All Aboard For Amarillo!

Hereford Band Will Head Delegation in Cars Leaving Here Wednesday at 8:30

EVERY MAN, WOMAN AND CHILD INVITED TO JOIN IN JOURNEY TO PARTICIPATE IN JUBILEE CEREMONY AT AMARILLO

TO LET 'EM KNOW WE'RE ALIVE!

Hereford is not Candidate for College but Wants to Join in Movement Celebrating Securing of Great Institution. Will Take Part in Parade at Amarillo in Afternoon

HERE'S THE PROGRAM—READ IT CAREFULLY

Automobiles and band boys to assemble on Main street, in block between First National Bank and Star Theatre at 8:30 sharp, Wednesday morning.

All Hereford people in Amarillo to gather on vacant lot opposite the High School, on Polk street, at 10:30 o'clock and up to noon as they arrive, where cars will be placarded and individual ribbons issued to those who come late.

Parade in Amarillo at 1:00 p. m., and every citizen of Hereford there is expected to get into it incars behind the Hereford Band.

Hereford is going to the West Texas Tech Jubilee, to be held at Amarillo Wednesday, en masse, according to a decision made at the luncheon of the Chamber of Commerce Monday at noon.

The Hereford Band will be sent to lead the Hereford section in the big Parade to be staged in Amarillo at 1:00 p. m., and every man, woman and child in this community is to be urged to take a day off and go to Amarillo in a body Wednesday.

It was agreed to ask all car owners to meet promptly at 8:30 o'clock Wednesday morning on Main Street in the block between the First National Bank and the Star Theatre and there receive ribbons and car placards, with the word "Hereford" prominently displayed thereon. It is desired that the cars all leave together and invade Amarillo together.

Committees were appointed Monday to secure cars in which to carry the band boys and other cars loaded with Hereford people who will go to Amarillo and help make the trip worth while. Anybody who will have a spare seat in their car will be conferring a distinct public favor by carrying one or more of the band boys. Arrangements were being made Tuesday to secure a big truck to be sent to Amarillo on which the band may ride while playing in the parade. Suitable signs will be prepared to tell the world that Hereford is there.

This action was taken Monday by the business men after a discussion of the entire project. Hereford is not a candidate for the Tech school, and has no axe to grind Wednesday, but is going to Amarillo solely for the purpose of aiding in making the celebration a success and to let the people know that Hereford is on the map and still "carrying on."

Reports from Amarillo headquarters state that thousands of people are expected there Wednesday from practically every town in the Plains country, and big doings are planned. The Auditorium will be dedicated in the afternoon and a play will be given at night, not to mention a banquet, and several interesting things.

The Committee in charge, D. L. McDonald, Doug Fox and Rev. Paul Merrill, urge every man in Hereford and vicinity who possibly can to take his car and his family and join the bunch Wednesday morning.

All be on time!

Golf Members Are Urged to Finish Stroke Matches

Officials of the Hereford Golf Club announce that they very much desire the matches between members in the Stroke Competition be completed as soon as possible so that the second round may be considered. A definite date for the winding up of these matches will probably be set this week, and matches not yet played by that date will have to be declared forfeited.

Another complete eighteen hole match has been turned in to the Secretary, Virgil Canning defeated Cliff Acker by the total score of 120 to 129. This week end should see many more pairs on the links.

The last pair of new members to be matched consists of Dr. J. W. Hicks and Dow Mercer. They will choose their own date and it is hoped one of them will qualify for the second round of the tournament.

The old greens have been rather loose so far and an experiment is to be made soon with one green, where clay will be mixed with the sand in an effort to obtain a more permanent base.

R. S. Houlette, Pioneer Friona Citizen, is Taken

Friona, April 2.—R. S. Houlette, one of the Panhandle's pioneer citizens and one of the most progressive residents of this country, died at his home here at 9 o'clock a. m. today, after an illness of a little over two weeks. A more extended account of his life and activities will appear later.

Hi Baseball Boys To Hunt Revenge On Next Saturday

Hereford's first real baseball game will be played here next Saturday afternoon when the Hereford High will endeavor to secure revenge on the Amarillo Sandstorm for the defeat last Saturday at Amarillo.

The game at Amarillo demonstrated that Hereford has a real twirler in Galbraith and a team back of him that has great promise. Small weaknesses developed last week will be corrected and the boys are sanguine of a victory this time.

Attendance and support go a long way to help a team win a game, and it is hoped the people of Hereford will get in behind their boys next Saturday and make it so strong the players just can't help winning.

Many Bargains in Offerings Made on Dollar Wednesday

Don't forget to ask for your coupons on "Dollar Wednesday" April 4. The fifty Hereford merchants who are cooperating in this movement have offered some rare bargains for this particular day and a heavy demand is anticipated. The nominating committee consisted of A. H. Elliston, chairman, W. S. Williams, A. Lowther, Mesdames George Garrison and A. M. Jones.

The committee calls attention to the importance of selecting the very best available material for this important work and urges every voter in the district to go to the polls Saturday and vote as their judgment dictates.

Fat Stork Started Into Active Work Past Week

The official Stork has been getting fat and lazy from lack of work in this community of late but last week end he was suddenly called upon to make three round trips in a hurry and is reported to have entered daily training for a busy summer.

The first call came last Friday, March 30, to the home of Mr. and Mrs. O. G. Hill, where a fine baby girl was left. She has been named Orville Ruth.

Easter Sunday brought forth two new arrivals. Mr. and Mrs. Cliff Hicks were made happy by the arrival of a girl, Mary Elizabeth, and Mr. and Mrs. Leland McMinn of Summerfield reported of a boy, Ralph.

School Program Thursday Night Is Attractive

KNIGHTS TEMPLAR EASTER SERVICE WAS A BEAUTIFUL AND IMPRESSIVE OCCASION

SPECIAL SELECTIONS BY ORCHESTRA AND BOYS' GLEE CLUB AND SOLO BY REV. PAUL J. MERRILL WERE APPRECIATED

LIPSCOMB TOLD OF KNIGHTS' WORK

Had Large Influence in Preserving Christianity During the Dark Days in the Past. Knights in Full Uniform Were Seated in Special Section of Church Together

Many imposing and impressive ceremonies of one kind or another have been enjoyed by Hereford audiences during past years but the Knights Templar Easter Service at the Christian church last Sunday night was pronounced by many critics to have been one of the best of them all.

Three church congregations participated in the service, together with

School Patrons Attend Fairs in All of Districts

The big outstanding feature of the various district school fairs now in progress over Deaf Smith county so far has been the almost 100 percent attendance of the patrons and grownups of each neighborhood. In practically every instance to date every family using the schools has been on hand for the all-day session from dad down to the smallest tot in the family.

The keen interest at every point has been very gratifying to the school trustees and county authorities. Programs will be given at Wyche Wednesday afternoon and Progressive Thursday afternoon. A feature of the meeting at Dawn school Monday was the attendance of the teacher and some twenty-five pupils from the Umbarger school in Randall county. They joined in the program and aided materially in making the event a success.

Hereford Produce Dress and Ships Turkeys to Markets in California

The Hereford Produce Co. was busy Tuesday killing and dressing a number of fine young turkeys for shipment to the Los Angeles market. The turkeys were brought in from the Springlake neighborhood and were uniform and fat. The Hereford Produce is making a specialty of killing and dressing turkeys and poultry for the California market, which has proven to be the best yet found for this shipping point.

Good Attendance At Luncheon of Commercial Club

Attendance at the weekly luncheon of the Chamber of Commerce continues good, and week by week the business men continue to plan ways and means of helping themselves and their community to grow and prosper.

The meeting last Monday was held at the Stockman's Cafe. Next Monday the crowd will eat at the Cordova Hotel.

It was definitely settled Monday that Hereford would be represented at the Amarillo Jubilee on Wednesday and committees were appointed to secure the band, cars for the crowd, and other details. It was decided to meet at 8:30 Wednesday morning on Main street and all go together.

Mr. Parker of the cotton committee reported that the committee had ordered 400 additional bushels of cotton seed, which would be sold to the farmers at cost upon arrival. The seed is expected this week.

President Wilkinson explained his idea of a small canning outfit for community work this summer. He said there was always a surplus of garden truck here and that he believed this could be saved to the people with a small outfit, not too costly. If suitable arrangements were made for some one to handle it, the idea was thoroughly thrashed out by a large number of speakers. It was stated that the secretary has written to A. & M. for definite information and the matter will be again taken up next Monday when this material is available.

Baskin of the railroad committee reported that he was in communication with the railroad promoters for the proposed Panhandle railway, and would report later on the outcome. Those present were: Homer Wilkinson, A. Heist, A. M. Jones, J. E. Hill, Ed. Connel, Dr. Jno. W. Overton, L. Baskin, W. D. Howren of Amarillo, Roy Irick of Plainview, C. C. Rockwell, George Garrison, Doug Fox, S. J. Williams, W. R. Stockman, W. E. Dunlap, Ralph Barnett, E. C. Embanks, E. B. Black, G. A. F. Parker, E. W. Harrison, E. S. Ireland, Captain Jno. Estes, W. M. To The Voters of Hereford Independent School District

I have never dabbled in politics nor asked for an office but last year, while I was sick, the good people of this School District "wished" on me the office of School Trustee, and rather than show want of appreciation of the honor conferred, I accepted and have tried to make an average trustee.

This is not my first experience. I see that a Committee has been appointed by the citizens in mass meeting and they will I suppose announce their nominees. I have found in serving as trustee that some of the most popular men and who carry the election by big odds are the poorest trustees. They are too lazy or indifferent to attend the meetings and are "bum" trustees. I think the voters should try to ascertain what interest a person has in schools and whether they will actually serve or leave it to the others to do all the work. The office does not pay anything at all and it takes considerable public spirit to get out and attend to public business for nothing during all kinds of weather and when one is weary with the toll of the day (we have all meetings at night). Two of our most faithful and efficient members are Mrs. Harrison and Mrs. Guthrie. They are experienced teachers and are quicker to size up teachers than the ordinary business man who has never been a teacher. (I believe they have only missed one meeting each in four years). These two ladies have visited the schools a great deal the past few months and we men trustees are relying on their judgment to help select the best teachers possible for the coming year. Personally, I should like to have these two ladies selected as they are, to my opinion, as good material as you can find anywhere.

Respectfully yours,
F. H. Oberthier, a Trustee.

DIMMITT

Mrs. Mayes Miller returned home Friday morning after a two weeks visit with relatives in Rush Springs and Chickasha, Okla. Mr. Bryan Tidwell, nephew of Mrs. Miller, came home with her on an extended visit.

J. R. Hastings received a telegram Friday from his wife, who had been called to the bedside of her father at Mangum, Oklahoma, that her father was dead.

Mrs. Ray Sheffy has been very sick this week, but is improving at present.

Radioes will soon be as common as phonographs in Dimmitt. Mr. Mark Cowser has had a set for some time. Mr. Pickett will install one in a few days, and many other are talking of buying sets. Mr. Pickett secured the agency from a Radio company for the machine which he is installing, so if the Radio fans will see him he can fix them up with a radio of their own.

The entertainment given by the Vaughn Quartet, from Jacksonville, Texas at the school house Friday night was well attended and everybody expressed themselves as being highly entertained by the boys.

The Oyster Supper given by the W. M. U. at the Bell Hotel Friday night was a grand success, netting the ladies over \$50.00.

Messrs. G. A. F. Parker and E. C. Embanks of Hereford were in Dimmitt Sunday and attended Sunday School and Mr. Parker made a very interesting talk on the subjects of the Methodist Laymen Movement and the Centenary. As all who subscribed to the Centenary four years know that all subscriptions are due and payable, let us all try and pay our pledges, for if we don't we will greatly hinder the great work the church has planned to do on the strength of our promises.

Mrs. E. S. Miller of Lubbock is visiting her daughter, Mrs. Ray E. Sheffy

this week. Ray Sheffy went to Lubbock Saturday and Mrs. Miller came home with him.

SPRING LAKE

R. E. Barton, who has been in Missouri on business the past week, has returned home.

Mr. and Mrs. Ansel Bales and small son of near Dimmitt were visitors in Spring Lake Sunday.

Mr. and Mrs. Ernest Jones, Mrs. Chas. Jones and Claude Jones spent the week end in Portales, N. Mex., in the home of the latter.

The morning church services were well attended Sunday. All classes made a fine report for the day. The Easter exercises given by the Primary room were well rendered and enjoyed by all. Following the Sunday School service, Rev. H. S. Mackenzie delivered a very impressive sermon on the sig-

nificance of the Lord as a Risen Savior. Easter music was rendered by the choir throughout the service.

Messrs. Charlie Dotson, Eugene Cleavinger and Misses Ruth Linville and Violet West attended Easter services in Plainview Sunday night.

Mr. and Mrs. Asa Wilson and Mr. and Mrs. J. D. Yoder were shopping in Plainview Friday.

The following will enter the Inter-scholastic League contests from Spring Lake school, at Littlefield next Friday, April 6:

Ethel Linville, Jr. girl declaimer
Stanley Yoder, Jr. boy declaimer
Beulah Cleavinger, Sr. girl declaimer
Wayne Hewett, Sr. boy declaimer
Ethel Linville, Rada Gatlin, Jr. Spelling team

Jenn Mackenzie, Alvin Brown, Sub-Jr. spelling team
Wayne Hewett, June Hewett, Sr. spelling team.

There will also be contestants for the track meet and tennis tournament.

Mrs. Ed White is visiting relatives in Gun Sife, Texas.

Several from this community attended the Singing Convention in Dimmitt last Sunday.

The children of the Primary Dept. of Sunday School enjoyed an Easter egg hunt Saturday afternoon at the church and parsonage.

O. M. Burch is having his wheat hauled to Hereford.

Elmer Dixon and wife attended the concert at Dimmitt last Friday night.

C. C. English made a business trip to Hereford Monday.

J. H. Wagley and wife spent Sunday with Mrs. Greathouse and son.

The children of this community enjoyed a big Easter egg hunt at Mr. and Mrs. Houser's Sunday evening. They report a fine time.

FRIO

Mr. and Mrs. T. J. Maples of Kress spent the first of the week with their old friends, Mr. and Mrs. P. A. Hogan.

Henry Altman made a business trip to Hereford Friday.

We are very sorry to learn that H. J. Robinson and family have moved to town, as we will miss them so much in our Sunday School.

Prof. L. C. Prater, who has been at Elida, New Mexico teaching a singing

school, spent last Tuesday night in the home of W. S. Dixon.

Most of the people of Frio community attended the Singing Convention at Dimmitt last Sunday and it being a fine day the attendance was large and the singing was simply fine. We also believe that every one got all the dinner they could eat. If not we think it was their own fault as there seemed to be enough left to feed another pretty good sized crowd. All that we have heard express themselves in regard to the singing, say it was the best ever.

R. C. Shuford of Cleo community south of Dimmitt and John Watson of Dimmitt and Mr. Ansley also of Dimmitt, passed down the road one day last week with five big loads of cotton seed to be planted this spring in Castro county. If the cotton should make a good crop, we pity the women and children of Castro, as we know the men won't pick it.

Messrs. Stamps, Prine, Ware and Duncan, the Vaughn Quartet from Jacksonville, Texas, gave a musical concert at Jumbo last Wednesday night and quite a few went from our community, and everyone seemed to enjoy it to the fullest extent. If you want to do some real laughing, just attend one of their concerts.

On account of the rain Tuesday and the night following, many in our community were very much disappointed by not getting attend the Concert which was given in the Happy school house auditorium Tuesday night by the Vaughn Quartet from Tennessee, but as it was, a few were present and re-

De Laval Separators
Important Considerations in the Selection of a Cream Separator
THOROUGHNESS OF SEPARATION: A separator must be capable of thorough separation with all conditions of milk, whether cows be fresh or advanced in lactation, whether the temperature of milk at separation be 70 degrees or 90 degrees, and whether a 15 per cent or 50 per cent cream be run. The De Laval is the only separator which fulfills these conditions.
SPEED REGULATION: The proper speed of a separator must be regularly maintained and practicable means provided for insuring this. Every De Laval machine is equipped with a Bell Speed-Indicator.

COTTON LIST!

STILL GROWING!

The cotton acreage list for this community, subscribed in the effort to secure a gin, has been revised to date and sub-divided by counties. Some of the owners do not live in the counties listed, but their land is there, if no error has been made. Any corrections to the list should be called to the attention of the Chamber of Commerce at once.

The more acreage secured the easier it will be to secure that gin. A lot of people have been heard to declare that they intend to plant some cotton but won't list it. If everybody took that point of view there would be no gin here in 1923.

Kick in—put in your acreage if you intend to plant any—and help the cause along.

A TWICE-TOLD TALE

One of Interest to Our Readers
Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Hereford woman is confirmed after four years.

Mrs. W. G. Ross, 310 W. 3rd St., Hereford, says: "I used Doan's Kidney Pills which I got at Burns Drug Store and from the results I had they are a good remedy. I gladly advise anyone to try them if bothered with weak or disordered kidneys."

FOUR YEARS LATER, Mrs. Ross

said: "I have used Doan's Kidney Pills occasionally since I recommended them before. They have never failed to give perfect results, therefore, my faith in them has increased."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ross had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Deal in Dollars

It's good business—when you deal in dollars. You acquire a stock in trade which never goes below par and is always good in any market.

There is scarcely any reasonable desire that the average person cannot gratify—when they deal in dollars—which is another way of saying "Thrift"

The rapidly growing habit of thrift among the American people and a keen appreciation of the comforts and security that comes from money in the bank, makes it necessary that you do likewise else lose out in enjoyment of a full and peaceful old age.

Remember—a pass book at a bank is the only dream book in which dreams come true.
