HEALTH PLAY SUMMED WORK FOR PUPILS

ALLEGORICAL PLAY IS USED TO PORTRAY HEALTH IDEA

The work of Miss Pearl N. Hyer, public health nurse, in the city schools, closed with the health play given in the auditorium of Central School Tuesday afternoon. Miss Hyer has extended her work to include the rural schools of this and adjoining counties, and during her stay here, visited many of these schools in person in the interest of public health.

The play was a summing up and visualizing of the health work of the past months introducing all the attractiveness of appropriate staging, all the pretty costuming and all the charm of juvenile acting in a potent health lesson. The audience, in the main, was made up of children, although several of the teachers, a number of patrons, and members of the school board were present.

The style of the play was allegorical, Miss Hyer representing the queen of the Kingdom of Health. Good Will, a happy faced lad dressed as a clown, was her attendant. The four gates to the kingdom were shown in the person of four small boys carrying doctor's grips and representing, Dr. Diet, Dr. Water, Dr. Sunshine, and Dr. Exercise. Then came Publicity and Knowledge, two boys, transformed by clever costuming into animals—a dog and a cat, whose antics provided the comedy. Next, a company of children carrying banners which illustrated various foods, marched onto the platform. From these Miss Hyer selected combinations for the different meals arranging them in groups and explaining why each should or should not be used. A sunny-faced girl represented Good Cheer, while Dirt and Neglect were typically shown. Sleep was a tiny tot in pajamas, who was placed by Miss Hyer in healthful sleeping posture.

A small admission fee was charged. This will be used in defraying the expenses of the health crusade which has been inaugurated in the schools.

Miss Hyer left for Austin Friday morning.

CHIEF LEADERS OF RAILROAD UNIONS

No. 1, Warren S. Stone, Head of The Locomotive Engineers; No. 2, William G. Lee, Head of Railroad Trainmen; No. 3, William S. Carter, Head of Locomotive Firemen; No. 4, L. E. Sheppard, Head of Railway Conductors.

Railroad Walkout Called Off

The long threatened strike of union railway workers, scheduled for October 30, was called off Tuesday night when leaders of the switchmen, trainmen, conductors, engineers and firemen at a joint meeting in Chicago adopted resolutions withdrawing authorization of a walkout, and officials of the railroad telegraphers union announced they would take similar action. These were the only unions that had authorized a strike.

Growing public opinion that the strike would be against the government Labor Board, and consequently the government, and not against the railroads was the reason given for abandonment of the contemplated strike.

Town Huskies to Flirt With Pig- skin Very Soon

Another Town football eleven is now being organized by Chief Rockwell of the Fire Department and W. E. Stockman, and two good workouts have already been held. The first game will probably be played at Vega on November 12. Offers for games have been made the Santa Fe Shop Team at Clovis, Canyon Normal and Wayland College of Plainview. The Wayland manager some time ago asked for the Thanksgiving game at Hereford this year and this feature contest will probably be played.

Some twenty huskies, all with former college or school gridiron experience, have responded to the call and the material looks good for a winning combination. Thursday afternoon the squad scrimmaged against the High School team, which is getting in shape for the fight of its life at Amarillo on Saturday of this week. The workout was fine for both squads.

Actual Work Was Begun Thursday In Old Lake Bed

W. D. Howren, engineer, "Doc" Butler, tree surgeon, and John Mooney with a team of four horses started the Park Board's work on the old lake near the Christian Church Thursday morning. Mr. Howren gave the grades and levels and Messrs. Butler and Mooney began to plow up and level off the slope for the future civic beauty spot. The Board is busy talking trees with experts and hopes to actually plant a number on this location in the spring.

Friday morning the work of cutting down the old Cottonwood trees that are dead or dying on the Conthouse lawn was begun. Twenty of these old landmarks are slated for the axe, to be replaced with vigorous young stock.

CHIROPRACTORS IN ORGANIZATION AT AMARILLO CONFAB

At a meeting of the Panhandle Chiropractors at Amarillo, the first of the week, the initial organization of the Chiropractors of this territory into an association to be known as the North-west Texas Chiropractic Association, was made. Seventeen chiropractors attended.

It is the purpose of the Association to affiliate with the State Association and aid in securing proper legislation for the regulation of the practice of Chiropractic in Texas. It is hoped that Texas will soon secure this important legislation, as have twenty-seven states already.

Drs. Kibbe and Armstrong, of Hereford, attended the meeting.

DR. AND MRS. J. H. MASSIE'S SMALL SON PASSES AWAY

The Vernon Record of October 25 carried the following story:
"The 4-year-old son of Dr. and Mrs. J. H. Massie of Wichita Falls died last night at a Dallas hospital, according to word received by relatives here. The child underwent a slight operation recently, and complications are thought to have set in."
"Mr. and Mrs. Harry Mason left last night, to accompany the parents and their child to Vernon. They are expected to return at 8 o'clock this afternoon. Funeral arrangements have not yet been completed."
Mrs. Massie was formerly Miss Amber Collins, of Hereford, sister of Arch Collins, and was raised here. The many friends of the Collins family in this section will regret to hear of the loss of Mrs. Massie's baby boy.

Inspector Here

K. K. Chesney and G. C. Stephenson, of Topeka, Kansas, were in Hereford on business Wednesday and Thursday. Mr. Chesney is an inspector for the Santa Fe.

B-r-r-r—Weather Shifts Suddenly Into the North

A howling wind with a shiver in it hit Hereford about 2:30 o'clock Friday morning, followed by a light shower of cold rain. Friday is windy and disagreeable, with the wind straight out of the north and with promise of cold weather. The Weather Man Friday morning predicted frost for Saturday morning.

TRASH IN TRUCK BED BLAZES UP; LITTLE DAMAGE

The rubbish in a truck parked near the Fallwell Filling Station caught fire in some unexplained manner Tuesday night about nine o'clock and the fire alarm was turned in. The blaze was extinguished, however, before the fire boys could reach the scene. No material damage was done.

A COMMUNITY BIBLE CLASS IS PROMOTED

IS OPEN TO ALL. UNDER SUPERVISION MISS LIVINGSTONE

A Community Bible Class, under the efficient leadership of Miss Livingstone, the teach of Bible in our Public Schools, has been organized and will meet Tuesday evening, November 1st, at the Methodist Church at 7:30.

The Synthetic method of Bible study will be followed as outlined and used by Dr. Gray, Dean of Moody Bible Institute of Chicago, in his classes. In explaining this method of study, Dr. Gray says: "The Synthetic study of the Bible means the study of the Bible as a whole, each book as a whole and as seen in its relation to the other books of the Bible; as each book is studied the Great Facts are discovered and important facts included in these Great Facts are also studied. Explaining the Synthetic method of study further, suppose it were used in the study of geography; the student would first look at a globe or map of the world and, after that single all-including glimpse, he could more intelligently consider the hemispheres, continents and states, and finally the mountain ranges, rivers and lakes."

There is a certain English mountain climber who, whenever exploring a new region, always ascends the highest summit first. He thus gathers a birds-eye view of the lower levels with an understanding of their relativity that strengthens his grasp of the situation. So it is with the Synthetic study of the Bible. A knowledge of the great outstanding facts of the Bible will greatly aid in its deeper study.

This method especially meets the need of those who want to know the Bible better, and anyone interested is most earnestly urged to attend this community class, and is assured of a cordial welcome and the privilege of spending a profitable hour each week under competent and consecrated leadership. The lesson for November 1st will be chapters 12-39 inclusive, in the book of Genesis.

CATTLE SHIPMENTS TO ALL MARKETS SINCE OCTOBER 26

October 26—Harper and Fuqua, one car hogs to Los Angeles.
October 27—M. Simmons, Dimmitt, one car cattle to St. Joseph, Mo.; Geo. E. Sheppard, one car cattle to Kansas City; Posey Cunningham, two cars cattle to St. Louis; Higgins and Norton, eight cars cattle to St. Louis; Gould Bros., two cars cattle to St. Louis.

Visitor Departs

Mrs. J. W. Berry, after several weeks visit in the home of her brother, Orville Grant, returned to her home at Bethany, Mo., Thursday.

Sank Ramey Has F. Warde Beaten Mile As An Actor

Sank Ramey, genial express agent, demonstrated Thursday night that he is as much at home behind the footlights as behind his wicket window. As "the poor married man" in the play given by the Mothers' Club at the Star Theatre, Sank acquitted himself splendidly and gave an impression of ease and self-possession rather rare in home talent plays.

The various characters were all creditably and vividly portrayed. Miss Corine Smith, as the bride-came-through with a fine make-up and a winning smile. Earl Gough as Dr. Graham, a second husband, had his hands full trying to keep the family boat from rocking. Marie Burns as the mother-in-law made life utterly miserable for two fond husbands. Robert Sisk, as Jupiter, the servant, carried through a difficult part creditably. Joe B. Elliston, as Billie Blake, a Senior disappointed in love, and Misses Ines Hodges, as the college reporter, and Lella Orr, as a freshman, carried many commendatory reports.

The house was filled to capacity and the Mothers' Club is to be congratulated upon the splendid results of their worthy work.

The growing local sentiment for more poultry, hogs, dairy cows and diversification generally will probably result in holding a Poultry Show at Hereford this winter as a means of stimulating interest in this profitable line of work. President McDonald plans to present the matter to the luncheon next Monday and ask endorsement for a strictly local show. The idea has been advanced that the best dates might be on the dates of the Panhandle Swine Breeders Convention and Sale in January.

Interest in poultry is rapidly growing in the Panhandle. Amarillo plans to re-establish her annual poultry show this year. The following notice concerning it has been received here:

Amarillo, October 26.—The Panhandle-Plains Tri-State Poultry Show to be held at Amarillo, Texas, December 7th to 11th, 1921.

The poultry enthusiasts are reviving the old Panhandle Poultry Association under the title of the Panhandle-Plains Tri-State Poultry show, which includes in its territory the Panhandle of Oklahoma, the eastern portion of New Mexico, and the 38 Panhandle and South Plains Counties of Texas. The purpose of the organization is to build up enthusiastic interest in the poultry industry.

The officers of the new Association are: W. W. McDonald, President; H. W. Duke, Secretary-Treasurer; A. F. Morrow, Superintendent; Howard A. Ferguson, Clyde C. Cockrell and Frank Kiersey, Program and Publicity Committee, all of whom are well known to the poultry industry throughout this entire section.

There is at present a marked interest in the poultry industry in this part of the country, and it is to be hoped that with the plans now under way the possibilities will be greatly enlarged, and the total production of eggs and fowls for market increased.

Entries will be received from all persons residing within the above defined territory, and the catalogue and premium list will be ready for distribution in about ten days, and any one desiring a copy may obtain one by writing to H. W. Duke, Secretary-Treasurer.

The Poultry Show will be conducted under A. P. A. Regulations, and will be judged by men authorized by that organization.

Amarillo is putting up about \$1,000.00, and it is hoped that this sum will be added to by various other means so as to make the interest in the competitive exhibitions very keen.

Several communities have given the Association their endorsement and pledged their support. This is indicative of a real poultry exhibit, and it is hoped that all of the communities within the territory defined will avail themselves of this opportunity to revive an interest in an industry that means much to the industrial development of the country.

Letters have been mailed to manufacturers of poultry supplies, and indications are that their support will be 100 percent, and it is probable that they will have their expert representatives attending the show to explain the latest development in the way of poultry supplies.

Secretaries are Billed For Tullia On November 5th

The first meeting of the Panhandle-Plains-Commercial Executives association, recently organized at Amarillo, will be held at Tullia on Saturday, November 5. Representatives from practically every commercial club or Chamber of Commerce in the Panhandle will attend this session, which is scheduled to start the active work of the organization. R. M. Fielder, secretary at Tullia, is president, G. A. Coffee, Goodwell, Okla., vice president, A. N. McCordell, Clarendon, second vice president, and John Boswell, Plainview, secretary-treasurer, while the board of directors is composed of W. B. Estes, Amarillo, Seht B. Holman, Hereford, W. A. Palmer, Canadian, A. N. McCordell, Clarendon, G. A. Coffee, Goodwell, Okla., R. M. Fielder, Tullia, and John Boswell, Plainview.

HEREFORD BASKET BALL GIRLS WILL PLAY VEGA TEAM

The girls basketball teams of the Vega and Hereford schools were scheduled to play a game on the Hereford court Friday afternoon.

The Hereford girls have been practicing hard for this contest and have been materially aided by scrimmages with the town girls, who have done all they possibly could to strengthen the school team for this game.

THE MORNING AFTER THE NIGHT BEFORE

POULTRY MAY BE SHOWN AT HOG MEETING

PLAN TO HOLD SHOW IN CONNECTION IN JANUARY

The growing local sentiment for more poultry, hogs, dairy cows and diversification generally will probably result in holding a Poultry Show at Hereford this winter as a means of stimulating interest in this profitable line of work. President McDonald plans to present the matter to the luncheon next Monday and ask endorsement for a strictly local show. The idea has been advanced that the best dates might be on the dates of the Panhandle Swine Breeders Convention and Sale in January.

Interest in poultry is rapidly growing in the Panhandle. Amarillo plans to re-establish her annual poultry show this year. The following notice concerning it has been received here:

Amarillo, October 26.—The Panhandle-Plains Tri-State Poultry Show to be held at Amarillo, Texas, December 7th to 11th, 1921.

The poultry enthusiasts are reviving the old Panhandle Poultry Association under the title of the Panhandle-Plains Tri-State Poultry show, which includes in its territory the Panhandle of Oklahoma, the eastern portion of New Mexico, and the 38 Panhandle and South Plains Counties of Texas. Letters have been mailed to manufacturers of poultry supplies, and indications are that their support will be 100 percent, and it is probable that they will have their expert representatives attending the show to explain the latest development in the way of poultry supplies.

MRS. C. C. FERGU- SON DELEGATE TO O. E. S. MEETING

Mrs. C. C. Ferguson has been in Fort Worth this week as representative of the local order of the Eastern Star at the grand chapter meeting in the Panther City. Reports state that the Fort Worth convention is one of the largest and most interesting in the history of the order. Mrs. Ferguson left Hereford last Sunday. The convention came to an end Thursday night with an elaborate ceremony.

Prospectors Here

F. M. and W. M. Watson and J. H. Spur of Waynoka, Okla., arrived in this city on a prospecting trip Tuesday.

Society

Bay View Club

A delightful motor trip to the country home of Mrs. D. C. Laird was a pleasure enjoyed by the Bay View Club Thursday, in addition to their study work.

The lesson subject, "The Tale," as exemplified in Rip Van Winkle, formed the topic of an interesting round table discussion which brought out the characteristic of this literary form.

An elaborate noonday feast was an enjoyable feature of the occasion, as was, also, the presence of Mrs. Wright a neighbor of the hostess, who was the guest of the club for the day.

Mrs. J. D. Thompson Honored

A number of friends and neighbors of Mrs. J. D. Thompson met at the home of Mrs. Roy Thompson and at the noon hour surprised her with a beautiful birthday dinner. The beautiful and delicious birthday cake, which was made by Mrs. Suggs, was made more beautiful by the glow of many candles. The dinner was served Cafeteria style.

Each guest contributed a small sum and silver salt and pepper shakers were brought and presented to the honoree. About fifty guests enjoyed the day.

Woman's Missionary Union

The program of the Woman's Missionary Union of the Baptist church for 1921-22 was planned at a meeting held at the home of Mrs. Edgar Johnson Wednesday, October 19.

The meeting was opened with the song: "My Faith Looks Up To Thee," followed by a prayer for the Union by Mrs. Suggs. Mrs. Hicks read the sixth chapter of Romans. Mrs. Estes then led in prayer and Mrs. Homer Wilkinson gave a paper on the Baptist 75 Million Campaign. Mrs. A. O. Thompson and Miss Helen Lambert rendered special music numbers and Mrs. Chamness gave a reading entitled: "The Beautiful River," which was very much appreciated. Refreshments of fruit salad and angel food cake were served.

Christian Church Ladies Have

All-Day Meeting With Mrs. Slagle
The Ladies' Aid of the Christian Church met in an all day session at the beautiful country home of Mrs. Walter Slagle, six miles east of Hereford Wednesday afternoon. A bountiful dinner, including everything good to eat, was served, after which the society held an informal business session, discussing several things of importance towards the furtherance of the Lord's work.

After a lively social hour around a large bowl of delicious pop corn, prepared by the hostess, the guests reluctantly departed, voting Mrs. Slagle an ideal hostess and wishing many returns of a day so happily spent.

Mothers' Club Entertains

Teachers and School Board
Beautiful in the spirit which prompted it, as well as in every detail of its delightful arrangement, was the dinner party given Saturday by the Mothers' Club in honor of the teachers of the public schools and the members of the school board.

The home of Mrs. J. B. Jones was

chosen for the occasion, and to its usual charm of welcoming hospitality was added a special embellishment of late autumn blossoms and Hallowe'en suggestions, yellow predominating in the color scheme. White and yellow chrysanthemums were effectively used, with grotesque Hallowe'en forms and faces contributing a festive note. Softly shaded lights diffused through the rooms a mellow radiance that added to the decorative effect.

Covers were laid for thirty guests, four beautifully appointed tables transforming the dining room into a magnificent banquet hall.

The menu included:
Cream of Tomato Soup
Wafers
Turkey Dressing Gravy
Sweet Potatoes Cranberry Jelly
Fruit Salad Pickles Olives
Pumpkin Pie with Whipped Cream
Coffee

The following program of toasts added an entertaining social feature: "To the School Board," Miss Griffith. Response, Mr. A. O. Thompson; "To the Teachers," Mrs. Walter Spradley. Response, Mrs. C. S. Garrison; "To the Mothers' Club," Mr. W. R. Blocker. Response, Mrs. W. O. Fox. Mrs. B. F. Guthrie acted as toastmistress.

An hour of informal social intermingling following the dinner furnished opportunity for that closer acquaintance so conducive to right relations among patrons, teachers, and officers, and was much enjoyed.

The personnel of the Mothers' Club includes the following names: Mesdames Rex Tynes, A. A. Foster, Jeff Gilbreath, W. O. Fox, W. M. Cogsdell, Mat Gilliland, J. J. Clark, Walter Spradley, W. B. Parmer, J. H. Bowers, E. B. Elliott, M. R. Corbett, Jno. Miller, J. B. Jones, Edgar Ireland, W. S. Williams.

MANY LIKE THIS IN HEREFORD

Similar Cases Being Published in Each Issue.

The following case is but one of many occurring daily in Hereford. It is an easy matter to verify it. You cannot ask for better proof.

D. R. Grimes, farmer, Hereford, says: "Some time ago I was down my back and kidneys for days at a time and could hardly get around. My back was so sore and lame. My back ached constantly and when I stooped over, sharp, catching pains would take me in my back and I could hardly straighten up. I also had dizzy spells and my kidneys were weak and irregular in action. At night I had to get up two or three times to pass the secretions. The trouble seemed to come on in spells. Now, whenever I feel any symptoms I get a box of Doan's Kidney Pills from the Betts-Clark Drug Co. and they always fix me up and relieve me of all the misery. I know Doan's are a good medicine."

When is a Battery Old?

Some men are young at eighty others are old at forty. It's about the same way with batteries.

Their usefulness depends on the care they have had, the amount of work they have had to do, how they have been used, and most important of all—on the original quality of the battery.

There are many good reasons back of the decisions of the manufacturers of 175 makes of cars and trucks to use Willard Threaded Rubber Batteries.

Come in and we'll tell you more about them.

Indians in the interior of British Columbia print a newspaper in shorthand. A French missionary learned the Indian vocabulary and taught them to write by means of shorthand signs, which represented all the sounds the Indians use in pronouncing the words. The paper has sixteen pages and contains all the news of the tribe. More than 3,000 Indians have learned to read it.

PERFECT BAKING—always

For 25 years, women have laboriously watched and turned the baking in order to get it browned evenly on all sides—due to the 100 to 200 degrees difference in temperature between the four corners of the oven.

Cole's Automatic Fresh Air Oven is an exclusive feature of

Cole's Hot Blast Range

It circulates the heat—the four corners of the oven are at the same temperature. Everything baked perfectly—browned evenly on all sides—no turning of pans.

Be sure it's a "COLE'S" in your kitchen

"Your Electrical Servants"

of the estate and properties of the said John Alexander Beith whose residences are unknown, to be and appear before the District Court to be holden in and for the county of Castro at the Court House thereof in the town of Dimmitt, on the first Monday in Nov., A. D. 1921, the same being the 7th day of said month, then and there to answer the petition of Ama A. Ward, as plaintiff, filed in said court on the 3rd day of Sept. A. D. 1921 against John Alexander Beith, John Thompson, Jeanette Beith, Alexander Beith, John Hay Beith, William John Robertson, and John Bradfield Parkinson, and the unknown heirs of John Alexander Beith, John Thompson, Jeanette Beith, Alexander Beith, John Hay Beith, William John Robertson, and John Bradfield Parkinson, as trustees of the estate and properties of the said John Alexander Beith, as defendants, said suit being numbered 1385 on the docket of said court the nature of which demand is as follows, to-wit: Trespass to try title and to remove cloud from title to Section No. 235 in Block M-8 in Randall and Castro Counties, Texas, plaintiff alleging fee simple title in her on the 1st day of May, 1921 and eviction by defendants. Plaintiff also alleges possession in plaintiff peaceably, adversely, exclusively and continuously with cultivation, use and enjoyment of said lands under fence for more than three years and for more than five years and for more than ten years next before the filing of this suit with payment of taxes and under deeds duly registered for more than five of said years and therefore claims title under three, five, and ten year's limitations. Plaintiff also shows that he claims title to said lands by regular chain of title by instruments duly recorded from the State of Texas one link therein being deed dated October 6, 1898 by Jeanette Beith, Alexander Beith, John Hay Beith, William John Robertson, and John Bradfield Parkinson, as trustees of the estate and properties of John Alexander Beith to Cornelius C. Kyler and Benjamin Graham reciting a consideration of one dollar only and a supplemental conveyance dated February 21st, 1902 declaring that further consideration passed for said conveyance but some question is made as to the sufficiency of said conveyance by said trustees for such nominal consideration and cloud is thereby cast upon plaintiff's title. Defendants are notified to produce the original of said deed and conveyance or secondary evidence will be used thereof on trial.

Land and City Property For Sale

We have 1056 acres improved land in Foard County to trade for 2 1/2 sections in body in Deaf Smith County.

Some desirable city property for sale.

If you have any property in Deaf Smith or adjoining counties for sale or exchange, see us. Have a large list to select from.

Suggs & Bray

Plaintiff prays for title and possession of said land, for removal of cloud from title thereto, on account of said irregularities and adverse claims of defendants, and to be quieted in said title and for relief general and special both in law and in equity.

Herein full not, but have you then and there before said court this writ with your return thereon showing how you have executed the same.
Given under my hand and the seal of said court this 20th day of Sept. A. D. 1921.
(SEAL) W. L. PICKETT,
Clerk District Court, Castro County, Texas.

I certify that above is a true copy of the original writ now in my hands.

3 HELD WITHOUT BAIL IN LACKEY MURDER TRAGEDY

In the preliminary hearing before Judge John W. Grayson here Monday the 17th inst., of Boss Jackson, Texas Jack (Lewis) and Brent Cosmer, charged with the murder of Roy Lackey, near the Lackey ranches at Rana, this county, on Sunday, October 2nd, the prisoners were held without bail for investigation before the next grand jury which will convene with the regular term of the district court the second Monday in March next year.

The testimony of the witnesses for the state in this hearing showed these prisoners and the dead ranchman together when Lackey was last seen alive. That shooting was heard by one of the witnesses who had met the party and who had his feet shot close to in order to make him dance, etc. Lackey was made to hold the horse of this witness while he was played horse with by one of the prisoners, who, the witness said, was whisked up to about 110 fahrenheit. This witness testified that Lackey was threatened with death at the hands of the gunman while holding the witness' horse if he didn't attend to the horse-holding instead of interfering with the program of the gunman. During this procedure Lackey motioned for the witness to take the horse and ride for life (that being the implied suggestion as it was received by the witness), and which implication he executed with the greatest dispatch possible. As he rode away he heard two shots. The state didn't bring out any further statement from this witness, whether he saw

the shooting, or whether he rode blind from the scene of trouble. It seemed to be the object of the state to hold everything in reserve that would be evidence added to that already considered ample to hold the prisoners for action of the grand jury before which body every detail should be worked out.

The defendants made no statement, and their attorneys are commencing habeas corpus proceedings to liberate them. This is a case of much interest in this county and in eastern New Mexico, owing to the wide acquaintance of Lackey, and also the defendants,

who ranch east of Lackey across Texas line—Tucuman American.

A four-year-old child died recently at Austin, Texas, from the effects of the bite of a rattlesnake while she was asleep at a camp on the Pedernales river, west of Austin.

Mrs. August Dornak, residing near Hallettsville, Texas, recently gave birth to her eighteenth child. Mr. and Mrs. Dornak have seventeen children living and all at home. Mr. Dornak is forty-six and his wife forty-four.

One Lesson of Big Business

Big businesses were nearly all small businesses once and they know by experience what it is worth to be lined up with the right kind of bank. The small business that learns that lesson has taken a big step toward bigness.
