### Adopt A Family This Xmas And Help Real Spirit of Day

#### Late War News Summarized

President Roosevelt and Congress today answered the German and Italian declarations of war against the United States by declarations within four hours after the Axis announcements were received in this country.

The American declaration against the two axis powers followed within 70 hours the declaration of war against Japan following the Japanese attack Sunday on American bases at Hawaii, the Philippines, Guam and Midway Islands and made the official lineup for World War II as follows: The United States, Great Britain, the Soviet Union, China and the refugee governments of Europe against Germany, Italy, Japan, and the axis satellite powers.

The German and Italian declarations made no mention of Russia, and Joseph Stalin has not yet taken an official stand in the United States-Japan far eastern war. However, fighting continues on the Russian front and the Red Army report pushing the Germans back on most fronts.

The war declarations in both house and senate today were passed without a dissenting vote; though in the house, one member, Miss Jeanette Rankin of Montana, who voted against the Japanese War was reported present but not voting. In the Senate the vote was 90 to 0 in favor of the separate declarations against Germany and Italy.

### Dish Matinee At Texas Theatre To Be Saturday

Help the cafeteria and see two good shows is the advice of sponsors of the dish matinee to be held at the Texas Theatre Saturday afternoon from one until five o'clock.

The Central School cafeteria, one of the most worthwhile projects in Hereford, needs dishes—specifically dessert dishes, small plates, cups and saucers—and Manager Charlie Hardwick has agreed to let any person see the show at the Texas by paying for admission any one of the required dishes.

Only money required will be one cent tax for children and two cents for adults.

The pictures are Tom Keene in "Riding, Sunset Trail," Juy Kibbee in "Scattergood Meets Broadway," and a chapter of the serial, "Jungle Girl."

### McDonald Sale Features Auction Of Herd Sire, Advance Domino Mischief

McDonald Herefords, a synonym for top quality in the cattle raising business, will go on sale Monday morning, Dec. 15, at the Bull Barn, D. L. McDonald announced this week, stating that the sale would start promptly at 10 o'clock and would be in charge of two of the best auctioneers in the United States.

One hundred fourteen females and 21 young bulls out of a herd which is strong in the blood of Anxiety 4th—the blood responsible for the high quality of American Herefords—will be offered at auction, McDonald states, adding that the feature of the sale will be the auctioning of the famous herd sire, Advance Domino Mischief.

### Grow Food For Family To Help In War Effort

Growing food for their families is a definite contribution farmers can make in the Food-Freedom campaign, according to County Agent A. R. Bateman.

If more food is raised than can be used immediately, it may be preserved for home use or sold. Self-sustaining farm families will relieve demands upon food processing plants, transportation facilities, handlers, and storage warehouses and thus release additional facilities for supplying food needed for our increasingly large army and for England and Russia.

Mr. Bateman listed breeding another sow this fall, planting winter gardens, and raising a few more chickens as the principal means of increasing food supplies at home.

Various phases of the AAA program are available to help small farmers increase home food production, the County Agent said. Various pasture and soil-building practices for which payments are made boost the farmers' efforts to increase milk supply. Mr. Bateman also pointed out that many of the soil-building crops grown in Deaf Smith county can be used as feed for livestock, as well as protecting and improving soils.

### Music Group Will Cather Records For Soldier Boys

In response to a "Music in Defense" plan put out by the National Federation of Music Clubs, members of the Music Study Club have announced that their plan of cooperation will be to provide musical records for the soldiers in camps.

Mrs. H. L. Broadwell, chairman, says that she has been notified that classical, popular and opera records are much in demand and that if any one having records to contribute to the soldiers, will call her or Mrs. A. O. Thompson, the records will be picked up, and sent to one of the Texas camps.

An old Victrola or any type of record player will be appreciated by the boys too, for the entertainment problem in the army camps is growing, and now at Christmas time, the need for entertainment is even greater. The records must be sent to the camps soon in order to reach the boys by Christmas and all those who desire to have a part in this plan are urged to notify one of the committee as soon as possible.

### McDonald Sale Features Auction Of Herd Sire, Advance Domino Mischief

McDonald Herefords, a synonym for top quality in the cattle raising business, will go on sale Monday morning, Dec. 15, at the Bull Barn, D. L. McDonald announced this week, stating that the sale would start promptly at 10 o'clock and would be in charge of two of the best auctioneers in the United States.

People of the Hereford territory are again being offered a chance to share Christmas with less fortunate persons who will have a pretty cheerless holiday without the help of their neighbors.

"This year, as in the past, we have a list of families who will need Christmas baskets," says Mrs. Dyalithia Brady, county welfare administrator, who adds that this year her office is trying to have all baskets turned in by Dec. 23, so persons receiving them can cook their Christmas dinner on Dec. 24. There are facilities for keeping perishables (Continued on Page 10)

### Farmers Can Be Patriotic By Collecting Iron

The national scrap iron collection campaign got under way in this county today, when the Deaf Smith County USDA Defense Board asked farmers in this area to market all the iron and scrap steel for which there is no further use on the farm. There is an urgent demand for iron and steel scraps to speed war industries. Scrap steel is needed to combine with pig iron in steel furnaces.

By marketing all available scrap material, farmers may help prevent too drastic a curtailment of steel for manufacturing new farm machinery and for manufacturing parts for old machinery.

This is a campaign in which the people will get paid for their effort and, believe it or not, they will profit in more ways than one as a result of the junk gathering and junk selling program.

The Board mentioned the FSA program for cleaning up the farmsteads for improved appearance and to eliminate accident hazards. The FSA's farm and home plans always include mention of making farm premises more presentable by removing every item that is not needed or useful.

Farm families can show their patriotism by gathering every piece of scrap iron and steel and making it available for use in national defense.

### Stamp, Bond Sales Rise Sharply With War Declaration

Hereford people, together with those of the rest of the nation, are responding to the war declaration this week by increasing their purchase of savings stamps and bonds, according to the officials at the Hereford Post Office and at the banks.

A total of \$425 in bonds had been sold at the post office on Monday and Tuesday of this week—better than the sales for any other full week, according to Postmaster J. R. Lipscomb.

Bond sales on Tuesday alone were \$350, and purchases are expected to continue to increase.

Stamp sales for the first two days of the week, Mr. Lipscomb says, were better than those for any other week.

Hereford people are doing their share of "buying a piece of America."

### Dental Officers Examine Adults Here Tuesday

Dr. Charles Emory of the state dental service this morning stated that he would be in Hereford Tuesday to make dental examination of as many adults as possible during the hours from 9 a. m. to 9 p. m.

The examinations are part of the study being carried out to try to determine the cause of the low tooth decay rate of Deaf Smith County, and are intended to supplement the studies which have previously been carried out mostly among school children.

Dr. Emory would like to examine as many adults as possible, and he points out that he is not trying to concentrate on natives or long time residents in this particular study.

Mrs. Dyalithia Brady and Mrs. Troy Moore of the Business and Professional Womens Club, Mrs. Urin Streu of the Junior Pioneer club and several other club leaders have been contacted and these leaders will get as many persons as possible to take the examinations. Dr. Emory urges all persons, whether requested by club members or not, to come to the Texas Hotel Tuesday and take the examination.

Not only will these tests prove valuable to dental science, Dr. Emory states, but the examinations should provide valuable information to the individuals examined.

### Hereford Will Have National Defense Shop

A national defense shop for Hereford has been approved by Federal agencies, it was announced this week by W. M. Emmons, vocational agriculture teacher at Hereford High School, who states that no specific information has yet been received on the type of work which will be done or just when the shop will be started.

The defense shops are projects which have been started by the government in many other towns, and their purpose is to give citizens training in mechanical skills vital to war production. In the general mechanical training contemplated, it is probable that there will be courses of special value to farmers—giving them information and training to take better care of farm machinery.

### M. O. Green Buys Clark's Interest In Phillips Station

M. O. Green today announced his purchase of the interest of George Clark in the Phillips Station No. 2 at the corner of Main and First Streets.

Mr. Green has also leased the Phillips Station No. 1 on East Third Street and will operate both businesses.

The new owner states that he will now be able to give wash and grease job service in addition to selling the quality Phillips line of gasoline and motor oil.

"Come in to either of these Phillips Stations," Mr. Green invites, "We will give you the sort of service that will make you want to come back often."

### Red Cross Has New \$1,200 Aim In Special War Chest Drive

#### Decorations To Be Judged For Annual Prizes

Urging that every home in Hereford enter the annual Christmas decoration contest this year, not only to give Hereford a beautiful appearance but to help show the true Christmas spirit in a world at war, G. M. Hudson, president of the Lions Club, and Mrs. N. E. Gass, president of the Garden Club, this week announced the contest.

As in the past, judging will be of outside decorations only, and three prizes of \$3, first; \$2, second; and \$1, third will be offered.

Judging will be made on the following score card: Most symbolic of the season, 50 points; effective lighting, 30 points; and artistic arrangement, 20 points. Two judges will be appointed by the Garden Club and one by the Lions Club. Awards will be made by Dec. 25.

### Pioneer Woman Dies At Home Of Daughter

Funeral services were conducted at the First Methodist Church in Plainview Sunday afternoon for Mrs. Hettie Cochell, nearly 88 years old, and one of Hereford's best-loved pioneers.

Mrs. Cochell had made her home with her daughter, Mrs. Marvin Garner of Plainview, since July when a fall incapacitated her for caring for herself. Born in Richland County, Ill., in 1853, Mrs. Cochell's memories went back to Civil War days and her sprightly stories and always cheerful disposition had endeared her to many Hereford people.

The Cochell family came to the Panhandle in 1902, settling first near Umbarger and moving to Hereford in 1908. In 1919 the family moved to Plainview, where Mr. Cochell died, but Mrs. Cochell had made her home in Hereford since about 1924.

The Hereford pioneer had seen the United States fight three (Continued on Page 10)

### Missionary To China Will Speak At Baptist Church

Dr. Buford Nichols, a missionary recently returned from China, will speak on Monday and Tuesday, Dec. 15 and 16 at the local Baptist Church in programs which will hold unusual interest for the general public in view of recent international events.

Dr. Nichols is being sponsored by the W. M. S., whose members state that he is a very entertaining speaker, in addition to having a subject of special interest to all persons at present. The programs will start at 7:30 o'clock, on both Monday and Tuesday nights.

With certainty of vastly increased war needs, the Deaf Smith County Red Cross Chapter was notified yesterday that a new drive would start immediately in the county to raise a \$1,200 quota.

This is part of the new national drive for 50 million dollars to carry out war work, and with the need so definitely present, it is thought that Deaf Smith County will go over the top on the new drive.

Committees will be appointed, according to Robert Thompson, chairman of the roll call campaign only recently concluded, and complete machinery for the new fund raising drive will be in gear by next week for a renewed effort by Red Cross workers. In the meantime, Mr. Thompson states that some donations have already started to come in at the county clerk's office, and the banks have also offered their co-operation in taking Red Cross offerings.

"This new drive is for a \$1,200 quota, in addition to what has already been raised," explains E. C. Eubanks, chairman of the Deaf Smith County Red Cross Committee, "and we are asking all citizens—whether you have already joined the organization or whether you have not yet contributed, to make your offerings as generous as possible. Fifteen per cent of the new quota will remain in this county."

### Check Over Farming Equipment, And Make Repair Orders Now

Set aside one day or several days sometime soon and go over all farming equipment is the advice A. R. Bateman, county agent, gave Deaf Smith County farmers this week.

By checking and determining extent of repairs, farmers will know the amount of work and number of parts necessary to get farm machinery in A-1 condition to handle next year's crop, he said.

"Getting into gear boxes, looking into turning and moving parts of combines, mowing and planting machines now is the best way to determine the extent of repairs needed, Mr. Bateman said. Plow points should be taken to blacksmiths for reconditioning now instead of waiting until time for working comes around.

Farmers repairing machinery during slack winter months have various methods of determining the extent of work required, the county agent said. He pointed out that some farmers locate the parts to repair and tag them. The tags, bearing short descriptions of the extent and kind of repairs to be made, can be removed as work progresses during the winter.

As the nation swings into a full war production basis, it is just as important to have plows, harrows and ensilage cutters in perfect working order as to have tanks and planes ready to run and fly, the county agent said.

### We Didn't Want This War But We'll Win It

America's entry into World War II, presaged by Japan's lightning attack on Pacific outposts on Sunday and continued attacks all week, found Hereford citizens, together with those of the rest of the country, a little dazed by the suddenness of the hole thing—despite the increasing war danger of the past few months.

Briefly, the local reaction may be summed up as follows: Nobody is happy about this war, but the people are confident of eventual victory for American arms. The treachery of the Japanese attack has welded Americans thought into one aim—to defeat Japan and to end the danger of any future stab-in-the-back international tactics.

The following are quotations from Hereford citizens on the general war situation.

JOHN PATTON—We can't be happy about it—especially those of us who have boys in service—but we can whip them.

PAUL LONDON—It won't be easy—especially since we aren't fighting Japan alone. Germany is back of the whole thing.

MRS. JOE SHEPPARD—If they'd just let us know they wanted fight, we could have already had them whipped.

S. L. HARMAN, Sr.—I'm afraid we have under-estimated them. (Continued on Page 10)

### Womble Offers Special Trade-In On Radios

A fifteen percent trade-in on a new 1942 Philco All-Wave Radio, is the holiday special offer of the Hereford Appliance Company of the Hereford Appliance Company, announced this week.

"With war news of such vital interest to all persons today, a good radio has become a necessity, and if your old radio is not giving top performance, this holiday special gives an excellent opportunity to get a good trade-in on a new, high-quality radio," says Lawrence Womble, Philco dealer.

The local dealer also reminds customers that with industry going into full war production, there will probably be a real scarcity of radios within a few months.

### George Clark Purchases Dry-Cleaning Business

George Clark this week announced purchase of the cleaning plant at Hereford Laundry and urged the public to give his service a trial.

Clark, who has been in the cleaning business in Hereford for several years, most of the time as manager of the Hereford Laundry dry cleaning plant, is well known to Hereford people and has established a reputation for efficiency of management.

"We have all modern equipment—the best of everything," states the new owner, "and we believe that if you give us a try you will find our service measures up to all the standards you expect in quality dry-cleaning work."

Clark is making a Holiday offer on cleaning of ladies dresses, men's suits and spring coats at a special 50 cent price.

## Santa To Pay Annual Visit To Kiddies

Despite the war and a lot of mix-ups in many communication lines, it is definite that Old Santa Claus will make his scheduled appearance at the annual Santa Claus Parade in Hereford on Dec. 19 (Friday)—the parade to start at 2:30 o'clock.

The Japs have not interfered with the Santa Claus route to the North Pole, says Alex Thompson, parade marshal, who was in touch with Santa Claus this week; and the jolly old

gentleman declares that he is looking forward to his visit with kiddies of the Hereford territory.

For All Grade School Kids  
All grade school children of the Hereford territory are expected to attend the annual parade, according to Mr. Thompson, who states that the party this year will be strictly a "little kid affair" and that teachers of rural schools are being asked to dismiss early

so that their pupils can march in the parade.

Santa Claus has commissioned the Lions Club with the duty of filling sacks with candy and nuts, and he will be glad to take letters from his little friends when he gives out the treats.

Farde Forms At Meet. Church  
The parade will form at the Methodist Church, says Mrs. Thompson, and will probably be led by the Central School Band.

The High School Band may also march, though no other high school students will march in the parade.

Local school authorities state that they will dismiss by about 2:15 o'clock so all grade school children can be on time to the party and rural schools are being asked to co-operate as they have in the past by dismissing early and seeing that all children have transportation to Hereford for the big event.

## Do You Remember?

Dec. 12, 1902

Hereford needed a nightwatchman, according to the editor, who stated his case as follows: "As Christmas and the attending fireworks proposition approaches, would it not be well for the citizens to employ a nightwatchman to prevent fires from emanating therefrom?"

J. R. T. Bassett had the misfortune to lose a section of good winter grass recently by fire.

G. A. F. Parker, manager of the Smith and Walker Bank was absent on a 10 day vacation.

F. H. Britian was in from his Castro County ranch Tuesday.

Dec. 13, 1917

Red Cross news was high in interest at Hereford. Quota for the county had been set at 1200 members and the chairmen were W. E. Dameron, Summerfield; J. A. Hughes, Farwell, W. M. Knight, Askren; Carl Gilliland, Ford; W. M. Baker, Day; L. Gough, Wyche, and R. T. Evans, Hereford.

D. L. McDonald had sold two irrigation farms, one at \$100 per acre, the other at \$144 per acre.

The Star Theatre was showing Mary Pickford in "Rebecca of Sunnybrook Farm."

Among the letters to Santa Claus was one from little Margaret Gilliland, who wanted "a game of checkers and other games and some good books to read."

Dec. 10, 1931

G. T. Higgins, 1930 captain of the Hereford High School football team, had made the varsity at WTSTC, Canyon.

Prentice Rosson, W. L. Davis and Cliff Acker saw the Amarillo-Lubbock Football game.

Miss Virginia Stovall, who was teaching at Vega, spent the evening with her parents, Mr. and Mrs. Bill Stovall.

Miss Lucille Hicks, music director in the public schools, had started work on a sacred cantata to be given by the high school glee club.

## Luncheon Closes Garden Club Season New Officers Installed For Next Year

A luncheon Thursday at the Rose Room closed the season for the Herford Garden Club. Places were laid for 20 active members of the club at beautifully decorated tables carrying out the yuletide motif. Tiny white Christmas trees glistened with multi-colored ornaments and red and green nut baskets marked each place.

For the program which followed the luncheon was a short forum on "What Our Club Provides and What It Lacks" conducted by Mrs. J. P. Slaton. Others taking part in the discussion were Mrs. Lyle Blanton, Mrs. F. H. Oberthier, Mrs. F. M. Kester, Mrs. C. H. Dyar and Mrs. Homer Brumley.

In keeping with the season of the year Mrs. D. H. Alexander told a Christmas Story.

The club opened its year's work the latter part of February and study programs, pilgrimages, social meetings and the annual flower show made up a profitable year's work. At the close of the luncheon new officers were installed who will take over their duties when the club begins its

Mr. and Mrs. S. I. Orr left last week for Corpus Christi where they will spend the winter months. Their son, Duane Orr, and Mrs. Orr live in Corpus Christi.

Thornton Shirley accompanied her grandfather, John L. Wilson, to Ft. Sumner, N. M., last week where they visited his daughter, Mrs. Sam Suede and family. They were accompanied home by Mrs. Dean Rice and son, Don, of West Frankfort, Ill., who are visiting relatives in Texas.

The new officers include Mrs. 1942 activities in March.

Ralph McCullough, president; Mrs. Dennis Barnard, 1st vice-president; Mrs. Art Manjeot, 2nd vice-president; Mrs. Lison Wilson, recording secretary; Mrs. Robert Wagoner, corresponding secretary; Mrs. J. P. Slaton, treasurer; Mrs. Homer Brumley, parliamentarian and Mrs. E. T. Brooks, federation councillor.

Members attending the final meeting included Mesdames Homer Brumley, W. N. Lemon, F. M. Kester, C. H. Dyar, C. E. Ferguson, Ralph McCullough, E. T. Brooks, Jim Lipscomb, E. Ramey, Dennis Barnard, J. P. Slaton, D. H. Alexander, Lyle Blanton, N. E. Gass, Lison Wilson, F. H. Oberthier and Miss Sadie Lee Oliver.

## Let's Cook Something

If you are a new hostess here is a recipe for something good to eat that will be a source of pride to yourself as a hostess, that will please your guests, and still not tax too severely your cooking ability nor your purse. Variations from sliced turkey and baked ham will be welcomed by your guests and the family too, during the holiday season and as much of the preparation for making Chicken Casserole can be done hours beforehand it is doubly appreciated.

Arhe Dean visits relatives in Georgia and Alabama occasionally and when he finds something especially palatable he persuades the relative who cook to give him the recipe to bring home to Mrs. Dean. And that's the source of:

### SOUTHERN STYLE CHICKEN CASSEROLE

Cut up and salt a small plump hen or a large fryer and cook in enough water to make a rich broth until very tender. Butter may be added if broth is not rich enough. Remove the bones from the chicken, add 3 or 4 sliced Irish potatoes, 1 or 2 small onions, cut fine, 1 can corn, and place on slow fire to simmer. Cook 3-4 box of macaroni until tender and add to above mixture. Salt and pepper to taste. When vegetables are tender add 1 can oysters or 1-2 pint fresh ones and pour in casserole. Sprinkle lightly with cracker crumbs and top with 1 big tablespoon of melted butter. Place in hot oven for a few minutes for crumbs to brown. Serve this with a leafy green salad and you have a hearty one-dish meal.

## "Education In Democracy" is Theme Of Federated Women's Club Meeting

"Education in Democracy" was the theme for the second quarterly luncheon meeting of the Deaf Smith County Federation of Women's Clubs held Monday at the First Christian Church.

Mrs. Knox Kinard, chairman of the education department, and Mrs. Ray Johnson, chairman of international relations had as guest speaker, Dr. Harris M. Cook of the W. T. S. C. department of education in an address on the program theme and a group of Miss Mattie Mae Swisher's Voco Club members in musical selections.

Tables for the luncheon attracted the interest of guests as they glistened and sparkled with Christmas decorations. Snow scenes, bright colored ornaments, miniature Christmas trees and Santa's red boots holding lighted tapers made a pleasing display of yuletide suggestions. Hostesses for the luncheon included Progressive, Lone Star Study, and the Business and Professional Women's Clubs.

Dr. Cook, introduced by Mrs. Elmer Patterson, addressed the club women on "Education of Free Men in An American Democracy," bringing his talk up-to-date in relation to recent development in world affairs. "Democracy is an historic heritage from the founders of the nation and who rebelled at dictatorship, and it is education's task to guard, cherish, advance and make available to coming generations the aspirations of the race."

Concluding the speaker said "The Totalitarian nations were certain that American youth, schooled in the individualism and freedom of democracy, would rise en masse against the Selective Service Act but we have evidence that the Democracies were building a discipline in the hearts of its men—a discipline based not upon fear but upon the will of the majority of the people."

The musical program included a group of Christmas Carolers in costume. They included Barbara Ann Burney, Joyce Homer, Louise Young, Betty Morrow, Georgia Faye McConnell, Norma Jean McCullough and Mary Helen McGilvary. Mrs. Ellis Coombes was accompanist. Katherine Danforth sang "There is Born a Savior" with Mrs. Coombes accompanying and Bonnie Lou Cooper accompanied her brother, Charles, who sang "The Infant Jesus."

At the close of the program Mrs. Urline Streu, president of the organization, welcomed the Dawn Study Club as a new member.

### Annual Christmas Party Entertains B & PW Club Members

The holiday season is already filling up with parties for everybody. One of the earliest of the season this year was the Christmas affair held at the home of Miss Clara Wedel Monday night for members of the Business and Professional Women's Club.

Members were presented with sprigs of mistletoe as they entered the entertaining rooms which were lighted with blue Christmas bulbs and had a holiday decoration motif. A blue and silver tree was the high point of interest from which Old Santa himself distributed gifts.

A Christmas program was enjoyed: Erma Faye Robinson gave two musical readings with piano accompaniment by Mrs. Ursalee Jacobsen. Two Christmas songs were sung by Mrs. Jacobsen and Mrs. Lois Moore. Barbara Roles entertained with Christmas stories and group singing featured the carols.

Plum pudding and coffee was served from a decorated table, centered with a large blue star placed flat on the table and dotted with bright colored ornaments in various sizes and colors. Blue tapers burned on either side of the centerpiece. Miss Ruth Sachs presided over a silver coffee service at one end of the table and Mrs. Belle Hromas served the pudding from a large platter encircled with a Christmas wreath, at the other end of the table.

Members attending the party were Rebecca Singleterry, Ursalee Jacobsen, Ann Holman, Ethel Robinson, Cecil Williams, Belle Hromas, Erma Faye Robinson, Lnez Miller, Sadie Lee Oliver, Lois Moore, Bessie Smith, Dyalitha Brady, Mattie K. Robinson, Florence Wilkins, Ruth Sachs, Evelyn Sachs, Evelyn Stelzer, Virginia Bowsher, Virginia Bowman, Barbara Roles, Mary Kate Brotherton, Inez Clark and the hostess.

**Fidelis Matrons Class Has Meet In Sowell Home**  
Fidelis Matrons Class of the Baptist Church was entertained at the home of Mrs. Barrett Sowell Thursday afternoon with Mrs. Clarence Strange acting as co-hostess. A short business session was held when members voted to change the meeting date to the first Friday in each month. A

### 81st. Birthday Party Honors Grandmother

A neighborhood party was given last week at the home of Mrs. Carl Oldham, honoring her grandmother, Mrs. L. E. Smith, on her 81st birthday.

The first part of the afternoon was given over to stunts and games and later Chinese Checkers provided entertainment. Refreshments carrying out the holiday motif, were served and gifts were presented to the honoree.

Those present were Mesdames Henry Hastings, H. H. Hawkins, John Cunningham, Jack Wright, W. J. McClain, A. H. Elliston, Lonie Burleson, L. Z. Oldham, J. B. France, C. P. Cockrell, Albert Higgins, S. E. Niblo, E. W. Cawthon, the honoree and the hostess, Jackie Wright was also a guest.

### New Deal Club Entertained At Country Home

A contract party for members of the New Deal Club was given at the country home of Mrs. Willis Edelman Friday afternoon.

Mrs. Wayne Evans played high for score award and Mrs. Sylvester Slagle made second high. After the games a fruit plate was served to Mesdames J. T. Gilbreath, Jr., Wayne Evans, Alton Miller, B. Y. Crosthwait, Louis Woodford, Sylvester Slagle, Frank Huckert, Ralph Hastings, and the hostess.

### RIDLINGS MOVE

Mr. and Mrs. Elvin Ridling are moving this week to their farm about 15 miles south of Herford.

A family of four was adopted for a Christmas good will project.

Mrs. A. L. Manjeot, teacher of the class, directed a program of Bible study.

The next meeting will be held on Jan. 2, and the Christmas party will be held at the home of Mrs. A. J. Schroeter on December 18, at 7:30 o'clock.

Those present were Mesdames R. S. Scott, A. T. Layman, George Robertson, A. J. Schroeter, A. L. Manjeot, Clarence Strange and Barrett Sowell.

## BULL

By Jimmie Gillentine

Sunday afternoon, December 7, has gone down in history. Did you ever stop to wonder over the fact that Japan made her unprovoked attack on Sunday? There are two logical reasons, and perhaps both are important in the present trend of things.

It is possible and probable that Hitler engineered the whole attack—and you will recall that every important step Hitler has yet made was started on Sunday. Boys around the big papers will argue hours on end that he does this in order to make the Sunday headlines. Some magazine articles contend that Hitler is guided by a German prophet, who recommends these dates. Anyway, we all know that Sunday has been Hitler's chosen time for beginning important campaigns. Apparent success of the underhanded blow may also be attributed to the fact that the first blow was struck on Sunday.

Neah Shockley, who was stationed in Hawaii for two years as a member of the U. S. Army, says that he has a mental picture of how the first blow was struck and how it crippled our Hawaiian forces.

In the first place, Shockley says that it has always been the custom for all soldiers to get fort leave at noon Saturday, and report for duty again Monday morning. He says that ships which dock also grant shore leave to the sailors Saturday at noon, requiring them to report Monday morning. It is very interesting to hear Shockley tell of this, because he can name the points of most interest where the soldiers were probably spending their leisure hours. He says that around 40 per cent of the island population is Japanese. He believes that the Japs recognized this American custom of weekend leaves and launched their attack when our operations were most vulnerable, which is highly probable.

Shockley says the large islands around Hawaii are practically without habitation and he believes that the Japanese may have used one of these islands as a

base. This is, of course, mere speculation.

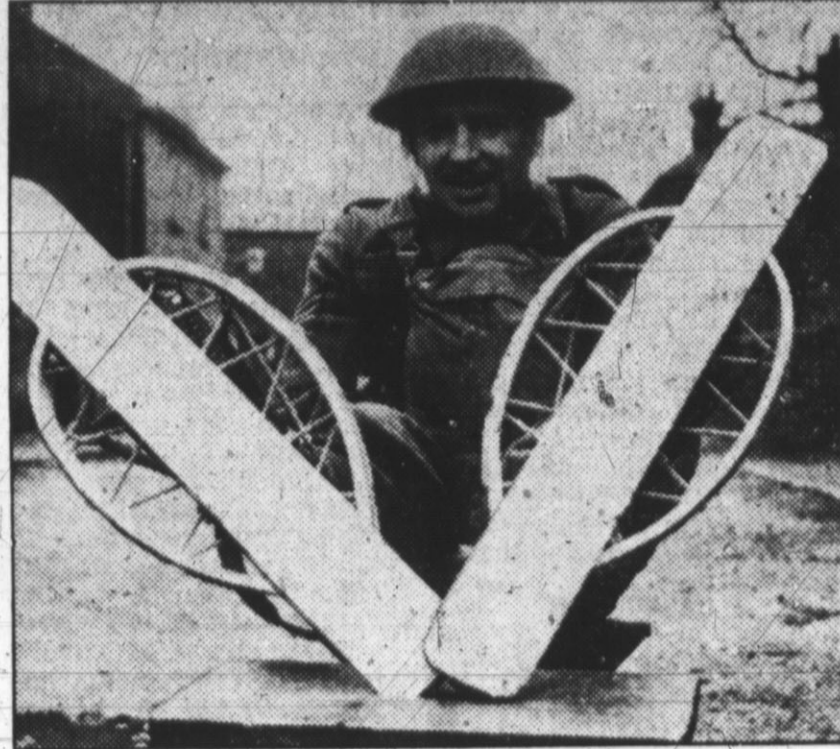

It is also interesting to speculate upon Japan's reasons for entering this conflict. To most of us, it looks like suicide for Japan. Certainly they must have some sort of agreement with the Axis powers. The rapid blows of the Japanese are probably calculated to throw this country into turmoil. No doubt but that Axis powers expect continued labor troubles in America. It really makes your heart skip a beat as you watch the United States of America settle down and go to work. Labor immediately backed off, took up a notch in its belt and dug in. From now on, Labor will plainly say "To hell with John L. Lewis and his kind." Business has already practically turned over 100 per cent to the nation. Lines thronged the recruiting stations Sunday afternoon as young men volunteered their services for their country.

Probably, Japan and her Axis allies, expected America to become entangled in strife. They might even have anticipated possible surrender after quick decisive blows at Pearl Harbor, Frisco and New York. I wish Hitler could know the attitude of America as it exists in Hereford, Texas. America hasn't yet begun to fight.

Most folks with whom I have talked say that they would rather be dead than placed in the position of Axis dominated countries of the world. We Americans are spoiled and pampered, but we come of good stock; our nation was built by men and women who lived and died for ideals. When there is a job to be done, we settle down and do it. Deep down in our hearts, all of us know this to be true. We fully realize the graveness of our situation, yet we are not afraid or in a state of panic. I know this to be true just as you know it and for that reason I am not going to harp on buying Defense Bonds and Stamps. All of us realize the importance of these things, and I believe that everyone in this community will do his part in buying "A Piece of America"—and buying until it hurts. We realize our duty and I feel confident that the people of this community will respond generously.

Right now I wish that I could think of something humorous and clever to write. Folks can always do with a good laugh. It makes you feel better and work harder, but things which might have been funny in the past somehow don't ring true. We Americans have to watch this. We are so constituted that it is good for us to laugh once in a while.

## Winter Victory Paddles

Thousands of snowshoes for Soviet troops are being turned out by English factories. Snow-paddles form the well-known victory symbol as demonstrated by a homeguarder.

About our news reports. President Roosevelt was very clear in defining this phase of our life. He was more than fair. All of us want to know what is happening, but none of us want to know bad enough to endanger one piece of American property or one single hair on the head of an American youth. I rather think that our government's outlined policy along this line may be too liberal. It is entirely possible that our news will be less and less—even more scant than the President's prediction. We will have to forego this valued treasure, just as we will have to do without cars, refrigerators, and many other conveniences. As I said before, we have been pampered and spoiled, but we will rally to this situation in the same calm, deliberate manner in which Congress rallied Monday morning—and we will act with

the same determined effort.

In this hour of war, Christmas, 1941, may become a sincere occasion. Many of our individual plans have already been altered and changed. Several weddings were planned by boys who will likely see their furloughs cancelled.

Many of us will recognize the first "pinch" of war this Christmas. On the other hand, many church leaders and educators have contended for years that festivities of the occasion were over emphasized. Actually, this Christmas can be made to stand out forever in our lives. More than ever before, we should make Christmas a great occasion—for next Christmas may be different from any we have ever known. Christmas in its true spirit is a

symbol of Christianity and Christianity is one of the great factors involved in the worldwide strife of today. Therefore, we should by all means observe Christmas. We should observe it with reverence and with fervor.

Here is an air mail note which just came from Congressman Gepe Worley in Washington:

As this is written, the President of the United States is preparing a message which he will deliver to the Congress at noon today. The message will recommend that appropriate action be taken in the light of recent international developments. I intend to follow his recommendations.

We have done everything we could honorably do to avoid war. Despite our desire for peaceful settlement, we have been the object of deception, low intrigue and vicious attacks from a scheming enemy. We had all hoped to avoid actual conflict until we had reached our full strength. Through no fault of our own, however, Japan has taken advantage of this fact. We must now reach that strength.

The road ahead is not a smooth one, but by the grace of God, who has always guided us throughout our glorious history, a united people shorn of all internal dissension, we will emerge with our own colors flying and retain our place in the ranks of the mightiest nations of the world. Our destiny is forward with full speed ahead.

### Pneumonia Danger Is Threat of Flu And Measles Complication

Austin.—With a high incidence of influenza and measles over the state, the public should be awake to the danger of pneumonia as a complication of these diseases, according to Dr. Geo. W. Cox, State Health Officer.

"Pneumonia is recognized as a dangerous and often fatal disease," Dr. Cox pointed out, "and competent medical care with skilled nursing in measles and influenza will materially lessen the danger of pneumonia," he stated.

The public has been slow to recognize pneumonia as being definitely a contagious disease, he asserted, and this in part has accounted for the high toll of lives claimed by this disease yearly.

"In your every day life of eating, get plenty of sleep, exercise and fresh air. Exclude all friends in the dirt, and above all, stay away from direct contact with sources of infection," Dr. Cox urged.

"The best living condition is passing in accordance with the weather. Do not do much to prevent the occurrence of pneumonia," declared Dr. Cox, "but it is much easier and certainly much safer to avoid pneumonia than to attempt to overcome it when it strikes," he said.

### Representatives Attend H. D. Council Meeting

Nineteen women from eight of the nine organized clubs attended a joint meeting of the Home Demonstration Councils for 1941 and 1942 held Monday afternoon at the home of Miss Sadie Lee Oliver on C. Street.

Reports were given by council committee chairmen for 1941 and by club presidents. These reports made it clear that the work of the various clubs had varied according to community needs and club requests. Suggestions were made concerning the work planned for 1942. The new council members were introduced by the former council members from their clubs.

Christmas decorations used were native plant material from Bell county and included branches of Redcedar, a deciduous-holly, Spanish Oak leaves and mistletoe.

A steamed date pudding was served hot with hard sauce and coffee. Among those present were Mesdames Paul Rudd, P. B. Sowell, W. L. Jones and Merlin Kaul from Westway; J. E. Springer, Frio; J. E. Dyar, Ford; John Kropff, Oscar Vaughn, Earl De-

**CHRISTMAS PAGEANT WILL BE FEATURED AT METHODIST CHURCH**  
 On Sunday evening, Dec. 14, at the 7 o'clock church hour at the Methodist Church, students of Miss Mattie Mae Swisher's Studio of Music, including members of the Voco Club and Carolers Club, will present a Christmas program in the form of a pageant called "Christmastide." The prelude will consist of characteristic representation of the north wind ushering in winter which brings the snow flakes which finally bring "Christmastide." This will be followed by a Christmas worship program climaxed by an adoration scene of the Nativity.  
 The entire public is invited to attend the program which will be one of the first of sacred presentations of the holiday season.

**Over 500 Toys Are Ready For Santa Claus**  
 Over 500 toys are ready for distribution, according to members of the Lone Star Study Club who have been painting, repairing and brightening up the large collection of toys which were gathered at a recent contest conducted at Central School.  
 Due to the able assistance of Glenn Allison, principal of Central School, and Charlie Hardwick, manager of the Star Theatre, the response to the Toy Matinee was much larger this year than here-to-fore, said Mrs. Robert Thompson, president of the club.  
 All the toys will be on display at the County Welfare office on Thursday Dec. 18, and members of the club and others who are interested may see the toys on that day. After that date the toys will be wrapped, packaged and distributed by the committee.

**Boy Scouts Welcome New Members To Troop**  
 Troop One of the Boy Scouts is pleased to announce new Scouts as follows: Felix Pyka, former member of Troop Three; Delbert Conklin, former Cub; Don Bookout, and Cameron Gault. This group of boys puts Troop One over the top in the current membership campaign.  
 The boys of Troop One are continuing their drive for waste paper. They will ship another truck load to Amarillo for sale this Saturday.  
 Pack One of the Hereford Cub Scouts held a Pack Meeting Monday of last week. Four new Cubs were presented: Bob Cat Bades—and several boys received Wolf, Bear and Lion Awards. A good turnout of Cubs and parents attended and enjoyed a brief but amusing program by the boys. Both Cub Dens are now full and any boys wishing to join Cubbing will be placed on a waiting list. The Pack is also over its quota on membership.

Tanks, guns, battleships, planes and prescriptions pay their respective parts in the defense of America. Prescriptions are important because they guard against attack from within — against production-stopping illnesses on the supply lines behind the fighting lines. In order to perform our duty, we have stocked our laboratory with thousands of pure quality drugs, equipped it with precision instruments, and staffed it with experienced pharmacists. Your prescription is in safe hands when you hand it to us.

## Voco Students Have Recital and Social Hour

A group of senior Voco Club members presented an informal recital at Miss Mattie Mae Swisher's Studio of Music Monday night. A social hour was enjoyed after the musical program with games and stunts forming the diversion features.

Those attending were Nadyne Newell, Rachel Ireland, Bonnie Miller, Betty Lou Cooper, Charles Cooper, Juanita Wiseman, Reavon Kerr, and Dennis Lomas.

## Mary-Martha Class Has Yule Program

Mrs. Edna Fincher was hostess for the Mary-Martha Class of the Methodist Church at her home Monday afternoon.

A Christmas program included Christmas poems read by Mrs. Fincher, Christmas Carols sung in unison by the group and a prayer given by Mrs. M. B. Norwood.

Mrs. Cecil Lady was in charge of the distribution of gifts from a beautifully lighted tree.

Special guests of the class included Mesdames M. B. Norwood, Cecil Lady, T. W. Roberson, Clifford Cox, E. E. Fridley and Chas. Shipley.

Members of the class present were Mesdames Frank Terrell, O. Rutherford, Homer Henslee, Cliff Hicks, Lyle Blanton, R. C. McGilvary, Ross Fuller, Harry Lomas and the hostess.

## Study Club Enjoys International Program

Continuing a series of international relations programs members of the Lone Star Study Club enjoyed a meeting at the home of Mrs. Lawrence Womble with Mrs. Roger Corbett as assisting hostess, Tuesday afternoon.

Mrs. Jerry Morrow discussed "Colonial South America, The Guianas and Ecuador." Mrs. Nelson McNight described "Columbia, Land of Miracles" and a book review of "The Donkey Inside" by Ludwig Bemelmans, was given by Mrs. Liston Wilson.

During the business meeting plans were discussed for the Christmas party and a report on the Toy Project was made by Mrs. Louie LeGrand, chairman of the Toy Matinee.

## Gift Party Compliments Mrs. M. S. Roe

Mrs. Guy Lawrence and Mrs. Hughes Millard were hostesses Monday afternoon at a surprise gift party honoring Mrs. M. S. Roe.

Returning home Monday afternoon the honoree found the house decorated throughout with holiday decorations.

An informal program presented by Mrs. Millard included poems and a Christmas story. Gifts were distributed from a shining tree glistening with colored lights.

Refreshments carried out the Christmas theme in red and green.

Guests present included Mesdames Stella Mae Flowers, J. A. Roe, Vina Edmondson, Elmer Reynolds, Grady Wilson, E. H. Little, J. E. Young, C. O. Houser, Joe Landers, Ulys Pierce, O. E. Sherman, Jr., R. M. Gunn, Vernon Wilson, R. A. Whitley, Merlin Kaul, the honoree and the hostesses.

Those sending gifts were Mesdames Paul Rudd, Gordon Witherspoon, Marion Clark, Lee Hopson and Miss Zella Carroll.

## Holiday Party Given For Bridge Club Members

Colors of silver and green were used in appointments and decorations when Mrs. Glenn Snyder entertained Tuesday afternoon Bridge Club members with a holiday party.

Tallies were in the Christmas motif and the same colors reappeared in prize wrappings and other accessories for the games.

A salad course in the Christmas colors was served after the games. Mrs. Colby Conkright scored high for the games award.

Two special guests played with members. They were Mrs. Oscar Easley and Mrs. Conkright.

Members present were Mesdames Knox Kinard, T. W. Dameon, W. J. Stanford, C. H. Dyar, W. L. Davis, Gaston Baer and the hostess.

# TEXAS OUT-O-DOORS

Austin.—The "other side" of hunting in Texas, as compiled from reports of game wardens to the Game, Fish and Oyster Commission, and from newspaper articles:

A Houston man killed 118 doves on a trip during the open season down in Karnes County. The bag limit is twelve. The game warden nabbed him. Result: the Houston man paid a \$410.90 fine for his over-indulgence. If the game warden had filed a charge for each dove killed illegally, the total fine would have been \$19,000!

**Tips To Easterners:**  
Please find out the difference between a buck and a doe before you come to Texas on your annual deer hunt. You'll have a better time at less expense, and the game warden won't have to arrest you.

Take the case of the Easterner who, according to the San Antonio Evening News, left the Kerrville vicinity for San An-

tonio the other day with two does strapped to the fenders of his car. The game warden in the section arrested him, and the total fine was \$147.

When a person is arrested on a game violation charge, he not only has to pay off, but he loses the right to hunt with a gun in Texas for a period of a year.

About a year ago a New Braunfels man went hunting, violated a game law, paid off, and had his hunting rights revoked according to law.

The other day, and before the allotted year was up, he decided to go hunting again. The game warden arrested him, reports the New Braunfels Herald, and the hunter paid off again—this time \$111.

**It'll Work If You'll Help**  
Note on what can be accomplished by conservation efforts, and especially when the people of a county bear down, and help by protecting game until enough is there to justify some shooting.

Colorado County citizens report the best deer hunting in 30 years.

This county has some excellent deer ranges. A few years ago the deer herds, however, had started to go down. The

game department restocked the range. The people guarded their newly-found bucks and does. Result: Today, good hunting. He's Not Neglected

While the red-capped huntsman is holding the spotlight right now, don't think the fishermen are idle. Fishing is always better during the colder months.

And fall fishing tales are just as tall as the spring and summer crops.

C. J. Mitchell, Jr., of Temple, for instance, wrote the game department:

"Yesterday Mr. Howe Thompson caught a 3 1-2 pound channel catfish which he cleaned here in the rear of my store. The fish seemed well fed, so we opened the stomach, and to our amazement found therein two young squirrels and a large mouse! No foolin'!"

**Groom News**  
And the Groom News bursts into poetry in feet and meters, whatever they are, as follows:  
There once was a fisher named Fisher  
Who fished from the edge of a fissure  
But a fish with a grin  
Pulled the fisherman in,  
Now they're fishing the fissure for Fisher.

## Summerfield

MRS. JIM CLARK

This community received its first bomb of the war Monday afternoon when word arrived from Mrs. Dyaltha Brady of Hereford, that N. Y. A. work had been cut off. This word came as the Cafeteria committee and the school board were formulating the final plans for opening a cafeteria in the school here. Work was to have been done by girls qualifying for N. Y. A.

The cafeteria committee met Friday with the mothers who have children in the school and began plans for the Hot Lunches. Mrs. Brady was present to help the committee.

However all hope for the hot lunches has not been given up by the committee and the board, although it was thought best to delay plans for a few days until they could have assurance of the surplus commodities to be furnished by the government.

Tumble weeds have become quite a nuisance! The road running north and south in front of the W. G. Harris place has been blocked with these nuisances since Thursday of last week. Mrs.

E. R. Day, the mail carrier of Friona has been unable to continue the route from there on to Summerfield.

The county road machine is out of order and workers are not allowed to burn out the weeds until they throw up a fire guard. As soon as the machine is repaired they will, we hope, clear the road.

Mrs. Mary Staats of Buffalo, Okla., is visiting her son, Ted Staats and family.

Colds and coughs continue in this community. Little Betty Ann Rexrode, daughter of Rev. and Mrs. Marcus Rexrode has been ill for several days.

Among those attending the "Messiah" in Hereford Sunday afternoon were Mrs. Tandy Legg, Mrs. Lloyd Lookingbill and Mary. They came home by Westway and inspected the school cafeteria there. Mrs. Legg and Mrs. Lookingbill are on the cafeteria committee.

Mr. and Mrs. Dick Ellis of Frío visited Mr. and Mrs. J. B. Noland Sunday.

Miss Mary Lookingbill attended a Tri-Hi-Y conference in Amarillo during the week end.

D. C. and Charlie Walsler were in Amarillo Monday.

Mesdames Tandy Legg, Laura

Shaw, O. B. Spmner, Jim Clark, and C. R. Walsler, were among those from this community to see "One Foot In Heaven," which showed at the Star Theatre, in Hereford.

Mrs. Ray Johnson and Mrs. J. B. Noland saw the picture when it was pre-viewed and Mrs. Noland will review the book at the next meeting of the Study Club. Mrs. B. E. Roberson went to Bethel Friday for her sister, Miss Edith Neill, who is teacher in the school there. Miss Edith spent the week end here with her sister and her parents, Mr. and Mrs. W. C. Nill.

Going to Amarillo Friday were Mrs. Charlie Noland and children, Mrs. D. C. Walsler, and Mrs. L. B. Lookingbill.

Mrs. Walsler and baby were brought home from the Dear Smith hospital in Hereford, Monday. Mrs. O. B. Sumner is staying with the Walsers until Mrs. Walsler is able to do her work.

Rev. D. R. McMahon was brought home from the hospital Thursday.

Perry McMinn left Sunday night for Ruidoso. He plans to bring Mrs. McMinn back here.

## Latin American Youth Democratic Friendly to U. S., Teacher Finds

C. M. Hudson thinks that the dividends on sending a Reader's Digest subscription to South America more than justify the expense. For some time he has been sending the magazine to a student in Buenos Aires dental school, and letters from the young Argentinian have given the Hereford man a number of inside views into conditions in the Latin American republic.

**Write in English**  
Sammy Leyt B., the student, has been writing for several years to Miss Virginia East of Hereford, the correspondence having started as a part of work in the high school Spanish classes. Theoretically, Mr. Hudson states, the American students are supposed to write in Spanish and the South Americans to write in English. Actually, however, the scheme works out with both writers using their own language and getting the service of an interpreter when the going gets rough. One Latin American student even had to draw a picture to get his meaning across when the Hereford student simply "couldn't get it."

**Youth Are Democratic**  
According to Sammy, the youth of his country are definitely Democratic, despite the fact that in this country, Argentina is generally supposed to be the most Anti-U. S. of all the South American countries. Any opposition to this country, according to most of the Argentine students, is from economic rather than ideological motives, and Sammy declares that there is very little sympathy with Nazism in his country. He criticizes the activities of the Nazi "Fifth Column" and believes that strong measures should be taken to overcome German influence. Miss Wilma Higgins started a correspondence with a Chilean girl when she was in the high school Spanish classes and kept it up for a couple of years, getting very well acquainted with the daughter of a Chilean mining engineer. Finally she got a letter from the girl announcing her approaching marriage, and then in a few weeks received a letter from the Spanish girl's fiancée, saying that the little Chilean had died shortly after the engagement was announced. Some of these Hereford youngsters felt as though they had lost a real friend, Mr. Hudson says.

**More Studious Than Americans**  
In characterizing the letter-writers from South America, Mr. Hudson has found that they are generally more studious than their United States counterparts, and take a much deeper interest in world affairs. However, the tendency to bad handwriting has spread south of the border, and Hudson states that the South Americans quite often

write a "miserable hand." If you really want to be a "good neighbor" send a magazine to one of these Spanish American youngsters, is Mr. Hudson's advice. There are also, he explains, numerous international correspondence groups which are doing much to cement better relations between the Americas. At any rate, whether you do it from altruistic motives, or simply as a sort of interesting hobby, you will find that this method of getting better acquainted will really provide dividends in human interest, according to the Hereford teacher.

# McDonald Herefords AT AUCTION Next Monday

## Advance Domino Mischief 2756000

One hundred fourteen females of top quality, and twenty-one young bulls of equal quality are now in the bull barn ready for sale to the highest bidder next Monday.

The auction starts at 10 o'clock in charge of two of the best auctioneers in America, assisted by representatives of the press and livestock organizations.

Hereford breeders who were active during the last world war are familiar with the upward price trend of all meat animals. Conditions today indicate higher prices for all agricultural products, including cattle, sheep and hogs. The Americas must produce the food to win this war in addition to their full share of the real fighting and you can bet your last dollar that we are going to do both jobs.

By higher prices we do not mean wild, crazy prices beyond the real worth of a bull or female to you in your own herd. You are the judge of what an animal is worth and should not bid more than you can afford to pay.

Breeders in the Hereford country are familiar with the quality of McDonald Herefords and their blood lines. They are richly bred cattle strong in the blood of old Anxiety 4th — the blood responsible for the high quality of the American Hereford. Many of the greatest Herefords of the nation have changed hands in our famous bull barn and many of them have been McDonald Herefords.

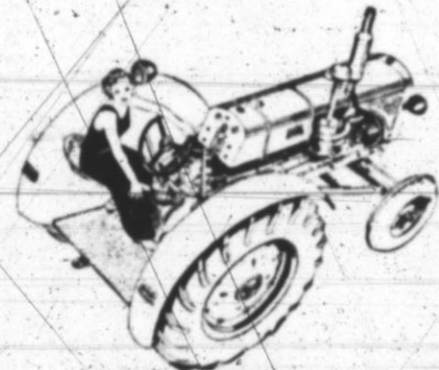

A feature of this auction is the sale of our great herd sire, ADVANCE DOMINO MISCHIEF, that we believe to be one of the greatest sires alive today. His sons and daughters offered are fully up to the high standard of excellence expected in a McDonald sale. For more than twenty years McDonald Herefords have been in demand by breeders throughout the United States and have been profitable cattle to own.

Eighty-two head of yearling heifers selected from the herds of Travis M. Dameron, W. E. Bennett and Mrs. W. T. Womble were purchased a year ago as heifer calves. Many of them are bred to sons of Advance Domino Mischief and to the old bull himself. These heifers are richly bred and will develop into profitable, producing females of correct type. We believe the offering as a whole represents more uniformity and quality than you have ever seen in one hundred and thirty-five head of Hereford cattle.

We invite you to visit the barn, look them over, critically, and mark up your catalog — then come to the sale MONDAY and use your own judgement in bidding. We have always had a satisfactory sale and expect this one to be the best ever.

Homer Fox, Mont Baker, Frank Cogdell, Frank Marrs and Frank Marrs, Jr., got in some good shooting of their own the day the big shooting started in the Pacific. If they had had as good luck shooting Japanese as they did shooting quail, the enemy ranks would be considerably thinned out.

And just to talk about something besides the war, there are some very beautiful Christmas decorations in Hereford this year, with blue and silver just about ready to nose out the traditional blue and green for a decoration color scheme.

The Hereford Independents Basketball team announce that they are out to improve on their record of last year and have started off right by beating Friona Tuesday night, 40-34. Boys on the team are Buddy Posey, R. A. Daniel, Russell Teter, Stanley Barrett, Kermit Wilson and Roger Baumann and they could use some reserves. Basketball players are asked to get in touch with Buddy Posey.

This war is really making people absent minded. Homer Fox says that he has forgotten lots of important things, but Monday morning was the first time he has forgotten to wear his teeth to work.

The junior class of the high school is planning a "Talent Hour" program for Friday night, Dec. 19, and members say that the program this year will be up to the regular standard set by previous Talent Hours. They stage the program annually to raise money for the Junior-Senior Banquet.

## Hereford Singers To Amarillo For Messiah Program

After a successful presentation of "The Messiah" in Hereford last Sunday, Hereford singers are being asked to go to Amarillo next Sunday afternoon to present the oratorio at the Civic Auditorium where singers from the entire Panhandle will be present. Approximately 300 voices will take part in the Amarillo program, according to Miss Mattie Mae Swisher, director of the Hereford Civic Chorus.

Singers from Happy, Talita, Friona, Dimmitt, Eastern New Mexico College at Portales, and Amarillo were part of the 100 voice chorus in Hereford last Sunday.

Local music clubs, which sponsored a "Bundles For Britain" drive in conjunction with The Messiah program here, state that a number of bundles were received and that the drive is still open. Packages may be brought to Miss Mattie Mae Swisher's studio on West Fifth St.

King Vidor, Metro-Goldwyn-Mayer, movie producer and director, has presented the University of Texas with scripts, model sets, costume designs and other production materials used in a recently-filmed movie, "H. M. Pulham, Esq." The materials will form the basis upon which will be built a storehouse of information concerning movie production techniques, to be used by the University in its study of this industry. Vidor is a native Texan.

The University of Texas is opening extension classes in clerical and automotive work at the Camp Barkley Replacement center near Abilene. Soldiers at the camp will get training in these lines from University-selected and trained teachers.

## Late War News

(Continued from Page 1)

First reports of a major American success came today with a communique claiming the sinking of a Japanese battleship off the coast of Luzon. Also American forces are reported to have repulsed one Japanese landing attempt on Luzon.

General Lewis B. Hershey, head of selective service, announced today that no major shake-up was forecast immediately for the selective service organization. However, some Congressmen have proposed a registration of all men between the ages of 18 and 64 to take part in civilian defense and other necessary war work.

Little excitement greeted the declaration of war against Germany and Italy; and certainly not the stunned silence of Monday when the United States answered the Japanese challenge. The country is settling into a grim determination to back up what the president terms the greatest challenge ever made to life, liberty and civilization.

## Hereford's Unity

(Continued from Page 1)

LYNN KESTER—It won't be so easy, because of Germany's being behind the Japanese.

J. W. MERRITT—It won't be a long war, Japan can't take a long war.

F. M. KESTER—The Japanese have more strength now than they will later on; and I believe the methods they have used have really produced some "National Unity" in this country.

CARL OLDHAM—It's a bad mess, and I'm afraid it won't be over for a long time.

RICHARD JOWELL—They fooled us the first time, but we can take care of them. Personally, I'm ready to be re-classified and get into the army whenever I'm needed.

LOUIE LEGRAND—It might be a pretty hard job. All the Axis powers are going to stand together.

L. CULPEPPER—We shouldn't be discouraged because we were caught off base the first time; naturally on Sunday we wouldn't have expected an attack.

MARY VIRGINIA WHITEHEAD—It may have really been a "suicide" attack by Japan. Maybe they really want to get out of the Axis.

JESSE STANFORD—After all, there are 100 million Japs. It may take a long time to whip them—and we may not know just how well they are equipped.

CLIFF ESTES—Looks like they've gone crazy. It's like a little fyce dog jumping on a big hound.

MRS. ESSIE CARDWELL—It's all part of Hitler's plan. I don't think they would have done it without him; in fact we could have made a peaceful settlement with Japan by herself.

E. B. POSEY—What I can't understand is how they took Pearl Harbor... incidentally I

think we should be taking some decided measures to provide for civilian defense right here in Hereford.

MRS. G. W. HEARD—Those devils! And after all the money the Methodist Church has spent on missionaries. (Mrs. Heard later apologized for the strong word but stated that she still felt the same way about the Japanese.)

WALTER EASTER—They've been complaining about being over populated. Looks like they really want to get rid of that surplus population.

EVA CLAYBORNE—It still seems just about impossible that it could have happened to us.

MARY JANE MORGAN—I'll bet George Washington could make a career of cutting down

cherry trees now. HAP WISEMAN—I'm ready to get me some Japs and throw 'em in the river.

ALEX BATEMAN—They caught us unprepared, but they can't possibly win.

## Homemaking II Class Agains Study of Foods

The Homemaking II A Class which is a course in foods and nutrition has been studying vitamins, their functions and sources. One of the groups of vitamins which the girls found of interest is the vitamin B. Contrary to popular belief, vitamins are not a cure-all, neither are they a medicine. The vitamins, as a group, aid in regulation of body processes and are present in fresh fruits and vegetables. Individually, however, they are great differences in their functions and food sources.

**Vitamin A** improves resistance to disease, especially colds and other diseases of their respiratory tract. Good sources of this vitamin are butter and cream, whole milk, cheese, egg yolk, and green leafy vegetables.

**Vitamin B** improves appetite, promotes good digestion. Good sources are yeast, fresh green peas, whole grains and the wheat yeast bread.

**Vitamin C** improves resistance to infections, and helps produce healthy teeth. Good sources of this vitamin are citrus fruits, tomatoes, raw cabbage and lettuce.

**Vitamin D** is called the sunshine vitamin and is necessary for bone and teeth development. Good sources are cod liver oil, milk and liver.

**Vitamin E** is necessary for protection. It may utilize iron, vegetables, wheat germ, meat, eggs and whole milk as good sources of this vitamin.

**Vitamin G** prevents skin blemishes, pellagra. Sources for this vitamin are yeast, eggs and milk.

## Notorious H. R. Close Gets Trial By Jury Of Beautiful Women

For two days now in second period Civics class, there has been a trial raging between the parties concerned. It is a case of State versus Close. Close, as you all probably know, is one Harold Ross Close, who it seems, has been accused of stealing a car from Billy Davis. Mr. Davis is father "hot under the collar" so he proceeds to engage those two most able attorneys, John Estes and Richard Peterson, for the state prosecutors. Mr. Close, feeling hurt over Mr. Davis' attitude, calls upon Mr. Donald McCullough to act as his defense attorney. McCullough, in turn, calls Polly Dixon as his assistant. After all this passing of the buck, the trial finally hits the stands with Judge Mattie Lawhon presiding and with Lilye London, clerk, and Mary Lobkingbill, reporter. Being well-versed in court procedure, these lawyers secure the best witnesses possible. For the state's witnesses there are: traffic officer, Dorothy Banner; the plaintiff, Billy Davis; Sheriff, Wayne Phillips; the defendant's ex-school teacher, Mary Ellen Henslee, and ex-employee, Richard Ireland; Probate Judge, Nancy Olson is backing up the state. It seems Mr. Close does everything by "exes." May we add that he is also an ex-convict? His record is really disgraceful. But remember, ladies of the jury, this is not a trial of character but of theft. The poor ladies of the jury almost ceased being ladies after the remonstrance was parroted back and forth between the prosecutor and counsel for the defense for five or six rounds. Ho, hum, but back to the case.

The arguments are becoming more heated, in fact, the court is all-tension now. The witnesses for the defense are one by one escorted to the stand. Lois Agnes Gibbreath, Harold's mother, is hysterical, with grief; Jane Wilson, (Seletta Robinson), the defendant's girl friend, is antagonistic in her answers; bus driver Cliff Vaughn is very comical with his "yep" and "nope" comebacks; Close's friend, Wilfred Herr, gives him a build-up, and Dennis Lomas adds his bit to the cause of Mr. Close. What is all this coming to? The jury is biting its fingernails. Will this misery never cease? The defendant, Harold Ross Close, is called to the stand. Mr. Close's story, it seems, doesn't tally according to the prosecution. "But, ladies of the jury, we must not be biased" is the common desire. What's this? The lawyers are giving their all in a final plea to that jury of juries. The jury files out, solemn at a crime of such magnitude. Now remember, ladies, no transmission of verdicts. This must be fair and square. The jury marches back with its verdict. The prosecution and defense are holding their respective breaths. Balliff Mondelean Miles reads the verdict. Guilty? Not Guilty? No! The jury is hung. That is, it seems all these lovely ladies just can't see eye to eye on the question. That's all, folks, until a new jury is called.

are to have several outstanding leaders of certain fields come to the school and tell something about the requirements to become a leader in this certain vocation. You say, "Why a leader?" If you are going to be something, why not be the leader? So you can be "it" if you want sincerely to be one.

These are the plans, but you will hear more about them a little later when the club gets it completely worked out, so be prepared to "soak up" a lot of information in that "spongy thing" called your brain.

Every room has a more patriotic atmosphere. Mr. Allison presented each room with an American flag.

Dentist: "I'm afraid I'll have to drill."

## Tri-Hi-Y, Hi-Y Clubs Attend Amarillo Rally

One of the major events of the year was a banquet for all Tri-Hi-Y and Hi-Y members in the Panhandle, held in Amarillo, December 5 and 6. This banquet was held Friday night in the First Presbyterian Church. Bishop E. C. Seaman, noted lecturer, gave the invocation. Pep-songs were sung by the group. Pat McCullough from Amarillo sang two songs, the last of which was the "False Prophet." The Girls' trio from Hereford, which is Nadyne Newell, Rachel Ireland, and Mattie Lawhon, sang "We Pray for Peace" and "Kiss the Boys Good-bye."

The group retired to the main auditorium of the church where Sherwood Eddy made his speech. His speech was mostly about world affairs, as Mr. Eddy has traveled all over the world. The Panhandle was very honored to have the presence of such a noted personality.

Those girls attending from the Hereford Tri-Hi-Y club were: Lois Agnes Gibbreath, Lilye London, Arline Millard, Nona Deen, Rachel Ireland, Mattie Lawhon, Nadyne Newell, Polly Dixon, Rena Rae Renfro, Betty Ann Dunlap, Mary Lookingbill, Phyllis Jean Radovich, Billye Self, Mary Ellen Henslee, Barbara Robertson, Dorothy Banner, Betty Jo Kendall and Miss Crawford. Those boys attending from the Hereford Tri-Hi-Y were: Richard Ireland, Harold Close, John Estes, Richard Peterson, Bruce Beene, George L. LeGrand, G. P. Owen, Wayne Phillips, F. L. Lucas, James Bernard Hicks, Donald Ray McCullough and Mr. Hudson.

## Debate Club Discusses Dutch Dating In H. H. S.

"Today we are debating the question of Dutch Dating in Hereford High School," stated Polly Dixon, chairman of the debate held in room 23 last Wednesday afternoon.

That started the debate, and Don McCullough followed with the first affirmative speech. Then Margaret Olson gave the first negative speech. Richard Peterson presented the second affirmative, and Mondelean Miles gave the second negative. Marie Compton acted as time-keeper, and the audience was made up of Miss Crawford, Mr. Anderson, and Leo Rudd. This debate was given as a practice debate for the assembly program.

After the debate, Miss Crawford and Mr. Anderson gave the debaters their main speeches again, trying to apply the criticism. The club adjourned shortly after five with plans to meet again next week for another debate.

## F. H. T. AND F. F. A. ENJOY PARTY

Fifty-three members of the F. H. T. and the F. F. A. enjoyed a party Friday evening at the high school gymnasium.

After a jolly good time of playing games, the group adjourned to the homemaking department where hot chocolate and cookies were served. The boys volunteered their services for washing dishes.

The party was sponsored by Miss Davies and Mr. Emmons.

## Central Chatter

The Junior Band is working overtime these days. They are to be the only Santa Claus Band in the parade, December 19. Helen Miller has been selected as the drum-major.

If you are proud of our Central school band, show it by patronizing the chili, pie, cake and coffee sale Saturday, December 13. The purpose of the sale is to make money needed for the instrument fund.

Mrs. Bonnie Brumley, president of the Junior Band Mothers, urges every mother to attend the meetings which are held regularly on the first Tuesday of every month in the Central School building.

Every room has a more patriotic atmosphere. Mr. Allison presented each room with an American flag.

## They Set The Rules; Let's Abide By Them

Members of the Boy's Social Problems Class and the F. H. T. formulated a set of rules of etiquette that they feel will be beneficial to boys and girls in Hereford.

### GENERAL RULES

1. All rules of etiquette are based on true courtesy with a bit of logic included as a ground wire.
2. True courtesy is based on consideration of the other person.
3. It is an indication of good breeding and refinement to be gracious to all people at all times.
4. Do not make fun of other's mistakes.
5. Always defend your own standards, and do it tactfully.
6. Boys, as well as girls, should refrain from profanity and vulgarity.
7. Boys, as well as girls, should dress for the occasion. If you are in doubt as to what is suitable, ask someone who knows.

### DATES AND DATING

1. When making a date, a boy states the time, place, etc. He should refrain from saying "What'cha doin' tonight?"
2. A boy should not expect the girl to plan the evening's entertainment.
3. A boy does not always need a date.
4. Boys should not call a girl out of a crowd and ask for a date.
5. The evening's entertainment should not consist solely of riding around in a car.
6. Don't expect the girl to climb in the car from the driver's side. It is hard on clothes and maidenly poise.
7. Girls should not expect boys to open the car door for them every time if this occurs often in one evening.
8. It is a splendid gesture for both boys and girls to express their appreciation of how the other looks or acts.

### IN PUBLIC PLACES

1. When entering a public place, as a theatre or church, remove your wraps in the lobby.
2. In a movie, it is easier for people going to seats beyond you if the girl as well as the boy rises.
3. Never read aloud anything on the screen.
4. Do not attempt to carry on a conversation while at a movie—the action on the screen is entertainment enough.
5. When a boy and girl go to public places, such as church, movies, cafes, etc., the boy should precede the girl in finding a seat if there is no usher.
6. A boy should be considerate of the time a girl must be in at night.

### AT THE DANCE

1. When going to a formal affair, it is thoughtful for a boy to send his date a corsage, or he may take it. She must, of course, thank him for it.
2. A boy should ask politely for a dance and not forget to thank the girl for it.
3. When the music stops, a boy accompanies a girl to her seat, or to her escort.
4. "Cutting in" is not permissible until the couple has danced around the room once.
5. A girl should not refuse a "cut in" except in extremely objectionable cases.
6. A boy should not "cut in" on a couple that is sitting out a dance.
7. If you are going to dances, learn to dance in an acceptable manner.
8. Never refuse a dance in the hope of dancing with someone else.
9. Refrain from being conspicuous on the dance floor (or in any other place.)
10. Maintain a good posture on the dance floor.

### AT SCHOOL

1. While in school, refrain from associating with only one group. Be democratic.
2. Do not block the halls by stopping to talk and visit.
3. Be on time for all extracurricular activities as well as classes.
4. Be actively cooperative in all school enterprises.

## SENIOR PREXY

Richard Petersen, president of the graduating class of '42, is an active member of Boy's Hi-Y, the honor society, band and orchestra. He is vice-president of the Youth Council. Last year he was president of the Student Council and, in his sophomore year, was class representative to the S. F. A. Last year he was a member of the glee club and plans to work in that organization next semester.

Richard plays the French horn and especially likes it. He also enjoys tennis; associating with the high school students is particularly enjoyable to him. His chief interest is in mathematics and physics; possibly as a result of this, he plans to attend A. & M. and to become a civil engineer. His hobby is news printing, and his pet peeve is extroverts. Richard is the most recent Hereford boy to become an Eagle Scout.

## Let's Read, Then Heed

Have you ever noticed the "Message of Merit" board in the study hall? You probably have not paid much attention to it or heeded its message. The student council is responsible for placing these bits of advice so that students may see them and consider their worth. Oliver Wendell Holmes, a famous American poet, has this to say: "To brag a little, to lose well, To crow gently if in luck, To pay up, to own up, To shut up if beaten, Are the virtues of a sporting man."

## Juniors Make Plans For "Talent Hour"

Hear ye, oh Public! The Junior class is again sponsoring a "Talent Hour" this year; and from reports, it will be well worth your money. The date is set for Dec. 16. The hour will be announced later. It is going to be a marvelous display of talent taken from the community as well as the school. You must not miss this one, and you can ask anyone who has seen the girls and boys practicing if it will be worth ten cents to children and fifteen cents to adults.

## Slight Changes Made In Basketball Rules

Basket ball rules for 1941-42 have some few changes that, perhaps, the spectators would benefit by knowing.

It is legal to make a substitution whenever the ball is dead. The effect of this change is to make it possible for a substitute to enter the game after a field goal. In other respects the substitution rule is the same as last year.

If a personal foul is followed before time is in by a technical foul by the same team, the throw for the technical foul is attempted last; that is, free throws are attempted in order in which the fouls are called.

When the margin out of bounds free from obstructions is less than three feet, no player of either team shall be within three feet of the player who is putting the ball into play. On such courts, a fine broken line should be drawn three feet from the boundary line and if such a line has not been drawn, an imaginary line should be used.

The three seconds lane restrictions applies only to that part of the free throw line between the free throw line and the end line. If a player is touching the free throw line while the ball is in play and in the control of his team, he is subject to the three-second rule, but if he is touching the floor only in the outer half of the circle with or without the ball, he is not subject to it.

## Senior Mothers Make Plans For Dinner

Senior mothers convened in the music room of the high school Monday, Dec. 1. With Mrs. McCullough as presiding officer, plans were made for a Senior Class dinner to be given this month. It was decided that this event would be at 7:00, Dec. 15, at the home of Mrs. Spradley. The mothers especially urge every senior to be present at the dinner. Miss Ramey, class sponsor, met with the group of 20 mothers. The seniors wish at this time, to express their gratitude for Mrs. Spradley's offering her home as the locale for the affair.

## Norwood Addresses Tri-Hi-Y On Effects Of Smoking, Drinking

"Each year four billion dollars are spent in the United States for alcoholic drinks." The Rev. M. B. Norwood presented these statistics to the Tri-Hi-Y Club Dec. 2 at their regular meeting. He brought out several facts in his speech. Much more money is spent each year for alcohol and cigarettes than for colleges and universities. Both smoking and drinking harm one's mind and body. After a person smokes a cigarette, his mind is never quite the same. There is, of course, no noticeable difference at once, but this person, without knowing it, is permanently injuring his mind. A person that smokes may be polite at all times; but when he wants to smoke, he forgets his manners. He thinks nothing of blowing smoke in someone's face or causing a room to be filled with smoke. Also, if this generation insists upon smoking and drinking, the coming generation will be weaker mentally and physically.

Rena Rae Renfro led the program. Christine Smith read the scripture. The group sang "I Would Be True," and Margaret Olson gave a prayer. Mary Lookingbill and Lilye London played a clarinet duet. "The Lord Is My Shepherd." A reading, "A Dream," given by Polly Dixon, portrayed how a person that once started drinking gradually became a ready victim at the mercy of alcohol.

The Tri-Hi-Y has definitely decided that both smoking and drinking are harmful habits. They are going to sponsor a campaign to see if they cannot get every boy and girl in high school to realize the harm of smoking and drinking.

### Texas Oversupplied With Land, Says La. Governor, Who Would Take Some

NEW ORLEANS—With the comment that "Texas has got too much land anyway," Governor Sam H. Jones said Louisiana was considering court action to whittle the Lone Star States down a bit along its eastern boundary where the Sabine River, Lake and Pass divide the states.

"I like to get along with my neighbors but if they (Texas) want to start something, we'll have to look after our own rights," Jones said here in discussing the discovery that a 100-year-old survey mistake on the upper western border of Louisiana had given it a triangular strip of Texas ground 70 miles long and 100 feet wide at the base.

Jones' counter claim to Texas territory would fix Louisiana's border at the western bank of the Sabine instead of the middle of the river, and involves 57 square miles. Total area of the "mistaken boundary" territory approximates 46 square miles. The river bottom is considered more valuable because of the possibility of oil there.

In a sense, the WPA could be blamed for starting the controversy which Texas so far has ignored. The WPA sponsored a state geodetic survey and during it Lamar Acker, chairman, discovered a string of mounds starting on the true Texas-Louisiana boundary, then tapering off slightly into Texas to a maximum depth of 100 feet, 70 miles northward at the junction of Texas, Arkansas and Louisiana.

Bottles containing parchment were found in each mound, and one of these, examined at the FBI chemistry laboratory at Washington, disclosed that the mound formed the true boundary between the States, according to a joint survey by the United States Government and Republic of Texas conducted in April, 1941.

Acker announced the discovery which indicated that big Texas is, it could lay claim to even greater size. Congress, however, would have to decide any claim, which would involve some farms and part of two townships.

Jones, hearing of this, stepped up with his counter claim, which in effect is that by treaty in 1819, the United States and Spain decreed the western bank of the Sabine river as the border between Louisiana and Texas, then part of Mexico, which in turn belonged to Spain. After Texas entered the Union, Congress in 1856, passed an act stating that Texas would own to the middle of the Sabine River, Lake and Pass.

Jones said his present claim was based on a Supreme Court decision of about 1910 which held in the case of Louisiana vs. Mississippi that the Congress had no right to fix boundaries, and later litigation between Oklahoma and Texas in which the Supreme Court upheld validity of boundaries fixed by the Treaty of 1819 which John Quincy Adams, Secretary of State under President James Madison, had negotiated with the King of Spain.

a national cotton marketing referendum, according to J. A. Pilsman, chairman of the Deaf Smith County AAA committee.

The decision will be made Saturday, Dec. 13. The voting place will be in the commissioners' Courtroom, in the courthouse and the polls will be open from 8:00 A. M. to 8:00 P. M.

While increased production is needed in many commodities in the Food-For-Freedom, any increase in cotton will cripple the defense effort because of the enormous supply on hand. Mr. Pitman said.

Due to naval and war blockades, export trade has dropped from 6.2 million bales during the 1939-40 season to 1.1 million bales during the 1940-41 season. Export trade for the present season is expected to hover near the 1.1 million bale mark.

As a result of demands being made for cotton in the national war effort domestic consumption of cotton for the 1940-41 season just ended was the highest on record. Consumption was about 9.6 million bales, which was about 2 million bales above the pre-

ceding year. "Although our domestic consumption has gone up, the increase will not off-set the loss of our former export market," the chairman said.

Last year, the referendum carried in Deaf Smith county when one hundred percent of cotton farmers voted approval of quotas.

## Lovely Informal Tea Is Given For Mrs. Carl Dean Mountz, Recent Bride

Just to give a suggestion that Christmas might be just around the corner, a green and white color scheme was carried out in decorations for the lovely tea given Wednesday by Mrs. C. J. Mountz and Mrs. B. Y. Crosthwait complimenting Mrs. Mountz, daughter-in-law, Mrs. Carl Dean Mountz, a recent bride, at the Mountz home.

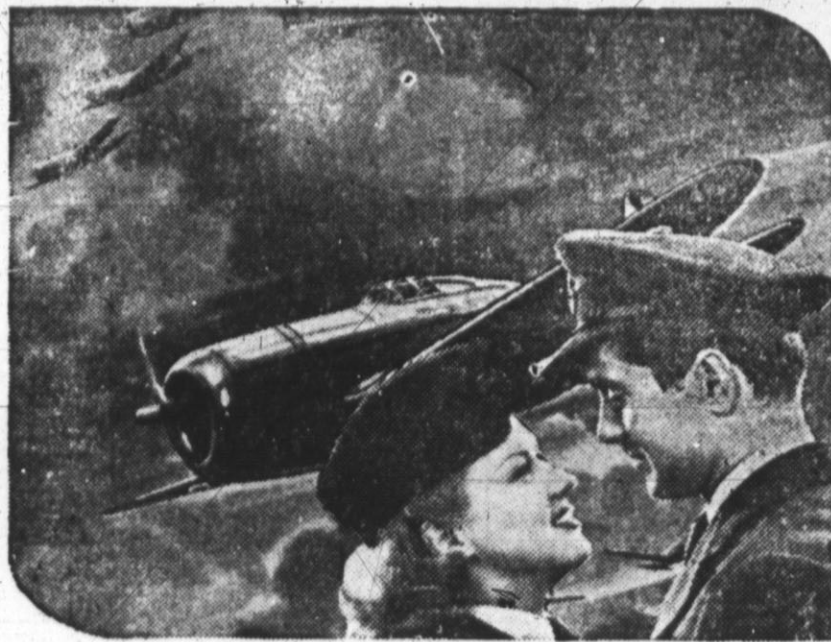

White tapers gave candle-lighting throughout the house and white blossoms against green foliage backgrounds were featured. The dining room table from which tea was served, was covered with a lace cloth and centered with an arrangement of tiny white chrysanthemums flanked by white tapers. All crystal appointments were used except the silver tea service at which Mrs. Laura Hicks and C. H. Dyar presided. Tea dainties carried out the colors chosen.

In the receiving line were Mrs. Mountz, Mrs. A. O. Thompson, the bride and Mrs. James Florey of Amarillo. Others in the house party included Mesdames P. H. Gilliland, Nelson McRight, J. C. McCracken, Wayne Evans, James R. Allison, and F. W. Lambert. Mrs. Crosthwait presided at the bride's book which was presented to the bride.

An informal program of music entertained the guests throughout the afternoon. Music was provided by Mesdames J. C. McCracken, C. H. Dyar, C. J. Mountz and B. Y. Crosthwait.

Guests registering between the hours of 3 to 6 included Mesdames L. F. Borden, Joe Huckert, W. A. Long, Frank Wagner, Art Manjeot, Cliff Hicks, Jake Boydston, C. T. Guseman, John L. Fuqua, Jeff Gilbreath, H. G. Conkwright, J. M. Gilliland, Allen Powelson, I. H. Spratt, H. H. Hawkins, J. B. Hammer, E. W. Harrison, G. A. F. Parker, H. L. Broadwell, F. L. Lucas, R. G. ## Bay View Club Has Meeting

The Bay View Club met at the county court house Thursday afternoon. A program on historical fiction with Mrs. R. P. Conway as leader was presented.

Mrs. Conway discussed "The New Vogue of Historical Fiction" and said, "The return of historical fiction is nothing new but it's revival is different in form and it's popularity is more general." Beginning with the year 1820, the leader discussed the types of the historical novel dwelling mainly on the novels of the past, of the Old South and of the West.

An example of the historical novel "City of Illusion," by Vardis Fisher, was commented upon by Mrs. D. H. Alexander, who described the book as an historical novel of Nevada in 1859, a mining story dealing with ignorant people striving for wealth in the Comstock mines in Virginia City.

During the business session presided over by the president, Mrs. Travis Dameron plans for the Christmas party were announced. The party will be held at the home of Mrs. Dameron with members of the Calliopean Club as special guests.

Those present included Mesdames C. R. Barber, D. H. Alexander, Essie Cardwell, R. P. Conway, H. G. Conkwright, T. M. Dameron, E. W. Harrison, A. M. Jones, Paul Mathers, John McLean, Clara McLean, C. F. Moore, G. A. F. Parker, F. T. Roloson, J. P. Slaton, and Bob Wilson.

## Calliopean Club Hears Book Review

Miss Eloyse Pitman was hostess for members of the Calliopean Club Thursday evening at her home on East Third Street.

An interesting book review made up the program for the evening with Miss Nancy Conkwright the reviewer, Miss Conkwright outlined the different religions of the world and traced their origins as given by the author of the book, Lewis Browne, a Jewish Rabbi. One of the main points brought out in the book was a repetition of the quotation from George Bernard Shaw, "There is only one religion, though there are a hundred versions of it."

Affairs dealing with the national question "Is it time to crack down on John L. Lewis?" She discussed both sides of the situation concluding with the remark "The people of the United States are ready to see that John L. Lewis is hammered down to size."

Mrs. Lois Lookingbill talked on the question "Should Children Play With Toy Soldiers." Her main thought dealt with the old, old question "If a child must become a soldier when he comes of age, is there any advantage in his having played with war toys?"

The Bill of Rights which became a law in December, 1791,

was the subject of a topic discussed by Mrs. Britt Clark. She quoted Dorothy Thompson and brought out the thought that "How to preserve and yet protect democratic liberties in a problem that must be faced by every community in the United States where people talk, where they print articles and where they hold meetings."

Mrs. Ray-Johnson used maps to explain the changing geographical outlook for European countries.

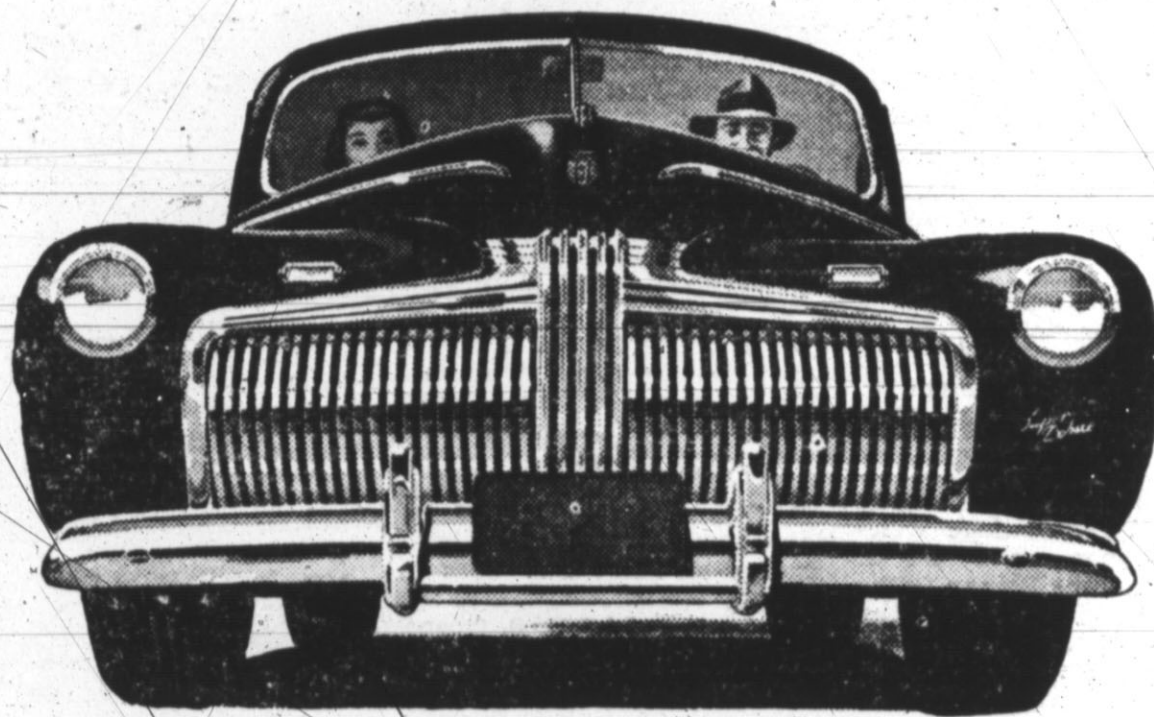

During the business session plans for the annual Christmas party were arranged. Mrs. Ray Johnson and Mrs. Lloyd Lookingbill will be hostesses at an

### NEWS IN THE WORLD OF RELIGION BY W.W. REID

Reports reaching the United States from various European sources indicate that the various denominational groups of Christians within Norway are coming closer together because of the "common danger" that confronts them under their political masters. Something of this unity was demonstrated on a recent Sunday when "almost everyone" was in his church at 9 a. m. and common prayer was raised for the nation and people. The church (Lutheran) and the various minority groups have formed a new "religious front" which takes in practically the entire nation. Bishop Eivind Berggrav and Prof. C. C. Hallesby, representing the two groups of the Lutheran Norwegian State Church, and the Rev. Jacob A. Oehrn, a leader of the Baptist denomination, are the heads of this new united front.

The new problems faced by Christian workers and missionaries in every state in the union because of the war situation and the shifting of populations to industrial communities and war camps, will be among the matters considered for four days when the Home Missions Council of North America holds its annual meeting in Trenton, N. J., Jan. 4-12. The council represents the major Protestant denominations in the United States, and most of the problems are shared by them in common. The Rev. George Pitt Beers, a leading Baptist clergyman is president of the council, and the executive secretaries are Dr. Mark A. Dawber and Miss Edith E. Lowry.

A statement issued recently by the National Catholic Welfare Conference, on behalf of the bishops of the Roman Catholic Church, said: "Our sympathy goes out again to the peoples of those countries who have been crushed under the heel of the invader; and indeed, to all upon whom war has imposed so heavy a burden of suffering and sacrifice. We cannot too strongly condemn the inhuman treatment to which the Jewish people have been subjected in many countries. In this hour of cruel torture, we are mindful daily at God's altar of all the innocent victims of the war, of the homeless, the exiled, the imprisoned, and all who are suffering because of hunger or disease. We ask the faithful to unite with us in offering daily prayers and sacrifice in their behalf."

Believing that if patients are busy their disease will be less burdensome than if they sit idle, the Protestant Leper Home, Bethesda, Dutch Guiana, tries to keep all lepers employed. "Those who can still use their hands," says Superintendent H. R. Fischer, "make musical instruments or carved boxes or furniture. Others have gardens where they raise fruit. One has made bricks for our new paths. The homes of the women are models of cleanliness and flower-beds and well-kept yards are always neat. A leper who has been with feet aids one who is a cripple. One who has good eyes reads aloud to the blind, or writes letters for them. These skills in needlework teach others to sew, and to roll bandages. Those who cook well prepare favorite dishes for those who are invalids. The brightest moments are those that the patients provide for themselves."

Projects in the translation of the Bible or portions of it, under the auspices of the American Bible Society, are going on today in some of the little-known languages of primitive peoples in Mexico, Central America, the Philippines, South America, Africa, Siam (Thailand), and various islands of the Pacific Ocean.

Statisticians of the Roman Catholic Church have estimated that the communion now has from 30,000,000 to 35,000,000 members within the United States. This is a rise of about 50 per cent within the last 15 years. The higher figure is based on the fact that 31 per cent of the draft registrants have expressed a preference for the Catholic Church. The lower figure of 30,000,000 is based on a survey made by the church authorities. In 1930 it has been estimated that there were 20,000,000 members of the Church.

The College of Agriculture and Forestry of the University of Nanking, supported by North American missionary agencies, reports that during the year there were distributed to Chinese farmers 598,744 pounds of improved wheat, millet and cotton seed—perhaps the greatest single contribution made by anybody to the food supply of that nation.

The American Bible Society recently announced that in its 125 years of service as a scripture-distributing agency, it has not yet received, from all gifts of all kinds, the equivalent of the cost of one first-class battleship. Yet the Society's annual distribution at home and abroad exceeds 7,000,000 Gospels, Testaments and Bibles.

For two centuries the Moravian Church of Holland has been carrying on missionary work in Surinam (Dutch Guiana, S. A.)—now occupied by U. S. troops. The work has long been supported by the Mission Society of the Moravian Church of Zeist, Netherlands. But, because of the occupation of the Netherlands, money no longer is available, and the International Missionary Council lists Surinam as an "orphan mission" to be cared for by churches in the United States and Great Britain. The church and educational work reaches the Negroes of the bush, said to be descendants of runaway slaves, 3,500 of whom are church members; 45,000 Hindu East Indians, 800 of whom are church members; 40,000 Mollem Javanese, 300 are church members; and Croeles, 27,000 of whom are church members. Missionaries and Surinam-born pastors include Anglo-Saxons, Negroes, Javanese, Indians, and Croeles.

Little Pat Robbins has been on the sick list due to ear trouble. J. M. Dixon, the only farmer who has made any cotton, is getting it picked. It is making exceptionally good considering the rains and other obstacles. Many of the farmers are threshing their grain crops. Most of the grain crops are very good. Chester Lowry is gathering his fall crop of potatoes. Due to the heavy rains most of the farmers lost their fall crop.

Mrs. Jewell Price and granddaughter of Floydada visited Mrs. Price's sister, Mrs. H. M. Mobley, and children, Wednesday night. Jerry King, son of Mr. and Mrs. Charles King of Harte Camp, visited several days with his cousin, Clark Andrews.

Rev. and Mrs. Lemon and son of Harte and Mr. and Mrs. W. S. Dixon were Sunday dinner guests of Mrs. H. M. Mobley and family. Mr. and Mrs. Rhea Robbins and daughter, Wynema, of Canyon, spent Sunday with his brother, H. D. Robbins and family.

Miss Stella Fortenberry visited Mr. and Mrs. Fred Wolfington of the Ward Community Sunday night. Mr. and Mrs. Charles King of Harte Camp spent Saturday night and Sunday with Mrs. King's parents, Mr. and Mrs. J. E. Andrews and Alma Jerry King, who has been visiting here, returned home with them.

Glencie Dixon, grandson of Mr. and Mrs. W. S. Dixon, has been taken home from the hospital. Mr. and Mrs. Harley Dodd of Cleo and Miss Jewell Butler of Dimmitt were Sunday dinner guests of Mr. and Mrs. Jack Summers.

Mr. and Mrs. Clarence Dixon of Frioona were Sunday supper guests of his parents, Mr. and Mrs. W. S. Dixon. Misses Lyla, Marcia and Wynema Robbins, called in the Bruce Hunter home at Jumbo Sunday afternoon.

### LEGAL NOTICE

THE STATE OF TEXAS TO: CHARLES L. HILLS, HENRIETTA HILLS, E. VAN METRE, SAM S. WRIGHT and J. W. WRIGHT, the three defendants last named both individually and as partners doing business under the name of AMERICAN-CANADIAN LAND COMPANY, EMMA M. VAN METRE, MYRTLE V. WRIGHT, ORDELIA WRIGHT, AMERICAN-CANADIAN LAND COMPANY, the unknown stockholders of American-Canadian Land Company, VICTOR SWANSON, R. TAGGE, LEROY CLIMER, HERSCHEL CLIMER, G. A. MORRIS, E. M. DUKE, CLARENCE E. DEET, R. M. HEMPY, and the unknown heirs and legal representatives of each and all of the individual defendants above named, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before ten o'clock A. M. of the Monday next after the expiration of forty-two days from the date of issuance hereof, same being Monday, the 19th day of January, 1942, before the Honorable District Court of Deaf Smith County for the 69th Judicial District of Texas, at the Court House in Hereford, Texas.

Said suit was filed the 2nd day of December, 1941. The file number of said suit being No. 2579. The style of the case is W. H. FUQUA, INC., a corporation, plaintiff, vs. each and all of the defendants above named or otherwise identified, and also F. P. Works, W. H. Fuqua and M. E. Fuqua, defendants.

Such suit is the usual action in trespass to try title as heretofore prescribed by statute and now prescribed by the rules of civil procedure, alleging the ownership in fee simple and seeking the recovery by said plaintiff of the title and possession of the following described tract of land in Deaf Smith County, Texas, to-wit:

All of the North Half (N 1-2) of Section Eighty-Five (85), Block K-5, Deaf Smith County, Texas;

alleging additionally that plain-

tiff has title thereto under the three, five, ten and twenty-five year statutes of limitation; that the defendants actually own no interest there in and any apparent interest should be removed, so that the same shall not hereafter constitute a cloud upon plaintiff's title; and seeking recovery of the title to and possession of the lands and premises above described, together with the removal of any apparent clouds upon the title of plaintiff, damages in the sum of \$1,000.00, costs of court, and general relief.

Issued this the 2nd day of

December, 1941. GIVEN under my hand and the seal of said court at office in Hereford, Texas, this the 2nd day of December, 1941. (SEAL) R. L. Thompson, Clerk District Court, Deaf Smith County, Texas. By Elizabeth Womble, Deputy. 50-4tc
