Three days of events still remain on tap for Deaf Smith County residents and visitors as the fourth annual Harvest Festival reaches the midway point in the week long celebration.

Among the events scheduled are the Harvest Festival parade and barbecue, three rodeo performances and the Farm and Home Show. The Farm and Home Show opened Wednesday and will remain open through Saturday.

Some 42 firms had signed for booths at the show. Some exhibits are commercial while others are entertaining and educational.

Three performances of the rodeo are scheduled at the Hereford Riders Rodeo Arena, south of the Bull Barn, with the opening show set for 8:15 p. m. Thursday.

Ratjen Brothers will produce the events of the amateur rodeo with some of the roughest stock in the country. A western dance will follow each performance.

Events listed for the performances include bull riding, calf roping, bareback and saddle bronc riding plus the girls' barrel racing.

Pony Baseball Tourney Starts

Pony League All-Star teams from Borger and Pampa squared off here Wednesday night in the first night of tournament action. Hereford's Pony League All-Stars drew a bye and are to play the winner of the first game at 8 p. m. Thursday.

Losers of the first game and the second game will play Friday, with the championship game slated Friday night. A doubleheader will be played, if necessary.

Hereford is host to the tourney this year that determines the district winner. The champion will advance to the area play-offs in Childress next weekend. Childress had been slated originally to play in the Hereford meet, but got an automatic bye as host of the next higher tournament.

Hereford's Pony League Stars have been playing a series of practice games while waiting for tournament action to begin. They split a two-game series with Littlefield, then took both ends of a doubleheader from Adrian.

Harlon Voyles is coaching the All-Stars, assisted by Wendell Maloney and Dan McDowell. All-Star players include Gene Duvall, Wynn Buck, Mike Watts, Bill Watts, Steve Hodges, Felix Albar, Kenny Justice, Clinton Wilson, Mike Moore, Andy Chaner, Alex Guerrero, Jim Allison, Robby Lemons, Gary Payne and Ed Mims.

\$200 Fine Set For Illegal Sale Of Beer In City

A San Benito, Tex., man was fined \$200 and court costs Wednesday as he entered a plea of guilty to illegal possession of alcoholic beverages for sale in County Court, Judge H. C. Williams presiding.

The Latin American, Joe Guerra, 45, was arrested by Hereford Police Department officers after an anonymous phone call tipped off the police, according to Marshall Padgett, chief of police.

When officers arrested the man at a shed labor camp about 7 p. m. Tuesday, it was reported that he had 23 quarts of beer in his possession.

Service Station Loses \$773, Two Vehicles Stolen

A night attendant at Sanders 66 Truck Stop, 1101 West First, is alleged to have walked off with several hundred dollars in cash as he left work sometime between midnight and 3 a. m. Sunday, July 22, according to the Deaf Smith County Sheriff's Office.

In the theft report, the service station owner reported that

To add a touch of beauty to the show, both the Harvest Festival Queen, Dyann Duvall, and the Hereford Riders Club Queen, Jerre Bea Noland, will appear at the performances.

The annual festival will reach a climax Saturday with the parade beginning at 4 p. m. followed by a barbecue in Dameron Park. The parade route will be south along Main St. to Highway 60 and then north on Sampson St. to Fourth St.

Preparing and serving the barbecue will be members of the Hereford Kiwanis and Rotary Clubs. Serving will start at 5 p. m.

Included in the parade will be Harvest Festival Queen candidates, the Queen's float, the Hereford High School Band, riding groups, plus other colorful floats and bands.

The order of march, announced Wednesday by Leo Forrest, parade marshal, leads off with the Marine Corps Color Guard and will be followed by the Air Force Band from Amarillo.

Next in line will be three convertibles carrying queen contestants, then the Santa Fe model train. Shriners will have two entries in the parade with the Khiva Drum and Bugle Corps and the Oasis Shrine Club Fire Truck.

Following next will be three more convertibles filled with Harvest Festival Queen contest entries, the Navy's Polaris submarine model, the Southwestern Public Service float, the American Legion and the Veterans' of Foreign Wars Color Guard and the Hereford High School Band.

Climaxing the parade will be the Harvest Festival Queen's float featuring the queen, Dyann Duvall, and her two attendants, Sharon Hill and Kay Lemons. The float is being entered by Lankford's.

Following the Queen's float will be the Business and Professional Women's Club float. The parade will end with riding clubs and sheriff's posses from cities and counties throughout the Panhandle.

Among the posses included will be the Randall County Sheriff's posse.

1962 HEREFORD HARVEST FESTIVAL QUEEN and two princesses were named following the annual contest held Monday night. Miss Dyann Duvall, center, received the title of Harvest Festival Queen and will reign over the Festival activities. Princesses are Kay Lemons, left, and Sharon Hill, right.

Dyann Duvall Selected Harvest Festival Queen

A beautiful 17-year-old Hereford girl gasped in joyous surprise as she became 1962 Harvest Festival Queen Monday evening.

Before a near-capacity crowd in the Hereford High School Auditorium 23 contestants vied for the title, but it was Miss Dyann Duvall who finally received the crown from Judy Bradley Douglas, 1961 Queen.

A 1962 graduate of Hereford High School, Miss Duvall is the daughter of Mr. and Mrs. M.G. Duvall of 318 Star. She was sponsored by the Hereford Bakery.

She stands 5-3, has auburn hair and brown eyes. At the present

time she is employed by an Amarillo finance company.

As 1962 Harvest Festival Queen Miss Duvall will reign over all festival activities during the remainder of the week, and will be featured in the Festival Parade on Saturday.

Following the Festival activities, a busy month is in store for her as she competes in two other contests. August 4 she will appear in the Texas finals of the "Miss World" contest to be held in Amarillo and later in the "Miss Wheatheart of the Nation" pageant in Liberal, Kan.

Selected as Princesses in the contest were, Kay Lemons, and

Sharon Hill.

Kay, the 18-year-old daughter of Mr. and Mrs. Robert Lemons of Hereford, was sponsored by White's Auto Store. A 1962 graduate of Hereford High School, she stands 5-3, has blue eyes, and brunette hair.

Sharon was sponsored by Lone Star Insurance in the pageant. Also a 1962 graduate of Hereford High, she is the 18-year-old daughter of Mr. and Mrs. Elmer Kimball. She is 5-5, has tawny-blond hair, and green eyes.

Before announcing the Queen and Princesses, the judges selected six finalists in the contest, who were, Dyann, Sharon, and Kay, and Diedra Thomas.

Call Brucellosis Meeting Monday

A meeting of all cattlemen in Deaf Smith County has been called for 8:30 p. m. Monday, July 30, in the Hereford Community Center. Dr. T. H. Leenerts, a federal veterinarian, will discuss problems of testing cattle in the county for brucellosis.

Dr. Leenerts will be in charge of a county-wide brucellosis eradication testing program, which will start here about Aug. 10. The mobile blood testing unit will be located in the new Bull Barn, according to County Agent Lefty Thomas, who called Monday's meeting.

Thomas said that Dr. Leenerts would be able to explain the program and answer questions about how it will be operated here.

After a debate that started Monday morning and carried over until mid-afternoon, the Deaf Smith County Board of Equalization finally voted 3-2 to throw out two tax changes it had proposed in February.

Action by the Equalization Board (by law, the County Commission sits as the County Board of Equalization) reversed action approved by a 3-1 vote on Feb. 26.

In February, two motions were approved by Commissioners Charlie Sowell, J. T. Guinn and R. Donald Hicks, with Commission Otto Masie voting against. One motion would have lowered valuations on Classes 2, 3, and 4 irrigated grassland by \$5 an acre, from \$45, \$35 and \$30 per acre to \$40, \$30 and \$25 per acre.

The other would have changed several hundred sections of land in Zone 8 (in the northwest part of the county) from a minus 12 per cent to a minus 9 per cent. This would have constituted an increase in taxes for the land in this area.

At 2 p. m. Monday, the Commissioners and County Judge were sworn as the county Board of Equalization. At that time, they resumed debate which had started during the morning during County Commission meeting.

First motion made approved the action of the Commission on Feb. 26. It passed by a 3-1 vote. The minutes of the meeting show: "Motion to ratify the Minutes of the meeting of February 26, 1962, changing the schedule on irrigated grassland, and changing Zone 8 from a minus 12 per cent to a minus 9 per cent was made by Com. Guinn, seconded by Com. Hicks, the motion carried with Commissioners Guinn, Hicks and Masie voting for the motion and Commissioner Sowell voting against the motion."

At that point, one of the board questioned the vote on the grounds that he did not understand exactly what the results would be. After consultation with Jim McMorris of Amarillo, property appraiser for the county, another vote was asked.

It called for the county to remain on the tax schedule it approved after equalization (Continued on page 2)

Canyon Riders On The Trail For Festival

"Westward ho!" wails the wagon master as members of the Randall County Sheriff's Possee and Junior Riders embark on a trail blazing expedition Friday.

Horses, riders, and youngsters, along with a chuck wagon or two, leave Canyon Friday to begin a trek here to participate in the fourth annual Hereford Harvest Festival.

Riding to Dawn on Friday, the trailriders will set up camp on the Charles Wimberley spread and bed down for the night. Bright and early Saturday, the riders hit the trail (U. S. Highway 60) again.

Canyon Riders will arrive in Hereford in time for the Harvest Festival parade and barbecue on Saturday. The visitors will be ushered into town on Saturday by members of the Hereford Riders Club and Hereford Junior Riders.

County Clears Slate Quickly

Deaf Smith County Commissioners disposed of routine business in short order Monday morning and early Monday afternoon. Seven items were taken up by the group during the session.

County Agent Lefty Thomas talked with the Court about the plans to complete brucellosis testing of county cattle soon and asked that the testing be done in the small Bull Barn. The County agreed to the request and also said it would aid in the project.

Charlie Kemp was approved for a raise from \$330 to \$350 per month. He is employed by Precinct One. The raise becomes effective Aug. 1.

Mrs. Betty Young was hired as a deputy in the County Clerk's office at a starting salary of \$260 per month. She will be a replacement for Mrs. Walter Kirkland.

A request that part of the Mexican Independence Day celebration be held in the Bull Barn was approved. The celebration will be Sept. 14-16.

After discussion with Sheriff Lowell Sharp, the Court agreed to hire Stanley Vinson as combination relief radio dispatcher and supervisor of the jail kitchen. Salary was set at \$250 per month. The operation will be on a trial basis.

Miss Lois Wilson, district extension service agent, and Mrs. Argen Draper, county extension agent, talked with the court. Miss Wilson asked permission of the county to move Miss Lorefa Fowler, present Deaf Smith County assistant HD agent, to another county as its HD agent. Such action was approved. Her new assignment, as well as her replacement, will be announced later.

Judge H. C. Williams suggested that the Commissioners' Court rescind its action of Feb. 26, which lowered tax rates on Class 2, 3 and 4 irrigated grassland and raised land values in Zone 8 from a minus 12 to a minus 9. He also suggested a joint meeting of the county-school-city boards of equalization to discuss the matter.

Attorney John Aikin was called into the court for an opinion of the action taken in February. Aikin told the court that he felt part of the action was legal, while part of it possibly was not strictly legal.

The matter was taken up later as the Commissioners' Court sat as the Board of Equalization.

\$2000 Bond Set As DWI Charge Is Filed Here

A 37-year-old Summerfield man, Jose C. Martinez, was charged with driving while intoxicated, second offense, Tuesday and bond was set at \$2000 in Justice of the Peace Court, C. B. Miles presiding.

The man was arrested Thursday, July 19, by the Highway Patrol after he had been involved in a pickup-truck collision on Highway 60, west of Hereford.

The accident, which occurred about 2:10 p. m., is alleged to have happened as Martinez pulled his pickup out in front of a truck-tractor combination.

Damages in the accident resulted in a total loss of the 1954 model pickup with \$350 in damages reported to the truck, according to the investigating officer.

Triple Threat For Riding Records From Poarch Girls

By Wain Miller Brand Staff Reporter A name which many rodeo competitors have come to conjure with is Poarch, and fans attending the annual Hereford Riders Club Rodeo are in store for a triple dose of the same.

Three sisters, who first mounted horses only two years ago, have collected a considerable amount of respect during their brief riding history in Panhandle rodeo arena:

Lynn Poarch, Jo Poarch, and Candie Poarch, daughters of Mr. and Mrs. Hoot Poarch of Hereford, are among many entries in the rodeo which gets underway Thursday evening.

Annual Hereford Riders Club Rodeo slates the first of three performances at 8:15 p. m. Thursday, with other performances set Friday and Saturday evenings.

Hereford Harvest Festival, the rodeo draws entrants from throughout the Panhandle. Producer of the show is Ratjen Brothers.

Among local competitors in the rodeo are the Poarch sisters. Originally "city girls", their parents bought the trio an "old plug" to play around with about two years ago.

Since that time, the family has moved to a farm in order to (Continued on page 2)

Other clubs included in the parade include Boys Ranch, Hale County Sheriff's Posse, Cochran County Sheriff's Posse, Dalhart XIT Rangers, Petersburg Riding Club, Portales Riding Club, Terry County Sheriff's Posse, Canyon Riding Club, Hockley County Sheriff's Posse, Abernathy Riding Club, Leather and Lace Riding Club, Pampa, and Amarillo Range Riders.

The Farm and Home Show, one of the featured attractions of the Harvest Festival, will be open at the Bull Barn during the three remaining nights of the celebration. Doors open each night at 6:30 p.m.

 action in 1961 with no changes in rates or zones. This motion was passed 3-2 after Judge H. C. Williams voted to break the tie.

The minutes show this action. "Com. Sowell made a motion to remain on the original schedule before the action taking in the Commissioners' Court Meeting of February 26, 1962, which is to remain on the original schedule of irrigated grass land and Zone 8 will remain a minus 12 per cent, the motion was seconded by Com. Massie. The vote was as follows: Commissioners Hicks and Guinn voting Nay and Commissioners Sowell and Massie voting Aye. H. C. Williams, County Judge, broke the tie by voting Aye. Motion carried."

Sandwiched between the two motions was another motion, which unanimously decided to table the first vote. This motion later was ruled out of order.

There was some discussion as to whether the Hereford School District had been informed of the action. It was generally determined that Jim McMorries had advised some school officials of the planned change by the county. However, the matter of school tax rates is a matter for the school Board of Equalization, which was not appointed until May and which was not informed of the county's action until about the time it convened last week.

Due to an oversight, the February 26 action was not included in the official minutes of the County Commission until July, when the matter was officially included and a change made in February 26 minutes.

Some school officials talked with the county group about the matter, since it had been agreed last year that the three local taxing agencies would endeavor to stay together on property valuations and Tables with each group to set its own percentage of actual value for tax purposes, and its own tax rates.

Meeting Monday afternoon and most of Tuesday, the County Board of Equalization heard statements from a number of county property owners about

individual tax problems.

Two County Commissioners released written, signed statements for publication after the Board of Equalization had concluded its work Tuesday afternoon.

J. T. Guinn, Commissioner of Precinct Three, made the following statement: "I feel that Mr. McMorries has done a fine overall job of placing values on property in Deaf Smith County. But I think there are some adjustments that should be made and more as time goes on."

My oath of office requires me to vote to lower or raise any property I think is not equal with other property of which I will do as long as I am in office. As for keeping the same value with the other taxing boards in the county is fine if I can feel they are equal, otherwise I will vote to lower or raise to the best of my judgement."

R. Donald Hicks, Commissioner of Precinct Four, made the following statement: "I agreed when we hired Mr. McMorries that I would never tie myself to another taxing agency, if at any time I felt there was an inequity in taxes. We made an agreement in Court on February of 1961 to change 3 classes of grasses in the irrigated schedule."

"Mr. McMorries immediately went to the assistant tax assessor of schools advising them as to our action — nothing came of it."

"I still feel as if there are a few changes that should be made, and regret that the Court has not seen fit to make these changes at this session of Equalization."

 provide grazing room for the four riding horses, two breeding mares, and two colts that the Poarches have acquired.

Their riding is no longer "just something to play around with" as it was at first planned, but has turned into the main pastime of the three girls and their family.

All three joined the Hereford Riders Club. Lynn recently earned the title of Junior Riders Club Queen for her riding ability. Jo has broken several area records in rodeo competition, and Candie has a national mark to her credit.

"Their riding has changed our whole lives," their mother pointed out. "And it has certainly drawn the whole family closer together."

"We love it!" the girls chorused.

"Since they joined the Riders Club, they have been different girls," Mrs. Poarch explained. "It gave them a common interest and their experiences with the club has been great for their personality."

Their riding history has been a brief one... a friend of the oldest sister, Lynn, invited her to join the Rider's Club two years ago. Lynn's father, who thought it was a passing fancy, conceded to buy her a horse.

Soon her younger sister Jo grew tired of watching Lynn having "all of the fun," and she learned to ride "Blaze" (who had received his name when he was much younger and more energetic).

As Lynn and Jo rode around their home near the edge of town, young Candie pulled at her father's leg. "I can ride, too," she told Poarch.

So her doubtful father set her on the back of old Blaze, and sure enough, she could.

A few months later all three of the girls had their own horses and the family was transplanted to more open spaces on a farm south of Hereford.

Lynn finally acquired "Stormy," a huge black mount which she still rides. "He's not built right for competing in barrel races," Lynn admits, "but I wouldn't trade him for another horse. He stuck with me while I learned to ride and now I'm sticking with him."

She is 13 and Stormy is four. They learned to ride together, because Stormy had not been trained before she got him. Together, the pair earned Lynn the title of Junior Riders Club Queen in April. They will compete in their first rodeo Thursday evening in the barrel race event.

Although younger, Jo is almost an "old hand" in the rodeo arena from the looks of her record. She has competed only one season, however.

Jo competed in the National Finals of the American Association of Sheriffs Possees and Riders Clubs last year after winning district competition in the potato race. She was riding her newly-trained mount "Cuervo Jo", who has since become a champion barrel racer.

During the past few months, Jo has "made the rodeo circuit" competing in many area events. During her last eight rodeos, she has lost only twice.

 turning to Hereford in their new station wagon one evening when they approached a car and a herd of antelope at the same time. In the winding hill country north of Vega, there was no place to go but straight ahead. One of the antelope was too slow and got clobbered by the Bells. It killed the antelope and seriously wounded the car. Again, no one was injured.

If he can stand the pace, Buddy Bloomer soon may replace

In the barrel race — competing in the senior riders division, although she is only 13. Facing top area competition, she has set new marks in many arenas, including the Will Rogers Range Riders Rodeo a few weeks ago. "She has paid her own traveling and entry expenses with the prize money she has won," her mother explained, "and so we let her go wherever she wants to."

Modestly, Jo outlined hopes of entering competition in some of the nation's top rodeos "with a good chance of winning."

Candie, the youngest of the girls, set a new national Pee-wee division record last fall in the potato race at the national finals in Lawton, Okla. She had been riding only a few months when she set the mark.

"It was no fun to sit around and watch Lynn and Jo ride," Candie said, "and so I'm entering the rodeo, too. I will ride the barrels." She rides a beautiful white mare, "Lady," who was once owned by Jo.

All three will be competing for the first time in a rodeo together, although they have been consistent entrants in riders clubs' playdays around the Panhandle.

"We all holler for each other," they explained.

But wait a minute — next year there will probably be a fourth Poarch in the arena as four-year-old Renee makes her debut with her sisters.

"The only reason she isn't out there riding with them now," her mother admitted, "is because we won't let her, although she already has her own horse."

Clint Formby as the foremost teller of strange stories. Buddy, manager of the new White Auto Store, was in Wichita Falls on business Monday. That night, his wife called and said, in effect, "I think our baby is arriving." Buddy said, in essence, "Nonsense, honey, it's too early. Besides I'm too tired to drive back to Hereford tonight."

As usual, the wife was right. Buddy got here Tuesday after the birth of their son, but still in time to pass out cigars. Of course, he's doubly proud since Tuesday was also his birthday.

Clint, however, won't relinquish his title without a fight. As president of the Chamber of Commerce, he had planned for a busy week during the Harvest Festival. When Cotton John Smith failed to arrive on time for the Festival Queen Contest on Monday evening, Clint was asked to take over. He pleaded a sore throat and got out at the last minute, when Smith did arrive. Tuesday, Clint was to MC the cotton growers' appreciation dinner. He spent all day in bed, nursing his sore throat, but did manage to croak a few words at the dinner that evening. Tears were actually running down his cheeks when he was forced to swallow. It was only with the greatest difficulty that he restrained himself from scrounging a sour pickle to chew on in front of Clint.

If this were a rumor, we'd never pass it on. But this we observed for ourselves. The Rev. Herschel Thurston gave the appreciation dinner invocation. He was seated between Clint and the Harvest Festival Queen and Princesses. But when the lights were turned on after a movie about cotton... neither Brother Thurston nor the girls were in sight. Clint Formby said it was coincidence and, in deference to Herschel's sterling character, reputation, Rotary Club membership and his good wife, we will have to accept that explanation.

Westway's annual Community Reunion and Homecoming will be held Sunday, July 29. Registration will begin at 11 a. m. with a basket lunch starting at 1 p. m. All former Westway residents are urged to be present.

Our congratulations to Kathryn James for being top winner in the annual county-wide 4-H Club Dress Revue. She also has been county Bake Show Queen, which shows a lot of versatility, most of which is the result of good 4-H leadership.

And our special congratulations, also to Dyann Duvall, Kay Lemons and Sharon Hill for being selected 1962 Harvest Festival Queen and Princesses. All of them are lovely and charming young ladies. But we were genuinely impressed with each of the 23 girls in the contest this year. All of them are beauties in our book.

In our enthusiasm about wheat, cattle, milo, vegetables and sugar beets, many of us tend to overlook the importance of cotton in this county. It was pointed out Tuesday evening that the 11,353 acres in cotton on Deaf Smith County farms provide from \$2-3 million per year income. Hats off to John McClesky, John E. McClesky and Clinton Ward of Hereford Gin, Deaf Smith County Gin and Ward Gin for sponsoring the dinner this year.

Mixed in with the Harvest Festival, as usual, is baseball. Hereford is host to a district Pony League tournament this week. The first game was slated for Wednesday with Hereford playing the winner Thursday. It is a double-elimination affair. Hereford's Little League team will play in Pampa at 8 p. m. Thursday night with the finals of the single-elimination meet on Friday at 8 p. m.

Don't forget the carnival, Farm and Home Show, rodeo, parade and barbecue yet to come this week! The Brand office has a supply of barbecue tickets for those wanting to buy them early.

Hurry! Hurry! Hurry! Forget care and worry. The Harvest Festival, in lots of ways, has much more left in three more days.

Courtesy booth sponsors and exhibitors are First National Bank, Hereford Workers 4-H Club and 4-H Tractor Maintenance Class; Jack Renfro, Eager Beaver 4-H Club; Hereford Grain Co-op, Dawn Grain Co-op and PGC, 4-H Junior Leaders; E. Other exhibitors include Southwestern Public Service Co., Her-Tex Milling Co.; Sears-Roebuck; Lankford's; Sunset Appliance; McCaslin Lumber Co.

Due to an oversight, the February 26 action was not included in the official minutes of the County Commission until July, when the matter was officially included and a change made in February 26 minutes.

Some school officials talked with the county group about the matter, since it had been agreed last year that the three local taxing agencies would endeavor to stay together on property valuations and Tables with each group to set its own percentage of actual value for tax purposes, and its own tax rates.

HOMER RUDD

Homer Rudd, president of the Westway Community Organization, will preside at the Third Community Reunion and Homecoming which will be held at the Westway Community House on Sunday, July 29. Rudd is a graduate of Hereford High School and of Texas Tech at Lubbock. He is the son of Mr. and Mrs. Paul Rudd of Westway and, except for three years spent with the Armed Forces has spent all his life in the Westway Community where he now farms. He is married to the former June Vandiver and they have two daughters, Coleen and Rebeca.

Scrapbook personalities to be on display at the Westway Reunion Sunday include Diedra Thomas, Pat Ranspot, Paul Drager, V. J. Duncan, Doris Parsons, Janell Weaver, Larry Kaul, Clinton Jackson, G. P. Owen, Ed Skypala and many others.

Making an extended visit in the home of his parents, Mr. and Mrs. L. J. Matthews on Blevins Street, is Kenneth Matthews, his wife and their children, Douglas and Katrina. Kenneth, who is a potato salesman for Jack Renfro, has been living and working in Belgrade, Fla., for the past two years. They will be living here until the completion of the potato harvest. Mrs. Matthews is a native of Alabama and has relatives living in Florida.

Mrs. Earl Braudt of Amarillo was a guest last Monday in the home of her sister, Mrs. Byron Durham. On Thursday the Durhams left for Los Angeles, Cal., where they will visit another sister of Mrs. Durham's and other relatives.

When Mr. and Mrs. C. H. Dillehay of Bonham came to Here-

ford, on June 7, their plan was to attend the 1932 Class Reunion, besides visiting their many friends here. But their plan did not work out for on June 9 Mrs. Dillehay became very ill and was hospitalized. After surgery and five weeks in the hospital Mrs. Dillehay has been able to be taken to the home of Ona Hammer where she is convalescing. The Dillehays are well known here for he was superintendent of schools from 1923 until 1938. Their daughter Virginia grew up here. She (now Mrs. Mario Ortega) and children, Mandy and Mark, arrived by plane from Glendale, Calif., Friday to be with her parents here. The Ortegas were living in Cuba, but left there when the Castro trouble started. They lived in Mexico a year and then moved to Glendale where they have been living several months. She will visit in Canyon with her aunt, Mrs. L. S. Sheffy, a sister of Mrs. Dillehay, and when she returns to her home in California, Mr. and Mrs. Dillehay will return with her.

Guests in the home of Ona Hammer last week were Miss Eunice Rutherford of Houston and her sister Mrs. Thomas of Claude. Miss Rutherford is a former teacher in the elementary school here. She taught at Central School with Ela Aikman after whom our present Aikman School is named. Miss Rutherford stayed in the Hammer home while she taught here.

Here to attend the Westway Homecoming and Reunion are the Grady Wilsons, Mrs. Jake (Pauline) Block, Mrs. John Eddy (Sheila Millard), daughter Shaun, all of Sturgis, S.D., and Mr. and Mrs. Hughes Millard, Darshan and Judy of Faith, S. D.

Mrs. Ruby Vaughn visited in the home of her mother Mrs. Lee Haney at Bovina Sunday.

Mr. and Mrs. Clarence Sauley left Sunday for the Rodeo at Cheyenne, Wyo. En route they stopped at Fountain, Colo., to spend a couple of days with Mr. and Mrs. Mack Jackson. The Jacksons are going on to Cheyenne with the Sauleys. After the rodeo, the group will visit in Twin Falls, Idaho, with Mr. and Mrs. Al Sauley, then make their way to Seattle where they will "take in" the World Fair and other sights in the Northwest.

Mrs. C. A. Sauley was hostess to the Gray Ladies at a luncheon at her home on J Street last Thursday at noon. A salad luncheon was served to members Bessie Sauley, Casey Thomas, Lois Rutter, Corinne Neeley, Lois Rutter, Junior Red Cross members Kathleen Kuper and Audri Miller, and guests Erma Wines of College Station and Mrs. Merlin Kaul.

Mrs. Casey Thomas presided at the business meeting. Re-

ports were given on phases of work which could be done by Gray Ladies and projects which were being undertaken. Audri Miller of the Junior Red Cross presented plans for the program which the group would give for the Retrainees at Amarillo Air Force Base on Tuesday.

Mr. and Mrs. L. C. Thomas have returned home after visiting with relatives in several points of the state and attending the Thomas family reunion at Ennis. The meeting was held at the Community Center at Ennis. Present were Mr. and Mrs. L. C. Thomas; Mrs. Martha Sullivan and Holly of Hereford, Mr. and Mrs. Randy Thomas of Borger, Mr. and Mrs. Harold Thomas of Stillwater, Okla., Dr. and Mrs. H. C. Thomas of Fort Worth, Mr. and Mrs. J. W. Thomas of Fort Worth, C. A. Thomas of Mumfords, Ala., Howard W. Thomas of Ennis, the two sisters of the family, Mrs. Frances Harris of Corsicana and Mr. and Mrs. R. J. Harris of Kaufman. About 56 were in attendance.

After the reunion Mr. and Mrs. Thomas visited a son, Vincent Thomas, and her brother, W. B. Reeves in Dallas, his sisters, Mrs. R. J. Harris at Kaufman and Mrs. Frances Harris at Corsicana, J. W. and Curtis Thomas in Fort Worth, and Quentin Thomas in Beaumont. Mr. and Mrs. Harold Thomas have recently moved from New Braunfels to Stillwater, Okla., where he is a salesman for a rubber goods company. Harold is the son of Mr. and Mrs. J. W. Thomas, who formerly operated a grocery store here. His wife is the former Jane Gordon of Amarillo.

W. J. (Lefty) Thomas, Deaf Smith County Agent, is attending a National Meeting for County Agents at Las Cruces, N. M., this week.

Miss Erma Wines of College Station, State 4-H Leader, brought A. Seyfettin Yegenoglu of Turkey, an International Farm Youth Exchangee, to Hereford last Thursday where he is living in the Charles Frye home. He has been living with the Lilly family in Nacogdoches the past six months.

Seyfettin is a 4-H leader in Turkey except that there it is known as 4-K. He has a 500-acre irrigated farm - irrigated from a river. He is interested in sugar beets as he raises Sugar Beet seed. He is described as a progressive farmer in Turkey and is 32 years old, married and his wife is also an I-FYE (International Farm Youth Exchangee). She is with a farm family in Minnesota. Their two children - a boy 9 years old and the girl 6 years old are at home in Turkey with their grandmother.

In the IFYE program the exchangees must be a part of the family and not a guest. The State 4-H Recognition Committee provides in the budget for

the IFYE program and exchangees are allotted \$1 per day for "juggling money". Sometimes they receive gifts. Every time we send a delegate to another country, we get two exchangees. Pete Plank will be one of the Texas exchangees and will go to Uruguay in September. A boy from Corsicana will go to Puerto Rico. Besides Seyfettin; there are two other exchangees in Texas-Felix Martin, of Spain who is living with County Agent and Mrs. J. W. Thomas and a boy from India who is at Sulphur Springs.

Two other Deaf Smith County youth who have applied for the IFYE program are Jody Beizer and LuAnn Higgins. Felix has been living at the Earl Plank farm and for the rest of his time in Texas will accompany County Agent Thomas in the study of agricultural industry, machinery, ranchers, vegetable sheds, etc. He lives on a 1250-acre farm in Spain near Costanunia. It is irrigated from a river. He and Seyfettin will leave July 27 for Mid-State Conference in South Dakota. They will receive five days of orientation, then Felix goes to Minnesota and Seyfettin to Illinois for 3 months. They will then return to their homes.

Miss Wines returned to College Station Thursday afternoon.

Mrs. Argen Draper has returned home after attending summer school at Denton. She was a judge at a Dress 'Revue' at Dimmitt Thursday afternoon.

Mrs. Lee Haney and Mrs. C. O. Joplin of Bovine were visitors in the Roy Vaughn home Thursday. Mrs. Haney is Mrs.

Vaughn's mother and Mrs. Joplin is her sister.

Several members of the Deaf Smith County Council on Alcoholism attended the Fifth Annual Institute on Alcohol Studies which was held last week at the beautiful Kinsolving Dormitory at Texas University at Austin.

The group heard a number of featured speakers. Included was Marty Mann, Executive Director of the National Council on Alcoholism of New York City. She is the first woman ever to join Alcoholics Anonymous, The Right Reverend Everett H. Jones, Episcopal Diocese of West Texas, San Antonio, and Dr. R. G. Bell, Medical Director, The Bell Clinic, Willowdale, Ontario.

The Deaf Smith County Council on Alcohol is one of only 74 such councils in the United States, the first of which was organized in 1944. Their job is to get Alcoholics to the AA group and claims to arrest 50 per cent of all such cases-but never cures them. One speaker stressed the fact that "they can never be cured because the body of the alcoholic sets up a chemical reaction to alcohol, - one drink is too many and 1000 not enough. The alcoholic loses all the essentials of life - home, religion, work, play, belonging with a group."

The Austin meeting lasted four days with seven-hour sessions each day. Any member of the council is available. For programs and all clubs and civic groups are urged to include such a program in their studies.

Those attending the sessions from Hereford included Mrs. Earl Springer, Mrs. Lois Rutter,

the Rev. B. H. Baldwin, Herbert Boardman, Francis Hardwick, Mr. and Mrs. Wynn Buck, Mrs. O. G. Hill; Sr. and Raymond Beene.

MRS. JOHN D. OWENS

Mrs. John David Owen, secretary of the Westway Community organization, will assist with registration at the Third Reunion and Homecoming to be held at Westway Community Building Sunday, July 29.

Mrs. Owens and her family live at the Bill Dameron Ranch, where he is employed. His parents, Mr. and Mrs. G. P. Owens, are early residents of Westway. The Owens have three sons David, Danny, and Dean. Mrs. Owens will begin the registration all 11 a.m. Sunday.

LET'S COOK SOMETHING

Tawny, Browned Flaky Frames Basis For American Desserts

Pie is the great American dessert. Not that American cooks originated it — even the ancient Greeks and Romans had their honeyed pastries — but because Americans have so wholeheartedly adopted it. These tawny browned flaky frames for an almost endless variety of fillings, from berries through creams and chiffons to custards, are a standard item in all American homes. To be known as an excellent pie maker is to be known as an excellent cook.

A crust is described by Webster as a cover or a case for a pie. It is essentially the basis for any pie filling, making the dessert a joy to behold and eat! There are many different methods of preparing crusts, with most every woman having her own special method of mixing and rolling.

Recipes for several kinds of crusts are listed that will make the crust either everyday fare or party fare.

MAE FRALIN'S PIE CRUST
1 cup flour
1 tablespoon sugar
1 teaspoon baking powder
1/4 teaspoon salt
3 tablespoons cold water
Make all measurements level. Mix together all ingredients un-

til they reach the ball stage. Roll thin. This crust will not become soggy. Especially good for fruit pies.

GUIN'S PIE CRUST
(2 crust pie)
1 1/2 cups unsifted flour
1 teaspoon salt
1/2 cup cooking oil

On top of the oil pour 1/4 cup cold milk. Do not mix. Pour oil and milk into the flour mixture and mix quickly. Roll very thin between sheets of waxed paper. Avoid using too much flour in the rolling process. This is an especially smooth, flaky pie crust.

CHOCOLATE SHELL
12-inch square of aluminum foil
1 6-ounce package (1 cup) semi-sweet chocolate pieces
2 tablespoons shortening
Line 9-inch pie plate with 12-inch square of foil, pressing over bottom, sides, and rim. Remove foil, place on ungreased baking sheet.

Put chocolate pieces and shortening in foil pan and heat in a moderate oven (350 degrees) about 5 minutes. Remove from oven and replace foil in pie plate. Gently blend chocolate and shortening; spread over bottom of foil. Chill 8 to 10 minutes, or till chocolate

is of spreading consistency. With the back of the spoon, swirl chocolate evenly over the sides, forming a scalloped edge around the rim. Chill about 1/2 hour.

Remove from plate. Carefully tear off foil. Return shell to pie plate; keep chilled.

CINNAMON MERINGUE SHELL
Cover a cookie sheet with a piece of heavy paper; draw an 8-inch circle in center. Beat 2 egg whites with 1/4 teaspoon salt, and 1/2 teaspoon vinegar till soft peaks form. Blend 1/2 cup sugar and 1/4 teaspoon cinnamon; gradually add to egg whites, beating until very stiff peaks form and all sugar is dissolved.

Spread within circle — make bottom 1/2 inch thick and mound around edge, making it 1 and 3/4 inches high. Form ridges on outside with the back of a teaspoon. Bake at 275 degrees for one hour. Turn off heat; let dry in oven (door closed) about 2 hours. Peel off paper.

CRUNCH-CRUST PIE
1 6-ounce package (1 cup) semi-sweet chocolate pieces
3 tablespoons butter or margarine
2 cups crisp rice cereal
In the top of a double boiler,

melt chocolate and butter over hot water, stirring to blend. Add rice cereal; mix well. Press into unbuttered 9-inch pie plate. Chill until firm.

Let crust stand at room temperature for 5 minutes before filling with layers of ice cream and shaved chocolate.

ORANGE PASTRY
Substitute orange juice for the water in any Plain Pastry recipe.

GRAHAM-CRACKER CRUST
Combine 1 1/2 cups (18 crackers) fine graham-cracker crumbs, 1/4 cup sugar, and 1/2 cup melted butter or margarine. Mix well. Press firmly in unbuttered 9-inch pie plate. Bake in a moderate oven (375 degrees) about 8 minutes or till the edge is lightly browned. Cool.

If you prefer an unbaked crust, chill crust until set, about 45 minutes, before filling.

GINGERSNAP CRUST
Mix 1 1/2 cups fine gingersnap crumbs (about 24 gingersnaps) and 1/4 cup soft butter until well mixed. Press into bottom and sides of buttered 9-inch pie plate. Bake in a moderate oven (375 degrees) about 8 minutes. Cool.

SESAME PIE SHELL
2 to 3 tablespoons sesame seeds
1 cup sifted flour

perature for 5 minutes before filling with layers of ice cream and shaved chocolate.

ORANGE PASTRY
Substitute orange juice for the water in any Plain Pastry recipe.

GRAHAM-CRACKER CRUST
Combine 1 1/2 cups (18 crackers) fine graham-cracker crumbs, 1/4 cup sugar, and 1/2 cup melted butter or margarine. Mix well. Press firmly in unbuttered 9-inch pie plate. Bake in a moderate oven (375 degrees) about 8 minutes or till the edge is lightly browned. Cool.

If you prefer an unbaked crust, chill crust until set, about 45 minutes, before filling.

GINGERSNAP CRUST
Mix 1 1/2 cups fine gingersnap crumbs (about 24 gingersnaps) and 1/4 cup soft butter until well mixed. Press into bottom and sides of buttered 9-inch pie plate. Bake in a moderate oven

(375 degrees) about 8 minutes. Cool.

VANILLA-WAFER CRUST
Combine 1 1/2 cups fine vanilla or chocolate-wafer crumbs (about 38 wafers) with 1/3 cup melted butter or margarine. Press firmly into a buttered 9-inch pie plate. Chill until set.

CORN-FLAKE CRUST
Combine 1 cup crushed corn flakes or crisp rice cereal, or corn-flake crumbs, with 1/4 cup sugar and 1/3 cup melted butter or margarine. Press firmly into a 9-inch pie plate. Chill.

COCONUT CRUST
Toast one 3 1/2 ounce can (1 1/4 cups) flaked coconut at 350 degrees about 10 minutes, stirring frequently for even browning. Cool. Generously butter bottom and sides of a 9-inch pie plate; sprinkle with coconut and press.

SESAME PIE SHELL
2 to 3 tablespoons sesame seeds
1 cup sifted flour

1/2 teaspoon salt
1/3 cup shortening
3 to 4 tablespoons cold water

Toast sesame seeds in a 9-inch pie plate at 325 degrees for 8 to 10 minutes until light brown. Remove seeds, then turn oven to 450 degrees.

Sift together the flour and salt into mixing bowl. Add the toasted sesame seeds.

Cut the shortening until particles are the size of small peas. Sprinkle water over mixture a little at a time, while tossing and stirring lightly with a fork.

Add water to driest particles, pushing lumps to the side, until dough is just moist enough to hold together.

Form into a ball. Flatten to about 1/2 inch thickness. Smooth dough at edges. Roll out on a floured pastry cloth, or board, to a circle 1 1/2 inches larger than an inverted 9-inch pie pan.

Fit loosely into pie pan. Gently

pat out the air pockets. Fold edge to form a standing rim; flute. Then pick generously with a fork.

Bake at 450 degrees for 10 to 12 minutes until golden brown. Cool.

TEXAS PECAN CRUST
3/4 pound oleo
1/2 cup sugar
1/2 cup sifted flour
1 cup ground pecans
1/2 teaspoon vanilla

Mix oleo, sugar and flour well. Add nuts and vanilla. Pat into a 9-inch pie pan.

BUTTERMILK PIE CRUST
3 cups flour (measure before sifting)
1 tablespoon sugar
1 teaspoon baking powder

Cut in 1 1/2 cups shortening. Mix 1/2 cup buttermilk, 1/4 teaspoon soda, 2 teaspoons salt.

Add to flour and shortening mixture; roll. Make two crusts and one single.

Victory SS Class Elects Officers

Victory Sunday School Class members of the Avenue Baptist Church met Thursday morning, July 19, at 9:30 a. m. in the home of Mrs. Luther Baxter.

Roll call was answered with "Why I enjoyed school being out".

Mrs. Billy Wall, president, presided over the business session. Election of officers for the coming year was the order of the day. The following officers will take office Oct. 1: Mrs. Johnnie Townsend, re-elected as teacher; Mrs. Marvis Southward, president; Mrs. C. E. Coleman, first vice president; Mrs. J. A. Gotcher, second vice president; Miss Peggy Jo Hardy, secretary; Mrs. Luther Baxter, assistant secretary; Mrs. L. B. Worthan, recording secretary; Mrs. G. W. Duncan, treasurer; Mrs. Clois Kemp, reporter; and Mrs. Gaylon Bryan, assistant reporter.

Members discussed a picnic slated for Aug. 17 in Dameron Park for members' and their families.

Mrs. Louis Hagar was chosen as mistress with Mrs. Leroy Rickman and Mrs. Preston West as the two group captains. Mrs. Billy Wall, outgoing president, will serve as social chairman. The yearbook committee includes Mrs. Preston West as chairman, Mrs. Luther Baxter and Mrs. Leroy Rickman.

Mrs. Pearl Boyer will be the "Mother of the Year".

The devotional was given by Mrs. Marvis Southward and the prayer by Mrs. Leroy Rickman. The teacher, Mrs. Townsend, offered the closing prayer after the group had formed the friendship circle and had sung "Blest Be The Tie That Binds".

Present for the morning session were Mesdames Leroy Rickman, Johnnie Townsend, Preston West, Louis Hagar, G. W. Duncan, Gaylon Bryan, Billy Wall, Clois Kemp, J. A. Gotcher, and the hostess, Mrs. Luther Baxter.

DISCUSSING THE ORGANIZATION of the Deaf Smith County Chamber of Commerce is Bill Thompson, chamber manager. He and Clint Formby, president, presented the program at Rotary Club meeting Monday and discussed the aims, organization and operations of the Deaf Smith County Chamber. (Staff Photo)

FORMBY, THOMPSON

Outline Aims, Organization Of Chamber Of Commerce

A program on the aims, operation, and organization of the Deaf Smith County Chamber of Commerce was presented at the Monday noon meeting of the Hereford Rotary Club by Clint Formby, C of C president, and Bill Thompson, manager.

It was brought out during the program that two new industries are definitely committed to establish plants in the Hereford area within the next four to six months.

Thompson told service club members that a mid-western independent meat packing concern had given Chamber of Commerce representatives "definite assurance" that a packing plant would be located here in four to six months.

"A concrete irrigation pipe company," said Thompson, "is going to be built here and a tract of land has already been purchased by the concern."

He also pointed out that the Oasis Shrine Club is "most optimistic" about the probability of a crippled children's clinic, if not a hospital, being built in the community.

Following the meeting, Formby said that no announcement concerning the construction of the concrete pipe plant has been made due to "pending final arrangements."

In his opening remarks, Formby told the club members, "The Chamber of Commerce is you. It exists only for the future and the betterment of the community."

In the last census report, he commented, 109 counties in Texas have lost population. A community can either go forward or backward.

"The time has come," he said, "for this community to decide which way it will go. Other Panhandle cities in the area are growing. If we stay still, we can only go backwards."

"We need a strong Chamber of Commerce with stronger participation," he told the Rotarians, "in order to plan for the orderly growth of Deaf Smith County."

"I am optimistic," said the Chamber of Commerce president, "because the Chamber has more members than it has ever had before. The budget places Deaf Smith County in the upper bracket of counties this size in the Southwest."

He commented that the citizens of Hereford and Deaf Smith County are in an "enviable position" due to transportation facilities available, the expanding industry, good schools, city government, and medical facilities and the natural resources of the area.

Hereford Ponies Take Two From Adrian In Practice

A practice doubleheader with Adrian here Monday night gave the Hereford Pony League All-Stars two victories. They won the first game 17-13, then took the nightcap 11-2.

Hereford took a quick 6-0 lead in the last of the first inning of the opener. Four walks, five passed balls, a wild pitch, three errors, three singles and a double by Mike Moore gave Hereford its runs.

But Adrian picked up five runs in the second on four walks, an error, a hit batter, an error, a passed ball and a single.

Hereford made it 8-5 in the last of the second on a walk and a home run by Kenny Justice.

In the bottom of the third, Hereford added on seven more runs for a 15-5 margin. They came on four walks; an error, another double by Moore and a home run by Jim Allison, along with a single.

Three walks, three singles and a hit batter gave Adrian four runs in the fourth inning.

Hereford's last two runs came in the last of the fourth on a single, a fielder's choice that failed to get the runner with a walk loading the bases. Bill Watts' double drove in two runs.

Adrian picked up two runs in the top of the fifth on pairs: two singles, two errors and two walks.

Mike Moore had a pair of doubles for Hereford in three times up, Jim Allison got a single and a home run with the other hits well-scattered.

Mike Ranspot got three singles in three times up for Adrian.

Steve Hodges worked four innings and got credit for the victory. He allowed nine runs on five hits, walked eight and struck out seven. Felix Albiar worked the final inning. He allowed four runs on two hits, walked two and struck out two.

Larry Minks started for Adrian and was chased after giving up four walks as the game opened. Damon Davis came on to pitch four innings. He gave up 13 runs on 11 hits, walked eight and struck out two.

In the second game, Ed Mims and Alex Guerrero teamed up to limit Adrian to a pair of runs on three hits while Hereford got 11 runs.

Gene Duvall started off with a walk for Hereford in the last of the first. With two out, Kenny Justice tripled and came in on a passed ball.

Duvall scored again in the third on a walk, a passed ball, a stolen base and a single by Justice.

MARRIED ON PENNIES
CHARLESTON, W. Va. (AP) — "My girl and I have been saving our pennies for a long time," said the prospective bridegroom who appeared with his fiancée in the county clerk's office. With that, the young man plunked down 200 pennies for a marriage license.

Legal Notice

Notice is hereby given that the Board of Equalization will convene on Tuesday, August 14, 1962, beginning at 9:00 a.m. at the City Hall building for the purpose of hearing all protests and determining the valuation of all property subject to taxation by the City of Hereford. In order to afford every taxpayer an opportunity to be heard in his or her protest during the time prescribed by law, you may, if you so desire, appear at the office of the Assessor and Collector of taxes for an appointment to appeal your case to the Board of Equalization. FISH STORY

TOWSON, Md. (AP) — Howard Gillelan was at a trout pond in Baltimore County when a stranger offered him a good-sized trout he had caught. The stranger said he had a couple of good reasons for not keeping the fish himself: 1. The fish had swallowed cheese bait, so he couldn't toss it back in the water because removing the hook would kill it. 2. He couldn't take it home because his wife thought he was working.

Mrs. J.F. Ward Celebrates 90th Birthday With Party

Members of Mrs. J.F. Ward's "Win One" Sunday School Class, First Methodist Church, hosted a party for her at the Deaf Smith County Hospital Friday afternoon, July 20, in the Solarium. The occasion was in honor of her 90th birthday. A short program introduced the celebration with a prayer by the Rev. E. L. Nangle and a talk on King's Manor by the Rev. Don Davidson of Lazubidge. The collection taken at the close of the program will be used to assist in furnishing the room which Mrs. Ward has purchased at King's Manor.

The birthday cake was made in the shape of an open Bible on one leaf of which was her name and the number "90". On the other leaf was the name of her favorite song, "I Love To Tell the Story".

Mrs. Henry Sears and Mrs. Leo Forrest made and served the punch in honor of their mother, Mrs. F. M. Cherry.

Looking gay with a corsage of fresh flowers on her party dress, Mrs. Ward graciously greeted the many friends who called and was even cordial to Sheriff Lowell Sharp and County Judge Hank Williams when they served the "summons" for her to get well soon.

Members of the "Win One Class" who served as hostesses included Mesdames W. M. McGeehe, Whitaker; John Jacobsen Sr., Bertie Lee Coconougher, J. E. Beyer, I. H. Spradley, A. C. Pierce, Laura Thomas, Andy Thomas, Ab Thompson, C. B. Williams, H. M. Benefield, Boone, Hill, Randal, and Miss Lulu Botsford.

Since Mrs. Ward has been unable to teach the class, Mrs. John Jacobsen Sr., assisted by Mrs. T. B. Collins, has been teaching.

Four Hereford Firemen Enroll At A & M School

Three Hereford firemen are among the 1,700 attending the 33rd annual Texas Firemen's Training School at Texas A & M College. The school started Sunday and will continue through Friday.

Earl Phillips of Hereford, recently-elected fourth vice president of the Texas Firemen's Association, is serving as an instructor in ventilation procedures for the school.

Those attending from Hereford include Fire Marshal Clay Angelo, who is taking the Fire Marshal's Course; Assistant Chief Jap Dickerson, who is enrolled in pump maintenance; and Fireman Bob Spaulding, who is enrolled in Basic Fire-fighting.

Attending the school are firemen from 20 states representing municipalities, industries and armed services in about 450 cities.

TELEPHONE TALK

HELP!

Writing a newspaper column has its advantages and disadvantages. On the good side, it gives me a chance to discuss a variety of telephone topics and pass on news and views concerning my company, Southwestern Bell.

On the other hand, I sometimes come up "bone dry" and can't beg or borrow an idea to write about. And that's where YOU come in.

If you have a question you'd like answered or a subject you'd like discussed, just drop me a line. Only one restriction — keep the subject on telephones and communications. I'm no good at settling family fuses or giving personal, legal or medical advice. And if you come up with a question I can't answer, I'll try to find someone who can. How about it? Any takers?

NEW DIRECTORY DELIVERED

The July 1962 issue of the Hereford telephone directory has just been mailed to our customers. The new directory has a white cover and is printed with brown ink. It contains 112 yellow or classified pages and 32 white or alphabetical pages which contain approximately 3000 listings. The previous issue had 108 yellow pages and 28 white pages with approximately 2800 listings.

There were 6700 copies of the directory printed for distribution to present and future subscribers.

A look at the yellow pages when you are shopping will often save time, money, and effort. They are an important part of your telephone service. Use them often.

A WORD TO THE WISE

I ran across this cartoon in one of our company publications. I think the moral is clear without me adding too many words.

If you are planning your vacation, and you want to be sure of a reservation, always call ahead. Our telephone booths are nice but they were never designed for overnight stays. So long, see you next month.

Call by number. It's twice as fast.

Six Hereford Swimmers In District AAU Competition

Six Hereford Athletic Club swimmers earned the right to compete in the District Amateur Athletic Union Junior Olympics to be held in Lubbock as they took high honors at the District level in Amarillo Friday and Saturday.

Competing with five other swimming teams from the Panhandle, the Hereford team claimed a trophy for earning third place in highest total points.

Hereford swimmers will compete in 11 different events at the Lubbock competition slated for Aug. 3-4. Winners of the Lubbock contests will be eligible to compete at the state level later in the month.

Pat Cooper took medals in three separate events for girls under the age of 10 at the Amarillo meet, and will represent the district in these contests at Lubbock. Swimmers received silver medals for first, gold medals for second, and bronze medals for placing third in the finals.

In finals held Saturday at the Thompson Park Pool in Amarillo, Pat Cooper ranked third in the 50-meter free style competition for girls under ten. She later ranked second in the 50-meter breast stroke, and finally took the top position in 50-meter back stroke.

Entering the Junior Olympics in two events will be Steve McAndrews, after he took third in both the 50-meter free style and breast stroke for 11-12 year old boys.

Maura McAndrews earned second place honors in the 11-12 year old girls 100-meter breast stroke, while Susan Stapp ranked second in 13-14 year old girls 50-meter back stroke.

Carl Stapp swam to second place in the 15-17 year old boys 100-meter breast stroke competition. Stapp also placed second in the 15-16 year old boys diving event.

Susan Stapp and Helen Davis will represent the area in 13-14 year old girls diving at Lubbock.

VACATIONED IN COLORADO

Mr. and Mrs. Frank Watson and son, Doug, and Mr. and Mrs. Owen Stagner, all of Hereford, have returned to their homes after a week's vacation near Antonito, Colo., camping and fishing. Mr. and Mrs. Bob Lawrence and two children, former residents of Hereford, now of Salida, Colo., joined the Watsons and the Stagners for several days camping, fishing and visiting. All have reported that the fishing was good.

VISIT OZARKS

Mr. and Mrs. Thomas L. Collins of Walcott have returned home after a two-weeks trip to the Ozarks. While there in that area, the Collins visited his sister, Mr. and Mrs. Arthur Townsend of Bentonville, Ark., old college friends at the University of Arkansas in Fayetteville, Ark.; parts of Missouri; and other points in Oklahoma; Wichita and Emporia, Kans., and Texas. They arrived home on Saturday evening, July 21.

Stunts Thrill Crowd

A LARGE CROWD LINED the taxi strip at the Hereford Municipal Airport on Sunday as the first major event of the fourth annual Harvest Festival got underway. Thrilling the crowd during the afternoon were dual and solo stunt flying acts by Frank Price and Jay Barker. Members of the Lubbock Sport Parachute Club also performed three times during the show with 45-, 30-, 20-second delayed jumps.

IN A DUAL STUNT performance stunt pilots Price and Barker fly almost wheel-to-wheel over the Hereford Municipal Airport. Both of the pilots, termed the hot, moist air over the airport "dead" and not ideal for stunting. However, they thrilled the large crowd which turned out with whipstalls, eight-and-four-point rolls, spins and many other aerobatic maneuvers.

GOING OVER THE TOP are German Luftwaffe Buecker Jungmeister (above), flown by Frank Price, and Great Lakes Trainer (right), flown by Jay Barker.

THE BUECKER JUNGMEISTER trails a cloud of smoke as it is whipped through aerobatic maneuvers by stunt pilot Price. The highly maneuverable aircraft was built in the 1930's to train German pilots. Price owns one of the two planes now in the United States.

A CLIPPED WING CUB is perfectly balanced on the runway by stunt pilot Frank Price. The "it can't-be-done" stunt amazed the spectators as the Cub came to a stop, but the tail of the aircraft remained off the ground.

AIR SHOW SPECTATORS (right) found shade provided for them by the many aircraft lining the ramp at the Harvest Festival Air Show Sunday. The event is sponsored annually by the Aviation Committee of the Deaf Smith County Chamber of Commerce. Aircraft on display during the show included the most modern executive-type plane to single-seated sport flying aircraft and World War II Army Air Force trainers.

REP. WALTER ROGERS WRITES

Review Action Of Second Session Of 87th Congress

TO THE PEOPLE OF THE 18TH DISTRICT:

A term of Congress lasts for two years. This term is divided into two regular sessions. The first session is held during that year in which the Congress is

convened after the general elections. The second session is actually a continuation of the first in most everything except name. All bills introduced after the beginning of the first session of the term of Congress remain on the calendar for the full two years unless otherwise disposed of by defeat, passage, or other action. At the end of the second session, all pending measures die. Unless these measures are re-introduced in the following session of the Congress, they are not before the Congress.

We are now in the second session of the 87th Congress, which was convened on Jan. 10, 1962. From that time through June 30, the Senate had been in session 99 days, the House of Representatives 94. The Senate spent 555 hours, 43 minutes in session; while the House spent 350 hours, 24 minutes. This wide differential in time is no doubt due to the fact that in the House debate is limited. In the Senate it is not. In the House, it is very seldom that a Member is allowed

to talk for more than 10 or 15 minutes during any session while scheduled business of the House is being handled.

The rules followed in the House are different from those followed in the Senate, hence the Members of the Senate are not limited in debate, and in fact have set some records in recent years. There are many, many times that I wish the House had unlimited debate, because things that should be said are blocked by the limitation rules. The pages in the Congressional Record reflect the difference in the time in session. The Senate had placed 7,058 pages in the Record as of June 30, while the House had placed 4,456.

During this time, 109 public bills had been enacted into law, 70 of which were House bills while 39 were Senate bills. And, 161 private bills had been enacted into law, 105 of these being House bills and 56 being Senate bills. All of these bills had to be passed by both houses and signed by the President. This does mean that these were the only bills that were passed by either house. The fact is that the House had passed 571 bills and the Senate had passed 421. The committees in the Senate had reported to the Senate 636 measures; 625 measures had been reported by House committees to the House of Representatives.

Since Jan. 10 and through June 30, 1,069 measures were introduced in the Senate. During that same time, 3,444 measures were introduced in the House. These include bills, joint resolutions, concurrent resolutions, and simple resolutions. If you will compare this figure with the number of bills that have been enacted into law, you can see that very few of the bills introduced ever become law. Parliamentary procedure is one of the great safeguards under the democratic form of government.

Once a bill is introduced, the gamut through which it must travel before it finally reaches the President's desk is quite formidable. When it is first introduced, it is sent to a committee by the Speaker of the House. Usually it is then assigned by the Chairman of that committee to a subcommittee. Public hearings are then scheduled by the subcommittee during which testimony is taken from both proponents and opponents. When this is concluded, the bill is considered in executive session, during which time amendments may be offered

POTATO HARVESTERS continue to dot county fields as the harvest reaches the halfway mark this week. Latin-Americans, for the most part, form the nucleus of the harvest crews and potato shed shifts. As a result, the city's population is at a high level and local merchants report excellent sales this week. All this goes back to the exceptionally high quality of the local spuds and other vegetables. (Staff Photo)

and acted upon. When this proceeding has been completed, the bill is reported to the full committee for further action. It is then considered in executive session for further amendments, should any be desired.

If the bill is then approved by the full committee, it is reported to the House with proper recommendation. The matter is then submitted to the Rules Committee. The Rules Committee hears testimony from other Members of Congress with reference to the measure and the time that should be allowed for its consideration. Should the Rules Committee approve of debate on the measure, it adopts a resolution fixing the time of debate for the House. This resolution is then reported to the House and called up for consideration. If it is adopted, the House is resolved into the Committee of the Whole House on the State of the Union for further consideration of the bill. The debate is then held. When this is concluded, the bill is read for amendments, at which time any Member may offer an amendment and be heard on the same for five minutes. Sometimes the discussion of the bill under the "five-minute rule" may last all day, depending upon the number of amendments that are offered.

When this proceeding is finished, the bill is reported back to the House of Representatives, at which time it is voted upon by voice vote, by division vote, by teller vote, or by a roll call vote, or by all four. If it passes, it then goes to the Senate where it is considered by that body under their rules of order,

Letter To The Editor

Dear Editor:
Just enjoyed Cotton John's program over KGNC Television and the twenty three beautiful contestants were a credit to any city ten times the size of Hereford.

Each and every one of them was equal to the best of the recent Miss Universe contestants, plus the detected genuine beauty of femininity that is rare these days.

West Texas is justifiably proud of Hereford contributions in this field.

Sincerely,
A. K. Baracat

FORMER STUDENT ATTENDS
Sam Gilliland of Hereford attended the Sunset Reunion on Sunday, July 15, at the South Plains school house near Lockney. Most of the visitors were former students at the school and plans were made for the reunion to be held next year on

which are not exactly like those of the House, but just as intricate.

AUSTIN HIGHLIGHTS

Office Buildings Given Names For Old Initials

By Vern Sanford
In an effort to "prevent confusion to occupants, mailmen and the public" when the second of two sleek, pink marble State Office Buildings on the Capitol grounds is completed soon, the State Building Commission re-named them after famous Texas patriots.

First State Office Building — generally referred to as "S. O. B. No. 1" — now is designated as the Sam Houston State Office Building; the second, called "S. O. B. No. 2", was named after John H. Reagan, first chairman of the Texas Railroad Commission and Postmaster General of the Confederacy.

LICENSING STUDY SCHEDULED

House Speaker James A. Turman named Rep. Will Smith of Beaumont chairman of a new committee to study operations of Texas' Examining and Licensing Boards.

Objects of their research will be the 23 State examining and licensing boards organized for the purpose of testing every prospective practitioner of plumbing, law, cosmetology, medicine, barbering or hairdressing and 18 other professions and trades in Texas.

TEXTBOOKS PUBLICIZED

State Commissioner of Education J. W. Edgar sent a list of 203 textbooks, offered for adoption by Texas schools, to all county and independent school district superintendents, and recommended that the list be publicized so the public will know it's available.

Textbooks are those which the State Textbook Committee is

studying for the 1963-64 school year. Number sent is sifted down to 82 by October. This approved list then will be turned to the State Board of Education.

Between September 1 and 15, the committee will hear any objections private citizens may have to the books. Last fall, there were plenty of protests.

Major complaint was that the objectors didn't know which books were being considered in time to examine them fully.

STRONG VOICE SILENT

When the Texas Railroad Commission held its monthly hearing to determine the August oil allowable, representatives from the major companies and independents were heard, but the strong voice of Commissioner Gen. Ernest O. Thompson was missing.

As one oilman after the other went up to urge a low eight-day allowable, no member of the Railroad Commission challeng-

ed them. If "the General" had been there, he might have done so, but he was seriously ill in his home in Amarillo.

PROPERTY TAX STILL LOW

The State's Automatic Tax Board kept to the lowest legal minimum when it set the State ad valorem tax rate for next year at 42 cents on each \$100 valuation.

Tax boards have kept the State's property "tax take" down to the minimum for several years now. It was up to 77 cents per \$100 valuation before a 30-cent general revenue tax was abolished in 1951.

Coke and Tom Green counties and the Dallas County Flood Control District are the only exceptions to the new rate. Rate is 30 cents in these three areas.

The 42-cent tax rate will provide 35 cents for free public school purposes; two cents for Confederate and Texas Ranger pensions and the State Building Commission fund; and five cents for the college building fund.

Short Snorts

While many other state departments were recommending increases in the biennial budgets, the General Land Office decided to ask for an \$82,000 cut. Commissioner Jerry Sadler said new electronic accounting equipment could get credit for the proposed cut.

Atty. Gen. Will Wilson collected a \$185,873 judgement from the U. S. government to cover cost of re-routing 3.7 miles of F. M. Road 184 in Coryell County, which the federal government wanted to develop Fort Hood.

Members of the Texas Water Commission and the Water Development Boards have been conferring with the Governor's Water Conservation Committee to map out plans for conservation storage if the Constitutional Amendment on that subject passes in November.

Attorney General's office received three contributions from independent oil operators this week to help defray the cost of directional surveys to locate illegally-deviated wells in East Texas. General Crude Oil Company of Houston donated \$2,500; Goldston Oil Corporation of Houston \$1,000; and Vaughn Petroleum, Inc. of Dallas \$200.

GOD said, "Let there be light: and there was light."
How much is shining on you? Are you just sitting there — oblivious to the needs of your fellow-man — and inactive in your church? Then a cloud is hiding you! Want to be a reflector? Then get out in the open — out where the light can beam upon you. Absorb aplenty of it... enough to purify and light up the dark corners of your soul. Lead your family and others to church. *That is being a reflector of real light... true light.*

RELIGION, PSYCHIATRY
 ANN ARBOR, Mich. (AP) — "The functions of priest and psychiatrist are becoming increasingly similar," Dr. Henry R. Gold, New York Psychiatrist and rabbinic scholar, told a University of Michigan audience. Although neither can take the place of the other, he said, "both occupy a common ground."

BRAINY BELIEVERS HIT MOSCOW (AP) — Deploing the trend, a Soviet publication says that many professional people in Russia are not only baptized Christians but "openly practice" religion. The periodical, Science and Religion, adds regretfully that a university diploma is "no guarantee of the atheism of its owner."

Lions View Film Slides Of Chile

George Warner, local seed company manager and vice president of Texas Certified Seed Producers Association, spoke to members of the Hereford Lions Club at the regular noon meeting on Wednesday, July 18, in the ballroom of the Jim Hill Hotel. He narrated the story of his six-weeks trip last winter by air to South America.

Four men made the trip to Chile as representatives of the Texas Certified Seed Producers Association, who were studying the seed marketing aspects of South America. The Chileans indicated a desire for help with their agricultural problem areas. They showed the visitors their prize developments and accomplishments. The people have used only a fraction of the natural resources and they are not burdened with agricultural commodities.

Warner noted the cleanliness of the country with an emphasis made on the growing of flowers, especially geraniums in all colors, in every yard and business. Santiago and Valparaiso were the cities visited. Four seedsmen from these cities will visit in Texas this coming October.

A seed cleaning plant was visited. The Bank of Chile handles 90 percent of the seed and the Farmers Organization 10 percent. The central valley of Chile, that runs the length of the country between the Andes and the coastal range of mountains, is irrigated from melting snows in the summer. The hillsides are cultivated with the farmers encountering soil of volcanic origin with less silt and clay properties, making erosion problems less serious than in other areas. The dry area of Chile covers one-third of the country.

The architecture of Chile shows the Mediterranean influence. The Pan American highway is the only paved road in Chile and runs the length of the country. Chile is 110 miles wide and 2600 miles long.

Grape vineyards are one of the most profitable crops, with beans and corn grown as the staple foods. Beans are threshed with horses in a very primitive manner. Sunflowers are grown as a crop, making the only edible oil in South America. It is grown in fields and threshed by horses after drying. Holstein cows are the only breed of cattle, serving a dual purpose of both milk and beef. "Today's order for beef for Chileans was killed yesterday", Warner stated.

Slides of a Chilean agriculture experiment station were shown with some grain sorghums growing. The climate as a whole is too cool to grow and mature grain sorghums.

Impressions of the countries was the excessive population south of the Rio Grande being greater than the population of

HART VISITORS
Mr. and Mrs. Willis Hawkins and children of Hart were Friday evening visitors in the home of Mrs. Hawkins' sister, Mr. and Mrs. Cubby Kitchens and family, Hereford.

FORMER RESIDENTS VISIT
Mr. and Mrs. John Olson of Santa Fe, N. M., former residents of Hereford, were in Hereford Monday, July 23, for the funeral services of Paul Mathers. While here they visited with other friends.

the United States and Canada combined. Spanish is the language spoken in all Central and South American countries with the exception of Brazil where Warner felt that there was a definite need for the development of seed business in the shrinking world with its modern complications and transportation.

He discussed the multiplicity of the political parties and their opportunism. The minister of education, a communist, has replaced good teachers ostentatiously and quietly with communists. There is no television but radios are ample. Santiago is a beauty spot showing the old world and European influence. Valparaiso is the major seaport town with all the import and export business and freight handled there. A big river empties into the sea at that point. Palm trees are in abundance and oil refineries are seen. Chilean towns are plagued by earthquakes, sometimes for periods of 30 days in succession. Some of the towns have been rebuilt as many as 3 times.

Ed Skypala, Boss Lion, presided at the meeting, announcing that final preparations for the annual carnival would be made this coming weekend. Lionsesses will prepare a Harvest Festival float. Anyone interested in helping with the preparations are asked to contact Mrs. Ed Skypala. New club rosters were distributed. Guests at the noon meeting were Reuben McGilvary III of Seminole, Bill Gilstrap of Amarillo, Buck Harris and Otho Neely of Waco.

VISITING FROM HART
Mr. and Mrs. D. R. Leonard and family of Hart were in Hereford Friday and Saturday of last week visiting with her sister and family, Mr. and Mrs. Wayland Hukill, Wesley and Paula. Wesley returned home with them to spend a few days and to visit with his grandparents, Mr. and Mrs. L. W. Sullivan and Mr. and Mrs. Paul Hukill, all of Hart.
