Star-Telegram Has Thomas For AAA All-State Honors

Edwin Thomas of Hereford has been chosen to the Fort Worth Star-Telegram's All-State football team for AAA teams.

It was another in a series of honors for the modest senior, who was named last year as an All-State player.

His outstanding performance as the Whitefaces upset Phillips last fall was listed as his big night by the paper's sportwriters.

Thomas recently was chosen to the I-AAA All-District squad and is a favored contender to repeat on the All-State list.

The Star-Telegram picked all seniors to its list of the best 11 players in the state. The honorable mention list included four players from District I-AAA. They were tackles Larry Carlisle of Levelland and Bill Malone of Phillips; and backs Gary McMillan of Levelland and Charley Dean of Duinas.

A 5-11, 185-pound guard on offense, Thomas was used as center linebacker on defense. In addition to calling defensive signals, he was also charged with corraling the hardest-running back on each opponent's team.

Although his work was superlative against the Phillips Blackhaws, Thomas was at his best in the Dimmitt game, when he kept the super-star Junior Coffey bottled up all night.

A number of colleges have expressed interest in Thomas, but he isn't talking to any of them yet since he plans to play baseball this spring. Thomas was a starter for the Whitefaces all during his high school career and served as co-captain during the 1960 season.

The son of Mr. and Mrs. Henry Thomas, 322 Avenue J, Edwin is a member of the National Honor Society and has expressed an interest in attending Rice or West Point. He plans to major in science or engineering.

Members of the Star-Telegram AAA All-State team are: Lawrence Elkins, Brownwood, end; Stephen Lee, Cleburne, end; Billy Belew, Sweetwater, tackle; Ronny Moore, Brownwood, tackle; Bubba Segars, La Marque, guard; Edwin Thomas, Hereford, guard; C. C. Willis, Bay City, center; Timmy Doerr, Cleburne, quarterback; Clint Mitchell, Carrollton, halfback; Arthur Davis, Kermit, halfback; and Mike Piper, Kingsville, fullback.

Firemen had trouble with a casual spectators Tuesday afternoon as they tried to get to a fire. This is a recurring problem that plagues volunteer fire departments. One of these days, the department officers are going to get fed up and ask that the city police crack down on offenders, since it is against the law to follow emergency vehicles of any type with less than 150 yards distance.

Employment Sees Mid-Winter Slump

As the year 1960 nears an end, State Employment representative Pat Patterson of Hereford has reported a dismal picture of employment — an unemployment — among transient laborers remaining in this area. "A smaller number of transient workers are staying around Hereford this winter, possibly because of the severe winter we had last year," Patterson said. In addition to lack of employment during the first part of 1960, migrant laborers also faced hardships caused by ice, snow and cold weather.

Patterson estimated that there is "just a handful" of transients remaining in the Hereford area at this time. Only one vegetable shed is processing late carrots at the present time.

"I doubt if we have 200 transients in Hereford now," Patterson said. "And in two weeks, less than 100 will be in this immediate area, I would estimate."

During the peak potato and onion harvest in July this year, approximately 5,000 transients swarmed into the Hereford area. During cotton, maize and carrot harvests in the September and early October, an estimated 4,000 migrant workers were in Hereford.

However, by mid-October, about 1,000 transients claimed Hereford as a temporary residence.

Although there are less transient workers this year, the Latin-American population has increased considerably in the past three years. There are no estimates on numbers of Latin-American workers employed on

\$150, Five Days Given For DWI

A 37-year-old Hereford in a Tuesday morning in Deaf Smith County Court was sentenced to five days in County Jail and fined \$150 plus court costs after pleading guilty to charge of driving while intoxicated, first offense.

Charged was Jimmy White, 37, who resides west of Hereford. The man was arrested at 6:03 p. m. Dec. 21, in the 100 block of Virginia Street by Hereford police.

Presiding in court as County Judge Don Zimmerman.

Fast-acting Hereford volunteer firemen Tuesday afternoon stopped the spread of a fire which erupted at the home of Trinidad Marquin, 228 Ave. C.

For 45 minutes, 20 firemen kept a fire contained to the bathroom of the four-room home before the blaze was extinguished.

Water District Election Jan. 10

Deaf Smith County voters will join voters in 10 other counties on Jan. 10 in electing directors and county committeemen to the High Plains Underground Water Conservation District.

Voting will be conducted all day in Deaf Smith County Courthouse. Voters in this area will elect two county committeemen and a district director of Precinct 4.

T. L. Sparkman Jr. is candidate for re-election to post of district director of Deaf Smith, Potter, Armstrong and Randall counties. He is the only candidate to the two-year position.

Candidates for county committeemen — at large are J. E. McCathern Jr. and R. W. Mitchell, both of Hereford. Residents of Commissioner's Precinct One will elect a county committeeman from a slate of two candidates, Charles Packard and Stanley Slagle, both of Hereford.

Committeemen will be elected to three-year posts. Present holders of the posts are Raymond Higginbotham of Hereford, committeeman-at-large; and Earl Holt of Hereford, county committeeman from Precinct One.

All qualified voters who reside within the bounds of the water district may vote in the election. Poll tax receipt used for voting in the general election must be shown by voters. Present county committeemen include Jack Higgins of Wildorado and Clinton Jackson and L. E. Ballard of Hereford.

A total of five men served on the board of directors of the water district. Besides Sparkman, directors include Elmer Blankenship of Wilson, president, Roy Hickman of Morton, John Gammon of Friona and J. R. Belt Jr. of Lockney. Blankenship shares a ballot with Earl Weaver of Idalou for director of Precinct One and Gammon is the only candidate listed for director of Precinct Three.

Four engines arrived on the scene minutes after the alarm was turned in at 5:45 p. m. Tuesday. Tremendous heat and smoke kept firemen from getting close to the burning room for nearly 20 minutes.

The fire is believed to have originated from the gas heater in the bathroom, located at the center of the wooden frame home, according to Hereford Fire Marshal Clay Angelo.

Damage to all furnishings and the interior of the residence was estimated at \$5,000 by Angelo. Most of the furnishings and appliances were new, Angelo reported.

Mrs. Marquin and three of her children were in the home when the fire was discovered. Three other children were not at home at the time. Mrs. Marquin took her three children to a neighbor's home upon discovering the fire.

Firemen feared that flames would shoot through the roof as a strong, cold wind prevailed throughout the time. However, they were able to keep the fire contained to the central portion of the home by use of high-pressure hoses.

"Had we arrived five minutes later, the house would have been lost," said Fire Chief Dub Reeves. Adjacent houses were situated close to the burning home.

Several times, the firefighters made unsuccessful attempts to crawl through the wall of heat and blinding smoke. When some firemen manned hoses, others ventilated the house until it was possible to enter.

The heat was of such intensity that most of the furniture and appliances were charred, though not touched by flames. Fire burned a hole in the ceiling at the center of the residence, but flames did not reach the roof.

Due to close proximity of houses in the block, neighbors feared that the fire would sweep to their homes if flames seeped through the roof.

One fireman said the fire was a "roaring blast" when the firefighters arrived at the scene. A neighbor of the family.

SMOKE, FIRE AND BITTER COLD were enemies that Hereford Volunteer Firemen battled Tuesday evening. Gerald Wilson, left, and Jap Dickerson were among the 20 firemen who battled the blaze that broke out in the Trinidad Marquin home, 228 Avenue C. Damage totaled about \$5,000. (Staff Photo)

Herd Falls In Final Seconds To Midland Bulldogs, 63-61

A last-ditch effort by the Hereford Whitefaces fell two points short as the Midland Bulldogs won a 63-61 thriller in the second round of the Caprice Holiday Invitational Tournament Tuesday night.

The game was supposed to have been a runaway for the Bulldogs, who are defending their crown won in the first tourney in Lubbock last year. But the Whitefaces had other ideas and almost succeeded.

With 17 seconds left, Thomas Coffman leveled the score with a 20-foot jump shot from the corner. Hotshot Charles Dishman was fouled and sank

two free throws for the Bulldogs with ten seconds left. As the clock ran out, Carl Miller tried a jump shot that hit the rim and skidded out.

Hereford got off to a slow start Tuesday night, as it had the day before in its first round game.

Midland took an early lead in the first period and led by 11-9 at the end of the first quarter. That scant margin was widened during the second quarter as the Bulldogs took advantage of Whiteface mistakes. Midland went to the dressing room at the half with a 31-24 lead.

Hereford came back strong in the third quarter, but could not lead just one point as Midland kept its control of the game.

Dennis Hodges led a fourth-quarter rally as the Herd trailed 46-40. Ronnie Bokin teamed with Hodges in a ball-hawking exhibition that kept the crowd yelling during the final minutes.

Miller canned a field goal with 1:20 left in the game to cut the Bulldogs' lead, then Hodges dumped in a pair of free throws to set the stage for Coffman's game-tying shot.

Hodges was high for the Whitefaces with 17 points, while Miller got 14. Center Knox Nunally led the Bulldogs with 20 points. Charles Dishman added 17 and Royce Wollard 13 for Midland.

Midland's victory put them into the finals Wednesday night against Lamesa, which won over Monterey of Lubbock 49-44.

Hereford now is finished with basketball for a week, although Coach Kitchens may schedule a game for Tuesday night if he can find an opponent. On Jan. 5, 6 and 7 Hereford is slated to enter the basketball tournament at Dimmitt.

Cage Tilts To Pit Civic Clubs, School Faculties

A unique basketball double-header has been scheduled for the Whiteface gym at Hereford High School on Tuesday, Jan. 10.

One game will match two local civic club teams, the Kiwanis Club versus the Lions Club. In the other game will be the high school faculty against the junior high faculty.

Sponsored by the Whiteface Booster Club, all proceeds from the games will be used to help purchase glass backboards for the high school gym. The school board has already agreed to pay up to half of the cost of the new backboards.

The first game will start at 7:30 p. m. Each game will be played under high school rules, except the quarters will be six minutes instead of eight minutes (and some of the players claim that might be too long.)

Reuben Knox, player-coach for the Lions Club, has announced the following roster of players for his team: Johnny Johnson, Charles Bell, Glen Nelson, Raymond White, Albert Maxwell, Mayor Woody Wilson, Jimmie Allred, R. A. Daniel, Ed Ferguson, Virgil Justice, Ed Skypala, Allan Neff, W. C. Russell, L. J. Clark, Charles Hoover, Labry Ballard, C. E. Leasure and W. H. Andrews.

On the Kiwanis Club roster are: Paul Stevens, Wayne Phillips, C. R. Stone, Guy Lawrence, Lloyd Shay, Clint Formby, Hap Cavness, W. D. Ravel, Marham Wadill, Leroy Aves, Don West, Bart Dowell, Jay Ham-

WIND-BLOWN, SMOKE pours out of the Trinidad Marquin home in Hereford late Tuesday afternoon as police patrolman Bobby Roberts and a volunteer fireman open the front door of the residence to get a high-pressure hose to the interior. Smoke and fire caused \$5,000 in damages at the residence, 228 Ave. C. Firemen answered the alarm at 5:45 p.m. Tuesday. (Staff Photo)

REP. WALTER ROGERS WRITES:

Problems Which 87th Congress Will Face

TO THE PEOPLE OF THE 18TH DISTRICT:

This will be the last newsletter written in the year, 1960 by Yours Truly.

Since coming to Congress I have written a newsletter each week and forwarded it to the news media in our District. Its purpose is to provide an avenue of thought between the people, who are the government, and Washington, the central location of the Federal government's activities.

I hope it has served that purpose. Many letters and suggestions have been received from the people of the 18th Congressional District of Texas, suggesting matters to be treated in these newsletters. Let me say again, as I have in the past, that these suggestions are most welcome and if anyone would like to have some subject treated in a newsletter, they may be sure that I will do my best to get pertinent information together and include it. This being the last newsletter of 1960, I think it is well to call to the attention of the people a few of the things that may be expected in the early days of the 87th Congress. Many of these will be matters of repetition. They have been debated and considered in previous Congresses, but have not been written into law.

The problems that beset man in the advance of civilization must be solved through legislation. Our government, the stron-

gest and the best ever conceived by man, is a government of laws and not of men. The difficulties in dealing with the problems of man do not stem from a controversy as to whether or not a problem exists.

The problem is usually there and very clear. The difficulty lies in the determination of what procedure, method, plan, or program will be used to solve the problem. Questions which must be answered in reconciling the solution to the problem are: constitutionality, economic, spiritual, moral, national, and international.

Here are some of the problems which we will meet early in the 87th Congress. Whether or not they will be solved in keeping with the several proper limitations will be the subject of vigorous and heated arguments and debates.

PROBLEM: Education. PROPOSED SOLUTION: Federal aid. The first question to be answered is whether or not Federal aid is necessary. The second is the manner in which Federal aid, if necessary, will be applied. Education in this country has long been the responsibility of the several States. It is true that some States are poorer than others, resulting in damage to the educational facilities in the poor States. I think we would all agree that every child in the United States should be afforded the opportunity to get an education. You will note emphasis upon the word opportunity. We all realize that you cannot force an education on an individual. Would it not be better to permit the States to retain the responsibility and administration of the educational programs and stay away from all-out Federal aid program? Certainly it would be more economical to provide, some means by which the poorer States could be aided than to open the door to Federal aid that could be turned into a political grab bag.

PROBLEM: Medical aid to the aged. PROPOSED SOLUTIONS: To date it has been assumed generally that this problem does exist. Only two primary solutions have yet been offered to finance the cost of solving the assumed problem. If the assumption is correct, it would seem to me that the solution of the problem should be given much more thought.

One proposal has been for

the Federal government to provide funds out of the general tax structure with which to finance a Federal contribution to the solution of the problem. This would, in my opinion, be a mistake.

It would open the door to possible and probable demagoguery on the part of some who would seek to utilize the ill health of the older people for political gain and, in the process, saddle the over-burdened taxpayers with a wasteful, inefficient, and unconstitutional structure. Another proposal has been to finance a program through the Social Security taxes.

Such a method, in my opinion, would be wrong. Social Security taxes are already so high that the Social Security program or the general economy could be measurably damaged. To add other burdens would be to sorely test the program and the general economy. It would unquestionably destroy many small businesses that are already on the verge of bankruptcy because of too-high taxes and the competition of well-financed chain stores which are able to pass these taxes on to the consumer.

Personally, I would like to have the counsel and advice of the medical profession, with documentary support, on two questions. First, whether or not this problem exists. If the medical profession takes the position that such a problem does exist, my second question to them would be for recommendations and suggestions as to how they think it could be effectively dealt with.

These are two of the many problems which will be considered by the 87th Congress. Let us hope that the solutions to all of these problems will measure up to the test of constitutionality, economic soundness, spiritual understanding, and moral fundamentals, both nationally and internationally.

county, Patterson reported a few farmers making repairs on their properties are hiring a few workers to help them. "Otherwise, there is little work to be found in this area," Patterson commended. He added that a normal flow of workers make daily checks at his office, located in the County Courthouse.

Farm laborers holding various temporary jobs will depend on clear weather for continued employment.

"It will probably be the last part of March or the first of April before the supply of jobs increases in Deaf Smith County," Patterson said.

Ironing Tucks

There is a trick to ironing tucks. To keep them neat and flat, iron until absolutely dry, otherwise they will pucker and look wavy. Vertical tucks should be pulled taut and ironed lengthwise, while horizontal tucks should be ironed by starting on the top and working to the bottom.

Care Of Stove

Do not wash the porcelain finish of the stove while still hot; as this might crack it. When cool, warm soapy water should be used on it. Be sure to wipe off quickly any acid, such as vinegar or lemon, that may be spilled on it.

White Furs

To clean white furs, first shake free of dust. Then lay on a newspaper and rub thoroughly with plenty of powdered white starch until clean. Or, use flour and salt, equal parts; then shake well and brush with a soft brush.

Monday is the day that elected county officials are to be sworn in. And it is strange that three of the four new office heads already have taken over their duties. County Judge Don Zimmerman, County Clerk B.F. Cain and County Sheriff Lowell Sharp have been in office for some time. Only new officer to begin duties next week will be LaNell Miller, the new County Tax Assessor-Collector.

During a trip to Abilene

last weekend we were again impressed with the ease of driving on the Interstate Highway 20. We figured that at least 15 minutes was saved in not having to drive through Sweetwater and another town in going through some smaller towns. We had looked forward to the four-lane road south of Post but found half of it torn out and being rebuilt.

But the oddest sight of the trip was the solid stream of cars headed south out of Lubbock toward the new oases between there and Slaton. Customers were thronging into the new liquor stores while carpenters and glazers finished building the stores.

Frio Baptist Church is having a youth revival this week. Woody, Northcut of Westway, son of Mr. and Mrs. B. B. Northcut, is conducting the services, which started Wednesday and will continue through Sunday. He is a senior at Hardin-Simmons University. Jack Rogers of Hereford is song director. Services will be held at 7:30 p.m. during the week and at the regular time Sunday. The public is invited to attend. On Saturday, the Frio Baptist Church training union will meet with the Avenue Baptist Church group in Hereford at 10:30 p.m. for a watch-night service.

Tuesday night's two-point loss by the Whitefaces to Midland was a heartbreaker, of course. But one encouraging note was the small number of fouls called against Hereford. Only 11 penalties were called on them during the game, smallest of the season. And if you don't foul, the other team doesn't get any free throws. Hereford's 7-7 record so far isn't spectacular by any means, but it isn't bad considering the teams it has played. The Whitefaces look like they are almost ready for district play, with most of the rough spots worked out.

The turkey is gone at last. And visits to relatives past. Now you can't shilly-shally. Delay, stall, tarry or dally: That drooping tree must go to the alley!

COULDN'T RESIST LOOK

MADISON, Wis. (AP)—Tom Barlet, photographer for the Capital Times of Madison, was assigned to take a picture of a boxer dog for his newspaper. L. J. Kenney of Madison wanted to find a new master for the four-year-old pet. "I couldn't resist that soulful look..." Barlet sheepishly explained to his wife as he brought the dog to his seven children, who are owners of two cats, three pet mice, four pairs of hamsters, some goldfish and a canary.

two tablespoonfuls of ammonia have been added. After the dirt has become loosened, clean the teeth by means of a small brush, then rinse in clear water and dry.

Stained Vases

A deep vase or jar can be cleaned easily inside by adding bits of wrapping paper to warm soapy water and shaking well. Ammonia in the rinse water makes the glass more brilliant.

Children's Books

The lives of children's books can be prolonged by applying a thin coat of colorless shellac to the covers.

Home Barbering

The "do-it-yourself" home barber will earn the gratitude of his small customers if he'll use the vacuum cleaner on their necks and clothing to remove the small hair clippings that make their necks itchy. The vacuum cleaner can also be used to clean up the surrounding area after the tonsorial artist has finished.

Interior Painting

When applying only one finish coat to interior walls, better coverage will be insured if the white undercoat is tinted with a little of the finish color. This will be especially helpful if the walls are to be finished in a delicate or pastel shade.

Q. How can I easily loosen the top of a fingernail polish bottle which stubbornly refuses to budge?

A. Turn the bottle upside down and put a drop or two of fingernail polish remover around the edge of the cap. Let stand for a few seconds, turn the bottle right side up, and the cap will yield quite readily.

Q. How can I renew a cedar chest which seems to have lost its former pleasant aroma?

A. You can do this very easily.

Q. How can I make wallpaper washable?

A. Go over the wallpaper first with sizing, then with a clear shellac. A damp cloth will clean it easily thereafter.

Q. Have you any tips to help me make a floating flower arrangement?

A. Insert the stem of each flower through a disc of waxed paper cut to the size of the blossom. The blooms will last longer, because the waxed paper will protect them from the water.

Beauty At Home

Q. Although I am slim and with a fairly good figure, still when I wear slim, tight skirts, I have a little "pot" in front and my skirt wrinkles in the back. Should I wear a girdle, in spite of my slimmness?

A. You most certainly should! Girdles are for figure control by women of all shapes, and with a brief, light foundation you'll have a flatter tummy and smoother-fitting skirts.

Q. Any ideas for a quick glamour treatment for my eyes on special evenings?

A. Try all-one-color makeup. Blue shadow, mascara, liner. Or lavender, perhaps.

Q. Please suggest some good skin bleaches I can use at home.

A. One very good one is buttermilk, washed over face and throat at bedtime. Another good one is the juice of a lemon in a cup of milk. Still another whitener of the skin is peroxide of hydrogen, this being diluted and used like a lotion—being sure to avoid the eyebrows and smart a bit, dilute it with some rose-water.

Q. How can I encourage more gloss into my rather dull-looking hair?

A. I can advise nothing better for adding sparkle and sheen into the hair than good and vigorous use of the hair brush every day. Further wonders can be wrought if you make a practice of giving your hair a brisk towel rubbing after every shampoo.

Q. What are the best facial beauty masks for the oily kind of complexion?

A. Mud or clay packs, consisting most frequently of fuller's earth, mixed to a smooth paste with witch hazel. Use about two tablespoonfuls of the clay. And equal parts of witch hazel and peroxide can be used if bleaching is desired.

Q. Is there a good, effective, "emergency" hair-curling fluid I can concoct at home?

A. One good one consists of the white of an egg, beaten with an equal quantity of water.

Q. What have you to say about the makeup used under the eyes?

A. The makeup in this area should have a moist quality, to avoid caking and crinkling there that comes when dry base or heavy face powder is applied under the eyes with a too-heavy hand.

PAYS TO BE CAREFUL
CHARLOTTE, N. C. (AP) — Just before the presidential election, a character witness was called to testify in Superior Court in a murder case.

The witness, a woman, walked to the stand with a large handbag. As she sat down the courtroom saw a large "Kennedy-Johnson" sticker surrounded by Kennedy-for-President buttons adorning a side of the handbag she carried.

"Hey, turn that around," warned defense attorney Henry Fisher. "There might be a Republican on the jury."

OOPS, WRONG WEDDING
ROCKY FORD, Colo. (AP) — An out-of-town couple drove here for the wedding of a relative. Cars were parked around the First Christian Church. The couple went inside, deposited their gift in the reception room.

The bride walked down the aisle. "That's not her," the wife exclaimed. The couple departed hurriedly, finally found the wedding they planned to attend in progress at the First Methodist Church.

Tucson, Ariz., in 1699 was the site of an Indian settlement named Stjukshon.

Beauty At Home

By Lynn Carter
Q. Help! I am desperately in need of a few good, common-sense rules on how to keep the pounds I have lost from sneaking back!
A. Here are a few good ones. Exercise, and plenty of it. Eat slowly. Do lots of walking. Learn and stick to your calorie values. No between-meal snacking. And invest in some delightful dresses that just fit you and your new, lovely shape.

Q. Will you please suggest an exercise to help improve my teen-aged bustline?
A. One of the best improvers of the pectoral region is the old favorite soldiers' push-up exercise - if you can do it. This consists of course, of lying on your stomach on the floor, elbows bent so that the palms are flat on the floor just above your shoulders. Then, keeping your knees rigid, push your body up, return to stomach, and keep repeating.

Q. How can I remove the odor of perspiration from one of my garments?
A. By rubbing over the guilty area with a solution of one part ammonia to eight parts of water.

AUSTIN HIGHLIGHTS

'Changing Of The Guard' Scheduled At Statehouse

BY VERN SANFORD
AUSTIN — Beginning of an odd-numbered year brings a "changing of the guard" at the statehouse.

Actual number of turnovers this year will be few, with Gov. Price Daniel, Lt. Gov. Ben Ramsey and Atty. Gen. Will Wilson continuing in their present offices.

No. 1 change will be in the Supreme Court. Chief Justice John E. Hickman, 76, is retiring after a 50-year legal career, including 34 years of appellate court service.

Judge Hickman will be succeeded by Robert W. Calvert, now an associate justice of the Supreme Court.

Succeeding Calvert will be Zollie Steakley, who has served as Secretary of State since 1927. He will be sworn in on January 3, in the Supreme Court Room of the State Courts Building in Austin. A reception and informal Open House will be held in the State Bar Building. The public is invited for both occasions.

Court of Criminal Appeals will get a new judge, also, W. T. McDonald of Bryan will succeed Judge Lloyd Davidson, defeated at the polls last summer. McDonald will be sworn in January 2 in Bryan, in the district courtroom where he has presided as judge for the past five years. His brother, Reed McDonald, a notary public, will

administer the oath. Already sworn in and ready to go when his term as land commissioner begins on January 1 is Jerry Sadler, Mr. Dorothy Hallman, chief clerk of the House of Representatives in terms, gave the oath. Sadler was sworn in nearly two weeks ahead of time in order to be "ready." He defeated the incumbent, Bill Alcorn.

While they're still to members of the next Legislature can take their minds off Christmas bills, by studying Governor Daniel's proposed budget for state government. It calls for spending \$376,000,000 from the general revenue fund for the 1962-63 biennium.

This is \$54,000,000 more than was appropriated for the present two-year period, but is 49 per cent less than the agencies requested. It does not include any funds for public school teacher pay raises, a recommendation which the governor said he will present after the legislature convenes.

Governor Daniel will propose a \$680 a year increase per teacher, adding approximately \$94,000,000 plus the \$54,000,000 increase above, plus the \$76,000,000 general revenue fund deficit, adds up to a \$224,000,000 problem, which the new legislature will face.

Latest to announce for the U. S. Senate seat to be vacated by Sen. Linda B. John-

son is Maury Maverick of San Antonio, former member of the Texas House of Representatives.

The former legislator from San Antonio is a member of the State Democratic Executive Committee and son of the late Congressman and Mrs. Maury Maverick of the Amano City. His great grandfather was Samuel Maverick, also of San Antonio, one of the signers of the Texas Declaration of Independence.

Other announced candidates for the Senate seat are Rep. Jim Wright of Fort Worth; Former Senator William A. Blakley of Dallas; State Senator Henry Gonzalez of San Antonio and John G. Tower of Wichita Falls.

State Board of Water Engineers approved plans to build a \$21,690,000 reservoir on the Colorado River between La Grange and Columbus.

Farmers, ranchers and businessmen from the affected area had vigorously protested the flooding of what they described as a prosperous agricultural area. They estimated it would destroy an annual agricultural income of about \$1,500,000.

Proposed reservoir would be 22 miles long, with 160,000 acre feet of initial water storage space and 75,000 acre feet of reserve. Lower Colorado River Authority estimates it will save for use some 100,000 acre feet

of water that now flows into the Gulf. U. S. Bureau of Reclamation is planning the project which is to be operated by LCRA after construction.

Texas Youth Council will urge the next Legislature to enact a six-point program to cut down on the number of Texas youngsters who "turn out bad."

Goals are: 1. Adequate funds to operate the state training schools and orphan homes; 2. A juvenile parole system to provide supervision for youngsters released from training schools; 3. A state home for dependent and neglected Negro children; 4. Local youth councils to work with delinquents and to help prevent development of delinquency; 5. Testing and guidance programs to spot problem children before they become delinquents; 6. More job opportunities for youngsters to keep them out of trouble.

Highway Department agents seeking to buy land for rights of way cannot "dicker" with land owners over prices.

Commissioner DeWitt C. Greer re-stated this policy in reviewing an instance in which a landowner eventually got in court nearly four times what the Department originally offered for the land.

Though dicker might have saved state money in this case, Highway officials feel that giving more than a thousand different agents authority to "barter" with state money would create many more inequities.

Commission policy is to have an appraisal made and offer the amount indicated by the appraisal. Landowners who do not feel this price is fair can seek a better one in court.

SHORT SNORTS—Women

seeking to attend Texas A&M College have struck out again. U. S. Supreme Court refused to review state court decisions upholding A&M's all-male status. Texas Employment Commission reports a creeping up of joblessness in Texas. Latest weekly figures show 80,458 claiming unemployment benefits, an increase of 8,341 over the previous week and 23,639 more than for a year ago.

MYF Holds Salad Supper And Social

The MYF of the Wesley Methodist Church held a salad supper recently at that church. Gifts were presented to the sponsors, Mr. and Mrs. James Priddy, and to the new Sunday School director, C. E. Watts.

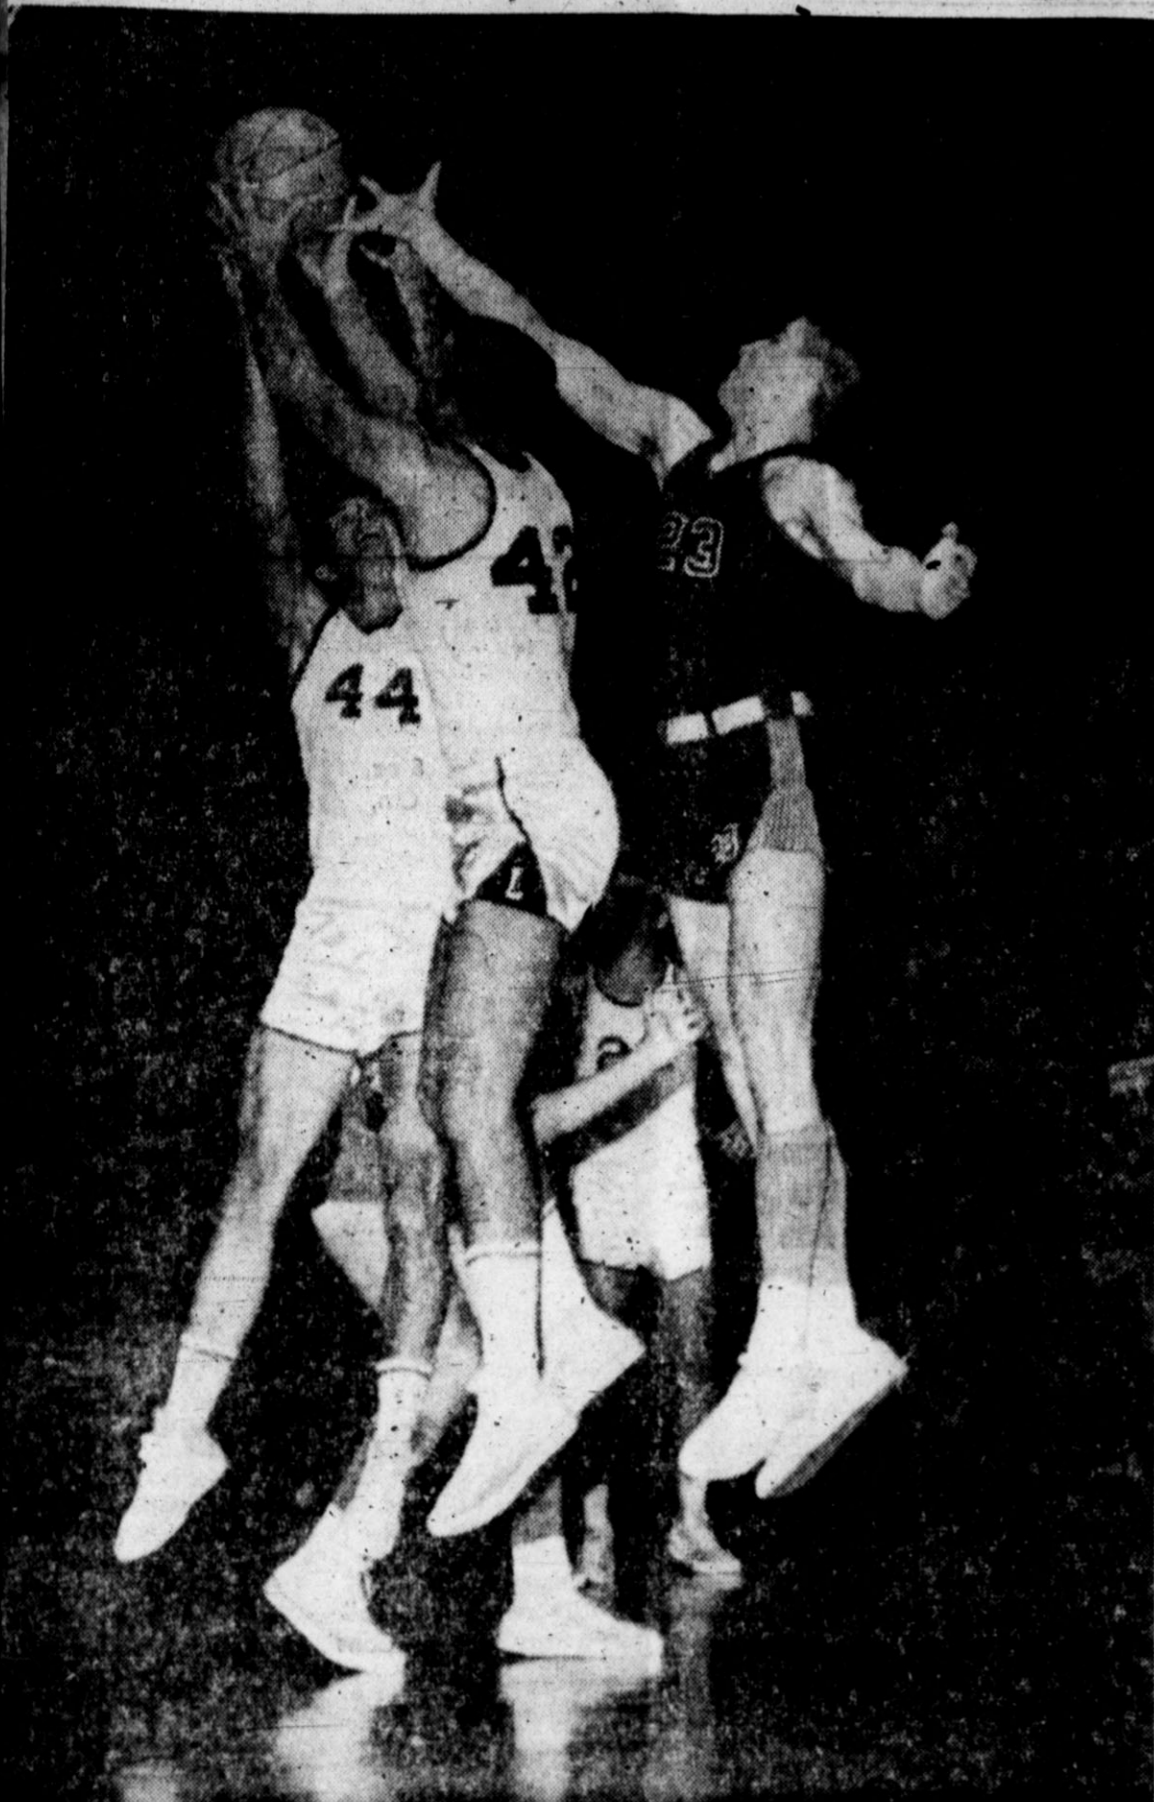

A Christmas program was given, after which a social was held.

Special guests were parents of members of Methodist Youth Fellowship. Parents present were Mr. and Mrs. James Priddy, Mr. and Mrs. M. P. Vaught, Mr. and Mrs. Vance Crume, Mr. and Mrs. Howard Gore, Mr. and Mrs. L. W. Tooley, Mr. and Mrs. Aubrey Bell, Mr. and Mrs. C. E. Watts, Mr. and Mrs. John Ferguson and Gene Brownlow.

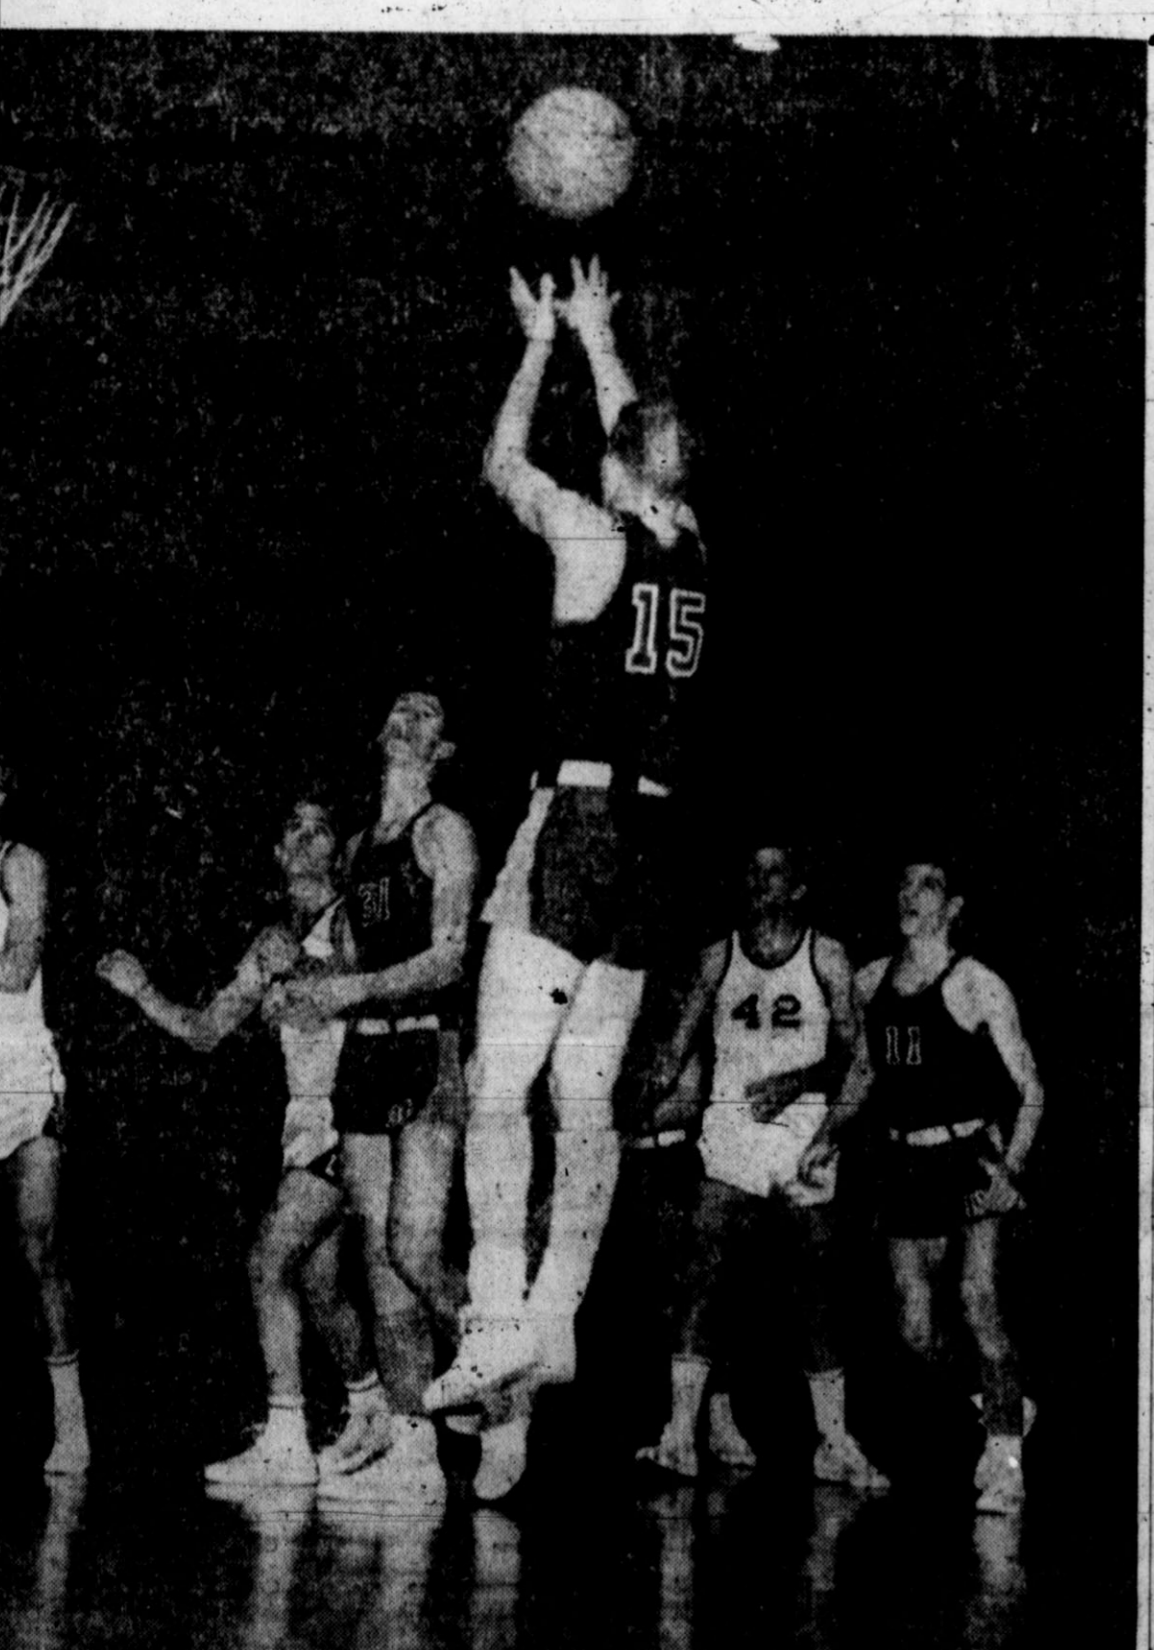

MYF members present were Kandy and Linda Tooley, Jimmy Bell, Charles Brownlow, Gary Gore, Judy Summers, Jack, Rena and Betty Ferguson, Gary Kendrick, Suzanne Higgins, Sandra Vaught, Arvell Williams and Judy Crume.

There are now about 100 brands of foreign automobiles sold in the United States.

ON THE OUTSIDE looking in was Thomas Coffman's situation Monday afternoon, as Tom S. Lubbock Westerners were inside him on a rebound. Joe Eudy and Clay Men-overcame Coffman's long reach to snare the ball. But Coffman and his teammates controlled the ball most of the time in racking up a 78-72 win in the Caprock Holiday Invitational Tournament in Lubbock. (Staff Photo)

ALL ALONE, but not feeling blue, was Dennis Hodges (15) as he plunked in a field goal against the Tom S. Westerners Monday. Carl Miller (31) and Ronnie Bolkin (11) lend moral support for the shot, which climaxed a fast-breaking play. (Staff Photo)

BY JIMMIE GILBERTINE
If you have made your exchanges on sizes and colors, Christmas 1960 is officially over. You are now ready to greet the New Year.

There didn't seem to be an open parking space on Main Street Tuesday morning, but all the merchants with whom I talked were reporting fewer exchanges than usual. I encountered several parents who contend that toys in general are much noisier this year, but one seem to have been able to work out an exchange. One harassed mother of three sons as telling me that each of her boys got exactly five pop-ins; the only redeeming feature, she says, lies in the fact that no one boy can shoot more than two guns at the same time.

Meanwhile, it is never as much fun taking down Christmas decorations as putting them up. I always contend that this is due in a large measure to the steady diet of turkey hash. It does have one redeeming feature, though; by this time the company has departed and you are probably back in your regular bed. For some reason, when you get a bit older, no other bed seems quite so comfortable as your own.

Christmas never really changes much, but the people and the ways they observe the occasion alter sharply. Paul Harvey and I were talking the other day about how people always went to the big Christmas tree party at the church when we were kids. We decided this was the "depression." Now says folks can afford their own private tree, and you find one almost every home.

And blessed is the man who invented the bridge table. He did completely away with those "second table" deals many of us can remember. This is also a tribute to adult ingenuity. Back in the old days, it was often the youngsters who waited for the second round but, the way kids are today, it would be the adults who would wait. We had to invent something in self protection.

Mostly, though, I wonder if the present generation of youngsters will have the same urge "to go home on Christmas" as we have their parents. The automobile has improved travel so tensively that most kids spend the holidays in the home of their grandparents. If they grow up this way, it is doubtful in my mind that they will perpetuate the great American urge for Christmas. Maybe this will ultimately cut down on the tremendous toll during Christmas holidays. Instead, they will knock each other over en route to ball games.

I guess New Year is also changing quite a bit. We always have blackeyed peas at our house on New Year's day, but a custom seems to be vanishing. Blackeyed peas are a token of good luck for the next months, and they work every time, provided you have the proper attitude. No matter how the year turns out, you merely

think to yourself how much worse it could have been if you hadn't eaten those blackeyes. Jack Newell, Gaylord's father, got me started on this deal more than 20 years ago. Jack was county sheriff, and I think he got the lowdown from an aged Negro prisoner, who demanded that he either be given his blackeyed peas or released. This is strictly a "South of the Mason-Dixon line routine," and it is a truly worthwhile custom—especially if you like blackeyed peas.

The most rigid stickler for details I saw, however, was an old boy who said he made his egg-nog out of Metrecal. He said it cut the calories away down.

Jim Roberts was telling me that things are plenty high in New Mexico. He says they had some company over the holidays who wanted to drive over to Clovis, so they left the youngsters at the bowling alley and took off.

"We didn't spend a cent over there," reports Roberts, "but when we got back, it took \$14 to get the kids out of hook, and that's pretty expensive for just looking around in New Mexico."

A lot of friends enjoyed visiting with Wayne Evans, former Hereford business man and C-C president, who was here with his family to spend the holidays with his father, Joe. Wayne is now business manager for the Baptist Seminary in Ft. Worth.

Several people have called and asked about Dollar Day, which will be Tuesday, Jan. 3. Practically all of the stores will follow the same pattern as that on Christmas, which also fell on Sunday. The weather, I figure, will be a bit more rugged. Should be a good time to stay inside and watch the ball games.

I also figure that 1961 will be a year when our community will see a lot of changes. Many of these will develop from the proposed sugar refinery. This is the year when we will likewise note a tremendous shift into the cattle feeding business, for the community, provided the government doesn't clobber along with something that impedes the program. And if they do, it will likely be more attractive, which means that we should be happy.

How Can I?

By Anne Ashby

Q. How can I make easier the job of painting around the locks and hinges on a door?

A. If you will first coat these fixtures with some petroleum jelly, and paint which does get on them will wipe off very easily.

Q. How can I remedy a chair that wobbles because one of its legs is shorter than the others?

A. First, spread a piece of waxed paper on the floor, then squeeze onto this paper a blob of plastic wood from a tube. Set the short leg of your chair on the blob, and when the plastic wood has hardened, trim it down with a sharp knife and smooth off with some sandpaper.

Q. What can I do about some food which I have inadvertently over-salted?

A. A small piece of natural ocean sponge or a small silver spoon, cooked for about 10 minutes in the briny food, will take away the salty taste.

Q. How can I avoid the annoyance of kinking or twisting when taking down my washline?

A. Try winding the washline TOWARD you, instead of away from you.

Q. How can I keep potatoes from sprouting?

A. Place a few apples among the potatoes.

TURN BACKWARD

BALTIMORE (AP) — A crew member of the U. S. Canberra, Seaman Gil Jory of Baltimore, wrote home with some startling news after the cruiser's recent goodwill tour.

"A new time barrier was broken," he said, when Canberra, firing one of her famous Terrier missiles from west to east across the International Date Line, accomplished the hitherto impossible feat of firing a missile on one day and intercepting the missile target the day before."

Senior Class Personalities

(By Whiteface Staff) Going steady for two years without breaking up one time

Ideal Girl

(By Whiteface Staff) This week Clyde Whiteker says his ideal girl will be as follows: versatile, Joy Story; cutest, Dianne Clearman; flirtiest, Jan Reese; most beautiful, Carolyn Hammett; figure, Heidi Rutishauser; friendliest, Suzanne Langley; hands, Sharon Hill; eyes, Dianne Clearman; hair, Jenny Holt; mannerly, Bonnie Spark; athletic, Mary Lois Coker; walk, Toni Parker; nose, Jerre Bea Noland; best all around, Dianne Clearman; best dressed, Carol Kent; smile, Ann Lance; best sport, Linda Renfro; witziest, Kay Seamonds; personality, Nicky Bradford; voice, Joyce Ann Johnson; talented, Tommie Kay Robinson; most fun, Dyann Duval; and intelligent, Sandra Hodges.

One Year Ago

(By Whiteface Staff) Five girls got caught taking a trip to Amarillo instead of being in school.

The junior class put on a sensational play entitled "Beauty and the Beast." One of H. H. S.'s most prominent boys, Edwin Thomas, starred as The Beast.

The Thespian Troop and the Mixed Choir combined their efforts for the fascinating production of "Brigadoon."

The baseball team coached by Mr. Joe Smith, was District 1-AAA Champs.

"The Diaper Gang" was introduced when they received third place in the Junior Red Cross Talent Show.

National Honor Society was formed, with Miss Delores Wall and Mrs. Roy Calvert as sponsors.

The junior class won first place in the stunts again on Stunt Night.

Marjetta Niinisto and Fleming Hansen were getting in full swing of things as our exchange students from Finland and Denmark.

The all-school play, "Arsenic and Old Lace," directed by Mr. Burney McClurken was a big hit with Lee Blocker as "Abby Brewster."

Christmas....

(Continued from page 1) Several of the girls made aprons to be worn at the banquet.

During the months of November and December the E. H. A. girls earned money for the Exchange Student Fund by selling fruit cakes and Christmas tape.

On Saturday, Dec. 9, Mrs. Prowell took Sharon Bezner and Merry Kay Pruitt to Lubbock, where they entered the "Make It Yourself With Wool" contest. They did not place, but they said they had a very good time.

Beauty At Home

By LYNN CARTER

Q. What general astringent do you especially recommend for the skin?

A. I do not think you can improve on a good quality of Witch hazel.

Q. What is a good slimming exercise for waistline, hips, and thighs?

A. Lie on floor, arms outstretched shoulder - high, palms down. Swing left leg across the body, trying to touch the right hand, and return. Do the same with the right leg, swinging it across the body and trying to touch the left hand. Keep repeating this in rhythm.

STARTS ROLLING YOUNG

VINELAND, N. J. (AP) — An attractive young mother with a yen to go roller skating has solved her baby-sitting problem. She doesn't hire one.

Instead, Mrs. George Phifer takes her year-old baby, Mark, along to the rink when she and her husband go.

What's more, she lets the child skate. She's equipped him with special roller skates which enable him to glide around the floor, with a gentle assist from mother.

Mrs. Phifer says Mark is the youngest boy ever to roll around the local rink.

EXPENSIVE MISTAKE

TULSA, Okla. (AP) — Tulsa's county treasurer W. E. McIntosh says he received one \$40 check when the tax payment due was only 40 cents and another \$12 check when 12 cents was due. He returned both checks.

is quite a record. That is how long Karen Sue Daniel and Ronnie Btkin have been dating "steady."

Karen Sue is 17. She was born July 28, 1943, in Hereford. She is the daughter of Mr. and Mrs. R. A. Daniel Jr.

Karen Sue plans to attend college after graduation, but she isn't sure where yet. She wants to be a teacher and teach homemaking. Her hobbies are sewing and cooking.

Karen Sue thinks Hereford High is a pretty good school, but she would advise all the underclassmen to get along with their teachers. She is on the annual staff, which she serves as business manager. She says "I think it's lots of fun and this year we're going to have the best annual ever." Karen Sue is also president of Tri-Hi-Y.

The best advice she ever had was to "be yourself." She especially enjoys watching basketball games.

Blue is her favorite color and her favorite teacher is Mrs. Chisholm. Of all the songs, she likes "Theme from Summer Place" best.

"Coach Kitchens was my favorite teacher until he started making us work," says Carol Kent, the seventeen-year-old

The Hereford Brand, Hereford, Texas, Thurs., Dec. 29, 1960

daughter of Mr. and Mrs. Lee Kent. Carol lives at 124 Star Street and was born Dec. 24, in Lubbock.

Carol plans to attend Trinity University after graduation. Her hobbies are reading and playing the piano. "My favorite day of the week is Friday because school is out," says Carol.

"Hereford High is too strict and I hate homework," replied Carol when asked her opinion

of HHS. Her pet peeve is two-faced people. The only advice she had to give to underclassmen was to be good and hurry up and graduate.

Among Carol's many favorites are food, steak; color, green; car, Ford; movie "A Summer Place"; T. V. show, "Roaring Twenties"; and song, "I As I Date."

Carol says her favorite holiday is Christmas, "because it's my birthday!"

Coronation Parade Slated In Dallas

DALLAS — One of the most spectacular parades ever staged in the Southwest will take place here on Saturday morning, Dec. 31. The 1960 Cotton Bowl Coronation Parade will lend a fitting climax to the exciting week of entertainment, sports event and other festivities leading up to the 1961 Cotton Bowl Football Classic between the University of Arkansas and Duke on Jan. 2.

Days. Sponsored floats have been elaborately designed to represent Easter, Valentine, July 4th and other holidays. Spaced between the colorful floats will be mounted units, antique vehicles, and various novelty units.

The most glamorous part of the parade will be the Queen's Section. Carrying out the Silver Anniversary theme of the 1961 Cotton Bowl game, each float represents a Southwest Conference school and Duke.

The Queen's float, in the Arkansas colors of red and white, will feature the 1961 Cotton Bowl Queen, Miss Gail Blossom, of the University of Arkansas, standing on a beautiful balcony. Princesses representing the other Southwest Conference schools and Miss Duke from

the visiting institution, will also ride on floats brilliant with school colors accented with silver.

Official band for the parade is the Fourth U. S. Army Band from Fort Sam Houston, Texas. The U. S. Marine Corps Drum and Bugle Corps from the Marine Barracks in Washington, D. C. will be the band for the Queen's section and a group of Marines in dress blues will serve as an honor guard for the Queen's float.

The parade is an estimated two miles in length and will take approximately an hour and a half to pass in review. Trophies will be awarded to winning bands and floats to be judged during the parade.

Benny D. Lesley Degree Candidate

DENVER — Benny Darr e 11 Lesley of Hereford is one of 317 seniors who have applied for bachelor's degrees at North Texas State College this semester.

Winter commencement exercises are scheduled for 2 p.m. Jan. 27 in the Main Auditorium.

Lesley, son of Mrs. Mary W. Pipkin, 605 Blevins, is a candidate for the bachelor of science degree in education.

Blocks of salt and bricks of tea are used as negotiable money in some parts of Africa.

The parade will snootle through the Cotton Bowl Queen and her princesses. The line of march will move through downtown Dallas beginning at 10:30 a.m. and will be televised locally at 12:30 p.m. Twenty-nine bands will give the parade a tuneful theme, representing some of the most outstanding high school, college and military bands in the country. Theme for the first section of the parade is "Happy Holl-

Vegetable Growers Council Planning Statewide Meeting

College Station — Jan. 10, 1961, could become a "redletter day" so far as the Texas vegetable industry is concerned. On that date, Clyde Singletary, extension horticulturist, says that vegetable growers from every section of the state will meet at San Antonio's Produce Terminal Market, 1500 Zaragoza St., to perfect their own Texas Vegetable Growers Council.

Theme of the meeting, which will get underway at 10 a.m. and adjourn by 4 p.m., is "Progress for Texas Vegetable Producers." Speakers will be H. T. Blackhurst and H. C. Mohr, Texas A&M College; Frank Schuster, past president, Valley Farm Bureau and vegetable grower. Featured on the morning ses-

sion will be E. J. Holcomb, acting chief, Vegetable Branch, Agricultural Marketing Service, USDA, Washington, D. C. He will discuss "Planned Production for Improved Markets."

Following lunch, Singletary will review the two-year history of the planning which has been done in preparation for the final organization meeting. Ready for presentation at the Jan. 10 meeting is a suggested constitution and bylaws for both area and state grower councils. Mr. Henry Van De Walle, an outstanding Bexar county vegetable grower has played a major role in securing a state charter for the organization and assisting with many other phases of the planning program.

Singletary and Van De Walle join in urging a full representation from each of the major production areas in Texas. During the afternoon business sessions, officers for the Texas Vegetable Growers Council will be elected and if attendance warrants, officers for the area Councils will also be elected. Otherwise the area Councils will be organized later. Membership campaigns will also be conducted in the areas.

Purpose of the new organization is to promote production, distribution, consumption and continued improvement of Texas vegetables. Singletary points out that consumers too will benefit from the work of the Council. Mr. Van De Walle sums up his invitation to the San Antonio meeting by saying, "After 4 p.m. on January 10 the Texas vegetable industry will have made another tremendous stride forward."

ALL IN THE FAMILY LANCASTER, Ohio — This is the 45th year that you can get an answer by phoning the Lancaster Police Department and asked for "Hutsler." In fact, you can get two replies.

Sam Hutsler is chief of police. He was sworn in as a patrolman Aug. 1, 1940, the day his father, Sgt. Charles Hutsler, retired after 25 years. And Chief Hutsler's son Ronald, 26, has followed family tradition. He joined the force Jan. 1,

SOURCE of VALUES

We can get them from *The Old Book*—values a-plenty to make the New Year really new. Of course the months, the weeks, the hours are much like the old ones.

We should carry all the good things of yesteryears over into the New Year, and then add more.

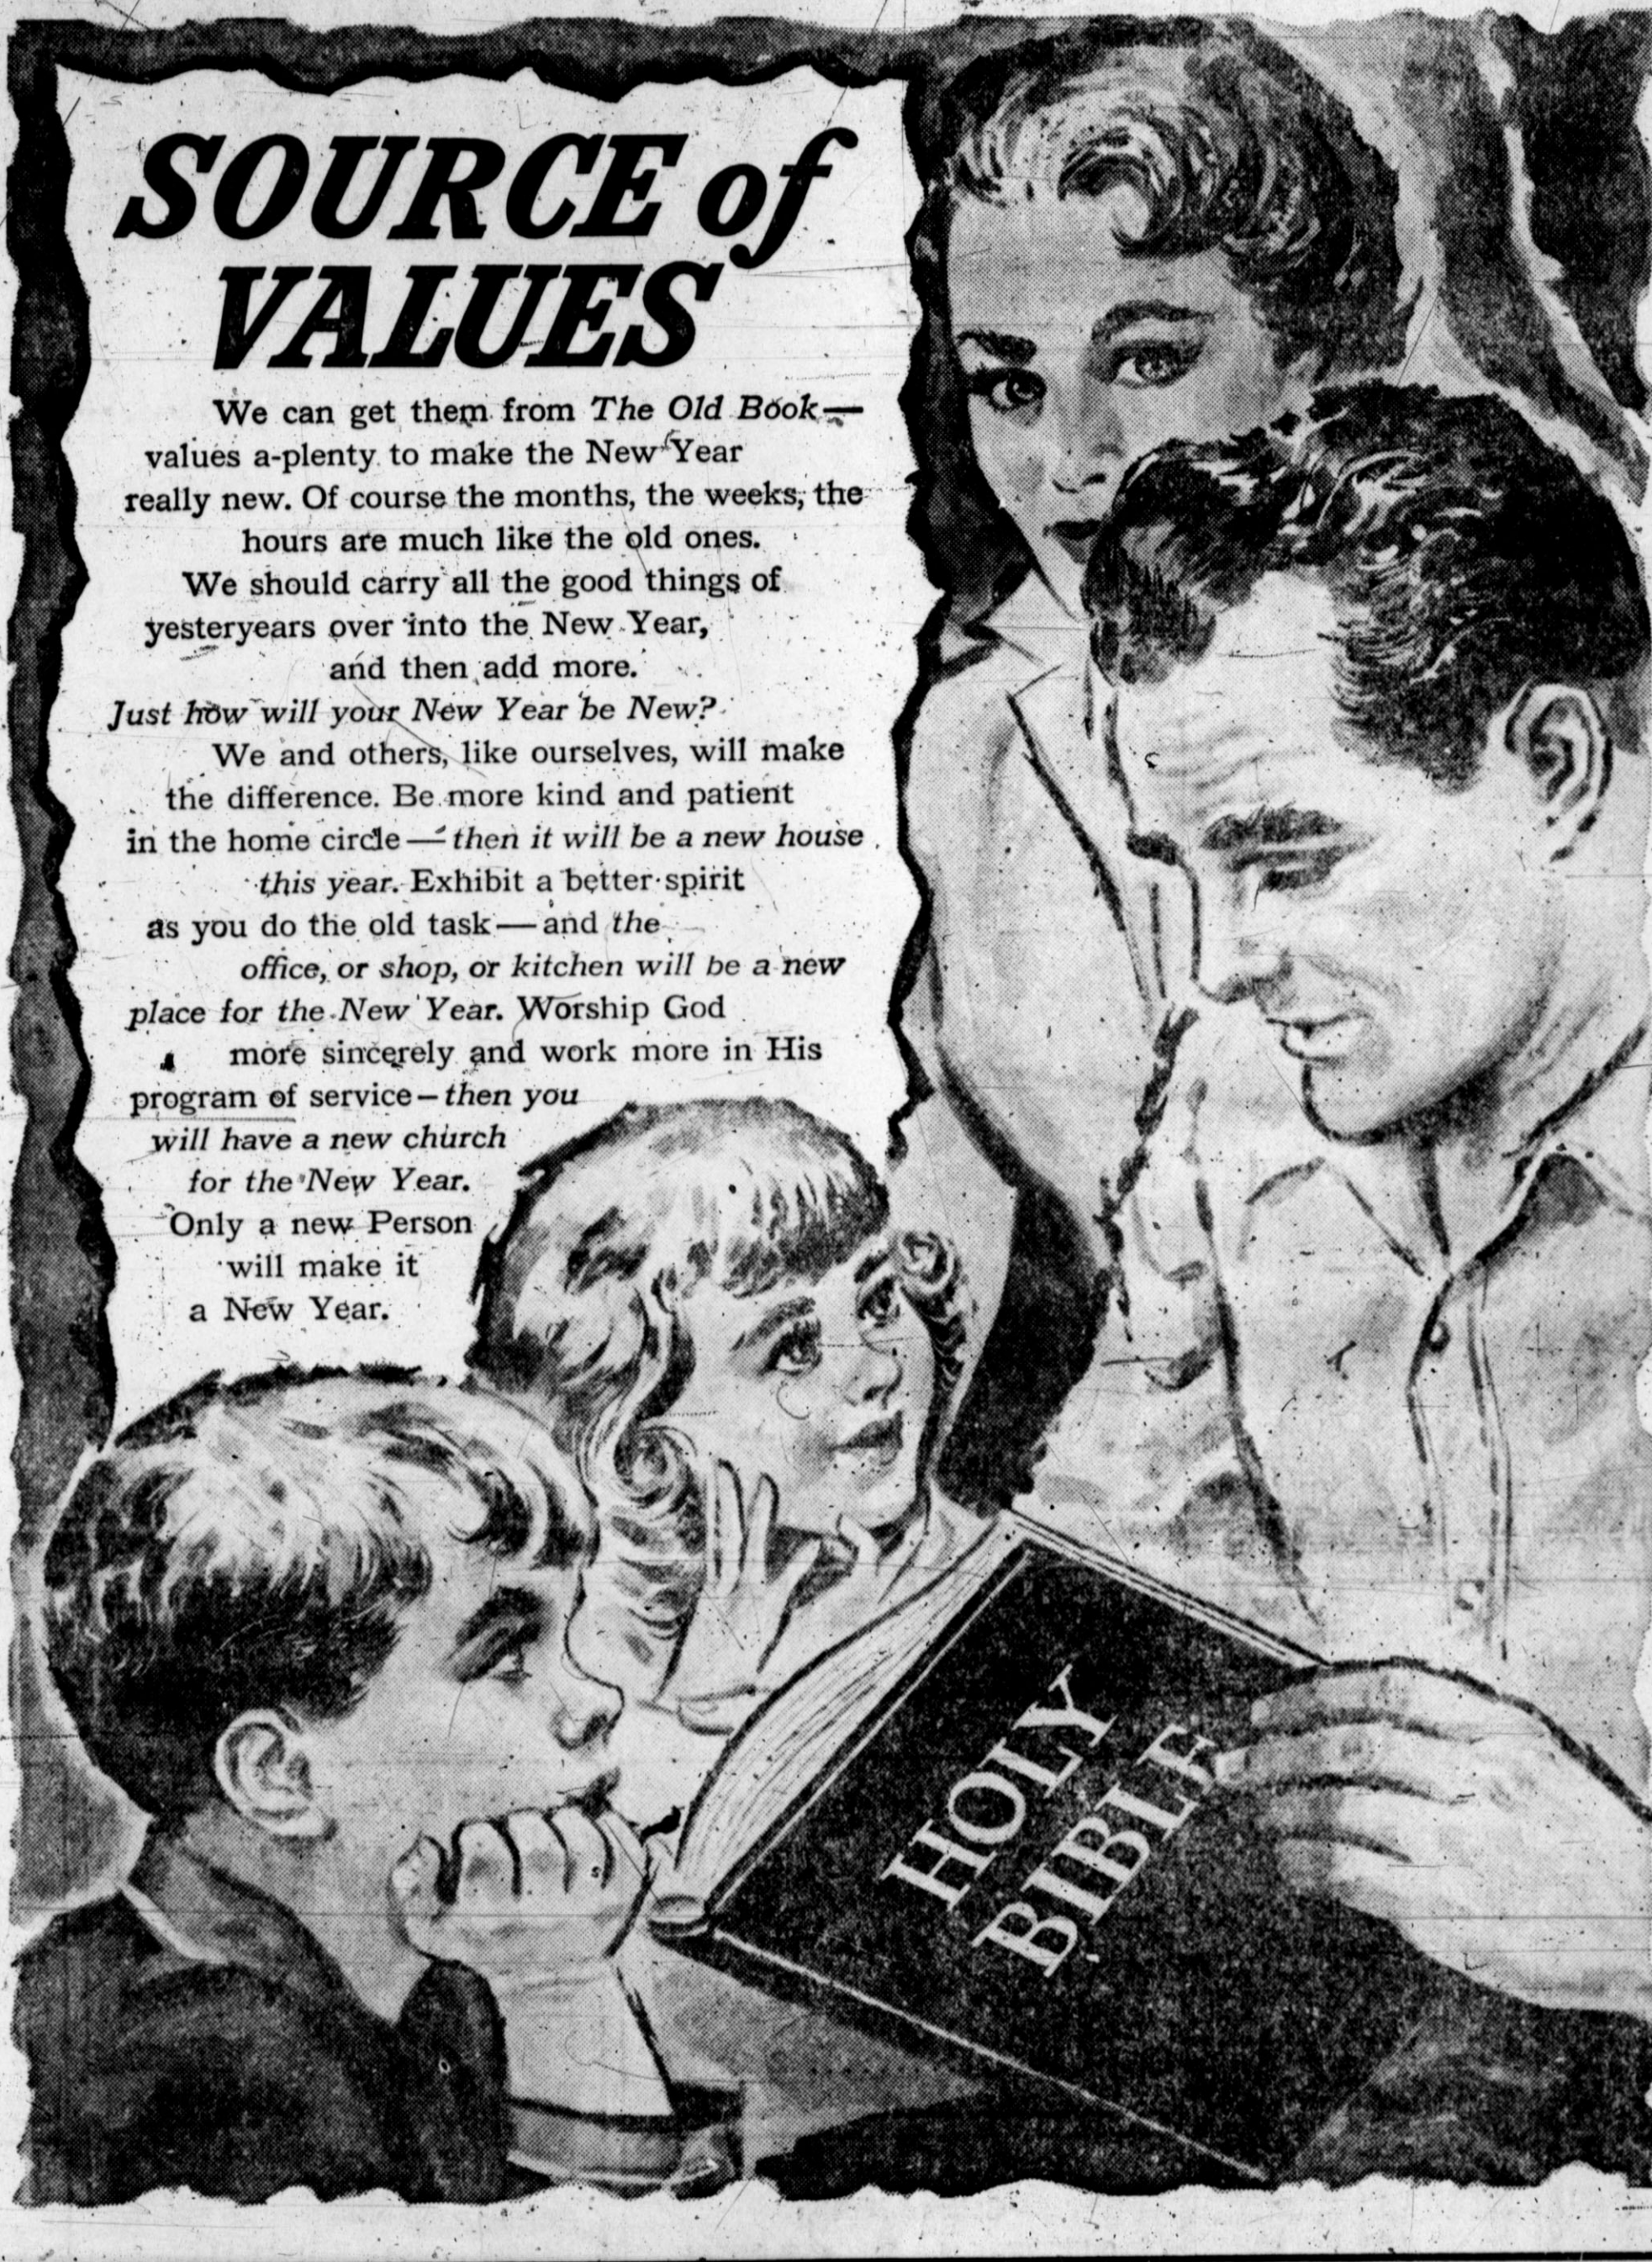

Just how will your New Year be New?

We and others, like ourselves, will make the difference. Be more kind and patient in the home circle—then it will be a new house

this year. Exhibit a better spirit as you do the old task—and the office, or shop, or kitchen will be a new place for the New Year. Worship God

more sincerely and work more in His program of service—then you will have a new church for the New Year.

Only a new Person will make it a New Year.

EASTER NEWS

Yule Party For Easter Club

BY VIOLET BARTON

The Easter Club met in Mrs. William Moss's home for its annual Christmas party. Gifts were exchanged and secret pals revealed. New club yearbooks were distributed and names of secret pals drawn for the coming year.

Those present were Mesdames Ruby Stone, Ethel Farmer, W. O. Markley and Sonya Dale Maxwell and baby, C. N. Land, Sam Scarborough, John Burnett, W. A. Epperson, Leo Hall, Melvin Barton, Sherry and Shelly, Fred Walton and John Key.

John H. Burnett left Friday morning for Truth or Consequences, N. M., where he will take the baths for a few days. The community Christmas party was held at the Community building at 7 p. m. Monday night.

Young Farmers Hold Meeting

The Hereford Young Farmers held a regular monthly meeting Tuesday night, Dec. 20, with 31 members and guests present. President, Bob Hicks, presided

over the business session. Arthur Betts introduced Cecil Mathis of the Dimmitt Production Credit Association. Mathis made a talk on farm financing. At the conclusion of his talk he held a question and answer period.

Earl Harkins introduced V.O. Hennen of the First National Bank of Hereford. Hennen made a few additional comments on farm financing. Bill Oliver will teach a short course on beef production at the high school Agricultural Department from Jan. 16 through the short course will be open to the public. Anyone interested in the course is asked to contact Joe Robinson or Wade Thompson.

For instance, list in the directory both your office number and the telephone number to call after business hours. Why not do it today?

A PROGRAM of local talent highlighted the noon meeting of Hereford Lions Club Wednesday in the ballroom of the Jim Hill Hotel. Four Hereford girls sang Christmas carols and other vocal selections. They are, from left: Sylvia Wiman, Sandra Moore, Deanna Kriegshauser and Joy Wiman. Miss Moore also gave a comical reading. (Staff Photo)

YOUNG ADULTS often miss calls—and, worst of all, social events—because friends don't know how to reach them . . . don't know how their family's telephone is listed in the directory. Why take a chance? Put your name in the phone book. You can pay for the listing out of your allowance or earnings from your job.

ACTIVE WOMEN who are workers in club, church, civic groups often have trouble telephoning each other, because they know each other as Helen Jaynes or Karen Chalmers, don't know the first name or initials of husbands in whose name the phone is listed. End this trouble by listing your name in the phone book, too.

Herd Zips Past Westerners 78-72 In Tourney Opener

Hereford showed a fair level of play in its opening basketball Monday in a contest with the Westerners at the La Alameda High School gymnasium. The Westerners won the first round of the Capital City Basketball Holiday Invitational tourney in the opening game at La Alameda.

one time, but that was cut to 20-20 at the end of the period. Charlie Thomas and Polkan

It was a hard-fought battle for the Westerners as all five starters ended up in double figures. Bonnie Barnes, who is strong in the paint, paced the Westerners with 21 points.

Polkan, Miller and Hodges scored all 16 points as Hereford widened its lead during the third quarter. Hereford won a nine-point lead at

BIG-CAR RIDE SMALL CAR ECONOMY

The first family-size compact Comet's 114" wheelbase (longer than any other compact's) provides spacious comfort other compacts sacrifice. There is room for six grownups and a family-size load of luggage besides.

Big-car ride—small-car handling The refined suspension (plus the 114" wheelbase) makes Comet's ride steadier and smoother than many standard cars. And you'll find that Comet turns, parks and handles almost as easily as a baby carriage.

Priced with or below compacts of other makers For all its fine-car flair, family size, big-car ride and value features, Comet's priced with or below compacts of other makers.

New Thrift Power 170 engine for '61 Comet now offers two economy engines—the standard Thrift Power Six plus the new optional Thrift Power 170, for 11% faster highway passing, 22% better acceleration on hills.

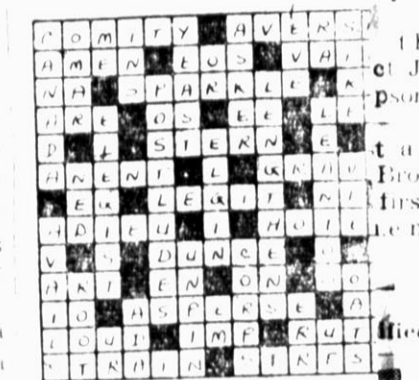

One-year or 12,000-mile warranty Every 1961 Comet part (except tires, for which appropriate adjustments are made by their makers) is now warranted by dealers against defects in material and workmanship for one year or 12,000 miles, whichever comes first. Normal maintenance services and routine replacement of parts such as filters, spark plugs, and ignition points are excepted.
