TUESDAYS—TWO A WEEK—FRIDAYS

24TH YEAR, NO. 17

HEREFORD, DEAF SMITH COUNTY, TEXAS, TUESDAY, MARCH 18, 1924

A POLITICAL MEETING ON MONDAY NITE

SATTERWHITE — REID WILL DISCUSS ISSUES OF DAY

DAVIDSON, TOO?

Candidate for Governor May Also Be Here in Time To Appear

A political meeting, participated in by candidates for State Senator and State Representative from this district, and possibly others, is scheduled to be held at the courthouse next Monday night, March 24, beginning at 8:00 o'clock.

Representative Lee Satterwhite, who was here Monday, authorized The Brand to make this announcement and to state that he would try to have J. W. Reid of Canyon, candidate for the State Senate, with him on that occasion, and possibly Judge Randolph of Plainview and Hon. Lynch Davidson, candidate for Governor, who is scheduled to speak at Canyon Monday afternoon, although the latter is very uncertain.

Mr. Satterwhite says that he wants to talk Panhandle tax measures over with our voters. He feels that every man and woman here is virtually interested in such a question and he wants to express his own views and ascertain the sentiment of the people concerning state taxation.

The women voters and the farmers are especially invited to this meeting. Mr. Satterwhite stated that all addresses would be brief and to the point, and that no tiresome program would be allowed.

Gin Men Purchase Site and Arrange To Hit the Ball

Hereford's second cotton gin, a five-stand, up-to-the-minute plant, is now an assured fact. Announcement from the Continental Gin Co. of Dallas of the purchase of this gin for Hereford was carried in The Brand last week, but Monday Messrs. W. M. Johnson and W. P. Cochran of Antlers, Okla., arrived and Tuesday purchased through Ashbrook & Wilson a site 300x150 feet belonging to Ray Barber just across the street from the Gulf Oil Company's local station. According to the city map the site is located on the corner of Lee and New York Avenues. S. H. Moore, the third partner in the concern, did not come on this trip.

The actual work on the new gin will start in about thirty days, these gentlemen stated Tuesday, with Mr. Johnson as manager. He will move his family here by that time, and Mr. Moore also will move here to assist him. Mr. Cochran will be the silent partner in the transaction. The site selected runs 300 feet north and south from the corner on the railway right-of-way, and 150 feet west and will, from present indications, cause the first tee and the ninth green of the Hereford Golf Club course to be moved in order to accommodate the gin yard. It is an excellent location and both Messrs. Johnson and Cochran expressed themselves as pleased with it.

Both these gentlemen are boosters and expressed their desire to identify themselves with progressive element of Hereford. They are highly recommended by the Continental Gin Company, and Mr. Johnson is one of the oldest and most experienced gin managers in the state. The acquisition of this new enterprise means that Hereford will have nine gin stands next year with which to handle the cotton crop.

Canyon Music Festival Set For April 17-18-19

Canyon, March 14.—Preparations for the Canyon Musical Festival, which will occur April 17, 18 and 19, are going forward energetically and rapidly. The chorus of sixty-five voices, accompanied by an orchestra of about twenty-five pieces, are practicing four times per week on Mendelssohn's oratorio, "The Elijah." Dean Harold L. Butler of Syracuse University, New York, will sing "The Elijah." The other solo parts will be sung by Mrs. Helen Parsons Plerie, contralto; Miss Ada V. Clark, soprano; and Mr. J. J. Powell, tenor.

Other programs of the music festival will be a joint recital by Dean Butler, bass baritone, and Mrs. Butler, reader; and a symphonic concert by the Travview Festival Orchestra.

Daugherty's Fate Is In Their Hands

Members of the Senate Committee which is conducting the official investigation of Attorney-General Daugherty and his administration. Left to right, they are Senators Wheeler (Del.), Moses (N. H.); Brookhart (Ia.), chairman; Jones (Wash.), and Ashurst (Ariz.).

BRUMLEY & SON'S HOGS SHIPPED TO HAWAII

SEVERAL HUNDRED ARE SENT TO COAST ALSO FOR FEEDING

Another shipment of Plains hogs went to the Hawaiian Islands last Saturday when G. W. Brumley & Son consigned four carloads to a buyer at San Diego, Calif., who was understood to have in mind the continuation of the shipment to Uncle Sam's Island possessions. However this is not the first time Brumley & Son have put over such a deal.

Mr. Brumley himself left Hereford on Tuesday for Los Angeles with six more cars of hogs. He has 500 head on feed at that point and goes to arrange their sale.

Sixty Merchants Back Guards in Flag Purchases

Sixty Hereford merchants have shown their support of Company E, Texas National Guards, and at the same time prepared themselves for proper patriotic celebration of holiday events that may arise from time to time by entering into an agreement to purchase flags, four by six feet each, and standards and sockets in front of their places of business with which to fly the flags. This week a crew of workmen has been very busy putting hollow standard pipes in solid concrete in front of each subscriber's establishment, and the flag and poles are expected to arrive by the end of the week.

The flag poles will be ten feet high and the standards are all set in a straight line down both sides of the street so that when the flags are erected the sight will be gorgeous and symmetrical. The entire town will be decorated in two minutes hereafter upon any occasion demanding it.

There are about fourteen days in each year when these decorations can be used, besides occasions of a local nature. Special days will be Flag Day, June 14, and Armistice Day, Nov. 11.

The flag outfits were secured by the Guards from a Chicago house through C. W. Hays, who is a non-resident property owner but who stays here part of his time. They cost the subscribers, installed, \$3.90 each. Captain Buford Farmer promises to supply the readers of The Brand with an article on Flag Etiquette next week, taken from the military regulations governing the patriotic use of the national flag.

Mrs. Enid Seybert Dies At Wichita Falls Home

Mrs. Enid Seybert of Wichita Falls, Texas, formerly Miss Enid Smith of this city, passed away last Friday at Wichita Falls. The remains were brought here Sunday by Mrs. R. H. McDonald, a sister of Mrs. Seybert. Funeral services were held Sunday afternoon, 3:30 o'clock, at the Black Undertaking Parlor, Rev. J. R. Sharp officiating. The remains were laid to rest in the city cemetery. Mrs. Seybert was a daughter of Mr. and Mrs. Louis Smith and left Hereford about two years ago. Mrs. Smith and her two daughters and son of Austin were not here.

Doggonest Weather You Ever Saw Dished Out Here

The weather Saturday, Sunday, Monday and Tuesday has been murky most of the time, and cold, to boot. Monday was especially sharp and irritating. Tuesday morning was damp and threatening and during the afternoon a very thin snow fell at irregular intervals. Toward nightfall it appeared as though this country was in for another white mantle during the night.

J. W. Houston Netted \$334.95 on Four and One Eighth Acres Irrigated Alfalfa, and Bought Water

Here's another concrete example of what irrigation will do in the Hereford shallow water belt when carefully handled and not spread over too much territory. J. W. Houston, who lives in the east edge of Hereford, planted four and one eighth acres to the Grimm variety of Alfalfa. The results are shown in the table. It will be noted that the cost of the irrigation seems high, but this is accounted for by the fact that Mr. Houston purchased his water from a neighbor. Some irrigation was handled here the past year at a cost as low as forty seven cents per acre per irrigation.

J. W. Houston's Alfalfa Figures for 1923 (Four and One Eighth Acres)

Cut first crop on May 24.....	177 bales	
Cut second crop on July 2.....	223 bales	
Cut third crop on August 6.....	114 bales	
Cut fourth crop on September 14.....	123 bales	
Total.....	637 bales	
Sold 506 bales for.....		\$333.76
Average per bale.....		\$.658
Fed at farm (131 bales).....		\$6.19
Total value of four crops.....		\$419.95
Cost of five irrigations.....	\$52.00	
Cash paid out for labor.....	22.50	
Cash paid out for baling wire.....	10.50	
Total cost.....		\$ 85.00
Net.....		\$334.95

Mr. Houston did not charge his own labor into these figures. He also states that he could have secured another cutting if he had found time to irrigate once more.

Court Invited to Attend Opening Potter Hospital

The Commissioners Court of Deaf Smith county have received a cordial invitation from the Potter County Court to attend the formal opening of the Potter County Hospital on Wednesday, March 19. It is understood to be the intention of the members of the local court to accept and learn what they can about such ceremonies, as Deaf Smith county will have the same sort of thing to go through with before many months. It now seems probable that the commissioners will have to go without Judge Megert, who is confined to his home this week and Tuesday was reported quite ill.

Masonic Lecture Here Wednesday Nite, March 26

Worshipful Master J. W. Brady of P. W. Price of the local Masonic Lodge have been official notified by Wilbur Keith, Executive Secretary of the Masonic Grand Lodge of Texas, that he will be here on the night of Wednesday, March 26, accompanied by one of the best speakers in Texas, for the purpose of giving local Masons Service, illustrated with motion pictures.

The Masonic party will come from Dalhart, and the lectures and pictures are said to be particularly fine. Every Mason in this territory is extended an urgent invitation to arrange to attend this service, which will be held at the Masonic Hall.

Isaac Waltons Will Organize Thursday Night

Fourteen pairs of Mexican Bob White Quail were being distributed to various ranches near Hereford Tuesday by J. J. Clark and others. And a call has been issued for a meeting of all local sportsmen interested in hunting and fishing to meet in the county court room Thursday night, March 20, at eight o'clock, when it is proposed to organize a local Isaac Walton League, designed to encourage the propagation and protection of wild game and fish in this county.

This has all come about through a letter received by C. A. Skelton from J. Frank Eden of Canyon, Game Warden. Mr. Eden stated that he had a consignment of these quail from the State officer and would prorate some of them to Deaf Smith county if the people were sufficiently interested to organize the League for their protection. The State of Texas is nearly cleaned out of Bob Whites, and recently the State bureau made arrangements with the Mexican government for the importation of 12,000 Mexican Bob Whites to restock the Texas pastures.

Monday afternoon C. A. Skelton, Homer Fox and Carl Gilliland went to Canyon, held some talk with Mr. Eden and W. J. Fleisher, and brought back the fourteen pair of quail. Tuesday a list of places where they would be protected and would have feed and shelter was prepared and seven pairs liberated at various places on the Tierra Blanco, and the remainder at other places on the uplands.

It is especially desired that the farmers come in to the meeting Thursday night and join the League. The dues, if any at all, will be so small as not to amount to anything, and the entire plan is merely to encourage the multiplying of these quail and to arouse public sentiment in favor of them and to frown on any game and fish hogs who insist upon shooting them at sight.

Come out next Thursday night, and you will have the privilege of some good shooting and fishing in the near future—in lawful season.

CAUGHT THE CAPTAIN SHY HIS 'NOTES'

BUT VENERABLE FINANCIER WAS EQUAL TO OCCASION

L. SATTERWHITE

Spoke at Luncheon, Too, Financial Budget is Reported All Up

Local business men had the pleasure of listening to two unusual addresses Monday at the Cordova Hotel, on the occasion of the weekly luncheon of the Chamber of Commerce. State Representative Lee Satterwhite, who, with Mrs. Satterwhite was a visitor at the home of his son-in-law, Jim Sanders, was one of the speakers, while Captain John Estes started his daily cronies with a sparkling talk crammed full of horse sense. The Captain's subject was cotton, and especially good seed.

Mr. Satterwhite, who speaks here on political matters next Monday night, was very brief but complimentary of Hereford's progressiveness. He told how he had been instrumental in putting Deaf Smith county into his new district, when the state was reapportioned, so that he could have Hereford in his own district. He encouraged the team-work being shown here and predicted great things for the future, although against the coming of the boll weevil.

Captain Estes, who has been attending the dinners for years, has heretofore evaded speech-making with the statement that "I left my notes at home," but the chairman caught him napping Monday and demanded the speech, assigned him cotton as his subject. The Captain rose to the occasion and made a rattling good talk, boosting the cotton campaign here but stressing the necessity for good seed that will germinate. He was accorded an ovation at the conclusion of his address.

On motion of G. A. F. Parker it was resolved to send a sample of our virgin soil to the A & M College for analysis. Chairman McDonald stated that he had received 100 per cent response from the members in his work of raising additional funds, and had an additional \$110 per month to add to the budget. The idea of establishing a local Isaac Walton League here to protect our game birds and fish was endorsed and the members urged to attend the organization meeting next Thursday night. Amarillo was endorsed as the place for the next annual meeting of the West Texas Chamber of Commerce, while a request from Cisco for support of a native son as president of the West Texas organization was tabled for the time being. A motion picture proposition was also declined and reports received on the publicity work and other routine matters. Next Monday the meeting will be held at the City.

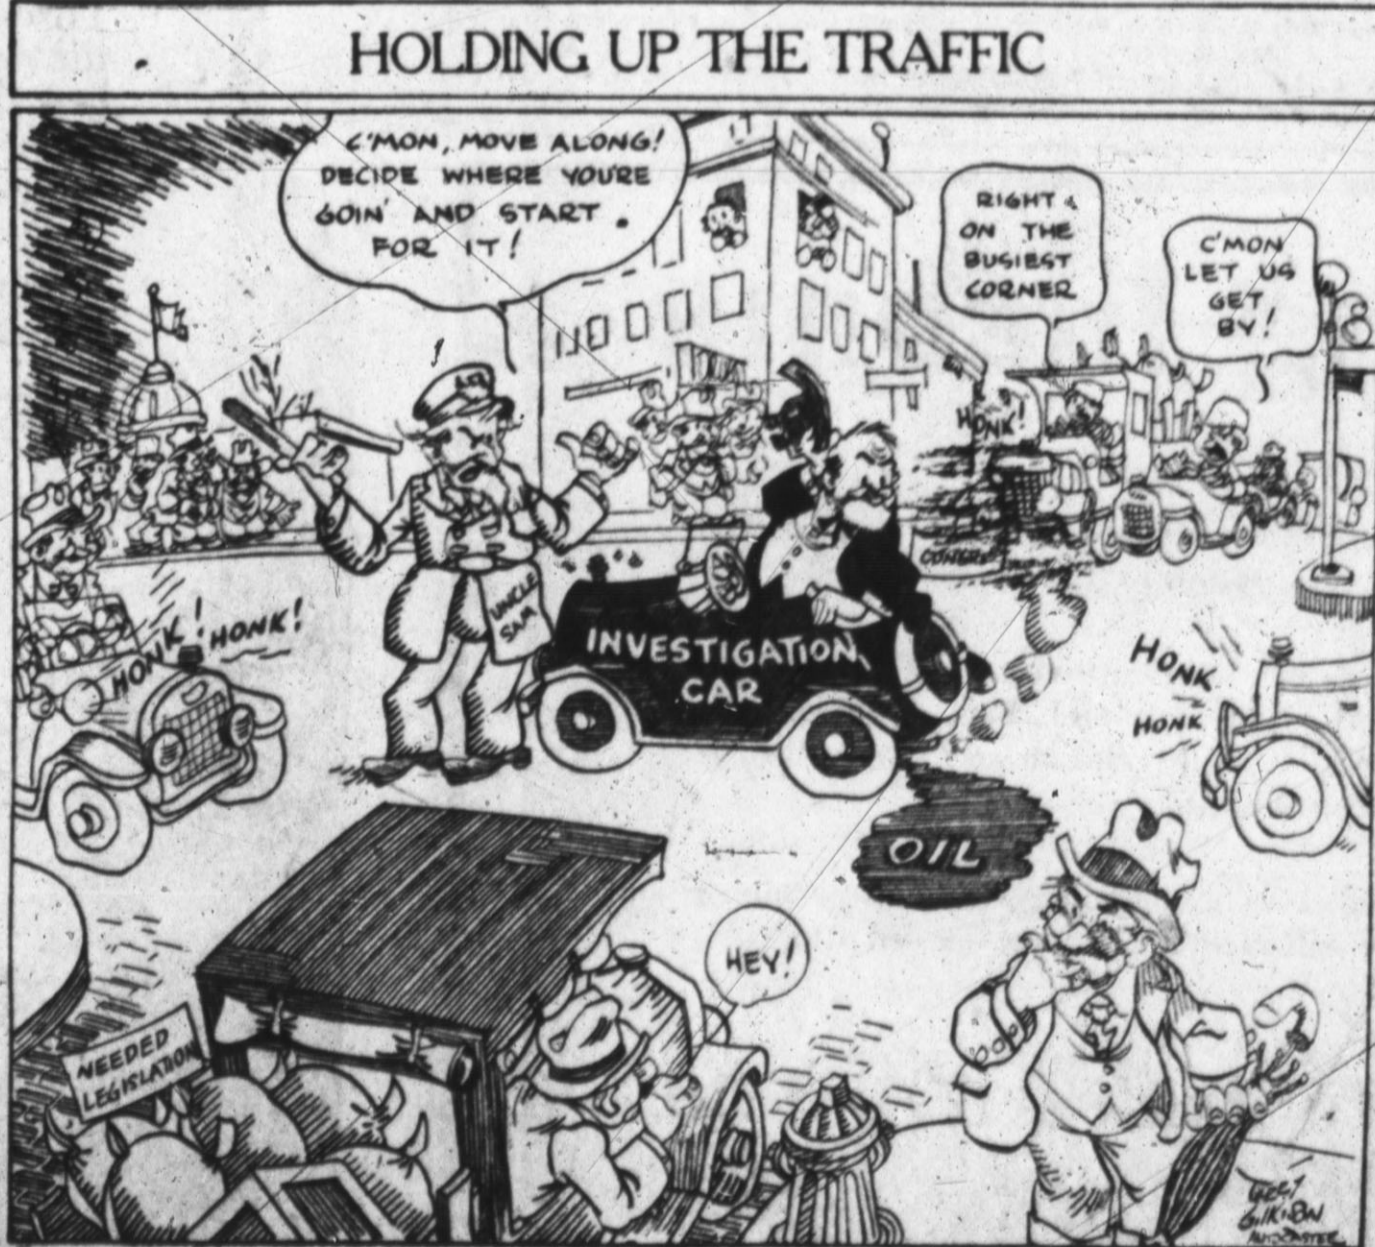

Those present were: J. H. Meehan, W. P. Mauterstock, Rev. W. P. Garvin, N. C. Vogele, C. D. Shaw, D. F. Ashbrook, L. Baskin, Rex Tynes, Homer Wilkinson, E. W. Harrison, E. S. Ireland, Geo. Overton, F. H. Oberthier, Lee Satterwhite, Jno. Estes, T. K. Wilson, D. L. McDonald, S. B. Holman, G. A. F. Parker, E. B. Black, Geo. Cloyd, J. E. Beyer, H. H. Hawkins, Jim Crawford, Walter Dunlap, Carl Gilliland, W. R. Steckman, J. E. Hill, W. D. Howard, Henry Wilkinson, C. P. Cockrell, C. C. Rockwell, N. E. Gass and C. A. Skelton.

Music Study Club Recital Will Be Held Friday Nite

The Music Study Club will hold their concert at the Methodist church next Friday night, 8:00 o'clock. During the evening program seven numbers will be given for the benefit of the children who are interested in the State Music Memory Contest and it is hoped by the members of the club that all children will be on hand to take advantage of this opportunity. The Music Club has put forth a special effort to make this concert above the average and sixteen numbers have been carefully prepared.

Odd Fellow and Rebekah Delegates to Grand Lodge

A. L. Biggs and Mrs. Hugh Witherspoon left for Ft. Worth, last Saturday. Mrs. Witherspoon will represent the Hereford Rebekah's in grand lodge on March 17 and 18. Mr. Biggs will attend a similar meeting of the Grand Lodge of I. O. O. F. held in Ft. Worth March 17 and 21 inclusive.

Miss Richbourg's Recital Largely Attended Friday

The recital of Miss Creola Richbourg for the benefit of the local Y. P. M. S. last Friday night was well attended. The audience enjoyed every minute, judging from the many encores. Miss Richbourg had a wide variety of readings and her three songs were well rendered.

Miss Swisher introduced Miss Richbourg and also made mention of the splendid work of the Y. P. M. S. During the evening Miss Richbourg read the poem by Miss Ina Gregg entitled "Mother," and Miss Densie Mae Steele played a piano solo "A La Bien-Aimee," by Edvard Schutt, in a most excellent manner.

After the recital Miss Richbourg requested The Brand to express her deep appreciation of the kindness shown her during her brief stay in Hereford.

Normal Professor Aiding Creamery Drive For Cows

Prof. Frank Phillips of the Agricultural Department of the West Texas Normal, and B. B. Holland of the Mistletoe Creameries of Amarillo passed through Hereford Monday afternoon, enroute to Friona where they were scheduled to hold a meeting Monday night in the interest of better dairy farming.

Mr. and Mrs. Tucker Wyche and little daughter, Miss Virginia, left Hereford Tuesday morning for their home in Eagle Pass, Texas. Mr. Wyche came here to qualify as administrator of the

Wyche estate. Mr. Wyche is with the International Electric Co. of Eagle Pass and has just recently been elected president of the Chamber of Commerce of his home city.

Arthur Rogers and Family Have Gone to Kansas

Arthur Rogers and family left for their new home in Bendena, Kansas, Sunday morning. Mr. Rogers has relatives near Bendena, and has leased a farm for this year.

Last Friday night the Goodfellowship Sunday school class of the Presbyterian church, of which Mr. and Mrs. Rogers are members, met at the C. O. Lee home on North Twenty-five Mile Avenue for a farewell party. The party was well attended, forty-two being present.

"The Old Homestead" at Star Said to Be Dandy

"The Old Homestead" at The Star Theatre promises to be a good one for next Thursday and Friday night. Theodore Roberts and his cast will insure a picture above the average. "The Old Homestead" is a James Cruze production and is similar to "The Old Nest" by the same producer. This picture

portrays the father's side of life where as "The Old Nest" took the mother's side. The picture is described as an emotional cyclone, a tornado of laughs, a rain storm of tears and an avalanche of thrills. Miss Oberthier, accompanied by Mrs. Paul J. Merrill on the piano, will sing "Somewhere Down in Dixie" and copies will be given away to all ladies present.

Umberger Farmers Will Plant Big Cotton Crop

William Ash of Canyon arrived here Tuesday morning and is attending to business matters. Mr. Ash owns land northeast of Umberger and he made the statement that the Umberger country would plant 5,000 acres to cotton in 1924. Mr. Ash said he had 550 acres of fall wheat up and growing, planted in September.

your friends are dead and gone. Fill their lives with sweetness, speak cheering words while their ears can hear them and while their hearts can be thrilled and made happier by them. The kind words you mean to say, say them before they are gone; the flowers you intend sending for their coffins send them now to brighten, cheer and make happy their lives and homes before they leave them. If my friends have alabaster boxes laid away, full of fragrant perfumes of love and sympathy which they intend to break over my dead body, I would rather have them now to cheer me in my weary hours, that I may be refreshed and comforted by them while I need them. I would rather have a plain box coffin without a single flower, a funeral without an eulogy, than life without the love, affection and sympathy of my friends. Let us anoint our friends and loved ones beforehand for their burials. Post mortem kindness nor carloads of flowers do not cheer the troubled spirit nor bring sunshine to the weary life after it is gone. My friends, flowers on the coffin cast no fragrance backward over life's weary way. So let us cast sunshine and bring joy today.—Brought in by E. J. Newell.

AID THE KIDNEYS

Do Not Endanger Life When a Hereford Citizen Shows You the Way to Avoid It

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Hereford testimony.

Mrs. W. M. Megert says: "My back often got sore and lame and ached a good bit of the time. My kidneys were also weak and pains shot through my back and shoulders when I stooped. Doan's Kidney Pills always relieved me of the trouble in a short time." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Megert had. Ask Quick Hearing

Rep. John Langley of Kentucky (above) and Rep. Frederick Zihlman of Maryland (below), whose names were mentioned in recent Chicago Grand Jury charges that two members of Congress had improperly used influence and received money for so doing, deny all guilt and demand a quick hearing.

FRANK SEZ!

Groceries iz bound tew go up now, cuz motor licences costs money. Other wise every thing iz lookin fine an we has better servis an hiest clas goods fer yewer aprual. Also we has buttons.

CYLES GROCERY

Not Like a Sack of Flour

You drop into the grocery store and ask for a sack of flour. "I have a truck load on the way," says the grocer, "and will send it over in a couple of hours."

That is perfectly satisfactory.

You press the button. Suppose the Electric Company would tell you that they were out of it just now but would send over a package of light in a couple of hours

The difference is that the Electric company sells service and not a commodity. It must be ready to serve its customers when they want the service. It is as reasonable for an Electric Company to be expected to be ready to serve any minute of the day as it is reasonable for the dealer in staple commodities to take two hours to make delivery.

But this is a factor in the Electric Service that many users of the service have not considered when they appraise the service.

PRAIRIE DOG DRIVE NOW ON!

We are now starting a drive to kill all prairie dogs in Deaf Smith County, and in so doing, we are fortunate in having the services of Mr. A. L. Bridenstine, who is with the Government, and is going to stay here and give his assistance in the work.

If you remember last spring, all residents and non-residents were legally notified and we have been rather lenient in giving every one plenty of time to destroy the dogs on their land, and quite a number of residents and non-residents have complied with the law; but now it has fallen to me, as Sheriff, to rid the county of these pests, and I have made arrangements for some help in this work, and would like to have the cooperation of every citizen in the county to make this a success.

The county has the poison, and you can get it at cost from the janitor at the court house.

Any assistance rendered to this work will be greatly appreciated.
C. S. PURCELL, Sheriff,
Deaf Smith County, Texas.

DON'T RAISE SMUT!

Grain smut can be destroyed and thousands of dollars saved by the use of formaldehyde. The government recommends its use. We sell the best grade of

FORMALDEHYDE

for this purpose. The cost is very little compared with the results obtained. One pint of formaldehyde will make forty gallons of smut killer. We can also supply a superior grade of

BLUE-STONE

to those who prefer to use it as a smut killing agent.

Just Suppose

There are few, indeed, who realize the place of insurance in the work and the life of the world. If insurance suddenly should be eliminated as a factor in modern civilization, its fundamental importance at once would be appreciated. Such a catastrophe would bring about the collapse of our whole well-knit industrial system, would paralyze transportation and distribution, would throw back credit to the pawn-shop stage of existence, would ruin banks, stop building, increase prices enormously and destroy at a single stroke most of the material progress of the world during the last hundred years.
