THE NORDIC CRAZE TO LIVE WITH MONKEYS, TAILLESS ALIGATORS, ETC-FOOT AND MOUTH CURE.

The "purely Nordic" craze has gone far. A scientific association of German "racists" proposes to plan a new State in which only those "purely Nordic" will be admitted.

The scientists allege that blood tests will distinguish the purely Nordic from the mixed breeds.

That's interesting, as there is not on all the surface of the earth any single sample of a pure breed, whether of "Nordic," Aryan, Semitic, Mongolian, African or Malay-Asian strain. All the breeds were mixed up long ago, although they don't know it.

That new Nordic state, by the way, would exclude the founder of Christianity, whose mother was a Jewess. He, certainly, was not "purely Nordic."

Here's one original thought. John Gromardie, citizen of New York, writes to the Franklin Park Zoo in Boston, saying he'd like to be exhibited in the monkey house, with the other primates, "to show the public how much man resembles the ape, in accordance with the Darwinian theory."

Some that live in the open spaces, Texas, Washington, California, Florida, etc., will probably suggest that if all New Yorkers adapted to demonstrating the Darwinian theory were locked up in the Zoological Garden there would be many vacancies in Fifth avenue and at Newport.

Arthur Harris, of the I. W. W., stabbed in a fight with farm hands, learns the value of scientific education. A knife thrust penetrated his pericardium sac containing the heart and made a wound three-quarters of an inch long. The sac filled with blood, the heart couldn't work. But while Harris, fully conscious, saw everything that was going on, surgeons in Kansas City removed three of his ribs, drained the pericardium, permitting the heart to continue pumping, put back the ribs, sewed him up, and he lives. Thanks to local anesthetic, Harris felt no pain.

Six million bonds applications are ready, five millions more will be prepared and sent out. Some pocket patriots are weeping about that. It makes them sad to pay a few dollars in taxes to men that won the war, and saved them all their money.

Yet the paying out of that bonus money will be to general prosperity like pouring water on dry soil. Everybody will share in the prosperity that the bonus distribution is bound to bring. Every dollar of it will be SPENT. It's the money SPENT that counts.

A Berlin scientist has found and isolated the germ that causes foot and mouth disease. That news will be worth many millions to this country directly, and billions perhaps, indirectly.

It is reported, although fortunately NOT proved, that agitators in the West have purposely spread foot and mouth disease by means of dogs and otherwise. California is a bad State in which to play a game of that kind. The perpetrators would find it more dangerous than horse-stealing in Texas in the old days.

Seventy Head of Hereford Cattle to Mexico Breeder

A nice sale of registered yearling Hereford bulls was announced Monday of this week when the firm of Jones & Dameron shipped seventy head of their fine young stuff to Old Mexico. The buyer was Ch. Ganadera De Atotonilco, Yerbani, Durango, Mexico. Mr. Jones said the bulls were the finest kind of blood and worth more money than they brought, although taking conditions into account, the price was satisfactory.

Calvin Coolidge Jr. Dies Monday, July 7

Calvin Coolidge, Jr., sixteen year old son of the President, died in Washington Monday of blood poison, after a brief illness. An operation failed to save the life of the unfortunate young man, who fought to the last. The boy's final resting place will be at Plymouth, Vermont.

Methodist Revival Closes With Forty Conversions

The Methodist revival closed on last Sunday night with a total of forty conversions, twenty-eight joined the Methodist church and the remaining twelve will probably affiliate with other churches. Dr. Fisher preached the last sermon Sunday night and left Tuesday morning for McAuley, Texas, where he, with the aid of Miss Swisher, will hold a series of revival meetings.

RAINS CONTINUE OVER THE PLAINS

LIGHT SHOWERS COME IN RELAYS—BOOST THE CROPS

The rainy cloudy weather which started during the last days of June continues to the present, intermittent showers falling in Hereford and in different sections of the Panhandle at different times. Cool weather, except during the middle of the day, has been the rule, and the repeated showers has caused gardens and field crops to sprout out of the ground like magic. Wheat farmers, in the midst of harvest, are bothered by the wet weather, and some loss here may result. But outside the wheat men the moisture is here at the right time and is thankfully received.

The rain gauge at the First National Bank shows one tenth on July 1, five tenths on July 3, and three tenths on July 6. A steady drizzle was falling all day Thursday.

One unfortunate thing occurred last week when on the night of July 3, a fearfully destructive hail storm ranged across the country from Dawn down through the Jumbo neighborhood to Dimmitt, destroying crops in its wake like a blight. The path of the storm was said to be ten miles wide and about forty miles long. Farmers of Umberger especially were hard hit, it is reported. Growing crops were beaten into the ground, and most of it all will have to be replanted.

Taking the weather and crop situation as a whole, the entire Panhandle country is now in splendid condition, with crops coming along beautifully, and with the best prospect for fall harvest this country has had in years.

Panhandle Baptist Meet in Ceta Canyon Begins Aug. 1

The Panhandle Baptist Association, with assembly grounds in the Ceta Canyon near Canyon, will begin August first and last through two Sundays. Complete preparations are being made. The shade has grown denser. The big tabernacle will be seated, tennis courts will be ready, a clear clean deep pool of water will be ready above the dam and a more shallow pool down the creek will be ready for the children and the timid ones. The following is a program for the ten days assembly.

Dr. J. M. Carroll will preach the first five days and deliver his lectures on "The Trail of Blood" or Following Christ's Children down through the ages from the Days of Christ to the present time. Dr. W. W. Chancellor will preach the last four days. Two of our State Field Workers, Rev. G. W. Owens and Rev. R. A. Scranton will teach classes, give the morning devotional messages and make addresses. Rev. J. P. Boone, Mr. T. C. Gardner and Mr. G. S. Hopkins will teach, give addresses and hold conferences. Sunday school, B. Y. P. U. and W. M. U. study classes will be taught each morning from 8 to 10. At the same time Miss Ballard will entertain and instruct the children with bible stories and hand work. Mr. and Mrs. E. John Meyers will direct the singing and music and will give us a great musical program using two new pianos.

The expenses of the session of the Assembly are provided for as follows: Everyone will pay the collector a registration fee of \$1.50, the maximum for a family being \$4.00. If parties come for one day the fee will be 25c with a maximum of 75c for a family. People who come for the day on Sunday will be charged the same as other days—the only exception is for those who come simply for the night service, they come in free. Any parties not owning leases will be charged \$2.00 for camping privileges or 50c a day for a short period. Each church lease provides for twelve campers.

National Guard at Galveston Enjoys Camp Crockett

The local National Guard company got away on the early morning train last Friday, July 4, bound for Fort Crockett, Galveston, for a two weeks training spell. There was a small crowd present to wish the boys, bon voyage, and the bunch departed in high good spirits. Word has been received here from various members of the outfit that they like Galveston very much and are having the time of their lives.

The names of the boys who left July 4th for Camp Ft. Crockett at Galveston, Texas, were as follows: Captain Buford Farmer, Lieut. A. L. Biggs, Lester Boardman, Fred Schultz, Ervil Robinson, Pete Woody, Bill Metcalf, Johnie Riggs, Russell Carroll, Jack Davis, Johnie Orr, James Runtion, Haskell Runtion, Gene LeGrand, Geo. Connell, Ira Connell, Ramsey Landrum, Johnie Bray, Shortie Griffith, Bill Weems, Marshall A. Hinderson, Snooks Bailey, Howard Robinson, Harry Cannon, Ebb Martin, Elijah Kelley, K. Y. Summerfield Sing Called Off For Sunday, July 27

A letter from S. J. Taylor of the Arney-Ridge district stated that the sing scheduled for the fourth Sunday in July, the twenty-seventh, is called off on account of so many other meetings at that time. The postponed sing will be announced in the Brand later.

A. and M. Hereford Boy Leads in High Grades

Daniel G. Bell, son of Mr. and Mrs. Allen Bell of this city, was among the seventy-seven students who did not make below grade "B" in any subject at Texas A. and M. College during the last school year. Records show that he is the only Panhandle student to make such a high grade. Mr. Bell finished his junior year and will return to A. and M. College as a senior next fall.

Oil Stove Explodes at W. J. Smith Home Monday

An oil stove in the home of W. J. Smith exploded Monday, at the noon hour, and the fire department was called to the scene but the blaze had been extinguished before their arrival. Only slight damage was done near the stove and the house was filled with smoke.

Jensen vs. Olsen Billed at Pavillion on Thursday

Thor Jensen, Hereford's champion wrestler, and Charles Olsen, Canadian middleweight champion, who wrestled to a draw here about a month ago, are billed to settle the argument tonight (Thursday) at the Stock Pavillion in a finish match. Both these men are good and so closely matched that it is difficult to pick the winner. A large crowd is in prospect.

Former Hereford Girl Weds Stamford Man

The following is a clipping from the Stamford (Texas) American: "At eight o'clock Thursday morning, the 26th, Miss Buena Gould and Mr. Oliver Crump were married at the Presbyterian Manse, the Rev. J. M. Younce, pastor of that church, reading the impressive ritualistic marriage service. The happy young couple left immediately for a week's trip to Wichita Falls and other points. Mrs. Crump is the daughter of Mr. and Mrs. J. H. Gould and a very beautiful, popular and accomplished young girl, while Oliver is one of Stamford's finest young men, and is connected with the Victory Cafe. They will be at home to their friends in the nice home owned by the groom on West Oliver street upon their return."

"Honoring Miss Buena Gould, popular bride-elect and member of teachers in her department at the Central Presbyterian church Sunday School, Mrs. A. H. Goldsticker gave a beautiful informal shower as a surprise to Miss Gould on Tuesday afternoon from 4 to 6 at her home on South Wetherbee street. After the guests were present the honoree was summoned by the hostess to meet with her Sunday School Class, a pretext to secure her presence, and there found the happy company in waiting for her."

"The guests were served iced lemonade and wafers during the afternoon, and enjoyed viewing the many pretty gifts."

Miss Gould formerly lived in this city, leaving here with her parents about a year ago.

PAGEANT WORKERS LUNCHEON VISITORS

WOMEN JOIN MEN IN THEIR BUSINESS MEETING

The weekly luncheon of the Chamber of Commerce at the Cordaya Hotel on Monday was honored by the presence of a committee of ladies representing the various women's organizations of the community, who were present at the invitation of Chairman Homer Wilkinson of the Amarillo Pageant committee. The larger part of the program was given up to a discussion of the Pageant, how far Hereford should participate, etc. The ladies committee consisted of Mrs. Homer Wilkinson, representing the Community Clubs; Mrs. C. C. Ferguson, the Music Study Club; Mrs. Whern Williams, the Mothers Club; Mrs. P. W. Price, the U. D. C.; Mrs. Homer Fox, the Bride Club, and Mrs. Seth B. Holman, the Bay View Club.

It was finally decided to participate in the Pageant and to make as good a job of it as possible, leaving the management of the affair in the hands of the ladies' committee, to which will be added a representative from the Parent-Teacher Association.

Routing matters from the secretary's office were then disposed of, after which adjournment was taken until next Monday at the City Cafe. Those present were:

Geo. Overton, W. E. Dunlap, A. R. Streu, Rev. W. P. Garvin, N. C. Vogele, D. L. McDonald, E. B. Black, Seth B. Holman, Rev. J. R. Sharp, D. F. Ashbrook, Mrs. C. C. Ferguson, Mrs. W. S. Price and Mrs. Seth B. Holman.

Following the luncheon the ladies committee and officers of the Chamber of Commerce met at the office of L. Haskin and discussed suitable candidates for Duchess and Maid of Honor. The final selection will be announced soon.

IOOF Lodge in Session Monday Vega Team Here

The Semi Annual meeting of the I. O. O. F. lodge was held in the lodge hall last Monday night. It was the time for the regular installation of officers, and a good representation of the order turned out. The following officers were installed: P. A. Turnbow, Noble Grand and John B. Davis, Vice Grand, J. B. Ellison, Recording Secretary; C. O. Lee, Financial Secretary, and Nester Goss, Treasurer, are officers that hold over another term. Both Noble Grand and Vice Grand made their usual appointments and the appointed officers were installed. Deputy Grand Master, Charles Ingram, and his team from Vega had charge of the installation.

The local lodge conferred the first degree on one candidate. After the work the men enjoyed a luncheon served by the members of the local organization.

The visitors from Vega were Charles Ingram, Joe Hinman, Farmer Jones, Howard Funk, G. W. Parker, Robert Scott, Joe Scott, Joe Wilson, Louis Lingle, Jack Robinson and E. L. Freeman, E. S. King of Hattiesburg, Miss., was also a visitor.

A. C. Boger and son of Vernon, Texas, arrived the first of the week to help thresh and market their wheat. Mr. Boger owns a section of land in the Jumbo district and from 100 acres is getting about twenty-two bushels to the acre. Mr. Boger said "The Hereford country is a great small grain country, all you need is some good farmers."

Stolen Car and Officers Enroute Thru to Roswell

A rather unusual transient automobile stopped at the Magnolia Filling Station Monday for gas, reports Manager Kellehor. The car was from Roswell, but had been stolen by a couple of men and driven on through into Oklahoma. Two Roswell officers captured the men and were enroute home with them, traveling in the stolen car. The prisoners were heavily ironed, on the back seat, and were carefully guarded by one officer while the other drove the car.

DAVIS IS CHOSEN ON BALLOT NO. 103 AFTER McADOO AND SMITH FORGES HAD GIVEN UP WORLD'S HARDEST STRUGGLE

Nephew of Mrs. A. L. Gibson Killed By Stick-up Men

Madames A. L. Gibson and S. H. Hodges of Wichita Falls, who, with Mrs. Gibson's brother, Walter Palmer, and wife arrived here last Sunday for a visit with Mr. and Mrs. T. M. Palmer, were hurriedly recalled to Wichita Falls Wednesday morning, when advised of a grim tragedy in their family. Wesley Ashmore, 13 year old son of Mrs. Ashmore, Mrs. Gibson's brother-in-law, was beaten into unconsciousness by robbers Tuesday afternoon and died Wednesday evening without ever regaining his senses. It is understood that the young boy had been left in charge of a cold drink stand while his employe was at lunch and the robbers struck him over the head with a club and robbed the store.

Wichita Falls police are working hard to solve the mystery. One negro has been rushed to Fort Worth for safe keeping and six other negroes are being held in connection with the crime. Mrs. Hodges, who returned to Wichita Falls with Mrs. Gibson, is a sister of Mrs. T. M. Palmer. Walter Palmer and wife will remain here for several days yet.

The pupils of Madam Vetterli, who came from New York City as guest instructors at the American Conservatory of Music, and the violin pupils of Mr. Gordon who is Concert Master of the Chicago Symphony Orchestra, gave a recital in Kimball Hall Wednesday morning, and Miss Helen Lambert was invited to give a piano number on this program.

Miss Lambert is a daughter of Mr. and Mrs. Frank Lambert of this place, and her many friends will be glad to hear of her excellent work.

Alex Thompson in Charge of J. Frank Potts Office

A. O. Thompson, formerly County Clerk of Deaf Smith county for six years, and for the past year or so connected with the Dunlap Hardware Company of this city, severed his connection with this Company on July 1, and will from that date have full charge of the abstract and loan business of J. Frank Potts. Mr. Thompson needs no introduction to citizenship of this county, having been a resident here for the past fifteen years, and well and favorably known. Mr. Thompson's work in the office of the County Clerk, also his experience in former years of making abstracts brings him to this office well equipped to take charge.

Mr. Potts is fortunate in obtaining the services of Mr. Thompson to take charge of his office during his absence to the "wilds," camping, fishing and resting for an indefinite period in the hope of regaining his health.

J. H. Kemp's Brother at Ballinger Passed Away

Insurance Men From Amarillo and Dallas Here

J. A. Key of Dallas, special representative of the Southland Insurance Company, and Geo. W. Lewis, Jr., former Hereford citizen but now at Amarillo were visitors here this week. Mr. Lewis has been made a special district representative of the Southland and will look after business in this territory from his Amarillo office.

Miss Annetta Landrum left Wednesday morning for a few days visit with friends in Canyon. Miss Landrum received her B. A. degree from the past school term from the W. T. S. T. C. of that place, and has accepted a position as teacher in the West Texas Military College next year at San Antonio, Texas.

John W. Davis of West Virginia for president, and Governor Chas. W. Bryan of Nebraska, brother of William Jennings Bryan, for vice president, the Democratic ticket which the voters will be asked to elect at the general election next November. The ticket was named Wednesday after the most strenuous political convention in history and after more than two weeks of bitter factional strife among the leaders of the party assembled in Madison Square Garden, New York. Mr. Davis, former Ambassador to Great Britain, was nominated on the One Hundred and Third ballot, and Mr. Bryan on the first ballot cast at the night session. Mr. Davis broke precedent by addressing the convention after his selection and in taking an active hand in choosing the man who is to run with him.

Both McAdoo and Smith finally withdrew their names, when it was seen that neither could be nominated, and the final battle was fought out between Senator Underwood and Mr. Davis.

Thomas B. Love, Texas National Committeeman, authorized the following statement:

"The convention was ultimately forced to a choice between John W. Davis and Senator Underwood and very wisely it nominated Davis. He is a man of the highest character splendidly equipped for the duties of the presidency and a sound Democrat who is a progressive at heart. He is one of the great lawyers of the world, and I predict as president of the United States he will serve the people with the same skill, zeal and effectiveness he serves his private clients and that those who may hope or expect any other course from him will be disappointed."

**(Too Late For Last Week)**  
A large and appreciative audience was out Saturday night to hear "The Gold Bug." Some fifty odd dollars were raised. Ray Barber of Hereford sold the pies—which exceeded anything attempted in quality and quantity.

Many from here are planning to attend the West-Way fourth of July celebration. Despite the fact that harvest is under way this day of independence comes foremost in the mind of every citizen.

The usual Sunday night singing was well remembered. At times the black heavy canopy above threatened a deluge but not until Jeff Robertson from Summerfield led the audience in song did the clouds forget their dead silence of the past six months an join in a cheerful chorus. Come again, Jeff.

Miss LeVerne Robinson invited the members of her Sunday school class, the Senior Truth Seekers, to her home Sunday afternoon. After several hours of pleasant visiting and an enjoyable repast, the group, in several cars motored back to the school house for the singing.

Next Sunday, July 6, Dr. Phillips, evangelist, holding a meeting in Hereford, will preach for us immediately after Sunday school. A large crowd is expected, and a cordial invitation is extended to all who have not had the opportunity of hearing the announcement.

Rev. J. R. Sharp will have a regular appointment here every third Sunday.

Messrs. Yero East and Charlie Phillips transacted business in Dimmitt and Hereford Tuesday. Mr. East traded his Ford touring car for a roadster.

The Mexican crew finished the Lambert Haberer shearing Tuesday and moved to the Bloodsue ranch.

Herman Haberer took Jack Vaughn to his home in Hollene, N. Mex., Sunday. From Hollene Mr. Haberer went to Endee for some Mexican herders.

Miss Mary Albracht returned home yesterday from Amarillo.

Mr. Stephens and children from Slaton passed through Nazareth enroute to Umbarger to attend the funeral of Herman Edmond, who was operated on for appendicitis at Amarillo. After they returned through here they stayed with the Duke's one evening.

The Stork brought twin girls, Constance and Celester, to Hylands last week.

We had a good rain Monday evening

which has caused all the farmers to have a big smile.  
The Dramatic Club of Nazareth gave an entertainment last night, July 2. A large crowd attended and it was reported that everything was fine and they all enjoyed the evening program. Mr. Binney of Hereford demonstrated his DeLo lights by lighting the Hay, which made it more enjoyable with the fine lights.

**WYCHE ITEMS**

Our Sunday school is growing in attendance every week. There were fifty six present last Sunday. A contest will begin Sunday within each class and Bibles will be given as a reward for your efforts at the close of the quarter. So come and help make this plan a success.

A large crowd gathered Saturday night at the school house to attend the 42. A very funny program was rendered and the quartet sang some pretty songs before the tables were arranged for playing 42. We have these gatherings every other Saturday night and every one is invited.

We will have singing next Sunday night. Come.

There was an awful rain and hail storm passed through this neighborhood Friday evening. The crops are nearly a total loss in all the fields it hit. Most all had taken out insurance but some will lose their little grain and cotton. The storm came so sudden and, not knowing its power, several persons were caught out. With the exception of a few brules and "goose eggs" all survived the storm. Mr. J. C. Williams being the most unfortunate one, while closing a gate the hail frightened his team and they ran away from him. Mr. Williams was forced to walk one-half mile to find shelter. It was nearly mid-night when he and Mr. Hough rounded up his team and arrived home.

Mrs. J. C. Clayton spent the 4th with Mrs. Will Johnson of Hereford. Mr. Clayton and daughter enjoyed the picnic at West-Way.

Miss Ruth Wolfe spent Saturday night with Miss Oleta Elliston, while Miss Vera Elliston visited Miss Mary Clayton.

Sunday night, a week ago, several gathered at the school house to attend singing. It began raining so hard they could not return to their homes. Mr. and Mrs. Applegate, who live close by were friends indeed when they asked the singers to spend the night in their home. The guests were Mesdames J. C. Williams and B. D. Downing, Misses Callie McKenney, Lorlene and Mattie Ruth Williams, Messrs. John Roberson Elmer, Ray and Roy Williams, Rawleigh Hough Jr., Hubert Peingraph and Edgar Lomas.

Junior Smith of town visited his friend, Ralph Wolfe, Saturday and Sunday.

Mr. and Mrs. C. C. Cook and Mrs. J. C. Williams and a host of young people spent Sunday in the Applegate home.

Mr. and Mrs. R. W. Hough and Mr. and Mrs. E. M. Cox and their families took dinner in the J. J. Clayton home last Sunday.

Miss Vera Dugan spent Tuesday with

Miss Virginia Wyche.  
Misses Erna Decker, Ruby Dugan and Oleta Elliston and Mr. J. A. West of Hereford were dinner guests of Mr. and Mrs. Leo Wolfe and daughter last Sunday.

The guests in the J. C. Williams home Saturday night were: Misses Gladys and Jewell Applegate and Messrs. Edgar Lomas and Floyd Prenter.

Mr. and Mrs. J. J. Binney of Eric were supper guests of Mr. and Mrs. Raymond Elliston Saturday.

James Dugan visited Rawleigh Jr. and Joe Hough Friday.

C. C. Cook returned from Happy Texas, Saturday morning.

Misses Vera Smith, Alberta and Ruby Dugan spent the 4th with Miss Callie McKenney.

Irvin Elliston stepped on a nail Monday week and he has a very bad looking foot. He has suffered severe pain the last few days. We hope nothing serious will set in and that he will soon be on both feet again.

Mid-afternoon—A busy street—A sudden cry—The rush of nearby figures—"Somebody's hurt!"

Tragedy—Broken health—A broken home—for someone—may lurk in that familiar phrase.

Yet how casually we say it. How soon the fleeting lesson is forgotten!

"SOMEBODY'S HURT!" Have you ever paused to consider that some day this cry may be raised above you? Recent statistics show that in a year one person in every fourteen is killed or injured in an accident.

What if you were to meet with prolonged or permanent disability to-morrow? How would your family be fed, clothed and sheltered if your earning ability suddenly were cut off? How long would your savings keep your family in its present comfort if your income were severed and there were additional heavy expenses for surgical attention, nurses, hospital care, specialists' fees, etc.?

**"Somebody's Hurt"**

Mid-afternoon—A busy street—A sudden cry—The rush of nearby figures—"Somebody's hurt!"

Tragedy—Broken health—A broken home—for someone—may lurk in that familiar phrase.

Yet how casually we say it. How soon the fleeting lesson is forgotten!

"SOMEBODY'S HURT!" Have you ever paused to consider that some day this cry may be raised above you? Recent statistics show that in a year one person in every fourteen is killed or injured in an accident.

What if you were to meet with prolonged or permanent disability to-morrow? How would your family be fed, clothed and sheltered if your earning ability suddenly were cut off? How long would your savings keep your family in its present comfort if your income were severed and there were additional heavy expenses for surgical attention, nurses, hospital care, specialists' fees, etc.?

The farmers are all rejoicing over the good rain that fell over this part of the community last week. It surely was needed on feed and cotton, while it will delay harvest a few days. Some of the farmers have finished combining their wheat and have made remarkable yields, ranging from 32 to 40 bushels to the acre, which is extra considering the spring being so dry and the winds blowing so hot. Bird Cox returned from Plainview last Friday a week, where he had been under the care of Dr. Nichols and

Dr. J. M. Ferrell left last Thursday morning for Ft. Worth, where he will join his family. The Ferralls will make their home in Ft. Worth for the present.

Mrs. H. E. Henalee and children who had been visiting in the home of A. H. Streu for the past ten days, left for Amarillo, where they will visit a while before returning to their home in Comanche, Oklahoma. Mrs. Henalee is a sister of Mrs. Streu.

Mr. and Mrs. Fred Haines of Monticello, Ohio, who have been visiting old friends, Mr. and Mrs. J. C. Padock of this place, left Monday morning for Abilene, Kansas, where they will visit friends before returning to their home.
