked to contribute." Donations may be

Let's Give Hereford A Recreation Program

In comradeship there is pleasure — that is something that a lot of us have been overlooking lately — the fact that the greatest fun in life is in working, or playing, with other people.

And this idea of comradeship is the greatest idea behind the program of Hereford's Youth Council. Their plan for community recreation is one that would knit the whole Hereford territory into a stronger and better whole. It would teach us that there are people to know and things to do, outside of our particular clique. It would provide sports and hobbies and a means by which we might share our enthusiasm for them. Your hobby or your favorite sport may seem trivial, but get together with other persons who have the same interests and you'll have something vital.

The youth of Hereford is asking for the recreation program 100 per cent, but they need support to put over their ideas. Such enthusiasm should not be dampened. Let's co-operate, and we will discover that we have a community project of which we may be proud — and a lot of fun into the bargain.

Texas Business Climbs Steadily

AUSTIN.—Texas business is humming merrily along, increasing month by month and steadily climbing over 1940, the University of Texas Bureau of Research reports.

A composite index—composed of six major business factors—compiled by the bureau shows May business stood at 111.6 compared to 110.8 in April and 100.8 in May a year ago.

Each of these factors showed substantial gains over May, 1940: Employment—up 7.7 points. Payrolls—up 16.3 points. Department store sales—up 3.2 points.

Electric consumption—up 4 points. Miscellaneous freight carloadings—up 16.9 points.

Runs of crude oil to refinery stills—up 8.7 points.

Other business factors likewise showed gains over May, 1940, including:

Farm cash income—up 24 per cent. Postal receipts—up 8.4 per cent. Building permits—up 43.9 per cent.

Cement production—up 9.8 per cent, shipments up 25.7 per cent. Lumber production—up 14 per cent, shipments down 2.3 per cent.

Automobile sales—up 44.6 per cent.

Army men call their new combat cars the "jeep" and "peep." Don't let their names fool you. Those cars don't creep—they leap.

They're Red-Hot! R-R-Red Hot!!

Vega News

MRS. D. E. MCKENDREE
Some hail damage has been reported here; and rains—more than four inches in July—have caused much of the wheat to fall.

Mr. and Mrs. D. L. Dodger, Jr., of Bangs left Sunday for their home, after spending the last three weeks with Mr. Dodger's sister, Mrs. L. C. Durham, and family.

Mr. and Mrs. George McCombs spent Sunday in Amarillo with their daughter, Mrs. Braden Vetsak, and family.

George Bell went to McAllen this week where he is employed by the U. S. Boundary Commission. Mrs. Bell will join him in a few days.

Mr. and Mrs. R. E. Robson of Los Angeles, Calif., came in Sunday for a few weeks vacation with Mrs. Robson's father, D. M. Voyles, and other relatives.

E. O. Kilbourne was called to Dalhart Saturday because of the death of his brother's wife.

Mrs. Mora Bell and Mrs. George Bell spent Sunday in Amarillo in the home of Mr. and Mrs. Max Merry.

Mrs. J. M. Gordon left Tuesday for her home in Stanton after spending the past three weeks in the home of her daughter, Mrs. Milton McCleskey.

Mrs. Phillips McGaughey and son, Phillip, Jr., of Breckenridge are visiting Mrs. McGaughey's parents, Mr. and Mrs. A. M. Miller.

Sonny Ledbetter and family came Monday from Edwards-

ville, Kansas, where Mr. Ledbetter has been employed.

Emery Loyd who is now stationed in Albuquerque, N. M., arrived Tuesday for an eight day furlough with his parents, Mr. and Mrs. W. L. Loyd.

Mr. and Mrs. R. E. Caldwell, Mr. and Mrs. Frank Watson and Mr. Watson's brother of Adrian, attended services in the Baptist Church, Sunday night.

Mrs. Wilburn Eastman of Lytle, is visiting in Vega this week.

Miss Flora Lee Robinson of Groom and Mrs. Pat Robinson of Hereford spent the day in the J. T. Richardson home Wednesday. Mrs. Richardson accompanied them to Hereford Wednesday night to visit her mother, Mrs. Jordan, who has been ill.

Mrs. Lenora Giles and Kate Warren who teach in the Hot Springs, N. M., schools came Wednesday to spend their vacation in the home of Mr. and Mrs. Jess Giles.

Thornton Richardson of Amarillo spent the Fourth of July with his parents, Mr. and Mrs. J. T. Richardson.

Rev. and Mrs. Rex Kendall and daughter, Rexanne, spent July 4 in Amarillo, visiting Mrs. Fern Dysart and son, Cabot.

Mr. and Mrs. Bert Ballard and son, John Robert, left Sunday for a week's vacation in Gallup, and other places in New Mexico.

Donald Krahn, John Spinhirne, Howard Godwin and Joe McCombs all from Brownwood, spent furloughs with their families here last week.

Word was received here this week of the death of Mrs. J. A. Campsey's father, Mr. T. L. Vaughn of Buffalo Springs. Mrs. Campsey had been at Buffalo Springs several days.

Mr. and Mrs. W. A. Williams entertained with a six o'clock dinner at their home on July 4 honoring Mr. and Mrs. Cecil Winder and daughter, Cecille, of El Paso. Other guests were Mr. and Mrs. Raymond Thompson and Mr. and Mrs. C. C. Wimberley. After dinner the tables were cleared and moving pictures of trips taken by the guests and the host and hostess were shown.

R. C. Valentine was in Hereford Saturday night to witness

Bethel Items

MRS. E. R. ROTHWELL
Mr. and Mrs. Seaburne Teague and girls of Plainview visited in the J. A. and George Bagwell homes last Sunday.

Little Latrelle Bagwell spent the past week in the home of her sister, Mrs. Ray McIntire, of Silverton. Mr. and Mrs. McIntire brought her home and stayed over the week end.

Mr. and Mrs. Bryan Sinclair and Ivan Earl and Mrs. Fate Shannon left Sunday for a few days visit with relatives in Bell County.

Mrs. E. R. Rothwell and granddaughters, Marlene and Carolyn, were in Hereford on business, Thursday and visited friends while there.

Mrs. Vern Lust was sick with flu the past week.

Hereford visitors from our community, Wednesday, were Ivor Bagwell and family and Leland Smith and family.

Heiselman News

MRS. B. A. WEST
Mr. Floyd West and family, B. A. West and family, attended the show and the "black-out" in Hereford, Saturday night.

Floyd West began cutting barley for B. A. West Monday, the first load cut made 45 bushels per acre.

This community received a light shower Saturday night. Estelle Earlene West has the mumps this week.

the Black-Out.

Mrs. Prentice Allen is spending the week end in Jayton, with Mr. Allen.

Mrs. D. M. Voyles was called to Shamrock this week because of the death of a nephew.

LEGAL NOTICE

THE STATE OF TEXAS
TO THE SHERIFF OR ANY CONSTABLE OF DEAF SMITH COUNTY, GREETING:

You are hereby commanded to summon Herman Fisher, Daisey Fisher, H. I. Katz, and the unknown heirs and legal representatives of them or either of them, if she or he be dead, by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, Texas, to be held at the Court House thereof, in the City of Hereford, on the first Monday in August, 1941, the same being the 4th day of August, 1941, then and there to answer a petition filed in said court on the 18th day of June, 1941, in a suit numbered on the docket of said Court as N. 2564, wherein Emma D. McAttee is

plaintiff and Herman Fisher, Daisey Fisher, H. I. Katz, and the unknown heirs and legal representatives of either of them, who may be dead, are defendants, and said petition alleging in substance that plaintiff is and was on June 1st, 1941, the owner in fee simple of the following described lands situated in Deaf Smith County, Texas, to-wit: The Southwest 1-4 of the Southeast 1-4 of Section 45, Block M-7, containing 42 5-8 acres of land, more or less, and was then and is now entitled to such possession, and on said date the said defendants unlawfully entered upon and dispossessed plaintiff of said lands and premises, and now wrongfully withhold from her the possession thereof, to her damage; that plaintiff has perfected her title in fee to all of said lands under the three, five, and ten year statutes of

limitation as to and against all of the defendants; that she has had and held continuous, peaceable, and adverse possession of said lands, cultivating, using and enjoying the same since July 10th, 1926, to June 1st, 1941, under title and color of title, and under a claim of ownership of said land, under a deed duly registered, which said land was, during said time, enclosed by fences, with no enclosure containing as much as 5000 acres; that no suit for possession of said lands has ever been instituted by defendants, or either of them; that plaintiff has paid all taxes as the same became due thereon and before they became delinquent, for a period of more than five consecutive years after any cause of action accrued in favor of defendants or any of them, and before the commencement of this suit. Plaintiff seeks judgment for title to and possession of said

lands, against defendants, investing defendants of all right, title, interest and estate, owned or claimed by them, and each of them, in and to said lands, and vesting the same in plaintiff, and quieting the title thereof in plaintiff, and for general and special relief.

HEREIN FAIL NOT, and have you, before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN under my hand and seal of said Court, at office in the City of Hereford, this the 18th day of June, 1941.

R. L. THOMPSON
Clerk of the District Court of Deaf Smith County, Texas.

SOCIETY

MRS. JOHN McLEAN, Society Editor Phone, 181

Let's Cook Something

Summertime Lemon Pie

- 2 cups sugar
- 6 eggs
- juice of 2 lemons
- grated rind of 1 lemon
- 2 teaspoons of melted butter
- 1 unbaked pie crust

Separate 2 egg whites from the rest of the eggs and beat until stiff. Beat the other eggs slightly and add sugar, lemon juice and grated rind and melted butter. Fold in the stiffly beaten egg whites and pour into a 9 inch pie plate which has been lined with unbaked pastry. Bake at 375 degrees for 10 minutes, then reduce the heat to slow and bake until filling is set (about 30 minutes)

Orange Cake

Here is another recipe of Mrs. Kerr's. It is good the year round but right now it is especially palatable when cold drinks call for an appointment. The recipe comes from Washington State and is just different enough to make it interesting. Here it is:

Grind together: 1 cup raisins, 1-2 lemon rind, and 1 orange rind. Cream together 1 cup of sugar and 1-3 cup shortening and add 1 well beaten egg. Sift together 2 cups flour and 1 teaspoon of soda and add alternately with 1 cup sour milk to the shortening mixture. Stir in ground fruit last and pour into an 8 x 12 cake pan that has been greased and lightly dredged with flour. Bake in moderate oven about 30 minutes.

While cake is baking pour the juice of 1-2 orange and 1-2 lemon over 1 cup granulated sugar and allow to stand until the cake is done. When the cake is removed from the oven pour the juice mixture over it over it at once while the cake is still in the pan. When cool cut in squares and serve with a fluff of whipped cream.

If you want to give the head of the house a treat, just bake a summertime lemon pie. It's as cool and good as it looks and he'll love it.

The following recipe belongs to Mrs. Will S. Kerr (her mother originated it) and it is large enough for eight servings. It cuts nicely even when warm and its a life-saver for hot weather for it takes about half the time usually allotted to making a pie.

Sisters at Play

Sister playsuits of red and white striped cotton are charming for beach wear. Lastex shirring through the midriff and buttons down the front add to their beauty.

N. E. Milburns Are Hosts At Party

Mrs. N. E. Milburn evidenced the summer flower season with the use of gladiolus blossoms when she and Mr. Milburn were hosts at a bridge party given at their new home on "B" Street Saturday night. Other flowers stressed the seasonal theme.

At the conclusion of the session of bridge Mr. and Mrs. Grant Fuller were presented with the couple prize for high scores.

Attending were Mr. and Mrs. J. W. Witherspoon, Mr. and Mrs. Sylvester Slagle, Mr. and Mrs. Grant Fuller, Mrs. Meade Hall and the hosts.

Guests Play With Coterie Club Members

Guests were entertained with Coterie Club members when Mrs. Colby Conkright entertained Thursday afternoon, at her home on McKinley Avenue.

Big bouquets of midsummer flowers made attractive decorations for the party which was enjoyed by four tables of contract players. Mrs. Grant Fuller was high club member in the games and Mrs. J. C. McCracken was high guest.

Players included Mesdames Frank Lucas, E. B. Hicks, A. R. Baeman, C. F. Moore, Knox Kinard, J. W. Witherspoon, Grant Fuller, C. H. Dyar, Glenn Snyder, S. P. Rosson, G. R. Lunsford, James R. Allison, J. C. McCracken, Wm. Teeter, Travis Dameron and W. M. Emmons.

A colorful salad plate was served after the games.

J. O. G. Club Enjoys All-Day Celebration

J. O. G. Club (Just Our Gang) which is made up of a group of girls who started to school together and who are now juniors in high school, celebrated the Fourth of July holiday with an all-day party that was climaxed with a bunking party Friday night.

The day's entertainment began with a come-as-you-are breakfast at the home of Nona Dean Rose. This was followed by a covered dish luncheon at the home of Phyllis Jean Radovich. In the afternoon games were played and refreshments served at Evelyn Walker's home followed by a dinner-party downtown. From the dinner the group went to the skating rink for an hour of frolic and fun and then to the home of Geraldine Kendall, where arrangements had been made for the bunking party.

Those making up the group were Nona Dean Rose, Betty Ann Dunlap, Billie Louise Crawford, Billie Louise Lance, Earline Sexton, Georginanne Miller, Evelyn Walker, Geraldine Kendall, Phyllis Jean Radovich and an out-of-town guest, Clisby Allen, of Los Angeles, Calif.

LEGAL NOTICE

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF DEAF SMITH COUNTY, Greeting:

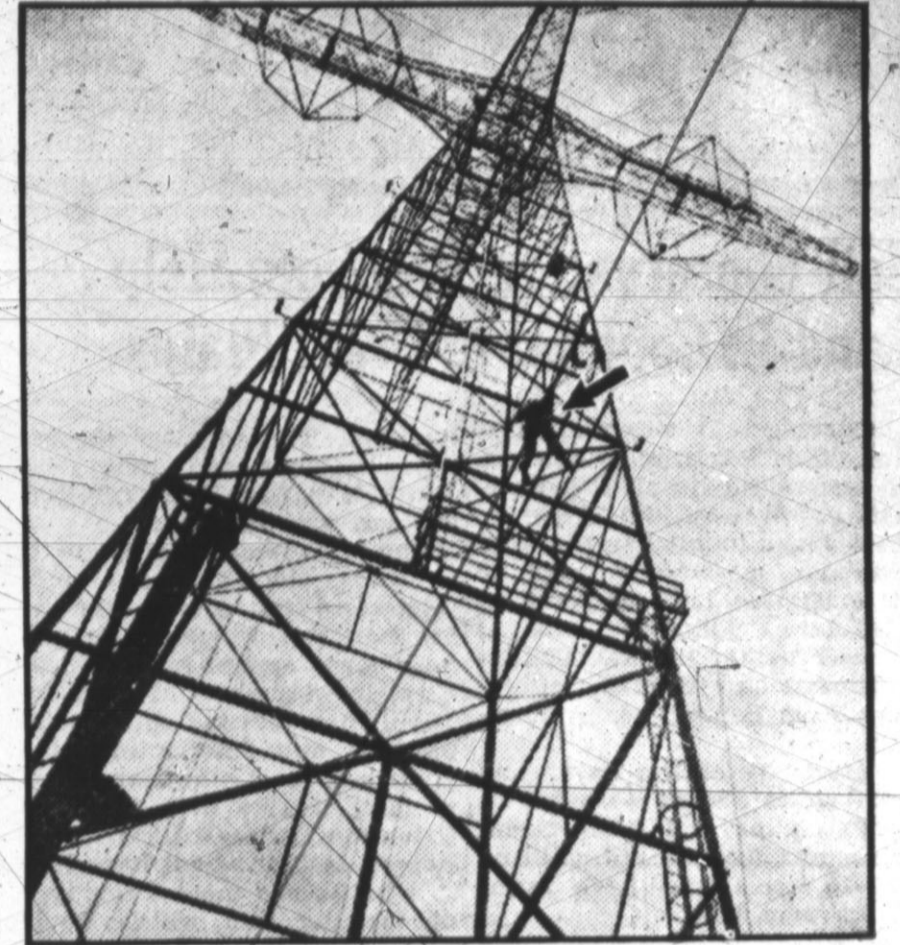

You are hereby commanded to summon Tom Strauss, H. H. Strauss, and Bess E. Strauss by making publication of this Citation once in each week for four

successive weeks previous to the return day hereof, in some news paper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the First Monday in August, A. D. 1941, the same being the 4th day of August, A. D. 1941, then and there to answer a petition filed in said Court on the 30th day of May, A. D. 1941, in a suit, numbered on the docket of said Court as No. 2559, wherein John Strauss is Plaintiff and Tom Strauss, H. H. Strauss, Bess E. Strauss, and the San Antonio Joint Stock Land Bank are defendants, and said petition alleging in substance that plaintiff is now, and was on May 24, 1931, the owner in fee simple, and was, on said date, in possession, and was then, and is now entitled to such possession, of the following described land situated in Deaf Smith County, Texas, to-wit: the S. E. 1/4 of Section 43, Bk. K-7, containing 160 acres, more or less, and that on said date the said defendants unlawfully entered upon and dispossessed plaintiff of said lands and premises, and now wrongfully withhold from him the possession thereof, to his damage.

Plaintiff prays for judgement against said defendants for the title to, and possession of said land, and for general and special relief.

Herein Fall Not, and have you before said Court, at its afore-

Tries Drop for Shock

Just for fun, Private Carlos Waltz, Van Wert, O., tries the shock drop from the controlled parachute training tower at Fort Benning. For this picture, Waltz was hauled 150 feet up. At command, he pulled the rip cord and dropped 15 feet, to get the idea of what happened when jolted by a parachute.

said next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Hereford, Texas, this the 18th day of June, A. D. 1941.

Engagement Of Miss Eleanor Longino Announced At Tea In Wichita Falls

The engagement and approaching marriage of Miss Eleanor Longino and Lieut. Roger L. Mills of Fort Sill, Okla., was announced at an informal tea given by her mother, Mrs. George H. Wilson, at their home in Wichita Falls last Saturday. Miss Longino with her parents and family spent last winter in Hereford.

Guests were received between the hours of 5 and 6 in the Wilson home which carried out the bride-elect's chosen colors of blue and white in decorations. The refreshment table was laid with white lace over blue and centered with a large punch bowl banked with fern and flowers. White tapers tied with blue tulle lighted the table and announcement of the approaching event was printed on blue napkins in white and read "Snig and Roger—July 5."

Miss Longino is a popular member of Wichita Falls society. She is a graduate of both the high school and junior college there and she also graduated from the University of Oklahoma with a degree in journalism. During her college career she was a member of Delta Gamma sorority. She is a member of the Junior Forum and a past president of the Cheeta Club.

Lieutenant Mills is the son of Prof. and Mrs. Marion Mills of Norman, Okla. He is a graduate of the engineering school at the University of Oklahoma.

The couple will be married at the home of the bride's mother at 8 o'clock next Saturday even-

Mrs. Gilbreath Is Luncheon Hostess

Mrs. J. T. Gilbreath, Jr., entertained recently at her home with a bridge-luncheon to compliment Mrs. James Robert Allison, the former Miss Ruth Conkright, Mr. and Mrs. Allison were married here on June 15.

Arrangements of perennial sweet peas in pastel vases gave color accent to tables which were laid with lace doilies and appointed with pastel china and crystal. At the close of the luncheon the vases of flowers were given as favors to Mesdames J. W. Kirby, John Patton, Miss Katherine Kirby and Miss Nancy Conkright.

After the luncheon two tables of players enjoyed contract games with prizes going to the honor guests and Mrs. Colby Conkright, high player.

Those present were Mesdames H. G. Conkright, Laura Hicks, J. W. Kirby, John Patton, Colby Conkright, Nelson McRight, Louis Woodford, Henry Hastings, Ralph Hastings, Lisle Woodford, Rhita Jean Sullivan, Miss Nancy Conkright, Miss Vida Hicks, Miss Katherine Kirby and the honor guest.

Miss Jane Wilson will be her sister's only attendant and little Miss Mary Frances Newth of Vernon, niece of the bride, will be the ring bearer. Lieut. Logan Rappe of Ft. Sill, Okla., will be the best man.

America's Foundation . . . is HUMAN RIGHTS

America's destiny rests upon the many-shouldered strength of its common people who are at liberty to express their opinions and to contribute their ideas and talents to its development.

No crushing weight of tyranny shrivels the souls of our citizens, extinguishing native ambition and ingenuity.

We have the unbeatable strength of free men living under a form of government which is based upon the recognition of individual rights.

Let us appraise these privileges and liberties at their true value and unite as Americans in defending and preserving them.

The End: NO MORE OIL AND NO MORE ENGINE!

Ruthless Death-Test proves this New oil good for more than twice the mileage averaged by 5 other big brands

In fiery Death Valley the dry heat hits everyday. And there's where 6 identical everyday cars, using 6 different big-name oils, were burned out on purpose to give you fair and square mileage comparisons on great new

CONOCO Nth MOTOR OIL

Now making Sales Records right Here

Death-Test cars—new—same make, same model—were taken apart for the Referee, to check uniformity; then were broken-in alike. Each got one 5-quart fill of some one big brand—bought retail by Referee. He kept engines under lock—no oil could be added. Cars held the same 57-mile speed, over the same desert, getting the same handling (by alternating the drivers). And there wasn't any end till there wasn't any lubrication... till engine after engine became a hunk of junk.

Conoco Nth oil kept on 5,683 miles longer than any other oil in the Death-Test... Certified. And all five competing Death-Tested oils didn't average half the mileage of Conoco Nth oil. Certified.

Man-Made new Life-Giver does it

Now think a moment of Vaccination—putting protective substance on guard to keep a trouble from starting. And the trouble aiming to start on motor oils lurks in every engine's normal firing. Filth forms that can spoil one drop; then two drops "catch it"—then four—then SIXTEEN... faster, faster, FASTER. As the whole fill weakens, the oil-level sinks too fast... but not when the start of this oil-fouling trouble is inhibited—held back—by life-giving Thiathene

inhibitor, the man-made new economy aid in patented Conoco Nth motor oil.

No, you'll never Death-Test your own Conoco Nth oil. You'll still sensibly drain and refill as recommended. But knowing how Conoco Nth out-mileaged the other Death-Tested oils, you can reasonably believe that every look at the oil-level won't mean adding a quart. Keep count of your saving after changing to Conoco Nth today at Your Mileage Merchant's Conoco station. Continental Oil Company—Pioneers in Bettering America's oil with Synthetics

AND CONOCO Nth OIL OIL-PLATES YOUR ENGINE

Long the keystone of Conoco success, OIL-PLATING comes from another great Conoco synthetic... man-made under the famed Germ Processed oil patent. Magnet-like action bonds OIL-PLATING to inner parts. It can't all quickly drain down—not while you're using Conoco Nth oil. So OIL-PLATING is on guard against wear in advance!... and helps mileage, as it did in Death Valley. An OIL-PLATED engine is one more economy you get from a change to popular-priced new Conoco Nth oil.

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

H. W. Jackson
Consulting Engineer, who during the Academic year is Professor of Automotive Engineering, Purdue University

Soil Conservation Practices Help Land In Counties of Great Plains

Believing that conservation of the soil is the primary purpose of the Agricultural Conservation Program of the Triple A, the 7 Texas counties in the wind erosion area contour listed or pit cultivated 1,039,253 acres on 3,111 farms under the National Farm Program in 1940. Charlie L. Thomas, state AAA committeeman from Pampa, has announced.

Natural vegetative cover and small grain stubble were left on 506,623 acres and 2,590 farms, the committeeman said, while on 442,914 acres and 2,629 farms stalks were left.

Other approved practices carried out included:

Contour farming intertilled crops; contour seeding of small grains; border planting of sudan grass, sorghums, or millet and the stalks left; strip-cropping; construction of standard terraces; deferred grazing; contour listing, chiseling or furrowing pasture land; dirt moved in construction of reservoirs or dams; eradication of prickly pear or heavy infestation; mowing undesirable weeds and shrubs.

The wind erosion program, which is being used in the Southern Great Plains area of Texas, Oklahoma, Kansas and New Mexico, is designed specifically for problems that exist in this

territory. The counties cooperating in Texas are Dallam, Deaf Smith, Hansford, Hartley, Moore, Oldham and Sherman.

The wind erosion program is known as the Sherman County Plan since that county was one of the first to recognize the need for a special kind of program for drought and wind erosion. In organizing this special program and determining program essentials, Sherman county farm leaders with AAA and Extension Service officials considered factors which have led to a better and more stable type of farming and which would have beneficial results in the future in this area.

Instead of withdrawing acres from cultivation to comply for payment, farmers in the wind erosion area plant all acres in some kind of cover crop or deep list the fields to prevent them from blowing. Farms are typed according to the major kind of crop customarily planted and payments are made by applying productivity indices to each farm. In arriving at the farm index, weather conditions, soil types, drainage, production practices and general fertility are considered.

One of the special features of the program is that in the event native sod or land on which permanent vegetative cover is established, is broken out, penalties on a per acre basis are assessed against total conservation payments. Deductions are also assessed at the farm productivity rate by which the soil-building goal is not reached on a farm.

They tell us it's nutritious—This new Vitamin B-1. But still we are suspicious, We'd really like to C-1.

Don't cry over sour milk—use it for cottage cheese.

LEGAL NOTICE

CITATION BY PUBLICATION

The State of Texas. To the Sheriff and the Constable of Deaf Smith County, Texas—Greeting: You are hereby commanded to summon L. R. France, the unknown heirs and legal representatives of N. R. France, deceased, Martha A. Bounds, the

unknown heirs and legal representatives of Martha A. Bounds deceased, R. W. Bounds, the unknown heirs and legal representatives of R. W. Bounds, deceased, C. L. Bounds, the unknown heirs and legal representatives of S. G. Bon Durant, deceased, C. E. Edwards, the unknown heirs and legal representatives of C. E. Edwards, deceased, Frank Kabance, the unknown heirs and legal representatives of Frank Kabance, deceased, C. S. Richards and C. L. Sullivan, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, Texas, to be holden at the court house thereof, in Hereford, on the third Monday after the second Monday in July, 1941, the same being the 4th day of August, 1941, then and there to answer a petition filed in the said court on the 16th day of June, 1941, in a suit numbered on the docket of said court No. 2563, wherein N. G. Elliston is plaintiff and N. R. France, the unknown heirs and legal representatives of N. R. France, deceased, Martha A. Bounds, the unknown heirs and legal representatives of Martha A. Bounds, deceased, R. W. Bounds, the unknown heirs and legal representatives of S. G. Bon Durant, deceased, C. E. Edwards, the unknown heirs and legal representatives of C. E. Edwards, deceased, Frank Kabance, the unknown heirs and legal representatives of Frank Kabance, deceased, C. S. Richards and C. L. Sullivan are defendants, said petition alleging that the plaintiff, on about March 1st, 1941, was lawfully seized and possessed of the north east quarter of the north east quarter and the north half of the north west quarter of Section No. 45 Block M-7 in Deaf Smith County, Texas, holding and claiming the

same in fee simple. That the defendants unlawfully entered said premises and ejected plaintiff unlawfully withhold the same from plaintiff to plaintiffs damage.

Plaintiff prays for the title and possession of said premises and for damages.

Plaintiff also sues in the alternative claiming ownership title, possession of the said land in fee simple and pleads the same under the three, five and ten and 25 year statutes of limitation, and that he has had the peaceable, continuous and adverse possession for the same, cultivating, using and enjoying the same for a sufficient length of time that any interest of defendants therein is barred by the statutes of limitation, which are pleaded. Plaintiff says the defendants are claiming some interest in said land, but plaintiff denies that they have any such interest.

Plaintiff prays for title and possession of said property.

Herein fail not, but have you before said court on said first

day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Witness, R. L. Thompson, Clerk of the District Court of Deaf Smith County, Texas. Given under my hand and seal of said court in office in Hereford, Texas, this the 16th day of June, 1941.

R. L. THOMPSON
Clerk of the District Court of Deaf Smith County, Texas.

By Elizabeth Wombie, Deputy
