

Miss Hereford To Be Crowned Saturday Night

Crowning Miss Hereford of 1973 as the climax of a pageant Saturday evening will complete the reign of Sherry White as Miss Hereford 1972.

In a theme from a song title, Let A Smile Be Your Umbrella On A Rainy, Rainy Day, the pageant will be staged at the High School auditorium at 7:30 p.m., open to the public. The new Miss Hereford will be chosen from 11 contestants.

Judging based on beauty, talent and poise will be finished

that evening, as the entrants appear in formal dress and then to demonstrate their various talents.

They will be judged in bathing suits at a 2:30 p.m. appearance, and will meet the out-of-town judges informally at a morning-Coke party in Community Center. Tickets which admit the holder to both afternoon and evening events will be available at the door.

In addition to Miss Hereford, who will represent the city in the Miss Texas pageant at Fort

Worth in June, Miss Teenage Hereford will be selected from a field of 10.

She does not compete further, but will make official appearances at various events during the year. Susie Hickman is present holder of the title.

Vieing for Miss Hereford's crown this year are Tonya Jayroe, Jane Lyons, Margaret Phipps, Donna Sargent, LaDonna Williams, Holly Young, Mona Gale Gibson, Carla Crist, Caye Clearman,

Sandy Caison and Miss Hickman.

Younger girls in the Miss Teenage Hereford contest are Nancy McDonnell, Gloria Mays, Teri Reinauer, Frances Sanders, Sandra Stallings, Melissa Henry, Cindy Hairgrove, Sherry Faubion, Jeanne Carnahan and Joyce Brady.

Each is sponsored by a business firm here. Opening the pageant program, all will appear in a dance-song number

choreographed by Mrs. Terry Caviness and Mrs. Dwight McGee to set the program theme.

Formal gown competition will follow for the two groups, then talent presentations.

After intermission when judges choose the five finalists, the five will be interviewed onstage. Miss White will make her last appearance as Miss Hereford, singing the song with which she won the talent contest and mention in the state pageant last year, then

crowning her successor.

Music for the evening will be by Mrs. McGee, pianist, Ricky Loog on the guitar and Tony Hardin on drums. Roy Faubion will be master of ceremonies.

Mrs. Lynn Kester is pageant director with Mrs. G.D. Caison as associate. On the steering committee are Mmes. Pete Caviness, Jack Renfro and Bob Hardin. Other members of Deaf Smith County Women's Division, which sponsors the pageant, serve on various committees.

City Okays Paving Program

MAYOR BUYS FIRST CERTIFICATE—Mayor Jim Sears, second from left, purchased the first Hereford Diamond Jubilee Certificate this week from Earnest Langley, chairman of the fund raising committee. Looking on are Bill Albright, new C of C manager, and Bud Eades, Jubilee committeeman. For the 75th anniversary celebration, Mayor Sears appropriately bought 75 shares.

Sale Of Diamond Jubilee Certificates Underway

Mayor James H. Sears kicked off the campaign to raise capital funds for Hereford's Diamond Jubilee Celebration on Monday of this week when he bought the first "Diamond Jubilee Certificate" from Earnest Langley, chairman of the fund raising committee.

Appropriately, the first certificate was issued to Mayor Sears for 75 shares of participation in the fund, in special recognition of the 75th Anniversary theme.

The Diamond Jubilee Certificates have been prepared in sufficient number for every interested business and individual to become a participant in the financing of the celebration. Special com-

mittees will be soliciting businesses and individuals, and the certificates will be offered for sale at the Chamber of Commerce Office, at both banks, and at various other places throughout the city in the coming weeks.

A primary function of the certificates is to raise the necessary funds to finance the promotion and production costs of the celebration. Substantial contributions will be sought from businesses and interested persons in order that the non-profit corporation conducting the celebration activities will have the necessary funds to procure the souvenirs, supplies and other materials needed for the project.

Expanded to two performance nights following the success of last year's one-night show, "Something Big" included entertainment from singing, to dancing, to instrumental selections and comedy; with a list of local performers numbering over 25.

"I think those who came had an opportunity to see some really fine talent for \$1.50," said Patrick. "This money will enable us to make our \$500 music scholarship, and we'll have money left over to spend on other youth projects which are going on right now."

Experience in other communities that have had similar celebrations shows that most of this original funding will be recovered by the corporation before the celebration has ended and that reimbursement to those contributors who would like to have their money back will be available. Any contributor is entitled to reimbursement, following the close of the celebration, to the extent that the funds have been recovered and are on hand. The committee stresses the fact that reimbursement is not guaranteed or assured, but that such reimbursement will probably be available.

"In addition to those businesses and individuals making larger contributions, with expectation of reimbursement, it is hoped that every citizen, man, woman and child, will want a certificate for at least the minimum contribution of \$1 as a permanent souvenir of the 75th Anniversary of Hereford," Langley said. He further pointed out, however, that the \$10,000 capital fund cannot be raised without many larger contributions.

David Loerwald, chairman of the Youth Participation in the Celebration, is preparing plans for canvassing the students and young people of the community for participation in the funding through the purchase of their own certificates. Further information on this youth participation will be announced by Loerwald in the near future.

Certificates are available daily during office hours at the (See Jubilee, P. 2)

BY LORI HOPSON

Hereford city commissioners opened their regular meeting Monday with the signing of oaths of office by Mayor Jim Sears and commissioners H.A. Cavness and Paul Abalos, who were elected to posts in the recent city elections.

Abalos won over James Hull in the only contested race in the elections, for place 1, and Sears and Cavness were reelected to the posts of Mayor and commissioner, place 2, respectively.

In other business, the commission passed an ordinance setting the time for city commission meetings at 7:30 on first and third Mondays of each month. Place of meetings was set by the ordinance at city hall.

Another ordinance, which would require the licensing of all household pets and other animals through the city office was discussed, and handed back to city attorney Earnest Langley for amendment.

The ordinance would require all household pets, such as dogs and cats, to have license tags. The tags would be issued through the city water department office, only after an animal had received an examination and vaccinations from a licensed veterinarian. The commission requested that the ordinance be amended to include a licensing provision for livestock kept and maintained within the city limits.

A resolution giving the city's official approval of the upcoming Diamond Jubilee Celebration was also passed, with general chairman Dale Young presenting the resolution to the commission.

Other business included the approval by the commission of the engineer's roll in a massive paving program which will include a number of city streets. The roll includes a list of all property owners along the streets to be paved or improved, as well as cost to each property owner, per-foot price, and the city's share in the cost of the project.

The commission also set a hearing for May 21 for those property owners who might have questions concerning the assessment program for the paving project.

The low bid out of two was accepted from Marian Air Spraying Service of Savannah, Georgia for aerial spraying to control mosquitoes and other insects. The Marian company

Law Enforcement Display Planned

The annual law enforcement exhibit, sponsored by Sugarland Mall Merchants' Association, will be held all day Saturday in the mall.

On display will be a Texas Highway Patrol unit, a sheriff's office unit, rescue equipment from the sheriff's office as well as the fire department, a helicopter from the Department of Public Safety, finger print equipment, and other various displays from the local law enforcement agencies.

bid was set at 29 cents per acre, and the higher bid was submitted by Mosquito Control of the Southwest, in Plainview. The Plainview company set its bid at 30.2 cents per acre.

A proposed plan for the enlarging and improvement of the pro shop at the municipal golf course was approved by the commission. The proposed plans included enlarging the pro shop to include a women's lounge and women's and boy's locker rooms. In the plan about 1,520 additional square feet would be added to the existing 2,000 square-foot facility.

A plan which would claim several feet of right-of-way along the intersection of Highway 385 and Park Avenue was

also approved by the commission.

The widening of the intersection would include taking five feet of right of way off both sides of the intersection on the west side of Hwy 385. West of the intersection on Park Avenue, 13 feet of right-of-way would be taken off in front of the Phillips 66 station, and on the east side of the intersection, seven feet would be taken off bordering Taylor & Sons Grocery.

The commission also discussed lighting for the park it is developing on land recently purchased from the Veterans of Foreign Wars post here, and retirement plans for city employees. Decisions on both were postponed pending further discussion and consideration.

Easter Services Set In Churches

Special Easter services, along with other activities leading to Easter Sunday have been announced by various local churches.

The Immanuel Lutheran Church will hold Good Friday Worship services on Friday at 8 p.m. and Easter Sunday services will begin at 11 a.m.

Sunrise Easter Service Slated

Sunrise Easter services will be conducted at 6:30 a.m. Sunday at St. John's Baptist Church under the direction of Rev. C.W. Allen, who extends an invitation to the general public to attend.

Rev. Allen has been holding the sunrise service for several years. He stressed that the 30-minute service is open to all interested persons. The church is located at 400 Maple.

The Central Church of Christ will honor guest speaker, Marvin Crowson, who served as associate minister of that church before going to Jamaica to do mission work. He will conduct worship services Easter Sunday at 10:20 a.m. and 6 p.m.

Crowson was instrumental in establishing the Mona Church of Christ in Jamaica, where he helped in securing a building and helped organize the Jamaica School of Preaching. He is currently director of quarterly campaigns being conducted throughout the island.

The Thursday evening Communion Services at the First Presbyterian Church have been cancelled due to illness of Rev. Russell Wingert.

Regularly scheduled Easter Worship services and Sunday school classes will be conducted by Joe Findley of Canyon.

Cancer Drive Is Record-Breaker

With a record-breaking total of \$11,869.10 in contributions and gifts, Deaf Smith County's recently-completed crusade against cancer can only be termed a success, according to local cancer society board president Wesley Gulley.

"The response of the citizens of Deaf Smith County to this crusade had been tremendous," he said. "Everyone associated with the American Cancer society greatly appreciates the generous contributions of time and money which have made the crusade a success."

Original goal for the drive was \$8,500 more than \$3,000 short of the total raised by workers.

According to Mrs. Hilton Higgins, drive chairman, every volunteer, worker or contributor to the crusade is now a member of the American Cancer Society, and is invited to the annual meeting of the society May 10. New board members and officers for the coming year will be elected at this time.

Year-round activities of the local cancer society include a public education program under the direction of Mrs. Alex Schroeter, with Mrs. T.D. Carnahan, Mrs. Eloise McDouglia and John David Bryant assisting. The committee is active in presenting programs and showing films on cancer and its effects to local clubs, organizations, and interested groups.

Also a year-round part of the cancer society's efforts is the society's continuing memorial program, headed by Sue James. Memorial contributions and gifts may be made through her at the First National Bank at any time a donor sees fit.

Funds raised in the record-breaking drive will be used to support the society's three-fold program of research, education and service. According to Mrs. Higgins, who added that some of the crusade funds have not as yet been turned in, many approved research projects that went unfunded last year will be initiated as soon as the society raises the "essential" funds. Mrs. Higgins said that the work of contributors, volunteers and workers is the "key to a cure for cancer."

"We now have to turn our thoughts to, and direct our efforts toward, future crusades and the continuing work of the society, in the continuing struggle to overcome cancer," said Gulley.

Of the funds accounted for so far, a little over \$1,500 may be attributed to rural contributions, around \$3,500 to special gifts, a little over \$3,000 to door-to-door collection, around \$2,000 to business contributions and just over \$1,000 to memorial gifts.

Rites Held For Pioneer

Funeral services for a pioneer Deaf Smith County resident, Mrs. J.W. (Cora Mae) Spradley, 87, were held Wednesday at 2 p.m. in First United Methodist Church of Hereford.

The Rev. W.A. Appling, pastor, officiated services, and interment was in West Park Cemetery.

Mrs. Spradley died Monday afternoon in Hillhaven Convalescent Center in Amarillo, where she had lived since 1965. She came to Hereford in 1915 from Allen in Collin County. She was born May 6, 1885 in Mart. Her parents were the late John and Elizabeth (Wyche) Davis.

Mrs. Spradley attended Southwestern University at Georgetown and Sam Houston State at Huntsville. She was a member of First United Methodist Church.

Survivors include three daughters, Nell Spradley and Elizabeth Witherspoon of Hereford, and Maurine O'Bryan of Amarillo; one son, Charles Spradley of Arizona; seven grandchildren and eight great-grandchildren.

Pallbearers were Earnest Langley, Wesley Gulley, Jay Boston, Hazen Woods, John Aikin, and Tom Kendrick.

FCA Elects Brand Receives New Officers Award From PPA

New officers for the Fellowship of Christian Athletes were elected recently at an evening meeting held at the Caison House Restaurant. New officers are Wayne Schumacher, president; Brian Clark, vice-president; Chip Guseman, secretary and Andrew Wingert, program chairman. Some of the events scheduled for May which will be sponsored by the FCA are the golf tournament, banquet, and camp this summer for the members of the organization.

BUILDING BOOM

Singapore is in the middle of a building boom and recent accelerated development of Indonesia's rich forest resources has resulted in a substantial market for logging, forestry and materials handling equipment.

GRIM RECORD

Fires caused a record death toll of 896 in the United Kingdom in 1972, beating the previous record of 865 in 1968.

The Hereford Brand was recipient of the top "General Excellence" award at the Panhandle Press Association annual convention Saturday in Amarillo.

Canyon and Friona were second and third in general excellence among the larger community papers, while Olton, Bovina and Booker were the top three among smaller papers.

Bill Howe, Shamrock publisher, was awarded the coveted "public service award", which is presented by West Texas Chamber of Commerce. The Shamrock newspaper also won awards for best editorials and advertising initiative.

The 6th annual convention concluded Saturday night with an address by Arnold Paulson, executive director of the National Organization of Raw Materials (NORM). He was introduced by Harlan Vander Zee, president of Hereford State Bank.

Other highlights of the con-

vention included a report on the Texas Constitution rewrite committee, panel discussions, and election of new PPA officers.

Trenton Davis, business manager of The Amarillo Globe-News, was elected president of the association. Dick Reavis, Dumas, is the new vice president; and Bruce Romig, information director for the Texas State Technical Institute, is the new secretary. New directors are Kenneth Hogue of Dalhart, Dave McReynolds of Stratford, and Bill Howe of Shamrock. Holdover directors are Sue Cannon of Olton and O.G. Nieman of Hereford.

The presentation of the Globe-News "Man of the Year" award was also made at the Saturday luncheon. Recipient was the Rev. Dick Hogan, who founded the Faith City Mission in Amarillo.

FFA Judging Teams Compete In Contest

The Hereford High School FFA Judging Teams participated in the District Judging Contest held Saturday at West Texas State University.

The teams entered were Poultry, Dairy and Livestock judging. The members of the teams were Poultry-Brian Eades, Van'Mason, and Curtis Smith; Dairy-Kenneth Adams, Phillip Carnahan, and Benny Kriehauser; Livestock judging: Jay Boren, Ted Eicke, David Hutchins, and Ronald Johnson.

The livestock team placed first in District and the Poultry team placed second. Other

Chamber of Commerce office, or from any of the officers and committee chairmen of the Celebration Committee. Arrangements are being made for offering the certificates at both banks during banking hours.

Dale Young, general chairman of the Celebration, has stated that the financing of the Celebration through the sale of the Diamond Jubilee Certificates offers a splendid opportunity for every citizen of Hereford to make a genuine contribution to the success of Hereford's 75th Birthday Party.

automobile. (The partying and drinking shifted from the home to the automobile.) "It's O.K.," said Uncle Bill to Johnny's father. "Everybody does it."

When he was 17, Johnny tried out for the track team. He discovered that many of the kids were using pep pills for greater energy and performance. When asked, the coach replied, "It's O.K., Son, everybody does it."

When he was 18, Johnny really got stoned at his graduation party. Unable to function the next day because of his hangover, his father chuckled, "Just a chip off of the old block. I don't blame you for hanging one on, Son. You finish high school only once. Everybody does it."

When Johnny was 19 and in college, he was approached by an upper classman who offered him a few joints of grass for \$5. "It's O.K., Kid," he said, "everybody does it."

Johnny was caught in a pot party and placed in jail, his father indignantly attacked him with "How could you do this to your mother and me? You never learned anything like this at home." His aunt and uncle and coach were also very, very shocked.

If there's one thing the adult world can't stand, it's a kid who uses drugs.

By Dr. M.J. Bienvenu
Northwestern State University

Everybody Does It!

When Johnny was just a tot his mother fell in the habit of giving him a baby aspirin everytime he had an ache or pain. At times when he was in perpetual motion (especially on rainy days) she gave him a tranquilizing medication, "It's O.K., Son," she would say, "Everybody does it."

During his elementary school years, Johnny had the usual "ups" and "downs" in his class work. When troubled over a difficult assignment or a poor grade, his father usually suggested a sedative for sleep as this helped him to sleep when he had a bad day at the office "It's O.K. Son," his father would say. "Everybody does it."

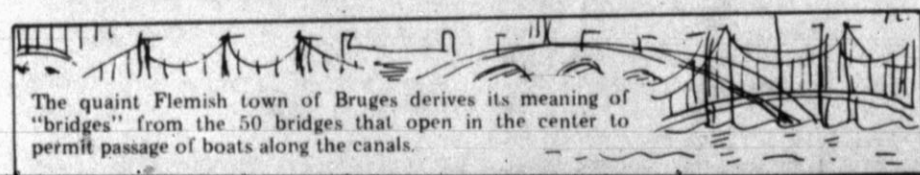

By the time he was ten Johnny relied heavily on Cokes and candy for lifting his spirits. He could see no reason why he couldn't have all the drinks he wanted, money was no problem to the family. Persuading his parents to let Johnny have his way, Aunt Alice would say, "It's O.K., everybody does it."

When he was 14, his parents partied quite a bit. Johnny always insisted on having his own company when they went out. And why couldn't they have some of the food and booze in the house. "It's O.K., Mom," he said, "Everybody does it."

When Johnny was 16, his dad gave into his persistent request for an

AWARDS WON—Vernon Carroll, left, a first grader at Shirley Elementary School, won top honors with his poster in his division at the District I convention of Texas Garden Clubs last week, and Mary Lee Simon, a sixth grader at Aikman won third in her division. After winning first in the local poster contest, sponsored by Hereford Garden Club, the posters were sent to the district contest. The theme for the contest was on environmental care.

The quaint Flemish town of Bruges derives its meaning of "bridges" from the 50 bridges that open in the center to permit passage of boats along the canals.

Preplant Herbicide Suggested For Sugar Beets This Year

The late planting season will result in weedy sugar beets and a preplant incorporated may reduce hoeing costs says A.F. Wiese, Paul Scott and Steve Winter, agronomists with the Texas Agricultural Experiment Station at Bushland and Holly Sugar at Hereford.

Usually, sugar beets are planted in March and the only weeds that emerge in the cold weather are Kochia and Russian thistle. They are most troublesome along fences. Frequently, large portions of fields are almost weed free. The story changes when beets are planted in late April. Careless weeds emerge everywhere when temperatures get warm.

Weed control studies conducted over an 8-year period indicate that with late planting, a preplant injected application of RoNeet at 4 pounds per acre will reduce early hoeing costs up to 50 per cent. In 1971, sugar beets on experimental plots were planted in April and there were about 20 careless weeds per foot of row after cultivation on untreated plots and 3 per foot of row where RoNeet had been used.

Hoeing time was reduced from 38 to 14 hours per acre with the herbicide. In another study

in 1965, RoNeet did a good job of controlling volunteer sorghum. Late plantings were made in 1966 and 1969 and RoNeet controlled 73 and 83 per cent of the weeds.

"Preplant injected applications of RoNeet doesn't always pay" say the scientists.

but this year the odds are that growers will save money by using the herbicide.

More information about herbicides for sugar beets is available at the Experiment Station at Bushland, at Holly Sugar at Hereford or from county agricultural agents.

Local Teens Will Collect Muscular Dystrophy Funds

Teens Against Muscular Dystrophy will stage a "hippy hop hold-up" from 9 a.m. to 6 p.m. Saturday in various parts of Hereford to raise funds to help victims of muscular dystrophy.

Approximately ten Hereford youths will participate in the 'hold-up' with stations at the intersection of Main Street and Avenue B, downtown Hereford and Sugarland Mall. Their only credentials will be pink floppy ears and tails.

All donations collected locally will be turned over to the national muscular dystrophy fund for research.

Participating in the 'hold-up' will be Bridget Muzurek, Jeanie

Koelzer, Terry Swindell, Mont Swindell, Glenda Baum, Becky Harris, Donna Stengel, D'Lyn Davison, Rhea Ann Wesson and Cathy Koelzer with Mr. and Mrs. Sam Mazurek as sponsors.

DPS Officer Is Rotary Speaker

Requirements, training and duties of Department of Public Safety officers was the topic for Hereford Rotary club at their luncheon meeting Monday, when highway patrolman Larry Bigham spoke to the club.

Bigham stressed the rigorous physical and mental training involved in becoming a DPS officer, comparing it to that of the military, and giving examples of the closeness of DPS officers as a unit. He also commended members of local law enforcement groups, such as the highway patrol, sheriff's office and police department, for their co-operation and willingness to serve with one another.

Bigham also mentioned that in new DPS requirements, female applicants are now being accepted for department posts.

Club president Mike Patrick congratulated the club for its

success with its recent variety show, "Something Big", and thanked members for their participation, both in ticket sales, and in working at the talent show itself.

Patrick was also presented a gift of a watch from the club for

having sold the most tickets for the talent show, with a total of 200 tickets.

Sandra Stallings, representing local 4-H youth, urged Rotary members to support the state-wide efforts of 4-H clubs in raising funds for the

proposed state 4-H center at Brownwood. Local goal for the fund is \$3,000, with one third of this due June 1 of this year, and the balance due June 1, 1975.

The club made plans for two barbecues, April 26 and 27, where they will be serving REC and Lions club members. Patrick urged all members to participate in these fund raising efforts.

a little more muscle

Air adjustable shock absorbers. For most people, ordinary shock absorbers work just fine. Most of the time. But how about when you haul things, like a boat? Or carry extra weight around in your station wagon, like the entire Little League team? Or when you take off for a vacation in that big new camper? You need a little more muscle. You need Monroe Ride-Levelers. They're for cars that carry heavy loads sometimes. They go on the rear of your car, and all you do is fill them with air at a gas station for instant muscle. When the heavy work is done, let the air out and you have a conventional shock absorber again. Ride-Levelers. A little more muscle from Monroe. Get them wherever you have your car serviced.

Little Dribbler District Tourney Set Here

Hereford will host the Little Dribbler District Tournament today through Saturday, with four teams competing for the district championship. Only four teams are entered in the double-elimination tourney, since Dimmitt announced its withdrawal this week, according to the sponsoring Jaycee officials. The tourney gets underway at 6:30 p.m. today in La Plata Gym with Pampa and Plainview All-Star teams meeting in the opening contest. Hereford's All-Star team takes on Dalhart in the second game, set for 8 p.m. Games are also slated at 6:30 and 8 p.m. Friday, and the final games Saturday are scheduled at 1 and 7:30 p.m. Tickets for the tourney are priced at \$1 for adults and 50 cents for students.

Greg Chisholm is the Hereford All-Star coach, assisted by Dale Smith. The tournament team is made of 11 and 12-year-olds from the major division of Little Dribblers. Hereford's tourney team: Greg Dement, Jackie Mercer, Belim Rameriz, Buzzy Abalos, Kevin Bunch, Brent Allen, Bud Hughes, Don Weemes, Brian Brooks, Larry McNutt. Alternates for the team are John Slentz and Randy Ellis. Miles Goforth, injured during the season, is an honorary all-star.

HIGH HEADED FOR AUSTIN—Hereford's Chuck High (third from left) tops a hurdle around the curve and heads for a second-place finish in the 330-yard intermediates at the Region 1 meet Saturday. Borger's Glenn Gray won the event. High and Luther Mays, winner of the 880, earned trips to the state meet in Austin May 4-5. The two will run at the state qualifiers meet in Lubbock this Saturday.

La Plata Freshmen Win Track Crown

La Plata captured the 9th grade title, while Pampa and Perryton won the 8th and 7th grade team championships in the Hereford Junior High track meet Saturday at Whiteface Stadium. La Plata also was runner-up in the 8th grade division and finished seventh in the 7th grade class. Stanton Junior High was fifth in the 7th grade division, but wound up ninth in the 8th grade division and seventh in the 9th grade class.

The Mavericks of La Plata scored a second-place in the mile relay, and Floydada finished fifth to enable the Hereford team to win the team title, 108 to 103½ over Floydada's 9th graders. La Plata got first from Charest in the long jump and the pole vault, and the 440 relay team took first place. Crim was second in the discus, and Charest second in the 220. Thirds went to Schumacher in the 330 hurdles, Jones in the 440, Garcia in the 880, and Edwards in the 220. Edwards was also fourth in the 100 and Guerra was fourth in the mile.

Stanton's 9th graders were sixth in the 440 relay. Ward had a third in the discus, and Gomez was fifth in the 330's. Arroyos tied for fourth in the pole vault. In the 8th grade division, La Plata had one first from Brady in the long jump, while the 440 and 880 relay teams both placed third. Martinez was second in the long jump, while third went to Tarr in the high jump. Fourth places went to Brady in the 50-yard dash, Crim in the discus, Martinez in the 100, Alexander in the 60-yard high hurdles, and Madrigal in the 880. Stanton had three second places—Mays in the 880, Taylor in the pole vault, and Jobe in chinning.

Leading the way for Stanton's 7th graders were firsts by Kitchens in the 60-yard high hurdles and Madrigal in the 880, and Hennington in chinning. Hennington also was fourth in the long jump. La Plata got second places in both the 400 and 880 relays.

SPRINT RELAY FINISH—Hereford's 440 relay team placed fourth in the Region 1 meet Saturday, with Barry McNutt (left) on the anchor leg. Johnny Adams, Steve Nieman and Terry Champ were the other members of the relay team. Hereford scored 32 points in the regional competition.

Kiwanians Plan Buff Grid Show

CANYON—West Texas State University's Buffaloes stressed their passing game during a scrimmage Saturday in Frank Kimbrough Memorial Stadium, then took off this week for the spring vacation.

The Buffaloes will take up practice sessions again Monday and have their final spring game at 7:30 p.m. Saturday, April 28, in Hereford. The intrasquad game between the Maroons and Whites is being sponsored by the Hereford Kiwanis Club. Bob Sweet and Mike Wartes were impressive on the passing game in the scrimmage, and junior college transfer Don Nava showed flashes of throwing the ball with accuracy. Several injuries have handicapped gridgers in the drills, but Coach Gene Mayfield hopes most of the players will be ready to perform in the final spring game. Cold weather and high winds kept the team from working on the aerial game in early workouts. Tickets for the spring game at Whiteface Stadium are now on sale from Kiwanis Club members, and at Western Auto Store. Tickets are priced at \$1.50 for adults and 75 cents for students.

Herd Bows To Soph No-Hitter

The Hereford Whiteface baseball team was the victim another shutout Tuesday when Lubbock sophomore Bill Eady, pitching his first game, hurled a no-hitter in pacing Coronado to a 3-0 triumph. Coronado had only five hits off starter Bill Phillips and reliever Ricky Locke in the game played on the Hereford diamond. Eady walked two batters and struck out eight. Steve Loerwald and Carey Black drew the walks and were Hereford's only baserunners. The Whitefaces go to Snyder Friday for a 4 p.m. game, and will host Lubbock High Saturday at 1 p.m.

The loss left Hereford with a 1-9 mark in District 4-AAAA play and a 4-15 record on the season. Coronado is 7-5 in district play, trailing league-leading Monterey. Hereford had been rapped by Plainview, 18-5, here Saturday

in a five-inning game, halted because of the 10-run lead rule. Plainview banged out 12 hits in that game, while Hereford recorded 7 base knocks. The Bulldogs had two five-run innings—in the first and third—to spark the assault on the Whitefaces. Mark Foote had two hits for the winners, including a home run. David Loerwald and Wallace Hill had two hits each for the Herd baseballers.

Steve Loerwald and Lynn Tarr worked on the mound for Hereford. Eight errors behind them did not help the cause. Plainview had only four earned runs.

Pepitone Says Baseball Is Fun

CHICAGO — At a time when baseball players and marines still wore crewcuts, Joe Pepitone was a longhair and generally regarded as an eccentric. It's not that he had long hair but that it wasn't his. The luxuriant mustache and flowing mane might be home grown but the top knot came from a rug company. The Pepitone pate is barer than old baldy. He reportedly has a number of toupees — different styles, I suppose — which he wears according to the occasion. Since he is not run-of-the-mill, the Chicago Cub first baseman-outfielder frequently has found himself involved in run-ins with management, which regards deviations from the norm with less favor than Sunday rainouts. The only thing with a lower rating is Marvin Miller. Chicago manager Whitey Lockman, who used to be a fine glove man, wouldn't field a question of whether Pepitone is a problem. "I'd rather not comment on it," he commented. "He's a great major league baseball player, period."

All Sports Banquet Slated Here Monday

May before reporting to the Jets' training camp. Hill spent six seasons with Houston before joining the Jets in 1970. His pass blocking for Joe Namath has earned him accolades as one of football's top offensive linemen. The 270-pounder was a state tennis champion at Gladewater, then concentrated on football at Texas Southern University in Houston. Hill is married and has a three-year-old daughter. He has worked the past several years for the Office of Economic Opportunity in Denver, Colo., where he makes his home. When he retires from the gridiron, he wants to be a social worker.

James Higgins, booster club president, reminds members that tables and chairs will need to be set up Sunday afternoon at 4 p.m. The women's decoration committee also invites interested mothers to be at the Bull Barn Monday at 2 p.m. to help arrange decorations. Hill, an All-Pro lineman for seven seasons, is the son of a Methodist minister and the second active Jet member to work on the Fellowship of Christian Athletes staff. He will continue his FCA work through

Successful Scout Since 1960, NASA's Scout rocket, a 100-foot-high all-solid propellant rocket, has had an 89 per cent success record out of 35 launches, a record for the space program.

Mays, High Enter Red Raider Relays

Luther Mays and Charles (Chuck) High, Hereford's two qualifiers for the state track meet, will be entered in the Red Raider Relays Saturday at the Coronado track in Lubbock. Coach Don Cumpton will take the cindermen to the meet, which is open to all state qualifiers. Mays won the 880 at the Region 1 track meet Saturday, and High placed second in the 330 intermediate hurdles. Cumpton had high praise for his track team's efforts at the regional meet, after they had captured Hereford High's first district championship in AAAA competition the previous week.

The Herd scored 32 points in the region events, tying Midland Lee for fifth place in the team standings. San Angelo dominated the meet by scoring 97 points. Besides having the two qualifiers, Hereford placed fourth in the 440 relay; Danny Harris was fourth in the long jump, and Joe Coleman was fifth in the high jump. The sprint relay foursome was composed of Johnny Adams, Steve Nieman, Terry Champ and Barry McNutt. Mays set a school record at the district meet with a 1:56.2 clocking in the half mile. He won the region race with a 1:59 time. High turned in his best time of the year with a 39.8 time in the 330 hurdles at regional competition. Hereford almost had its mile relay team in the state meet. The Foursome of Mays, Joe Sheffy, Champ and Nieman set a new school mark with a 3:22 time in the region prelims Friday, and they appeared headed for an upset win in the final before misfortune struck. Anchorman Nieman had the lead with 20 yards to go and lost his grasp on the baton. Based on the winning time by San Angelo, Coach Cumpton figured Nieman was enroute to a spectacular 48.5 lap before the mishap. Mays had opened the first lap with a slight lead on a 50.2 lap; James Harris (alternate for Sheffy) followed with a 50.6 time, and Champ recorded a 51.3. "It was just one of those freak happenings, and no one felt as bad as Steve," Cumpton said. The Herd track team posted probably the most successful season ever for a HHS squad. The team won four meets, including the 4-AAAA title, and placed second, fourth and fifth in three others. Nieman was the top point producer in seven meets with 81½, followed closely by James Harris with 77½ and Mays with 76½. They were followed by Champ 63½, C. High 61, Joe Coleman 52, Barry McNutt 44, Johnny Adams 43, David Varner 38, Danny Harris 36, Jim Henson 28, Wesley High 27, Joe Sheffy 23, Jim Marsh 18, Randy Alexander 17, Alvin Ellerd 2, Larry McNutt 2.

Pony League Tryouts Set

Pony League tryouts will be held Monday at 6 p.m. in Pony League Park, it was announced this week. All boys who plan to participate in the program must report for the tryouts, and must make application at that time, if they have not signed up. Officials hope to have a six-team league this summer, but need about 60 more boys to sign up Monday. Pony League is for boys in the 13-14 age bracket.

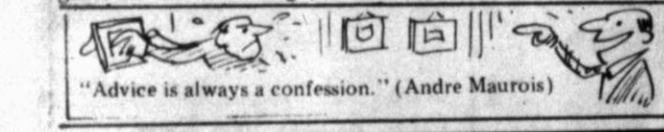

Umpires Meet Here Tuesday

Umpires in the Hereford Boys Baseball program will hold an important meeting Tuesday at 7:30 p.m. in the Pioneer Natural Gas Co. warehouse on the Canyon highway. All umpires, and all interested men, are invited and urged to attend. The baseball program is in desperate need of more umpires, according to league officials.

Miss Klechak Is Shower Honoree

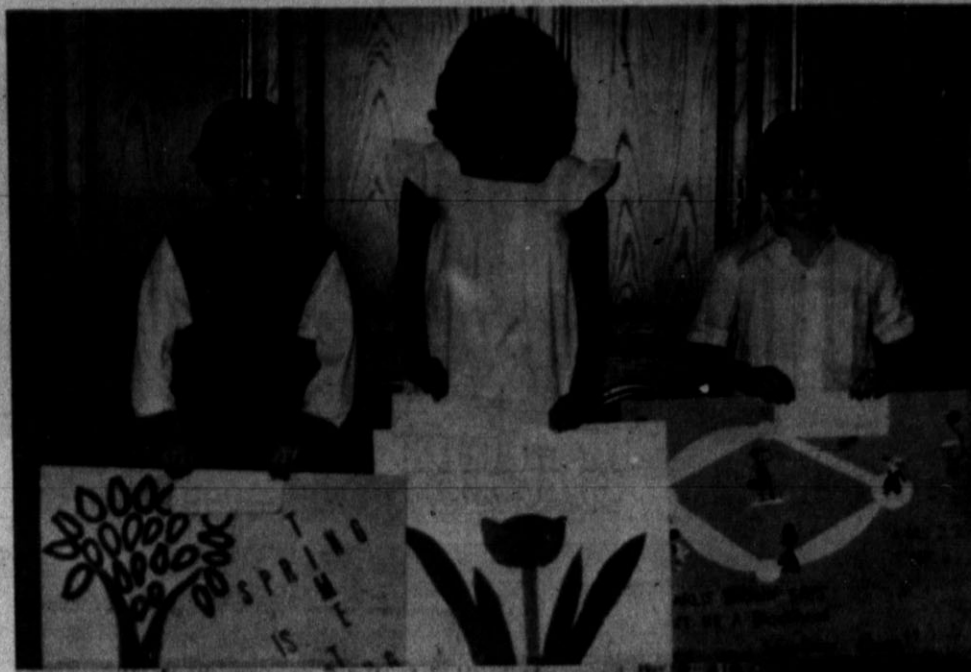

A shower honoring Miss Sue Klechak, bride-elect of Martin Urbanczyk, was held Sunday in the home of Mrs. L.J. Jones Jr. The couple plan a May 12 wedding in St. Anthony's Catholic Church.

Debbie Klechak, sister of the bride-elect, invited guests to register from a round table with a gold floor-length cloth. Receiving guests along with Miss Klechak were her mother, Mrs. Kenneth Klechak, Mrs. Conrad Urbanczyk, mother of the prospective bridegroom and Mrs. Jones. Evelyn Urbanczyk, sister of the future groom, served a yellow cake decorated with blue and lavender flowers, from a table covered with a white lace tablecloth. The center arrangement was of daisies and spring flowers in the bride's colors of yellow, blue and lavender.

Punch and coffee were served by Judy Bezner.

Hostesses for the shower were Mmes. Lee Drake, Melvin Kalka, Frank Bezner, James Higgins, Glenn Williams, Roger Albracht, Ron Zimmerman, R.B. Hutson and Louis Dupnik.

Also Mmes. Johnny Dupnik, Adolph Knabe, Ronnie Wagner, Charles Schlabs, David La Fleur, Richard Ottesen, Alvin Schmuher, Henry Kuper, Joe Schulte, Carl Scumbato and Gerald Banner.

COLORING CONTEST WINNERS—Winners in the recent coloring contest co-sponsored by Sugarland Mall Merchants' Association are, front row, left to right, Mandy Mazurek, Olga Alaniz, Michelle Gonzales, Crystal Findley, Lavenda Cheek and Darla Fuller. Second row, Steven Filipp, Cozette Moore, Brenda Strafus, Kim Fischbacher, Diana Moreno, Kenneth Schlabs and Delayna Dugan.

Tour Of Mexico Is Club Subject

Caravan Tours Through Mexico was the program Mrs. George Suggs presented to members of the La Afflatus Estudio Club Tuesday afternoon in the Reddy Room of the SWPS building.

Mrs. Suggs spent the winter touring Mexico. She showed pictures and slides of her trip to the club.

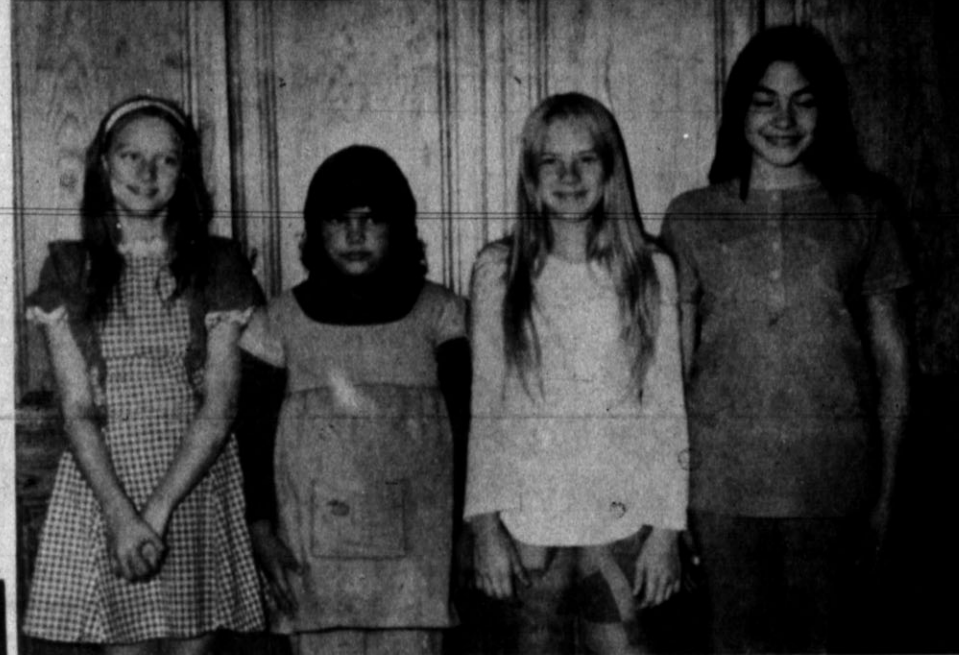

During the business meeting plans for transportation for Kings Manor residents were discussed. The club also bought \$10 worth of shares in the Diamond Jubilee.

Mrs. Cecil Braly was voted in as a new member.

Table decorations were of Mexican motif and Mexican dishes were served.

Miss Della Stagner hosted the meeting.

Members present were Madeline Bell and Mmes. Lottie Clark, A.H. Cook, Marlin Gilliland, Emmett Hale, Alvin Hewitt, Walter Johnson, B.F. Markham, Sam Morgan, Sank Ramey, Claude Ricketts and Wylie Roberson.

POSTER CONTEST WINNERS—Cash awards were given to the three winners in the Annual Spring Clean-Up poster contest sponsored by the Women's Division of Deaf Smith County Chamber of Commerce Friday. (Top photo) First place winner, Cozette Moore from Northwest; second place winner, Sylvia Gamez, Aikman; and third place winner Berry Friemal from Bluebonnet (not pictured). Receiving honorable mention were Orlan Douglas and Mona Porter of Tierra Blanca; Scott Formby, Francis Elizondo, Jimmy Lavrena, Northwest; Carol Zinser, Ray Holbrook, Juanita Kendrick, LeAnn Umpstead, Bluebonnet; Cindy Gamez, Aikman.

Instant Drinks Are Club Topic

Mrs. H.L. Hershey hosted the Progressive Club meeting Tuesday afternoon in her home.

Mrs. E.C. Hammet presented a program on instant milk drinks. She demonstrated the different drinks that can be used and gave members of the club recipes.

Mrs. Tom Morgan gave a farmers wife's quiz to club members and Mrs. T. J. Parsons gave a Farmer's Lullabye.

Members present were Mmes. Pete Carmichael, Taft McGee and Tom Morgan. Mrs. Jimmy Collier was recognized as a guest.

Doctor To Head Thoracic Group

Mrs. Jewel Smith of Hereford today announced that an Amarillo physician, Dr. Ted M. Nicklaus, was installed Saturday at the annual meeting of the Texas Tuberculosis and Respiratory Disease Association as president of the Texas Thoracic Society, an organization of physicians concerned particularly with chest disease, in Dallas.

She also announced that the board voted to change the name of the Christmas Seal organization to the American Lung Association of Texas.

Panhandle area residents attending the state meeting were Mrs. Cora McNair of Miami, Mr. Glynn B. Roland, Dr. Ted Nicklaus, and Charles McIntosh, Area Executive, of Amarillo.

The Top of Texas Division was presented the program award for its activities in combating cigarette smoking among the student population of the Texas Panhandle.

Lions Planning Big Convention

Hereford Lions are finalizing plans for the District 21-1 convention which is to be held here April 27-28, according to A.J. Schroeter, convention chairman.

Schroeter said that more than 800 Lions and their wives are expected to attend the annual district meet. Highlights of the convention will include a Queen's Contest, a barbecue dinner, and the Governor's Ball.

Clubs of the district, which covers a large portion of the Panhandle, will also elect district officers. Any businesses or organizations desiring to contribute items to the convention delegates' packets should contact Schroeter.

DECIMAL ADOPTED
Britain adopted the decimal currency system on Feb. 15, 1971.

Committee To Chose Curtains

It was decided that members of the Rebecah Lodge would work with the Odd Fellows in the future at its regularly scheduled meeting in the IOOF Hall Tuesday evening.

Plans were also made for the Jubilee and a committee was appointed to select curtains for the dining room, they are, Mmes. Henry Murrel, Jim Shaw and A.N. Hopson.

MADRID BESEIGED

On Oct. 21, 1936, Spanish insurgents under Gen. Franco began their siege of Madrid.

WAR PROTEST

On Oct. 21, 1967, the Vietnam war was protested by some 35,000 in a Washington, D.C., peace march.

COLLEGE CHARTERED

On Oct. 22, 1746, a charter was granted for a College of New Jersey, now Princeton University.

Legal Notice

NOTICE OF HEARING ON SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF HEREFORD, TEXAS, BEGINNING AT 7:30 O'CLOCK P.M. ON THE 21ST DAY OF MAY, 1973.

TO ALL OWNERS AND TO ALL PERSONS OWNING OR CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS AND AVENUES OR PORTIONS THEREOF OF THE CITY OF HEREFORD, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES AND TO THEIR AGENTS AND ATTORNEYS:

You are hereby notified that the City Commission of the City of Hereford, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof hereinafter described within the limits hereinafter defined, the nature of which improvements is hereinafter generally set forth; and that the City of Hereford has approved and adopted the estimate, statement and report of the City's Engineer and has taken other proceedings with reference to the making of such improvements as are of record in the Minutes of the City Commission of the City of Hereford and has by ordinance ordered that a hearing be held, and notice thereof given, NOW THEREFORE,

PURSUANT TO SAID PROCEEDINGS AND SUCH ORDINANCE, NOTICE IS HEREBY GIVEN:

I. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon any property abutting the streets and avenues or portions thereof of the City of Hereford, Texas, hereinafter named, within the limits hereinafter set out, and to all other interested parties, including their agents and attorneys, before the City Commission of the City of Hereford, Texas, which hearing shall

begin on the 21st day of May, 1973, at 7:30 o'clock P.M. and shall be held in the City Hall of Hereford, Texas, at which hearing all of said owners and other interested parties, their agents or attorneys shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amounts of the proposed assessments, the lien and the liability thereof, the special benefits to the abutting properties and the owners thereof by means of the improvements for which all of such assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings and contracts in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and day to day until a fair opportunity for hearing has been afforded to all desiring to contest the said assessments or proceedings, and the City Commission shall have the power to and shall correct any errors, inaccuracies, irregularities and invalidities, and shall determine the amount of assessments and all other incidental matters and shall have the power by ordinance to close such hearing, and by the same or by a later ordinance or ordinances to levy such assessments before, during or

after the construction of such improvements, but no part of any assessment against abutting properties shall be made to mature prior to acceptance by the City by ordinance of the improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, and said hearing may be closed as to each portion of a street and/or avenue constituting a unit of improvement (as such units are designated below), after a fair opportunity for hearing has been afforded to all desiring to contest the assessments proposed to be levied against the owners and their properties abutting on the portion of each such street and/or avenue constituting a unit of improvement; and the City Commission shall then have the power to levy such assessments against such abutting properties and against the owners thereof, as provided herein and in the prior proceedings of the City Commission herein referred to. No assessment will be made against any abutting property or the owner thereof in excess of the special benefits to such property and its owner in the enhanced value thereof by means of such improvements as determined at such hearing. All of such owners, claimants and other interested parties, their agents or attorneys, are hereby referred for further information to the proceedings with

reference to said improvements on file and/or of record with the City Secretary of the City of Hereford and particularly to the estimate of the City's Engineer, and to the proposed assessment roll wherein the exact amount proposed to be assessed against each abutting property and the owner thereof is set forth; said City's Engineer's estimate and said proposed assessment roll being on file in the office of the City Secretary.

II. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the filling, grading, raising, paving or repaving said streets and avenues or portions thereof in a permanent manner, and by the construction or reconstruction and the resurfacing of curbs and gutters where there are no existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer and by reconstructing and resurfacing existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer, and by widening where necessary so as to attain the paved width from back of curb which is set out below, said

paving to consist of the construction of an adequate asphaltic wearing surface on an adequate base, the exact nature of such improvements being more particularly shown in the plans and specifications which are on file in the office of the City Secretary of the City of Hereford.

III. The streets and avenues or portions thereof to be improved within the limits fixed by the City Commission are listed below as they have been divided by the City Commission into separate and distinct improvement units. There is stated in connection with the listing of each street and avenue or portion thereof within the limits hereinafter defined constituting each improvement unit the estimated amount or amounts per front foot to be

assessed against the owner or owners of properties abutting such street and avenue or portion thereof and against such properties, the estimated total cost of the improvements as to each improvement unit.

There is included in the estimated amount to be assessed against the owners thereof a proportionate part of all costs incidental to the construction of the improvements.

The designation of such streets and avenues or portions thereof and such other information is as follows:

(See Chart At Left)

IV. The City reserves the right to omit the improvements to entire units or blocks therein where one or more properties therein are exempt from the

lien of the assessment and the owners fail or refuse to execute valid mechanic's lien contracts fixing valid contractual liens against such properties, or to otherwise secure the payment of their share of the costs of such improvements, and any such omissions will not invalidate the lien or liability on assessments made against the properties abutting any streets and avenues or portions thereof being improved.

DONE BY ORDER OF THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS, IN WITNESS WHEREOF WE HAVE HEREUNTO SET OUR HANDS AND THE SEAL OF SAID CITY ON THIS, THE 16TH DAY OF APRIL, 1973.

James H. Sears Mayor, City of Hereford, Texas

ATTEST: Mary V. Watts City Secretary

(SEAL OF CITY)

Dinner Honors

Spring Pledge

A prefential dinner honoring Mrs. Terry Albracht, the spring pledge of Xi Epsilon Alpha Chapter of Beta Sigma Phi, was held Friday evening at Dickies Restaurant.

A yellow rose was presented to Mrs. Albracht. Members present were Meses. Kenneth Wiley, Jerry Shipman, Fred Mulkey Jr., Kenny Ruland and Jim Cramer.

Necessity may be the mother of invention but progress is the parent of taxation.

CARD OF THANKS
The family of Alice Vee Faircloth gratefully acknowledge all the love and prayers given us during the loss of our beloved Alice Vee. We would like to express our appreciation to all employees at Westgate Nursing Home and the doctors and nurses at Deaf Smith General Hospital for their services and kindnesses during her illness. Your words of comfort and encouragement, food and flowers were sincerely appreciated. May God richly bless each one of you.
The H.T. Hornbuckle Family

Texas Exporting Most Of Its Oil, Facing Shortage

Texas is exporting seven of the eight billion gallons of fuel oils she produces, while home owners, industrial and agricultural consumers in Texas are facing immediate and severe shortages, sponsors of a resolution told members of the Natural Resources Committee this week.

Rep. Bill Clayton of Springlake co-sponsored the resolution, which would ask the Texas Railroad Commission to protect the rights of Texas citizens over the exporters of Texas-produced products.

Forty per cent of jobbers who supply gas in Texas are facing severe cutbacks on May 1, while five per cent are going out of business for lack of gas and fuel oils to sell, according to Lowry

M. Carpenter, vice president of Texas LP-Gas Association. Rationing began last December to keep heat in homes, schools, cotton gins, tractors, oil rigs and other users of gas, he said.

Roger Brown of Big Spring, representing jobbers of that area, stated that the crisis is immediate, adding that clients have been notified they will be cut off on May 1 from gas. He estimated a million people in rural homes would be affected by that cut.

Rep. Clayton's resolution recognizes the critical situation and asks the Railroad Commission to give a high priority to the solution of the problems, using laws already on the books which cover the situation.

ACCEPTS NEW POSITION—Mrs. Doris Hardin, secretary of Deaf Smith County Chamber of Commerce, has accepted a position from the B.J.M. Manufacturing Co. Jim Conkwright, president of the Chamber of Commerce, presented Mrs. Hardin a desk set and flowers from the executive committee.

Motorists Reminded: Stop For Bus

AUSTIN—A reminder on the State law about motorists stopping for school buses was issued today by Colonel Wilson E. Speir, director of the Texas Department of Public Safety.

Speir said the law, which applies on city streets as well as rural highways requires motorists moving in either direction on the same roadway or street with a school bus to stop and remain stopped as long as the flashing top red lights on the bus are in operation.

He said the problem is becoming more serious in cities due to increased use of school buses in urban school districts. There are only two exceptions to the law on stopping for loading or unloading a school bus: Those vehicles on another roadway of a divided highway (divided by median or physical barrier) are not required to stop, and stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross.

Speir said the problem of school bus accidents is of concern to law enforcement officials and educators throughout Texas. Only a few weeks ago, the Travis County Grand Jury urged the news media to publicize the law about stopping and not passing a school bus which is loading or unloading children.

FREDDY FIXIT CAMPBELL & BAER

WHEN YOU'RE PAINTING HOME EXTERIORS, HERE'S A LITTLE TIP. ON VERTICAL SIDING, FIRST PAINT THE GROOVES BETWEEN THE PIECES, THEN THE FACE. FOR HORIZONTAL SIDING, PAINT THE BOTTOMS FIRST AND THEN THE FACE. USE A FOUR INCH BRUSH AND SPREAD THE PAINT ON LIBERALLY WITH A FULL BRUSH, FOLLOWING THE GRAIN. IF YOU TRY THIS I'LL BET IT WILL COME OUT A NEATER AND FASTER JOB FOR YOU.

Copley News Service

California—the end of the rainbow. (American Proverb)

"The discovery of a new dish does more for the happiness of man than the discovery of a star." (Brillat-Savarin)

State Happenings

Forty-six million dollars has been allocated to Texas for manpower programs during the 1974 fiscal year under the federal manpower revenue sharing program; larger cities will get \$34 million.

Texas cities and counties will get \$19.1 million from the U.S. Labor Department for public employment program (PEP) jobs during the next 14 months. Jobs are in public service and for disadvantaged youth.

Cigarette tax revenue declined \$29,592 from March 1972 to March 1973.

Bad weather has damaged highways in Texas about \$28.4 million worth during the last winter.

The attorney general held that non-resident military personnel can be exempt from out-of-state college tuition fees if part of the money is paid from sources other than the federal government.

Senators approved a proposed constitutional amendment to allow a nine-member Compensation Commission to set legislative pay.

A bill providing for a statewide program to treat chronic kidney diseases has gone to the governor.

XIT Ranch Is Topic At CowBelle Meeting

Mrs. Ansel McDowell gave a book review to the CowBelles as the program at a luncheon at the Hereford Country Club Tuesday.

Mrs. McDowell reported on The XIT by Jay Evetts Haley, which is a story of the enterprise that received a Texas state grant of three million acres in the Panhandle in exchange for financing the building of the state capitol of Texas.

Mrs. Reece Lawson an-

nounced that the Hereford CowBelles will be in charge of the Beef Mobile May 3, 4 and 5, covering the Hereford, Vega and Dimmitt area.

The mobile will be parked at supermarket locations and will be set up to pass out literature and hold registration for a free Beef prize.

Hostesses for the meeting were Mmes. Edna Gualt, Genevieve Guseman, Mitt Hastings, Ruby Boston and Mary Garrison.

Letters To The Editor

Dear Editor,

I was challenged to write this letter and will explain why. As I understand it, the boys baseball program in Hereford is grossly underfinanced, because of unavailable funds provided in the past by the United Fund. The facilities are run down from lack of repair and lack money for repair.

I started participating in boys baseball in Hereford in the middle 50s before I had children of my own. The last few years I've become involved again because I have three boys, two of which are active in the baseball program. Since this program involves some 400-plus boys and pulls them off the streets through the summer months, I believe it is the most worthwhile and gratifying asset Hereford can provide for its youth of ages 8 through 14 years.

A boy involved in sports gains a sense of fair play through competition and gains character through the self-discipline he has to have to stay in the game. Look at the record.

How many of Hereford's athletes are involved with our juvenile probation officer as opposed to our non-athletes and our other boys that are not involved in other supervised activities, such as the Boy Scouts or our girls in Campfire?

Our children that are not involved in something worthwhile and time-consuming are more prone to be in trouble than those that do participate. In the past, as now, many businesses and organizations have sponsored individual teams and the boys wear the name of the business or organization on their ball shirts.

I've been told it takes about \$100 to take a boy from Pee Wee through Pony League. I don't know how accurate this is, but I'll bet one boy in one session of juvenile court costs the county a heck of a lot more. At the ball park I don't believe that any offer to help from anyone would be turned down. As an example, two years ago, James Gomez was asked to coach a team. He never played. He took a team of Pee Wees who had not been picked for the other teams and won the Pee Wee League Championship with 13 wins and 1 loss. So, anyone can help.

As of now, I am still a member of the Hereford Volunteer Fire Department and very proud of it. We have a fine group of well-trained and dependable people and the best Key Fire Insurance rate of any Department of our size of volunteers in the state. Our city has also furnished us with an abundance of very fine equipment adequate to handle most any situation concerning fire or rescue.

By being a member of this organization, I'm not afraid of any reflection this letter might have because we've never had anything but praise from our community.

Our city also has very fine tennis courts and golf course. I wish our baseball parks were as adequate.

As it's three o'clock in the morning, I'm going to bed hoping to get some answers from someone to this letter and also that some more people will

be prompted to be involved in this baseball program.

With respect,
Lloyd Brooks
P.S. Hats off to the Hereford Jaycees in regard to their results with the Little Dribblers' Basketball program.

Dear Editor:

A beef support campaign, huh? And Mr. Nixon invited to support it? Well that's great, hey, hey, hey!!

Now that I've got you looking this way, my point is this: There's a lot of people between the beef industry and Washington. We're called consumers, most of us pushed off the farm a generation ago by large farms and machinery. Some of us in construction with a 5.5 limit on salary increase for the second year in a row.

True, other products have jumped in prices, but to compare food with lumber and gas is like comparing water with good wine—wine we can do without, but eating has gotten to be a habit—a habit man will go far to support.

I'd like to continue this, but must plant the back yard and stake the cow in front.

Dear Editor:

May I take this means to thank the people of Deaf Smith County for their overwhelming response to the Crusade Against Cancer.

Especially, I would like to thank each chairman—John Thames, Mrs. Dale Jones, Mrs. Jack Gilliland, Mrs. Keith Simmer, Mrs. Alex Schroeter, and Mrs. Sue James. Also, each board member and each volunteer, who braved rain, sleet, snow and mud to reach these generous people.

These funds are being used to carry on our three-fold program of Research, Education and Service, and our American Cancer Society Unit Board pledges you our best efforts to merit your continuing support.

Sincerely,
Mrs. Hilton Higgins
Crusade Chairman

Two Named To Honor Roll At Rice University

Two Hereford High School graduates are among those listed in the largest group of outstanding Rice University students named to the President's Honor Roll for the first semester of the 1972-73 academic year, it was announced recently by Rice president Norman Hackerman.

Stephen Wayne Dziuk, son of Mr. and Mrs. Edward Dziuk, Jr., of Route 4, and Sharon Elaine Readhimer, daughter of Mr. and Mrs. James M. Readhimer of 213 Aspen were among the 1958 students honored for their high first-semester grade averages. They are honored through the publication of the President's Honor Roll, and the distinction is made a part of each honor student's permanent record.

DENTAL HEALTH PROGRAM—Mrs. Sam Curtsinger displays some of the materials she used for an educational program Friday for second graders at Northwest Elementary school. Mrs. Curtsinger is employed as a dental hygienist in clinics at Plainview, Hereford and Friona, and graduated from Amarillo college with an associate degree in dental hygiene.

The Deaf Smith County Commissioners Court will open bids for the purchase of a motor grader at 10:30 a.m., on April 23. The terms will be cash on delivery. A 1963 Allis Chalmers M100 will be traded in, and this unit can be seen at the Precinct 3 barn. The Commissioners Court reserves the right to accept or reject any and all bids. Specifications as follows:

- 125 Fly wheel HP
- 26,700 lbs.
- Engine—2 stroke cycle diesel
- 4 stroke cycle diesel
- 24 volt direct starting system
- Fly wheel
- 125 Horse Power
- at 2600 RPM
- U.S.A. Taxable horsepower 54
- Clutch Double disc oil type
- Transmission 6 Speed Direct drive
- Controls Safety shear pin on control column
- Blade 14' x 26' x 7 1/2"

Merry Mixers Set "Spring Fling"

Merry Mixers square dance club will host their annual special, "Spring Fling" at Sugarland Mall April 28, with door prizes and a ten per cent discount at mall stores for participating dancers.

Stuart Rowan will be the caller for two dance sessions; one from 2 to 4 p.m. in the afternoon, and one beginning at 8 p.m.

Admission for the sessions will be \$1 per person. Spectators are admitted free.

HOLIDAY DILEMMA

The fellow who tries to swear off usually finds out that the spirits are willing, but the flesh is weak.

Community Action Grant Extended For Panhandle

Gov. Dolph Briscoe has announced his approval of a community action grant of \$194,892 in new federal funds to Texas Panhandle Community

Action Corporation in Amarillo for continuing operation of the agency's ongoing administration and general community programming programs for six months, effective June 1, 1973.

The grant is allocated to allow the grantee time and resources to phase out programs funded with EOA Section 221 funds. Administration program funds will be used to continue the agency's overall, administrative functions during the phase-out period. Programs

included in the agency's general community programming component include a neighborhood service delivery system to provide referrals and information for programs in tutoring, adult basic education, homemaking, skill training and youth programs.

Resolution Of Appreciation

WHEREAS, the Deaf Smith County Unit of the American Cancer Society has been conducting its 1973 Crusade to raise funds with which the Society can carry on the fight to achieve its goal of conquering cancer; and,

WHEREAS, the citizens, institutions and businesses of Deaf Smith County have responded to the challenge through their generous contributions, work and support in helping in the struggle toward the victory over cancer to which we all look forward; and,

WHEREAS, a multitude volunteers have devoted many hours to planning and conducting this Crusade; and,

WHEREAS, the Board of Directors desires to express its appreciation for the success of the 1973 Crusade.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE DEAF SMITH COUNTY UNIT OF THE AMERICAN CANCER SOCIETY:

THAT our heart-felt appreciation and thanks be and are hereby extended to everybody who has so generously participated in the 1973 Crusade through their contributions, their work and their support.

ADOPTED April 13, 1973.

'Texas' Production Will Run June 21-August 25

"Now we know how it was." This remark is often heard each evening after "Texas", the awesome spectacle of Panhandle history in drama and dance and song which plays summer evenings in the Palo Duro Canyon near Canyon and Amarillo, Texas.

The eighth season will run from June 21 through August 25 in 1973, nightly except Sundays.

At the end of each show, as the man-made storms have subsided and the fires are tamped down, when the dancers and singers have left the stage in a burst of exuberance and the horsemen have galloped off, when the actors have told their story of trial and triumph as Paul Green wrote it . . . and the

last long notes of the bugle have died away, the audiences begin to comment.

The grizzled plainsmen say "That's the way it was, like that prairie fire. You would just think you had it out, and it would burst out again somewhere else."

The children say, "It's interesting when you can see what it was like."

The travelers from abroad (from 62 countries in 1972) often remark, "Now we understand you better." "This shows us how and why America grew." "After tonight we can see why you people in the States are as you are."

"Texas" is superb entertainment, fast moving,

musically exciting, a kaleidoscope of color as the eighty cast members move in dances and action against the great cliff behind the stage.

This is one of Paul Green's great statements of faith in America. It is one of nine windows which he has opened on nine regions of this country, revealing through each one the music and customs and struggles and philosophies of the land he is describing.

"Texas" is the look into the frontier west, the vast land, the dry land, the harsh land where people were thrown on their own resources and where those who stayed had great strength and endurance. They had humor and love of life as well, and in "Texas", their story, the audience feels this.

'TEXAS' OVERTURE—A June 21-August 25 season has been set for the musical drama, 'Texas' in Palo Duro Canyon State Park for this summer. Shown here is the overture from the musical, written by Paul Green. (Photo by Bill Rhew)

Facts On Beef Available

AUSTIN—What's your beef? Regardless of what it is, you can find out the best way to cook it and get the most for your money by getting a copy of a new brochure titled "Facts About Texas Grain-Fed Beef."

The brochure is a cooperative effort of the Texas Department of Agriculture and the Texas Cattle Feeders Association, reports Texas Agriculture Commissioner John C. White.

Explanations on the six basic methods of cooking beef are given in the brochure. You can also get valuable information on care and storing of fresh beef and on freezing and defrosting.

Included are time and temperature tables for beef cookery, broiling, and braising. Carving instructions for rib roast, boneless cuts, and Porterhouse steaks are detailed.

You can also learn how nutritious beef is for your family.

"In this time of high-priced meat, we need to know all we can about the best ways of preparing it. The brochure goes a long way toward answering many, if not all, of your questions about getting the most from your beef dollar," White explained.

Copies may be obtained by writing John C. White, Commissioner, Texas Department of Agriculture, Box 12847, Austin, Texas 78711.

Marriages Last Longer In Deaf Smith County

In Deaf Smith County, how many marriages end up in separation or divorce? How does the local divorce rate compare with that in other communities?

According to the latest statistics, the local record is a good one. The great majority of men and women in the area have stable, lasting marriages, despite the fact that the divorce rate, nationally, is at an all-time high.

And, if being married and staying married greatly improves a man's chances for success on the job, as a study by Prof. John Tropman of the University of Michigan indicates, most of the local men must have it made.

The latest trends in the marriage and divorce picture are brought out in data compiled by the Department of Commerce, the Department of Health, Education and Welfare and others.

In Deaf Smith County, it appears, there are fewer divorced people, in proportion to population, than in most sections of the country.

The tabulations show that some 21 out of every 1,000 local residents over the age of 14 are divorced. This is exclusive of the number who had been divorced at one time but have since remarried.

The local rate compares favorably with that reported for other areas of the United States, where it averages 34 per 1,000. In the West South-Central States it is 37 per 1,000.

As for the actual number of Deaf Smith County residents in the divorced column, the latest count shows a total of 121 men and 143 women.

Throughout the country as a whole, the number of divorces each year has reached the point where it equals more than a third the number of new marriages.

In the past year alone, there were well over 800,000 divorces recorded, a record high. It was just about double the 1961 total.

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN—Car and home owners had encouraging promises of lower insurance rates from high-level sources last week.

Gov. Dolph Briscoe threw his weight behind a modified form of competitive auto insurance rating, subject of an unsuccessful special legislative session last year.

The State Board of Insurance issued new rules and regulations which it pledged would bring lower rates for fire, homeowners and extended coverage policies.

Basically, what both plans would do is permit companies to deviate from the standard rates issued annually by the Board. A bill introduced in the House and Senate undertook to permit the auto deviations—either below or above the standard rate on showing that companies could make the change without endangering their solvency.

Companies would apply to the Board for deviated rates, and reductions (or increases) would be permitted if they meet tests for fairness to customers and financial stability for the companies.

While Briscoe expressed confidence the bill, if enacted, would mean substantial rate cuts, some remained skeptical that the so-called high-risk driver wouldn't pay more under it.

Rate deviations on property insurance are permissible under state law and can be implemented by the Board's regulations. Meanwhile, the House concurred in Senate amendments and sent to Briscoe HB 143 which would authorize \$2,500 medical payment and loss-of-income coverage for auto passengers. The coverage would be included in all liability policies unless specifically rejected. Whether the new law would help lower or raise rates was a subject of debate.

MEETINGS LAW SIGNED—Governor Briscoe signed into law legislation (HB 3) to strengthen open meetings and predicted it will bring more "responsiveness and openness" to government. Stiffer fines and a jail term are provided for violators.

The newsman's shield bill to protect confidential sources of information went to conference committee, as expected, and an attorney general's opinion concluded parts of the Senate revision are unconstitutional. A Senate committee version of a new lobby control act was rapped by House Speaker Price Daniel Jr. as a "step backward" and by "Common Cause," the people's lobby, as "a joke." Changes were predicted after critics said the Senate panel bill is weaker than the 1957 act.

The Senate, meanwhile, passed another of Daniel's so-

called reform bills prohibiting "legislative bribery" in exchange for support of a candidate for speaker.

JOB DISCRIMINATION REPORTED—Minority group members who work for the state generally hold lower-paying jobs, even though their employment level has improved somewhat, Texas Legislative Council reported in a new survey on ethnic groups in government.

The Council found the percentage of Negroes working for the state has risen from 9.20 per cent of the total number of employees five years ago to

10.09 per cent, and the percentage of state employees with Spanish surnames from 7.3 per cent in 1968 to 9.02 per cent in 1972. Blacks comprise about 12.5 per cent of the state population and Mexican-Americans more than 18 per cent.

A group of legislators, responding to the report, scheduled a series of meetings with state agencies which they claimed demonstrate "discriminatory employment practices" directed against blacks, Mexican-Americans and women.

Department of Public Safety

officials told the legislators they may begin recruiting women law enforcement officers and that they are doing their best to hire qualified minority group members.

COURTS SPEAK—A Tyler youth fined after being arrested in a nude swimming incident won a reversal in the Court of Criminal Appeals.

The same Court reversed the conviction of a Dallas underground newspaper editor on charges of interfering with a policeman during a park disturbance.

The Supreme Court held a Silverton man is entitled to \$3,000 damages for tornado loss of household goods though the insurance policy on the house he resided in was in the name of his employer.

The Third Court of Civil Appeals directed Temple Independent School District to reinstate a dismissed school teacher as ordered earlier by Education Commissioner J.W. Edgar.

The Court of Criminal Appeals ordered a new trial for a

Dallas housewife who shot her husband to death because a confession would not have been admitted as evidence.

A Houston district court ordered ARMCO Steel Corporation's Houston Works to pay \$125,000 in civil penalties for water pollution, and ordered treatment facility modifications.

APPOINTMENTS—Mrs. Ann Chappell of Fort Worth was named to the new Constitutional Revision Commission which held a two-day meeting here last week.

Governor Briscoe announced these recent appointments: O.T. Moore Jr. of Lockhart, Joseph Patrick Kelly of Victoria and John C. Taylor of Seguin (reappointments) to the Guadalupe-Blanco River Authority board of directors. Frank Douthitt, Henrietta, to the Midwestern University board of directors.

Mrs. Henry (Nancy) Ewald of Seguin as a member of the Commission on Services to Children and Youth. Briscoe also named a 29-

member drug abuse advisory council to assist in drug abuse prevention activities, including development of a state drug abuse plan.

POLLUTION BILL PASSED—A bill to allow local units of government to issue revenue bonds to finance air pollution control facilities for lease to industry have approval of both houses.

Cities, counties, villages, river authorities and other special districts could issue the bonds. Facilities would not be exempt from property taxation.

Texas, meanwhile, was faced with an April 15 deadline set by the federal government for implementation of its clean air plan. No restrictions on autos were found necessary by the Air Control Board.

CONSUMER BILL ADVANCED—An amended version of Atty. Gen. John Hill's consumer protection and anti-deceptive practices bill cleared the House 133-9 and was sent to the Senate.

The measure would give the attorney general additional

County Records Nine Accidents

The Texas Highway Patrol investigated nine accidents on rural highways in Deaf Smith County during the month of March, according to Sgt. W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one injury and no fatalities. The rural traffic accident summary for this county during the first three months of 1973 shows a total of 26 accidents resulting in no persons killed and 10 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region No. 5 for March, 1973 shows a total of 468 accidents, resulting in 19 persons killed and 263 persons

injured as compared to March, 1972 with 420 accidents, resulting in 23 persons killed and 218 persons injured. This was 48 more accidents, 4 less fatalities and 45 more injured in 1973, at the same period of time.

The veteran officer reminds that springtime is approaching, the weather will clear up, but the highways will become more congested.

The 19 traffic deaths for the month of March, 1973 occurred in the following counties: Four in Gray and Moore, two in Hale, Terry, Hall and Potter, and one in Wise, Hutchinson, and Randall.

Get a firm grip on your resolutions and stick like a leech.

Map Shows Texas Soil Associations

A multi-colored general soil map of Texas has now been published and is available for sale to the public, a local conservation official said this week.

J.C. Brown, district conservationist for the U.S. Soil Conservation Service, said the beautiful 36-by-45-inch map can be seen in his office. It shows soil information compiled from years of detailed soil survey work by the Soil Conservation Service in cooperation with the Texas Agricultural Experiment Station.

Brown said the map lists basic soil information which should be useful to teachers, planners, conservationists, contractors, engineers,

developers, realtors, farmers, ranchers, researchers, and others.

The map gives color delineations of the 73 major soil associations (containing 161 separate soil series) in the state and their extent. It also lists special limitations of the soils that affect their use.

Inset maps show rainfall, temperature, and length of growing season across the state. Current and potential urban and rural uses by soil associations are also listed.

Published cooperatively by the Texas Agricultural Experiment Station and the Soil Conservation Service, the map is available in two sheets or printed front and back. Printed

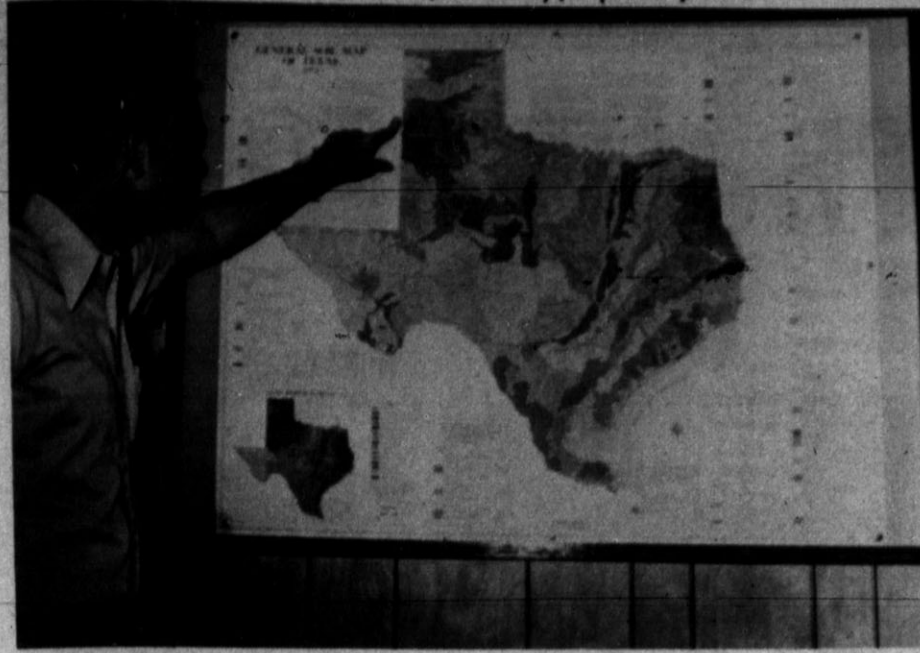

front and back, the map costs \$3.00. Printed on two separate sheets, the map costs \$4.00.

For mounting on a wall, Brown recommended the two-sheet style. For folding and filing, he said the map printed on both sides might be the best.

The map may be purchased from the Department of Agricultural Communications, Texas A&M University, College Station, Texas 77843.

Order blanks can be obtained from the SCS office at 315 W. 3rd St. or from the County Extension Agent's office at the courthouse.

Stick to your good resolutions and you give those resolutions no chance to stick you.

GENERAL SOIL MAP—J.C. Brown, district conservationist for the U.S. Soil Conservation Service points out the Texas Panhandle area on a new general soil map now available through the local SCS office. The map lists basic soil information, including major soil associations, rainfall, temperature, length of growing seasons and current and potential land uses across the state.

Bats "see" with their wings, even with their eyes closed.

FAREWELL PARTY—Mr. and Mrs. Gene Parsley were honored with a farewell party at Holly Sugar where Mr. Parsley, who has been transferred to Colorado Springs, was employed as plant controller. His position in Colorado Springs will be acting credit manager.

VFW To Host Loyalty Day

Breakfast
 Hereford VFW Post 4818 will sponsor a free breakfast on Loyalty Day, May 1, and the public is invited to attend, according to Cmdr. Don Aycock.

Aycock said the post is extending a special invitation to law enforcement personnel and volunteer firemen.

The breakfast will be held at 7 a.m. on May 1 in the VFW Post.

Easter

It is now three days after that terrible Dark Friday when God said unto them, "Thus it is written, and thus it behooved Christ to suffer, and to rise from the dead the third day; and that repentance and remission of sins should be preached among all nations." The weighty stones are being rolled away from the grave doors and the Spirit is becoming triumphant over death. The Old Rugged Cross and Christ's tomb are both being snatched, forever, from their association with death. Now, — just then, Heavenly love turned the gloomiest Dark Friday in the annals of human history into a very Good Friday. All that Christmas ever meant to the world is now wholly sanctified in Easter. Christ's promise that, He would build the Temple again in three days, has been fulfilled. Easter is the springtime of the soul and Crucifixion has more radiant beauty and deep meaning when we see it through the fragrant glory of the snow white lily. Easter symbolizes the Crucifixion, Burial and Resurrection of our True Leader. The event is packed with all the drama of human emotion we can withstand.

Hallelujah, it is Easter. A-men.

**You In The Church
The Church In You**
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

At The Library

Norman Vincent Peale Central Figure

The Deaf Smith County Library is featuring two new books this week, Green Darkness and One Man's Way. One Man's Way is an intensely human story of the failures and strifes of a young minister, Norman Vincent Peale. His hopes and fears are revealed in this complete story of his life.

Green Darkness is a suspenseful novel of the good and evil forces that stretch from the sixteenth century England to the England of today. The reader feels the passions and

urgencies of another age in this compelling novel. The library is open to the public weekdays from 9 a.m. to 5 p.m. and Saturdays from 9 a.m. to noon.

ONE MAN'S WAY
By Arthur Gordon
The provocative, challenging story of America's best-known and best-loved minister Norman Vincent Peale. Few people know the real life story behind this amazing man—his heartbreaks and self-doubts. Here is the complete

incredible story of a man who lost faith in himself, abandoned all hope—and lived to forge a new and greater strength out of his long ordeal.

Here, too, is the intensely human story of a boy from a small Ohio town, his adventures as a cub reporter, and struggles as a young minister following in his father's footsteps. Called to New York's Marble Collegiate Church in the depths of the Depression, Norman Vincent Peale began by preaching to empty pews. Within a few years, his parish members numbered in the thousands, and before long worshippers had to be turned away at the door.

Meanwhile Dr. Peale turned to writing, and today people all over the world make the message of his books a part of their daily lives. The Power of Positive Thinking has been translated into 33 languages and has sold over 3 million copies.

GREEN DARKNESS

By Anya Seton
Green Darkness, Anya Seton's new novel, is the story of a great love, in which mysticism, suspense, and mystery form a web of good and evil forces that stretches from sixteenth-century England to the England of today.

It is also a brilliant and accurate reconstruction of the Tudor period as it affects the loves and tragedies of the characters.

For the past several hundred years the chronicle of the Marsdon family has been kept up to date by the head of the house. The vital statistics of births, marriages, and deaths have been duly filled in.

An entry date 1585 lists the death of a younger son, Stephen Marsdon, a Benedictine monk, and speculates on the possible connection between his death and the simultaneous disappearance of a young woman.

This question remained unsolved until the year 1968, when Richard Marsdon married and brought his young wife home to Medfield Place. Richard and Celia were very much in love

and very happy at first, though there was always the threat of danger somewhere in the background.

But now Richard has withdrawn into himself and Celia is bewildered and haunted by a vague dread.

Fortunately for Celia, one person senses the danger and is wise enough to understand that the past can reach across centuries to influence the present. When Celia breaks down completely and her reason and life are at stake, Dr. Akananda knows that only by forcing her to relive the past can he enable her to escape it.

Lying between life and death, Celia goes back four hundred years to become once more that other Celia, beautiful and ill-starred. Through her, we see the England of the Tudors, torn by religious strife, as the young Protestant King Edward is succeeded by his Catholic sister Mary—each as narrow and intolerant as the other.

We see the pageantry, the conflict, the lustiness, the cruelty inflicted in the name of a merciful God.

The troubled lives of Celia de Bohun and Stephen Marsdon were closely bound up in the great events of their times. They could not escape the terrible consequences of their love in that life, but now fate offers them another chance for redemption.

In Green Darkness, Anya Seton does for sixteenth-century England what her Katherine for the fourteenth century. No one writing today has a greater capacity to make the reader feel the joys and stresses of another age.

Ex-Hereford Man Plans Kerrville Retirement Home

Jack Reynolds, former administrator of Kings Manor Methodist retirement home, who recently moved to Kerrville, is planning a new \$1.5 million retirement village and convalescent center for Kerr County.

Co-developers on the project will be Mr. and Mrs. Robert L. Bowers of Austin. Bowers moved to Austin from the South Plains area after representing the Terry-Hockley Counties area in the state legislature.

Reynolds will be the administrator of the proposed facilities. His wife is director of nurses at Sid Pegerson Memorial Hospital in Kerrville.

The proposed retirement home and convalescent center will be called the Alpine Terrace Retirement Village and Convalescent Center, and will be located on a 13-acre tract near Interstate Highway 10. General contractor for the project will be the Herman Bennett Company of Brownwood.

4-H'ers Receive Food Show Awards

The 4-H Foods II project, taught by Carmela Burges, was recently completed with a picnic. Throughout the project the studies were about milk, meats, fruits-vegetables and breads-cereals.

Those attending the meetings were Alice Aguilar, Stella Aguilar, Lisa Blakely, Barbara Jacks, Becky McGilvary, Lucy Pinon and Monica Warren.

Miss McGilvary and Miss Warren received black ribbons for participation in the Club Food Show and Miss Warren received a red ribbon in the County Food Show.

Committee Plans Survey

The Program Building Committee of Deaf Smith County met Monday night and approved a survey in cooperation with the Texas Extension Service.

Howard Ladewig, with the Community Resources Development committee, proposed the community survey which is designed to learn what county residents view as the biggest problems and the greatest potentials in their county.

The Program Building Committee is composed of representatives from all parts of the county, with Homer Garrison as chairman. Dick Montgomery is vice chairman, and James Gentry is secretary. About 30 committee members attended the Monday night meeting, held in the Medallion Room at Deaf Smith Electric Co-Op.

Four good reasons to grow all DEKALB

 Higher yields	 Heavier weight
 Better combining	 Better standability

Shoot for higher yields of heavy grain. Make more profits from your sorghum acreage. Plant ALL DEKALB Brand Hybrid Sorghum. See me today for your sorghum seed needs.

DEKALB is a Registered Brand Name.

from **PITTSBURGH PAINTS**

*EXOTIC COLORS *DRAMATIC
*VIBRANT *EXPRESSIONIST
*MOOD OR VOGUE . . . WE HAVE 'EM

No matter how fastidious your taste, you'll find that "just right" hue in our PPG Custom Color Collection. Hundreds upon hundreds of decorator-styled colors for your home and the things in it. Greens, pinks, yellows . . . we have 'em all and we'll help you plan your color scheme, too. We'll lend you a unique, new Pittsburgh Paints Color Planner so you can color plan with confidence. Come in today and ask about it.

WALLHIDE® FOR THE HUSBAND WHO SAID, "I DO," BUT DIDN'T.

Your wife wants you to paint a room. You say, "Next year." She says, "This is next year." You say, "Help."

Here it is. Wallhide Latex Flat Wall Paint by Pittsburgh® Paints.

Wallhide Latex helps by eliminating things . . . like stirring, scrubbing, priming, waiting.

WALLHIDE . . . the husband helper.

PITTSBURGH® PAINTS DO MORE SO YOU NEED TO DO LESS.

We're proud our seeds have earned the trust of farmers like these . . .

PIONEER SEEDS

Frank Christ recorded an outstanding yield of 9120 pounds on 97 acres of Pioneer brand 828. With good moisture and fertility, 828 can be champion yielder like it was for Kenneth Christie, Summerfield, Texas.

Lon Woodburn harvested 201 bu. of corn from Pioneer brand 3369A. A consistently high yielder for grain or silage, 3369A can do well for you like it did for Lon Woodburn, Star Route, Hereford, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the North Plains we recommend these sorghum, corn and forage varieties . . .

Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.

Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.

Pioneer brand 846—excellent drought resistance—MDM resistant—medium maturity—our most popular sorghum variety.

Pioneer brand 3369A—champion-class corn favorite—tolerant to northern and southern blight—good ear retention—heavy grain yielder.

Pioneer brand 3306—most popular corn hybrid on the High Plains—tall with outstanding stalks and ear retention—good yielder on dry or wet land.

Pioneer brand 988—sorghum sudangrass hybrid for pasture, green chop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all . . .
