56TH YEAR — NO. 21

MEMORIAL POPPY SALES—Mayor Roy Godwin purchased the first Memorial Poppy from Mrs. Leonard Davis, chairman of the American Legion Poppy Sales campaign, immediately after proclaiming Saturday "Poppy Day." Proceeds from the sale of the veteran-made poppies this year will be earmarked to aid children injured or left homeless during the Silverton tornado. (Staff Photo)

POPPY SALES TO HELP

Around Town

School will end for the lower grades on Saturday. Finals will be held Friday and Saturday for students below the Senior grade. High School students will return for their report cards Monday morning, but the buses will not run. High School students unable to return for a short schedule on Monday will be able to pick up their cards at the office during the summer.

Work is progressing on the Pony League baseball field in Veterans Park. Tile has been laid in both dugouts, the two side fences are up and the centerfield fence is ready to be erected. The Jaycees are doing the work and say the park will be ready for opening day, June 3.

Complete rosters of the four Pony League teams and the season's schedule will be published in Sunday's Brand.

Jaycee officers will be installed during a banquet in the Hotel Jim Hill ballroom at 8 p.m. Friday. Don Fudge is president, Stanley Slagle, first vice president; Hugh Tremble, second vice president, and Paul Schroeter, secretary. About 100 persons are expected to attend. A dance will follow.

A box supper will be held in the Ford Community House, starting at 8 p.m. Saturday, for the benefit of the Hereford-Little League. The women of the community are sponsoring the event. The community house is 17 miles north of Hereford. (Continued On Page 2)

BASEBALL SEASON LAUNCHED

Over 400 Attend Yanks-Giants Game

Taking up where they left off, the defending champion Yankees opened Hereford's Little League season with a whopping 14-0 win over the Giants Monday night. Mayor Ray Godwin tossed out the first ball of the season after ceremonies in which members of all eight teams in the major and minor leagues were introduced to the first-night crowd of more than 400 fans.

The Yankees hopped on three Giant pitchers for seven hits and 14 runs in five innings. Danny McDowell hit a three-run homer in the big fifth inning. The

Yanks scored 10 runs in that frame. Pitchers Bill Overall and Drew Kershner limited Giant hitters to three scattered singles. David Dowell was the losing hurler for the Giants, working four innings. Overall was credited with the win.

TUESDAY night, the Cardinals edged the Dodgers, 2-0, on Gary Smith's two-run home in the top of the first inning.

Jackie Nichols was the winner, giving up five hits as he pitched the whole game. Jimmie Honey (Continued On Page 2)

Auxiliary To Aid Tornado Victims

Funds collected from Memorial Poppy sales on Saturday will go to aid children injured and left homeless by the recent Silverton tornado disaster, according to Mrs. Argen Draper, president of the local American Legion auxiliary. The funds will be only part of the auxiliary's planned contribution to aid four veterans and their families who were residents of the disaster area.

"We're planning a district-wide drive among auxiliary units and members to raise funds to provide a new home for one family with four children. The veteran and his wife and children lost their home and all their possessions when the tornado struck," Mrs. Draper said. "We hope to be able to provide them with a house and lot and home furnishings, plus clothing and other incidentals."

Normally, money gained from the Spring Poppy campaign is used for child welfare work, with the Hereford auxiliary buying school lunches for needy children

B36's Pilot Is Local Man

That noisy Air Force B36 which rattled the windows in Hereford last Friday was piloted by Maj. Merlin Conklin, son of Mr. and Mrs. Lee Conklin, 504 Jackson.

"He wasn't buzzing us," his mother said. "He was flying on orders." She said Maj. Conklin called her Saturday from El Paso. He is a B36 squadron commander and is based at Biggs AFB near El Paso.

TAX EQUALIZATION PLAN OKAYED IN JOINT MEET

Speech Handicap Is Most Common Case at Shrine Clinic

A total of 133 boys and girls went through the Shrine Club clinic for handicapped children here Saturday, according to Dr. L. B. Barnett, club president. The number is slightly larger than the 96 total reported last year in a similar three-county clinic sponsored by the group.

"Speech defects seemed to head the list this year," said Barnett, "with something like 40 to 50 per cent of all cases demanding attention along this line." He also pointed toward high percentages of neurological cases and bone cases, and said that many of the children showed combinations of troubles in the various fields.

"Each parent or guardian will get a letter in the near future pointing out defects," Barnett said "with recommendations from the specialists who contributed their time to make the examinations."

Concerning follow-up plans, Dr. Barnett said that some of the more severe cases might be eligible for treatment in Shrine hospitals. He said that a drive is also underway by Oasis Club members at the present time through which they hoped to be able to help treat some of the lesser cases — and to continue the clinic in future years. "We had an excellent staff and

Postpone Hearing Again for Flack

Preliminary hearing for W. C. Flack, 70, on charges of statutory rape has again been postponed by Justice of the Peace Berry Miles. Setting the hearing for Tuesday, Miles said needed evidence still has not been received from Austin. Flack allegedly assaulted a 15-year-old Hereford girl on March 25.

Colorful "Posses" Coming for Parade

Plans and reservations for the three days of rodeo and big parade in connection with Hereford's Pioneer Day celebration are nearing completion.

Hereford Riders Club officials report a number of Sheriff's Poses have confirmed invitations to ride in the big parade on Friday, May 31. The parade is expected to be highlighted by the appearance of the Hale and Fisher County Poses, contenders for this year's championship in the American Assn.-of Sheriff's Poses and Riders Clubs' annual parade competition.

The rodeo, which will open on Thursday night, May 30, and last through June 1, will be produced by Morris Stevens of Silverton. Stevens' bucking stock is expected to be well-rested "and rarin' to go" when it arrives here, having been rested following the cancellation of the rodeo in Silverton.

BO EASLEY of Clovis will be the rodeo clown, and Jack Johnson of Floydada will announce during the three days of riding and roping events.

The downtown parade on Pioneer Day will begin at 2:30 p.m. Already scheduled to appear in addition to Hale and Fisher County Poses are the local Riders, the Hutchinson County Poses, the KIT Rangers from Amarillo, and riding clubs from Sundown, Earth and Fritch.

Harold Beauchamp, president of the Hereford Riders, reports repairs are underway at the rodeo arena. The club, in addition to staging the rodeo, will be host during a Walter Jetton barbecue on Friday for visiting riders.

THE RIDING CLUB will also

we appreciate the time donated by each of the doctors and professors," he said; "also that donated by shriners and their wives in helping handle the youngsters and feed the 300 people at the Masonic Hall Saturday.

"There appears to be an urgent need to follow through on some of the cases and, likewise, an urgent need for a speech therapist in this area of Texas."

Shot Punctuates Family Argument; Husband Jailed

George Day, 46, of Glenrio, up in the northwest part of the county, was charged here Tuesday with assault with a prohibited weapon.

Day, a service station operator on the Texas side of Glenrio, allegedly shot his wife in the leg about 5:30 p.m. Monday. He is being held in the Tucumcari, N.M., jail.

According to Quay County Sheriff A. P. Garnett, Day went to his home back of the service station and packed a bag to leave. Returning to the station, he became involved in an argument with his wife. He allegedly pulled a .38 caliber pistol from his pocket and fired twice, hitting his wife in the leg and breaking a small bone.

She was taken to a Tucumcari hospital shortly after the shooting and taken to Amarillo for surgery Monday night.

Sheriff Garnett said a motion may be filed in Tucumcari to revoke a suspended sentence passed on Day Sept. 28, 1953. Day entered a guilty plea to firing a gun in a tavern in the New Mexico side of Glenrio. The sentence was for one to three years.

The assault charges were filed here by Sheriff Lowell Sharp.

Pistol Packing Is Unprofitable for Shoe Shine Boy

An armed "shoe shine boy" was picked up in Hereford Tuesday morning by sheriff's deputy Doc Wilson.

Wilson said two Negro boys, one 14, the other 15, stole a snub-nose .32 caliber pistol from a Dimmitt store Tuesday and came to Hereford.

They got jobs shining shoes in (Continued On Page 2)

Ceremony Tonight for 90 Graduates

Commencement exercises will be held at 8 p.m. today in the Hereford High School auditorium for 90 graduating seniors.

Valedictorian Ted Moore and salutatorian Carlynn Williams will give the main speeches during the program.

Mrs. A. J. Schroeter will play the processional and recessional. Lynn Boomer, student body president, will give the invocation.

A senior girls' sextet will sing "The Old Refrain" (Kreisler) and "Afterglow" (Debussy). Jane Newsum will play "Prelude, Op. 28, No. 7" (Chopin).

Wheeler Sears will present the senior class gift to the school. Principal Buck Overall will present awards. Tom Robinson, the school board president, will present diplomas to the class. The Rev. Michael Sugrue will give the benediction.

Ted Moore is president of the class; Wheeler Sears is vice president and Mary Lou McCullough is secretary-treasurer. Billye M. Buck, Joe Smith and

"ABOUT 40 'IFS' INVOLVED"

Armory Site Survey Brings Officials Here

A party of military and civil officials was in Hereford Tuesday morning looking over possible sites for a proposed \$130,000 U. S. Army Reserve armory.

The group did not make a definite selection and one of them, Maj. George Jared of Fourth Army Headquarters, said, "It'll probably be two years before it's started, if it is approved, and there's about 40 'ifs' involved."

Maj. Jared said the armory is in the Army program for the fiscal year of 1958. He said the project has not been approved by Congress and specific funds have not been allocated.

Heading the party of eight was Lt. M. C. Winton of the Reserve and ROTC Affairs Office, Washington, D. C. He was accompanied by Maj. Jared, Maj. Ronald Kern and Capt. Robert Vickers of the unit advisor's office in Amarillo, and civilians L. T. Mattingly from Fourth Army Headquarters, W.H. Huddleston of the Texas Military District, Austin, and John Bobek and Elliott Glass from the Tulsa District engineer's office. Don Zimmerman and Bill Len-

derman escorted the group to the various sites here.

Huddleston said the building, if approved and constructed, will house 100 reservists for classes and drill. He said it will include three classrooms, four offices, a kitchen and two latrines.

He said the building will be available for non-profit organizations and civic affairs that do not interfere with scheduled drills.

Jail Bond Issue Loses 219-167 in Final Report

Results of the county bond election, in which a proposal to issue \$175,000 in bonds for the construction of a new jail was defeated 219 to 167, were canvassed by the commissioners court on Monday. The commissioners were reported to have discussed but to have taken no action on a suggestion that a second election be scheduled.

In only one precinct did the proposal carry, Sims community's polling place number four. Seven votes were cast for the proposal to none against it at Sims.

In three precincts a tie vote was tallied: Precinct 2 in Hereford, 81 to 81; Precinct 6 at Ford, 6 to 6, and Precinct 7 at Dawn, 4 to 4. The absentee total also resulted in a tie, 2 to 2.

Precinct 1 in Hereford had 25 votes for the proposal, 38 against, and Precinct 11 in Hereford tallied 34 "for" and 56 "against." At Roe the vote was 3 to 5; at Garcia, 2 to 12; at Bippus, 3 to 4; at Daniel, 0 to 11, with the greater total in each case being against the issuance of bonds.

Donations for Silverton Are Still Coming

Local donations to the Silverton Tornado Relief Fund totaled \$1,154.23 as of Wednesday morning and money was still coming in.

The Hereford State Bank reported \$854.23 received and the First National Bank had received \$300.

School and County Boards Agree on Need for Changes

Members of the Hereford school board and Deaf Smith County commissioners, meeting Tuesday night in a joint session, agreed to adoption of plans to equalize tax valuations between city and rural properties.

A second meeting was scheduled for 8 p.m. Tuesday, May 28, at which the school and county officials will interview professional appraisers as the next step in getting the program underway. Further details are expected to be ironed out in the second session. Hereford city officials will be invited to attend the meeting and to participate in a new appraisal program.

Tom Robinson, school board president, scheduled the special meeting and presided over the joint session. He outlined the purpose of the meeting as "to discuss taxable values on city, county and school property. "We want to meet together to see if something is inequitable and if so to determine what can be done to correct the situation," Robinson continued.

A LETTER prepared last Aug. 9 by the school district's board of equalization was then presented to each member of the group. The letter stated in its final paragraph "We would like to have you consider in some manner, possibly with the cooperation of the county and city tax agencies, hiring some full time help to actually appraise all properties subject to tax and arrive at your equalization in that manner. We do not know what your future requirements will be in the way of income but we do suppose they will become greater, and at the present time it seems that city property is just about taxed to the hilt as far as valuations are concerned. We arrived in this presumption because most every person who appeared before us as an equalization board was a city property owner who complained of their valuation being higher than their construction or purchase cost or actual market value."

Members of the school tax equalization board, Townsend Douglas, Ben W. Childers and Ira Scott, were present at the joint meeting and gave detailed accounts of some cases that were brought to their attention during their session last year. (Continued On Page 2)

Pee-Wee League To Be Formed Here Friday Evening

Plans for a Pee-Wee baseball league will be made Friday afternoon, May 24, at a meeting scheduled in Central School gymnasium, according to announcements made today by W. W. Buck and V. W. Marcontell.

All boys, ages 8 to 12, not affiliated with Little League will be eligible and should register at the Friday meeting. A workout will be held for the boys at 5:30 p.m., followed by a meeting of boys and their fathers at 6 p.m. in the gymnasium.

Pee-Wee T-Shirts will be secured as uniforms and plans call for four separate teams. The Pee-Wee league will work in conjunction with Little League and has made arrangements to use the Little League park on Saturday nights when it is not required for L-L play. The Pee-Wee league also plans other games each week. Bats, balls and other equipment will be furnished the group through Little League.

"We need as many dads as possible," said Buck. "We need their help to operate the Pee-Wee league, and we need their help to get the organization underway." Team rosters will be announced following the organization meeting Friday, along with selection of team names. Approximately 60 boys are expected to register for Pee-Wee League, and several of the number will likely move into Little League before the summer ends, Buck added.

 Later, they were appointed by the school board for a second year's service.
 Fred Baird, school financial secretary, presented for study during the meeting a listing of several properties. The list indicated some wide variations in the valuations and assessments of the school and county tax offices.
 One rural tract was shown as being assessed by the county at 2.7 per cent of its estimated actual value, and on the school's tax rolls at just 15 per cent of its estimated actual value.
 City property was shown as being carried on the respective tax rolls at 40 per cent of actual value for the school and 25 per cent for the county.

Camp Fire Groups Visit Big Cavern

Twenty-six Hereford girls, members of the Na-Teene-Na and Cantewasteya Camp Fire groups, visited Carlsbad Caverns in New Mexico last weekend. "The cave was great, but our sleeping accommodations brought tears to my eyes," said one adult who helped escort the groups.
 The girls and their adult supervisors spent Friday night in a junior high school gymnasium. They were awakened every hour on the hour by the clanging of a bell, normally used to keep the school on schedule.
 They were awakened after midnight by a violent wind and electrical storm, accompanied by a telephone that rang and rang and rang — "I was sure it was someone calling us to warn of an approaching storm, but we couldn't find where the thing was," chuckled Mrs. Able Crume. When the ringing, ringing telephone was finally located, the call proved to be a wrong number.
 And finally, to add insult to injury, the group was awakened by a policeman investigating the presence of unidentified persons in the school building — our Hereford girls. The police had not been notified that they would be occupying the Alta Vista school.
 But the excitement and exasperation of the night past, the group trooped into the world's biggest cavern and reportedly had a "wonderful time." The party traveled by private cars, leaving Hereford at 4 p.m. Friday and returning at 7:30 p.m. Saturday.
 Girls on the trip included Barbara Langley, Donna Williams, Merle Carmichael, Cathy Bilbrey.

Look Who's New!

Mr. and Mrs. Clark Dobbs of Hereford are the parents of a boy, Dusty Dewayne, born Sunday at 3:30 p.m. He weighed 7 lbs., 6 oz. at birth. Mr. and Mrs. E. D. Davis of Portales, N. M., are the maternal grandparents. Mr. and Mrs. J. H. Dobbs of Hereford are the paternal grandparents.
 A girl, Debora Gail, was born at 8:18 p.m. Tuesday to Mr. and Mrs. Jerry Houlette of Black. She weighed 6 lbs., ½ oz., at birth. Maternal grandparents are Mr. and Mrs. Ellis Tatum of Black. Mr. and Mrs. E. E. Houlette of Friona are the paternal grandparents.
 Mr. and Mrs. M. D. Henson of Hereford are the parents of a boy, Kenneth Dean, born at 3:30 p.m. Tuesday. He weighed 8 lbs., 1 oz. at birth. Mr. and Mrs. O. H. Culpepper of Hereford are the maternal grandparents. Mr. and Mrs. E. G. Henson of Grimes, Okla., are the paternal grandparents.
 A boy, Leonard Leon, was born to Mr. and Mrs. F. W. Morris of Hereford at 7:05 p.m. Thursday. The lad weighed 6 lbs., 15½ oz. Mr. and Mrs. J. H. Hutcheson of Hereford are the maternal grandparents.

American Tourists Can Buy Dime Store Fashions in France

PARIS LABELS ON A BUDGET—The cotton print dress at left and the denim skirt and dashing shirt at right are typical of new French dime store fashions.

By NADEANE WALKER

PARIS — The fashion writers nibbled their caviar, sipped champagne and then settled back skeptically to watch a "dime store" fashion show.

The writers who two weeks before had watched Dior's parade of thousand dollar creations had to pinch themselves to believe it.

As the chic, stringbean mannequin swept out, the announcer gave the French equivalent of "cotton blouse \$1.25; ballerina slippers \$1.50; jute skirt \$1; bag \$1."

The showing was by "Prisunic," the Woolworth of France. The firm presents what are doubtless the cheapest ready-mades to be had in the country.

Most of the models obviously are inspired by low-price American clothes. Tourists and American residents in France who never thought of going to the Prisunic for more than a button might be surprised by the smart styling of the women's men's and children's clothing sold off the rack.

"BUT HOW WILL it wash?" asked everyone at the show. "Very well, thank you," says Prisunic. It's guaranteed fast color.

Prisunic could — but doesn't claim distant relationship with Dior. Prisunic uses much of the cotton material turned out by manufacturer Marcel Boussac. Dior, on the other hand, is backed financially by Boussac but doesn't use his materials.

Mlle. Denise Fayolle, 34-year-old stylist and fashion director of the French chain stores, is responsible for planning the fashion shows and selecting the models from the best presented to her by "confectioners" or French manufacturers. She is small with blondish cropped hair, and all the assurance of an American woman executive.

Former ice skating champion of France (she held the title for five years until displaced by Jacqueline du Bief in 1947), Denise is proud of having taught the late Jacques Fath to ice skate. One year she appeared in a skating act in a swank Paris night spot.

SHE SAYS SHE "fell into fashion by accident," after a brief spell as fashion writer for a French magazine. When she went to Prisunic a few years ago the bargain stores carried only a few dresses in black, navy or gray, size 48. Denise created her own "confection" by commissioning three designers — Maxime de Falaise whose own house failed, Yves Greiden of Maggy Rouff, and Charstel who used to design for Dior. Their designs are made up by two Prisunic manufacturers.

In three years, clothing sales had more than tripled. Prisunic is now by far the biggest ready-to-wear house in France.

Most dresses are made up in from 4,000 to 10,000 copies. The most expensive costs 6,000 francs (\$17).

This season's new spring and summer collection started with several handsome male mannequins parading cotton jersey sweatshirts (from \$1.20), shorts (\$4.25), and blue jeans (\$4). "We sold 25,000 pairs of these blue jeans last season, and 220,000 shirts," the announcer declared proudly.

Women's waterproofed cotton raincoats with matching fisherman hats were at the relatively "expensive" price of \$11.25, but printed one-piece bathing suits were only \$3.75. Really smart looking was a navy and white town sheath for \$7.50, and a plaid hatbox handbag for \$2.50. White cotton satin slacks for women were \$3.25.

Buffalo Lake May Become Refuge for Fish and Wildlife

The land utilization division of the Department of Agriculture has announced its proposal to transfer Buffalo Lake to the Fish and Wildlife Service.

Transfer to the Department of Interior branch, according to Rep. Walter Rogers, would be by direction of the President under authority of the Bankhead-Jones Tenant Act and would become effective July 1.

No immediate change in operations, grazing commitments, or services of the lake would be made. Long-range plans would place emphasis on developing a fish and wildlife refuge, with the area to become a winter haven for ducks and geese.

Rep. Rogers said it would be likely that the variety and number of fish in the lake would be increased as part of the Fish and Wildlife Service program.

VFW Encampment Is Held Here

About 200 Veterans of Foreign Wars and their wives attended the District 13 encampment held here Saturday and Sunday. Hereford Post 4818 and its auxiliary were hosts.

VFW members from Paducah, Plainview, Tulla, Littlefield, Childress, Canyon and Hereford attended the encampment.

A joint meeting of the VFW and the auxiliary was held Sunday in the Rock Club house. Dr. E. E. Killingsworth was the main speaker.

A barbecue lunch was served at noon and separate business meetings were held in the afternoon.

L. H. Lookingbill Jr., of Hereford, was elected District 13 commander and Mrs. Walt Brown of Tulla was named president of the district auxiliary.

Legal Notice

Notice to all persons interested in the property located at 401 Grand Avenue, being all of lot 1 and the South 25' of lot 2, Block No. 1 Harwells Subdivision Block 30, Evans Addition to the Town of Hereford, Deaf Smith County, Texas.

There will be held before the Board of Adjustment on the Zoning Ordinance in the City Hall Building at 7:30 P.M. on May 27, 1957, a public hearing for the purpose of considering an appeal from certain Zoning regulations applicable to the above property.

Dudley Bayne,
City Manager.

T-21-1c

the windows ask him if the disability insurance is paid up and whether the doctor is in his offices that day. Mention casually that yesterday you were dizzy and got spots before your eyes from climbing up on the kitchen step stool.

Nowadays any woman who can't discuss power, leverage, precision timing and automatic gear shift is just plain old-fashioned.

In just a few short years men have educated women to the mechanical age. They repair the dripping faucets. The modern kitchen resembles an airport control tower — levers, gadgets and knobs galore with the lady of the house acting as engineer.

THE HOUSEWIFE who was recognized as chief cook and bottle washer has graduated to the power engineer and field superintendent — and "there's the rub."

The subtle trend is found in the widely used ads for all available products from drills and power saws to tractors, stressing "light enough for the woman of the house to use."

A case in point is the gentleman who informed his wife he had bought a new magnesium ladder that would extend to 16 ft. "Light enough," he added "for you to use." She beamed, glancing at their old wooden space rider and then suddenly mumbled, "What would I want with 16 feet of air." (She didn't know that he was thinking the house could use a coat of paint).

Salesmen are in on the pitch too. I found myself "picking" over some lawn mowers, to use a term from the bargain basement. The industrious salesmen never once mentioned the affinity of men and lawn mowers. "It's the easiest one available for women," he said. "There's no strain. No puff. It has speed control, adjustable cutting heights, safety clutch. You can hang it up in the garage." But best of all, said the man, "it is LIGHT-WEIGHT."

Those are the magic words being passed from male to male and then to women, the subtlest propaganda of the age, when you notice who is reclining in the hammock on a lovely summer day.

WHAT EVERY bright homemaker needs is her own subtle retaliation. If you want to debunk the idea of woman working while man is lurking, here are some suggestions:

1. Try the "pecking away at the nerves" technique. When he suggests you use the ladder to clean

CERTIFICATE WINNERS

Suit's Auto Store gave away \$200 in gift certificates at its formal opening last week. J. W. Buck Vega won a \$100 certificate; Herman Drake of Hereford, \$50; Mrs. Tandy Legg, T. B. Newman, Roy C. Jenkins, Edie Gandy and McCutcheon, all of Hereford, \$10 each.

2. Attack his pocketbook—that is where it will really hurt. If nothing else works, that should. When he suggests you drill the holes in the 2x4s say resignedly something like, "Well, better make a date for a manicure now then." One small paint job calls for a permanent wave if hair is too paint splattered. Emphasize the possibility.

he tells you not to touch the power mower parts while the machine is running, bend down in front of it as if you were going to. That will bring him off the chaise lounge with a spring.

Overstocking Is Dangerous to Game

AUSTIN — The penalty to wildlife paid because of overstocking is stressed in a report released by Howard Dodgen, executive secretary for the Game and Fish Commission.

Senior Wildlife Biologist Dan Lay's work indicates that there is a strong possibility that on some isolated areas in East Texas more deer starve to death each year than are legally harvested.

Lay, in an exhaustive analysis, found that too many domestic cattle and too many deer were allowed on given acreage to sustain them. The result, he said, is permanent range deterioration.

Dodgen said the latest Lay report merely helps confirm what was determined many years ago. He cited the current Commission program to help landowners understand the perils of overpopulation and the benefits of properly managed ranges.

HE POINTED to the increasing number of counties which have obtained formal legislative authority to work with Commission technicians in adjusting number of deer and/or livestock per given acreage according to modern management techniques.

Of East Texas, Lay wrote: "The hunting clubs of East Texas are comparable with the deer leases of other sections. Generally the land is leased from a lumber company for a nominal fee, and the club undertakes the responsibility of building fences and patrolling the property. Costs to individual members are comparable but landowners realize less revenue."

He said preliminary surveys of "about 25 deer ranges in East Texas revealed more deer and more deer problems than expected."

Lay added "there are two general classes of deer range: understocked and overstocked. The understocked range has sufficient breeding stock but deer numbers are being held down by illegal hunting. This condition is improving. Where illegal hunting largely has stopped, the deer herd reaches or temporarily exceeds the level of carrying capacity within five years."

LAY ADDED that "the long difficult fight to eliminate illegal hunting in these clubs resulted in more deer but also resulted in more need for careful management of the deer."

"Although some clubs are hunting enough," he reported, "to harvest one deer to the 100 acres, the remaining deer are too numerous for their food supply. The clubs with large acreages that are never hunted and with kills of a deer to 700 or 800 acres obviously need more hunting."

"Few clubs realize that their herds are suffering periodic 'die-offs'. On six of the eight East Texas deer hunting clubs which were classed as overstocked, reports were heard of deer found

DOG'S LIFE—Blackie, a cocker spaniel puppy of James Price, at Wichita Falls, seeks a high and dry spot after swirling waters from a 6-inch downpour flooded sections of the city. (AP Photo)

dead from apparently natural causes within the past five years.

"One club keeper described finding at least 100 dead deer in late winter after a freeze. Another estimated 50 died in his club several summers ago. During the dry late summer of 1956 many deer looked very poor and two does were found dead in one club in September."

"The cause of these 'dieoffs' is malnutrition. When acorns are available, the hardest periods are late summer and late winter. And when the acorn crop is short, the hardest period is winter."

"Heavy stocking of cattle brought about one of the die-offs. It is safe to estimate that more deer are dying of starvation in East Texas each year than are being harvested in most of the clubs."

JOINS INSTITUTE
E. L. Wade, owner of Wade Cleaners, 517 Park Ave., this week became a member of the National Institute of Drycleaning, Silver Spring, Md.

NID is a trade association representing 8500 drycleaning plants throughout the United States and in 42 foreign countries. Its educational and research facilities are at its two-million dollar headquarters in Silver Spring, Maryland, a suburb of Washington, D. C.

MISTAKEN IDENTITY
GALVESTON, Tex. (AP) — Horrific witnesses rushed to help after seeing what appeared to be the body of a child hurtle from one of two cars that collided.

It turned out to be a sack of dressed ducks.

Futures-Seniors Football Game Is Reviewed by Coach

Spring training for Hereford High football players ended Monday with a brisk workout and a 45-minute intra-squad scrimmage. A few of the gridders were a bit bruised and sore from their game with the graduating seniors Saturday night. The tilt ended in a 6-6 deadlock. Head coach Jack Harris, reviewing the game and spring practice, said, "They (the futures) showed a lot of hustle and determination. They made a lot of mistakes, of course. We looked better on defense—but the seniors were awful strong."

Futures grabbed it. Durwood Jacobs took a pitch-out and sprinted 15 yards for a TD. The senior line charged in and blocked the attempted kick for the point after. One other major threat had been made by the exes in the first quarter when they drove to the two-yard line only to be pushed back by a 15-yard penalty. Other than that the game mostly was played between the 20-yard lines.

"WE MAINLY played the game to see how our boys would react under pressure. They were on their own for the first time this spring," coach Harris said.

Looking forward to next fall, Harris said, "We'll primarily be a running ball club, but we'll throw if we get a chance."

"WE FUMBLERD a lot and our timing was off some. If you don't have your timing down with this split-T you just don't go," he added.

"We've been paying a lot of attention to details this spring, working on timing, hitting quick and getting away. You've got to have the timing."

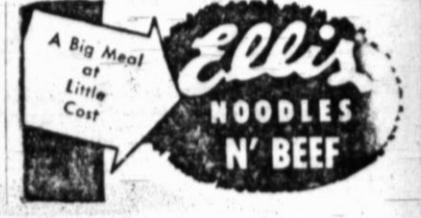

The Exes took advantage of fumbles for their score. They recovered a fumble on the Futures' 12-yard line, only to be stopped on the 17 after four plays.

"Fred Lookingbill (quarterback) is a pretty good passer but he was rushed hard Saturday night. Our defense looked better than our offense," he noted.

The Futures promptly fumbled the ball back and on the first play quarterback John David Bryant tossed to end Danny Ellison for the touchdown. The point-after kick was wide.

The club will begin workouts again Aug. 30 and open the season against Canyon Sept. 13.

In the final quarter, with about two minutes remaining, the Exes fumbled on their own 19 and the

MONKEY BUSINESS
HUTCHINSON, Kan. (AP) - If you want to live up your home, try raising a couple of young monkeys, advises Mrs. A. H. Struckey.
Of Chee Chee and Jerry - the monkeys that lived her home - she reports:
They're hungry - "just silly about cooked crabberies, and they love apples, grapefruit and sweet potatoes and milk and chewing gum."
They're economical - "they do not waste a crumb of food."
And they're affectionate - all you have to say is "give me a kiss."

EMIGRATION from Denmark increased considerably during the past year, mostly to Canada, Australia and New Zealand.

THIS FOURSOME will represent the sophomore class in the Student Senate at West Texas State College for the 1957-58 school year. Left to right are Melba Williams, Plainview; Tommie Weemes, Hereford; Pat Sparks, Amarillo; and David Gantz, Pampa. (WTSC Photo)

9 Are Initiated in Shrine Ceremonial

Nine Hereford men were initiated in the spring Shrine ceremonial of Khiva Temple, held in Amarillo Sunday and Monday. The group included: Ross Latham, J. P. Jones, W. L. Davis Jr., T. J. Clay, H. A. Cavness, D. C. McWhorter, Bruce Miller, Virgil Hennen, Joe Davenport, and L. H. Lookingbill.

In addition to the novices from this area, the ceremonial was also attended by a large delegation of Hereford members who helped conduct the ceremonial led by J. B. Nolan, potentate's aid for Deaf Smith County.

Tommie Weemes Is Given Recognition

CANYON (Special) — Tommie Eugene Weemes of Hereford is among the cadets that received recognition and awards Thursday afternoon at West Texas State College's annual ROTC Cadet Corps Awards Ceremony.

Weemes, son of Mr. and Mrs. Henry Eugene Weemes, was chosen for the Drill Team Proficiency Award. He is a freshman majoring in business. Weemes was elected sophomore senator for next year, to serve on the student government.

Don L. Zimmerman Named Delegate

Don Lee Zimmerman, 19, of Hereford will be one of three Texas Representatives of the Presbyterian Church U.S.A. attending a conference on the merge of college fellowship centers at Lake Forest Academy, Lake Forest, Ill., this summer.

Zimmerman, son of Mr. and Mrs. Don Zimmerman of Hereford was elected as a delegate at a convention in Kerrville last month. He is a freshman at Texas Tech, Lubbock. The convention will be held Aug. 16-21.

DAY CAMP SCHEDULED

Bluebird day camp will be held Monday and Tuesday at the Camp Fire Hut. Mrs. Marvin Coffey is the leader. A wiener roast will be held Monday afternoon. Definite times have not been set yet. Leaders should contact Mrs. Coffey for details.

OVERSIGHT

OKLAHOMA CITY (AP) — The Oklahoma Turnpike Authority is a little more than unhappy with the state Highway Department.

As a promotion for this year's 50th anniversary of Oklahoma statehood, the Highway Department published a golden anniversary highway map. It left out one thing — the new 88-mile Will Rogers Turnpike from Tulsa to the Missouri Line, which has been under construction 18 months and opens in May.

POLICE COVERUP

LOCK HAVEN, Pa. (AP) — A truck driver's plea for help ended in a police coverup.

A policeman was called to the truck and the trucker displayed his dilemma, he had ripped the seat from his pants climbing into the cab.

With \$5 from the trucker, the policeman went to a store and bought a new pair of pants. They were badly needed. The trucker wasn't wearing shorts.

AN OLD PROBLEM

MEXICO CITY (AP) — The city traffic department has started an educational program via radio and television in an effort to cut down on traffic deaths.

The principal cause, officials say, is "the antagonism between drivers and pedestrians." Pedestrians are the victims in a large percentage of the accidents here.

Officials hope the programs will help drivers and pedestrians have mutual respect.

RETURN ENGAGEMENT?

BALTIMORE (AP) — Harold Mason Jr., victim of a thief who stole his phonograph and \$22 in cash, is afraid he hasn't seen the last of the intruder. Also stolen were two keys to the front door.

MINOR CHANGE

TORRANCE, Calif. (AP) — For six weeks members of the Oil, Chemical and Atomic Workers Union were on strike at the National Supply Co. here.

A headquarters for the walkout was set up and telephone callers would get this answer: "Strike headquarters." After the strike was settled recently, callers to the headquarters got this answer: "Ex-strike headquarters."

Housewife in Atlantic Is Girl Who Always Has the Right Time

By JIM LAXSON

ATLANTA (AP) — Some folks wouldn't give you the time of day.

Not Mary Moore.

This pert Atlanta housewife is called around the clock in hundreds of cities to provide up-to-the-minute information.

She's the voice behind the time-of-day service. She's as near to your telephone from Boston to the Bahamas, from Saskatoon to Corpus Christi.

Mrs. Berrien L. Moore Jr. is an attractive and personable wife and mother in person. To the inquiring public, she's a pleasing voice on a sound track — with no regional accent. The voice, heard as often as that of many a radio or TV star, is projected by the wires and tubes and cylinders and flashing lights of a fascinating machine leased from the Audiotron Co.

In 300 cities daily, more than three million people call the most popular number in town to hear a brief six-second advertising or public service message followed by the correct time.

Mrs. Moore, who has been recording for the firm for more than 10 years, won the job over strong competition. The native Atlantan talks in a clear, pleasant voice. Recording sessions are held about every two weeks and usually last about 15 minutes.

She doesn't have to record all conceivable times of day. She must read only the hours 1 through 12 and the minutes 1 through 59 and the sponsor's message. Engineers combine these recordings on a film sound track that later moves minute-by-minute in perfect synchronization with local time.

Mrs. Moore is the mother of three children, a boy 15 and two

girls 12 and 9. Her husband is manager of an auto finance firm.

The "voice of the clock" has a 30-minute, 5-day a week, Atlanta television program and does free lance commercial TV work. Prior to television, she worked in radio for several years.

The time machine was invented by John L. Franklin, a big affable Atlanta man who put in the first automatic time of day telephone service in 1933.

Telephone engineers who monitor the equipment just to make sure it's working properly estimate

FOR ATHLETE'S FOOT USE T-4-L BECAUSE—

It sloughs off infected skin. Exposes more germs to its killing action.

IN ONE HOUR

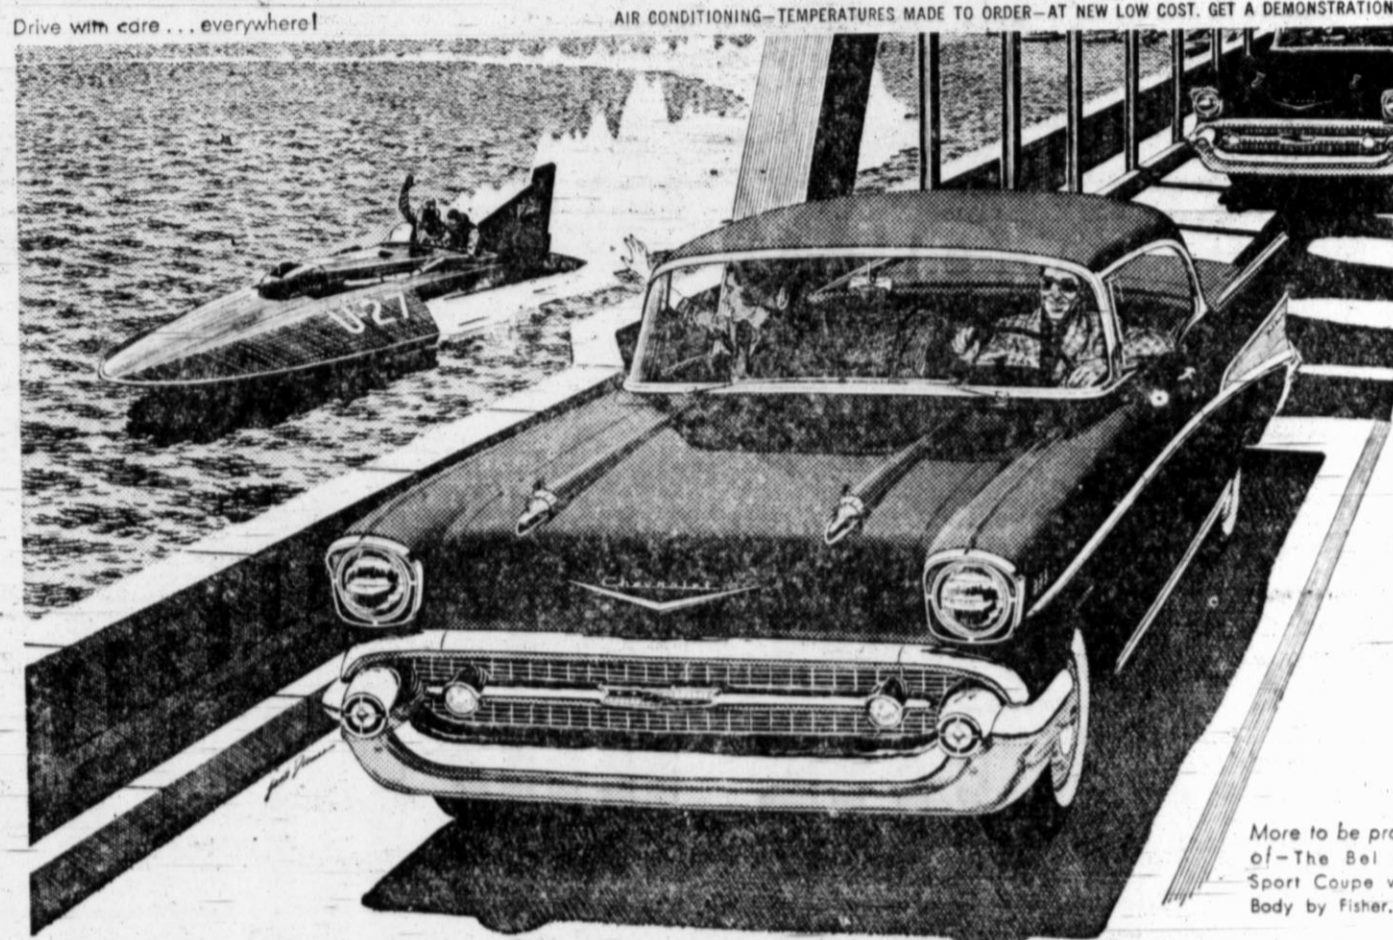

It not only cleans your feet back at any drug store. Use STRONG, instant-drying T-4-L, day-or-night. Now at Rogers Drug Co.

that about half the callers say "thank you." But the velvety voice never answers back and you can't get her into a conversation. Now and then some lonesome drunk during the late hours tries to make a date. But it's frustrating when all the lady will say is "The time is 11:58. . . (pause). The time is 11:59. . ."

loves to cut loose and cover the miles!

If you're looking for a real "escape artist," a car that loves to step out and get away from it all—well, it just happens that Chevy was born with that urge. If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger. Chevy's pretty easygoing out on the highway too. Not pokey. Far from it. You find, for example, there isn't a hill around that can make it breathe hard

—not with Chevrolet's high-performance V8 on the pulling end. You've got up to 245* horsepower here for the biggest helping of driving pleasure found in the low-price field! Chevy's new Positraction rear axle (optional at extra cost) adds still more pleasure. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface. Stop by your Chevrolet dealer's before another good driving day goes by.

GET A WINNING DEAL ON THE CHAMPION!

*Optional at extra cost. 270-h.p. high-performance engine also available at extra cost.

Only franchised Chevrolet dealers display this famous trademark

Why Wasn't the New Jail Okayed? IT'S: HER POINT OF VIEW

By BETTY BARRONE

Guess people had their minds on the tornado scare they had endured Wednesday night or on efforts toward the Silverton tornado Relief Fund, or Little League, or the Shrine diagnostic clinic or something. They surely didn't have their minds on exercising their little ole democratic right at the little ole polls last Saturday. And that ain't all! Not only was there a poor showing of voters, but the majority of the voters who did show voted the proposal for a new county jail.

Will somebody tell me why? I'm serious now. I wish somebody would explain to me (in plain English, please) why the jail bond issue didn't pass. What I mean is: why did so many people vote against it? Why did most of the ballot-casters not want a new county jail?

MY QUESTIONS aren't in the \$64,000 category, but the answers might be. The simple reason behind a "no" vote, and the most frequent in a bond issue election, is increasing taxes. Wells that couldn't have been the reason in this case 'cause Judge Henslee had already declared that the bonds could be retired without increasing taxes.

So... what other explanation is there? Maybe voters didn't know about the tax deal. Or maybe there are folks who have a sentimental attachment for the old building. Or, there may be some who would have the jailhouse preserved, as is, for posterity — historical landmark sort of thing. As long as my imagination is running wild, how about the idea of hidden treasure (under the building) that someone doesn't want uncovered right now.

If you think these reasons are goofy, then let's hear some that aren't. I doubt if anybody will let me know why they voted "no" (or would have, had they voted) after the way I've expounded, but I'd like to get even an anonymous response to my queries. What's more, if you can convince me that my criticism is unjust or that my

point of view is warped or ridiculous, I'll print a retraction of every little ole word I've said here. And if I've overstepped my bounds this may be the last line by Pardy.

YOU'D THINK it's a personal issue with me, the way I've carried on — well, you never know. Gee, some towns have real nice jails. . . O.K., O.K., so it isn't the most important thing in the world — still don't see why people don't want Deaf Smith County to have a new jailhouse.

THE BOSS kinda stole my thunder with his scoop in the Bull column on the latest TV appearances by local personalities. Guess that's his prerogative since he's boss and since he was, more or less, one of the "stars" on the KGNC program last Thursday. Hugh Clearman, Argen Draper, the E.-K. Pinnells, the C. F. Homfelds all thought it an interesting television experience — especially Mrs. Homfeld, because she's being honored as our county "Home Demonstration Club Woman of the Year" — was the cause of the group's being there and the main item on the show's agenda that day.

Say, all this to-do over television and whatnot brings to mind that I haven't ever said anything about our own local radio station; so now I'm saying something. Hereford is fortunate to have its own radio station. Along with the newspaper, the local station performs public services too numberable to mention. Besides that, the general caliber of the programs we get on KPAN is above par for a small station. Have you been listening to "Coke Time" with Eddie Fisher or "Mary Blane Time" in the mornings? I recommend it for radio enjoyment. Then, of course, there are programs like "Friendly Philosopher," the 8 a.m. local news, hospital news, "Trading Post" and many more programs of a local nature which have long been popular with regular listeners. Always enjoy on-the-spot broadcasts, too, and homey but informative programs like that of Hugh Clearman's.

And the kids make a big deal out

of those recorded music sessions in the afternoon. Another thing we can say for KPAN is that they offer a variety in the way of musical programs. And so much for this little tribute to Clint Formby. Chris Clark and the rest of the bunch out at the station we tune in at 860 on the dial.

ONE OF these days I'm going to write an essay on why we should appreciate (and read!) the hometown newspaper. One of these days. . .

County Cancer Campaign chairman, Ed Line, announced the completion of that drive a couple of weeks ago. Some people are wondering about the drive next year since the United Fund organization becomes active in the fall. Guess we'll just have to wait and see what develops.

Deaf Smith went over the top of our county quota of \$1,900 in the April campaign for cancer funds. This might be a good time to take my hat off to Mrs. Jess Robinson, who served as general chairman of the Beta Sigma Phi group which spearheaded the drive, and to her workers (and that term is not used lightly) who helped to collect over \$1,500 — about two thirds of the total goal.

SEEN VISITING old friends in at City Drug and elsewhere along Main last week: Bill and Noralyn Frizzell, who now reside in Tucson, Ariz. They stopped here on their way through to other destinations — had driven all night so that they could spend one day in Hereford. The Frizzells and their two little daughters headquartered at the Maurice Tanna-

hill home; and tho' a bit sleepy, they enjoyed being back in Hereford — if for only a day.

Norman Rockwell has done it again on this week's Saturday Eve. Post cover. He has painted a couple of kids as they might appear at Joe's hamburger joint after the tremendous occasion of Junior High graduation. Bet there are lots of eighth grade mannas like Mrs. Jack Higgins, Mrs. George Jones, and Mrs. Dub Reeves who might wax sentimental over this particular magazine cover because of their experience with their own youngsters this week.

Land! High school commencement is tonight! Hope I can find a seat among all the relatives and other well-wishers. To be sure, 'twill be a grand occasion. . . hope the weather is good.

Recital Slated Sunday Afternoon

Mrs. Glenn Snyder will present a group of elementary and junior high school students in a piano recital Sunday at 3 p.m. at the First Methodist Church. The program will feature solos and ensemble selections by classical and modern composers.

Those who will play include Francine Brown, Penny Johnson, Caroline Brumley, Carl Ray, Ruth Ann Allison, Barbara Barrett, Becky Jackson, Stephen Conaway, Ronald Long, Jan Story, Marie Roberson, Patti Nobles, Janice Hagans, Ann Mercer, Cynthia Seed, Dorothy Bowman, Dianne Jack, Connie Cokrell, Barbara

Langley, Jani Brumley, Jane Mesick, and Larry Noland. On Monday at 8 p.m., a group of junior high school students will present a program at the First Methodist Church.

TO THE DOGS EAST ST. LOUIS, Ill. — A resident on Oliver Street says the dogs are too smart for the dog catcher. She says huge packs roam the neighborhood.

"I have called the police and they refer you to the Health Department. When the Health Department truck comes by there is not a dog in sight. They tell me to catch the dogs and confine them but how are you going to go out and grab other people's dogs? "Something is going to have to

be done or we will have to move out and leave the city to the dogs," she said.

RUSSIAN DRILLS MOSCOW — Petroleum engineers claim a new improvement on Russia's turbo-drills which American experts tested and found superior to those now used in American drilling. The lower and upper sections of the drills are now joined at an angle of two degrees instead of vertically. The result, says engineer A. A. Movsumov, who proposed the change, is greater ease in sinking inclined wells and to make changes in the direction and curvature of well shafts.

The U. S. aircraft carrier Saratoga has enough horsepower to supply electricity for a city of 1,500,000 people.

And the kids make a big deal out

CONGRATULATIONS TO THE GRADUATING CLASS of '57

We would like to add our heartiest congratulations to the graduates of our community—and to their families. It is a proud day and one that will be remembered always. It is a day of achievement in the past—and of looking ahead to the future!

Best Wishes for Continued Success

Geigel, Mills; Funk and Bolo on Mat Slate

Dory Funk will wrestle the Great Bolo and Bob Geigel takes on Tiny Mills Saturday night in the Bull Barn in a twin main event.

Both bouts are scheduled for two out of three falls and have one-hour time limits. The first tussle begins at 8:30 p.m.

Funk, Geigel and Bolo all appeared in the ring here last week.

Geigel defeated Bolo in a short preliminary bout when Bolo was disqualified. Funk was disqualified in his one-fall match with Iron Mike DeBiase, giving DeBiase the victory.

In the main event, Mike and Bolo whipped Funk and Geigel in a tag-team battle which wound up with the contestants throwing chairs at each other.

Bolo and his partner took the first fall, but Funk and Geigel rallied to gain the second one. Bolo and Iron Mike won the final and deciding fall.

SMALL WORLD
BALTIMORE (AP) — You couldn't blame Dr. Moses Paulson, associate professor of medicine at the Johns Hopkins School of Medicine, if he felt the world is awfully small — returning from a trip around the world, in which he lectured under auspices of the State Department, Dr. Paulson noted:

1. In Istanbul, the young Turkish woman who was his interpreter had taken part of her training in the Johns Hopkins tissue laboratory.

2. In Bangkok, he met Mrs. Frost Parrish, cultural attache at the American Embassy and, the daughter of a pioneer public health scientist at Johns Hopkins.

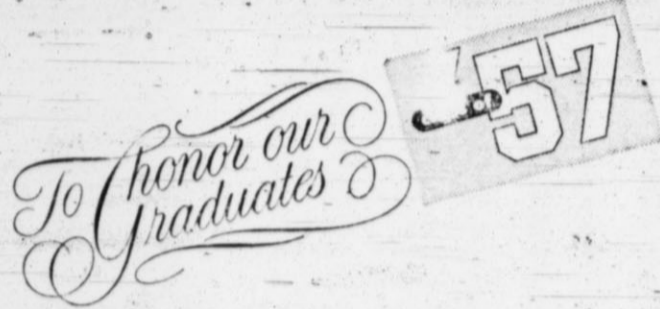

3. In Tokyo, a clipping from the New York Times pasted to the wall of an optical plant told of some American medical — optical research. One of the researchers mentioned was Dr. Moses Paulson.

4. In Hong Kong, the consul general was Everett Drumright, a former patient of Dr. Paulson's at Johns Hopkins.

CARD OF THANKS
To the many persons who have extended their congratulations and tendered gifts upon my graduation please accept this as an expression of my thanks.
Elizabeth Brummer

DISLIKES SLATE
FOND DU LAC, Wis. (AP) — A woman voter walked into a polling place, looked around the room and asked somewhat disdainfully: "Do I have to vote?" "You don't have to vote," a member of the election board informed her, "but you're foolish if you don't."
"There isn't a soul on the ballot I'd want to vote for," the visitor remarked and stalked out.

MIXED CHOIR OFFICERS—Three seniors held top posts in the Mixed Choir organization. They were Taylor Sims, president; Mary Anne Young, vice president, and Alvena Ritchie, secretary.

Congratulations

for a job well-done!

But . . . your education is far from over at this point.

Some will strive for Higher Education while others will learn by doing in the business world. We wish all of you the best.

By Jimmie Gillentine

IN THE SPOTLIGHT right now are graduation, Pioneer Day and the annual rodeo. Other than happening at the same time, there seems to be little connection except, perhaps, a lot of the old timers can remember when a youngster used to "graduate" when he got to the point he could handle a bucking bronc, bulldog a steer and hogtie a calf. Long since replaced by algebra and grammar, these accomplishments are today so unusual that they are considered high echelon in the show business.

I guess it is because Pioneer Day and the Rodeo fall on the same date each year but, invariably, installation of flag decorations is a signal for strong winds and gales to start blowing.

MISERY AND FUN some things go hand in hand. Such is the report of a dozen Camp Fire sponsors, recently back from Carlsbad, where they escorted some 35 girls on a tour of the famous caverns.

Like the girls, the sponsors declare they had a wonderful time, but they are still trying to figure out "Why" — especially when they remember their sleeping conditions. As an economy measure, the

group took along sleeping bags and air mattresses and, through cooperation of the Carlsbad Camp Fire were housed in the gymnasium of a new, modern junior high school. Everything was going along fine until they had been bedded down about 30 minutes and — "Bingo!" — off went the classroom bell. This happened every hour — one the hour — for the remainder of the night.

And just for good measure, the telephone started ringing around 3 a.m. Saturday morning, whereupon all of the sponsors grabbed flashlights and searched 15 or 20 minutes before they could locate the instrument. Because it was raining cats and dogs, they were fairly sure that it was a storm warning and that the call was urgent. Eunice Boyer finally found the telephone, and the call turned out to be a Negro woman who was trying to get her husband out of jail, but had the wrong number. Finally, they did get all of the youngsters back to bed and just as they were dropping off to sleep, the classroom bell promptly sounded once again.

It was quite a weekend and, if you don't believe it, just ask Mrs. Carl Stapp, Mr. or Mrs. Cecil Boyer, Mrs. Howard Beasley, Mr. or

Mrs. Pat Neill, Mrs. Jack Gilliland, Mrs. Ernest Langley, Mrs. Vance Crume, Mrs. Fred Cunningham or Mrs. James Edmonson. Or for that matter, any of the 35 girls.

MRS. WES BRADLY gets our nomination as grower of the largest "snowball" seen lately in these parts. Incidentally, the snowball crop is exceedingly prolific this year.

Carnivals and road shows at times get bad names, but the Alamo Exposition, showing here this week under auspices of the American Legion, proved the old saying, "there's no folks like show folks." These folks read until the tornado disaster at Silverton, got together and made up a pot and walked in Monday morning with an even \$100 in nickels, dimes and quarters. "We just wanted to help," said the spokesman — and that pretty well sums up the way most people feel.

COLORADO FISHING, nothing to brag about in recent years, will get a late start this season, due to heavy rains and snows. Several people called Clint Wiley regarding the opening of the season May 18, and were informed that there is still something like 12 feet of snow in the Platora country. Many of the cabins are still "under," the creeks are muddy and roiled. If you plan to fish soon in Colorado, be sure and call first — it might save you a lot of trouble.

Several people — well, two, anyway — have written in asking for the German Sweet Chocolate Cake recipe which I was praising to the skies. It was so hard to make that my wife lost hers (on purpose, I think) but I managed to get it from Barbara Hudson. Here it is.

GERMAN SWEET CHOCOLATE CAKE

- 2 cups sugar
 - 1 cup Crisco
 - 1 cup buttermilk
 - 4 eggs
 - 2½ cups flour
 - 1 teaspoon vanilla
 - 1 teaspoon soda
 - ¼ teaspoon salt
 - 1 package German Sweet Chocolate
 - ½ cup boiling water.
- Dissolve chocolate in boiling water. Beat egg whites until stiff. Cream sugar, Crisco and add egg yolks. Beat well, add ¾ cup of milk and flour; add soda to the remaining ¼ cup milk; add vanilla and salt to mixture and beat well; fold in egg whites. Bake at 350 degrees for 25 to 30 minutes. Makes 3 layers.

FILLING
Mix well, cook until thickened. Stir all the time:
1 cup evaporated milk
½ cup chopped nuts
1 cup short cut coconut
3 whole eggs
1 cup white sugar
1 stick Oleomargarine
1 teaspoon vanilla.
Use filling between layers, and ice with your favorite icing.

This is really fine eating. However, it won't do for folks like Howard Scott, Townsend Douglas, Gaylord Newell, Roy Peet,

Management Is A Measure for Pasture Products

COLLEGE STATION — A cultivated pasture's production can be effectively measured by its management! Once a pasture is established, good management usually means good grazing, says Extension Pasture Specialist E. M. Trew.

Continuous grazing can slash forage production in half! Reduce these losses by cutting pastures into small blocks with portable electric fences and rotating cattle — allow ample time for regrowth between grazings. Such a system of rotation grazing maintains vigorous plants while providing rest periods for building good root systems. Use surplus forage as hay or silage, advises Trew. Instead of wasting large portions of lush spring growth, efficient producers will store it for winter use or possible summer drought. Adequate feed reserves supplement good pasture management, he adds. Properly-timed mowing means

R. R. Wills, Worth Covington and the other diet boys, Ernest Kendall and Ross Latham might also find it wise to skip it. The cake is really wonderful. It is also quite fattening and difficult to make.

JOE SMITH has done it again, and I don't mean suddenly appear at the GOP national convention. His Little League Yankee squad started off the season Monday night, and they look like a good bet to repeat as league champs. Built around the nucleus of the 1956 squad, they appear to be in top form, but should get even better as the season develops. Joe has some good boys, of course, but his outstanding teams generally come from the coaching and great amount of time allotted by Joe himself. I understand he used to play pro ball. He is doing a good job and deserves a big hand.

Ray Suits is about the nicest fellow I know. He had the formal opening of his new auto store last week and, in the rush, I wasn't able to get by. Instead of getting mad, Ray sent me a nice little travel book with an invitation to come by when I could. I appreciated the book but, even more, I appreciated being missed. Good luck to Ray and all the gang at Suits Auto Supply.

CECIL GUSEMAN is an old boy who brags very little. It was only by accident that I heard this week that three of his race horses won first place the same day out in California. Cecil is moving the string into New Mexico these days and they tell me that he has some of the best blooded animals in the business.

If you question the flood conditions in Oklahoma, you should visit with Bill Phipps. He says that while traversing the state they threatened to bait some hooks and fish out of the car windows as they traveled along the highway.

ABOUT THE JAIL, I lost my vote, but I am not apologizing. I still think we need it real bad. Meanwhile, I sure hope I don't land in the hoosegow. Conditions are really worse than most of you realize.

added production of vigorous, more palatable pasture plants. Mowing controls undesirable weeds, conserving valuable plant food and moisture! Another benefit of mowing lies in the tendency of this practice to revert maturing plants to a growing, vegetative, more nutritious condition.

No pasture management program is complete without adequate fertilization, declares the specialist. A ton of grass hay contains about 30 pounds nitrogen, 10 pounds phosphoric acid and 30 pounds potash, he points out, and legume hay contains about 30 per cent more. A soil test will determine the type and amount of fertilizer needed. Cattle grazing on lush, fast-growing pasture need some dry hay. Meet these dry matter requirements by providing hay racks, Trew advises, or by leaving mowed strips in the pasture for cattle to use as needed.

SUMMER FRUSTRATION

DRIVING TIPS: DON'T TRAIL TOO CLOSE. THE HOT EXHAUST FROM THE CAR AHEAD CAN OVERHEAT YOUR RADIATOR.

SCALP SAVED
RUSHVILLE, Ill. — A man who once had a brush with Crazy Horse, chief of the Sioux Indian nation, now is in his 100th year.
 Joseph Estes says he was on a wagon train that operated between Cheyenne and Deadwood, Wyo. Crazy Horse, another Indian and an interpreter rode toward Estes' outfit.
 "Crazy Horse told us not to fire any guns or cause any trouble and we wouldn't be hurt. Then he and his Indians took off and we got through all right."
 Estes attributes his longevity to peppermint candy and the fact that he "has taken care of himself."

TRANQUILIZER
YORK, Pa. — The York Dispatch suggested in an editorial that "if members of Congress were required to whittle for an hour after lunch every day. . . the goings-on in Washington would proceed more smoothly."
 "Whittling fosters peace and relaxation; it promotes clear thinking and a perspective on life's problems. If men, harassed and flustered in our high-pressure society, would just take a period for whittling each day, they would discover that most problems would fade into proper perspective," the newspaper said.

NUN A CPA
CONVENT STATION, N. J. — Sister Kathleen Mary of the Sisters of Charity became New Jersey's first CPA nun recently when she passed the state's Certified Public Accountant examination.
 Sister Kathleen worked from 9 to 5 in a Newark, N. J., accounting office for some time to fulfill the requirements necessary before taking the exam. A graduate of the College of St. Elizabeth, she received an M.A. degree in business administration from Boston University and held a position in the accounting field before entering the Sisters of Charity in 1947.

The skin of the huge blue whale is the color and thickness of carbon paper. Plenty of blubber underneath.

COOLED FURNACES

MOSCOW — Engineers at the Soviet steel mills in the Donets Basin have switched from cold to boiling water for cooling their furnaces. They report that while cold water damaged the installations,

boiling water increased the life of the furnaces five-fold.

Diesel - powered sled trains are used to bring heavy equipment in to the new mining projects in northern Manitoba.

GARCIA NEWS

Rains Are Big Help to Wheat

By MRS. S. N. THWEATT

The rain last week sure was a help to the wheat, but the weeds sure are growing. Many farmers are running their tractors. Some fields are beginning to get wet, but no one is complaining. The general measurement from the rain was about .60.

Mrs. Ruth Coleman was released from the Deaf Smith Hospital Saturday afternoon. She is home and feeling much better. Mrs. G. E. Pinkerton went home to Elk City, Okla., Monday after visiting the Bruce Colemans.

Mrs. Floyd Brown and Mrs. S. N. Thweatt were in Amarillo on Thursday attending to business. They also visited a former schoolmate of Mrs. Thweatt, Mrs. Floyd Medlin.

Mr. and Mrs. N. A. Brown visited Mrs. Brown's brother and family, Mr. and Mrs. Cordia Potts of Friona Sunday.

Shorly Newman and T. D. Davenport made a trip to Silvertown after the tornado. Newman's mother lives there and Davenport's parents had gone to Silvertown to visit on the day of the storm. None of them was injured.

Mrs. Wilson Wylie of Pierre, S. D. called Bob Wylie Thursday afternoon since she couldn't contact her relatives over there. Bob went to Silvertown and found the relatives uninjured.

Mesdames N. A. Brown, S. N. Thweatt, Eldred Brown and Ernest Brown attended the dress-making session at Mrs. Floyd Brown's Wednesday afternoon.

Mrs. Douglas Timberlake and boys visited Mr. and Mrs. Don Guseman Saturday afternoon.

Mr. and Mrs. Joe Brown visited in the home of Mrs. Bruce Coleman Friday night.

Mrs. G. A. Collier of Friona spent the day in the home of Mrs. J. E. Rouse Sunday.

Mrs. J. E. Rouse's son DWIGHT of Farmington, N. M., visited his mother a few days last week.

Mr. and Mrs. C. W. Graves visited her mother in Tulsa recently.

Mr. and Mrs. Bruce Coleman and Mrs. Joe Brown visited in Lubbock recently.

The ancestral home of Commodore Stephen Decatur still stands in Newport, R. I.

WALCOTT NEWS

New Officers for P-TA Are Named

By MRS. T. L. COLLINS

New officers for Walcott School Parent - Teacher Assn. were elected Friday at the final meeting of the year. Mrs. N. E. Tyler was re-elected as president. Mrs. Norman Minks was named vice president. Mrs. Waldron Melton was re-elected as secretary and Mrs. G. V. Hall was chosen as treasurer. Mrs. Tyler was ill and was unable to attend the meeting. A nominating committee composed of Mrs. H. D. Busey, Mrs. Bertram Jack and Mrs. J. V. Perrin presented its nominations before the election.

The picnic committee reported all is ready for the group's outing Sunday afternoon. It was

decided clothing, bedding or food will be brought to the picnic and then sent to victims of the Silverton tornado.

Mrs. Jim Stocks showed some recent movies of Walcott children Games of 42 were played and refreshments served after the meeting.

The Farm and Ranch Club met with Mrs. Norman Minks Thursday. New officers for the coming year were installed.

Johnny Hall stuck a nail in his foot Wednesday evening. It swelled badly but is not serious.

Walcott got 70 of an inch of rain Saturday about 6:15 p.m.

Mrs. Herschel Burrus was returned to Deaf Smith County

FRIO NEWS

Shower Honors Olagene Baldwin

By MRS. GEORGE ZETZSCHE

Mr. and Mrs. R. O. Bennett and boys of Lubbock visited Saturday evening a week ago in the home of Mr. and Mrs. T. L. Sparkman Sr. The Bennetts were residents here in the late 20's.

Miss Olagene Baldwin, bride-elect of Homer West, was honored with a lingerie shower in the Owen Andrews home Saturday afternoon. Present were the honoree, her mother, Mrs. B. H. Baldwin, Virginia Cox, Elma Bishop, Mrs. Robert Zetzsche, Nanette Mousner, Peggy Bumpass, Shirley Delozier, Mrs. Clark Andrews, Mrs. Bumpass, Mrs. Andrews and the hostess, Verabelle Andrews and Mrs. George Zetzsche. Mrs. Floyd Cole, Tawana Thompson, Rose Stephan, Gwen Wright, Mrs. H. D. Robbins, and Mrs. Leon Martin sent gifts.

Mr. and Mrs. T. L. Sparkman Jr., Tommy, Bonnie and Darlene were in Texline Sunday to visit with Mr. and Mrs. E. H. Little, Peggy, and Becky.

Mr. and Mrs. Clark Dobbs of this community are the parents of a boy, Dusty DeWayne, who was born on Sunday afternoon at 4 in the Deaf Smith County Hospital. The new arrival weighed 7 pounds and 6 ounces. The paternal grandparents are Mr. and Mrs. Henry Dobbs of this community. The maternal grandparents are the E. E. Davises of Portales, N. M.

Olagene Baldwin and Homer West were in Sayre, Okla., from Saturday evening through Sunday

Hospital Sunday afternoon for treatment of an intestinal infection.

A last day of school picnic for Walcott School students and residents of the community was held Sunday afternoon in Hereford's Veterans Park. About 75 attended.

The picnic committee was composed of Mr. and Mrs. Jack Weaver, Mr. and Mrs. G. V. Hall and Mr. and Mrs. Melvin Henderson. The P-TA furnished cold drinks, coffee, wooden forks and spoons, paper plates, cups and napkins.

Each family brought baskets of food. The group played a softball game, which was directed by A. L. Shelton, coach.

Families present, other than those on the committee, were the Bobby Wyls, H. D. Buses, El-dred Browns, J. V. Perrins, N. E. Tylers, Waldron Meltons, Norman Minks, Elmo Halls, T. L. Collins, Jim Stocks, S. N. Thweatts, A. L. Sheltons, Joe Raders, Glenn Burruses, and Lee Myers, Bobby Tice, Jerry and Larry Williams and James, Mary Alice and Cecelia Burrus.

Guests from Hereford were Mrs. J. F. Ward, Kerry and Kim Emerson, Dan and Steve McWhorter and Larry Payne.

H. K. Newman visited his mother in Silverton Thursday after the tornado. She was fine.

The R. E. Swinneys were in Silverton too. Their son-in-law's aunt and uncle and family were killed. Other Walcott people have been to Silverton to see about friends and relatives there.

to visit with Homer's mother, Mrs. W. W. Maddux.

Mr. and Mrs. Lee Johnson of Seminole, Mr. and Mrs. Raymond Mobley, Karla, Kent and Kirk, Mr. and Mrs. Floyd Cole, Jana, Cheryl, Beverly, and Bill and Mr. and Mrs. Darwin Miller were dinner guests Sunday of Mrs. H. M. Mobley, Austin and Don.

Rocky Andrews and Mrs. Olin Parris have been on the sick list this week.

Mrs. A. N. Yandell of Tahoka is visiting in the home of her son and wife, Mr. and Mrs. D. F. Yandell. The D. F. Yandells went to Canyon after her Sunday.

Mr. and Mrs. Wesley Earp and Norma Joy of Clovis, N. M., visited over the weekend in the home of Mrs. Earp's folks, the E. H. Baldwins.

Mr. and Mrs. Robert Zetzsche of Dalhart visited Saturday afternoon and Sunday in the home of Robert's brother and his wife, Mr. and Mrs. George Zetzsche. Mr. and Mrs. Leon Martin of Hereford also visited in the G. Zetzsche home Sunday afternoon.

Mr. and Mrs. T. L. Sparkman Sr., Mr. and Mrs. B. M. Sudduth, and Mr. and Mrs. Darwin Miller visited Sunday afternoon in the home of Mr. and Mrs. G. W. Parker.

Cheryl Cole was honored Monday on her fourth birthday with a party in her home. Her mother, Mrs. Floyd Cole gave the party. Those present for the occasion were: Diane and Debra Smith, Debbie Noel, Genie Robbins, Sammie Ann Vinson, Sandy Terrell, Andrea Axe, and Jane Shearhart Sue Cole, and Kay Goldea of Hereford.

Lynn Noel, son of Mr. and Mrs. Gene Noel, had his tonsils taken out in Canyon Tuesday afternoon.

Mr. and Mrs. Luther Smithson, Martye, Gwen and Linda of Hart visited Sunday evening in the home of Mr. and Mrs. Floyd Cole, Jana, Bill, Cheryl and Beverly.

Mr. and Mrs. Jeff Terrell, Kay and Sandy were Sunday dinner guests of Mr. and Mrs. Edgar Vinson, Ediana, Carleta and Sammie Ann.

Mrs. Kenneth Cox's parents and her sister and family of near Los Angeles, Calif., visited over the weekend in the home of Mr. and Mrs. Cox, Virginia, Lynn and Larry. They were on their way to Oklahoma to visit with relatives of Mrs. Cox's brother-in-law.

Evening services of the Frio Baptist Church were dismissed on Sunday for everyone to be able to attend the Baccalaureate Services at Hereford and Dimmitt. Sandra Glen is a senior student at Dimmitt and Joe Andrews a senior at Hereford.

Mr. and Mrs. Gary Mason and Cheri were in Lubbock Sunday to visit with Gary's brother and family, Mr. and Mrs. Jimmy Mason and Ronnie.

Mrs. Gene Noel, Mrs. John Smith and Mrs. Charles Frye were in the Dress Review at Dimmitt Monday evening.

Jackie Andrews returned to his home at the first of the week after undergoing an appendectomy on Friday.

Frio Homemakers Club will meet Tuesday in Mrs. B. M. Sudduth's home instead of with Mrs. Henry Dobbs as originally scheduled.

BUSINESS BIAS

SAN JACINTO, Calif. (AP) — The City Council recently turned down a proposed jaywalking ordinance for this Southern California town. Merchants complained that it surely would hurt business.

Hog Producers Should Watch Production

COLLEGE STATION — Hog producers in Texas and the nation are worried about the prospects for continued good prices. They are wondering, says John G. McHaney, extension economist, whether production increases are going to be overdone with resulting lower prices to follow in the months ahead.

McHaney says the total spring pig crop for 1957 will probably be a little larger than the one in 1956 but that slaughter will continue below last year until the end of 1957. The difference though will narrow in the months ahead and prices will probably be above last year until November or December.

March 1, 1957, farmers in the principal hog producing states held two percent more pigs six months of age and younger than a year ago. They also reported that one percent more litters would be farrowed in March, April and May and three percent more during June, July and August. At the present, says the economist, it appears that four to five percent more hogs could be available for marketing by late fall and early winter. Prices will react to the increased production with the greatest price differences coming in December 1957 and January 1958.

McHaney says no change in the demand for farm products including pork and lard is expected during the next 12 months and that changes in hog prices will result primarily from changes in supply. Hog profits will be determined in the months ahead by how well producers keep supplies and demands in balance.

The economist advises hog producers to keep a close watch on future production trends. Present hog prices and the prospect for lower feed grain prices for the fall of 1957 will aid expansion and increase the chances for lower prices in the spring of 1958. The efficient producer will probably not need to make any major adjustments but should continue to be on the alert for changes which will make his operations even more efficient.

Lower prices, on the other hand,

could result in losses or no profit for the inefficient producers, concludes the economist.

UNUSED CAR MILWAUKEE (AP) — Tom Kinzer

was startled to learn from policetown to work one day, had forgotten that his auto had been standing in it and returned home by bus for three days in a downtown parking lot. He had been taking the bus to work since then, unaware his car Kinzer didn't know his car wasn't in his garage. missing. He had driven it down-

HISTORY OF THE CLASS OF '57

Twelve Years of Hard Labor in Review

RONALD ZIMMERMAN

In the fall of the year 1945, a group of innocent lambs were brought to the slaughter. For six hours a day, five days a week, nine months a year for the next 12 years they were sentenced to confinement and hard labor. The huge brown doors of Central School closed behind them. The sky seemed dark and gloomy.

AMONG THE pale faces staring out of the barred windows were those of Larry Boston, Don Brid-

ges, Jackie Brown, "Trigger" Bryant, Bill Callaway, Carl Covington, Barbara Damron, Dorothy Daniel, George Davis, Benny De-ment, Danny and Pat Elliston—the infamous cousins, Donnie Fellers, Claudia Green, Norma Hamby, Burke Inman, Norman Kerr, Sue Kirby, Putt Knox—a late arrival from outer-space, Jerry Malone—a late arrival from Farwell, Harold Manning, Jane Newsom, Alan Newman, Bob Ramey, David Rettman and Ed Schroeter.

Other first year inmates were Wheeler Sears, Charlie Seed, Sue Springer, Loretta Strafuss, Bob Veigel, Elane Wagoner, Chick Weemes, Zonetta Williams, Bill Woodford and Mary Anne Young. Those that entered in 1946 were Leon Self, Kee Skypala and Eugene Sneed. Our lone arrival in 1947 was Ron Zimmerman from Mersides, Tex. ENTRIES IN the 1948 rat race were Woodrow Northcutt from

Walcott and Jack Rogers from Dawn. These kids joined our chain gang in 1949: Joe Andrews from Frio School, Bill Dufur from Friona, Buddy Jowell from China Lake, Calif., and Edward Vaught from Spade, Tex. Those that entered in 1950 were Mary K. Huckert from St. Anthony's and Erlinda Lucero. Oh, yes! Ted Moore wandered in from Midland. Also, Mildred Paul entered that year.

Those that came in like chickens with their heads cut off in '51 were Lynn Boomer — from parts unknown, Sandra Caraway, Pat Ferguson from Ropesville, Mary Lou McCullough from Amarillo, Bobby Miller from Dawn, Bruce Terry from Ohio, and Christene Thomas from Carlesbad, N. M. REMEMBER THOSE old buildings we called Junior High? In our last year there, 1952, these (Continued On Page 2)

Class History

(Continued From Page 1)

people joined us: Jessie Ann Gray, Margaret Griffith, La Vera Head from Canyon, Dave Wertenberger from Ohio, and Patsy Carthel.

Well! We sure felt big now that we were going to High School! Oh, Gosh! What a thrill. After we got there we didn't feel so big from the way the upperclassmen treated us. Anyway, the new arrivals in 1955 were: Sue Sparks, Dorothy Allman, Glenn Mutter from Santa Rosa, N. M., Beth Scott from Clarendon, and Sharon Brinkman, Patricia Peters, Don Vinton, Larry Walterscheid and George Wilhelm — all from St. Anthony's. Our freshman officers were Bill Woodford, president; Claudia Green, vice president; Sue Kirby, secretary, and Jackie Brown, treasurer. Our favorites that year were Sue Kirby and LeRoy Morrison.

AS WE became sophomores we picked up Melvin Fowler from Amarillo; Bobby Heavin from Plainview, Clarabeth Holt from Cordell, Okla., Oscar Ramirez of Price College in Amarillo, Travis Shields from Rosedale, N. M., Taylor Sims from Slaton and Shirin Wiseman Finley from Claude. Oh! Yes! Wandering Ted left that year.

Chick Weemes was president, Clarabeth Holt was vice president, Ed Schroeter was treasurer, and Beth Scott, secretary. Loretta Straffuss and Larry Walterscheid were our class favorites.

Additions to our class in 1955 were Pat Allen from Lazbuddie, Don Blalack from Muleshoe,

CLASS PROPHECY

The Future Look... Well! Who Frosted the Crystal?

Seers of the graduating class at Hereford High School recently looked into the future and revealed:

Pat Allen has given up farming and has taken up where Miss Rigger left off.

Ronald Bridges used to really like golf. Well, President Eisenhower sends him a special invitation to play golf at the president's Gettysburg home.

You know that Lynn Boomer has always been the shy type. You'd never guess who is sweeping floors in Almona Ritcha's Old Maid's Home. You guessed it, Lynn.

Elisabeth Brummer, exchange student from Sweden, was selected upon her return to replace Anita Ekberg.

Bruce Terry was always in shape. Last week he rode the winning horse at Santa Anita.

When Mary Anne Young was turned down at the Metropolitan Opera, she was determined to break into the musical field somehow. Now she can be seen at the City Burlesque in "The Fan

Kaye Kershen from Ft. Smith, Ark., Jaquitta Shelton from Cooperston, Okla., Ray Skelton from Coolidge, Ariz., and Wandering Ted came back.

Leading us in '55 were Lynn Boomer as president, Danny Elliston as vice president, Larry Walterscheid as secretary and Ron Zimmerman as treasurer. Wheeler Sears and Jackie Brown were the class favorites.

IN ORDER to be able to graduate with such a wonderful class these kids moved into our school: Our exchange student, Elisabeth Brummer from Sweden, Sandra Dutton from Anson, Jigger Rowland from Anson, David Smith of Okarache, Okla., and Dick Zinser from Arkansas.

Oh yes, we also acquired Nancy Cockrell, a possible valedictorian from Tulla. But Ted, our vagabond, took that honor.

Our officers during the final year of the sentence were: Ted Moore, president; Wheeler Sears, vice president, and Mary Lou McCullough, secretary — treasurer. Our favorites this year were Carolyn Shirley and Taylor Sims.

Dance." Did you see the fights last Saturday night when Rocky Marclano was K.O.'d by Woody Northcutt for the heavyweight title of the world.

Jane Newsom now manages the Lady-B-Lovely reducing salon. And guess who is the leader of the faquet squad at Dimmitt. None other than Chick Weemes.

Don't miss the main feature at the coliseum this week, Clarabeth (Killer) Holt and Mary (Muscles) McCullough.

I'll tell you who to see for a super duper hair do straight from Paris: Larry Walterscheid.

I read in the newspaper the other day where Senator Sears was told by President Eisenhower that if he ever caught him on the water tower again he couldn't be Speaker of the House.

That dashing leader of the French Foreign Legion who spends most of his time at the Riviera where there is plenty of wine, women and song is Pat Elliston.

Patsy Carthel is a naturapathologist.

The ping pong champion of the world recently hecked his trophy to buy beans because his profession is one of those noble kinds — with all honor, no money! Who is it? Why Danny Elliston, of course.

Taylor Sims is making headlines too, it seems. The other night out in Hollywood, he knocked Libera's teeth down his throat in a jealous rage. Libby dedicated People Will Say We're in Love for — you guessed it — Carla.

You'd have thought Jerry Malone would have settled down to a service station, but he's ski instructor at Santa Fe and guess who is his assistant. Barbara Dameron.

That famous women's clothing designer who hides behind an atrocious beard to get away from all the girls is who used to be known as Don Vinton.

Do you know who set the record for bagging elephants on a safari last year. None other than Dorothy Daniel.

That dashing game between the Chicago Bears and the Detroit Lions when Charles Seed caused 14 players of the opposing team to go to the hospital? In the same game, waterboy Glenn Mutter set

a record for the number of wet towels he carried on the field. You remember that tough Margaret Griffith? She teaches ju jitsu to the WAC's.

Oscar Ramirez used to drive that car of his like mad. Now he races at the Indianapolis Speedway.

La Vera Head and Christine Thomas work at the air base in Amarillo. Wonder why?

You remember how Bobby Ramsey used to demonstrate nursing techniques in junior Red Cross. It finally paid off. He's a nurse.

You know how Sandra Dutton stole the show at the senior play? Now she has taken Minnie Pearl's place in the Grand Ole Opera.

You know Ted Moore has always been Elvis' most avid fan. Well, he now runs Heartbreak Hotel, under the name of Telvis Mesley.

The Baptist's and Methodist's finally agreed on something. Beth and Nancy are dancing at the City Burlesque. If you want to see them, they're billed as "Naughty Nancy" and "Bubble Beth."

Bobby Miller always the choir enthusiast, now works as janitor in Hereford High School's choir room.

Jessie Gray married Hot Rodder Claude and now they have a bunch of Hicks.

Harold Manning still works at Main St. Phillips 66 and he's still draggin' anyone that will accept.

Do you remember the envy of everyone for Claudia and Loretta because of their rings? Well, you never know. I was up at school last week and they're still there.

George Wilhelm, Ed Vaught, Alan the Man always wanted to do something outstanding. Well, they did! They're eating breakfast on the Moon right now.

Bill Dufur and Sandra finally married. Bill teaches ag at Adrian. They have 10 little aggies.

Burke Inman, always the intellectual type, is president of Dawn University.

Norman Kerr is still climbing chimneys trying to put little houses on top.

Don Fellers is singing commercials for Crest toothpaste.

Bill Knox, famous for his crooked dealings, is now working for hysther lawyer Ed Schroeter.

Buddy Jowell — do you remem-

ber how he and Clydene used to break up and then go back together — we're keeping our fingers crossed this time for their fifth marriage after four divorces.

Have you seen some guy around town riding a motorcycle, making like Marlon Brando? Well you guessed it! Bobby Heavin.

Well, Pat Ferguson and Jackie Brown haven't made it to Clovis yet, but they still make their midnight trips to Amarillo.

Mary K. Huckert always loved to dance. She reached the glamorous top. Now with the June Taylor dancers.

Remember what a good job Kee Skypala did on the Roundup? Intimate Romances grabbed her up for editorship soon as she graduated.

Mildred Paul at last report is still trying to horn in on Clarabeth and Mary Lou's match in wrestling.

I always wondered why Kaye Kershen was so hep on nursing. Now I know. She's engaged to a real cute surgeon.

Well, Sue Springer didn't quite marry a preacher as planned, but she sure hooked the most popular bootlegger in town.

I saw Erlinda Lucero over at Central sliding down a slide, acting just like a kid. I wonder if she's in her second childhood?

Ray Skelton shot Mr. Garner's math record at Tech all to pieces. It was expected: Alvena Ritcha is managing a lingerie factory.

You remember how noisy Jerry Rowland used to be? It's paying off! He's made the big time and is a barker at the Tri-State Fair.

Sharon Brinkman and Patricia Peters both wanted to be secretaries so they could sit on their bosses' laps.

Glenna, do you remember how lonesome Ron was while you were gone to Europe? He formed a club known as the "Lonely Hearts" and now he's the national president.

Shirin Wiseman and Jaquitta Miller didn't have to wait to go to college to hook a man. They got married while they were in high school.

You'd never guess who is still robbing the cradle? John David

(Continued From Page 2)

Bryant is keeping the nursery at the First Baptist Church.
 Dorothy Auman didn't make a secretary, but she does teach typing in Mr. Hudson's place.
 Joe Andrews is now a cop. He patrols the Amarillo drag strip.
 Travis Shields used to be so interested in electronics. He now runs the miniature train at Walt Disney's playland.

Jack Rogers used to race that bomb of his everywhere. Now he's traded it for a Mack-Diesel.
 Leon Self used to have the best sense of humor. Well, he laughed himself all the way to Alcatraz.
 David Rettman has the famous sixth period study hall of H.H.S., alias "Giggles."
 Do you remember that boy that moved to Hereford from Oklahoma, David Smith, during our Junior year? He went back and tried to get on the famous "Sooner" football team. He didn't make it

because he wasn't from Texas.
 Bobby Veigel was a business man. Now he and Ella Marie sell ice cream on the corner.
 Bill Woodford was always so interested in football. Now he coaches the famous Phillips' Blackhawk team to state every year.
 Bachelor Marine "man about town" Bill Callaway, finally got out after 20 years active service. The same-day someone got her wires crossed and Sue Kirby re-enlisted in the Women's Marine Corps.
 Johnny Dry went "wet" and he landed in the Navy's stockade.
 Have you all wondered why you have been seeing Benny Dement driving a Cadillac? He got promoted from sack boy to stocker at Furr Food.
 Carl Covington's eyes finally went bad while playing baseball. Now he teaches school in Mrs. McDougal's place.
 Don Blalack is interpreting at the Spanish consul's office.
 George Davis failed to get the highest rank in scouting when he passed out and fell down Devil's Slide. Now he's in Camp Fire Girls.
 Larry Boston still has his brownie points in with Mr. Bell. Still playing first coronet in H.H.S. Band and he still flirts with that little Sheila Williams.
 Strange as it may seem, Ronald Bridges and Carol did get married and have five little Bridges running around.
 Carol Sue Sparks works at a service station. She specializes in changing flats "late" at night.
 Have you heard about Elane Wagoner? She has the oddest profession of all. She's a housewife!
 Poor Carlynn Williams. She was always so dumb! Right after her senior year she had to start back in kindergarten.

DANIEL NEWS

Row Crops Keep Farmers Busy

By MRS. W. R. MOORE
 The farmers are very busy planting row crops and gardens. The pasture land is really nice and green.

The Training Union Revival was well attended recently at the Palo Duro Baptist Church. Mrs. Irene Dixon from Eunice, N. M., helped with the revival. Mrs. Bill Cleavinger was honored recently with a pink and blue shower. Present were Mesdames T. E. Price, J. T. McClain, E. T. Allred, H. D. Moore, Zelma Axe, Doris Sparks, J. C. Simpson, E. L. McBroom, Earl Griffith, Andy Sartor, O. K. Higgins, Pete Pettitt, Leroy Patterson, Tom Jones, Rue Wells, and Jackie Broadus. Mesdames Cecil Roark, Luther Cribbs, Alma Moore, from Wildorado, Marion Axe from Dimmitt, John Jennings and Dutch Cleavinger from Canyon, and Glenn Allred, Mattie Elrod, Red Stockton, Winston Evans, W. R. Moore, C. W. Cogdell and H. L. Axe sent gifts.
 Vacation Bible school will be held June 1-7 at Palo Duro Baptist Church.
 Alton Plunk and Ennis Helker visited Orville Helker in Forest, N. M., last week.
 Mrs. Zelma Axe visited Mrs. B. B. Walker in Amarillo Wednesday.
 Mr. and Mrs. James Johnson from Tulia were visitors in the Elroy Artho home over the weekend.
 Mr. and Mrs. Walter Lee Ballard and children from Vega spent Saturday and Sunday in the home of Mrs. Mourie Cogdell.
 Mr. and Mrs. J. B. Thomson visited in the home of Mr. and Mrs. R. B. Godman in Amarillo Sunday.
 Mr. and Mrs. Carl Phillips and Bobby of Amarillo visited in the home of Mr. and Mrs. H. D. Moore Sunday.
 Mr. and Mrs. T. E. Price visited Mr. and Mrs. T. M. Jones

near Bushland Sunday.
 Mr. and Mrs. W. R. Moore and Mrs. M. B. McGahey were in Canyon Monday.
 Mr. and Mrs. H. D. Moore, Mr. and Mrs. Blackie Russel and Mr. and Mrs. Elroy Artho spent the evening at Buffalo Lake Sunday.
 Mr. and Mrs. Billy Moore and Terri Linn from Amarillo visited Mr. and Mrs. W. R. Moore and Mr. and Mrs. H. D. Moore Friday.
 Mr. and Mrs. James White visited friends in Canyon Sunday.
 Mr. and Mrs. Roy Jones from Vega visited Mrs. Mammie Cogdell Sunday.
 Visitors in the home of Mr. and Mrs. W. R. Moore Sunday were Mrs. M. G. Ballou, Mrs. H. L. Pattie and Mrs. W. J. Disore from Amarillo.
 Mrs. E. M. Jones from Abernathy visited in the home of Mr. and Mrs. Joe Gill last Monday.
 Mr. and Mrs. Joe Gill entertained a group of young people from West Texas State with an ice cream supper Friday night.
 J. T. Gilbreath has completed two more new irrigation wells on his farm five miles north of Dawn.

Lloyd Johnson Jr. in Scottish Rite Dallas Hospital

Lloyd Johnson Jr., two-year-old son of Mr. and Mrs. Lloyd E. Johnson of Hereford, was admitted recently to the Scottish Rite Hospital for Crippled Children in Dallas.
 Texas Scottish Rite Masons founded the hospital thirty-three years ago in an effort to provide a chance at a normal life for the handicapped child. The hospital, which is supported by public contributions and bequests, has accepted almost 100,000 children for treatment since 1925.

HARD COURSE IN COLLEGE
 CHARLOTTESVILLE, Va. — Speaking of Road Studies — the University of Virginia and the State Highway Dept. announced plans for joint sponsorship of a short course in concrete mixing.

BEST WISHES

Class of 1957

May we offer our Sincere Congratulations. To each of you we extend greetings and best wishes. You have taken the first big step toward success, and we are confident you will give your school and your community cause for further pride in your achievements.

It has been our privilege to serve your home community for a long time. We hope we may serve many of you.

RECORD CHECK—each seniors' scholastic record received a careful check during the year. Sandra Caraway watched attentively as Assistant Principal Bill Phillips worked.

Senior Will

Friends, Romans, Countrymen, lend me your ears. Look who is passing after all these years! Friends, I mean, Friends, Lo, what a solemn occasion. You are about to witness the formal reading of the last Will and Testament of the past masters of Hereford High School. This is a hysterical, oops! historical document which commands your earnest attention and reverence.

We, the Senior Class of 1956-57 being of feeble mind and lit. I mean, fit bodies, do hereby bequeath the following stated things to the following stated people.

The senior class will its spirit of cooperation to the junior class. Ronald Zimmerman leaves that great gift that was so kindly left him last year. These hand cuffs he wills to his brother, Pablo Carlos Zimmerman, because he needs them more than Ron does.

Margaret Griffith wills her half of a day of school, to Verna Kay, Kay, Phyllis, and Stella Jo in hopes that they will have as much fun as she did.

Ted Moore wills his position of "president of the Elvis Presley Fan Club" to Terry Higgins.

Joe Andrews wills his wonderful and cooperative personality to Gene Waits.

Dorothy Daniel wills the management of the Mickey Katz fan club to Wade Douglas.

Edward Vaught hereby wills his sleeping time in Texas History class to Mr. Thompson.

Leon Self would like to will his ability to get along with Mr. Reese to any D. E. student next year because he feels someone will need it.

Jacquita, Jessie, Christine, LaVera, Sue and Shirin will their ability to find green tomatoes and watermelons in other people's fields to anyone who isn't afraid of barking dogs.

Norman Kerr wills two paint brushes, one red and one green to Lewis Block.

Sandra Caraway and Elaine Wa-

goner will their ability in chemistry to Ella Marie Williams.

John David Bryant, would like to will to the school all the equipment he has borrowed from the field house because it seems they need it worse than he does.

Melvin Fowler wills hot rods to Larry Edwards and Jan Wallace. Sue Springer and Carlynn Williams leave their Dallas parties to Betty Hagar.

Carl Covington wills his ability to get the right answers to the wrong problems in Physics to Leslie Sharp.

Kee Skypala, Carlynn Williams, and Mary Lou McCullough leave all of the annual staff troubles and headaches to Gladys Lee.

David Rettman leaves Mr. Jones and all that goes with him to Dale Taylor, Dean Stevens, James Stayton, Gene Waits and Leon Roberts. Mary Lou McCullough wills her ability to get tackled at the Littlefield game to next year's cheerleaders.

Lynn Boomer wills his brownie points to Mr. Overall to distribute as he sees fit.

Jane (I'm tired) Newsom leaves her energy to Janie Bookout.

Ed Schroeter leaves his ability to charm the girls to Larry Edwards.

Kaye Kershen and Clarabeth Holt do hereby will their good chemistry grades and all of the broken equipment to Joan Broan and David Brumley.

Bill Callaway wills his brownie points with Miss Smith to Donnie Renfro who needs them.

LaVera wills her rolling pin to Jan Bean, who will need it next year.

Jeryce Rowland wills his nickname to Pullet Brumley. He needs a new one.

George Davis leaves his Bermuda shorts to Uncle Buck for next year's junior-senior banquet—also he would like for Uncle Buck to look after Jonalee while he is at college for the next three years.

Mary Katherine Huckert wills her loud mouth to Ella Marie Williams.

Bobby Viegel wills Ella Marie Williams to Carl Zimmerman.

Larry Walterscheid leaves his curly locks and shy personality to Eddy May.

Putt Knox leaves his AA card to Wade Douglas.

Mildred Paul leaves her figure and walk to Glenna Gault.

Donald Bridges wills his position on the paper staff to Gene Waits.

Alma Eitch leaves her ability to get her trip during English to the future trig students.

John David Bryant would like to will two bodyguards, Lewie the "eraser" Block and Little Boy Blue Waits to Judy McGee. He would also like to will his football shoes to Carroll Willoughby.

Jackie Brown wills her out of town trips to Charlotte and Joan.

Pat Elliston wills his white bucks to Uncle Buck.

Dorothy Allman wills her short-tique book to Delores Andrews.

Buddy Jowell, Norman Kerr, Lynn Boomer, Wheeler Sears and certain other individuals who have already departed from the ranks of H.H.S. leave their ability to construct things on the roof to the lower classmen.

Christine Thomas wills her miniature wooden bucket to Jan Bean and hopes we both get what we want to put in it.

Travis Shields leaves Billy Don Combs his ability to get along with English teachers during activity period.

Kerr wills his ears to some busy-body.

Bill Dufur wills '25 chickens to Pullet Brumley.

Alvena wills her appetite to Pullet Combs.

Ronald Bridges leaves next year's D. E. class the green books and hope they can find them.

Patricia Peters, Carol Sue Sparks and Sharon Brinkman will their loud, overpowering voices to the quiet juniors Charlotte, Martha and Betty.

Harold Manning wills his ability to make payments on the city hall to future Hot Rodders.

Beth wills Macbeth to Dora Fern Goldston—take care of him, Dora.

Pat Allen wills John Beasley an I. D. card saying he is 21.

Nancy Cockrell wills her peaches and cream complexion to Joan Fowler.

Don Fellers, being of sound body but uncertain of mind, does hereby bequest all the quartet music to Danny Cleveland.

Sandra Dutton leaves her rolling fat to Gale Blyth.

Lynn Boomer leaves his bootlegging operations to John Beasley.

Patsy Carthel leaves her height to Sandra Childers who is the shortest girl in the freshman class.

Wheeler wills his ability to climb transits to Jim McDowell.

Mary Anne wills her ability to play chop sticks to Eugenia Alexander.

Don Vinton leaves three hairs from his beard to Uncle Buck and last year's jokes to Mr. Thompson.

Loretta Strafuss and Claudia Green will all their left over typing paper back to Gene Waits.

Don Blalack being of sound mind (Ha, Ha) does hereby will and bestow his unexcused tardies to his beneficiary, Gene Waits.

Barbara Damron wills "I'll Never Walk Alone" to Carl Zimmerman, Carla Sue Crosthwait, and Robert Kinsey.

Bruce Terry wills his cheer-leading ability and first-tenor position in choir to Carroll Willoughby.

Elizabeth Brummer leaves her accent to Sue Channer.

Erlinda Lucerio leaves her helpfulness to Billy Don Combs.

Burke Inman wills his mathematical ability to Stanley Fuhmann.

Benny Dement wills his corpse to the future football team of H.H.S. They may pick it up after the football game Saturday night.

Bill Woodford wills his job as handy man to John Gilliland.

Jack Rogers leaves his careful drying to Bill-Kester.

Bobby Ramey leaves his physics to Gladys Lee. Whoops!

Danny Elliston leaves a crying towel to next year's football coaches.

Pat Ferguson wills his ability to compile statistics to Doc Kinsey.

Bobby Heavin leaves his pipe and sun glasses to Miss Rigler.

Jerry Malone wills his ability to enter through unusual entrances (such as ceilings) to Coach Russell.

Bobby Miller leaves the flowers that bloom in the spring tra ja to Glenn Reeves.

Glenn Mutter leaves his favorite neighbor to the stag line.

Alan Newman leaves the Marjines to any interested party.

Woodrow Northcutt wills his ability to ride bulls to Wade Crist and Johnny Latham.

Oscar Ramirez and Ray Skelton leave H.H.S. They hope.

David Smith wills Okarche—Oklahoma to anyone, but who wants Oklahoma?

Gene Snead wills Bettye to Turke. WOW.

Chick Weemes leaves for Dimmitt at 9 o'clock on the 23rd.

David Wertemberger leaves his half to Bruce Collins.

George Wilhelm wills his motor cycle to Mr. Jones.

These are our last requests as we leave this great institution. We hope that you will always treasure your inheritance. Taylor Sims and Charles Seed leave this year's senior trip to the unfortunate juniors. May they have as much fun on the trip as the seniors did.

RIGHT FIGURES
SEATTLE — John Janush figures his 377-707 automobile license is an appropriate one for the Boeing Airplane Co. employe. The Boeing Stratocruiser was known as project 377; the new jet transport is the 707.

BEST
WISHES
to the
1957
GRADUATES

To the members of the Class of '57, we extend greetings and best wishes. You have taken the first big step toward success . . . but may we take a minute of your time to remind you that

YOUR EDUCATION DOESN'T STOP NOW!

We would like to encourage each and every one of the Graduates of Hereford High School to continue their education in the College or University of their choice. TODAY'S COMPETITIVE WORLD demands more of today's youngsters, and we think it very important to your future, that you DON'T STOP NOW.

REMEMBER . . .

**Aim High - Aim for the Moon and You'll
Clear the Tree Tops**

Davis-McCracken Imp.

W. L. Davis Your M-M Dealer W. L. Davis Jr.

**Every 45 seconds someone buys
a new Dodge — and no wonder!**

It happens every 45 seconds of every working day—a proud new Dodge owner goes breezing homeward in his dashing Swept-Wing Dodge. And it's really no wonder when you consider all that the Swept-Wing Dodge has to offer!

Every 45 seconds someone heads home in the sleekest, rakiest, most distinctively styled car on the road. And there's a practical side to this beauty, too. This smart "years ahead" styling puts you "money ahead" when you decide to trade.

Every 45 seconds someone discovers the greatest advances of 1957! The smoothness of Dodge Torsion-Aire. The ease of Push-Button TorqueFlite. The assurance of Total-Contact Brakes. The lightning-quick response of the latest aircraft-type V-8.

Every 45 seconds someone gets the benefits of booming Dodge sales! So many people have joined the swing to Swept-Wing that orders are double those of last year! These volume sales mean volume savings when you buy now. So stop in and see your Dodge dealer today. You're money ahead when you go Swept-Wing!

DODGE TOPPED ALL V-8's IN MOBILGAS ECONOMY RUN—AVERAGED 22 M.P.G.!

POPULAR—Selected as "Mr. and Miss Hereford High" during their last school year were graduating students Bobby Veigel and Sue Kirby.

BIPPUS NEWS

Rex Vaughn's Parents Die in Tornado

By CHRISTINE FORTENBERRY

Mr. and Mrs. Veral Vaughn, parents of Rex Vaughn, formerly of this community, were killed in the Silverton tornado last week as were Rex Vaughn's sister and her family, Mr. and Mrs. Rance Stephens and three children. Rex Vaughn and his family moved to Silverton from Bippus last year. Mr. and Mrs. Elmo Hall attended Mr. and Mrs. Veral Vaughn's funeral in Silverton Friday.

The community has received some nice rains in the last week. Wednesday amounts varying from .50 to .75 inches fell and .25 to .75 fell Friday. The wheat is growing and everything is green. The Rev. E. L. Naugle preached the sermon Sunday at Bippus community house. He was dinner guest of Mr. and Mrs. Charlie Burk.

Mr. and Mrs. J. G. Fortenberry and Christine visited in the Charlie Burk home Thursday night.

Mr. and Mrs. Melvin Henderson visited in the J. G. Fortenberry home Thursday.

Mrs. Jimmie Perrin took a car load of youngsters from Adrian School to Amarillo Thursday. She and Jim Bob and Joe and Mr. and Mrs. C. F. Homfeld were on television Thursday.

Mr. and Mrs. J. G. Fortenberry and Christine went to Walcott to the P-TA party Friday night.

Mr. and Mrs. Melvin Henderson had some friends from Levelland visit them Tuesday.

Mr. and Mrs. C. F. Homfeld were visited by a niece from Kansas over the weekend.

Mr. and Mrs. Zerrel Thomas from Eads, Colo., and Mr. and Mrs. Leo Gallagher were supper guests in the J. G. Fortenberry home Tuesday. Mr. and Mrs. Thomas are former residents of the

Household Tips

Note to Brides: Buy a canvas cover for your pastry board and a stockinet cover for your rolling pin. These accessories are invaluable aids in rolling out pie or cookie dough.

To brown flour for gravies and other meat sauces, spread a layer of flour over the bottom of a heavy skillet. Stir over moderately low heat until the flour is golden.

Leftovers often help to make poultry stuffing taste wonderful. A few pickled, finely chopped; a handful of pecans or walnuts; a half cup of cooked peas and carrots — all these may be added to a simple bread dressing.

Pea beans, sometimes called Navy beans, are white in color and the smallest size of any bean. It's the pea bean that is usually used in beans baked with pork or baked vegetarian style.

Sieved hard-cooked egg makes a most attractive garnish for red or green cooked vegetables.

Ever slice Iceberg crosswise? The slices are good used as a base for mounds or seafood salad.

When you add dry mustard to mayonnaise or French dressing, prepare the dressing ahead of time. The bitter flavor of mustard, sometimes detected when a dressing is first made, will dissipate after some hours.

When you have finished beating a batch of mayonnaise do not stir it unnecessarily; further beating may help to break the emulsion and cause the mayonnaise to separate.

Mrs. G. V. Hall took her two boys to Friona Saturday to see the doctor. Danny had an ear infection and Johnny had an injured foot.

SUCCESS to the GRADS of 1957

We extend our best wishes on this important and significant occasion.

The entire town is justly proud of you.

Hereford Men's Mother Succumbs

Mrs. J. H. Northcutt, 74, died May 19 in the Clovis Memorial Hospital after several months illness. She moved with her husband and family from Hamilton County, Texas, to Bellevue, N. M., in 1909 where they lived for almost half a century.

Services were held Tuesday in the Central Church of Christ in Clovis and burial was in Mission Garden of Memories in Clovis.

She is survived by her husband, two daughters, Mrs. Millie Pearce of Bellevue and Mrs. Gladys Reector of Clovis, and 10 sons; Bernie, Fred, Elmer and Bobby all of Hereford, Cecil of Clovis, Ralph, Loyd, and Johnny of Bellevue, Wesley of Espanola, N. M., and Curg of Miami, Fla.

She is also survived by 31 grandchildren and three great-grandchildren.

MAMMOTH DISCOVERY

BRADENTON, Fla. (AP) — A 25-pound tooth, a tusk and what appear to be rib and shoulder bones of a huge beast have been dug from a shell pit by laborers taking out paving material.

The bones have been tentatively identified as those of the hairy mammoth which was a prehistoric ancestor of the elephant.

New York state's forests are now growing 103 per cent more wood than is cut and lost each year.

A. O. THOMPSON ABSTRACT CO.

Mr. and Mrs. A. J. Schroeter, Mgrs. Complete Tract Index of all land and town lots in Deaf Smith County. Write us for information. Box 73, Phone 130

MOST VERSATILE SENIORS—Bill Woodford and Sue Kirby, preparing here to cook an outdoor meal, were selected as the "Most Versatile" members of the Class of '57.

Long Time Ago

45 Years Ago

The eighth big irrigation well of the McDonald type was brought in Wednesday morning. This well is located on the Hillcrest farm owned by L. Gough. The 26-inch hole was sunk to a total depth of 190 feet; water was found at 71 feet, the location of the well being on the highest point on the section. The crew had everything in readiness and started the pump at 9 a. m., and ran until noon without a stop, throwing out from 800 to 1,200 gallons of water per minute.

The matter of keeping cattle and other stock out of the fields of the farmers is becoming a question. The advent of the farmer into a cattle country always brings up the matter of fences. Most of the farms and pastures have three and four-wire fences, but unless these are kept in good repair, the stock often without the knowledge and consent of the owners, break through and do much damage to the crops.

25 Years Ago

The Hereford High School Band left early Wednesday on its annual tour and outing trip, to be gone

for 10 days through eastern, central and northern New Mexico. The band will play a concert wherever it stays, and has made arrangements for free camp facilities at every stop. The members are divided into "kitchen police" squads to take turn about in assuming responsibility for the welfare of the others.

Herb Sindt's Orchestra was scheduled to play for a dance Tuesday night at St. Anthony's Hall. Admission — 50 cents per couple. Ilena Rogers was recovering from a dislocation of her left arm at the elbow. She was thrown from a horse while riding in the Flag community.

The City Drug Store had epsom salts on special, 16 pounds for \$1.

Pause And Meditate

The only sure way to keep boom friends — is at arm's length. — Gladys Miller.

DRY RUN

DENVER, Colo. (AP) — The Denver Waitress and Bartender School trains only teetotalers.

"Absolutely no alcohol is permitted on the premises," says Donald Howe, the man in charge. "And smoking is forbidden, too."

"Clubs and restaurants desire personnel who are able to mix any of hundreds of fashionable concoctions quickly, adroitly and without waste," Howe explains. "We teach our classes by using

bottles containing water." The students spend the first 3 of about 50 class periods learning all of the trade's equipment. "Only then are they allowed to attempt their first Manhattan," says Howe.

President Eisenhower and General Alfred Gruenther, former NATO commander, are skilled bridge players. Former President Harry Truman likes to play poker.

DAWN NEWS

End of School Plays Presented

By DELLA RUTH DOW

Dawn School held its annual end-of-the-year school plays recently.

The first and second grades gave Snow White and the Seven Dwarfs. Characters were Snow White, Linda Stewart; Queen, Laura Higgins; Prince, Billy Neal; Lisa, Alice Ann Caraway; Gypsy, Shirley Simpson; Peasant Woman, Sue Sartor; First Dwarf, Douglas May; Second Dwarf, Ronnie Tucker; Third Dwarf, Glen Polan; Fourth Dwarf, Rosemary Stewart; Fifth Dwarf, Phyllis Richardson; Sixth Dwarf, Bill Fowler; Seventh Dwarf, Gary Richardson.

The third and fourth grades gave Cowboy Bob. Characters were Uncle Jack, Robert Caraway; Cowboy Bob, Robert Galley; other cowboys were Tom, Kenneth McClung; Mike, Buddie Stewart; Pat, Charles Scribner; Bill, Jon Davis Miller; Sam, Doyle Joe Fuller; Annie Oakley, Nan Neal; Buffalo Bill, Jon David; Roy Rogers, Doyle Joe; Dale Evans, Linda Gill.

Ten Per Cent Tommy was presented by the fifth and sixth grades. Characters were Tommy Ballinger, Glen Fuller; his mother, Suzanna Higgins; his sisters, Mary, Louise and Suzy, Algeo McClain, Audni Miller and Judy Sar-

tor; Gertrude, Janie McBroom; Wally, Pat Rucker; Leon, Robert Caraway; Bert, Kenneth McClung; Bill, Buster Tucker; Jim, Scott Ramsey; Angie, Pat Neal; Lena, LINDAY HIGGINS.

Mr. and Mrs. Billy A. Hart of Gardena, Calif., are visiting his parents, the L. L. Aicharts. Bobby Miller, Billy Wimberley, Don Vinton and Phyllis Ann Wimberley attended the Hereford High junior-senior banquet.

Bobby Owens, Pat Miller, Paul M. Clang, Bobby Vinton and Melvin May are on the Taylor-Evans bowling team in Hereford. Polly Coronet spent Friday night with Phyllis Ann Wimberley. The Alfred Smiths received word of the birth of their first grandchild last week. It was a boy, born of Mr. and Mrs. Bobby Jones of Amarillo. Mrs. Jones is the former Ginger Smith.

The Dawn Baptist Church is now being repaired. It suffered damage in the March blizzard. The Rev. Paul McClung spoke at the Brotherhood meeting at Avenue Baptist Church in Hereford recently.

Dinner guests in the H. H. Miller home Sunday were Mr. and Mrs. H. H. Richardson of Elida, N. M., and Mr. and Mrs. H. L. Richardson and sons of Portales, N. M. Afternoon visitors were Mr. and Mrs. Billy Hill and children of Amarillo, Mr. and Mrs. N. R. Miller and Mr. and Mrs. Martin Campbell and children of Hereford.

Visitors in the L. A. Smith home recently were Mr. and Mrs. H. D. Weeter of Borger and Mr. and Mrs. J. C. Poe of Amarillo.

Sue Wimberley spent part of Saturday at home. She is a student at West Texas State.

The R. L. Johnsons spent the weekend in Muleshoe visiting his father who is in the hospital.

CLASS OF '37—Selected by their classmates and Taylor Sims. as "Favorites" were Carolyn Shirley Johnson

The Dawn Musettes had a tea for their mothers in the R. T. Stewart home Tuesday. Mrs. Gayle Neal and Nan did a Spanish dance; Mrs. Orval Galley and Robert, Eskimo Lullaby; Robert and Alice Ann Caraway, piano duet; Keane McClung, Coming Through the Rye; Mrs. N. R. Miller, Without a Song; Mrs. Ray T. Stewart and Rosemary, piano duet; Jon David Miller, She'll Be Coming 'Round the Mountain; Audni Miller and Mrs. N. R. Miller, Those Cassionas Go Rolling Along; Phyllis Anne Wimberley, a Chopin Nocturne; Mrs. J. B. Caraway, O Rest in the Lord. Others present but not on the program were Betty Alice Tucker, Gail Miller, Mrs. Carl Wimberley, Mrs. Zed Stewart and Mrs. Robert Og-

lesby and children from Canyon. Mr. and Mrs. R. T. Stewart, Linda Kay and Jerry spent last week in Mobeetle visiting Mr. and Mrs. Roy Oglesby. The Oglesbys are Mrs. Stewart's parents.

Visiting in Floydada last week were Mr. and Mrs. H. S. Fuller Sr., H. S. Fuller Jr., Glen, Doyle Joe and George Ray. They visited the Bill Marr family.

Mr. and Mrs. Zed Stewart and Mr. and Mrs. Marion Russell and Elizabeth had dinner with the Jessie Paynes of Hereford, last Sunday. The Paynes are former residents of Dawn.

Mrs. Leo Hoffman went to Silverton Thursday after the tornado to see about her parents who live there.

Mr. and Mrs. T. L. Sparkman Jr., and family of Hereford were supper guests of the Ray Stewarts Thursday. They were celebrating Mrs. Sparkman's birthday.

Mrs. J. N. Killingsworth, first and second grade teacher, took her students to Canyon for a picnic Friday. They went through the Panhandle - Plains Historical Museum.

Mr. and Mrs. H. C. Dow and Della went to Amarillo Friday on business and to visit friends. Mr. and Mrs. Kenneth Stickney came home with them for the weekend.

Wild bulls were used by the Spaniards to help defend the city of "old" Panama against the British pirate, Henry Morgan.

Soil Bank Cuts Aimed Only at Acreage Reserve Funds

HONORED—A commendation ribbon, one of the Army's highest peace-time awards is pinned on ex-PFC Joe Kerr of Hereford by retired Lt. Col. Don Zimmerman. Lt. James Alston, commander of Company A, 975th Engineers Battalion, looks on. The award was made here Saturday. (Staff Photo)

CONGRESSIONAL sniping at the soil bank program, and the threat to reduce appropriations for the next fiscal year has been confined to the acreage reserve — one year phase of the program — payments.

Conservation reserve appropriations, that phase of the soil bank program most directly affecting Deaf Smith County farmers, have received approval in the House of Representatives, emphasize Faust Collier, manager of the Agricultural Stabilization and Conservation office here.

Conservation reserve payments here will total about one million dollars this year.

Collier reports that the ASC committee has had many calls from local farmers who were alarmed by the Associated Press reports of action in the House to kill soil bank farm aid. He points to the bottom of the story where it was reported:

"Another feature of the soil bank is the conservation reserve under which farmers are paid for putting farmland into long term planting of trees or grass.

"The House did not change the 1957 authorization of up to 450 million dollars for this feature."

THE SOIL BANK program came under fire recently when the House Agriculture Committee, while critical of the soil bank's 1956 operations, had recommended that it be given funds for 1958 — though on a reduced basis.

Then, after critics on the House floor charged the program was marked by waste and mismanagement, an amendment was voted into the Agriculture Department appropriations bill that would bar any acreage reserve (not conservation reserve) payments to farmers in 1958.

The Senate will have to act on the soil bank before anything is definite.

Secretary of Agriculture Benson, who earlier defended the soil bank program before members of the House, last week stated his position in a letter to Rep. Jamie L. Whittee, chairman of the agriculture subcommittee, House Committee on Appropriations. Benson declared:

"I HAVE read with interest and disappointment the report issued by you on May 10 in behalf of the Committee on Appropriations of the House of Representatives regarding the 1958 appropriation for the Department of Agriculture and the Farm Credit Administration.

"I am sorry to see that what might be expected to be a factual document contains so much argumentative and sometimes misleading material. It is both disturbing and confusing also to observe the amalgamation of the appropriate and legislative processes within the report of the committee. The establishment of limitations on the soil bank in future years is an attempt to legislate on farm policy before the program has been given a fair opportunity to succeed.

"I agree that acreage allotments have not controlled production . . . controls have had little effect on total farm production. . . Generally when a farmer is restricted on acreage, he picks his best land, fertilizes heavily, uses modern methods, and increases the yield per acre. And he uses the acres taken out of one crop for the production of other crops.

"I cannot agree with the report when it attempts to attribute the lack of effectiveness of the 1956 soil bank to an inherent weakness of the program. It should be noted that the Secretary of Agriculture is required to administer laws as they are passed by the Congress.

(Continued On Page 3)

GROUNDBREAKING CEREMONY—Members of the Church of Christ gathered Sunday afternoon, below, at their new Knight and Plains Ave. property to break ground for a new \$150,000 church building. Elder Denzil Pulliam is shown as he described the new structure. Bob Wear of Canyon, right, former pastor, was the principal speaker. ABOVE—Also

taking part in the ceremony were Floyd McGee, left, as chairman of the building committee, who turned the first shovel of dirt; D. C. Martin, chairman of the finance committee, delivered a building bond to a church member; Russell Ingalls, pastor, and M. B. McKinney, pastor of the Friona Church of Christ. (Staff Photos)

Meet Your . . .

Neighbors

Hereford Texas, Thursday, May 23, 1957

Section Four

Two H. D. Clubs Hold Meetings

Two county home demonstration clubs met recently. They studied two different subjects, food preparation and mosquito control. Detailed reports on the two meetings follow:

North Hereford
Mrs. Paul Hoff gave the program on food preparation to the North Hereford H. D. Club when it met May 16 in the home of Mrs. R. E. Barrett.

Mrs. Hoff demonstrated how to broil steaks. Members answered roll call by telling how to tenderize meat and how to cook a tough steak.

The club voted to give a donation to the Silverton tornado fund.

It also voted to join the county federation of clubs for another year.

The next meeting will be held in the home of Mrs. A. A. Hare June 6. The program will be given by 4-H girls.

Visitors were Mrs. Charles O. (Continued On Page 2)

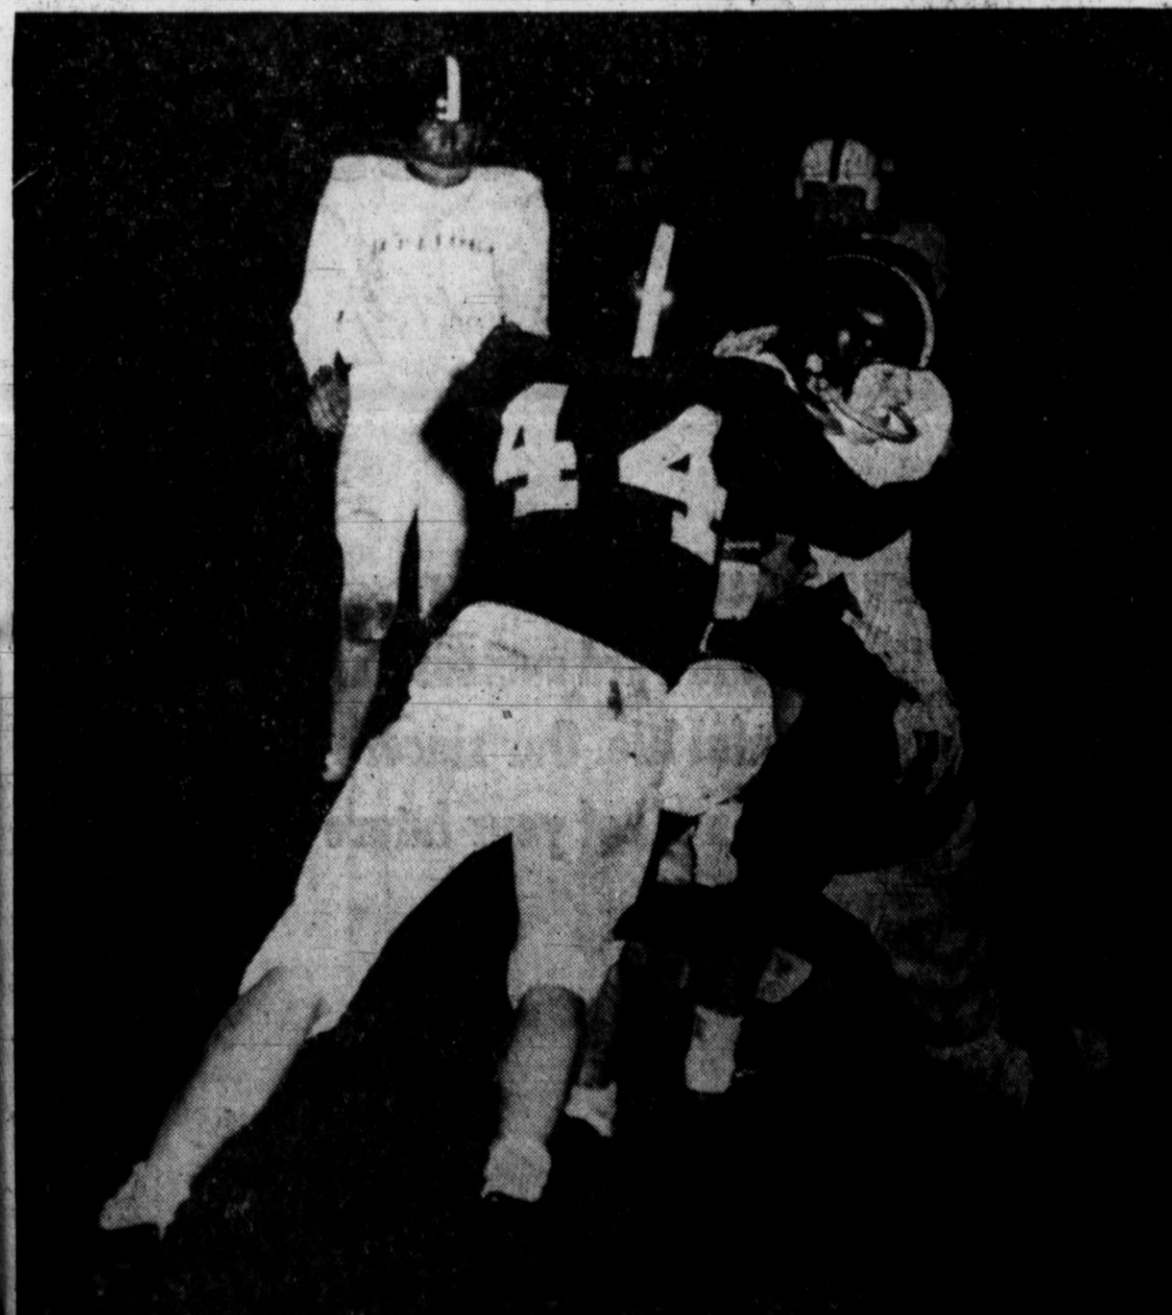

County Is Fifth in Bond Sales

Sales of E and H Savings Bonds in Texas for April were \$13,577,945. This represents an increase over March of \$461,000. Nathan Adams and Ed Gossett, chairman and co-chairman of the State Savings Bonds Committee, announced today.

In the first four months Texas achieved 30.4 per cent of its Savings Bonds goal. Total sales through April were \$58,737,766. In Deaf Smith County sales amounted to \$111,317 during the first four months which was 61.8 per cent of the 1957 quota of \$179,928, according to Robert L. Thompson, county chairman.

This county was fifth in the state in sales.

"New Savings Bonds are better than ever due to improved interest rate. Series E and H Bonds purchased currently will now yield 3 1/2 per cent compounded semi-annually, when held to maturity. This new rate is effective for all Series E and H Bonds purchased on or after Feb. 1, 1957," chairman Thompson stated.

FOOTBALL ACTION—Above, graduating senior Danny Elliston and another Ex, unidentified, put the clincher on halfback Durwood Jacobs of the Futures in their game played Saturday night at the high school stadium. At right, halfback Bill Callaway of the Exes tries to fight off a tackler after picking up 10 yards. Gene Waits (49) comes up at right. The game ended in a 6-6 tie. See story, page 1, section 1. (Staff Photos)

Mozelle Telchik Is Attendant

SEARCY, Ark. — Mozelle Telchik, runner-up in Petit Jean Queen voting at Harding College, served as an attendant to Queen Shirley Fort, senior elementary education major from Akron, Ohio, at dedication ceremonies of the Petit Jean, school yearbook, held May 14.

A junior home economics major, Miss Telchik is a 1955 graduate of Hereford High School, where she was vice president of Future Teachers of America, vice president and treasurer of Future Homemakers of America, Freshman Favorite, Band and FHA.

H. D. CHATTER

Cake Pans Are Now Available

By ARGENT DRAPER

If the 4-H girls are having trouble finding cake pans size 9" x 9", they should call the office as we think we will have some pans of that size available this week.

Sweetheart, and Most Versatile. She is the daughter of Mr. and Mrs. Edgar Telchik, 222 Avenue E. At Harding she is a member of the GATA social club and Petit Jean staff.

There's an invitation to the commencement exercises of the senior class at Naogdoches High School. It's from Janice Cook and I know that their former neighbors send sincere congratulations to Jan. Jan was a good 4-H Club girl and she and her family helped in organizing the fine 4-H Club work that we have in the county now.

A note of thanks from Drew (Continued On Page 2)

WESTWAY NEWS

P. B. Sowell Is Named Head of the Community

By MRS. T. B. THOMAS

Community residents met Wednesday night for an organizational meeting. George Turrentine resigned as chairman. P. B. Sowell was elected to replace him. Attending were Mr. and Mrs. J. C. Morrison and Judith, Mrs. George Turrentine, Mr. and Mrs. P. B. Sowell, Mr. and Mrs. R. L. Wilson, Mrs. Merlin Kaul and Mrs. Argen Draper.

Mr. and Mrs. Merlin Kaul, Mary Lynn Morrison and Melba Gay Lawrence returned home late on Sunday night after spending the weekend in Stillwater, Okla., attending Oklahoma A&M campus activities.

Mr. and Mrs. T. B. Thomas, Deldra and Deborah, Mr. and Mrs. J. C. Morrison and Judith, Mrs. George Turrentine and girls and Mrs. Bess Werner attended the open house at Deaf Smith County Hospital earlier this month.

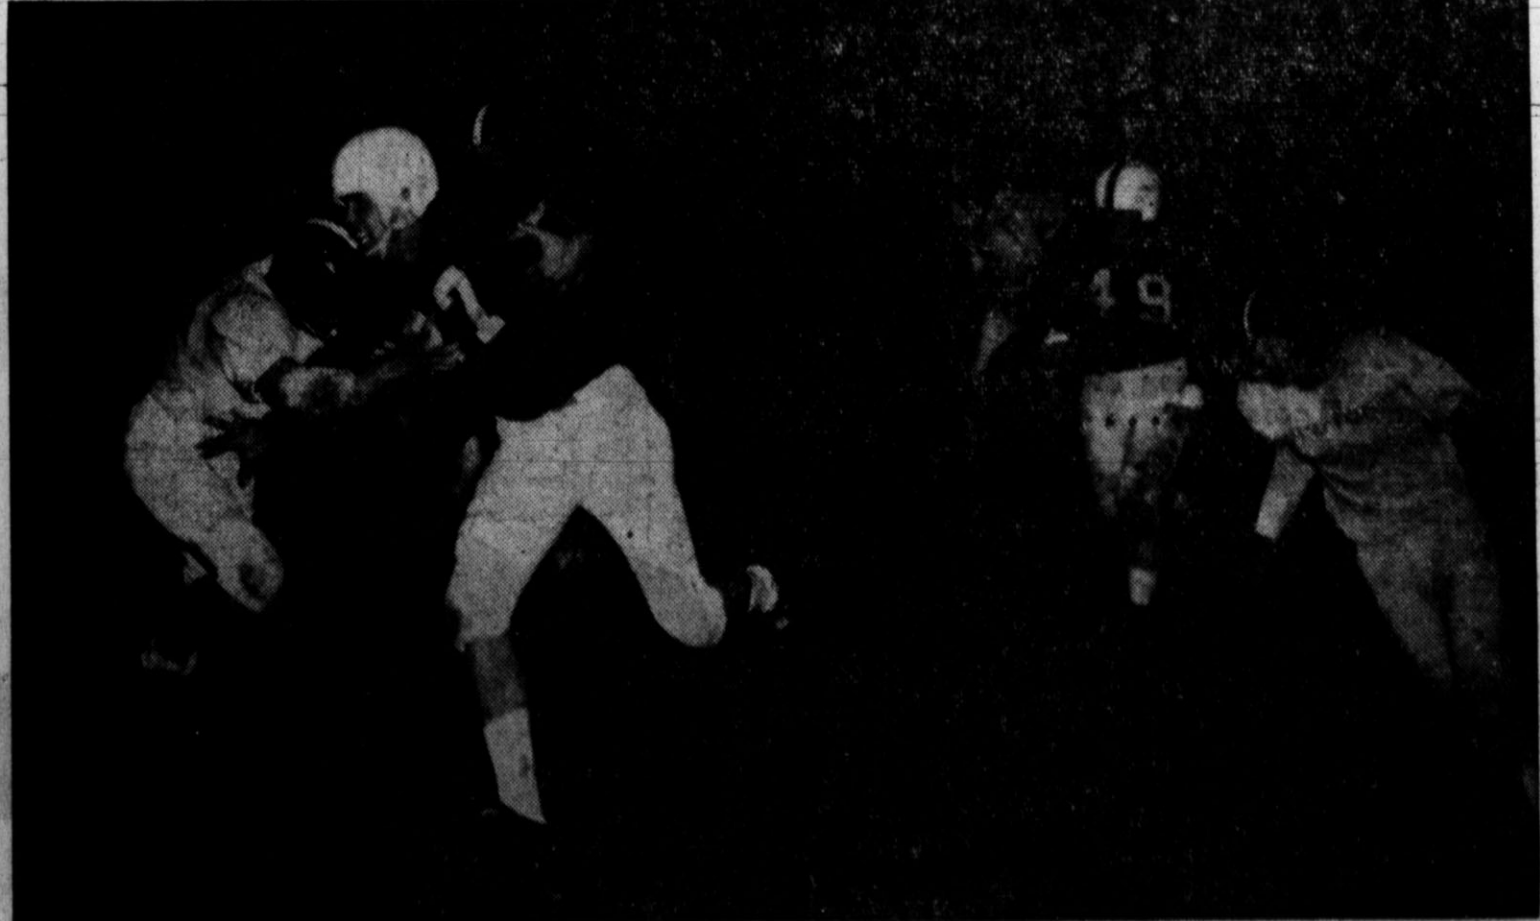

Mr. and Mrs. G. C. Merritt spent the weekend in Seminole visiting her parents, Mr. and Mrs. S. A. Pence and her sister and her family, Mr. and Mrs. J. E. Springer and Janice.

Mr. and Mrs. Van Colthorp and children of Littlefield spent Sunday visiting Mr. and Mrs. Joe Waggoner and family.

Mr. and Mrs. J. C. Morris and Diodra Thomas visited in Vega Sunday with Mr. and Mrs. J. W. Thuest.

Jimmy Dale Auten and Charlie Knowles, students at Texas Tech, spent Sunday with Mr. and Mrs. Jim Auten and girls. Other guests included Mrs. Max Drever and Glenn Gandy of Hereford.

Mr. and Mrs. Bruce Drever of Chicago are visiting Mr. and Mrs. (Continued On Page 2)

wens, Miss Bean Barrett and Mrs. Oscar Vaughn. Mrs. Vaughn is from Dell City.

Members present were Mesdames A. E. Hodges, Paul Hoff, W. N. Reiger, R. A. Fullwood, O. L. Williams, A. A. Hare, Mary Bodkins, Fred Barrett, Tom Hoffman, C. L. Whitehead, Otto Olson and R. E. Barrett.

The Homemakers H. D. Club met May 9 in the home of Mrs. Henry Kinsey. Mrs. Kinsey gave the program on mosquito control.

The life of a mosquito is from four to seven days. Mrs. Kinsey said. She added that 86 per cent of the production of mosquitoes is contributed to irrigation. In the Panhandle area, there were 262 cases of sleeping sickness, caused by the mosquitoes or other carriers of the disease.

She said pigeons and chickens also are carriers of the encephalitis virus and chicken houses should be sprayed often.

Members present were Mesdames Tom Barclay, Frankie Kinsey, Edna Richardson, Henry Kinsey, Bobby Thuest and Ray Barclay.

WESTWAY NEWS

(Continued From Page 1)

Max Drever and Jean. Mr. and Mrs. Harall Mays of Hereford visited Tuesday night with her aunt and uncle, Mr. and Mrs. J. C. Morrison.

The Westway 4-H Boys held their second meeting Tuesday afternoon at the community house. Hugh Clearman, county agent, showed slides and gave a program on buying clothes. Attending were Billy Dufur, George Lockhart, Nathan Wilson, Dickie Lookingbill, Donny Jackson and Danny Thomas. Mothers present were Mesdames Clinton Jackson and Morris Easley.

Mr. and Mrs. Elmer Combs, Bill and Gene and Mr. and Mrs. Jack Welty and Tom Morrison went to Buffalo Lake Sunday.

Mr. and Mrs. T. B. Thomas, Deborah and Judith Morrison visited with Mr. and Mrs. Edwin Morrison and Edwin Jr., and Marvin in Hereford Sunday afternoon.

Plans were made for a community supper June 1. Cotton John Smith of Amarillo and Bruce Parr of Black will be guests.

Marvin Welty of Hereford visited with Eugene and Bill Combs Tuesday.

Mr. and Mrs. J. H. Landers made a trip to their ranch near Trujillo, N. M., last week.

Mr. and Mrs. D. D. Alston were Sunday dinner guests of Mr. and Mrs. James Alston and children of Dawn.

Mrs. Walter Cates was in the hospital last week for treatment of burns she received when the hose from her bathroom heater came loose. She was released on Thursday.

Mrs. George Turrentine and Carol were in Canyon Monday.

Mrs. Bess Werner and Mrs. George Turrentine attended the team for Barbar Rogers Saturday afternoon.

Mrs. Ernest Flood was surprised with a birthday party last Monday night. Before the party began, Mrs. Flood's young son, Joe, fell and cut his eye and was rushed to the hospital to have four stitches taken. After things quieted down, cake and coffee were served to Mr. and Mrs. Jesse Odum, Mr. and Mrs. George Turrentine and girls, Mrs. Bess Werner and the Floods.

Mr. and Mrs. Joe Paetzold of Hereford were dinner guests of Mr. and Mrs. George Turrentine and girls Sunday. The dinner was in observance of Turrentine's birthday.

H. D. CHATTER

(Continued From Page 1)

Kershen. We had sent some stamps for his stamp collection. Drew also invites us to come out to see the Yankees play some time. Drew has been a favorite of ours a long time.

I am hoping Jimmie Gillentine will publish the recipe for German Chocolate Cake. It is popular and we have had some requests for the recipe.

There is sugarless gum in the local stores. This is another precaution in taking care of your teeth.

Mrs. R. L. Cocanougher sent a clipping from the Hot Springs, Ark., paper. It was a report on the things that home demonstration clubs did in observance of National Home Demonstration Club Week. The entire program sounded interesting, but two of the exhibits that was especially interesting to me were: "Watch Your Diet and You Won't Have to Diet" and "The Electrical Octopus."

Alta Davis reminded me that the American Legion Auxiliary will be selling poppies on the street and in the various business houses on May 25. The proceeds from these poppies go to disabled veterans and to local child welfare work. It really is an outstanding program and she hopes the sales will be high as the Unit has a great many calls for child welfare work.

Pat Dawson appeared well on the TV program Sunday. Pat has a lot of poise and is so much at ease on the stage or before the camera. Pat has been chosen to attend Round-Up to serve on the Recreation Council.

This morning we received a campus guide of the A&M College campus. I have often wondered why colleges don't at least put the name of the building on the buildings. Most campuses have some of the buildings named, but it is confusing even to people who go to various campuses regularly. This campus guide was sent for those who will attend Round-Up.

The last clothing meeting will be held Wednesday. Plans will be made for the Achievement Program.

At The Movies

STAR THEATER

Night of the Hunter: A suspense-packed story of a power-mad preacher. Robert Mitchum and Shelley Winters play the leading roles. Thursday and Friday.

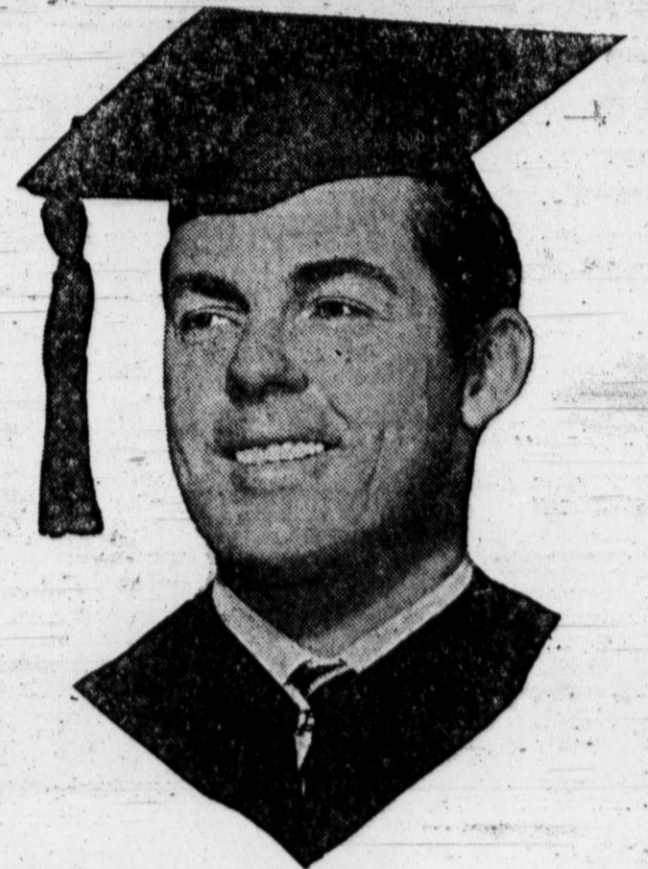

Johnny Concho: Frank Sinatra in his first western movie which runs Saturday only. Sinatra is a cowardly cowboy hiding behind his gun-tough brother. Keenan Wynn, William Conrad and Phyllis Kirk fill out the main cast.

TOWER DRIVE-IN

The Incredible Shrinking Man: A science-fiction tale about a man (Grant Williams) who is caught in a radioactive fog and starts shrinking. He runs into all sorts of difficulties. Friday and Saturday.

SLIGHTLY GALLING

PARIS, Ky. (AP) — Grocer Lewis Rankin cheerfully consented to a woman's request to use his telephone — then stood by in astonishment as she put in a long order with another grocery, thanked him and walked out.

(Continued From Page 1)

gress. The Secretary of Agriculture does not write the legislation. Therefore, when this report states that there were very little results from the expenditures for the 1956 program, it must be borne in mind that the implementation of the soil bank program for 1956 was con-

trary to my expressed wishes. . . It was at the insistence of the House conferees that provisions were inserted in the Agricultural Act of 1956 requiring that the Secretary operate to the best of his ability a soil bank program for 1956. . .

"AVAILABLE" statistical evidence does not support the concept that if prices fall (this was

stated in the House committee report), farmers generally will increase their production. . . We know of no country in the world which has ever adopted a policy of reduced price support levels in order to stimulate production. . .

"The soil bank acreage reserve was recommended to the Congress as a temporary measure designed to reduce extremely burdensome carryover

stocks of basic commodities. These tremendous carryovers had been developed through the operation of acreage allotments and previous rigid price support programs.

"The House committee report says that they have serious doubts that the program will reach its basic objective of reducing production — and would question it further if it did. This sounds like the committee is condemning it because they think it didn't work, but if it is successful, they will condemn it anyway. The Department cannot agree with this position. The soil bank program has received bipartisan support from all those who recognize that no program or group of programs can work effectively with tremendously burdensome surpluses bearing down on the entire price structure. It will be effective in reducing acreage and production of the designated basic crops in 1957, below what production would be in the absence of the program. The law makes a soil bank commitment to farmers through 1959. This commitment should be carried out.

"In the second paragraph on page 26, the committee report says, 'Since it is felt that complete elimination of the soil bank program is a major policy decision which should be handled through regular legislative channels, the committee has moved in the direction of a gradual elimination of the program by reducing the appropriation for 1958 to \$600 million and by reducing the size of the next year's program to \$500 million.' We believe this approach to be inconsistent.

"The Department originally recommended an acreage reserve program for but three years, since we were cognizant of the impact on the whole agricultural community as well as on the actual farm operator."

MOST WANTED

HUNTINGTON — Ten Huntingtonians are on a "Ten Most Wanted" list.

The list was issued to police to clean up the most flagrant cases of disregard for traffic tickets. New names are being added day by day as the old offenders are caught and settle up.

PREFER AUTOS

CLEVELAND — A recent survey of the commuting habits of Cleveland Transit System officials seems to prove what some bus riders have long suspected. Most of the top brass, the survey shows, ride to work in automobiles.

Household Scrapbook

Cold Cream

To make a good cold cream, melt together in double boiler 1/2 oz. spermaceti, 2 oz. oil of sweet almonds, and 1 oz. white wax. Remove from heat and add gradually 4 oz. glycerine, and perfume if desired.

Old Nail Polish

If the old nail polish becomes too thick and gummy for practical use, try thinning it out to its proper consistency with some polish remover.

Hardened Putty

If the putty has become dry and hardened, it can be revived by mixing it well with a few drops of linseed oil.

Hard Sugar

Dark or light brown sugar is often difficult to measure. In this case, heat the sugar in the oven, and then measure it quickly while soft. If the sugar is kept in the refrigerator or breadbox, it will remain soft.

Recipe File

Pasting the picture of the dish on the reverse side of the recipe card, whenever possible, makes a most attractive recipe file and you are not liable to forget the suggestions for garnishings.

Egg Yolk

The raw yolk of an egg will not become dry if it is covered with milk or water.

Windows

The effect will be most satisfactory if a rag is slightly moistened with paraffin oil and then rubbed over the window. After a few minutes, polish with a clean dry cloth.

Hair Tonic

To make a good hair tonic, buy one ounce of the best castor oil, two ounces of French brandy, and two ounces of bay rum. Mix thoroughly and rub well into the scalp.

Red Cabbage

Red cabbage is excellent when it is shredded and served with sour cream dressing. Mix powdered sugar and the sour cream and add vinegar to suit the taste. Add a little seasoning.

Marble

To clean marble, take 2 parts of common soda, 1 part of pumice stone, and 1 part of powdered chalk. Sift it through a fine sieve and mix with cold water to a paste. Rub the marble thoroughly with this mixture and all stains will quickly disappear. Then rinse and wash with hot water and soap.

CONGRATULATIONS GRADUATES

We hope this day will be long remembered with great pleasure.

How Can I? Social Security Payments Might Be Retroactive

Q. How can I sweeten cream that has turned?

A. Cream that has turned slightly may be sweetened and used for coffee without curdling, or tasting sour, if a very small quantity of baking soda is added to it.

Q. How can I remove rust spots?

A. A remedy that seldom fails to remove rust spots is lemon juice and salt rubbed on the stains; then place the article in the sun.

Q. How can I decipher faded inscriptions and dates on coins?

A. Heat them and gradually the inscriptions will, unless entirely effaced, make their appearance.

Q. How can I keep the skin of lemons from hardening?

A. Place lemons in water until they are wanted for use. The skin will not only be kept from hardening, but the flavor will be improved.

Q. What kind of potatoes should be served with baked fish?

A. With baked fish, serve mashed, or sweet potatoes, cooked in southern style. Plain boiled potatoes should be served only when they are new.

Q. How can I mend scratches on kid pumps?

A. Apply liquid court plaster to the scratch and it will be hardly visible.

Q. How can I freshen the atmosphere of a room that has been closed for a long time?

A. Put some ground coffee on a saucer, place a small piece of gum camphor in the center of the coffee, light the gum, and the small amount of coffee consumed while burning will produce a refreshing odor.

Q. How can I avoid spots from raindrops on new kid gloves?

A. Do not allow the gloves to dry, but while still on the hands and damp, go over them gently with a damp cloth, and it will leave no spots.

Q. How can I keep eggs fresh for a few weeks?

A. They will keep fresh if they are immersed in boiling water for about one minute.

Q. How can I make a good shampoo?

Social security payments can be paid retroactively for only one year before the formal application is filed, if entitlement exists in the earlier months, according to John R. Sanderson, manager of the Arroyo District Office.

"There are some rare occasions," he went on, "when a person claims benefits, fails to prove entitlement for a number of months, then succeeds and gets back payments for more than a year from the time he furnished the last bit of evidence on which his eligibility depended."

"Ordinarily, such occasions are few and far between, as a social security office is usually able to help most people gather, in about three weeks or so, any evidence needed to prove their rights to benefits," said Sanderson.

He further stated that the vast majority of the more than nine million people now receiving the monthly social security payments had no trouble getting their checks started. It was thus not necessary to pay them retroactively for more than a month or so unless they had delayed filing their claims for many months past their initial eligibility.

"We have always suggested that the nearest social security office be notified when a possible claimant reaches the age of 65, or when a person insured under social security dies," Sanderson concluded.

Mynah birds, which come from Thailand, can talk and whistle and live to be 30 years old.

A. Cut a bar of pure castile soap into small pieces. Pour enough boiling water on the soap to make a thick jelly. Beat until thickened. This will keep the hair and scalp absolutely clean and pure. Bottle and keep for future use.

CONGRATULATIONS GRADUATES

Many of you we know personally . . . and it is with genuine pleasure that we extend our congratulations. We know that you will always remember the night you walked across the platform to receive your diploma. Commencement will, for most of you, be just what the word implies. We are looking forward to knowing you better . . . and invite you to visit us at any time.

TAKE THE ADVICE OF the Wise Old Owl . . . Continue your education if at all possible.

Beauty At Home

Q. I have quite an oily type of skin. What should I do before applying my powder?
 A. After washing your face in warm water and rinsing in cold, gently pat on the following lotion and allow to dry on the face: Four ounces witch hazel, one teaspoon

of boric acid, two ounces orange flower water, and 10 drops of simple tincture of benzoin. Shake well and apply with a clean pad of absorbent cotton.
 Q. Will you please suggest a quick emergency treatment for a dry, sunburned face?
 A. Anoint the skin generously with some thick cow's cream.
 Q. How can I remove some crayon stains from one of my unwashable dresses?
 A. By use of some carbon tetra-

chloride or other cleaning fluid.
 Q. What exercise will help recondition my mid-section after a pregnancy?
 A. Lie on back, arms stretched above head. Keeping head and shoulders flat on floor, raise left leg straight up above until you can touch it with the right hand. Now breathe out as leg and arm are lowered to original position. As you raise right leg and touch it with left hand, breathe in. Alternate leg-touches in rhythmical count as

long as you can.
 Q. Do you recommend the use of black eyebrow pencil?
 A. Not unless you have very black hair. The average brown hair is shaded, and is not all of one color. Therefore, it is best to use two pencils — black and brown. Taking small, quick strokes alternate the two colors, first the brown and then the black. In this way, you get a natural, not-too-obvious effect.
 Q. How can straw hats be cleaned at home?
 A. Apply with a toothbrush a paste made of lemon juice and powdered sulphur. Rub the paste in, and dry in the sun or wind.
 Q. What is the difference in the use of cream or liquid rouge and dry rouge?
 A. Cream (or liquid) rouge is always applied before powdering, while dry rouge is used only after, or on top of, face powder.
 Q. I'd like to wear an up-do hairstyle, but hesitate to do so because of my ears, which stand out too far from my head. Is there anything I can do about these ears?
 A. There is a liquid adhesive carried by druggists and cosmetic counters that's good for this. You apply this to the back rim of the ear itself and also on the bony structure behind the ear — then simply paste your ears flat against your head. There are a number of movie stars who resort to this little trick!
 Q. How can I easily separate my eyelashes after applying mascara?
 A. A man's pipe cleaner, twisted around into a loop, is a very good tool for this. A pipe cleaner, twisted in this fashion is also very fine for brushing your lashes and brows free of powder as a finishing touch to your makeup.
 Q. Please suggest a lotion that will help to counteract perspiring feet.
 A. Massage the feet with a mixture of three ounces alcohol, two drams tannic acid, two drams borax, two ounces good witch hazel, six ounces double-strength cologne or your favorite toilet water.
 Q. What is a good, quick way for one to purify the breath?
 A. Try sucking a lemon, following this with a drink of water.

Legal Notice

THE STATE OF TEXAS
 TO: Alice G. Jenkins, and if she be deceased, the heirs, the unknown heirs and legal representatives of the said Alice G. Jenkins, deceased, and if the said Alice G. Jenkins be married, the unknown husband of the said Alice G. Jenkins, GREETING:
 You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 10th day of June, A.D., 1957, at or before 10 o'clock A.M., before the Honorable District Court of Deaf Smith County, at the Court House in Hereford, Texas.
 Said plaintiff's petition was filed on the 25th day of April, 1957.
 The file number of said suit being No. 3986.
 The names of the parties in said suit are:
 JESSE FORD as Plaintiff, and ALICE G. JENKINS, and if she be deceased, the heirs, the unknown heirs and legal representatives of the said Alice G. Jenkins, deceased, and if the said Alice G. Jenkins be married, the unknown husband of the said Alice G. Jenkins, as Defendants.
 The nature of said suit being substantially as follows, to wit:
 Suit in trespass to try title to recover the title and possession to the following described land and premises situated in Deaf Smith County, Texas, to-wit:
 The Northwest Quarter of Block No. 14 of Mabry Addition to the Town of Hereford as shown by the plat of said Addition of record in the Deed Records of Deaf Smith County, Texas, and being described by metes and bounds as follows:
 BEGINNING at the Northwest corner of said Block No. 14, Mabry Addition;
 THENCE South with the West line of said Block No. 14, Mabry Addition, 315 feet;
 THENCE East parallel with the South line of said Block, 300 feet to the center of said Block No. 14, Mabry Addition;
 THENCE North parallel with the West line of said Block, 315 feet to a point in the North line of said Block No. 14, Mabry Addition;
 THENCE West with the North line of said Block, 300 feet to the place of beginning.
 Said property being further described as Lot 5, Block No. 14, Mabry Addition to the Town of Hereford, Deaf Smith County, Texas, according to the Tax Assessor's Plat of said Block.
 Wherein the Plaintiff pleads title

in the Plaintiff by reason of the five year and ten year Statutes of Limitation and that the claims of the Defendants and each of them cast a cloud upon the title of the above described property, but that the claims of the Defendants and each of them are inferior to the claim of the Plaintiff to said property.
 Issued this the 25th day of April, 1957.
 Given under my hand and seal of said court, at office in Hereford,

Texas, this the 25th day of April A. D., 1957.
 Lucille Posey Clerk
 District Court, Deaf Smith County, Texas

CAUGHT CAT
 LISBON, Ohio (AP) — Maybe Mrs. William Vaughn and her neighbor Robert Adkins in East Liverpool didn't invent washing machines, but as far as Hector, the Persian cat is concerned, they share responsibility.
 Hector's tail got caught in the gears of Mrs. Vaughn's washing machine. When she tried to free him, Hector let her have it with his claws. Then Adkins tried. Result: the same.
 O. E. Scott, city dog warden, finally got Hector loose. From past experience, Scott uses leather gloves.
 In 1956, there were 1,280 persons killed in U. S. train-car crashes.

IT'S GRADUATION TIME

and the time to say

BEST WISHES

GRADUATES

for continued success
 in your future endeavors!

Whether you go off to college to complete your education or enter the business world . . . We offer our

best wishes for continued success

RUTHEFORD & CO.

GRADUATES
 of '57

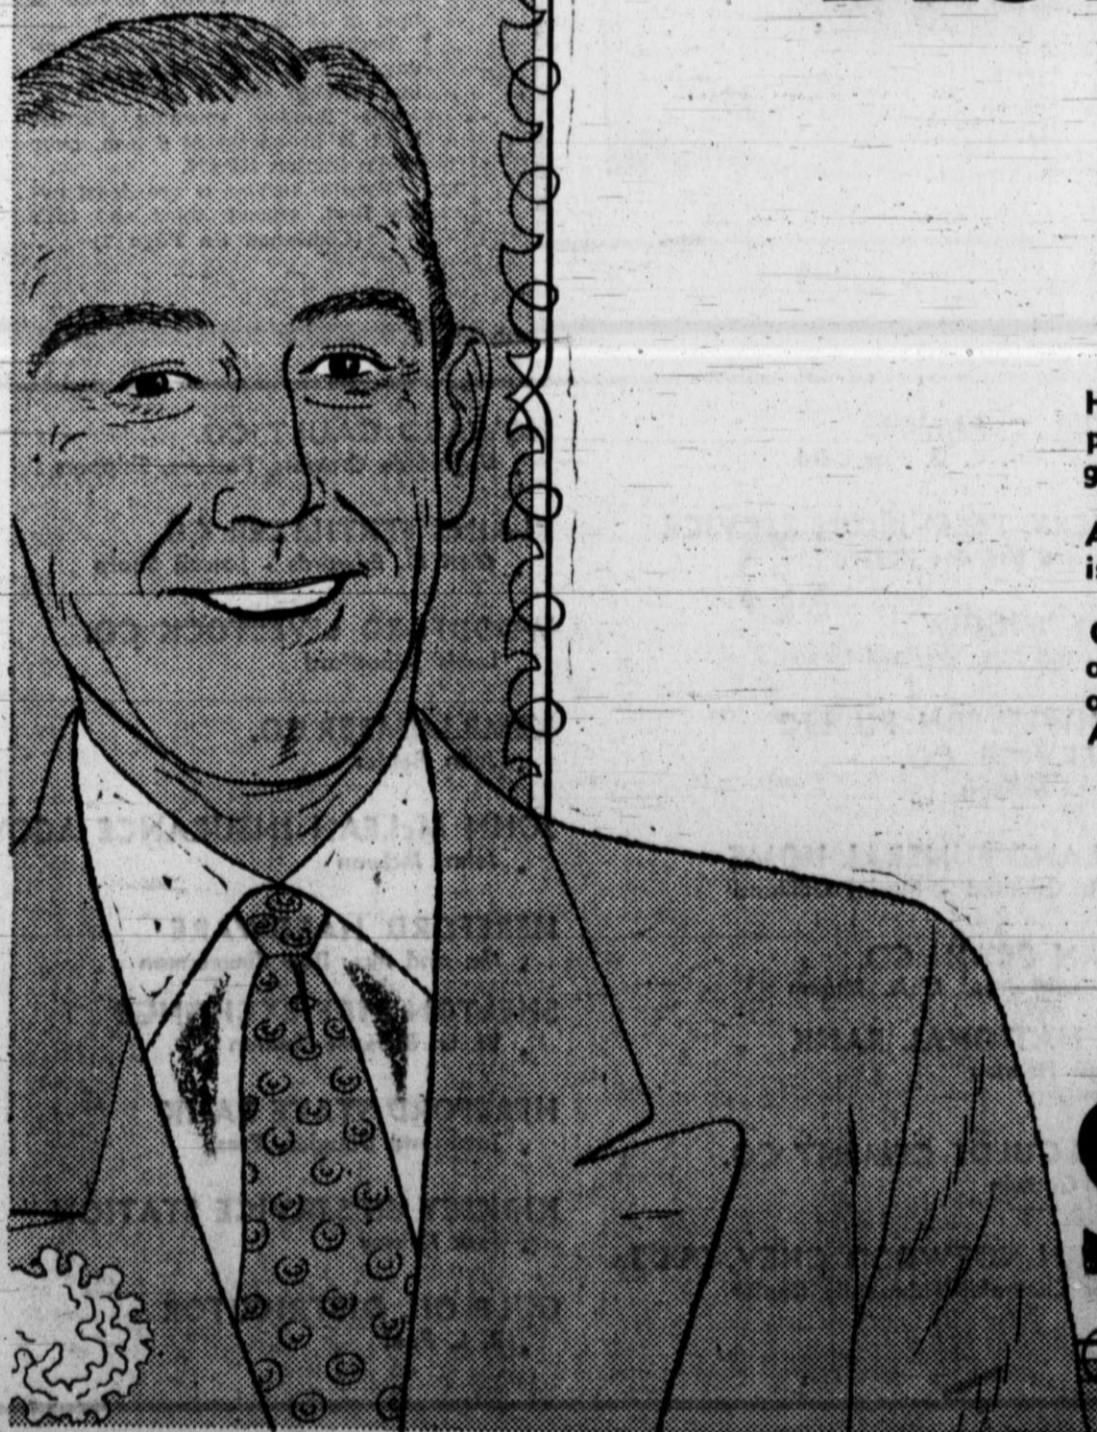

We Are Proud

of your accomplishments . . . and of the small part we have been able to contribute as citizens and tax payers in this progressive community. "Congratulations" sounds trite, but there is no better way to express our sincere feelings as we wish each of you continued success in your endeavors as you travel along the pathway of life.

BIG T PUMP COMPANY

INC.

BEST WISHES GRADUATES!

Here you come . . . our pride of today . . . our hope for the future . . . our graduates, stepping forth joyously with outspread, eager arms into the stream of life. Our beloved, young graduates with your illusions untarnished, your hopes unshattered, your dreams unbroken.

America welcomes you into experience, young men and women! You can uphold our cherished traditions . . . you can mold our greater future.

Come into our stores, our factories, our professions . . . into the vast, teeming, working world of this nation. Come . . . share with us your courage and faith in the goodness and greatness of life. You are YOUTH unafraid. Yours can be a broader vision . . . the higher inspiration. All America offers you the warm handclasp of welcome and congratulations!

 Wednesday: Circle meetings, All church picnic, Dameron Park, 7 p.m.
 Thursday: Methodist Men breakfast with Elizabeth Brummer as guest, 6:30 a.m.

HONOR THY FAMILY

...for how much you owe them! Certainly, you can never pay the debt incurred in the years of childhood. Money cannot pay for the night vigil by your bedside in the time of illness... nor for the wise instruction given you. You inherit the blood which flows through your body. You are forever a part of the body and mind of those who gave you birth. You owe a debt to life. Please pay some of it to your parents. Go to Sunday School and church with them, for life is of a piece and we belong to each other. *You dare not dishonor your father, or mother, or family... or you dishonor yourself.* If you neglect them the next generation will pass you by.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.

 Vacation Bible School June 3 through June 7, 8:30 to 11:30 a.m.
 Let us forget: God is our heavenly Father, our greatest Benefactor; therefore we should thank and praise, serve and obey Him. Let us never forget all His benefits. We thank God when we believe, and acknowledge it to be true, that all we have is a gift of God's goodness and mercy, given us without any merit and worthiness in us. We praise Him when we glorify Him and His gracious deeds before our fellow-men. We serve our heavenly Father by devoting all the powers of body and soul, all of which are His gifts, not to the service of sin and Satan, but to the service of our fellow-men and the Church of God. We obey Him by fulfilling His will, by keeping His commandments, by loving Him and trusting in Him.
 Topic for Sunday, May 26: "The Sacred Seven in the Lord's Prayer." Text: Mat. 6:9-13.
 A most cordial welcome to you.

YOUR HONOR

ELIZABETH CITY, N. C. (AP)—A youthful defendant appeared on a reckless driving charge before Judge Fentress Horner. It developed that the defendant's first name and middle initial were Fentress

H. "Whom were you named for?" inquired the judge.

"For you, Your Honor," the defendant responded.

For one long moment, Judge Horner stared down from the bench. Then the defense lawyer came to his assistance—entering a guilty plea for the youth.

Accidents in the U. S. decrease in the Spring, but June is the peak month for injuries and fatalities.

Santa Fe and Electronics

New electronic methods keep constant check on all freight cars moving over Santa Fe rails

New electronic wonders are contributing to precision railroading on the Santa Fe.

Take freight car locating, for instance. With our Red Ball service, we can "put the finger" any time on any one of many thousands of freight cars moving over the 13,150 miles of Santa Fe rails every day.

Information on these cars is recorded on cards which are fed into electronic machines. These "electronic brains" process the cards as fast as 2,000 per minute—and tell us within a few seconds where every car is, what it contains, where it is going.

This information is immediately available for our customers. Shippers of produce may take advantage of any changing market conditions and divert their shipments while en route to other points where markets may be more favorable.

With this advice, consignees know in advance the time of arrival of their shipments. This facilitates their plans for delivery of shipments or scheduling of production.

This method of locating freight cars is only one of the many electronic tools now employed by Santa Fe. Some of the others are microwave, two-way radio, and supersonic rail detectors.

Something new in the science of railroading is a daily objective on the Santa Fe—the railroad that's always on the move toward a better way.

SANTA FE SYSTEM LINES

Always on the move toward a better way

SWORN IN—Ron Zimmerman, 18, is sworn into the U. S. Army Reserves by his father, Don Zimmerman, a retired lieutenant colonel. The elder Zimmerman served 24 years with the reserves and on active duty. (Staff Photo)

GROUP SEEKING LOUDEST TEXAN

FORT WORTH — Just who is the loudest Texan of them all?

People in other parts of the nation, and the world for that matter, have for long accused Texans of being unduly loud. Especially when they are on the subject of Texas.

So, the North Fort Worth Business Assn., wants to locate the loudest man in Texas.

The idea originated with the association's presentation of a Pioneer Days celebration on Fort Worth's North Side, the stockyards area, and where the old home of the Stock Show is located.

The Old North Side Coliseum was the birthplace of indoor rodeo in the days before microphones, public address systems and other electronic aids that now permit a whisper to carry a mile.

IN THE OLD days of the rodeo the mighty voice of the late Foghorn Clancy rattled the windows as he announced the program. The celebration will feature the return of rodeo for the first time in 15 years to the old building ad-

acent to the livestock market, and as old timers recalled the early days the prodigious voice of Foghorn Clancy was among the memories.

Clancy passed away last week at his Waverly, New York, home and thus plans to fly him to Fort Worth as a special guest were defeated, but with the aid of a special "sound measurement recorder" the business men are going to continue their search for the most stentorian Texas they can find.

The honor will not be all, they are willing to pay \$100 for a record of the loudest Texan of them all. The contest will be held on the old Stock Show grounds May 30, 31 and June 1.

Texans wishing to flex their vocal chords in the contest are invited to contact Ted Gouddy, Stockyards Station, Fort Worth 5, Texas, by card or letter.

NATURE'S LAW BENTON, Ky. — Each year at the Tater Day festival, youngsters would run amok with water pistols. Finally, the city fathers outlawed sales of the toys.

But that failed to keep the crowd from getting soaked this year. A steady rain fell all day.

Hereford Youth Is Graduated at Boys Ranch

The Hon. Walter Rogers, U. S. Representative of the 18th Congressional District, delivered the commencement address at Boys Ranch on May 17 when a number of well-scrubbed ranchers stepped forward to receive their honors.

Norman Martin, Boys Rancher from Hereford, received his diploma from Boys Ranch Junior High School. Norman is one of the athletic equipment managers at the

Ranch and is well liked among the boys. Joint graduation exercises, an important milestone in the Ranchers lives, were conducted in the Ranch Chapel honoring 31 eighth graders and 16 seniors, the largest graduating classes in the history of the Ranch.

CONGRATULATIONS CLASS of 1957

We join the many friends of the members of the graduating Class of 1957 in extending our best wishes and congratulations at this time.

One definition of success is: "One who has always looked for the best in others and given them the best he had; whose life was an inspiration, whose memory a benediction."

Bear in mind at all times that our wishes for your success are sincere and heartfelt, and if we can be of any help to you in any way it will give us great pleasure to do so.

GOLDEN ROCKET 88 HOLIDAY SEDAN

"I like those extras you get in an Olds!"

ME: You mean the advanced styling, I suppose. The Accent Stripe and . . .

SHE: Oh, there's more to it than that. For example, the "park" position on the Hydra-Matic Drive* makes it safer and easier to start, even on hills.

ME: Well, Olds has a reputation for attention to details. That's one reason the value lasts.

SHE: You can tell that someone took a lot of patience in planning and building it right. Even the two ash trays are lighted.

ME: I'll bet the Oldsmobile engineers would love that, but I wonder how they'd feel about you not mentioning the Rocket Engine? Now there's a power plant. There's still nothing quite like a Rocket!

SHE: That's for me too, but I look for lots of other things—like upholstery . . . and that glove box. It's big enough for an umbrella. I wish . . .

ME: Tell you what. Let's stop wishing. Let's go see our Olds dealer . . . right now!

*Jetaway Hydra-Matic Drive standard on Starfire 98 Series; optional at extra cost on other models.
