Wager Repeal Compromise Is Rejected

Local Option Idea Gets Cool Reception From Governor Allred

WORKS ON MESSAGE TO LEGISLATORS

Says Certificate System Wagering Should Be Repealed Outright

AUSTIN, May 26 (AP)—Reports that local option on the issue of horse race betting might be offered in the special session of the legislature convening tomorrow met a cool reception today from Governor James V. Allred.

The governor indicated strongly he would not compromise in his demands that the law legalizing the certificate system of wagering be repealed outright and such action be placed again under the ban of gaming statutes.

A proposal to permit horse race betting where authorized by local elections was offered as an amendment to an outright repeal bill and rejected in the general session of the legislature just concluded. Later the repeal measure died.

"The evils of race track gambling can't be wiped out by local option," the governor said.

The governor was working on his message to be delivered at the outset of the extraordinary meeting and planned to "lay out the whole record." He had not made up his mind whether to deliver it personally.

FOREIGN CONSUL IS SHOT AS SPY

BILBAO, Spain, May 26 (AP)—A foreign consul, it was learned today, has been shot as an insurgent spy by the Basque government.

Neither the consul nor his country was identified but it was learned he was caught carrying military maps out of beleaguered Bilbao.

Basque secret police, who had trailed the man for weeks, arrested him as he was about to board a British destroyer en route to France.

At the pier, authorities demanded to see the contents of his brief case. He pleaded diplomatic immunity. The Basques contended that under international law consular representatives were not entitled to that protection.

The foreign representative insisted a search of his person would be an insult to his country and resisted until the Basque special police tore the brief case from his hands.

In it they found the military maps, marked with their gun positions. A two week's trial resulted in a death sentence. The consul was shot at dawn without a protest from his country.

Witness Testifies Cansler Threatened

LUFKIN, May 26 (AP)—A witness testified in the murder trial of M. H. Cansler today that Cansler's life had been threatened two weeks before Albert Warren was slain near Zavalla last July 4.

C. C. King, then justice of the peace at Zavalla, said under cross-examination he heard Warren curse Cansler and declare he would "stop Cansler's head off if Cansler didn't keep his nose out of his business."

King said Cansler walked away without replying.

King was placed on the stand by the state to introduce evidence concerning the controversy over the Zavalla cemetery, where C. E. Cansler, Sr., father of the defendant, was buried.

The elder Cansler was slain in a robbery for which Glenn Warren, son of Albert, was electrocuted.

The state introduced four witnesses who said they saw Cansler shoot Warren—M. H. Simpson, neighbor of the principals in the case; John Crawford, Earl Wood, Zavalla restaurant operator who roomed at Warren's house, and W. A. Whitten, another lodger.

AGENCY MAKES HUGE LOANS TO FARMERS IN DUST BOWL AREA

WASHINGTON, May 26 (AP)—The resettlement administration's investments to aid farmers in the "dust bowl" totaled more than \$10,000,000 today.

Officials said the agency in nearly two years has loaned \$8,000,000 to 18,200 farmers in the area, made outright grants of \$1,815,194, and spent \$905,888 in acquiring 284,784 acres of land.

These figures do not include expenditure by the soil conservation service, the Works Progress Administration and other agencies.

FD Pushes Court Bill To Insure Labor Program

WASHINGTON, May 26 (AP)—President Roosevelt is insisting on his judicial reorganization bill, it was disclosed today, because labor power and other key administration policies still face court tests.

For that reason, he indicated at a press conference, he does not share the view of some supporters that recent supreme court decisions mean his battle has been won.

Leading democrats, declining to be quoted by name, nevertheless said there was talk of some senate friends of the court bill suggesting to the president one at a time that he withdraw it as no longer necessary. That suggestion grew in part out of the court's validation of the social security program.

Some of the fundamental questions still to be decided are involved in the new wage and hour bill. Others may arise from legislation to be recommended in the president's message on national planning, expected to reach congress this week.

The ban on child labor proposed in the labor standards measure, he said, will involve reversal of a 1915 decision that such legislation violates federal interstate commerce powers.

Wage and hour provisions themselves and further strengthening of collective bargaining rights, he added, also will raise vital legal issues.

HEART ATTACK IS FATAL TO A. G. HALL, PIONEER RESIDENT

Had Been In Retirement For Two Years

Alfred Goodwin Hall, 79, pioneer resident and leading citizen of Big Spring, succumbed suddenly at his home here at 3:15 a. m. Wednesday.

Death was due to heart attack. Mr. Hall had been in retirement for the past two years, having left his boot and saddle shop due to ill health.

With the passing of Mr. Hall, Big Spring mourns the loss of one of its leading citizens. Few men took more interest in affairs of county and city affairs, and few were more in favor of improved schools.

Death also ended a long record of service by Mr. Hall for the First Methodist church.

Mr. Hall retired from business here Jan. 31, 1935, turning over his leather shop to J. A. Myers, who had been with him for 14 years. At

the time he stepped aside in an effort to regain his health, Mr. Hall had worked "90 years" by the eight-hour a day standard. He put in 60 years of labor at his trade, working from 12 to 15 hours a day.

A boot and saddle maker by trade, Mr. Hall early learned the art under Peter Hammermith at Belton, entering the trade in 1874. Moving to Cleburne, he eventually came west as a drummer told him of the opportunities to be had in West Texas. Mr. Hall arrived here April 11, 1898 and located a shop in a frame structure just north of the Ellis building.

Before many years quality of his boot and saddle work had earned him a large following among cowmen over the lower end of the south plains. He had regular customers.

Farm Crop Picture Much Brighter

Weather Conditions In Most Regions Warrant Expectation Good Harvest

By FRANKLIN MULLIN CHICAGO, May 26 (AP)—The American farm crop picture, darkened in 1936 by the great drought, carried brighter, more optimistic tints today.

Although farm experts said the long summer ahead may alter the current outlook, a survey showed most regions this year had experienced weather conditions warranting an expectation of a good harvest.

Only in a few important producing areas in the West were timely and abundant rains within the next few crucial weeks considered necessary to erase farmers' fears of a third serious drought in four years.

Many farm lands where vegetation withered in 1936 and again in 1936 have had heavy rains this spring. Crop conditions were reported the best in

House Leaders Demand Relief Bill Reversal

Oppose Decision To Set Aside Large Sum For Roads And Dams

POSTPONE FINAL TEST OF STRENGTH

Free Hand Would Be Given Administration In Distribution

WASHINGTON, May 26 (AP)—House leaders urged colleagues today to reverse their tentative decision to set aside one-third of the proposed \$1,500,000,000 relief fund for roads, dams and other special purposes.

They asked that the administration be given a free hand in distributing the money, quoting President Roosevelt's comment that every dollar earmarked for other purposes meant fewer jobs for persons on relief.

Participants in yesterday's revolt to allocate \$505,000,000 for special expenditures, however, showed no disposition to yield.

May Use Pressure Representatives Beiler (D-N.Y.), Starnes (D-Ala.) and Catwright (D-Okla.) joined in a letter urging members who voted for the earmarking amendments to "stay put, because pressure may be brought to bear."

Because of the annual memorial service in the house this afternoon, the final test of strength was postponed until tomorrow.

Rep. Woodrum (D-Va.) said that before a vote was taken on the relief bill as a whole, he would demand another vote on each of the earmarking proposals. A majority could overturn yesterday's decisions.

EQUIPMENT MOVED FROM CHALK ROAD

Howard county and WPA today were moving equipment away from the project but completed Chalk road project, a job which has accomplished the objective of a 6.7 mile all-weather road through the heart of the east end of the Howard-Glasscock county oil field.

Topping of the road was completed Monday afternoon, but shaping of shoulders and a small amount of rip-rap work near drainage structures remains to be done.

The road, the third lateral road surfacing project worked jointly by the county and WPA, was given a two course asphalt topping. A six inch compact caliche base had been underlain.

Connecting with highway No. 9 south near the Glasscock county line, the road terminates just south of the Chalk school. Other paved lateral roads in Howard county are on the Gail road, and from highway No. 9 north to Knott, a distance in excess of six miles.

BALDWIN MEETS HIS CABINET LAST TIME

LONDON, May 26 (AP)—Prime Minister Stanley Baldwin met his cabinet for the last time today at No. 10 Downing street where he has presided for nearly nine years through three separate parliaments.

Next week, Neville Chamberlain will be the prime minister of Great Britain and Baldwin will, in his own words, have "passed into the shades," probably to become an earl.

Last night he made history by entertaining the king and queen at dinner at his official residence, No. 10, the first time a premier has been so honored by his sovereigns in almost a quarter century.

Work to the last was the slogan Baldwin carried out today. He scheduled a two-hour cabinet session on agricultural policy and higher salaries for members of parliament before taking a final official farewell of the man with whom he has served through one of the most trying premierships in British history.

Reports are current that after his expected resignation May 28, the 70-year-old premier will be made an earl in recognition of his service during the general strike of 1926 and the Edward VIII crisis of last December.

CALDWELL BAND TO BE HERE ON JUNE 7

D. W. Conley, director of the high school band, said that the Caldwell high school band, under the direction of J. E. King, Jr., would be here for a concert on the evening of June 7.

King is a member of a well known band family. His high school unit is one of the few completely instrumented bands in the state.

Conley urged that people who can furnish the band members with lodging to contact either him or the chamber of commerce.

Insurgents Shoot Down French Passenger Plane

Machine Gun Bullets Spray 'Air Pyrenees'

Plane Is Badly Damaged; Pilot, Spanish Passenger Injured

BILBAO, Spain, May 26 (AP)—Machine gun bullets from an insurgent fleet of warplanes downed a French 'air pyrenees' transport plane near this besieged Basque regional capital today and wounded the French pilot and a Spanish passenger.

The plane was damaged badly both by the bullets and by the force of a "pancake" landing on sandy soil near Sopelana, 13 miles north of here, behind Basque government war lines.

The wounded pilot and the Spanish passenger—one of four—were brought by automobile to Bilbao and placed in a hospital. Both are expected to recover. All the passengers were Spaniards.

Seven warplanes attacked the mouth of the Nervion river, towards the coast from Bilbao, when seven insurgent planes, described by Basques as a German-built fleet, were reported to have raked it with machine gun fire.

The pilot, Jean Gally, is a former French army flier. The windows of the transport's cabin were reported to have been perforated by dozens of bullets.

One of the passengers who was not hurt was a woman, Antonia Larranaga, enroute to Bilbao to join her family at nearby Algorta.

Basque sources reported that the plane left the Biarritz airport at 10:10 a. m.

When it was near the mouth of the Nervion river, which runs from the sea to Bilbao, a squadron of seven insurgent planes attacked. The Basques said they were "German-made."

Gally, shortly after his arrival in Bilbao, underwent an operation for head wounds. He was reported doing well.

Was To Land At Bilbao The plane was en route to this beleaguered Basque capital when it was shot down in the insurgent attack. It belonged to the "Air Pyrenees" French line and was in shuttle service between Bayonne, France and Bilbao.

Basque officials declared the air liner had been attacked by several Heinkel chasers while flying over government territory.

Sopelana is about five miles west of the point where the insurgent ring about Bilbao meets the coast of the Bay of Biscay.

There were five passengers aboard. The air line's home port, Bayonne, France, reported from official Basque sources the plane managed to land on the beach at Sopelana after the insurgent craft turned machine guns on it.

The passenger plane left the airport at Biarritz, on the French coast, today carrying passengers and mail. One report said a passenger was slightly injured.

At Paris, the French foreign office said it had no information concerning the plane.

EIGHT PASSENGERS INJURED IN WRECK

CORPUS CHRISTI, May 26 (AP)—Eight passengers and members of the crews of a northbound Missouri Pacific passenger train and a southbound freight were slightly injured when the trains crashed head-on early this morning at Callallen, 11 miles west of here.

The injured were rushed to a Robstown hospital in ambulances from Corpus Christi, Kingsville and Robstown.

The passenger train was en route to Houston and had stopped at Callallen waiting the freight to clear on a siding. The latter failed to clear and crashed into the passenger engine.

E. L. Fitch, Kingsville, freight engineer, whose left foot was scalded while a seat box pinned it to the cab floor, looked the brakes on his train but its momentum carried it on.

HER DEATH AN EXAGGERATION

Rosita Diaz (left), Spanish film actress, who several months ago was reported shot as a spy in Spain's civil war, is shown as she returned to Hollywood, where she appeared in foreign movie versions in 1934 and 1935. Lupita Tovar, Latin screen actress, met her at the airport.

DISTRICT ATTORNEY ORDERS KNOX RELEASED IN ABILENE

Had Made \$13,000 Bonds In Forgery Cases

DALLAS, May 26 (AP)—A habeas corpus hearing today for Hiram Knox, grandson of Mrs. Mary S. Knox, 91, who was beaten to death last March, was dismissed today.

Judge Grover Adams was advised Knox was released from custody at Abilene by officers who were bringing him here from Big Spring.

Detectives C. P. Buchanan and John Daniel and Denver Seale, special investigator for the district attorney, left here yesterday for Big Spring to question Knox, who was held on forgery charges.

He had made \$13,000 bonds in the forgery cases there but was held "for investigation" on orders from police authorities here.

The habeas corpus action challenged police to bring proof that he had evidence sufficient to warrant holding him or "forever hold their peace."

Seale telephoned District Attorney Andrew Patton from Abilene that he and the officers could not reach here in time for the hearing. Patton instructed that Knox be released but be permitted to ride with them to Dallas.

BURLINGTON ZEPHYR TRAIN KILLS TWO

FORT WORTH, May 26 (AP)—Two persons were killed shortly after 1 p. m. today when the Burlington Iock Island Zephyr crashed into an automobile containing four persons at a street intersection in the east section of the city.

The dead, Mrs. Henry Figula and her baby, age not known. Figula and another child were injured.

Clearly Marked The liner was clearly marked "Air Pyrenees" with high, black letters on the silver fuselage. French registry numbers were conspicuously on the wings.

Insurgent Generalissimo Francisco Franco several times had declared publicly his forces intended to shoot down the Bayonne-Bilbao air ferry on grounds it is an "air blockade runner" despite its French registry, ownership and crew.

Another Death In "Reign Of Terror"

Principal In Osage Hills Feud Is Shot Down In Fight With Policeman

FAIRFAX, Okla., May 26 (AP)—Violent death in a gun battle on the main street here marked the end of one of the principals in the "reign of terror" in the Osage Hills which took half a dozen lives in the early 30's.

Council Of War Called To Map Drive

Labor Chief Predicts Shut-Down Of Fifty Republic Plants

By the Associated Press Striking Committee for Industrial Organization unionists forced closing of seven Ohio plants of Republic Steel Corporation and hoped to shut down more today while their leaders called a council of war to map the drive against other large independents.

Home Downer, president of the All Nations Lodge of the steel workers organizing committee, predicted all Republic plants, numbering about 50 and extending from Alabama to Minnesota, "will be down today."

Committee Chairman Philip Murray summoned his lieutenants to Youngstown, O., to deal with Republic and Youngstown Sheet and Tube Company, fourth largest independent. The two companies refused to sign collective bargaining contracts with the union.

While the United Automobile Workers Union, another C.I.O. affiliate, prepared to distribute or-

Ford Workmen Beat Officials Of UAWA

DETROIT, May 26 (AP)—A group of workmen beat two high officials of the United Automobile Workers of America and chased them away this afternoon as union members began the distribution of literature at the gates of the Ford Motor Company's Rouge plant.

Richard T. Frankenstein, directing the union's campaign to organize Ford workers, was knocked down a dozen times. His coat was torn from his back and his face was cut and bruised.

Walter Reuther, president of the union's West Side local, suffered a bloody nose.

Two other union men also were pummeled. Their names were not obtained.

The four men fled along some street car tracks, the men in working clothes in close pursuit.

Organization campaign leaflets at Detroit Ford Motor Company gates this afternoon, its members at Richmond, Calif., called a strike at the Ford assembly plant there. Richmond members charged discrimination and an attempt to form a company union.

Ten thousand workers were affected by the Republic plants' closing in Ohio last night. Forty five thousand others would become idle if all plants closed.

The strike call followed the Republic's refusal to sign contracts with John J. Lewis' Committee for Industrial Organization to bargain for its members.

Another localized strike—at the Inland Steel company plants at Indiana Harbor and Chicago

CONCERN IS FELT FOR RUSSIAN PILOT

MOSCOW, May 26 (AP)—Concern for the safety of I. P. Masuruk, pilot of one of three transport planes flying food and equipment to the soviet polar air base, was evident in Moscow today when no report was received from him 15 hours after the takeoff.

Two of the planes reported they had landed near the pole, one finding the tiny outfit on an ice floe and the other sitting down about 13 miles beyond the earth's northern axis and an unannounced distance from the base camp.

Reading AND Writing

By John Selby

Some light reading for next week-end.

This list is intended to suggest hammock reading for the vacationist who reads solely for entertainment. There's not a deep thought in a carload of these books, and nobody cares.

Suggestion No. One is "Crimefile No. Two." This is prepared by Helen Reilly, and is not quite so amusing as the first one, the "File on Bolitho Blanc." Miss Reilly (or somebody) calls the current issue "File on Rufus Ray," and included among the "clues" in the file are a real pearl button, some cigar ash, some confetti and a chart out of a recording thermometer. (Marrow \$1.95).

Suggestion No. Two is an extremely diverting mystery by Florence Tyerson and Colin Clements called "The Borgia Blade" (Appleton-Century; \$2). In this opus a crook turn detective, which is something, and there is very bright writing, which to this reader is much more.

No. 3 is a western entitled "Sky-Pilot Cowboy" and written by Walt Coburn (Appleton-Century; \$2). The title is rather misleading, for the story isn't sanctimonious. It is, indeed, a better than average western, and there has been a dearth of good westerns lately.

No. 4 is another western, a smack-smack thriller by Eugene Cunningham about "big Shelley Raines, the yellow-haired, blue-eyed sergeant of Rangers," which is served under the title "The Ranger Way" (Houghton Mifflin; \$2). Next is (of all things!) still another western — when the drought was broken the flood came swiftly. This is a Red Clark story by Gordon Young, which is all his devotees need to know. The title is "Red Clark on the Border" (Doubleday Doran; \$2).

Paul Haggard, who writes almost as much under his own and other names as the late Edgar Wallace, has a ne w mystery called "Dead in the Door-Nail" (Lippincott; \$2) and it's very good. Haggard (this is one of the "other names," by the way) writes corking dialogue, inserts flashes of imagination and wit above the ordinary, and gets his psychology straighter than most.

You might do much worse among the "serious" novels—

Tulip Quilt Design

By RUTH ORR Eastern No. 472

Gardens are full of flowers, now, but they won't be next fall and winter, when you'll use this lovely quilt. So a graceful floral design is just the sort you'll want. This applique pattern of tulips is an excellent one. You can work it up in natural colors if you like, or use up odd scraps of material. Either way, it will be a beautiful addition to any home.

The pattern envelope contains complete cut-out pattern, easy-to-understand directions, with diagrams to aid you; also what material and how much you will need. To obtain this pattern, send for No. 472 and enclose 10 cents in stamps or coin (coin preferred) to cover service and postage. Address Big Spring Herald, Needlework Department, P. O. Sub Debs Plan Barn Dance For Senior Members

Swinging partners will be the mode of the moment Friday evening when seniors shed their dignity and join members and guests of the Sub-Deb club in a barn dance at the country club Friday evening immediately following the graduation exercises.

Plans are to decorate the club house to represent a real country barn and music will be furnished by a string band.

The affair, which is strictly an invitational one, is a parting gesture by the Sub Debs to those members who will not rejoin them in the club next year.

Four Aces Club Has Farewell Shower For Mrs. Pete Sellers

Mrs. Pete Sellers was honored for a farewell handkerchief shower Tuesday evening at the Settles hotel when members of the Four Aces club were entertained by Mrs. Ward Hall. Mrs. Sellers will leave at the end of the week for Austin where she will join her husband to make their home.

Mrs. Matt Harrington, who celebrated her birthday anniversary, was presented with a gift from the hostess and Miss Enid Arviert and Mrs. Loy Acuff received bridge prizes.

Others present were Mrs. Hugh Dubberly, a guest, Mrs. Charles Frost, Mrs. Ben LeFever and Misses Clara Secrest, Mary Fawn Culler, Irene Knaus and Agnes Currie.

GOLDEN GATE FIESTA IS THREATENED BY MARITIME BOYCOTT

SAN FRANCISCO, May 26 (AP)—San Francisco's Golden Gate bridge fiesta, already harassed by a major hotel strike, was threatened today by a maritime labor boycott today in protest over use in decorations of Nazi German flags, one of which was ripped down by unidentified men.

Whether the flag incident, occurring on a downtown corner, could lead to a diplomatic protest could not immediately be determined. German government representatives here and in Washington were not available for comment.

The bay district council of the powerful maritime federation of the Pacific, shipping union group, through its district secretary said a vote would be called on whether the organization would withdraw from celebrations dedicating the \$35,000,000 bridge. The vote was announced after a stormy meeting yesterday in the office of Mayor Angelo Rossi, who refused a committee's demands that all Nazi swastika flags be removed from gaily decorated streets.

Man Who Hadn't Seen Wife For Three Years Asks To Be Introduced

NEW YORK, May 26 (AP)—Adolph Renke, 28, asked to be introduced to his wife when they appeared in federal court to plead guilty to a charge of conspiracy to defraud the government by a spurious marriage.

"Is that lady my wife," he asked an attendant. He explained he had not seen her since the wedding three years ago.

Renke, a Lithuanian, obtained a preferential visa as the husband of an American citizen soon after marrying.

RUMOR BOB CALVERT EYEING POSITION ATTORNEY GENERAL

UVALDE, May 26 (AP)—Possibility that Speaker Bob Calvert of the house of representatives is eyeing ambitiously the position held by William McGraw, attorney general, had developed here today.

Rep. Joe Monkhouse of Uvalde introduced Calvert to the convention of the Border Livestock Raisers Protective association as "the next attorney general of Texas."

Calvert did not touch upon the subject except to say he did not expect to be in the house next year.

FRENCH AVIATORS ARE FORCED DOWN

TOKYO, May 26 (AP)—The Japanese (Domei) News agency reported today that the French aviators Marcel Doret and Francois Micheletti made a forced landing along the Tohara coast in Kochi prefecture at 7:30 p. m. tonight, (6:30 a. m. EST).

Both were injured slightly and taken to a hospital at Kochi, Sjkoku island seaport. They were attempting a Paris-Tokyo flight.

More than half a million dollars changed hands in horse trading at Texas race tracks this year, according to Mrs. E. H. Thwait, secretary of the state racing commission.

Turner-Minton Marriage In San Angelo Announced

STANTON, May 26 — Friends here have received word of the marriage of Miss Arletia Minton, daughter of Mr. and Mrs. Geo. B. Minton of Tarrant, and Virgil (Duster) Turner of Lomax.

The ceremony was read Friday evening in San Angelo with a Baptist minister officiating.

The couple visited Del Rio on a honeymoon trip.

Mr. and Mrs. Turner will make their home on their farm at Lomax.

For the past two years, Mrs. Turner has taught in the Lomax school.

WAKE UP YOUR LIVER BILE—

Without Colic—And You'll Jump Out of Bed in the Morning! Get it in Go

The liver secretes bile to help you digest your food. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. You build up your stomach. You get constipated. Your whole system is poisoned and you feel sour, frank and the world looks sour.

Laxatives are only makeshifts. A more natural movement down is got at the source. It takes three good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up." Remember, another good reason for taking Little Liver Pills. Ask for Carter's Little Liver Pills by name. Absolutely no other laxative does this.

AMERICA'S OUTSTANDING money's worth, the Packard 120—a big, business straight-eight. It brings you Packard's "double-life"... both lasting identity and long mechanical life.

MOST PEOPLE who have made a study of motor cars will tell you that today's biggest dollar value is the Packard 120.

Today you can get this big, roomy straight-eight Packard—a real Packard inside and out, with Packard's characteristic long mechanical life and Packard's enduring identity—at an astonishingly low price.

But—this season may be your last chance to buy so much fine car for so little money!

For, with the cost of labor and materials already at much higher levels, increased prices for cars seem inevitable. It is only because Packard has been un-

usually well equipped to build cars economically that we've been able to give you such a sensational value for so long.

So—our earnest advice is, come in and drive the Packard 120 now. You'll find it offers genuine and thrilling Packard performance and quality. You'll see figures which will open your eyes to the ease with which the car can be bought—and you'll see proof that the Packard 120 is without doubt the most economical car of its size in America to operate!

But please don't put it off too long if you want to save yourself money!

Rep. Seeks Funds For Cotton Research Plant

WASHINGTON, May 26 (AP)—Rep. Richard M. Kleberg of Corpus Christi, Texas, said today funds for a cotton use research station in Texas would be sought in the next deficiency appropriation bill if the Texas legislature passes a bill establishing the station.

"We haven't heard yet of the fate of the Texas bill," said Kleberg. "Working on the assumption that it has, or will be enacted, we have drafted a measure to provide \$250,000 for federal participation in the project."

AUSTIN, May 26 (AP)—The Texas legislature recently passed a bill establishing a cotton research labo-

ratory to be located in East Texas to find new outlets for possible increased production, since exports have dropped eight per cent in the face of greater foreign consumption.

The state will build and maintain the laboratory which will be operated by federal government experts in collaboration with Texas agronomists.

Inebriated Bandit Escapes

ST. LOUIS (UP)—An intoxicated bandit who said "This is a stickup," robbed a grocery store here of \$50. When the clerk was slow in leading to the cash register, the robber shouted, "Hurry up. Got a taxi waitin'!" He escaped.

VATICAN REPORTED READY TO SPURN FORMAL PROTEST

VATICAN CITY, May 26 (UP)—The Vatican was reported ready today to spurn a formal protest by the German government against anti-Nazi utterances of George Cardinal Mundelein of Chicago.

Holy See officials indicated no reply would be made because of the authoritative position the American prelate holds as head of his own diocese.

The controversy broke over the cardinal's characterization of Chancellor Adolf Hitler as "an Austrian paperhanger, and a poor one at that."

The protest entered by Diego

Von Bergen, German ambassador to the Vatican, included an objection to the American cardinal's description of the German trials of priests and lay brothers on immorality charges as propaganda worse than the atrocity tales of the World war.

Reliable sources believed the papal secretary of state, Cardinal Pacelli, would explain to Von Bergen, politely but firmly, that the church could not interfere in the personal political pronouncements or opinions of American citizens.

ST. LOUIS (UP)—The United States faces a shortage in zinc ore within the next few years unless new fields are discovered, according to W. R. Ingalls, director of the American Bureau of Metal statistics.

COURT AFFIRMS THE DEATH SENTENCE OF GEORGE PATTON

AUSTIN, May 26 (AP)—The court of criminal appeals today affirmed the death sentence given George Patton, 55-year-old Henderson county farmer, for the murder of Mrs. Carrie McGeehe on the Patton farm near Athens in 1932.

The court ruled there was no doubt of sufficiency of testimony to support the verdict. The case had been submitted on circumstantial evidence. Patton had charged also in the slayings of Mrs. McGeehe's husband and two children who disappeared from the Patton farm several years ago. Skeletons identified as those of the McGeehe family were dug from the entrance of Patton's cow-lot.

The court reversed and remanded the death sentence assessed Artie Cook, convicted in Henderson county of the murder of W. T. German, aged farmer, Sept. 25, 1934, because the trial court erred in not granting a change of venue to that of Huey Fulton, previously reversed and remanded. Elmer Pruitt, also convicted in the same murder, was electrocuted April 30.

Charles Wair of Gregg county, given death for conviction of criminal assault in Harrison county was assured a new trial when the court ruled evidence was insufficient to support the conviction. Judge O. S. Latimore dissented. Affirmed were cases of Pedro Haro of Travis county, given life on conviction of burglary which invoked the habitual criminal charge; Albert Tebo of Jefferson county, 30 years for killing Eddie Francis, a Port Arthur barber, and Frank Ralston of Cooke county, seven years for murder.

THE SPORTS CIRCUIT—Martin Wins Game With Mertzon, 4-2

By HANK HART

Pepper Martin has finally found a place he can play and what fun he had (quoting Floyd). The Cadden manager pitched the Mertzon baseball outfit to a 4-2 victory over some hot-shot Concho river team and allowed only two hits in marking up the victory. Pepper didn't whiff a man but he says he sees no use in using up three pitches when one will do.

All that remains to make the local team perfect is to bring Pat Ramsey to first base, move Spike Henninger back and put him on shortstop and bench Jake Morgan and Pat Stacey.

Leading hitter in the Sandbelt baseball league thus far is Harvey Smith, Continental Oilers, who is clotting at a .620 clip.

Possibility that Richland may be admitted into the baseball league arose when it was announced that Knott and Brown would combine their forces. Spangenberg elected to remain in the loop.

Morris Sands, who was shifted from the Pittsburgh Pirates to the Tulsa Oilers for further seasoning, has really stepped into professional baseball. Sands, you know, was quite a baseballer while with the University of Texas. He could play a good game of football, too, but elected to try harder at the diamond game. There should be no preference. If a fellow has ability at both sports he should quit football entirely and devote his time to baseball.

Sands is really smacking the pellet for the Oilers, hitting around .320. He has seven triples to date. Pittsburgh may be his next stopping place.

There should be plenty of motorcycle thrills for fans who like speed and spills in San Angelo next month. The American Motorcycle association is sponsoring a two-day celebration with a round of entertainment that includes bulldozing of stunts from motorcycles, races, balloon bursting contests and stunts galore. (At least it says as much on a circular given out of the association.) The dates for the events are June 19 and 20.

The Lubbock Hubbers are all ready for the Cosden Oilers according to Collier Parris, Lubbock quill driver. The Hubbers recently defeated Monument, N. M., 4-2 behind good pitching by Lefty Blanchard.

GIANTS THREATENING PRATES AS MUNGO STOPS PITTSBURGHERS

BEANBALL BY HADLEY HITS MIKE

By BILL BONT

(Associated Press Sports Writer) The Pittsburgh Pirates began to cast a few anxious glances back over their shoulders today. The Buccaneers, leading the National League race since the season started, didn't have any such worries as the Detroit Tigers, who were trying to recover from the shock of yesterday's serious injury to Manager Mickey Cochrane, but they had sufficient reason to peek at the Giants.

When Van Lingle Mungo, Brooklyn's bad boy, machine-gunned the Pirates into 2-1 submission yesterday, it was the third straight setback for Pie Traynor's crew. Mungo, celebrating his release from

Del Baker Manager Of Tigers, Mike Bedridden

NEW YORK, May 26 (AP)—Mickey Cochrane, manager of the Detroit Tigers, and the "Iron Mike" of the Philadelphia Athletics teams of 1929, '30 and '31 lay in a hospital with a fractured skull today. Doctors expressed belief the fire and will to win that have colored his baseball career should help him in the toughest fight of all. Yesterday afternoon one of Bump Hadley's pitches him in the right temple in the fifth inning of a game between the Yankees and Tigers at the Yankee stadium.

There were three balls and two strikes on Cochrane when he was hit. Hadley, shaken, said later, "It stung. I don't know why. It just did."

In Cochrane's last previous time at bat in the game, which the Yankees won, 4-3, he had hit a home run.

The Yankees physician, Dr. Robert E. Walsh, said there was no immediate danger of death.

Mrs. Cochrane arrived early today by plane from Detroit.

Walter G. Briggs, Tiger owner, named Coach Del Baker acting manager of the team. Baker was manager last year when Cochrane was out of the game with illness.

suspension, drove home the winning run himself, and held the Bucs to six hits for his fifth victory.

The Giants collected 16 hits to rout the Reds, 9-3, and gain their fourth successive triumph. As a result the New Yorkers, edging past the idle St. Louis Cardinals, were only two games behind Pittsburgh.

Bennett Loses To J. Kopecky

Freeman Cops Initial Fight With Hagen

By HANK HART

It was Joe Kopecky all the way at the Big Spring Athletic club Tuesday night. The bullet-headed Bohemian frolicked with his college boy friend, George Bennett, for some 30 or 40 minutes but once he applied the pressure the Oklahoma man's career as a local main event was nil.

Bennett tried hard enough and proved a good stooge. He had the bleachers excited by chasing Kopecky round and round but the vet was merely taking his workout. He was not running from the Tulsa.

Once he stopped—evidently tired of being followed—and hopped all over George. Bennett gave little resistance as Kopecky tacked his shoulders to the mat.

He returned from the dressing room to again play the cat and the mouse game until he discovered it was getting too late for old men to be around and again ended Bennett's little party. All in all, it was a pretty interesting evening.

Jack Hagen made his debut an inglorious one by insisting that Ace Freeman take a fall for him but Freeman wasn't willing so the ax-welder got rough. The rougher Jackie got the madder the referee got until finally all proceedings were stopped and Ace was awarded his first local victory.

Hagen evidently thought differently and continued to slug it out until Freeman did a 'John Sullivan' and smacked back.

The episode remained unsettled when Hagen lumbered out of the ring and went to the dressing room.

Tarzan Grause made his first start an auspicious one by having the better of the argument with Jack Terry in the special event. The bout went the full limit.

game and a half behind the Mackmen, and the Indians another half game back in fourth place.

The Red Sox handed the Browns their eighth defeat in nine starts. 4-2. Ted Lyons, spacing seven hits, led Chicago's White Sox to a 9-2 triumph.

The Cubs kept pace with the Giants in their pursuit of Pittsburgh by beating the Phillies, 9-3. The Phils got eight of their nine hits and all their runs off Bill Lee in the last four innings. Wet grounds kept the Cards and Bees inactive.

Cochrane's Injury Causes Concern

NEW YORK, May 26 (AP)—Dangers of infection of the stuns caused added concern today as three physicians and surgeons sought to save the life of Gordon (Mickey) Cochrane, Detroit baseball manager who was struck in the right temple by a ball thrown by Irving (Bump) Hadley in yesterday's game against the New York Yankees.

Cochrane's condition was pronounced satisfactory in a bulletin issued this morning at St. Elizabeth's hospital but the danger of infection was noted. The bulletin read:

"Mr. Cochrane has a fracture of the skull and a mild cerebral concussion. At present he is comfortable and there are no indications for an operation. The fracture unfortunately connects with one of the sinuses and a possibility of infection is therefore being considered. His condition is satisfactory.

The bulletin was signed by Drs. Byron Stookey, Alexander Nicoll and Robert Emmet Walsh, who is staff physician for the Yankees.

It was later learned the Tiger manager has three fractures. During the night he suffered a slight hemorrhage and opiates were administered.

Physicians said it would be necessary to keep Cochrane absolutely quiet for at least 10 days, which means no operation will be performed in the meantime.

NELSON TACKLES LEO DIEGEL

Ex-Texan At Height Of Driving Game

PITTSBURGH FIELD CLUB, ASPINWALL, Pa., May 26 (AP)—Defending champion Denny Shute of Boston put on a strong finish to whip Joe Turnesa, Tuckaheo, N. Y., two and one in the first 18-hole match play round of the professional golfers' championship here this morning.

PITTSBURGH, May 26 (AP)—Denny Shute, who won the tournament last year, faced Joe Turnesa, Tuckaheo, N. Y., this morning in the first of two "sudden death" 18-hole match play rounds, in the Professional Golfers' association championship tournament.

Byron Nelson, who has been off the fairways only twice in 108 holes, tackled pendulum-putting Leo Diegel of Philadelphia, twice champion.

Nelson yesterday tackled a 71 on his opening 68 for a 139 total that won the qualifying medal by three shots.

Harry Cooper, the expert Chicagoan, ran into Ben Richter of St. Louis, the best felt hander golf ever saw.

Cooper gave Nelson a chase for the medal but finished three blows short.

Of the 64 hopefuls that shoved off this morning, only 16 will be happy tonight. First round feature matches brought together Lloyd Gullickson, Cleveland, and Open Champion Tony Manero, of Peabody, Mass., Jug McSpaden, Winchester, Mass., and Clarence Clark, Bloomfield, N. J., and Bill Melhorn, Louisville, and Al Watrous, Birmingham, Mich.

The 11 players who hope to make the Ryder Cup team continued yesterday to outshoot the six stars already selected. The two-day average of those seeking four positions still available on the squad was 72 plus as against 75 plus for the Cuppers.

With 72 holes of the U. S. Open next month still to be considered, Wilson had a four stroke lead over his rivals.

BREWERS LOSE FOURTH IN ROW

CHICAGO, May 26 (AP)—Milwaukee's American Association leading Brewers, the 1936 champions, dropped a 7 to 6 decision to Toledo last night for their fourth straight defeat. Eight walks and a hit batsman by Bill Zuber and three more passes by Ralph Winegarner gave Toledo all the ammunition necessary.

John Rizzo collected only one hit against Kansas City but it was a homer enough to win the ball game 6 to 5, for Columbus and his consecutive game hitting streak to 35.

Minneapolis retained its slender edge over Toledo in the battle for second place by outslugging Indianapolis for a 12 to 10 victory.

The Millers staged a wild uprising in the sixth, smashing in 10 runs.

Wall Signer kept seven St. Paul hits well apart as Louisville won its fourth straight victory, 9 to 1.

LAUNCH NEW DESTROYERS TOKYO, May 26 (AP)—Japan launched two new destroyers today to replace out-moded warships in her "treasureless" fleet.

Owens Lose To Octanes In Wild One

Cosdenites Garner Only Eight Hits But Win, 15 To 1

I. D. Cunningham pitched eight-hit ball Tuesday night but issued 23 free passes and Matt Harrington's league leading Cosden Octanes added a half game to their advantage over the rest of the field by trouncing the Owens' Gassers, 15-1.

For two innings the Gassers held the advantage, gained when C. Cunningham went across in the opening stanza, but the Owens' pitcher's weakness caught up with him in the third and he blew the lead.

The Octanes counted twice in that frame, went scoreless in the third, but managed to count at least once in all the five remaining innings.

The Oilers had their biggest inning in the seventh when five runs went across the plate.

Roland Swatzy pitched six-hit ball in gaining the win and did not walk a man.

FEM GOLFERS IN 3RD ROUND

SAN ANTONIO, May 26 (AP)—Gallerites were entitled to expect some fine golf today from the quarter-finalists in the women's state municipal golf tournament at Brackenridge park.

Top-notchers among feminine golfers of the state were matched in today's rounds as follows: Mrs. John Parnell, Dallas, and Mrs. R. C. Lipscomb, San Antonio; Mrs. J. Lee Wilson, San Antonio, winner in 1933 and 1934, and Mrs. Fritz Straus, San Antonio; Mrs. Don Zepernick, Dallas, and Mrs. Nancy Tarver, Dallas; Mrs. E. H. Wohlfahrt, Dallas, and Miss Bud Grant, Terrell.

Mrs. Zepernick overpowered the co-medalist, Mrs. E. Hemphill, San Antonio, in yesterday's round, 1 up in 20 holes. Mrs. Parnell defeated Mrs. E. F. Crull, Dallas, 5 and 4; Mrs. Lipscomb was 3 and 2 better than Mrs. C. V. Robertson, Jr. Terrell; Mrs. Wilson defeated Mrs. C. O. Stevens, Dallas, 5 and 4, and Mrs. Straus went 2 up on Mrs. J. P. Massey, Dallas.

Mrs. Tarver dropped Mrs. J. M. Del Curto, Austin, 3 and 1; Mrs. Wohlfahrt overhauled Mrs. C. A. Ferguson, San Antonio, 6 and 4, and Miss Grant eliminated Mrs. H. F. Scholl of San Antonio 7 and 6.

MOUNT CARMEL, Ill. (UP)—Left-handed desks have been ordered for 13 "southpaw" students at the Mount Carmel high school who have been befuddled by the standard desks.

Calvin Boykin was expected to return late this evening or early Thursday with Mrs. Boykin and daughter, Joan, who have been visiting in Rochelle with their sons and her mother.

Cats Lose To Dallas Steers, 8-1

Mallon's Work At Bat Snaps Sacker Out Of Slump

By the Associated Press Where they play today: Dallas at Fort Worth. Tulsa at Oklahoma City. Beaumont at San Antonio. Houston at Galveston.

Fort Worth apparently did all it could to donate the game to the opposition but Dallas fans today probably were wondering if their Steers were last showing significant signs of snapping out of their second division doldrums.

The Cats, hosts in the last night's tussle, handed the game over via six stolen bases, five errors and eight hits, the score favoring Dallas 8 to 1. But more important to Dallas interests was Les Mallon's exhibition at bat, where in four attempts he belted out a triple and two singles and scored three runs.

Mallon hasn't done that well for himself since last year, when he was the league's top hitter and rated its most valuable player. Dallas fans have been waiting all season for him to rise from his slump and it appeared his work last night might be the start. A possible Steer return to last season's league-leading form was further enhanced by Angelo Guallana's good work in his new catching post.

Elsewhere in the league it was mostly a matter of pitchers. Beaumont's hitters put the burden on Johnson for six innings, during which he held San Antonio scoreless, and then got to work with four hits netting two runs. Bill Miller was effective on the mound for the Missions, allowing six hits but some of them were for extra bases. The score was 2 to 0 for Beaumont.

Tulsa relied on Max Thomas to turn back Oklahoma City 5 to 1. He allowed six hits while Tulsa was getting eight from Touchstone.

Another fine pitching duel went to Dutch Scheeler of Galveston, who shaded Al Fisher of Houston. The score was 3 to 1, although Houston got six hits to Galveston's five.

OILERS FACE BUSY WEEKEND

Cosden's rampaging Oilers don their tops again Saturday for their game with the Lorraine Jayhawkers in a return go and then start westward for a Sunday affair with the powerful Hobbs, N. M. Oilers.

The locals were idle last week but Manager Pepper Martin has managed to keep his Cosdenites in practice.

Pitching chores should fall to Pat Stacey and Charley Morgan, Allen Wiggins, the fast ball right hander, has come up with a sore arm and may be out for some time.

WARREN, O. (UP)—Michael A. Somplack pulled his hunting boots on and shot a hole through one of his toes. The "shooting boot" proved to be an accidental touch of Somplack's elbow on a revolver.

WEHRLE GAINS WITH SWEENEY

SANDWICH, Eng., May 26 (AP)—Wilford Wehrle, youngster from Racine, Wis., gained the third round of the British amateur golf championship today with a narrow 2 and 1 victory over K. V. Stradford of Great Britain.

Two other Americans, P. A. Valentine of Southampton, N. Y., and Robert Sweeney, New York youth who lives in London, also had qualified for the third round.

Valentine won from R. B. Foster, another American who lives in London, 2 and 1, while Sweeney ousted M. W. Budd of Great Britain, 1 up. J. C. Freshwater of Hollywood, Calif., was eliminated by C. P. Johnstone of Great Britain, 4 and 3, in the second round.

Dick Chapman of Greenwich, Conn., disposed of his second opponent, Eric Chambers of Great Britain, by a convincing 5 and 4 margin.

SPORTS ROUNDUP

NEW YORK, May 26 (AP)—A man who ought to know says Madison Square Garden printed only 9,400 tickets for the Braddock-Schmeling championship fight...

(Seating capacity of the Garden's bowl is in the neighborhood of 70,000.)... Down in Arkansas they're about to start an investigation to find out how come Byron (Ripper) Walker, 200-pound fullback sensation of the Blytheville high eleven, passed up the Arkansas Razorbacks for Virginia Military.

The Backfoot Injuns adopted Bob Pastor, New York heavyweight, at Los Angeles the other day and gave him the name of Nat-Na, which means "The Lone Chief"... Tommy Henrich, the new Yankee outfield star, makes his air debut on the Babe Ruth program Friday night... Johnny Oliver reports via the Richmond News-Leader that among applicants for U. of Richmond scholarships are a number of gals... Who don't stand a Chinaman's chance what with such a shortage of tackles and ends... Donald Welsh, left halfback on England's famous Charlton athletic soccer team, is valued at \$40,000... Van Mungo swears he's going to be a good boy from now on... In the hope he'll be traded to a first division club next winter...

This could happen only on the Dodgers, but it happened: After retiring three Pittsburgh Pirates the other day, the Dodgers returned to their positions, ready to get the fourth batter out... Only shouts from the press box prevented the mixup... Eddie Johnson, son of the old Big Train, is busting the apple at a 375 clip for the U. of Maryland baseballers... Eldon (Auker and Pete Fox of the Tigers and Wes Ferrell of the Red Sox are linked in the latest big league trade gossip.

CRAWFORD NO. 2 SINGLES PLAYER

NEW YORK, May 26 (AP) — To counteract the mounting menace of Don Budge and Gene Mack, youthful Californians, the Australians probably will put their tennis attack again in the seasoned hands of Adrian Quist and Jack Crawford Saturday, Sunday and Monday at the West Side Tennis club at Forest Hills against the American Davis Cup team.

WAR BETWEEN SCHOOLS IS OVER

AUSTIN, May 26 (AP) — The word battle between the Universities of Texas and Southern California over whether attempts had been made to proselyte four star Texas freshmen athletes apparently was at an end today.

It all started when the Daily Texan, campus newspaper, accused the Pacific Coast institution of attempting to induce the quartet to transfer to its environs.

The athletes involved were "Beefus" Bryan of Richmond, promising football backfield man and pole vaulter, Glenn Jackson of Corpus Christi, expected to be the first string center this fall, Charlie Hiss, sensational football back and punter from Corpus Christi, and Tommy Reed of Houston, football and baseball player.

Glenn Morris Forsakes Amateurs For Cinemas

HOLLYWOOD, Calif., May 26 (AP) — Decathlon champion Glenn Morris, barred from further amateur athletics because he signed a movie contract to play "Tarzan," is still confused. He looked over a pile of mail today and knitted his brow. The gist of the letters was that Morris should not have been penalized for taking up a career for which he was physically suited, such as the "Tarzan" work, any more than for exploiting his athletic fame as a shoe salesman.

YESTERDAY'S STARS

By the Associated Press Ted Lyons, White Sox — Scattered Senators' seven hits and gave only one base on balls to win first of season, 9-2.

Earl Averill, Indians — Had perfect day with double, two singles and walk as Cleveland nosed out Athletics, 4-2.

Johnny Murphy, Yankees — Stopped Tigers with tying and winning runs on base in ninth to give Yankees hit, Cubs — Held Phillies to one hit in five innings, struck out last man in ninth with tying run on base for 5-3 triumph.

Johnny McCarthy and Jimmy Rippe, Giants — Former's home, double and single, latter's double and two singles led way in 16-hit, 9-3 rout of Reds.

Van Mungo, Dodgers — Teammate's three-base error cost him shutout as he scattered Pirates' six hits and fanned five for 2-1 win.

Fabian Gaffke, Red Sox — Hit triple and single and scored two runs in 4-2 defeat of Browns.

SURFACE LOSES PARIS, May 26 (AP) — Hal Surface, of Kansas City, last surviving American in the men's singles division of the French hard court tennis championships, was eliminated in the fourth round today by the 21-year-old Briton, Charles E. Hare, 6-4, 6-1, 6-2.

SIXTEEN WEDDING GUESTS ANNOUNCED BY DUKE AND WALLY

MONTS, France, May 26 (AP) — Sixteen wedding guests, several of them holding British official positions, were announced today for the June 3 marriage of the Duke of Windsor and Wallis Warfield by Herman L. Rogers, their American spokesman.

The guests include Hugh Lloyd Thomas, first secretary of the British embassy in Paris; Sir Walter T. Monckton, attorney general of the Duchy of Cornwall, and Lady Walford Selby, wife of the British minister at Vienna.

Major E. B. Metcalf, who will attend with Lady Alexandra Metcalf, will be the Duke of Windsor's best man. The major is the duke's equerry.

There have been reports the British government held out to the last against the attendance of Sir Walford Selby, despite the Duke of Windsor's pleadings. Sir Walford was one of Edward's confidants during his self-exile last winter in Austria.

The other guests: Baron and Baroness Eugene De Rothschild; Mrs. D. Buchanan Merryman, Mrs. Warfield's "Aunt Bessie" from Washington; Charles E. Bedaux and Mrs. Bedaux, of New York, owners of the Chateau De Candé.

Mr. and Mrs. W. C. Graham. He is British consul at Nantes. A. G. Allen of London, the duke's attorney. Dudley Baines Forwood, an equerry of the duke. Mr. and Mrs. Herman L. Rogers of New York.

Diplomas Presented Seventeen Graduates Stanton High School

STANTON, May 26 — Presentation of diplomas to seventeen graduates and awarding of certificates of perfect attendance to six girls and medals for scholarship, athletics and activities participation to six students were highlights in the high school graduation exercises held in the school auditorium here Monday evening.

A Pan-American theme was stressed in the program, bringing to close a series of school presentations developing this international note. In keeping with this theme were: "Flags and Countries of the Americas" by a group of six seniors; pions solo, "La Paloma," by Georgene Bullock, "Glimpse Below the Rio Grande" by Rex Hannerly and "Sobre Las Olas," accompanied solo by Mrs. James Jones.

Georgene Bullock presented the salutatory and Ethel Bridges the valedictory. Supt. W. C. Glazener awarded diplomas to the following graduates: Marjorie Atchison, Ethel Bridges, Georgene Bullock, Mylene Connally, Pauline Cox, Norma Lee Hull, Nadine Kelly, Sammie Laws, Neva Smith, Margie Straub, Freddie Hristow, Seta Donelson, Anel Glaser, Rex Hannerly, J. D. Poe, Elmo Reer, and J. M. Yater.

Medals Awarded B. C. Henderson, high school principal, presented medals to Mary Ruth Renfro and to J. M. Yater for highest scholarship records for girls and boys, respectively. To Ernie Benfro and to J. D. Poe for athletics among girls and boys respectively; and to Norma Lee Hull among girls and to Anel Glaser among boys for activities participation.

Certificates of perfect attendance with no absence and on tardiness for the year were presented by Henderson to: Frances Renfro, Mary Ruth Renfro, Doris Ethridge, Joyce Ethridge, Ethel Bridges, and Gracie Mae McKee.

HEARING POSTPONED PHILADELPHIA, May 26 (AP) — The U. S. circuit court of appeals postponed Tuesday until Friday a hearing on whether Heavyweight Champion James J. Braddock can meet Joe Louis in Chicago June 22, or whether he must fight Max Schmeling in New York June 3.

Engineer Sees Rocket Motor Meeting Test

CLEVELAND, May 26 (UP) — Lester D. Woodford, who as a college sophomore planned a trip to the moon, still is tinkering with rockets, but age has cooled his ambition.

He'd be contented now, he said, if he could stand on the Pacific coast and drop a rocket in Asia, or, if need arose, send a stratosphere-speedster zooming from New York to Paris.

Woodford, a 26-year-old industrial engineer, one year out of college, experiments with rockets as a hobby.

Studied at Ohio State Woodford has been experimenting with rockets for eight years (he began during his sophomore year in engineering at Ohio State university).

What he is interested in now is the commercial and military use of rockets. He believes he has worked out a formula which will perfect the rocket motor. Rockets (the kind people may ride in some day, not the pyrotechnic kind seen on the Fourth of July) are propelled by the force produced by the explosion of vaporized fuel.

The rocket motor is a small hollow ball, with a hole in one side, from which an exhaust pipe flares. It's the structure of the exhaust pipe, Woodford says, that largely determines the motor's success.

In his motor, explosion of butane within the ball pushes the rocket forward. The exhaust must be so designed that it flares out from the motor in an exact ratio (and there's the secret) to the expansion of the gases released within the motor.

It's that puzzling exhaust pipe ratio that Woodford thinks he's found. To Test Motor Soon His motor, he said, will be tested soon. "Within from four to six weeks."

The motor will be strapped down inside a small concrete structure. It will be operated by remote control while it is being tested, so that if, perchance the inventor's calculations are wrong, he'll be safe.

Shepherd and W. E. Kelly, trustee of Courtney school, and two trustees of the Three League school. Bus routes for the receiving schools will be planned at the next meeting of the board, Miss Mann said.

N. Kadell, as chairman of the board, presided.

GREENE, WOODWARD SPEAK AT STANTON

STANTON, May 26 — Jimmie Greene, Big Spring chamber of commerce secretary, and Garland Woodward, Big Spring attorney, were present at the regular luncheon meeting of the Stanton Service club here Tuesday.

They spoke in the interest of the projected road from Big Spring to Andrews, seeking cooperation of Stanton business men. A hard-surfaced road running from Stanton to intersect the proposed highway was promised by the Big Spring men as part of the project.

When asked if Big Spring would back the extension of this road south of Stanton to intersect with the proposed Garden City-Midland route, the speakers pledged their personal help in such an undertaking.

Greene reported on the requirements for the location of the West Texas Insane asylum, saying that Big Spring would try to get the location but if a site or water was not available would lend the support of the town to Stanton, if the latter wanted the institution.

Miss May Flower, visiting missionary from California on her way to Illinois, spoke on social conditions and asked the club for a specific welfare contribution which was granted.

About 15 were present at the luncheon which was served in the dining room of the Methodist church.

Stanton And Courtney Are Designated As Receiving Hi Schools

STANTON, May 26 — Stanton and Courtney were designated as receiving high schools of Martin county by the county board of education in a session here Tuesday.

Plans were made for the consolidation-by-contract for one year of the Three League school in Martin county with the accredited four-year high school of Klondike in Dawson county but the project is pending the approval of Judge C. E. Storey, county superintendent.

Various business matters were discussed with the assistance of Miss Sue B. Mann, deputy state superintendent, who met with the board and Judge Storey.

Other visitors included Miss Anne Martin, Howard county school superintendent; Miss Pauline Bulsterbaum, Dawson county superintendent; and Supt. Riggs.

Germany's Quest For Helium Up To Senate Military Committee

WASHINGTON, May 26 (AP) — Germany's quest for a non-inflammable dirigible gas led today to the senate military committee which was considering President Roosevelt's endorsement of legislation to permit greater helium exports.

Dr. Hugo Eckener, Germany's foremost rigid airship authority, appeared for passage of the measure. The senators received before the session recommendations of a cabinet committee appointed to study the helium question.

"With adequate safeguards against the military use of exported helium," said the committee, "it would appear to be the duty of this country as a good neighbor to share any unneeded surplus it may have with other countries for the promotion of commerce and science, alleviation of human suffering, and safeguard the lives of passengers on airships, thus promoting international good will."

The president's advisers expressed the belief relaxed export restrictions would not be likely to open the way to a new supply of helium for European military purposes.

PLANT IS CLOSED SAN ANTONIO, May 26 (AP) — The Shirlee Frocks, Inc., ladies garment manufacturing plant, was "closed indefinitely" today as a result of a strike of workers which was called yesterday by the International Ladies Garment Workers Union.

Mr. JANNY says, "I operate a heavy crane at the Republic Steel Company, and when you have had the operation of a gigantic piece of machinery of this type all day the ease of operation of the Willys just makes you thrill at the smoothness and comfort. My mileage is around 33 miles to a gallon of gas. That to me is wonderful."
Features are just as wonderful. All-steel top and body, sound and heat insulated—2 to 4 inches wider front seat than next three cars—large luggage compartment—safe over-size brakes—safety glass all-around. Ask us how you can save up to \$270 the first year.
