NUMBER 40

COMPLETE VICTORY FOR DEMOCRATS

Party will Control Congress. Wilson Wins Easily Over Opponents. Carrying Nearly All States

The Democratic party swept all opposition from the slate in last Tuesday's election. First returns indicated victory for Wilson and Marshall, but more complete returns give the party nearly every state in the Union. Taft carried only three small states—Idaho, Utah and Vermont—with 12 electoral votes.

Roosevelt carried six states—Kansas, Minnesota, Pennsylvania, South Dakota, Washington and Michigan—with 87 votes.

Wilson carried thirty-nine states with 432 electoral votes safely tucked under his belt.

After holding Illinois for forty-eight hours Roosevelt lost the 29 votes to Wilson. Iowa remained in the doubtful column for a while but it too, is safe for the Democratic candidate. Wilson has secured a little over 81 per cent of the electoral vote, but will hardly reach a majority of the popular vote.

FIRST FLASHES FROM ELECTION

Democratic Landslide—Wilson and Marshall Sweep the Country—Heaviest Vote Ever Polled.

Tuesday Night, 8 o'clock—Wilson carries New York by 200,000 plurality. Taft fails to carry his own state. Bull Moose ticket loses everywhere.

11 o'clock—President Taft concedes the election of Wilson. Roosevelt wires congratulations. Wilson will get not less than 300 of the electoral college.

Midnight—Wilson carries Nebraska, but Roosevelt loses Wyoming. Wilson leads in Wisconsin, Taft second.

12:45—It appears from the face of the returns that all of the New England states will fall into the Democratic column, but Vermont may go to Taft. Utah gives the President her vote.

Wednesday Morning—First telegram: "Heavy frost fell over all Republican states last night."

Wednesday Noon—Dispatches indicate that Wilson will have at least 350 electoral votes. Many of the doubtful states are falling into the Wilson column.

Wednesday, 6 p. m.—The Taft Republicans have been cut down to Utah, Idaho and Vermont for their votes, which will not exceed 12. Roosevelt is running with about 85 votes to his credit with a possibility of gaining a dozen more.

Thursday, 10 a. m.—The latest returns give Wilson 387 votes, Roosevelt 89 and Taft 12. The doubtful states all give signs of going to Wilson. Woman suffrage carries with a good safe majority in four of the five states voting on the subject: Kansas, Arizona, Michigan and Oregon. Wisconsin turns the ladies aside.

Election at Hereford.

A bright, beautiful day for either voting or fishing, but evidently several went a-fishing as the vote polled is shy a good number as compared with the primary. Of course, others besides Democrats participated in the election, but it seems that they were not many. The banks and post office as usual were closed. The voters stood around most of the day, jollied each, voted and went home. They awoke Wednesday morning to find themselves in the midst of a political landslide for the Democrats. The slide at Hereford was "right side up with care" with all opposing candidates buried steen deep. There was, however, one independent candidate that slipped by the Democrats at Hereford, and that was Harvey G. Hays, who ran as an Independent for the office of surveyor. All sorts voted for him, having no opponent, being competent and a popular citizen. The vote stood as follows:

For Electors—Democrats 215; Progressives 21; Republicans 21; Prohibition 3; Socialist 5.

For Governor—Colquitt 215; Lasater, 24; Johnson, 21; Houston, 7; Andrews, 5.

The entire state and district tickets received about the same proportion of votes. All of the Democratic county nominees received 250 votes, with a few missing. H. G. Hayes received 86 votes for surveyor as a compliment. M. O. Meeks received one vote for commissioner in his precinct. The amendments all carried as follows: First, 149 to 54; second, 152 to 43; third, 165 to 22; fourth, 174 to 28.

Look out for "Those Dreadful Twins;" they are coming again Saturday night, November 9. Come early if you wish a good seat. 1t

Sherman-Guinn Nuptials.

The home of Mr. and Mrs. Geo. W. Guinn on Lee Avenue was the scene of a pretty home wedding Sunday evening, November 3rd, when their daughter was led to the altar by Mr. John W. Sherman. Both are popular young people of this city. The ceremony was performed by Rev. J. M. Sherman, pastor of the M. E. Church, and father of the bride-groom.

The home was beautifully decorated with autumn colors and the ever lovable flower, the chrysanthemum. Branches of yellow and golden leaves with white chrysanthemums were used to a good effect in the reception rooms. In the dining room, pink chrysanthemums, a large brass candelabrum bearing pink tapers, made a most pleasing effect. In the reception room, an arch constructed of vines, studded with white chrysanthemums, were used as the chancel, under which the contracting parties stood during the impressive ceremony.

To the strains of the wedding march, played by Mrs. Karl Shirley, with violin obligato by Miss Ruth Wilson, the bride and bride-groom entered the room unattended. They were met at the altar by the minister, who in his own way said the words that sealed their vows. After the ceremony congratulations were extended by the friends and relatives present and the wedding party repaired to the dining room where refreshments of brick cream and angel food were served. In the parlor, Miss Belle Woodburn, a close friend of the bride, presided over the guest book in which each one present wrote their name and some appropriate wish.

The bride's gown was of gray charmeuse satin with trimmings of lace and pearls. In her wealth of dark brown hair was fixed a band of pearls. She carried an arm bouquet of white chrysanthemums. The bride-groom was dressed in a neat fitting business suit.

The new couple went immediately to the home of the bride-groom's parents where they will make preparations to begin housekeeping in a newly furnished cottage of their own.

Mrs. Sherman is an attractive young woman. She with her parents has lived here since early childhood and is popular both with the young people and the fully grown up.

Mr. Sherman is a young business man of the city, occupying a responsible position with the Western National Bank. He enjoys the confidence of a large circle of friends, who wish him an unbroken chain of pleasure in his new responsibilities.

The bride was the recipient of many handsome presents and useful gifts.

The out-of-town guests were, Mr. and Mrs. Reed of Canyon City, grandparents of the bride.

J. M. Boone's Daughter Hurt.

Word has been received here of an accident in which Mrs. O. J. Geers, daughter of J. M. Boone, was seriously hurt. They live near Paris on a farm and she went with her husband to the woods as company while he secured a load of fire wood. On attempting to get on the wagon, the team took fright and she was thrown under the wheels, the weight of the load passing over her body sustaining dangerous internal injuries.

Common Sense and Banking.

Both of these are very essential in the business world, and are closely related. For common sense should be used in selecting a bank to do business with as well as in your transactions that pass through the bank.

Select a bank that is absolutely safe and uses the most conservative methods—that's common sense. In other words open an account with us—we are absolutely safe, and our methods are (and always have been) strictly conservative. Common sense will tell you this and our reputation will endorse the statement. Now common sense tells us that you expect something of us, and we guarantee you and all of our customers every accommodation consistent with safe banking.

Our many years experience in the banking business, dealing with investments of various and sundry kinds makes us especially desirable for you, and common sense will tell you to avail yourself of the opportunity to open an account with us and thereby place our experience at your disposal. We shall be glad to

assist you in the promotion of your welfare. The Western National Bank—Mutually agreeable accounts solicited. 1t

Not Fit For Ladies.

Public sentiment should be against it, and we believe it is, there can be no reason why ladies should have to suffer with headaches and neuralgia, especially when Hunt's Lightning Oil gives such prompt relief. It is simply a question of getting the ladies to try it. All druggists sell Hunt's Lightning oil in 25c and 50c bottles. 39-5t

Spooks Out.

A number of the ladies of the Nance home converted themselves into all sorts of spooks Hallowe'en eve, appearing as bad Indians, ghosts, spirits and whatnot and in their "rounds" visited at the Dameron home where the fun began, closing up at the house of the Methodist parson, much to the enjoyment of all.

Hallowe'en Social.

The members of the Bay View Club and their husbands enjoyed an evening in the Wright home last Thursday, it being Hallowe'en. The house was decorated suggestive of spooks and spirits and in keeping with the season. On entering the reception rooms, the dim glow from the many candies placed in glaring pumpkin heads, gave one that necessary creepy feeling. Long streamers hanging from the center of each room bore a large number of black cats, witches and other things of spooky nature. After the guests had assembled, each couple were given matched numbers and were instructed to call at the Ghost post office, where a letter was in waiting. This letter gave directions for a trip through spook land. The first was to discover the "unearthed secret," which proved to be a nice little green onion for each one. Then by turns, a visit was made to the "Fountain of Youth," presided over by a witch, who mumbled words of uncertain meaning; the second place, a quaff of Witches Brew brought one back to earth; the third place, presided over by a much bedecked gypsy, unfolded the future and told of long and dangerous trips. Of course, the creepy feelings were dispelled when some of the husbands attempted to take a bite from the Bobbing Apple. After the rounds had been made, the guests were seated at "42." The hour was closed by a most delicious buffet luncheon. Mr. and Mrs. Wright were assisted by Mrs. Gregg, Misses Morgan, Jowell and Elliott and Mr. Clyde Gregg.

High School Lyceum Course.

The second number, The Allen Trio, of the High School Lyceum Course, is billed for Nov. 12. These entertainers give possibly the greatest variety of amusement in their appearance of any number in the winter's course. Miss Bergh is recognized as one of the most accomplished singers in the Northwest. Miss Bull is a reader and impersonator of extraordinary ability, while Herr Nelson is a musician with a reputation already established. The three in one night make an entertainment that will appeal to the whole people. The management of Lyceum Course has decided to offer double season tickets for the five attractions yet to appear for \$2.00. Tickets may be secured from high school girls or purchased at door on night of Nov. 12. The single admission will be 25 and 35 cents.

The Lyceum Committee also wishes us to thank those who have encouraged the movement and assure all that a few more sales of season tickets and a generous attendance on part of those who have not purchased season tickets will make it possible to add a number of new books to the high school library.

RECOMMENDS INDUSTRIAL COURT TO SETTLE PERSONAL INJURIES.

Dallas, Texas, November.—Tom Flinty, Jr., staff correspondent of the Dallas News and one of the most competent citizens in Texas, has rendered a report to the Texas Welfare Commission on Compensation to Employes for Casualties Occurring in Course of Employment, in which he directs attention to the waste resulting from our present system of settling personal injury cases. Mr. Flinty quotes from a statement by the committee of the Wisconsin Legislature, which investigated the subject and drafted the workmen's compensation law of that state. It says that "under the old system (similar to the one now in use in Texas) in order for an employer to pay about \$18 to an injured employe for or on account of injury, it required \$82 to carry the \$18 to him." The damage suit lawyer, who suffers no injury whatever, usually gets half the award, and court costs and other items make up the remainder of the expense.

Mr. Flinty recommends the establishment of an industrial court of competent jurisdiction, similar to that now employed by the state of Wisconsin, to settle personal injury claims and eliminate as far as possible the waste resulting from our present system and give all injured workmen reasonable and prompt compensation.

Country Home Burns.

The country home of Tidwell Smith and all of its contents were burned last Friday afternoon while he and his wife were away from home. Mrs. Smith was at her school and he had started to town. The neighbors saw the smoke rising, but could not get word out quick enough for any one to reach the place in time to save one thing. A few garments and some canned fruit that happened to be in the wash house near by was not burned. The neighbors and a few friends in town made up a purse to assist the unfortunate family in replacing some of the effects. The house was the property of T. E. Shirley.

Write Ideas for Moving Picture Plays!

YOU Can write Photo Plays and earn \$25 or more weekly
We Will Show You How

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellency necessary. No "flowery language" wanted. The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100, and more, for scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our Sales Department has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as Vitagraph, Edison, Essanay, Lubin, Solax, Imp, Rex, Reliance, Champion, Comet, Melies, Etc., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25.00, a low figure, **YOU WILL EARN \$100.00 MONTHLY FOR SPARE TIME WORK.**

The reason for this is plain. The Brand seldom "turns down" a letter or other communication and it has at times published articles which were contrary to the policy and attitude of the paper. The article signed by "A Citizen" was evidently written by the fair hand of a non-voting citizen. She, at times, is given over to periods of depression and hearticks, especially when she hears the good name of Hereford and the Panhandle wrongly criticised. She is a woman that loves the quiet of the home fireside and bears no malice or ill will towards her fellows, but when the "call of her country" is heard, she, true to her nature would, if necessary, go to the front, not to bear arms, but to succor the wounded and to place flowers upon the graves of the dead. As a friend, she has the highest appreciation of worth and recognizes the good and best qualities in her friends, overlooking the little peculiarities which must make one different from another; as a neighbor, she never forgets those little courtesies which binds hearts to hearts and makes the world akin; as "A Citizen" she would know how to vote if the opportunity was given her by the "Lords of the household." Now, if "A Citizen" is a "gentleman," the writer has missed his reading of her (his) chirographic characterizations.

THANKSGIVING DAY.

Thanksgiving Day falls on Thursday, November 28, this year. The day of the week is never changed, but the day of the month moves along; it's just like Christmas. The day should be a time of real thanksgiving for the people of the United States, but especially of Texas and lastly of the Panhandle. While many parts of the world have been visited with "wars and humors of war," our country has been free from the strife of arms. The immense harvests in every part of the country has not been equalled in years; there is no danger of famine for man or beast. The financial depression that has hovered over the country for many moons cannot be attributed to the general failure of crops; there has been more than an abundance. But the conditions may have been only a training, a lesson to slacken the awful speed at which the wheels of commerce were turning; the momentum was sufficient to destroy even the great balance and a check was necessary. That we are now moving along at the proper rate, the whole country should see a general revival of normal business. Let's all be thankful for the blessings of the year and prepare to make ourselves appreciative of the things to come.

LET'S see; what is the name of that fat man who ran for president? It's Tuff.

WHAT sort of noise did the Bull Moose make when the Donkey broke in his slats?

Miss Ollie Cochran, who has spent the summer in the Panhandle representing Baylor College, Christian Education and Baptist Women's Missions, left here Monday for her home in Central Texas. Miss Cochran won the hearts of Hereford people and will be remembered very kindly by all who knew her. She will attend the Baptist State Convention.

Good Blood Means Good Health.

A clear healthy skin, full of life and color, reflecting perfect health and energy has long been known to be a business and social asset. If you are not the fortunate possessor of all the above—if you are suffering from skin eruptions of any description, it means that the blood is weak.

Pure blood, rich red in color and circulating freely, is the essential factor in the possession of perfect health.

When it becomes impoverished—thin and watery—it cannot supply proper nourishment and the body tissues become diseased.

This condition is ever ready to manifest itself and should be checked and treatment started with the first appearance of blood disorder.

In our estimation Nyal's Hot Springs Blood Remedy is the one best treatment. It gets at the root of the trouble, cleanses the blood of impurities, increases the circulation, produces blood that is rich in nourishment, blood that builds up broken-down tissues.

It will not be long before you notice a decided improvement—you will feel the blood coursing through your veins, your appetite increases, the food will be absorbed in the proper manner and the skin will become clear and healthy.

You will never regret having used Nyal's Hot Springs Blood Remedy—it will put you on your feet.

We expect to be here in business a good many years. The only way we can do it is by treating everybody right. That's our policy.

Avoid Sedative Cough Medicines.
If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain cocaine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. The trip across the continent has been an enjoyable one, but nothing has added more to their pleasure than to be with Mrs. Nance in Hereford.

"Money and Brains,"

Now that the election is over, let's get down to business. First, examine the Yellow Label on the wrapper of the paper; it will tell you when your subscription to the Brand expires. If it reads "5 12" this means that your subscription expired November 5, 1912, and that you are due \$1.00 for another year. Don't wait to be sent a notice; don't wait to be dunned; don't wait and have your name dropped from the list; for, unless you send in the dollar, the management is not a long-distance mind reader, and he may not know that you want the paper continued. Be prompt about this; it's business: "it takes money and brains to run a newspaper," and the Brand needs both.

"Those Dreadful Twins" a Success.

Another full house greeted local talent last Friday night when a number of young folks put on that laughable play, "Those Dreadful Twins." The play was given under the auspices of the Rebekahs and the receipts were most satisfactory. The success of the affair, however, was largely due to the untiring efforts of Mr. Matthew Johnson, who has recently returned from the School of Acting and Expression at Chicago, where he had pursued a three years' course. His careful training of the locals is appreciated by all who attended. The entire cast was good, not having a dull moment in the play, each one bringing up his part in a most acceptable manner. There is a demand for the play to be repeated and it may be put on again soon.

DON'T POISON YOURSELF
WITH MERCURY

That's What You May Do If You Take Calomel, Because Calomel is a Form of Mercury.

If you ask a druggist for bi-chloride of mercury, he will give it to you in a red-label bottle marked POISON. Calomel is also a chloride of mercury, as your doctor will tell you, and, as everybody knows, mercury is a poison.

When you think you need a dose of calomel, instead of whipping your liver up with the mercury it contains, go to Betts-Clark drug store and pay fifty cents for a bottle of Dodson's Liver-Tone, a pure vegetable liquid that starts the liver to action just as surely as calomel does and is perfectly mild and harmless, with no bad after-effects. No restriction of habit or diet is necessary.

Dodson's Liver-Tone gives such perfect satisfaction in curing constipation and torpid liver that Betts-Clark will give the money back to any person who tries it and does not find it a perfect substitute for calomel.

RAISING TICK-PROOF CATTLE

A Texas dealer is developing cross-bred cattle that are absolutely immune to the Texas fever tick—the insect responsible for an annual loss in the South alone of from \$40,000,000 to \$100,000,000. This new breed is the result of six years of experimenting and is being watched by experts with the keenest interest.

What these tick-proof cattle are, how they are made immune and who the discoverer is, are all explained by H. D. Smith, of the Kansas Agricultural College, in the article,

Clovis 13, Hereford 0.

Clovis came to Hereford Friday, Nov. 1st, for her return game of football and defeated the locals by the score of 13 to 0. The line up of both teams had been changed since the last game and in the two shake ups Clovis got the big end of the advantage. Hereford had been forced to change her line up on account of injuries and while they had not suffered in offensive work, they had been weakened in defensive work by the change. After the first few downs it was seen that Hereford could not win by old style football, nor could she keep the big Clovis backs from making gains through her weakened line. Grandpa Beabler, who had been shifted from tackle to full for Clovis, was the principal ground gainer and there is no telling what he might have done had he hit the line low instead of nearly straight up. Bailless and Houchen also did good work, which would have been improved by a greater variety of play. The work of the Hereford team was badly injured by the injury of Cogdell, who retired early in the game. After this it seemed impossible for the team to "get together." Good individual work marked the play of several of the team. At the outset the players seemed to be unable to stop the Clovis team, but soon improved their defensive work and reduced the gains made by the big Clovis full. Acker, Cogdell, Gallaher, Brazill and Lust all did good defensive work. The tackling of Acker and the interference breaking of Lust and Gallaher being especially noticeable. The first touch down was made on old style play and came in the second quarter. The second came when a forward pass was intercepted and a twenty yard run was made.

A fair sized crowd was in attendance and got their money's worth.

PRESCRIPTION

For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful. "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cod liver, with the useless grease eliminated and toxic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction. The Corner Drug Store, Stocking & McLean, Props., Hereford, Tex.

Blood Was Wrong

All women, who suffer from the aches and pains, due to female ailments, are urged to try Cardui, the reliable, scientific, tonic remedy, for women. Cardui acts promptly, yet gently, and without bad effects, on the womanly system, relieving pain, building up strength, regulating the system, and toning up the nerves. During the past half century, thousands of ladies have written to tell of the quick curative results they obtained, from the use of this well-known medicine.

TAKE CARDUI The Woman's Tonic

Mrs. Jane Callahan suffered from womanly trouble for nearly ten years. In a letter from Whiteville, N. C., she says: "I was not able to do my own housework. My stomach was weak, and my blood was wrong. I had back-ache, and was very weak. I tried several doctors, but they did me no good. I used Cardui for 2 or 4 months, and now I am in the best health I have ever been. I can never praise Cardui enough." It is the best tonic, for women.

Whether seriously sick, or simply weak, try Cardui.

"I wish I was an orphan," said little five-year-old Bessie to her mother, who passed much of her time visiting charitable institutions.

"Why dear?" queried the mother.

"Cause I'd see you oftener," replied Bessie, "for you are all the time going to orphan asylums."

"So our engagement is all over?" he said moodily.

A man told a Washington judge the other day that he was willing to provide a home for his wife if she would leave her mother.

"I've seen her mother," said the judge, "and there's nothing wrong with her. You must remember the old saying,

'A son's a son till he gets him a wife; A daughter's a daughter all her life.'"

CHILDREN'S KIDNEYS

No Hereford Mother Should Neglect the Little One's Health.

Oftentimes weak kidneys cause great annoyance and embarrassment to children. Inability to control the kidney secretions, at night or while at play, is attributed to carelessness and too frequently the child is punished. Parents having children troubled with kidney weakness would do well to treat the kidneys with a tested and proven kidney remedy. If there is pain in the back, discolored urine, irregular urination, headaches, dizzy spells or a tired, worn-out feeling, begin giving Doan's Kidney Pills at once. This remedy has been used in kidney troubles for over 50 years—it has cured and has been recommended by thousands. Proof in a Hereford citizen's statement.

Mrs. Clarence Smith, 611 E. Third St., Hereford, Texas, says: "We have used Doan's Kidney Pills in our family, getting this remedy at Woodburn's & Son's Drug Store. About two months ago I gave Doan's Kidney Pills to my child, who was suffering from kidney weakness, and they proved so satisfactory that I heartily recommend them. Doan's Kidney Pills made a permanent cure in this case after other remedies had been taken to no avail. This preparation is a safe and reliable one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists.
