HAS X-RAY EQUIPMENT PURCHASED

DR. GABBERT ORGANIZES STOCK COMPANY TO HANDLE SAME

WILL FILL NEED

When Paid Out May be Turned Over to Hospital Or County

A complete X-Ray equipment, modern in every particular and capable of handling any kind of work of that nature which may arise here, has been purchased by Dr. W. F. Gabbert for a stock company now in process of organization, and is expected to reach Hereford in two or three weeks. The apparatus will be installed in the offices over the First National Bank building formerly held by Shore & Hill, next to Dr. Gabbert's office. He will operate it without cost to the company or without profit to himself, turning in the earnings of the office to take up the expense of purchase. He estimates it will pay for itself in less than two years. The stock holders can then sell or present it to the present hospital or to the County Hospital, should that project have been realized by that time.

The apparatus cost about \$2,500, and the stock as practically all been placed. Dr. Gabbert and the officers of the Hereford Hospital had hoped that the institution itself could handle the X-Ray in connection with the regular work of the hospital, but the expense of starting makes this additional expense inadvisable at present. The two should work together nicely. Many cases leave here every month for foreign hospitals having X-Ray equipment that can now be safely taken care of at home. It is believed, for instance, that in the unfortunate case of John McFarlin, a great good could have been accomplished had the X-Ray been on the ground and immediately available.

The stock holders of the new concern will hold a meeting soon and formally organize. The project was discussed at the last meeting of the board of directors of the Chamber of Commerce and endorsed. Dr. Gabbert agreeing to take the responsibility of handling the equipment and doing the work.

WHITEFACES TAKE 19 TO 5 CONTEST FROM DIMMITT MEN

Hereford's Whitefaces journeyed down to Dimmitt Thursday and annexed a ball game to the tune of 19 to 5. Andy Vaughn and Bennett was Hereford's battery. Dimmitt secured three hits and Hereford, fourteen. Dimmitt's battery was Brooks, Williams, A. Patton and R. Patton.

ONE-FOURTH INCH RAIN HERE; HARD RAIN WESTWARD

Another tenth of an inch of rain fell in Hereford Thursday morning. Thursday afternoon reports came in of a heavy rain and hail storm to the west. It seemed to be a streak and not of a general nature. Friday the sun was shining brightly, although rain clouds were still hanging about.

GREAT EDITOR TO GOVERN ALASKA

HON. SCOTT C. BONE

Washington.—One of the most popular and efficient appointments yet made by the new administration, is that of Scott C. Bone, who has just been nominated by President Harding as governor of Alaska. Mr. Bone, who is one of the best known of American newspaper editors, was publicity manager of the Republican national committee last year. Previously, as editor of the Seattle Post-Intelligencer, he gave careful attention and study to Alaskan matters and it is expected that he will make a strong governor—from the very start.

Mr. Bone has large experience with the problems of news print paper, and inasmuch as Alaska is a future great field for paper pulp, there is no doubt that he goes to Alaska with this matter very much in mind. Which is a case of expert efficiency in the right place. Mr. Bone will leave very shortly for the great territory he is to govern.

First Concert is Given the Public By Hereford Band

The first concert given by the Hereford Band was held Thursday night. Eighteen members rendered a program that was surprisingly good, considering the fact that half of these were Juniors, with only a few months instruction. The Juniors who participated were: Miss Marie Burns, Brack Williams, Sank Ramey, Silver Shore, D. Crawford, saxophones, R. H. McDonald, baritone, H. E. Casbolt, alto, Howard Forester, snare drum. The members of the regular senior band, out were: Leslie Smith, baritone, Ralph Smith, saxophone, Bill Smith, trombone, John McDonald and Paek London, bases, Professor Brothers and H. L. Harman, cornets, George Cloyd, alto, Carl Lewis, base drum, Kid Caskey, snare drum.

Of course the older members are the backbone of the music as yet, but the Juniors are coming like a house afire and gave a good account of themselves. Although the concert is something new and was not extensively advertised, a generous crowd was on hand and the streets were lined with cars full of appreciative listeners.

The Thursday night concert will be a regular feature this summer and it is believed that the public will appreciate it very much.

NATIONAL LEADER AMERICAN LEGION KILLED BY AUTO

Dispatches in the daily papers of June 9 told of the death of F. W. Galbreath, Jr., national commander of the American Legion, who was killed instantly when an automobile in which he was riding went over a twenty foot embankment at Indianapolis early on Thursday morning.

Henry Ryan of Indianapolis, national director of Americanism of the American Legion, and Milton Foreman of Chicago, national committeemen of the Legion from Illinois, were the other occupants of the car. They were not seriously injured.

The news was received with regret by all the Legion posts over the country, as Galbreath has been an active and energetic leader since his induction into office.

TRAINS IN FLOCKS ARE COMING THRU—RAINS THE CAUSE

Restraining orders, economy measures, and train schedules notwithstanding, Hereford has been enjoying the novelty of having ten or twelve passenger trains pass through here every twenty-four ours since last Saturday. This has all been caused by the heavy rains and washouts in Colorado, which forced the detouring of Santa Fe passenger trains from other branches over this line.

It was reported that Rock Island trains were also using these tracks but this is incorrect, the Santa Fe alone having availed themselves of this line of rails.

E. A. PRICE TO STAND TRIAL SOON

ONLY REMAINING MEMBER SEXTETTE TAKEN BY PURCELL

E. A. Price, charged by grand jury indictment with unlawfully having liquor in his possession, was called in District Court Wednesday afternoon. District Attorney Braley requested time in which to get into communication with necessary witnesses. The case was passed temporarily until both sides had their witnesses. Meanwhile the Court took up the case of Vern Witherspoon et al vs. W. H. Terry et al, a civil suit.

Price is the last remaining member of the sextette captured by Sheriff Purcell on the night of May 17 and the driver of the Reo truck containing the famous sixty cases of Old Scotch. He has not made bond so far. The other five members of the crowd were freed on a technicality in the Dean law and have departed for parts unknown. If they could have been held they would have been material witnesses in the Price case. As it is local officers are about the only witnesses left with which the state can prove its case.

The trial of Price will probably be called as soon as the Witherspoon-Terry suit is ended this week.

O. M. SHORE AND MRS. SHARP MARRY AT LAWTON, OKLA.

O. M. Shore, of Hereford, and Mrs. Margaret Sharp, daughter of Mr. and Mrs. J. A. Scrutchins of the Hereford Hotel, were married at Lawton, Okla., June 1, at the home of W. B. Scrutchins, brother of Mrs. Sharp. The couple will make their home at Decatur, Texas.

The groom is a well known cattleman of this community and the bride has resided here for some months, being employed in the offices of Byrd-Mikel & Hill.

UNCLE SAM EXACTS TOLL FROM TAXI MEN'S AUTO LINE

Uncle Sam gouged about \$30 out of Smith & Thomas, taxi line proprietors, this week and passengers using the line between Hereford and Canyon will hereafter have to pay an additional eight percent, owing to a ruling by an Internal Revenue collector this week.

This man arrived here and claimed that such service came under the act taxing carriers and held that Smith & Thomas were in competition with the Santa Fe. An ordinary layman cannot see it that way, but there is no appeal from the collector's ruling except through federal court, and the taxi men decided it was cheaper to pay the tax than argue the point.

LITTLE GIRL HAS HAND BADLY HURT PUMP JACK GEAR

Little 3-year-old Nina Burleson, daughter of Mr. and Mrs. Frank Burleson, lost at least one finger, and possibly more, in an unfortunate accident Thursday morning. She caught her hand in a pump jack gear. She was playing with other children and in some manner the gear was turned, catching her hand. The first finger had to be amputated and two more were badly lacerated. Twelve or fifteen stitches were taken in the injured member.

WOMAN BAGS FIVE COYOTES AT ONE PULL OF SHOTGUN

Bagging a covey of quail or several ducks with one shot is no uncommon occurrence, but dropping five young coyotes with one shell—with the feat accomplished by a woman, to boot—is something new under the sun.

Mrs. J. J. Parks, who lives with her husband on a ranch near Hereford, is the heroine of this story. One day last week Mrs. Parks noticed the coyotes, two thirds grown, some distance from the house, playing near their den. Securing the family shotgun Mrs. Parks slipped up on the five with cautious skill of the trained hunter, took careful aim, and downed all five with one barrel! One or two of them crawled back into the den before giving up the ghost, but Mr. Parks came along shortly, dug them out and then managed to get the old mother coyote herself, cleaning out the entire family and doubtless saving his chickens for family use instead of coyote fodder.

Bowers 80 Acres Is Purchased by An Amarillo Man

Announcement has been made of the recent sale of the J. H. Bowers 80 acres, just north of the city of Hereford, to C. E. Wilson of Amarillo. The price was not given but is understood to have been above the average for this section.

Mr. Wilson has been with the Panhandle Lumber Company of Amarillo for the past three years. He has reached the age when he feels the need of a permanent home and, after looking over the Plains, decided upon Hereford as the ideal place. He will take possession of his place the first of the year.

W. H. RAY ALMOST LOSES AUTO WHEN GASOLINE IGNITED

W. H. Ray, local jeweler, almost lost his Essex touring car by fire Thursday at noon, and the local fire department again demonstrated their alertness by landing on the spot in jig time.

Mr. Ray was working on his machine at his home. He was cleaning up with gasoline, which became ignited from a "short" circuit. He foned for the fire department, then went to work to put out the blaze. By the time the boys arrived, he was master of the situation. The car was little damaged except in the matter of blistered paint.

TWO BROTHERS SEE 27-YEAR-OLD SISTER FIRST TIME

Truth is stranger than fiction at times, and this phrase was perhaps never better exemplified than this week when W. F. and J. S. Orr are entertaining a sister, twenty seven years old, married and with children, whom they have never seen before!

The sister, Mrs. G. K. Counts, of Alabama, arrived here this week for a visit with her brothers, accompanied by her uncle, H. L. Corbell, of Alabama, and Mrs. Corbell.

It is understood that the Orr brothers left home before their sister was born and through one circumstance or another have never had the pleasure and privilege of meeting her in the flesh until this week. There is great rejoicing in the Orr families at the unusual reunion.

PRESBYTERIANS TO OPEN REVIVAL ON SUNDAY, JUNE 12

Rev. J. R. Sharp announces that the Presbyterian revival services will begin at the church next Sunday. The singer is expected for the opening, but Dr. R. Thomsen, who will conduct the services, will not be here until the night meeting Monday. The Baptist revival will continue through Sunday. Ten additions to the church have been made to date and the meeting grows in power as the end approaches.

H. H. HALSELL'S BROTHER ON VISIT HERE THIS WEEK

Mrs. H. H. Halsell and five children arrived here this week from Decatur, Texas, to join Mr. Halsell. F. T. Halsell, a brother to H. H. Halsell, is also here, conferring on business matters. J. N. Tolbert, traveling salesman for the Williamson-Halsell-Frasler Wholesale Grocery Co., of Oklahoma City, is also here on business connected with the grocery store venture of H. H. Halsell.

DON'T FORGET TO HEAR DAIRY LECTURE JUNE 14th

The committee having in charge the talk here next Tuesday by H. S. Mobley, dairy expert, desires The Brand to again call attention to the fact that the time has been changed from 2:00 to 1:00 p. m., and the place from the Courthouse to the Stock Pavilion. An Auction Sale of dairy cows will be held immediately following the address.

BURNS CASE CHANGED TO RANDALL CO.

LAWYERS CLAIM THAT PREJUDICE HERE JUSTIFIES

VENIRE QUASHED

Errors in Court Procedure Give Grounds for Such Action

The case of the State of Texas vs. Henry Burns, charged by indictment with the murder of W. J. Rich on May 30, has been moved from Deaf Smith to Randall county, and will be called in the district court at Canyon on August 20.

When the case was called for trial here last Wednesday, Attorney Lumpkin of Amarillo, who, with his partner Judge Veale, and W. H. Russell of Hereford, is representing Burns, made a motion to quash the special venire of 108 men called in the case on the grounds, first, that the order calling the venire did not allow one day's intermission between the return of the writ and the calling of the veniremen, as required by law, and secondly, that the order had not been properly entered upon the minutes of the court, as required by law. These items being error of the court officials, Judge Tatum had no alternative but to grant the motion and the venire was excused.

Mr. Lumpkin then entered a motion for a change of venue to the district court of Randall county, basing his reason for the request on the ground that there was some prejudice here against the defendant and he could not secure a fair and impartial trial. Judge Tatum put the answer up to District Attorney Braley and John P. Slaton, special prosecutor for the state. The showing rebutting Mr. Lumpkin's assertion did not, in the mind of the Court, remove the possibility of such prejudice existing, and the change of venue was granted.

Burns made bond in the sum of \$7,500, which was signed by J. M. Burns, Mr. Hammer and Walter Fullwood, and was released. Most of the witnesses in the case were present and were sworn and told to report at Canyon August 20.

The case attracted much interest and a large crowd.

Train "Butch" Has Wrist Hurt When Glass Door Gives

Train "Butch" Adamson of the Fred Harvey service had his right arm badly cut by glass on the east-bound passenger train near Frons Wednesday and was removed from the train at Hereford and given surgical attention at the Sanitarium.

Adamson was endeavoring to push open the swinging glass door at the end of the car, which was jammed in some way, and must have put too much pressure on the glass, which gave way. An artery, a big ligament and several muscles were severely cut in his wrist. Emergency measures were applied and Drs. Gabbert and Price phoned to meet the train here. A difficult surgical operation was necessary to connect the severed artery, ligaments and muscles. Mr. Adamson will be here for several days yet.

JOE ELLISTON WAS MAN WHO CAPTURED ALL THOSE MEDALS

In the issue of May 27, The Brand was in error in giving William Black the Athletic honors that should have been given to Joe Bailey Elliston, at the New Mexico Military Institute the past year. Mr. Elliston, in the Southwestern Intercollegiate Track meet at Roswell, held May 7, made the following winnings: 100 yard dash, 2nd; 220 yard hurdle, 3rd, and 220 yard dash, 2nd. Joe was presented with medals for the above events.

ROY NUNN ELECTED SECRETARY TRINITY UNIVERSITY YMCA

Roy Nunn arrived Friday morning from Trinity University at Waxahatchee, Texas. This is Roy's junior year. He was elected Secretary of the College Y. M. C. A. for the next College year. Before returning home he attended a school of instruction for Y. M. C. A. secretaries held at Holtsler, Mo. Roy is a son of R. T. Nunn of Hereford and is a sterling young man.

JUST A MESS

To anyone who has had wished upon him the doubtful pleasure of sitting around any district court room in the sovereign State of Texas for a few days and observing the inefficient, time-killing, expensive, ridiculous "system" employed, the thought invariably occurs that this is probably the "home of the brave and land of the free," but the taxpayers dig up an awful tariff for the privilege of enjoying it.

They summons a bunch of prospective Jurymen for a certain day. Some of them may have the time, but most of them are busy men. They sit more or less patiently in front of the official railing while a bunch of lawyers swap stories and kill time while someone is doing something to some necessary papers, etc., etc. An hour goes by. Then a case is called. A lawyer gets up and argues a motion to quash the indictment on the grounds that somebody failed to cross a "t" or dot an "i." This

takes an hour. Motion overruled. Said lawyer again gets up and makes a motion to continue the case. Important witnesses absent, etc. Another hour. Eleven a. m. His Honor takes the matter under his hat until after lunch. Jurymen kindly told to come back at 2:00 sharp. Meanwhile they have lost practically the entire morning from their business.

Two p. m. rolls around. Judge announces he overrules motion to postpone. Lawyer again takes the floor and moves that a change of venue be granted, on grounds of prejudice against his client, etc. Rest of afternoon consumed in debating the point. Jury dismissed until 9:00 a. m. sharp. Whole day killed.

Next day the same rig-a-ma-rolle continues, mabe, and finally the case is dismissed, or something else happens whereby the ends of justice are defeated, the tax payers have been stuck for two or three hundred dollars in various kinds of fees, the sheriff loses a prisoner who ate \$2.50 worth of grub per day and for which the state magnificently allowed the sheriff fifty cents per day, etc., etc. Then another case is called and the dog-eared farce starts all over again. Once in a con's age a prisoner gets convicted. And then the case is retried, or appealed, overruled, tried over again, etc. ad infinitum. And Jones, he pays the freight—always.

The lawyers will tell you it is the kind of juries we have; that the law exempts many classes of the most intelligent and best educated folks, like lawyers themselves, doctors, druggists, etc. Somebody else will tell you it is somebody else's fault. We don't know whose fault it is, but we have a hunch that the man who discovers a way to scrap the whole "system" and put into effect a real business-like plan of judicial procedure that will get results, has a place in the hall of fame forevermore.

Last week this county spent some-

thing like \$300 or \$400 on two criminal cases without tangible results except the bill for services rendered.

No, we haven't had any of that Old Scotch; neither is our liver out of order. We are just disgusted.

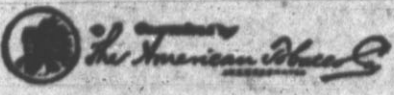

LUBBOCK DEFEATS SCHOOL TAX VOTE

In the election held last Saturday to determine whether or not a raise of the tax rate should be made in accordance with the privilege granted in the law that was passed last fall which authorized School Districts to raise the rate to one dollar if necessary, the issue was defeated by sixty-two votes. The vote was counted as follows—149 for the tax and 211 against. Total vote 360, which is probably only about one-third of the voting strength of the district. The result of the election does not reflect the true sentiment of the people of this district in the matters of education. We have not for a minute allowed ourselves to believe the people of the Lubbock Independent School District are of the type that will retard the growth and development of the schools. Hundreds of voters remained at home—confident that the proposition would carry without much opposition, and their vote was not necessary to put it over—"Let George Do It"—and George either did not do it or voted the wrong way, and hence the result as it stands. Many people have said to us: "I did not vote, but was in favor of it, but not one have we heard say, I did not vote, but would have voted against it if I had." The "aginners" voted and the "ferers" stayed at home. The tax was defeated only temporarily we are sure.—Lubbock Avalanche.

CASTRO COUNTY

DIMMITT

Mrs. Etta Brashers left Monday morning for a three weeks visit with relatives in east Texas.

Mrs. C. F. Kerr and son, Ray, of Canyon, spent a few days visiting friends and relatives in Dimmitt this week.

Mrs. Mark Cowser and daughter, Winnie, returned to Hereford the latter part of the week, after spending a few days with homefolks and attending the Chautauqua.

Mr. Bob Hastings and daughters, Tennie, Gladys, and Leona and son, Jay, returned Tuesday from a trip to the Palodura Canyon, where they visited relatives. They came back by way of Canyon City and visited friends and relatives there.

Miss Ola Parks and Miss Elise Smith left Thursday for Colorado Springs and other points in Colorado.

Rev. Upton, of Plainview, and Rev. Florence, of this place, will hold a two weeks meeting here beginning Wednesday.

The community feels quite refreshed, after having had the pleasure of attending the Chautauqua for a whole week, which was very interesting, then receiving a three inch rain Saturday and Sunday, which means everything to most people. We expect to make plenty of grain now all over the county.

Mr. John Flanagan entertained with a Shower Saturday night, complimentary to Mr. and Mrs. Dow Duree, who

were recently married. The bride and groom received many lovely gifts, which will come in very handy when they start keeping house. At a late hour refreshments of ice cream and cake were served.

Mrs. Buck Tate spent the week with her daughter, Mrs. Charley Mayes.

Mrs. Baxter Easter is at home again, after several weeks stay in Hereford.

John Watson made a business trip to Hereford the last of the week.

Mr. and Mrs. Donald Alexander entertained a few couples with a dance Friday night.

Miss Alice McLean, who has been attending the Texas Woman's College of Ft. Worth this year, will return to her home in Dimmitt Wednesday. Miss McLean stopped over for a few days visit with her sister, Mrs. Hodges, in Lubbock.

Ralph Patton shipped sixty-five fat calves to Ft. Worth Friday.

Miss Alva Metcalf is the guest of Miss Helen Cowser this week.

Mr. and Mrs. Roy Haberer, of Big Square, attended the Chautauqua in Dimmitt this week.

Miss Gertie Loveless left Friday for Muleshoe and Hurley, Texas for a week's visit with friends.

Mr. Johnson, of Littlefield has recently purchased the barber shop here and expects to make his home here.

Brooks Entertain

Mr. and Mrs. I. B. Brooks entertained a number of their friends Friday evening.

The home was beautifully decorated with cut flowers. Various games were

enjoyed, piano selections were rendered by Miss Ethel Patton, of Amarillo, and Miss Ethel Montgomery, of Dimmitt, and little Miss Jonell Brooks sang her favorite song, "Let the Rest of the World Go By."

The new veranda of the Brooks home was used for the dancing, which was ideal for that purpose. Red, white and blue lanterns were artistically arranged around the veranda, furnishing sufficient light.

Refreshments of ice cream and cake were served.

The party broke up at midnight, after congratulating the Brooks on being Number One Entertainers.

Among the guests were: Messrs. and Mesdames Cleve Tate, Ralph Patton, Mayes Miller, Jake Acker, John Carter, I. B. Brooks, Bob Miller; Mesdames Carter, Clabahan; Messrs. and Misses Lester Womack, Ethel Montgomery, Edgar Ramey, Bessie Wright, Ethel Patton, Arthur Patton, Paul Wright, McKinney and Ple' Montgomery and Mr. Wright, of Lubbock.

Ideal

Ideal in Name— Ideal in Performance

Over 20,000 owners of Rumely Ideal separators know what genuine threshing satisfaction really is.

For they are using the most scientifically designed machine obtainable—the one with over 80 years of manufacturing experience back of it—the one with a well-earned reputation for fast, clean threshing.

It takes all varieties of grain in any condition—headed or bundled, long straw or short, wet or dry, in good weather or bad. And it puts all the grain where you want it—in the wagon—not in the stack.

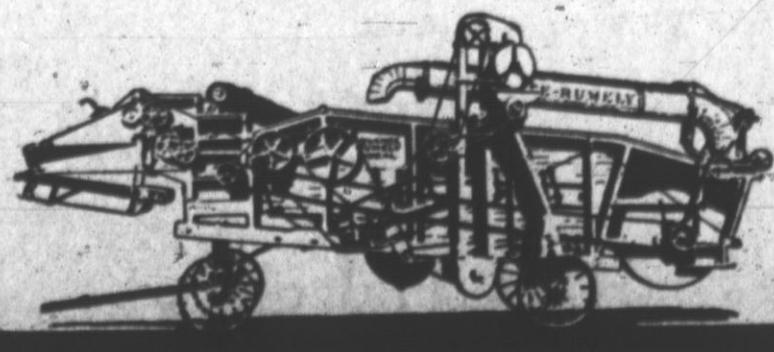

Vibration is eliminated by a perfectly counterbalanced cylinder which has the effect of relieving the bearings of wear and keeping the shafts in proper alignment.

And, instead of having to stop the Ideal and crawl into and under it to make adjustments and do the oiling, you do this work from the outside while the machine is running.

We can offer you five sizes: 22x36, 28x44, 28x48, 32x52 and 36x60—all standard in design, all possessing large capacity and thorough cleaning.

And remember we also handle the famous OilPull tractor.

Shower for Mrs. Sharp

Social activity for the past week has centered around Rev. and Mrs. J. H. Sharp, and a number of charming affairs have been given in their honor. One of the most delightful of these was the "shower" given for Mrs. Sharp on Thursday afternoon from four to six by the members of the senior Christian Endeavor of the Presbyterian church, and the Tr-C class of that Sunday school.

The home of Mrs. C. C. Ferguson was chosen for the occasion, its spacious, well-arranged rooms rendering it ideal for entertaining. A color scheme of pink and white carried out in roses arranged in baskets throughout the receiving rooms, converting them into a veritable rose garden of exquisite beauty.

The merry company gathered in the living room where they hemmed tea towels while listening to a delightful musical program. At its close, Mrs. Seth B. Holman in a very clever toast presented the finished towels to the bride, later suggesting the game of blind man's buff. The bride was blindfolded and told to follow the ribbon which was stretched from the living room across the hall and parlor to the dining room. Here the covering was removed from her eyes which fell at once upon a "shower" of beautiful gifts that were displayed on the table.

After all had enjoyed with the bride the pleasure of viewing the gifts, a refreshment course of pink and white brick cream with angel food cake was served, marking the close of a very pleasant afternoon.

Reception for Rev. and Mrs. Sharp

The congregation of the Presbyterian church expressed their welcome to the bride of their pastor, Rev. J. R. Sharp, in a beautiful "At Home" given Monday evening at the church.

The Sunday school rooms and main auditorium were thrown together making a spacious and attractive reception suite which was beautifully decorated with roses, daisies and fern.

In the receiving line were: Mrs. Henry Hastings, Rev. and Mrs. Sharp, Mr. and Mrs. S. L. Harman, and Mr. and Mrs. L. M. Fertsch. After greeting the honorees, the guests were served with brick cream and angel food cake, dainty white "wedding bells" tied with white ribbon being used as favors.

An enjoyable program was rendered and was contributed to by Mrs. E. H. Broadwell, Miss Elizabeth Tatman and Miss Lois Cobb in piano numbers, Miss Mabel Barnhart violin solo, Phillip Broadwell, I. cornet solo, Misses Lula Orr and Evelyn Witherspoon readings, Mrs. Homer Fox and Pearl Golden vocal solos.

The program was exceptionally good, the numbers being pleasingly significant of the occasion.

The guests numbered almost the entire membership of the church and a few of other friends.

Birthday Picnic

A number of the friends of Miss Thelma Tynes gave her a picnic party Wednesday evening, the enjoyable affair celebrating her fifteenth birthday.

The young people, chaperoned by Mrs. Rex Tynes, went to Mothers' Park where they enjoyed a picnic supper and a merry hour of social pleasure. About a dozen young people were in attendance.

Sharp-James

Beautifully suggestive of the "month of roses" it ushered in, was the wedding which on Wednesday evening June the first, united the lives of Rev. John Robert Sharp, pastor of the Presbyterian church of this city, and Miss Laura Ellen James of Dallas.

The marriage was solemnized at the bride's home in Highland Park, Dallas, and was most charmingly appointed, the home being lovely in its simple adornment of white roses and half-blown pink buds arranged in vases. A handsome bouquet of single bride roses placed near the spot set apart for the ceremony, was especially effective.

At five o'clock Mrs. R. Morton of Dallas accompanied by Miss Bernice Bregg, sang as pre-nuptial solo "Because" and, as its strains glided into those of the wedding march, the bridal party entered, led by the flower girls, little Misses Mary Elizabeth James and Patricia James, sister and niece of the bride, who scattered rose petals in the pathway. Next came the bridesmaids, Misses Minnie Letta James, the bride's sister, and Velma Read, teacher of science in Hereford high school. The bride and groom followed, and took their places before the waiting ministers, Dr. Thomson of the Central Presbyterian church of Amarillo, and R. B. Wren Webb, State Superintendent of Home Missions of the Presbyterian church.

Here the ring ceremony with its beautiful accompaniment of soft music was performed. Following the marriage vows, congratulations and good wishes were showered upon the bridal pair, on an ice course in the prevailing lora was served.

The bride wore an exquisite wedding gown of white and carried a wren bouquet of lilies of the valley and maiden hair fern. The bridesmaids wore white hair bands stuffed

with pink rosebuds and arm bouquets of pink buds arranged with fern.

The bride is the daughter of Mr. and Mrs. William James of Dallas, the family having formerly lived in Cleburne. She taught in Hereford high school three years ago and again last year, having attended Southern Methodist University in the meantime. Gentle and gracious in her manner, her personality is very attractive and has had much to do with the marked success of her school work.

Rev. Sharp is a native of Tennessee that state. He was in Y. M. C. A. service during the war and has held his pastorate here since that time. He is an able minister and is respected and loved by all who know him, regardless of church affiliation. No more popular pastor has ever held a Hereford pulpit.

During the temporary absence of Mr. and Mrs. Fertsch, Rev. and Mrs. Sharp will occupy the Fertsch home. Later they will move to their own home near the church.

Friends of both—and the number includes all Hereford—extend congratulations.

BAPTIST ASSEMBLY TO HOLD MEETING AT CANYON CLUB

The second annual meeting of the Pambandle Baptist Assembly will be held at the Canyon Club grounds, beginning Wednesday, June 15, and lasting through June 22. Prominent speakers listed for the occasion are Dr. J. Benjamin Lawrence and Dr. Harold Major. Study courses for all departments of church activity will be held, and the afternoons will be devoted to fishing, boating, recreation, etc. Dr. Virgil, of Amarillo, is president of the Assembly and will have charge. The meetings will be held under tents and an enjoyable and instructive outing is anticipated.

F. H. BRITAIN'S BROTHER DIES AT SEYMOUR, TEXAS

B. M. Britain, aged about 71, a brother to F. H. Britain of Hereford, died at Seymour, Texas, Wednesday night and was buried at that point Friday morning at 10 o'clock. He leaves a wife and a large family of children.

F. H. Britain received a wire Wednesday that his brother was ill and another Thursday that he was dead. Owing to the short time allowed and the delayed train service, Mr. Britain could not get to Seymour in time for the funeral, so did not go.

This makes two brothers Mr. Britain has lost within the past year.

AUBREY SPRAWLS MARRIED TO MISS GERTRUDE LAMBERT

Aubrey Spraws and Miss Gertrude Lambert, daughter of Mr. and Mrs. G. W. Lambert of Friona, were united in marriage at Farwell, Tuesday, June 7, Reverend Thurston officiating.

The groom is in the employ of the Santa Fe as third trick man, and the young couple will make their home in Hereford. The wedding was a complete surprise to their friends, and the ceremony was strictly private.

THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Hereford testimony.

J. W. Clark, blacksmith, says: "Not so long ago I was troubled with a weak and lame back. When I stooped over it bothered me to straighten up. My back ached a good bit of the time and mornings when I first got up, it was sore and stiff. My kidneys were out of order, weak and irregular in action. I saw Doan's Kidney Pills advertised and used two boxes. I received good results from this medicine."

LOCKNEY WOMAN IS BURNED TO DEATH

Last Saturday afternoon at about 2:30, at her home one mile south of Lockney, on the Hooten place, Mrs. Denny and daughter of Mr. and Mrs. L. B. Hooten, of the Lone Star community, was fatally burned, dying about nine hours afterward.

According to the parties reaching the scene soon after the fatal accident happened, Mrs. Denny was attempting to heat a solution which contained kerosene and linseed oil, when it caught fire. In trying to extinguish the flames her clothing caught fire, which resulted in her being fatally burned. Mr. Denny and little son had just come to town. It seems, leaving no one at home except Mrs. Denny and her little daughter. Seeing that her mother was overcome by the flames, the little girl ran to the home of their nearest neighbors, J. J. Williams, for help. Mr. and Mrs. Williams hurried to the Denny home, but arrived to find they were not in time to do anything toward saving Mrs. Denny's life. She was still conscious, however, and was sitting in a chair with a wrap around her, but her clothes were completely burned.—Lockney Beacon.

Announcing the Selection of—
H. H. Halsell
 Of This City as the Representative of the
Merchants of the Gold Plume

It is a mark of distinction which is bestowed, upon only one merchant in each town, who in each case must conduct a store which is a credit to his community—such is the rank of the merchant with whom is placed the franchise of

Gold Plume Toasted Coffee

Sooner or later this franchise brings to every Gold Plume merchant the leadership in the coffee business, because the excellence of this blend which is toasted—not roasted—is such that its fame spreads throughout the community and folks WILL have it, once they taste it—even if necessary to change grocers to get it. Please congratulate the above store on securing the franchise of "Gold Plume" Coffee and try a pound can today—Real Coffee—Different—Better.
