XVII No. 52.

REAL TEST FOR LIQUID GOLD

Nolan Oil Co. Have Drilled 100 Feet in Kuteiman No. 1 and Will Drill Deeper

Special interest to all West Texas is the deep test for oil being made in Nolan county. This test is being made in the Kuteiman ranch by the Nolan Oil Company, a trust with a capitalization of \$150,000, and is being conducted by the company's officers, who are now at a depth of 4493 feet. It is within reach of the drill, and it is hoped that no conditions may arise that might prevent a satisfactory conclusion of our work. If anything further occurs to you that might be of interest, please let me know and I will endeavor to supply it.

Very truly yours,
J. D. Gibbs

Breck-Sterling Oil Syndicate

J. S. Meriwether, trustee of the Co-operative Lease and Development Co., has made a deal whereby the Breck-Sterling Oil Company, with a capitalization of \$100,000, will be organized to complete the McCauley test well. According to the circulars sent out by the Breck-Sterling Co. will have 1,000 acres on which the McCauley No. 1 is located and 20 acres in the Breckenridge proven field. The company proposes to complete McCauley No. 1 from 1600 feet, where drilling was suspended. Should oil not be encountered in the McCauley well in paying quantities the company will then drill on the twenty acres in Stephens county.

The offices of the Breck-Sterling Syndicate will be located at Sterling City.

Mr. Meriwether proposes to remain in this section and to do everything in his power to aid the company in getting started on their work of completing the McCauley well.

At the Enders-Cushing Test

Work on the Enders-Cushing test well No. 1 is still held up pending the arrival of casing. The casing they expected to secure was diverted and it was not until Monday of this week that they were advised of their inability to secure the casing they were depending upon.

Field manager W. F. Cushing left Monday evening for Ranger and Eastland to see if he could secure the casing necessary to be placed in the well before drilling can be resumed.

General Oil Co. to Drill in Stephens Co.

The General Oil Company is loading out several cars of casing, boiler, drilling machinery, etc., for Breckenridge, where they will drill on a two hundred acre lease they own in Stephens county. Further plans relative to further development in the Big Spring section are expected to be received shortly.

District Court

The Grand Jury has been in session continuously the past week and as a result of their two weeks' investigations, five indictments have been returned.

The criminal docket has been reset for next Monday.

The following cases were disposed of this week:

Wm. Currie vs E. M. Trammell, judgment for plaintiff.

H. C. Read vs Geo. W. Chandler, judgment for plaintiff.

H. C. Read vs M. J. Scroggins, judgment for plaintiff.

R. C. Scott vs Geo. W. Chandler, judgment for plaintiff.

Jesse E. Robinson vs B. F. McKinney, judgment for defendant.

Ruth Hicks vs Jack Hicks, divorce, granted.

Lady Grace Hollenbeck vs Lloyd F. Hollenbeck, divorce, granted.

May Myrick vs J. B. Myrick, divorce, granted.

Bernice Crocker vs C. M. Crocker, divorce, granted.

Mamie Wekmeyer vs W. E. Wekmeyer, divorce, granted.

Street Improvement Killed

The plan to have gravel placed on the streets in the business district and to gravel Main street from First to Eleventh streets had to be abandoned since some of our business men and property owners were unwilling to pay the small sum of fifty cents per front foot for property holdings in the business section to make it possible to have these streets graveled from curb to curb.

Thus another movement worthwhile was killed due to lack of cooperation.

160 Acre Farm Sells For \$5,000

A deal was closed last week wherein J. M. Thomas of Baird, purchased of D. E. McCoy of Whitewright, an improved farm of one hundred and sixty acres in the Moore community, north-west of Big Spring. The consideration was \$5,000.

Mr. Thomas expects to cultivate his farm next year and plans to move his family here from Callahan county in the near future.

The sale was made through the Shockley, Curtis Realty Company.

Rail Strike to Be Discussed Sunday

Chicago, Sept. 15.—Shop employees of the railroads centering in Chicago and nearby towns will be told whether a strike is impending by President B. M. Jewell of the railway employees' department of the American Federation of Labor, at a mass meeting to be held here next Sunday afternoon. A call for the mass meeting was sent out today.

WATER SITUATION REAL CRITICAL

Quite a Few Citizens Visit City Council to Learn Status of Water Situation

About thirty or forty citizens attended the meeting of the City Council Tuesday night to secure information relative to the water situation.

Mayor Purser welcomed the visitors and informed them they were ready to hear from anyone. W. W. Rix as spokesman for the School Board and Chamber of Commerce stated that he was present to learn the status of the water situation and to render whatever assistance was possible in order to remedy the situation and thereby eliminate the necessity of closing our schools and other institutions and industries.

In answer to this Mayor Purser explained what they were trying to do, and of the hard luck which seemed to be camping on their trail, stating that they had done everything possible to remedy the situation, and was ready and willing to consider any and all suggestions.

One of the first plans proposed was that of preventing the use of water for sprinkling lawns when so many of our people could not secure water for domestic purposes. The city was urged to cut off the water of citizens who continued this unfair practice while the acute shortage existed.

The possibility of water being wasted by industries using city water was mentioned and it was suggested that they be warned to eliminate such waste immediately.

The proposition of using all other available wells in the city to add to the water supply was proposed, as by this method a sufficient supply would be available to get us past the critical period.

The suggestion of cutting off the water for a number of hours each day was suggested but was rejected since this would only insure water for the lower portions of the city and offer no relief to residents in the higher portions.

It seemed that the main trouble encountered was in securing a pump to shove water and sand so the six-foot shaft could be lowered to the water strata and suggestions were made to spend \$5000 or such a matter to secure a pump that would do the work as we were running a chance to lose many times this amount in case a fire started while there was no water in the reservoir.

Aside from the discussion of the situation no definite action was decided upon.

After the visitors left the regular meeting of the City Council was held and a motion prevailed that W. C. Henley be given authority to fix the pump which has been used in the past.

Big Spring Baptist Association

The Big Spring Baptist Association convened with The Center Point Baptist Church this year.

The Center Point Missionary Baptist church held their yearly protracted meeting beginning Saturday night before the first Sunday in this month and continued throughout the week, closing Sunday night, resulting in an increase of membership of twelve members, ten for baptism and two by letter. Rev. S. C. Shipley of Sparenburg did the preaching. The Big Spring Baptist Association convened Thursday morning at 10 a. m. The business of the association was attended to during the day with preaching service and soul winning each night.

Rev. M. O. Grant of Lamesa preached at eleven o'clock Friday. The Ladies Auxiliary had the afternoon. Miss Lucille Reagan gave an interesting talk on the work of the church both here and in the foreign fields just before the evening service. Business meeting Saturday morning with a sermon at eleven o'clock by Rev. Nicholson of Stanton. The association continued the business session throughout the afternoon.

The Executive Board held its executive session also, planning work for the first quarter of the fiscal year. Rev. A. D. Leach of Westbrook was elected associational missionary but has not yet accepted. Rev. Williamson will continue on the field until the 5th Sunday meeting in October that is to Sunday meeting in the Coahoma Baptist church. The association closed its work to convene with the Stanton church on Thursday before the second Sunday in September 1922.

The Association throughout was well attended by the community and from over the association nearly all of the 24 churches were represented, two churches sending petitionary letters, joining the association. All were optimistic regarding the Lord's work in the association with a great ingathering of membership. All in all it was a great meeting of a great people.

J. A. KINARD.

Hermleigh Ties One and Takes Another

The Hermleigh baseball team seems to have the Indian sign on the Big Spring Elks here for they took two games out of three in a recent series, and in the two games here this week they tied our team in the first and won the second by a score of 7 to 1.

Wednesday's game was cancelled on account of the death of A. V. Campbell, a member of the Elks Lodge.

In the first game Monday it was a pitchers battle from start to finish. Sanders, for Hermleigh, who has been one of the real amateur pitchers of West Texas for many years, demonstrated that he had not lost his prowess and proceeded to strike out the first two batters to face him, and struck out three batters in the second inning after Bedford and Rutherford were on bases. During the eight innings he fanned thirteen men and only eight hits were secured off of him.

Sanders for Big Spring pitched gilt edge ball and should have had the game. Two little errors, after two men had been out, opened the way for two of the scores secured by Hermleigh. Sanders struck out nine Hermleigh players and only six hits were secured off of him.

Tuesday's game went to Hermleigh by a big majority the score being seven to one when the featureless contest came to a close. The Big Spring bunch had an off day and most of the fans in the grandstand conceded the home team defeated after the second inning for it could be noted that the players lacked pep. While the Hermleigh pitcher only fanned five batters yet the home boys secured only four hits; two in the first inning and one each in the eighth and ninth. Faulkner pitching for Big Spring secured only three strikeouts and twelve hits were secured off of his delivery.

Hermleigh made two scores in the second inning, two in the fifth, two in the seventh and one in the eighth. Or a total of seven to one made by Big Spring in the eighth inning.

John Van Zile Claimed by Death

John Van Zile, aged sixty years, died at his home ten miles south of Big Spring at 11:30 p. m. Thursday, September 8th. His death was due to apoplexy.

Mr. Van Zile came to this county from Ohio last January and was respected and esteemed by all who knew him, and had won many warm friends during the time he has resided here. He was a Christian gentleman, a member of the Methodist church and funeral services were conducted at the Methodist church in this city last Sunday afternoon by the pastor Rev. Ben Hardy. The remains were laid to rest in Mt. Olive cemetery.

Deceased is survived by a wife and two daughters, who reside here, and by two brothers in Mansfield, Ohio, and a sister in Chicago, and to these who mourn for one dearly beloved is extended the deep sympathy of our entire citizenship.

Clyde Branon With Rix

Clyde Branon, formerly connected with the Garrett-Branon Furniture Company, has made a permanent connection and acquired an interest in the Rix Furniture and Undertaking Co., and he asks that his friends call on him at his new location. Clyde is one of our popular and affable young business men, one in whom all have the utmost confidence and his many friends are indeed pleased to learn of his securing a holding in the old established and successful firm such as is the Rix Furniture and Undertaking Co.

He is an energetic and capable salesman and this, with his large circle of friends throughout this section will make him a valuable addition to the firm.

A Farm Exhibit From County

It's up to the folks of Howard county to decide whether or not our county shall be properly represented at the Dallas and Abilene Fairs and the Waco Cotton Palace. If we had fine agricultural exhibits at these places our county would receive some especially favorable advertising. If you think our county can hold a candle to other counties now is the time to prove it by helping send an exhibit that will make them sit up and take notice. We have the farm products if our folks will but take the time and trouble to bring them to the office of the Chamber of Commerce.

Deposits Increase; Loans Decrease

It is seldom the case at this time of the year, before the marketing of crops gets under good headway, to note an increase in bank deposits and a cutting down of loans but such is the rule with our banks as is shown by the statements made to the Comptroller Sept. 6th, the two National and one State bank of Big Spring show:

Combined deposits of...	\$1,626,044.68
Cash on hand.....	638,460.66
Total resources.....	2,138,716.55
Total loans.....	1,248,503.25

This is indeed an exceptionally good showing at the opening of the crop marketing season.

BIG ANNUAL MEETING SEPT. 22

Open Meeting To Be Held At Court House And Everybody Is Invited To Attend

On Thursday night, September 22nd, at 7:30 o'clock at the court house in Big Spring will be held the annual meeting of the Chamber of Commerce and everybody is extended a cordial invitation to be present; women especially being extended a special invitation.

Refreshments will be served, subjects of importance to the citizens of Big Spring as well as the entire county will be discussed and a general interesting time is assured all who attend.

This is the regular annual meeting of the Chamber of Commerce and the election of directors for the ensuing year will be in order.

After hearing committee reports, etc., the following questions will come up for open discussion: The Water Situation; Ice; Good Roads; Schools.

If you are at all interested in any one of these questions you are invited to be present. If you are a property owner you cannot afford to be indifferent. Our water question is one of vital importance and we expect to learn just where we stand as the Mayor and City Alderman will be extended an invitation to tell the people the true conditions and what is being done to increase our water supply.

The cost of ice, good roads and our schools are other matters that will be up for discussion and quite a few helpful facts will be brought out in discussing these important questions.

These matters are not for one or two to worry over, but for our entire citizenship to help solve and there is no better place to discuss and adjust the problems which mean the making or wrecking of our city.

If you have something to offer in the way of a remedy be prepared to present it at this meeting. If not, come and hear the suggestions that are offered and resolve to jump in and help back up those that are for the good of the community.

The ladies of the City Federation and other organizations have kindly consented to prepare cakes and punch for this meeting. They will have plenty for everybody, so arrange to come.

Let's crowd the old court house to capacity on this occasion.

Let nothing interfere with your coming—you will regret it if you do.

Eastbound T. & P. Wrecks; Man Killed

Train crew and passengers on the "Sunshine Special," Texas & Pacific train eastbound from El Paso, narrowly escaped death when the train split a switch and was derailed about five miles west of Van Horn Sunday night. The train left El Paso at five o'clock Sunday afternoon.

Only one person was killed, an unidentified man, who was reported to have been riding on top of the dining car. He was thrown off by the derailment, striking the rocks and dying instantly. His body is at Van Horn.

Three Pullman sleepers and the diner were derailed after the engine, baggage car and coaches had passed safely over the switch. The train's being all steel prevented loss of life among passengers, it is believed. As it was, no one among the crew or passengers was hurt.

Engineer J. J. Holmes took the engine and coaches to the next station east, according to report received in the offices here, to allow wrecking crew to approach the scene from the east.

A. E. Pistole, superintendent of the El Paso division, with headquarters at Big Spring, was in charge of the work of clearing the track. The cars were placed on track and the torn track repaired early Monday.

The train was in charge of conductor W. A. Mathis.—El Paso Herald.

Eastbound T. & P. train No. 2 reached here Monday morning about 10 a. m., nearly five hours late.

Reception for Teachers

A reception in honor of the teachers of our schools is being planned by the Home and School club—this reception to be held at the court house at the conclusion of the Chamber of Commerce meeting, Thursday night, Sept. 22nd. Come to the meeting of the Chamber of Commerce and stay for the reception.

One and all are cordially invited.

Thieves Break Into Empire

Thieves forced an entrance into the Empire confectionery some time between noon and 3:30 o'clock Sunday afternoon and stole from \$10 to \$15 out of the cash register.

They removed a pane of glass from a door in the rear of the building. It is believed that local boys are guilty and several are under suspicion.

Boy Scouts Meeting Tonight

On Friday night, September 16th, at 7 p. m., a meeting of the Boy Scouts will be held at the Y. M. C. A. As this is the time for re-registration, every Boy Scout is urged to be on

A. V. Campbell Dead

It was indeed a shock to friends and loved ones when the announcement reached this city Tuesday afternoon that A. V. Campbell lost his life while performing his duties as trainman in the service of the Texas & Pacific railway.

Just how the accident that cost him his life came about will never be known, as his body had been caught under the wheels while the eastbound train was running between Barstow and Quito. Mr. Campbell was not missed by the other members of the train crew until the train was about to enter the siding at Quito. When he was not on hand to throw the switch it was evident that an accident had befallen him; and the train crew boarded the engine and went back over the line in search of their comrade. They found his body, at one side of the track, about one mile west of Quito. From the extent of his injuries, caused by two wheels of a car passing over his chest, it was evident that death was instantaneous. He met his death about 1 p. m. Tuesday. The remains were brought to this city Tuesday evening on passenger train No. 6.

The death of A. V. Campbell caused sorrow throughout our city, for he was loved and esteemed by young and old. He was aged thirty-nine years and eleven months and during the fifteen years he had been a resident of Big Spring he had won friends without number.

Some men aspire to great wealth but A. V. Campbell was one who practiced the teaching of the Golden Rule; friendship meant more to him than worldly riches; and there is no one in our city who was more beloved or who could boast of as many true friends as could he. A happy, generous hearted gentleman he spread sunshine in the lives of others and if he ever had a grouch he kept it to himself, for he always had a cheering word or a smile for his friends. He was a loyal son and a true and faithful husband and to the aged mother and the young wife, a sister Mrs. W. W. Satterwhite of this city, a sister in New Mexico, and a brother in Oklahoma, whose hearts are saddened by the taking of their loved one is extended the heartfelt sympathy of our entire citizenship.

The funeral services were conducted at the First Baptist church at 3:30 o'clock Wednesday afternoon by Rev. J. W. Harrison, pastor of the Presbyterian church. The Benevolent and Protective Order of Elks conducted services at the graveside in Mt. Olive cemetery.

Attesting the love and esteem our people bore towards this worthy young man, were the closing of every business house in Big Spring while the funeral services were being held, the church crowded with friends who wished to pay a last tribute to a beloved friend, the hundred or more automobiles that were in the funeral procession and the beautiful floral offerings.

Agricultural Exhibits

The Agricultural committee appointed to collect and prepare agricultural exhibits for the Abilene Fair, The Dallas Fair and the Waco Cotton Palace are very anxious to secure a creditable exhibit for those fairs and for that reason are appealing to each and every farmer in Howard County to aid in making our exhibit a winner.

Immediate receipt of agricultural products are necessary. Samples must be brought in before the middle of next week if we are to have an exhibit at the West Texas Fair at Abilene.

Among the samples of products especially desired are: Peanuts, Sweet Potatoes, Watermelons, Pumpkins, Kershaws, Squash, White Maize.

While these are the most needed—the best products of all farm, garden and orchard products are wanted. One and one-half dozen heads of maize, feterita, etc., are desired, one and one-half dozen ears of corn, etc.

Bring them in at your earliest convenience but before the middle of next week if possible for time is required, for sorting, classing and packing the exhibit for shipment to the fairs.

Old Howard County can have a fine exhibit if you will give your cooperation. It's worth while. Bring in your best products at once.

Methodist Revival Closed

The revival which had been in progress at the Methodist church came to a close last Sunday night.

The meetings were well attended, fine music and singing was a feature, and stirring sermons were delivered by the pastor Rev. Ben Hardy and Rev. Robt. E. Huston of Greenville.

Everyone attending was benefited by the inspiring sermons delivered.

Ward-Smith

Wednesday evening at eight o'clock at the Presbyterian manse, Rev. J. W. Harrison performed the ceremony which united in marriage W. H. Ward and Mrs. Ruby Smith, both of Big Spring. Their many friends wish for them a long and happy life together.

Yull Robb left Thursday evening for a business trip to Dallas. His

notice, Miss Mabel Robb, who has been

Fifteen Texans Go Out As Baptist Missionaries To All Parts of Globe

(1) Miss Mina Garrett, Waco, teacher of science, Eliza Yates College, Shanghai, China; (2) Neal, Decatur, educational work, Rio, Brazil; (3) S. S. Hawkeye State; (4) Miss Effie Evelyn, educational work among girls in Japan; (5) Mrs. Vencie King, Chapman, Houston, educational work in Carolina Smith Taylor, Ampassa, Bahia, Brazil; (6-8) Dr. and Mrs. W. A. Hamlett, Austin, Foreign Mission Board, Near East, with headquarters at Jerusalem; (9) Francis Willard Taylor, Brazil; (10) Miss Marjorie Taylor, Belton, educational work, Sao Paulo, Brazil; (11) Miss Minnie A. secretarial work, Kaitong, China; (12) Miss Lucille Reagan, Big Springs, evangelistic work, Kaitong, China; (13) Miss Viola Humphreys, Dublin, evangelistic work, Kaitong, China; (14) Mrs. L. Seminary Hill, evangelistic work among Hakkas, South China; (15) Miss Nora E. Hawkins, Child work, Campos, Brazil; (16) Marcus J. Scott, Seminary Hill, evangelistic work among Hakkas, South

From the larger proceeds of the Baptist 75 Million Campaign the Foreign Mission Board of the Southern Baptist Convention has been enabled to send out more than 160 new missionaries since that movement was launched, it is announced, and of that number sixty young men and women, representing fourteen states, have just sailed for China, Japan, Africa, Brazil, Argentina and Chile. In addition to these, Dr. and Mrs. Everett Gill of Kansas City will sail September 14 to become representatives of the Board in Europe, while Dr. and Mrs. W. A. Hamlett of Austin, Texas, have just sailed for Jerusalem, where they will maintain headquarters in acting as the Near East representatives of the Board.

The new missionaries to China and Japan sailed from Seattle, Saturday, August 27, on the Hawkeye State of the Admiral Line, while those for Brazil, Argentina, Chile and Africa sailed from New York on the Asolus August 17. They will be engaged chiefly in evangelistic, educational, medical and agricultural work and will be stationed at various points in these fields. While a large number of new workers have been sent out by the Board since the beginning of the Campaign, at least 100 other capable young men and women could be employed to advantage if they were available, Secretary E. F. Love advises.

Mission Money Gets Results.
Of the more than \$25,000,000 that has been collected in cash on the 75 Million Campaign to date, about \$5,000,000 has gone to foreign missions. This has made it possible not only to strengthen the old work on all fields and employ a large number of new

missionaries, but to do much other work, including building or making substantial additions to 15 boys' schools, 17 girls' schools, 37 mission residences, five hospitals and dispensaries, four light and power plants for mission compounds, 26 church buildings, four colleges, seven theological seminaries. In addition, assistance has been given seven church building loan associations, six new stations have been opened and equipped, land has been bought for the enlargement of several mission compounds, a home for orphans in Italy has been established, and a block of ground has been purchased in the heart of Rome for headquarters for the work in Italy, a theological seminary, publishing house, church and mission residence being provided on this property.

Enlarge European Field.
As a result of the Campaign, Southern Baptists have been enabled to greatly enlarge their work in Europe. They have carried on mission work in Italy since 1870, but now they have opened up new work in Jugo-Slavia, Hungary and Roumania, and have made a beginning, through the distribution of Bibles, in the Ukraine and Southern Russia and Siberia. To act as the European representatives of the Board in this enlarged program, Dr. and Mrs. Everett Gill of Kansas City were recently named. They will probably make their headquarters in Switzerland.

The first work Southern Baptists have ever done looking to the evangelization of Mohammedan lands has just been undertaken in Palestine and Syria, and Dr. and Mrs. W. A. Hamlett of Austin, Texas, have gone to Jerusalem, where they will superintend

the work of the native evangelists. It is planned to establish a church, theological seminary and college, hospital and orphanage at Jerusalem as soon as practicable and thus seek to reach other points in Palestine and Syria from this center.

Minister to 900,000,000 People.
With the enlarged foreign mission program of Southern Baptists that denomination is now operating in 18 countries on every side of the globe, and has in its employ practically 500 foreign missionaries and twice that number of native workers trained in the mission schools. Through its present missionary operations the Board is seeking to minister to 475,000,000 yellow people, 4,000,000 brown people, 200,000,000 black people and 225,000,000 white people, making a total of 900,000,000 people, or more than half the population of the globe. Numbered among its workers already on the field are 21 foreign physicians and 8 foreign mission nurses who last year gave 184,070 treatments. There are now 611 mission churches on the foreign fields and of this number 184 are self-supporting. The average contributions of these mission churches last year to denominational causes was \$5 per member, the Christians on the foreign fields responding more liberally as a result of the 75 Million Campaign.

The new missionaries sailing at this time were contributed by the following states: Alabama two, Arkansas one, Georgia five, Kentucky six, Louisiana two, Mississippi four, Missouri four, North Carolina three, South Carolina five, Tennessee five, Texas fifteen, Virginia six, Iowa one and Pennsylvania one.

Economic Division
Man...all Messenger: ... States Senator says the farmer's country are getting tired of supporting the cities, which shows either that Senator is a demagogue or that the farmer no more supports the city than the man who supports the farmer. Each is vital to the other; each has to perform; each helps the other enjoy the comforts and luxuries of life. Neither could get along very well without the other.

The farmer is a little more necessary to the man in town than the man in town is to the farmer. But not much. It is the man in town who supplies the farmer with tools. Also it is the town population that consumes the farm's products. No towns, no markets. The proper distribution of population for a nation is, approximately, one-third in agriculture and its branches, one-third in manufacture and one-third in distribution. This would mean that the farmers would raise the food and clothing supplies for two-thirds of the people, in addition to themselves. That industrial population would fabricate the essential wares and merchandise for two-thirds of the people in addition to themselves, and that the distributors would fetch and carry for the whole population, including themselves. Our own people are not quite so well divided as to popular employments as some others are, notably the French. To the American, French agriculture looks trivial and laborious and faulty. Nevertheless, France annually produces great quantities of grain and meat and fruits and wool. France has no enormous manufacturing plants such as are common in this country. Nevertheless, France manufactures a great deal of the world's fine wares, particularly ornamental fabrics. French railroads, French shops, French warehouses look small and slow and old and worn. Nevertheless goods are distributed quickly, safely and economically throughout France and her merchants are regarded as having no superiors. It is partly this fortunate and intelligent division of effort that makes the relatively small population of France so disproportionately important to the balance of Europe and the world.—State Press in Dallas News.

Stock Farm For Sale
A stock farm of 640 acres for sale, at a bargain. 250 acres in cultivation. Two sets of improvements. Best cat-claw land in Howard county. If you want an ideal stock farm don't overlook this. Will make terms. Write owner, L. E. COLEMAN, Box 26, Big Spring, Texas.

Everyone who wants their old home town to keep moving is invited to attend the family meeting of the Chamber of Commerce at the court house at 7:30 p. m., Thursday, Sept. 22nd. The ladies have agreed to prepare refreshments for 300 or more so be sure to come and enjoy this feature of the program. Water, ice, roads and schools are to come up for discussion. You are interested so come and take part. Your presence and cooperation is desired.

DR. CAMPBELL HERE EVERY SATURDAY
Dr. M. E. Campbell of Abilene, will be in Big Spring every Saturday to treat eye, ear, nose and throat, and fit glasses. (50-17)

The economical delivery service offered by the Ford Truck often makes it possible for the merchant or manufacturer to reach out for business that might otherwise be closed to him. It enables him to expand—to do a profitable business in outlying districts, near-by villages and suburbs.

A motorized delivery or hauling service broadens the business field and becomes a payer of dividends and a business builder for its owner.

Start now to build up your business with a Ford Truck.

The week of November 7 to 12 has been designated as the "Old Home-Town Paper Week": a week for the country paper to do something for itself and ask the community to do likewise. The local paper in season and out boosts for every project which has for its purpose the building up of the home community. It gives space freely and without stint to every good cause. This "Home-Town Paper Week" is designated as a time for all papers of the country to work co-operatively in boosting their circulations. This is not a selfish project as it may seem. Local business men are vitally interested and can help themselves by helping the home-town paper. Let the publisher put this project right up to the advertisers.

Years ago the writer was interested with a general merchandise dealer in a small country print shop. The merchant said, "The more subscribers for the local paper, the more people to read my ad." As a result he got busy and every time a new face appeared in his store, he would ask if they took the home-town paper. If not, he would set forth its good points and offer to take their subscription. The result was that in less than three months this one merchant had turned in over one hundred new subscribers.

Just think what could be accomplished if every merchant in a community would do just that for a single week for the home-town paper. They could add hundreds of subscribers, thus enlarging the circle of readers interested in the goods which he offers for sale every week and which are advertised locally. There are many ways in which the home-town paper can be boosted. If you have some plan, tell us about it so that it can be used in making this first "Home-Town Paper Week," November 7 to 12, a big success. Get into the game! Do your part!

Many Lives Lost in Flood at San Antonio

Many lives were lost and property damage amounting to many millions of dollars as a result of storms and floods in South Texas last Friday and Saturday. At San Antonio the greatest toll of lives was exacted when a flood swept thru the city, destroying hundreds of homes and submerging the business district in from 5 to 15 feet of water. The exact number of those drowned will never be known but it is thought at least two hundred lost their lives which swept down thru the city at night.

At Austin with an 18-inch rainfall in ten hours and Taylor with more than 23 inches of rain in two days considerable damage resulted.

Railroad, telegraph and telephone lines were destroyed as a result of the storms and floods which swept the southern portion of the state.

Don't Knock, Kick!

Knockers knock themselves over in the end. They are pests and we shun them as pests.

Be a kicker with a purpose. Kick for something. Kick to get somewhere. And kick yourself regularly.

All the great men of history were chronic kickers. First, they kicked themselves into shape for great tasks. Then they kicked for something and to some purpose until they landed.

A knocker is never satisfied with anybody except himself. A kicker is never satisfied with himself and gets somewhere, observes Sugarman's Indicator.

The rainfall at Taylor, Texas, last Friday and Saturday measured 23.65 inches—which is more than the annual rainfall accrued in our county. Austin reports more than 18 inches at the same time.

Miss Bertrude Davies returned Saturday morning from a visit in Fort Worth.

We have the best equipped optical department between Fort Worth and El Paso. CLOUGH JEWELRY CO.

A. D. Barber of Dallas, has been here this week representing the United States Loan and Investment Co. Mr. Barber had an appointment with a number of Howard county folks who are anxious to secure money from this company at three and four per cent interest. He expects to leave this week for Lubbock, Plainview and Amarillo, and will probably appoint local representatives at the places named. A representative is also to be appointed in Big Spring.

Always ready to supply you with best wood and coal. Phone 64. Big Spring Fuel Company. 50-1f

L. E. Coleman and Grover Dean of Big Spring are here this week visiting with friends and acquaintances and it is intimated that they are also seeking a suitable location in our city. Mr. Coleman has been manager of the Big Spring light plant for several years. And Mr. Dean has followed the profession as an electrician.—Lubbock Avalanche.

The largest assortment of Fountain Pens in Big Spring will be found at CLOUGH JEWELRY CO.

A man named Kelly whipped twelve men in a soft drink emporium in Duluth, Minn., and nearly got away with the four policemen who undertook to arrest him. The name Kelly fits this sort of a man, all right, but what was he doing in a soft drink establishment?—Galveston Tribune.

A Conklin self-filling fountain pen once used, always used. Ask the Conklin enthusiasts. Biles Drug Store.

The Big Idea in This Business

Q The "big idea" in this business to 'give something' to our customers.

Q That may sound like talk, an "awfully good" attitude. Not a bit of it. It's the greatest business building idea we ever got hold of.

Q If you give a little more value than anyone else; if you give a little more attention to styles, to personal service, everybody hears about it and everybody comes to you; it's what we all want.

Q The values are here and the merchandise is here. We'll be glad to show.

J. & W. FISHER
ESTABLISHED 1882

There seems to be a very dangerous practice among some of the Miami parents of late, in letting their children play on the streets. Nobody wants their child run over, neither does anybody want to run over a child, but children must not be allowed to play upon the streets especially the main business streets or it will surely happen. In the past few days three or four very serious accidents have narrowly been averted by children running directly in front of a moving car. The most careful driver of cars cannot avoid a child running in front of them, and so long as children play upon the streets they are likely to be hit. Keep them off, unless accompanied.—Miami Chief.

CLOUGH JEWELRY CO. has installed a modern up-to-date lens edger and can duplicate broken lenses on short notice.

An observing traveler remarks that one never sees a crowd struggling to get into an English street car, or anywhere else, for that matter. Passengers automatically line up, two by two, at terminals, amusement places, etc. Sometimes the line will be several blocks long, especially where football or race crowds are loaded. As soon as a car is full it is dispatched on its trip. There is no fighting, no jolting, no disorder. Sometimes there are policemen or street car officials to see that people take their proper place in line, but their presence is seldom necessary. The orderly ones, who are vastly in the majority, sees to it that nobody breaks the rule. "Queues" the British call these waiting lines. They have been educated to the system through a long period of years until it has become second nature with them. It seems odd that the plan has not been adopted long ago in America. We have it to some extent. Lines form as a matter of course in banks and in buying amusement tickets or railroad tickets. But the idea never seems to have been applied to the transportation problem involved in loading people on cars. The present method, or lack of method, as seen in New York, Chicago and other populous cities and sometimes in smaller places, is absurdly inefficient. Why not Americanize the "queue" and enforce respect for it?—Shreveport Journal.

How different to the hundred years of peace along the American-Canadian boundary that has never been overshadowed by fort or sword and that no sentry has ever challenged, would have been the history of this boundary had it existed in the Old World instead of in the continent of democracy and peace, where nations like men, trust each other's honor and live up to their own pledges. Boundary lines in Europe represent battle lines. Fortifications are the chief markings. Sentries are on guard at all times ever fearing that those across the line are plotting. With such distrust among the nations of Europe there is little wonder that wars break out with hardly a moment's notice. The United States and Canada have maintained peace for 100 years along a 3,000-mile border without forts and sentries. Disarmament would be much nearer a reality than it now is if other powers of the world could boast of similar records.—Amarillo Tribune.

Camels are made for Men who Think for Themselves

Such folks know real quality—and DEMAND it.

They prefer Camels because Camels give them the smoothest, mellowest smoke they can buy—because they love the mild, rich flavor of choicest tobaccos, perfectly blended—and because Camels leave **NO CIGARETTE AFTERTASTE.**

Like every man who does his own thinking, you want fine tobacco in your cigarettes. You'll find it in Camels.

And, mind you, no flashy package just for show. No extra wrappers! No costly frills! These things don't improve the smoke any more than premiums or coupons.

But **QUALITY!** Listen! That's **CAMELS!**

Camel

E. J. REYNOLDS Tobacco Co. Winston-Salem, N. C.

Similar Cases Being Published in Each Issue

The following case is but one of many occurring daily in Big Spring. It is an easy matter to verify it. You cannot ask for better proof.

S. S. Witten, auto mechanic, 904 Main St., Big Spring, says: "From crawling around under cars and being in a cramped condition all the time my kidneys became weakened. I had pretty severe pains in my back and they would draw me up so it was hard to straighten. Often I would become tired and little black spots would blur my sight. I found great relief when I used Doan's Kidney Pills and I have always had a box on hand since then." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv.) 11

Program for Social Service Company
The Social Service Company meets at the First Baptist church, Monday, September 19th at 4 o'clock; at which time the following program, will be rendered:

Vocal Solo—Mrs. J. C. Yates.
Address—"Why the Bible should be taught in our public schools."—Rev. J. Thos. Brown.
Discussion—Is not the work of this organization covered by the City Federation of Women's Clubs and the Home and School club—Mrs. K. S. Beckett.

Spectacles Lost

A pair of spectacles were lost at the ball park or between town and the ball park. The name of Dr. Hart and Hurst, Marshall, Texas, printed on the case. Finder please return to Herald office.

Women Take a Hand at Odessa

Odessa, Texas, Sept. 16.—Under the auspices of the Women's Auxiliary to the Odessa Commercial Club, Odessa had a cemetery "clean up" day last Wednesday. A half-holiday was declared, and all merchants and the bank suspended business during the morning, while several hundred citizens gathered at the cemetery and placed every lot and grave in order.

The Auxiliary prepared an excellent lunch which was served in the courtyard. After lunch, the newly opened and much admired ladies' rest room on the first floor of the court room was inspected. The room was furnished and equipped by the newly organized club, the activities of which, along the lines of civic improvement, have attracted state-wide attention and won for Odessa women merited recognition throughout the state.

This is the first organization of its kind in the country and that great interest in its progress is being manifested on the outside is daily shown by the number of letters of inquiry which are being received from Women's Civic Clubs from many parts of the country.

The Clean Up day was a great success and the women are now preparing to launch a town-clean-up day in the near future. Mrs. A. Q. Cooper, president of the Women's Auxiliary and S. R. McKinney, president of the Commercial club, were in charge of the arrangements, ably assisted by the respective Executive Committees of the two organizations.

Woman's Missionary Society

The W. M. S. of the Christian church met at 3 p. m. Monday, September 6, 1921 at the home of Mrs. Frank Kennedy.

Song—"Savior Like a Shepherd Lead Us."

Prayer—Bro. Brown.
Twelve members responded to roll call. Three new members were received.

Mrs. Ervin was appointed as delegate to convention at Goree.

Leader—Mrs. J. T. Brown.

Prayer—Mrs. E. W. Brown.

Bible Study—Bro. Brown.

Special music—Lula Jenkins.

"Among the Highlanders"—Mrs. Purser.

With Original Americans—Mrs. Hall.

Negro Americans—Mrs. Stephenson.

Benediction.

We were indebted to Miss Miriam Kennedy for dainty refreshments.

I am prepared to do all kinds of sewing; and guarantee satisfaction. Phone 59.

A meeting of the Home and School club will be held this afternoon. A splendid program has been prepared for this meeting.

Y. M. C. A. Meetings to be Continued

The splendid attendance at the Sunday afternoon meetings at the Y. M. C. A. for the two last Sundays proved the religious work committee of the Y. M. C. A. that there was sufficient interest in them for the association to continue them. So last Sunday the secretary took a vote on the matter and almost every man voted to continue them.

The speaker for last Sunday was Rev. Sam Hardy, presiding elder of the Sweetwater district of the Methodist church. He spoke on the common interests of men, suggesting the things in which all men have an interest and upon which all men meet on a common level. Rev. Hardy who has been helping in the revival meeting at the Methodist church in Odessa, Texas, for the past few weeks lead the singing and at the close of the service sang a beautiful solo. A male quartet composed of Mayor W. R. Purser, H. J. Shultz, C. Nance, Luther Smith rendered a beautiful service. Rev. Harrison offered prayer in which all that were present had a vital interest. Rev. Hardy, pastor of the Methodist church was present ready to aid in any manner which he could be of service.

A splendid program for next Sunday is under way. Some special music has already been arranged, and for the benefit of those who love music to announce that the major part of the service will be music. If you are a man or boy come and bring someone else, if not send someone.

Place Y. M. C. A.; Hour 5 o'clock

Married

Fred Collins and Miss Beatrice Scholz, of Toyah, were married in Pecos Wednesday at the Catholic church. Father J. R. Campos performed the impressive ceremony using the ring service. Mr. Collins was reared in Midland and is of a prosperous and highly respected family. He has been living in Toyah for the past few months.

Miss Beatrice was reared in Toyah, a graduate of the Toyah high school and is a splendid young woman. She is the eldest daughter of Mr. and Mrs. Felix Scholz, highly respected citizens of Toyah. The Enterprise wishes them much joy and happiness.—Pecos Enterprise.

Midland friends of both Mr. Collins and his estimable family will be interested to learn of this happy, and important event in the young man's life which took place on Sept. 13. Fred is the eldest of the four Collins boys, fine, manly fellows, all and the Reporter unites with numerous other friends in wishing him a life of happiness and prosperity.—Midland Reporter.

R. E. Carroll presented the Herald force with a fine watermelon Thursday. Mr. Carroll's gift was appreciated as the melon was one of the very finest flavored we have enjoyed this season.

J. L. Stallcup and son were here Wednesday from Roscoe to attend the funeral of A. V. Campbell. Mr. Stallcup was an uncle of deceased.

Jayhawks Begin Training

The Big Spring High School Football team, more familiarly known as the Jayhawks, are indeed in luck to have such a man as Mr. G. C. Cox for athletic instructor for the ensuing year. Mr. Cox is a graduate Normangee High school and later he attended Southwestern University. While in Southwestern he was a prominent figure in athletics, during which time he was a member of the football squad.

With the opening day of school Coach Cox issued a call for Jayhawks to begin training, with the announcement of the training season, the old members of the squad are looking forward with enthusiasm to the work of the season, and the Jayhawks—individually and collectively—are "all set" for the opening game.

With the old familiar saying in mind, "Let the dead bury its dead" the Jayhawks will undoubtedly forget the defeats of last season and concentrate their efforts on the coming season.

Material is no hard matter for Coach Cox, at the first call for men, some husky twenty-five reported every one a husky, willing and ready to work. But we are hoping that the men that do not get to play in the opening game of the season, are not the men that give up. Perhaps the best men who play on College teams, certainly the ones who appreciate most the honor which eventually comes to them, are the men who have been lowly scrubs for one or more seasons and who have finally won their places as regulars by dint of hard, persevering work.

Athal Porter, a three-year man on the team and playing his fourth year, as captain is the nucleus around which Coach Cox will build his team. Omar Pitman, another three year man, will be at his old place of fullback. W. Hardy, an end of last year's team, who will probably be seen in the backfield. T. Hardy will be at the wing position. Melvin Pitman, the 14-year old center, will again battle for his rights. "Citizen" Line will undoubtedly be in his old place at tackle. Other men who will show up are Pistole, at half; Cardwell, at end; Bonner, on the line; Rogers, on line; Balley, in the backfield; O'Barr at half, and L. Porter, Pike, Hefley, Reagan, Wills, Gay Currie, Stovall, Horn, Barnett, and Thomas on the line.

The first game of the season will be played with Midland High on the local gridiron on Friday, September 23rd. Let's all boost for the Jayhawks!

Don't Forget It

I am still in the mattress business in the rear of the Bell Produce Co.'s fruit store. I have a stock of new, full long lint, white cotton mattresses, everyone guaranteed to satisfy purchaser.

I also renovate and make over that old mattress for your for the small sum of four dollars, plus the cost of ticking.

I have put out over two hundred of my mattresses here and at other towns west of here and my best reference is anyone of my customers.

Come in and see or phone, residence phone 305; or phone Bell Produce Co. No. 474 and call for me. J. R. CREATH

Mrs. A. E. Pistole Entertains

Mrs. A. E. Pistole delightfully entertained a few friends at Bridge last Friday afternoon.

Three tables of players took part in the series of thoroughly enjoyed games. Miss Clara Pool was awarded a prize for making high score and Mrs. Joyce Fisher was awarded a consolation prize.

Delicious refreshments added much to the pleasures of the occasion.

Bridge Club Notes

Mrs. Joyce Fisher entertained the members of the Bridge Club Wednesday afternoon an especially jolly meeting being in order.

In the games of the afternoon Miss Velma Wasson made visitor's high score and Mrs. W. W. Rix made club high score.

Delicious refreshments were enjoyed.

Nichols-Anderson

Rev. James Willey on last Monday performed the ceremony which united in marriage C. A. Nichols and Miss Welma Anderson. The contracting parties are well and favorably known in our county and we join their many friends in extending best wishes for a full measure of happiness.

Episcopal Church

There will be a weekly celebration of the Holy Communion every Wednesday morning at 9:00 a. m. beginning on September 21st and a Litany with intercessions for the Parish on Friday evening at 7:30 p. m. beginning Friday September 23rd. Rev. F. B. Eteson, Rector.

First Baptist Church

Regular preaching services at 11:00 a. m. and 8:00 p. m.

Rev. McMahon, pastor of the First Baptist church of Eastland, will supply the pulpit for Dr. Kendrick both hours, 11 a. m. and 8 p. m.

Dr. S. W. Kendrick, Pastor.

Presbyterian Circles to Meet

The Circles of the Presbyterian Auxiliary will meet next Wednesday afternoon at 3 o'clock. The Dorcas with Mrs. Piner, the What-so-ever's with Mrs. Ellington, and the King's Daughters with Mrs. Wills.

Mrs. L. F. Canter who has been spending the summer with her mother Mrs. Dora Roberts left Thursday evening for Houston and New Orleans where she will join Mr. Canter.

Miss Jennie Bell left Thursday evening for Pelican, La., where she will teach school.

Oh, Boy!

Constance Talmadge

What a Vamp

Mary falls in love with a woman hater. She leaves no stone unturned to make the human icicle fall but he is immune until—

For Blue Bugs
and all Blood Sucking Insects. Simply feed "Martins Blue Bug Remedy" to your chickens. Your money back if not absolutely satisfied, ask Cunningham & Phillips. 47-13t.

We were forced to leave out several very interesting articles this week on account of their arrival in the office too late. We are always rushed with too much copy Thursday and Friday morning, so to insure publication of any long articles, get them in early in the week.

Schools opened Monday with an especially large attendance and the work of the year was started in good shape. The attendance on opening day this year equalled the highest attendance mark of any date during the last school year.

Miss Lucile Reagan left Wednesday evening for Africa where she will go as a missionary for the Baptist church. She will spend a week with her sister, Miss Ona Reagan at New York.

Ask your neighbor what he thinks of that whole lint, tufted mattress made by the J. R. Creath factory, located in rear of Bell Produce Co. (Adv.)

Ellis Douthit of Sweetwater was attending district court here Wednesday.

B. F. McKinney of El Paso was a visitor here the latter part of last week.

Y. M. C. A. Auxiliary Notes
The Y. M. C. A. Auxiliary members are enthused over beginning their work again after several months' vacation during the summer.

Tuesday afternoon was the first meeting and a very interesting session it was. Mrs. Hatcher, president, very ably presided and after some suggestions from Secretary Bass as to how we could assist the "Y" work, plans were made to do several things. A vote carried to give \$15 for subscriptions to magazines for the reading room.

We have also volunteered to assist the High Y Club in any way they may ask.

Among the good numbers on program was a talk by Mrs. Wills on the history of the Y. M. C. A. organization in Big Spring. She spoke of the great benefit it has been and still is to the men and boys of Big Spring.

Miss Barnes told of some of the things the Auxiliary had done financially to assist in keeping up the "Y". We believe the Auxiliary is a very helpful and necessary organization and wish it might have the earnest support of every woman in Big Spring.

It is planned to have a social good time soon by the way of a party. Meetings will be held regularly on the second Tuesday in each month. We want every member present for October meeting. Press Reporter.

Mrs. Frank Wynn returned Wednesday from a visit with her son and daughter at Fort Worth.

Epworth League
With the beginning of fall the Epworth League will take up their work again. Regular meetings will be held at the M. E. church each Sunday evening at 7 o'clock.

All young people are wanted. Wont you come Sunday and bring some friends.

Following is the programme for September 18th.

Leader—Miriam McDonald.
Song.
Scripture lesson; 1 Cor. 12 chapter.
Prayer.
Special music.
President's address.
"Cooperation", by Pastor.
How the Budget System is used in the League—Martha Deats.
Business.
Benediction

Your Patronage Appreciated
P. McDonald & Co.
 Shoes and Mens' Furnishings

DID YOU KNOW?

The price of lumber and other building material has about doubled the bottom? This must be a fact.

We had a tip the other day that we could expect higher prices for lumber, sash, doors, and mouldings. If these go higher, we expect all kinds of flooring to advance.

Our prices are the lowest that they have been since the peak of the boom, and are well in line with the cost of production; and in the time for you to get busy and do your improving and remodeling that you have been holding up on account of high prices.

Paints are also down so much that it no longer pays to allow buildings to go unpainted, as the depreciation amounts to more than the cost of painting.

A Peculiar Attitude

The Fort Worth Star-Telegram finds fault with the democratic national committee for its recent statement on the disarmament conference, which the Star-Telegram headlined "An Unfortunate Utterance." Then Truth is unfortunate, for the committee did nothing more than point out a few truths which any observer is familiar with.

Statements like the following would sound all right from a Republican newspaper, but coming from a Democratic paper like the Star-Telegram they sound strangely narrow:

The Democratic National Committee therefore, has raised a false cry. It has gone off half-cocked and made a declaration which may be recalled to it in the future in embarrassing fashion. It is unfortunate. The committee should have kept off the question of the disarmament conference. It is not the property of a political party, unless the bungling of the Democratic National Committee makes it so. The representatives of this Government will not sit at the conference as Republicans or Democrats, but as Americans.

But the fact is that men who will sit at the table and represent America will be three republicans and one democrat. One of the republicans is the man who wrecked the league of nations, a strange sort of companion for men who meet to effect a settlement involving the peace of the world. The democrat is a man who did not hurt himself in trying to put the league through the senate, but had some rather caustic comment to make, if we remember rightly, about Senator Hitchcock's failure to do so.

Why not let the Marion Star apologize for Mr. Harding, Star-Telegram?—Abilene Reporter.

Opens Blacksmith Shop

J. M. Hayley has opened a blacksmith shop on West First street and is prepared to do all kinds of blacksmithing. He is also prepared to do ox-welding. Give him a trial. (Advertisement)

Study of Early Fossils

The fossil shells of the early invertebrates, or spineless creatures, are of great importance to geologists, for they indicate the geologic period in which the rock beds containing them were formed. In other words, the age of the rock. Each fossiliferous rock bed contains characteristic forms or groups of forms that determine the period in which it was mud or sand. Former Director Powell, of the United States Geological Survey, once tersely explained to a congressional committee the value of paleontology by saying that it is "the geologist's clock," by which he tells the time in the world's history when any rock bed was formed.

The economic importance of paleontology has been repeatedly shown in this country. In the earlier exploitation of anthracite coal thousands of dollars were fruitlessly expended in New York in search of coal beds, until the New York geologists showed that the beds in that state could contain no coal. The fossils in the New York rocks exploited are of Devonian age, whereas the fossils of the Pennsylvania anthracite coal beds belong to the Carboniferous, a much later period. This discovery at once stopped a useless expenditure of money.

In times of doubt and perplexity the geologist therefore turns to the paleontologist for light on the age and original order of the rock beds he is studying. The study of the animal and plant remains that are embedded in the rocks has thus become an important part of geologic work, and although the specialists who are engaged in this study are few, their work is of high importance.

Land For Sale

120 acres of land adjoining the town of Lamesa for sale. If interested address, or call on, J. H. HALLER, Big Spring, Texas. 50-121

Man Made Crimes

Quoting the thought recently expressed by former Vice-President of the United States Thomas H. Marshall, "the average attitude of indifference to the enforcement of laws in the United States results from the creation of too many crimes by legislative enactment." Mr. Marshall continues: "No law carrying a penalty such as would make its infringement a crime, is passed in England unless the demand for such a law is almost universal. This makes its enforcement sure and certain."

How different it is in the United States. A few agitators or professional reformers get together and by thorough organization contrive to create a semblance of a demand, and then by constantly harassing legislators, secure a passage of a new law creating another "man-made" crime. Many times the law is passed in order to become rid of agitators. Again, legislators vote for it because of their over-estimation of the political influence back of it. In most cases it is understood that after the first flurry is over, the people will pay but little attention to the law's provisions. It is well known that no law can be effective unless there is a genuine desire on the part of the people that it be strictly enforced.

There are more laws on the statute books in America than in any other country in the world, and Americans have less respect for its laws and its courts than any other people in the world.—Farm and Ranch.

Pork Barrel

The Dallas News declares editorially that the movement which West Texas started several years ago to obtain an Agricultural and Mechanical College, while it failed itself, resulted in a flock of other educational institutions being established by the legislators. Governor Neff, is says, approved an appropriation of \$175,000 for the Nacogdoches Normal, which is only 75 miles from a similar institution, but exacted a promise that the money would not be taken from the treasury before 1922.

A West Texan would feel at liberty to ask the governor why he killed outright the second West Texas A. and M. bill, instead of holding it in abeyance like the Nacogdoches Normal—also like the senatorial redistricting bill. It probably will do no good to ask.

The News has fought valiantly for the West Texas A. & M. in the last campaign. It is thought then and it thinks now that West Texas is entitled to this institution. There can be no doubt on that score, but West Texas has not been fortunate in getting what it needs on what it has a right to expect. It must content itself with whatever is doled out to it by the legislature.

The Ashworth Home treatment and care of Tuberculosis.

A Gloomy Prospect

A town that never has anything to do in a public way is on the way to the cemetery. Any citizens who will do nothing for his town is helping to dig the grave. A man that "cusses" the town furnishes the coffin. The man who is so selfish as to have no time from his business to give affairs is making the shroud. The man who will not advertise is driving the hearse. The man who is always pulling back from any public enterprises throws bouquets on the grave. The stingy man who is always howling hard times preaches the funeral and sings the doxology. And thus the town lies buried from all sorrow and care.—Moore Haven (Fla.) Times.

Rev. J. W. Harrison left Tuesday for Van Horn, Texas, to attend the annual meeting of the El Paso Presbytery. The Presbytery which convened Tuesday evening held thru Thursday.

Civic Creed

My city is the place where my home is founded; where my vote is cast; where my business is situated; where my children are educated; where my neighbors dwell, and where my life is chiefly lived.

My city has a right to my civic loyalty. It upholds me and I must support it.

My city wants my citizenship, not partisanship; friendship, not selfishness; cooperation, not dissension; sympathy, not destructive criticism; my intelligent support, not indifference.

My city supplies me with law and order; trade, friends, education, recreation, and the rights of a free born citizen.

I should and do believe in my town, and I will work for it and stay with it on every occasion.—The Town Builder.

College of Industrial Arts

(STATE COLLEGE FOR WOMEN)
 DENTON, TEXAS

The College of Industrial Arts offers the following advantages to Texas girls: (1) a pleasant, healthful, and accessible location in the State of Texas, (2) an unimpeachable moral and religious environment, (3) freedom from distracting internal and external influences which tend to lower the morale of the student body and the value of the work of the College, (4) a standard of living that discourages extravagance, and promotes a democratic spirit in keeping with sound economy and with the best American traditions, (5) courses of study that combine sound culture and accomplishment with preparation for practical, useful living; that chiefly keep in view the needs of the present and the future; and that are flexible enough to allow, within safe limits, conformity with the aptitudes and inclinations of the individual student, (6) a faculty of college and university trained specialists—men and women of maturity, scholarship and demonstrated teaching ability, (7) an administrative system that develops initiative, resourcefulness, and self-control on the part of its students, and fosters the highest ideals of character and conduct.

It is a College of the first-class and gives literary, technical and vocational training of the best quality, designed to develop mental discipline, social culture, spiritual vision, and efficiency. It confers the degrees of bachelor of arts, bachelor of science, bachelor of music, bachelor of business administration, and bachelor of literary interpretation; awards vocational diplomas and certificates, and issues teachers' State certificates.

The next session of the College opens Tuesday, September 20, 1921. For further information or for the latest catalogue, address

GARY & SON DRY GOODS, GROCERIES & GRAIN BIG SPRINGS, TEXAS

Notice of Probate THE STATE OF TEXAS COUNTY OF HOWARD.

To the Sheriff or any Constable of Howard County--Greeting: You are hereby commanded to cause to be published for ten days in a newspaper of general circulation, which has been continuously published for a period of not less than one year in Howard County, Texas, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Antinio Rosales, deceased:

Juana G. Rosales has filed in the County Court of Howard County, Texas, application for the probate of the Last Will and Testament of Antinio Rosales, deceased, filed with said application, and for Letters Testamentary of the estate of said deceased, which will be heard at the next term of said Court, commencing on the first Monday in October, 1921, same being the 3rd day of October, 1921, at the courthouse thereof in Big Spring, at which time all persons interested in said estate may appear and contest said application, should they desire to do so.

Herein fall not, but have you before said Court on the said first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court at my office in Big Spring, Texas, this 7 day of September, 1921.

(Seal.) J. I. PRICHARD, Clerk, County Court, Howard County, Texas.

A true copy I certify: J. W. McCUTCHAN, Sheriff, Howard County, Texas.

THE FUEL THAT YOU WILL SAVE WITH NEW WALL PAPER WILL PAY FOR THE WORK AND PAPER IN ONE WINTER....CUNNINGHAM & PHILLIPS.

True to the rosy promises made by the Republicans a year ago we have gone back alright, but not to normalcy or anything approaching same. The smooth talking Republicans persuaded us that we wanted a change, and a change from plenty of work and easy money to conditions giving us an army of 6,000,000 unemployed is making Wilson haters open their eyes.

Clifford B. Casey, state president of the Epworth League, will be here Saturday. He has asked for a meeting of all Leaguers at the church Saturday evening at 7:30. He has much interesting information for us. Be sure to be present.

When it comes to flash lights or supplies, we have them....Cunningham & Phillips.

The real secret of a happy life is putting one's powers as far as they will go.

They are beginning to bring in specimens of agricultural products for the exhibits at the Dallas and other fairs. Some samples of milo maize, feterita, and red kaffir brought to the office of the Chamber of Commerce this week by O. J. Brown are about as fine samples of these grains as can be grown in any man's country. If others can produce samples to compare with these Howard county is going to have a winning exhibit.

DON'T LET MOSQUITOES EAT YOUR BABY UP... "SWEET SLEEP" WILL KEEP THEM OFF....CUNNINGHAM & PHILLIPS.

A. J. Jackson, son of Mr. and Mrs. T. L. Jackson, returned last week from San Antonio, having received his discharge from the U. S. Army. He had been attending the Motor Transport School at Camp Normoyle the past two years.

Pierrette face powder sells more than any other face powder in Big Spring and there is always a reason...

Church of God

Revival meeting began Monday Sept. 5. Bro. T. H. McNeel, evangelist is being used of God in preaching the Word of God. All lovers of full Gospel are especially invited to this meeting. We are praying and expecting God to meet with us in power and glory, convicting and saving sinners, sanctifying and filling believers with the Holy Ghost, healing the sick, etc. Services each evening at 7:30 p. m. Day services will be announced later from pulpit. Everybody is invited to come and sit at Father's Table and partake of the great feast that will be spread before us from day to day throughout the meeting. This meeting will possibly continue over Sunday week. Be sure and come. W. S. Hancock, Pastor.

Mail Robbers Killed Near Fort Worth.

Billy Edwards, former engineer of the Texas & Pacific railroad and Chas. Morris, a waiter, both of Fort Worth, were killed Wednesday night in an unsuccessful attempt to rob the mail car of T. & P. passenger train No. 11, just a few miles west of Fort Worth. Officers concealed in the car and near the scene of the hold-up, who had learned of the plans for the hold-up shot the two men when they made the attempted hold-up. A third confederate in charge of an automobile made his escape.

Billy Edwards was well known in Big Spring, having worked here as a fireman for the T. & P. a number of years. A son Telma Edwards, aged 20 years, residing in Dawson county, and a sister residing in this county, left Thursday night for Fort Worth.

Let's Swap

If you have anything in West Texas you want to trade for anything else write us about it. There is some fellow wants what you have and has what you want and we will find him for you.

Citation THE STATE OF TEXAS

To the Sheriff or any Constable of Howard County--Greeting:

You are hereby commanded to all persons interested in the estate of Grady Robinson, a minor, by this notice to be published for ten days in a newspaper of general circulation, which has been continuously published for a period of not less than one year in said Howard County, Texas, to appear at the regular term of the county court, Howard County, Texas, to be held at the courthouse thereof, in the city of Big Spring, on the first Monday of October, 1921, same being the 3rd day of October, 1921, and contest, if you see proper to do so, the application of Agnes Barnhill, a feme sole, which has been filed in said court for the guardianship of the person and estate of said Grady Robinson, a minor.

Herein fall not, but have you before said court at the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Big Spring, Texas, this 14th day of September, 1921.

(Seal.) J. I. PRICHARD, Clerk, County Court, Howard County, Texas.

A true copy I certify: J. W. McCUTCHAN, Sheriff, Howard County, Texas.
