I Will Vote for High School Bonds, Saturday, March 28

IS PLEDGE OF SCORES OF CITIZENS

GEORGE L. MUSE, "I favor the bonds because our children must be educated, and we certainly do need a building."

G. A. F. PARKER, "I am for the bonds because I am for the boys and girls—I want them to have the best chance we can give them."

"I realize that taxes are burdensome, but the extra room is now needed, and the children cannot wait. Our population is growing and is likely to grow rapidly within the next few years, and we must prepare for the future—besides better times are coming—and the taxes will be easier to pay."

HENRY WILKINSON, "I want the bond issue to carry because a new High School building in Hereford is an absolute necessity both from the standpoint of safety and additional facilities. Hereford is the only town and community of any consequence in the Panhandle of Texas which has not made ample provision for housing their children in respectable school houses, and to defeat the bond issue under such pressing necessity would be a disgrace to the citizenship of the Hereford Independent School District."

CARL GILLILAND, "I favor issuance of School Bonds because:

"The moral and mental development of the youth of our community is the most unselfish ambition and most worthy aim—those who desire to leave the world in a better condition than they found it, can possess, and our public schools properly equipped and maintained is the most practical means of accomplishing it—the best guaranty of the future welfare and safety of society.

"Our public schools are certain 'levelers', by which all are placed on equality, without lowering the highest, but by elevating the lowest.

"Our schools cannot attain the highest, or even a reasonable high standard, of efficiency without buildings and equipment reasonably adequate to meet the needs of our children, and our present high school building is neither adequate in capacity or sufficiently equipped to reasonably meet the requirements of our children. The building is not even safe.

"We need the building and I favor the issuance of the bonds."

A. A. FOSTER, "I'm for it because I'd hate to be like a loaded horse."

E. F. GUTHRIE, "I will support the issue because I think more of the children and education than I do of what it might cost."

E. T. WOODBURN, "Because I want to see my neighbor's children have proper facilities for being educated."

RALPH BARNETT, "I will support the Bond Issue because I see immediate need of more room in both Central School and High School, both of which will tend to better educate our children, as well as be conducive to good health."

L. BASKIN, "I have no children to send to school, but in spite of this I am in favor of the high school bonds and will not only vote for the bonds myself but in addition will work hard to put the proposition over."

C. A. SKELTON, "A new school building for Hereford is an absolute necessity, because our present facilities are obsolete, unsanitary and insufficient.

"Would you be willing to locate in a town with third class school facilities? The other fellow probably feels the same way."

DR. JOHN W. OVERTON, "The little log school house, Frog Bottom Academy and Pond College of Logs and Clayboards or even badly ventilated, out-of-date buildings of brick and stone are buried in the oblivion of a forgotten past. Now and for the future we must have elegant brick or concrete or marble halls of stately, beauty, modern in construction and convenience, de-

Officers Named By Golfers For Play During 1925

The Hereford Golf Club held its annual meeting last Friday night at the Fox Mercantile and elected officers for 1925. Seth B. Holman was named president, Henry Wilkinson vice president, Dow Mercer chairman of the greens department, and Albert Herbst secretary-treasurer. The retiring officers, who are F. W. Price, president, Johnathan Pitman, vice president, and Homer K. Fox secretary-treasurer, were given a rousing vote of thanks for efficiency and loyal service rendered.

Another meeting was called for Thursday night when committees appointed at the first meeting will report. These committees consist of Rules, Membership and Tournament. The Rules committee includes Brack Williams, chairman, Doug Fox, Harry L. Rice, Virgil Cuning and Secretary Herbst. The Membership committee is Homer Fox, chairman, Johnathan Pitman and Arch Foster. The Tournament committee is headed by J. J. Clark, assisted by W. R. Steckman and Clifford Acker.

The Rules committee met at The Brand office Tuesday night and worked out a report for Thursday. There is a lot of enthusiasm among the boys, the ranks are rapidly filling to capacity, and plans are on foot for a vigorous and busy summer season.

signed for service, equipped for the promotion of learning and the enjoyment of mankind. As well expect a dentist to pull teeth with a blacksmith's tongs or a surgeon to do a delicate operation with his pocket knife, as to expect out of date buildings to produce the men and women of tomorrow. Vote for the bonds! The manhood and womanhood of the future. Tax money properly spent is never a burden, you cannot invest it better than in your boys and girls."

E. B. BLACK, "I am heartily in favor of a new high school building, mainly because we don't have any now, only a poor makeshift. I have no children to send to school but I want to help my neighbors. I shall vote and work for the bond issue."

H. H. HAWKINS, "I believe we need a new high school building, for our neighbors' children, and it will help Hereford grow and we will all be proud of it after it is finished. Vote for the bonds."

F. H. OBERTHIER, "I favor the New High School building because the same is badly needed and the old one is a disgrace to our public spirited community."

JNO. P. SLATON, "There is no doubt about the present building being unsafe at all times and especially dangerous in case of high winds or fire. The old building is not arranged, lighted or heated properly for a public school building. If we refuse to vote the bonds, we may save a few dimes in taxes next year, and may also see the whole community gathered at a hospital searching for the bodies of dead children. I do not mean to be inflammatory, I am stating the facts."

ALVIN C. THOMPSON, "Hereford really needs it, so let's have it."

W. D. KELIEHOR, "We need it and we have just got to have it."

FRANK A. GYLES, "Newcomers always examine closely into school facilities. Considering it from this angle alone, I believe it is a good investment."

J. B. JONES, "I don't care where they put the building; let's get the building first, then figure the location out."

J. S. JONES, "I favor it because we actually need it for our children. My children have had their day in school and I feel it my duty to help my neighbors educate theirs under the best conditions obtainable."

C. C. ROCKWELL, "If this country moves the people must move it. This is one awfully good way to do it."

CASTRO COUNTY PLANNING BIGGEST RABBIT DRIVE IN HISTORY ON APRIL FIRST

Castro county is planning for the biggest Rabbit Drive that has ever been staged, as far as can be determined.

The entire territory covered by Castro county will be included in the drive. Two thousand people will be needed to complete a line around the county, placing a person every 100 yards apart. From reports received easily 3000 visitors will be on hand from over Texas and the United States.

Mr. Albert Bridenstein of the Federal Department of Agriculture in charge of the Federal Department's work in destroying rodents and other farm pests, is co-operating in this gigantic move to annihilate all the Jack Rabbits in Castro county in one day.

Some noted officials from over the state in various works connected with the progress and development of agriculture and other farm interests, have promised to be on hand. The Pathe Moving Picture Corporation's weekly News agent has been invited to take a movie of the final round up and to broadcast it as a news item of World interest.

One of the features of the day will be the Feed. There will be plenty of good barbecue, with the things that go with it to make it good.

No guns will be allowed, to lessen danger to human life. All sportsmen who have greyhounds that can run are invited to bring them, tied securely in their cars. Some wolves may be found.

All the Boy Scouts of the Panhandle are especially invited to spend the day with us and show West Texans what Boy Scout means. Come on, Boys! The committee in charge says:

"Of course we will want to dispose of the Rabbits after our Commissioners have counted enough of them to cover the expense of the drive at 5c a head. So we are offering Jack Rabbits for sale, dead, or alive, to any person for any purpose except to turn loose in Castro county. Hog feeders will be interested to know that they can buy any quantity of these rabbits for 2c a head, for Tankage. Bring your Trucks."

"Beautiful Homes" Contest Will be Sponsored by Chamber of Commerce \$75.00 in Cash Prizes to be Offered

Beginning April 5, a concentrated campaign will be begun by the Chamber of Commerce and Park Board of the City Government in an effort to thoroughly clean up Hereford this summer, and to instill a spirit of rivalry among home owners and renters that will result in a prettier and more desirable home town for all residents.

At the Chamber of Commerce luncheon Monday the committee in charge recommended the following plan, which was adopted, and will be put into execution:

"We, your Committee appointed to work out some plan for a 'Homes Beautiful' Contest for Hereford, beg leave to report as follows:

"We recommend homes of entrants be divided into three classes, to-wit:

"Homes owned by entrants of five rooms or more, be designated as Class 1; Homes owned by entrants of four rooms or under, be designated as Class 2; and homes rented by entrants of all sizes be designated as Class 3.

"We recommend that a total sum of \$75.00 be set apart by the Chamber of Commerce for prizes, and that prizes be awarded in each class, as follows:

"First prize \$12.50 in each class; Second prize \$7.50 in each class, and Third prize \$5.00 in each class.

"We recommend that the homes of all contestants be inspected and judged by out-of-town men (to be selected later) between August 15th and September 1st, 1925, and awards of prizes made by them.

"We further recommend that the contest be decided on a basis of 100 points, as follows:

General cleanliness of front yard and curb	15
General cleanliness of back yard and alley	20
Trees and shrubbery	15
Painting and improvements	10
General attractiveness	10
Lawn	15
Flowers	15
Total	100

"On homes rented by entrants: General cleanliness of front yard and curb 20

General cleanliness of back yard and alley	40
Flowers	10
Trees, shrubbery, lawn, painting and improvements	5
General attractiveness	15
Total	100

"This plan has been used in other Plains towns, and has proven successful. While we cannot expect every citizen to enter this contest, if only a few from each block enters the example

set by them will probably have a good effect on his neighbor and cause him to keep his premises clean.

"We further suggest that this campaign be started with the State Wide Clean up Week, designated by the State Board of Health for April 5th to 11th, 1925, and that the organization of the town for the purpose of this campaign be turned over to Mrs. Geo. Garrison, Mrs. Bobo McLean and Mrs. Jno. P. Slaton, who have already given this matter considerable thought."

Contract Let For New Light Building; Well Sunk

The Kelso-Wurdack Co. have let the contract for their new brick building and ice plant at Hereford to Contractor George Parr of Amarillo, according to word received here this week. It is understood that the material has been ordered and construction work will start as soon as it is assembled.

Meanwhile the company wired Mr. Oberthier to let the contract for a well on the property adjoining the present light office. This was given to Bob Brazil, who established a record Tuesday for speed by digging a well when he sunk the hole 100 feet in one day with his new well digging outfit, striking water around the fifty-foot mark. Since that time he has put in six inch casing.

Judge Kelso and associates are expected here any day to further negotiate with the city commission about the franchise asked for.

FAMILY REUNION HELD AT THE HOLMAN HOME TUESDAY

Mr. and Mrs. Harry Cash of Canyon spent the day Tuesday in family reunion here. The entire party included Mr. and Mrs. Cash, Mr. and Mrs. Horace Baird, and children, Mr. and Mrs. E. S. Ireland and children, Mr. and Mrs. Allen Bell and children, Mrs. J. W. Alexander, and Mr. and Mrs. Seth B. Holman. The meeting was held at the Holman home. Mesdames Alexander, Baird and Holman are sisters of Mr. Cash; and Mesdames Ireland and Cash are sisters of Allen Bell.

Mr. and Mrs. Cash returned to their home on the new evening train Tuesday.

The Chinese May Be Interested in Wings of Borers

The weekly luncheon of the Chamber of Commerce was held by J. H. Nix and wife, of the Hereford Hotel, last Monday for the first time, and the president thanked the hosts for the good meal prepared. It was announced that next Monday the gathering would be held at the Stockman's Cafe.

Forty two business men attended and discussed a variety of things. E. B. Black, A. O. Thompson and other members of the High School bond election committee talked of the progress of the work and promised not to let down until the election is carried. President Overton reported that the school children's meeting set for last week had been postponed on account of the death of a member of the family of one of the speakers.

Mayor Ireland read the report of the Homes Beautiful contest committee, reproduced in another column, which was accepted. The borer scare was talked over and Mr. Ireland said the trees in the park affected had been cut down. The question of what to do with them came up. Objection was made to their sale as fence posts because it was feared the insects would be scattered this way. Dr. Overton facetiously stated that in China the natives used the wings of the borers in powdered form for concocting mysterious medicines; and suggested that he be empowered to appoint a committee to catch the borers, strip their wings, negotiate a trade with the Chinamen, and turn the proceeds back into the organization treasury. Which caused a laugh, at any rate.

The work of the Nutrition expert employed by the Red Cross was commended, and the Boy Scout budget matter was finally disposed of by the appointment of W. R. Steckman, A. L. Hays and A. O. Thompson to raise the money.

NEW RURAL ROUTE GOES NORTHWEST

Another rural mail delivery route for Hereford is announced by Postmaster J. A. Wear, beginning April 1. This route will supply the northwest portion of the county, a territory that has been sadly neglected in the past. It will be about 55 miles in length and will supply over 100 families. Mr. Wear and Barney Meeksey have laid out the route the past week and located the box positions.

Speaking of boxes, Mr. Wear calls attention to the fact that make-shift boxes will not do; Uncle Sam requires the standard, uniform box, erected three and a half feet from the ground, on level ground that the carrier can reach from his car without getting in a ditch. Where three or more boxes are grouped they should be erected on a wheel. Detailed information on boxes will be supplied by Mr. Wear on application.

This new route will be handled by C. O. Lee, who is also carrier on Motor Route A. The new route will be known as Route B and will get mail on Tuesdays, Thursdays and Saturdays. Route A gets mail on other days so that Mr. Lee can serve both.

The securing of this route is a distinct step forward for the county and a feather in the cap of the Postmaster. Other routes may follow soon. The official outline of the new service is as follows:

Starting at the post office, the carrier will go Northwest to corner of town section 6 of mile; North to Webster corner 8 miles; South to Shore corner 11.9 miles; East to James corner 2 miles; South to Files School 2.5 miles; East to LeGrand corner 2.9 miles; South to Beene corner 3 miles; East to Wilkinson corner 9 mile; South to Hughes corner 8 mile; East to corner of town section 22 miles; Southeast to post office 6 mile; Total 54.5 miles.

SAFETY FIRST TO BE REPEATED THURSDAY NIGHT MARCH 26TH

Many people will be glad to know the cast in "Safety First" will again stage this success on Thursday Evening, March 26th at the Star Theatre. The winter's coldest evening prevented many people from seeing this mirth provoking comedy when presented last December and it is in response to many requests the play is to be repeated.

The cast is from the Fellowship class of the First Christian Church with the assistance of Mr. and Mrs. A. O. Thompson, who carry leading parts, and the proceeds of this play are to be devoted to the equipment of one of the rooms in the New Deaf Smith County Hospital.

The play is full of many comical situations which are faultlessly developed by the capable cast, one is simply forced into the spirit of the entire affair for the whole cast and the play are simply irresistible. This play was planned to "drive dull care away" and you will "miss it if you miss it." Come early and try and get in.

DEAF SMITH COUNTY INTER-SCHOLASTIC LEAGUE—27-28

The Deaf Smith County Interscholastic League will be held in Hereford Friday and Saturday, March 27 and 28. The contests in declamation will be held in the Methodist church Friday evening at 7:30. The spelling contest will be held at the Central school at ten o'clock Saturday morning. The music memory contest will be held at Central School Saturday afternoon at three o'clock. These three contests were all that were in demand last year. Any other contests provided for by the League will be arranged for if there should be a sufficient number of contestants to justify holding the event.

Schools planning to enter the different contests should pay the membership fee at once to the state office of the League as no school will be permitted to enter a contest until this fee has been paid. Names of the contestants should be sent to C. H. Dillehay, Director General of the county. The head teacher should certify to the eligibility of all contestants.

PROGRESSIVE

There was quite a crowd out to hear Rev. Monroe preach Sunday afternoon. We understand that we are to have church three Sundays in every month—by Brother Monroe, Brother Hill, pastor of the Baptist church of Hereford, and Brother Haymes, pastor of the Methodist church in Hereford.

Some desperate efforts were put forth at Singing Sunday night. Had some pretty good singing too. There was a large crowd present, several visitors. Come again! We are glad to have visitors and always anxious to have new ones join us and help us.

Some folks of this community are planning to attend the Singing Convention in the Easter community next Sunday, March 22. Let's all go! Those things are worth while.

As has been stated, our Literary Society meets Friday evening, March 20. We welcome everybody!

Last week we received the sad news in our community from professor C. W. Howard of Elbert, Haskell County, Texas, that Mrs. Howard died February 17. Professor and Mrs. Howard taught our school last year. We all extend our tenderest sympathy to the bereaved husband and all her loved ones, in this sad hour.

J. A. Reed and wife visited Sunday afternoon in the Hutchison home.

We had our Declamation contest last Friday night. Ruth Reed won in Declamation in the junior girls' contest, and Games Reed won in the junior boy's contest.

Professor Charles Grear and Mr. Otto Samuelson of Hereford attended our contest Friday night.

Professor Grear is principal of the Wyche school. He served as a judge in our Declamation contest.

Night Coughing Stopped Quickly By Simple Treatment

Thousands who are troubled with persistent coughing at night, which by robbing them of valuable sleep weakens their systems and lays them open to dangerous infections, can quickly act to prevent this danger through a very simple treatment. People who have hardly been able to rest at all on account of coughing spells have found they can sleep the whole night through undisturbed often the first time they try it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring, and hold it in your throat for 15 or 20 seconds before allowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The result is you usually sleep soundly the very first night, and the entire cough condition goes in a very short time.

The prescription is highly recommended for coughs, chest colds, hoarseness, and bronchitis, and is wonderful for children's coughs and spasmodic croup—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

SUMMERFIELD

Sunday School met on time Sunday with a large crowd present, some being tardy. Bro. Fronbarger and the early passenger train did not make connections Sunday morning. Mr. Sears of Canyon brought him and remained for the night services also.

THE STATE OF TEXAS

To the Sheriff or any Constable of Deaf Smith County, Texas, Greeting:

You are hereby commanded to serve the within notice by making publication hereof in some newspaper published in the English language, in Deaf Smith County, Texas, for at least three weeks before the next regular term of the Commissioners Court of Deaf Smith County, Texas, to be holden at its office in Hereford, on the 13th day of April, 1925:

Whereas on the 9th day of March, 1925, Chas. W. Hays, filed in this court his application to cancel certain subdivisions, which application is as follows, to-wit:

APPLICATION OF CHAS. W. HAYS TO VACATE AND CANCEL CERTAIN SUB-DIVISIONS, HEREIN NAMED.

To the Hon. Commissioners Court of Deaf Smith County, Texas.

Now comes the undersigned, Chas. W. Hays, and represents to the Court, that on the 28th day of September, 1905, the Western Union Land Co., a Corporation, filed in the office of Recorder of Deeds of Deaf Smith County, Texas, a plat of a survey of all of Survey No. 30, Abstract No. 357, Certificate No. 1832, Grantee W. W. & S., in Block K-3 in Deaf Smith County, Texas, the same being recorded in Book 12 of Deeds, pages 638 and 639, Deed Records of said County, in which plat or survey the said land was sub-divided in blocks, or small subdivisions with streets between said blocks, the same having been subdivided for townsite purposes and was named or designated as Mabry's Addition to Hereford; that on the 7th day of January, 1910, L. Baskin and B. M. Hester filed in the office of the Recorder of Deeds of said Deaf Smith County, Texas, a plat of a survey of Block No. 25 of said Mabry's Addition to Hereford in Deaf Smith County, Texas, the same being recorded in Book 23 of Deeds, page 568, Deed Records of said County, in which plat or survey the said land was sub-divided in lots and blocks, or small subdivisions with streets and alleys between said lots and blocks, the same having been sub-divided for townsite purposes and was named or designated as Baskin Heights; that the said land known as Baskin Heights is identical with and is the same land as Block No. 25 of said Mabry's Addition to Hereford; that your petitioner is the sole owner of Blocks Nos. 24, 25 and 27 of said Mabry's Addition to Hereford (including all of said Baskin Heights), ex-

cepting Lots 9 and 10 in Block 14 of said Baskin Heights.

Your petitioner further shows that he is the only person interested in said described lands and streets and alleys within and around said lots and blocks, and respectfully petitions this court to cancel said subdivisions as above described in so far as they pertain to said Block Nos. 24, 25 and 27 of said Mabry's Addition to the town of Hereford and all of said Baskin Heights; and the streets and alleys within and around said lots and blocks, excepting the streets along the west side of said Blocks Nos. 24 and 25 and the street along the south side of said Blocks Nos. 25 and 27, and also the street along the north side of said Block No. 24, so as to throw said lands back into acreage tracts as it existed before such subdivisions were made.

Your petitioner further asks that you cause notice to be given of this application by publishing the same in some newspaper published in the English language, in Deaf Smith County, Texas, for at least three weeks before the next regular term of this court, when this application will be heard and action will be taken thereon; that an order be made at that time, to cancel said parts of said subdivisions as above described, so as to throw said lands back into acreage tracts as it existed before such subdivisions were made.

CHAS. W. HAYS.
And whereas action will be taken on said petition at the regular term of said Commissioners Court on the 13th day of April, 1925, and any person or persons interested in the said describ-

ed lands are hereby commanded to appear at the said time to protest if desired against such action.

Herein fail not, but have before said court, on the first day of the next term thereof, this notice, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Hereford, Deaf Smith County, Texas, this the 11th day of March, 1925.

(seal) **BERRY ORR,**
Clerk of the County Court and Ex-officio Clerk of the Commissioners Court of Deaf Smith County, Texas.

"Home of Service and Quality"

TO THE VOTERS OF HEREFORD INDEPENDENT SCHOOL DISTRICT

After receiving a petition, signed by more than the lawfully required number of qualified voters, asking that an election be called for the issuance of \$125,000 in bonds for the purpose of constructing a new High School building in Hereford, your board of Trustees has complied therewith and set Saturday, March 28, as the date for the election:

We, a committee named to look after details of the campaign, favor this bond issue for a number of reasons, among them being:

(1) **ON THE GROUND OF ABSOLUTE NECESSITY:**—For several years the problem of how to house the steadily increasing number of scholastics has embarrassed the trustees. Makeshifts of all kinds have been resorted to, to meet the yearly emergencies. Our children are being crowded now to the extent that 100% work cannot be done, by teachers or pupils. There is now before the legislature a bill, which seems certain to pass, providing that the seven year age limit be reduced to six, and the seventeen year limit abolished altogether. This means a double problem of housing and seating next year.

Should this bond issue carry it is proposed to remedy these conditions in the Central school by taking four sections of two grades into the new building, leaving one good room, and another that can be used in an emergency, for increasing attendance at the central building. Unless this bond issue carries the trustees will be forced to provide in some way additional finances for TEMPORARY SHACKS next fall.

(2) **ON THE GROUND OF THE HEALTH OF THE CHILDREN:**—The work of the nutrition expert now here, and the resulting physical examinations given the pupils by local physicians, show that the present crowded buildings are undoubtedly contributing causes to bad eye

sight and much underweight brought to light by these examinations. At the Central school two small basement rooms on the north, and a small office room on the third floor are now being used. Two of these rooms under no condition, should be used for class rooms. Six and seven year old children are crowded into the office room and electric lights must be turned on in the two basement rooms on cloudy days. To our minds, the good health of our children, the citizens of tomorrow, is a jewel without price and one that we cannot afford to jeopardize for the lack of adequate buildings.

The present building is not designed for high school purposes. There are too few windows, some rooms having only two, none of them meeting the present requirements of the school laws. They are heated by stoves that do not give a uniform, well distributed heat. The building is a fire trap as the stairs are of pine and too close together. Engineers tell us that the building is unsafe on account of too soft mortar used in construction and the fact that the sandstone is turned the wrong way to the weather.

(3) **ON THE GROUND OF CIVIC PRIDE:**—Hereford is famed over the Panhandle for the beauty of her trees, paving, homes, her sewerage and waterworks, and her cleanliness. But she is woefully lacking in the most vital thing of all—proper housing facilities for her school children. We have a \$125,000 Courthouse, of which

we are all proud; in which boys who violate the law are tried at the bar of justice; we have a \$25,000 jail, of which we are all proud, in which boys who violate the law are incarcerated; but we have apparently put the cart before the horse and failed to provide the right kind of equipment by which the boys can be properly trained so as to aid in avoiding the jail and the courts. It is a fact that our neighboring counties are rapidly forging ahead of us in the completeness and adequacy of school buildings and equipment. Vernon, Memphis, Childress, Clarendon, Perryton, Pampa, Panhandle, Amarillo, Canyon, Tulia, Plainview, Lockney, Floydada, Crosbyton, Littlefield, Lubbock, Slaton, Lamesa, Matador, Paducah, Dalhart, Portales, Friona, all have modern buildings. Such an unfavorable comparison does not look good to the home-seeker, with children to educate. Hereford has never yet trailed in the matter of county and civic pride, and we do not believe that the voters of the district will countenance this for one minute after they have had the opportunity to express themselves.

THE COST?—Twenty cents on the \$100 valuation will pay off these bonds in forty years, at five percent interest. To illustrate: one who pays on an assessment of \$500 would pay \$1.00 a year more as a result of this new building. One who pays on \$1,000 assessment would pay two dollars more, and one who is assessed \$10,000 would pay \$20.00 more a year.

Our children are the most valuable assets we possess. In a few short years we will have passed on and these children of ours will be the tax payers and voters in our stead. We believe that we can leave them no greater heritage than good health, recollections of happy school days, and the best education we can provide for them. If you agree with us we ask you to vote for the school bonds on March 28 and take a big stride forward toward this goal.

Respectfully submitted,

HEREFORD YOUNG COUPLE MARRIED AT DENTON SATURDAY

The marriage of two popular young people of Hereford the past week took their friends completely by surprise. The happy pair are Louie LeGrand, and of Dr. and Mrs. G. F. LeGrand, and Miss Louise Ricketts, daughter of Mr. and Mrs. Leonard Ricketts, who live about seven miles south of town.

Miss Ricketts has been attending the College of Industrial Arts at Denton, Texas, and the marriage occurred there last Saturday morning at a private home. They drove across country and reached Hereford Sunday evening.

The young couple are being showered with congratulations and good wishes for life's happiness.

HEALTH CAMPAIGN GOING FORWARD—INCREASED INTEREST

The better health campaign being carried out here under the auspices of the Red Cross and directed by Miss Esther Erickson, nutrition worker, is going forward with increasing interest each week. On Wednesday morning of last week, Miss Roberson's class gave a better health program at chapel exercises that was well rendered and was both entertaining and instructive.

The school bunch exhibit in the post office window is attracting much attention and comment.

The pre-school examinations were held Monday and Wednesday of this week, with Doctors Hicks and Gabbert as examining physicians. Mesdames Edith Hughes, Claude Ricketts, F. H. Oberthier Sr., J. C. Cummins, A. A. Foster and Bob Higgins assisted Miss Erickson with this work.

Mothers class will be held on Friday, March 20, at 3:00 p. m., at High School building, and on March 27 at the home of Mrs. D. L. McDonald. A health day program for the entire community is being contemplated for May, the first of which is National Health Day.

DOG BITES DOW MERCER WHEN DOW SHIFTS HIS GAZE

Dow Mercer is walking rather stiff legged this week as the result of an experience with a biting dog at Friona this week. Dow was in the neighboring city on business when a dog he describes as big as an overgrown calf slipped up behind him. Dow spotted him and fixed him with his gaze. The dog laid down on the ground. "Nice doggie," said Dow. The dog waved his tail. Dow relaxed and looked away for an instant. Bingo! the dog nailed him on the left calf like a flash of lightning.

Dow kicked him off. The dog left his card in the shape of a complete set of tooth marks in the calf of Dow's leg. While painful the wounds are not bothering much and Dow is getting around as usual.

K. Roberts was freighting from Hereford this week.

The Bethel Sunday School as a whole was invited to the home of Mr. and Mrs. J. C. Williams last Sunday to help celebrate the 10th Wedding anniversary of Mr. and Mrs. Williams, March 15 is also the birthday of Mesdames Williams and K. Roberts and Harry Rothwell and Dorothy Lust's birthdays were included—so we had a regular jubilee. Each lady took a dish which added to the many good things Mrs. Williams had prepared, made a feast which everyone enjoyed. After dinner there was a marriage ceremony performed by Ham Lambert. Mr. and Mrs. K. Roberts acted as the matron of honor and best man. At the close of the ceremony Mrs. Loyal Lust acting for the school presented Mr. and Mrs. Williams with a silver pie server in appreciation of their work for the Sunday School. The day which was all too short closed with a singing and each departed to their home. There were fifty present.

The next meeting of the Embroidery Club will be March 26 at the home of Mrs. Earl Lust. Let's all be present as the last two meetings have not had so many present.

BIG SQUARE

Mr. and Mrs. Wirt Phillips and children went to town Wednesday and returned Sunday afternoon.

Art Haberer is very busy this week freighting for the Washed O' Ranch.

Mr. and Mrs. Big Haberer and children visited with Mr. and Mrs. Ham Lambert Sunday afternoon.

Mrs. Will Wyer was called to Fort Sumner, N. M., Sunday morning on account of the illness of Mrs. Emerson Wyer.

Jack Vaughn of Friona will again be in our neighborhood. Mr. Vaughn is working on the Wirt Phillips ranch. Before starting to work Mr. Vaughn

visited with Mr. and Mrs. Herman Haberer.

Glenn Stiles was in Dimmitt Monday.

Charles Phillips is busy this week freighting from Friona.

Will Hicks dehorned his calves last week. One bunch in the Wirt Phillips schute and one at Ham Lamberts.

Mrs. Vern Lust and son spent Tuesday with Mrs. Wirt Phillips.

Mrs. Will Wyer visited with Mrs. Ham Lambert Friday afternoon.

Monday was a big day for Big Square. Mrs. Brown representing the "Library of Health" canvassed our neighborhood and a Lubbock insurance man, also was a caller.

Vern Lust hauled a load of hogs to Hereford Saturday for Ham Lambert.

Mr. and Mrs. Loyal Lust and small daughter were Big Square callers Monday afternoon.

Mesdames Earl and Vern Lust and children spent Thursday afternoon with Mrs. Ham Lambert.

Jim Redding has been quite sick again, and Dr. Miller was called. We certainly hope Mr. Redding gets better real soon because he has been sick quite a while.

Mr. and Mrs. Art Haberer are in the chicken business it seems. They have nearly 800 baby chicks, White Leghorns, hatched by the Otis Burton Hatchery.

JUMBO

Let Jumbo in the columns once more. Our silence of late is not because we are dead or dormant or because we are ashamed to be seen or heard but just everybody has been too busy to write.

We are having a real Sunday school here now. If you don't believe it come out next Sunday at 10:30 and see for yourself. Between 60 and 70 were present last Sunday. One hundred present is the goal set for the near future. There will be preaching next Sunday immediately following Sunday school by Rev. Coughran of Dimmitt.

The Hillcrest Literary Society will give the popular play, "Topping the Question" Friday evening, March 6.

We are very glad to have a telegram from Mr. C. S. Walker, who is at Mayo Bros. Sanitarium, saying he is doing fine. We trust he will be able soon to be with us again.

LISTEN!

Good will is the prized asset of every successful business. It is not a tangible something that can be hurriedly obtained. So far, only one way has been discovered through which it can be gotten, and that is by hard work and conscientious efforts, not for one day, or for one week, but for many years. We feel a pardonable pride in what we think is a favorable reputation among the people of this community.

And again just before you run out of gasoline away off from home drive by the store on South Main at Jumbo and get a fill at the new Mag. Pet. Beck Bros. filling station.

Miss Beulah Davis, English teacher in the Hereford Central School, visited her sister, Mrs. Claude Beck. Mrs. Davis, their mother, and family of Canyon were with them also.

Sunday morning we were all surprised by the echo of wedding bells which told us that Miss Dollie Pinkert and Mr. Noel Andrews had stolen a march on us and were married at Hereford Saturday. We all wish for these popular young people a long life of happiness and success.

E. J. NEWELL SERIOUSLY ILL WITH DOUBLE PNEUMONIA

E. J. Newell, father of J. O. Newell, is very ill of double pneumonia. Thursday he was reported as slightly im-

PRAIRIE FIRE DESTROYS LOT OF GRASS NORTHWEST DIMMITT

A prairie fire Tuesday destroyed a lot of grass in the neighborhood of the Joe Elliott ranch, nine miles northwest of Dimmitt. A number of Hereford men aided in extinguishing the flames. Mr. Elliott lost most of his grass, as did some neighbors. The exact extent of the burned area is not known here.

METHODIST CHURCH

"The End of the World" or "The Second Coming of Christ" will be the subject at the evening service next Sunday, March 22, at 7:45. Is the end of the world near? Will Christ return and establish His Kingdom in Palestine? Are there "Millions now living who will never die? These and many other interesting questions arise in connection with this much discussed subject. Come and hear our discussion of it.

At 11 a. m. "The Church and Her Young People" will be the subject.

Many of our people have become careless about the Sunday school. It is very important that you and your children attend regularly. Let nothing but illness keep you away.

METHODISTS GIVE POUNDING TO REV. AND MRS. MONROE

Rev. J. O. Haymes and wife and the Missionary Ladies of the Methodist church surprised Mr. and Mrs. J. K. Monroe with a "pounding" on Wednesday of last week. Mr. Monroe is a Methodist minister and has lived in Hereford for the last twenty-five years. They have been visiting in Colorado for the last few months and have just returned to Hereford. They were not at home at the time of the arrival of the guests and all the doors to the house were securely locked—so they thought. But on arriving home they found the front door wide open and somewhere around thirty guests present.

Sallie's Temptations

(Copyright 1924—By Gladys Baker)

A DRIVE, AND CURTISS SPEAKS HIS MIND

"And why this very flattering visit, may I ask?"

"Please, Curtiss, don't talk like that. I want you to go for a drive. Leave everything and go with me. I'm desperate for a talk."

"I'd better not," was his calm reply.

"You can leave if you want to," I declared with a frown.

"Yes, I know I can, but—" he hesitated, "I think perhaps it would be better if I stayed."

"What do you mean?"

"Oh, Sallie, what's the use? Things can't go on. Let's stop now while we can before we wreck both our lives."

"Get in, please. We'll run down to Mandarin for tea—there's an adorable place just off the road and it's a beautiful drive." Again he hesitated—looked at me for several minutes and then slipped under the wheel.

It was a silver ribboned road and we passed many beautiful orange groves on the way. The waxy green of the symmetrical trees vied with the brilliant fruit in colorful allure.

We turned into the Mandarin road. There were the most striped trees in the picturesque estates by the side of the St. Johns, with old wrought-iron lanterns at high gates and the fences lined with poinsettias in vivid bloom.

"The Tangerine Tea is just beyond the curve," I warned.

"I'm not going there," he said. "I'm going to take you where we will be undisturbed. I had not meant to say anything but you've stirred the devils in me and now I must talk, talk, talk."

He headed the car into a narrow lane, under an avenue of trees, their moss trailing in dainty garlands of lace to the very top of the car. Ahead was a lovely little wood. The red of the maples against the clump of green magnolias being the only touch of Fall. The car came to a halt.

It was an unrivaled day. The air was Springlike in its limpid purity and warmth.

"You've forced this, Sallie. I had meant never to speak to you of personalities again. But now I'll tell you all. I would spare you but I can not. It's too late. You have aroused the things that have lain here for the last forty-eight hours and burned and burned, the things I had meant to still. They are unpleasant; they're even worse than that. They are foul and I can find no euphemistic phrases in which to clothe the things I wish to say."

First of all, I want you to be perfectly sure that I know everything that

happened at Bob Chenoweth's on Saturday night," he began.

"Well, what of it? I would have told you myself."

"The bridge game—the kiss you gave a man to whom you had just been introduced—your sensational bath—Oh, what a fool I've been—I might have known." His voice shook slightly but he squared his shoulders as if for a fresh start.

"But you knew I was silly and wild when you made love to me at camp," I made my defense.

"Simply because a man knows butterflies feast on carrion, he can't help but admire their beauty and at first sight he always has the hope that THIS butterfly will be different from the rest. He can never get over that poignant desire to have a butterfly in his hands but after he finds out that they're all alike, he doesn't go out and catch one. He doesn't let himself touch one because he knows the beautiful powdery stuff that falls from their wings brings decay and he doesn't want that."

The words were gruesome and strong, and yet, behind the unsoftened smile, deep down in my heart, I knew he was right.

I stirred nervously.

"Would you rather I'd stop?" he asked.

"No," I replied, "if you are thinking

these things, it would be better for me to know. Go on."

"It's that way about women. Between loving and possessing, there is a gulch before they merge into one."

His unwavering gaze met mine. "I could never bring myself to cross that gulch." He spoke slowly, haltingly, with emphasis on every word.

Incongruously enough, my usual mood flashed into my next words. "And does Mr. High-on-the-Hill really condescend to love some maiden and yet dare not take her?"

FRIO-EASTER ITEMS

Mr. and Mrs. Lenox and family, Mr. and Mrs. Neal and family, spent Sunday with Mr. and Mrs. J. W. Vick.

The Frio people are worried about Offas Vick, as he has not been in to any of our gatherings lately. We think he has urgent business in Hereford as he is seen there quite often.

Mrs. Stagner and her youngest child, Earl, spent Monday with Mrs. J. B. Harlin.

Mr. and Mrs. R. L. Knox motored to Wayside, Texas, to visit some of their relatives Wednesday, returning on Thursday.

We were very sorry to hear that Mrs. Allmon had to have her tonsils removed Saturday.

There was a good singing at Frio Sunday night, as there was a large crowd.

Mrs. Percy Estes entertained the young people of Frio community and a few from Hereford Friday night. The young people reported an enjoyable time. We hope they will entertain us again.

Mrs. F. Greer of Hereford has been visiting her daughter, Mrs. Percy Estes.

Mr. and Mrs. Mobley and family and Mr. and Mrs. Verde Sullivan were guests in the R. L. Knox home Sunday.

Mr. Sparkman and family spent Sunday with Mr. and Mrs. Jones.

Mrs. Allman, Jack Allman, Mrs. Williams, Mrs. Sullivan, Mrs. Easter and Mrs. Green spent the day with Mrs. J. B. Harlin.

Miss Maurine Sullenger was a supper guest in the Woolery home Sunday.

W. F. Easter is visiting with his son, W. S. Easter.

Miss Nettie Lee Green was a supper guest in the Stagner home Sunday.

The Frio school is very busy preparing for the county fair about the first of April.

A wedding is expected in the Frio community soon as Bill Smith has returned.

The Frio school is soon going to have to buy more erasers as Fred Stagner has been trying to swallow them.

Miss Della Stagner is staying with Mrs. J. B. Harlin during Mr. Harlin and daughter's absence.

More Milk

HALF a gallon more milk from each cow every day, will more than pay your feed bill.

Nearly every cow owner gets that increase with Purina Cow Chow.

It costs about a dollar a month more to feed Cow Chow, but that difference is more than made up in the first week. The rest of the month you get your extra milk for nothing. Feed out of the Checkerboard Bag and you will get more milk.

HOW TO SOLVE A CROSS-WORD PUZZLE

The first letter of each word is indicated by a number in the blank white spaces, and by referring to the list of words given below, you will find the definition. For instance, number one horizontal gives the definition of a word which will fill in all the white spaces to the first black space to the right. Number one vertical gives the definition for a word which will fill all the white spaces to the first black space below. The black spaces indicate the end of a word, and no letter is placed in them. When completed, the puzzle must read both horizontally and vertically or across and down.

This Week's Cross Word Puzzle

By Mrs. John E. Slaven

If you are superstitious you had better let this cross-word puzzle be Mrs. Slaven alone, because there are TWO big thirteen letter words to be worked out. They are 18 and 42 horizontal. If you think you are good boy to them right off the bat. Otherwise, by working out the vertical words, you will automatically fill in the big boys—the "13teens."

ANSWER—LAST WEEK'S PUZZLE

COFFEE VS. MILK

by Miss Esther V. Erickson, Red Cross Nutrition Worker

There is every reason why children should drink milk and none why they should drink coffee.

Milk builds muscle, body organs, glands and nerves; furnishes energy for work and play; regulates body processes; and promotes health and growth.

Coffee does none of these things. In other words, it is not a food, for it does nothing for the body.

There is one argument against coffee. Not only does coffee do the body no good; it definitely harms the body. It contains a stimulant, caffeine, which works havoc with the nervous system. It does not harm many adults, but the nervous system of a child is less stable and stimulants affect it more. Many mothers wonder why their children have no appetite—often it is due to the poisonous effects of the coffee. Coffee makes children thin, pale and nervous. It is wonderful what a change it will make in these children in just a few weeks to substitute milk for coffee.

Another reason against coffee is that it is likely to crowd out necessary foods. Children who drink much coffee rarely drink enough milk.

There are the same reasons against the use of tea as of coffee. No person should use either until he is fully grown if he desires the best of health. Professor Happy says: "Whatever you pay for milk isn't half what you pay for drinking coffee."

The play given by the Happy, Texas, High School Boys and Girls, Saturday night entitled "The Old Fashion Mother" was well attended and enjoyed by those present.

Miss Virgie Johnson of Lubbock is visiting in the home of her sisters, Mrs. Will Wright and B. B. Boren. Miss Johnson expects to be here about two weeks.

Mr. and Mrs. T. D. Moss spent Monday night with Dr. and Mrs. Miller.

THE STATE OF TEXAS

To the Sheriff or any Constable of Castro County Greeting:

You are hereby commanded to summon W. F. Wagner and the unknown heirs and legal representatives of W. F. Wagner, by making publication of this citation one each week for four successive weeks previous to the return day hereof in some newspaper in your county, if there be a newspaper pub-

lished therein, but if not, then in the nearest county in which a newspaper is published, to appear at the next regular term of the District Court of Castro County, Texas to be holden at the courthouse thereof in Dimmitt on the third Monday in April, 1925, being the 20th day of April, 1925, then and there to answer a petition filed in said Court on the 17th day of March 1925, in a suit, numbered on the Docket of said Court No. 1412, wherein E. S. Ireland is plaintiff and W. F. Wagner and the unknown heirs and legal representatives of W. F. Wagner, are defendants. Said petition alleging that plaintiff is the owner, in fee simple of all the N. W. 1/4 of Section No. 3, Abstract No. 904, School file No. 2317, original Grantee S. S. Evans, containing 100 acres of land situated in Castro County, Texas, claiming the same by deeds duly registered from the State of Texas.

Plaintiff alleges that he is now in possession of said land and has continuously from the 4th day of September, 1917, down to this date, held peaceable and adverse possession thereof, cultivating, using and enjoying the same, and paying taxes thereon, claiming same under deed duly registered and that said possession of said land has been exclusive in plaintiff, and prays for both title and possession of said land.

Herein fall not, but have before said Court, before the first day of next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, in the town of Dimmitt, this 17th day of March 1925.

Lost Money!

People who are careless of their health, of their property, of details of their business, are often extremely careful of their cash and their only understanding of the necessity of insurance is through its protection of the actual dollars and cents they may possess. Therefore, regard it in this light—

—Lost property, lost health, lost opportunity is after all—lost money.

Property, the state of one's health and the hazards of business may all be protected by appropriate forms of insurance. We are prepared to offer you any class of protection you may need. Consult with us.

Listen To This!

Would You Accept a Good Cow?

Of course, you would welcome the opportunity of adding another good cow to your herd. The 200 to 250 pounds of butter-fat she would produce each year would buy many things you would like to have.

Did it ever occur to you that replacing a cream-wasting separator with a clean-skimming, new De Laval is just like adding a cow to your herd? There is this difference, though: you must usually pay cash for the cow, while payments on the De Laval may be spread over a period of 13 months. So, when it actually pays for itself with its savings in a year or less time.

Your old separator as part payment

Bring in your old separator—the matter of its make or condition—paid we make you a good cow. We will give you a new De Laval. This is the machine with the wonderful self-cleaning, non-vibrating bowl which skims better, produces better cream, runs easier and lasts longer.

Cheer Up! The Rain is Coming

I tell you, that you and I and the commonest person are all journeying the same way, hemmed in by the same narrow path leading to the Eternal years.

We pride ourselves over our particular superiority; but really there is little difference between us, and in the journey over the thousand hills and valleys called life, he is the wisest who is patient when the way is hard, has faith when he does not understand and carries into the dark places the light of a Cheerful Heart.
