City Ponders Request For Leasing Municipal Airport

A special session of Hereford City Commission was set at the regular meeting here Monday as city commissioners heard a proposal from B and O Spray Service for the leasing of Hereford Municipal Airport. The service is owned and operated by Robert Doughman and Olin Parris.

The special session was set to be held on Monday, Oct. 22, at 7:30 p. m. in the office of City Manager Dudley Bayne. Doughman is to appear at this meeting to outline in detail the proposal and services to be offered.

Also to attend the special session are members of the Airport Advisory Board, Morris Easley, Lloyd Sharp and Hilrey Aven.

The proposal, outlined by Bayne at Monday's meeting, calls for leasing of airport facilities including charter service, refueling of aircraft, hanger rental, and the setting up of maintenance facilities. Doughman has proposed to lease the present facilities — hangers, office space, and house — for \$500 a month, according to Bayne.

In making the offer, Doughman pointed out that he had secured the dealership from an aircraft firm for this area. He stated, according to Bayne, that there would be two aircraft available for charter service and flight instruction.

Bayne told commissioners and Airport Advisory Board members that flight instruction under the proposal would be handled by John Walters. Also, an aircraft mechanic is to be hired.

In the discussion of the proposal, advisory board members were asked if they thought leasing of the airport "would further aviation in the community."

They replied that it definitely would. Aven commented that he was "very glad that the proposal had come up." He also stated that "it will be a good step."

Dowell Winner Of Fifth Week Grid Guessing

For the second straight week, it took 19 correct picks to earn the top spot in Hereford football circles.

And W. B. "Bartley" Dowell was on top all by himself as he picked all but one of the winners in the fifth week of the annual Band football contest. His only miss was on McMurry and Trinity as he picked the Indians to beat the Tigers.

But the competition got much stiffer for second and third place honors — and cash — with five entrants hitting 15 games. None of them was able to hit anywhere near the score on the Hereford-Lamesa game and most had to much spread on Baylor-Arkansas and Texas-Oklahoma.

Taking second place was John Willoughby, while his father, I. H. Willoughby, had to be content with third place.

Youth Benefit Most From Deaf Smith's United Fund

Youth of Deaf Smith County are the primary reason for the county-wide United Fund Drive. Thousands of them are served by the agencies which are included in the annual budget.

Workers now are soliciting for the needed \$25,000 that will be used to help support these agencies during 1963.

Of the eight agencies, five are concerned directly with

county youth while the other three work on behalf of both adults and children.

There are literally thousands of youngsters who benefit from United Fund contributions. Take, for example, the participants in Little League, and Pony League baseball programs during the summer, who are active in some phase of Boy Scouts or Campfire Girls, or who take part in one of the programs handled by the Hereford Athletic Club.

The other three also are concerned with youth in some manner. The Red Cross sponsors summer swimming and water safety programs, child care instruction and first aid information throughout the year. The Hereford Council on Alcoholism has as one of its chief aims the dissemination of information about alcohol and alcoholism to junior high and high school students. The Salvation Army helps provide emergency care for indigent individuals and families, thus aiding, at least indirectly, many other children.

Boy Scouts of America provides a wide range of activities and experiences for boys between the ages of 8 and 17. In Deaf Smith County there are five Cub Scout Packs, for boys 8 to 11; seven Boy Scout Troops, for boys 11 to 14; and two Explorer Scout Posts, for boys 15 to 17.

Altogether, there are about 400 boys in the county enrolled in some phase of the Scouting program. Providing guidance and direction are more than 120 registered adult leaders serving in one or more of the many volunteer capacities.

Youth Placed On Probation For Auto Theft

A 16-year-old youth arrested here for car theft was placed on juvenile probation to age 21 in a hearing held Monday in Juvenile Court, Judge H. C. Williams presiding.

The youth is alleged to have taken an automobile belonging to Fredrico Montavo, 33 Ave. E.

According to the Hereford Police Department offense report, Montavo reported that the vehicle had been stolen about 4 p. m. Saturday from the parking lot of a local supermarket. Montavo is an employee of the store and had parked the car in the lot about noon.

Approximately 15 minutes after the report was filed, a police department officer spotted the vehicle and the youth was taken into custody.

It is reported that the youth had tried previously to borrow the automobile from Montavo, but had been refused.

Around Town

Wednesday morning, residents were greeted by San Francisco World Series weather, which the Giants probably wish they had had on Tuesday. The moisture, of course, has halted harvest for a few days; however, it may lay the foundation for a good frost that would mean the rest of the grain could be cut. I understand there was a small strip from about Summerfield generally north to Ford that had some frost Monday night.

Members of the Hereford High School Distributive Education Club started selling ads for their annual D. E. Radio Day Thursday, Oct. 18. Proceeds will be used for various Club projects. Annual Radio Day will be Nov. 12 over KPAN, including a cross-section of Hereford High's various clubs and organizations.

Hereford's Music Study Club will have an open Guest Day meeting at the Educational building of the First Baptist Church on Monday, Oct. 22. The program will start at 2:30 p. m.

Annual flower show of Hereford Garden Club will be held at 8 p. m. Friday, Oct. 19, in the Hereford Community Center. The Club will be marking its Silver Anniversary with the theme "Reflections of Time." The public is invited and there will be no charge for admission. Flower show chairman is Mrs. Lois Retter.

Members of the Whiteface Booster Club this week started pushing registrations for the second annual Punt, Pass and Kick contest for boys 7 through 12. The contest is sponsored locally by Stephens - Hudson Motor Co., where boys and at least one parent, must go to register. Contest will be held here Nov. 3. Members of the booster club will conduct practice sessions.

MOTHER OF FOUR GIRLS

Former Home Ec Teacher New Assistant HD Agent

A phone rings and a woman answers. The voice of a young girl asks whether to use flour or corn starch in a pineapple pie recipe.

After a hasty check in her files, the woman replies with the advice that gelatin would best solve the problem.

On the phone is a young 4-H Club member, and the woman with the friendly advice is Mrs. Jean Beene, new assistant home demonstration agent.

This phone call is typical of those which Mrs. Beene will be answering as a part of her new job as assistant home demonstration agent. Much of her work will be with 4-H Club girls and club leaders.

Mrs. Beene began her job Monday, replacing Mrs. John Henderson, the former Miss Loreta Fowler, as assistant home demonstration agent.

Her main duties on the job will be, aiding the nine girls' 4-H clubs in the county and the 135 girls in these clubs.

"I like young people and I know I am going to like this type of work," Mrs. Beene declared.

"Although I have no past experience in extension service work, I taught school for six years, on both the elementary and high school levels.

Mrs. Beene taught in a Hereford elementary school for two years, and was also home ec-

onomics instructor at Shallowater High School.

But this is not her only experience in working with young girls, for she has four daughters ranging in age from one year old to 14. She is the wife of W. C. Beene, who farms near Summerfield and is also employed as a city mail carrier.

A 1951 honor graduate of Texas Technological College, Mrs. Beene received her Bachelor of Science degree in home economics education. She was also Valedictorian of her graduating class at Shallowater High School.

"I hope to help our 4-H Club members to have happier lives through better knowledge of the home economics field," she commented concerning the goal of her work.

"We will be striving to advance the 4-H Club program in every way possible," she

Stubborn Fire Destroys Shed

A stubborn, wind-whipped blaze in a storage shed at 220 Catalpa completely destroyed the building, its contents, and a chicken coop in a neighboring yard.

The fire broke out in the building about 3 p. m. Cause of the blaze was undetermined, according to Hereford Fire Marshal Clay Angelo.

Even though property damage from the fire was termed "light," Angelo commented that it was a "dangerous fire from the standpoint of high winds."

The fire could easily have gotten out of control and spread to homes in the vicinity, he stated.

It was stated that the fire may have started inside of the building catching its contents ablaze. Stored in the shed were bundles of burlap bags.

Firemen fighting the blaze quickly controlled the fire and began pulling the smoldering bundles of bags apart.

The building belonged to Ernest Guererro.

Four Accidents Continue To Up Property Loss

Four accidents since Saturday noon have continued to up property damage here as the rash of minor accidents has continued. No injuries were, however, reported in any of the collisions.

First of the accidents reported occurred at 403 Blevins at 12:30 p. m. Saturday as Stanley Ray Smith, 23, 403 Blevins was backing a pick-up truck

All-School Play, 'The Silver Whistle,' Ready

"The Old Dog crawled away to die. And hid among the thistles. But joy and youth came back to him.

On the note of a silver whistle." This quote from a poem repeated in "The Silver Whistle" sums up the theme of the all-school play to be presented in the high school auditorium Friday and Saturday at 8 p. m.

But it's not "an old dog" who regains the joy of youth in the play. When Oliver Erwenter declares, "I have such a silver whistle," the stage is set for an evening filled with laughter, a little romance, and even suspense.

"The Silver Whistle" by Robert McEnroe is a three-act comedy based on man's timeless attempt to keep his youth, and the desire to regain it once he has lost it.

Oliver Erwenter, portrayed by Gary Kendrick, supposedly an old man, promises to grant such a gift of youth to the residents of a retirement home. His promise creates small-scale havoc at the home, as the oldsters believe him.

Although his motives are genuine, he is revealed as a fraud. But his attempt to restore youth to the aging inhabitants are successful in a round-about sort of way. Aiding Erwenter in the plot is Emmett, played

by Lewis Barnett. While trying to achieve his first ambition, Erwenter sets his sights on another goal—Miss Tripp, characterized by Helen

30-Day Sentence Given To Youth For Wreck Death

A 19-year-old Latin American was sentenced to 30 days in the County Jail as he entered a plea of guilty to negligent homicide charges in Deaf Smith County Court, Judge H. C. Williams presiding.

Drawing the sentence on charges filed here by the Texas Highway Patrol was Jose Guadalupe Mata.

Mata was involved in the highway crash near Hereford on Tuesday which took the life of an 81-year-old Muleshoe woman, Mrs. Lillie Smith Wimberley.

Mrs. Wimberley died of injuries received in the crash as the vehicle she was riding in and the automobile driven by Mata collided nearly head-on.

The accident occurred about 10:45 a. m. about two miles southwest of Hereford. The Muleshoe woman died at Deaf Smith County Hospital about 2:30 p. m.

Davis, the more youthful and appealing manager of the home.

And then the age-old story of boy-chases-girl becomes a part of the plot. But for Erwenter, the chase becomes quite lengthy.

Meanwhile, back at the search for youth, the older members of the cast have become a bit tipsy, or that is part of them have.

Appearing as the aged inhabitants of the home are John Pavlicek as Mr. Beebe, Shari Jo Carmichael as Mrs. Hamner, Rosiland Rush as Miss Hoadley, Heather Gordon as Mrs. Sampler, Caroline Brumley as Mrs. Gross, and Jay Boynton as Mr. Cherry.

Reverend Watson, portrayed by Jimmy Weathers, appears to caution the characters about evils he suspects. He is backed by Father Shay, played by Gerry Bybee, and the Bishop, enacted by Frank Hergert.

When two neighbors to the home complain, things become so out of hand that a policeman (Clifton Corley) is called in to try to straighten things out. Complaining about the actions of the oldsters are Mrs. Beach (Maura McAndrews) and Mrs. Reddy (LeReece Askew).

A ROMANTIC SCENE from "The Silver Whistle," all-school play which will be presented Friday and Saturday nights in the Hereford High School Auditorium, features Helen Davis as Miss Tripp and Gary Kendrick as Oliver Erwenter. The play not only features the story of the two characters above, but centers around Erwenter's attempt to restore youth to the inhabitants of an old folks' home. Curtain time is 8 p. m. for the two performances of the three-act comedy. (Staff Photo by Wain Miller)

While we don't intend to make any big splash, we'd like to point out that Oct. 14-20 is National Newspaper Week. The Hereford Brand, in order to provide 104 editions per year, employs 12 people fulltime and another four part-time. And that doesn't include our many fine carrier boys. Southwest Offset, Inc., which prints The Brand, has six full-time workers and several others part-time. No matter how you add it up, your local newspaper is a big operation.

West Texas State College alumni will gather on the campus Saturday for traditional Homecoming activities, including receptions, parade, barbecue and, naturally, a football game. Texas Tech Homecoming is slated for Saturday, Oct. 27.

Understand the courthouse crew already has made a bid for a color television, with which to view the World Series next year. They had to be satisfied with glorious black and white this year. Personally, I think the baseball commissioner should be more considerate and have the Series only on Saturday and Sunday afternoons... or maybe at night, so more of us could watch without having to neglect our work and then labor frantically trying to catch up.

Entry blanks are being distributed this week for the Halloween Parade, which will be held at 5 p. m. Wednesday, Oct. 31. Entrants must be grade school or pre-school children.

That lengthy grass-growing season's over. And, at last, I can store for winter my mower. I bought a new one; the ad said "Even your wife can operate it with just one hand." But somehow it didn't work out like I had planned!

In addition to flue-cured and burley, the U. S. Department of Agriculture lists nine other types of tobacco grown in the United States. They are firecured, Southern, Maryland, Kentucky and Tennessee dark air-cured, Virginia sun-cured, cigar filler, Puerto Rican filler, cigar binder, cigar wrapper and miscellaneous domestic.

agreed with Aven's statements as to the value of the airport to the community and the impression made by a well-run operation. Before the discussion on the leasing proposal was heard, Earnest Langley, city attorney, outlined the provisions of a new Federal Aviation Agency order concerning the leasing of airport facilities built with federal funds. It was pointed out by Langley that the order prohibits the granting of exclusive rights to persons leasing facilities built with federal funds for "air navigation and aeronautical activity."

In relating the order to the operation of Hereford Municipal Airport, Langley commented that the order recognized that an airport may be small enough to justify only one operator by the volume of business and the facilities available. The belief was expressed that Hereford airport would justify only one operator since "present facilities are virtually indivisible."

It was also pointed out that previous contracts were not written in violation of the order and that a new lease can be drawn up that will not be in violation of the FAA ruling. The city has operated Hereford Municipal Airport since the lease of Jerry M. Cady was terminated last April. Only refueling and hanger rental service has been provided.

In other business, the City Commission turned down a proposal from Sam Nunnally asking for a lease of grazing rights at the city dump ground. The salary of Police Chief Marshal Padgett was also raised from \$475 a month to \$500 a month in a unanimous vote by commissioners.

Placing of an advertisement in the local newspaper on the constitutional amendment calling for trial de novo was also discussed. Commissioners agreed that the city would pay one-third the cost of such an advertisement in co-operation with other local governmental agencies.

Hodges Funeral Slated Thursday

A native of Hereford, C. L. Hodges, 53, died at 9:10 a. m. Tuesday, Oct. 16, in Deaf Smith County Hospital after a brief illness. Mr. Hodges was born Feb. 13, 1909 in Hereford. He served in the Army Air Corps during World War II and was owner of the Rainbow Drive-In in Hereford.

Survivors include a brother, LeRoy Hodges of St. Louis, Mo., and a sister, Mrs. Inez Norton of Manett, Mo. Services will be held Thursday, Oct. 18, in Gilliland Funeral Home Rose Chapel with the Rev. In addition to the 280 boys who participated last year, there were over 60 men serving as coaches, umpires, groundskeepers, announcers and scorekeepers. That, of course, doesn't include the many mothers who handled the concessions.

Providing baseball for boys 13 and 14 years old is the Pony League summer baseball program. This League includes four teams of 16 players each with plans for expansion in the near future. More than 30 adults are voluntary workers with this program, again not counting the mothers who handle the concession stand. As with Little League, only a portion of the total program cost is paid from United Fund allocations, with the remainder coming from contributions at games.

Agencies which are included in the Deaf Smith County United Fund, and their allocations, include: Pony League, \$1050; Boy Scouts, \$6300; Hereford Athletic Club, \$600; Deaf Smith County Alcohol Information Committee, \$500; Red Cross, \$3833; Campfire Girls, \$2929.50; Salvation Army, \$2600; and Little League, \$1550.

As the truck backed from the drive, the rear collided with the side of the sedan. Damage to the MacWesson sedan was estimated at \$250 while damage to the pick-up was placed at \$35.

A second accident occurring Sunday at 12:58 a. m. caused an estimate \$200 in damages to a 1962 model sedan and \$350 to a second automobile, according to the police department report. The accident happened as a '62 model sedan, driven by Martha Lea Hudson, 15, 600 Star, collided almost head on with a second vehicle parked on the east side of the street in the 100 Block of Ave. G.

Miss Hudson had just turned the corner at Ave. G and Union and was headed north on the wrong side of the street at the time of the accident, according to the investigation report.

In still a third accident, heavy damage — estimated at \$750 — was done to a 1961 model sedan as it and a 1955 model truck collided at the intersection of 13th and Star Streets about 7 a. m. Monday. The automobile was being driven by Howard Carlton Brown, 46, 413 Star. Driver of

Summerfield Club Meets Thursday

Summerfield Study Club met Thursday, Oct. 11, in the home of Mrs. Earl Lance with Mrs. R. E. Lance serving as co-hostess.

Mrs. Mack Noland, president, appointed the following to serve as a nominating committee: Mrs. J. R. Euler, Mrs. Lee Curry and Mrs. Earl Lance.

Mrs. J. B. Noland, yearbook chairman, presented copies of the yearbook and explained parts of it.

She explained that some projects of the club include contributions to the Latin - American Scholarship, a penny art fund, musical penny fund, Federation headquarters maintenance aid, headquarters endowment, collecting used clothing for the Hereford Labor Camp, contribution to the Deaf Smith County library, donate to the Guadalupe Maternity Clinic, donate to the Boys Ranch Christmas Fund and improving community grounds.

As part of the course of study on Americanism in Orbit, Mrs. W. C. Beene spoke on "Americanism Versus Communism." She quoted from Masters of Deceit by J. Edgar Hoover and Profile of Communism by Marsha Dector. "Communists contend they are in a fight to the finish with capitalism," Mrs. Beene pointed out. "They are dedicated to the death in this fight and believe the end justifies the means. Resistance, they would have us feel, is impossible.

"But now we can have a fuller knowledge of Communism, learn to understand it, how to oppose it and thus enable our freedom to prevail throughout the world. Today is the day for action," she concluded.

Those present were: Mesdames W. C. Beene, R. J. Smith, Ray Johnson, J. C. Clearman, Mack Noland, J. B. Noland, R. B. Baker, L. H. Lookingbill, Lee Curry, Guy Walsler, and the hostesses, Mrs. Earl Lance and Mrs. R. E. Lance.

Next meeting of the Club will be in the home of Mrs. J. R. Euler.

A QUIET MEAL in the patio of an old folks' home is not quite so quiet in this hilarious scene from "The Silver Whistle". The comedy will be presented Friday and Saturday nights in the high school auditorium. Curtain rises at 8 p. m. on the three-act comedy which features a cast of high school dramatists. In the above scene are, beginning at lower left and going around the table: Caroline Brumley as Mrs. Gross, Shari Jo Carmichael as Mrs. Hamner, Jay Boynton as Mr. Cherry, Helen Davis as Miss Tripp, Jimmy Weathers as Reverend Watson, Gary Kendrick as Oliver Erwerter, Heather Gordon as Mrs. Sampler, John Pavlicek as Mr. Beebe, and Rosiland Rush as Miss Hoadley. COURAGE VS. INFLUENCE

Do you want a man with the courage to speak up for you in Congress... or do you want a man who has publicly admitted he fears to speak up on the floor of the House because of the influence he might lose? Jack Seale will not yield to New Frontier pressures... He has the courage to speak up FOR a sensible farm program... FOR a firm foreign policy... FOR a balanced budget and a sound dollar... and FOR election law reforms.

Gerry Bybee Earns Honors In Merit Test

Gerry Bybee, a senior at Hereford High School, has been honored for his high performance on the National Merit Scholarship Qualifying Test given last spring.

Bybee ranked within the top two per cent of the high school students throughout the nation taking the test, and the score which he made on the test may be used by him as a basis for application for college scholarships.

Numerous scholarship awards are made from the resources of the National Merit Scholarship Corporation and through sponsoring business corporations, foundations, unions, and individuals.

John M. Stalnaker, president of the National Merit Scholarship Corporation, pointed out in a release announcing Bybee's score: "About 28,700 students throughout the country are being awarded Letters of Commendation in recognition of their excellent performance on the qualifying test."

"Although they did not reach the status of Semifinalists in the current Merit Scholarship program, they are so capable that we wish to call attention in this way to their achievement and academic promise."

C of C SCOUT 'Deaf' Smith Says

TO: The Spirit Of General Sam Houston FROM: The Spirit Of Erastus "Deaf" Smith SUBJECT: A Look Into Some Needs Of The Future

With the obvious growth of Hereford, Sam, I sat down the other evening with the purpose of dreaming up visions of future, and some immediate needs for the area. Many of these may already be on the planning board of city, county and school officials and may not be original at all but I just wanted to set them down.

the northwestern section of the city. The high school will serve the needs for some years but eventually a second high school will be needed. And a Junior college will fill a very definite need for further education and training particularly in vocational skills.

I see new businesses coming to Hereford to meet the needs for certain services that are not now available. I see a moving and storage firm, a book store, a taxi service, and more of many businesses and services that we already have. I see the area around the court house developing into a business block.

The airport will be humming with greatly increased business flying and I see helicopter service feeding the airlines in Amarillo from the Municipal airport which will not be near as far out in the country as it is now.

Bippus HD Club Discusses Care Of Heavy Clothes

Bippus Home Demonstration Club met Oct. 10 at the Bippus Community House with Mrs. J. G. Fortenberry, president, presiding.

Pressing winter clothes was the program for the meeting. Mrs. C. F. Homfeld demonstrated pressing a pleated skirt giving a sure and easy way to do it. She also demonstrated how to iron a Western shirt. Pros and cons were discussed of a self-cleaner.

Mrs. Jim Bradley entertained the group with a game and Mrs. Elmo Hall read "What Men Really Think of Women's Clothes."

Mrs. Corrine Neely will give the program at the next meeting on "Unconsciousness."

Refreshments were served to the following: Mesdames J. G. Fortenberry, C. F. Homfeld, Elmo Hall, Charlie Burk, G. V. Hall and Miss Christine Fortenberry. Two guests, Mrs. Phillip Miller and Mrs. John Hill, were present.

Funeral Is Held For Mr. Conklin

Funeral services for Clarence L. Conklin were held Monday morning in Saint Anthony's Catholic Church. Mr. Conklin died Friday of a heart attack.

A resident of the Hereford area since 1912, Mr. Conklin was 69. He was born Dec. 15, 1892 in Iowa, and was a painter. He lived at 505 1/2 Union with his wife Edith.

A member of the Catholic Church, his burial was in Saint Anthony's Catholic Church Cemetery. Arrangements were under the direction of Gilliland Funeral Home.

Survivors include his wife; two sons, LeRoy of Amarillo, and Tom of Edmond, Okla.; five daughters, Mrs. Mienard Koelzer of Hereford, Mrs. George Paetzold of Abiquiu, N. M., Mrs. Alton Monroe of Cabool, Mo., Mrs. L. E. Haarmeyer of Lovington, N. M., and Miss Ida May Conklin of Hereford; two brothers, Lee of Amarillo, and Arch of Fort Smith, Ark.; one sister, Mrs. John Ely of Texarkana, Ark.; 13 grandchildren, and 4 great-grandchildren.

Herd's Win Is Termed 'Upset'

FOOTBALL ROYALTY was crowned during the annual Homecoming Pep Rally held Friday morning in Whiteface Gym. Miss Lynn Sowell, center, was crowned 1962 Football Queen, while Judy Kreigshauser, left, and Royce Ann Gilliland, right were honored as attendants. Doing the honors were football captains (from the left) Charles Kelly, Bill Steele, David Dowell, and Arnold Powell. (Brand Staff Photo)

Crown Football Royalty During Homecoming Rally

Friday, Oct. 12, started off as any other day of the week. Students were all in their rooms, but if you looked close you could tell that something exciting was "brewing."

Sure enough — at 10:45 a. m. the bell rang and students went everywhere. As it finally got quiet, it was announced that Hereford High was going to have a snake dance and Homecoming Pep Rally. Then everyone started chanting: "Beat Lamesa, Beat Lamesa, beat 'em black and blue!" and the snake dance was off, and headed for the Pep Rally.

At the pep rally, much spirit and enthusiasm was shown. Then over the loud speaker, one of the cheerleaders started announcing the Football Queen attendants.

As everyone turned to their left, they saw Judy Kreigshauser, escorted by Co-Captain Charles Kelly. Following them were Royce Ann Gilliland, escorted by Co-Captain Arnold Powell. Then everything was very quiet as the 1962-1963 Football Queen, Lynn Sowell, escorted by Co-Captains Bill Steele and David Dowell, made her way through the arch of flowers to receive a bouquet of beautiful red roses and a kiss from Bill Steele. The cheerleaders introduced the football boys and coaches who in turn introduced their mothers and wives. For good luck, the cheerleaders presented to each football player a four-leaf clover with a "1962 penny" in the center.

All in all, many comments were made as to the pep rally being one of the best ever.

The following was heard on a Lubbock radio station last Friday night, Oct. 12. "And listen to this, fans," said the announcer, "Hereford - 27 and Lamesa - 14. Yes, fans, you heard right. It was 27 - 14 in favor of Hereford."

In what has been tabbed the top schoolboy football upset thus far this season, the fighting Whitefaces romped over the Lamesa Golden Tornadoes. The Tors were previously rated seventh in state and were 30-point favorites over the Herd.

Big Jim Haney led the Herd as he scored two touchdowns and delighted Hereford fans with his hard running. Several times Lamesa defenders seemed to have Haney stopped, then found themselves clutching thin air as he spun away to gain still more yardage.

Arnold Powell, hobbled with a leg injury, was played sparingly; however, he ran several times for good yardage. He scored one T. D. on a one-yard plunge and had another called back because of a penalty.

Sophomore quarterback Frank Cain scored the other touchdown for the Herd on a one yard keeper play.

Powell opened the scoring in the first quarter with the one yard plunge. The 56-yard drive was highlighted by (Continued on page two)

AN EDITORIAL

Influence Of Leaders May Be Strong, Wrong

By LINDA HIGGINS
WHITEFACE EDITOR

If you were asked, "Do you feel you are an individualist?" you would probably say "yes." But are you really? Can any one person be an individualist in this day and time where all phases of life we are linked with people.

Have you ever noticed that if someone in one of your classes is in a good mood, how the feeling radiated by this person can influence your whole day or minimize your troubles.

In pep rallies and assemblies the same principle is true. The action of one or several people can cause a chain reaction of mass school spirit or one of confusion and disorder.

Often people who are shy, quiet, and who do not relate their feelings freely are found shouting their views on a subject when a group rallies.

Who are the people who influence others so greatly? They are referred to as leaders. But, of course, there are good and bad leaders. It is the responsibility of a leader to have enough presence of mind to be able to manage, control, and think for a crowd.

Yet, if the group is in the hands of a bad leader, one who may be using the group to get revenge or to obtain personal satisfaction, it is then the responsibility of you as an individual to seek out your true feeling and to realize the feelings around you.

Stop long enough to take a good look before you leap into the sanctuary of a mob, where one person can lead you to destruction as one sheep leads a flock over a cliff.

Key Club Plans Projects, Hears Report On Meet

Tuesday, Oct. 9, during home-room period, Key Club met to discuss the District Convention which is to be held in San Antonio, April 19-20.

Members voted to secure an old car to be placed on the school grounds and to let anyone hit it for a dime. This is done to boost school spirit and to raise money for the club.

The club will also help to decorate the goal posts for the football games and usher at the games.

Nine boys and three sponsors attended the Spring Training Conference in Borger, Sunday, Oct. 30, and reported on the trip during the meeting.

IT'S JUST NOT TWO TEAMS AND A BALL

Football Coaches 'Scout' Teams

BY BILLIE WOOLBRIGHT
Whiteface Reporter

Many people have the impression that football is only a kid's game consisting of two teams and a ball.

They do not fully realize the extensive training, coaching, and scouting that is the basis of every game.

The football team does not, contrary to public opinion, just journey to other towns in the area and proceed to play the game. Before one team ever encounters another in active competition, a coach is sent to "scout" the opposition.

Hereford High School has nine coaches, all of which are capable of scouting a football team. Each week these coaches travel throughout the Panhandle and scout the teams that the Whitefaces will be playing later on in the season.

While the Whiteface coaches are scouting their future opponents, coaches of other teams are scouting the Whitefaces as they play.

The first thing that a coach watches when scouting a football team is the offensive and defensive sets. Extreme attention is paid to each, both being of equal importance.

By studying the opposition's offense, a coach can better plan his own team's defense. He watches all the moves of (Continued on page two)

Assistant Band Director Leads Busy Life Of Band

"Hereford High School's Big Domino Band is fairly good and has basic high potential," states Clyde Wilson, assistant high school band director.

"Eventually it will be a great band," he declares. Mr. Wilson, originally from Midland, is attending West Texas State College, where he is a senior majoring in music education.

He has been drum major of the Buffalo Band for two years, is in Kappa Kappa Psi, Phi Mu Alpha, and has been in band a total of 12 years.

Along with being assistant band director of HHS, he is the junior high director. Mr. Wilson has worked in Hereford three years, two of which he taught private lessons and did practice teaching.

Duties of assistant band director are: attend all practices, help rehearse the band drills, assist in private instruction to band members, and be in charge during the absence of the director.

One of Mr. Wilson's most unusual experiences was an incident that happened in grade school. He was a rather energetic child that usually got rid of some of the energy in the classroom. The teacher tried everything to stop this mischievous boy, but was not successful — which caused her to get fired.

Mr. Wilson's pastime is playing golf and his pet peeve

is people that eat a lot. The best advice he would give is "Never think you have anything won before it is done because then is when you have lost it."

A Sea Of Golden Beauty

(Editor's Note: The following is an original essay written as an assignment for Mrs. Helman's English IV class. Because of its originality and theme, the Whiteface publishes this essay by Dick Plank.)

By Dick Plank

Gently sliding came the pink and rosy glow of the early morning sun, up from behind my sea of gently blowing wheat. At noon it was lashed into fury by the southwest wind, only to quiet at night into deathly stillness under the star-spangled heavens of a Panhandle night.

My sea is at first green and rolling in the early spring, and then becomes golden waves as the time draws near for the mighty ships — combines — to cross its golden wastes leaving their backwash of golden straw.

As the wind ripples the surface of my prairie sea, it brings a sickness to some like the sickness of the sea, but to me it brings a glory, a satisfaction great and deep, that I had a small part in this great creation.

As I turned the earth in preparation for this crop, it had all the appearance of brown wave upon wave. When seeded, it was not long to see the gently tinge of green that spread across my plain; then gently lapping came the soft green waves, first at my shoe tops, then at my knee, rising higher, higher until waist high; creeping up until I stood breast deep in my sea, my golden sea, closer to God, closer to man, knowing that life is but a short span, like my sea.

PILING THE FOOD HIGH, these guests at the senior class chili supper Friday night in the high school cafeteria had lots of food from which to choose. In line are, from the left, B. F. Cain, Cieta Kay Rutter, Mrs. G. S. Rutter, and G. S. Rutter. The senior class chili supper was the first of the class projects for the annual queen race which is currently underway. Arrival Of New '63 Class Rings Excites Seniors

By Whiteface Staff

Seniors have been unusually excited and happy. The reason for this is probably due to the fact that they were told in assembly Wednesday Oct. 10 that senior rings were in.

There are three different sizes of rings this year. They are the standard size, boy's ring, the standard size girl's ring, and the miniature size which the girls seem to prefer.

VOTE BILL CLAYTON---YOUR VOICE IN STATE GOVERNMENT

FOR STATE REPRESENTATIVE, 91ST DISTRICT

Janice Haggans, Ronnie Duncan, J. Carter, Linda Tooley, and Gloria Covington. Ike Persons, Linda Martin, Joe Coffman, Francine Brown, and Judy Wiman were also candidates. Martha Wiltshire, Heath e r Gordon, Frank Hergert, Larry Hair, and Linda Hewitt were the candidates from the senior class.

Membership in this chapter is based on scholarship, service, leadership, and character. Candidates must have been enrolled in H.S.S. at least one semester and be a member of the junior or senior class. Each candidate considered must maintain a "B - Plus" average.

Famed golfer Bobby Jones retired from active competition in 1930 at the age of 28 - but he had been golfing for 19 years.

HERE I COME shouts Hereford's Charles Kelly as he begins a 42-yard run after intercepting a pass in the end zone. Pictured shortly after he snatched a pass from the intended Lamesa Tornado receiver in the background, Kelly streaked 42 yards finally being knocked out of bounds. It was the first of three pass interceptions for the Herd as the Whitefaces won over Lamesa, 27-14, here Friday.

Terrell Hodges Does Practice Teaching Here

By Whiteface Staff

Mr. Terrell Hodges was a graduate of Muleshoe High School before attending West Texas State College. He is presently doing his student teaching in Bookkeeping I and Typing I under Miss Janice Boren and Mr. Joe Smith at Hereford High School.

For a short period the student teacher will observe. Then he will teach the class himself. The period of student teaching will last for nine weeks.

Mr. Hodges commented that he decided to become a teacher after he had entered college. He is majoring in business education. He will graduate from West Texas State College, Jan. 20, 1963, with a Bachelor of Business Administration Degree. At the present time he is undecided about what he will do after graduation.

Mr. Hodges is married to the former Miss Shirley Carthel, a Hereford girl. His sister, Sandra Hodges, is a 1961 graduate of Hereford High School.

After voting on chapter parents, the members elected a committee for new ideas. Chairman of this committee is Louise Axe with Audri Miller, Janis Higgins, and Doris Jean Andrews working with her.

The meeting adjourned after Cynthia Seed, recording secretary of Royal Rose, and Linda London, recording secretary of Chapter I, passed out membership cards to the members.

Importance Of Highways Told At Lone Star

On Tuesday, Oct. 8, the Lone Star Study Club met at the Hereford Community Center, with Mrs. Jim Higgins and Mrs. Virgil Dodson serving as hostesses.

The Club Collect was repeated in unison to open the meeting. The president, Mrs. Coy Phillips, guided a short business meeting, which included announcement of plans for a supper and "42" party for members' husbands on Tuesday, Oct. 23.

Mrs. Louie LeGrand read a poem in keeping with the autumn season.

Jimmie Allred spoke to the club on the importance of highways through Hereford and of future highway development. He illustrated his talk with color slides on the subject "Down the Road from Where You Live".

Present were: Mesdames R. G. Blue, A. T. Frye, Vivian Majors; Louie LeGrand, Joe Kendall, John Jacobsen Jr., C. D. Kelton, S. S. Williams, Robert Thompson, Homer Henslee, Earl Springer, G. W. Newsom, L. L. Chisum, Jim Higgins, Virgil Dodson, Ray Suit, J. J. Durham, Baker Womble, and one guest, Mrs. Roberts.

Air was filtered into the "white room" where the Telstar satellite was assembled. Before entering, workers vacuumed their shoes and put on lint-free nylon caps and gowns. Engineers used washable crayon instead of chalk on blackboards. Cleanliness was essential for one smudgy fingerprint on a vital part could have shortened Telstar's life.

Herd...

Powell's 24 yard scamper. As in past games the Herd could not score the extra points. Austin Hodges' pass attempt after the fake kick was knocked down.

(The Whitefaces have scored only three times after touchdowns. They have scored 12 T. D.'s.)

The Tors immediately fought back with a 53 - yard drive. The Whitefaces gave them 30 of these yards on two penalties. With 2:22 left in the first quarter the Tors scored and grabbed a 7 - 6 lead as they made good the try for point after - touchdown.

Midway in the second quarter the Herd scored again on a 22 yard run by Haney. The drive started on the Lamesa 34 yard line after a short 23 yard punt. Again the try for extra points failed.

Lamesa took the kickoff and began to roll. They drove to the Hereford seven before Charles Kelly, appearing in his first game this year, intercepted a pass on the goal line and ran to the Whiteface 42 yard line.

The Herd went the remaining distance in five plays as Cain scored from the one. This quick drive was kept alive by a 20 yard run by Haney and a 22 yard pass from Cain to Kelly. Once again, The Whitefaces did not score the extra points.

The half ended with the score 18 - 7 in favor of the Whitefaces.

In the second half Lamesa drove deep into Whiteface territory before Austin Hodges picked off a wayward aerial inside the ten. The Whitefaces ran two plays before pulling off the surprise play of the night. With third down and seven to go the left-footed Powell took a Cain pitchout and quick - kicked 60 yards to the Lamesa 17 yard line.

After two incomplete passes linebacker Bill Steele picked off a Lamesa pass and returned it to the Tornado 22 yard line. The Herd took five plays to score. Haney scored from the one. He set up the T. D. with a 14 yard blast. Finally, Bill Steele kicked the P.A.T. as the Herd went ahead 25 - 7.

Lamesa quarterback Sherrill Kid threw a pass to wingback Billy Lawson which was good for 35 yards and another T. D. The kick was good to make the score 25 - 14.

Bill Steele took the onside kick on the 42 yard line and then punted 46 yards. The Herd could not move the ball. Arnold Powell and David Dowell stopped the receiver on the Lamesa six yard line.

From here quarterback Harry Berry faded back to pass and was hit by end Mike Ferguson and John Kovacs behind the goal line for a safety. This wrapped up the scoring for the night with Hereford leading 27-14.

Haney, Powell, and Kelly were outstanding in the game but one must also recognize others such as Jim Higgins, who started his first game for the Herd as defensive cornerback and did a fine job. Frank Cain looked better than ever as he directed the Whitefaces for the third time.

Others to be commended for a job well done are Ronnie Duncan, Austin Hodges, David

the team, and observes as best he can how they pass and what plays they use.

During the following week, he will drill his defensive set on new plays that will block the opposing team's offense. The same rule applies for his offense. The coach will notice very carefully the other team's methods of defense. He will observe how they block, and the weaknesses of their line, if any. He will also take into consideration their strongest points, and will plan his own offensive movements accordingly.

For the following week he will map out plays for his offensive set, so that plays will be centered on the other team's weakest points, and will try to skirt the competitor's strongest points.

Coaches pay very close attention to the capabilities of each individual on the football team. They watch for the things that each boy can, or cannot, do well. Some of the individual qualities that they look for include passing, tackling, accuracy, fumbling, and speed.

Coaches look for many other "little things" that many spectators never notice. Some of these things are any peculiar steps or punt formations. These seemingly unimportant steps are very valuable pieces of information to the coaches.

No two teams play exactly the same way, nor use all of the same attacks. After scouting a football game, the coach has a more basic knowledge of how strong his opposition will be.

Through this knowledge of the other team, the coach can better prepare his own team for the game.

Dowell, Mike Ferguson, Eugene Green, Bill Steele, Neal Lueb, Dick Rogers, Eddie Johnson, John Kovacs, and J. Carter.

about the rings would think that these are the first senior rings anyone had ever received.

Rings are elegantly sculptured this year with the head of a bull on one side and the words "Diligence", "Citizenship", and "Integrity" on the other. The red stone is surrounded by the lettering "Hereford High School". Naturally, the year "1963" is engraved on the ring also.

If there is such a tradition as seniors being proud of

their class rings, this class of graduates has upheld it to the limit.

STUDENT LEADER Lynton Allred, left, of Hereford heads the list of officers for the freshman class of 1962-63 at Mardin-Simmons University. He was elected president by popular ballot following a brief campaign opening the fall semester. Other class officers include Sue Jennings of Forth Worth, secretary, and Eddie Hadlock of Sierra Vista, Ariz., vice president. Lynton is the son of Mr. and Mrs. Jimmie Allred, 129 Avenue D. Hereford.

Plank Describes First Stage Of IFYE Travel

Pete Plank of Hereford, an International Farm Youth Exchange student to Uruguay, wrote his first impressions last week while on the plane from Miami to Lima, Peru. Parts of the letter to his parents, Mr. and Mrs. Earl Plank, and his brother, Dick, are quoted: "Well, we had our first taste of Latin - American ways. The plane left Miami an hour late. However, it was one of the best flights and the smoothest that I have ever made. We arrived at Panama City International Airport at 5:30 a. m. Boy, was it hot. We were sweating in shirt sleeves and the sun was just coming up.

Local Accidents Injure Twelve In September

The Highway Patrol investigated 12 rural accidents in Deaf Smith County during the month according to Sergeant W. E. Wells, Patrol Supervisor of this area. These wrecks accounted for two persons injured and an estimated property damage of \$4,448.00.

The rural accident summary for Deaf Smith County from January through September of 1962 shows a total of 63 crashes. As a result of these crashes there were 4 persons killed and 34 persons injured. The estimated property damage amounted to \$34,12.00.

"Accidents Go Up When the Sun Goes Down" is a slogan so true. Darkness hides danger, giving the driver a false sense of security, commented Wells. That is the reason traffic accidents increase during Octobers' shorter day and longnights.

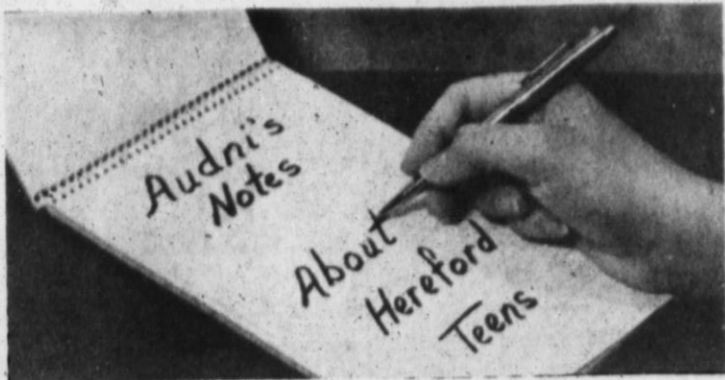

National statistics show that the traffic death rate at night is three times the daylight rate and more than half of all accidents occur after sundown, despite reduction in the volume of traffic, he continued. At sundown, long shadows and fading light make it increasingly difficult for drivers to spot traffic hazards and stop

All hail, good people! And the top of the week to you! More news about college students who are "making good": Sharon Hill has been elected secretary of the freshman class at Texas Lutheran College in Seguin, as well as being chosen treasurer of her homemaking club!

Down at Texas Tech, Joyce West has been chosen as a member of the select Angel Flight drill team. This team is under the auspices of the Air Force ROTC; members are selected on the basis of several qualities, among them, poise and personality. Joyce was one of 18 girls chosen from a group of 125 applicants. Well done, Sharon and Joyce!

Club Studies Romanticism, Plans Guest Day

Mrs. J. T. Glibreath was hostess to a meeting of the Hereford Music Study Club on Monday, Oct. 8, at 2:30 p. m.

Mrs. J. R. Allison was leader of the program on "Romanticism of Schubert, Schuman, Chopin and Liszt", which was conducted after the meeting opened with the singing of the National Anthem.

"The Erl-King" by Schubert was sung by Mrs. W. T. Carmichael, Mrs. R. P. Conaway, Mrs. R. C. Godwin, Mrs. Dale Young, Mrs. Cliff Estes and Mrs. W. E. Dameron, accompanied by Mrs. J. C. McCracken.

Mrs. W. T. Carmichael sang "Hedge-Rose" and "On the Waters", both by Schubert, accompanied by Mrs. McCracken. Mrs. Ellis Coombes, president, presided at the business meeting. Mrs. Dale Young was named delegate and Mrs. Bill Lankford as alternate to the District Music Club Convention in Borger on Thursday and Friday, Oct. 11 and 12. It was announced the Ensemble Group would present two numbers on the Fine Arts Program.

Annual Guest Day program of the Club will be held on Monday, Oct. 22, at 2:30 p. m. in the First Baptist Church educational building. The public is invited to attend the meeting.

Those attending were: Mesdames J. R. Allison, Bill Bradley, W. T. Carmichael, S. F. Clements, Ellis Coombes, B. Y. Crosthwait, W. E. Dameron, Cliff Estes, R. C. Godwin, Bill Lankford, J. C. McCracken, C. J. Mounitz, Frances Parker, J. W. Robinson, Lowell Sharp, W. T. Thompson, Dale Young, R. P. Conaway, J. T. Glibreath, S. O. Wilson, J. P. Slaton and Miss Frances Dameron.

N. M., and Liberal, Kan. The Sweet Adelines of Hereford hosted the Amarillo group Tuesday, Oct. 16, at 7:30 p. m. in the First National Bank community room.

Astronomers believe that white dwarf stars once were larger than the sun. Now many of them are smaller than the earth.

and drama workshop in Canyon last Saturday were Cheryl Parker, Brenda Shelton, LaReece Askew, Kaki Barnard, Heather Gordon, Helen Davis, Betty Mae Scott, Billy Brown, and yours truly. The group, chaperoned by James Hinkley, graduate of WT, attended sessions dealing with stage make-up techniques, set construction and design, costuming, and publicity. Erin Wertenberger, Ken Betzen, and Lee Blocker of Hereford were among WT students assisting with the workshop. Students were special guests at the matinee performance of "The Gazebo" in the Branding Iron Theatre on Saturday afternoon.

Just in case you failed to notice - senior rings arrived last Wednesday!! Although all rings are alike, each HHS senior seems to believe that his is somehow very very special - after waiting 11 years to possess one, - who

wouldn't? FHA chapters of Hereford High School and Stanton Junior High were presented a quite informative program in Stanton's auditorium on Monday night, Oct. 8. Sergeant Bill Wells and Safety patrolman Cecil McNeill, both of the Texas Highway Patrol, presented a film demonstrating surprisingly shocking results of research conducted on traffic accidents which happen at speeds of 20-30 m.p.h. A question and answer session followed the film.

Committees have been appointed by the Community Center Student Council in regard to dances sponsored at the Center. Serving on the sophomore committee are Barbara Langley, Frank Cain, Beth Ballard, and Gary Stagner. Representing the juniors are Royce Ann Gilliland, Janis Hagans, Judy Wilman, and Kaki Barnard. The senior committee consists of Charles Mims, Dick Combs, Jerre Bea Noland, and Shari Jo Carmichael. These students are responsible for furnishing chaperones, decorations, and refreshments for each dance.

Last week was a big week at Hereford High School - it was Homecoming Week! The rousin' good bonfire on Thursday night was followed by an equally good pep rally in the gymnasium on Friday morning. During pep rally the sophomores were presented a citation for collecting the greatest

amount of wood for the bonfire (Sharon Tinnin, sophomore, vice-president, received the award for the class), and mothers of the football boys were introduced to the student body, while the coaches introduced their wives and children. All in all, it was about the "loudest" pep rally heard this year!

Oh, yes - let's not forget to mention the crowning of the 1962 football queen, Miss Lynn Sowell, and her attendants, Misses Royce Ann Gilliland and Judy Kreighshauer. Congratulations, girls! You were beautiful!

Then, on Friday night, the biggest thing ever - the mighty Herd "trounced" Lamesa!!! It was a perfect climax to end Hereford High's 1962 Homecoming festivities. Still another trip - the mixed choir and the girls' choir journeyed to Portales, N. M., last Saturday to attend a choir clinic conducted at Eastern New Mexico University. The group departed Hereford at 7:30 a. m. and after singing in a group of 1,100 students and the mixed choir's presentation of a number (with a solo by Carolyn Watkins), the HHS singers returned to Hereford at approximately 12:30 a. m. Sunday. Incidentally, choir members sang such songs as "Wine, Wine, Wine" all the way to Portales and back - by all means, don't let any of that talent go to waste, there!

While chatting with the one and only Mrs. Cave, I discovered that there will be a record dance for all junior high students this Friday night at the Community Center. Admission will be 25 cents. So, here's sending the good word to all you members of the junior high set to come on out Friday night - and DANCE!

Then, for high schoolers: Just for you there will be a record dance at the Center on Saturday night - why not put in an appearance and enjoy the

beat? Okay? Okay. Now, as Shakespeare's Mercutio says, this column "is not so deep as a well, nor so wide as a church door; but... 'twill serve."

'Twill have to serve - 'tis all the news! Farewell.

every hour

... should be everybody's theme song. Time is a graph or chart which measures what we are. We have no time to kill. "Whatever thy hand findeth to do, do it with thy might," Eccles. 9:10. Constantly strive to be a better father, mother, husband, wife, son, daughter... a better church member. There is always a friend or neighbor less fortunate than you. "He that knoweth to do good and doeth it not, to him it is sin. James 4:17. If you have had a kindness shown, pass it on; 'twas not meant for you alone... pass it on.

ABOVE ALL, "every hour" is God's gift. Wasting time is wasting God's Bounty. Keep on killing time and time will kill you. "Every man must give an account of himself to God," Romans 14:12. Spend your spare time at home, at Church or on errands of mercy... "I Need Thee Every Hour."

Connally Amendment Acts To Safeguard Constitution

TO THE PEOPLE OF THE 18TH DISTRICT:

In recent weeks I have been asked many questions about the "Connally Amendment" and its exact provisions. Because this subject is so vital to the preservation of our national sovereignty, I am reprinting here-with a newsletter I originally wrote on March 12, 1961.

Just over a year ago, and on Feb. 21, 1961, I wrote you concerning the "Connally Amendment." In that newsletter I paid tribute to the greatness of Tom Connally, the former United States Senator from the State of Texas. No tribute was more justly deserved.

Tom Connally deserves splendid tribute from all Americans for the outstanding contributions he made in public service. Surely there are those who did not like Tom Connally, as is the case with all human beings, but even those must admit that the mark he left by the Connally Amendment is an all-American mark and a mark of distinction.

His agile mind and quick tongue made him a much-fearing foe in debate on the Senate floor. He is reputed to have told one vociferous opponent the following: "If the gentleman would approach these problems with an open mind instead of an open mouth, he would be much more effective."

When asked last year for his opinion on the move to repeal the Connally Amendment, he branded the move as a propaganda device designed to "win an international popularity contest." This rather effectively summed up the situation, in my opinion.

For the benefit of those who have heard of the "Connally Amendment" but who have not had the opportunity of studying it, may I say that it consists of six words, which are "as determined by the United States." These words are attached to a portion of the United States Declaration of Acceptance of the World Court jurisdiction, and I quote:

"This declaration shall not apply to . . . (b) Disputes with regard to matters which are essentially within the domestic jurisdiction of the United States of America as determined by the United States."

That portion underlined is the Connally reservation, or amendment, whichever you prefer to call it. You can readily see the effect of this amendment.

The particular paragraph above quoted, without the Connally Amendment, would

have left jurisdictional determination to the World Court. The World Court consists of fifteen judges elected by the General Assembly and the Security Council of the United Nations for nine-year terms. Its headquarters are at The Hague.

On Jan. 27, 1960, the fifteen members or judges of the World Court came from the following countries: one from the United States, one from Great Britain, and one from Australia. The others were citizens of the United Arab Republic, Nationalist China, Greece, Poland, France, Mexico, Panama, Argentina, Uruguay, Norway, Pakistan, and Soviet Russia.

It is interesting to note that only three of the judges are from Moslem countries, two from Communist countries, one Chinese, and one each from Greece, Norway and France.

Tri-Hi-Y Girls Sell Chocolate

By Whiteface Staff

Tri-Hi-Y had its regular meeting in the library during home-room period on Tuesday, Oct. 9. Penny Johnson was elected pianist and Ruth Ann Allison was named song leader.

After the election of these two officers, other club officers were introduced. A sing-song closed the meeting.

During the past week Tri-Hi-Y girls have been busy selling boxes of chocolate covered mints. Profits from the sale of this candy go to the Y.M.C.A. and also to help carry out the club's projects for the year.

New members of Tri-Hi-Y were recently brought into the club with an informal initiation. Formal initiation will be held Thursday, Nov. 8, at the First Christian Church beginning at 6:30 p. m.

NAMED CAPTAIN

Steve Slagle of Hereford, a senior at West Texas State College, has been named one of Buffalo basketball team captains for the 1962-63 season.

Hereford High School's Student Handbook was initially prepared in 1956.

The 1963 seniors ordered their senior rings before school was out last year. Previously the seniors had to wait and order them after school started.

In 1951-52, the Hereford High School mascots were Cynthia Seed and George Muse.

to the built-in dangers of such a situation, but since since that amount of space is not available in this newsletter, I think it is sufficient to observe that Americans acquainted with the issue would immediately recognize the inherent dangers of distortion, modification, misinterpretation, and outright abuse of the Bill of Rights and the Constitution which are the protecting armor of the American citizen.

Without the Connally Amendment this armor would have been broken in many places. Its preservation is vital if the sovereignty of the United States is to be maintained.

You might be interested in knowing that since the above was written, judges from Uruguay, Norway, and Pakistan have been replaced by judges from Peru, Italy and Japan. Thus, the geographic and cultural distribution remains relatively unchanged.

Although attempts have been made to repeal the Connally Amendment, these moves have been defeated. I believe the Connally Amendment will, and must, remain an integral part of our law. I shall certainly do everything in my power to preserve this aspect of our national sovereignty, as well as all other aspects.

F. H. A. Views Safety Program

By Whiteface Staff

Royce Ann Gilliland led the opening ceremony of the Future Homemakers of America as the club met Oct. 8 in the Stanton Junior High School Auditorium. Audri Miller then presented Sergeant Bill Wells of the Highway Patrol in Hereford. He presented a program on traffic safety and introduced Sergeant Cecil McNeal of the Amarillo Safety Patrol.

Sergeant McNeal showed a film entitled "Broken Glass", featuring the traffic safety tests made at the University of California.

The gentlemen then concluded their program by a question and answer session. They also passed out literature.

In 1791, the first bank of the United States was chartered by Congress.

Steve and Suzanne Seigler were the train bearers for the Annual Queen Coronation in 1952.
