## Plan Additions To Local Church Of Christ Soon

Construction was started this week on a new \$11,000 addition to the Hereford Church of Christ.

A new 2-story front, in modernistic architecture, is being added to the front of the building at 206 West 8th Street. The 12-foot extension is to be finished in glass brick...

The entire building will be re-dashed white.

The extension will provide three new classrooms upstairs. On the first floor level, there will be an enlarged foyer, flanked on the east side by a sound-proof nursery...

The new addition will include a basement work room, three additional class rooms, a new baptistry, and increased seating capacity for the auditorium.

## Lonesome Pup Airls His Troubles Over Master's Telephone

Ever hear a talking dog? Why have telephone operators been heard one?

When a light flashed on the switchboard at the local exchange Tuesday afternoon, a surprised operator heard, in answer to her "number please" query, only an excited barking.

Trouble shooter Ray Bosley was sent out to investigate. The trouble was on a party line, and Bosley found no one at home at either residence.

Dr. Harold G. Cooke, president of McMurry College of Abilene, will be the principal speaker for a dinner at the First Methodist Church on Monday night.

# Huge Crowd Expected for Annual 4-H Club Show on Saturday

## Over \$1500 In Prizes to 4-H Winners

More than \$1500 in prizes will be offered 4-H Club exhibitors in the Dear Smith County 4-H Fat Stock Show Saturday.

The prize list this year will be the fattest in history, Ed Hedrick, chairman of the awards committee, announced.

A registered calf, registered gilt, and registered lamb will be given to the Grand Champion winners in the three divisions of the show, Hedrick announced.

The Hereford Rotary Club, which is sponsoring the show, will give a hand-tooled leather billfold, with appropriate inscription, to every boy entering an exhibit. In addition, a long list of valuable prizes has been collected, with more coming in daily.

Included in the prize lists are wrist watches, radios, Stetson hats, a saddle horse, pen and pencil sets, halters and bridles, silver mounted belts, Western shirts, boots, knives, cameras, stock kits and show kits, tools, a barbecue stand, record albums, lamps and even a life insurance policy.

## Boy Scouts Rule City For a Day; Jaywalkers Fined

Boy Scouts took over Hereford's city offices Saturday and made the town's jay-walking citizens toe the mark.

In the annual observance of Citizenship Day as a part of the Scouts' annual anniversary week, postponed from the previous Saturday, members of local scout troops were officially deputized to fill all local offices.

Sam Hershey was sworn in as Mayor-for-a-day, with Alton Brock and Delbert Conklin as City Commissioners.

Other scouts were sworn in as police deputies and set up temporary traffic courts at all main street intersections, and paying particular attention to pedestrian traffic, kept a steady stream of offenders before the senior scout "judges".

Fines totalling more than \$120 were assessed and collected during the day. All money taken in fines was turned over to the local Scout troops.

## McMurry President To Speak Here

Dr. Harold G. Cooke, president of McMurry College of Abilene, will be the principal speaker for a dinner at the First Methodist Church on Monday night.

Dr. Cooke is one of the great preachers of the church, Rev. O. B. Herring, local pastor, said this week. Rev. Herring extended an invitation to members and friends of the local church to attend the dinner and hear Dr. Cooke speak in the interests of McMurry.

## BOY SCOUTS TAKE OATH OF OFFICE... AND JAYWALKERS PAY OFF

Boy Scouts look over the reins of city government Saturday. At left, Mayor Dameron swears in Mayor-for-a-day Sam Hershey and City Commissioners Alton Brock and Delbert Conklin. At right, Boy Scout deputies are sworn in. In the center photo Jaywalker Sylvester Slagle pays off as Deputy Bedford Forrest, (left) who

made the arrest, looks on. Taking his fine is "Judge" Jerry Ford. The other court officer is Jerry Reese, son of Sheriff J. C. Reese. Center photo is by Alex Thompson; others by The Brand.

## DR. W. H. ALEXANDER: TALL AND RED-HEADED Outstanding Minister, Speaker Entertainer To Deliver Annual Chamber of Commerce Talk

An outstanding minister, speaker and entertainer will deliver the main address at Hereford's annual Chamber of Commerce banquet this year.

He is Dr. W. H. Alexander, pastor of Oklahoma City's First Christian Church.

Tall, red-headed, a former amateur boxing champion, he is probably one of the most sought-after young ministers in the country today. He spoke last year at the annual banquet of the Amarillo Chamber of Commerce, and members of the board of directors of the local Chamber of Commerce who heard him were unanimous in agreeing that he must be the speaker for the Hereford banquet this year.

The annual banquet will be held Friday night, February 27, at the basement of the First Baptist Church. Tickets are being offered first to Chamber of Commerce members this week, and will be placed on sale for the general public next week.

Due to the limited seating capacity of the dining hall, only 300 will be able to attend the banquet.

The speaker, who will be the cen-

ter of attraction at the annual dinner, has a background of widely varied experiences to draw upon. During the war, he was War Corres-

pondent in the European Theatre for the Daily Oklahoman, the Oklahoma City Times, and the Christian Evangelist.

He is a master entertainer. As radio minister of Oklahoma's "Little Church around the Corner" he drew attention of a huge audience, estimated at more than 100,000. He is a popular radio speaker, having originated the popular WKY religious program, "It Tolls for Thee."

His principal interest is in young people, and it is expected that his address here will be along that line. He is much in demand on college campuses, and is probably the most popular young people's speaker in the country.

His church in Oklahoma City has recently raised \$116,000 in 30 days to buy land for Edgemere, The Church of Tomorrow, his two million dollar dream for young people.

Dr. Alexander feels that for too long the church has been inclined to take a negative attitude, saying "Don't do this or don't do that," without giving them a single positive thing to do. "I am convinced," (Continued on page 12)

## Third Class for Veterans in Vocational Ag School May Be Opened in Hereford Next Month

A third class for veterans in Vocational Agriculture may be started in Hereford next month.

Charles Crowell, coordinator for the Veterans Vocational Ag School and instructor for one of the classes, announced this week that Claude (Jelly) McGowan had been secured as an instructor and that a third class would be opened next month if there is sufficient demand among local veterans.

The initial class was organized here last summer, with Crowell as instructor, and a second class was opened two months later (in October) with Bruce Brown as instructor. Forty-four veterans are now enrolled in the two classes. There is still room for five enrollees in the October class. Crowell said this week, and there will be room for an additional 30 veterans, plus five disabled veterans, in the new class. (Continued on page 12)

## Harrison Highway Paving Plea Will Be Presented Again to Commission

Harrison Highway paving will be brought before the Texas Highway Commission one more time.

Members of the Hereford Chamber of Commerce committee on Harrison Highway have received an invitation from the State Highway Commission to attend a hearing in Austin on February 27.

Being in Austin on that date will mean that committee members will be unable to attend the annual Chamber of Commerce banquet here on the night of the 27th. Chamber of Commerce manager Pete Cowart points out, but all members of the committee are planning to attend

the hearing, Cowart said.

On the Harrison Highway committee are James W. Witherspoon, chairman; J. A. Pittman, Alton Fraser, Henry Sears, and Pete Cowart.

Also expected to attend the hearing are some members of the County Commissioners Court. The committee will request one more. Cowart said, that Harrison Highway be designated as a State highway, and that the state take immediate steps to pave the route from Hereford west to the New Mexico line.

## TOP REPORTER

Cal Brumley, former Hereford boy, won honors for spot news coverage for the Amarillo Globe-News in a recent AP contest.

## Cal Brumley Wins Reporting Honors In A. P. Contest

Cal Brumley, City Hall reporter for the Amarillo News-Globe, won honors last week in a state-wide contest on spot news coverage.

Brumley won recognition for his coverage of a city hall meeting on extending the corporate limits of Amarillo last November 26. The contest was sponsored by the Associated Press.

Brumley is a graduate of Hereford High School and Texas A & M College. He is a son of Mr. and Mrs. Bonnie Brumley of Hereford.

## John Haberers to Live in California

Mr. and Mrs. John Haberers long time residents of Hereford have bought a home in Antioch, California, where they expect to live.

Mr. Haberers was for many years engaged in sheep and cattle raising but later turned to wheat farming. He has now retired and has turned over the business to his four sons, Roy, A. L., J. M., and H. R. Haberers, all now of Hereford. Their only daughter, Ruth, and husband, H. H. Greenhouse, and family live in Richmond, California.

## City Loses Five Per Cent Credit For Fire Record

Fire insurance cost in Hereford will be up again this year, effective March 1.

The city has lost another 5 per cent of its "good fire record" credit this year. A 15 per cent cut in the credit was made last year.

In 1946, Hereford enjoyed a 25 per cent good fire record credit, the maximum credit in any city. Last year, principally as a result of the costly Fraser Elevator fire in 1946, the fire insurance credit was reduced 15 per cent.

Effective March 1, another five per cent reduction in the credit will be made, reducing the city's good fire record credit for 1948 to 5 per cent, a cut of 20 per cent in two years.

Two major blazes last year were responsible for the loss of credit. Biggest was the blaze which caused some \$10,000 damage at the Cokerham Furniture Company. The second major fire was that which gutted the Green apartments last summer.

A further loss of credit next year is probable on account of the Ireland Motor Company fire last month.

It is possible, though unlikely unless there are other major fires this year, that the city may not only lose the remaining 5 per cent credit. (Continued on page 12)

## Clarence Morrison Is Candidate For County Commission

J. C. (Clarence) Morrison this week authorized The Brand to announce his candidacy for the office of Commissioner of Precinct 2, subject to the action of the Democratic primary.

In making his announcement, Mr. Morrison made the following statement:

"I was born and raised in Texas, and have been a resident of Dear Smith County for the past 29 years and this is my first time to ask for a public office.

"I have served as a trustee on the Westway School board and at present am a member of the County School Board. "I will appreciate your vote and influence in my race and if elected will fill the office to the best of my ability."

## Parade Will Be Biggest In History

Four-H Club boys from four counties will converge on Hereford Saturday for the second annual 4-H Fat Stock Show.

With them will come a crowd of distinguished visitors, buyers and entertainers for what Rotary Club sponsors confidently predict will be the biggest club show in the Panhandle.

Special guests for the day will be 35 to 40 boys from Boys Ranch at Old Tascosa, plus another delegation from Boys Ranch Farm near Springlake, and Boys Ranch directors.

Dear Smith county 4-H club boys have voted to turn over three per cent of their gross sales at the auction Saturday afternoon to Boys Ranch.

Hereford Rotarians expect to play host Saturday to more than one thousand Club boys, their parents and visitors at a mammoth noon-time barbecue to be held at the show barn.

The parade to be staged Saturday afternoon will be the biggest ever seen in Hereford, according to Parade Marshall F. G. Collier.

Heading the parade will be color guards with the National and Rotary Club colors, followed by the West Texas State College band. Next in line will be special cars bearing the presents of five West Texas and New Mexico colleges and their escorts. Dr. W. H. Whyburn of Texas Tech, Dr. James P. Cornette of West Texas State, Dr. Floyd Golden of ENMC, Dr. W. J. Marshall of Wayland College, and Dr. A. M. Myer of Amarillo College have all accepted invitations to be present.

They will be followed by Hereford Boy Scout troops. After them will come Boys Ranch directors and the visitors from Boys Ranch; followed by the Hereford High School Band, Cub Scouts and Camp Fire Girls.

Next in line will be the Gloria Mounted Patrol, followed by the 4-H Club boys and their calves. Next will be the Will Rogers Range Riders of Amarillo. A JayCee float is slated (Continued on Page 12)

## Two More Drunk Drivers Fined In County Court

Two more drunk drivers were tried and convicted in County Court this week, bringing the year's total to eight in this county.

Doc Broedlove and J. P. Bradford, both of Hereford, each plead guilty in County Court to charges of driving while intoxicated.

Broedlove was fined \$125 and costs. Bradford was fined \$100 and costs.

T. W. Smith, charged with transporting whiskey and intoxicating liquor, was fined \$175. Riley Hillery, charged on the same counts, has not been tried.

Porter Lawrence Glibbreth Jr., is charged with forging a check and has not yet been tried.

## Quarterhorse Races Slated on Sunday

Eight matched Quarterhorse races are slated Sunday at Veterans Park in Hereford.

The races are sponsored by the Hereford VFW and American Legion chapters, and are run at the track on the Veterans Memorial Park grounds.

First race is scheduled to start at 2 p. m.

**Sewing Club Entertained**

Mrs. Barney Bock was hostess for the Jolly Workers Club. They spent an afternoon, needlework and sewing were enjoyed. Those present were Mesdames Roy Boyd, Travis Caraway, M. H.

Wiseman, Wes Brady, Ben Medley, Ray Sull, Chas. Calloway, and the hostess. The club will meet on February 26 with Mrs. Roy Boyd.

Mrs. Edna Lee Collier and son, "Bert" were Amarillo visitors Saturday.

**Rainbow Girls Hold Meeting**

Hereford Assembly of the Order of Rainbow for Girls met at the Masonic Hall Monday night. Jo Anne Jett, newly elected worthy advisor, was in charge of the meeting and initiation rites were conducted for Kathryn Kester.

Mrs. Berry Jacobsen presented three white leather Rainbow Bibles to the assembly to be used by stations Faith, Hope and Charity. Apne Morgan was presented with a gift in appreciation of her local church work. She fills the station of religion and the presentation was made by Martisha Ramey, girl of service. The retiring drill was presented by officers to conclude the meeting.

**South Hereford H. D. Club Has Meeting**

South Hereford Home Demonstration Club met with Mrs. John Draper Tuesday afternoon with Mrs. Tom Draper, CHDA, conducting the demonstration on cleaning and oiling a sewing machine.

A called meeting of the club will be held on February 24, for the purpose of working on the club's tufted bedspread. Members of the club present were Mesdames: Eger Winkler, Ronald Matthews, Charlene Hollabough, W. D. Jones, Julia Howell, Noah Shockley, J. P. Slaton, Tom Draper, Noel Worley, W. H. Goetsch, Adam Flowers, Herman Fletcher, Miss Evelyn Bell and the hostess.

**Coffee Honors Mrs. Avon Vick**

Cleaners Class of the First Baptist Church hosted a Valentine affair in the Church Fellowship Hall Saturday morning naming Mrs. Avon Vick, who has resigned as the church secretary, as honor guest. Mrs. Vick who is moving to Amarillo, was a member of the class.

Graduating red candles rising from Valentine bouquets formed the centerpiece for the coffee table. Mrs. Malcolm Cassels, president of the class, presided at the coffee service. Mrs. W. A. Medlin, class teacher, presented Mrs. Vick with a Valentine box of gifts in appreciation of her work with the class and in the church.

Those signing the register were Mesdames: A. O. Thompson, R. H. Cagle, Claude Weatherbee, W. S. Rice, George Robertson, Alton Lookingbill, E. W. Young, Tony Edens, Thomas Howard, Barney Bockock, A. L. Simmons, Glenn Witherspoon, J. R. Allison, E. J. Kirby, D. C. Walser, W. A. Medlin, Charles Dones, Malcolm Cassels and the honoree.

**Plant Employees Are Entertained**

Employees at the Deaf Smith County Meat Packing Plant were entertained at a buffet supper-party in the home of Mr. and Mrs. Homer Brumley Friday night. Cohosts were Mr. and Mrs. B. E. Brumley, Mr. and Mrs. Stanford Knox and Mr. and Mrs. Marvin Knox.

The buffet supper, arranged around a Valentine theme, was served at tables for four where forty-two games were enjoyed later in the evening. Mrs. E. Bridges won the high score award and Mrs. Floyd E. Lowe won the consolation prize. Films were also shown.

Attending were Messrs. and Mesdames: E. D. Hopson, A. L. Hopson, and daughter, E. O. Hopson, Floyd E. Lowe and son, Jim Thornton, Bill Griswold, J. B. Williams, H. V. Williamson, E. Bridges and children, Elmer Carlson and sons, and the

hosts. Calvin Brumley, son of Mr. and Mrs. B. E. Brumley, of Amarillo was also a guest.

### Miss Gertrude London and Ted Myers Marry Saturday in Church Ceremony

The First Christian Church was the scene of nuptial rites performed Saturday at 6 p. m. to unite Miss Gertrude London, daughter of Mr. and Mrs. Walter H. London, and Ted Myers of Amarillo, son of Mr. and Mrs. C. S. Barnett of Clarendon. Relatives and friends of the couple were assembled to witness the double ceremony which was performed by Rev. Roy W. Ford, pastor.

Flowers and fern were used to bank the nuptial space in which floral arrangements were large arrangements of white gladiolus in baskets. White tapers burned in arched canopies to provide a soft illumination in the church. Candelighters were Ruth London and Charlene Barnett of Clarendon.

Music for the wedding was furnished by Miss Thelma Melton on the solo, who played the traditional processional and recessional selections as well as "Ah Sweet Mystery of Life" (Victor Herbert) and "Indian Love Call" (Prinz).

The wedding was followed by a reception at the home of the bride's uncle and aunt, Mr. and Mrs. A. B. London, for over 30 guests. The three tiered wedding cake encircled with tiny white carnation bouquets, was placed at one end of the bride's table where Mrs. Walter London Jr. presided, and Lillye London presided at the silver tea service at the other end of the table. Ruth London looked after the register.

When the couple departed for a short wedding trip to Carlsbad and other New Mexico points, the bride completed her ensemble with a powder blue spring coat and white hat. She wore the orchid from the wedding bouquet pinned to her shoulder.

Out-of-town guests for the wedding were Bill Holmes, Ruth Bowsher, Arrie Smith, Mildred Bowsher, Virginia Bowsher, Mr. and Mrs. Kenneth Reed, Ed Reed, Mrs. M. E. Reed, Mr. and Mrs. Kenneth Taylor, all of Amarillo, Mrs. B. B. Easter and Mrs. Frank Easter of Dimmitt, Mr. and Mrs. Charles Raines and daughter, Mr. and Mrs. Jap Shaw and daughter, Mr. and Mrs. Herman Kirkpatrick and Mrs. C. L. Johnson, all of Hedley.

The bride's twin sister, Miss Lillye London, attended her as maid of honor. She wore a blue woolen suit dress made similar to that worn by the bride, with matching net half-skirt and she carried a nosegay of pink and white carnations. Adell Myers of Hedley served his brother as best man. Ushers were Kenneth Reed of Amarillo and Paul Dishman. Mr. London gave his daughter in marriage. She wore a two-piece woolen dress of winter white patterned with small Dutch collar fastened with tiny self-covered buttons and swirling ballerina skirt. Her half-hat of white net gave a halo effect and she carried a white leather Bibbe topped with a single white orchid. Her accessories were in cocoa brown.

Mrs. Kenneth Reed, Ed Reed, Mrs. M. E. Reed, Mr. and Mrs. Kenneth Taylor, all of Amarillo, Mrs. B. B. Easter and Mrs. Frank Easter of Dimmitt, Mr. and Mrs. Charles Raines and daughter, Mr. and Mrs. Jap Shaw and daughter, Mr. and Mrs. Herman Kirkpatrick and Mrs. C. L. Johnson, all of Hedley. Mrs. Myers is a graduate of Hereford High School and attended Draughons Business College in Lubbock. For the past two years she has been employed with the Veteran's Administration in Amarillo. Mr. Myers graduated from Hedley High School and served two years with the Navy in the South Pacific. He is employed at the McDonald Supply Company in Amarillo and upon their return from the wedding trip the couple will make their home at 704 Georgia St. in Amarillo.

Anthony's Catholic Church, was the speaker for the evening. He spoke on "Peace" commenting at length upon the influence of the churches in checking the spread of communism. Special guests at the meeting were the district director, Mrs. Margaret Fletcher and Mrs. Elmore Tesson, both of Amarillo. Other invited guests were Winnie Hardin, Bea Hagar, and Ella Mae Martin.

Members attending were: Bessie Lee West, Ursalee Jacobsen, Corinne Jennings, Velma Hodges, Bessie Smith, Gwendolyn Springer, Florence Lloyd, Marie Denton, Ellen Carter, Adeline Koelzer, Lillye Poff, Marcie Koelzer, Cecil Williams, Delia Stagner, Mary Dyer, Jean Williams, Frances Young, Phyllis Radovich, and Dyalthisa Brady. A short business session was held after the program.

G. W. Brumley left Sunday for Houston where he will look after business interests.

### Cathedral Is Setting For Viola Gabel-Lester Wagner Double-ring Ceremony

In a double-ring service in Sacred Heart Cathedral in Amarillo Monday morning, February 9, Miss Viola Gabel, daughter of Mr. and Mrs. Leo Gabel, became the bride of Lester Wagner of Hereford, son of Mr. and Mrs. Roy Wagner of Amarillo, with Monsignor John A. Steinlage reading the service.

Accompanied by Mrs. Donald Honey, organist, the Cathedral choir sang "On This Day" "Ave Maria" "O Lord I am not Worthy" and the Nuptial High Mass by Rice. Mrs. Honey played the processional and recessional marches by Crossin. White gladioli decked the altars

before which the couple stood for the exchange of vows. Miss Dorothy Gabel, of Kansas City, Mo., was her sisters honor attendant. She wore a gown of pink marquisette over satin with picture hat of pink straw, and carried pink carnations tied with blue ribbon streamers. Keith Wagner was his brothers best man and ushers were Bill Black and Joe Kos. The bride, given in marriage by her father, wore a traditional wedding gown of white slipper satin, designed with fitted bodice, deep lace yoke edged with pearl orange blossoms and long sleeves that

### Tri-Hi-Y Group Seeks Piano for School Club Room

Hereford High School's Tri-Hi-Y club needs a piano. At a meeting Tuesday night, the club made plans to furnish a room in the high school building for their meetings, according to Miss Sadye Rigler, sponsor. The main thing lacking, Miss Rigler reports, is a piano. The club is interested in securing one, either by loan or rent. Miss Rigler or any member of the club will be ready to talk business with anyone having a good piano which is not in use. Fatsy Slagle was in charge of the program Tuesday night. Jane Welch played a piano prelude, "Sweet Hour of Prayer", and Elaine Thompson gave the scripture lesson. Bobbie Jane Sisk led the group in prayer. Supt. George Graham spoke to the girls on "Intelligence." His talk concerned prejudice, opinion, cooperation, and open mindedness.

Natives of North Carolina are known as tarheels. Rosa Bonheur painted the Horse Fair.

came to a point at the hands. The three-tiered veil of illusion was held in place by a taura of lace and orange blossoms and fell over the long skirt which extended into a cathedral train. She carried a sheaf of white gladioli tied with white satin streamers.

Mrs. Gabel, mother of the bride, wore a gray gaberdine suit with matching accessories and Mrs. Wagner wore black crepe with matching accessories. Both wore pink carnation corsages.

Following the ceremony the bridal party was entertained at a breakfast in the home of the bridegroom's parents and a dinner followed by a reception, honored the couple in the home of the bride's parents.

After the reception the couple left on a wedding trip with the bride wearing a gray gaberdine suit for traveling.

Mrs. Wagner was graduated from St. Mary's Academy in Amarillo and has been employed with the Civil Service Department in Washington, D. C.

Mr. Wagner, a veteran of World War II, having served in the African Campaign, is employed at the Hereford Paris and Supply Company. They are now making their home at 408 Jewell Street.

### Summerfield Study Club Hears Story Of New Mexico

SUMMERFIELD, Feb. 17—The Summerfield Study Club met at the home of Mrs. Lee Curry on February 16, with Mrs. Guy Walser as hostess.

Mrs. J. B. Noland, president, was in charge of a short business meeting.

Mrs. Ray Johnson reviewed "Day-spring" by Harry Sylvester. Mrs. Johnson told of the Penitentes of New Mexico. The book deals with the finding of Spencer Bain, a scientist in an Eastern College, who went to New Mexico on a scientific mission.

The religion, customs, and habits of the Penitentes were discussed. Mrs. Johnson also told of the hardships which Spencer Bain went through to learn of these customs.

Refreshments were served, carrying out the Valentine motif, to the following club members: Mrs. J. B. Noland, Mrs. O. B. Sumner, Mrs. Ray Johnson, Mrs. B. E. Robertson, Mrs. Lee Curry, Mrs. W. B. Boston, Mrs. Charlie Noland, Mrs. Mack Noland, and Mrs. Guy Walser.

Mrs. Beulah Lee Carter of Amarillo transacted business in Hereford the past weekend.

Fifty six men signed the Declaration of Independence.

### THANK YOU....

The friendship and patronage I have enjoyed during my 10 years in the feed business in Hereford has been truly appreciated.

I have sold the Terrell Feed Store to L. H. Bradly; and I urge my former customers to give him the cooperation and trade he certainly deserves.

Again, I thank each of you.

## Streus' Diary

Feb. 18, 1948

### DEAR DIARY:

Glad I was out of town last Saturday—I understand the Scouts really enforced pedestrian traffic regulations! It is amazing how we violate the very rules and regulations that are made for OUR safety. I some mes wonder about the wise guy who brags about traffic violations he has "gotten away with."

The weather has really slowed down the traffic in Streus' this month—now that the weather has settled, I would advise the ladies to come in and see the many new gift items that Miss Yarbro has so attractively displayed.

Hot off the griddle: Some Fortoria glass—Case pocket knives—scissors—Revere ware—Daisy churns—G. E. light bulbs—6 and 8 ft. Aeromotor windmills and towers.

Coming: Florence ranges—Gerdy chrome bathroom fixtures—steel tapes, 25, 50 and 75 ft.—egg poachers—two-burner oil stoves—aluminum ware, including ring molds, 12 cup percolators, angel cake pans, biscuit pans, etc. and a few other little items.

Going forth next week to seek the newest in gift goods again—to the Dallas Gift Show—will also replenish our stock of popular and classical RCA record albums. Could possibly find a bit of fishing tackle while away—fishing

season, by the way, is not too far off—even Walter did show tackle in the window during the last snow storm.

Went to the Hardware Convention last week—and found out that the hardware store is doomed to extinction on account of the hardware dealer does NOT keep stock clean—display attractively—treat customers courteously—does not bother about his window displays, nor advertise in the local papers—and his competition is growing stronger every day, what with auto stores and co-ops and mail order stores, and high taxes and shortages of merchandise, and price cutting, and on and on. However, conversation with various dealers over the territory disclosed that without exception, each had done the biggest year's business in history.

Hardware men are only human—and must do so much heaving—but they carry on, because almost without exception they render a definite service to the community in which they are located—a service that is not duplicated by any other retail merchant. So—buy hardware from the hardware store.

STREU.

### Colline Brown Is Named Sweetheart At Annual F. H. A. Banquet

Future Homemakers of America girls of Hereford High School held the annual Sweetheart Banquet at the high school Friday night.

The entire room resembled a huge Valentine with large red and white hearts like giant shadows silhouetted around the walls. Forming the background for the presentation of the FHA Sweetheart and the FHA Beau, was an eight foot heart of white fluffed paper edged in red. Written in red across the white surface was the one word "Sweetheart" honoring Colline Brown, chosen by the girls as the club sweetheart. L. T. Hawks, who was the club beau, was chosen earlier in the year.

The program included; Invocation, Supt. George Graham, wel-

come to guests, Bobbie Brownlow, a song "Peg O' My Heart" sung by the FHA sextet consisting of Joy Miller, Bobbie Brownlow, Patsy Wilshire, Patsy Dunlap, Colline Brown, Myrtle Smith, Jerry Patterson, with Miss Theima McMinn accompanying at the piano.

A "Thank You To the Mothers" was given by Bobbie Brownlow and after the "Sweetheart Presentation," Mrs. Don Little, sponsor of the group, was presented with a Valentine gift. Colline Brown sang "Good Night Sweetheart" accompanied by Miss McMinn and in conclusion the entire group sang "Sing Your Way Home." The benediction was given by Don T. Martin.

### Mary Ann Acker New Member Of Calliopian Club

Mary Ann Acker was welcomed as a new member of the Calliopian Club Thursday evening when a meeting was held in the home of Mrs. J. E. Kirby. The program consisted of a book review given by Mrs. J. E. Kirby who chose "The Prince of Foxes" by Samuel Shellabarger.

The book, a historical novel, deals with an Italian prince in the sixteenth century in which the events of his life are interwoven with the wars and feuds that marked Italian history in that century.

Members present were Mesdames; Richard Barnard, E. P. Cain, Clyde Cave, Pete Cowart, Paul Conaway, Wayne Evans, Norman Harris, Mildred Nobles, Raylan Evans, Misses Genevieve Eberle and Mary Ann Acker and the hostess.

### Celebrate 55th Wedding Anniversary

Mr. and Mrs. John Haberer who have moved from Hereford to California, celebrated their 55th wedding anniversary in their recently purchased home at 1208 Eight St., Antioch, California.

Decorations throughout the house and for the refreshment table carried out the Valentine theme. Highlight of the occasion was when the couple cut the two-tiered wedding cake which was inscribed with the wedding date done in icing.

Mr. and Mrs. Haberer were married in Northbend, Nebraska in 1893. They moved to Hereford shortly afterward where they engaged in sheep and cattle ranching and later in wheat farming.

They have four sons; Roy, A. L., J. M., and H. R. all residing in Hereford, having taken over their parents' interests since their retirement. They also have one daughter, Mrs. Howard Oresthouse of Richmond, California. H. R. Haberer was the only son who was able to attend the celebration.

### Zone Meeting Is Held Here

The quarterly meeting of the Alice Ward Zone of the Woman's Society of Christian Service of the Methodist Church was held at the church Tuesday. The zone includes Happy, Dimmitt, Bethel, Tulla, Trinity Chapel and Hereford.

The morning session opened at 10:30 with Mrs. E. W. Harrison conducting the devotional lesson, followed by a violin solo given by Mrs. A. C. Thompson.

Mrs. Ellis Mills, zone leader, pre-

sided over the day's program with the morning session including three talks. Mrs. Homer Ferguson of Happy discussed program building and Mrs. Vern Lust of Bethel gave a talk on supplies. Mrs. Raymond Wilson, Dimmitt, spoke on the duties of the secretary of Christian social relations and local church activity.

Hostesses for the luncheon held at noon were Mesdames; O. L. Click, J. E. Beyer, Frank Terrell, J. B. Jones, A. C. Thompson, C. B. Williams, and J. C. Cummings.

A request vocal number by Mrs. R. P. Conaway opened the afternoon session. During the routine business session members voted to send a money contribution to the Bethlehem Center at Dallas. Mrs. Vern Lust gave a report on the Christmas fund raised for M. D. King, retired minister, who is ill.

Mrs. Coy Price of Tulla gave an inspirational talk on Spiritual Life followed by a talk on Promotion by Mrs. Homer Bumley. She gave highlights of the training course talk sponsored by the W. S. C. S. at Station.

Announcement of the Woman's Society of Christian Service annual conference which will be held in Plainview March 30-31 and April 1, was made. Preceding the annual pledge service, Mrs. Noah Ewton

### Wren-Smith Wedding Is Announced

Announcement has been made here of the marriage of Mrs. Louise Wren, daughter of Mr. and Mrs. Chester Lowery of Hereford, and Clarence E. Smith, son of Mr. and Mrs. W. E. Smith of Black.

The wedding took place in Plainview Sunday in the parlors of the First Baptist Church with the Rev. Hope Owen, pastor, officiating.

Vocal music was furnished for the wedding by Sam Allen, accompanied at the piano by the church pianist. Attendants were Mrs. Falsom and Ernest Lakey, both of Plainview.

The bride was dressed in a navy blue crepe frock with black accessories and she wore a shoulder bouquet of gardenias.

Mr. Smith is a ministerial student at Wayland College and the couple plan to live in Plainview.

## Do a Good Turn By Learning to Make Right Turn

(Fourth of a Series)

If you want to do a good turn for yourself and your fellow motorists, learn the proper way to make a right turn while driving your car. The law on making a right turn was explained today by W. J. Elliott, Chief of the Texas Highway Patrol, in cooperation with a nationwide "Learn and Obey Traffic Laws" program during February.

This program seeks to reduce the huge motor vehicle accident toll by familiarizing the public with traffic laws and the necessity for obeying them.

"A right turn is one of the simplest of maneuvers in an automobile, yet turning errors are reported in about 5 percent of all accidents," Chief Elliott said.

He emphasized these points:

1. Keep as close as possible to the right edge of the roadway both before and after turning. Don't swing out.
2. Don't forget to make the hand signal well in advance of the turn.
3. Anticipate the turn far enough in advance so that you can be in the proper lane. This means keeping your mind on your driving.
4. Keep close to the right after turning to cause a minimum of interference with the traffic flow you are entering.

## Deaf Smith Riders Make Plans for Parade Saturday

Deaf Smith Riders met last Thursday night in regular session at the City Hall.

Hugh Clearman, vice president, was in charge of the meeting.

An invitation from the Hereford Rotary Club for the riders to take part in the 4-H Club Parade here next Saturday was accepted, and plans and arrangements were discussed for that event.

All club members are urged to be ready to ride at about 1 o'clock on Saturday afternoon. The Riders will assemble on North Main Street near Lake Park. All riders are to be in uniform.

Seventeen members were present at the meeting Thursday night, and the club welcomed three new members. They are Mr. and Mrs. Ky Lawrence and Dave Alexander.

Club colors have been changed from maroon and white to blue and white. Uniforms for the parade Saturday, however, will still be the brown shirts, white ties, and tan trousers.

New uniforms will be purchased as soon as they can be obtained.

**"Religion" Is Subject For L. A. E. Club**

A program on "Religion" one of two programs required by the Texas Federation of Women's Clubs, was featured when L. A. E. Club met Tuesday afternoon with Mrs. Dean Robertson.  
Roll call was answered with favorite Bible verses and topics were discussed by Mrs. Lake Dishman and Mrs. George Suggs.  
Mrs. Dishman discussed modern missions dealing mainly with the mission in the Belgian Congo and with work done there.  
Mrs. Suggs discussed the question "Should Women Become Ministers" giving reasons advanced by authoritative writers on both sides of the question.  
Mrs. Hugh Bookout told of her recent trip to New Orleans when she attended the Mardi Gras.  
Members present were Mesdames: Hugh Bookout, Lake Dishman, Al-tus Higgins, Bill Jones, Luther Les-ly, T. W. Roberson, George Suggs, Robert Veigel, Robert Waggoner, Bob Higgins, and the hostess.

**Miss London Is Complimented At Shower Tea**

Miss Gertrude London, whose marriage to Ted Myers of Amarillo took place Saturday, was complimented at a shower-tea in the home of Mrs. Ellis Coombes Friday evening. Mesdames Corinne Jennings, P. L. Dishman, O. H. Dyar, A. Petersen, R. G. Blue, Earl Phillips and Doyle Rose were co-hostesses with Mrs. Coombes.  
Mrs. Walter London, mother of the bride, Mrs. C. S. Barnett of Clarendon, mother of the bridegroom, Miss Lilye London, twin-sister of the bride and the honoree received the guests with Mrs. Coombes. Mrs. Earl Phillips presided at the tea table.  
An arrangement of white stock in a crystal bowl tied with blue satin ribbon centered the table which was laid with lace and appointed in crystal and silver. Blue tapers burned in crystal holders and contrasting blossoms were used throughout the entertaining rooms.  
Entertainment during the evening was provided by Mary Ruth Russell and Adeline Koelzer who gave readings and vocal music.  
Guests attending included Mesdames: Norman Whisenand, Bob Wilson, A. J. Schroeter, Urlin Streu, A. O. Thompson, H. M. Thomas, B. F. Cain, Henry Benson, R. W. Wood, J. J. Clark, George L. Muse, J. C. Ricketts, Herman Ford, W. E. Da-

**Furnishings For Home Are Discussed**

Talks on Furnishings For the Home were heard by members of La Plata Club Tuesday night at a meeting held with Mrs. Pete Cowart.  
Mrs. Bill Wolfe told how to look for quality in basic construction in buying furniture and advised a careful study of new trends in order to be able to distinguish between the modern and modernistic. "Modern furniture is sound in construction and design but modernistic furniture will soon be out dated" she said.  
Mrs. Harry Cayler spoke on draperies and rugs and described new fabrics which will prove safer, more beautiful and more practical decorations for the home.  
Members attending the meeting were Mesdames: Clarence Hamilton, Clell Best, Bill Blood, Homer Brun-ley, Dalton Criswell, Willis Edelman, J. R. Johnson, Palmer Norton, Elmer Patterson, A. J. Schroeter, Morris Thompson, Liston Wilson, Bill Wolfe, Harry Cayler, Miss Genevieve Eberle and the hostess.  
Russia sold Alaska to the U. S. for \$7,200,000.

**Be Quick To Treat Bronchitis**

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble. Creomulsion blends best with wood creosote by special process with other time tested medicines for coughs. It contains no narcotics.  
No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly lays the cough, permits rest and sleep, or you are to have your money back. (Adv.)

# HEREFORD Bull

By JIMMIE GILBERTINE

Dear Jimmie,  
I was glad to see the "Hereford Bull" column return to the Brand recently. I think that a good editorial column not only gives life to a paper but is a valuable medium for molding public opinion—when it is used judiciously.

Because several people who did not attend the P. T. A. meeting last week have been upset and confused because of your discussion of that meeting, I think a few simple statements should be made to clarify the situation.

The local Parent-Teacher Association, represented by its official board, decided early in the year that the need for school buildings is the school's most pressing need. Naturally we could not attempt to raise money for such a project, so we decided that as an organization, our logical course was to put our strength behind a building program when the school board saw fit to formulate and announce its plans.

Monday night's meeting was planned to be the first step in carrying out that program. It was planned as a program to acquaint school patrons and interested citizens with plans being made by the board so that those who saw fit might be able to give intelligent support to the program. The meeting was called by the Executive and Program Committees of the P. T. A. As a Regular Meeting of That Organization. The school board was invited to have charge of the program.

This action was entirely in keeping with the aims of the P. T. A. as a national and local organization. Its aims were for public enlightenment and to promote child welfare through improvement of the local school situation. Any implication of politics connected with the meeting must have been in reference to the forthcoming school board election, which had not even been set, so far as those in charge of P. T. A. work knew at least, when the February meeting was planned.

A number of people who attended the meeting had voluntarily called me to say that they enjoyed the meeting and thought that it was one of the best of its kind they had attended, even before the Brand reached the streets. Naturally, I have heard many comments since that time. The consensus of opinion as expressed to me, is that the members of the board and the superintendent gave a clear picture of the local school situation and its needs and of plans they are considering for building. Very few expressed disappointment at the lack of public discussion, and more than one said that nothing could have been gained by public wrangling.

Any misinterpretation of the purpose of the meeting is regrettable, since it is the purpose of the P. T. A. to promote cooperation between officials and the public.

I personally believe that you were influenced in writing your column by a few people who were disgruntled because they were asked to express their opinions at a private board meeting rather than before several hundred people, whom such a discussion may have confused.

I believe that our school board, acting as the ELECTED representatives of a Democratic Citizenry, are studying building needs carefully. They may not be able to get as much as they would like in building for the money spent; but they will spend our tax money because it must be spent to take care of our children. They will spend it only if or when those of us who are interested enough to go to the polls have authorized them to do so by voting bonds for buildings.

Before any one should cast a negative vote on an issue so vital to the future welfare of his community and his nation, he should carefully add up what he spends for luxuries and pleasure and compare those figures with what he spends for taxes. The question is not "Can we afford to build now?" but "Can we afford NOT to build now?"

Thanks to Mrs. Patterson. We sincerely appreciate letters of this type. We believe that they lead to better understanding and to better government.

Lots and Lots of people have criticized last week's column severely—and from many angles.

T. A. Singer of Dimmitt just dropped in with Jack Trimble, who has recently been elected secretary of the Dimmitt Chamber of Commerce. Mr. Trimble comes to Dimmitt from Greenville, Texas, and is a brother of Dr. Trimble, who until recently was associated with the Memorial Hospital at Dimmitt.

A prediction: The 4-H Calf Show, here next Saturday will be one of the best and biggest in the entire Panhandle this year. Lloyd Otten reported the other day that the 1947 4-H show in Hereford brought the highest sales average of any 4-H show in the United States. He says this is an absolute fact.

The annual 4-H show is a mighty big job and no matter what they may do in years to come, the Hereford Rotary Club will never accomplish more than they have in the sponsorship of the 4-H show. Hats off to the Rotary Club.

"I wholly disapprove of what you say but will defend to the death your right to say it."—VOLTAIRE

Last week this column discussed the right of citizens and tax payers to open discussion in public meetings. Needless to say, we have encountered serious protests from numerous individuals. Some people feel that the school board has been "stabbed in the back." We have been accused of using yellow journalism, and of even trying to block construction of a new school building. Some of these things really hurt, because they come from people we admire and appreciate—but we are truly glad that we live in a country where the people could say these things, although we do not always agree with them.

Likewise, we are glad to publish the following letter from Mrs. E-

## American Music Theme Of Program

American Music was the theme of the program at a meeting of the Music Study Club held in the home of Mrs. J. R. Allison Monday afternoon.

Mrs. A. O. Thompson, leader, gave an introductory talk on American music. She said in part, "American music has come a long way since the early settlers made musical history in the sixteenth century. Not until the Eighteenth Century did musical instruments appear and it was the development of Indian music and Negro Spirituals that marked the real beginning of American composition." Mrs. Thompson paid a high tribute to Mrs. G. A. P. Parker who was the first graduate music teacher in Hereford, the first president of the music study club and who has been a leader in musical circles for years. "Through her influence Hereford was given the best from the beginning and she is largely responsible for the growth and development of the best in music in Hereford today," the leader said.

A musical program carrying out the theme included: "Old Time Favorites" (Arranged by Pike) sung by Mesdames: J. E. Beyer, C. C. Ferguson, Jeff Gilbreath, J. B. Jones, C. C. Acker, T. W. Roberson, A. O. Thompson, W. E. Dameron and Earl Phillips with accompaniment by Mrs. C. H. Dyer. "By the Waters of Missions" (Laurance) sung by Mrs. Carl Mountz with violin obligato given by Mrs. Norman Harris. "Deep River" A Negro spiritual arranged by Sawyer, presented in a violin duet by Mrs. A. C. Thompson and Mrs. Norman Harris.

"On a Hill" (H. H. A. Beach) vocal was presented by Mrs. Earl Phillips with Mrs. C. H. Dyer accompanying and Mrs. Ellis Coombes accompanied at the piano as the club chorus sang "Come Where My Love Lies Dreaming" (Poster).

Two postponed numbers were given. They included "Acrasia" a violin solo given by Mrs. A. C. Thompson with piano accompaniment by Mrs. J. C. McCracken, and a vocal selection "Seven Old Women Sit For Tea" (Levy) sung by Mrs. Carl Mountz with Mrs. McCracken accompanying.

An invitation from the Philharmonic Club of Amarillo to the club group, to attend a Texas Day program on March 1, was read and it was decided to combine the next two scheduled programs of the club at a meetin to be held on March 15.

Members attending were—Mesdames: G. C. Acker, J. E. Beyer, E. F. Cain, W. T. Carmichael, R. P. Cozaway, Ellis Coombes, W. E. Dameron, C. H. Dyer, C. C. Ferguson, H. K. Fox, Jeff Gilbreath, Norman Harris, J. B. Jones, J. C. McCracken, Carl Mountz, Earl Phillips, T. W. Roberson, A. J. Schroeter, Glenn Snyder, W. J. Stanford, A. C. Thompson, A. O. Thompson, G. A. F. Parker, Miss Mattie Mae Swisher and the hostess.

**Youngsters Have Valentine Party**

A group of youngsters were entertained at a Valentine party Friday night when Mrs. Clinton Jackson complimented her daughter Patsy. Valentine games were played and refreshments served from a table

centered with Valentine-red carnations in a heart container. Those attending the party were: Eleanor Aven, Patricia Childers, Earline Plank, Sue Barnard, Nan Longbottom, Lu Durham, Dorothy Veigel, Doris Russell, Gayle Gault, Wynogene Sowell, Donna Caylor, Patsy Jackson, Joe Bill Willis, Duane Wallace, Kenneth West, J. Roy Crutchfield, Pat Newell, Norman Douglas, Joe Bartlett, Robert Miller, Terry McRight, Phillip Sharpe and Ronnie Hembree.

**Miami Guest Named Honoree At Party**

Mrs. O. G. Hill Jr., of Miami, who has been visiting relatives in Hereford, was named honoree at a desert-bridge party given by her sister-in-law, Mrs. R. A. Daniel Jr., Friday afternoon.

Cut flowers, refreshments and appointments for the games carried out the Valentine theme. Mrs. O. G. Hill Jr., played high for the score award and Mrs. Darrell Blanton received the consolation award. Making up the two tables of play-ers were: Mesdames W. L. Davis Jr., Douglas, Grooms, Charles Hill, Earl Stogner, Darrell Blanton, Richard Winget, the honoree and the hostess.

**Miss Frances Young Is Birthday Honoree**

Miss Frances Young was honored at a surprise birthday party given by Miss Gwendolyn Springer at her home Saturday night. Tables for the dinner were lighted by red candles and the Valentine theme predominated in decorations. A Valentine gift was presented to the honoree and games of forty-two provided entertainment for the evening.

Those present were: Pauline Loerwald, Velma Harper, Joie Plunk, Ella Mae Martin, Adeline and Marie Koelzer, Marie Denton, Mrs. Troyce Hanna, the honoree and the hostess.

**Class Is Entertained**

The Mary Elizabeth Class of the First Baptist Church was entertained in the home of Mrs. Joe Kendall Thursday. Mrs. Sandford Smith was assistant hostess.

Mrs. F. A. Tucker, vice-president, presided over a discussion of class activities and roll call featured descriptions of "first dates." Mrs. B. L. Eoots, teacher of the class, directed Valentine games. Valentine refreshments were served to Mesdames: F. A. Tucker, R. L. Roots, Edwin Hutcheson, Roy Thompson, Horace Schloss, John Hacker, T. B. Cox, J. L. Davis, Sank Ramey, H. E. Miller, Jeff Robinson, Sandford Smith and the hostess.

### Surplus Barracks To House Vets Ag Classes Here

Two war-surplus barracks have been purchased by the Veterans Administration for use by the Veterans Vocational Agriculture classes in Hereford.

Purchase of the barracks from the Amarillo Army Air Field was announced this week by Charles Crowell, coordinator for the Veterans Ag classes here.

The two buildings will be moved to Veterans Memorial Park grounds as soon as the necessary arrangements can be made, Crowell reports. One of the buildings will be used for a classroom, the other for a shop.

As soon as the buildings can be moved here and set up, the Veterans agriculture classes will be shifted from the high school agriculture department to the park, Crowell has said.

The Veterans Classes have been meeting, by agreement with the board of trustees of the Hereford schools, in the Agriculture Department at the high school since the classes were first organized here last year. Veterans have been permitted to use equipment and facilities of the local schools.

Mrs. C. F. Moore and family visited with her parents, Mr. and Mrs. I. C. Houston of Abertath over the week end.

## Around Town

(Continued from page one)  
arrivals in town from Lubbock. Mrs. Hughes is a bona fide newcomer, but Mr. H. is really an oldtimer who has come back. He is the son of the late J. A. (Jim) Hughes, for many years a resident of the Hereford area, and lived here last in 1922. He is working with the City's engineers Parkhill, Smith and Cooper, on the street paving, disposal plant, and the swimming pool projects, and expects to be here about a year. Mr. and Mrs. Hughes and sons Jimmy (in high school) and Mike and daughter Judy are at-home at 206 Avenue B.

**NEW IN TOWN:** Larry Dennis Sirkel, son of Mr. and Mrs. L. F. Sirkel, arrived in Hereford February 11, weighing in at seven pounds.

**MORE NEW ARRIVALS:** Lillian Sue Harms, daughter of Mr. and Mrs. Robert Harms, arrived on February 11; John Carey Stork, son of Mr. and Mrs. Clifford Stork, February 13; Robert Charles Komesky, son of Mr. and Mrs. M. J. (Mike) Komesky, February 14; Jane Sue Brunley, daughter of Mr. and Mrs. Roger Brunley, February 15; Danny Boswell Linn, son of Mr. and Mrs. Randall B. Linn, February 16; and Vickie Lynn Dameron, daughter of Mr. and Mrs. C. W. Dameron, February 18, all at the Deaf Smith County Hospital. Welcome to our city, boys and girls!

Maybe it was all those Indian names that did it. Anyway, in listing the Camp Fire Girls candidates for queen last week. The Brand slipped up, omitted one entirely and listed another youngster in the wrong group. Hard to tell which is the unhappy. Anyway, Jane Newsom's name was left out... she represents the Happy Blue Bird group... and Joe Eddy Scott, who's one of the Early (Blue) Birds somehow got mixed up with the Happy (Blue) Birds. We hope this makes everybody Happy, including the Early Birds.

Last week in a story on the 1948 Red Cross Membership Drive, The Brand stated that this year's quota (\$6,640) was the highest in history. It's not. Some war-time quotas, all over-subscribed, were over \$10,000. The 1948 quota is higher than the peace-time quotas used to be... as what? For a number of reasons. For some of these, see story on page 1, Section 2, of this issue.

State Highway Patrolman Sam Berry was probably the most embarrassed officer in the Panhandle Saturday afternoon when the Boy Scouts nabbed him for Jay-walking at a red light and hauled him up before the most prominent traffic court in town... right in front of the Post Office. That rosy glow on the Berry face wasn't sunburn, either.

### Water Users Plan Meeting Tomorrow At Plainview

Plains irrigation farmers are trying to decide what to do about water legislation. There will be a meeting of the High Plains Water Users Association at Plainview tomorrow (Friday) at one o'clock. The meeting was called by W. O. Fortenberry of Monroe, president of the association. Purpose of the meeting is to determine the stand to be taken by the association on proposed ground water legislation. In calling the meeting, Fortenberry asked that three officers and directors from each county association attend the meeting.

Harvard University is in Cambridge, Mass.

Members of the Clara Nance Bible Class are pictured above at a party last Saturday at the First Christian Church. (See story on Page 7, Section 2) In the picture, left to right, are Mrs. Henry Wilson, Mrs. J. N. Askren, Mrs. Minnie Walker, Mrs. Ross Spear, Mrs. Thyle Elliston, Mrs. Fiat Jowell, Mrs. George Beam, Mrs. W. M. Megart, Mrs. A. H. Elliston, Mrs. A. Lowther, Mrs. Julia Sewell, Mrs. Jim Hill, Mrs. Doc Lemon, and Mrs. John Roberson. (Photo by Alex Thompson).

### Scouts to Hold Court of Honor Here Tonight

Hereford Boy Scouts will hold their Court of Honor tonight (Thursday) at the District Courtroom. The Court of Honor and Post Luck Supper slated to be held last Thursday night, were both postponed as a result of the blizzard and ban on use of gas. The Post Luck Supper will not be held.

Eighteen to twenty boys are candidates for advancement at the Court of Honor tonight, however, Mayor W. E. Dameron, Court of Honor chairman has announced.

Among them are Kenneth Brock, Paul Schroeder, Terry Kirby and Larry Schlatter, all candidates for advancement to second class rank; Jimmy Hendrick, Pete Davis, Claude Hicks, John C. Hicks, and Bill Phillips, candidates for advancement to Star Scout rank. Phillips, Hendrick, Davis, Claude and John Hicks are also candidates for Merit Badges.

There may be others, Dameron said, whose names have not yet been turned in.

Parents and interested friends of the Scouts are invited to attend the Court, which will be held in the District Courtroom beginning at 7:30 o'clock tonight.

### Over \$1500... (Continued from page 1)

purchase additional prizes. Prizes already collected are conservatively valued at well over \$1500. Bonnie Brumley, Lloyd Otten and B. B. Northcutt have offered their services as auctioneers for the sale Saturday afternoon. Brumley will set the animals in, establishing a floor price for the benefit of bidders, and will assist in the auctioneering.

Northcutt has donated a calf for the barbecue, and Mrs. Jim Hill has donated two lambs. Bread will be donated by the Hereford bakery, and coffee by the Golden Light and Arachis Coffee companies. The barbecue will be for visitors, exhibitors and their families. Earl Phillips, chairman, of the barbecue committee said. Plans are being made to feed 1,000.

Twelve or more calves will be offered to the lucky boys in a calf scramble to follow the auction sale. The scramble will be divided into three sections, and only 4-H club exhibitors will be eligible. Already donating calves for the scramble are Joe Reinauer, Phillip Miller, Alton Fraser, Paul Rudd, Conkright, J. E. Allison, T. J. Parsons, B. Barlow, and Jack Brady. Others are expected.

Twenty-five carloads of visitors from Clovis are expected. Large delegations from Amarillo, Canyon, and other neighboring towns will also be here for the show. Main Street will be roped off from the Methodist Church to the highway. JayCees are cooperating with the Rotary Club in decorating the town for the show.

## Hereford Quint In Quarterfinals Of AAU Tourney

The Hereford Independent advanced to the quarterfinals in the Plains AAU basketball tournament at Amarillo last night, beating the Clarendon Junior College five 63 to 40.

The Hereford quint will meet the YMCA All-Stars in the quarterfinals either Tuesday or Wednesday night of next week at the new Sports Arena at the Fair grounds. Time of the game has not been announced.

In the other half of the lower bracket, the West Texas Freshmen will clash with the Phillips Gassers, and the winners of these two games will meet in the semi-finals Friday night of next week.

The West Texas quint defeated the Dimmitt Black Widows this week.

In the top bracket, Phillips Men's Club meets the West Texas High School quintet, playing under the banner of Joiner Motors; and Graham-home will play the Thalia All-Stars.

Finals in the tournament will be played Saturday night, February 28.

### GUESTS FROM ARIZONA

Virgil Price Hennen III is home for a two weeks vacation with his parents, Mr. and Mrs. V. O. Hennen. Also a guest in the Hennen home is Miss Mary Jean Baldwin of Cleveland, Ohio. Both are students at the University of Arizona at Tucson.

Edgar Allen Poe wrote the Fall of the house of Usher.

## Third Class... (Continued from page 1)

Veterans enrolling for the two-year courses receive the same benefits and cash allowances offered veterans enrolling in colleges and other educational institutions under the provisions of the GI Bill of Rights.

Applications are being accepted now for the new class, Crowell said, urging all veterans interested in enrolling in the course to make application immediately. How soon the new class will open will depend entirely, he said, on the speed with which applications are made.

McGowan, who will be instructor for the new class, is a graduate of West Texas State College of Canyon (class of 1949) and a veteran of World War II. McGowan majored in agriculture at college. He served during the war with the 8th Air Force in England as a First Lieutenant, bombardier officer.

He has been in Hereford since last July, and has been farming near here in partnership with D. Graham.

### Outstanding... (Continued from page 1)

he says, "that young people of this generation are basically clean, basically moral, and basically honest, and more than anything else we need to believe in them and let them know we believe in them."

Dr. Alexander attended Missouri University, and Phillips University; graduated from the University of Tulsa and received an honorary scholarship to the University of Chicago, where he pursued his graduate work. He holds an honorary LL.D. degree.

G. F. Williams of Fairbanks, Alaska is visiting his mother, Mrs. E. J. Williams this week. Another son's wife and two children arrived here also. J. H. Williams Jr., arriving a few days ago to visit in the home of his mother. They are from Chihuahua, Mexico.

## \$100,000,000 BUDGET Red Cross Needs Funds For Big Job

Nearly one hundred million dollars will be required by the American Red Cross during the next fiscal year.

Over one hundred million dollars will have been used by the close of the current fiscal year in June. The projected program of the Red Cross for the 1948-49 fiscal year calls for a budget of \$97,500,000. Deaf Smith county's portion of this fund is only \$6,640.

Raising that \$6,640 through memberships and contributions is the job of the Deaf Smith County Chapter. S. B. McCallen will head the drive to raise this county's quota as fund chairman this year.

It is not the largest budget ever assigned the local chapter... one wartime budget was over \$10,000... but its bigger than the prewar budgets used to be.

There are several reasons. Inflation is one. Goods and services provided by the Red Cross cost more than they used to. Any housewife can confirm that statement.

A big increase in services to the armed forces, and to veterans, is another. Prior to World War II, there were less than 400,000 service men in the United States. Most of them were in continental limits. Now there are more than a million and a half men still in service, and they are scattered all over the world.

Before the war the Red Cross services in behalf of ex-service men of World War I were required by a relatively small number, less than 150,000. Now there are 18,000,000 veterans, most of them with families and a large number of them are receiving assistance from the Red Cross during this period of post-war adjustment.

Another reason for the increased budget is a new program, and a new and vital service, by the American Red Cross. It is the new "National Blood Program."

It is being organized by the Red Cross to make whole blood and plasma ultimately available, without cost, to the nation's entire population through doctors and hospitals.

Use of both whole blood and plasma during the war showed the way to an important new method of saving lives.

The Red Cross estimated that 2,700,000 pints of blood are now needed annually. It doesn't expect to decrease.

## P-80 Hits Ground, Leaves Just a Hole

This is all that's left when a jet-propelled P-80 Shooting Star hits the ground: just a tongue of flame and a hole in the ground where it crashed in a cornfield near Champaign, Ill. Pilot was killed and only two pieces of the plane remained above the surface.

## COMMUNITY BUILDERS: Carl Gilliland, Pioneer Lawyer Out of "The Mouth of the Wolf" By Way Of "Pea-Vine" Railway Route of Westward Trek

Out of "The Mouth of the Wolf" by way of the "Pea-Vine" Railroad, Carl Gilliland came to Hereford and Deaf Smith County.

The date was 1905 and the town of Hereford was very young.

"The Mouth of the Wolf" was the fierce-sounding name of the small Tennessee community where Carl Gilliland was born. The town, Gilliland recalls, was later renamed "Lilly Dale" after his grandmother.

Mr. Gilliland recalls with an amused twinkle which caves the impression that he favors the earlier name.

The "Pea-Vine" was the early West Texan's name for the Peas Valley Railroad.

Carl Gilliland was the third lawyer to hang out his shingle in Hereford. W. H. Russell was Number One, and the late Judge John P. Slaton was close behind him.

Fresh out of Cumberland University Law School (he had breezed through the course in three years and received his degree in 1900) Carl

Gilliland had headed west to have a part in the building of a new country.

Whether this decision was prompted by the lure of the west, or the desire to get away from the Tennessee logging camps, he does not say.

Riding broncs, herding cattle, and getting caught in a stampede was hard and exciting, he observes, how- ever, but no harder than working in a logging camp.

His father, James Folk Gilliland, owned and operated, in partnership with the father of Cordell Hull, three logging camps in Tennessee, and Mr. Gilliland recalls doing the work of a man in the camps at the age of fourteen.

"I've been on log drives with no sleep, wet clothes, and no time to eat," he recalls.

"I was born since the Declaration of Independence," he remarks with a chuckle when queried about his birthdate. Mrs. Gilliland guesses that her husband is "over seventy," but

Carl himself considers his age of little importance.

As a small boy, he recalls witnessing one incident in the famous Kentucky feud between the McCoys and the Hatfields, in which 25 or 30 men were shot and only a few of them lived.

With such a background, he found the "wild and woolly" west little wilder than his native Tennessee.

At the Cumberland University, one of his classmates was Dr. R. Thomson, pastor-emeritus of the First Presbyterian Church of Amarillo.

Mr. Gilliland holds a 50-year Golden Circle Alpha Tau Omega fraternity membership.

Opening his law office in Hereford in 1903, he launched a long and active career at the bar. "There have been few, if any, important suits since I came to Hereford that I have not been in on one side or the other until recently," he observed, adding that "I always liked a

### Senior Class To Be Entertained at Hawaii Banquet

Hereford high school seniors will be entertained at a Hawaiian Banquet tomorrow night (Friday) at the First Baptist Church.

The banquet is an annual affair given to the high school seniors each year by the Baptist Church... but this year's program is to be something a little special. Rev. R. H. Cagle reports.

Eight Hawaiian students, four of them from Wayland College and four from Hardin-Simmons University, will present the program.

Sam Choy, a Korean who was born in the Hawaiian Islands, will be the speaker of the evening. Sam is a student at Wayland College.

Harry Kong, student at Hardin-Simmons, is arranging a program of Hawaiian music, and one of the featured soloists will be his sister, Ellen, also an H-SU student this year. The songs are Chinese, and natives of Hawaii.

Muriel Okamoto from Wayland College will also be featured as a soloist. Edward Arakawa and Mori Hiratani, both Wayland students this year, will also appear on the program; and two or three other Hawaiian students from Hardin-Simmons are slated to be here for the program.

The Hardin-Simmons students will remain in Hereford this week and will appear on the program at the morning services Sunday at the First Baptist Church. Rev. Cagle said.

Harry Kong assisted Rev. Cagle as song leader in revival meetings in Honolulu last year, and is described by the local minister as "one of the best song leaders I've ever known."

ROGER BRUMBLEY HAS NEW DAUGHTER February is an important month for Mr. and Mrs. Roger Brumley, especially February 15, which is their wedding anniversary date and the date of the arrival of a new daughter. Little Jans Sue Brumley, weighing 8½ pounds, was born Sunday morning, February 15, at the Deaf Smith County Hospital. On Monday, February 16, her older daughter, Sondra, was five years old.

### Betty Jane Robinson to Get Degree In Nursing at Galveston Tomorrow

When graduation exercises were held Friday, February 13, at the University of Texas Medical School in Galveston, Betty Jane Robinson was one of the thirty one students to receive a degree in nursing.

The commencement program was held on Galveston's new million dollar pier with Governor Beauford Jester making the address.

Miss Robinson is the daughter of Mr. and Mrs. J. Wallace Robinson, 206 East Ninth Street. She was a member of the 1945 graduating class of Hereford High School and enrolled at the medical school in Galveston as a cadet nurse in July 1945.

During her three years of training she has been active in the student council and was treasurer of her class during her junior year. She established an attendance record by reporting for duty every working day.

After July 5, when final training will be completed, Miss Robinson will return to Hereford for a short

stay here before taking up further work.

### Soder Warns of Premiums Paid For Quality

Although last week's blitzard cut sharply into attendance, the Wheat Improvement School conducted by Keats Soder, director of the Texas-Oklahoma Wheat Improvement Program, was held as scheduled at the City Hall in Hereford last Thursday.

Twelve men turned out for the short course, including two from Umbarger, one from Friona, and all twelve were "graduated" and will be presented Certificates of Merit as "primary selectors" of wheat varieties, Soder said.

In a few hours they all learned enough about kernel characteristics to distinguish between "good", "fair" and "poor" milling and baking varieties of wheat, Soder declared.

"Market premiums for good quality wheat varieties that have been paid at major markets, such as Fort Worth, Amarillo, Kansas City and Omaha, all fall are now being passed on to local elevators," Soder said.

"The day of one-price wheat," he told the group Thursday, "is already over at the terminals and rapidly ending at county points. Local managers who thought it impossible to keep "good" and "poor" wheats separate a year ago are now looking for a way to get the most money for their wheat."

Soder said that premiums for best quality milling wheat are now running as high as thirty cents a bushel at some points.

Interest in the wheat identification course last week was high among local grain dealers, who have already warned farmers in this area that separate binning may be necessary this summer for poor quality wheat varieties.

Heading the staff of inspectors here for the school was Fred Dines, head of the Agricultural Department of Tex-O-Kan Flour Mills of Amarillo. Dines, who is the national leader in the field, spent two hours Thursday morning outlining the subject of wheat variety identification for those present.

Other instructors here were Kenneth R. Porter of the Texas Agricultural Experiment Station and

John Hay was the U. S. Secretary of State responsible for the "open door policy" in China.

## HOTTEST NEWS WAS ON THE BRAND PRESS! Fire at Brand Office Monday Causes Minor Damage to Press

Hottest news of the week was on the press at The Brand Monday morning.

After half a dozen fire extinguishers had failed to work, the Hereford Fire Department was called in to extinguish a blaze on the big newspaper press.

Damage to the press was minor, but tempers were frayed and faith in modern equipment considerably shaken by the complete failure of six fire extinguishers, and the ineffectual operation of the seventh.

Onias Carroll made a quick run to the scene and put out the blaze with water from the booster tank on the truck.

Five fire extinguishers, strategically located around the Brand shop for just such emergencies, all failed to operate, and two new ones rushed to the scene proved just as ineffectual.

The blaze started when newsprint on the press was ignited by a gas flame used to dry the ink on the printed papers. Damage to the press was minor and repairs were made by the shop force in a couple of hours.

Moral of the story: check your fire extinguishers regularly, at least every 60 days.

John Hay was the U. S. Secretary of State responsible for the "open door policy" in China.

## You Can Clean a Gas Range Like a Dish

Good Housekeepers Keep Gas Ranges Spotless For Efficient Use and Sparkling Appearance

ACCIDENTAL spillovers on today's automatic gas ranges are nothing to get excited about, for their modern finish is as easy to clean as a dish or glass. Aside from spillovers, some grease is bound to splatter over on to the working surface and burners from open pots or frying pans. Don't worry about it because you can keep that gleaming, clean look for years with just a little simple care.

Since the greater part of the range top is porcelain enamel—a glass-like material fused on metal, it merely requires washing with a cloth slightly dampened with warm, soapy water. Rinse and dry. The most important point to remember, however, is that this should never be done when the range is hot. Wait until it cools off. The easiest cleaning habit is to wipe off the top and around the burners after every dish-washing — by which time the range has cooled off.

Milk, fruit juices, vinegar and other acid foods will eventually dull porcelain-finished tops even though they are acid resistant. A dry cloth or fold of paper towel will take care of these emergency wipe-ups.

### Cleaning Top Burners

Automatic gas burners are equipped with burner grids of cast iron with a baked-on coat of enamel which can be washed in warm, soapy water. You can lift out the burner heads and wash them the same way, rinsing and turning upside down for quick drying so that burner ports (where gas flame comes through) will not be clogged with dampness. Aluminum burner heads can be cleaned with steel wool or mild cleanser but on chrome heads use a soft abrasive, not steel wool. If chrome or aluminum burner heads lose their gleam, clean them with a metal polish as you would an aluminum kitchen utensil.

The holes or "ports" where flame comes through can be cleaned with a stiff brush and warm water. Old

One of the two important purposes of the Navy in time of war is to control the waterways for our own use and to deny them to the enemy. So long as there is traffic on the seas, we will need a Navy and it must be the best in the world.

During the war, 7,234 combat types and 1,000 non-combat types of Naval ships were used, a total of 8,234. These do not include 80,000 small boats, minor landing and district craft. Those ships steamed a total of 420,000,000 miles.

### Father-Son Banquet Held

The Father and Son Banquet, inaugurated several years ago as an annual feature of activities in the First Christian Church, but discontinued during the war, was resumed last week with a Valentine affair held at the church Tuesday night.

As has been the custom in the past, the banquet was sponsored by the Woman's Council of the church, with Mrs. Robert Veigel as chairman of arrangements. Places were laid for eighty at tables arranged to carry out the romantic theme of St. Valentine. Lacy affectionate notes served as place cards and sprinkled all over the table were red hearts in varied sizes. Red carnations and dozens of red candles completed the decorations with red heart Valentines as favors for the fathers and red sport-hats as favors for the sons.

The program following the feast, consisted of the invocation given by Herman Ford, welcome to the guests, given by W. E. Dameron, president of the Layman's League, toast to the sons, Ellis Coombes, toast to the fathers, Jerry Ford and a toast to

the grandfathers. Connie Carnahan, Group singing was led by Rev. Roy Ford and a magician, Mr. Hickerson of Amarillo, delighted the fathers as well as the sons with interesting entertainment.

Films, including indoor and outdoor sports and comic features, were shown in conclusion. Other out-of-town guests attending were Ray Moore, Henry Martin, and Mr. Turner, all of Amarillo.

### West Hereford H. D. Club

West Hereford Home Demonstration Club met in the home of Mrs. John Jacobsen Sr., at one o'clock Tuesday, February 10, for a luncheon and program.

After the luncheon Mrs. Neal Young opened the session with a recreational program followed by a roll call of suggestions for healthier roses. Mrs. Carlos Vaughn was named chairman of the cheer committee and council reports were heard.

Mrs. Roy Boyd was leader of the program on "Growing Roses". Mrs. Vern Witherspoon told what to do to grow roses in the home garden. Mrs. Jacobsen told what to do for rose diseases. Mrs. Jimmie Mercer told how and when to plant roses.

### Two Birthdays Are Celebrated

Two birthdays were celebrated at a party given by Mrs. C. H. Dyer and Mrs. W. E. Dameron Friday night, February 6, at the Dyer home. The honorees were Mrs. B. F. Cain and Miss Frances Dameron.

### Bob Quits Bob's; Canyon's Campus Hangout Is Sold

Bob Clark, hamburger-host to nearly two decades of college students at Canyon's West Texas State College, has sold out.  
 Clark last week announced the sale of Bob's Coffee Shop, popular off-campus hang-out for 17 years, to Davis King and son of Bovina. The Kings took over management of Bob's last week, with Carl Hair assisting. They have recently moved to canyon from Bovina, where Mr. King was Santa Fe Agent for 11 years.  
 Bob himself paid his parting respects to his student and tourist customers, announced no plans except "to take a vacation."  
 Clark had opened the little hamburger point at the intersection of Canyon's 4th Avenue and Highway 87 in 1931 in the middle of the depression, and became a familiar sight to thousands of students at West Texas State, who made it a popular campus hang-out in the days when 15 coffee drinkers filled it to capacity, and forced its gradual expansion to the present large building.

### Call to Arms Issued By Texas Department of Public Safety

A call to arms was issued today by W. J. Elliott, chief of the Texas Highway Patrol.  
 The "arms" referred to are the kind you stick through car windows to signal your intentions to other drivers.  
 Hand signals are a means of self preservation when you are driving an automobile, as well as a courtesy to the other fellow, Elliott said.  
 He emphasized hand signals as one of the most important laws designed to make motoring safer, and appealed for better voluntary observance of regulations in cooperation with a nationwide "Learn and Obey Traffic Laws" program during

February.  
 Captain Polk Ivey of the Amarillo District, Texas Highway Patrol, offered these hand safety tips:  
 1. Give signals far enough in advance to allow the other driver to adjust himself . . . at least 100 feet.  
 2. Hand signals do not justify you in making an unexpected or illegal maneuver. For example, to make a left turn, be in the left lane before you reach the corner.  
 3. Get both hands back on the wheel before starting your turn.  
 4. Hand signals are not uniform throughout the country. A safe rule is to be prepared for anything

Aircraft guided missiles need a Navy, in the opinion of Rear Admiral Daniel V. Gallery, Assistant Chief of Naval Operations for Guided Missiles. He was instrumental in arranging the successful test-launching of the V-2 rocket at sea from the deck of the MIDWAY, providing that war to the enemy so that it will not be fought on United States soil.

The offensive function of the Navy, in case of war, is to carry that war to the enemy so that it will not be fought on United States soil.

In theory, atomic power can drive a submarine of World War II type at 30 knots for a year without refueling.

### A MILLION MILES of telephone wire

### PROGRESS REPORT ON TELEPHONE SERVICE

This year we will install a million miles of wire in telephone cables in the Southwest.  
 These cables will connect telephones to switching equipment in the telephone office. Inside the lead cable sheath are hundreds of tiny wires, and it takes one pair of those wires for each telephone line.  
 Most telephone cables are full today. All wires are in use serving as many people as possible. New applications keep coming in almost as fast as we can

install new cables to connect telephones. That's why we need more cables in practically every telephone exchange.

Even a million miles of wire in cables won't be enough. We need to continue asking people to take party-line service —so that one pair of wires may serve as many as four families.

If you're one of those waiting, you may be sure that we're working hard to get and place cables to connect your telephone as soon as we can. We don't like to keep anyone waiting for telephone service.

**Clara Nance Bible Class Entertained**

Tables dotted with red hearts and centered with a large red Valentine from which extended wide red satin ribbon ending in lacy nosegays at each plate, carried out the love theme for members of the Clara Nance Bible Class of the First Christian Church at a luncheon Saturday. Mrs. A. H. Elliston was hostess for the get-together and registered as the oldest member of the class at 82. In the afternoon conversation pieces were birthday books, in which each guest's name and the date of her birthday were written. Those attending the luncheon and party were: Mesdames; George Beams, J. E. Hill, J. H. Wilson, of Amarillo and former member of the class; Minnie Walker, A. Lowther, G. E. Jowell, S. E. Askren, John Robinson, W. N. Lemmon, Nettie Megett, Ross Speer, Julia Sowell, Ira Ricketts and the hostess. Mr. and Mrs. John Robinson and Billy left Friday for Pampa where they spent several days visiting Mrs. Robinson's sisters, Mrs. C. D. Hodges and Mrs. H. C. Van Biebler and family.

**Mother Won't Answer Her Questions**

High school-age girls are young ladies in this modern day and age, and mothers who refuse to answer their intelligent questions and try to look upon high school students as mere children, make a serious mistake according to the new Hollywood production, "Momm and Dadd." In the scene above, June Carver's shown questioning her mother (Lois Austin) on hygiene problems but she receives only "hush-hush" as an answer. The girl experiences a series of heart-breaking troubles because of the lack of proper knowledge. "Momm and Dadd," with Elliot Forbes, America's famous hygiene commentator in person, will open an engagement at the Texas theatre, beginning Friday, February 20.

*Lenten Recipe*

This is perhaps the oldest Lenten recipe known to man. It dates back almost 2,000 years. And it comprises only one sentence: "Behold the Lamb of God which taketh away the sin of the world!"

These are the days when every man, woman, and child of this community is asked to give serious thought to the death of Jesus Christ and its meaning for every human life.

Christ, the only begotten Son of God, died not as a martyr, not as an example, not as the founder of a new religion—but as the Substitute for all mankind. "The Lord hath laid on Him the iniquity of us all." "He died for our sins." Those words form the heart and center of the Lenten message.

Have you found forgiveness of sins and life eternal in the death of Jesus Christ? If not, no Lenten recipe is more important for you than attendance at our church throughout the coming weeks. You are more than welcome.

**Draper Buys Top Shorthorn Bull at Fort Worth Sale**

A new record average for a short-horn sale at the big Fort Worth, Texas Fat Stock Show which just closed was established when 30 head of purebred Shorthorns sold for an average of \$523 with a top of \$1,075 for females and \$1,000 on bulls. Buyers came from Louisiana, Missouri, New Mexico, Oklahoma and Texas.

Tom Draper of 408 W. Fourth St. attended the show and purchased one of the top bulls, a grand son of the famous Supreme Champion of Scotland, Calrose Prince Peter. The bull was a coming two year old, Texas bred and raised. Demand for the "new look" Shorthorn has seen such a boom in the last six years that membership in the national organization has doubled over the previous all-time record.

GET in on the excitement. See a new kind of motor car—only five feet from ground to top, but with more inside head room and roomier seats than in any other mass-produced car built today!

Hudson is the only American-built car you step down into when entering, not up on—yet it maintains road clearance.

Hudson's new, all steel Monobilt body-and-frame\* is the only motor-car construction that completely encircles you, even outside the rear wheels, with a rugged, box-steel foundation frame.

You ride within this frame—cradled between axles—not on top of the frame as in other cars. And as you ride, Hudson's combination of unique construction and comfort features gives you a sensation of snug safety and serene, smooth going unlike anything you've known before!

Treat yourself to the thrill of riding behind Hudson's all-new Super-Six engine—the most powerful six built today—or the better-than-ever Super-Eight. Find out about automatic gear shifting in forward speeds as provided by Hudson's exclusive "Drive-Master" transmission.

Step into the nearest Hudson showroom. You'll see why, across the nation, they're exclaiming, "This time it's Hudson!"

### The Bootleg Philosopher

Dear editor:

The weather for the last few weeks has interfered with my reading, but I have managed to sneak down to my neighbor's mail box enough to keep posted, in a vice-presidential sort of way at least, and in a copy of a paper I picked up yesterday I discovered that according to some financial wizards the back of inflation has been broken and prices is coming down. But all I hope is that they don't come down on my back and break it too. That is, while I realize things is

tough with prices high, how can I tell what prices is gonna get low at the wrong time? That is, while I don't got a particle of objection to the price of groceries coming down, they can come down to the free hand-out stage without no objection from me, with a sack of flour thrown in ever time you buy a can of snuff, but I wouldn't be interested right now in seeing the price of whiteface steers come down. If they're gonna bring the price of everything down, we wouldn't be no better off than we are now. Somebody in Washington has the wrong idea. It ain't the price you get that worryin' people, it's the price you pay. Inflation is terrible and me and Mr. Truman is against it don't make no difference if we don't understand it but I privately was hopin' things would hold up a little while longer, I was calculatin on getting in good financial shape this fall, and then I wouldn't object to havin' things get back to normal, although I don't suppose I ought to be sakin the whole nation's economy to hold up its normal rise and fall on my account as I been expectin to get in better shape ever fall since I can remember, but when fall gets here things come up and one thing and another happens and I let the reins go and decide I'll do it next fall for sure.

On the other hand, my neighbor says there ain't no use gettin excited. Wall Street is just flushin out the little fellows, the price of wheat fell from \$3 a bushel to \$2

and he can remember when 50 cents a bushel was a big price and he ain't throwin his hat in the air just because the price of bread dropped one cent a loaf or three cents a bite or bacon fell from 75 cents a pound to 65 cents as he can't afford none at neither price.

Can't you get Senator O'Daniel or Congressman Worley to introduce a bill immediately for the Unseen Accomplishment of Deflation? Let prices come down on the things I have to buy but let em stay up for a while on the things I have to sell.

Yours Faithfully,  
J. A.

### MARKETS

(USDA)—Major farm products continued sharply lower trends last week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Wheat, corn and barley fell 27 to 33 cents a bushel in the weeks trading, as oats lost a cent and sorghums 35 cents a bushel. Dredweight, for a two-week decline of around 50 to 70 cents on most grains. Lower values brought decreased marketings, and slackness and reflected traders lack of confidence in recent high prices.

Food prices nosedived along with grains for losses of \$10 to \$20 a ton, but hay and rice held firm. Farmer's stock peanuts sold at OCC support prices, and most shelled peanuts went to the government under contract for export.

Cotton prices dropped 99 to 110 per bale for the week in sympathy with other commodity markets. Sales decreased in less active trading.

Voyume of fruit and vegetable shipments from the Lower Rio Grande Valley swelled during the week but tapered off toward the close because of wet fields and unfavorable weather. Cabbage prices sank steadily most of the week to reach a low of 60 to 70 cents per 50 pound sack f.o.b. and \$10 a ton to growers. Spinach dropped sharply too but carrots, beets and broccoli sold steady to higher.

Prices eased a little on fryers and broilers during the week, but other poultry changed little and eggs held firm. Fryers sold from 34 to 37 cents a pound in North Texas, around 37 at New Orleans, and 33 to 34 on Arkansas commercial farms. Current receipt eggs remained around 40 to 45 cents at Dallas and Fort Worth.

More sheep and hogs and fewer cattle went to market in the Southwest the past week. Cattle prices dropped \$1 to \$3 or more per hundred pounds in slow, weak markets. Denver moved great steers at \$24 to \$27.50 as medium and good steers and yearlings ranged from \$19 to \$25 at other southwest terminals. Common and medium cows brought generally from \$15 to \$18, and canners and cutters from \$10 to \$13.

Butcher hogs fell \$1 to \$3 or more for the week at southwest markets, and sows and pigs lost 5 to \$4 or \$5. Late-week top stood at \$21 at San Antonio, \$22 at Fort Worth, \$22.50 at Oklahoma City, \$22.75 at Wichita,

### Put Hogs In Clover, Says Extensioner

COLLEGE STATION, Feb. 18.—Most people think of hogs as livestock that just lie around in mud-holes and get rations of grain; that is a hog's life to some people. But not to the hogs—if they can help it. Hogs must go out on pasture like sheep and cattle.

E. M. Regenbrecht, extension swine husbandman of the Texas A

and \$22.25 at Denver. Sows moved generally at \$16 to \$18, and feeder pigs \$10 to \$15.

Lamb prices closed the week \$1 to \$2 lower, as ewes declined 50 cents to \$1.50, and goats 50 cents to \$1. Most southwest markets took medium to choice slaughter lambs from \$19 to \$22.50, and medium to choice ewes from \$10.50 to \$12.50. San Antonio bought medium goats at \$9.25 to \$9.75, and kids \$3.25 to \$4.50 each. Fine and one-half blood wools continued in strong demand, but little were available.

& M College, says green grazing is the best source of vitamins and of minerals. Farmers are encouraged in every possible way to plant more grazing crops for their hogs, and to utilize these grazing crops in the best possible manner.

Good green grazing is an excellent source of protein for swine, and it reduces the amount of protein supplement required in the ration by 50 per cent. Many hogs in Texas suffer from a deficiency of mineral supplements and vitamins. To remedy this, farmers are encouraged to use supplements that will supply the necessary minerals that are quite often absent in the hog ration. This is also true of the vitamins.

Putting hogs on green pasture automatically improves the vitamin and mineral content of the ration, and cuts down on the amount of the protein supplement that would otherwise have to be fed to the hogs.

"In this air age, the Navy as a combat organization, is as vitally as its aviation, the air arm on which rests the burden of maintaining our seapower," according to the Hon. John Nicholas Brown, Assistant Secretary of the Navy for air.

"The future of the Navy depends," the Secretary of the Navy has said "on a national understanding of sea-

power, and the ability of our Navy to control the seaways; adequate trained personnel competent to perform their duties; ship and aircraft industries capable of rapid expansion and thorough research and development programs."

During 1947, the Naval Air Transport Association flew 496,893,179 passenger miles without a single fatality.

Secretary of the Navy John L. Sullivan recently said that control of the seas, or at least the guarantee of freedom of the seas, is almost as important in time of peace as in time of war.

**IS THERE A TOWN WITHOUT A TOOTHACHE? Radio Critics Give a Bronx Cheer, But Radio Listeners Want to Know More About Hereford**

As a result of Dr. G. W. Heard's recent radio broadcast on the "We The People" program over a national network, "the town without a toothache" is getting another spurge of publicity, with mixed reactions from the far corners of the United States.

Letters are beginning to pour in to the Hereford Chamber of Commerce again, according to Manager Pete Cowart, from toothache sufferers all over the country. They fall into generally two classes: those who want to move to Hereford immediately, and those who want Hereford moved to them through the medium of Deaf Smith county water, vegetables and grain products.

From "Doubting Thomases" on New York newspaper staffs, however, have come a chorus of raspberries.

Dr. Heard has just received a clipping from the New York Daily News magazine, sent by a New Yorker friend, which labels the "We The People" program a "house of nuts" and refers particularly to Dr. G. W. Heard of Hereford, Texas, saying that there absolutely is no "town without a toothache." Paul Dennis of the New York Post, in his column on "Radio and Television," also employed the term "nut house" in referring to the program in general, and added that the people on these radio programs were exceptional and not typical... that they bask for a few minutes in the light of publicity and then return to their familiar ways.

The Doctor, himself, is unperturbed, although he rather resents being called a "nut," and calls the whole affair a joke.

Dr. Heard has some comments of his own about the radio script-writers who insisted on making a joke out of his appearance, but agrees that maybe they knew their business when they insisted that they knew what the public wanted and expected.

From the evidence in the Chamber of Commerce office, however, listeners to the program considered the "town without a toothache" no joke at all, and are heartily in favor of the idea.

Maybe the scripters were right!

Navy research and invention was focused heavily on increased power in the air during 1947. New planes added to the Navy's air arm include the Phantom, the Skytrac, Pirate, Banshee, Panther and Skyrocket. Navy pilots set and reestablished two world speed records. A carrier-based jet fighter squadron was formed. The Navy's progress in the

air also included guided missile study and advances in radar, new parachutes for high-speed bail-outs, new self-sealing gas tanks, and higher octane fuel. Regardless of the development of new weapons, the Navy is still the first line the enemy must hurdle either in the air or on the sea in

approaching our coasts across any ocean. The earliest warning of enemy air attack against our vital center would be given by Naval air, surface and submarine radar pickets deployed in the vast ocean spaces which surround the continent.—Fleet Admiral Nimitz.

**Here's Brand-New Power for your Buick**

Our men do a master job of keeping Buicks right up to Buick high standards. They can get everything out of them that there is to get.

But maybe you'd like the thrill of a brand-new engine in your car.

If so, we're ready to do that job too—ready to put a straight-from-the-factory engine in any Buick built since 1937.

You get an entirely new engine. It has a new carburetor and air cleaner. It has a new distributor with both vacuum and centrifugal spark control. It has new wiring and spark plugs—even a new smooth clutch

that eases every start and makes driving fun.

On top of all that, this engine brings you the latest Buick features you read about—features like precision cylinder boring and Flex-Fit oil rings, Stratoflow cooling and all the rest.

We have these engines for you right now because Buick engine production is running ahead of complete car output.

So, in less time than a good overhaul would take—and frequently at less cost—you can have a car with everything a brand-new Buick engine can give you, and a car worth much more when you're ready to turn it in.

Good deal, isn't it? Worth looking into? Drop around and let us give you all the facts and figures.

### FOR FORTY MILLION CHINESE DOLLARS! War-time Friendship Brings Chinese Couple to Texas Tech This Year

LUBBOCK, Feb. 16—Mr. and Mrs. Ma Tso Seng of Poochow, China, paid more than forty million dollars in fees to enroll in Texas Technological College this semester. That is the figure in Chinese National currency from a licensed dealer. If from the black market it would run to sixty million, maybe seventy million, maybe eighty million, Ma says.

In American money the young Chinese couple paid \$150 tuition, \$15 activity fees and \$12.50 breakage deposits each. In CNO there was \$30,000 in postage for each air mail

sent the Texas Tech registrar to arrange admittance. Then there was more than eighty million dollars for steamship tickets (maybe twice that amount on the black market.) "It is really costing us to go to Texas Tech, isn't it? Our Chinese money isn't worth much, is it?" Ma grins.

Ma, 25, is enrolled in industrial engineering, his wife in the graduate division. He is taking business law and finance, psychology and three industrial engineering courses. Mrs. Ma, 23, is in classes in child development, family relations, Shakespeare, Romantic poets and the masterpieces of world literature. Ma is a mechanical engineer, is a mechanical engineering graduate of the National Sun Yet Sen College at Canton. His wife, daughter of an architect, is a graduate of Wha Nan Missionary school.

Mr. and Mrs. Ma came to Texas Tech as culmination of a dream which started in 1943, a dream which came true because a Lubbock flier Lt. Ernest Winters of Lubbock, former Texas Tech student now enrolled in Baylor Dental school, Dallas, was shot down in Chinese waters and was rescued by fishermen. The underground took him almost 400 miles through the mountains back to American forces. During the last half of the journey his guide and guardian was Ma Tso Seng, a guerrilla. Throughout the week Winters talked long and often of the United States, Lubbock and Texas Tech. He promised to help the Ma's get to Tech.

Back in Lubbock after the war Winters negotiated. Two weeks ago the Chinese couple arrived on the campus. Two days later they were in Dallas visiting their American friend and benefactor, returning this week to Texas Tech for registration.

"This is the most wonderful thing that ever happened to us. I never thought a terrible war would bring such a dream about," Ma said.

### Nine High School Gridders Report To Texas Tech

LUBBOCK, Feb. 16—Nine former high school football stars of Texas have enrolled in Texas Technological College this semester and Coach Dell Morgan and his aides feel they are all likely prospects for the Red Raider teams of the future. The group includes two tackles, three ends, three guards and a back.

Tackle enrollees are Jackie Cockburn, speedy Denison lad, and Norman Dalton of Abilene, released from the army last November after service in Italy.

Ends are Richard Jackson of Phillips, a 200-pounder; Pete Jones of St. Jo, rated as a prize prospect; and Arbie Minsemeyer of Granger, a lengthy lad who was coached by Alvin (Bull) Potrola, Texas Tech tackle letterman of 1933-34.

The three guards provide a lot of weight. Jerrell Price of Brownfield, all-state the past two years, weighs 210 pounds. Rex Pinson of Palfurrias, all valley member three years, has been playing at 225 pounds. James Roberson, member of the Bowie High team which lost only two games in the past three years, is just slightly over 200 pounds.

Roy Jackson of Denison, shifty 170-pounder, is the new back on hand. He ranked among the top ball handlers in Texas prep T-formations last fall.

Douglas McSwane of San Angelo, letterman tackle of 1945, also returned to Tech this semester. He was discharged from the army last summer but suffered an attack of typhoid fever and was unable to be in school last semester.

### Rare Books On Southwest Are Given to Tech

LUBBOCK, Feb. 16—A small but important collection of books and documents on early history of Texas and the Southwest has been placed in a special room of the Texas Technological College library to make it easily available to interested persons, librarian A. E. Gaylor announces.

The material on hand forms the nucleus of a collection which the library expects to expand to a large extent as a service to people seeking information on Southwestern lore, Gaylor said.

Among the rare books are a collection of manuscript maps of Texas compiled by Stephan F. Austin, cop-

ies of the Quivers Society publications of the Southwest, a 19th century "Prospectors' Guide to West Texas," and numerous other books published in limited editions many years ago.

Original records of the Matador, Spur and Double U ranches are included, as well as complete runs of the Bandera Frontier Times, Southwestern Historical Quarterly, West Texas Historical Review and Panhandle Plains Historical Review. Copies of the Texas Almanac from 1857 through 1873 are exhibited.

The library has recently received microfilm reproductions of early Texas newspapers and rare books, donated by Lewis MacNaughton of Dallas. These reproductions are valued at approximately \$1,000.

### Eight Escape With Minor Injuries in Collision Sunday

Two cars were wrecked, and eight persons escaped without serious injury, in a highway crash between Hereford and Dimmitt Sunday morning.

The accident occurred when a 1933 Chevrolet sedan, driven by Gus Ruland of Hereford, crashed into a 1938 Chevrolet pickup driven by Harvey Lindsay of Dimmitt.

The accident occurred at about ten o'clock Sunday morning, 10 miles south of Hereford on Highway 51.

According to Highway patrolmen who investigated the crash, Lindsey had driven his pickup onto the highway from a sideroad, in the path of the Ruland car.

With Lindsay in the pickup were his two boys. The youngsters were thrown from the cab by the impact, but were not seriously injured. Lindsay himself suffered minor injuries. They were taken to Dimmitt by a passing motorist.

In the Ruland car were Mrs. Ruland and three children, Freddy Kenny and Mary Lou. They were treated in Hereford for minor injuries.

Both car and pickup were badly damaged.

The Rulands were enroute to Tulla to visit relatives Sunday when the accident occurred.

## Extension Service Sees Good Market for Cattle in 1948

COLLEGE STATION, Feb. 14.—There will be fewer meat animals and less meat in '48 which is hard on the consumer but money in the pocket for the producer. The situation holds true for Texas as well as the whole nation.

Extension farm management specialists for Texas A. & M. College say there are several favorable factors affecting the livestock market. Cattle prices will be affected by the heavy marketing of cattle and calves in 1947, as it brought breeding cattle numbers down and means a short calf crop in '48 for certain. Fewer calves and strong demand mean good prices for beef. The recent cold wave may cause still more breeding cattle to be marketed because of the high cost of winter feeds.

An early spring and good pasture conditions in the Feed Belt would make a good market for Texas cattle, as many farmers in that area plan to buy younger and medium to good grade cattle for use on their pastures this spring and summer and will feed them only a little corn until the new crop comes on in the fall.

Not only will there be fewer cattle to market this year, but few or lambs. Many ewes in Texas are in poor condition and won't be able to stand continued severe weather without heavy feeding. Winter wheat pastures in Texas as a whole are in relatively poor condition. Last year small grain pastures carried a million lambs, but very few more are in that area in late '47 because of the drought. Many ranchmen have culled their flocks closely.

All in all, it looks like the demand will be good and the prices right for the livestock producer in Texas in 1948.

## Social Security Card Is Key to Your Insurance

"Over 90 million social security cards have been issued to people in the United States," John R. Seaman, Manager of the Amarillo social security office said today.

"Questions arise daily," he continued, "which show that the people having them are not clear about their use. All you should remember:

"1. Your social security card is the key to your insurance policy with Uncle Sam. Hold on to it. You need it whenever you take another job to show to your new employer. You or your family will need it when you file claim for benefits.

"2. Your social security card must be safeguarded. Keep the bottom half in a safe place at home. If you should lose your card, go to the nearest Social Security Administration office and ask for a duplicate, and you will get one with the same name and number that you were issued originally. Some three million cards are issued annually by local offices. The cost of these amounts to a considerable figure. You will be saving taxpayer money by taking good care of the card issued to you.

"3. If you change your name your local office can issue you another card with your new name but bearing the same number as your old card.

"4. Tell your family where you keep your Social Security card and that they should get in touch with the Social Security Administration as soon as possible, in the event of your death. The local office in Amarillo is located at 324 Post Office Building."

Proof of the Navy's effective immunization program against tetanus is seen in the fact that not one combat casualty developed that affliction. And some five million Naval personnel, only two tetanus from these injuries, one man had a record of no immunization and the other's was incomplete.

## Pioneer Citizen Dies Saturday At Amarillo

Mrs. Emma Jane Hough, 93 years old, pioneer resident of the Panhandle and South Plains, died on Saturday morning at the Amarillo Osteopathic Hospital.

Funeral rites were conducted on Sunday afternoon in Hereford at the First Baptist Church. Dr. Roy Johnson, pastor of the First Baptist Church at Canyon, officiated at the services, assisting Rev. E. H. Cagle of Hereford.

Interment was in West Park cemetery under direction of N. S. Griggs and Son of Amarillo.

Mrs. Hough had been a resident of Hereford for 23 years, having come to this city with her husband, the late John W. Hough, in 1900. She had moved to Canyon in 1929.

She was a charter member of the First Baptist Church in Hereford. Mrs. Hough was born on a plantation in Mecklenburg County, North Carolina, the daughter of Mr. and Mrs. Pleas Ferguson. She was married to John Wesley Hough at the Rock Creek (North Carolina) Church on September 15, 1871.

Mr. and Mrs. Hough came to Texas in 1882, settling in Franklin county, where they farmed for six years, until 1888, when they moved to Parker county and Mr. Hough entered real estate contracting and building business.

The Houghs moved to Floydada in 1891, making the trip with six other families in a covered wagon. In 1900, they moved to the new town of Hereford. Mr. Hough died here in 1908.

Mrs. Hough lived in Hereford until 1929, when she moved to Canyon.

## Community

good legal fight, since I came from a long line of fighters.

He has played a leading part in Community and civic affairs in Hereford and Deaf Smith County.

During World War I, he was the Chairman of the Council of Defense which had charge of all war work in the community. It is believed that he with the help of Miss Bonnie Channess, organized the first "Liberty Girls" unit in the United States. The second was organized in Boston, Mass., as the movement spread through the entire country.

When World War II began, he was the first to receive an appointment on the Selective Service Board.

Mrs. Gilliland headed the Red Cross work in the county during both wars. Both are life members of the Red Cross.

The death of their only son, Captain James G. Gilliland, in a plane crash in the Pacific was a hard blow.

It was as a direct result of his son's entry into the armed forces that Carl Gilliland made his first bow in political office, Jim, after graduating from the University of Texas Law School, had followed his father in the legal profession and opened a practice in Hereford. He was elected county attorney in 1938, and re-elected in 1940. After the outbreak of the war, as a reserve officer he was called to active duty, and his father accepted an appointment as County Attorney to fill his son's shoes.

Another big reason for the increase in the budget this year is Disaster relief. Eleven million dollars was spent for this purpose during the past 12 months. Much of it came close to home... at Higgins, Glazier and Woodward, where tornado victims were in need; and at Texas City when disaster struck there.

Before the war, Red Cross met such disaster requirements with special funds raised throughout the country for specific disasters. Now the Red Cross makes only one appeal for funds each year... at the annual Membership Drive... and depends on these funds to take care of all demands during the year. Last year 95,600 persons received Red Cross emergency help and rehabilitation assistance through the Disaster service. Three hundred and twelve disaster operations set a new record. Included were 161 fires, 50 floods, 37 tornados, 18 other storms. The bill for the first ten months of 1947 was over eight million dollars.

Both local and national chapter funds took a severe beating last year. Beginning on March 2, the Deaf Smith County Red Cross Chapter, like thousands of others across the United States, will begin an annual membership drive to replenish those funds.

unexpired term. Although he has made no campaign, he has held the office since that time. Capt. Jim Gilliland was killed in a plane crash in the Gilbert Islands in July, 1945.

One daughter, Margaret, is now Mrs. James W. Witherspoon, and there are two grandchildren, Jerry and Irene Witherspoon.

Many well-known lawyers have studied and worked in Mr. Gilliland's office during his years of practice in Hereford. Among them are Sam Bratton, now Judge of a Federal Court in Kansas, and his own son-in-law, Jimmie Witherspoon of Hereford.

Mr. Gilliland is credited with training and helping more girls to become secretaries and stenographers than any other man in Hereford. He takes pride in the observation that all went on to bigger and better jobs... a guarantee he always made them when they began working for him.

Falling health in the last year has slowed his activities, although until the last two months, he had been an almost daily visitor and a familiar figure at the Courthouse.

velop a program to supply this huge amount overnight, but it's making a start and plans, eventually, to offer blood free to all who need it.

This means an expenditure of \$9,000,000 this year.

Pitman, A. T. Dilly, and Bob Wilson, all of Hereford; G. Cranfill of Friona; and Werner Henschel and Ted Schroeder of Dalbarger.

Hereford Grain Dealers were hosts at a luncheon for the group at noon at the City Hall.

Alton Fraser, who was in charge of local arrangements for the school, said, "we were all amazed at how easy it was to tell good and poor varieties of wheat apart in the kernel."

NOTICE The W. W. Reeves farm sale is postponed until March 2 due to bad weather. Loyd Otten, B. B. Northcutt and Earl Eubanks.

Andrew Johnson is the only American president against whom impeachment charges have been brought.

Nathaniel Green was an American general in the Revolutionary War.

Montpelier is the capital of Vermont.

Woodrow Wilson was the first president to leave the U. S. during his term of office.

Thomas Jefferson's home is called Monticello.
