

The Hereford Brand

TUESDAYS—TWICE-A-WEEK—FRIDAYS

HEREFORD, DEAF SMITH COUNTY, TEXAS, FRIDAY, SEPTEMBER 3, 1921.

21st Year NO. 50.

METHODISTS REVIVAL TO START 4TH

TULSA MINISTER HERE TO ASSIST REV. BEAVERS.

The Rev. M. M. Beavers sermon on "The Apostolic Church" at the Methodist church next Sunday morning will be the first in a series of revival services which Mr. Beavers says: "I hope will be a revival." Rev. Spindler, of Tulsa, Okla., a splendid talker as well as singer will aid Rev. Beavers in these services. Rev. Spindler is said to be especially attractive to the children and young people.

It is announced that this revival will not be a denominational one but open to every christian in this community, and the cooperation and help of every one is earnestly solicited by the Methodist leaders.

Missionary From Africa, Christian Church Sept. 14th

Royal C. Dye, late of the African Mission field, will be in Hereford September 14th and will give one or more addresses at the Christian Church.

Mr. Dye has been for years one of the foremost of the Disciples' workers in the dark continent. He is now on furlough and comes here from the national convention of the Disciples now in session at Winona Lake, Indiana.

The local church extends a cordial invitation to everyone to hear this noted missionary who is designated as "a man with a mission and a message."

"TREE DOCTOR" IS HERE TO IMPROVE TREES AND SHRUBS

C. J. Butler, a new resident of Hereford is an advanced student of tree surgery. In fact his intimate friends dub him "Doc."

Mr. Butler has taken a course of tree and shrub surgery work in the University of Wisconsin and is an enthusiast on the subject of more and better trees, shrubs and flowers. He has offered his services to the Park Board free of charge and intends to endeavor to build up a private practice here in the proper handling of trees, shrubs and flowers and landscape work generally. The Brand asked Mr. Butler to write a story about the work, and here it is: "Many who have noticed the effect of pests and disease on the shade trees of Amarillo and other neighboring cities comment upon the comparative healthy condition of the trees in Hereford. We surmise that the exceptional pride, and consequent care of our citizens is, in a measure, responsible for this better condition.

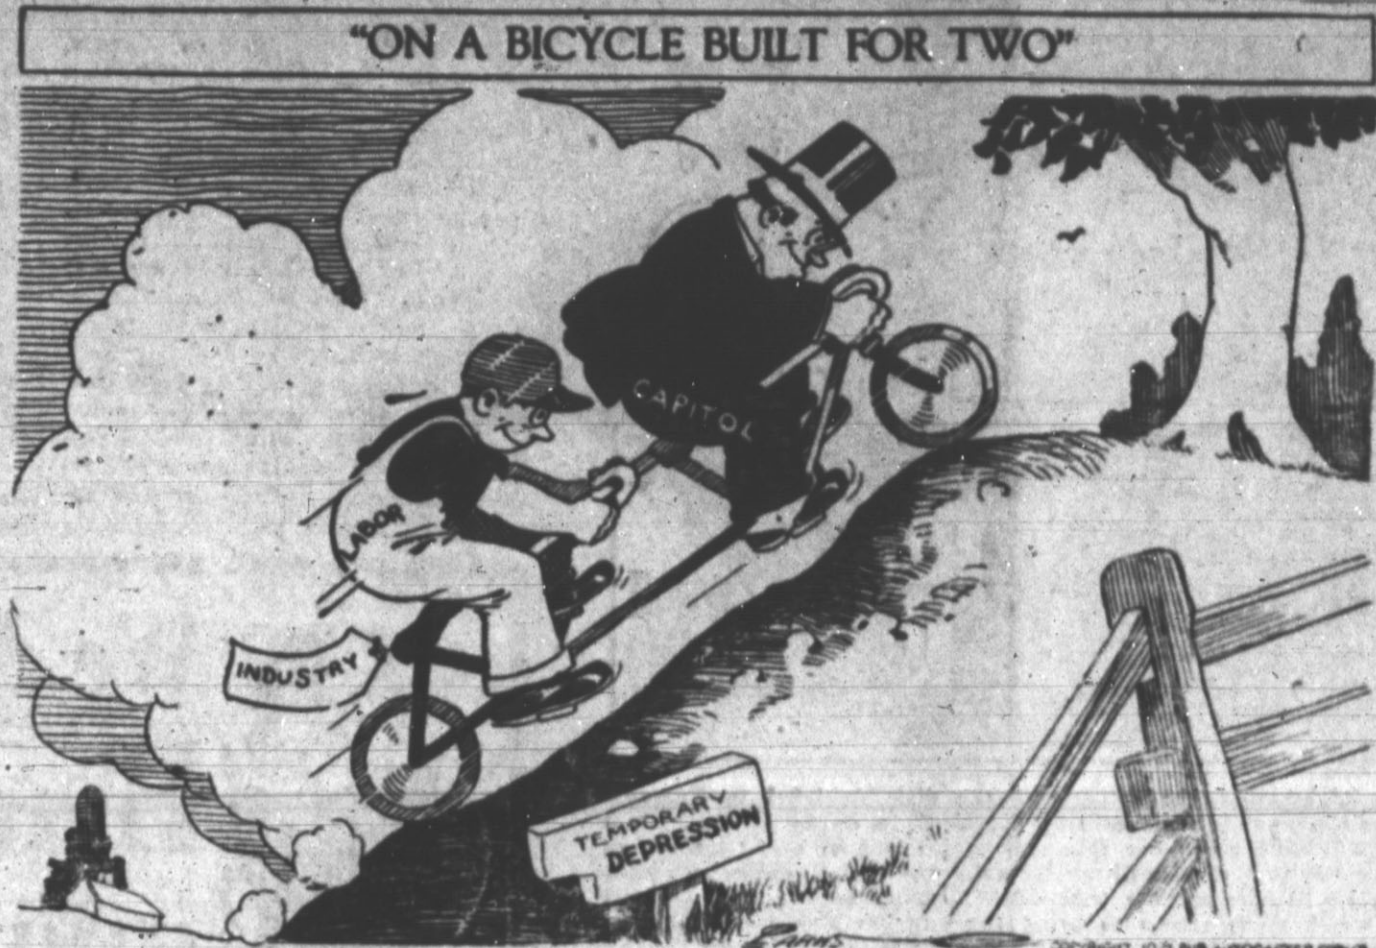

"However, it is well to consider that we have been fortunate in so far as escaping the wholesale ravages of these enemies. It is conceded that the borer and other pests are migratory, and we should not neglect the fact that even healthy trees are not immune from their depredations. No campaign has totally exterminated the pests nor disease, and it is logical to believe that in time our own vicinity will become infected. In fact, an examination of the trees about the city show symptoms that the enemy has already intruded.

"Consistent with nature's laws, disease strikes first at the weak and undemoralized. A tree infested with worms; improperly watered or mulched; or one that has become scarred thru accident or otherwise, cannot resist an attack, nor even withstand the hardships of winter as well as its healthy brother.

"Nor will a quarantine of your neighbor's tree protect you. Insist that every tree in your neighborhood be given its chance for a healthy growth. An undernourished person is easy prey to the germs of disease. Only proper care and food can rebuild the tissues. The same theory applies to all of nature's children. Caution and care now will save many trees and plants."

McDONALD TRANS- FERS DRILL CREW TO ROARING SPGS

Bill Einemann, Mac Beach, L. Carter, Albert Zinser and Albert Schuetto, members of the crew of the D. L. McDonald Irrigation drilling outfit, were in town this week. The crew is moving to Roaring Springs, Dickens county, on the Matador Ranch, where drilling operations will begin in about two weeks.

Time Alone Will Tell Real Hopes Of Jno. McFarlin

The Brand is frequently asked if information has been obtained on the present condition of John McFarlin, who was taken to Mayo Bros. Hospital several weeks ago with a broken spine. The Brand has asked Dr. Price for this information and the doctor states that he had a report about ten days ago from the surgeon who headed the clinic performing the operation on McFarlin at Rochester. This surgeon stated that the spinal cavity had been cleaned out, adhesions removed, and the spinal column examined. It is his belief that the cord is not entirely severed and that there may be enough vitality developed in it in time to transmit some life to portions of McFarlin's body now partially paralyzed. Time alone will tell whether or not the spark of life remains in the bruised and smashed cord.

It is understood that McFarlin will be removed from the sanitarium to his old home near Waco, Texas, as soon as his condition will permit.

Two Small Chaps Jump When Local Hit Wheat Wagon

A wagon loaded with wheat belonging to J. L. Johnson and driven by two small boys, Jack Morris and a companion of the name of Richardson, was struck by the local freight train from the west Wednesday. The wagon was pulled by two big mules and the boys were unable to control them. Both back wheels on the wagon were smashed and the wagon torn up but both boys had presence of mind enough to jump and escaped without injury.

JNO. B. DAVIS IS HOME FROM TOUR OF THE COUNTRY

Mr. and Mrs. Jno. B. Davis and daughter and Mrs. R. F. Barnes and daughter returned last Saturday from an automobile trip through southern Oklahoma and central Texas. They were away about three weeks. Mr. Davis was formerly with the Harrison Elevator. He will probably locate on a farm near Hereford.

DR. HARDING'S BRIDE POSES FOR PICTURE

A new portrait of Mrs. George T. Harding, of Marson, O., the new bride of the father of the President. She was formerly Miss Alice Severns, 52 years old who had been his stenographer for eight years. Dr. Harding is 72.

Geo. E. Shepard Man After Roos- velt's Measure

Geo. E. Shepard of Hereford, claims the unique distinction of having six daughters-in-law, eighteen grand children and one great-grand child.

This magnificent record was made possible on August 29 when his son Percy G. Shepard of Dimmitt, married Miss Ollie Anderson of Comanche, Texas, the ceremony being performed at Brownwood. The groom has been engaged in farming near Dimmitt for several years.

Friena Church Is To Be Rebuilt If Funds Are Raised

Members of the building committee of the Congregational Church of Friena were in Hereford this week soliciting funds for the new church to be built to replace the one destroyed by lightning recently. Members of the committee here were R. S. Houlette and Mesdames R. H. Kinsley and W. E. Goodwine. Accompanying this committee were Mrs. R. S. Houlette, Rev. Martin and Rev. C. H. Shifflett.

The proposed new church building is to be 36x30 with twelve foot ceilings and will include a Sunday School room, study room and the main auditorium.

OLD CASTRO RESI- DENTS RETURN FOR VISIT TO FAMILY

Mr. and Mrs. B. T. Bell, Sr. and son, B. T. Jr., reached Hereford Wednesday for a visit with relatives in this section. Mr. and Mrs. Bell formerly resided in Castro county but of late have lived in El Paso. They are visiting their daughter and son, Mrs. Edgar Ireland and Allen Bell. B. T. Jr. or Barclay as he is perhaps better known, has been a resident of California for the past eight years.

GIRL SCOUTS OFF FOR CAMPING TRIP PALO DURO CANYON

Miss Jessie Sisk headed a group of her Girl Scouts who left Hereford Wednesday morning early for a camping trip in the Palo Duro canyon near Canyon. The party was carried as far as Canyon by Leslie Bruner in his big truck and from that point friends were to take them to their destination. The party expects to return home next Saturday.

STECKMAN GIRLS NOW IN MISSOURI WITH RELATIVES

Miss Maurine Steckman left Hereford Friday morning for a vacation trip to Princeton, Mo., where she will join her sister, Miss Vivienne, who went ahead of her. Princeton is the old home of the Steckman family and the two young ladies will visit with relatives.

MRS. HENRY WILKIN- SON AND CHILDREN HOME FROM CALIF.

Mrs. Henry Wilkinson and children, Wanda and Frank reached home Wednesday morning after a summer's vacation in California. Both Mrs. Wilkinson and the children were much benefitted by their change of climate.

McCurry Puts Up Great Battle As A Crisis Comes

A calm and unshakable determination to live probably had a great deal to do with George McCurry safely passing his first crisis Thursday night since his emergency operation Monday. The operation was performed at the Sanitarium as a last resort. Peritonitis had already set in and Thursday afternoon late attending physicians reluctantly admitted that his chances for recovery were slight. His pulse had run to as high as 140 at times and the outlook was desperate. But the sufferer, conscious through it all, stated emphatically that he intended to live. His steady fortitude through a night of strenuous work on the part of physicians, nurses and friends aided greatly in the ultimate result. Friday morning McCurry's pulse was down to near normal, the crisis was apparently passed, and he is holding his own at last reports.

George's legion of friends Friday were delighted at the outlook and relief and triumph shone from the faces of the physicians and nurses who had battled steadily through a long night of anxiety.

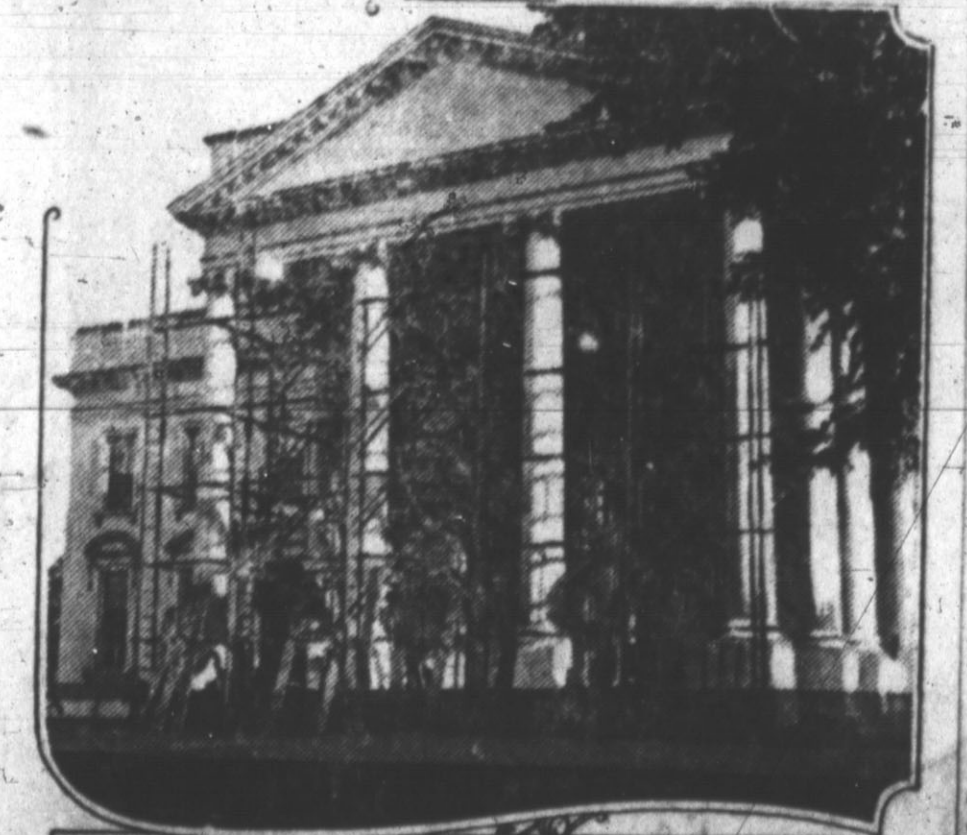

Church of Christ Starts Revival On Friday Night

The Church of Christ announced this week that it would begin a revival meeting on Friday night, September 2. The Rev. A. C. Huff, of McLean, Texas, arrived Thursday morning to conduct the services which will continue through two weeks.

MRS. SHERM WILLIAMS VISITS HER DAUGHTER IN K. C.

Mrs. W. S. Williams left Hereford for Kansas City Tuesday morning where she will visit her daughter, Mrs. D. W. Henry. Before returning home she expects to visit relatives and friends in Iowa.

WHY THE PRESIDENT BEAT IT

This news photograph from Washington lets out the secret why the President went up into the Northeastern states on a vacation. They are housecleaning the White House, d'ye see? Cleaning the whole interior and painting the outside.

IS LEGION HERE DEAD? —EMORY

LOCAL POST MAY LOSE CHARTER WITHOUT SOME ACTION.

Dr. W. F. Gabbert has received a letter from John G. Emory, National Commander of The American Legion, calling attention to the fact that the local Post is "dead-dead-dead" and that records in his office indicate that the there is strong probability of the local charter being forfeited unless the ex-service men here come to life.

Commander Emory writes a strong appeal for the boys to "stick together" and perpetuate the organization pledged to "God and Country." Dr. Gabbert would be glad to discuss the vitalizing of the organization with all interested men in this community.

I. O. O. F. Wants Drum Corps Sent To Toronto Meet

John A. Travis and Ed Taylor, representatives of the I. O. O. F. lodge of Amarillo, appeared before the Hereford lodge Monday night in the interests of a fund to be used in sending 19 members of the Canton Drum Corps of Amarillo to Toronto, Canada, September 19 to 22, when the Sovereign Grand Lodge of the World holds its annual meeting.

The Amarillo lodge is unable to meet all of the heavy expense incident to the trip but believes that on account of the advertising value to the Panhandle as a whole that neighboring towns should chip in on the expense. Each town so contributing will be entitled to have its literature distributed at Toronto.

It is understood that there is no way by which the local lodge may use its funds for such purposes. After discussion a committee composed of A. H. Elliston, W. S. Williams and J. H. Wilson was appointed to take up the matter with the Chamber of Commerce next Monday and see if anything may be done.

BAPTIST ASSEMBLY AT CANYON IS VERY SUCCESSFUL

The annual meeting of the Baptist Association, composed of five counties met at Canyon August 31 and September 1. Representatives from all the twelve churches in the Association were present. The different reports showed a good year's work. Rev. Lindley was elected Associational Missionary for the coming year. The messengers from Hereford were: Dr. J. B. Atwood, Mesdames G. M. Suggs, E. V. Allen, A. O. Thompson, J. W. Hicks, H. G. Conkwright, A. H. Owen and W. E. Hicks. Misses Dot Owen, Mary Lou Robertson and Glendola Powelson, and Messrs. H. G. Conkwright, A. H. Owen and J. H. Harris.

MRS. LUTHER HOUGH GAINS WEIGHT ON CALIF. VACATION

Mrs. Luther Hough and children returned from California last week after a pleasant visit of several weeks in California. Mrs. Hough gained six pounds while away and appears much benefited by her trip.

A MUSICAL EVANGELIST IS PLEASING

LOS ANGELES MAN HAS AUDIENCE WITH HIM IN CONCERT

Harry K. Shields, the singing evangelist who appeared at the Christian Church Thursday evening, gave very pleasingly a varied program of much merit and of special appeal to the everyday music lovers, who, in the main, made up the large audience which greeted the noted singer.

His vocal numbers included the simple heart songs, Irish ballads, and sacred songs. Of the latter "The Homeland" and "Face to Face" showed especially well the singer's depth of power and feeling and the sweetness of his tone quality.

An excellent enunciation characteristic of the goaphophone artist was very marked and added to the effectiveness of his work in tone reproduction given with a Columbia machine.

Several saxophone numbers were an enjoyable feature of the program.

Mr. Shields is well known throughout central Texas. He came here from Memphis where he has been singing for an evangelistic meeting. His home is in Los Angeles, California.

Fracas Plan Was Postponed Until Later In Year

Another "Fracas" had been planned by the Hereford Firemen for Friday night of this week and preliminary plans had been made to that end but owing to unforeseen complications at the last minute it was determined to postpone the event until several weeks later. This long delay is accounted for by the fact that a revival meeting will be in progress for probably two weeks, followed by a road show and other attractions.

However, when that Fracas is pulled off next time it ought to be a dandy good bill, judging by the talented boxers, wrestlers and stunt producers now being corralled by Chief Rockwell.

ILLINOIS MAN IS WILLING TO TRADE FOR PLAINS LAND

Fred Duncan of Alexis, Ill., left Hereford for Amarillo enroute home Thursday morning, after a short visit here. Mr. Duncan, who formerly lived in Central Texas, owns land near Tulsa and is trying to trade his Illinois land for more Panhandle real estate. He was much impressed with the Hereford country.

E. W. KINNEY AND WIFE BACK FROM ROCHESTER, MINN.

Mr. and Mrs. E. W. Kinney reached Hereford Friday morning from Rochester, Minn., where Mr. Kinney has been an operative patient. He is looking remarkably strong and well again and comes back to his work with renewed strength and vigor.

TENNESSEE PROS- PECTORS IMPRES- SED WITH OUTLOOK

Ed D. Green and Taylor Bassett of Amarillo and W. D. Lowe and Douglas Lowe of Tennessee, were Hereford visitors Tuesday. The Lowses are prospecting and were looking into the possibilities of this section.

SANTA FE PRESI- DENT PASSES THRU ON SPECIAL TRAIN

A Santa Fe special train passed through Hereford Monday. The train had the President W. B. Stone, Assistant General Manager, and several Amarillo officials.

ANDERSONS RETURN FROM CAMP TRIP N. M. MOUNTAINS

Mr. and Mrs. I. A. Anderson returned home Thursday, after a three weeks camping and fishing trip in the mountains of New Mexico. They were accompanied by friends from Vaughn, N. M. They report continued rains during the vacation which greatly handicapped the fishing.

IS THIS WHY PRICES ARE GOING UP AGAIN?

Prof. Irving Fisher, of Yale, who is so versatile that he is an authority on economics, on longevity of humans and on prize fighters, is best known for his exhaustive and deep studies of gold as money.

It is Fisher who advocates stabilizing the American gold dollar by fixing its value as it grows plentiful or grows scarce.

He contends that when gold becomes plentiful, prices of commodities ascend. When it is scarce, prices go down.

Please note what is happening now. All prices were going down the first of the year like a lead staker. But around about spring time floods of gold began to pour into the United States from the whole world. To date, in 1921, we have grudgingly accepted more than four hundred million of it.

And prices? They stopped falling. Bradstreet's shows that commodities at wholesale advanced over 3 per cent in July, 6 per cent in nearly all the cities on August 1. Cotton is going up again. So are sugar, coffee, tea, hides, canned goods, textiles and silver.

Maybe Fisher's right.

LISTEN TO THE GRAIN GAMBLERS HOWL!

The newspapers of the country are being flooded with propaganda against the plan of the American Farm Bureau Federation for Farmers to market their own grain and secure for themselves at least a part of the huge profits that now goes to gamblers.

Let there be no misunderstanding about this propaganda. In the first place, the farmers' corporation, known as "The U. S. Grain Growers, Inc.," is no revolutionary plan. It does not seek to do away with any existing marketing agency only such as is believed to be a hindrance rather than an aid.

The gambling Boards of Trade feel that if the U. S. Grain Growers, Inc., succeed, that one feature of their activities—namely, trading in futures, will be eliminated. They, therefore, have launched a very severe publicity propaganda campaign against the farmers' organization. At a meeting of the National Grain Dealers in Cincinnati, a committee was appointed to conduct this propaganda campaign and \$250,000 was raised to foot the bill.

This money is now being spent in printed propaganda by a syndicate which was set up in Chicago by the Board of Trade.

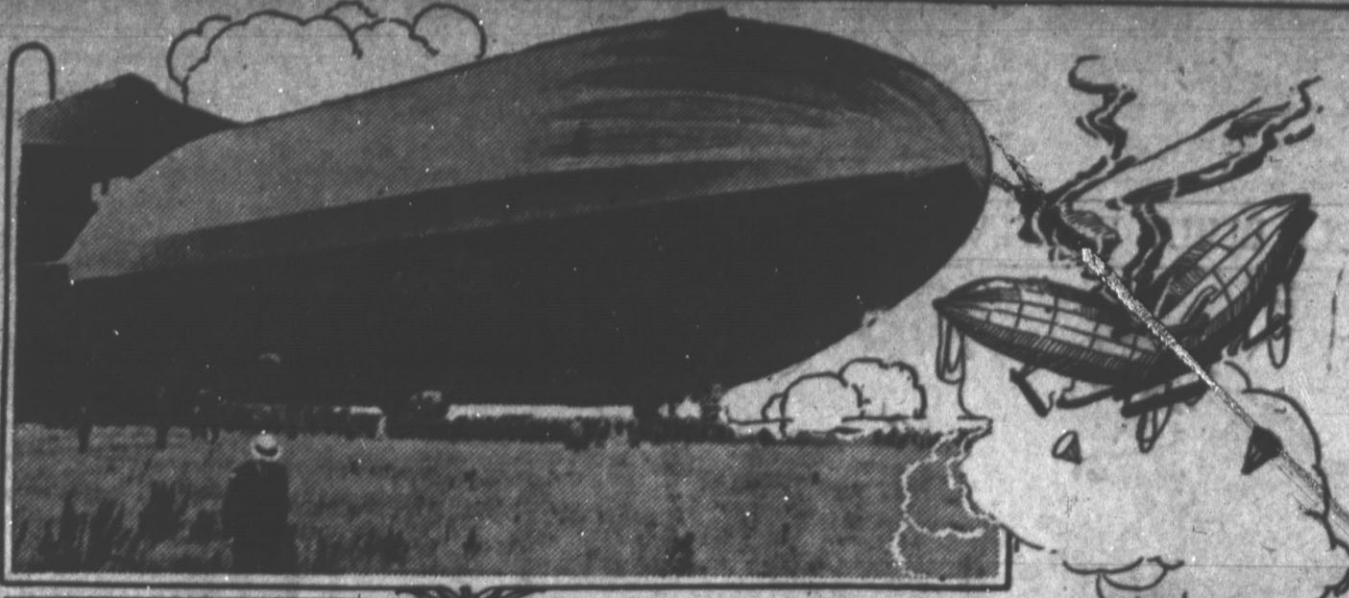

THE GREAT AMERICAN MILKER

BERLIN.—The American milk cows which have been distributed through Bavaria are declared to be twice as good milkers as the German cows, greatly to the astonishment of the Bavarian farmers.

The above cable is being widely printed in the big city papers, and the city people will no doubt read it with surprise and patriotic satisfaction.

But there is no surprise in it, for rural town people and farmers who have noted for twenty years the gradual

LAST PICTURES OF GREATEST AIRSHIP WHICH FAILED

The greatest air tragedy in the history of aviation, the collapse of the dirigible ZR-2 in England, when 45 perished, 17 of whom were American navymen, will not stop the U. S. in its air programme, it is announced at Washington. But Americans will build all of our future dirigibles and we will purchase no more foreign-made crafts. These pictures are the last of the ill-fated craft. Upper left shows navymen leading the biggest dirigible ever built from its hangar for the trial flight. Lower picture is an official navy picture, a group of the American crew which went across to bring the monster across the Atlantic from England. The sketch shows the great steel girders buckling and the ship as it collapsed.

elimination in this country of the "scrub" cattle. The average American dairy farmer discovered long ago that he could breed for more milk, and the result has been a steady upbuilding of herd from the milk production standpoint.

Helping the dairy farmer is the intelligent breeder who knows his Mendel law of heredity well enough to know that the well-bred sons of high milk producing bovine mothers will, if properly bred themselves, be the fathers of cows that will give still more milk than their mothers or grandmothers. As this process of breeding continues, each generation of cows will be better milkers.

America is going to be the greatest dairy country in the world, if it is not so already.

TONS OF PLASTER BARELY MISS MEN

Wednesday forenoon, with only a hasty warning, the overhead plaster in the White Deed land office turned all holds loose and came crashing to the floor. M. K. Brown and C. P. Buckler, of the land company, were at their desks in the office, when they heard an unusual sound from above and made haste to leave the building. When they had reached the private office of T. D. Hobart, in the front of the building, several tons of plaster came down with a crash, covering the desks where they had been working.

The plaster, which was extra heavy on the ceiling, was held there by metal lath, which had pulled the nails out which held it in place. The falling area is possibly 20 by 35 feet and caused considerable damage to the interior of

the office, smashing things in its path. Pampa News.

NOTICE IN PROBATE

The State of Texas
To the Sheriff or any Constable of Deaf Smith County, Greeting:
YOU ARE HEREBY COMMANDED to cause to be published once each week

Notice

The Star Theatre will be open every Friday and Saturday with a guaranteed program each night.

THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Hereford testimony.

J. W. Clark, blacksmith, says: "Not so long ago I was troubled with a weak and lame back. When I stooped over it bothered me to straighten up. My back ached a good bit of the time and mornings when I first got up, it was sore and stiff. My kidneys were out of order, weak and irregular in action. I saw Doan's Kidney Pills advertised and used two boxes. I received good results from this medicine."

MORE THAN THIRTY SECTIONS BURNED

A prairie fire started in the Scharbauer pasture north in the forenoon last Sunday, and it destroyed more than 30 sections of fine grass before it could be controlled and extinguished. It was finally put out about dark that evening.

Men and boys to the number of more than 200 were in the fire fight during the day, coming from Lamesa, Odessa, Andrews, Stanton, Midland, and other points, and the fight was an heroic one throughout the day. Had there been a high wind there is hardly a way to estimate how great the loss might have been.

It is supposed the fire started by carelessness on the part of campers or hunters. It started in the old W. K. Curtis pasture, 25 miles northeast, the same now belonging to the Scharbauer Cattle Company. It soon spread to about five miles in width, destroying about 7 or 8 sections of grass for the Scharbauer Cattle Company, about 24 for O. B. Holt, and about 1,000 acres for H. A. Moore.

This is a serious loss. The grass is estimated to have been worth about \$200 per section, and it is hardly possible that winter grass may be grown on it now. Good rains within a week or ten days and a late frost might turn the trick, but it is a safer prediction that this burned scope of country will be practically worthless until the rains set in next spring, and these stockmen will have to arrange accordingly.—Midland Reporter.

RATTLESNAKE BIT MAN NEAR QUANAH

Friday evening P. T. Kellen, a man about 32 years of age, working on the Addison ranch west of town, was crossing the pasture when he stepped on a rattlesnake. The snake squirmed and finally bit him on the back of the ankle. Kellen ran to the Addison house, about three-quarters of a mile away, and Mr. Addison brought him to Quanah where he was given treatment. Dr. Johnson, who has the case in charge, worked over the man Saturday and Sunday, and he is now reported out of danger.

Kellen's leg is discolored to the knee, the foot being black, but this morning he stated that he felt much better and soon would be up and around. Dr. Johnson says he is out of danger.—Quanah Tribune-Chief.

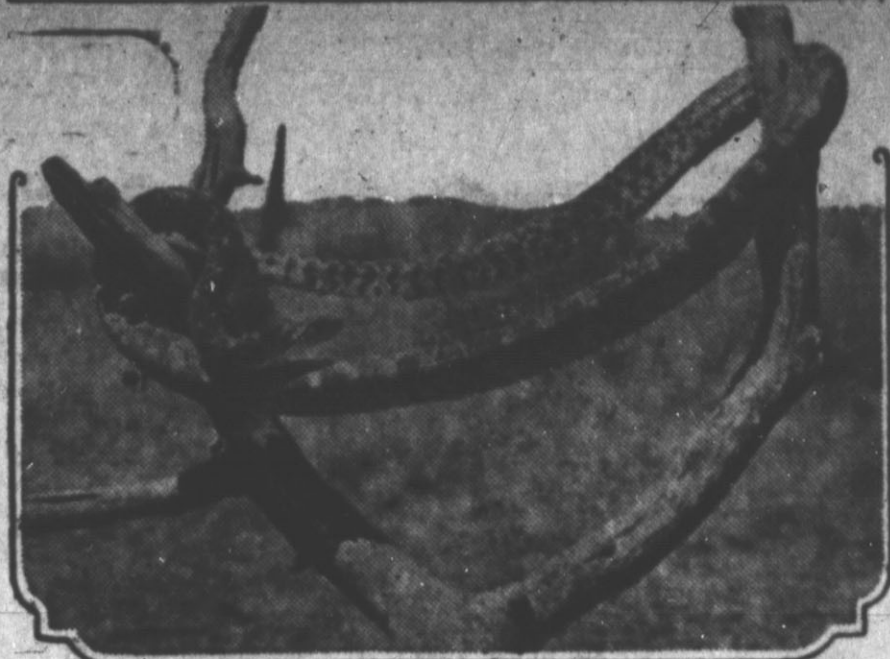

BOY ESCAPES IN UNUSUAL ACCIDENT

A serious accident was narrowly averted last Saturday at the crossing near the Herald office when Red C. Nurse, Miss Wettlaufer, was approaching town in her car and signaled to turn the corner. Alton B. Hall was riding his bicycle north on the sidewalk. He saw the car make the turn but felt his speed would carry him to the clear. The boy was thrown from the machine and the auto passed over him giving him a severe shaking up, but he was up at once declaring he was not hurt, although a wheel had passed over his chest. The bicycle was a total wreck.—Panhandle Herald.

DOES TO PAY TO RAISE RUNTS QUERY PUT TO MANY FARMERS

A questionnaire survey conducted among 1,000 leading farmers and breeders by the United States Department of Agriculture indicates that about 7 per cent of the annual production of farm live stock in the United States consists of runts and undersized specimens of the various breeds and classes. Farmers report that their annual incomes from live stock would be increased an average of 13 per cent if runts could be eliminated. Better methods of feeding and breeding better stock, the use of

MONTANA LEGION HAS RATTLESNAKE MASCOT

It would seem Montana takes the prize for "Hard Boiled" Yanks if American Legion Post mascots may be taken as a criterion as to the nature of the members. The Gen. George A. Custer Post at Miles City has this big six foot rattlesnake as its mascot. Her name is "Alice."

purebred registered sires, good care and to let the freight by. It is stated that systematic attention, better housing and Higgeson sat down on the track and fell before the birth of young, practical control of such objectionable parasites as worms and lice, the control of disease, and the culling from the farm of all stunted stock which indicates no possibilities of successful reformation and rehabilitation are the control methods recommended by these experienced farmers. About three-quarters of them say that it does not pay to raise runts, while the balance maintain that the Tom Thumbs of the live-stock world can be raised successfully only when well bred and when plenty of cheap feed is available and dependable.

QUANAH BOY DIES; STRUCK BY TRAIN

Jimmie Higgeson, son of Conductor Higgeson on the Frisco motor car, was killed this morning at a siding at Indiana, four miles east of Snyder, by the passenger on the Frisco road. It is stated that the freight on which the young man was working was a long one, and as the siding which it was to take to let the passenger by was shorter than the train, he was sent back with a flag to slow the passenger down so as

The OilPull Radiator Can't Freeze

One great drawback to the Winter use of the ordinary tractor is the danger of the cooling system freezing and damaging radiator and motor. Then there is the inconvenience of draining and filling every day, not to mention the troublesome and power-consuming fan.

But in the OilPull, cooling troubles are eliminated. The OilPull is cooled by oil—not water. Unlike water, oil does not freeze, even at 40 below—no possibility of a frozen motor or broken parts—no need of draining.

Unlike water, oil does not deposit scale or sediment—the OilPull circulating system is always open.

Unlike water, oil does not rust the metal parts. The OilPull radiator will last the life of the tractor.

Unlike water cooled tractors, which get hotter as the load increases, the harder the OilPull works the cooler it runs. Thus the proper temperature is maintained in the OilPull at all times for perfect kerosene combustion.

It will pay you to investigate the OilPull line. Four sizes—12-20, 16-30, 20-40 and 30-60 H. P.

Special music—Mrs. Dyar.
"The Little Brown Church."—Mrs. A. A. Foster.

Leader—Mrs. Guthrie.
Hostess—Mrs. Tynes.

Grandmothers Entertained at Luncheon.

Mrs. J. Frank Potts was hostess Thursday of a lovely luncheon party, all of whose guests were grandmothers. Suggestive of the days when grandmother was a belle, place cards showed a precise bouquet of artificial blossoms with sprigs of asparagus, the same floral combination being used in a most attractive center decoration on the equisitely laid table.

The luncheon was served at 12 o'clock, the hostess being assisted by Misses Mattie Woodburn and Edith Rayzor of Canyon.

During the afternoon the guests were engaged informally, knitting and needlework forming a pleasant accompaniment to the delights of social conversation and music.

Sharing Mrs. Potts' hospitality were: Mrs. Joiner, Mrs. French, Mrs. Wilson, Mrs. Davis, Mrs. Ell Dunlap.

Class Party.

A delightful children's party Thursday afternoon gave pleasure to two of the classes in the primary department of the Christian Sunday School, Mrs. W. A. Ricketts and Miss Agnes Elliston, teachers of the classes, being hostesses.

The children were taken from the church in cars to the home of Mrs. Ricketts where the lovely home and grounds were turned over to the merry party. A program of games and contests provided the jolliest sort of fun, late handling the contests so skillfully that each child won the very prize his fancy would have chosen.

Following the games delicious ice cream and cake were served to Georgia Cloyd, Margie Golden, Florence Meyer, Earl Marie Foster, Lolita Wright, Georgia Lewis, Lilla May Smith, Ward Garrison, Thomas Elliston, Earl McDermott, Keith Guthrie, Arthur Jowell and Jim Ricketts.

"Pastime" Party Honors Miss Porter
Nothing more delightful among the week's social affairs has been enjoyed than the "Pastime Party" of Tuesday evening of which Miss Audrey Carroll was hostess. The occasion honored Miss Porter, who has just returned from a summer in the Canyon Normal. Sweet peas and nasturtiums were charmingly combined in decoration

creating a wondrously lovely effect in keeping with the joyous spirit of youth so manifest in the gay party of young people.

Music interspersed among a number of clever games furnished indeed delightful "pastime." Punch was served throughout the evening. Marking the close of the pleasant affair lead watermelon was served to Misses Jewel Porter, Corinne Smith, Loyal McDuff, Maude Dalton, Mabel Barnhart, Dorothy Shore, Virginia Morgan, Zella Boydston, Ruth Casebolt, Audrey Carroll; Messrs. Jack Chandler, Charlie Carroll, Ernest Corn, Sam Radloff, Joe Elliston, Bruce Guthrie, Gene Cheek, Dutch Brazil, Bill Kelley, Clyde Carroll and Onis Carroll.

Announcement Breakfast for Miss Dunlap.

A beautiful event of much significance in social circles was the announcement breakfast given Thursday morning for Miss Clara Inez Dunlap, a charming bride-elect.

Mrs. John McLean was hostess for the pretty affair. Pink and white, the chosen color scheme, was shown in the roseate glow throughout rooms fragrant with the breath of pink roses pink shaded candles that diffused a smiling from among sprays of feathery white clematis, the artistic arrangement being most effective.

From pink silken bags suspended at a central point above the three tables, pink ribbon streamers were attached to dainty pink and white bonbon dishes at each plate. During the serving of the coffee, an "accidental" pull on one of the streamers drew open a bag from which a most realistic pussy-cat fell to the floor, letting "the cat out of the bag" with the announcement of the approaching marriage, on September eighth, of Miss Clara Inez Dunlap and Mr. Bobo McLean.

The breakfast appointment including the luncheon, were all in pink and white making a beautiful harmony of color, which added attractiveness to the following menu:

Iced Cantaloupe
Fried Chicken Gray Hot Biscuits
Jelly
Potato Chips Cheese Balls
Coffee

A toast to the bride and groom was given by Mrs. Seth B. Holman, and Mrs. John Williams sang "The Greatest Wish in the World."

Guests of the delightful function were: Mesdames Ell Dunlap, A. G. Monday, Albert Herbst, John Williams, Cliff Estes, Luther Gough, P. W. Price, J. Frank Potts, Seth B. Holman, Arch Collins; Misses Dene Dunlap, Douglas Wilson, Mary Fox and Phetis Campbell, of Temple, Texas.

McMinn-McBroom.

A wedding of wide local interest was solemnized Wednesday, August thirty-first, when Miss Eula McBroom and Mr. Frank J. McMinn, both of Summerfield, were united in marriage.

The marriage was performed at eight o'clock by Rev. Lindley of Tulla, pastor of the Summerfield church, in the presence of many relatives of both bride and groom. The bride wore for the occasion a lovely wedding gown of white messaline with harmonizing accessories.

Immediately following the ceremony, the young couple left for Canyon where they will attend the session of the

Baptist Association now convened in that city.

The bride is a daughter of Mr. and Mrs. Thomas McBroom of the Summerfield community. She is a most worthy young woman of many accomplishments and is prominent in church circles, being junior superintendent of the B. Y. P. U. of Summerfield.

The groom is a son of Mr. and Mrs. W. J. McMinn. He is a graduate of Hereford high school and for the past year has been a ministerial student in Baylor University at Waco. He is a young man of exceptional character and worth.

The young couple will leave very soon for Waco where Mr. McMinn will resume his work. For them the future is bright with promise which many Hereford friends will hope to see fulfilled.

Grandmothers Honored at Afternoon Reception.

A beautiful appreciation of the honor due the motherhood of yesterday was expressed in Wednesday's meeting of the Methodist Missionary Society whose members at the home of Mrs. H. H. Hawkins, were hostesses to "Our Mothers' Mothers," at a charming afternoon reception.

Exquisitely attractive as were the honor guests themselves were the pretty rooms into which these dainty grandmothers were welcomed. Blossoms of late summer reflected in their mingled coloring the radiance of a sunlit afternoon and were happily suggestive of fairer radance in the sweet happy faces of the honorees.

Guests were greeted at the door by Mesdames E. W. Harrison and D. W. Hawkins, the receiving line including the grandmothers of the Methodist Church. Ushering from the reception hall to the dining room were Mrs. Sides and Mrs. Bryant. Here an ice course was served, white flowers being used as plate favors.

An enjoyable program included appropriate readings by Miss Nellie Farmer; a number of negro spiritual songs by a quintette composed of Annie Fitzhugh Parker, Lenis Anthony, Mildred Cross, Joe and Gladys Beavers; several delightful piano selections by Mrs. Joiner, mother of Mr. D. C. Laird; and a reading by little Miss Ardel Foster, the text of which is given below and which was composed for the occasion by Mrs. D. W. Hawkins:

"Who is it comes f' our house whenever any one's sick,
And straightens things out so cozy and quick?
And when its mother that's sick, I tell you right now,
There's no one else that knows just how
But Grandmother.

Who is it 'at ties up our fingers and toes
When we cut 'em or burn 'em and all ways knows
The nicest intruven stories to tell
That makes us forget until hey are well?
You remember—its Grandmother.

And if we fall down and bump our noses
I did last week and my how it bled!
Or head.

Skelton's Variety Store
SALE STARTS NEXT SATURDAY

She kisses and pats you and says "now, now."
I don't know why but it cures some-how!
Shes good s a doctor, Grandmother is!

Who is it keeps care of us so kind and good,
So mother c'n go some, like she used to could.
And not be uneasy and worry 'bout us,
Mother says there's nobody else she can trust
Like Grandmother.

And when yer plans go wrog or don't go at all,
Like when dolly gets broke or yer play houses fall,
Or it rains on a holiday or else we get sick,
She can comfort you up so gentle and quick.

You just almost enjoy being sad,
And ye think "after all, things wasn't

so bad."
Shes a good acout, Grandmother is!
And she always has doughnuts and cookies and things,
And when she comes visitin' she always brings
Some home-made candy or peppermint sticks.

There just ain't nothin' good she can't fix,
She's most as good s Santa Claus—Gee,
I dont know but she's pretty near better'n he.
My Grandmother is.

Do you know why we call em that name?
And why no other would fit quite the same?

Course you do—why, my land,
Everybody knows its cause they are grand.
Just Grand—mothers."

About sixty grandmothers were present besides a large number of other guests.

A PLAINVIEW OPINION

Plainview, Texas, Aug. 12, 1921.

Judge L. Gough, Hereford, Texas.
My Dear Judge:

Having visited and inspected Sulphur Park, near Hereford, I am constrained to urge you to proceed with the organization of a club to take it over as a fishing ground and golf links.

In the first place, the two miles of lasting spring water and deep pools, appealed to me as a thing that has passed away from among those things that are the common heritage of a pioneer people. We are now limited to the highways for recreation. Everywhere we meet the sign, "posted" and nowhere a welcome. For that reason we must get together and, by combining, retain some of the privileges nature sought to give us.

In the second place, the two sections of choice valley land on the Tierra Blanco gives us our money's worth as an investment. As time passes, too, it means that this club wil have all necessary room, a thing that is now pressing the Palo Duro Club. The beauty of the grounds selected, the room, the deep cool water, the two miles of fishing ground, all appeal to me to be what we need and I heartily endorse the organization of a club to take it over.

Your friend,
(Signed) H. C. Randolph.

The APPEARANCE

of your printed stationery reflects the character of your business

First impressions are usually lasting, and you should no more think of representing your business with ill-arranged, poorly printed stationery than with an uncouth, inexperienced salesman. The psychological effect would be the same.

The Snap and vitality of our "distinctive" printing registers instant approval. Ask a user.

Shift your printing troubles over to our shoulders—they are a burden to you—a pleasure to us.

The Hereford Brand

We're Ticked

over the Real Quality we are able to offer you right now in Fall Clothes, and at the Real Living Prices we are able to put on them.

There's a satisfaction in KNOWING that the goods you sell a customer will give him value received for his money and that the money he pays you is a Fair price for all concerned.

Are we on your calling list, or are you on ours? If not, let's get acquainted!

BABE RUTH

With all eyes watching his home-run record to see if he was going to pass last year's mark of 54 circuit drives, Babe Ruth, king of swatters, sneaked one over in another direction by establishing a new big league record for the year when he passed his twenty-fifth game the other day, having hit safely at least once in every cow test. In twenty-six days he hit safely 43 times in 89 times at bat for a percentage of 480, scoring 35 runs.

CARNIVAL OUTFIT OPENS UP WARES TO LOCAL PATRONS

The Public Amusement Company, a small Carnival outfit, opened up for business in Hereford Wednesday night. The features are a Merry-Go-Round, Cupie Doll racks and other attractions of the sort.

Lucile Morris of Everton, Mo., left Hereford Friday morning, after a few days visit in the home of relatives, Mr. and Mrs. J. E. Gyles. Miss Morris went to Roswell, N. Mex., where she will teach in the high school at that place.

When you consider the delicate character of the skin and flesh of a chicken, and the pressure that the poultry in a heavy package exerts upon itself, it is easy to understand why the small package has its advantages.

Mr. Leon Trotzky, the distinguished multi-murderer, has decided to remain in Russia for reasons of health.

George Harvey has the sore throat so bad he can hardly speak. Take some American Legion cough drops, George!

Nevada is said to have a natural spring of water which will color the hair jet black.

Better save yourself in youth and young adult years than suddenly wake up at forty-five with high blood pressure, bad kidneys, hardened arteries, and a failing heart.

W'ATYAMEAN FREAK HITTER, ASKS BABE

SCHEMERS ARE FLOCKING TO PLAINS COUNTRY
 The Plains country is just now the most prosperous part of the Southwest, and compared with other sections we are in much better shape financially than the people most anywhere. There is at all time a large bunch of people who find it more profitable to scheme and swindle people out of money than get it by working for it. This bunch of fakirs and swindlers is now flocking to the Plains, with all kinds of schemes for the separation of suckers from their money. Among these schemes is to take stock in various so-called industrial enterprises, building and loan associations, buy various and sundry kinds of insurance stocks or policies, plus to loan money at very low rates provided the applicant will pay so much money as a starter, etc. Then, of course, there are the cheap collectors for some charitable institution and the ordinary beggars.

We implore the people of this section not to bite at any of these schemes nor give anything to solicitors. In case you at all contemplate going into any of these get-rich quick or other schemes, be sure to take the matter up with your local banker, and get his advice about the matter. If you will do this you will save yourself from loss. "Better be safe than sorry," you know.—Plainview News.

WEDDING BELLS AT LEGION CONVENTION

Rev. John W. Inzer, of Chattanooga, Tenn., national chaplain of the American Legion, will add a touch of romance to the national convention this year. He has offered to marry without cost all Legionnaires who attend the third annual convention at Kansas City Oct. 31.

Hogs in pens or pastures where there is no shade are likely to suffer. See that they have shade and water, as well as feed if you expect them to thrive.

State of Texas
 County of Deaf Smith
 By virtue of an alias order of sale issued out of the Honorable District Court of Deaf Smith County, Texas, on the 16th day of August, 1921, by the clerk thereof in the case of W. B. Arnold vs O. B. Jackson et al, No. 1172, in which said cause W. B. Arnold is plaintiff and O. B. Jackson and H. M. Jackson are defendants, and to me as Sheriff, directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's sales on the First Tuesday in October 1921, it being the 4th day of said month, before the Court House door of said Deaf Smith County in the city of Hereford, the following described real estate, to-wit: Situated in Deaf Smith County, Texas, and being all of section No. 23, Township No. 5, N. of Range 2, E. of a Capitol Syndicate Sub-division, as shown by the plat thereof, of record in the Deed Records of Deaf Smith County, Texas, containing 640 acres. Said land located about 28 miles N. W. of Hereford, and known as the W. B. Arnold section. Levied on as the property of O. B. Jackson and H. M. Jackson

to satisfy a judgment for the sum of \$4581.00 with interest thereon from the 7th day of May, 1919, less a credit of \$2,000.00 paid thereon on November 27, 1920. Said judgment being in favor of the said W. B. Arnold and costs of suit.
 Given under my hand this the 26th day of August, 1921.
 C. S. PURCELL, Sheriff,
 Deaf Smith County, Texas.

Proprietors.

BUSINESS CHANGE

Hughes & Crouch Dry Goods Business Changes Management

On August 30, 1921, Hughes & Crouch made an assignment of their entire stock of drygoods, fixtures and all accounts due them, to Geo. A. Stambaugh of Hereford, Texas, and Hamilton Brown Shoe Company of St. Louis, Mo., and The Johnston Larimer Drygoods Company of Wichita, Kansas.

Geo. A. Stambaugh was made manager of the business and will have full charge. The business will be continued in the same building. All persons owing the firm of Hughes & Crouch for merchandise will come in and settle their accounts as soon as possible.

This business will be run on a strict cash basis.

The new management will appreciate the trade of the old regular customers of Hughes & Crouch, also new customers.

We expect to make a profit, but will sell on close margin.

Assignees of Hughes & Crouch
By Geo. A. Stambaugh, Mgr.

SALE Saturday, Sept. 10 at 2 p.m.

 August 29, 1921.

BOLD, BAD MAN IS EASILY ARRESTED

There has been a would-be Pugilist hovering around Panhandle and White Deer the past two weeks who has been rather noisy in his declarations of what he would do if Officer Williams tried to arrest him. The bold bad **Bombre** arrived in Panhandle Tuesday and continued his avowal of what he would do to the dick, when his utterances reached the ears of the officer. Say, Bo, did you ever see a monkey come down a pole? Officer Williams collared the ferocious gentleman and led him gently to a cell in the hougow.

HOME SWEET HOME

When he asked the officer what he was arrested for he was told that such a fierce animal should not be allowed to run at large, and his incarceration was merely a "Safety First" precaution. He has since become one of the tamest birds in the county cage.—Panhandle Herald.

It is not easy—
 To apologize.
 To begin over.
 To admit our mistakes.
 To be unselfish.
 To take advice.
 To be charitable.
 To be considerate.
 To endure success.
 To keep on trying.
 To avoid mistakes.
 To forgive and forget.
 To keep out of the rut.
 To make the most of a little.
 To maintain a high standard.
 To recognize the silver lining.
 To should a deserved blame.
BUT IT ALWAYS PAYS.

Chickens in transit seldom became too cold. It is heat that must be avoided.

POULTRY SUGGESTIONS FOR LATE AUGUST

Market the surplus cockerels this month, either as broilers, fryers, or roasters, as soon as they are large enough. Cull and market all hens molting to any great extent this month. After molting begins egg production stops, and the hen is carried at a loss. Early molters are not worth carrying for another year. The Department of Agriculture advises against keeping them.

Keep the young stock growing by liberal feeding. Put nests in the houses occupied by the pullets. A few may begin to lay, and eggs laid on the floor are likely to get broken and lead to the habit of egg eating. Figure on seeding down any poultry yards or runs not in permanent sod. Rye, winter oats, and winter wheat are good crops for poultry yards.

STATE OF TEXAS
 County of Deaf Smith.
 By virtue of an order of sale issued out of the Honorable District Court of

Trust children to know the good and the true. Was there ever a boy or girl who didn't "love" a big slice of fresh bread with jelly or jam? The fact that so many little hands are eager for it is proof of its value as food. Give the kiddies the best in town by buying your bread at

 Gent's Furnishings.

Deaf Smith County, Texas, on the 16th day of August 1921, by the clerk thereof in the case of Jas. R. Robinson vs H. R. Duff, No. 1274, in which cause the said Jas. R. Robinson is plaintiff and the said H. R. Duff is defendant, and to me as Sheriff, directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's sales on the 6th day of September, 1921, at the Allen Bell ranch, about 30 miles northwest of Hereford, Texas, which is in Deaf Smith County, the following personal property to-wit:
 About 310 sheep, age and class as follows: 150 two and three year old wethers; 140 aged ewes, and about 20 lambs.
 Levied on as the property of the said

H. R. Duff, to satisfy a judgment amounting to \$9,706.00, in favor of the said Jas. R. Robinson, and costs of suit. Given under my hand the 24th day of August, 1921.
 C. S. PURCELL,
 Sheriff Deaf Smith County, Texas, 48-28

Timely Reminders

Won't be long now
 Before the maize and kafir crop
 Will be ready
 To give up the ghost.
 How are you fixed
 For handling this harvest
 And getting it out of the way
 While the grain is right
 And the weather's right?
 How about a
McCormick or Deering Corn Binder
 Or maybe a **Kafir Header**?
 If you haven't got
 One of these machines
 You can't be sure of anything
 When it comes to
 Harvesting a big row crop.

We are prepared to help you make a success of your harvest. See us.

Repairs should be put on binders NOW
