## HISD dazed by error in state funds

### \$468,000 'lost' via computer printout

BY SPEEDY NIEMAN  
Publisher-Editor

Hereford Independent School District trustees didn't have the school funding issue on the agenda Thursday night, but it loomed in the background after Supt. Charles Greenawalt learned Wednesday that the district will receive \$468,000 less than it anticipated under the new "reform" legislation.

On June 2, HISD was informed that Texas Education Agency figures indicated the school would receive about \$576,000 in new state funds as a "property poor" district. Wednesday, Greenawalt learned that TEA used outdated information and that the amount produced by the formula will be only \$108,000. Amarillo and Canyon schools suffered the same kind of news, said Greenawalt.

When Fred Fox, chief of the Deaf Smith County Appraisal District, appeared to recommend that the district drop the school tax on personal vehicles, the board quickly got into the finance issue. Fox estimated a net loss of almost \$67,000 if autos were dropped from the tax roll, which would take a 1.5-cent hike in the property tax rate to recover.

Fox said the tangible personal property tax on vehicles amounted to about \$17 million on the tax roll, or a potential \$128,860 on a 100 percent collection rate. However, the auto collection rate traditionally averages about 65 percent on collections or a

net of approximately \$83,759. Next tax season, the appraisal office will be required to pass along its cost, deducting another \$16,800 from the collections, for a net of about \$67,000.

However, Greenawalt noted that a reduction of \$17 million from the tax base could result in the school district receiving more state funds from the new formula. If this is correct, the district could still recoup its loss from dropping the vehicle tax.

Under the formula which rewards property poor districts for a higher tax rate, the district could also pick up more funds by increasing the tax rate. While it was not discussed at the meeting, a tax hike appears certain--the question just seems to be: how much?

Since a public notice is required 30 days before a hearing on the vehicle tax, trustees voted to conduct a hearing on whether a resolution is passed to continue the tax. After checking with the state property tax board, the trustees might cancel the hearing and drop the vehicle tax without having a public hearing.

In urging the board to consider dropping the vehicle tax, Fox said it "caused a tremendous workload in the office and has a big margin of error." In addition, he mentioned the 65 percent collection rate, the number of tax suits filed--many of which are never collected.

### Sales tax rebate check up 6% here

July's sales tax rebate check to Hereford was \$45,093--an increase of 6.28 percent over the same period last year. The check includes taxes collected in May and reported in June.

State Comptroller Bob Bullock said this month's rebate checks to cities and counties in Texas totaled \$84 million. "That's a comfortable jump ahead of last year's payments and another indication that our economy continues to grow," said Bullock.

The hot, dry weather has been prime topic of conversation around Hereford lately. There are some good things about "the good old days," but living without an air conditioner was not one of them!

Charlie Bell, a local bird lover, reports it's been so hot that his feathered friends are blowing on the worms before they're.

Bill Lyles told a friend he barbecued hamburgers on the grill July 4th--and he forgot to light the charcoal!

Jerry Roberts, out north of Hereford, reports he's been feeding his chickens cracked ice to keep 'em from laying hard-boiled eggs!

A number of readers may have received a request to send a get-well card to Craig Shergold of England, who has a brain tumor and was given little time to live. We received a couple of requests and long lists of persons and firms who have sent cards, and we were asked to send the request to 10 others.

The story is very true about Craig, except that he is 10, not 7 as reported in the letters, and his wish has already been fulfilled. He received well over 16 million cards and has his Guinness Book of World Records as the individual having received the largest number of get well cards. There is no need for further cards, according to a report from the postmaster in Carshalton, England. At last report, Craig's condition was better and he was full of praise for what people had done for him but he would like the cards to stop now.

## School Board talks to 4 trustee candidates; okays insurance bid

The Hereford School Board, in a regular meeting Thursday night:

\*discussed whether or not to keep taxing personal vehicles (see related article).

\*appointed Sylvia Flores to the Juvenile Board and Dennis Newton as a network member of the Texas Association of School Boards,

\*approved a bid for insurance on all athletes and UIL participants,

\*approved the district's participation in the Region XVI Media Services Center,

\*approved resignations and recommendations for employment,

\*recognized employees of the month,

\*heard regular reports, ratified bills and approved the June 12 minutes,

\*and went into executive session to interview candidates interested in being appointed to fill unexpired terms on the board.

Supt. Charles Greenawalt introduced four men who indicated an interest in being appointed to the board to fill the places of Kathy

Moore, Place 4, and Shirley Wilson, Place 5, both of whom resigned recently.

Mike Veazey is the Place 4 candidate, while Bud Jowell, David Bone and Joe Flood are candidates for Place 5. The board is not expected to make the appointments until next month.

Bea Knabe, cafeteria manager at Northwest Elementary, was named as the para-professional employee of the month, and Maria Garcia, elementary counselor, who will be at West Central this fall, was named the professional of the month. Board president John Fuston presented them with certificates.

The board accepted resignations from Jane Blea, Northwest; Emily Knight, junior high, and Debra Noblett, Tierra Blanca. A leave of absence for next year was given Janice Carr, Bluebonnet.

Recommended for employment were Naomi Ponce, Northwest; Jennifer King, Tierra Blanca; Beverly Hamilton, West Central; Lynette Hughes, Shirley; Rebecca Gee, Tierra

Blanca; Lisa Sprague, junior high, and Shannon Jensen, Shirley.

Richard Souter, assistant superintendent, reported that construction on the bleacher addition at Whiteface Stadium is now scheduled for completion by Aug. 22. The contractor notified Souter of the work schedule, which is about two weeks longer than originally set.

Souter also reported on the best bid for insurance on athletes, and the

board accepted a bid from Standard Life & Casualty for \$27,555. Premiums were up about \$11,000 over last year.

The board meeting lasted about one and one-half hours before trustees went behind closed doors for the personnel discussion.

Attending the meeting were all five current board members: John Fuston, Raymond Schlabs, Steve Coneaway, Sylvia Flores and Dennis Newton.

## Bush receives high grade at Summit

HOUSTON (AP) - In the midst of furious negotiations at the seven-nation Houston summit, the Europeans balked at U.S. pressure to yield on farm subsidies. The White House negotiators finessed the moment and it passed.

"The Europeans were being critical, but in fact they were

complimenting President Bush. They kept saying that this is the least pushy of the White House administrations in many years," said a Canadian official who recounted the moment.

"Bush is exactly suited to bridging the gap by persuasion," the official said.

At the Houston meeting this ability proved crucial.

The U.S. president met this week with the leaders of the other major industrialized democracies in radically changed circumstances.

The Cold War, which for decades kept the militarily mighty United States as the undisputed leader of the West, is over.

And gone, too, is America's once unquestioned economic dominance.

For Bush it amounted to a unique challenge: would the others still accord the United States a pre-eminent role, and would they still feel they need Washington in quite the same way?

At the end of three-day meeting with the leaders of Canada, Japan, West Germany, France, Britain and Italy, the answer appeared to be an unqualified yes, despite the subtly changing dynamics.

The Europeans, apart from Britain's unwaveringly pro-American Margaret Thatcher, are often prickly about U.S. muscle. But they were full of praise this time.

West Germany, whose dominance in Europe is soon to be enhanced in a united Germany, bowed gracefully to U.S. rejection of its urgings for direct financial assistance now to the Soviet Union.

"George Bush continues to be the most reliable friend the Germans

## Clayton, Ann complain of 'trash slinging, racism'

AUSTIN (AP) - Republican Clayton Williams says Democratic opponent Ann Richards is slinging "trash" in the governor's race, and Ms. Richards claims Williams is letting women do his political fighting for him.

On Thursday, Williams state co-chairwoman Carole Rylander complained about a fund-raising letter from Democratic National Committee Chairman Ron Brown.

The letter tries to inaccurately compare state Rep. David Duke of Metairie, La., and his record of racial hatred, to Williams, "and his long-standing commitment to racial harmony," Ms. Rylander said.

Duke, a candidate for a Louisiana U.S. Senate seat, is a founder of the National Association for the Advancement of White People.

Brown's letter also described Williams as a man who jokes about rape, brags about being "serviced" by prostitutes and is an "ardent opponent of a woman's right to choose."

Asked if she thought Williams was a racist, Ms. Richards replied, "No."

A spokesman for the Richards campaign, Glenn Smith, said, "I don't know why they would want to call attention to similarities between Clayton Williams and David Duke,

"Clayton Williams is still hiding behind the skirts of various women that he trots out to do his attacks, and I think that if he wants to fight, he really ought to come out, do it personally, and he ought to fight like a man," Ms. Richards told a news conference.

## Man killed after chase near Dalhart

DALHART, Texas (AP) - A South Dakota man suspected of stealing \$10 worth of gasoline was killed after a 40-minute chase with police when he rammed a tractor-trailer truck, authorities said.

Robert Theodore Mayer, 42, of Sioux Falls, S.D., was killed when his sedan struck the truck Tuesday night about 31 miles southwest of Dalhart on U.S. Highway 54, authorities said.

Mayer was suspected of stealing the gasoline from a station in a

neighboring county.

A state Department of Public Safety trooper tried to pull over Mayer. But Mayer instead sped up to about 75 mph, said trooper Ben Urbanczyk.

Mayer left the highway and traveled on several dirt roads south of Dalhart before re-entering U.S. 54, and forcing Urbanczyk's patrol car into a ditch.

Mayer also veered into an oncoming lane, forcing a truck into a ditch, before crashing.

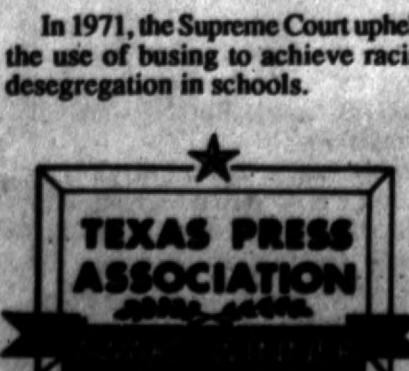

Urbanczyk told the Amarillo Globe-News that Mayer had ample money in his billfold to pay for the gas.

Mayer was scheduled to appear at a preliminary court hearing in Mitchell, S.D., Thursday on charges of simple assault and making a false bomb report.

Ronald James Frische, 25, of Dalhart, the driver of the truck that Mayer rammed, was treated for minor knee injuries at Coon Memorial Hospital in Dalhart and later released.

Hartley County Justice of the Peace Yvonne Whitaker ordered an autopsy.

Dalhart is 90 miles northwest of Amarillo in West Texas.

## Two Texas Demos fight over budget proposal

WASHINGTON (AP) - Two powerful Texas Democrats are vigorously fighting each other over a proposed balanced budget amendment to the Constitution.

Both Rep. Jack Brooks of Beaumont and Rep. Charles Stenholm of Stamford have increased their efforts to win supporters as the House nears next Tuesday's vote on the proposal.

Stenholm on Thursday led a parade of about 20 House members at a news conference to accept more than 500,000 petitions from a taxpayers' organization that supports the amendment.

Brooks, who as chairman of the Judiciary committee prevented action on the proposal for more than a year, conducted two hearings on it this week.

President Bush's budget director Richard Darman told Brooks the administration supports the amendment. But four former budget directors testified against it.

The hearings confirmed what Brooks has thought for years, he said.

"There's no magic bullet that will solve budget problems," Brooks said Thursday. "It will not work. It's impractical. It's dangerous for the country."

Last month, the amendment was wrested from the Judiciary committee when Stenholm and others got half the members of the House to sign a petition that kicked the bill straight to the House floor.

Brooks said he called the hearings this week so House members would have "a record on which to base an informed opinion."

Stenholm said, "I have respectfully asked of the dean of my delegation and the chairman of the Judiciary committee for the last year and a half that he schedule hearings.

"He's made it very clear all the way through he opposes it. I respect that," Stenholm said.

"Texas has all kinds of Democrats and a few Republicans. You will find

some Democrats vote with Republicans," Brooks said. "I'm very friendly with them. I don't vote with them."

Stenholm said he would review testimony from Brooks' hearings. But he said petitions and opinion polls show overwhelming public support for the amendment.

"This is a living example of the support of the people," Stenholm said, pointing to piles of petitions that were placed on the Capitol lawn for the news conference.

The amendment proposal is sponsored by Stenholm and Reps. Tom Carper, D-Del.; Larry Craig,

R-IDaho, and Bob Smith, R-Ore. About 245 other congressional members have signed on as co-sponsors, including 20 congressmen from Texas.

They need to round up votes from about 40 others to reach the 289, or two-thirds of the House, required for a constitutional amendment.

A victory would be a major accomplishment for Stenholm, who became known 10 years ago as the leader of a group of conservative Democrats called the Boll Weevils.

In addition to Brooks' opposition, the House leadership has offered little support beyond scheduling the vote.

## Gray County sheriff will be arraigned on felony charges

PAMPA, Texas (AP) - The Gray County sheriff will be arraigned July 31 on a felony charge of tampering with government documents and three counts of hiring unlicensed deputies.

Sheriff Jimmy Leroy Free, chief deputy Ken Keith and chief jailer Othal Hicks were indicted this week by a grand jury investigating department actions.

County Judge Carl Kennedy said that the indictments stem from an investigation by the Texas Rangers into Free's suspension of three staff members of the Gray County Sheriff's Department in April.

The three will be arraigned in 223rd state District Court, said District Clerk Vicki Walls.

The charge of tampering with government documents alleges that Free tampered with Hicks' law enforcement certification, Ms. Walls said.

The three misdemeanor charges allege Free appointed unlicensed officers James Walker, Carol L. Cobb and Michael A. Lane with the knowledge they lacked approved licenses from the Texas Commission

on Law Enforcement Standards, the Amarillo Globe-News reported.

Keith was indicted on two counts of tampering with government documents and one count of perjury in front of a notary. The tampering charges stem from the alteration of his own high school diploma to represent that of Hicks. The misdemeanor charges stem from perjury in front of notary, when he swore he had nothing to do with altering his diploma, Ms. Walls said.

Hicks was indicted on one count of tampering with governmental records and committing perjury in front of a notary.

Tampering with government documents is a third degree felony punishable by two to 10 years in prison and fines up to \$5,000. The hiring of unlicensed deputies and committing perjury in front of a notary are misdemeanors punishable by up to a year in prison and a \$1,000 fine.

Keith, Hicks and secretary Sue Matthew were suspended in April amid allegations that Keith altered his own high school diploma to make it

have," said Hans Klein, spokesman for West German Chancellor Helmut Kohl.

"But someone like Helmut Kohl understands that his actions sometimes have to be guided by different considerations from ours."

And Japan, which has already replaced the United States as the world's largest creditor country, said Bush showed at Houston that America can lead by persuasion.

"He is showing himself to be very, very competent and has an ability to be very considerate to the feelings of other nations," said Japanese Foreign Ministry spokesman Taizo Watanabe.

"The potential of the United States is still greater than it has shown in actual achievements ... it still attracts people from our country who are looking for the best atmosphere in which innovative activities can be pursued."

The summit had its sticky moments. There was tough talking to find a compromise between American demands for a real commitment to cut agricultural subsidies and European resistance.

West Germany wanted to go a lot farther than the United States on environmental measures. And while Britain, Japan and Canada lined up with the United States on the Soviet aid issue, West Germany, France and Italy had strong opposing views.

"There were real breakthroughs that I wouldn't have thought possible a week ago," said the Canadian official, who spoke on condition of anonymity.

"And much of this was due to George Bush. He gives the impression of being an erudite Ivy League professor. He is very well-briefed, seldom speaks from notes, and uses logic and argument, not strongarm."

The summit, the second time Bush had met the European leaders in two weeks including a North Atlantic Treaty Organization summit in London, also appeared to have been genuinely friendly despite the differences.

"George Bush's chairmanship was very relaxed," said British Foreign Secretary Douglas Hurd. "It's been very clear-headed and conciliatory."

look like it was that of the jailer, who never was graduated from high school. Keith resigned from the sheriff's office on Feb. 26.

Keith later accused Free of vindictive actions because he was planning against running against the sheriff in the next election in 1992.

Town demonstrations against Free also were held, with picketers demanding an investigation be made into the three suspensions.

Free, a write-in candidate, defeated longtime Sheriff Rufus Jordan for the sheriff's post on Nov. 8, 1988.

## Drowning prevention checklist

The National Spa & Pool Institute offers parents and pool and spa owners the following checklist to help prevent child drownings:

**Supervision:** Never take your eyes off your child when he or she is in or near a swimming pool, hot tub or spa, even for a second. Don't allow barriers, such as fences or walls, to give you a false sense of security. Keep toys, tricycles and other playthings out of the water and away from the pool or spa. Don't rely on inflatable devices to keep your child afloat or believe your child to be "drown proof" because he or she has had swimming lessons.

**Barriers:** Make sure your pool or spa has effective barriers such as a fence/wall/latched doors/cover/alarm that guard against unsupervised access. Make sure doors, windows and gates leading to the pool area are kept closed and are equipped with exit alarms or self-closing devices. Latches should be out of the reach of young children. Always drain standing water off of the pool or spa cover.

**Emergency procedures:** Learn how to administer lifesaving techniques to children, including CPR. Install a phone or keep a cordless phone in the pool or spa area. Know how to contact local emergency medical services. Post the numbers in an easy-to-see place.

For free brochures on child drowning prevention, write: NSDI, 2111 Eisenhower Ave., Alexandria, Va. 22314 or call 1-800-234-SAFE.

A trip to the Don Harrington Discovery Center has been planned for July 29. All Sunday school classes from nursery through adult are invited. The group will leave the church at 1 p.m. and return after supper. Those attending will need money for a pizza supper (\$3-\$5).

Idie Gear was elected clerk of the Session last week. Appreciation goes to Velta King who has served as clerk of the Session for the past two years.

The Women's Bible Study will be held at the church at 9:30 a.m. on Monday. The study is in James with Helen Rose as leader.

## FIRST BAPTIST CHURCH

Vacation Bible School will be held July 16-20 from 9 a.m. to noon at the church building.

On Sunday, July 22, Hugh and Joan Jenses will be presenting an hour of gospel singing and puppetry.

Youth Camp is scheduled for July 16-20. If you have not picked up your camp forms, please do so by Friday.

All forms need to be completed, signed, and turned in along with the cost for the youth camp (\$55). Youths will be leaving Monday, July 16, at 12:45.

The youths Six Flags trip will be Aug. 1-3. Please note that this is a different date than previously announced. All youths who want to go, need to sign the Six Flags list in the youth room by Sunday, July 15.

Sunday services begin with Sunday school at 9:45 a.m. The morning worship services will begin at 11 a.m. and youth disciple will be at 5 p.m. Evening worship services will begin at 6:30 and Sunday Night Live will begin at 7:15.

## IMMANUEL LUTHERAN CHURCH

Sunday School is at 10 a.m. with classes for all ages. The children are studying life in Bible times and the adult class will finish the study of the book of Philippians this Sunday. Morning worship is at 11 a.m. The sermon will be "Peace and the Sword", based on the text from Matthew 10:34-42.

Vacation Bible School will be held each evening from 7-9 p.m. Please make plans to attend. Everyone is welcome. Classes will be held for three-year-old children through the eighth grade. We will have worship, Bible study, games, crafts, and refreshments. If you need a ride, or for more information contact the church office at 364-1668 or 364-1667.

## Home health care coverage can make recovery more comfortable.

Full recovery from a serious illness can take much longer than a stay in the hospital... especially if the patient is elderly. Recuperation at home can be more comfortable and secure. It can also cost your parents or your family a lot of money for which Medicare does not reimburse you.

That's why the CNA Insurance Companies, one of several major companies our independent agency represents, created a new Home Health Care Plan. It provides coverage your parents and your own family may need to help pay the costs of professional health services performed at home.

Contact our agency for a discussion that can make your whole family more comfortable about the future.

## FELLOWSHIP OF BELIEVERS

Doug Manning is the regular worship leader for the worship service from 10-11:30 a.m. Sunday. Everyone is invited to worship with the fellowship at its temporary location at the Hereford Senior Center, 426 Ranger.

Anyone who is not actively involved in a church is invited to consider the new congregation. We are an interdenominational church that ministers to anyone in need wherever they might be and whoever they might be.

There are many unique ministries designed to serve needs in the Hereford area.

The "taxi" service is designed to take anyone to and from any church in Hereford and to meet other transportation needs.

Persons needing the service may call 364-0359 seven days a week. There is no cost for the service.

The service is available during the week for persons needing a ride to or from anywhere, just call 364-0359. In an emergency, call 364-3869.

The study of the New Testament will begin at 9:15 a.m. Sunday. All interested persons are invited.

The Ministry of Manual Labor, or "MML", is going strong with projects ministering to the needs of the community. It meets at the Senior Center at 9 a.m. the first and third Sunday of each month, and all men interested in the program are invited.

A bullockmaking capacity and the six petals to all its blooms mark all the members of the lily family. Thus, the calla, with its single bowl, is not a member of the lily family at all.

## FIRST CHURCH OF THE NAZARENE

There will be a short and final meeting regarding the backpacking trip this Sunday following Care Groups.

Summer camp for the junior camp will begin July 16. The senior high camp starts July 23 and the mid-high camp will be July 30. Pre-registration fee is \$65 and late registration is \$75.

The church will meet Wednesday at 8 p.m. for Bible study with special Bible classes for all ages.

## CENTRAL CHURCH OF CHRIST

The meetings of the Central Church of Christ for Sunday, July 15, are Bible school for all ages at 9:30 a.m. and morning worship service at 10:25 a.m. The evening worship will be at 6 p.m. The public is invited to attend.

The church will meet Wednesday at 8 p.m. for Bible study with special Bible classes for all ages.

## Hints given on health

Doctors say people put up with far too many health problems that can be avoided. Here are some hints and techniques anyone can use to heal everyday health problems. They're from the editors of Prevention Magazine Health Books.

\* If you're allergic to pollen, probably the single most important thing you can do to alleviate your suffering is to air-condition your house. This also helps with two other chief inhalants: molds and dust mites.

\* The best way to increase your energy level is to get plenty of rest, eat a balanced diet and exercise. One tip is: give yourself an extra 15 minutes in the morning before you start your day. That way you don't start off feeling rushed and tired.

\* Arrest those energy robbers. If you have a problem on the job, or if there's a family feud, resolve it.

\* If you have a sore muscle, wrap it in an Ace bandage to keep the swelling down. Just be careful not to wrap too tightly or you could cause swelling below the injured area. Compression may stop cramping, too.

\* Put your feet up. This is the advice when you've injured your foot or lower leg.

## SWC-Big 8 deal could keep Hogs around

GRAPEVINE, Texas (AP) - Talk in the Southwest Conference about aggressively pursuing a playing alliance or even a merger with the Big Eight, and perhaps a playing alliance with the Western Athletic Conference.

Individual schools mentioned as expansion candidates have been Oklahoma, Tulane, Texas-El Paso and Tulsa.

Jacoby noted that Arkansas was an active participant in Thursday's discussions and was supportive of the suggestions which were set forth and which now will be put before league presidents, who meet next week in Dallas.

"The University of Arkansas is a full participating member of the conference, they're a very valued member of the conference, and we have every reason to believe and hope that they will remain a member of the conference," Jacoby said.

"The movement toward change was realistic, it was enthusiastic and it was encouraging," Broyles said.

"Other conferences are moving toward change, to get prepared for what might be happening in the '90s, and the Southwest Conference is not going to sit still. It's going to be moving, and that was exciting for not just Arkansas but everyone who was in the room," Broyles added.

Vick said, "We need to find a way to rejuvenate that interest in college athletics and increase the attendance and thereby the interest and economic health of all our programs."

Representatives from all nine SWC schools met for six hours in a hotel at the Dallas-Fort Worth International Airport and hammered out possible options to increase attendance at sporting events.

Arkansas and two other schools being courted by the SEC - Texas and Texas A&M - have sounded the need for a more lucrative TV football contract.

Among the possibilities the SWC are considering are scuttling the conference's round-robin schedule so teams could arrange games with opponents that would be more attractive for television and fans.

SWC commissioner Fred Jacoby said in looking at expansion, the league has no specific number of new teams in mind "but it will be a significant number."

"We discussed the possibility of expansion of the conference. There has been some interaction between our conference and other institutions and our conference and other conferences," said SWC president Dr. James Vick, the faculty representative of the University of Texas.

"I won't say specifically which schools or which conferences. All of these items are under active consideration and will be pursued as we go into the next couple of months," he said.

The Dallas Morning News quoted several SWC sources as indicating the league would pursue a playing

alliance or merger with the Big Eight, and perhaps a playing alliance with the Western Athletic Conference.

## Olympic Festival track and field records broken

MINNEAPOLIS (AP) - The track and field portion of the U.S. Olympic Festival may lack big names, but it didn't lack big winners on the first day of competition.

Three athletes set festival records Thursday, led by Lance Deal's hammer throw of 254 feet, 9 inches. That was the best in America this year, surpassing the throw of 254-4 by Ken Flax of the New York Athletic Club.

"I've had mediocre season to this point, but this was a great meet, my season's best," said Deal, 28, of Casper, Wyo.

Skies cleared around the Twin Cities on Thursday, allowing sports from baseball to yachting to resume after one-day delays. Competition also began in diving, while the men's gymnastics all-around title was decided and a tennis player won two gold medals and a silver.

Women's gymnastics begins tonight with the all-around and team competition.

The winning hammer throw by the 6-foot-2, 256-pound Deal broke the festival record of 242-5 by Jud Logan of North Canton, Ohio, in 1985.

"This just shows the progression of time," Deal said. "In '85, when Jud set the record, 242-5 was a great throw. I felt that record was itching

to be broken because a lot of guys have thrown a lot farther than that between then and now."

Deal, who made the 1988 Olympic team, finished third in the TAC championships this year after having won the title in 1989.

Schowonda Williams of Baton Rouge, La., arrived in Minneapolis about 3½ hours before scheduled race, the 400-meter hurdles. Even so, she won in 55.57 seconds, breaking the festival record of 55.63 by LaTanya Sheffield of El Cajon, Calif., in 1987.

"Everything was smooth except I was a little tired at the end because I just got here," said Williams, a former Louisiana State runner who won the 1988 NCAA and TAC championships.

Shelly Steely of Eugene, Ore., lapped all but two runners in the 10,000-meter field on her way to a time of 32:41.14. The festival record was 33:28.21, set last year by Colette Murphy of Indianapolis.

In men's gymnastics, UCLA junior Chainey Umphrey scored a 9.85 on the horizontal bar - his final event of the night - to edge Bill Roth of Temple for the gold medal in the all-around.

### Junior golf tourney set

The Hereford Junior City Golf Championship has been scheduled for July 23-24 at Pitman Municipal Golf Course, head pro Brent Warner has announced.

Competition will be held in three age groups for boys (15-17, 13-14 and 12-and-under) and two for girls (15-17 and 14-and-under).

# Expo rookie shuts out Atlanta, 2-0

By The Associated Press

Montreal rookie Mark Gardner's third shutout of the season wasn't as easy as it seemed.

First, Gardner had to wait out a rain delay of one hour and three minutes at Fulton County Stadium. The rain went away but the heat and humidity stayed. But when the game was over, Gardner had a four-hitter and a 3-0 over Atlanta.

"Mentally, it was one of my best games, but the heat got to me for the first few innings," Gardner said. "He also struck out 10 and walked none to improve to 6-4."

"It was a fast game and I didn't get much rest on the bench," Gardner said. "It was humid, there was no air and it was tough to breathe. The guys coming off the basepaths were huffing and puffing. But about the fifth, I got my second wind."

Gardner got a chance to pitch for the Expos this season because Mark Langston, Bryn Smith and Pascual Perez all left to sign free agent contracts. Gardner was 12-3 for Class AAA Indianapolis in 1989, but 0-3 in seven games with the Expos.

Gardner, who has also shut out San Francisco and Houston, has failed to go at least five innings just twice in 16 starts this season.

"I think people are going to have to start considering Mark as a candidate for Rookie of the Year," Expos manager Buck Rodgers said.

Elsewhere in the NL it was Pittsburgh 4, San Diego 3 in 15 innings; Los Angeles 6, Chicago 3; Houston 7, Philadelphia 4; San Francisco 4, St. Louis 2; and New York and Cincinnati split a double-header. The Mets won the opener 10-3 and the Reds the nightcap, 3-2.

Marquis Grissom and Tim Raines opened the top of the seventh with singles off Atlanta starter Tom Glavine (5-6) and Tim Wallach followed with his 14th homer.

Umpreys compiled 57.50 points to beat Roth's 57.45. Mark Warburton, a senior at Nebraska, finished third with 56.80.

The top name on the women's side is 17-year-old Brandy Johnson of Tallahassee, Fla. Johnson is here instead of the upcoming Goodwill Games after finishing third at the U.S. Championships. A fall from the balance beam cost her the all-around title in that meet.

Tennis player Keri Phibbs of Newport Beach, Calif., put in a long day Thursday. She started out by winning the singles gold medal, then added the mixed doubles title to her collection.

After that, Phibbs took the court again for the women's doubles championship. After two sets, she walked off the court and lay down.

"I got tired midway through the second set because I had no time to eat between mixed doubles and women's doubles," Phibbs said. "I didn't have any energy."

After drinking water and eating some candy and bananas, Phibbs returned for the third set, which she and her partner lost.

The festival's defending 3-meter diving champion, Kent Ferguson of Boca Raton, Fla., took the lead in the preliminary round Thursday night.

Ferguson had a score of 634.77 for his 11 dives. Pat Jeffery of Madison,

New York. The Reds averted the sweep as Danny Jackson (4-2) scattered five hits and Howard Johnson threw away a first-inning grounder by Eric Davis to let in one run and set up another.

Dwight Gooden (9-5) won his sixth straight start in the opener despite twice failing to hold leads. He gave up nine hits in seven innings and struck out six before yielding to Bob Ojeda. Gooden benefited from four homers.

**Dodgers 6, Cubs 3**

Lenny Harris drove in two runs with a pair of singles and Los Angeles scored three unearned runs.

Fernando Valenzuela (7-7) went seven innings. Jay Howell worked the last two innings for his fifth save. Mike Harkey fell to 6-4.

**Giants 4, Cardinals**

Matt Williams drove in his league-leading 70th run and Kevin Mitchell hit his 22nd homer.

Scott Garrels (6-7) retired 16 of the last 17 batters. He allowed seven hits, struck out two and walked one.

**Astros 7, Phillies 4**

Rookie Javier Ortiz borrowed teammate's Eric Anthony's bat, hit his first major league homer and drove in three runs.

Ortiz, who had 25 at-bats since being called up from Tucson on June 13, got his first major league RBI with a first-inning double and put Houston ahead with his homer in the third.

Bill Gullickson (6-6) pitched five innings for the victory, while Dave Smith got the final three outs for his 17th save.

**Pirates 4, Padres 3**

Jeff King's two-out single with two outs in the 15th inning off loser Calvin Schiraldi ended a bullpen duel as Pittsburgh beat visiting San Diego, spoiling the debut of Padres manager Greg Riddoch.

The Pirates, winning for the eighth time in 10 games, had not scored off five pitchers since Barry Bonds' three-run homer in the first inning.

Four relievers shut out San Diego over the final 7 2-3 innings, including four shutout innings by winner Bob Patterson (6-3).

It was only the second time brothers have pitched no-hitters in the majors, matching the accomplishment of Ken and Bob Fosch. Ken pitched one on April 7, 1979, for Houston against Atlanta and Bob threw two for St. Louis - April 16, 1978, and Sept. 26, 1983.

"I wanted him to pitch well, but I wanted us to win," Pascual said. "Maybe it would have been better if he had pitched a no-hitter and lost."

No-hitter and lose? Ask Andy Hawkins, Thursday's losing pitcher.

Hawkins held the White Sox hitless on July 1 at Comiskey Park but lost the game 4-0 when Chicago scored four runs in the eighth inning on two walks and three errors. In his next start last Friday, the hard-luck right-hander pitched 11 shutout innings but lost, 2-0, to Minnesota in 12.

Wilson finished with 463.59 points to Lucero's 453.90.

In the gold medal baseball game, Aaron Knieper of Saginaw, Mich., pitched 6 2-3 innings for the victory as the North beat the West 7-4.

Knieper also had two hits and drove in four runs.

The East beat the South 7-3 for the bronze.

# ChiSox' Perez no-hits Yanks

By The Associated Press

When it comes to no-hitters, the Perez family seems to get the short end. They don't lose them, they just can't get them finished.

Melido Perez matched his brother's feat of two years ago when he pitched a rain-shortened, six-inning no-hitter against the New York Yankees on Thursday night. His brother, Pascual, pitched a five-inning no-hitter for Montreal against Philadelphia on Sept. 24, 1988.

"I wanted him to pitch well, but I wanted us to win," said Pascual, who watched Chicago's 8-0 victory from the Yankees' dugout. "Maybe it would have been better if he had pitched a no-hitter and lost."

That's what happened last week to Yankees starter Andy Hawkins (1-7). He held the White Sox hitless on July 1 at Comiskey Park but lost the game 4-0 when Chicago scored four runs in the eighth inning on two walks and three errors.

"It's strange, all these no-hitters," Hawkins said. "But just because I was on the mound having one thrown against us doesn't make any difference to me. I just wasn't very good tonight. The guy across the field was better."

With one out in the top of the seventh inning, Dan Pasqua doubled.

Home plate umpire Tim Tschida ordered the field to be covered as the rain picked up. The game was called after a 1-hour, 3-minute wait.

In other games, Toronto beat California 5-0, Oakland beat

Milwaukee 5-3, Cleveland beat Seattle 5-4 and Texas beat Detroit 11-1. Rain postponed Minnesota's game at Baltimore and Kansas City's game at Boston.

Ken and Bob Fosch are the only other brothers to throw no-hitters.

The seven no-hitters this season matched the record set in 1908 and tied in 1917. The six no-hitters in the AL this year is a record.

**Blue Jays 5, Angels 0**

Fred McGriff homered twice, giving him seven in his last 12 games, and David Wells (7-2) allowed five hits in eight innings.

Kirk McCaskill (6-6) lasted only

3 2-3 innings.

**Athletics 5, Brewers 3**

Mike Moore went over .500 for the first time this season and Jose Canseco put the Athletics ahead with a two-run single in the fourth inning.

Moore (8-7) allowed six hits in eight-plus innings, walked six and struck out three.

Ted Higuera (6-3) retired the first

nine batters but was knocked out after 4 1-3 innings, six hits and four runs.

**Indians 5, Mariners 4**

Mitch Webster hit a two-run double as visiting Cleveland rallied with two outs in the ninth.

With the Indians trailing 4-3, Mike Schooler (1-1) walked Carlos Baerga and Jerry Browne with two outs and Webster doubled down the left-field line just past a diving Edgar Martinez at third.

Rudy Seanez (2-1) got the victory by getting two outs in the eighth.

**Rangers 11, Tigers 1**

Ruben Sierra matched a career-high with five RBIs.

Kevin Brown, Craig McMurtry and Jamie Moyer combined on a six-hitter for the Rangers. Brown (11-6) gave up six hits in seven innings and struck out five.

Jack Morris (8-10), who pitched a one-hitter in his last start, gave up seven runs and eight hits in 4 1-3 innings. Sierra had a three-run homer and a two-run double.

## Brothers' feat something rare

**NEW YORK (AP)** - Some day when the Perez brothers gather at a family reunion, they will talk about no-hitters and the weather.

Melido Perez pitched the record-tying seventh no-hitter of the season Thursday night as the Chicago White Sox beat the New York Yankees 8-0 in a game shortened to six innings by rain.

There were few fans around when the game was called. But it doesn't matter, they'll probably see another no-hitter next week.

Perez's no-hitter matched the record set in 1908 and tied in 1917, and was the record sixth in the American League this season.

"I didn't think about it at first, but then I remembered when my brother threw a no-hitter in the rain," Perez said. "I started to think, 'That might happen to me, too.'"

On Sept. 24, 1988, Pascual Perez, who was watching Thursday night from the Yankees' dugout, threw a five-inning no-hitter for Montreal against Philadelphia at Veterans Stadium.

It was only the second time brothers have pitched no-hitters in the majors, matching the accomplishment of Ken and Bob Fosch. Ken pitched one on April 7, 1979, for Houston against Atlanta and Bob threw two for St. Louis - April 16, 1978, and Sept. 26, 1983.

"I wanted him to pitch well, but I wanted us to win," Pascual said. "Maybe it would have been better if he had pitched a no-hitter and lost."

No-hitter and lose? Ask Andy Hawkins, Thursday's losing pitcher.

Hawkins held the White Sox hitless on July 1 at Comiskey Park but lost the game 4-0 when Chicago scored four runs in the eighth inning on two walks and three errors. In his next start last Friday, the hard-luck right-hander pitched 11 shutout innings but lost, 2-0, to Minnesota in 12.

## Ann Landers

**DEAR ANN LANDERS:** A beautiful thing happened to me recently while lunching with a friend in a Glendale, Calif., restaurant. I hope you will share it with your readers.

I had ordered the roast beef, horseradish and mashed potatoes. We were talking, and I wasn't paying much attention to my food. I scooped up a healthy glob of horseradish, thinking it was potatoes, and suddenly a strange thing happened. I didn't choke but I couldn't exhale. This lasted a good minute and a half,

### Get big dividends

Aluminum recycling can pay big economic and environmental dividends for you, your group, and your community.

In 1989, consumers earned an estimated \$900 million by recycling a record 49.4 billion all-aluminum beverage cans, reports the Aluminum Association, a Washington based industry trade group.

An estimated three to four million Americans are regular visitors to the approximately 10,000 aluminum buyback locations nationwide.

although it seemed like an eternity. I leaped out of my chair and motioned for my friend to help me, but she was paralyzed with fear. I was terrified — absolutely certain that I was dying. All I could think of was, "What will my children do?"

Suddenly, a gentleman rushed over from across the room and gave me a swift hard blow in the back. It was like a miracle. Almost instantly I was perfectly OK. The stranger sat me down in my chair and said, "Take it easy. You're just fine now." I was soaking wet and my knees were shaking.

After a few prayers, I pulled myself together and went to seek my benefactor, who was seated at a one-chair table. I simply said, "Thank you, sir — you saved my life." He smiled the kindest smile I had ever seen and left shortly after.

A waitress came over to me and, with a puzzled look she said, "That man had lunch here every Wednesday for the last 11 years. Today is Thursday." — Joyzelle P. Cole

**DEAR JOYZELLE:** What a beautiful story. Thank you for sharing it with us. With so many ugly things happening in the world today, it's wonderful to read about something so uplifting.

**DEAR ANN LANDERS:** While sorting through some old papers and clippings I came across the enclosed article and thought you might get a chuckle out of it. Sorry I don't know who wrote it. Enjoy, Ann. — Hutchinson, Kansas

**DEAR HUTCH:** I've never seen it before, and I do think it's pretty funny. Thank you for sharing.

#### MYSTERY SOLVED

It seems that when the good Lord was making the world, he called Man aside and bestowed upon him 20 years of normal sex life. Man was horrified, but the Creator refused to budge.

Then the Lord called the monkey and gave him 20 years. "But I don't need 20 years," said the monkey. "Ten years is plenty." Man spoke up and said: "May I have the other 10 years?" The monkey agreed.

The Lord called on the lion and also gave him 20 years. The lion, too, wanted only 10. Again Man spoke up. "May I have the other 10 years?" "Of course," said the lion.

Then came the donkey who was also given 20 years. Like the others, 10 years was enough. Man again asked for the spare 10 years and he got them.

This explains why Man has 20 years of normal sex life, 10 years of monkeying around, 10 years of lion about it, and 10 years of making a jackass out of himself.

**DEAR READERS:** Dozens of people wrote to tell me the author of "A Dog's Plea" is Beth Norman Harris. Thank you, thank you, thank you.

Is that Ann Landers column you clipped years ago yellow with age? For copy of her most frequently requested poems and essays, send a self-addressed, long, business-size envelope and a check or money order for \$4.85 (this includes postage and handling) to: Gems, c/o Ann Landers, P.O. Box 11562, Chicago, Ill. 60611-0562. (In Canada, send \$5.87.)

According to a recent survey, 70 percent of American consumers believe doctors and dentists should let patients use credit cards for payment. Nearly 50 percent said they would like to use a payment card for routine care, minor illness and preventative care.

In response to this trend, Visa has introduced three options, that will be available nationally over the next year. These options will help consumers manage their health care costs: payments by mail, pre-authorization payment and recurring payments allow health care providers to automatically bill Visa. Patients can choose to pay their Visa bills in full when the statement arrives or extend the payments as needed—the same options consumers enjoy for

traditional Visa purchases. Patients can use monthly statements to organize health care records for budget and tax planning. And, when Visa is used for payment at the time of service, patients generally have a "float" period for up to a month to obtain insurance reimbursement.

Today, a majority of hospitals, more than half the dental offices and many physicians offices accept Visa cards. Because credit card signs are not always displayed, many consumers are not aware of this.

According to the Health Care Financing Administration (HCFA) health care expenditures are predicted to reach \$647 billion in 1990. Of that, 25 percent or \$162 billion, will be paid by consumers.

**Facts About The BIBLE** BY JOHN LEHTI

HER NAME APPEARS ONLY ONCE IN THE BIBLE—BUT....

DORCAS (OR TABITHA—THE ARAMAIC FORM OF THE NAME) A FEMALE DISCIPLE OF JESUS. LIVING IN JOPPA. SHE WAS KNOWN FOR HER GOOD WORKS SUCH AS MAKING COATS AND GARMENTS FOR THE POOR. WHEN SHE DIED, HER FRIENDS PREPARED HER FOR BURIAL AND SENT FOR PETER, WHO HAPPENED TO BE IN NEARBY LYDDA AT THE TIME...

...WHEN PETER ARRIVED HE SENT THE MOURNERS OUT OF THE ROOM AND PRAYED EARNESTLY. THEN HE BADED THE YOUNG WOMAN TO ARISE — AND SHE OPENED HER EYES AND DID! NEWS OF THIS ACT SPREAD ABOUT JOPPA AND INSPIRED MANY CONVERSATIONS TO THE NEW CHRISTIAN FAITH. (ACTS 9:36-42)

NEXT WEEK: THE RICH MAN WHO COULDN'T SAVE JESUS' LIFE BUT SAVED HIS BODY!
