

Lewis Breaks With Head Of Auto Union

UAW May Secede From CIO If Difficulties Continue

DETROIT, Aug. 29 (AP)—The widening breach between Homer Martin and John L. Lewis presaged today the possibility that President Martin and his adherents in the united automobile workers might secede from the Committee for Industrial Organization.

Asks Support

The break between Martin and Lewis, C.I.O. chairman, came into the open over the weekend when Lewis took a significant step. The first was Lewis' dispatching to UAW locals a plea to support his proposals to restore harmony in the divided union; the second was the request of a group of regional UAW officers that the international executive board cease sending monthly per capita taxes of five cents to the C.I.O.

A regional conference of UAW local executives in Wisconsin, Minnesota and northern Illinois met in Milwaukee last night at Martin's call and, presided over by him, adopted a resolution condemning the Lewis letter and proposing discontinuance of dues payment to the C.I.O.

The scene of their meeting place was far from serene. Members of the Alibi-Chalmers local, whose president was displaced by a Martin-appointed administrator, congregated outside and tried to keep Martin's followers from entering.

MINERS AGREEMENT

HARLAN, Ky., Aug. 29 (AP)—An agreement between the United Mine Workers of America and the Harlan County Coal Operators association bore today the approval of union members and the distaste of William Green.

The A. F. of L. president termed the agreement a "brazen and unlawful alliance" and said a complaint would be filed with the National Labor Relations Board, which he charged with a part in a "conspiracy" to violate the Wagner act for its reported sanction of the contract.

At a meeting yesterday 111 delegates from 47 U.M.W. locals in this area ratified the agreement, which was signed by attorneys for the C.I.O. union and the Operators Association at Cincinnati Saturday.

1800 IN AUSTIN FOR LEGION CONCLAVE

AUSTIN, Aug. 29 (AP)—Eighteen hundred members of the American Legion, department of Texas, today plunged into the second day's activities of their three-day 20th annual convention program here.

The legionnaires and members of their auxiliary swarmed about the house and senate chambers where the main sessions were in progress.

Louis A. Johnson of Washington, D. C., assistant secretary of war and past national commander, was the principal speaker. S. Peppy Brown of Beaumont and Adjutant General Carl Nesbitt also spoke on national defense.

The annual report of the department commander, Dr. W. J. Danforth of Fort Worth, high-lighted the morning's session. Dr. Danforth said the Texas Legion included 24,000 members.

FD's Endorsements Face Test Tomorrow In South Carolina And California Primaries

By The Associated Press

Democratic senatorial primaries in South Carolina and California will bring a double test of administration strength tomorrow, for President Roosevelt has indicated his favorites in both contests.

Senator William C. McAdoo of California received President Roosevelt's endorsement last month. Mr. Roosevelt made it clear last night he preferred nomination of Gov. Olla D. Johnston of South Carolina to a sixth term for Senator Ellison D. Smith, who has fought some administration measures.

Mr. Roosevelt issued a statement saying the withdrawal of a third candidate, Edgar A. Brown, clarified the issue. Without mentioning Smith and Johnston by name, he said:

"One of these candidates thinks in terms of the past and governs his actions accordingly. The other thinks in terms of 1938, and 1940 and 1950 as well."

Senator Smith replied he had supported more than 80 per cent of the President's program and would continue to back his policies "except when to do so will be in direct conflict with what I consider the best interests of South Carolina."

In California, Senator McAdoo is opposed by John W. Freston, who says he is "no rubber stamp"; Sheridan Downey, advocate of the Townsend pension program, and James W. Melton, an avowed anti-New Dealer.

Downey's proposal for a \$30-a-week pension to Californians over 50 has been one of the major campaign issues. Mr. Roosevelt expressed his disapproval of the scheme last week, and McAdoo also opposes it.

Besides issuing his South Carolina statement, the President disclosed last night he would speak in Maryland on Labor Day, presumably in support of Red. David J. Lewis, who is trying to unseat Senator Millard Tydings.

Mr. Roosevelt has advocated the defeat of Tydings, Senator Walter George of Georgia, and Rep. John O'Connor of New York. The latter won the support yesterday of the President's distant cousin, Col. Theodore Roosevelt, a Republican.

Britain Ready To Meet Czech Crisis

Cabinet Ministers To Discuss Situation At Tuesday Meeting

LONDON, Aug. 29 (AP)—The British ambassador to Germany, Sir Neville Henderson, handed to Premier Chamberlain today a personal report on Berlin's present attitude and intentions in the increasingly dangerous Czechoslovak minorities dispute.

The ambassador's sudden return to London and a summons to cabinet ministers to meet here Tuesday were foremost in the crescendo of events over the weekend.

These steps were keyed to the fear that "conflict anywhere may be conflict everywhere," as The Times put it, and to the British policy to "contribute to control of events before they take charge of us."

Officials in Berlin privately already have shown dislike for Sir John's speech on Saturday, warning that conflict might be limited at the start but could spread like fire in a high wind.

Berlin disliked equally a foreign office statement, appealing to "all quarters" to avoid anything which might "heighten the tension." German political circles saw this as a spur to Czechoslovakia to resist her Sudeten German minority's demands for autonomy.

Should Sir Neville report that he believes Chancellor Hitler is preparing for a quick war to aid the 3,200,000 Sudeten Germans, in his self-assumed role of protector of Germans everywhere, political commentators here thought the cabinet likely would authorize a new, sharp warning.

The cabinet might make plain in that event, some predicted, that Britain would fight.

But if Sir Neville thinks that war is not in prospect, said the commentators, Premier Chamberlain might send only a personal message to the German Fuehrer asking him to preserve peace.

The British government, meanwhile, pursued its mediation efforts in Czechoslovakia itself through Viscount Runciman, who talked for two hours on Sunday with the Sudeten leader, Konrad Henlein.

Germany will have 1,000,000 men under arms next week in gigantic autumn maneuvers for which current war games have been a prelude. For the first time since the World war, reserve units will join in the maneuvers.

Most of Britain's home army was ordered into war games in a half-dozen sectors, to test new techniques with mechanized equipment.

The British fleet, on September 6, is scheduled to turn to maneuvers in the North Sea, where the fleet took decisive action in the World war.

France on Tuesday sends 20,000 troops to Besancon, near the German and Swiss borders, for four days of war games.

Group Parleys Slated To Promote 'Crusade'

Each Classification To Organize For Campaign

Continued Oil Curb Is Seen

Smith, Supporter Of Sadler, Thinks Policy Will Be The Same

More than a score businessmen, representing a cross section of the city's commercial life, took major steps toward organizing for the Sales Crusade in a meeting Monday noon.

Declaring that the benefits of the crusade would be to "get salesmen on their toes," Ben Cole, chairman of the steering committee, listed a schedule of tentative organization dates for the various classifications.

J. H. Greene, invited to explain the crusade idea, said that he felt that its chief benefits would be to "build up the town and in organizing and cooperating."

The plan, he said, is simply an intensive effort to push sales. L. A. Eubanks said that Fort Worth businessmen had found that a similar drive had "awakened the salesmen."

The schedule of organization meetings, subject to change, follows: Wednesday—9 a. m., dry goods, men and women wear; 10 a. m., real estate, insurance and loans; 11 a. m., general building materials; 2 p. m., bottled beverages; 3 p. m., food stores, retail and wholesale; 4 p. m., gas and oil sales, wholesale; 5 p. m., gas and oil sales.

Man Wavers In Testimony

Says He Saw Hines With Mob Leader, Then 'Isn't Sure'

NEW YORK, Aug. 29 (AP)—A state witness who swore he saw James J. Hines sitting at a coffee room table in Bridgeport, Conn., with the notorious racketeer, Dutch Schultz, and a group of Dutch Schultz mobsters admitted today under prolonged cross-examination that he "wasn't sure" about his identification of the Tammany district leader.

The witness, Charles W. Hughes, of Gardner, Mass., former assistant manager of the hotel Barnum in Bridgeport, also said he had been "reluctant" to come to New York to testify against Hines.

The verbatim testimony, with Chief Defense Counsel Lloyd Paul Stryker cross-examining, went as follows:

Q. Your reluctance to come to New York was due to the fact that on the first occasion that you talked with Mr. Danforth (an investigator for District Attorney Thomas E. Dewey), you were not sure, isn't that so?

A. That is quite true, yes.

Q. Then did not Mr. Danforth tell you that Hines must have been in Bridgeport and then show you his picture?

A. No, sir, he did not.

Hughes had testified that out of a dozen-odd pictures shown him by Danforth, he had identified Dutch Schultz and several of "the Dutchman's" henchmen, including "Lulu" Rosenkrans, George Weinberg and J. Richard (Dixie) Davis, the mob's lawyer.

Q. Well, when you said you were not sure, that was in response to his various questions regarding Mr. Hines, wasn't it?

A. I wouldn't say that. No.

Q. Well, what were you not sure about?

A. He gave me a group of pictures to identify the man that I had seen at the hotel, and among these pictures I picked out Mr. Hines' picture and I told him at that time that "I think I have seen that man at the hotel before."

Prosecutor Thomas E. Dewey called one witness after another as the trial entered its third week, attempting to link Hines with the Schultz racket.

REFUSES TO TALK ABOUT 'CRUCIFIXION'

RENO, Nev., Aug. 29 (AP)—Ed Collins, 37, former California convict and victim in Reno's strange "crucifixion" torture case, was held in technical custody in a hospital today as authorities pressed their investigation of his story.

"He could clear the whole thing up if he would talk," said Chief of Police Lou Gammell.

Collins, stripped naked, was found nailed to a crudely-made cross in a field near the state asylum road Friday night. He was rescued by a negro and later he told police that two former crime associates had tortured him after he refused to join them in a robbery scheme.

WELLS BLAZE CHECKED

JACKSON, Miss., Aug. 29 (AP)—The last steps in taming a flaming and then wild gas well in Rankin county had been completed today.

The well caught fire two weeks ago and burned several million cubic feet of gas before the flames were extinguished by Texas firefighters last week.

The well was capped last night and workmen said they expected to install new check valves today.

Men Sighted In Area Hit By Hurricane

Plane To Attempt Rescue; Flood Threat In Wake Of Storm

BROWNSVILLE, Aug. 29 (AP)—A Pan American Airlines pilot radioed here today he had sighted two automobiles and several men on Fourth Pass off the Mexican coast, near where 10 Texans were marooned yesterday by a hurricane.

Search From Air

The men were running across the island waving sheets at his plane, the pilot said. The plane continued on to Tampico without making an attempt to land. The pilot did not mention the number of men sighted on the island in his radio message.

Les Mauldin, aviator, planned to take off after lunch for the sand dune area in search of the missing men.

Mauldin said he would fly over the sand dunes off the northeastern Mexican coast. He will radio any information he picks up concerning the party.

A Pan-American Airlines ship which took off from Tampico on a regular commercial flight also will pass over the territory where the storm swept inland yesterday.

Meanwhile, the Lower Rio Grande valley was threatened by rising waters in the Rio Grande. Heavy rains which followed the hurricane sent the San Juan and Catarina rivers in Mexico, tributaries of the Rio Grande, on rampage, and caused the international stream to rise 14 feet at Rio Grande City, 100 miles west of here.

The weather bureau here predicted the Rio Grande would reach near flood stage at Mercedes and flood stage or higher at Brownsville during the next 12 to 24 hours.

High tides pushed up by the hurricane winds rolled over portions of the sand dunes off the Texas coast. The islands six miles off the Mexican coast apparently were hard hit.

The Texas coast escaped damage from the winds. Gales roared inland during the day and the Rio Grande valley was drenched with rains that varied from six and a half inches at Weslaco to four inches here. The promising citrus crop of the valley was not harmed.

Pauline Sullivan And Mother Injured As Auto Overtakes

Miss Pauline Sullivan, office manager at the Crawford hotel, and her mother, Mrs. Tom Sullivan, 510 Nolan, were to be moved home today, it was reported, from Tulsa, where they have been in a hospital for treatment of injuries received in an automobile mishap Friday afternoon.

Miss Sullivan suffered a fractured pelvis and hip. She was in a cast, and her condition was such that she may be moved. Her mother was less seriously hurt, and Frank Pope of Big Spring suffered cuts on the head when the car in which they were riding overturned near Tulsa. The three were en route home from a vacation trip into New Mexico. Faulty steering gear was blamed for the mishap.

DALLAS GRAND JURY TO DECIDE FATE OF DESPERADO PAIR

DALLAS, Aug. 29 (AP)—District Attorney Andrew Patton said today no final decision would be made on whether to send Floyd Hamilton and Ted Walters, South-west gunmen, to Arkansas to face federal bank robbery charges until after the Dallas grand jury acts on local cases against them. . . .

Earlier he had announced they would be sent to the neighboring state to stand trial on a federal charge of robbing a bank at Bradley.

European Trouble Brings Decline In Share Prices

NEW YORK, Aug. 29 (AP)—The European uncertainty resulting from the German-Czechoslovak crisis today precipitated a sharp break in prices on the New York Stock Exchange.

Leading issues were down 1/8 to 1/2 or more a share.

Hardest hit were United States Steel, Bethlehem Steel, General Motors, Chrysler, du Pont, Ansoconda Copper, Kennecott Copper, Johns-Manville, Eastman Kodak, Westinghouse, Douglas Aircraft, Phelps Dodge Copper and Owens-Illinois.

Youth Given Call Of Voters To Fill State Positions

Mann And Sadler Whip Veterans In Saturday Primary; Young Men Are Chosen for Congressional Posts

AUSTIN, Aug. 29 (AP)—The "never-a-dull-moment" Texas electorate that staggered Humbly W. Lee O'Daniel into the governor's office on his baptism in politics, stood off today and viewed its handiwork in a runoff primary which:

- 1—Sent a 25-year-old political infant to the United States congress
- 2—Gently spanked O'Daniel by crushing two candidates in a slab he worked ardently to elect as his "lieutenants"
- 3—Ousted New Deal favorite W. D. McFarlane from his congressional post and substituted 35-year-old Ed Gossett, who had careered from oil field roughneck, kitchenware salesman, magazine peddler, cotton picker and college politician to district attorney.

Some 800,000 voters, an almost record-quelling runoff number gave youth a big inning in a mild revolt against a gubernatorial herd they set up only four weeks ago in a primary dedicated to the demise of only 25 is Lindley Beckworth, the oratorical East Texan who beat a county judge, Brady Gentry, for the house of representatives seat from district three. Courthouse To Have Several New Tenants

County Contributes Large Vote To Elect Dist. Officials

The largest number of new faces in new positions in many years of campaigning will be noted at the Howard county courthouse after January 1 as the result of balloting in the Saturday democratic runoff primary together with that of the first primary.

Of 16 positions, nine will be filled by eight new men and one woman.

Heading the list of new officials is Cecil Collings, four years district attorney, who was promoted to the judgeship, succeeding Charles J. Klappert, Midland, who is retiring to enter the practice of law. Martielle McDonald, Big Spring attorney, stepped into Collings' place as district attorney.

Mrs. J. L. Collins, Coahoma, was successful in her race for county treasurer, and her victory made it a great day for candidates seeking a "comeback." Mrs. Collins was a strong candidate two years ago. Others breaking the "comeback" jinx to win offices were J. H. "Dad" Hefley as justice of peace and Jim Winslow as commissioner of precinct No. 2. Winslow won in the first primary.

Among the other new faces will be Lee Porter as county clerk, Joe Fauceit as county attorney, J. L. Nix as commissioner of precinct No. 4, and Carl Berger as constable. Sheriff Jess Shaghafer, Commissioners J. Ed Brown and A. W. Thompson were returned with opposition in the first primary, while County Judge Charles Sullivan, Tax Collector-Assessor J. F. Wolcott, District Clerk Hugh Dabberly, and County Superintendent Anne Martin were unopposed.

"Post-mortem" talk was in order Monday and there was some speculation as to whether the lively district attorney's race would have any repercussions. All agreed that it had played a large part in getting out the 4,300 vote, an important factor in the election of the two district officials. The vote was only a little more than 900 under the first primary strength. No other county in the district could boast such a percentage showing.

SWIMMING COURSE STARTS AT 5:30 THIS EVENING

Instruction will begin at 5:30 p. m. today at the Muni swimming pool in the Red Cross swimming and life saving course this week.

All persons interested in learning to swim or to become proficient in rescue methods were urged to take advantage of the free instruction.

SISTER OF BIG SPRING WOMEN SUCCUMBS

Mrs. A. W. Stearns of Matador, sister of Mrs. J. E. Kuykendall and life saving course this week, Sunday morning and is to be buried at 4 o'clock Monday afternoon at Matador.

Mrs. Kuykendall and Burns are already in Matador and Mr. Kuykendall planned to leave at noon Monday to attend the services.

Mrs. Stearns, who has lived in Matador for 60 years, has been in ill health for four years as the result of injuries received in an automobile accident.

Found stripped of clothing and nailed to a crude cross on a Reno, Nevada, roadside, Ed Collins, above, 27-year-old ex-convict, told officers two one-time pals attempted to crucify him because he refused to help them "pull a job." Pressed to describe the job, Collins said "skip it; I forgive them." He is shown in a Reno hospital, for treatment of nail wounds in his hands and feet.

Sir John Simon, Great Britain's chancellor of the exchequer, is shown in this radiophoto as he warned Adolf Hitler—without mentioning him—in a speech at Lunenburg, Scotland, that Great Britain might have to fight if Germany started a war in central Europe.

THE SPORTS PARADE

By Hank Hart

(Bob Whipple pinch-hitting for Hank Hart.)

We promised Herman Fuhrer we would inaugurate a campaign today.

The campaign is called "Help Pull Herman Out of the Hole," and is designed to get more crowds out for those weekly wrestling matches.

There is some talk of forming special swim clubs next summer, or of making special water concessions. After all, the city has a recreational asset in that swimming pool second to none in the Southwest.

The biggest type of "welcome home" signs ought to be put today for Ben Daniel and his Devils, who come from Columbus, Ohio, where they participated in the national F.W. Junior softball play.

Although Hank Hart is away for a couple of weeks, this page is due to have some enlightening sports correspondence for a while.

To finance that camp, by the way, the Rotarians and the Kiwanians clash at Baron park tonight in what must be described as the softball classic of the year.

Fine Finish Triumph Over Numerous Difficulties Points The Way 22 Qualifiers In Tourney

Talk of a Class C baseball league for this vicinity with Wichita Falls, Amarillo and Abilene entering into the conversation as possible franchisees is filling the air this week instead of Old Man Football as the WT-NM loop writes finish to its second successful season and begins its Shaugnessy playoff.

And Big Spring can well sit in on the "hot stove" league planning for a bigger, only a better 1939 for it has shown that it can well support a professional baseball team, even second division level.

It's been a long and rocky road for the Big Spring franchise this season. Each time that an obstacle was conquered another would pop into view but the stretch drive was magnificent

and so much enthusiasm was apparent at the finish of the season that directors immediately set about to plan for 1939 to come.

Construction was held up on the park until the first week in April until the plot at West Fifth and San Antonio streets was leased and cleared in February.

Local fans, despite the fact that the news broke and backed up at the next meeting, were a bit skeptical until Hutchison went

to work with a staff of helpers and began to "sell" the idea of the club to Big Spring business men.

Attendance held up well enough for the day games but financial troubles shrouded the club when the lumber company that supplied the material for the park equipment threatened damage suits unless the account was settled.

Hutchison attempted to carry on but his maneuvers were unsuccessful and he desperately called to the townsmen for aid.

Monahan's squad and from surrounding towns.

On April 24 the team played and won its first game, defeating the Forman Continental (Green, 5-4, with Bobby Decher supplying the payoff blow in the eighth frame.

Attendance held up well enough for the day games but financial troubles shrouded the club when the lumber company that supplied the material for the park equipment threatened damage suits unless the account was settled.

Lights were immediately installed and the success of the club was assured. The players, who had patiently waited six weeks for their salary, were paid off in full.

Mixed deeply in fifth place when the financial conditions were finally ironed out, the team began to make a thrilling but losing race for a position in the Shaugnessy playoff, was finally

stalled off due to too many double headers at the finish of the season.

The team's popularity did not lessen despite that fact and when the club showed here for the season's final game last Friday almost 800 persons were on hand to bid them goodbye.

Directors are considering plans to increase the seating capacity of the grandstand and enlarging the playing field. Yes, a group with a major league club may be effected during the winter. But officials this time will not have the worries that Hutchison had in the beginning. The park is paid for and the indebtedness on the lights is almost erased.

Robbins Sunday named committees to direct various phases of the tournament. On the barbecue committee are Fred Stephens, Harry Stalcup and J. C. Chapman. Registration will be handled by W. W. Barker, C. W. Cunningham and Sam Sain. On the Calcutta pool and pairings committee are Bill Tate, Robbins and Lib Coffey.

Women's entertainment events will be directed by a committee headed by Mrs. Mabel Carter.

Calcutta pool drawings will be held immediately after a barbecue at the club house Saturday night. Match play is scheduled for Sunday and Monday.

Teams to compete in the Hall and Bennett trophy matches were expected to be named early this week. Joe Dick Slaughter of Lubbock will captain the invading aggregation, while Robbins will captain the local team.

Barons Drop Last Game, 6-5 In 10-Inning Go At Midland

Locals Take Lead Twice, Fail To Hold It

MIDLAND, Aug. 29 (UP)—Big Spring's Barons closed out their season with a loss here Sunday, but they went down fighting, battling the three-place Midland club ten innings before dropping a 6-5 decision.

The visitors took the lead with a run in the second, only to see it tied by Midland in the third. Then the Barons put on a scoring spree in the sixth to put four runs across the plate. That lead didn't last long, as Midland came back in the eighth to score just as many tallies and knot the count again. The home town crew showed across the winning score in the tenth. Soden, who went in for the Barons to relieve Ramsdell, was credited with the loss. Morris was the winning pitcher.

OTHER GAMES

At Lubbock Sunday, the West Texas-New Mexico League leaders dropped their final game of the season, being trampled by Clovis, the second place team in the standings, 15 to 7. At Wink, the other club to take a place in the Shaugnessy playoff, dropped the final game to Hobbs, 7-13.

AFTER ALL, JOE M'CARTHY IS DUE SOME CREDIT FOR THAT YANKEE WINNING STREAK

By DEW MIDDLETON

Now that the cheering for Messrs. DiMaggio, Gehrig, Dickey and Ruffing has subsided, it's time someone went up to Manager Joe McCarthy of those Yankees, thumped him soundly on the back and hollered: "Nice going, Joe."

The Yanks are rolling toward their third straight pennant. They look unbeatable. In mid-June they were anything but—tired, over-confident and just about fed up with the business of winning pennants.

What hath Joe wrought? Or as they say in the stands, "This McCarthy must have something to do with it. He's cute, that guy."

Joseph is a mild man. Sitting in his dugout yesterday before the Yanks whipped the St. Louis Browns 4 to 2, on only four hits—a trick accomplished via two homers by young Tom Henrich—McCarthy refused to be called a master tactician or inspiring leader.

"Why," said Joe, "I just keep my pitchers working as evenly as possible, don't let the boys get too cocky and keep everyone happy. These fellows know how to play ball. I just keep them at it."

The best manager in baseball? There are different standards. One is production. McCarthy has won four pennants, three with the Yanks and one with the Chicago Cubs, more than any other manager except Connie Mack.

While the Yanks beat Buck Newsom and Ruffing chalked up Victory No. 19, the National League clubs continued to back away from the pennant.

The Chicago Cubs are having a stab at winning the flag. They whipped the Phillies, 4 to 5, in 11 innings and then beat them again, 3 to 1, in the second game. This put Gabby Hartnett's men half a game behind the second place New York Giants and a game and a half closer to the league leading Pirates.

The Pirates waved through a long, hot ball game with the Brooklyn Dodgers, losing 8 to 5 after falling to overcome a six-run lead piled up by the Dodgers in the first two innings. The Giants beat Cincinnati 7 to 3, with Hal Schumacher bolstering the Giants' staff with a neat six-hit performance.

At St. Louis the Cards split with the Boston Bees, winning 5 to 1 and losing 2 to 0. Cleveland's Indians shaded the Washington Senators, 6 to 5. Detroit downed the Boston Red Sox, 4 to 3, in 10 innings with Hank Greenberg hitting Homer No. 45.

It was Connie Mack day in Philadelphia and the Athletics responded by beating the Chicago White Sox, 5 to 4, and 7 to 2. Baseball's grand old gentlemen was presented with a plaque between games.

Pete Sikes Named Angelo Junior College Coach

AUSTIN, Aug. 29 (UP)—Peter Radford Sikes of Leonard, former University of Texas athlete and recently coach at Bonham high school, will head the physical education department and act as coach at San Angelo college. It was announced here today.

Dr. Wilson Elkins, president of the college and himself a former star athlete at the university, said the college's board of directors had confirmed his selection for the coaching job.

Elkins said Sikes, a brother to J. V. "Slik" Sikes, formerly head baseball and assistant football coach at Texas A. and M. college and now at the University of Georgia, would report at the San Angelo school Thursday.

Sikes was a reserve end on the Longhorn football teams of 1923, 1924 and 1925, played baseball during the same years and lettered in that sport in 1924. University of Texas athletic council officials said he had been signed to coach at Wharton high school before receiving the San Angelo offer.

The popular athlete was a three-letter man at Burleson Junior college of Greenville before attending the State university and then made minors in football, basketball and baseball his first year at Texas.

Teams Must Act To Break That Yankee Monotony

By SID FEDER

NEW YORK, Aug. 29 (UP)—Get ready for the biggest trading, buying and spending spree in years when the big league season ends.

Club owners all along the line are beginning to realize they'll have to rebuild—cause the paying customers are about fed up with the Yankees making monkeys of the rest of the American League, and then beating the cars off the pick of the National...

Report going around here the Pirates already ordered extra lumber for world series additions to Forbes Field. But are afraid to have it delivered yet, because they're remembering 1921. After such a "great man" as Mr. William Terrible Terry couldn't.

It doesn't take much to guess the winner of the left-field job on that cereal company's all-American popularity team...Ducky Medwick by a country mile. What's this about Henry Armstrong, who used to go for the classical, hitting the Harlem jitterbug circuit.

Fancy Indicators To Be Used In Chicago Game

CHICAGO, Aug. 29 (UP)—Yardsticks and down indicator, devices used by head linemen in officiating football games, will also shine Wednesday night when the college all-star gridder opposes the Washington Redskins, professional champions, under the lights at Soldier Field.

Joe Lipp, veteran Western conference football official who has made a specialty of the headlines-man's job for the last 20 years, has invented and patented an electrical lighted set of yardsticks and indicator. The illuminated sticks will be used for the first time Wednesday night.

Netters Move Into Philly

Nobody Worrying Now About Budge And Mako

By GAYLE TALBOT

NEW YORK, Aug. 29 (UP)—Much of the pressure is off as the American and Australian Davis cup squads move into Philadelphia today for the five-match challenge round at the Germantown Cricket club on Saturday, Sunday and Monday.

Even the most obstinate viewers-with-alarm are feeling considerably better since Don Budge and Gene Mako, this nation's fancy doubles combination, made soft pickings of the Australian duo of Adrian Quist and Jack Bromwich in the finals of the national championships at Brookline Saturday, 6-3, 6-2, 6-1.

The nature of the victory indicated very strongly that Budge and Mako will be able to repeat the feat in their cup match next Sunday, and that, of course, means that the United States is a top-tofty favorite to keep the trophy won at Wimbledon a year ago.

It means that, with Budge a virtual clinch to win his two singles matches, the American team very probably can scrape through even if Bobby Riggs, its second singles star, should lose to both Quist and Bromwich. This observer still thinks the final count will be 4 to 1, with Riggs trimming Bromwich.

The week of practice at Philadelphia not only is designed to put the four members of the American team, Budge, Mako, Riggs and Joe Hunt, in top shape for the big match, but will provide the cup committee with an accurate line on future prospects.

Georgians Winners Of Semi-Pro Title

WICHITA, Kas., Aug. 29 (UP)—A jubilant band of ballplayers from Buford, Ga., headed homeward today with \$5,000 cash, the national semi-pro championship and about all the other honors offered in the annual tournament here.

Buford squeaked out the championship last night with a 5-4 victory over the 1937 champion Enid, Okla., also. Enid stopped Buford, 7-4, in the championship game last year.

Raymond Dumont, president of the National Semi-Pro Baseball Congress, said the amounts to be paid the other eight teams which landed among the top 10 will be announced after an audit of tournament receipts.

GENE SARAZEN WINS AT LAKE PLACID

LAKE PLACID, N. Y., Aug. 29 (UP)—A pair of sub-par final rounds gave Gene Sarazen, stocky Brookfield Center, Conn., golfing great, a victory in the \$5,000 Lake open.

Sarazen, whose 70 and 68 yesterday gave him a 2-hole total of 281, finished two strokes ahead of Ben Hurst, diminutive Ottawa, Canada, golfer, and won first prize of \$750.

Tigers Defeat Angelo Team

Local Mexican Club Chalks Up 18th Win Of Season

The Mexican Tigers came through with their 18th win of the season Sunday in downing the San Angelo Panthers at Baron park, 8 to 4.

The Tigers have dropped decisions this season only to Fecos, Colorado, Snyder and Abilene.

C. Cruz started on the mound for the local team, but was relieved by Parades in the seventh after he had allowed two runs and three hits in that inning. Parades walked the first man to face him, and Chaven, San Angelo short stop, came through with a double to left, scoring Delgado. Martinez then singled to right to score Chavez. Then Parades settled down and retired the next three batters in order.

The Panthers out-hit the Tigers, 8 to 4, but costly errors hurt the visitors. The Tigers took the lead in the first inning, scoring two runs without a hit, three walks, an error and a neat sacrifice hit by J. Garcia turning the trick.

Jimmy Garza, former OOC enrollee here, went the route for San Angelo. All the local runs were earned, while the Tigers earned only three of their tallies.

It's Individuality That Makes For Chic On The Campus

Here is a classic suit for the college girl—a cardigan jacket and skirt of gray tweed flecked with cherry and white and worn with a sweater knit of cherry-spashed gray wool to match.

By ADELAIDE KERR
AP Fashion Editor
College girls' Do you want a few credits in chic?
Then be a little "different."
Wear a gold rope necklace with your sweater instead of that string of pearls that half the country's college girls select. Discard that long-suffering peasant kerchief tied under your chin for a bright cap squashed over your curls. Mix your colors with a sure but daring hand. And see what a dirndl can do for you.

As to the more serious side, campus clothes this year are, as always, casual. Skirts and sweaters still get the largest vote at eastern schools. The skirts, of mixture, monotone or plaid wools, may be pleated or plain, while the sweaters are nearly always crew-necked. There's a chance for individuality in contrasting the colors of the two and adding a tweed jacket, wool socks and a long wool scarf to harmonize.

Reversible coats are practical for campus wear. This year's editions are generally squared models made of tweed or camel's hair on one side and gabardine on the other.

The off-the-campus wardrobe generally includes another coat of black, brown, dark green or wine-colored wool, cut on a fitted silhouette and simply furled with some such pelt as beaver, mink or nutria.

Dresses should include one simple wool frock and several dark crepe ones to be worn with sparkling chips or a "clunky" glittering necklace to weekend teas and dances.

One simply tailored suit, whose fitted jacket has a rather high throat line, is almost a "must" for the college girl, since it can be worn for traveling and weekend jaunts.

Evening frocks, which complete her wardrobe, have wide swishing skirts this year. They come in white, black, green, russet and blue satins, taffetas, chiffons and velvets and are often topped by jackets to match.

Something individual in campus clothes is this frock of brown and white shepherd's checked wool topped by a waistcoat whose trimly buttoned front is of brown corduroy. The collar is corduroy, too.

Threats On Witnesses Revealed

New Chapter Written In Washington's Torture Story

OLYMPIA, Wash., Aug. 29 (AP)—Five alleged attempts to intimidate state witnesses or investigators in the torture-kidnaping of a former coast guard officer were under investigation today by authorities, who held a socially prominent physician as instigator of the abduction.

The victim, Irving Baker, 37, remained at his home today convalescing from injuries inflicted 10 days ago when he was carried from his home, beaten, and torn with a pair of pliers.

Prosecutor Smith Troy, who ordered kidnaping and assault charges filed against Dr. Kent W. Berry, 50, and three other men, said the attack grew out of Baker's alleged attentions to the doctor's attractive young wife.

Baker, whose assailants face arraignment today, denied he was involved in any misconduct with Mrs. Berry, the physician's fourth wife.

The intimidation attempts were listed by Troy as:

Death threats against Ted, 12, and Janet, 6, Baker's children, unless he "forgot" the charges against Dr. Berry. The threats were contained in a letter affixed to a stone and hurled through a window into the Baker home Saturday.

A telephoned death threat to a state detective to "lay off" the investigation.

An attempt to wreck the car of Lieut. Beal Messinger, of the Olympia police.

Accused with Dr. Berry, are James Reddick, 27, taxi driver; Robert Smith, 22, dairyman, and William K. McAloon, former town marshal, all charged with kidnaping and first degree assault; and Harold Schars, taxi company owner, charged as an accessory after the fact.

Germany Scoffs At Reports Of Efforts To Destroy Church

BERLIN, Aug. 29 (AP)—A propaganda ministry spokesman today branded as "nonsense" charges made by Germany's Roman Catholic hierarchy in a pastoral letter that efforts were being made in Germany to destroy the church.

"The government is paying millions of marks annually to the church and the fact that the reading of the letter was possible clearly demonstrates that there can be no talk about persecution," he said.

Answering the bishops' charge that "unparalleled, ugly, concentric attacks and outrages" were used against Bishop Johann Sproll who was expelled from Wurtemberg last Thursday, the spokesman said the Nazis had acted solely to protect the bishop.

TAKING A TIP FROM A TEXAS CAMPAIGN—that of W. Lee O'Daniel who won Democratic gubernatorial nomination with honey slogans and a hillbilly head—Edward J. "Doc" Bowen (above) is mingling music with his political speeches. He's seen campaigning at Poughkeepsie, N. Y., for the Democratic nomination for representative from the 26th N. Y. congressional district.

RAIN ON THE RANGE couldn't keep Betty Jane Moore of El Paso, Tex., from firing a few rounds at Camp Perry, Ohio, where the small arms firing school has been in progress. She's the daughter of Jack Moore, captain of the Texas civilian team and an expert shot; Miss Moore herself took third last year in sitting and kneeling division of junior matches.

AMERICA'S HOLD ON THE DAVIS CUP which she regained last year for the first time since 1937 will hinge on teamwork and play of the formidable Australian, 19-year-old Jack Swannick (left) and brilliant Adrian Panell (right), who moved down the Germans in an interesting final at Washington, Mass. Davis Cup matches will be at Germantown, Pa., Sept. 2, 4, 5.

PRESIDING JUDGE at New York trial of James J. Hines is Ferdinand Pecora (above), N. Y. Supreme Court Justice. Before a "blue ribbon" jury, Tammanyite Hines is being tried on charges of conspiring to protect huge policy racket.

'NOTHING TO THEM' Sen. Sherman Hinton (above) of Indiana, New Deal champion, characterized reports that he is under consideration as a possible appointee to the U. S. Supreme court as successor to the late Justice Cardozo.

KIWANIANS

VS

ROTARIANS

MONDAY NIGHT AUGUST 29 BARON BALL PARK

You've seen baseball as played by the clubs of the WT-NM League
You've seen the game as played by the Texas League . . . and maybe the
Nationals and Americans

BUT—

. . . you've never seen ANYTHING to equal the game as it will be played
by two of the "bitterest foes" in all West Texas—the Kiwanians and Rotarians—when they "clash" on the diamond for a session of softball
MONDAY NIGHT at 8:15 at Baron Ball Park. You'll see bald heads "bite
the dust" on tight plays . . . You'll see younger members make a miserable
failure in their efforts to show the oldsters how it should be done
and you'll hear grunts and groans for weeks to come from those who have
boasted for the past 10 days about how they "can take it."

PLAN NOW—

to be among those present Monday night . . . Your attendance will
assist greatly in helping Big Spring to have a top-notch High School foot-
ball club this season . . . Proceeds from this game will go to defray the
expense of sending this year's crop of gridders to a pre-season training
camp near Junction . . . They're YOUR boys and OUR boys and we all
want to see them at the top of the "games won" list this year. WE CAN
HELP THEM MAKE THAT RECORD BY ATTENDING MONDAY'S
GAME!

Attend Tonight's Game And See
the
KIWANIS-ROTARY GAME

then visit our new and modern store and see the
new ROYAL GAS HEATERS . . . beautiful new heat-
ers that will cut your fuel costs this winter . . . and
give greater comfort than you've ever known before.

THE VERY LATEST

In baseballing will be exhibited at Baron Park tonight
when the Rotarians and Kiwanians cross bats . . . In
fact, it will be such an advanced version you'll probably
split your sides laughing at their exhibition . . . But
you should see this, the latest thing in baseball . . . Too,
you should visit our show rooms for a look at the lat-
est in home furnishings . . . We'd be delighted to have
you call at any time.

KIWANIANS vs. ROTARIANS

BARON PARK—8:15

Your attendance at this game will help Big Spring have
a better football team, since proceeds from this game
go to pay their expenses while at their pre-season
training camp . . . Let's show the team we're behind
them 100 per cent by taking the family out tonight!

STATE NATIONAL BANK

See the Kiwanians and Rotarians do battle at Baron

year's school work . . . Just call 350 and leave the
rest to us.

THE UNDERLYING MILITARY ARGUMENT
Paris, Aug. 29.—Though there are circumstantial reports to the contrary, it would seem reasonably certain that Hitler has not yet reached a final decision about his course in Czechoslovakia...

THE CHOICE BETWEEN THESE TWO courses is at bottom a problem in military science. The party in Germany which is urging him to precipitate the crisis that holds a quick decision can be reached in Central Europe by a violent and sudden attack...

As regards the near future in Europe, and the question of peace or war, the conflict between these two military doctrines is of ever so much greater practical importance than all the ideologies of fascism, national socialism and communism...

HOLLYWOOD — It's another Family Week in pictures—and what a family we have in "Four Daughters!"

It's a good honest picture, with some of the best acting seen in the past few hundred reels. I'm afraid it's also an artistic triumph, but don't let that scare you.

Claude Rains is the music-teacher father of four girls—Priscilla, Rosemary and Lola, Lane, and Gale Page. Priscilla's the youngest. She can't imagine ever getting married. Lola's the eldest—she wants to marry money and have things...

Then one day Priscilla announces that she and Jeff are going to be married. Three things happen: Lola says she's going to marry her...

It's a believable, human movie, loaded with human touches, some humorous, some pathetic. It's from Fannie Hurst's "Sister Act" and Michael Curtis directed it with a sympathetic touch...

Chinese Halt Japs' Drive

Claim Three Towns Recaptured From The Invaders

SHANGHAI, Aug. 29 (AP)—Chinese asserted today they had cracked the Japanese offensive on the north bank of the upper Yangtze river, recapturing three important towns the invaders won in six weeks of bloody fighting. The towns were Taihsien, Taihu and Susung, north of Kiukiang and about 135 miles downriver from Hankow, China's provisional capital. The Chinese also said they had cut off Japanese advance forces at Hwangmei, spearhead of the Japanese drive up the north bank, and now were attacking the town. The Japanese, on the other hand, reported they were advancing on the Peiping-Hankow railway after having captured Luan and Fukien now, near the Honan-Anhui border about 100 miles north of the Hwangmei sector. Severe fighting, but no major changes, was reported on other fronts. LOYALISTS ADVANCE HENDAYE, France, (At the Spanish Frontier)—Aug. 29 (AP)—The Spanish government reported today that General Jose Aensio's southern army had driven within less than a mile of Castuera, insurgent base on the Estremadura front. The militiamen were said to have cut the trunk line railroad running from Castuera to Cabeza del Eney, 20 miles to the east, and to be threatening to cut insurgent advance units leading the drive on the rich Almaden mercury mines.

Labor Crisis In Frisco

Situation Almost As Serious As During '36 Maritime Strike

SAN FRANCISCO, Aug. 29 (AP)—An industrial crisis affecting many businesses, and more all-embracing than any in San Francisco since the 1936 maritime strike, grew in gravity today. More than 150 warehouses and liquor rectifying plants have been closed and additional ones were expected to shut their doors today in a "hot cargo" dispute between operators and CIO warehousemen. As a result of the distributing industry paralysis, more than 2,000 workers were idle. As the warehouse industry situation took on grim aspects, a showdown neared in the threatened strike of AFL clerks in 27 major department stores, negotiations were broken off between the AFL

The secretary, Winifred Kay, declined to discuss the nature of Miss Shearer's illness but declared no operation was necessary.

READING AND WRITING

'TIDES OF MONT ST-MICHEL' by Roger Verceel; (Random: \$2.50). Roger Verceel's unique 'Tides of Mont St-Michel' is the finest work he has done, so far as the American record shows. It is not a novel for the vacation hammock. Perhaps it is not a novel at all. But it certainly is an experience. The chief character is not a person at all. It is that gigantic heap of stone off the French coast known as Mont St-Michel, perhaps the most beautiful and certainly the most dramatic of all medieval survivals of its kind. A casual visitor cannot, unless he be wholly insensitive, see the Mont without changing within himself, and it is Verceel's idea that the influence of the place is a palpable thing, exerting pulls and compulsions on those who live with it.

'Chain Store' Tax Due By Aug. 31 Raymond Hanks, in charge of the state comptroller's district office here, reminded all business concerns that the so-called "chain store" tax must be paid not later than Aug. 31. Those desiring further information may contact Hanks at the Petroleum building. Failure to pay the tax carries a \$25 fine for each day of operation.
