

# BIG SPRING WEEKLY HERALD

VOL. 50

BIG SPRING, TEXAS, FRIDAY, SEPTEMBER 10, 1954

NO. 44

### How To Pick A Winner

R. H. Weaver, co-captain of the Big Spring Quarterback Club, has no trouble picking a winner on the gridiron—the Steers, of course. But when it comes to making his pick for Felt Hat Day on Friday, he couldn't reach such a quick decision. They were all winners, he figured, and not until Elmo Wasson piled hats as high as Weaver's

head was the erstwhile Quarterback able to call the signals on a smart wide brim number. Stores for men's wear all over the city have similarly large stocks from which men can get into the fall swing Friday by switching to a felt hat. When they do, they'll smile, too. (Photo by Keith McMillin).

## Talmadge Friend Wins In Georgia

ATLANTA (AP)—Lt. Gov. Marvin Griffin, the self-styled "white people's candidate," was swept to an apparently overwhelming victory in yesterday's Democratic primary for the nomination as governor of Georgia.

Running with the blessing of Gov. Herman Talmadge whose white supremacy championship he is pledged to continue, Griffin piled up a huge lead for all-important county unit votes—alotted to the counties on the basis of two units for each seat in the House of Representatives. Commissioner Tom Linder with 44,417 and 24; and State Rep. Charles Gowen with 54,564 and 4.

Behind the leaders were Fred Hand, speaker of the House of Representatives with 36,218 and 22; State Agriculture Commissioner Tom Linder with 44,417 and 24; and State Rep. Charles Gowen with 54,564 and 4.

## Fire Razes Wichita Falls Building Row

WICHITA FALLS (AP)—Fire raged through a row of buildings in the southern portion of the Wichita Falls business district early today, destroying automobiles, farm goods, auto parts and a neon sign company.

No injuries were reported. Destroyed were the one-story Trayham Building which housed farm implements, auto parts and grain and seed products; a new car warehouse belonging to Mattingly & Grace Buick Co. and in which were nine new Buicks and a 1944 model Buick; the Mims Bearing Co.; and the Gio-Lite Neon and Manufacturing Co.

A complete estimate of the damage could not be obtained but it appeared several hundred thousand dollars would be correct. Fire Capt. Joe Counts said the blaze apparently started somewhere in the Trayham Building. He said "some sort of explosion" had blown windows out of the building by the time firemen arrived. A watchman had checked the building at 11:15 last night. The first alarm was turned in at 11:58 p.m. The last piece of fire fighting equipment left the scene at 7:30 a.m.

## Dulles Pledges Aid To Chiang

By SPENCER MOOSA

TAIPEH, Formosa (AP)—Nationalist warships and planes pounded the Red China coast again today, even as U.S. Secretary of State John Foster Dulles pledged that Nationalist China "doesn't stand alone against the forces of aggression."

Dulles flew here from the Southeast Asia security conference in Manila and spent 3 hours and 15 minutes closeted with President Chiang Kai-shek.

A high Nationalist official said "they exchanged views on questions affecting the two countries. The result was satisfactory to both." U.S. Ambassador Carl Rankin described the talk as very cordial and longer than expected.

Only five hours after Dulles' special plane landed here his party were airborne again, headed for Tokyo.

In a statement read to newsmen

at the airport, he reiterated that the U.S. 7th Fleet is under orders to guard Formosa.

He said Communist China now is intensifying military and propaganda activity against the Nationalists "but we shall not be intimidated."

A Defense Ministry communique issued as Dulles and Chiang were talking said Nationalist warplanes bombed and strafed military targets at Amoy and along the coast.

At the same time, the communique said, Nationalist warships bombarded Amoy and nearby Wuyi Island and patrolled waters off Quemoy and Amoy.

The ministry said yesterday's operations, in which U.S.-supplied F84 Thunderjets took part for the first time, destroyed two Red gunboats and over 100 wooden military boats and damaged other craft.

Nationalist warships were credited with sinking 6 motorized junks, damaging 20 others and capturing 3 in waters between Wuyi Island and Cape Chenhai on the mainland, another target for Nationalist bombardment.

## Security Council Session Is Called

DENVER (AP)—National Security Council members meeting with President Eisenhower in extraordinary session here Sunday reportedly will chart strategy for dealing with a broad range of Far Eastern problems created by Russia and Red China.

And an hour in advance of that special meeting, the summer White House announced today, the President will confer with Atty. Gen. Brownell and FBI Director J. Edgar Hoover on how to smash Communist infiltration at home.

The Brownell-Hoover conference with Eisenhower will center on how best to use the new Communist control weapons the 83rd Congress put on the law books.

Plans for the National Security Council meeting—the first full-scale session of that top policy-making unit ever to be held outside of Washington—were announced yesterday by James C. Hagerty, presidential press secretary.

He said Eisenhower was summoning the council, which he heads to hear a first-hand report from Secretary of State Dulles on the new Southeast Asia security pact, signed yesterday at Manila by the United States and seven other nations.

## Mississippi Moves Nearer To Closing Public Schools

By The Associated Press

Mississippi stood a step closer to abolishing its public school system Thursday as advocates and opponents of school segregation continued to spar throughout the South.

The Mississippi House of Representatives voted 109-24 yesterday for a constitutional amendment which would allow the state to abolish public schools.

And in Alabama a group of legislators and lawyers asked Gov. Gordon Persons to call a special session of the Legislature to remove the state constitution's provision requiring the state to support public schools.

The Mississippi Legislature is in a special session called by Gov. Hugh White to deal with the school segregation situation. The Senate is expected to follow the House in passing the "private school" enabling amendment, which would then be submitted to voters in a referendum.

A spokesman for the Alabama group said its plan would involve taking the word "public" from the school requirements in the state constitution, opening the way possibly for a private school system.

He said the plan also might entail designating school officials as judicial officers in a move to make them immune from damage suits. In Texas yesterday a school superintendent refused requests from Negro parents to enroll their

# 800 Are Feared Dead In Algerian Earthquake

## Lamesa Jurors Declare Rogers Guilty Of Arson

The celebrated arson trial of J. S. Rogers came to another verdict in its third round Wednesday at Lamesa.

A 106th District Court jury found Rogers guilty of having burned the Gosnell Hotel June 16, 1951. His punishment was recommended at two years in prison, but Judge Lewis B. Read of Lamesa likely will not pronounce sentence until later.

Rogers was tried originally in 32nd District Court in Colorado City, but the jury there was unable to reach a verdict. Then the case was transferred to 118th District Court in Big Spring, where the jury returned a finding of guilty. Term was fixed at two years.

Defense attorneys Del and Perry Barber appealed the case and it was subsequently reversed and remanded.

Prosecution, headed by Dist. Atty. Eldon Mahon of Colorado City, contended that the presence of several jars, filled with inflammable material, in a number of closets indicated that the hotel had been purposely burned. Defense contended that there was nothing to establish arson and even so, it could not be attributed to Rogers.

He had acquired the hotel, formerly the Barcroft, during the Snyder boom when many workers were staying in Colorado City.

Assisting Mahon at Colorado City were Karl Cayton, Lamesa, 106th District Attorney. Del Barber was joined by Stansel Clement, Lamesa, on the defense.

## STRIP BUYER BEFORE SALE

ANNAPOLIS, Md. (AP)—Want a nudist camp?

There's one near here for sale—\$30,000 asked. The owners choose to remain anonymous.

They make it clear, however, that prospective buyers will have to strip if they want to look over the place, which consists of 110 acres, a 2½-story house, swimming pool and five grassy acres for sunning.

They're determined that the camp is not going to degenerate into a rendezvous for people who wear clothes.

Nudists have used the camp for 18 years.

## Stricken Town Heavily Damaged

ALGIERS, Algeria (AP)—A tremendous earthquake early today leveled about a fifth of the city of Orleanville in northern Algeria and nearly wiped out several nearby villages. Unofficial estimates put the number of dead at 800 and the injured at over 1,000.

Authorities described it as North Africa's worst quake in 40 years. Some unofficial death estimates ran as high as 1,000. The exact figures remained uncertain because communications between Algiers and Orleanville were knocked out.

One report said that in Orleanville alone there were 200 dead and 1,000 injured. Eyewitnesses

said the city of 32,500 looked as though it had undergone heavy air bombardment.

The quake, striking in the middle of the night, trapped the populations of whole towns and villages in their beds through a 30-mile-wide strip of northern Algeria.

Fragmentary reports reaching here said there were appalling scenes in Orleanville, where many terrified citizens stampeded into the streets, only to be crushed by falling masonry.

The town was plunged into darkness. The only light came from a few buildings which caught fire. Troops and medical services from both Algiers and Oran, the country's two largest cities, were dispatched to Orleanville in increasing numbers as the enormity of the disaster unfolded during the morning.

The U. S. 6th Fleet in the Mediterranean was ordered to render aid if called upon. The order came from Adm. John H. Cassady, London, commander of U. S. Naval forces in the eastern Atlantic and Mediterranean.

The quake was timed at 107:57 a.m. It lasted 12 seconds. Not until well after daylight did the first reports of victims and damage reach here.

Rescue efforts were complicated by the flooding of the Orleanville airport. Also covered by water were hundreds of acres of cultivated land. The flood waters came from the small dam of Lamartine, which was cracked by the shock.

Orleanville, a modern French town, built on an ancient Roman site, lies about 100 miles west of Algiers on the main rail line to Oran. It is the center of a rich farming valley. Some reports said it was 30 per cent demolished.

Barracks, stadium, postoffice, prison, hospital, two hotels, police headquarters, a small dam and a new Roman Catholic cathedral all collapsed or suffered heavy damage. About 40 travelers were buried alive in their beds when the Hotel Baudouin fell in on them.

Electric power was out and communications were cut. Troops and ambulances were rushed to the area.

Gov. Gen. Roger Leonard hurried to take command of rescue operations on the spot. An airlift for the injured was set up between Maison Blanche airport at Algiers and the earthquake area. Among the first victims to arrive, many were suffering from fractured skulls.

## McCarthy Loses In Probe Ruling

By JACK BELL

WASHINGTON (AP)—Senators weighing censure charges against Sen. McCarthy refused today to let the defense testify about the use of secret government information by other senators, and McCarthy's lawyer said this ruling barred the "very heart and soul" of the defense on this issue.

Edward Bennett Williams, McCarthy's lawyer, offered a brief which contended that Vice President Nixon, Sen. Ferguson (R-Mich) and others had taken stands that Congress members had a right to use information which the White House sought to withhold.

Williams suggested Nixon and Ferguson could be called as witnesses if there was any question as to their positions.

But Chairman Watkins (R-Utah) ruled the committee would not go into activities of any legislators other than McCarthy. If this was done, he said, the Congress members would have to be called and the hearings could go on indefinitely.

In a brief closed-door session, the committee upheld the chairman's ruling. Watkins said the action was unanimous.

Dramatically then, Williams declared "we cannot go forward with our defense" on the two censure counts dealing with McCarthy's alleged attempts to incite government employees to give him secret information.

Williams, his voice rising, tried to state for the record what he said McCarthy had expected to establish in his defense.

He declared that McCarthy had expected to show especially that the chief policy makers of the Senate—Vice President Nixon, the chairman of the Republican Policy Committee (Ferguson), and you, yourself, Mr. Chairman—had taken "precisely the same position time and again" on issues in which McCarthy is now involved.

Watkins interrupted with asperity to state the committee was prepared only to give judicial notice to official actions of the Senate.

"You can't go around quoting every individual member of the Senate as a precedent," Watkins said, observing that sometimes members of Congress were on both sides of the same question.

Williams said Watkins' ruling had prevented McCarthy from answering the charge of improperly soliciting government employees to reveal wrong-doing because McCarthy's whole case rested around another Senate precedent.

On the matter of the 2½-page FBI memorandum, Williams said, McCarthy was prevented from showing what was an "almost

identical action by Congress in 1948."

This action, Williams said, was taken by Vice President Nixon while a member of the House Un-American Activities Committee in a case involving Dr. Edward W. Condon, then director of the U. S. Bureau of Standards.

The 2½-page memorandum is a document which McCarthy sought to use in the McCarthy-Army hearings. It was identified then as a summary of a confidential FBI report to Army intelligence, but was never put into the record.

Watkins said McCarthy could introduce an action of the House as a proper precedent, but that a speech by Nixon or any other member of Congress was "not enough."

Williams said the defense would be ready at the afternoon session to go ahead with its testimony on the remaining two charges—that McCarthy showed contempt for a Senate committee that investigated his financial affairs and other matters in 1951 and 1952, and that he had been abusive of his Senate colleagues.

When the hearing convened, there was a brief reversion to a charge which McCarthy dealt with yesterday—the accusation that he

## THREE SURVIVE

# Local Man's Jersey Bears Quadruplets

A six-year-old crossbred Holstein-Jersey cow gave birth to quadruplets Wednesday afternoon at the D. C. Buchanan dairy farm, northeast of Big Spring.

There were two bulls and two heifers. The two bulls and one of the heifers survived, and Dr. H. F. Schwarzenbach, Big Spring veterinarian who visited them this morning, said mother and babies are doing fine and that he doesn't see any reason why the remaining triplets shouldn't make it all right.

Buchanan says twins have frequently been born in his herd but that this is his first experience with more than that at a time. This is the fourth time this cow has calved and always heretofore there has been but one new calf on such occasions.

When he found Blackie with her

four new calves, Buchanan said he hardly believed what he saw. He said he was sure some other cow must have contributed some of the new arrivals and that Blackie wasn't given the full credit she deserved, until all the other cows had been checked.

The quadruplets were sired by a Holstein bull that the dairy farmer has since sold. Last year the herd produced several sets of twins. The three surviving calves are fair size to have been among quads, and the fourth calf, which may have been too long-aborning, was equally as large.

By noon Thursday, "Blackie" and her three offspring were attracting numerous visitors at the Buchanan place.

## Prisoner Not Able To Trade Sentence For Trip To Russia

JESSUP, Md. (AP)—A young prisoner who wants to trade the iron bars of Maryland's House of Correction here for the Iron Curtain of Russia was advised today he would have to stay in jail.

The desperate offer was made by Lawrence Banton, who has served half of a one-year sentence for attempted robbery.

He read a newspaper article on a proposed amendment being studied by the last Congress which provided, in effect, foreign aid funds to pay for one-way tickets to Russia for citizens of the United States who want to go to Russia and stay there permanently.

However, by the time Banton's inquiry reached its destination, the amendment had been killed in a congressional conference.

## THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy this afternoon, tonight and Friday. Widely scattered afternoon showers.

High today 84, low tonight 59, high tomorrow 82. Highest 84 on 9 p.m. tonight. Lowest 59 on 12:30 a.m. tomorrow. Rainfall this date 0.58 in 1954.

BLACKIE... With Three Of Her Quads

# Sterling West Durham Area Gets Completion; Mitchell Site Set

A small completion was reported in the West Durham area of Sterling County today, and field locations were spotted in Mitchell and Howard.

Pumping operations continued this morning at Woodson No. 1-A Creighton just east of Big Spring, recovery being some oil and water.

Pete Thomas No. 1 Lee Hunt is the Sterling project which finished for a 24-hour pumping potential of 20 barrels of oil and no water. Robertson No. 1 O'Daniel, in the Snyder field, is the new Howard location. In Mitchell County, J. L. Cooper of McCamey spotted his No. 3 Georgia Tech on the south edge of the Westbrook field.

## Mitchell

J. L. Cooper of McCamey No. 3 Georgia Tech has been spotted on the south edge of the Westbrook field as a 3,400-foot completion.

## Seven Charged In County Court

Misdemeanor criminal charges have been filed in County Court against seven persons since noon Wednesday, and pleas have been entered by four of the defendants.

Ray Hyer pleaded guilty to charges of aggravated assault. He was fined \$75 and costs of court.

James Hipp entered a plea of guilty to charges of unlawfully carrying arms. Judge R. H. Weaver assessed the minimum fine of \$100, to which costs of court were added.

Otis Homer Petty pleaded not guilty to charges of driving while intoxicated. His bond was set at \$500.

A. D. Smith entered a not guilty plea to charges of aggravated assault. His bond also was set at \$500.

Others charged were Jackie Heidreth, B. H. Smith and Mrs. Charles Ehrlich, all in connection with complaints alleging fraud by worthless check.

## Search For Swimmer Is Abandoned

DOVER, England (U)—The air search for Ted May, 44-year-old steel worker who vanished on his second attempt to swim the English Channel unescorted, was abandoned today.

As the day wore on, hope for the 238-pound father of nine children faded. The Dover lifeboat was called back to its base at 10 a. m. and orders were sent out to Royal Air Force planes and launches to return to their stations.

The swimmer entered the water at Cap Gris Nez at 4:45 a. m. Wednesday, towing an inner tube equipped with canvas top, brandy, sandwiches and signal lights. He had hoped to reach the English coast by 7:30 last night.

"After more than 30 hours in the water, it must be presumed that May is lost," said an official. "A longer search in this worsening weather would be useless. The only hope is that he might have been picked up by some little fishing craft which has no radio outfit."

May's wife, Florence, and 19-year-old daughter, Patricia, took up watch early today on Dover's chalk cliffs.

## \$229,000 Asked In Suit For Damages

W. L. Holt has filed suit for \$229,000 in damages against Pinkies Liquor Stores and Mr. and Mrs. John McCown.

He alleges injuries suffered in an automobile accident north of Big Spring last March 9 were due to negligence on the part of Mrs. McCown. The McCowns earlier had filed suit against Holt as a result of the same mishap.

Holt's petition claims that the collision between his car and that of Mrs. McCown occurred after wind had blown open the hood of his car and he had stopped the vehicle in the left traffic lane. He asks \$180,000 for loss of earnings, \$84,000 for pain and suffering and \$4,000 for medical expenses.

The McCown suit, filed Aug. 16, alleges negligence on the part of Holt was responsible for the crash. Mrs. McCown claimed her car was stopped at the time of the collision judgment for \$10,000 for loss of earnings and \$1,517.35 for medical expenses.

## Forgery Charges Filed Against Two

Forgery charges have been filed against two persons in Justice Court.

Jessie L. Clark is named in a complaint filed by J. C. Eppner. It is alleged he forged a check for \$54 or \$55, payable to Clark and bearing the name of J. E. Pickle.

Nelda Brown was charged with forgery and with passing a forged instrument in connection with a complaint made by Freida Grant. The charges involve a \$10 check payable to Mrs. Brown and bearing the name of Morris Stansfer. It was drawn on a Stanton bank.

## Gay Hill School Has New Faculty

LUTHER—An entirely new faculty is on duty in the Gay Hill School this year.

Teachers are Mrs. L. B. Patterson, first and second grades; Mrs. Doyle Finn, third and fourth grades; L. B. Patterson, fifth and sixth grades; Mrs. Doyle Finn, Mrs. C. A. Boyd, music teacher. Bus drivers are O. R. Crow, J. H. Milford and J. W. Kilpatrick. Janitor is Milford and Mrs. Milford and Mrs. Waldon McCormick operate the cafeteria.

Seventy-one pupils enrolled for first-day classes Wednesday. School is dismissed at 3:00 p. m. daily.

# Enrollment In City Schools Climbs Toward 5,000 Mark

School enrollment crawled upward Thursday and by the end of the week nearly 5,000 will be on the rolls.

W. C. Blankenship, superintendent, said that the Big Spring elementary schools showed 3,058 enrolled Wednesday afternoon, a gain of 96 over the opening day. Junior high had 955, an increase of four, while the high school was up to 890, a gain of eight. Total white enrollment was 4,671. Lakeview showed 248 registered, which was up 13 over the opening day's total.

Total now in school is 4,918 as compared with 4,798 the first day. Junior High had five new ones Thursday morning, high school three. There were several additional enrollees in elementary schools but no exact report was available. Blankenship said he expected the next significant surge in enrollment would come on Monday.

So far a few transfers have been necessary between elementary schools. In most cases these involved youngsters who were not

## Rev. Shumake Dies In Houston

The Rev. Amos Wilson Shumake, 73, pastor of the Baptist Church in Tarzan, died in a hospital at Houston on Wednesday.

Three weeks ago the Rev. Shumake entered John Sealy Hospital for surgery, but he failed to rally. The veteran minister was widely known throughout West Texas.

Remains are being brought here in an Eberley-River coach, and arrangements will be completed with arrival of Mrs. Shumake and the children. Meanwhile, remains will be in state at the Eberley-River Chapel.

The Rev. Shumake is survived by his wife; nine sons, R. E. Slaton; A. W. Shumake and Marvin Shumake, Oakland, Calif.; J. B. Shumake and J. D. Shumake, Odessa; Alfred Shumake and George Shumake, Tarzan; Elvert Shumake and Bill Shumake, Dallas; and two daughters, Mrs. Luther Cross and Mrs. Chester Studer, Dallas.

## Nolan

British American No. 1-I J. W. Wilson is a new wildcat spotted about 3 1/2 miles east of the EA (Parker Pay) field of East Nolan County. Location is 650 from south and west lines, section 248, block 64, H&T C survey. Drilling depth will be 6,400 feet, where tests of the Ellenburger will be conducted.

## Scurry

Texas Crude and B. L. McFarland report that operations are now below 1,900 feet on their No. 1-288 Brumley, wildcat about nine miles west of Snyder and two miles northwest of the nearest Canyon reef production of the Kelly-Snyder field. The wildcat will be drilled to 7,500 feet. Drilling is 600 from north and west lines, southwest quarter, 288-97-H&T survey.

## Sterling

Pete Thomas No. 1 Lee Hunt, 330 from north and west lines, 2-T&P survey, has been finished in the West Durham field. The 24-hour pumping potential was 20 barrels of oil and no water. Gravity of oil is 28 degrees. The pay section, open hole, was treated with 1,500 gallons of acid. Total depth is 1,436 feet, and the 4 1/2-inch casing is bottomed at 1417.

Boykin Brothers No. 5 Bade, 1,233 from south and 1,728 from west lines, 22-22-H&T survey, has been temporarily abandoned at 1,700 feet. This is a paracheal Bade field project.

## I-AAA Eligibility Lists Approved

Eligibility lists of member schools were approved Wednesday at the meeting of the District I-AAA executive committee in Snyder.

Question was raised on only one boy, a Vernon lad who had taken part in a rodeo scramble. The committee, however, cleared him for participation.

Elected chairman of the committee was C. W. Tarter, superintendent of the Lamesa schools. Waldon Mrcacum, Levelland superintendent, was named vice chairman and put in line for the chairmanship a year hence. The secretary-treasurer post went to Abe Holder, Lamesa high school principal. Snyder school officials were host to the meeting.

## Theft Of Gasoline, Pistol Reported

Theft of a .32 caliber pistol was reported to police Wednesday evening by Francis Warren, 407 Douglas. Warren said the pistol was taken from the glove compartment of his automobile sometime Monday while the vehicle was parked in the 100 block of East Third.

H. L. Wilkinson, trucking contractor, reported to officers that someone has been taking gasoline from his trucks lately at night.

# San Angelo Man Is Injured In Accident

Johnny Lee Childress, San Angelo, suffered a hand injury about 2:30 a. m. today when his pickup truck left the highway, smashed through a fence and hit a ditch.

Deputy Sheriff Miller Harris said the driver apparently fell asleep. The mishap occurred about seven miles south of Big Spring on the San Angelo highway.

Childress was taken to Cowper Hospital for treatment.

## MARKETS

WALL STREET (U)—The stock market declined slightly in early trading today. There was selective strength in the oil and copper, but other groups were mixed to lower, including the steel, motors, and electrical, rail and chemicals. Trading was quiet.

COTTON (U)—Moon cotton prices were unchanged to 50 cents a bale higher than the previous close. Oct 34 1/4, Dec 34 1/4 and March 35 1/2.

LIVESTOCK (U)—Cattle 2,000 calves 60; cattle steady, calves strong. Medium to good beef steers and yearlings 20-25; steer hinds 12-15; plain beef cows 8-10; better grades 10-11; 500-1,000; choice slaughter calves 11-12; medium 10-11; 500-1,000; good stocker steers yearlings 12-13; 500-1,000; medium to good slaughter steers 10-11; 500-1,000; choice 100-200 lb butchers 24-26; medium to choice 180-190 lb hogs 18-19; 175; thin butcher pigs 14-15; 50-100; 100-150; steady. Good and choice slaughter spring lambs 17-18; cull and utility spring lambs 16-17; cull and utility slaughter ewes 3-5; small loss stocker and feeder lambs 11-14.

## THE WEATHER

NORTH CENTRAL TEXAS: Partly cloudy through Friday with widely scattered thunderstorms. A little cooler in extreme northwest portion Thursday night.

WEST TEXAS: Partly cloudy through Friday with widely scattered afternoon and evening thunderstorms. A little cooler in Panhandle and Upper South Plains Thursday night.

# Ex-Prisoner Asserts Batchelor 'Squealed'

SAN ANTONIO (U)—Sgt. Bernard Bull, who spent more than two hours under vigorous cross-examination yesterday, was to be back on the stand again when the court-martial of Cpl. Claude Batchelor convened today.

But it was doubtful whether newsmen and the public would be permitted to attend. Batchelor's civilian attorney, Joel Westbrook, announced at the close of yesterday's session that he would ask Bull questions which "may elicit answers referring to classified documents."

Batchelor is on trial on charges of aiding the enemy while a prisoner of war. He was one of 23 Americans who chose not to return to the United Nations side when prisoners were exchanged. Later, he and Cpl. Edward Dickenson of Big Stone Gap, Va., decided to return.

Earlier in the day, Bull testified that he heard a conversation between Batchelor and Chinese named Lim — nicknamed the "Screaming Skull" — in which the Chinese asked Batchelor if he knew "who had the camera."

Bull quoted Batchelor as replying, "Megyesi has the camera."

John J. Megyesi, 23, Farrell, Pa., had testified previously that he spent two months and eight days in confinement after the Chinese learned he had a camera. He said he did not know how the Chinese found out.

## Initial First Class Mail To Go By Air Leaves Wednesday

First shipment of first class mail will go by air from Big Spring was loaded Wednesday at 7:42 p. m. on an eastbound Pioneer flight. The first class mail loaded here weighed 156 pounds; 51 pounds of air mail was loaded at the same time.

Snyder loaded 140 pounds of first class mail and Sweetwater loaded another 110 pounds.

The mail is loaded on a west-bound flight as well; it leaves the city at 8:58 p. m.

Billy Watson, Pioneer manager, here, explained that regular airmail retains its priority basis. It will not be "bumped" at any time. Regular mail will be carried by plane as far as possible but may be "bumped" to surface transportation when loads are heavy.

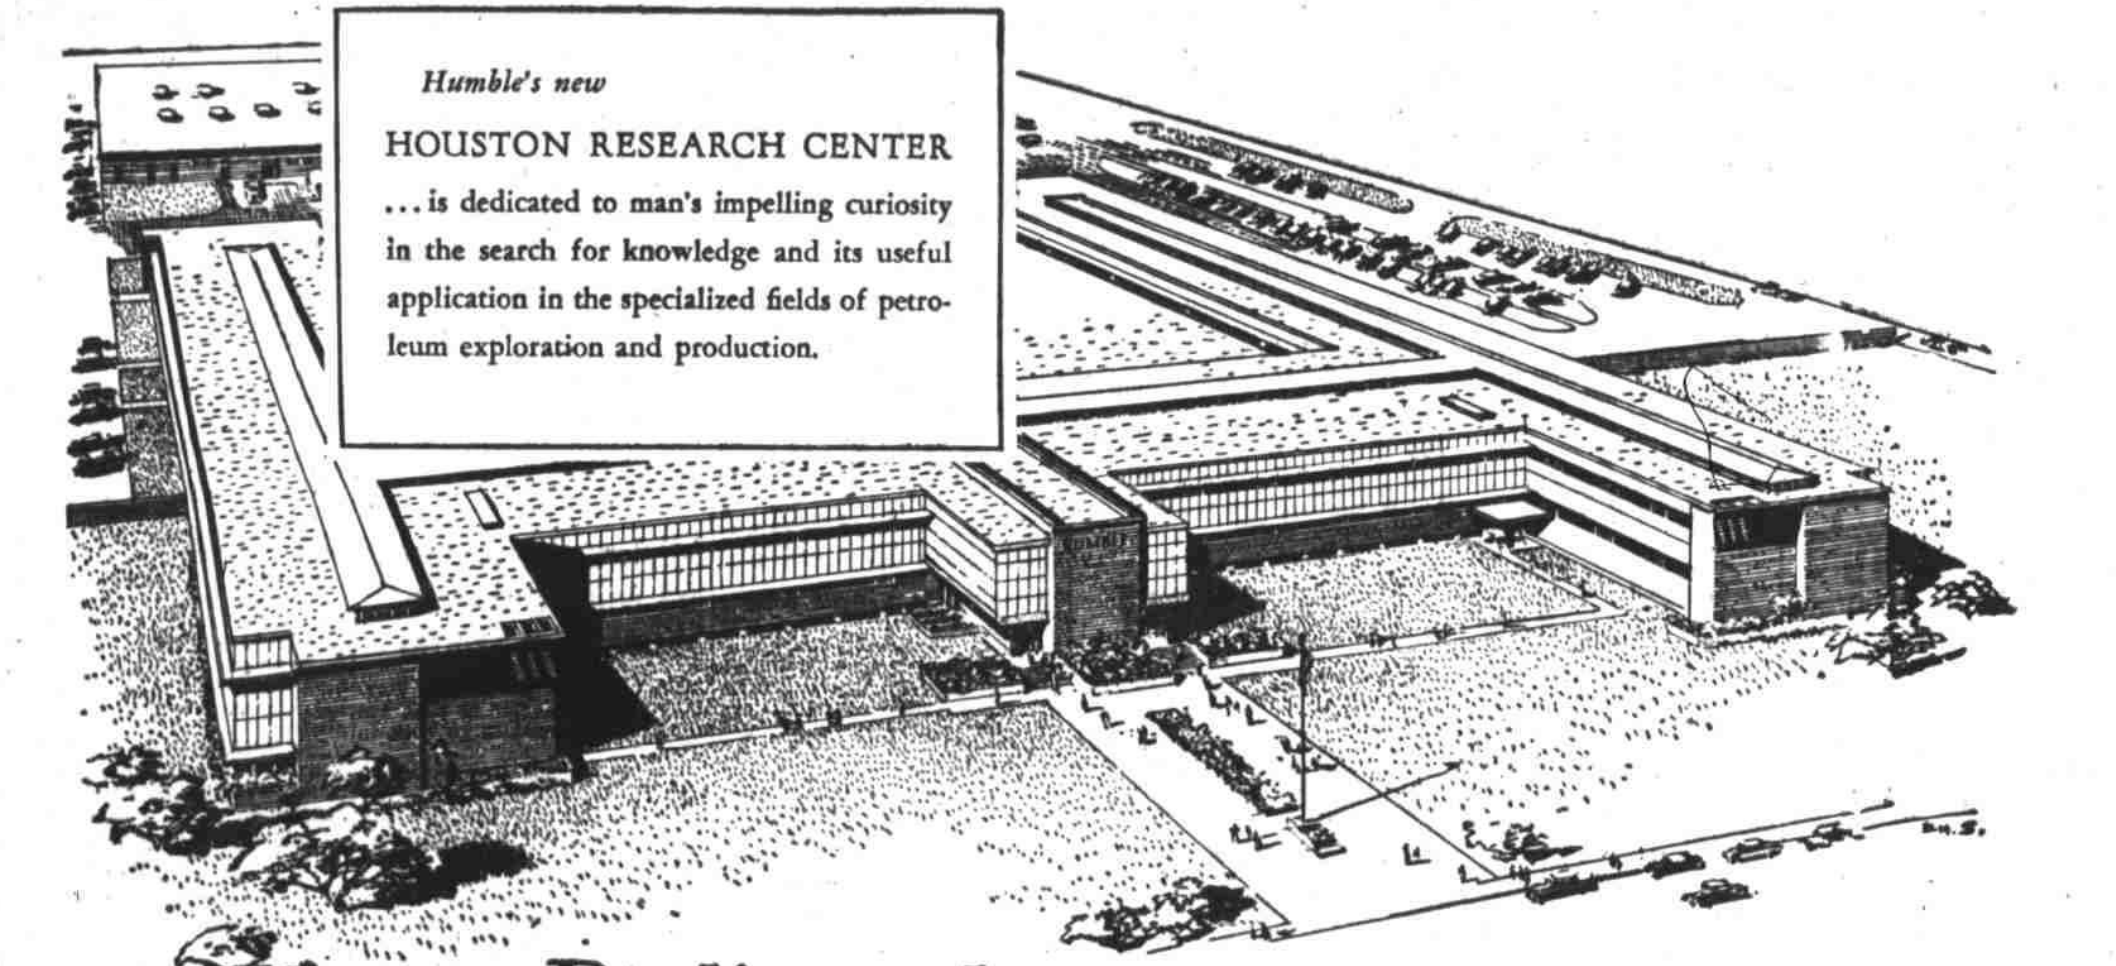

Present at the airport for the ceremony were City Manager Herbert Whitney, Chamber of Commerce Manager Jimmie Greene, and Postmaster Elmer Boalzer.

## Stevenson Finds Democrats' Duty In Foreign Policy

HARRISBURG, Pa. (U)—Adlai Stevenson, pinpointing the task of the Democratic party's nationwide campaign opening today, says it should "give direction again to a foreign policy which wallows aimlessly and dangerously while a bunch of bickering helmsmen quarrel at the wheel."

The 1952 candidate for President promises, at the same time, that Democrats this fall will "talk issues . . . whether the Republicans want to or not."

Stevenson spoke last night before 3,000 persons who paid \$100 a plate at a Democratic fund-raising dinner officially commencing 30-year-old State Sen. George M. Leader's campaign for governor of Pennsylvania.

# Dedicated to Man's Impelling Curiosity

Most of us interpret the value of research in terms of immediate benefits. Research means that we get a better automobile, an improved gasoline, or an outstanding motor oil.

At Baytown Refinery, the Humble Company maintains one of the finest laboratories in the petroleum industry for that kind of research.

But behind the study that goes into the improvement of the products it sells, Humble for years has fostered basic research related to the discovery and production of oil and natural gas.

The United States uses so much oil from day to day, and needs so much more to provide for the emergencies of national defense, that studies leading to the discovery of new supplies and the more efficient management of existing reservoirs are more important than ever before. Consequently, Humble's expenditures on this sort of research are the heaviest in the Company's history and its staff of research scientists is larger than it has ever been.

To house the expansion of these research sections, Humble recently completed its new Research Center at Houston and will formally dedicate it this week end.

Here the scientists of the various departments involved in the discovery and production of oil will utilize common facilities, and here they will have the stimulation of close association with other scientists whose efforts are dedicated to a common end.

- The new Houston Research Center will provide facilities for research in:
- Fluid Mechanics
  - Geophysics
  - Geology
  - Geochemistry
  - Drilling Muds
  - Well Log Interpretation
  - Subsurface Instruments
  - Reservoir Behavior
  - Well Stimulation
  - Well Cementing

HUMBLE OIL & REFINING COMPANY

## Borden

J. D. Wraether Jr. No. 1 T. J. Good, C NW NE, 15-32-3n, T&P survey, is reported drilling at 7,373 feet in lime and shale. Projected drilling depth on this wildcat is set at 8,400 feet. Location is a 3 1/2 mile northeast of Vealmoor.

Hanley No. 1 Higinbotham, 660 from north and 393 from east lines, 4-31-3n, T&P survey, reached 5,450 feet in lime.

## Howard

Swanis Robertson No. 1 O'Daniel has been spotted as a Snyder field try about 12 miles southeast of Coahomas. It will be drilled to 3,000 feet by rotary, starting at 1,000. Location is 350 from north and east lines, 40-30-1s, T&P survey.

Woodson Producing Company No. 1-A C. W. Creighton, 330 from north and 1,215 from east lines, 84-acre lease, southside, 23-33-1n, T&P survey, is still pumping today. Reports indicate that some recovery is oil and other water.

## Woodson

Woodson No. 1-B C. W. Creighton, 330 from south and west lines, northeast quarter, 29-33-1n, T&P survey, is making hole at 1,490 feet. This new location is about two miles west of Big Spring also, and is slated for depth of 3,200 feet.

Callihan No. 1-30 Creighton, 330 from north and west lines, southeast quarter, 30-33-1n, T&P survey, was being treated with sand oil today. This project proved 42 feet of pay on a core yesterday. Total depth is 3,581 feet.

Bowden-Hunter et al No. 1 C. W. Creighton, 330 from south and east lines, southwest quarter, 29-33-1n, T&P survey, reached 2,700 feet.

Warren No. 2 Ellis Eden, 1,330 from south and 330 from east lines, northeast quarter, 26-33-3n, T&P survey, is boring below 7,532 feet in lime and shale.

## Texas Pacific Coal and Oil No. 1 Ruby L. Graham, C SE SE, 15-32-3n, T&P survey, hit 6,375 feet in lime and shale.

## Dawson

Western Drilling Company has completed its No. 3 Willis as a Welch field producer. The 24-hour pumping potential was 72 barrels of oil plus 10 per cent water. Gravity of oil is 31.4 degrees, and the gas-oil ratio is 130-1. Operator acidized with 14,000 gallons of acid. Elevation is 3,135.8, total depth is 4,980, the 5 1/2-inch is at 4,775, and the pay top is 4,830 feet. Location is 467 from south and east lines, 15-C38-PSL survey.

## Glasscock

Hunt No. 1 A. R. Houston, 330 from south and west lines, 23-33-2n, T&P survey, is now having roads built and operator is preparing to move in.

## Kimble

Skelly No. 1 M. T. Riech has been spotted as a 5,500-foot wildcat about 3 1/2 miles southeast of Roosevelt. Drilling is 330 from

## MCCARTHY

(Continued From Page 1)

abused Brig. Gen. Ralph W. Zwicker.

At one point during a closed door hearing in New York last February, McCarthy told Zwicker, "Don't be coy with me, general."

Sen. Ervin (D-NC) told McCarthy he (Ervin) wouldn't be so bold as to say that either to a general or a top sergeant.

McCarthy replied that he felt justified in using the language, saying: "He had been trying to be coy and evasive."

Ervin asked whether McCarthy thought the language was calculated to "encourage the general" to cooperate with him.

"That was my system of cross-examination," McCarthy said.

McCarthy suggested Ervin might use different language, but "that was my system of trying to pull teeth."

McCarthy testified yesterday that congressional committees "certainly should not abuse" witnesses. He defended what he conceded was a "vigorous cross-examination" of Brig. Gen. Ralph W. Zwicker. He had been accused of abusing Zwicker by Sens. Flinders (R-Vt), Fairbright (D-Ark) and Morse (Ind-Ore) all of whom have charged him with conduct unbecoming a senator.

McCarthy described Zwicker, a decorated war hero, as "one of the most arrogant, one of the most evasive witnesses that I have ever had before my committee — one of the most irritating."

Zwicker, in the hearing room, fished but declined comment. He later was classified with Chairman Watkins (N-Yah) and ensure committee attorney, Watkins declined to say if Zwicker would be called to the stand.

### Jane Blissard Makes Entry For District Contest

When Jane Blissard won the 4-H Dress Contest in Howard County, she was awarded a \$25 certificate at a local store as a prize. With this she bought material for another dress which she will enter in a District contest to be held in Lubbock on Sept. 18.

JANE BLISSARD

### Stanton P-TA Plans Party For Tuesday

STANTON — The Stanton Parent-Teacher Association will meet for an ice cream supper at 7:30 p.m. Tuesday at the City Park. All P-TA members are invited, as are others who are interested in becoming members.

Mrs. James Biggs, P-TA president said, "We urge everyone to come and meet our teachers. We hope through better acquaintance to acquire a better understanding. Then, too, we want to welcome the newcomers of the faculty to our town and we hope they will have a pleasant school year here."

Mrs. Bascom Bridges and son, Mike, of Big Spring visited recently in the home of Mr. and Mrs. Walter Graves and Granville. Mr. and Mrs. Prentiss Hightower and family moved back to Stanton last Sunday.

Mr. and Mrs. Pat Orren and Jerry have moved to Odessa to make their home. Mr. Orren will be employed at the Safeway grocery and Mrs. Orren will teach in the public schools there.

### Fall Gardening Is Discussed For Club

"The Care of the Garden in the Fall" was the program given by Mrs. Donald H. Hine at a meeting of the Planters Garden Club Wednesday in her home.

Mrs. J. B. Knox of the Big Spring club demonstrated two floral arrangements before the group.

Mrs. S. P. Jones was elected first vice president to fill the vacancy left by Mrs. J. H. Percy who resigned. The club adopted "The Woman's Home Companion Garden Book" as a future selection for the club library and program material.

Mrs. R. L. Andrews was welcomed as a new member. It was announced the club would meet Oct. 21 with Mrs. Jones so that members could attend the flower school to be held at the high school Oct. 13 and 14. Nine members were present.

### Whirley Family Has Westbrook Reunion

WESTBROOK — The children, grandchildren and great grandchildren of Mr. and Mrs. M. J. Whirley of Westbrook met for a reunion at the city lake park recently. A picnic supper was served. Forty-five attended.

Mr. and Mrs. H. J. Schrimsher and their daughters, Laura, June and Lorna Jean, Michael, Sharon and Richard of Gatesville were weekend guests with his brother, R. E. Schrimsher and family.

### Mu Zeta Has First Meet Since Spring

Mu Zeta Chapter of Beta Sigma Phi Sorority met for the first time since spring Wednesday evening in the home of Mrs. Frances Doll. State projects and social events for the coming year were discussed.

Refreshments were served to eight members and one visitor, Mrs. Jeanette Rogers. The next meeting will be Sept. 20 at 8 p.m. in the home of Mrs. E. C. Bell.

### Eastern Star To Meet

The Laura B. Hart Chapter of the Eastern Star will meet this evening at 8 in the Masonic Hall on Lancaster. Initiation for new members will be held. All members are urged to be present. Plans are being made for an ice cream supper to be given in the City Park on Saturday from 5 until 8 p.m. Tickets may be obtained from officers of the club.

This is open to the public.

1954 Canasta Club  
Mrs. Vinna Lee Wilson won high score and Mrs. Mozelle Herring won second prize at the meeting of the 1954 Canasta Club Wednesday in the home of Mrs. Della Herring. Mrs. Sue Nielsen will be hostess at the next meeting, Sept. 22, in her home at 408 NE 11th.

Mr. and Mrs. Nick Faulkner and sons of Midland visited with the Regis Fleckensteins recently in Luther.

Talks About Clothes

Dolores Donlon, the girl who won a coveted role in "The Long Walk" and is now on her way to stardom, talks to Lydia Lane about clothes and make-up.

### HOLLYWOOD BEAUTY

## Simplicity Keynote In Dressing Beautifully

By LYDIA LANE  
HOLLYWOOD—The other evening at a Hollywood party flashbulbs were popping constantly around a glamorous blond. Everyone was asking: "Who is she?" Dolores Donlon was the girl who was raving all of the attention. Later in the evening Dolores told me she enjoyed this experience of being in the spotlight.

"When I first came to Hollywood people used to ask me what pictures I had been in and when I replied, 'I'm a model from New York and have not worked in pictures yet,' they always walked away. But tonight this same question was put to me and I was able to tell them, 'I've just finished the film version of Mickey Spillane's 'The Long Walk' and that did it; the bulbs began to pop.'"

I asked if modeling helped her in improving her appearance. "One thing modeling has emphasized is the importance of good brassiere. For low cut gowns I like a half bra because of the support it gives."

"Have you ever taken exercise to develop your bust line?" I asked. "No, but I have friends who have been able to give up wearing falsies because of a good exercise routine. And why not? We know that muscles are developed through exercise."

Dolores was wearing a beautifully cut black dress which I admired. "I love clothes," she admitted. "I know what a difference it makes when you are well dressed both in the way you feel and the way people look at you. I learned a lot being around high fashion in New York. The emphasis is always on simplicity, and nothing is as smart as black. Men don't like it in evening clothes but they accept it for cocktails or dinner."

"I like to use a light make-up with black. A girl has to be clever in picking out the things which will do the most for her, whether it is a hair cut, make-up or a pair of shoes."

"Shoes," Dolores added, "are tremendously important. You should always buy the best. Cheap shoes not only don't fit but they don't last."

"It's economy to invest in the best shoes, belts and gloves. You can get away with a simple skirt and blouse, or a neat, well fitting little dress if," Dolores said with finality, "you have a good belt, shoes and fresh white gloves."

At a meeting of the Elbow Home Demonstration Club, Wednesday, Mrs. Pershing Morton and Mrs. Bobbie Hooper were elected as delegates to the Craft School to be held for the Home Demonstration women on Sept. 22 in the HD office.

Mrs. Hooper was hostess for the meeting, which was held in the Elbow School cafeteria. Elizabeth Pace, HD agent, gave a demonstration of using canned meats, and she made meat-ot patties.

"The Most Interesting Thing I've Read Lately" was the answer to roll call by 10 members.

The next meeting will be held on Sept. 22 with Mrs. Neal Bryant as hostess.

### Music Study Club Resumes Meetings, Plans Year's Work

The first fall meeting of the Music Study Club was held Wednesday in the home of Mrs. Don Newsom.

Roberta Gay, program chairman, presented the yearbooks and the study course for the year—"Our Musical Workshop."

The club voted to continue being responsible for the music at church services held each Sunday morning at the VA Hospital. Plans were made for a Young Artists' Concert to be presented Dec. 26. The purpose of the concert is to feature local senior voice and piano majors.

Officers who will serve for the coming term are Mrs. Newsom, president; Mrs. Nell Frazier, first vice president; Mrs. H. M. Jarrett, second vice president; Mrs. Dan Conley, corresponding secretary; Mrs. Ruth Burnam, treasurer; Mrs. C. A. Boyd, reporter-historian and Mrs. Harold Talbot, parliamentarian.

### Mrs. Shankle Feted At Bridal Shower

STANTON — A bridal shower for Mrs. Jerry Shankle nee Virginia Woolley will be held Tuesday in the home of Mrs. D. E. Bloomer.

Hostesses will be Mrs. Joy Morgan, Mrs. W. R. Butcher, Mrs. E. Polson, Mrs. Tull Ray Louder, Mrs. H. H. Padgett, Mrs. Irvin Myrick, Mrs. C. W. Straub, Mrs. George Cornelius, Mrs. Clint Barrett, Mrs. Bloomer, Mrs. M. D. Coggin and Mrs. Minnie Williams.

Anita and Gennie Beth Newman, who are moving to Big Spring, were honored with a picnic at the City Park by the Primary Department of the First Methodist Church.

Teachers of the department are Mrs. O. B. Bryan, Mrs. Grady Standefer, and Mrs. Aaron Donelson.

Ice cream and cake were served to Mrs. Lawrence Adkins, Mrs. Ralph Newman, Kay Bryan, Anita Newman, Gennie Beth Newman, Elizabeth Pickett, Ann Yater, Nina Yater, Jo Ann Byus, Smitty Smith, Larry Adkins, Bobby Adkins, Billy Davis and two visitors, Emma Kay Baulch and Marilyn Sale.

### Smith Cochran Are Hosts At Barbecue

COAHOMA—Mr. and Mrs. Smith Cochran entertained with a barbecue Monday evening. Those attending were Mr. and Mrs. A. M. Sullivan, Mr. and Mrs. Ray Hall, Mr. and Mrs. Lawson of Big Spring, Mrs. Gertrude Rush of Boise, Idaho, and Sgt. Johnson B. Hall of Camp Edwards, Calif.

Mr. and Mrs. J. D. Spears spent Monday fishing at Lake Thomas.

Mr. and Mrs. Leon Menser enjoyed a barbecue in their home Monday evening. Attending were Mr. and Mrs. Howard Reid, Mr. and Mrs. Quinon Reid, Quinette and Ronnie, Mr. and Mrs. A. C. Menser and Mr. and Mrs. Bill Mimms of Big Spring.

Mr. and Mrs. Mitchell Hoover of Pecos visited here in the home of her parents Mr. and Mrs. C. A. Coffman.

### Spray Safely

After you spray plants with insecticide, wash all containers thoroughly in hot soapsuds. Then you can reuse the holders without fear of chemical reaction, and also protect children and pets from the injurious sprays.

IN COLOR, you'll find style as well as practical designs. Order your copy now. Price is only 25 cents.

## For Spring Flowers, Plant Bulbs Soon

By ANNE LEFEVER  
In the spring, when your neighbors' yards are a riot of color with tulips, jonquils, daffodils and other spring flowering bulbs at their loveliest, do you suddenly remember that you had planned to have the same beauty in your yard?

If you did, this is the time to begin on that dream. For an early spring garden, start now to plan what bulbs you want to plant, in what location you will want them and then choose your bulbs.

First should come the choice of where they will be planted. The Bulb Growers of Midland stress the fact that for the earliest bulbs a sunny location is a must. The ideal location would be in full sun with a protection from the wind by shrubbery, a wall or the house.

Another must is good drainage, especially during the winter months. When the bulbs begin to grow and bloom, they need quite a bit of water, but they like "dry feet" in cold weather.

Snowdrops, which bloom early, will do well in rock gardens and peeping out from low shrubbery, as do crocuses. One way to plant crocus bulbs is to scatter them around the yard by handfuls and plant each tiny bulb just where it falls.

While tulips prefer full sun, some of the bulbs that will grow and thrive in partial shade are daffodils, hyacinths and iris. Now is the time to divide and reset iris rhizomes in case you have not done this. Or you can plant new ones.

If you are looking for a good plant to make a low border, order oxalis bulbs.

For best results, buy bulbs of good quality, and choose them early. That way, you will be sure of getting your first preference in colors and types.

### Plastics Precaution

Be careful when using kitchen plastics. Not only will they melt when exposed to excess heat, but certain plastics are inflammable.

### Washable Crib

You can take your baby for a spin in a washable crib on wheels. It has a protective nylon net canopy, outside covering and inside lining of washable plastic.

### Coahomans Hosts To Number Of Guests

COAHOMA—Mrs. George Whitaker of Houston visited her father, W. M. Spears here. She also visited other friends and relatives.

Mr. and Mrs. Wayne DeVaney of Lubbock spent the weekend holidays here with her parents, Mr. and Mrs. A. D. Shive.

Mr. and Mrs. R. L. Miller of Pampa visited in the home of Mr. and Mrs. J. D. Miller.

Connie Morrison and Rodney Cramer, both stationed at Ft. Bliss, visited here with their parents, Mr. and Mrs. Raymond Morrison and Mr. and Mrs. Boone Cramer.

Mr. and Mrs. Carl Bates visited in Menard with his brother and wife, Mr. and Mrs. Vernon Bates.

Mr. and Mrs. Smith Cochran and Phil were in Anson visiting his parents, the Rev. and Mrs. J. M. Cochran.

Mr. and Mrs. Jack Roberts, Mrs. Hiram Reid and Mrs. Nancy Reid will spend the next several weeks in Hot Springs, Ark.

Mr. and Mrs. J. E. Conaway, Nelda and Elita of Haskell visited in the home of Mr. and Mrs. Sullivan and family.

### BPO Does Selling Tickets To Review

Tickets are now on sale by the BPO does for the book review to be given Sept. 29 by Mrs. Clyde Angel. Proceeds will go to the Texas Elks' Home for Crippled Children.

The group held a regular meeting Wednesday evening at the Elks' Lodge at which time Mrs. Pat Lehman was elected into membership.

It was announced that the money made from the watermelon feast would go to the Emergency March of Dimes. The amount was \$13.35.

In October there will be two meetings of the group each month, on the second and third Wednesdays. Thirteen members attended.

### Newcomers To Have Bridge For Couples

Plans for a Couples Night party were made at the meeting of the Newcomers Bridge Club Wednesday when they met at Smith's Tea room. It will be a dessert bridge, beginning at 7:30 on the evening of Sept. 17 at the tea room.

Hostesses for yesterday's meeting were Mrs. Charles D. Youree Jr. and Mrs. J. A. Welch. Winners in bridge games were Mrs. R. C. McKenzie, first prize, Mrs. Newton D. Hagins, second and Mrs. D. A. Brazel, traveling prize.

Anyone interested in joining the club may call Mrs. A. J. Conrad at 4-7773.

Cheery Fruits

All in bright color—crimson and pea-green—are these d a c i n g strawberries, big apples, pears, cherry clusters. Just iron onto aprons. 24 motifs, all instructions. Send 25 cents for PATTERN No. 469. YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS, Big Spring Herald, Box 229, Madison Square Station, New York 10, N. Y.

A Bible Thought For Today

But the multitude preferred him to Christ. Don't follow the crowd in frenzied hatred and brutality. "Now Barabbas was a robber." — John 18:40.

When Strength Is Dissipated, Reds Invariably Strike Again

The war of nerves such as exemplified by Red China's threat to take Formosa in spite of the U. S. 7th Fleet, the shelling of Nationalist-held Quemoy Island with the death of two American Army officers in line of duty, the knocking down of a British airliner by Red Chinese warplanes with the loss of Anglo-American lives, and the shooting down of a U. S. Navy plane off Siberia by Soviet MIGs, may be expected to continue indefinitely and with increasing boldness.

In April, 1948, and was lifted in September, 1949, when Russia capitulated. Once more we started our precipitate disarmament. The Truman administration, with the eager assistance of Congress and a great deal of popular sentiment for economy, cut our military appropriations to the bone.

Roll Call Has Its Duplications But It Is Ever Changing Thing

Gov. Byrnes of South Carolina has named Charles E. Daniel, a Greenville construction man, as U. S. senator vice Burnet R. Maybank, who died last week. This will make the second Daniel in the U. S. Senate, the other being Price Daniel, his junior senator.

Queen, two Browns and a Brownson, a Belcher, a Bender, two Bennetts, two Alices, two Brookses, two Coles, three Curtises, two Hagens, two Mackos, seven O'Somebods, four of the Rogers boys (oops, sorry! One of them's a girl), three Thompsons and one with a double name, Horace Seely-Brown Jr. of Connecticut.

These Days—George Sokolsky

Ideals Of Religion, Nationalism May Be Lacking In Youth Today

In two separate areas the subject is being widely discussed that our youth has grown soft. Sociologists are deeply concerned over the increase in juvenile delinquency which is indicative of a lowering of moral standards. Military authorities are studying the moral weakness of many of our soldiers in the Korean War.

which usually motivate men's actions. Man belongs from most of their ideas around the core of religion or nationalism. Religion includes a moral concept of life, often referred to broadly as the natural law. Whether one believes in a religion which insists that God revealed the moral regulatives of a good life to man, or in a religion which accepts morality as an evolution in civilization, it is these aspects of religion that set the ideas of a generation.

Current McCarthy Hearings Different From Previous TV Circus In Procedure

WASHINGTON (AP) — Sen. McCarthy said "I felt that..." Sen. Watkins cut him short. "Let's not get into what you felt," said Watkins.

enormously dull as the committee attorney droned evidence from past proceedings into the record. Yesterday for the first time McCarthy took the stand in his own defense. The television audience which watched him last spring would have been astonished at the difference: the low voice, the "yes, sir" and "no, sir," the subdued voice, the lack of protest at interruptions.

Notebook — Hal Boyle

Courtship Led To TV For Quiz, News Star

By RELMAN MORIN (For HAL BOYLE) NEW YORK (AP)—Screen-print of a fellow on your TV screen: John Charles ("What's My Line") Daly has two sons, both named John. He has a brother named John. They solve the problem around John's house by calling the younger John "Charlie."

as a bus dispatcher in the capital. He went into radio there. As you may know, very few announcers are capable of talking into a "hot mike"—meaning, to talk without a script, simple describing an event as it unfolds. Daly is one who can. He got his training the hard way—covering such exciting events as the birth of a penguin, the annual marble-shooting tournaments, and an occasional fence-whitewashing contest.

Michigan Credits National Guard Patrol With Cutting Holiday Toll

LANSING, Mich. (AP)—Michigan spent about \$30,000 to call out the National Guard to help in Labor Day traffic patrols and thereby saved 10 to 15 lives, Gov. G. Mennen Williams said today.

Inez Robb's Column

Wouldn't Be Too Bad If Schools Added The Fourth R—For Rod

Does anyone else remember 'way back to the Age of Innocence when the height of teen-age, schooltime devilry was hoisting a calf into the school cupola on April 17?

Don't Fix That Horn!

SPRINGFIELD, Mass. (AP)—Many professional musicians play horns and woodwinds that are about to fall apart and they don't want them touched, says Harvey Larose. He's a repair man for all types of orchestra instruments except violins, and has discovered he is wiser not to make any repairs the professionals do not specify.

Detectors Save Saws

FT. JACKSON, S. C. (AP)—Mine detectors, the kind they use in wars, will be used to save timber saws from damage. Workers will take the gadgets into 12,000 acres of timberland at this Army post to detect shrapnel embedded in some of the trees in raftering areas.

Biggest Airplane Pilot

OAKLAND, Calif. (AP)—Joe Sohm, an employee of the Tribune circulation department thinks he is the biggest airplane pilot in the country. Six feet tall, he weighs 368 pounds.

POTOMAC FEVER

WASHINGTON, D. C.—Gov. Byrnes of South Carolina appoints an Eisenhower Democrat to the Senate. The average Eisenhower Democrat is a consistent fellow. He wanted a change in 1952... and all he asks now is another one.

Detectors Save Saws

Times are better! A prominent Washingtonian reports that, in a burst of faith for the Republican administration, he bought a new wood-trimmed station wagon and already he has termite in it.

Biggest Airplane Pilot

The rejects Senator Knowland's demand that we break diplomatic relations with Russia. A compromise might be to keep the Russian relations... and then kidnap her diplomats.

# Class AA Schoolboy Race Getting Into Full Swing

A thrilling 128 games involving 165 teams will bring the Class AA division of Texas schoolboy football into virtual full action this week.

A smattering of games last week got this class off to the season start but none of them was of particular importance. There are some real headlines this week.

Huntville, the defending champion with another strong team, opens the campaign against Liberty.

Colorado City, another top-rated team, plays the 1953 Class A champion, Ranger, which has been advanced to Class AA this year.

Phillips opens with Brownfield, Seymour plays Holliday, Comanche

tangles with McGregor, Terrell meets Ennis, Mexia plays Marlin and Westaco, the rated power of the Rio Grande Valley, rolls against a Class AAA team that's picked as tops in its district—McAllen.

There are 128 teams in Class AA

## Illness Keeps Babe Out Of Tournament

ST. LOUIS (U)—Illness will keep Mrs. Babe Zaharias from taking part in the St. Louis Women's Open golf tournament this weekend, tournament officials reported yesterday. Nature of the illness was not reported.

## Klondike Cougars Invade Sterling City Friday Night

KLONDIKE—Biddled by loss of 11 lettermen, the bi-district championship Klondike Cougars bite off a big chunk in their opener Friday.

A. Huckabee takes his eager but inexperienced boys to Sterling City. They will rate as the underdogs, for some observers are picking the Cougars for the cellar. However, they could prove surprising as the season rolls along.

Huckabee is hard put to find replacements for such stalwarts as L. Singleton, defensive end; Bob Mitchell offensive end; D. Wilson, linebacker, Doyle Archer, classy halfback, and Charles Tibbit and Stubby Dossey, all - district center and back.

Last year Klondike sailed through to a district B-B championship, then clipped Fort Davis, 49-19, for the bi-district crown.

The rebuilding job is shaping around seven lettermen, four of them seniors. N. Milstead, center, and D. Airhart, have two years experience.

Seniors out for the squad are R. Voglar, 150-pound end; Milstead, 140; Airhart, 145; B. Ellison 147-

and D. Snell 160-pound center. Snell is the only senior who is not a letterman.

Juniors include J. Slatton, 135 pounds, end, letterman; J. Kimbrell, 155, back, letterman; R. Scott, 125, back.

Sophomores on the squad are Rod Matthews, 135, back, letterman; C. Freeman, 130, back; J. Beam, 155, end; L. Edwards 130, back.

Freshmen out for the team are B. Davis, 150, center; A. Keller, 135, back; D. Schneider, 120, back; J. Freeman 120 back.

The Cougar schedule follows:  
 Sept. 10 Sterling City at Sterling City  
 Sept. 17 Open  
 Sept. 24 Forsan at Forsan  
 \*Oct. 1 Ackerly at Klondike  
 Oct. 8 Open  
 \*Oct. 15 Knott at Klondike  
 \*Oct. 22 Flower Grove at Flower Grove.  
 \*Oct. 29 Loop at Loop  
 \*Nov. 5 Dawson at Klondike  
 \*Nov. 12 Gall at Gall  
 \*Nov. 19 Courtney at Courtney  
 \*Conference game.

## HEAVY FAVORITES

# Texas Stacked With Veteran Standouts

(This is another in a series discussing Southwest Conference football prospects.)

AUSTIN (U)—With a few exceptions, it seems the same old story at the University of Texas.

For one thing, the Longhorns are favorites again. That is not Coach Ed Price's choosing, although he admits he will field one of the leading contenders in the Southwest Conference race.

But the story has a familiar ring for other reasons. Seven of those players likely to appear in the starting lineup against Louisiana State nine days hence were regulars on last year's co-championship team. And 15 other candidates lettered on the team that made a strong finish after losing three of its first six games.

Before they swing into defense of their third visit to the throne-room within four years, they play a nonconference schedule that includes the nation's most consistent winners for the past decade—Notre Dame and Oklahoma. Sandwiched between is Washington State, while LSU, the first foe, is a notorious early-season nemesis.

Although graduation took few from the ranks, it took a lot of quality. Current replacement problems involve the two end positions, right guard and fullback. It appears two juniors, one soph and a senior will have responsibility of taking over chores performed last year by seniors Carlton Massey, Gilmer Spring, Phil Branch and Dougal Cameron.

Massey was All-America, while Spring and Branch were all-Southwest Conference, and Cameron was the team's leading ball carrier. Leaders at those vacated positions now are ends Menan Schriewer and Don Jones, junior lettermen; Guard Ben Woodson, a sophomore, and Billy Quinn, a converted right halfback who was all-Southwest Conference as a soph.

Except at fullback, where letterman Bill Long is impressing, soph-

omores appear to be the next best replacements at four spots. Ends Merton Moriarty of Dallas and Mike Trant of Tyler are showing up well as is guard Vernon Person of Gonzales. If his arm injury, which cost him more than half of last season, mends properly, Howard Moon, a 3-year letterman, may be at one of the ends.

Gun Enthusiasts Asked To Meeting Of Sportsmen Club

All gun enthusiasts are being asked to the meeting of the Western Sportsmen Club here Monday.

Fred Beckham, president, said that one of the things up for consideration would be the possibility of fostering a junior rifle club. Several have expressed an interest in teaching youths the proper and safe handling of firearms.

The club's range, in the pit area of the Buffalo Trail Round Up area southeast of the City Park, is all laid out, and final plans will be developed Monday for completing the facilities.

Several events have been planned, including a turkey shoot and a season for sighting in deer rifles. The deer rifle practice round may be held early in October.

Beckham invited all persons interested in handling rifles and shotguns to participate in the meeting regardless of whether they are club members. The session will be held at 7 p.m. in Room 202 at Howard County Junior College.

## Pioneer Games Set

ARLINGTON, Tex. (U)—Two Pioneer Conference football teams—San Angelo and Ranger—open the football season Saturday night.

San Angelo will meet Blinn College of the Texas Junior College Conference at San Angelo. Ranger will tackle Wharton of the Longhorn Conference at Ranger.

CHARLES CARAWAY

## Caraway Joins Coaching Staff

Charles Caraway, of Tulsa, has joined the coaching staff for the Big Spring Junior High School.

An E-warsy letterman in basketball with the McMurry College Indians, Caraway will coach eighth grade footballers a ninth grade basketballers here. He said he ex-grades footballers and ninth grade cagers who will average six feet, two inches in height this winter.

Caraway stands only 5-5, but his speed and determination won him the Indianhead, letterman's award, at McMurry. He also was manager of the football team at the Abilene school, and was member of Future Teachers of America. He will teach general science at the junior high here.

His eighth grade football team is to play six games this season, against Colorado City, Odessa, Snyder, and Sweetwater. Caraway works under Head Coach Carl Coleman. Johnny Johnson, high school basketball coach; and Roy Baird, also a former McMurry athlete who coaches B teams for Big Spring High School.

## Ackerly Eagles To Play Forsan

ACKERLY—The Ackerly Eagles open their 1954 football season Friday night with a non-conference game with the Forsan Buffaloes. The game will be played in Forsan.

# North-South Tilts Feature State Football Card Friday

By HAROLD V. RATLIFF Associated Press Sports Editor

A thunderous 282 games send Texas schoolboy football teams into action from Panhandle to Gulf in the first big week of the budding campaign.

The four divisions that play to state championships will be filled with important battles but the headliner will be at Fort Arthur where the Yellow Jackets, rated by some as likely state finalists, meet Odessa's Broncs, who did go to the Class AAAA finals last season.

This Friday night game will give an indication of the strength of North vs South and will be watched with great interest by two other teams of high rating—Abilene, favored in Odessa's district; and Baytown, the big one Fort Arthur must overturn to win its district crown.

Other important games send Highland Park of Dallas, a veteran outfit, to Abilene, and Galena Park against well-ranked Miller of Corpus Christi in the AAAA class.

An inter-class battle vies with the other games for interest as Corsicana of AAA tries Waco, a

ranking power of Class AAAA, at Waco Friday night.

Port Neches, champion of Class AAA, doesn't open the season this week but Big Spring, the team Port

## Richards Offered A Salary Increase

CHICAGO (U)—Chuck Comiskey, Chicago White Sox vice president, says contract negotiations with Paul Richards have ended and the manager has been tendered a new pact "at a slight increase" in salary and "for more than a year."

Richards' current two-year contract, reportedly at from \$30,000 to \$40,000 annually and a bonus based on attendance, expires at the end of the year. He receives "a nickel a head" on every paying customer in excess of one million.

The Sox already have passed the million mark and on the basis of a 250,000 excess Richards' 1954 bonus would be \$12,500.

Comiskey said the next move is up to Richards, adding that he had asked for a decision in a "reasonable" length of time.

Neches beat for the title, does. The West Texans go into Class AA to swipe at Andrews.

Lamar of Houston, the Class AAAA king, also waits a week before opening the campaign. Lamar then will play mighty Baytown.

## Pampa Cinches Top Spot In WT-NM

By The Associated Press

The Pampa Oilers clinched top spot in the West Texas - New Mexico League last night with a 6-5 decision over the Amarillo Gold Sox.

It was the last game of the regular season for the Oilers. They ended the schedule with 81 wins and 54 losses.

The Clovis Pioneers, who headed the league most of the season, can't catch Pampa. The Pioneers have 77 victories and 53 losses and two more games to play.

In the other games, last year's champs, the Albuquerque Dukes, fell under an Abilene onslaught, 5-2, and Clovis Tumbled Plainview, 5-1.

WILL YOU GET THE JOB...if they look up your Credit Record

EMPLOYERS nowadays often check with the local Credit Bureau before they hire a person for a responsible, high-salaried position. They know that the man with a reputation for paying his bills promptly is a better prospect.

The man with an unsatisfactory credit record usually has two strikes against him when he applies for a job that involves financial or management responsibilities. Employers and their personnel managers are not usually willing to entrust important business affairs to those who cannot efficiently manage their personal affairs.

There is only one way to maintain a good credit record and that is to buy only what you can pay for—and pay for it when it is due.

Buy Wisely . . . Pay Promptly

**Assure Prompt Service**

This fleet of trucks, part of the equipment maintained by Clyde McMahon Concrete Company, stand ready to make prompt delivery of ready-mix concrete, sand, gravel, paving aggregate and other construction supplies to builders and homeowners throughout the Big Spring area. McMahon has 25 vehicles, loaders and other mobile equipment, including six mixing trucks, to provide the service. Shown is the McMahon concrete plant at 605 N. Benton. The plant is constantly in touch with the concern's supervisor, as well as with McMahon's sand and gravel plant, by two-way radio—another feature to expedite service.

**McMahon Mixes Service, Quality**

Providing builders of this area with up to 400 cubic yards of the ready-mix concrete daily is the Clyde McMahon Concrete Company, 605 N. Benton. Every batch of concrete from the McMahon plant is of the exact design and strength specified by the purchaser. McMahon prepares the ready-mix in accordance with specific designs worked out in regular commercial laboratories for the various types of construction. As a consequence, there is no crumbling and no "stuffing" of concrete utilizing McMahon concrete. Thorough and uniform mixing assures builders that there are no "pockets" of unmixed sand, cement or gravel in the ready-mix. Washed sand and gravel from the McMahon plant are of the same high quality as the ready-mix concrete. The same high standards are maintained in the preparation of paving aggregate. In order to expedite service to his customers and to make his whole operation more efficient, McMahon recently installed two-way radio communication between concrete and gravel plants. Superintendent of the operations also is equipped with mobile, two-way radio for direction of activities between the plants and various jobs. Rena Shunk and Hattie Wigley of Akron, Ohio, have been bowling on the same team in the same league in the same bowling establishment for 20 years.

**Locker Company Has Fine Meats, Home Freezers**

All types of choice meats, produced on the company-owned farms, are available at Big Spring Locker Company. The meats may be purchased at either wholesale or retail prices.

The Big Spring Locker Company is owned by Jim Kinsey and Marvin Sewell. Kinsey manages the locker company and Sewell manages the stock farms.

"Save on your food bills. Live better. Eat better. Find out about the Amana food plan" is one of the locker company's favorite advertising slogans.

They urge persons interested in purchasing refrigerators, home food freezers or air conditioners to contact them. The firm handles complete lines of Amana electric appliances. The Amana refrigerators contain the "Stormor" door. Upright freezers are also available.

With the purchase of a home food freezer a buyer is given the right to buy food from the locker company at quality discount prices, Levi Russell, sales manager, says.

Provided for customers' rental are approximately 11,000 lockers. Almost any size space may be rented. The locker facilities also are used by local grocery firms for food storage.

Locker renters may obtain all necessary freezer supplies at the plant. Freezer bags, jars, paper, tape and food containers are among the items sold.

The company maintains a stock

**Phillips 66 Philgas Insures Comfort For Winter Months**

Homes situated where natural gas is not available, and not already equipped with a liquefied petroleum gas system, can be made as comfortable and as conveniently heated as the most modern home on the natural gas line—simply by installation of an LPG system and the use of Phillips 66 Philgas.

The McGibbon Oil Company in Big Spring, distributor of the popular Phillips 66 petroleum products, including Philgas, suggests that residents of this area equip their homes with Philgas systems before another winter gets under way.

McGibbon can provide the complete installation, with a butane system to match the size of any home or businessplace. Tanks up to 1,000 gallons capacity can be installed, along with lines and accessory equipment.

Central heating systems may be operated with Philgas, as can automatic room heaters, and other automatic equipment.

Philgas, the Phillips butane propane, is the choice of fuels for hundreds of homeowners because of its "high heat content." The fuel heats quickly, for cooking, heating the home or for any of its other many uses.

It operates refrigeration equipment of all types of frozen foods and fruit juices.

Canned meats, soaps, barbecue sauce, shortening, frying oil, napkins, paper cups, paper plates, kitchen tissue and other items are for sale.

**MORTGAGE PLAN THAT GUARANTEES**

## J. L. Baugh Is Named To FHA Panel In County

J. L. Baugh of Coahoma has been appointed a member of the Howard County Farmers Home Administration committee. It has been announced by Carlton Chapman, manager of the Big Spring FHA office.

Baugh is a livestock farmer. His place is north of Coahoma. The other two members of the three-man committee are Charlie Nichols and W. J. Rogers.

At the same time Chapman said that Edwin J. Bednar, a farmer in the St. Lawrence Community, has been named as member of the Glasscock County FHA committee, to serve with Isidore Hoelscher and Edward M. Tzele.

Committee members are named for three-year terms, and one appointment expires each year. No member completing a three-year term can succeed himself.

During the past year, Chapman said, the Howard and Glasscock committees approved 148 loans out of a total of 152 applications. The FHA makes loans to family-type farm operators to buy, improve or operate their farms more efficiently.

Special livestock loans are made where temporary credit is needed to enable the operator to stay in business. The FHA also makes emergency loans in counties that have been designated by the Secretary of Agriculture as areas where emergency credit is needed. However, the FHA does not make loans of any type to any applicant whose needs can be handled from other sources of credit.

All loans must be approved by these county committees.

Women grape pickers in many French vineyards still wear headgear of the type called "kiss-not hats" by soldiers in the 100 Years War because the sharp brims made it impossible to steal a kiss.

Big Spring (Texas) Herald, Sept. 1954

## Additional FHA Funds Made Available For Area Counties

Additional Farmers Home Administration funds have been made available for assistance to farm families in Howard, Martin, Glasscock, Midland, Ector and Andrews counties, according to Carlton J. Chapman, the agency's county supervisor, whose office is in the basement of the Big Spring Post Office.

Farm families in this area, he said, have made good use of FHA credit and services this past year and have thus been enabled to step up efficiency of their farm operations.

"We now have additional funds

### Man Proves Love For Land In Will

NEW YORK (AP) — German-born Julius Lehmann loved America, and he proved it in his last will and testament.

He came to this country 50 years ago, and became a prosperous importer. In 1951 his wife died. Last June 20, he died at the age of 92.

In his will, probated yesterday, he left all but \$1,000 of his \$70,000 estate "to the government of the United States of America to which my wife and I are so much indebted for the blessings we have enjoyed as citizens of this country."

## Huge Crowd Fills Soldier Field For Marian Year Fete

CHICAGO (AP) — An estimated 260,000 persons filled huge Soldier Field to overflowing last night at a colorful, sacred Roman Catholic ceremony celebrating the Marian Year in the Chicago archdiocese.

The vast multitude of worshippers who paid reverent tribute to the mother of Christ filled every seat in the big lakefront stadium. Thousands pressed out into the grassy field near the specially built altar in midfield. Other thousands remained outside the stadium and heard the ceremonies over loud speakers.

Traffic in the vicinity of the field was jammed for hours before and after the ceremonies.

The crush at the gates resulted in 19 persons being hospitalized. No serious injuries were reported but police said that about 100 persons were given treatment at first aid stations. Most of those affected fainted while others suffered from shock or exhaustion or were bruised as the throng pressed through the gates.

More than 8,000 men, women and children participated in the program. Included were four choirs of 4,000 voices, some 1,600 priests and prelates, Catholic fraternal groups, the American Legion color guard and drum and bugle corps and gaily costumed groups representing 16 of the nationalities of persons of the archdiocese.

The mother of the first wife of Columbus owned a sugar plantation.
