

## CHURCH ANNOUNCEMENTS

### FIRST CHRISTIAN CHURCH

**Thurman Morgan, Pastor**  
 The "Flu" is still raging. There is much sickness. Prayer and helpfulness are much in demand.  
 The new song books are here. The Simultaneous Revivals begin on March 21st. This means that the choir will have much work to do in preparing a number of new songs. Meet the leader, Bro. Roy Onstead, at the church Thursday 7:30 p. m. and demonstrate your ability to sing.  
 It was decided Sunday to continue the Stewardship Study Class. We meet each Wednesday 7:30 p. m. Our text will be: Bert Wilson the "Christian and His Money Problems." 9:45 A. M. CHURCH SCHOOL.  
 11:00a. m. Communion and preaching service. The subject for the morning will be: "Enrichment Through Christ."  
 4:00 p. m. The pastor will preach at Boyina. It is hoped that there will be several of our members who will attend this meeting.  
 At the Board meeting Sunday, it was suggested that all of us try to go. The people at Boyina are starting a Church organization and they will appreciate our help.  
 6:30 p. m. The three C. E. Societies.  
 7:30 p. m. "The Devils Advertisers" will be the subject for this hour of worship.

### METHODIST CHURCH

**J. O. Haynes, Pastor**  
 Paul J. Sims will preach Sunday night. He is a young man, a local preacher, and you will be interested in hearing him. Let's give him a good congregation.  
 The pastor will continue at the eleven o'clock service his series of sermons on the life of Christ, using for a subject "The Motives of Christ."  
 Bear in mind the special evangelist services March 21 to April 4. Several Hereford Churches will hold services at the same time. That is the time when the mind of the community should be ventured on religion as never before. Let us all unite in prayer for a community-wide revival.  
 The Missionary Society rendered a good program at the opening of Sunday school last Sunday. In the absence of the superintendent, C. W. Humble will preside at the Sunday school next Sunday. Let us encourage him by all being on time.  
 Please bear in mind also that the Wesley Brotherhood will hold its regular monthly meeting and luncheon on Friday night, March 19.

### FIRST PRESBYTERIAN CHURCH

**Jan. T. Ross, Pastor.**  
 Schedule of services for Sunday, March 14th is as follows: 9:45 a. m. Sunday school, C. O. Lee, Superintendent. WANTED—ONE HUNDRED PRESBYTERIANS IN SUNDAY SCHOOL AT THAT HOUR. 11a. m. Beginning the exercises of Finish-The-budget day, with regular opening services, but instead of the sermon message, congregational meeting to arrange the closing up of the fiscal affairs of the church for the closing year and to provide for the new year. Let everyone be present at this service and help us settle a question which if neglected becomes a mill stone about the neck of the church for a whole twelve-month. At Twelve M. lunch for the entire church in the Sunday School room. Immediately following the lunch there will be separate meetings of both Men's Work organization and the Women's Missionary Society for purposes of collective consideration of the budget. At the same hour the Wide-awake and Tri-C Sunday School Classes will enjoy a musical and social hour at the Manse, also provision will be made for the younger ages. Then at 2 p. m. will be an afternoon congregational meeting to consider matters of the church. At 4 p. m. the pastor will preach at Ward, at 6:30 p. m. the Senior Endeavor will meet in the Sunday School room, and at 7:30 will be held the regular preaching services.  
 The regular week's activities will be observed as follows: Wednesday, 2:30 p. m. Women's Missionary Society; 7:30 p. m. Prayer-Meeting. Thursday, 7:30 p. m. Choir rehearsal. You will find a welcoming heart and hand at the services of this church. Meet us at the church next Sunday.

### SENIOR CHRISTIAN ENDEAVOR

at Presbyterian Church, March 14, 6:30 p. m.  
 Topic: Anger and revenge.  
 Leader: Velma Carroll.  
 Song Service.  
 Prayers.  
 Scripture reading: Matt. 5:21-26; Rom. 12:14-21.  
 Leaders talk.  
 What did Christ teach about anger? Paul Corbett.  
 Why do peaceful methods accomplish more than angry methods? Audrey Carroll.  
 Special music.  
 How can we conquer the spirit of revenge?—J. T. Gilbert.  
 Talk by Mr. A. M. Jones.  
 Pastor's five minutes.  
 Business.  
 Mizpah Benediction.  
 All young people are invited to attend our services.

YOU ARE ENTITLED TO KNOW THE FACTS  
 DODGE BROTHERS, INC.

# Only STEEL could meet a test like this!

A Dodge Brothers Motor Car . . . A speeding truck racing down hill and out of control . . . A collision . . .

Take one look at this photograph. It is not pretty, be sure, but it will convince any sensible man that all steel construction is the safe construction for a motor car body.

That is why Dodge Brothers introduced the all steel body more than eleven years ago, and their greatly improved and perfected it.

In fact, Dodge Brothers are convinced that the day is far off when wooden motor car bodies will be a curiosity. People will shudder at the thought of having ridden them and will thank Dodge Brothers for the greater safety, durability—beauty, too—of all steel construction.

A steel body stand up under impacts that would crush average body to bits. Steel cannot rust. Steel cannot burn. Steel is an armor of protection on the crowded, busy highway.

Outwardly, nearly all types of bodies appear to be all steel. In reality, however, most of them are simply frames of wood covered by a metal shell.

Dodge Brothers Motor Car bodies are steel through and through—steel reinforced by steel—battered and braced by steel—even the frames and running boards are steel.

And slender, stronger steel corner posts replace the customary bulky posts of wood, affording full, unimpeded driving vision on all sides—a safety feature of the first importance!

Travel in safety! Powerful, quick-action brakes, a chassis world-famous for its sturdiness, and a body of steel—these explain the enviable reputation for safety enjoyed by Dodge Brothers Motor Car—and the enviable feeling of safety enjoyed by those who drive it.

The steel continues to be a "fact". No reasonable buyer will be deceived by the lure of QUALITY by more CYLINDER propaganda.

Tour Car . . . \$923.00	Coupe . . . \$975.00
Road . . . 920.00	Sedan . . . 1035.00

**NORTH EAST CORNER**  
(Fairview-Union Schools)

The Paloduro B. Y. P. U. rendered a program for Vega at the Vega church on last Sunday night. There was a good crowd from Paloduro and the young folks rendered a real good program. Our B. Y. P. U. has been running about seven years since it was organized and this has been without a break and this has been very beneficial to the training of the young people.

Miss Dorie McBroom returned to her home near Wildorado this week after spending about ten days in the home of her relatives Mr. and Mrs. J. T. McClain. She has been acting nurse for them as they were both sick at the same time. We are glad to report they are much improved.

Pauline Burns of Vega, visited last week in the home of Mr. M. L. Hammer and family.

Mr. Earnest Walker and Donald Sayles spent the afternoon Sunday in the Hammer home as usual.

Mrs. F. H. Woods and son Felix were shopping in Amarillo Saturday.

Frances Campbell who has been ill at Amarillo with Flu-pneumonia is much better at this time and she will be able to resume her school work.

Mr. W. T. Womble and wife are in Fort Worth now attending the Fat Stock Show.

Wilber Womble son of M. D. Womble and wife of Hereford is staying with Lawrence Womble and wife while their parents are attending the stock show. He is attending school at Fairview while they are away.

A debate "Resolved that child labor should be controlled by Federal law" was held Monday night at the high school auditorium at Wildorado between Prof. Hill and Vick Linke of Adrian and Prof. Castleberry and W. E. O'Neal of Wildorado. Vega parties were the judges with a house full of listeners. Adrian with the affirmative side won. The visitor did not have any idea there was so much oratory outside of lawyers from the city until they got started and they did not waste any time. The affair was instructive to all. Mr. G. B. Combs and daughter Janette from Canyon were visitors in our community Sunday.

Two carloads of New BUICKS just received. See them on our floors. Norton Motor Co.

**How Doctors Treat Colds and the Flu**

To break up a cold overnight or to cut short an attack of gripple, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

**New Way to End Dangerous Cough**

The most stubborn cough is relieved with the first dose, and is very often broken up entirely in 24 hours by a new method based on the famous Dr. King's New Discovery for Coughs.

Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but also loosens and removes the phlegm and congestion which are the direct cause of the coughing. So with the cause removed, the severest cough usually disappears quickly.

**DR. KING'S NEW DISCOVERY FOR COUGHS**

**COURT OF HONOR ANNOUNCEMENT**

Because of rather serious conflicts, our Boy Scout Court of Honor will be postponed from Friday night of this week to Monday night of next week. This will be an important meeting of the court since something near forty awards will be made to local scouts, including perhaps special recognition of our five Eagle Scouts. If the Eagle badges of these five scouts arrive in time it is probable that our Eagle Scouts will be guest of the Chamber of Commerce next Monday at noon and that a special sitting of the Court of Honor will be held for a few minutes for the purpose of awarding the Silver Eagle. At any rate the regular postponed Court of Honor will be held Monday night, 7 p. m. at the Presbyterian Church and to this meeting are invited parents of the Scouts and all others interested in the organization.  
Jas. T. Ross, Chairman Court of Honor

**ADRAIN SIMS ITEMS**

Dr. Haun of Adrian, called at J. M. Chapman's Monday. He was getting together tools to repair his well which is sick.  
Mr. Klien, who has been quite ill with pneumonia is convalescing.  
Ray Chapman was in Adrian Friday afternoon.  
John Redor Sr. was an Adrian visitor Thursday.  
The community was saddened this week by the death of our neighbor and friend, Mr. Berve Witte. He passed to his reward Thursday night. He had been in failing health for several years. But for the past few days had suffered with flu. Mr. Witte was a true Christian in spite of his suffering, he always had a pleasant smile and kind word for those whom he was with. He will be greatly missed by his friends and family. Mr. Witte was still a young man. He leaves a wife and two children.  
Funeral services were held at church at Vega. Rev. Edwin Hill of the Methodist Church preached the sermon. His body was laid to rest in the Vega cemetery. The community extends their sympathy to the bereaved ones.

**Ashbrook & Williams Land Co.**

**Ford**  
**For the First Time \$500 Buys a Closed Car**  
If you plan to spend over \$500 F. O. B. Factory for an automobile, you can get the year-round comfort and convenience of a Ford closed car.  
The price advantage which the public enjoys in purchasing Ford cars is the result of volume production. In 1920, when the Ford Motor Company was producing approximately only a million cars a year, the Ford Touring Car sold for \$575. Today, with production on the basis of nearly two million cars a year, the Tudor Sedan, a high quality all-steel closed car, can be purchased for \$520—\$55 less than the Touring Car sold for six years ago. Open car prices are correspondingly low.  
While this program of price reduction has been carried on, important refinements and improvements have been made in Ford cars. The latest improvements include new and attractive body lines—a lower center of gravity, closed cars in color, all-steel bodies, new brakes and new style fenders.  
However, the basic features of Ford design have not been changed. Three point motor suspension, planetary transmission, dual ignition system, torque tube drive, multiple disc-in-oil clutch, splash lubrication, thermo-siphon cooling system—outstanding features of automobile design—have all been retained, regardless of cost.  
FORD MOTOR COMPANY, Detroit, Michigan  
TOURING \$310  
TUDOR SEDAN \$520  
COUPE \$500  
FORDOR SEDAN \$565  
RUNABOUT \$290  
Closed car prices include starter and demountable rims. All prices f. o. b. Detroit.

**PROGRESSIVE**

There were 52 members present at our Sunday School Sunday. The date of our "Rally Day" was discussed and the fourth Sunday of March was the decision. Each class is to furnish a part of the program. Don't forget the date.

Progressive Singing Class missed a number of their members Sunday evening at Singing. Lets see you present next Sunday evening—We need you!

Mrs. Jasper Cockrell entertained the ladies with a social last Friday afternoon. Those present were: Mrs. W. C. Russel, Mrs. Ratcliffe, Mrs. Park and daughter Miss Lois, Mrs. Monaghan, Mrs. Jeff Roberson, Miss Olive Perkins, Mrs. Herd of Hereford, Mrs. Reed of Hereford and Mrs. Chandler also of Hereford. The game "42" was played and the ladies had fun in general through out the afternoon. Delicious candy was served.

Progressive Literary Society, Friday Remember the meeting of the evening, March 12 1926.

**JOEL**

The teachers, Misses Tynes and Batchelor gave a Hobo and Gypsy party at the school house Thursday night to the school children and parents. A most enjoyable time was had as one said, "I never had so much fun before."

Rev. J. R. Sharp of Dalhart and Rev. J. T. Ross called on C. P. Galley Friday afternoon.

Mr. and Mrs. A. E. Chammers, left March 3rd in their car for Moran on business and to visit their sons.

Mr. J. M. Robertson is irrigating his wheat.

Mr. Ed. Bolts has rented 80 acres of Mr. A. E. Chammers and is sowing it in spring wheat.

Mr. and Mrs. Wm. Kelly who have been visiting in the home of W. T. Smith for six weeks left Tuesday for Marami, Wyoming their future home.

Mrs. Mabel Walker and little son returned to Chicago a week ago. She left the little boy who came here for his health with his aunt Mrs. W. G. Slagle.

Mr. Wm. Negele is in Arkansas looking for a farm as he wishes to locate there. He is expected back the first of next week. We are sorry to lose this estimable family from the neighborhood where they will be missed in school and in Sunday School.

**CAMERON, N. M.**

The Rev. A. I. Metcalf was present at his regular appointment at Charity (New Hope) Sunday morning and night. His family accompanied him and they were guests for dinner in the C. R. Spencer home.

Mr. and Mrs. Jno. F. Taylor and daughters of Clovis, did some good singing at New Hope Saturday night. A good sized crowd was present, and all enjoyed the hour.

The Rev. R. A. Love is expected to be present at his regular appointment at New Hope next Sunday.

Some of the patrons met at Wheatland last week and did some improvements on the school grounds.

J. D. Cameron made a trip to Clovis Monday to meet his cousin Mrs. Jessie D. Amous whose home is in Missouri. She is on her way returning from a visit with her parents in California.

Mr. and Mrs. Virg Tillman were

clerking in the store at Wheatland Wednesday while Jess Leach went to Clovis for supplies.

Ed Newby's were pebble dashing their house last week.

Charlie Best and family returned the past week from Paducah, Texas, where they have been visiting the past three months.

The Petty family are moving to Paducah, Texas, where they have relatives living. Earnest Best is moving from Paducah to the Petty place.

Mesdames Floy and Essie Tillman are suffering with the flu.

**POULTRY**

**FORCED PULLETS ARE BEST EGG PRODUCERS**

James E. Rice of the Cornell university experiment station issued a bulletin relative to the possibilities of feeding early hatched pullets during the summer by retarded or forced feeding.

By retarding is meant the idea that feeding is necessary during the late summer to check the early tendency of laying, with the hope of getting a larger egg yield in the early winter.

By forced feeding is meant the giving of a rich stimulating mash to induce egg production.

Concerning the results of his work Mr. Rice has certain findings drawn from data which are submitted below:

1. Forced pullets made a better profit than retarded pullets.
2. Forced pullets ate less food per hen at less cost per hen than retarded pullets.
3. Forced pullets produced more eggs of a larger size, at less cost per dozen than retarded pullets.
4. Forced pullets produced more eggs during early winter than retarded pullets.
5. Forced pullets have better hatching results of eggs than retarded pullets.
6. Forced pullets made a better percentage of gain in weight than retarded pullets.
7. Forced pullets showed less broodiness than retarded pullets.
8. Forced pullets had less mortality than retarded pullets.
9. Forced pullets showed better vigor than retarded pullets.
10. Forced pullets showed the first nature molt earlier than retarded pullets.
11. Retarded pullets gave better fertility of eggs than forced pullets.
12. Hopper-fed dry mash gave better results in gain of weight, production of eggs, gain in weight of eggs, hatching power of eggs, days lost in molting, mortality, health and profit per hen, than wet mash.
13. Wet mash and grain-fed pullets consumed slightly less food at less cost, and produced eggs at slightly less cost per dozen than dry mash and grain-fed pullets.
14. Wet mash and grain-fed pullets produced slightly larger eggs of slightly better fertility, and showed less broodiness than dry mash and grain-fed pullets.
15. Dry mash and grain-fed pullets laid eggs of good size at an earlier period than wet mash and grain-fed pullets.
16. Hopper-fed pullets ate more than hand-fed pullets.
17. Pullets having whole grain ate more grit and shell than those having a proportion of ground grain.
18. Pullets fed on grain were more inclined to develop bad habits than those having a mash.
19. Earliest producers did not give as many eggs in early winter.

20. Early layers gained as rapidly in weight as those beginning later to lay.

21. Prolificacy made by slight difference in weight of hen and weight of egg.

22. The most prolific pullets did not always lay earliest.

**FRIO-EASTER ITEMS**

The B. B. Club met with Mrs. M. Simmons Thursday of last week. The afternoon was pleasantly spent in doing fancy work; and discussing plans for the next County Teachers meeting which is to be held at the Easter school March 21st. Those who attended the club were: Mrs. Rube Sullenger, Mrs. Frank Easter, Mrs. Joe Stagner, Ms. E. M. Allen Ms. Sam

Hunter, Misses Zelma and Maurine Sullenger, Eddie Lee, Allen and Olive Stagner.

Mr. and Mrs. W. S. Dixon returned last week from a trip which has taken them to different points in south and the southwest part of the state. While on this trip they met up with many old acquaintances which made it all the more pleasant.

Mr. and Mrs. Dixon and family have all been confined to their bed the past week with the flu. Also Mr. and Mrs. L. Carter and children are ill with the flu.

R. T. Green and Carl Frye made a trip to Amarillo last Monday.

Mrs. Percy Estes called on Mrs. Leo Williams, Mrs. Allman, Mrs. Belle and Mrs. Lindsey one day last week. All these ladies have been ill for several days, but, with the exception of Mrs. Lindsey, they are able to be out again.

Rev. Ross of Hereford conducted the preaching services at Frio Sun-

day afternoon. Brother Ross was accompanied by Rev. Sharp of Dalhart, former pastor of the Presbyterian Church at Hereford. There was a good attendance at Sunday School and Church. Also had forty seven present at Sunday School at Easter.

A program will be given at the Easter school house next Friday night. A part of the program will be a play entitled "Teacher-Kin I Go Home," every one invited to come.

The F. G. W. Club will meet next Wednesday the 17th with Mrs. W. B. Green.

**BILL BURNAM**  
(Re-election)

### WHAT'S DOING IN WEST TEXAS

Published by West Texas  
Chamber of Commerce

Cross Plains—The Oil Belt District  
Convention of the West Texas Cham-  
ber of Commerce will be held here  
March 23. Unusually heavy atten-  
dance is expected. A feature will be  
the high school speaking contest on  
"My Town" in which high school  
students from the towns of the dis-  
trict will contest for a prize of  
ten dollars in gold.

Stamford—R. Q. Lee, president of  
the West Texas Chamber of Com-

merce has completed his fourth major  
campaign in behalf of a program of  
diversified and intensive farming.  
This campaign was over the South  
Plains and Cap Rock counties and  
eleven speaking appointments were  
filled. He plans two more campaigns,  
one thru the Brady-Del Rio country  
and one in the Fort Worth district.

Ablene—This City has purchased  
space in the West Texas Chamber of  
Commerce exhibit at the Sesqui-Cen-  
tennial Exposition at Philadelphia. The  
Ablene special exhibit will go into a  
ten foot front space for which the  
city pays one thousand dollars.

Cisco—The Viaduct over William-  
son Dam at Lake Cisco and a state  
highway over the dam and on the  
connect with the Shackelford County  
highway system is assured. The State  
Highway Commission has ordered the  
bridge and highway and passed an  
order to advertise for bids.

Eastland—The Texas-Pacific din-  
ing car service will serve fresh eggs  
of the Bankhead Poultry Association.  
Contract for eggs has been signed  
by the Association with the railway  
and a nest premium will be received  
by producers for their quality eggs.

Vernon—A five story modern hotel  
of 100 rooms will be constructed here  
by Col. E. O. Thompson of Amarillo.

The Vernon Chamber of Commerce  
supplied a building site as a bonus  
for the hotel. Cost of the structure  
will be \$200,000.

Breckenridge—E. O. Goodwin for  
the past two years secretary of the  
local chamber of commerce has ac-  
cepted the secretaryship of the Board  
of City Development at Amarillo at  
a salary of \$5000 per year.

Silverton—Few Texans are aware  
of the scenic wonders of Schott's Cap  
near here. At this point the Cap-Rock  
crops out in a manner as seen no-  
where else. Canyons seven hundred  
feet deep, mountain peaks and moun-  
tain scenery unsurpassed anywhere  
form a wonderful vista. Plans to  
give publicity to this wonderful Tex-  
as scenery and to improve highways  
leading to the natural wonders are  
now being worked out.

Amarillo—Steering committees for  
the annual convention of the West  
Texas Chamber of Commerce to be  
held here in June have been appoint-  
ed. Manager Porter A. Whaley and  
Assistant Homer D. Wade were here  
recently and held conferences with  
local committees. Attendance of not  
less than forty thousand was pre-  
dicted by the officials.

Littlefield—Announcement of the  
candidacy of Arthur P. Duggan of

Littlefield for the post of president  
of the West Texas Chamber of Com-  
merce has been made by his friends.  
Mr. Duggan has accepted their nomi-  
nation of him for the place and has  
formally announced.

Wichita Falls—A pipe line from this  
city to the oil fields of the Texas Pan-  
handle is assured. This line will great-  
ly increase the operations in northern  
fields.

WARD

The Ward's Community Club met with Mrs. Jim Lipscomb, February 24 where a most enjoyable afternoon was spent.

Our Sunday School is progressing nicely. There were 58 present last Sunday. Let us see you at Sunday School next Sunday.

Mr. Bob Higgins and Lee Cocar-nough attended the Cattle Men's Convention at Amarillo last week.

Mr. and Mrs. Jim Higgins were visitors at the Lipscomb home Sunday evening.

Wards new school building is under way of construction and will be finished in a short time.

There will be preaching at Ward Sunday.

DAWN SCHOOL NOTES

The largest crowd we have had for a long time came out to Sunday School Sunday. We hope to have as large a number present next Sunday.

Mr. and Mrs. A. T. Frye were callers in the Glenn Greer home Sunday night.

Mignon Greer spent the night with Anna Marie and Pomona Straube Thursday. The two little girls spent Friday night with Mignon Greer.

Teddie, Charlie, Harry and Minnie Friemel visited with the Beeze family Sunday night.

Mr. Beedle and his two grandchildren, Eileen and Doryl Cochell of Hereford spent Sunday evening in the

home of Mr. Beedle's daughter Mrs. Glenn Greer. Mr. Beedle has just returned from a trip to Tulsa, Okla. Mrs. Jim Sherbit spent Thursday evening with Mrs. W. T. Mayfield. Mr. and Mrs. F. E. Barnes and family took Sunday dinner in the Ingram home.

Mr. and Mrs. J. N. Strand visited Sunday night in the Glenn Greer home.

Buby Harris spent Sunday night with her friend, Lois Smith.

Mrs. P. H. Barnes visited for a short while in the Mayfield home Sunday.

Mrs. Bengie is on the sick list this week.

Mrs. Julia Samuelson had an attack of the flu last week, but is better at the present writing.

WYCHE ITEMS

Mr. and Mrs. J. J. Clayton and family spent Sunday with Mr. and Mrs. Johnson and family Sunday.

Monte Cook spent Friday night with Ruth Wolfe.

Emma Jackson visited Montie Cook Sunday.

Misses Beda and Velma Williams took supper with Mr. and Mrs. Cook and daughter Saturday night.

Mr. and Mrs. Cox and family visited Mr. and Mrs. Cook and daughter Sunday.

Mr. and Mrs. Smith and family visited Mr. and Mrs. McKinney and family Sunday.

The Wyche 42 party Saturday night

was greatly enjoyed by all who were present. There was a large crowd present. Robbie Jackson visited Alma and Lavada Cox Sunday.

Mr. and Mrs. Jackson and small children visited Mr. and Mrs. Hoffman Sunday.

Naomi Jackson spent Sunday night with Anna Hoffman.

Mr. J. L. Hoffman and H. A. Hoffman returned from New Mexico Friday.

Mr. and Mrs. H. A. Hoffman and family visited Mr. and Mrs. Kuper and family Sunday.

Mr. and Mrs. Raleigh Hough and family motored to Canyon Sunday to visit Mr. Hough's mother.

Mr. and Mrs. Carmichael and family visited Mr. and Mrs. Brunley Sunday evening.

TRUSTEE ELECTION NOTICE

Election for school trustees will be held in each school district of the County on April 3rd. Any person desiring to have his name placed on Official Ballot, should file same with County Judge at least ten days before election; provided that five or more resident qualified voters in the district may request that certain names be printed.

NOTICE OF SHERIFF'S SALE

The State of Texas, County Of Deaf Smith.

By virtue of an order of sale with Writ of possession issued out of the Honorable District Court of Potter County, Texas, on the 1st day of March, A. D. 1926, by the clerk thereof in the case of M. L. Phillips, plaintiff, Vs W. G. Renison, and wife, Mrs. D. J. Renison, I. A. Alfred, Oswald Kunze and Wildorado State Bank, a corporation, defendants, in cause No. 4639 and to me as Sheriff directed and delivered, I will proceed to sell within the hours prescribed by law for sheriff's sales on the 1st Tuesday in April, A. D. 1926, it being the 6th day of said month before the court house door of said Deaf Smith County, Texas, the following described real estate, to-wit:

Two Hundred Forty (240) acres of land known and described as being the most western 240 acres off of the west side of survey No. Twenty seven (27) in Block K-8, located by

virtue of Certificate No. 1-600 issued to Beaty, Seale & Forwood, by the Commissioner of the General Land Office and patented by the State of Texas to Samuel Brierly, assignee of said B. S. & F., the said Patent being No. 400, Volume 24, and dated Aug. 2, 1876. The said 240 acres being a strip of land lying next to the west boundary line of said survey and extending from the north to the south boundary line thereof.

Levied on the 3rd day of March, A. D. 1926, as the property of W. G. Renison to satisfy a judgement against the defendant, W. G. Renison in favor of M. L. Phillips for the sum of \$5,769.28, with interest thereon at the rate of ten per cent per annum from

Southwestern Bell Telephone Co. Twenty third Dividend

The regular quarterly dividend of one dollar and seventy-five cents per share on Preferred Stock will be paid on Thursday, April 1, 1926, to stockholders on record at the close of business on Saturday, March 20, 1926.

R. A. NICKERSON, Treasurer.

the 27th day of January, A. D. 1926, and all costs of suit.

Given under my hand the 3rd day of March, A. D. 1926.

Claude Benton Sheriff of Deaf Smith County, Texas. S-31

The BULL'S EYE

Editor and General Manager WILL ROGERS

News Taken from the Daily Papers

A headline in the paper says "In their war China won't fight on rainy days." They don't mind getting shot, but they won't get wet.

Imagine a sign as you start to enter China: "RAIN. NO WAR TODAY." If that was the custom in this country, we could prevent all wars by announcing that all the fighting must be done in Portland, Oregon.

Another paper asks, "Where does a Florida Real Estate man go in the summer?" He goes to California to his all-the-year-round home.

A newspaper asks "Why does a President of a concern always talk at the Company's banquets?" It's an incentive to the workers, who say, "If that's all he knows I may be President some day."

Another paper suggests, "The cheapest way to enforce Prohibition is to have everyone that drinks watched." Who is going to do the watching?

An article in a Business Man's magazine inquires, "What business in this country has the largest turnover?" Cucumbers for supper have the largest turnover, with Fords a close second.

The Congressional Record speaking editorially, says, "Bull" Durham is the best Tobacco that ever entered these Stately Halls."

Will Rogers P.S. There will be another piece in this paper soon. Watch for it.

"BULL" DURHAM Guaranteed by The American Tobacco Co. 111 Fifth Avenue, New York City

COMING TO Amarillo

Dr. Mellenthin SPECIALIST

In Internal Medicine for the past fifteen years

DOES NOT OPERATE

Will be at AMARILLO HOTEL TUESDAY & WEDNESDAY MARCH 23 AND 24

Office Hours 10 a. m. to 4 p. m.

TWO DAYS ONLY

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas. He does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

Below are the names of a few of his many satisfied patients in Texas. B. A. Rust, Avery, gall stones. Emil Hausmann, San Antonio, nerve trouble.

T. V. Watts, Lamesa, appendicitis and nerve trouble.

Mrs. H. G. Hill, Big Springs, eczema.

Mrs. D. D. David, Hebronville, female trouble and backaches.

M. T. Banta, Dundee, ulcer of stomach.

M. G. Blankenship, Westover, stomach and bowel trouble.

Walter Stolte, Marion, heart trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 211 Bradbury Bldg., Los Angeles, California.

SHORT ORDERS

Edward's Famous CHILI

This much cream was separated from the DeLaval skimmilk - by another machine

57 lbs. of Cream Testing 4-47 = 075 lbs. of Butter Fat

This much cream was separated by the DeLaval from an equal amount of the other Machines skim milk

57 lbs. of Cream Testing 337 = 133 lbs. of Butter Fat

A Real and Easy Test of Cream Separator Efficiency - Try it!

PUT a De Laval side-by-side with any other separator of approximate capacity. Mix 20 gallons of milk thoroughly and let it stay at normal room temperature of 70°. Run half through each machine. Wash the bowl and tinware of each in its own skim-milk. Then run the De Laval skim-milk through the other machine and vice versa. Weigh and test for butter-fat the cream each machine gets from the other's skim-milk. When you do this you will know beyond question of doubt that the De Laval skims cleaner, is easier to turn and is more profitable to own. Above are the results of such a test between a De Laval and another new separator of standard make. Note that the other machine left 25 times more butter-fat in the skim-milk than the De Laval did.

Liberal trade allowances made on old separators.

C. A. SKELTON Hereford, Texas

Home Garden Time Is Here

It is time to get out the rake and shovel and hoe; buy a few seeds and get to work on a Home Garden to supply the family needs with nice, fresh vegetable of your own raising.

**CARD OF THANKS**

We take this method of thanking our many friends for the immediate interest taken when our son, Edgar, was stricken unexpectedly and suddenly ill, and for the many kind acts shown during his illness. We also want to thank those who sent the lovely flowers. We are especially grateful for the sincere prayers offered by numbers of our friends in this time of trouble. We greatly appreciate the efficiency of the County Hospital, and the untiring care of the nurses and physicians: Mr. and Mrs. Edgar Johnson

**CARD OF THANKS**

We wish to extend our heartfelt thanks to the many neighbors and friends, to the Hospital staff and doctors, for the many beautiful floral offerings and kind words spoken during the illness and death of our dear wife and mother. Also for the many services of the Catholic pastor and choir. May God's many blessings be with you all.  
Fred Langer and Children.

**NOTICE**

Notice is hereby given that the City Commission of the City of Hereford, Texas, will receive bids up to Monday, April 5th, 1926, at 10:00 o'clock A. M. from any bank in Hereford, Deaf Smith County, Texas, desiring to act as Depository for said City of Hereford, for the ensuing two years. Bids should state the rate of interest the bidder proposes to pay on the average daily balance of the funds of said City. The City Commission reserves the right to reject any and all bids. The successful bidder will be required to give bond acceptable to the City Commission.  
E. S. Ireland, Mayor.

**ESTRAY NOTICE**

"Oh, mother, that monkey looks like papa."  
"Why, Marie, you shouldn't say such ugly things."  
"But, mother, monkeys can't understand."

**Weeds Use Up Fertility and Reduce Crop Yields**

The use of high-grade seeds of farm crops is vital to successful farming. Weed seeds planted are paid for at the price of crop seeds; are sown and cultivated at the same cost as crop seeds. In return they are either scattered on the field to reduce the next crop or remain in the harvested crop and reduce its value. Actual count of seeds from individual plants show that no farmer can afford to plant weed seeds. A single plant of green fox tail produced 140,000 seeds, a plant of lamb's quarters produced 600,000, a single tumbleweed produced 6,000,000. The most pernicious weeds have been introduced in farming communities through their occurrence in crop seeds. Because of the enormous number of seeds produced by weeds every farmer should have his seed tested to see that it is reasonably free from such seeds. In addition to examination of seed for weed seeds it should also be tested for germination, for upon viability of seed depends the stand and hence the yield.

**Interesting Information About Value of Manure**

The value of manure depends upon many things—the percentage of straw and moisture, the treatment it has received, the length of time held, the kind of crops it is to be used upon and how it is applied. But in a general way, the Maryland station has arrived at the conclusion that a ton of manure for field crops is worth around \$5.28 and for truck crops \$8.05. The conclusions were arrived at after twenty-one years of tests. They discovered other interesting information about manure. Light applications usually give larger returns from a ton of manure than do heavy applications. Where the supply of manure is limited it is better practice to make several light applications than a few heavy ones. Manure hauled directly to the field and spread gave better results than where hauled out and allowed to rot in piles. Manure applied to soil that has been limed, gave larger returns than on unlimed land. The addition of phosphorus also increased the efficiency of manure.
