CHAUTAQUA NEXT YEAR IS ASSURED

A contract was closed this week with the Redpath-Horner company which assures a chautauqua program for Hereford in 1928.

More than sixty persons signed the contract, removing all doubt as to whether Hereford would be on the circuit next year. Ralph Rodde, district manager for the company, and Miss Margaret Ford, superintendent, left last week after assisting the local committee in securing signers for the contract.

Many favorable comments have been heard on the chautauqua program which closed last week. Most of the programs were well attended.

"There was a small deficit this year," said Rev. J. T. Ross, "but it was willingly made up by the guarantors. We feel that the deficit is at least partially to be attributed to the fact that the chautauqua came at an inopportune time this year and that a rather stringent financial conditions has been evident the past few months."

Avoid Harvest Season

The Redpath-Horner company has agreed to do everything possible to give Hereford a more satisfactory date next year. An effort will be made to avoid the mistake of bringing the chautauqua during the commencement season and also to avoid a conflict with the harvest season.

"The committee, as well as Miss Ford, wishes to express appreciation for the help and cooperation of the many Hereford people who gladly did their part to make the chautauqua a success," said Rev. Ross.

"It was just what might have been expected. No finer type of citizenship can be found anywhere than in Hereford and it was just to be expected that Hereford would renew its contract for the coming year. For more than ten years Hereford has had the distinction of being one of the very few towns of its size on the chautauqua circuit and the Hereford pennant has hung in the tents of the Redpath-Horner company in nine states.

Guy Smith Opens New Hereford Cafe Today

Guy Smith has purchased the Do Drop Inn from J. C. Burton and today is opening a new eating house known as Guy's Cafe.

The building, on Main street, has been completely renovated and made very attractive with modern fixtures.

Farm Sale Dates

Col. Ray Barber announces a farm dispersion sale for Tuesday, July 19, at the Ashbrook farm located seven miles east, one mile north of Hereford or six miles west, one mile north of Dawn or one mile south of Askren school house.

Guy Smith, who announces in this issue of the Brand, the opening of his new cafe, will sell at public auction a lot of horses, eight head of dairy cattle, four head of hogs, 2000 bundles of kafir and sorghum, 300 bales of kafir, 350 chickens and all of his farm machinery, harness and household goods.

"This is truly a high class offering," said Col. Barber, Wednesday, "and I feel safe in saying that every farmer will profit by attending the sale. Positively no junk will be offered."

STOCK SPECIALS

Second Arrest In Robbery of Bank at Friona

That the recent Friona Bank robbery mystery may be cleared up before many more days seems quite possible now following the arrest of R. L. Hicks, Panhandle and eastern New Mexico rancher, Saturday in Amarillo.

According to the Amarillo News, Hicks is charged with robbery with firearms in connection with the holdup of the Friona bank. He was arrested on a felony warrant from Farwell.

The man arrested a few days ago in El Paso is R. M. "Red" Cummings, who is being held in the county jail at Muleshoe. It is reported that J. M. Osborn and F. T. Schlenker, two of the men in the bank at the time of the robbery, have positively identified Cummings as one of the men who assisted in the holdup.

The Amarillo News states that other arrests are pending which when completed will have accounted for a general looting of banks in this section. None of the men held have been brought to trial as officers hope to round up the entire gang first.

Two Big Games Scheduled For Whiteface Club

Two games, both of them tough assignments, are scheduled for the Whitefaces this week.

Saturday, Manager Charlie Whitehead will take his club to Tulla for a return game with Quitaque which last Sunday dealt such an unmerciful blow to Hereford's reputation as a winning organization.

Clovis comes here Sunday for a third game with the Whitefaces. The New Mexico club won a game from Hereford earlier in the season and lost one shortly after on the local diamond by a lopsided score. The game Sunday will decide the series for this season.

The game at Tulla will be played as part of an all-day celebration in honor of the city's birthday. The Hereford club will leave at noon Saturday and a number of fans will make the trip, hoping to see the team in a reversal of form on the foreign diamond.

Walcott will most likely take the mound Saturday, according to Whitehead. Quitaque presented a strong lineup here Sunday but it is not likely that the Whitefaces will repeat their performance of last week as a batting aggregation. They will leave Hereford determined to even the series with the Briscoe county team.

Merry Madcaps Company Will Show in Hereford

The Merry Madcaps stock company will open a week's engagement in Hereford Monday, July 18. The tent theatre will be located on north Main street on the lots east of the Methodist church.

The company is being brought here under the auspices of the Hereford Fire Department and part of the proceeds will go to the local fire fighters to be used in purchasing of much-needed equipment.

The company brings its own band and jazz orchestra and will offer the very latest in the way of popular plays. Vaudeville features will be offered between the acts of each play.

The opening play is "The World Pool". Ladies will be admitted to this play without charge when accompanied by one paid adult admission.

CUTTING SECOND CROP OF ALFALFA—TON PER ACRE

Alfalfa cutting and hay baling are occupying a large portion of alfalfa growers time around Hereford. O. L. Rutherford has just finished cutting his second crop of hay and made better than a ton per acre. D. L. McDonald is ready to start on his second crop cutting and J. J. Croffitt has started cutting for the second time this season. Each of these men will make from a ton to a ton and half this cutting, according to estimates.

FREE TRIPS TO WINNERS IN CONTEST

Six club members, representing all parts of Deaf Smith county, have been awarded free trips to the Texas A. & M. short course at College Station July 25-30.

The winners are: Raymond Purcell, Whiteface club of Hereford; Estelle Counts, Progressive club; Elizabeth Chapman, Simms club; Harry Lookingbill, Summerfield club; Fleet Calloway, Askren club; and G. C. Hartman, Westway club.

Enter Judging Contest
The winners were announced on Wednesday by County Agent R. O. Dunkle. They will leave Hereford July 23 and will be the guests of the Texas college during their five-day stay in College Station.

Beginning next Monday, the four boys announced as winners will be given a week's training in live stock judging in preparation for the state contest which will be held this year in connection with the short course. Mr. Dunkle will be in charge of the training course.

Fifteen members competed from Hereford, twelve from Progressive, six from Simms, seven from Summerfield, seven from Askren and nine from Westway.

Girls Are Winners
A number of girls were interested in projects during the past year and two were among the winners. Competition for the trip awards was very keen, according to Mr. Dunkle.

Business men of Hereford contributed the money for the trips, and only one was offered to each community, making the proposition county wide in scope.

Club members who were not winners in the recent contest will compete for six free trips to the Dallas Fair that other business men of the county are sponsoring. Mr. Dunkle is urging all members to get their projects in shape to compete in the Deaf Smith county fair and for the Dallas trips.

Texas Tour a Success Says New York Central

An interesting sidelight on the success of the recent Texas Good Will tour comes through a letter to the Brand from the New York Central Lines, the railroad company which handled the All Texas Special on its journey eastward from Chicago.

L. W. Landman, passenger traffic manager for the New York Central, says in part, "We have handled many special trains but none quite like this special party of our neighbors from the great Southwest. Governor Moody and his associates simply 'captured' Chicago.

"In a delightful way these gentlemen have reopened the old and kindly trail toward Texas, which is certain to prove of real and lasting benefit to the Great Lone Star State.

"We of the New York Central Lines are pardonably proud of the part we have been privileged to play in this already famous Good Will tour."

Ask Observance of State Headlight Law

In an effort to check the number of accidents caused by failure to properly observe the state headlight law, the Texas highway department is sending out copies of the law to various civic organizations and newspapers over the state.

In a letter to the Chamber of Commerce, W. B. Schnitz, highway engineer, says, "It is generally agreed that the headlight law is a good law and that it will accomplish much if it is properly observed. We are making an earnest appeal, therefore, to the good citizens of the state to cooperate with us to secure better observance of this law."

The Texas Automobile Headlight law requires that motor vehicles traveling on the highway at night comply with the following:
1. Two headlamps must be burning.
2. The headlamps must be properly adjusted.
3. The tail light, either red or yellow, must be burning.
J. F. Reed returned to Birmingham, Alabama, last week. He has been visiting his son, J. H. Reed, during the past ten months and will return to Hereford again in the near future.

Lots of Fun as Traffic Signals Halt Motorists

Traffic "stop" signals at busy intersections have been in use for many years but nevertheless the two at Main and Third Streets proved to be somewhat of a novelty to many persons and to cause considerable bother to others for some time after they were installed on Wednesday afternoon.

Pence Officer C. S. Richards almost wore out a perfectly good whistle during the first hour of regulated traffic at Main and Third and the corner presented a badly congested condition as cars were continually called to a halt and irate and surprised drivers given very definite instructions as to the accepted purpose of those insignificant little red markers.

The sidewalkers were also quite congested as Hereford's citizenry paused to enjoy the plight of motorists who were wholly unaware of the "old home" town's latest bid for "big city" fame.

Only two "stop" signals have been installed but several "slow" signals are being placed today at other congested intersections.

"And," say the city dads, "slow means slow and we don't mean maybe."

Officer Richards intends to enforce the new regulations to the dot and arrests will follow any violations after Hereford car drivers have had an opportunity to become acclimated to the new atmosphere around the marked intersections.

King Cotton, March, Sousa

Rapid Growth Evidenced By Farm Report

An article in the Sunday Amarillo News-Globe by Henry Ansley contains some interesting information relative to farm development in Deaf Smith county.

Mr. Ansley has gathered statistics to show the development of the 36 plains counties and the figures indicate marked progress during the five-year period from 1920 to 1925 in all sections of the Panhandle.

The report shows that there were 605 farms in this county in 1925 as compared with 382 in 1920 and that the total value of farm property in 1925 was \$1,253,870.

In 1925 there were in Deaf Smith county 3660 horses, 1967 mules, 29,643 cattle, 3,797 sheep, 3,371 hogs, 32,431 chickens. The value of dairy products in the same year was \$75,639, of eggs \$61,069, of chickens \$46,508 with the value of all crops \$1,253,870.

The report shows further, that the Panhandle now has five per cent of the total number of farms in the state, that the value of all crops is 10 per cent of the total value of dairy products of the Panhandle, 15 per cent of the total produced by the state and that the value of all crops produced in the Panhandle in 1925 was four and one tenth per cent of the state's total.

Perform Four Operations At Hospital in Two Days

Four operations were performed in two days at the county hospital this week.

Mrs. Dubois Walker underwent a general operation Monday.

CHURCH SITE IS DONATED BY HARRISON

The possibility of a new Baptist church for Hereford was given a big boost Sunday when E. W. Harrison, local grain buyer, announced the gift of the west half of block fifteen on North Main street, between Fifth and Sixth streets, to the church for use as a building site.

An Ideal Location
The site is valued at \$10,000 and may be sold by the church if it is decided to locate the new building elsewhere. The property is exceptionally well located at the intersection of two paved streets and is sufficiently large to allow the erection of a church proper, Sunday school building, pastor's home and such other structures as may be needed. It is also convenient to the business section.

No definite announcement regarding a new building has been made but it is rumored that some definite decision will be reached in the matter within the next three months.

It is known that officials of the Baptist church have had plans drawn for a \$90,000 structure and that a building campaign has been under consideration for some time. The attractive gift by Mr. Harrison is certain to add much impetus to the building plans.

Community Club Plans Picnic at Summerfield

The Community Club of Summerfield is sponsoring an all day picnic and patriotic program for Thursday, July 21, at Summerfield.

Professor Dufort of Canyon will make an address in the afternoon. There will be a basket dinner at noon and an old fashioned sing song in the afternoon. All neighboring communities have been invited to join in the sing festival.

Ice cream and cold drinks will be sold during the day and the proceeds are to be donated to the Flood Relief Fund.

1200-Gallon Pump Is Being Installed Here

There is certainly no problem of water supply in Hereford. A new pump with a capacity of 1200 gallons per minute is being installed at the present time by the city.

With its completion 3,000,000 gallons can be readily pumped daily and Hereford will have a supply adequate for a city of four times its size.

"We have an adequate supply of pure water," said Mayor E. S. Ireland, "not only for domestic use but also for any large industries that may desire to locate here in the future."

The primary purpose of installing the new pump was to make it possible for the city to better handle the large shipments of water which leave here daily for the railroad shops in Amarillo.

December 15 of last year some 300 to 350 cars of water have been shipped each month to Amarillo. A loading rack to handle ten cars at a time was recently installed.

The question of an adequate water supply has been a source of constant worry to many Panhandle cities but has never caused trouble for Hereford because it is in the very heart of the shallow water table. Hereford boasts of many parks, beautiful lawns and shady driveways all of which have been made possible because of the abundance of water in this district. Water is retailed here for use on lawns and for watering trees at a rate that is lower than the wholesale rate in many cities.

McDonald Completes Water Plant at Borger

D. L. McDonald, local irrigation expert, has just completed a four million gallon water project for the Phillips Petroleum Company near Borger. It is said to be one of the largest oil field water projects ever installed.

Four wells supply the water which is conveyed from the station at McBride to Borger and then to other portions of the south Hutchinson county oil field.

The water is suitable for both domestic and commercial use. Mr. McDonald is now working on an emergency water supply project for Sweetwater, Texas, which he expects to complete within thirty days.

Select Men To Manage Events at County Fair

Most of the superintendents of the various departments of the County Fair, September 22-23-24, have been selected according to an announcement made Wednesday by Homer Fox, chairman of the Fair Board.

N. C. Vogele, who has been connected in some official capacity with every poultry show in this section for years, will be in charge of the poultry department. He has already started plans for the poultry exhibit and promises to make this an attractive feature of the fair.

Dave McDonald, who with his brother John has been in charge of the well-known McDonald stock farms for several years, has been selected superintendent of the Hereford cattle department.

Other superintendents announced are: Berry Orr, dairy cattle; G. W. Brunley, hogs; A. G. Bell, sheep; Jersey Bull Circles, O. S. Wilson; farm machinery, S. F. Rosson. Each of these men is an expert in his line and with them in charge, a series of record-breaking exhibits is assured.

Work on the fair catalog has started under the direction of C. W. Humble. The catalog will be ready for distribution in the near future. Advertising material has been ordered and the fair will be given wide publicity over the Panhandle.

Former Pastor of Church Here Dies in Amarillo

Rev. James Aloysius Campbell, age 65, a former pastor of the Catholic church of Hereford and founder of "The Anti-dote," a catholic paper, died Saturday at St. Anthony's sanitarium in Amarillo.

Funeral services were held on Tuesday at the Sacred Heart cathedral. Rt. Rev. R. A. Gerken, bishop of Amarillo officiated.

Father Campbell will be remembered by many Hereford people. He was born in Quebec in 1861 prepared for the priesthood at Montreal seminary and was ordained in 1893. He was stationed successively at Paris, Texas, St. Paul's sanitarium in Dallas, Pro-Cathedral in Dallas, Wiley, Cleburne and Corsicana.

He came to Hereford from Umbarger where he served as pastor of the Catholic church and it was here that he established his paper "The Anti-dote," which is now published in New York. He was later placed in charge of a large mission territory with headquarters at Sweetwater.

He was taken ill last month and brought to Amarillo. He is survived by a brother, Joseph Campbell and a sister, Mrs. J. Letarte.

Complete First Judging Home-Beauty Contest

Forty houses and three public buildings were inspected and scored last week by the Home and Garden Contest committee.

"Some of the places visited were unusually well-kept and beautiful," said C. W. Humble, chairman of the committee.

A number of houses could not be entered in the contest because of the absence of gardens in connection with the residence property. The individual scores have not been checked and the judges will not know which houses scored highest until after the second judging during the latter part of August.

The judging was done by C. W. Humble, Mrs. F. T. Roloson and Mrs. Bob Wilson. J. Baskin took Mr. Humble's place in judging the public buildings as Mr. Humble was directly responsible for the beautification of the high school grounds.

DEAN WALDEN MILLER DIES FROM APPENDICITIS

Dean Walden Miller, five year old son of Mr. and Mrs. H. H. Miller of Dawn, died Friday night at the county hospital following an operation for appendicitis.

The boy was brought to Hereford Friday after a very sudden attack and the operation performed at once in an effort to save his life.

Funeral services were held Sunday at the First Christian Church of Hereford and the body was buried in the West Park cemetery.

11 TEACHERS FOR GRADES ANNOUNCED

A tentative assignment of teachers for the Central School has been announced by C. H. Dillehay, superintendent of the Hereford schools.

"These assignments are subject to change," said Mr. Dillehay, Monday, "but it is not likely that changes will be made."

Eleven Teachers Assigned
The teachers assigned are as follows: Miss Edith Shields, principal and fifth grade; Miss Agnes Fox, fifth grade; Miss Hazel Rambo, fourth grade; Miss Ella Alkmas, third and fourth grades; Miss Madeline Bell, third grade; Miss Mary Brady, second and third grades; Miss Tallie Bell, second grade; Miss Annie Mae Fagg, first grade; Miss Eunice Russell, first grade, and Miss Maurine Beyer, music.

Miss Shields attended Canyon Normal, Texas Christian University and Wayland College where she specialized in intermediate education. She is an experienced teacher having taught for a number of years at Vega.

Miss Fox has been a teacher in the schools at Bovina and also at Dalhart. She received her training at Canyon Normal.

Miss Rambo is a Hereford girl and well-known here. She attended Wayland College and Clarendon College and has taught for more than two years.

Miss Rutherford was formerly a teacher in the Hereford schools but resigned her position to attend school at Canyon.

Miss Fagg is a specialist in primary work having studied at Baylor University. She has just completed her third year in the schools at Milford, Texas.

Miss Russell is an experienced primary teacher and taught for a number of years at Plainview and Merkel, Texas. She attended Canyon Normal.

The five other teachers listed will return to Hereford for another year of work at the Central school.

The Hereford schools will open September 12 following the institute at Canyon. "We feel that all the teachers have been selected carefully and wisely," said Mr. Dillehay, "and with such a group selected of well-trained and experienced teachers we are looking forward to a most successful year."

Parker and Black Give Report of Recent Tour

E. B. Black and G. A. F. Parker gave an extended report of the recent Texas Good Will Tour at the weekly meeting of the Chamber of Commerce Monday.

Mr. Parker told of his visits to various educational institutions and stressed the fact that the tour was in no sense political. He commented on the fact that nearly every city visited is being rebuilt and greatly improved and that the people of the East are coming now to give more and more of their attention to the matter of training better citizens.

"The trip will continue to bring profitable results to our state for years," said Mr. Black. "The hospitality of the northern people was unprecedented in the history of friendly relations between the states of this union. Each city tried to outdo the other in its reception of the Texans."

Mr. Parker believes that Gov. Al Smith, who spoke to the party in New York, has a good chance to land the Democratic presidential nomination.

"The Panhandle received some publicity," said Mr. Black, "although the representation from this section was smaller than that from most of the sections."

The Chamber of Commerce will meet next Monday at the Aztec Coffee Shop.

WILL HOLD CONFERENCE

A Workers' Conference of the Tierra Blanca Association will be held July 21, 1927, with the Kaffir Baptist church, eleven miles north of Tulla.

The program includes a special song service, devotional exercises and addresses. R. L. Shannon, pastor of the Kaffir church will be in charge.

Mr. and Mrs. T. E. Seigler and son, T. E. Jr., arrived home Thursday evening from a week's visit in Wichita Falls. Miss Gladys, who is in school in Ft. Worth joined her parents there for a few days' visit with them.

Arney News Items

Mr. and Mrs. Floyd W. Fortner and Lawrence Taylor motored to Dallas, Texas, Monday to attend the funeral Tuesday of their cousin Miss Lenora Huguley, who was killed in a car wreck July 2.

Mrs. Hayes and children, Mr. and Mrs. J. E. Boyd, Mr. and Mrs. Luster Hogge, and Messrs. Lynn Bratcher, Lawrence Taylor, Bailey and Curry were transacting business in Happy Wednesday.

Mr. and Mrs. Ross Campbell visited in the homes of some of their friends, Mr. and Mrs. Coffy and Mr. and Mrs. Orval Long of Grady, N. M., last Thursday, returning home Friday afternoon.

The Misses Wives of Canyon spent last Wednesday in the Jim Graham home making ice cream and having a day of real vacation from school.

Mr. and Mrs. Grady Bailey and Mr. and Mrs. Guy Bailey motored to Amarillo Thursday to transact business.

Will Todd is having a lot of good broke which was started on Wednesday.

Mr. Hayes was a business caller in the Francy home last Saturday. Earl Davis moved his combine to his place Monday where they will be busy a few days.

Due to most of the wheat being so short this year, the majority of the combines are broke down quite a lot of the time.

Mrs. Joe Curry of Happy visited

in the A. M. Curry home Friday. Messrs. Sprawls, Hammon, Boyd and Ballard visited at the R. C. Campbell home Thursday. Messdames Crowley and Ferguson were in Nazareth Tuesday. Mr. and Mrs. Will Todd were in Tulsa Wednesday on business. Claud Fox was a business caller in the John Hendrix home Wednesday.

Marion Davis was transacting business in Hereford Friday. Mr. and Mrs. Russell Hurst of near Happy spent last Tuesday afternoon in the parental John Hendrix home.

Dick Pare returned Monday from Brunt City, which is below Sweet water, where he has been for some time.

Arthur Mathews was in our community Monday on business. Messrs. J. A. Morris, Ross Campbell, Jim Graham, Earl Davis, and Lee Hutson were in Happy Wednesday on business.

Marques Burks was in Nazareth Monday on business.

George Ward of Hereford was out Monday to see after his place. Mr. and Mrs. Smith of Amarillo spent the week end in the home of Mr. and Mrs. Homer E. Ferguson.

Everyone remember our Sunday School will open Sunday morning promptly at 10:30 and everyone of the community is urged to come. There was a good shower that came Saturday night.

Cameron, N. M.

The farmers are rejoicing over the fine rain which fell Sunday night.

Golda Leah and Mary McCary called on Vera Cogdill Sunday morning.

Mr. and Mrs. Arvil Edmonson, Beattie Williams and Zale Spencer took dinner Sunday with Mr. and Mrs. Willie Johnston.

Mrs. Sue Mote and children spent Saturday night with Mr. and Mrs. Jim Patterson.

Mr. and Mrs. Curtis Green spent Saturday and Sunday with Mr. Green's sister, Mrs. Charlie Tillman.

Mr. and Mrs. Albert Leach called on Mr. and Mrs. A. C. Johnston Sunday afternoon.

Mrs. Winnie Dethrage, Mrs. Sue Mote and children, Ella Isler and Ella Davis took dinner Sunday with Mr. and Mrs. Grover Cogdill.

Perry Cogdill returned to his home at Turkey, Texas, last week.

Mr. and Mrs. Ed Leach and Mrs. Jossie Creelius returned home last week from Hot Springs, where they have been for several days for their health. Mr. and Mrs. Jim Hendrix, Mr. and Mrs. Leach's daughter returned home with them.

Mrs. Bonnie Hines and Mrs. J. A. Patterson made a trip to Texico Wednesday.

Mr. and Mrs. Lee Spurlock and Mrs. Willie Boney made a trip to Clovis Saturday.

Mr. and Mrs. Buster Seals and Curtis Markham were shopping in Bellview Saturday.

Mildred Shepherd and Mrs. Robbie Seals spent Tuesday afternoon with Mrs. J. R. Burnett.

Mr. and Mrs. Buster Seals, Mr. and Mrs. Jim Hopper, Mr. and Mrs. Lee Spurlock, Mrs. Seals, Mr. and Mrs. Tom Boney, Nellie and Sallie Patterson and Curtis Markham all called on Mr. and Mrs. Sizemore Sunday afternoon.

J. C. Seals and family from Electra, Texas, visited Mrs. Seals' father and brothers.

J. O. Woods and family, Mr. and Mrs. F. B. Scott and Mildred Shepherd attended Quarterly Meeting at Bellview Sunday.

Mr. Heley was driving a team to a disc last week when his team ran away, threw him off the disc, ran over his arm and cut it very badly.

Buren Johnston spent Sunday afternoon with his cousins, Maynard and Raymond Johnston.

Mr. and Mrs. Virgil Dunn were Clovis visitors Sunday.

Prayer Meeting was held at Mrs. Williams home Friday night.

If these young Americans don't stop these flying stunts they are going to turn all the big city newspapers into aviation sheets.

Terrible epidemic of disease with appalling loss of life have followed the widespread distribution of fleas. Fleas live on mice, rats, dogs and even on human beings. Bubonic plague which breaks out without warning and kills thousands is one of the many diseases for which the flea is responsible. Fly-Tox kills fleas. Spray gently against the fur from rear of animal. Simple instructions on each bottle (blue label) for killing ALL household insects. Inset on Fly-Tox. Fly-Tox is safe, stainless, fragrant, sure. Every bottle guaranteed.

CITATION BY PUBLICATION IN DELINQUENT TAX SUITS
THE STATE OF TEXAS
and County of Deaf Smith

To Julia Sunderland, a single woman, J. E. Johnson, Ed Woodall and Ed Wilkinson, their legal representatives, executors and administrators, and to all persons owning or having or claiming any interest in said land or lots hereinafter described, the same being delinquent to the State of Texas and the County of Deaf Smith for taxes, and the same lying and being situated in the County of Deaf Smith, and State of Texas, to-wit: Being all of the Northeast Quarter (NE 1/4) of Section Number Three (3) of Carter and Head's Subdivision of Capitol League Number 409, a plat of said land being of record in Deaf Smith County, Texas, deed records, and a plat of said subdivision thereof being of record in Deaf Smith County, Texas deed records in Vol. 25 page 219; said tract of land containing 100 acres of land, more or less, which said property is delinquent to the State of Texas and County of Deaf Smith for taxes for the years 1914, 1915, 1916, 1917, 1918, 1919, 1920 and 1921 aggregating the sum of \$ 221.99, including interest, penalties and costs, said taxes having been legally levied, assessed and rendered against said land and lots, and the same being a lawful charge and constituting a prior lien against the same in favor of the State of Texas and County of Deaf Smith to secure the payment thereof;

And you are hereby commanded to be and appear before the Honorable District Court of Deaf Smith County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the City of Hereford on the 1st Monday in August A. D. 1927, the same being the 1st day of August A. D. 1927, then and there to show cause why judgment should not be rendered against you and the said land and lots sold under foreclosure of said lien to satisfy said taxes, interest, penalties and costs, and all court costs; all of which, together with other and further relief, general and special, being fully set out and prayed for in the plaintiff's original petition filed in said court on the 6th day of July A. D. 1927, and appearing on the docket thereof as suit No.

T-419, wherein the State of Texas is plaintiff and Julia Sunderland, a single woman, J. E. Johnson, Ed Wilkinson, Ed Woodall and C. R. Smith, and their unknown heirs and legal representatives, all persons owning or having or claiming any interest in said land or lots, defendants.

Given under my hand and seal of said Court, at office in the City of Hereford, in the County of Deaf

Smith, this 6th day of July A. D. 1927.
L. H. FOSTER, Clerk,
District Court, Deaf Smith
County, Texas.

INDIANA POOL MAKES FINAL PAYMENT TO ITS MEMBERS

No Wonder W. H. Settle Saw Necessity of 'Preparing Farmers for Publication of His Settlement Sheet—Producers Lost at Least 16 Cents a Bushel by Pooling Their Wheat.

(From "Who Is Who in the Grain Trade")

The settlement sheet of the Indiana Wheat Pool for the 1926 crop has been given to the public!

It is no wonder that W. H. Settle, the father of the pool, tried to prepare the way for its publication, because the final payment to the Hoosier farmers who listened to the siren voices that called them to the "New Dispensation" is going to cause Mr. Settle and his cohorts a whole lot of trouble. There will be many bad "half hours" at pool headquarters in Indiana in the next few weeks.

Anticipating some such trouble, and desiring to forestall it, Mr. Settle, in the April 20 issue of The Farmers Guide, published at Huntington, Ind., wrote:

"There will, no doubt, be a very large measure of dissatisfaction this year on account of the low settlement to the members for the 1926 crop of wheat. No apologies will be in order for the settlement. The Association has been conducted honestly and economically this year and our sales program has been carried out strictly in accordance with the very best kind of cooperative marketing practice. There is nothing in our year's operations which we are afraid to show to the public."

"Our settlement will be much lower than most people expect, for the simple reason that we have had a declining market all year and the association can not, under such conditions, pay even the average price which outsiders obtained for wheat. Under conditions such as prevailed this year, the association can only pay the average price minus the carrying charges. It is to be expected that the average price will be below the general average of the year."

Well, the final payment has been made and it may not be easily seen why Mr. Settle tried so earnestly to head off the criticism that was sure to follow the publication of the pool's operations for the year.

Just analyze the statement, which is published in full herewith. It shows that the price paid the farmer for his wheat was not quite \$1.10. To be exact it was \$1.096.

This was nearly twelve cents less than the pool received for the wheat from millers and other buyers. It was exactly 11.9 cents. The statement shows that the average sale price was \$1.215.

This average sale price is four

cents less than the average price paid by grain dealers and millers for wagon wheat. These grain dealers and millers paid the farmers an average of \$1.255, and, of course, there was no deduction for any expense. It was the net average price.

And now comes the pool with its final settlement showing that all the Indiana farmers received for their wheat was an average of \$1.096! If they had sold direct to the country dealer they would have realized 15.9 cents a bushel more than the pool gave them, and in addition they would have received all their money at the time of delivery.

The attention of the reader is directed to a number of interesting items in the accompanying statement under the head of "General Operating Expenses." Here are some of these items: "Depreciation on automobiles;" "Depreciation of Office Equipment;" "Directors Per Diem and Expenses;" "Field Service;" "Hoosier Farmer;" "Legal Service;" "Office Supplies;" "Expenses (Unclassified);" "Office Rent;" "Salaries, General Office;" "Salaries, Executive Office;" "Cleaning and Running Wheat;" "Country Elevator Storage and Conditioning;" "Drying Wheat;" "Insurance, Terminals;" "Interest;" "Mixing Wheat;" "Storage, Terminals;" and "Treating Weevil."

Practically all of these items could have been saved by selling to the country dealers at threshing time, besides many who sold early would have received from \$1.30 to \$3.25 a bushel.

It will be observed that the pool makes no statement of the amount of wheat received. It mentions only the number of bushels sold, hence there may be considerable wheat on hand, or there may be none. Why is this information withheld from the farmers who own this wheat?

The statement of the year's operations shows that the Indiana Wheat Pool is going the way of all its predecessors. The expense of conducting business is out of all proportion to the volume handled. Such items as \$12,960.21 for "Field Service" tells the whole story. One wonders what the 21 cents was for. And then there is an item of \$20,730.94 for salaries in the general office and another item

amounting to \$15,451.62 for salaries of "Executives." And don't forget the "Per Diem and Expenses" of the Directors. Nearly \$4,000 of the farmers' money went that way. Perhaps that is a legitimate expense because the little politicians in the farm movement must get theirs too.

It is not at all surprising that the pool was unable to come anywhere near paying its members the

average price received by the farmers who remained outside. Maybe the knowledge that the statement for the year's operations would sound the death knell of the pool is the real reason why the name has been changed from the Indiana Wheat Pool to "The Central States Soft Wheat Growers Association." The settlement sheet for the year's operations, as given to the members of the pool, follows:

SCHEDULE No. 1
Table of payments by grades applicable to members whose delivery points carries a freight rate of 9 1/2 cents a hundred pounds to nearest terminal market and a local elevator handling charge of 5 cents a bushel.

Soft Wheat	
Grade No. 1.....	\$1.116
Grade No. 2.....	\$1.096
Grade No. 3.....	\$1.096
Grade No. 4.....	\$1.020
Grade No. 5.....	\$.996

Sample grade paid on its merit because there is no uniform price for this quality of wheat.

SCHEDULE No. 2
Statement of Operations—1926 Crop.
(4,176,031 bushels.)
Total \$4,978,537.18

Which is accounted for by:

Previous payments to members	\$4,132,115.36
Final payments to members	310,965.00
Farm storage to members	52,072.35
Reserve	5,384.47
Total	\$4,516,945.44

General Operating Expenses

Depreciation on automobiles	226.96
Depreciation on office equipment	1,033.77
Directors per diem and expenses	3,760.00

POWER

The Most Power
at the Lowest Cost for the Longest Time

Founders of the tractor industry in 1901—making tractors ever since that give the most power at the lowest cost for the longest time—Hart-Parr in 1927 assures you of still greater power from a still greater tractor. Hart-Parrs have sufficient power to perform two or more farming operations at one time. Also, they operate on low-price fuel, made possible by fresh-oil lubrication. Many Hart-Parrs are still in service after more than twenty years of farm work. Powerful Hart-Parr tractors are made in three sizes for small, medium or large farms. Come in and see them.

Portrait of Mary Valentine Brings Fame For Artist

Belton, Texas, July 9.—Miss Letitia Ramsey, daughter of Judge and Mrs. W. C. Ramsey, San Augustine, has been chosen an assistant in the department of art at Baylor College. She will also teach a class in public school drawing in Baylor Academy.

Miss Ramsey's portrait of Miss Mary Valentine, of Hereford, was one of the most commented on paintings of the annual art exhibit which was held at Commencement. She also had a number of still life and sketches on exhibit.

She will receive the degree of Bachelor of Design at the 1928 commencement. Miss Ramsey is a member of Royal Academia Literary Society.

Hogs Worth \$80,000 Sold to Local Buyer

It is not necessary to preach the advantages of hog raising to the farmers of the Panhandle. If the shipping business of G. W. Brumley, hog buyer of Hereford, can be taken as an index of the growth of the industry. Mr. Brumley paid farmers of this section more than

\$80,000 for porkers during the month of June. He shipped 66 cars during the month from South Plains territory, and each car averaged about \$1250. He has been buying hogs for the past ten years, and has seen the industry develop from its infancy to one of the money crops of the Panhandle. He believes the Plains country holds a great future for livestock feeding, dairy cows, and chickens.

Aggie Students Asked To Report to Humble

All students who expect to enroll in courses in Vocational Agriculture during the coming school year should get in touch with C. W. Humble, of the high school faculty, at once.

"We have always had large classes in the agricultural courses," said Mr. Humble Tuesday, "and we want to make preparations to accommodate all who desire to take the work."

"It is especially important that boys who expect to have wheat as a project make arrangements to start work now. A number of interesting projects have already been outlined and we hope to have some fine exhibits for the county fair."

Mr. Humble visited Guy Waiser

of Summerfield last week and was surprised to find that this student has milled maize which is now heading. His project has been one of the most outstanding this year.

Former County Sheriff Tells of Borger Arrests

C. S. Purcell, former Deaf Smith county sheriff and later chief of police in Borger, Texas, was in Hereford a few days ago, and gave figures to show that officers of that place are taking giant strides toward law enforcement in an effort to make Borger a better place in which to live. He had been in Borger 110 days, and during that time over 5,000 arrests were made with charges ranging all the way from vagrancy to murder being placed against the law breakers. A short time ago 150 arrests were made in the oil field metropolises in two days.

Joel Cleanings

The pig club met at Mrs. Ed Botts' Tuesday with a very good attendance, however, Mr. Dunkle forgot to attend so just games were played. Cake and punch were served late in the afternoon. There were several at Sunday

School Sunday. The Christian preacher of Hereford delivered a message.

Grace Botts visited at Calloway's Monday night.

We have had several little showers of rain lately which may help to bring up the field crops.

Several helped W. T. Smith and Lester Galley hale hay the past week.

Mrs. Calloway and son were at W. T. Smith's Tuesday.

Clarence and Walter Botts visited the Smith families Thursday morning.

Several of this neighborhood attended the dance at Umbarger on Monday evening.

Mrs. Calloway and children visited W. T. Smith's Friday afternoon.

Bill and Mildred Sawyer visited Lovelady's and Calloway's Friday afternoon.

Fleet Calloway and E. Dora Smith visited several Friday.

Clarence and Roy Botts were at Heimann's Friday afternoon.

Fleet Calloway won the trip to College Station from this district on nine pigs with a grade of 92½. He leaves July 23 and will be gone about two weeks. Loy Smith won second on a gulf with a grade of 85. Let's all be proud of our boys and give them courage to try again. "If at first you don't succeed—try, try again."

Several attended the ball game in Hereford Sunday afternoon.

Cecil Walker and mother gave a party Friday evening about thirty five being present.

Fleet and Theodore Calloway were at W. T. Smith's Sunday morning.

Everyone come to the Sunday School rally the fourth Sunday in July, the 24th, and bring your

banker dinner and enjoy the 1937 John Benfro and family were at W. T. Smith's Sunday evening. Several attended the cafe in Hereford Monday. Square Deal wants your produce.

EPWORTH LEAGUE

Musical Program

Leader—Robert Thompson. Opening song service. Prayer—Bro. Davidson. Scripture Lesson. Music by Orchestra. Song—Vandell Brooks. Music by Orchestra. Trio—Kathaleta Hawkins, Aline Cox and Ursalee Fridley. Music by Orchestra. Reading—Fae Dendy. Song—Boys' Chorus. Benediction.

Lamesa—Approximately 400 acres of the Weaver Ranch, west of Lamesa, is being planted in sunflower seed, the Mammoth Russian variety being sown. The average yield expected is about a ton to the acre, and during the last ten years, the average price per ton for this seed has been \$90. It is thought a new industry will receive impetus from the Weaver Ranch project.

SUMMERFIELD COMMUNITY CLUB

On July 8, Mrs. C. R. Walser was hostess to the Community Club. Mrs. Bob Lance was leader of the following program on Child Management and Welfare.

Roll Call—Bright Sayings of Children. Habits—Mrs. L. Johnson. The Parents—Mrs. Lee Curry. Feeding—Mrs. Morgan. Jealousy—Mrs. Cannon. Obedience—Mrs. Moreland. Environment—Mrs. Ray Johnson.

Part of this program was a continuation of our last study. After each speaker finished there was a general discussion of the topic. After the program a social hour was enjoyed and our hostess served delicious refreshments.

The night meeting will be at the home of Mrs. Harlan on August 5th, when we will study Child Psychology.

On July 21st the club is sponsoring a picnic to which other communities are cordially invited. Especially do we urge them to take part in the patriotic sing-song. MRS. RAY JOHNSON, Club Reporter.

Methodist Church

A. B. DAVIDSON, Pastor.

Sunday School, 9:45 a. m. Epworth League, 7:30 p. m. Junior Church, 11:00 a. m.

Preaching at 11:00 a. m. and 8:30 p. m. by the pastor. Remember, our revival meeting begins the last Sunday in this month, July 31st, not August 14th. The congregations last Sunday were unusually good. Seven additions. This is the way it should be—accessions to the church, every Sunday. We have had a goodly number of additions in this way. All Methodists in the community, who are not identified with this church are urged to give in their names for membership, and the pastor will be glad to write for the letters. If you are a loyal Methodist, and want to live a Christian life, this is the very thing you will want to do. Don't wait for the revival to begin the Christian life. However, revivals are very necessary in order to reach and save the people. Come next Sunday. The commandment, "Thou shalt sanctify the holy day," does not disappear from the Bible during the summer season. And also, that it is usually cooler, in church, than under a blazing sun on a country road. Some special announcements next Sunday, in which you will be interested. "Come thou and go with us and we will do thee good." A cordial invitation to all the services. Morning subject, next Sunday.

"Jonah, The Worm and the Gourd." Evening subject, "An Old Fashioned Revival," or "Jesus' Method of starting a Revival." Special music at both services.

Progressive News

The showers which have fallen lately are appreciated in this part of the country but farmers are badly in need of a real good rain to bring up the feed crops that have been planted. Most of the grain has been harvested—some are still combining, while others who headed their grain, will not thresh for several weeks. The wheat and oat crop in this section is considered short.

Mrs. Ira Ricketts has been on the sick list for several days.

Mrs. Arch Conklin of Hereford took dinner with her mother, Mrs. Ray Hershey, last Sunday.

Mr. and Mrs. Joe Kendall of Summerfield community spent Saturday night and Sunday with Mr. and Mrs. Jeff Roberson.

Mrs. John Rector of Simms community spent last Tuesday with her mother, Mrs. W. C. Russell, of this community.

Clyde Hacker of Childress visited in the Ricketts home last Sunday.

Miss Mildred Ricketts of Amarillo spent last week end with home folks, returning to Amarillo Monday morning, where she is going to school.

Mrs. C. P. Caldwell visited with Mrs. D. G. Webb last Tuesday afternoon.

Don't forget the "Community Club" and the "Girls and Boys Club" meet at Mrs. Jim Parks' next Thursday afternoon, July 14. All members are requested to be present and all ladies of the community are invited.

Mr. and Mrs. Bomar and son and a friend, Mr. Jack Morris, of Colgate, Okla., have been visiting in the home of Mrs. Bomar's sister, community, for the past few days. Mr. and Mrs. Cockrell and their relatives went fishing Monday afternoon, but on account of the high wind, they reported no fish biting.

Sunday School began on time last Sunday with 57 members present.

A number of folks, among whom were the Mrs. Jacobs family and Miss Mary Ella Hershey, left for the breaks north of here to hunt plums Tuesday.

Dr. and Mrs. Heard and Mrs. Reed of Hereford visited in the home of Mr. and Mrs. Jasper Cockrell Sunday afternoon. Square Deal wants your produce. Rule—Contract for the bridge over the Double Mountain Fork of the Brazos west of here has been awarded. The contract price was given as \$13,727.

Phillips Will Visit Home of Jerseys

Canyon, July 11.—Frank R. Phillips, head of the department of agriculture at the West Texas State Teachers College, will leave soon for a visit to the Isle of Jersey where he will make a study of the stock from which the finest dairy cattle of the world have been developed. Following this study Phillips will go to Denmark where he will acquaint himself with the methods of marketing in vogue in that country.

Denmark has the best marketing system for agricultural products of any country in the world. American co-operative associations are practically all based upon the Denmark plan.

From Denmark, Professor Phillips, who is a World War veteran, will go to Paris where he will attend the meeting of the American Legion, together with veterans from every other country involved in the World War.

Big Spring.—Farmers of Howard county are milking more cows, feeding more chickens, and hoeing more gardens than at any previous time. Neither the acreage usually sown in cotton nor that of feed is as large in this section for 1927 as it was for 1926, due to the lateness of rains.

Shamrock.—An expenditure of \$16,000 for improvements in the Shamrock yards has been authorized by officials of the Rock Island Railroads. Included in the improvement program will be three additional spur tracks, two north of the depot and one south.

NIX HOTEL
Board and Room, \$1.90 per day

The Southern Benevolent Association, with home office at Amarillo, paid out during the year ending June 1, 1927, \$100,000 in sick and benefit claims. This association has promptly paid all legitimate claims outstanding and has a nice balance in the treasury for future use. Secretary A. C. Yoakem deserves credit for the successful business and steady increase of membership.

Service—Miles Away

Whitefaces In Batting Slump; Quitaque Wins

A ball club representing the town of Quitaque in Briscoe county breezed into Hereford Sunday and broke up the local team's winning streak, annexing a game from the Whitefaces 4-0. Morrison allowed but one lone hit, a double by Young in the seventh frame, and was never in danger.

Jewell Tate took the mound for Hereford and was touched for eleven safe blows in eight innings. Ordinarily this would have been anything but serious but with the Whitefaces helpless before the offerings of Morrison and subject to considerable loose playing in the pinches, it was more than enough to lose a ball game.

The visitors played good ball all the way and gave Morrison plenty

of support in the field and at the bat. Tampke led the hitting with four singles in five times at bat. Vanmeter was a close second with a double and two singles in five trips to the plate.

Hereford made the first double play of the season when Carroll gathered in Morrison's grounder in the fifth and tossed the ball to Biggins who caught Tampke at second and threw Morrison out at first. Walcott relieved Tate in the last frame and was touched for one safe blow.

Batters are subject to frequent off days but seldom does an entire team go into a batting slump like that in evidence Sunday on the part of the Whitefaces. They simply could not locate the ball. The visitors deserved their victory Sunday and are entitled to due credit but Hereford fans who watched the game have a feeling that never again could they expect to find the Whitefaces in such a batting slump.

Young, who batted 100 per cent in the last game with Vega, was

first man up in the seventh. He cracked out a double which somewhat revived the spirits of the fans but the hit was useless as Biggins came to first on an error. Cleannin went out on a pop up to second, Robinson fanned and Tate was out, second to first.

Quitaque scored in the first frame on Vanmeter's single to left, an error, and singles by Tampke and C. Wise. They added two more in the fourth following a hit and four errors. In the seventh inning, four well-placed singles gave the visitors three more runs to end the scoring.

What's Doing In West Texas

San Antonio.—Traffic experts of the West Texas Chamber of Commerce have completed an analysis of the recent decision handed down by the Interstate Commerce Commission with reference to what is known as the Common Point Freight Case after six weeks of intensive study. U. S. Pawkett, traffic manager, states that the sum-total of West Texas freight charges on traffic to and from Southwest will be very considerably reduced under the new rates, and that distributions spreads out over practically the entire territory, excepting for more or less considerable increases that are made to and from points in Arkansas; and Louisiana. The new order is to become effective December 5 next.

San Saba.—San Saba's new hotel, Hotel San Saba, will be erected at a cost of \$96,000 and will contain 35 rooms. The building as suggested would have space on the first floor for a drug store, barber shop, and a telegraph station.

Fort Worth.—An All-Texas exhibit, to be a part of the Dairying-in-Dixie Exhibit of the South, will be collected and sent to Memphis, Tennessee, in October for the fall session of the National Dairy Show which will be held south of the Mason and Dixon line this year for the first time in history. The exhibit will be sent through co-operation of the East, West and South Texas Chambers of Commerce. B. M. Whitaker, exhibit agricultural manager of the West Texas Chamber of Commerce who arranged the exhibit last year, will arrange the All-Texas display, working in conjunction with J. E. Stanford, exhibit manager of the East Texas Chamber of Commerce, and with other members of a special Texas committee.

Lockney.—Work on the gas distribution lines over Lockney and Floydada will be underway here soon. It is expected that gas will be ready for use by fall.

Petersburg.—Contract has been let and work is underway on a light and power plant for this place. N. Throckmorton, contractor, has charge of the work.

Amarillo, July 9.—The Amarillo Tri-State Exposition will have as an added attraction this fall a dog show to be held during three or four days of the fair week, September 13 to 17, according to C. H. Amacker, fair secretary.

The show will be staged by Mr. and Mrs. H. J. Sasse, of Amarillo who will be assisted by Mrs. Sasse's father, Alex. Self, of Dallas, nationally known dog fancier, show man and judge, and who has had charge of the dog show at the state fair at Dallas for the past twenty years.

The event will be the first dog show ever held in the Panhandle, and is welcomed by scores of owners of fine blooded dogs. It is believed that more than 100 dogs will be entered for the prizes which will be offered. The show will be a fully authorized event complying with all regulations of national dog shows.

Detailed information may be had from Mr. and Mrs. H. J. Sasse, 513 Tyler Street, Amarillo, Texas.

Texas & Texans

By WILL H. MAYES

Expensive Politics

The Texas "Good Will" trip was intended originally as a boost to Texas. Those who planned the visit to the Eastern and Northern cities thought to create much favorable publicity for the State with capitalists seeking opportunity for investment. Capital is timid and failed to meet the Texans in the various cities visited, at least in any great numbers, but the politicians were waiting at every station to greet them, and monopolized the time of the visitors. Capitalists stayed in their factories and invited the Texans to come and see what great plants they had, and instead of allowing the Texans to talk Texas they used most of the time, "showing off" their plants. When Moody started with the party he had been mentioned as a candidate for the Senate; when he reached St. Louis the politicians talked of him as a candidate for vice president; after getting to New York he was boosted for president. The trip cost the Texans who went along about \$40,000; politics made its worth to the State negligible.

Moody Not to Blame

Moody couldn't help it that the purpose of his visit was misconstrued. The politicians along the route, ably assisted by political correspondents, did it. The newspapers "played up" Moody and "played down" Texas. They convinced the grip as political and would listen to nothing else. Besides, they doubtless reasoned, "Why show up Texas in a favorable light to capital when we need capital at home?" Especially, "Why do it when we have such a fine opportunity to talk about Texas 'favorite son'?" As a pleasure trip, it appears to have been a success, though a bit tiresome even to Moody, young and vigorous. As a political trip, results are yet to be seen. As a business trip, it was far from all that its promoters hoped and planned. The politicians spoiled it.

Large Springs of Texas

Texas has large resources about which few Texans know. The United States Geological Survey announces that, of the 65 springs of the first magnitude in this country, Texas has four. These are Comal Springs near New Braunfels, the Goodenough Springs near Comstock, the San Marcos Springs near San Marcos, and the San Felipe Springs near Del Rio. The San Antonio Springs nearly come within first class. A spring of the first magnitude has an average discharge of 65,000,000 gallons a day, or enough to supply the needs of a city of a half million people. How many readers of this article knew that Texas had all these great water resources? Let's get to knowing more about Texas.

Textbook Cost Low

The textbooks for which the State pays, cost for the last schol-

astic session about 90 cents a pupil according to a report from the educational department, but what about the books that students are required by the schools to use, but that are not included in the free book list? I have no figures, but my guess is that the cost of books to the students in the public schools, over those supplied by the State, is far in excess of the cost before the free textbook law went into effect. Every parent with whom I have talked on the subject is of the opinion that far too many school books are bought, hurriedly scanned, and laid aside; and that the schools do not have much consideration for the purses of the people in requiring the purchase of supplementary books. And the higher the school, the greater the burden in the buying of needless texts.

Fredericksburg Granite

Did you know that Fredericksburg granite, from Bear Mountain won first prize at the Sesqui-centennial exposition at Philadelphia? The "prize-winning granite" was taken to Philadelphia by the West Texas Chamber of Commerce and is now on exhibition at the offices of the chamber of Stamford. It is a fine-grained rock and takes a beautiful polish. We had come to think of Llano and Burnet counties as the sources of granite supplies in Texas, but these counties may have to look to their laurels.

Lockhart After Industries

Lockhart has a committee at work to secure a cotton mill at that place and another to get a creamery. Both cotton and cream productions are needed industries in Texas—in practically every town in Texas—and it is difficult to say which is most needed or is most helpful. Cotton has a market whether it is produced near or far from a cotton mill. The market for milk and cream must be close to the place of production. The cotton mill requires greater capital and employs more labor, but the creamery encourages and makes profitable a kind of farming that can not be carried on at remote distances, and thus directly employs large numbers of people in its immediate locality.

Texas Wool and Mohair

Two thousand wool and mohair growers around Kerrville have sold their spring clips of 3,573,316 pounds at \$1,503,242.57 net, according to reports from the commission companies. The profits from small flocks of sheep are shown in a statement that one grower near Kerrville, who owns a two-section ranch, of which 145 acres is in cultivation, cleared last year over \$3,000 on a flock of 481 sheep. If the small flock can be made to pay nearly \$7.00 a head at Kerrville, why not elsewhere in Texas?

Texas is Cool

Texans are inclined to complain of the heat. If there has been a sunstroke in Texas this year the papers have said nothing about it. In Chicago 34 persons have died from heat, and in Ohio more than a score, while St. Louis and other

cities report heat fatalities. The thermometer may register high in Texas, but death strokes from heat register low.

Highway Costs

The Texas Highway Commission has bought a car for \$5,595 to be used on its inspection tours, trading in four old cars at \$1,402 and paying \$4,193 cash. Permit the statement that to the average taxpayer this looks like a high way to inspect roads.

This is the season of the year when picnickers have a chance to show their appreciation, or otherwise, for the liberties accorded them when allowed to camp on other people's property. Many places are closed to picnic parties each year on account of careless throwing of papers and trash about the grounds and leaving camp fires burning; any picnic party should show appreciation by carefully policing the grounds before leaving and making sure that no fire is left to endanger property.—McLean News.

LIST OF LANDS AND LOTS DELINQUENT ON MARCH 31, 1927, FOR TAXES OF 1926, IN HEREFORD INDEPENDENT SCHOOL DISTRICT DEAF SMITH COUNTY.

REPORTED IN COMPLIANCE WITH PROVISIONS OF CHAPTER TEN, REVISED CIVIL STATUTES OF 1925.

THE STATE OF TEXAS, COUNTY OF DEAF SMITH, HEREFORD INDEPENDENT SCHOOL DISTRICT. I, C. Benton, Tax Collector of said Independent School District, do hereby certify that the land and lots listed on the following five pages and assessed on the tax rolls of said county for the year 1926, and delinquent for the taxes of 1926, and that there was no personal property for "seizure and sale" as required by Article 7336, Revised Civil Statutes, and therefore I am entitled to credit for the taxes shown and herein reported delinquent.

CERTIFICATE OF HEREFORD INDEPENDENT SCHOOL DISTRICT TRUSTEES.

THE STATE OF TEXAS, COUNTY OF DEAF SMITH, HEREFORD INDEPENDENT SCHOOL DISTRICT. Called Meeting of Board of Trustees, Hereford Independent School District: WE CERTIFY that we have examined the following five pages of Collector's report of lands and town lots assessed on the Tax Rolls of Hereford Independent School District, Deaf Smith County, for the year 1926, which are delinquent for the taxes of 1926, and find the same correct, and that C. Benton, Tax Collector, is entitled to credit for the taxes shown thereon as follows, to-wit:

Hereford Independent School District Tax	\$3,755.79
Penalty	875.59
Total School Tax	\$4,631.38

Given in open session this the 24th day of June, A. D. 1927.

Here and There.

Rev. Naugle filled his regular appointment at Frio Sunday afternoon. A good crowd was present. He announced a series of meetings to begin the third Sunday in August.

Raymond Griffis and Mr. Applegate were Amarillo visitors Sunday. Mr. and Mrs. M. L. Harly and family took dinner at the J. W. Berry home Saturday.

C. M. Bell and family spent Sunday with Mrs. W. B. Green.

Mrs. Allman spent Friday with Mrs. C. E. Tice.

Mr. Applegate and sons have been planting for Mr. Griffis and Beauford the past week.

Mr. and Mrs. Fred Andrews of Chris spent Saturday and Sunday with his brother, Joe Andrews, and family.

Mr. and Mrs. Arthur Rogers of Hereford spent Friday evening at the C. E. Rogers home.

Mrs. Hubert Maples and son Glenn of Hart spent the week end visiting her sister, Mrs. K. R. Hunter, and her parents, Mr. and Mrs. P. A. Hogan, of Hereford.

Miss Gladys Arrington and Opal Mobley spent Sunday with Nettie Lee Green.

Mr. and Mrs. Henry Allman and Mr. and Mrs. Jim Bagwell were Amarillo visitors Saturday.

Mr. Crawford and family of Wellington moved to their farm south of Hereford during the past week.

Mrs. Beauford and daughter and Mrs. Tice called at the Louie Hucker home Thursday.

The hum of the combine is just about over in these parts. Preparing wheat land is progressing very rapidly.

Owen Andrews helped Fred Gibson work on his tractor Saturday.

Mr. and Mrs. J. W. Berry spent Sunday at the M. L. Herdy home and in the afternoon called at the Noel Andrews home to see the new boy that arrived July 7th.

Mrs. Mack Dixon and Mrs. Fencher and daughters spent Friday with Mother Mosley.

Several neighbors spent Saturday evening at the C. E. Tice home.

Mr. and Mrs. F. J. Springer of Kress spent the week end visiting relatives, and Sunday Mrs. G. F. Springer entertained all the children at her home in Hereford.

Among those present were the families of T. L. Sparkman, A. F. Jones, Albert Springer, Andrew Gilliam and Earl Springer.

Mr. Morley has been helping Mr. Tankersley take care of his alfalfa crop last week.

Mr. and Mrs. Harry Taylor spent Monday at the C. E. Tice home.

The neighbors of L. F. Boyd gathered at his home Sunday to remind him that another birthday had come. An enjoyable day was spent by all present.

Mr. Griffis and Henry Allman and wife took Sunday dinner with H. M. Mobley and wife.

Leo Williams purchased a new tractor this week and started to work on his wheat land.

Miss Katherine Ham has been sick with tonsillitis the past week.

A large crowd was present at singing Sunday night, and a great deal of interest was taken in the singing by the young folks.

Wyche Notes

A number of folks enjoyed supper on the creek at Mr. and Mrs. Doyle Rose's farm. Those attending were: Mr. and Mrs. Nolle Ellington, Leo Wolfe and family, Mr. and Mrs. Wes Bradley, Mr. and Mrs. Jim Sanders and children, Mr. and Mrs. Jack Rose, Mr. and Mrs. Denny and children, and Mrs. Brady.

Mrs. E. M. Cox and children took dinner in the Clayton home Sunday.

Mrs. 2nd Mrs. Arlie Cook from Breckenridge, Texas, visited Mr. and Mrs. C. C. Cook Tuesday.

Mr. and Mrs. J. T. Cronin and Mr. and Mrs. Layne Shore visited Mrs. L. R. Brady Sunday afternoon.

Miss Penelope Nutter is visiting friends here. Miss Nutter used to live in this community.

Hy Schuette and daughter, Mrs. St. John, took dinner with Mr. and Mrs. Fred Curtis Sunday.

Mr. and Mrs. W. D. McKinney and son, Curtis, and nephew, J. D. Lamson, took supper with Mr. and Mrs. C. C. Cook Saturday evening.

Grover Sanders Jr. from Kansas City, Mo., is visiting in the home of his uncle, Jim Sanders.

Mrs. Owen Niel and children visited her mother, Mrs. J. W. Vicks, Friday.

Mrs. Elmer Williams and Dick and J. T. Applegate called in the C. C. Cook home Saturday evening.

Mr. and Mrs. Lee Ott and daughter visited in the H. Y. Schuette home Sunday afternoon.

Mrs. Graham and son Edwin from Kansas City, Mo., are visiting with Mrs. Graham's parents, Mr. and Mrs. Brooks.

Miss Katherine Brooks, who was recently married to Mr. W. M. Muford, is now making her home at Clovis.

The nice rain Sunday night is enjoyed by all farmers.

A number of people from our community attended preaching at Jumbo Sunday afternoon.

Quick Job Service at The Brand.

Good Bye Monotony

Fifty-two and more times a year you must wash. With monotonous regularity the hardest of household tasks confronts you. But with a New One Minute the housewife is free to wash when she likes. Many are washing a few things each day because the One Minute will wash a single handkerchief or a whole tubful of heavy clothes. Such washer convenience has never been known before.

Wash at Home With a

ONEMINUTE WASHER

Cleaner

Let your own wash decide which washer. Phone now for a free home demonstration.

Texas Utilities Co.

FOR QUICK JOB SERVICE SEE THE BRAND.

A cheap tube can cost you 10 times its price.....

THIRTY-NINE YEARS of tube building experience has proved to Dunlop that "cheap tubes" do not pay.

That is why Dunlop tubes are made casing shaped. It costs a little more than to build them on a straight pole, as cheap tubes are built.

But a casing-shaped Dunlop tube is strong everywhere. The outside edge is not weakened by excess stretch. The side next to the rim has no wrinkles to crack with age and blow out. A Dunlop tube protects your casing, because it fits. And your casing is worth ten times the cost of the tube.

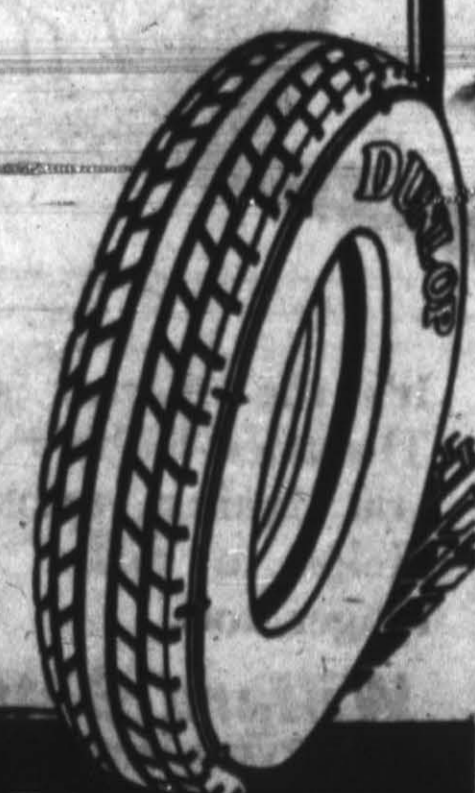

We strongly recommend a Dunlop tube for every casing.

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

First Baptist Church.

V. M. OLOYD, Pastor.
The pastor is away for a revival meeting in Runnels county, with Mrs. Oloyd's father. In his absence Rev. W. C. Harrison, pastor of the First Baptist Church of Canadian, will preach for us at both services next Sunday. Brother Harrison is a very close friend to the pastor and a brother to our deacon, E. W. Harrison. We are happy to have him preach for us. Don't fail to hear him at both hours.
Our usual services Sunday as follows:

Sunday School, 9:45, with A. O. Thompson, Supt.
Preaching, 10:45 and 8:30, by Rev. W. C. Harrison.
B. Y. P. U., 7:15; C. G. Murray, general director.
Prayer Meeting Wednesday evening, 8:30.
"Remember the Sabbath day, to keep it holy. Six days shalt thou labor, and do all thy work; but the seventh day is a Sabbath unto Jehovah thy God; in it thou shalt not do any work."—Ex. 20:8-10.

Lest in hearing of him some church member go wrong. Forget his church duty, fall in with that throng, Which forsaking the Lord, fall into that way, Which leads to destruction, though crowded they are.
Preaching, 11:00 a. m. and 8:30 p. m. Sunday School, 9:45 a. m. and Christian Endeavor, 7:00 p. m. Wednesday, 4 p. m. Women's Missionary Society; 8:30 p. m. Church Nite. To each and every service you are cordially welcomed.

First Christian Church

TOM MASSIE, IN CHARGE.
We had two splendid services last Lord's Day. One made the Good Confession at the morning hour and obeyed her Lord in Christian Baptism following the evening service.
Funeral service for Dean Walden Miller, little son of Mr. and Mrs. H. H. Miller of Dawn was held at the Christian Church on Saturday afternoon.
Following is the order of our program for the coming week:
Sunday School, 9:45 a. m.; J. C. Ricketts, Supt.
Communion and preaching services, 11:00 a. m.
Preaching at Progressive, 3:30 p. m.
Christian Endeavor, 7:30 p. m.
Evening Worship, 8:30 p. m.
Choir practice, Tuesday evening 8:30.

First Presbyterian Church

JAS. T. ROSS, Pastor.
A preacher there was in the City of Blank, Some called him a fool; others, a crank. He had some bad habits, you plainly will see, When I tell you the story of this dominie. If, perchance, on the Sabbath he waked indisposed, Or company came as the doors he had closed, He would ask of his people that he be excused. From preaching that hour, you are perhaps amused. That a preacher so trifling as this can be found Any time, any where, on this big earth round. And if such there be, let his name be unspoken, Let no mouth speak a word, give a sign or a token, That would honor a preacher so triflingly mean. Let his name be unknown and his visage unseen.

B. Y. P. U. PROGRAM

Leader—Willie Mae Vinson.

Song.
Offering.
Business.
Benediction.

METHODIST W. M. U.

A most enjoyable picnic and swimming party was given at the home of Mr. and Mrs. Ward, by the W. M. S. of the Methodist church to the guests who are visiting in the homes of some of our members. After a swim, a bountiful lunch consisting of all the things which go to make a perfect picnic lunch, topped off with as much delicious home made ice cream as everyone could eat was served. Much genuine fun and merriment was indulged in on the beautiful lawn.
The guests departed feeling that the host and hostess and their son Roy were ideal entertainers.
Wednesday at the regular meeting of the society the voice program was given in a way to bring out the subjects in regard to the founder Lucindy B. Helm, of our W. M. S. society. Her life reads like a beautiful romance. She was highly educated, refined and gifted. She gave her life and her all to the Master. Too much cannot be said of the uplift we receive from our devotional period. All are urged to attend.—Reporter.

Anyhow, Commander Byrd and his flying mates, hold the "long distance flying for a bath" championship.

Try Our Meats for that satisfying taste. We have a full supply of fresh and cured meats at all times.

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs—once or twice a week for several weeks—and see how Nature rewards you with health.
Calotabs are the greatest of all system purifiers. Get a family package, containing full directions Only 35 cents. At any drug store (Adv.)

SHERIFF'S SALE

STATE OF TEXAS
COUNTY OF DEAF SMITH
WHEREAS, by virtue of an order of sale issued out of the honorable District Court of Deaf Smith County, Texas, on the 5th day of July, 1927, by the Clerk of said Court, in cause No. 1618, entitled Bessie B. Crackel and husband, K. J. Crackel vs. Jas. R. Robinson et al. wherein Bessie B. Crackel and K. J. Crackel are plaintiffs, and Jno. P. Slaton, The First State Bank & Trust Co. of Hereford, Jas. R. Robinson, Eunice Robinson and M. R. Corbett are defendants, and to me as sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sale, on the first Tuesday in August, 1927, it being the 2nd day of said month, before the Court House door of said Deaf Smith County, in the City of Hereford, the following described Real Estate situated in Deaf Smith County, Texas, to-wit:
A part of Section No. 89, Block M-7, described as beginning at a point in the S. line of said Section 89, Block M-7, 272 ft. W. from the S. E. corner of said Section 89, and running thence W. with the S. line of said Section, 3236 ft. to the S. W. corner of a 36 acre tract decided by J. W. Robinson, to said Jas. R. Robinson; thence N. parallel with the E. line of said Section 2640 ft. to the half Section line; thence E. on the half Section line 1353 ft. to an iron pipe, the S. W. corner of 115.7 acre tract decided by Charles F. Gallagher to Jas. R. Robinson; thence N. with the W. line of said 115.7 acre tract, 2046.5 ft. to an iron pipe; thence E. 2085 ft. to a coupling of sucker rod placed in the ground; thence S. 19 degrees 50' W. 591 ft. to an iron pipe, thence S. 4731 ft. to the place of beginning, containing

311.7 acres.
Said land located about 2 miles S. E. from the City of Hereford, and generally known as the "Jas. R. Robinson Irrigation Farm"; levied on, on the 5th day of July, 1927, as the property of Jas. R. Robinson, to satisfy a judgment in favor of the said Bessie B. Crackel and against the said defendant Jas. R. Robinson, and M. R. Corbett, for the sum of \$10,300.00, with interest thereon from May 3rd, 1927, at the rate of 7 per cent per annum and all costs of suit. Given under my hand this 5th day of July, 1927.
C. BENTON,
Sheriff of Deaf Smith County, Texas.
by J. M. MURCHISON,
Deputy.

Square Deal wants your produce.

LIST OF LANDS AND LOTS DELINQUENT ON MARCH 31, 1927, TAXES OF 1926, IN DEAF SMITH COUNTY.

REPORTED IN COMPLIANCE WITH PROVISIONS OF CHAPTER TEN, REVISED CIVIL STATUTES OF 1925.

THE STATE OF TEXAS, COUNTY OF DEAF SMITH. I, C. Benton, Tax Collector of said County, do hereby certify that the land and lots listed on the following ten pages and assessed on the tax rolls of said county for the year 1926 are delinquent for the taxes of 1926, and that there was no personal property for "seizure and sale" as required by Article 1336, Revised Civil Statutes of 1925, and therefore I am entitled to credit for the taxes shown and herein reported delinquent.

CERTIFICATE OF COMMISSIONERS' COURT.

THE STATE OF TEXAS, COUNTY OF DEAF SMITH. In Commissioners' Court: WE CERTIFY that we have examined the following ten pages of Collector's report of lands and town lots assessed on the Tax Rolls of Deaf Smith County for the year 1926, which are delinquent for the taxes of 1926, and find the same correct, and that C. Benton, Tax Collector, is entitled to credit for the taxes shown hereon, as follows, to-wit:

State Ad Valorem Tax	\$ 8,008.45
State Poll Tax	189.50
State Penalty and Interest	874.88
Total State Taxes	\$ 9,072.83
County Ad Valorem Taxes	\$ 8,997.08
County Poll Tax	28.25
County District School Tax	2,889.10
County Penalty and Interest	640.81
Total County Taxes	\$ 17,000.24

Given in open court this the 13th day of June, A. D. 1927.

EABL W. WILSON, County Judge.
C. J. PADDOCK,
H. G. CONKWRIGHT,
J. T. QUINN,
W. T. WOMBLE,
County Commissioners of Said County.

ATTEST:
L. H. FOSTER, County Clerk.

Entertains Visitor at Slumber Party

Little Miss Laura Leuta, attractive young daughter of Mr. and Mrs. L. F. Borden complimented her cousin, Dorothy Jean Hunt, of Little Rock, Ark., who is visiting her aunt, Mrs. Lemuel Carlyle, with a line and slumber party on last Thursday evening.

The guests assembled at the Borden home, going to the first show at the Star Theatre. They were chaperoned by Miss Bess Hopkins, aunt of the hostess. Upon arriving at home, they found the lawn beautifully lighted with Jack 'o lanterns, making an ideal setting for the playing of games and story telling. An ice course was served during the evening.

Beds were made to accommodate all, on the big, roomy porch and here pillow fights were indulged in and spooky stories were told until a late hour.

An early morning hike was enjoyed by several of the guests, then a four course breakfast was served.

Those who enjoyed this charming hospitality were: Misses Dorothy Jean Hunt, Ruth Marie Mounts, Katherine Klett of Lubbock, Sallie Skelton, Zella Ruth Shore, Dorothy McDonald, Mary Edith Smith and Laura Leuta Borden.

ORDINANCE NO. 199

An ordinance by the City Commission of the City of Hereford, Texas, providing for the installation and placing of "Stop Signals" on Third street, at or near the intersection of Third and Main streets; requiring every person driving or operating a motor vehicle to cause such motor vehicle to come to a complete stop before entering such intersection; Requiring every person so operating a motor vehicle to cause the same to immediately proceed after same has been brought to a complete stop, and prescribing a penalty for the violation of any part hereof:

Be it ordained by the City Commission of the City of Hereford, Texas:

Section 1. That "STOP SIGNALS" be placed and installed on Third street, at or near the intersection of Third and Main streets, and in such a manner as to be seen by anyone approaching such intersection.

Section 2. Every person driving or operating a motor vehicle shall cause the same to come to a complete stop at the intersection of said Third and Main streets, and before entering such intersection.

Section 3. After every motor vehicle has been brought to a com-

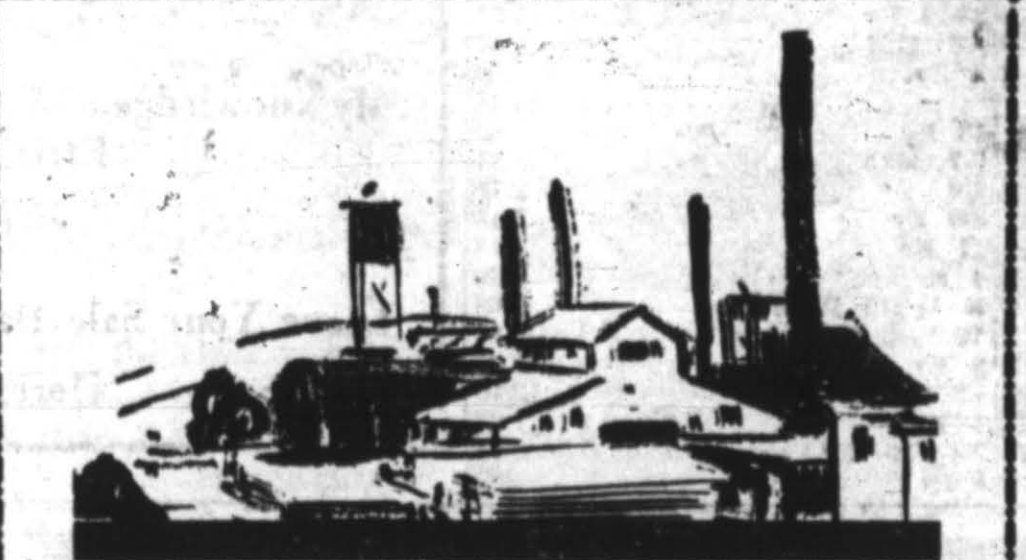

plete stop, as provided in Section 2, above, the person driving or operating such motor vehicle shall cause the same to immediately proceed in such a manner as not to block or interfere with traffic.

Section 4. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction therefor, shall be punished by a fine of not more than Twenty-five Dollars. Passed by a unanimous vote, this the 12th day of July, A. D. 1927, and duly approved.

E. S. IRELAND, Mayor
(SEAL) City of Hereford, Texas.
