20TH YEAR, NO. 7.

HEREFORD, DEAF SMITH COUNTY, TEXAS, THURSDAY, MAR. 4, 1926

EGG ASSOCIATION PLAN OF BREEDERS

Plans for an infertile egg association for Deaf Smith county were discussed at a recent meeting of the Poultry Study Club of Hereford, and a committee composed of J. W. Houston, D. W. Hawkins, N. C. Yegle, J. F. Ward and H. H. Hawkins, all local poultrymen, was appointed to look into the matter.

The committee was instructed to gather data on the various phases of marketing infertile eggs, and if possible, to visit some organizations that have already started operations. The poultry business has been developing very rapidly in Deaf Smith county during the past few years, and promises to double within the next twelve months. An association would afford better prices for the products, and at the same time would encourage farmers to produce a better class of eggs. It was decided at the meeting—right now there is no premium paid here for number one eggs. Culls bring just as much as the best, and it is believed that an organization could bring about better conditions. The three local produce companies are heartily in favor of the plan of organizing an association among the poultry breeders, and all three of them have pledged their support in trying to put the move over. The committee is to report its plans within the next three weeks to the poultry breeders, and every farmer interested will be urged to attend that meeting.

Fairview People Have Organized Own Poultry Club

A Poultry Club was organized at Fairview school, twenty miles northeast of Hereford Tuesday, with more than forty members present at the initial meeting. The club has for its purpose the fostering of better poultry and the study of problems that confront the poultry breeders.

A boys and girls club was also organized at the meeting, with nearly 100 per cent of club age enrolled at the first meeting. These youngsters will take some farm project during the coming year, using only the latest methods of farming.

Officers of the Poultry Club elected at the initial meeting are: W. L. Davis, president; J. P. Walker, vice president; and Ada Lou Bowen, secretary-treasurer.

W. T. Womble Has Won Out Game of Hereford Breeding

Building his business on the basis that stock raising and dirt farming should go hand in hand, W. T. Womble has made a name for himself on his Palo Duro Hereford farm fifteen miles northeast of here, that only a selected few can equal. As a farmer he has been a success, and has helped to develop the natural possibilities of Deaf Smith county soil; and as a Hereford breeder Mr. Womble has acquired greater returns than the larger per cent of the cattlemen of Texas.

This man started into the Hereford business some twenty years ago, but he didn't have the Palo Duro Hereford farm, with all of its buildings and modern conveniences. This man started out with nothing, and has grown into the Hereford business and farming industry. He gradually got together a handful of Hereford cattle that were rich in Anxiety 4th breeding. He has always kept the best that he produced, sold the culls off, and has used nothing but straight bred Anxiety 4th sires for the past fifteen years. He now has 250 breeding cows, all of his own breeding. Here are the seven herd bulls that are in service on Mr. Womble's Palo Duro Hereford farm: Don Junior 3rd by Don Stanway Jr., and out of a Glasco cow; Randolph Special by Beau Randolph and out of a Beau President cow; Glasco 71, by Glasco by Domino, and out of an Anxiety 4th cow; Don Stanway 2nd by Don Stanway and out of a Beau Randolph cow; Don Stanway Jr. by Don Stanway and out of a Bright Stanway cow; and two sons of Beau Blanchard 116th. Most of the cows that are in the Womble herd were sired by three bulls that were bred and raised by Gudgell and Simpson.

Continued on Page 8

McDonald Closes Well Contract at Panhandle

D. L. McDonald has just closed a contract with the city of Panhandle to drill and install machinery complete for a water well for that city. According to the contract, Mr. McDonald guarantees a well that will afford 300,000 gallons per day, and work is to begin on this project immediately. Mr. McDonald states that there is more water development in the various cities of the Panhandle right now than has ever been shown in the history of this section. He attributes this to the growth and development of the Panhandle-Plains country.

Telephone "Trouble Man" Takes "Flu" on Arrival

E. Hooks, former telephone manager here and now field representative for the Southwest Bell Telephone Company, arrived last week to work with the local telephone officials in improving the service here. Immediately upon his arrival, however, he was stricken with the flu and went to bed. He is up and around this week but too weak to attend to business.

Ashlock Waived Examining Trial; Bond is \$4,000

The examining trial of J. M. Ashlock, held by Sheriff Benton in connection with the stabbing of P. A. Jones February 21, and his death on February 24, was held before Justice of the Peace J. H. Wilson, in the County courtroom Tuesday, March 2. A charge of murder had been filed against Ashlock following the death of Jones.

At the trial the defendant was represented by attorney W. H. Russell and the State by District Attorney Clifford Braly.

Ashlock waived the examining trial, his bond was set at \$4,000, and the case bound over to await any action which may be taken by the next grand jury.

The body of Jones was buried last Saturday afternoon at 3:30 o'clock, following a ceremony at the E. B. Black Undertaking Parlors, conducted by the Rev. T. Morgan of the Christian church.

Hereford Cattle Men In Check of Local Cattle

John C. Burns, secretary of the Texas Hereford Breeders Association of Fort Worth, Ralph Dawson of the Drovers Telegram of Kansas City and A. H. Walker, representative of the American Hereford Journal, were in Hereford Tuesday. They checked over the stuff that is being shipped from here to Fort Worth for the Fat Stock and Southwestern Exposition, and spent some time at the E. B. Black Hereford farm west of here looking over the stuff that Mr. Black has drafted for his big Anxiety 4th sale to be staged here April 15. These men were exceptionally pleased with the female offering that Mr. Black is putting in his sale, and expressed the idea that a lot of his breeding stuff would fit in favorably with most any of the big Hereford herds of the country. The visitors came here from Amarillo where they are attending the Cattlemen's Convention which is being held there this week.

Virgil Beyer left Sunday for Panhandle where he will be second trick operator for the Santa Fe.

Hereford, Texas, March 4th, 1926.
TO THE BRAND:
As tree planting time is upon us, I think it well to call the attention of the public to a City Ordinance passed some years ago, establishing a tree-line regulating the planting of trees along the curb. Section 1. of this Ordinance is as follows:
"A tree line on all the streets in the City of Hereford is hereby established and is declared to be a line in the streets of the city ten feet from and parallel with the property lines. Hereafter it shall be unlawful to plant any tree in any street in the City of Hereford at any place except on the tree line hereby established."
All who intend planting trees along the curb in front of their property are requested to observe this ordinance.
Yours Very Truly,
E. S. Ireland,
Mayor.

MANY FOLKS WILL ATTEND STOCK SHOW

No town in this section is expected to have a larger delegation at the Fort Worth Fat Stock Show and Southwestern Exposition next week, than the one that is planning to go from Hereford. A large per cent of the local delegation will be Hereford breeders of Deaf Smith County, but a few business men are also among those planning to make the trip.

With more than a million dollars worth of fine Hereford cattle in Deaf Smith county, local breeders feel that they must attend these annual meetings which are always headquarters for breeders from all sections of the country. Nine anxiety 4th Herefords have been entered in the Fort Worth Show by local breeders.

Those expecting to go from here to the Fort Worth Fat Stock Show are: D. L. McDonald, John McDonald, Mrs. L. R. Brady, Ed East, Henry Wilkinson, Mr. and Mrs. Ray Barber, Mr. and Mrs. H. D. Womble, Mr. and Mrs. Bill Womble, E. B. Black, Jim Sanders, Rat Jowell, Lan Shore, Mr. and Mrs. O. G. Hill, Doyle Rose, Carl E. R. T. Green, Barrett So-well, W. E. Dameron, and T. D. Moss. Most of the group will leave here Sunday.

Scout Executives Hold Meeting With Parker

Thos. H. Nelson and F. T. Craft, Area Executives for the Panhandle Council Boy Scouts, were in Hereford Monday morning conferring with G. A. F. Parker, newly elected president, concerning the work for the coming year.

Plans for the Hereford council were also discussed with chairmen of local committees, and work will start at once on the 1926 program. Messrs. Nelson and Craft are making a tour of the entire area this week in the interest of the Boy Scout movement. F. T. Craft will be the principal speaker at the Hereford Chamber of Commerce luncheon next Monday.

Norton Brothers Acquire Building And City Garage

Ezra and Claude Norton have purchased the garage formerly owned by Shore & Cunningham and took possession March 1st. The Norton brothers also bought the building in which they are now located from Mr. Shore. The new concern will do a general storage, oil and gas business and also continue with the Buick agency, with a complete line of Buick parts.

A pie supper entertainment will be given at the Dawn School house Saturday night March 13. The program will begin promptly at 8:00 o'clock. The public is cordially invited to attend. Ladies, bring your pie.

The Iron Horse Will Be Here on March 12-13

Numerous histories of the building of the new west, telling of the first continental railroad, record colorful incidents of that achievement which have been faithfully re-enacted for the screen in the William Fox special "The Iron Horse." As an instance, there is a detailed record in the "New Colorado," by Hayes, of an attempt by Indians to lasso a train. The incident is shown in the picture as clearly as its occurrence.

"The graders and track layers often had to fight their way and there is a tradition current of an attempt to stop an express train," wrote Hayes. "It is understood that a lariat was stretched across the track, breast high and held by some thirty braves on each side. 'But,' says the narrator, 'when the engineer first saw it, he didn't know what on airth wuz the matter, but in a minute more he bust out laughin' and he ketches hold of that throttle, an' he opened her out; an' he struck that lariat going about forty mile an hour and he just plied them braves up everlastin' permiscons, you bet!'"

John Ford the director, follows actual history in the picture which has been heartily approved by both press and public.

"The Iron Horse comes to the Star theatre Friday and Saturday March 12-13.

LUNCHEON IS TOLD ABOUT ACTIVITIES

The work of the Hereford delegation that attended the Annual Area meeting of the Boy Scouts of America at Amarillo last week was reviewed at the weekly luncheon of the Chamber of Commerce Monday, held at the Hereford Hotel, and it was brought out that this place had five Eagle Scouts to attend the Amarillo meeting, which was by far the best showing made by any city in this section. G. A. F. Parker was introduced as the new president of the Panhandle Council. He was elected last week in Amarillo and will take up his new duties April 1. Ralph Barnett was elected National Councilman for the Panhandle Area and Rev. Jas. T. Ross was placed on the Board of Directors, according to announcements made at Monday's luncheon. Rev. J. O. Haynes paid tribute to Rev. W. R. Hill for his work on the nominating committee, and praised Hereford for the big delegation that went to Amarillo.

Rev. Jas. T. Ross told of the work that has been done here by the three scout masters, E. W. Harrison, Jim Black and A. G. Bell. He said that the scout movement in Hereford could not be put over without the consistent work of these men.

E. W. Harrison told of the cooperation that Hereford folks had always given in the movement, and said he felt sure that there would be more interest during the coming year than ever before. Mr. Harrison said that the boys would probably be taken on a trip next summer, and suggested that a trip be planned to the Taos Mountains in New Mexico at the same time the Texas-New Mexico Highway meeting is staged in Taos.

The three local banks have purchased a hundred copies of the Boys Life for six months, and this magazine will be given to the Boy Scouts free during the next six months, according to Rev. W. R. Hill.

J. B. Elliston and A. E. Channess spoke briefly of oil development in Deaf Smith county, and stated that the blocking of acreage east of Hereford was progressing nicely.

Mrs. J. J. Ward to Fill Unexpired Term of Husband

At the last meeting of the Commissioners Court Mrs. J. J. Ward, widow of the late County Treasurer, was appointed to fill out the unexpired term of her husband. Mrs. Ward's official connection with the county began March 1, but she will really begin her duties when the court meets in regular monthly session next Monday.

Golden Rule Hatchery Gets Another Batch Off

The second hatch at the Golden Rule Hatchery which came off early this week, showed a decided improvement over the first. A fifty five per cent hatch for the total number of eggs set, and a fifty per cent hatch for the total number of chicks hatched. The hatch is being received from pullets than any other kind, and that the White Leghorn is leading all other breeds in hatching percentages.

Episcopal Service Held Here by the Rev. Eteson

Rev. Frank Eteson, Episcopal minister at Plainview, held a church service in Hereford last Sunday night at the home of Mr. and Mrs. F. W. Price. The impressive service was attended by a small but enthusiastic congregation. Another service will be held here on the last Sunday in March, the place to be announced later. Bishop Seaman of the Episcopal church at Amarillo is expected here at the home of J. E. Gyles on March 15.

Highschool Orchestra to Entertain Friday, March 12

Director Ralph Smith of the High School Band and Orchestra, announces that his organizations will present a musical program in the high school auditorium Friday night, March 12, beginning at 7:45 o'clock. The instrumental numbers will be interspersed with solos and duets and an attractive program has been prepared. The small admission to be charged will be used in defraying the expenses of the organization in attending the Musical Festival at Amarillo this spring.

Uncle Sam is Interested In Harrison's Elevator

Uncle Sam is much interested in the catastrophe which destroyed the Harrison Elevator December 25, according to a letter received by the Brand this week from the Bureau of Chemistry, at Washington. The letter says:

"In connection with the dust explosion investigations in this Bureau we are very much interested in the report of the destruction of the E. W. Harrison elevator at Hereford on December 25. We would like to obtain copies of any press reports or photographs available in order to compare our records of this occurrence."

"The Bureau of Chemistry for several years has been conducting research investigations to determine the causes of the dust explosions and to develop additional control measures. We are very anxious to secure all available information on this occurrence and will appreciate copies of any press reports available, giving the necessary data in connection with this matter."

City Election is Called Here for Tuesday, April 6

Official announcement is carried in this paper of the coming City election, April 6, when the voters of the City of Hereford will be called upon to select a Mayor and two commissioners for the ensuing two years.

While little comment on the possibilities have been heard so far, The Brand understands that the record made by Mayor Ireland and commissioners Dyer and Newell has been most satisfactory to the people of the city, and that petitions asking their reelection will be prepared and circulated at an early date.

Miss Maurine Beyer in Recital Over the Radio

Miss Maurine Beyer, daughter of Mr. and Mrs. J. E. Beyer of Hereford, had the distinction of broadcasting over the radio from Dallas Tuesday night. Miss Beyer is an accomplished violinist and singer and her program was greatly enjoyed by friends scattered over Texas and Oklahoma. The concert came in here as clearly as though the artist were in the rooms with the groups of friends. Following the concert telegrams of congratulations from many points were read, including many from Hereford, and Miss Beyer spoke to her father directly in answer to his wire.

Lycium Number, March 5, Postponed Account Flu

The Lycium number, to be presented by the Pep Class of the Christian church, announced for Friday night, March 5, has been postponed on account of the illness of three members of the cast. The new date for the entertainment will be announced as soon as possible.

Ray Barber of Hereford is working up quite a reputation as a young auctioneer. He assisted in the big Panhandle Hereford Breeder's sale at Amarillo last Wednesday, and is slated to work with Fred Reppert considered to be one of the world's greatest auctioneers, in the Texas Hereford Breeders consignment sale which will be held in Fort Worth next week in connection with the Fat Stock Show and Southwestern Exposition. Mr. Barber was formerly an Anxiety 4th breeder of Deaf Smith County. He has been working at the auctioneers trade for over two years.

The Brand again has to ask the indulgence of its readers and customers. The "Flu" and other circumstances have taken heavy toll the past two weeks among the members of the force. Mr. Steckman is still at the bedside of his father. Miss Floyd Wilson, local and society reporter, and Russell Whitehead, apprentice, are both in bed with the flu. Seth B. Holman was compelled to leave the sick room to help meet the situation.

E. F. Bauman, linotype operator from Dallas, has been secured to help in the mechanical department, and N. C. Yegle and Secretary Moss of the Chamber of Commerce have rendered invaluable aid in the "front end" work. More normal conditions are hoped for by next week.

SUGAR BEETS TO RECEIVE NEW TRIALS

According to Edward Blood, at the Cordova Hotel, it looks like the Hereford country is going to raise a good crop of sugar beets this summer. Mr. Blood just received a large sack of sugar beet seed and requests the Brand to tell the farmers, who have irrigation wells, to come to the Cordova Hotel and get enough seed to plant a half-acre. Mr. Blood said that the seed will be furnished free and all he asks is that the beets be taken care of and harvested.

The seed comes from the Holly Corporation of Swink, Colorado, and experts, from this corporation, will visit here at intervals during the growing season giving valuable data on how to care for the crop.

C. B. Carleton, Age 44, Died Here on March 2nd

C. B. Carleton, aged 44, died at the hospital Tuesday night, following an attack of the "Flu." His body was shipped to Quannah, Texas, Wednesday night by the E. B. Black Undertaking Co. for burial.

Mr. Carleton resided south of Black, Texas, and is survived by his wife and several children.

Light Rains Will Help Mightily in Work of Farming

A light rain began falling here and over practically the entire Panhandle country, Wednesday morning about nine o'clock and continued up into the night at intervals. The total precipitation was small but what did fall soaked into the ground thoroughly, settled the dust and will be a big help to the farmers and especially to the wheat men, as moisture was very near the top of the ground. The absence of the wind and the coolness of the atmosphere helped hold the moisture and the precipitation will undoubtedly aid mightily in keeping the wheat coming and tillable ground in shape for planting.

Pre-Easter Services Planned by Churches

All Churches of Hereford are planning a pre-Easter religious campaign, which will be more extensive than has ever been carried on in Hereford. Every Church is expected to stage a revival of from one or two weeks just before Easter.

Plans for the religious campaign are being formulated and will be announced early next week. This is right in line with the Panhandle area movement that is being fostered by most of the churches in this section, in which the local churches are cooperating.

Flu Epidemic Cause of Much Sickness Here

Hereford and vicinity has been hard hit by the epidemic of influenza. Two weeks and scores have been down with the disease which has swept the country. Fortunately the sickness has generally been in mild form and most of the patients are now reported convalescing. Hardly a home in this vicinity that has not been hit, and in many cases whole families have been in bed at the same time. To attempt to list the sick would be a hopeless job, owing to the number. It is believed that the cooler weather following the rain this week will aid in stamping out the epidemic.

Boy Scout Magazines to Be Read by All the Scouts

Boy Scouts of Hereford will have a chance to read Boy's Life, the official magazine for the Boy Scout movement of America through the courtesy of the three local banks. These three institutions have purchased 100 copies of the magazine for six months, and the boys are to visit the banks each month to receive their copies.

The Reading Committee of the local council, composed of Rev. W. R. Hill, Judge Earl W. Wilson and Arthur Manjeot, completed this project a few days ago and the first issue of the Boy's Life will be received early in March. This committee is cooperating with local news stands in an effort to supply the Boy Scouts of Hereford with clean interesting reading.

AN ARGUMENT FOR SAFE FARMING.

Clarence Ousley, who has been named head of the Texas Safe Farming Association, with headquarters at Dallas, has the following to say about what he considers the best argument he has ever heard for safe farming in Texas:

"At a typical county seat in North Texas, the first week in February a meeting was held, attended by about two hundred farmers, bankers and leading business men of the town. Several addresses were made on the present cotton crisis and the danger of further losses from another big crop.

"Finally one of the bankers present asked that all farmers who had corn in the crib of their own production to arise. Twelve men arose. After they were seated he asked for all farmers who had meat in the smokehouse of their own raising and curing to arise. The same twelve men arose. After they were seated he asked that all who had money in the bank which they did not borrow to arise. The twelve same men arose."

MAKING HOME-OWNING EASIER.

Millions of words, tons of print paper and years of mental activity that might better have been given to constructive thinking have been wasted in deploring the effect of the automobile upon the economic and social fabric of the United States. Clothing manufacturers have complained that the burden of purchase and maintenance of an automobile so readily taken on by the average family has produced parsimony in clothing the bodies of the members of the family. Bankers and economists have asserted that the huge expenditures for pleasure vehicles constituted a drain upon the more vital relations of commerce and social life. More important than all appears to be the complaint most often heard from dealers in building materials and real estate, that the automobile is taking funds that, for the best public interest, ought to go into home building.

Only recently has the feeling of interested parties on this subject reduced itself to the practical point of making an analysis of the situation to ascertain why people buy automobiles with more enthusiasm than they buy homes. The moving force of fundamental necessity is all on the side of home ownership. Something within the heart of every man and woman who have taken up or are about to take up life together urges them toward acquiring a plot of ground and a shelter of their own. The automobile appeals also to a basic desire for pleasure and relaxation, but this desire is not so deep-rooted in the makeup of the individual as that of owning a home. The fact that the wish for an automobile frequently wins over the wish for a home, there-

fore, is not surprising. The availability of the two objects. However, as one can deny, there is a vast difference. For the purchase of an automobile, every facility which modern financing has discovered is available to the person of moderate means. But when he goes to build a home he finds an entirely different situation.

Analysis such as this produced before a recent convention of the Ohio Lumber Dealers' Association, brought about a movement for the introduction into the retail lumber business of the installment plan, which has proved so successful in other lines of business, notably the automobile and furniture. The plan, advanced by Theodore F. Laist, architectural advisor of the National Lumber Manufacturers' Association, proposes a new and seemingly economical meth-

od of financing the second mortgage, which would eliminate a large part of the cost that most deferred payment plans at present impose on home builders who have not enough cash to make up the difference between a first-mortgage amount and the cost of the house and lot. The suggestion was offered to the lumber dealers as a means of increasing their sales, but, if successful, it would take on wider importance as a constructive factor in social welfare.

Briefly, it proposes the organization by material men, real estate men and contractors of second mortgage financing companies in the various communities. Members of the company, representing all classes of service and materials needed in the erection of homes, would bid on contracts in the usual way, but would agree to take second mortgage notes, each his percentage of whatever amount might be needed to bridge between the first mortgage and the cash sum the owner had on hand, accepting such notes at par. Return, the holders of the notes turn them in the company, receiving in cash their face value less a small service fee. Such paper, with the building itself and the endorsement of the owner and the contractor as security become collateral upon which the company may obtain loans through regular banking channels. Under this plan there would be no necessity for exacting high interest or fees, which in present practice place a discouraging tax on home building. The mere suggestion of such a plan reveals that those whose business interest are mostly threatened by a falling off in home building may be able to work out their own salvation. And in so doing they will be contributing largely to the fundamental gain of the community.—Fort Worth Star-Telegram.

THIS WEEK

By ARTHUR BRISBANE

TOO MUCH WEALTH.
SOME STARVE, SOME DONT.
TOO MANY DUCKS.
—AND A LITTLE MORAL.

Certain interests connected with power companies that want to control water power carry on systematic misrepresentation as regards the value of irrigation.

Demand for irrigation influences votes for government control. Hence the attack on irrigation, destined to redeem millions of acres, the most fertile land in the world, and to add tens of billions to the wealth of the nation.

Farmers know that even where it rains irrigation can improve crop values.

It is shown that in favorable localities, under irrigation, two crops of potatoes can be raised in one season, instead of one. In addition to doubling the size of the crop, a season's irrigation more than doubles its value by bringing in the first crop much earlier and getting higher prices for earlier potatoes.

This column has already described the alfalfa ranch of the Hodge Brothers on the Arizona desert, where rain rarely falls.

The land there, year in and year out, produces seven crops of alfalfa per year under irrigation, more than nine tons to the acre. The total cost of electric current for irrigating one hundred and fifty tons, worth \$28 a ton, is 300. Any farmer knows the profit in that kind of farming.

Mrs. Mary Harrington, of Mahony City, Pa., had several children. Her husband, a coal miner on strike, went to look for work in another town. She gave her children what food she had and she died of hunger.

One advantage is with the mine owners. No matter how long a strike lasts mine owners, their wives and children never starve. That's an advantage, yet pushed too far, it can become a disadvantage.

When told that the poor had no bread, Marie Antoinette wondered "why they didn't eat cake." Later she and her husband stopped eating via the guillotine. She was only a poor fool.

An able statesman of her time suggested that the people eat grass. The people stuffed his mouth with grass when they carried his head around on the end of a pike. It is well to remember these things, even in happy, prosperous days.

F. G. Bonfils, in his able Denver Post, tells of truck farmers in the surpassingly rich San Luis Valley asking the government to protect them against too many wild ducks. Farmers plant miles of pea fields for canneries. Wild ducks, like a cloud, eat the peas.

The ducks will be annoyed when R. G. Parvis, Colorado game commissioner, carries out his plan and sends a snorting, humming airplane up and down the San Luis Valley frightening the ducks from the peas.

Can you imagine the rage of those ducks when they see that new bird, looking to them as big as a mountain, bellowing and roaring at 100 miles an hour up and down the valley?

That's better than in old days, be-

fore the French Revolution, when miserable peasants watched deer eat their crops and wild boars root up their gardens, helpless because noblemen wanted the pleasure of killing those animals and would not let the peasants touch them.

That is one of many things that brought on the French Revolution. To avoid revolutions, make the masses contented. Give them something to live for.

This is done here by manufacturers of radio apparatus, automobiles, moving pictures. The fact that a revolution might break up the movies, and disturb the broadcasting stations, would make the people hesitate.

Miss Kathleen Hawkins Receives Her Literary Diploma Coming Spring

On the 22nd of February each year Kidd-Key College at Sherman, Texas, holds the most important social event of the season, the annual homecoming and reception. This annual entertainment began at Kidd-Key a few years after the school was taken over by Mrs. Key, and has been continued until the present time.

On Monday, Feb. 22, 1926, the senior class was welcomed into the Alumnae Association. After this the faculty, seniors and Alumnae were entertained with a luncheon. Following the luncheon, the Association and their guests heard Miss Evelyn Finity, and Mrs. Clara Perkins Mangrum,

MARCH 22, 1923

1,000,000

DECEMBER 16, 1925

1,500,000

On March 22, 1923, Buick celebrated the building of the millionth Buick. Approximately eighteen years were consumed in the accomplishment.

On December 16, 1925, Buick reached the million and a half mark. A million Buicks in eighteen years—the next half million in two years and nine months.

At the present time, public demand calls for more than 20,000 Buicks every month. This means the next half million in the hands of Buick owners, within two years.

These bare figures tell a graphic story of Buick's continuous advance in public regard. The great acceleration of demand, at the present time, speaks strongly of the increased value and desirability in the Better Buick.

Leadership belongs to Buick because a nation familiar with many motor cars has given it to Buick.

The American public wants "finer transportation at lower cost", and Buick provides it!

WHAT'S DOING IN WEST TEXAS
Furnished by West Texas Chamber of Commerce

Baird-Baird's new 12,000 egg mammoth type incubator has been received and construction of a building for the machine is under way. A company with a capital stock of \$2,500 has been organized and will be incorporated. The stockholders in this company are from all parts of the country, insuring full cooperation of every farmer in the country.

Midland—A carload of hogs will be shipped into Midland county and sold to the farmers at absolute cost plus the cost of importing and feeding the swine until they are sold. Mr. E. A. Snider, county agent, has the details of this in hand for Midland county and the hogs are being shipped in by the Midland Chamber of Commerce, the Midland National Bank and the First National Bank. These high grade gilts are being shipped from Sioux City, Iowa, as a result of the Joint Hog Importing Campaign of the Fort Worth Stockyards Company and the West Texas Chamber of Commerce.

Albany—The deep test drilled by Roeser & Pendleton on the Cook ranch northwest of Albany has unexpectedly turned into shallow producer of huge proportions. Oil was struck at 1242 feet and reliable reports from the well are that it is making 1,000 barrels.

Floydada—More than three hundred representative farmers heard E. Q. Lee, President of the West Texas Chamber of Commerce, speak on the benefits of "Diversified" farming. Mr. Lee advocated growing feeds as well as cotton. Col. C. C. French, Industrial agent of the Fort Worth Stockyards spoke on the raising of hogs.

Canyon—The annual meeting and banquet of the Panhandle-Plains Historical Society recently held in this city was the most successful ever held. People were in attendance from Amarillo, Lubbock, Miami, Canadian, Pampa, Claude, Memphis, Romero and Tulla. Judge O. H. Nelson of Romero, Hartley county, was elected president. The visitors viewed with much interest the exhibits now owned by the Society, same being valued at \$12,000.

Goree—At a recent meeting of the Goree Chamber of Commerce \$700 was raised for prizes to be given away to the farmers of this trade territory as a means of encouraging a safe plan of farming. These prizes are to be given away in connection with the Community Fair which is to be held this fall. The business men are also encouraging the farmers to go after some of the prizes being offered at the Fort Worth Fat Stock show in March.

Slaton—There is being arranged by Slaton's Commercial Club and the Diversified Farm Program members a one-day Agricultural and Livestock Short Course between the dates of March 15th and 20th. Arrangements are being made for the very best and most practical men of the State to be present on this occasion to take up the following subjects: Dairying, hog development, poultry and marketing.

Rochelle—The Rochelle Chamber of Commerce has just recently been organized with O. E. Rice as president. At the organization meeting, Wm. D. Cargill, secretary of the Brady Chamber of Commerce outlined the needs of a Chamber of Commerce. County Agent C. C. Johnson made a splendid talk on "Diversification." The wide-awake citizenship of Rochelle are planning to do great things during the coming year.

ARNEY-BLUE RIDGE

We are glad to say that Mr. Marques Burks is improving every day. Mr. Charlie Cox who has been sick for some time is reported improving at this writing.

Mr. and Mrs. Raymond Ellston and family had supper with Mr. and Mrs. Floyd Fortner Friday night.

Miss Othello White is reported some better at this writing. She has been suffering with diphtheria for the past three weeks. Her many friends will be glad to see her back in school again.

Mr. Edd Kincaid motored to Amarillo to transact business last Tuesday.

Mr. and Mrs. Ray Cole visited their uncle and aunt, Mr. and Mrs. John Hendrix, one day last week.

Mr. Allen is working for Mr. Morris this week.

Mr. Cowan and son of Amherst spent Monday night in the home of Mr. and Mrs. J. E. Boyd who are old acquaintances of the Boyd family.

Mr. T. C. Gage made a business trip to Happy Monday.

Last Tuesday night a very large crowd gathered at the home of Mr. and Mrs. Floyd W. Fortner for a birthday party, being a surprise for Mr. Fortner. Mrs. Fortner had the whole house in order, and after supper was over, they were comfortably seated around a good warm fire and everything was cozy. About 8:30 o'clock the guests began to arrive and continued coming until each chair was

occupied and compelled to arrange more seats to accommodate the crowd. Later each was seated, still Mr. Fortner could not understand what the meaning of all this was.

In a few moments it dawned upon him that he had a birthday—and admitted it was quite a shock to him. Soon we started to playing games of a very lively nature, several new games being on the list. Mr. Fortner was the main leader. He received many beautiful and useful gifts.

At a late hour the whole crowd was served with delicious refreshments, the table being decorated with pretty cakes and in the center of the table sat his snow white birthday cake, decked with bright gleaming candles. The whole evening was proclaimed by all as one of unusual pleasure and entertainment.

BIG SQUARE

(Too late for last week)
The little Barrett girl returned to school last week after an absence of two months. The child broke her leg and is just now able to be out.

Mr. and Mrs. Art Haberer and Mr. and Mrs. Herman Haberer and Roy Haberer and son were shopping in Muleshoe Saturday.

Mrs. Hughes returned to her home in Des Moines, Iowa, Saturday.

Mr. and Mrs. H. Bearden announce the arrival of a nine pound baby boy, born February 18th. The new boy is named Charles Dayton.

The sewing club met Thursday with Mrs. Sayman in spite of the weather and had a big time. The afternoon was profitably spent in needlework. Those present were: Mesdames Will, Emerson, Jay and Harold Wyer, Vern Lust, Glen Stiles, Herman Haberer and R. B. Hughes. The club meets next week with Mrs. Emerson Wyer.

We have another good Sunday school report—29 present, 1 new pupil, 1 visitor and \$2.01 collection.

Frank Rios, working for Roy Haberer, moved his family to Muleshoe Sunday.

Mr. C. W. Mick has been suffering from an attack of mumps. Ellis and Lucille Mick are also sick. We hope they will be better soon.

BETHEL
(Too late for last week)
Mrs. Earl Lust and children arrived Thursday night from an extended visit in Canada and Iowa. Mr. Lust went to Amarillo to meet them. Mr. Emmett Rothwell and sons were transacting business in Dimmitt Saturday.
Mrs. Hughes spent Friday night in the home of Mr. and Mrs. Loyal Lust with her son Muriel. They went on to Hereford Saturday and Mrs. Hughes left for her home in Iowa.
The Lambert cattle being pastured by Earl Lust were sold last week and will be delivered at Hereford Friday.

No. 251
**THE STATE OF TEXAS,
COUNTY OF DEAF SMITH.**
To those indebted to, or holding claims against the estate of Sarah E. Welliver, deceased, the undersigned having been duly appointed, independent executor, of the estate of said Sarah E. Do You Want an Investment
with possible returns many times in excess of ordinary investments, in the **Amarillo Oil Field?**

Is it not better to invest wisely in a company operating sanely in proven territory, where there is no "promotion" in the stock than to hazard money in a wildcat company organized solely for the purpose of selling stock?

One of the companies organized in Amarillo to operate in the Amarillo field is the Spring Creek Oil Company, organized by Frank Wolfin, Lindsay Nunn and E. F. Granberry.

This company went into the field and purchased several leases, one of the tracts being 40 acres out of Section 5 Block Y for a cash consideration of \$50,000.00 and a 1-8 over-riding royalty, and it is on this tract that the first well is now being drilled. In addition to this 40 acres there is another 40 in Section 7 Block Y, about 5-8 mile South of the Phillips producers and approximately a mile South of the Twin Six, this purchased at a cost of \$24,000.00. There is an additional 230 acres in the Northwest corner of Carson county in what is known as the "Four Corners" field close to the Warwick producer just over the line in Potter county, this last acreage being purchased at a cost of \$10,000.00. All of this acreage, amounting to \$84,000.00, together with \$41,000.00 in cash for drilling purposes, comprises the capital stock of \$125,000.00. Only a small amount of the stock is placed on the market, the majority of it being carried by the organizers of the company, which are also the officers and directors, namely, Frank Wolfin, President; E. F. Granberry, Vice President; and Lindsay Nunn, Secretary-Treasurer.

The first well, which is now being drilled in Section 5 tract is about 1300 feet from the Mellroy-Herring and less than one-half mile from the Mellroy One and Two, all of which are rated as 500 and 1000 barrel producers.

Any well posted oil man in Amarillo will say that the acreage secured by the Spring Creek is beyond the "speculative," inasmuch as the location of the well now drilling is in the very heart of the pool. The tract in Section 7 is proven to the North, South, West, with wells now drilling on the East. The acreage in the "Four Corners" field is close to production but this acreage is not at present as completely proven as the two forty acre tracts. The acreage alone could be sold today for a profit of many thousand dollars.

If you are interested in investing from one hundred to one thousand dollars, in a company that is really going after oil, honestly managed, not over-capitalized and with ownership of six-eighths of the oil in already proven territory, you can make such investment now at par, one hundred dollars per share.

There will positively not be sold more than twenty-five thousand dollars on this basis, and this by the original organizers who put up all the money to purchase the leases and drill the well.

We can truthfully say to any prospective investor that there is positively no promotion in this stock and we pay exactly the same for our shares of stock as any other shareholder.

If you desire to invest you may send a cashier's check either to J. L. Nunn, Nunn Bldg., Amarillo, Texas, and stock will be mailed to you, or you may make remittance in care of Amarillo National Bank, requesting that money be paid us when stock is delivered.

**FRANK WOLFEN, President.
GENE GRANBERRY, Vice Pres.
J. L. NUNN, Secretary-Treasurer.**

Dimmitt, Castro County News

Among those on the sick list this week are: Mr. and Mrs. S. P. Crawford, Mrs. Bruce McLean, Little Nell and Natalie Reynolds, Mrs. Tom Sparks, Vergie Shepard, Mrs. Joe Howard and baby, Mrs. A. J. Baker and baby, Claude Johnson, W. S. Hembree, Mr. and Mrs. Perry Graham's baby.

Last Wednesday afternoon nine ladies of the Methodist Church met at Church house and organized a Missionary Society with the following officers: Mrs. I. B. Brooks President, Mrs. Wm. U. Coughran, Vice-president, and Mrs. Joe Gollehan, secretary and treasurer. They would like for every one interested to join the Society. There has been a splendid study course arranged for this year. The next meeting will be at 3 o'clock on Wednesday afternoon March 10th at the church.

Mr. and Mrs. W. G. Baxter of Lamesa have moved on the J. C. Montgomery place.

A. C. Woodward of Lamesa attended the trial here last Friday.

Mr. and Mrs. Carl Fry and Miss Anna Sims of Frio visited in the W. R. Woodburn home last Sunday afternoon.

Bob Duff of Hart, who received a broken rib and other injuries one day last week when his team ran away with him is doing nicely.

Mrs. W. W. Smith and daughter of Lamesa were here last week attending court. Also Mrs. Harrell and son. Seven members of the Dimmitt Ladies Aid motored to Flagg last Thursday afternoon and met with six ladies of that community and helped them organize an Aid. Mrs. W. T. Gallebon acted as chairman.

T. W. Malone made a business trip to Amarillo Tuesday.

The Panhandle Lumber Company, with W. E. Spencer as head carpenter, are erecting a new six room modern home for W. R. Woodburn on his place two miles Northwest of Dimmitt on the Hereford road.

Friday afternoon the Priscilla Art Club met with Mrs. N. G. Jackson. For an hour or two everyone was busy with the needle. The following members were present: Mesdames Dow and Donald Duree, C. H. Buttolph, R. B. Boren, Henry Stalcup, J. N. Smith, Joe Howard, H. E. Rantz, and Edna Tate was unanimously voted as a member and duly initiated. The hostess served most delicious refreshments consisting of sandwiches, salad, nut-bread, pie and cocoa. The next meeting will be with Mrs. R. B. Boren.

Judge Penny of Plainview had a case in court here this week.

Mesdames W. T. Gallebon, I. B. Brooks, and B. D. Woodlee motored to Plainview Monday.

Henry Stalcup made a business trip to Amarillo Tuesday afternoon.

Charlie Hastings and Jim Gary made a trip to Lamesa during the past week.

Mr. and Mrs. John Wallace and Miss Weaner of Hart were in Dimmitt Tuesday.

Mrs. Wm. U. Coughran made a business trip to Hereford Monday afternoon.

Jay and Gano Hastings left Saturday for Rochester Minn.

Mr. and Mrs. E. F. Harmon have moved to the J. W. Alexander home previously occupied by Donald Alexander.

Mr. and Mrs. J. R. Hastings and daughters, Gladys and Millicent, motored to Hereford Saturday afternoon.

Miss Ina Mae Hastings of Hereford spent the week end with relatives in Dimmitt.

SUMMERFIELD

Some of the farmers in this part of the country have begun to get their ground ready for another crop. While most of the farmers have been confined to their bed.

Mrs. Ky Lawrence and daughter Beatrice and Mrs. Lee Kendall returned home Sunday from Hot Springs N. M. where they had been four weeks on account of Mrs. Kendall's health. But we were sorry to hear that she had not improved any, and was sick most of the time while away.

Last Friday afternoon when the McLogg children were going home from school their car was completely turned over due to the fact that a dog was run over. No one was hurt to speak of. While the top of the car was torn up, the windshield broke and the steering wheel broke off. Miss Virginia Hufstetler was also in the car. She was spending the night with Miss Marie McLogg. The little daughter of Mr. and Mrs. Fred Burkin is very ill at this writing but we hope for her a speedy recovery.

Mr. and Mrs. W. E. Hawkins, Mr. W. L. Suttle and B. A. Atchley attended the sale on Hartwell-Gardner ranch near Bovina last Tuesday.

Mr. B. A. Atchley and daughters Misses Ellen Mary Belle and Vergie and Mrs. W. L. Suttle made a business trip to Amarillo last Thursday.

TRUSTEE ELECTION NOTICE
Election for school trustees will be held in each school district of the County on April 3rd. Any person desiring to have his name placed on Official Ballot should file same with County Judge at least ten days before election; that more than five or more resident qualified voters in this district may request that certain names be printed.
EARL W. WILSON, County Judge. 7-1

THE POPULAR STORE

PROGRESSIVE

Rev. J. O. Haymes, pastor of the Methodist Church of Hereford came out Sunday afternoon and brought his Epworth League workers, who entertained us with a program. Rev. Haymes gave us an interesting talk after the program was given. Progressive invites them to come again.

There was very good attendance at Sunday School, there being 41 members present and 25 visitors.

Little Doyle Monaghan son of Mr. and Mrs. Ivan Monaghan, who has been very sick for the past few days is improving rapidly.

Miss Margulrite Russel of Canyon, spent this week end with homefolks.

Mr. Cecil Hodges motored to Canyon Sunday (on business).

Mr. David Thompson's family have been sick with the "Flu" for some time, but we are glad to report them well again.

Gladys Lewis who has also been sick, with Measles, was able to be back at Sunday School Sunday.

FORD

March came in like a lamb, wonder if it will stay that way.

Only 38 attended Sunday School, which is the smallest crowd present since Sunday School was re-organized two years ago.

J. E. Hill has been with his father in Palacios, who has been very ill with pneumonia, the last few days.

Miss Helen Webster left Sunday night for Chicago, after visiting Mr. and Mrs. A. K. Webster, she will stop over in Wichita Kansas for a short visit.

Mr. and Mrs. Howard moved and Mrs. Blarney McCaskey attended the Stock Show in Amarillo Monday.

Fred Brunson and Emery Bales, made a business trip to Hereford Saturday.

Mr. and Mrs. John Whitsitt and Miss Effyle Whitsitt and Mr. and Mrs. Joe Bassett and children attended the funeral services of their aunt, Mrs. Frank Bassett, in Amarillo Sunday.

Mrs. F. C. Benson and little daughters came in Sunday night from Fort Stockton, where she had been visiting relatives the past five weeks.

Little Evelyn Smith has been sick.

Miss Peggy Rambo and Auther Lamb were Vega visitors Monday afternoon.

CAMERON, N. M.

V. T. Howell of Portales was at the home of Clyde Isler Sunday.

Mrs. Essie Tillman has been quite sick with the flu for the past two weeks, and came near having pneumonia.

Charlie Cogdill is suffering with the flu.

A. A. Dethrage sold a cow to Mr. Stallard last week.

Mr. Patton purchased a 200 egg incubator Saturday.

Mrs. Mida Woods is quite sick with the flu.

Mrs. Virgil Dunn purchased an incubator last week.

Floyd Mote left Monday for Memphis, Texas.

J. A. Leach is doing needed work on the road by the Posey school-house.

Mrs. Alpina Miller and her mother, Mrs. Susie Burnham, went to Clovis the last of the week to visit Mr. Burnham who is confined at the Santa Fe hospital. He was hurt by slipping and falling on the street in Clovis some time ago.

Winnie Dethrage was delivering a dry goods order in Clovis Monday.

Virg Tillman and Halla Leach are breaking sod with their tractors on the school section which J. A. Leach recently bought of L. M. Boney.

Mrs. Burch who is suffering with dropsy has not been doing very well and physicians were called again to tap her Sunday evening.

Zora Lobban of Clovis called on his sister, Mrs. Yola Johnson, last week.

Vernie Mullins and the George Shelton family left recently and Kelfer Ashton and family moved to the Mullins place last week.

The Wheatland teachers made a trip to Tucumcari Friday.

Lillian, the little daughter of Mr. and Mrs. Halla Leach, has been quite low with pneumonia, but is better.

Remember the prayer meetings at New Hope each Friday night and

Sunday night. Everybody welcome.

Floyd Mote and J. J. Isler were shopping at Grady Saturday.

A. L. Scott and son, Ross, of Denton, Texas, visited Thursday and Friday with the F. B. Scott family. Ross Scott will move to Bushland in the near future.

Mr. and Mrs. Cleo Laird have moved to the Jim Chitwood place.

Ruth Wood and Maud Stovall spent Sunday night at the J. W. Fryar home. The little Fryar child is still quite sick but is improving.

There was Sunday school at Wheatland at the usual hour Sunday morning, then preaching by Rev. R. A. Lowe. A dainty dinner was served. The singing class occupied the time till three o'clock p. m., when Rev. Bilberry gave an interesting discourse.

Hob Moss and family from Bushland, Texas, came Friday and returned Saturday. They visited Mr. and Mrs. James Fryar and also called on Mr. and Mrs. E. D. Rice.

The Hughes family moved last week to the Sherman Shelton place.

District Superintendent Roberts of the Nazarene church attended prayer meeting at New Hope Friday night.

The little child of a Mexican family just west of Bellevue died of pneumonia last Wednesday and was buried at Bovina Friday.

Miss Rosa Young spent the week with home folks near Hollene.

Miss Dovie Dunning of Grady called on Mrs. Coral Johnson and Mrs. Ella Burnett Friday.

Rev. W. B. Hutchinson preached at New Hope Sunday morning and took dinner with Mr. and Mrs. J. J. Isler.

The little son of Mr. and Mrs. Grover Gogdill is quite sick with the flu.

A. C. Johnson and others helped John and Jess Burnett do some work on the well on the W. S. Simpson place last week.

Rev. Slade was making calls in this community Friday.

There is a great deal of flu in this part. The entire families of Jess and John Burnett have been victims.

Perry Cogdill is moving here from Turkey, Texas.

Leonard Hutchinson moved to his claim near Dunlap, N. M., last week. Drucilla accompanied the family out there and returned with her uncles, Mack and Tyson, who also made a trip out there. Mack will move out there this week. His wife visited her parents, Mr. and Mrs. Murdick, while Mack was gone. Drucilla will stay with her grandparents, Mr. and Mrs. W. B. Hutchinson. We regret very much to lose these good people from our community, and wish them well in their new homes.

We were visited with a very bad sand storm Sunday night.

JOEL

Rev. Joseph Bozarth of Canyon Sunday School Missionary, gave a stereopticon lecture of Bible scenes and description of Bible times at the school house Saturday night. He also showed pictures of various Sunday schools in Oklahoma and among the Mexicans. It was interesting and educational and was worthy of a larger audience.

The Negalmi children are back in school after a siege of sickness.

Mary Neil Botts had the croup Saturday night. She is some better of her cold at this writing.

Cecil Walker is helping dehorn cattle at Green Valley this week.

Mrs. Guy Smith entertained all of the Smiths Sunday with a dinner, those present were the W. T. Smith family, John Renfro family and Mr. and Mrs. Wm. Kelly.

Little Baxter London has been quite sick for several days. We hope he is soon himself again.

The Galleys took advantage of the beautiful weather Sunday after Sun-

day school to go call on the new neighbors, Roy Bolford's folks and invited them to Sunday school. All went well until they met the wind-storm on their way home and were out in most all of it. No damage was done. Life is made of all kinds of weather.

Hog killing was the order of the day Monday at Guy Smith's.

Walter London went to town Sunday to see his brother who is sick with the "Flu."

NOTICE OF ELECTION

Notice is hereby given that an election will be held in the city of Hereford, Texas, on the first Tuesday in April, 1926, same being the 6th day of said month; said election to be held at the Court House, in the City of Hereford, Texas, for the purpose of electing a Mayor and two City Commissioners of the City of Hereford, Texas for the ensuing two years.

The Polls of said Election will be opened at 8 o'clock a. m. and closed at 7 o'clock p. m.

Every person not disqualified by law who shall have attained the age of 21 years, and who is entitled to

vote for members of the Legislature, and shall have resided within the corporate limits of the City for six months next preceding the date of said election shall be entitled to vote.

A. L. Biggs and J. H. Head are hereby appointed as judge and associate judge, respectively, of said Election, with authority to hold the same

in accordance with the statutes of the State of Texas, and to make returns thereof as required by the law.

DATED AT HEREFORD, TEXAS, this the 2nd day of March, A. D. 1926.

(Seal)
E. S. IRELAND,
Mayor of the City of Hereford, Texas.
7-St.

IT IS TRUE--BUT WHY?

Have you been interested enough to ask this question: WHY are so many suffering from "Flu"?

Now at this time of the year, and this year especially, because of weather conditions we are enshrouded by a peculiar atmosphere, filled with poisonous atoms, which we continuously breathe into our lungs. Blood going to the lungs to be purified and aerated (re-circulate air) instead is loaded with impurities, which are carried to all parts of the body. Even this should not overcome the organism, if each organ is performing normal conduct, but through neglect you have permitted vital organs to become overworked, weakened, thereby retarding elimination of waste, rendering yourself most susceptible to disease.

I cannot stop your inhaling of bad air, but my method DOES secure better circulation, increased stimulation, by a normal process, of the entire system, with special attention towards acquiring proper elimination. A body resistance is established in which disease cannot continue.

ELECTRIC COOKERY

We predicted that this was to be a real Electric Range Year—but our sales so far have exceeded our expectations. We have a bunch of Ranges sold, and we are delivering them as fast as we can get them. With the lower monthly minimum now prevailing (\$2.50) everybody can afford to own an electric range.

May we show you what we have and quote you prices completely wired in the home?

FRESH-EASTER ITEMS

Several in this community have been ill with the flu the past two weeks. Those who numbered on this list are: J. B. Harlan Jr., Mrs. A. Jones, Frank Axe, Bob Axe, the Stagner family and J. F. Easter family.

Hollis Brannon is enjoying a visit from his father and brother this week. His father's home is in Palo Pinto county and his brother is a lawyer of Breckinridge.

Misses Della Stagner and Nannie Fields who are attending W. T. S. T. C. spent the week end with home folks.

Mr. and Mrs. Glenn Greer and family of Dawn visited Sunday in the Joe Greer home.

Mr. and Mrs. Walker Nix of Westway community visited with Mr. and Mrs. Percy Estes Sunday afternoon.

The young people's class of the Easter Sunday School entertained with a party at the home of Mr. and Mrs. E. M. Allen Saturday evening. A good time was had by all.

Miss Anna Sims returned from her home Saturday and again assumed her school duties Monday morning. Miss Sims had been absent from our community almost two weeks and we are surely glad to have her with us again.

Mr. and Mrs. Carl Frye and family and Miss Sims visited Sunday afternoon with Mr. and Mrs. W. R. Woodburn of Dimmitt.

Joe Green attended the Cattleman's convention in Amarillo this week.

Mr. and Mrs. Leo Williams spent the week end with their parents in Floyd county.

Miss Steele of Silverton visited last week in the home of her sister, Mrs. Albert Springer. She returned to her home Sunday.

Mrs. Bailey and two sons of Washburn are visiting in the home of her parents, Mr. and Mrs. R. L. Sullenger. Miss Maurine Sullenger is visiting in the home of her sister, Mrs. Geo. Chamness of Washburn.

Mr. and Mrs. M. Slemmons attended the Cattleman's convention in Amarillo this week.

Miss Baird who is attending W. T. S. T. C. spent the week end with her friends, Vay and Eddie Lee Allen.

DAWN SCHOOL NOTES

A pie supper will be held at the Dawn schoolhouse Saturday night, March 13. A program will be given. The public is cordially invited.

Preaching was held at the school house Sunday morning. The threatening storm prevented us from having the usual services at 8:00 p. m.

We had a large attendance at Sunday school. We hope the number will increase when the weather becomes warmer.

Mr. and Mrs. Glenn Greer and children visited Sunday in the home of Mr. Greer's brother, Joe Greer, who lives south of Hereford.

Mr. and Mrs. J. N. Straub made a business trip to Hereford last Wednesday.

Rev. Morris took Sunday dinner in the Bagwell home. Reuben Mayfield also was a dinner guest in the Bagwell home.

Mr. and Mrs. W. F. Rudd spent Sunday with Mrs. Rudd's parents, Mr. and Mrs. J. O. Sherbit of Dawn.

Mr. and Mrs. L. F. Bezner and family visited in the Friebel home at Umbarger Sunday.

W. S. Christian and Little son, Doyle, accompanied by J. O. Sherbit and W. F. Rudd were in Amarillo Sunday on business.

Mr. and Mrs. C. H. Abbott and son, Eyrle, left last Saturday for their home in Amherst, Texas.

Misses Carrie Mae and Ethel Harris spent the week end with their parents, Mr. and Mrs. W. L. Harris. L. A. Smith made a business trip to Amarillo Monday.

WYCHE ITEMS

Those on the High Honor Roll this month are: Mary Clayton. Honor Roll are: Nedra Clayton, Lavada Cox, Alma Cox, Robbie Jackson, Woodrow Carmichael, J. P. Smith, Mary Hough, Lois Clayton, Troy Carmichael and Loys Carmichael.

The farmers of the Wyche community have been farming some the last few weeks.

Jim Sanders is planning on making a business trip to Amarillo this week.

J. J. Clayton returned from Fort Worth last Thursday where he visited his sister who was ill and left her improved. On his way home he visited relatives and friends in Wichita Falls and Burkburnett.

Mrs. Jim Sanders gave a birthday dinner Sunday in honor of her husband's birthday. Those present were Mr. Sanders' relatives.

There was preaching at the Wyche school house Sunday afternoon. A good crowd was present.

E. M. Cox and W. P. McKinney made a flying visit north of town Sunday.

Mrs. Copling is reported on the sick list all last week.

The Wyche 42 party will be held at the school house Saturday night, March 6. Everyone is invited to come.

C. C. Cook is reported on the sick list all last week.

The singing at Mr. Hough's last Sunday night was greatly enjoyed by those present.

Raymond Avants is reported on the sick list all last week.

Raymond Elliston is driving a new Chevrolet sedan.

J. J. Hoffman and H. A. Hoffman made a business trip to Roswell, New Mexico, last week.

Henry J. Hoffman is reported on the sick list last week.

"We have Never Lowered the Quality to Reduce the Price"

Since 1903, when the Ford Motor Company was formed, Ford cars have been constantly improved in quality, comfort, convenience and appearance. Recent improvements include new and attractive body lines—a lower center of gravity—closed cars in color, and all-steel bodies. The basic features of Ford design have been retained: Three point motor suspension, planetary transmission, dual ignition system, torque tube drive, multiple disc-in-oil clutch, splash lubrication, thermo-siphon cooling system—all have been features of the Ford car for eighteen

years. On the whole these features cost far more to manufacture than conventional design but are used because of their superiority. The Ford Motor Company has carried out a program of price reduction that has consistently kept Ford value supreme in the automotive industry. This has been made possible by the magnitude of Ford production. With lesser resources, Ford quality would not be possible at anywhere near Ford prices. The tremendous demand for Ford closed cars has again made possible substantial price reductions.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

New Method Quickly Banishes Heavy Coughs

Why be annoyed and weakened by persistent, strength-sapping coughing spells when you can, through a very simple treatment, quickly stop all irritation and very often banish the trouble entirely in 24 hours?

This treatment is based on the famous prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful at bed-time and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. Thus, with the throat soothed and cleared, coughing stops quickly and you sleep all night undisturbed.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

CHURCH ANNOUNCEMENTS

FIRST PRESBYTERIAN CHURCH

Jan. T. Ross, Pastor
 Schedule of services: Sunday, 9:45 a. m., Sunday School; 11 a. m. and 7:30 p. m., sermons by the pastor, with an afternoon message at 3 p. m. at Frisco; 6:30 p. m., Senior Christian Endeavor. Wednesday, 2:30 p. m., Women's Missionary Society; 7:30 p. m., Prayer meeting. Thursday, 7:30 p. m., Choir rehearsal.

Last Sunday was a splendid day in the life of this congregation. The morning service was well attended and a most hearty response followed a message on the subject, "The Fraternity of Believers." Sunday evening likewise witnessed an inspiring service when the congregations of Presbyterian and Christian churches met in joint services conducted by the Christian Endeavorers of the two churches.

Our plans look forward to evangelistic services at some time in the near future. Just when this will be is for the present undetermined. It is quite probable that this church will participate in a limited way in the simultaneous pre-Easter services to be conducted by several churches of the community, although the services will not in contradistinction to the regular services be denominated evangelistic services. Just what will be the nature of this participation is yet undecided, but will probably take the form of special messages during the last few days preceding Easter Sunday.

You will find a welcoming heart and hand at all the services of this church.

FIRST CHRISTIAN CHURCH

T. Morgan, Pastor
 The time for the Simultaneous Revival is close at hand. It is time for us to get ready for this Evangelistic Campaign. Did you get one of the cards handed out Sunday? If you did then return it at once to the pastor. If you did not get one then use your telephone and we will see that you get one. It is your opportunity to let us know what you can and will do.

The Stewardship Study Class is still doing a fine work. This week Bro. Jasper Bogue brought us a message. It was fine indeed. Were you one of the non-attendants? Remember this service is held on each Wednesday 7:30 p. m.

Our song leader, Bro. Roy Onstead is asking for your help in building up the choir for the coming revival. If you can sing it is your duty to come help in this work. If you can't sing then you should come to choir practice Thursday 7:30 p. m., and learn to sing.

Next Sunday we are going to tell you about our trip to Bovina. It will be an inspiration to you. Here is a call for help, and it is coming from our neighbor.

9:45 a. m., Church School.
 11:00 a. m., Communion and preaching services. The subject will be, "The Sacrifice of Jesus."
 3:00 p. m., Regular monthly Board meeting.

6:00 p. m., Junior C. E.
 6:30 p. m., Senior and Intermediate C. E. This month the Intermediates will meet with us and the Seniors will meet at the Presbyterian Church.

7:30 p. m., Regular preaching service. The subject will be, "The Need of More Jonahs."
 At the morning service there will

be an election of church officers. This is the annual election and you have a voice in the election of these men. If you fail to exercise your right in this matter, then do not make any complaint against our church officers for the coming year.

METHODIST CHURCH

J. O. Haynes, Pastor
 "Jesus Choosing His Helpers" will be the subject of the Pastor's sermon Sunday morning. It is the second in a series of sermons on the life of Jesus Christ. The first was delivered last Sunday. The sacrament of the Lord's Supper will be observed.
 "Shall We Respect the Law" will be the subject Sunday evening at 7:30. All who believe the law should be enforced are invited to hear this message. Also all violators of the law, including the bootleggers and their patrons.

Dozens of our people were sick last Sunday, and the attendance was a little off. We trust that this epidemic of flu will soon pass, and the people will be back to their places.
 The Woman's Missionary Society will be in charge of the opening exercises of the Adult Department of the Sunday school next Sunday. They will have something interesting which you will want to hear. Do not be late. Remember, 9:45.

BAPTIST CHURCH

W. E. Hill, Pastor
 The Sunday School meets at 9:45 with Alex O. Thompson, the general superintendent. The lesson is taken from an interesting experience of Jesus, "Jesus Washes the Disciples' Feet." This was an act that beautifully illustrates the spirit of christianity.

The Service of Worship, beginning at 10:45, will be the regular Memorial Supper occasion. Each member of the church should make an effort to be in attendance.

The Sunbeams with Mrs. Manjeot the leader, will meet at 10:45. B. Y. P. U. meetings are at 6:30. The presidents of the Senior, Gardner and Junior B. Y. P. U.'s are Russell Daniel, Mrs. A. O. Thompson, and Mrs. Russell Daniel respectively. During the week, evenings at 7:45, the Study Course will be held. This course is especially for Senior and Gardner unions, but invitation is extended anybody to study the book, The Plan of Salvation, by Crouch. The course will go five nights. The Deacons' meeting is at 3 o'clock Sunday afternoon. The evening preaching service is at 7:30, and the Pastor will try to bring a worthwhile message.

The midweek prayer and praise service is on Wednesday at 7:45. Let our members make these praise and prayer services preparatory to our coming revival services. The meeting, with simultaneous services each night in the Methodist, Disciples, Baptist and probably the Presbyterian churches is to begin on Sunday, March 21st. Our people will get out of these meetings as they put themselves into them. Let each Christian do what he can to make Christianity the most prosperous possible in Hereford. Many think the prayer is the secret to success. Let us make the prayer meetings flourish.

Adolphus Hotel Provides Sumptuous Headquarters For Newspaper Reporters

Dallas, Mar. 1.—Pity the poor, hard-working newspaper reporter. His is a dog's life.

Eternal grind with "thirty"—quitting time, never in sight.

But, regardless of how city editors feel, the Adolphus Hotel here has a kindly feeling for "gents of the Fourth Estate."

On the twenty-third floor of this \$6,000,000 resident institution, the management has three large, airy rooms set aside for the Dallas Press Club.

There working Dallas and Texas newspaper men may gather, play "checkers," tell cute little stories, write yarns for papers or while away an hour or two waiting for "that something"—the "boog-a-boo" of the profession, to break.

The club quarters are equipped with eight new typewriters, reams of copy paper, three "inside" and two straight line telephones, maid and bell service, free ice water, files of eight Texas papers and plenty of chairs.

And, rent on these elegant rooms is 50 cents a year, payable in advance.

Here's the catch: The management of this beautiful hotel, built by brewers, stipulated in the contract that any time intoxicants are taken inside the quarters—

That's all there is. There aint no more.

Journal Man Has Checked Up Breeding Black's Cows

Re-checking of the pedigrees of the sixty head of cattle that E. B. Black has drafted for his big Anxiety 4th sale to be staged here April 15th, shows that thirty-two are straight line bred Anxiety 4th animals and that the other twenty-eight are seven-eighths or better in Anxiety 4th breeding, thus making it one of the strongest Anxiety 4th offerings of recent years in Texas. The re-checking of the pedigrees was done by A. H. Walker, a representative of the American Hereford Journal. It had been formerly announced that twenty-nine were straight line bred animals.

The sixty head that have been drafted for the sale are now being conditioned on the E. B. Black farm west of here, but will be moved into Hereford March 15 for the finishing touches.

Eight of the twenty young bulls drafted for the sale are straight line bred, and two of them are outstanding. Fourteen of the twenty heifers have perfect pedigrees, and the rest of the lot are above seven-eighths in Anxiety 4th breeding. A number of the twenty cows consigned to the sale are from Mr. Black's foundation herd. Seven of them are straight line bred.

Mr. Black has been receiving much inquiry from distant points concerning his sale, and a great deal of interest is being manifested. This is expected to be one of the biggest individual Hereford sales that has ever been staged in Texas.

Gertie, a friend of mine, made a big mistake. She told a boy friend she had never been kissed before—then he reminded her they were once engaged.

MOTOpower

Is the lubricating Gas

That puts force and strength into every heart-beat of your motor.

Keep that vital part under the hood purring at its best. Our fine grades of oils and high test Motopower gasoline will keep your car humming along.

SERVICE-U-LIKE Filling Station

GLENN SNYDER, Prop.

PURINA Chows

We are unloading a car of Purina CHOWS and we will be able to furnish you fresh feed to start your chicks off, and to make those hens lay more eggs.

Buying cheap feed for chicks isn't economy. It costs more to let chicks die than to save them. REAL ECONOMY is SAVING CHICKS LIVES.

Come around and let's talk it over. The prices are less this year on PURINA CHOWS than ever before. You can't afford not to use it. Buy it in the CHECKERBOARD SACKS and be sure that you are getting the best.

Jones & McLean

"If it's anything in the feed line we have it"

CREAMERY

Just Suppose You did this every week

SUPPOSE you spilled a can of cream every week just as you were about to deliver it to the creamery or cream station. Naturally you would call a halt on such a costly habit. But you may be doing the same thing in a different way without realizing it—because of a poor separator.

To satisfy yourself that you are getting all the cream you should, ask us to bring out a new De Laval Separator and run your milk through it. Then you can see exactly how much cream a new De Laval will save—you may be surprised.

The new De Laval is the best cream separator ever made—the crowning achievement of 48 years of separator manufacture. It has the wonderful "floating" bowl—the greatest separator improvement in 25 years. It is guaranteed to skim cleaner, run easier and last longer.

Liberal trade allowances made on old separators.

C. A. SKELTON
 Hereford, Texas

Read our message in this week's Farm and Ranch

YOUNG MEN Read This:

Sir Thomas Lipton once said:

"A young man may have many friends, but he will find none so steadfast, so constant, so ready to respond to his wants, so capable of pushing him ahead, as a little leather-covered book with the name of a bank on its cover. If it were possible to inject the quality of saving into every boy, we would have a great many more real men."

We invite the young men of this community to identify themselves early with this strong, growing institution.

W. T. WOMBLE HAS WON IN HEREFORD BREEDING

Continued from first page
They are: Beau Carlos by Beau President and out of a Beau Donovan 3rd cow; Glasco by Domino and out of a Beau Picture cow; and Georgiana by Beau Picture and out of Old Georgiana. These three bulls came straight from the Gudgell and Simpson farm.

Mr. Womble does not have a cow in his herd that he did not breed, and boasts of the fact that his calves have always been good enough for his bulls to sell as yearlings. He has never sold a bunch of two year old bulls, and it is doubtful if another Hereford breeder in Texas, who went through the depression, can boast of such a record.

The Palo Duro Hereford Farm was purchased in 1915 and has been Mr.

Womble's headquarters since that time. It contains eight sections of rich Deaf Smith county land. Eight hundred acres is now being farmed and the rest is used for grazing purposes. In this way Mr. Womble raises a large part of his feed. He finds it far more profitable to feed what he raises to livestock than to sell it on the market. He now has around 100 head of heifers and young bulls on feed and as they are conditioned, he will place them on the market. Most of this young stuff will go to breeders who are wanting to increase their herds.

This Hereford breeder has two boys who are following in dad's footsteps. Elmer and Lawrence are both married, and each of them was given a good interest in the Womble herd. Though Mr. Womble is still a young man, he says that he is looking forward to the time when he can turn the active ranch management over to the boys, and bring his family into town for a vacation.

HUGE FREIGHT TRAIN LOAD OF PACKARDS ARE SHIPPED

Amarillo, March 2.—An eighty four car train, containing 255 Packard six and eight cylinder automobiles, is moving across the continent over the

Santa Fe Railway this week. This train, enroute from Detroit to Los Angeles, was received by the Santa Fe Railway at Joliet Sunday and is expected to reach Los Angeles by Saturday or earlier.

This shipment is valued approximately at one million dollars and is one of the largest ever handled by the Santa Fe Railway. The train is made up of Santa Fe Railway fifty foot automobile cars, is nearly one mile long, and is handled by one locomotive. It presents a handsome uniform appearance in freight train make-up.

This train passed Kansas City Monday noon, Wellington Tuesday morning, Amarillo Tuesday evening, and Clovis Wednesday morning, on its two thousand mile journey across the continent.

FRIDAY
March 5

OLIVER DAY

Your Day at Our Store!

Friday, March 5th, will be OLIVER DAY in Hereford, and you are cordially invited to be our guest on that day. Your friends are invited, too, and you'll have a good chance to visit with them as long as you like. Come and meet them here. Let's all get better acquainted.

Free lunch will be served at noon.

It has always been our aim to render farmers of this community a real service and we feel that thru this Oliver Day we can help you solve some of your farm problems. Oliver men will be on hand to answer questions and explain the uses of the full line of latest improved implements that we will have on display.

There will be *no long talks*, but the few words of those who will be on the program will be well worth hearing.

YOU SET THE PRICE

You'll admit that an opportunity to buy anything at your own price is unusual—especially when the article in question is of great value to you in your farm business.

We invite your attention particularly to the Oliver No. 38 Two-Row Lister that we now have on display. Come in and see this implement, then let us have your sealed bid on a blank and in an envelope that we'll provide. Some one is going to get this Lister and save some money. YOU MAY BE THE LUCKY ONE!

Bids will be opened on OLIVER DAY. Profit and pleasure to everyone present—COME and ENJOY YOURSELF
FRIDAY—MARCH. 5th.
