

Texas Woman Found Slain In Auto

Howls Of Dog Attract Farmers To Scene; Holdup-Slaying Theory Is Advanced; Man's Body Found

MILFORD, Nov. 19 (AP)—Justice of the Peace Frank Warren returned a verdict of murder and suicide today in the fatal shooting of Mrs. Mildred Wheat, 33-year-old McGregor telephone operator, and R. G. McSpadden of Waco.

MILFORD, Nov. 19 (AP)—Howls of a small dog which had stood watch over his dead mistress' body throughout the night led two farmers early today to a gruesome cotton field murder scene.

The body of Mrs. Mildred Wheat, 33, chief telephone operator of McGregor and wife of the town's constable, was found in her automobile on a side road one mile from here.

Two farmers, T. P. Keeland and C. L. Wakefield, told Constable George Everett of Milford they were riding in their automobile when they noticed the car. They investigated and found Mrs. Wheat's body, wedged between the front and rear seats. Blood trickled from the floor of the machine.

Residents of the section told officers they had seen the car drive to the spot "sometime between 9 and 10 o'clock last night." It was not immediately learned how long Mrs. Wheat had been dead.

One bullet wound in the head caused death. An empty .32 calibre shell was found on the floor of the car but no pistol could be found in the vicinity.

Chief of Detectives M. Burton of Waco advanced the theory that Mrs. Wheat had been forced to drive her automobile out of Waco by a robber who shot her and left her body in the car with the dog.

Mrs. Wheat was grand mistress of records and correspondence of the Pythian Sisters of Texas, auxiliary to the Knights of Pythias. She with other officers had been traveling over the state on business of the organization.

Mrs. Mattie Fields, Milford, member of the Pythian Sisters, said in Waco Mrs. Wheat left to keep an engagement with an unknown party but failed to return on schedule.

Nominees For C-C Board To Be Chosen

Membership Lists Going Out To All Of Membership

Membership lists are being sent to every member of the chamber of commerce with the request that they check 20 names for nominees as directors of the chamber for 1938.

Back By Nov. 24 These lists, said J. H. Greene, manager, should be returned to the chamber not later than midnight of November 24. The high 20 names will be placed on another list and sent out for final balloting which will determine the 10 new directors to be elected.

Directors whose terms expire, and, under a resolution passed by the board, cannot succeed themselves for a period of one year, are T. W. Ashley, W. C. Blankenship, Dr. C. K. Bivings, J. E. Collins, R. L. Cook, T. S. Currie, G. C. Dunham, G. H. Hayward, Fred Keating, and Nat Shick.

Holder directors are R. F. Schermerhorn, C. S. Blomfield, Dr. E. O. Ellington, Charles Frost, Joe Galbraith, Cal Boykin, Dr. P. W. Malone, Shine Phillips, R. T. Piner, and Pat Kinney. Five appointed directors will complete the board for next year.

New directors and officers will be announced at the chamber banquet either December 13 or 16.

Map Plans For Santa's Visit Here On Dec. 2 Publicity committee of the merchants group planning for a pre-Christmas celebration outlined a plan of procedure at a meeting in the chamber of commerce offices Friday morning.

Arrival of Santa Claus in an airplane on December was assured and the event is to be publicized in every possible way—by press, radio and circulating the ward schools.

On the night Santa arrives here, he will be greeted by large crowds, who will engage in the treasure hunt after his visit.

AUTO AND RUBBER WORKERS STRIKE

PONTIAC, Mich., Nov. 19 (AP)—The Pontiac local of the United Automobile Workers of America rejected a plea from the International Union to abandon a sit-down strike in the plant of the Fisher Body corporation here early today.

The auto workers voted to proceed with the strike after Fred Pieper, a member of the International executive board, urged them to return to work.

AKRON, Ohio, Nov. 19 (AP)—Sit-down strikers protesting a scheduled layoff of 16,000 workers forced all three plants of the Goodyear Tire and Rubber company into idleness today.

John House, president of the Goodyear local of the United Rubber Workers of America, said the strike, starting after the fourth shift entered the number one plant at midnight, was called without union authorization.

BOY SWINGS HAMMER TO AID HIS FATHER

NEW YORK, Nov. 19 (AP)—Police today credited a hammer swinging boy of six, George Dolron, Jr., with having avenged the shooting of his father during a family fight last night.

George's father, 42, superintendent of an upper West Side apartment house, received two bullet wounds.

COMMITTEES NEAR COMPLETION OF WORK ON FARM CONTROL MEASURES

Britisher Sets New Speed Mark, Giant Car Making Over 311 MPH

BOONEVILLE SALT LAKE FLATS, Nov. 19 (AP)—Capt. George Eyston of England today set a new world's land speed record of 311.43 miles per hour.

The genial captain from London flashed through the mile and back again in "Thunderbolt," a 24 cylinder racing giant, for an average of 115.6 seconds.

Eyston's speed, the fastest man has ever traveled in an automobile, exceeded Sir Malcolm Campbell's record of 301.1292 miles per hour by a wide margin.

Campbell's mark, which withstood two previous assaults by Eyston, was achieved here in September, 1935.

Eyston, a thin, scholarly man of 40 who retired from the British army several years ago, clipped the northward mile in 11.79 seconds for an average speed of 306.54 miles per hour and then sped back in 11.33 seconds for an almost unbelievable mark of 317.74 miles per hour.

THEIR BILL CAUSES FILIBUSTER

WASHINGTON, Nov. 19 (AP)—Senator Vandenberg (R-Mich.) and Senator Lewis (D-Ill.) joined today in asking an investigation of a report that William C. Bullitt, American ambassador to France, had been sent to Poland to "warn" that country against participating in the Italo-German anti-communist pact.

Vandenberg interrupted the anti-lynching filibuster on the senate floor to read a newspaper dispatch from Paris which said Bullitt had gone to Poland for that purpose.

The account said Bullitt was understood to be "acting under instructions from President Roosevelt."

Senator Lewis asserted that an effort should be made at once to "ascertain the facts" from the state department and the president.

While at Warsaw it was said, Bullitt is to be the guest of his chief friend and fellow Philadelphian, Anthony J. Drexel Biddle, Jr., the American ambassador to Poland.

President Roosevelt's special session program met a setback when Southern senators staged an old-fashioned filibuster against anti-lynching legislation. Here two sponsors of the bills, Sen. Robert F. Wagner (D-N.Y.) and Sen. Frederick Van Nuys (D-Ind.) talk it over.

Wants Probe On Envoy's Journey

Vandenberg Complains Of Reported Trip To Poland

WASHINGTON, Nov. 19 (AP)—Senator Vandenberg (R-Mich.) and Senator Lewis (D-Ill.) joined today in asking an investigation of a report that William C. Bullitt, American ambassador to France, had been sent to Poland to "warn" that country against participating in the Italo-German anti-communist pact.

Senate Group Due To Vote Tomorrow

Filibuster Against Anti-Lynching Bill Is Continued

WASHINGTON, Nov. 19 (AP)—Congressional committees neared completion of farm control bills today while senators and representatives devoted another day to talk.

Food Matinee For Youngsters To Be Tomorrow

Children of Big Spring and the surrounding area were reminded again today of the Ritz theatre's annual Thanksgiving food matinee, scheduled for 10 o'clock Saturday morning.

All children will be admitted to the show on presentation of canned goods, fruits, or any usable food item. The collection will be turned over to a welfare agency by the Ritz management.

Mercury Dips To A Low Of 23 Degrees

Lubbock Coldest Spot In State, With Reading Of 14

Winter had arrived on the West Texas scene today as predicted, but with none of the rain and sleet it was supposed to bring.

Big Spring shivered as the mercury dipped to a low of 23 degrees, by far the coldest of the season.

Temperatures in the Panhandle and the South Plains early today went far below freezing, reaching its lowest point at 14 degrees in Lubbock.

Snow flurries fell yesterday and last night in spotted sections of North Texas but the blanket of white expected farther south didn't show.

Corciana reported 30 degrees with partly cloudy skies and a strong wind. It was "beautifully clear" at San Antonio, where temperatures fell to 40 degrees.

At Llano there was ice and 25-degree weather. Austin reported 31 degrees. Gainesville 22, southern Houston 41.

For tonight and tomorrow the weather bureau foresaw continued cold weather with slight easement late tomorrow.

The freezing temperatures may move in to the coast, the bureau said, skipping the Rio Grande valley.

CHARLEY BRYAN TO CAMPAIGN AGAIN

LINCOLN, Neb., Nov. 19 (AP)—Charles W. Bryan is getting ready for the campaign stump again at an age when most persons are willing to trade the turbulence of politics for a fireside armchair.

The 70-year-old Nebraskan, only one to serve three terms as governor, admitted today he had succumbed again to the lure of campaigning although public office was not his goal.

Six Perish As Shed Burns

All Members Of One Family, Victims Die In Sleep

FORT COLLINS, Colo., Nov. 16 (AP)—Six persons were burned to death early today while sleeping in a one-room shed rented for their living quarters after the close of the sugar beet harvesting campaign.

The dead: Tomas Cobes, 68; Sara Cobes, 61, his wife; Benny Ortiz, 38, their daughter; Carmel Ortiz, 14, daughter of Benny Ortiz; Sara Ortiz, 11, another daughter; Henry Ortiz, 9, a son.

Police Chief Orville P. Kelley said Patrolman J. B. Thompson discovered the fire while cruising early today. Chief Kelley said all the victims' bodies still were in their sleeping postures indicating none received warning of the blaze.

When the fire was discovered by the patrolman it was then too advanced to permit the rescue of any of the six persons sleeping inside, Kelley said.

He said the explosion of an oil stove, possibly from the heat of a nearby coal stove, may have caused the fire.

THAT JUTTING JAW JUTS OUT FARTHER

WASHINGTON, Nov. 19 (AP)—President Roosevelt's jaw, one of his aides said today, "sticks out like a grapefruit" from the tooth infection that has kept him confined four days.

The chief executive remained upstairs in the residential part of the White House again today, but read his mail and arranged one appointment—with Postmaster General Farley.

Dr. Ross T. McIntire, White House physician, said his patient was "feeling fine" and that the fever "practically had subsided."

POISONED FOOD CLAIMS 7TH VICTIM

TUCUMCARI, N. M., Nov. 19 (AP)—The death toll from a fatal food poisoning increased to seven here today as health authorities began a precautionary roundup of all who may have partaken of fatal preparation of chili peppers at a funeral service luncheon Monday.

CHILD KILLED IN FALL FROM TRUCK

Services will be held Sunday at 4 p. m. for Mary Lou Wilkerson, five-year-old daughter of Mr. and Mrs. Herman Lee Wilkerson, fatally injured Thursday afternoon in a fall from a truck.

Former Banker of Coahoma Expires; Rites Sunday

Death Friday removed from the ranks of long-time residents of Howard county William B. Hood, insurance man and former banker at Coahoma.

Refinery Men Go On Strike

HOUSTON, Nov. 19 (AP)—The Shell refinery at Deer Park shut down at noon today as union workmen walked off the job when conferences over a new contract between company and union executives proved fruitless.

Chinese Line Crumbling

SHANGHAI, Nov. 19 (AP)—Japanese troops cracked the southern pivot of the Chinese "Hindenburg" line defending Nanking and struck shattering blows along its central and northern fronts.

UNDER \$5,000 BOND

SAN SABA, Tex., Nov. 19 (AP)—Jamie Brook, president of the Brady chamber of commerce, was at liberty today under \$5,000 bond in connection with the fatal shooting of Mike Miller, stock farmer, Wednesday. Brook waived examination.

KILLED BY TRAIN

MICHIGAN CITY, Ind., Nov. 19 (AP)—A Pere Marquette passenger train struck an automobile at a crossing near here last night, killing Leslie Diez, 46, of Milwaukee, Mrs. Harriett Ingersoll, 30, also of Milwaukee, and Frances Ann Scanlon, 21, a social welfare worker of Ridgewood, Long Island, N. Y.

Meeting Place Needed To Carry On Recreational Work This Winter

Pleased with the showing of the municipal recreational program in the face of handicaps, Bill McCall, district director of recreational projects for WPA, said here Friday that the agency which he represents planned to do all possible to convert the Big Spring project into a sort of "model" unit before its termination next June 30.

REWARDS SPEED UP HUNT FOR SLAYER

MINNEAPOLIS, Nov. 19 (AP)—Spurred by rewards of \$11,000 and aroused by reports that four other labor leaders were marked for death, investigators delved into union activities today for a solution to the ambush slaying of Patrick J. Corcoran.

ON SICK LEAVE

LONDON, Nov. 19 (AP)—United States Ambassador Robert W. Englemann called for leave on sick leave today, according to the Associated Press.

"IT HURTS, THIS BOWLING GAME," SAYS HICKEY

CHICAGO, Nov. 19 (AP)—John Hickey inserted a swollen thumb and two fingers into a 16-pound bowling ball, threw a calculating glance at the distant ten pins, took three or four quick steps and let fly. The ball didn't get away from the swollen thumb. It described a wide arc and thudded against Hickey's right eye. That ended his bowling for the evening but more excitement was in store. His fellow teammates separated the unconscious Hickey from the ball, then rushed him to a hospital where a physician closed the wound over the eye with five stitches and presented a bill for \$10. The size of the bill hurt worse than the wound and Hickey yelled proportionately. The arrival of three squads of police in response to a call from a frightened nurse had a calming influence on everyone. Hickey collected \$10 from his friends and paid the bill. Today Hickey listed bowling among the more dangerous sports.

ROADS DESIGNATED BY STATE DEPT.

AUSTIN, Nov. 19 (AP)—The state highway department's list of designated state thoroughfares to be maintained after completion by various counties today included a road from Kenedy to Three Rivers. The commission specified, however, that sections in Live Oak and Bee counties would not be taken over until right-of-way was furnished and the road constructed. The body assumed maintenance on a section from Kenedy to the Bee county line, appropriating \$4,920. A road from Groesbeck to an intersection with Highway 32 or Highway 42 and one from Gilmer to near Quitman were placed in the same classification. Among maintenance and repair projects totaling \$58,036 were: In Angeline county—Asphalting Highway 35 from Burke to 1.8 miles south of Lufkin, \$12,420. Gray county—Supplementing WPA funds for culchle base on Highway 152 from east county line west 11.7 miles, \$6,600. Gregg county—Maintenance of Highway 178 from a junction with Highway 135 to a junction with Highway 26 north of Kilgore, \$1,783.

PHILIPPINE TYPHOON TAKES 46 LIVES

MANILA, P. I., Nov. 19 (AP)—Deaths from the Philippine Islands' second typhoon within a week jumped sharply to 46 today with many missing as reports of sea disasters were received here. The fishing boat Miss Liloan sank near Masbate. Only one member of a crew of 31 was known to have been saved. The inter-island passenger carrier Marlin Duqueno was unreported and apprehension was felt for its safety. Other boats in the Masbate region were unaccounted for. Thirteen passengers and sailors were missing after the motorboat Guban sank off Leyte. The motorship Camotes went down in the same vicinity. Northern Cebu province, caught in the vortex of the typhoon, reported it the worst in its history. Sixty per cent of the homes in some sectors were reported demolished. Manila, just recovering from the Armistice Day typhoon, suffered minor damages today from high winds and heavy rains.

CONFERS WITH ENVOY NANKING, Nov. 19 (AP)—Rear Admiral Edward J. Maguarrat, commander of the United States Yangtze river patrol, arrived today to confer with Ambassador Nelson T. Johnson on means of evacuating Americans.

Hollywood Sights and Sounds By Robbin Coons

HOLLYWOOD—A new Garbo picture is always an event, and "Conquest" is due to be more limelighted than other of her films. For one thing, it rates with the screen's greatest historical spectacles. For another, it is the first Garbo film within memory in which the Swedish star's role does not dominate. For a large portion of the footage, Garbo plays a sensitive and adoring second fiddle to Charles Boyer's Napoleon. Director Clarence Brown, here considering the love story of the Polish Marie Walewska and the little great man of Europe, has set it against a brilliant and almost overwhelming background of the era. It is his triumph as a director that he has managed to keep the love story shining clear before the sweep and surge of armies and political intrigue. Boyer's Napoleon is a masterly performance, his best in any film. Aided by plastic make-up, he achieves a remarkable resemblance to the character, but his great accomplishment is in humanizing a legend and portraying the emperor's progress from idealist to power-hungry dictator. Against such a role so ably played, it is a credit to Garbo that her patented brand of movie magic is never entirely lost to view and frequently shines brilliantly. Eddie Cantor's "anniversary picture" has been in the public eye 25 years now—is "All Baba Goes to Town." Directed by David Butler, it takes up the case of a movie extra, (Cantor) who in a dream goes to ancient Baghdad and inaugurates a new deal, Roosevelt style. Never quite as funny as you hope it will be, "All Baba" still has its quota of laughs, with good musical sequences—especially the "Swing Is Here to Stay" number which is aided by the hefty "Peters sisters—and a huge and colorful production. If you're a hater of double-features, forget it some time and drop in on one of the Jones Family's adventures in celluloid. Especially if you are a sufferer from too many epics, you're likely to find it delightful. The latest of this series is "Borrowing Trouble," in which Jones and family get into a Dickens of a mess through big-brothering the town's bad boy, played without acting but with superb naturalness by a youngster named Marvin Stephens who until recently peddled papers at a downtown intersection.

SENTENCED TO DIE MOSCOW, Nov. 19 (AP)—A woman and two men were sentenced to death today in a Leningrad school case on charges of mistreating students and endeavoring to provoke dissatisfaction with the Soviet regime. Eight others must serve 10 to 20 years in prison.

FIGHTING IN INDIA NEW DELHI, India, Nov. 19 (AP)—One British soldier was killed, five British and five Indians were wounded today in renewed fighting in the Waziristan sector of the troubled northwest frontier area.

3rd Kidnaper Recaptured Investigation Is Ordered in New York Escape

SYRACUSE, N. Y., Nov. 19 (AP)—It was freedom's end today for three members of the 1933 O'Connell kidnap gang—their capture effected through information supplied by a janitor and a parking lot attendant. Percy "Angel Face" Geary, leader of the desperado triumvirate which staged a daring escape from the Onondaga county penitentiary at nearby Jamesville, N. Y., early Tuesday morning, was seized yesterday afternoon in a Syracuse parking lot shanty. The other two, John Oley and Harold Crowley, recaptured Wednesday in a Syracuse rooming house on a tip supplied by a janitor—Ivan Whitford—exactly 36 hours after their escape, were brought to Albany and lodged in the Albany county jail. Meanwhile from Washington the justice department ordered two investigations of the escape. Casper Mirra, 20, a parking lot attendant, furnished the tip which led to Geary's capture. Geary, injured when he leaped from a second floor window to escape capture at the time his two companions were seized, hobbled a block and a half to a warehouse across the street from a parking lot. Mirra told police he called to Geary to "come on over and get warm." He stayed there 24 hours. Mirra's suspicions were aroused when in a conversation with the escaped prisoner, Geary said "if I caught those poor fellows I don't think I'd turn them in." Mirra sent a parking lot customer after a policeman. WORK STARTS SOON ON ELECTRIFICATION PROJECT McALLEN, Nov. 19 (AP)—Construction is expected to begin in 10 days on the first 215 miles of the Lower Rio Grande Valley's projected 807-mile rural electrification project. Thirty miles of main transmission lines and laterals in Willacy, Cameron and Hidalgo counties were included in a \$144,900 contract awarded yesterday to E. P. Workman of Dallas. Contract for 800 meters was let to the Westinghouse Supply Corporation, San Antonio, for \$7,700. George C. Darnell, president of

Gettysburg Address Delivered Just 74 Years Ago Today

GETTYSBURG, Pa., Nov. 19 (AP)—Three score and 14 years ago today, President Lincoln delivered his memorable address on the battlefield that was the turning point in the Civil War. An icy wind whistled over Seminary Ridge on November 19, 1863, whence Pickett's gallant band blustered and disastroous charge a few months before. A pelting rain beat into the faces of a group of country folk on a platform overlooking a semi-circle of rugged graves. But Abraham Lincoln, tall, gaunt, leader of men, arose, removed his shawl, and spoke: "Four score and seven years ago our fathers brought forth on this continent a new nation, xx x." "Now we are engaged in a great civil war..." And the wind moaned where with banners fluttering and bayonets glittering, the forces of the Confederacy found Hancock and the Union Blue awaiting them. Pennsylvania, particularly Gettysburg, remembered Lincoln today. An old breeze came from Seminary Ridge, whence the ghosts of Pickett's gallant band emerged, magnificently, to meet the spirits of Hancock's Union Blues. "UNWRITTEN LAW TO BE HIS DEFENSE GLENDALE, Calif., Nov. 19 (AP)—"Chin up," Paul A. Wright, 38, airport president, was preparing an unwritten law defense today for his trial on a double murder charge for the shooting of his wife and best friend. "I'm keeping my case up," he said. "I've got to beat this case for the sake of my little girl, Helen." She is three years old. Wright withdrew his "full story" at his preliminary hearing yesterday when an 80-year-old police judge, Frank Lowe, bound him over and set his arraignment for December 6. But part of his statement to police that he caught his wife, Evelyn, 28, "cheating" in the arms of John Kimmel, was read into the court records. TO FORT WORTH Misses Cleo Lane and Frances Stamper left Thursday evening for Fort Worth to attend the Rice-T.C.U. game Saturday. Miss Lane plans to spend today in Hillsboro with her father. the Magic Valley Electric Co-Operative, Inc., said plans call for serving 2,356 customers.

Map Plans To Push Housing Activities

WASHINGTON, Nov. 19 (AP)—Widespread efforts of the government and private industry to stimulate business activity produced these developments today: 1. The housing conference of the United States chamber of commerce endorsed a seven-point program, headed by publicity to popularize home owning, as a means of increasing residential construction. 2. A high federal official indicated President Roosevelt may provide loans from the Reconstruction Finance Corporation to help the home building campaign. 3. A house tax subcommittee, having agreed tentatively to exempt from the undistributed profits tax all corporations with net incomes under \$5,000, is seeking a method of giving graduated exemptions to larger corporations. 4. Speaker Bankhead, endorsing the unemployment census, indicated congress would study methods of stimulating industries which could absorb idle labor. The chamber of commerce meeting said home building could be stimulated by: Stronger competition against other bidders for the prospective home-owner's dollar, correcting misconceptions of building costs, adjustment of business taxes, rewriting obsolete building codes, coordination within the building industry of better financing and support of labor. WINS ACQUITTAL NEW HAVEN, Conn., Nov. 19 (AP)—With an acquittal on strike-breaking charges as a birthday present, 31-year-old James H. Rand, Jr., pointed to the federal court verdict today as vindication in another case in which his firm, Remington Rand Inc., had drawn harsh criticism from the national labor relations board. Rand and his co-defendant, Pearl L. Bergoff, widely known as "king of the strikebreakers," were acquitted yesterday of charges that they transported 57 men to a strike-bound Remington Rand typewriter plant in Middletown with intent to interfere with peaceful picketing. Rand contended the men were millwrights, sent to dismantle the plant.

Body Exhumed To Verify Confessions Of Old Slaying

ST. GEORGE, Utah, Nov. 19 (AP)—A headless body, exhumed from an old well into which it was cast nearly three years ago, mutely verified today the strange confessions of two men of a Southern Utah killing brought to light by slips-of-the-tongue and the power of neighborhood gossip. The body, little more than a skeleton, was identified by trousers, sweater, belt and shoes, said Sheriff Antone H. Prince, as that of Spencer Malan, 35, who disappeared March 17, 1935. First degree murder charges were filed against Charles Bosshardt, 25, who told Prince he killed Malan in a ranch fight and later married the man's widow, and George Schaefer, 35, brother of Mrs. Malan, who said he helped Bosshardt "dispose" of the body in the well. Both men said they kept the secret from their wives. The sheriff said, however, he had been investigating the case for a year after rumors the men had dropped significant hints came to his ears. Meanwhile Mrs. Bosshardt and the third Mrs. Schaefer assured their husbands they would "stand by them."

CONVICTS ESCAPE

HUNTSVILLE, Nov. 19 (AP)—Three convicts, who escaped from a prison truck in downtown Huntsville last night, remained at large today. They were Roy Wheat, 33, of Lutkin, who was under life sentence on a robbery conviction in Jackson county last month, James Billings, 31, of San Antonio, who had served about 18 months of a 25-year sentence for rape, and Rex Bulky, 27, of Houston, who was given 12 years two years ago on burglary, theft and robbery convictions in Harris and Milam counties. Two prison guards fired several shots as the trio jumped from a truck in which they were being transported from the Goree prison farm, four miles south of here, to their quarters in state prison. There were about 15 other convicts in the truck. Later an automobile, which had four suits of clothes in it, was reported stolen. Free Delivery on Wines, Liquors 8:30 A. M. to 11:00 P. M. Jack Benny And Other Radio Stars In 'Artists And Models' Booked At The Ritz Sunday And Monday

Radio, generally considered the "baby" among entertainment mediums, has just discovered that instead of being the daddy of the new Jack Benny film musical, "Artists and Models," which plays Saturday midnight, Sunday and Monday at the Ritz theatre, with a cast headed by Benny, Ida Lupino, Gail Patrick, Richard Arlen, Ben Blue, Judy Canova, Louis Armstrong's Swing Orchestra, Martha Raye, Connie Boswell and Andre Kostelanetz' orchestra.

Benny, starring in the film, is heard regularly every Sunday over a coast-to-coast hookup. Misses Lupino and Patrick, and Arlen, have appeared many times as guest stars on nationally-broadcast programs. Judy Canova, hillbilly comedienne, gained her tremendous popularity, which led to the offer to appear in "Artists and Models," on the air, and Connie Boswell is a member of the famous Boswell Sisters, radio songstresses.

Martha Raye, familiarly known as the "Ultra-Violet Raye," disparts herself on the air every week—Andre Kostelanetz and his orchestra are a regular weekly feature—and Louis Armstrong's Swing Orchestra has swung devotees hanging over the loudspeaker, oblivious to everything but Ol' Louis' trumpet blaring away!

Bob Steele Heads Cast Of Western Drama At Queen

"The Red Rope" is the intriguing title of Bob Steele's latest western release, playing Friday and Saturday at the Queen theatre. It is a fast-action opus in the best Bob Steele tradition, calculated to satisfy all western fans.

Steele plays as a quick-on-the-trigger bomber whose fame as a straight shooter travels ahead of him. There are a gang of thugs who don't like this sort of thing, and they set about to break up Bob's wedding. Despite threats, the ceremony is completed, and then the bridegroom sets out to get his foes. Steele discovers that a tough of the range country has hired henchmen to get our hero out of the way, and then he goes after the headman. Meantime, the

G-Girl Makes Her Entry In Filmdom

Jack Holt, Wynne Gibson In Adventure Story At Queen

The G-men have been taking the headlines to such a degree that few folk know anything about the part played by women in the exploits of the federal bureau of investigation.

It remains for the movies to tell the dramatic story. And so, there is presented at the Queen theatre Sunday and Monday—with a midnight matinee preview Saturday—a release called "Trapped By G-Men," in which Wynne Gibson portrays a G-girl. Jack Holt has a starring role in the production.

In "Trapped By G-Men," Miss Gibson's role indicates the type of dangers the G-Girls in the actual service daily face. Posing as the wife of Agent Jack Holt, star of the film, who in turn has assumed the identity of a hunted killer, she mingles with the habitués of the underworld to gather whatever information she can and keeps tabs on the movements of Holt as he worms his way closer into the ranks of the gangsters he's out to get.

"Trapped By G-Men" features C. Henry Gordon and Jack La Rue in support of the stars. Lewis D. Collins directed.

The most distant planet is Neptune, calculated to be between 2,500 and 3,000 millions of miles from Earth.

bride's brother is kidnaped, and things look pretty dark for Bob. But he finds his way out of all difficulties in forceful and entertaining manner.

Lois January plays the romantic role opposite Steele, and the supporting cast includes Forrest Taylor, Charles King, Karl Hackett, Bobby Nelson, Ed Casidy, Lew Meehan and Frank Ball.

G-MAN

Jack Holt, veteran screen player, has a starring role as a government agent in the Queen's featured picture for Saturday midnight, Sunday and Monday, "Trapped By G-Men." Wynne Gibson plays opposite him, in the unusual role of a G-girl.

Buck Jones Western Offered At Lyric Friday-Saturday

The crushing of a band of outlaws who have put him on the spot is the somewhat exciting task required of that ace westerner, Buck Jones, in "Black Aces," an outdoor adventure melodrama playing at the Lyric Friday and Saturday.

Falsely accused of a murder committed by the Black Aces, a mysterious ring of blackmailers and killers who have terrorized the countryside, Buck is forced to round up the gang to save his own neck. Unless he can bring the real criminals to justice he faces being tried and hanged for murder.

How he battles against overwhelming odds makes a thrilling drama. There is romance in the story, too. Before Buck's turbulent adventure comes to a close he is fighting not only for his own life but for that of the girl he loves. The girl, attractive Kay Linker, is kidnaped by the bandits. Buck rescues her after a rousing battle.

Important supporting roles are played by Frederic Mackaye, William Lawrence, Robert Frazer, Raymond Brown, Robert Kortman and Frank Campeau. "Black Aces" was filmed amid the outdoor splendor of the High Sierra mountains. The picture is based on Stephen Payne's novel of the same name.

The 62nd and last county to be created in New York state was Bronx, formed from a part of New York county in 1914.

Navy Football Angle Given Film Play

'Navy Blue And Gold' Plays At Ritz Friday-Saturday

"Navy Blue and Gold," colorful and spirited story of life at the United States Naval Academy, with a timely emphasis on the football activities of the famous training school, comes to the Ritz theatre for showings Friday and Saturday.

Robert Young heads a cast of film favorites in the new picture, sharing honors with James Stewart, Lionel Barrymore, Florence Rice and Billie Burke. Others in prominent roles include Tom Brown, Samuel S. Hinds, Paul Kelly and Barnett Parker.

The story, a novel by George Bruce, has been acclaimed by naval officers the truest drama ever written about the historic academy. It deals poignantly with the devotion of cadets pledged to their country's service, the stern discipline, the thrilling sportsmanship of the Navy's football games, and the love of two players for the sister of their quarterback pal.

As an ace football recruit from a southern college who is indifferent to the traditional ideals of the famous institution, Young is given an opportunity to play a telling role.

Many scenes for "Navy Blue and Gold" were filmed on the grounds of the Annapolis school. Sam Wood directed with technical advice from Commander Harvey S. Haislip, U. S. N., retired, on Navy sequences and Gil Kuhn, 1936 captain of the U. S. C. football team as expert on gridiron scenes.

Stewart appears as a midshipman who came up from a battleship and makes good at Annapolis. But first, he faces disgrace owing to an error in the record of his father who was a naval hero. When that is cleared, he rejoins the football squad and with Young and Brown, forms a triple threat which defeats Army in a hard-fought game.

Hit-Run Cyclist Appears CLEVELAND (UP)—Seven-year-old Donald Mondrach heeded his mother's advice to stay on the sidewalk and not play in the street, but was struck the next day by a hit-skip cyclist.

AT THE RITZ

Presenting your friend of the radio, Mister Jack Benny, and one of the comely misses, Gail Patrick, who appears with him in "Artists and Models." The picture is a fanfare of music, comedy, displays of lovely lovelies, and all such elements of entertainment. It is booked at the Ritz Sunday and Monday with a midnight preview Saturday.

Harlow's Last Film Booked

With Clarke Gable In 'Saratoga' At The Lyric

Known principally as the last film starring the late Jean Harlow, "Saratoga" makes a return to Big Spring with screenings Sunday and Monday at the Ritz. Clark Gable is co-starred in the vehicle.

Behind the release of "Saratoga" lay an unusual technical task, which arose from Miss Harlow's death. She succumbed before the picture was completed, but there was a public demand for its issuance. The director was faced with the problem of finishing the photoplay without its feminine star.

The solution lay in rewriting these sequences to eliminate as far as possible the character she played; re-editing scenes already filmed to conform with the new treatment; and the use of several technical devices.

Fortunately, the ending of the picture with Miss Harlow and Clark Gable had already been filmed. Miss Harlow was in all the scenes up to the next to last reel of the production. A double was used in the few rewritten scenes, but her appearances were minimized. In these instances, only "long shots" were made, the double appearing with her back to the camera. In no place is her face seen. Other details, such as entering doors or running across a lawn to "tie in" with scenes already made by Miss Harlow, were used.

"Saratoga," a racetrack story from the pen of Anita Loos and Robert Hopkins, deals with the romance between the daughter of a wealthy horse owner and a book-maker.

REVISION OF TRADE PACT WITH CANADA CONTEMPLATED

WASHINGTON, Nov. 19 (UP)—The state department, settling out on its most ambitious effort to increase world trade, linked negotiations for a new Canadian trade treaty today with its efforts to do more business with Great Britain.

Secretary Hull announced last night that a revision of the reciprocal trade treaty with Canada was contemplated. Earlier, he had made known that the United States and Great Britain at last had agreed to work out a similar pact. The three countries control a major share of international trade.

First congressional reaction to the proposed British agreement, came from Senator Lodge (R-Mass.), who said he would introduce a resolution Monday to terminate all trade pact negotiations for one year.

"With the mad race in armaments and threats of war looming large," he said, "it is vital that the United States should at least not increase its entanglements with other nations."

EDUCATOR DIES SALINA, Kas., Nov. 19 (UP)—Dr. Larkin Bruce Bowers, 60, president of Kansas Wesleyan University here 18 years, died last night of injuries suffered in an auto accident Tuesday.

SUSPECTS IN PLOT AGAINST CARDENAS ARE RELEASED

MEXICO CITY, Nov. 19 (AP)—A score or more of men and women arrested in raids on the headquarters of several rightist organizations in connection with what had been reliably reported as a plot on the life of President Lázaro Cardenas were released today.

A box of dynamite was seized at one of the places. A source close to the presidential palace said last night, at the time of the raids, that evidence of a conspiracy to dynamite Cardenas' special train had been uncovered.

The conspiracy was to have been put into execution, he said, the next time the president set out from the capital to visit the Mexican interior.

A communique of the government press bureau, the only statement published by Mexico City newspapers, made no mention of the reported plot. The bureau said all the men and women arrested in the raids had been questioned, then freed subject to possible recall for further questioning.

Baby Honorary Mayor CRYSTAL SPRINGS, Miss. (UP)—Perhaps the youngest "official" in the country has been discovered in Brian Hanel Abey, great-grandson of S. H. Abey, early Mississippi editor. Brian recently was appointed a major on the staff of Gov. E. W. Marland of Oklahoma. And his age is less than two months.

GARNER DISCUSSED AS POSSIBILITY FOR PRESIDENT

'Presidential timber' in the form of John N. Garner, vice president, of John N. Garner, vice president, was the topic today of Harry Hornby, Uvalde publisher, speaking before the 26th annual convention of the Texas Editorial Association. Hornby, new collector of customs for the San Antonio district, is among members of the association, all of whom have seen more than 25 years service.

Yesterday's program honored Bill T. Merriman, 85, for 67 years a newspaper writer and editor.

FLIERS KILLED PERPIGNAN, France, Nov. 19 (AP)—Four Spanish insurgent fliers were reported killed today when Spanish government anti-aircraft guns shot down their plane near Cadaques, Spain.

Hearsay

Not so long ago, people depended upon tales of returned travelers for their information about distant lands. Even when true, these tales were frequently misunderstood and misquoted. Often they were tall tales to begin with . . . There was no way to check up on these stories, no agency devoted to the accurate reporting of what really happened around the world.

Facts

Today journalism of integrity is an authoritative source on which to base stories, judgments and opinions. Furthermore, the published story can be referred to and reread in its unchangeable form.

Such journalism requires great care in its compilation, for it must withstand the strong light of publication.

During a half century of development The Associated Press has adhered closely to an ideal of journalistic integrity. That is the reason why newspapers of today can bring to their readers truthful and unbiased reports of what is happening all over the world.

The Associated Press reports the news of the world daily in

CHINESE 'HOLD' THE BRIDGE

WASHINGTON, Nov. 19 (AP)—A poster, depicting lynched negroes, on the senate chamber walls drew bitter comment and a demand from Senator Connally (D-Tex.) today it be taken down at once.

The poster was there when the senate convened for a resumption of the filibuster against the anti-lynching bill.

"By whose authority was that sign put there?" Connally commanded when the senate came to order.

Senator Clark (D-Mo) said he was responsible, adding it was customary for senators "to put up anything which might be of interest in the consideration of a pending bill."

"I would like to know," Connally continued, pacing back and forth, "by what authority the senator takes over the functions of the entire senate?"

"If the senator wants it taken down," Clark replied with a smile, "I will not object. It has served its purpose."

The text of the poster was an argument for the anti-lynching bill.

town, is outspoken in an appeal for a community center.

She said that an opportunity for securing two lots as a donation had arisen provided some community structure could be placed on the property. This structure, she said, need not be for children alone but for adults as well.

In it, according to Mrs. Jobe, the recreational program could be carried on during winter months. Boy Scouts could meet there, women could learn to sew, dramatics could be taught, community gatherings could be held. In short, she believes the building would be a fitting climax to the fight for providing equal opportunities to residents of west side.

condition of one, Mrs. S. Marquez, aunt of the seventh victim, Corina Benavides, 16, is the only one considered to have a certain chance to survive.

Several thousand units of an antitoxin serum were received today by the hospital from San Francisco.

As fast as health department representatives and hospital physicians can round up those believed to have eaten of the fatal home-prepared concoction, they are being given a prophylactic injection, Dr. Wagner said.

"The victims," Dr. Wagner said, "are all displaying the same symptoms and seem to be going the same way."

Senate
(Continued From Page 1)

anti-lynching measure would take another week.

That would leave the final two weeks of the session for the government reorganization bill. Some senators, however, forecast that farm debate would take up most of the remaining time.

A number of legislators, eager to obtain relaxation of the corporate taxes on business, still were talking hopefully of obtaining action at this session. But leaders discounted the possibility.

Except for the tax study, committee activity this week has been confined exclusively to the president's legislative program.

To-Quiz Suspect In Disappearance Of Tourists

DALLAS, Nov. 19 (AP)—The unsolved disappearance of four Illinois tourists in New Mexico in May, 1935, today was injected into the investigation of a suspect in the slaying of a Brooklyn merchant here Monday.

District Attorney Andrew L. Patton said that Lucy Cash, alias Robert Lacy, 23, charged with the slaying of Harry Leon Helfman, would be questioned in connection with the disappearance of Mr. and Mrs. George Lorus and Mr. and Mrs. Albert Heberer.

Cash, a Dallas mechanic, yesterday led officers to a sewage pit from which the body of Helfman, with a bullet in his heart, was recovered. He told officers he shot after Helfman made a threatening move while they were arguing about the sale of Helfman's automobile to Cash. Cash had repaired the machine following a wreck. Detective Will Fritz said the automobile was sold after Helfman was slain.

Recalling that the automobile from which the Illinois motorists disappeared was traced to Dallas, Patton said "there is a strange parallel between the two cases."

LOCAL HUNTERS BACK WITH THEIR DEER

R. E. Stringfellow and John Nutt, who left Sunday for a hunting expedition into the Davis mountains, returned Friday with two black tailed bucks as their reward.

Stringfellow killed a five-point deer while Nutt's kill was a six-pointer.

From the territory north of Van Horn returned a party of four that included E. V. Spence, George Oldham, Bob Asbury, Sr., and Bob Asbury, Jr. That party brought back four deer of the black tailed species.

CONFESSION OFFERED AT PASTOR'S TRIAL

PITTSFIELD, Ill., Nov. 19 (AP)—A purported "confession" by the Rev. C. E. Newton to the slaying of Mrs. Dennis Kelly, his "devout friend," was recounted to a circuit court jury today at the minister's trial on a charge of murder.

Prosecuting Attorney Walter Stillwell of Marion county, Mo., related the details of a statement he said the Baptist preacher signed last July 15.

Stillwell's account was ruled inadmissible by Circuit Judge A. Clay Williams at the opening of today's session.

CHARGED IN CRASH

HOUSTON, Nov. 19 (AP)—Edward Wyatt Miller, 31, Baytown, refinery worker, was charged with negligent homicide today in the death of Mrs. W. S. Cannon, of Decatur, Ga., who was killed in a three-way auto smashup yesterday. Four other persons were hurt in the crash, involving Miller's car, the one in which Mrs. Cannon was riding and another.

NO LUCK

Dr. P. W. Malone and Rev. W. S. Garnett, accompanied by Rev. Clyde Childress of Westbrook, returned from their hunt in the Davis mountains Thursday night. They reported no luck.

Fix Marketing Limit On Corn

WASHINGTON, Nov. 19 (AP)—The house agriculture committee today decided to write marketing quotas for corn into the administration's farm bill.

The committee at the same time rejected suggestions that a processing tax be imposed on corn to raise funds for an expanded benefit payment program.

Chairman Jones (D-Tex) said the committee also rejected a subcommittee's recommendation that a processing tax be levied on wheat. No decision was reached on the question of marketing quotas for wheat.

Jones said the members did not discuss suggestions for a voluntary control program for cotton, nor compulsory regulation for tobacco.

Meanwhile, Chairman Smith announced the senate agriculture committee would vote tomorrow on an "ever normal granary" bill, expected to be ready for general consideration Monday.

Senator Bankhead (D-Ala) said southern senators were ready to offer the cotton acreage control program as a section of the Pope-McGill measure.

Retail Trade Ahead Of Last Year

NEW YORK, Nov. 19 (AP)—Retail trade for the country as a whole this week edged one to three per cent above last week, but clearance sales and early Christmas shoppers were responsible for the betterment, Dun & Bradstreet reported today. In many centers, volume dipped.

"Rising unemployment and restricted consumers buying" coupled with "spread of uncertainty" regarding the industrial outlook, crowded briskness from most trade channels, the credit agency said.

Despite a duller pace, retail sales for the country held 3 to 12 per cent above the corresponding period a year ago.

"Most of the principal wholesale markets recorded fewer orders than during the week preceding, although it was common knowledge that many stores were in need of a number of items to freshen stocks," Dun and Bradstreet added.

BISHOP TO BRADY

Cy Bishop, who has been in charge of the Empire Southern Service sales department here, will leave Sunday for Brady where he has been promoted to assistant manager in the gas division.

"Thursday officials of the company visited here for a short time on an inspection tour. Members of the party were F. W. Woodcock and a Mr. Read of Philadelphia, F. H. Coughlin and J. W. Cryder of Wilmington, Del. and James Davis, general manager and former district manager here, and a Mr. Perry of Fort Worth. They returned to Fort Worth Thursday night after continuing to Brady and Gorman for inspection of company properties.

FORMER SENATORIAL CANDIDATE DEAD

DALLAS, Nov. 19 (AP)—Joseph H. Price, 69, Fort Worth farmer and real estate investor, candidate in 1936 for the U. S. senate opposing Senator Morris Sheppard, died in a hospital here today.

A native of Louisiana, Price had lived in Texas for thirty-five years. He was brought to the hospital here November 14 for treatment.

Survivors include: Mrs. T. B. Wilson of Big Lake; Mrs. Della Raines of McDade, La.; Mrs. Carrie W. Talbert of Ruston, La.; and Mrs. W. T. Freeland of Shreveport, his sisters.

ATTEND G.C. AFFAIR

Among those who drove from here to the Colorado annual chamber of commerce banquet were Nat Shick and Jimmie Greene. They were joined by Sam Cook and A. W. Thompson of Coahoma.

Greene was called upon for an impromptu speech inasmuch as he is the former manager of the Colorado chamber. Charles C. Thompson, president of the organization for the past five years, was succeeded by Truett Barber. Principal address of the evening was brought by State Senator G. H. Nelson.

I HAVE NO QUALMS ABOUT MAKING AND SERVING CAKES, PASTRIES AND FRIED FOODS

Crustene, the pure, super-creamed, all-vegetable shortening, simplifies their preparation and assures their goodness. Super-creaming makes Crustene blend perfectly with other ingredients and this means perfect texture every time. Crustene is low priced and amazingly economical, creamy and fresh. It makes food tasty, tender and digestible. Get a carton of Crustene from your grocer today.
