## JUMBO

On the night of Dec. 22 the Jumbo community had a nice program and Christmas tree at the schoolhouse. The program was gotten up principally by the teachers, Mr. Dadd and Miss Allen. Everybody enjoyed the evening and everyone present was pleased with a Christmas treat. The school is progressing nicely and the children are making their grades. On the afternoon of Dec. 23 W. H. Craig and Mrs. Gladys Sullivan motored to Hereford and were united in marriage. Judge Megert officiating. We are proud of this young couple and wish them happiness and prosperity. The union Sunday School is moving along smoothly. Mr. Matthews gave a well prepared dinner to Mr. and Mrs. Craig on Christmas Day, inviting many neighbors and friends. All had a sumptuous meal and an enjoyable time. We are still having dry weather and very much wheat growing. Cattle are wintering well.

About all the trading that we can bear of is turkey trading, cattle trading, being on the drag. Mr. Lindsey of near Silverton is moving on his place one half mile south of Jumbo. Mr. Layman is going right along with his new house. Several of our farmers are contemplating a small acreage of cotton the coming season. There was one bale raised in our neighborhood in 1922 which grew on four acres of land and was not worked out until after wheat harvest. Cotton will grow during dry seasons and it looks as though we had better plant, say ten to twenty acres to the family. This would induce old hands to be more liberal and help to keep the home fires burning. And could also make \$75.00 land of our 25.00 land.

Bro. Fort will preach the third Sunday at eleven a. m. and Bro. Sharp at 3 p. m. of the fourth Sunday in each month at the school house. Everybody come. Mark Cowser and family spent the evening of the 25th with Mr. and Mrs. R. Meatalf. Sam Hunter has a very good highway blazed out southward a few miles. Regular habits are the ones that count. To go ahead, Sam, we think you are on the right road. W. A. Hunter returned from Kansas City on the 22nd, after selling his cattle. His cattle sold pretty well according to the way others are selling. Mr. and Mrs. Blanchard of Vernon are visiting their son, Oby Blanchard, and family. The Jr. Blanchards are few people of our community of whom we are very proud.

## SUMMERFIELD

Another time we were in high hopes of a good snow but it only lasted for a few minutes and the clouds broke away, and the snow barely covered the ground. The program rendered by the school Thursday night was splendid. Quite a number from Hereford were out to enjoy it and the cornet solos by Mr. Phillip Broadwell, the violin solos by Miss Mable Barnhart, and the reading by Miss Mable Renfro were much enjoyed by all. Miss Mary Isaacs left for Snyder Friday to spend the holidays with homefolks. Mrs. J. E. Roberson and children of Canyon are spending the holidays on the ranch with Mr. Roberson. A little stranger came to make his home with Mr. and Mrs. Henry Kendall December 13. Mother and son are doing fine. Walter Braig and Will Stanley made a trip to the brakes and visited Mr. Craig's parents and brought back a

lovely Christmas tree. And old Santa was here on time to greet the many Sunday School children who were looking for him. There was a large crowd present and a splendid program was rendered. Bro. Monroe of Hereford preached a splendid sermon Sunday morning from the words of the shepherds. "Who said let us now go even unto Bethlehem and see this thing which the Lord hath made known unto us." Mrs. McBroom and children, J. B. McMinn and family, W. J. McMinn and family and Mrs. J. G. Ness and daughter, Will Stanley, Mrs. R. C. Roberson, and Mrs. Lawrence Johnson attended the Cantata at the Christian church Sunday night and enjoyed it very much. Mr. and Mrs. J. E. Roberson and family and a number of the young people of the community enjoyed a sumptuous Christmas dinner at the B. A. Atchley home. R. A. Hawkins, brother of Mrs. W. J. McMinn, passed through from Childress enroute to his home at Farwell He enjoyed Sunday dinner in their home and his mother, Mrs. M. E. Hawkins, accompanied him home. And Christmas morning W. J. McMinn and family motored to Farwell where a number of their old time friends and schoolmates had gathered at Mr. Hawkins' home to enjoy a real turkey dinner, there being 32 present. Bro. G. L. Morris, pastor of Summerfield and Friona Baptist churches, is to move to Hereford this week. Mr. and Mrs. J. F. Ward and children came out to the W. P. McMinn home Tuesday where all the children and their families had gathered to enjoy the annual Christmas dinner, there being 32 in all, present and a great feast was enjoyed together.

## HART

Sherman Attaway is visiting homefolks during the holidays. Miss Viola Jobe is spending a part of the week with the Misses Hardy of Tulla. The play given by the young people last Saturday night was well attended. It was greatly enjoyed by all present. The proceeds amounted to about \$21. We understand they will give the same play at Dimmitt Saturday night. Major Bruton and sister, Miss Nell, are at home with their parents during their vacation. They are both attending school at Canyon this winter. The young folks greatly enjoyed a party given at the home of Mr. and Mrs. C. G. Maples last Friday night. Quite a crowd of people from our

neighboring communities came down last Sunday afternoon and did some fine singing for us, which was greatly enjoyed by all. We hope they will all come again soon. We welcome them any time they can come. Carl Hutchinson and family are visiting in Hart community this week. Mrs. Hubert Maples and son, Glen, visited her parents, Mr. and Mrs. P. A. The program held Friday evening will be given next week. Mr. and Mrs. I. S. Hamilton are spending Christmas in Vernon. Mr. and Mrs. George Bessimer of Vernon are living on Mr. Hamilton's ranch this winter and will help make his crop next summer. Loyal Last returned Sunday from Clovis, N. M. Mr. and Mrs. Yern Last spent Saturday night with Mr. and Mrs. Jim Bagwell. K. Roberts and Emmett Rothwell returned from their freighting trip last week and report severe colds. Messrs. Claud and Cleve Hamilton visited I. S. Hamilton last week. Leslie Nobles attended our Christmas tree Saturday evening. Joe Durso was another Christmas visitor in our neighborhood.

## PROGRESSIVE

On Christmas Day, shortly after the last streak of sunset glow faded away in the western sky, a dozen or more cars met from all directions at a determined place and together had a surprise on W. C. Russells. The family was sitting by the fireside and contemplated a quiet evening. When the rush came upon them Mr. Russell resorted to the shot gun policy but to no avail. The people knowing the spirit of hospitality prevalent in the Russell home took no heed and "went right in." Everyone was royally entertained. Refreshments of sandwiches, cocoa and coffee were served to sixty-five guests. Mr. and Mrs. John Mathews left for their new home near Canyon Tuesday. Their going means a loss to the entire community. As teacher of the young folks class in Sunday School Mr. Mathews leaves a vacancy hard to fill. Mrs. C. O. Norton was hostess to a party Wednesday evening. Mrs. Fred Berry and children are spending this week with a sister in Tucuman, N. Mex. Our teachers, Miss McGowan and Miss Rutherford are spending the holidays in their homes at Plainview and Hart, respectively. A full attendance at Sunday School

is desired next Sunday. Officers and teachers for the coming year are to be elected. Mr. and Mrs. Otto Massie spent the day Thursday with friends at Summerfield. **Driving Comfort in Winter**  
The Buick "Model 45" Six Cylinder—\$1195

As complete as has been the development of the enclosed car, Buick designers have not neglected to improve the open type of car, building into it a measure of comfort, convenience and weather protection surpassed only by the more expensive closed vehicle. Protection against wind and snow is assured by the snug-fitting storm curtains that open with the doors. The Buick design of storm curtains with a special weather strip provides a coziness, comparable to that of any closed car, while windshield wiper and tight fitting windshield, adjustable from within, make driving safe and comfortable. Added to this, and equally important in winter driving, is the splendid performance that a Buick car always produces—its constant and surplus power—its roadability and perfect balance and its unquestioned dependability. For cold weather driving there is no superior to the Buick open cars.

### ADOBE RESIDENCE CONSTRUCTED IN 1881, DESTROYED

The adobe house at Doans, one of the earliest landmarks of Northwest Texas and for a few years the north outpost of white settlements between Texas and Kansas, was destroyed by fire of unknown origin shortly after Christmas day was ushered in. The house was built in 1881 by C. F. Doan, the first settler of Wilbarger county, and has been occupied by Mr. Doan from that date until the present time. Mr. Doan was in Vernón visiting his daughter, Mrs. Bertha Ross, when the fire occurred. A caretaker who has been looking after the house in its owner's absence also was gone, and no one had been in the structure for three days.

Many interesting relics of early Texas and several valuable historical documents, including the original of a treaty of peace executed between the Confederate States and the Comanche Indians, were destroyed by the fire. Mr. Doan's Winchester rifle, which, in the hands of a Wilbarger county peace officer, killed two desperadoes on the occasion of the first rush into the "strip" was burned, as was his 10-

guage shotgun, a suite of hand-polished mahogany furniture, valued at \$1,000 was lost. The Doan library said to be one of the best private collections in the county, went up in smoke.

The first structure built at Doans was a picket house, which afforded protection against hostile Indians. Two log cabins were built next, and four years after the outpost was established, the adobe house was put up.

The structure was built of sun-dried brick, made from clay, found in the vicinity. The rafters and home-made doors were hewn from timber located a short distance away. The lumber used in the house was hauled from Gainesville, Texas. Doans is known to all old-time cattlemen of the southwest. It was on the Dodge City, Kans. trail and hundreds of thousands of cattle have passed by its doors. Cowboys stocked up on tobacco and ammunition at the store kept by Mr. Doan, before crossing Red river at the historic old ford which is still used, and braving the dangers of the wilderness which is now Oklahoma. Cowboys moving north with the vast trail herds which followed the Dodge City route during the eighties took advantage of the fast opportunity afforded them to mail letters to their wives or sweethearts in Texas. Many grandmothers of today cherish letters bearing the Doans postmark.

Standing in the doorway of the old adobe, Mr. Doan has listened to the monotonous beat of the Comanche drums as the redskins went through

**Good through and through**

The best tires, like the best melons, must be more than just good looking. They must be uniformly good through and through.

All the materials which go into Miller Tires are tested for quality. Any material which varies more than 3/100 of 1 per cent is rejected. Uniform mileage is built into every inch.

That is why Miller Tires wear uniformly and every one gives more than expected mileage. The Geared-to-the-Road Tread lasts 50 per cent longer than the average non-skid tread.

Buy a Miller Tire and you can be certain of satisfaction. Prices are lower than ever before—quality is higher.

Friday evening Mr. and Mrs. Ireland and Mr. and Mrs. Matt Gilliland threw open their doors to about fifty guests. Table were laid for that ever fun provoking game, 42. Mrs. P. W. Price and Mr. Gibson won the honor of holding the head table most of the evening.

At a late hour Mesdames Gilliland and Ireland served a two course luncheon.

Mr. and Mrs. C. C. Ferguson charmingly entertained on Thursday evening with a four course turkey dinner. The home was decorated in holiday colors, bells and flowers. The table was laid for twelve, favors being Xmas bells in which were hidden bon bon baskets containing nut meats. Those partaking of Mr. and Mrs. Ferguson's hospitality were: Mesdames Collins, Donald, Price; Misses Donald and Ferguson; Messrs. Collins, Donald, Price, Charles Ferguson and Arch Junlar, and the host and hostess.

On Wednesday evening Mr. and Mrs. Luther Hough and Mr. and Mrs. Walter Dunlap entertained about sixty guests. The diversion for the evening was "42". To Mrs. Gibson and Mr. Bobo McLean fell the honor of remaining at head table the most number of games. The peals of laughter and happy faces bore testimony of a happy evening, all too quickly speeding. Mesdames Dunlap and Hough were assisted in serving a dainty refreshment course by Mrs. Bobo McLean.

One of the most enjoyable holiday social affairs was that given by Mrs. C. A. Skelton on Tuesday afternoon, December 26, when she entertained the members of the Bridge Club, honoring Mrs. Bryan Bryson from Coleman, Texas, who is visiting her mother, Mrs. Charley Smith.

Tables were laid for twelve and six lively games were played. Mrs. Ray
