## C. S. EVANS HERE TO AID 4-H CLUBBERS

The regular weekly noonday luncheon of the Chamber of Commerce was held at the Hereford Hotel Monday. The usual number were present and the meeting was addressed by several good talks from visiting men and local members. Mr. Black made the dinner feel happy when he announced that the ladies of the Presbyterian church would serve dinner to the members and visitors next Monday at the Cordova Hotel. He stated that the Presbyterian ladies served a wonderful luncheon a few weeks ago to his body, but that will be no patchin' to what we are to get next Monday.

Kirk Edwards, of Henrietta, Texas, was present and expressed himself as being delighted with the outlook of the Hereford country, even though it is in need of moisture. Mr. Edwards owns four and a quarter sections of land about twenty-five miles northwest of this city, of which 100 acres are now in cultivation and that another quarter is being broken for full plowing.

Mr. G. Dunkle introduced C. S. Evans of College Station who said, "It is my work, as a specialist on Boys' and Girls' clubs, to make an occasional visit to each community where a county agent is established and get first hand information from the club members themselves. The business man should realize the importance of this phase of farm life and work and get behind the boys and girls of this community and see that they lack nothing to make club work paramount this summer." Mr. Evans related instances of how club workers last year increased grain averages as much as eight bushels per acre, how two hundred more used cotton was produced on an acre, the tonnage of pigs increased and the stock of cattle and dairy cows were made to produce more profit. Mr. Evans also related how boys and girls are taught to cull and judge poultry, balance a ration for the cow, sow and hen. "Livestock," Mr. Evans said, "is the foundation of the farm."

Mr. Black, in a few words, praised the work of our county agent and said, "The county agent was not sent here to instruct the farmer how to farm but to work through the boys' and girls' clubs and reach the parents through club work."

E. W. Harrison, chairman of the local highway department, of the Chamber of Commerce, reported the Abo meeting at Clovis last Monday, giving the dinner some reminders what must be done in the way of road building and permanent construction if we want our present highways to continue thru Hereford. Mr. Harrison said, "The Abo highway is practically paved from Tulsa to the Texas-Oklahoma line, only a few stretches of road needs paving and in the next year the Postal, the Southwest Trails and the Abo will be paved roads thru Amarillo." Mr. Harrison also stated that the Abo would be marked only as far as Amarillo at this time. He also made a brief statement of the Panhandle Grain Dealers' Association convention held in Amarillo last Friday. Mr. Harrison said, after interviewing a number of grain dealers from various parts of Northwest Texas and Oklahoma, "Hereford is in better shape than any other wheat crop and raise a row crop than any other section, with the exception of Southern Oklahoma."

Mr. Black proposed a resolution that Mr. Harrison's speech was well worth an extra applaud. "I therefore take great pleasure," Mr. Black said, "in presenting to you the new vice president of the Abo highway." Needless to say, Mr. Harrison received a real ovation.

Ralph Smith, director of the high school band and orchestra and the city band, announced a special concert to be held in the high school auditorium on Friday night, June 10th, the program to be announced later in the Brand. A small admission will be charged to defray expenses and to complete the last payment on their new uniforms, he stated. He said the two bands are to consolidate for the purpose of playing a weekly concert on each Thursday night and that additional contributions are needed to defray expenses for the next four months. Mr. Smith said we have received a number of calls from different communities to play concerts at school

## J. W. Houston Family Remove to Plainview

J. W. Houston and family left Thursday for their new home at Plainview. Mr. Houston traded in his home place, a twenty-acre block northeast of town, for a section of land about twenty-eight miles northwest in what is known as the Strudwick property, to J. W. Brown. Mr. Brown is a wheat farmer in the west part of this county and will move to his place here the latter part of this week. Mr. Houston's home in Plainview is a small farm of thirteen acres just outside the city limits in what is known as the Seth Ward addition.

Mr. Houston is one of Hereford's best citizens. He served for a number of years on the local school board and was a member of this board up to the time he left.

## Will Pay Premium of \$25.00 for Best Bull

The Hereford Chamber of Commerce is offering a prize of \$25.00 to the man in the Deaf Smith county bull circles who keeps his bull in the best condition during the present season. The bulls will be shown at the Deaf Smith county fair in September and the prize is to be awarded at that time. An eight bulls are already in the two circles here, and three more are to be shipped into the county soon, competition is expected to be keen for the Chamber of Commerce prize.

## Dixie Cafe Taken Over By New Proprietor

The Dixie Cafe changed hands last week. J. C. Baker, former cook of the cafe, becoming the new proprietor. Mr. Baker leased the fixtures and purchased the lease on the building for the year. Mr. and Mrs. Baker have been in Hereford since last November and their many friends will be glad to hear that they are enjoying a thriving business. Miss Inez Latham will assist the Bakers.

houses, we have responded and never a single time, when called upon, failed to report with a band adequate to fill the bill. Mr. Black praised the work of Mr. Smith and promised help in the near future.

Rev. Thurmond Morgan, pastor of the First Christian church and chairman of the charity committee of the local Chamber of Commerce, made an interesting report on the committee's work for the past year. Rev. Morgan told of the professional beggar, the deaf and dumb man who could both hear and see, the grafter with falling health, and a number of others who make begging a life study. Rev. Morgan, in closing, said, "Your charity committee is not afraid to work; call on us immediately when the stranger makes his appeal for aid; we have the money to help any worthy person or cause, but please don't give them money until you see us first."

The meeting adjourned after Mr. Black announced again the meeting place next Monday noon.

## C. OF C. SIDE LIGHTS

After listening to the talk of Ralph Smith, band leader, at the Chamber of Commerce luncheon Monday, L. Buskin said: "I decided to make a search of the laws to see if there was some way provided by statute to take care of the situation we are now up against."

"I find Senate Bill No. 77, passed at the regular session of the legislature reads in part, as follows:

"Any incorporated city or town in this state is authorized to establish and maintain a band in such city or town, for the maintenance and operation of such band, as the governing body of such city or town may determine. It provides, however, that the total amount of such appropriation for any one year shall not exceed three mills for each one dollar of taxable value of property within such city or town. It shall be the duty of the governing body of any city or town within this state, upon a written petition, signed by a number of property tax paying voters, equal to at least ten per cent of the total number of votes cast at the last regular municipal election, to submit to the qualified tax paying voters, within such city or town, at an election for that purpose, the question as to whether or not a band shall be established and maintained by such city or town, etc."

A letter from C. W. Humble at Las Cruces, New Mexico, states: "I have had a fine trip to El Paso, Carlsbad and the Cavern. Found the Cavern more than advertised. I visited at Las Cruces and attended the State College commencement exercises there."

A. H. Streu and Carl Frye made a business trip to Amarillo Monday.

## Memorial Day

MONDAY, MAY THIRTIETH, IS MEMORIAL DAY, observed

in some manner throughout America, and while it does not seem possible to observe the day in Hereford with a special program, all should at least pause on that day in memory of our deceased soldiers who have fought in the defense of Our Country, and all those who can are urged to go to the graves of those who rest here and place thereon such floral offerings as they may have provided.

E. S. IRELAND, Mayor.

## Presbyterian Evangelistic Services Here

On the coming Sunday special evangelistic services are to begin in the local Presbyterian church. The pastor, Rev. Jas. T. Ross, in accordance with the request of the session and congregation of his church, is to do the preaching. Services will be held twice on Sundays, and one preaching service each evening at 8:20 during the week days of the meeting.

The Rev. B. S. Watkins, of Seneca, Texas, will have charge of the music and direct the organizational activities of the revival. Mr. Watkins has had extensive experience in revival campaigns, having conducted a number of very successful revivals during the past few years. He will be thoroughly at home in the special phases of the work which he is to have charge during the campaign.

An unique interest attaches to the time which has been selected for the opening of these special services. It is the second anniversary of the pastor's call to the local church. The call was accepted some weeks later and it was on the first Sunday in September that Mr. Ross came to assume the responsibilities of the pastorate here, coming at that time from the pastorate of the First Presbyterian church at Stephenville, Texas, after a most successful pastorate there.

During the twenty-one months that Mr. Ross has been pastor here there has been a large increase in the membership of the congregation, in Sunday school attendance and in both interest and attendance upon Christian Endeavor services.

It seems to the membership that the time has come for the launching of a revival campaign under the leadership of the pastor, hence, it was recently decided that such services begin at once.

These activities will characterize the campaign. During the days of the revival special prayer circles will meet in various parts of the residence sections and junior work under Mr. Watkins' direction will be conducted at an early hour to be announced, as likewise young people's services.

Both congregation and pastor unite in extending the most hearty welcome to all the people of Hereford and surrounding communities. It is hoped that the revival shall be of large helpfulness to the entire community and to communities surrounding Hereford.

The services will be held at the Presbyterian church and ample accommodations will be provided for all who may attend. Extra seats will be placed in the Sunday school rooms which join the main auditorium so that the congregation can find convenient and comfortable seats during the services.

A letter from C. W. Humble at Las Cruces, New Mexico, states: "I have had a fine trip to El Paso, Carlsbad and the Cavern. Found the Cavern more than advertised. I visited at Las Cruces and attended the State College commencement exercises there."

A. H. Streu and Carl Frye made a business trip to Amarillo Monday.

## CLUBBERS TO BE REWARDED FOR EFFORTS

A great deal of interest in Club work is being aroused in Deaf Smith county because of the attractive prizes that local business men are offering for the winners of the various Club projects, and County Agent Dunkle predicts that a large portion of the exhibits for the local county fair will be brought in by Club boys and girls of the county.

Last year five free trips to the State Fair at Dallas were given by local business men, and as a result of this, fourteen business men of Hereford have hung out some attractive prizes, and these dangling before the youngsters' eyes are causing no little interest.

To give boys and girls over the entire county an equal chance, a free trip to the Farmers' Short Course at A. & M. College has been offered to the boy or girl who makes the best record in each community of the county. The winners are to be determined by the records that are turned in to the county agent on the Club projects, and on the exhibit of the product produced. Here are the men who are offering prizes: Ralph Barnett, T. E. Selgier, J. O. Newel, City Drug Store, Ford Motor Co., Sprowls-Cronin & Co., Rockwell Bros. Lumber Co., and Frank Giles.

Boys and girls from all parts of the county will compete for six other free trips that are being offered by Hereford business men to the Dallas Fair. These are being offered on poultry, Jersey cattle, Hereford cattle, hog, field crops and baby beef. B. B. Implement Co., Thompson & Ireland, A. H. Roberts, Claude Roberts, First State Bank & Trust Co., First National Bank, and Western National Bank are offering these trips. The winners are to be determined on the exhibits displayed at the Deaf Smith County Fair, and the project books turned in to the county agent.

One remarkable thing about the trips that are being offered is the fact that the business men do not regard these prizes as donations, but consider the undertaking as an investment. They feel that the development of the various lines of agriculture and the individual advertising will give them value received.

Once each month Mr. Dunkle holds a county-wide Club rally in Hereford, where the youngsters learn of the work that is being done over the county. At these meetings the prizes that are being offered by local business men are stressed, and each Club member returns home with a determination to win a trip to the A. & M. or to the State Fair. Mr. Dunkle predicts that these youngsters will help put over the Deaf Smith county fair in a big way this fall.

Miss Margaret Ricketts, daughter of Mr. and Mrs. Ira Ricketts, returned home Tuesday from her school near Childress, where she has been teaching this past term.

## W. M. S. Had Very Successful Meeting Here This Week

The W. M. S. ladies of the Panhandle met here last Tuesday and Wednesday at the Methodist church. About forty visitors were present the first day and over one hundred were here the following day. Out of the twenty-one auxiliaries in this association, nineteen were represented.

Mrs. J. F. Ward, president, reported the devotional services above the average and all went to their homes with the determination to work with a greater zeal for the cause. The meeting, Mrs. Ward said, was a spiritual feast and many testified to a wonderful spiritual uplifting.

Wednesday at the noon hour and in the evening dinner and supper were served to all and the young folks were entertained at a buffet luncheon at the Broadwell home by Miss Ella Broadwell, local president of the society. Wednesday the visitors were taken to the country in cars for an inspection of irrigation farms on which the wells were in operation.

A full report of the proceedings of this meeting could not be obtained for use in this week's Brand, but full details will be given next week.

## Norman Wilson, Boyina, Died Sunday, May 22nd

Norman Wilson, of Boyina, Texas, a brother of J. H. Wilson, of this city, passed away last Sunday, May 22nd, at Boyina. Mr. Wilson was a member of the Clear Creek Lumber Company for the past twenty years. Mr. Wilson was 37 years old last November and leaves a wife and three children. The remains were laid to rest in the Boyina cemetery. Mr. and Mrs. J. H. Wilson and daughter, Miss Floyd, and Mr. and Mrs. Bob Wilson attended the funeral services.

## Hereford Young Ladies Touring Pacific Coast

Misses Grace Skelton and Leatrice Rogers left Tuesday, May 17, for a vacation trip to points along the Pacific Coast. They went via the Grand Canyon, sight seeing there for a few days, then on to Pasadena, California, visiting with friends of that place. They will spend several days in Alhambra, California, visiting Mrs. Joe Elliston. Mrs. Elliston will be remembered as Miss Virginia Laird. From Los Angeles they will go to San Francisco, then by boat to Seattle. The return home will be by way of Yellowstone Park. They expect to be gone about six weeks.

Mr. and Mrs. W. B. Anthony arrived home Wednesday from Clovis at which place they have been visiting relatives for the past week.

Mr. and Mrs. W. E. Hicks left Thursday morning overland for Waco, Texas, to attend the graduation exercises at Baylor. Their son, Harold, is a graduate this year, and a daughter, Miss Lucille, is a student there.

## Out for Honors In Ton Litter Contest of State

Fleet Callaway, Deaf Smith county Club boy, is out to capture a prize in the Ton Litter contest. Fleet's 1926 club project was a Duroc Jersey gilt. In March this gilt farrowed nine exceptionally fine pigs and young Callaway has entered these in the Ton Litter contest.

He feeds a balanced ration consisting of protein supplement feed, which is mixed with home-grown milo and kafir. These pigs are making a rapid gain and young Callaway is liable to make some one step for honors.

## New Improvements On Rural School Houses

Daniel community is to have a new school house, Judge Wilson informed the Brand this week. The new building will be located near the old one, eighteen miles northeast of Hereford on the Dawn-Baldonado road. The school will contain two rooms and will be modern in every respect. The construction will be of frame and stucco and the contract will be let this week.

Westway community is to have a new four-room teacherage soon. Construction will be of stucco and a contract will be given in the next thirty days. The Westway school is a three teacher institution and one of the most progressive in the county.

## Church of Christ Will Begin Revival June 5

Beginning Sunday, June fifth, the Church of Christ will conduct a series of meetings, to continue for two weeks. Evangelist J. W. Dunn, of Dallas, Texas, will do the preaching and Raymond Hazlett, of Harding College, Morrilton, Arkansas, will conduct the song service. These men are experts in their line and the people of Hereford are cordially invited to hear them.

No effort will be made to entertain or attract, only so far as sweet songs and plain Bible preaching will attract.

Please remember the time, June fifth to June seventeenth. Arrangements will be made to seat the audience on the lawn for the night services.

## I. H. Spratt Sells Hereford Produce Co.

Monte Baker purchased the Hereford Produce grocery store, formerly owned by I. H. Spratt, the first of the week. An invoice is being taken today, Thursday, and Mr. Baker hopes to be ready for business by the first. The new business will go under the name of Baker's Cash Grocery.

Mr. Spratt is better known as Hereford's first produce man, having started business in the old Gass building on South Main Street in 1916. Mr. Spratt has not made any definite plans at this time to sell his business to a citizen of Hereford. Arch Conklyn, transfer man, will remain at his old stand with Mr. Baker.

## \$1,300,000 Loaned In Hereford Territory

The National Farm Loan Association of Hereford was represented in Houston May 18-20, by Secretary-Treasurer A. O. Thompson. The Association discussed many things of vital interest to the farmers of the state. Locally the Hereford National Farm Loan Association has had wonderful success this time, having in force 300 loans for a total of \$1,300,000. It is one of the largest associations in the state and has a good record at the Federal Land Bank of Houston.

## Deaf Smith Boy Seeks National Club Honors

Bob Wolfe, who won free trials to the Dallas Fair and to the International Livestock Exposition last year because of his exceptional club record, is now trying for honors in the National Club leaders contest. Only those who made outstanding records during the past three years may compete for this high honor, and County Agent R. O. Dunkle feels that Bob's past and present records will enable him to furnish some keen competition for honors in this contest.

Miss Marie Seed left Sunday, May 15, for Los Angeles, California, where she will spend the summer visiting with her grandmother and family.

## COUNTY CLUB MEMBERS GET INFORMATION

Boys and girls from various parts of Deaf Smith county, nearly one hundred strong, and many of their interested parents, attended the county-wide Club rally in Hereford Monday afternoon to hear Sterling C. Evans, state club leader from A. & M. College, tell of the work that is being done by the club members over the state. He said that club boys and girls of Texas were helping to put into practice the more efficient methods of farming, were actually raising the average yield of crops and were helping to build a better citizenship in this state.

Mr. Evans preached the gospel and the laying on, along with diversified farming, as the only safe method of farming in any section, and condemned the one crop system, and said that such practice was dangerous for any farmer. "Returns from the sale of products from the cow, sow and hen is the difference between profit and loss on a farm," Mr. Evans said.

Three youngsters from the Jim Chapman home near Adrian, journeyed thirty miles to hear Mr. Evans. Rev. Jas. T. Ross talked on the progressive spirit and the development of the open county. Rev. T. Morgan, County Agent Dunkle and Miss Ruth Wolfe, president of the Hereford club, made short talks.

Monday morning Mr. Evans and County Agent Dunkle visited a number of Club boys and girls near Hereford and also inspected a number of the diversified farms in Deaf Smith county, and Mr. Evans was surprised to see so many folks here actually practicing the system that he is sponsoring.

## "Flapper Grandmother" To Be Seen in Hereford

A dress parade will be staged on Hereford's main street Saturday afternoon and the "Door Knob Chorus" will probably give a free interpretation of the Charleston at that time to feature the big musical comedy, "The Flapper Grandmother," which will be presented next Tuesday evening in the high school auditorium.

Miss Vivian Davis, of Miami, Florida, is on the ground and rehearsals are being given day and night for the play. Thirty-five characters, some of the cream of Hereford's musical talent, others who can make the peskinist laugh and youngsters who can actually do the Charleston will join hands in the staging of this musical attraction.

The play is being sponsored by the Pep Class of the First Christian church, but these folks have gone into most of the churches in Hereford to select the best "home talent." Those who have slipped in for rehearsals predict a record attendance for the play Tuesday evening.

## Pure Seed for Farmers; In Small Lots Only

Pure seed from "Uncle" Jesse Robertson's pure seed farm are being scattered over Deaf Smith county and a number of other counties in the Panhandle. Mr. Robertson is selling his seed in small quantities only, so that the seed will cover a wider range. He has had numerous offers to dispose of his entire output to one man, but says his work will get better results if the seed are placed in the hands of many.

Mr. Robertson is specializing on kafir and red and white maize, but will plant some red top cane this spring. Last fall his maize and kafir won blue ribbons at the Deaf Smith county fair and at the Tri-State Exposition at Amarillo.

## Charles F. Griffith Died at Dawn Monday

Charles H. Griffith, aged 37 years, seven months and twelve days, passed away last Monday, May 23rd, at his home five miles north of Dawn. Mr. Griffith, at the time of his death, was making his home with his sister, Mrs. W. H. Ebbelman. The remains were shipped to Lexington from Hereford Tuesday for burial.

D. F. Ashbrook made a business trip to Amarillo Friday.

**MEMORIAL DAY**

**TIME CHANGES CUSTOM.**  
 Most changes are for progress, but there are exceptions which individuals and nations should always recognize and stand firmly for worthy principles which may be threatened. Any change in the observance of national holidays, which through the life of the nation have been set aside to keep the fires of love for the country alive, should be opposed. Memorial Day is again with us. It is one of our most sacred national days. It is a tribute to the living—so their dead—those who gave all their life—that our nation should be free and not perish from the earth.  
 Let us pause for a thoughtful moment in the true spirit of the day—and be grateful for the freedom that is ours. In so doing we will be giving place and honor to the soldiers of all our wars who made the supreme sacrifice. Let not the greatness of their deeds be forgotten. Imbue a reverence of the day in the hearts of your children and their children's children. You are of the next generation to which the last generation looked to carry on.  
 Ours is a nation free at last from sectional lines of strife—a world leader in every great movement for peace and happiness. We should be eternally grateful for our enviable position as a nation. A nation entrusted to us by those who faced the cannon's mouth.

Mrs. Williams of Florida, arrived Monday evening for a few days visit in the home of her daughter, Mrs. Jim Bagwell.  
 Miss Fannie Lee Mason expects to return and teach our school again next year. Miss Mason was very much liked and taught an excellent school and we are all glad she is coming back.  
 Mr. and Mrs. J. T. Smith and son, Franklin, spent Tuesday night in the home of Mr. and Mrs. Clayton Williams.  
 Miss Christine Bagwell is spending a few days in the home of her aunt, Mrs. Henry Allman of Frio.  
 Miss Evelyn Smith transacted business in Dimmitt Tuesday.  
 Jim Bagwell had the misfortune to lose a good mare last week. Further hard luck came when a clod carelessly thrown put an eye out for a favorite horse of Mr. Bagwell's. Leland Smith also lost a fine mare.  
 Mrs. Earl Lust spent Tuesday afternoon visiting Mrs. Art Haberer.  
 Reports from Mrs. Ed Smith state that her mother is no better. Mrs. Edwards is past ninety years of age and has been in poor health for some months.

**BIG SQUARE**

Messrs. and Mmes. Will Weyer, Vance Henington and Harold Weyer spent Sunday in Muleshoe as guests of Mr. and Mrs. Jay Weyer.  
 Mr. and Mrs. Alfred Scott and children and Mr. and Mrs. Emerson Weyer and son were Sunday guests of Mr. and Mrs. Glenn Stiles.  
 Messrs. Emerald and Muri Stiles were Hereford visitors Sunday.  
 Mr. and Mrs. John Haberer and family are guests of their sons this week.  
 George Keller and family spent Tuesday in Olton.  
 Mr. and Mrs. Jay Sanders and Charlie Phillips spent Tuesday evening in the Lambert home.  
 Mr. Patterson of Amarillo spent Sunday night with Chas. Phillips. Messrs. Phillips, Patterson and

McMillan drove to Amarillo Monday morning, returning Tuesday afternoon.  
 Messrs. and Mmes. Steve and Jack Sanders of Summerfield were guests in the E. J. Sanders home Sunday.  
 The entire community attended a ball game Tuesday afternoon at Lazbuddy. The game was played between Lazbuddy and Big Square and the score was 13 to 6 in favor of Big Square. A return game will be played at Big Square Thursday.  
 Ham Lambert and son attended the Nazareth-Dimmitt ball game at Dimmitt Tuesday. Mrs. Lambert and daughter visited in the Jim Bagwell home.  
 Several from here attended the Flagg-Hart ball game at Flagg Wednesday.  
 Mr. and Mrs. Frank Lambert spent Thursday at the home of Mr. and Mrs. Ham Lambert.  
 Mr. and Mrs. Harold Weyer are visiting this week with relatives.  
 The hot weather we have been having lately has caused quite a bit of sickness but we are still hopeful of a rain and think all will be better then.  
 Henry Cloyd was in our neighborhood Wednesday.  
 Lazbuddy came to play ball Thursday and took another losing score of 13 to 6. Big Square played Flagg the same afternoon and won by a score of 7-0. That's what we call good ball playing. Another game is scheduled between Big Square and Flagg.  
 A coyote was seen in our community Friday morning and was brave enough to come to a house after an old rooster. However, both coyote and rooster escaped.  
 Messrs. Muri and Emerald Stiles were in Frio Wednesday evening.  
**Statements, Letter Heads, Resolutions, All Job Work, at The Brand.**  
 H. J. R. No. 25  
 Proposing an amendment to the Constitution of the State of Texas amending Article VIII by the insertion of Section 1-a therein, authorizing the Legislature to provide for the separation of the objects of taxation for State purposes and for the support of the counties, districts and political

subdivisions of the State and Counties, and authorizing the Legislature to provide for the levy of an ad valorem tax or other form of tax for State purposes only, and for local purposes, only; authorizing the Legislature to provide for the classification of objects of taxation and providing that rates shall be equal on the same class of property, and fixing limitations upon taxation.  
**Be it Resolved by the Legislature of the State of Texas:**  
 Section 1. That Article 8 of the Constitution of the State of Texas, be amended by inserting therein Section 1-a, as follows:  
 Section 1-a. The Legislature may separate the objects of taxation for State purposes from the objects of taxation for the support of the counties, districts and political subdivisions of the state and counties; and may provide for the levy of an ad valorem tax, or other form of tax, on certain classes of taxable property, or other objects, for State purposes only (including school purposes); or upon certain classes of property, or other objects, for county or local purposes only (including school purposes). In no event shall the rate of such taxes exceed the sum of the limits of such taxes fixed by this Constitution for State, county and other local purposes. The Legislature may provide for the classification of objects of taxation. Taxation shall be equal and uniform.  
 Section 2. The foregoing Constitution amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held the first Monday in August, A. D. 1927, at which all ballots shall have printed thereon the following:  
 "For the amendment to Article 8, inserting Section 1-a, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."  
 "Against the amendment to Article 8, inserting Section 1-a, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."  
 Sec. 3. The Governor of this State is hereby directed to issue the necessary proclamation ordering an election to determine whether or not the proposed constitutional amendment set forth herein shall be adopted, and to have the same published as required by the Constitution and laws of this State. And the sum of Five Thou-

and Dollars (\$5,000.00) or so much thereof as may be necessary is hereby appropriated from any funds in the State Treasury, not

otherwise appropriated to defray the expenses of printing said proclamation and of holding said election.

Approved March 11, 1927.

**The World's Lowest Priced Cars with Supremely Beautiful FISHER BODIES!**

Chevrolet is the only car in its price class offering bodies by Fisher—built as only Fisher can build, and styled as low-priced cars were never styled before!

Bodies by Fisher are everywhere acknowledged to represent the highest order of beauty, luxury, and safety—and never was the superiority of Fisher craftsmanship more evident than in the Most Beautiful Chevrolet.

Despite the lowness of Chevrolet prices, there is not the slightest sacrifice in design, construction or finish. All embody exactly the principles employed on the highest priced cars—a composite

construction of selected hardwood and steel. All are finished in beautiful colors of lustrous, lasting Duco.

Enhancing the beauty of the bodies themselves are numerous features of distinction previously considered exclusive to the costliest cars—features typified by heavy full-crown, one-piece fenders and bullet-type headlamps.

Only the economies of Chevrolet's great volume production insure this quality at Chevrolet prices—value so outstanding that comparisons cease to exist. Ask for a demonstration!

## Texas & Texans

By WILL H. MATES

### Rubber Molding Plant.

Texas is gradually, but rather slowly getting the idea that manufacturing enterprises are essential to the state's fullest prosperity. Beginning June 1, a plant at Dallas will be turning out Texas-made rubber appliances for use in all field equipment of various kinds and experiments with guayule, a substitute for India rubber obtained from a Mexico asteraceae plant found also in Texas near the Rio Grande, will be made in the new factory. It will be the first plant of the kind between St. Louis and Los Angeles. The manufacturers will be prepared to carry out manufacturing specifications on rubber products for other firms.

### Texas Made Baskets.

This happens to be written in Marshall and although I have been in the enterprising East Texas city for nearly ten days, I didn't know until yesterday that Marshall has a basket factory and turns out an immense number of baskets and sells most of them in Texas for shipment of Texas vegetables and fruits. It is said that the Marshall factory is doing a profitable business. This part of the state, with its fine timber and cheap gas is in splendid position for the manufacture of any timber

products. Such factories can as well be conducted in a small town as in a large city.

### Overall Factories.

There is several overall factories doing successful business in Texas. Temple is considering beginning the making of overalls on a small scale. A committee of the Chamber of Commerce is at work on the plans with the idea of building up a large establishment from a small beginning. The most successful factories are those that have been able to start with a few

units and increase as business development seems to justify.

### Filling Road Gaps.

Two important road gaps in the Mexico district are to be built in right away at a cost of \$153,000. The roads will be macadam with asphaltic topping. This district is looking well after its lateral feeders to the state highways. No public road is better than its worst mud holes and the Texas State Highway Association has taken up as its first work the filling in of a number of the missing links in good roads.

### Nacogdoches After Hotel.

A Nacogdoches reader of this column, who believes in hotels as good as the towns in which they are located, sends in a clipping showing that a survey is being made to ascertain just what increased facilities are needed there. He says in the accompanying letter that if it is found that a big new hotel is needed in Nacogdoches that town has the enterprise to do what is necessary to get it built. Really, I think that is the Nacogdoches spirit about everything.

### Starts Early Fair Movement.

Garza county, a Plains section, of which Post is the county seat, has started its fair county advertising campaign. Garza county will first place in South Plains, West Texas and Texas State Fair last year and announces that it is going after them again. Garza county takes an early start after what it wants. That is why it wins. Most county fair movements begin getting their publicity too late.

### Slaton Produce Sales.

Slaton has been checking up on sales of produce, including poultry, eggs and cream, received by dealers in April. The totals for the month were \$13,203.00, or a daily average of \$507.82, all of which went right back into Slaton's own trade. Slaton is not a large place and this amount counts big in its business. The place that overlooks the worth of its produce business is behind the times.

### Junior College Growth.

Texarkana has laid the cornerstone of its Junior College building, which is to cost \$200,000. Texas cities like Texarkana are learning that it pays to give youth its junior educational training at home—pays from a financial standpoint and in keeping the young students close to their parents in this character formation period of their lives.

### Look at Brady's Streets.

Brady tells the world that it is going to pave ten blocks in addition to the twenty already paved and intimates that when that is done, more work of the same kind may be started. It is also announced that large water mains are to be placed under the streets to be paved to avoid tearing up the streets when such mains become necessary. Most towns have lots of waste from laying pipes along streets already paved.

### Winkler Gets Rangers.

Having at least temporarily cleaned up the oil town of Borger, the Texas Rangers stationed there have been ordered to Winkler to look into rumors about disorder and disregard of law there. The toughs that flock in droves in oil centers in Texas are being given to understand that the Texas Rangers operate about as successfully in one part of the state as another and that Texas gives mighty little comfort to those who try to defy the law.

### Gregg Resigns U. S. Post.

Alex W. Gregg, the 27 year old lawyer from Palestine, Texas, who has won international fame as expert counsel in income tax matters, for the Internal Revenue Bureau, has announced that he will resign his post early in the summer. He represented the government in the Ford \$50,000,000 income tax case and has had a most meteoric career as the right hand man of Secretary Mellon on tax matters.

### Brothers Slay Each Other.

This column is given over to comment on constructive news and in it reference is never made to sensational news except to "point a moral." Two brothers-in-law, married to twin sisters in Cass county, recently shot each other to death in a foolish quarrel and fight over disputed questions in the Bible. Doubtless the point at issue was trivial. It shows the folly of getting excited and that those who do not guard their tempers can get as mad over honest differences or in good causes as about anything else.

### Bryan Little Theatre.

The Bryan Little Theatre, a community dramatic club, has been playing creditably in neighboring towns. Such neighborhood efforts will be appreciated as long as the "Little Theatres" do not get exalted ideas of their histrionic talents and go to charging big prices.

## Constitutional Amendments

S. J. R. No. 24.

Proposing an amendment of Sections 2, 3, 4, 5, 6, and 7 of Article V of the Constitution of Texas for the purpose of providing a more efficient judicial system.

### Be It Resolved by the Legislature of the State of Texas:

SECTION 1: That Sections 2, 3, 4, 5, 6, and 7 of Article V of the Constitution of the State of Texas, be amended so as to read as follows:

Section 2 (of Article V): The Supreme Court shall consist of a Chief Justice and eight Associate Justices five of whom shall constitute a quorum and the concurrence of five Justices shall be necessary to the decision of a case. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he, at the time of his election or appointment, a citizen of the United States and of this State and unless he shall have attained the age of thirty years and shall have been a licensed lawyer for seven years and, during that time shall have been a practicing lawyer or judge of a court of record or such practicing lawyer and judge together. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State, at a general election and shall hold their offices six years, or until their successors are elected and qualify, and shall receive such compensation as may be provided by law. In case of a vacancy in the office of Chief Justice or Associate Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy shall be filled by the qualified voters of the State. The Judges of the Supreme Court, who may be in office at the time this amendment takes effect shall continue in office until the expiration of their terms of office under the present Constitution and until their successors are elected and qualify. When this amendment takes effect the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the term of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court and, upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate.

Section 3 (of Article V): The Supreme Court shall have appellate jurisdiction only, except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of civil appeals may hold differently on the same question of law, or where a statute of the State is held void, and to questions of law arising in such other cases of which the Courts of Civil Appeals have appellate jurisdiction as may be prescribed by law; provided, that the Legislature may authorize direct appeals from the County and District Courts in any case where a statute of the State has been declared void. The Supreme Court and the Judges thereof shall have power to issue writs of habeas corpus as may be prescribed by law; and under such regulations as may be prescribed by law, the said Court and the Judges thereof may issue writs of mandamus, procedo, certiorari, and such other writs as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified except as against the Governor of the State. The Supreme Court shall also have power, upon affidavit or otherwise, as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capital for the transaction of business at such times as may be designated by the Court. The present statutes defining the jurisdiction of the Supreme Court not in conflict herewith shall continue in effect until repealed or altered by the Legislature. The Supreme Court shall appoint a Clerk, who shall give bond in such manner as is now or may hereafter be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause entered of record on the minutes of said Court, and who shall receive such compensation as the Legislature may provide.

Section 4 (of Article V): The Court of Criminal Appeals shall consist of three Judges, provided that the Legislature may increase the number to five, and a majority of the Judges shall constitute a quorum, and the concurrence of a majority of the Judges shall be necessary to the decision of any case. Said Judges shall have the same qualifications and receive the same salaries as the Judges of the Supreme Court. They shall be elected by the qualified voters of the State, at a general election and shall hold their offices for a term of six years. The Judges of the Court of Criminal Appeals who may be in office at the time this amendment takes effect shall continue in office until the expiration of their terms of office under the present Constitution and laws.

Section 5 (of Article V): The Court of Criminal Appeals shall have appellate jurisdiction co-extensive with the limits of the State in all criminal cases of whatever grade, with such exceptions and under such regulations as may be prescribed by law, and the Legis-

lature may confer original jurisdiction upon it to issue writs of mandamus, procedo and certiorari in criminal cases. The Court of Criminal Appeals and the Judges thereof shall have the power to issue the writ of habeas corpus and, under such regulations as may be prescribed by law, issue such writs as may be necessary to enforce its own jurisdiction. The Court of Criminal Appeals shall have the power, upon affidavit or otherwise, to ascertain such matters of fact as may be necessary to the exercise of its jurisdiction. Said Court shall be open at all times and shall sit at the State Capital for the transaction of business at such times as may be designated by it. Said Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter be required by law and he shall hold his office for four years, unless sooner removed by the Court for good cause entered of record on the minutes of said Court, and said Clerk shall receive such compensation as may be prescribed by law.

Section 6 (of Article V): The Legislature shall, from time to time, divide the State into such number of Supreme Judicial Districts as to it may seem necessary, not exceeding twelve at any one time, and shall have the power to re-district the State at any time and shall establish a Court of Civil Appeals in each of said Districts, which Court shall consist of a Chief Justice and not less than two Associate Justices as the Legislature may provide, who shall have the qualifications as herein prescribed for Justices of the Supreme Court, provided that the aggregate number of Judges of all the Courts of Civil Appeals shall never at one time exceed thirty-six. Each of the existing Courts of Civil Appeals shall continue until otherwise provided by law. The Courts of Civil Appeals shall have appellate jurisdiction co-extensive with the limits of their respective districts, which shall extend to all civil cases of which the District Courts or County Courts have original or appellate jurisdiction, under such restrictions and regulations as may be prescribed by law; provided, that the decisions of said Courts shall be conclusive on all questions of fact brought before them on appeal or error. Said Courts of Civil Appeals shall hold their sessions at such places as may be designated by the Legislature and at such times as may be prescribed by law. Said Justices shall be elected by the qualified voters of their respective districts, at a general election, for a term of six years, and shall receive such compensation as may be provided by law. Said Courts shall have such other jurisdiction, original and appellate, as may be prescribed by law. Each Court of Civil Appeals shall appoint a Clerk in the same manner as the Clerk of the Supreme Court, which Clerk shall receive such compensation as may be fixed by law. The Judges of the Courts of Civil Appeals who may be in office when this amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment.

Section 7 (of Article V): The State shall be divided into as many Judicial Districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district, there shall be elected by the qualified voters thereof, at a general election, a Judge who shall be a citizen of the United States and of this State, who shall have been a licensed lawyer for four years next preceding his election and during that time shall have been a practicing lawyer or Judge of a Court of record or such practicing lawyer and Judge together who shall have resided in the District in which he was elected for ten years next preceding his election, who shall reside in his District during his term of office, who shall hold his office for the term of four years, and shall receive for his services such compensation as may be prescribed by law. He shall hold the regular terms of his Court at the County seat of each County in his district at least twice in each year, in such manner as may be prescribed by law. The Legislature shall have power, by general or special laws, to authorize the holding of special terms of the court on the holding of more than two terms in any County for the dispatch of business. The Legislature shall also provide for the holding of District Court when the Judge thereof is absent from any case, disabled or disqualified from presiding. The Supreme Court or the Chief Justice thereof may, at the discretion of the State other than that for which it was elected, with all the powers of a resident District Judge of the District to which he is assigned under such regulations as may be prescribed by the Legislature, or by the Supreme Court in the absence of such regulations enacted by the Legislature. The District Judges who may be in office when the amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment.

Sec. 2. Said proposed amendment shall be submitted to a vote of the electors of this State qualified to vote on constitutional amendments at an election to be held throughout the State on the first Monday in August A. D. 1927 at which each voter opposing said amendment shall scratch off of the ballot with pen or pencil the following words printed thereon: "For the amendment to the State Constitution amending Sections 2, 3, 4, 5, 6, and 7 of Article V, of the Constitution of Texas for the purpose of providing a more efficient judicial system;" and each voter favoring said amendment shall scratch off of the ballot in the same manner, the following words printed thereon: "Against the amendment to the

State Constitution amending Sections 2, 3, 4, 5, 6, and 7 of Article V of the Constitution of Texas for the purpose of providing a more efficient judicial system."

If it shall appear from a return of said election that a majority of the votes cast have been cast in favor of said amendment, it shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this resolution and the Constitution and laws of this State; and return shall be made and the votes canvassed and

counted as provided by law; and if said amendment is adopted by the required vote of the qualified electors of this State the Governor shall issue this proclamation as required by law.

Sec. 4. The sum of twelve thousand dollars, or so much thereof as may be necessary is hereby appropriated out of the State Treasury to pay for publication of the proclamation calling said election and any expense of the State in submitting said amendment and holding said election.

Approved March 10, 1927.

## Why we sell the DUNLOP TIRE

FOR 39 YEARS Dunlop has been building the world's supreme tire. Dunlops wear longer because Dunlop knows how to build better at each vital point.

Take the hidden carcass beneath the tread. Dunlop owns its own cotton mills for no other purpose than to spin the best long-fibre cotton into the famous cable-twist cord that goes into this carcass.

The extra strength in these cords means an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

The extra "stretch" enables the carcass to give under severe blows, and to come back into its original position without internal injury.

The Dunlop tread—the toughest rubber development known—wears slowly and smoothly, making sure that you get out of your Dunlops, all the extra mileage that added care and longer experience have built into them. We recommend that you put Dunlops on your car.

**State Highway Being Graded East of Town**

The State Highway Department is grading the highway east of town this week. At this meeting officers will be elected and the usual application papers for discount on war tax on season tickets will be made. Mr. Ashbrook informed the Board that the tickets and programs are here at his office and anyone desiring a program may call at his office above Newell's store.

The Chautauqua programs begin on Tuesday, June 28th, and last six days. The committee has not been informed as to the Sunday program. The program this year consists of dramatic sensations, distinctive musical entertainments, spectacular scenic effects, nationally known lecturers, uproarious comedy, "Fine Feathers"

**Hog Business Increases Here In Past Few Years**

The hog business in the Herford country is on an upward trend, as is shown by the fact that E. V. Holman, living just north of Herford, has sold \$1570 worth of hogs since January 1, and has a good crop of porkers left, according to figures obtained from G. W. Bamley, local hog buyer. Farmers here are turning to hog raising as a means of marketing their grains for a better profit. Mr. Holman's porkers were fattened entirely on home-grown grains.

**BRIDGE ENJOYED AT PRICE HOME.**

The P. W. Price home was the scene of one of the loveliest parties on Wednesday evening, with Misses Price, Skelton and Ross as hostesses.

The receiving rooms were beautifully decorated with garden flowers, where tables were placed for that ever-popular game of bridge. An unique idea that caused a great deal of fun was the "grab box," whereby partners were matched. Clever favors, in pairs, were placed in bags, one for the lady and one for the gentleman. Each person was told to grab one and then find his partner.

A merry round of games were enjoyed. At the conclusion Mrs. Seth Holman and Glenn Snyder held high score and Miss Helen Gibson and Homer Fox had low. A delicious salad course was served, after which dancing was enjoyed.

**Whippet Climbs Stone Mountain**

Shattering the previous record by seven minutes and forty-four seconds, a Whippet stock touring car, with Chick Murray at the wheel, conquered the almost impassable roadless climb up the side of the famous Stone Mountain, near Atlanta, recently, with a crowd of nearly 10,000 Georgians lining the steep slopes. The Whippet made the climb in nine minutes, sixteen seconds, and gained the distinction of being the only car of small piston displacement ever to reach the summit of this steep mountain.

Not only did the Whippet set a remarkable record in its climb up the mountain, which is nothing more than a steep, rocky, with no roadway, but the efficiency of the four-wheel brake equipment on the Whippet was proved when Murray turned the car around on the summit and began the perilous descent. Several times Murray brought the car to a dead stop, selecting the steepest slopes for this exhibition.

Thousands who saw the remarkable performance of the Whippet agreed that it was one of the most unusual accomplishments in automobile annals inasmuch as the car had no road or trail to follow, other than the pedestrian path which winds up the mountain side over boulders and numerous crevices and ruts.

Despite the amazing speed with which the car assayed the climb, the record would have been considerably lower had no over-anxious spectators crowded the path upon two occasions, compelling Murray to bring the car to a dead stop on the steep slopes.

The Whippet was the third car that ever climbed Stone Mountain and returned to the bottom under its own power. The official time of the climb was recorded by Al S. Jones, representative of the Atlanta Automobile Association, affiliated with the American Automobile Association.

The Whippet used by Murray in the record-breaking climb was the same car he used two weeks previous in smashing the record from Atlanta to Macon, making the trip in one hour and fifty-three minutes, beating the crack Dixie Flyer, one of the fastest trains in the South.

**Catholics Celebrate Ascension Day Here**

The members of the Catholic church celebrated Ascension Day with appropriate services Thursday morning at 10:30 o'clock, Rev. Salvator officiating. After the services a big feast was spread in the basement of the new Catholic school where about 200 members and visitors gathered. The new school building is now finished and by fall all the furniture will be placed ready for the opening term. The new building is the first word in school house construction and is a credit to any community.

**SILVER TEA.**

A very pleasant social feature of the past week was the silver tea given by Mrs. Broadwell at her home Monday last. The first part of the program included the Schubert military march for two pianos, played by Earle Marie Foster, Mary Broadwell, Ruth Houston and Mary Lewellen Parker. Knight Rupert, by Schumann, Junior Thompson. Moment Musical by Schubert, for two pianos, Ruth Houston and Mary Broadwell. Berceuse Slav, for violin, Earle Marie Foster, with Ruth Houston at piano. Romance in A by Lieutenant, Luetta Borden. Sonatina in C, Clementi, Ruth Marie Mounts, with Mrs. Mounts at second piano.

The second part of the program was a very interesting little musical play, "Scenes from the Life of Beethoven." A suggestion of the period in which Beethoven lived was given by the old fashioned costumes worn by those taking part. The first act portrayed the child Beethoven at five years of age in a scene with his drunken father and sweet old mother, and first music teacher. The parts of father and mother were well play-

ed by Ella Broadwell and Bettie Carter. The teacher was cleverly done by Louise Jacobsen and Junior Thompson, who played little Beethoven, entered into the spirit of the part, playing it very well indeed, especially when he played the famous Minuet in G. During the scene Louise, representing the teacher, played parts of Falling Waters, Message of the Winds and the old German tune which we now know as Silent Night, to show the child how nature could be illustrated by music.

The second act was a scene in Mozart's home, showing Mozart, his wife, the Abbe Stadler and other guests at tea. Ruth Houston as Mozart was charming and Earle Marie Foster was very lovely as Frau Mozart. The part of young Beethoven, 17 years old, was played by Mary Broadwell. During the act Ruth Houston as Mozart played one of his fantasias and Mary Broadwell as Beethoven played the well known theme and variations.

The guests of the afternoon were served tea and wafers by the members of the cast and many expressions of pleasure and appreciation were heard as they left. The silver offering was quite satisfactory.

**Here and There.**

The singing convention at Frio last Sunday was well attended and a good singing was reported by everyone there. An arbor had been built and in spite of the wind everyone was comfortably cared for. Several singers from a distance were there. The solo, "Smile—Your Troubles Away," rendered by Miss Evelyn Taylor of Clovis, was a fine contribution to the program which had been prepared by the committee. Miss Evelyn always makes a hit with her singing. The convention goes to Summerfield in September.

Mrs. Frank Axe spent Sunday with Mrs. Tom Mobley.

A JOINT RESOLUTION.  
S. J. R. No. 33.  
Proposing an amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law, and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner.

Be It Resolved by the Legislature of the State of Texas:

SECTION 1. That Article XVI of the Constitution of the State of Texas be amended by inserting therein a new section, to be numbered Section 30a which shall read as follows:

Section 30a. All provisions of the present Constitution of Texas fixing or limiting the amount of salary or compensation of officers and members of the Legislature are hereby repealed and hereafter said officers and members of the Legislature shall receive such salary or compensation and expenses as now provided until otherwise provided by law. The salary of the Governor shall be Ten Thousand Dollars (\$10,000.00) per year, and no more, payable monthly, and he shall have the occupancy and use of the Governor's mansion, fixtures and furniture.

Any member of the Legislature shall not exceed fifteen hundred dollars per year, and actual traveling expenses from the place of residence to the capital and returning for each session of the Legislature, as shall hereafter be provided by law; and provided that no change of salary or compensation from that now provided by the Constitution shall become effective until the first day of January following the first general election held after adoption of this amendment.

Sec. 2: Said proposed amendment shall be submitted to a vote of the electors of this State qualified to vote on constitutional amendments at an election to be held throughout the State on the first Monday in August, A. D. 1927, at which each voter opposing said amendment shall scratch off of the ballot with a pen or pencil the following words printed thereon:

"For the amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner; and each voter favoring said amendment shall scratch off of the ballot in the same manner, the following words printed thereon:

"I am in favor of the amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner."

If it shall appear from a return of said election that a majority of the votes cast have been cast in favor of said amendment, it shall become a part of the Constitution of the State of Texas.

Sec. 3: The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this resolution and the Constitution and laws of this State; and returns shall be made and the votes canvassed and counted as provided by law; and

if said amendment is adopted by the required vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

Sec. 4: The sum of five thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for publication of the proclamation calling said election and any expense of the State in submitting said amendment and holding said election.

## Northeast Corner

Last Monday was our regular day at Palo Duro and a good congregation was present, considering the amount of sickness in the community.

All the cases of measles seem to be getting along fine. We hope they will all be able to be about soon.

Mamie Alfred is still confined to her bed with little chance for the better.

W. R. McClain and family and W. J. McClain and wife were visitors in the C. C. Phillips home Sunday.

H. J. Oglesby made a business trip to Amarillo Friday.

Stanley Thomas has been on the sick list for a week with an attack of appendicitis.

Frank Daniel and Truett McClain with their families spent Saturday night on the fishing grounds near Canyon.

Jack Stangle was taken to the sanitarium last week a very sick man.

Glen Dugan was in our community from Amarillo the past week.

Mr. and Mrs. Russel Doves of Panhandle returned to their home last Monday after a few days visit with her sister, Mrs. Otto Smith.

Frances Campbell is at Amarillo staying with her grandparents until she recuperates from the measles.

Ernest Alfred is able to be out in the car after a month in bed from a horse falling on him. He will not be able to walk for some time.

Our wheat is going down every day, but is holding up wonderfully well considering the lack of moisture.

Lots of the farmers have cancelled ball insurance on their crop.

T. E. Brown was in Amarillo last Saturday on business.

Jesse Thomas was in Wildorado Saturday.

Grandpa Womble of Hereford was a business visitor in our community two days last week.

Mrs. Mattie Harris returned from Hereford Wednesday after a month's stay with relatives.

## Cameron, N. M.

Albert Leach made a trip to Hagerman, New Mexico, last week and visited Jim Hammons and family, who formerly resided here. They went fishing and caught all the fish they could eat. The Hines accompanied him and they returned home Sunday.

Mr. and Mrs. Ed Leach took Sunday dinner with A. C. Johnson and family.

Mr. and Mrs. Jim Seals and Mr. and Mrs. Jim Hopper returned last week from Arkansas where they have been for several weeks.

Rev. McCall and family attended church at New Hope Sunday and took dinner with Mr. and Mrs. Spencer.

Quite a number attended the ball game at the Boney school home Saturday afternoon. They intend to play at Grady Wednesday.

Large crowds are attending the Nazarene meeting that is going on at New Hope. Rev. Wallace

is doing the preaching and all enjoy his sermons.

School closed at Wheatland on Friday. They gave an entertainment Friday night and a large crowd was present and all enjoyed the program. Curtis Marlham and sister, Mrs. Tom Boney, Mrs. Spurlock and Buster Seals made the music.

Mrs. W. P. Dunn is still on the sick list.

Mrs. Paul Mote is spending a few days in Clovis at the home of her aunt, Mrs. Buster, to take medical treatment for erysipelas in her arm.

Several from this neighborhood attended a tent show at Grady Thursday night.

Mrs. J. R. Burnett and Mrs. Tom Boney were Grady visitors Thursday.

The girls who took Sunday dinner with Gladys Johnston were Misses Willie, Opal and Vera Coghill, Opal Hubble and Ella Davis.

A. W. Cameron went to San Jon Thursday night to attend the school entertainment at that place.

Several of the farmers are now discing up their wheat and getting ready to sow again.

Mr. and Mrs. Wall, Mr. and Mrs. McGrew and others from Grady attended church at New Hope Sunday morning and evening.

Mr. and Mrs. Tom Boney moved to the Boney farm last week.

Ella Davis visited school at Wheatland Friday and took supper with Miss Mattie Hutchison.

Mack Hutchison and wife are living in the teacherage at Boney attending the revival and helping with the singing. All enjoy their special numbers.

Mrs. Josie Crevelin of Clovis spent last week with relatives here. Clyde and Reid Isler and Misses Lizzie and Alice Crevelin.

W. H. Dunn and family came out from Clovis Friday evening and attended the program at the Wheatland school that night, also visited Mrs. Dunn's sister, Mrs. Jeff Moore, and his mother, Mrs. W. P. Dunn, who is ill.

As Ole Smith was going home from Portales Sunday night his truck got loose from him and turned over about half a mile south of A. C. Johnson's house. His family was with him, Mrs. Whinery and Mr. Stemple. Mrs. Whinery was bruised up pretty bad and was taken to the Johnston home where a doctor was called. She is recovering now. Mr. Stemple's arm was thrown out of place and Mrs. Smith was compelled to remain in bed for a few hours. The others were not injured at all but the truck was badly smashed up.

## Summerfield

Sunday school met on time Sunday, but the crowd was rather small on account of the singing at Frio.

Mr. and Mrs. B. C. Roberson spent Sunday in Canyon with their son, Bernard, who is in school there.

Mr. and Mrs. J. C. Lance and Mrs. Ky Lawrence, left Saturday for Hot Springs, New Mexico.

Mr. and Mrs. B. A. Cheley and sons, Asa and Thurmond, and Mrs. W. E. Suttle spent Sunday afternoon in the McLara home.

Miss Annie Lancy spent the week-end with her cousin in Frio.

G. W. Vernon of Happy was in Summerfield on business last Friday.

Mrs. J. A. Noland was a charming hostess to the Community Club on Tuesday afternoon. Mrs. Edwards was leader of the following program on Clothing:

Roll call, picture of the dress I'm going to make.

How to alter patterns—Mrs. B. C. Roberson.

## STEEL ECLIPSE

Starts sooner—pumps longer

Two windmills stood just across the road from each other. With the first sign of a breeze one started up smoothly and quietly. When the breeze became a wind, the other started with a groan and lumbered away only as long as the wind raised a dust in the road. Then it stopped as abruptly as it had started, while the other continued pumping for some time—then it finally came smoothly to rest with the last trace of the dying breeze.

That is the difference between a copper windmill and just a windmill. It is the difference between accurately machined and fitted gears and ordinary cast gears; the difference between turned, ground and polished shafts and ordinary steel shafts; the difference between machined and polished bearings and ordinary bearings; the difference between running in oil and running with dry gears.

In other words, it is the difference between the Fairbanks-Morse Self-Oiling Steel Eclipse Windmill and just a plain windmill.

Come in and see this great advance in windmill construction. See the self-oiling bearings—the center lift feature—the mechanism that enables the Eclipse to recover pump water during two-thirds of every revolution of the wind wheel. You will form a new idea of how good a windmill can be.

## Cook's Armorcote Lacquer

Armorcote Lacquer brushes easily like an enamel, dries in an hour, and wears inside or outside. It is the first and only really practical lacquer for brush application over any surface, by amateur painter or skilled workman.

Cook's Armorcote Lacquer is fool-proof, the most remarkable finish on the market today. Gone is the danger of too rapid drying, and gone is the probability of blister. It works like an enamel—levels up perfectly, and gives a hard porcelain finish that is like tile. It may be mixed with old colors on the job. It is surprisingly inexpensive!

## TRANSFER PICTURES

The Transfer Pictures which were formerly used as a pastime for children are now being manufactured to that degree of perfection that renders them necessary for the development of many of the industrial Arts. Where decoration is required they afford the most easy means of reproducing faithfully the works of the greatest masters, whether ancient, medieval or modern. With the instructions we now lay before you, a person with no previous experience can apply our transfers with a certainty of success to japanned ware, wood, glass, metal, stone, paper, all painted, varnished and lacquered surfaces. They are quite permanent and vastly superior to the ordinary hand-painted decorations, our great effort being to satisfy all tastes.

### Progressive News

Several folks from our community attended the Castro county singing community at Frio school house last Sunday. They report having heard some good singing.

There was a pretty good attendance at Sunday school Sunday afternoon, and Sunday evening the singing was not slighted, a good crowd being present and all enjoyed the singing.

Misses Samuelson who taught the Dawn school last term have been employed to teach the Progressive school the coming term.

The agricultural girls and boys had a meeting in the home of Mr. and Mrs. B. F. Reeves last Thursday afternoon. The parents of some of the children and Mr. Dunkle also attended. The meeting was enjoyed by every one and especially by the children.

A surprise party was given Mr. and Mrs. Counts last Saturday evening when a large number of the young and old folks of the community gathered at their home to spend the evening. The young folks spent the time playing various games out of doors and forty-two was also played. Delicious refreshments of ice cream and cake were served at a late hour.

W. F. Young of Wichita, Kansas, has been in this country for a few days having some fencing done on his land north of Hereford.

Miss Marguerite Russel who was a teacher in the Simms school last term, closed her school last Friday, having a school entertainment on Thursday evening. Miss Marguerite plans to spend the summer months at home with her parents, Mr. and Mrs. W. C. Russel of this community, we understand.

Jasper Cockrell and Pete Caldwell were helping George Lewis stucco his house, and other improvements on his farm last week.

O. J. Sharp and family left Friday morning overland for Post where they will visit relatives.

Miss Esther Jarrigan, one of the teachers in our school last term, and Mr. Grit Critzinger, who has lived in our community for several years, were united in marriage in Amarillo last Saturday. These young folks have the very best wishes of the Progressive community for a happy, successful future. They will make their home on the farm where Mr. Critzinger is farming this year, northeast of Hereford.

 Closing song—Luke McBrier.

Mr. and Mrs. Byron Kinnaman of Clovis, New Mexico, were visitors in the J. W. Cockrell home Sunday.

Forty young people were entertained at the Progressive cauning house last Thursday evening with a delightful three course supper by Miss Katherine Hershey. The room was beautifully decorated in red and white colors. Red and white candles were used. Among the guests present, were twenty-two members of Katherine's Sunday school class, the intermediate

class and their teacher, Mr. Ricketts. After supper the guests departed for the school house, where the Progressive community was having their practice.

A majority of the Progressive club boys and girls motored to Hereford Monday afternoon where they listened to a very good and instructive talk given to the club boys and girls all over the country by Mr. Evans in the district court room.

A good number of young folks staged a chivaree party on Mr. and Mrs. Grit Critzinger Monday night, anticipating lots of fun and a surprise. They had both but the surprise was on the young folks as Mr. and Mrs. Critzinger were not at home. They had left a few signs of having been there.

### CHURCH ANNOUNCEMENTS

#### First Christian Church

THURMAN MORGAN, Pastor.

"We can weather any kind of weather, if we will all work and pull together."

Come to the First Christian Church next Sunday and worship the Lord. The spiritual man needs food as well as the physical man.

Sunday school at 9:45 a. m.

Communion and preaching services at 11 a. m.

Christian Endeavor, 7:15.

Gospel preaching, 9:15.

Remember, we begin on time and quit on time.

#### First Presbyterian Church

JAR. T. ROSS, Pastor.

Showers of blessings! Is this not our great need—just now? The drought is on and all are wishing for rain. There is a much longer drought continued in our country. Will you not pray that showers of blessings may end the prolonged spiritual drought in this country?

Special evangelistic services are to begin on Sunday morning next at this church. We earnestly desire that they shall be of great spiritual helpfulness to Hereford and surrounding country. To these services we invite all who shall desire to come. Indeed, we urge that you come and that you come with burdened and praying hearts. What may the Lord not do if we meet the conditions? Have you a

lost friend or friends? Invite them to these services and pray that grace may abound unto their salvation.

During the week the evening services will begin at 8:20. Announcements will be made daily regarding the special activities.

Regular Sunday school, Endeavor and preaching services next Sunday. In the name of our Blessed Saviour, this church says welcome to all.

#### First Baptist Church.

V. M. OLOYD, Pastor.

Last Sunday was a fine Lord's day. We had six additions to our church.

Sunday school at 9:45.

Preaching services at 10:45 and 8:15.

B. Y. P. U. at 7:15.

Prayer services 8:15 each Wednesday evening. We had 55 at this mid-week prayer service last week; let us make it a meeting more and more worth while.

We are praying that the revival at the First Presbyterian church shall mean much to that church and to our city and county.

#### Constitutional Amendments

H. J. R. No. 32

Proposing an amendment to the Constitution of the State of Texas by adding thereto Section 60, Article 16, so as to provide that the Legislature may fix the compensation of certain county officers by salaries in lieu of fees, commissions and other prerequisites; providing for an election and making appropriation to pay expenses.

Be it Resolved by the Legislature of the State of Texas:

SECTION 1. That the Constitution of the State of Texas be amended by adding thereto, another section to be known as Section 60, Article 16, to read as follows, to-wit:

Section 60. The Legislature may provide compensation for certain district and county officers, to-wit:

The District Attorney, County Judge, County Attorney, Sheriff, County Clerk, District Clerk, County Tax Assessor and County Tax Collector, by prescribing their duties, and fixing salaries in lieu of fees, commissions and other prerequisites as now provided by the Constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified voters of this State on a proposition to be held on the first Monday in August, A. D. 1927, at which all ballots shall have printed thereon "For amendment to the Constitution of the State of Texas giving the Legislature power to provide compensation for the District Attorney and county officers through salaries in lieu of fees, commissions and prerequisites as now prescribed by the Constitution," leaving the one expressing his vote on the proposed amendment.

Section 3. There is hereby appropriated out of any money on hand in the State Treasury not otherwise appropriated the sum of five thousand (\$5,000.00) dollars or as much thereof as may be necessary to defray the expense of the holding of this election, including the expense of printing notices and advertisements.

Sec. 4. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Approved March 25, 1927.

# MEMORIAL DAY

IF THERE IS ONE DAY IN THE WHOLE YEAR WHEN THE WORD SERVICE carries its full meaning it is on Memorial Day when the Nation pauses to honor and revere the memory of its war dead. It was those brave souls who served without regard to personal safety or gain—giving their all that ours might be one of the greatest nations of the world.

OURS IS A SACRED DUTY ON MEMORIAL DAY. WE HAVE IDEALS OF Government to sustain—and we do it by keeping alive that patriotism which first established the torch of freedom. This institution has a keen appreciation of the importance of carrying on, ever guarding the foundation stones upon which our government is built. We hope always to be worthy of the trust given us, and joyously join in on a proper observance of the day.

**Firestone Round Tread Balloon**

MANY Firestone Dealers are prepared to take in your old tires, offering you a liberal allowance on a new set of Gum-Dipped Balloons.

Firestone Dealers are given the advantages of attending Tire Educational Meetings held throughout the country, where tire design and construction are discussed. The sections of used tires reproduced here are a part of this program. Study these two sections and you, too, will understand what Firestone means by tires built for service and tires made to sell.

**Firestone Flat Tread Balloon**

The Firestone Gum-Dipped Balloon with its scientifically designed tread permits free flexing, easier riding, extra comfort and safety.

The balloon tire with heavy, flat tread design is obviously stiffer and rides harder. The excess rubber, placed for appearance at the edges of the tread, is not only wasted but produces hinging action causing ply separation and "shoulder breaks."

Firestone designed and manufactures Oldfield Tires and Tubes, distributing them direct to Firestone Dealers only, through 148 Factory Warehouses. This efficient and economical distribution assures tire buyers everywhere, clean, fresh stocks of Firestone and Oldfield Tires in all types and sizes, and has helped to make possible today's remarkably low prices—the lowest in tire history. ### Clovis Team Loses to Hereford Aggregation

Hereford slaughtered Clovis here in a ball game last Sunday, the score, when the smoke cleared away, being 27 to 5. Hereford's pitcher, Mack Wright, and Ted Young, receiver, were largely responsible for the outcome of the game. Pitcher Wright struck out 6 Clovis batters in the first two innings and Catcher Young, premier swatter, poked out two homers, two doubles and a single.

Manager Charles Whitehead remarked that "if you want to see a real ball game, come to the local ball park Sunday, June fourth, and watch Vega, Hereford's old rival, play Hereford. The dope is, Vega has a real ball team and always have played a fast game." Mr. Whitehead states he is negotiating with Lefty Middleton, a pitcher, to hurl for the local team for the remainder of the season.

Next Sunday Hereford will play Farwell at Farwell.

Mr. and Mrs. D. L. McDonald left last Thursday for Sweetwater where Mr. McDonald has business. Mrs. McDonald returned Monday night, Mr. McDonald remaining over for several days.

MEMORIAL DAY

U.S. Post Office

IN MEMORIAM

In the mad rush of daily affairs, we pause next Monday and invite all to join us in honoring the memory of our immortal heroes of whom we may proudly say, with the poet:

"Ay, call it holy ground,  
The soil where first they trod;  
They have left unstained what there they found—  
Freedom to worship God."
