A 1963 MODEL CAR WAS HEAVILY damaged as it skidded down Harrison Highway about 6:30 p.m. Thursday. The car, driven by Steven Thomas Seigler, 16, of Route 5, received damages totaling \$2,000. The accident occurred as Seigler attempted to pass another vehicle without proper clearance. The automobile skidded down the left side of the road, hit a culvert, and overturned. Gregory Cromer, 16, a passenger with Seigler, was hospitalized. Seigler was ticked for the accident. (Staff Photo)

## Harvest Festival Disbanded; Competition Of Events Cited

### 1963 Grain Sorghum Crop Labeled 'One Of The Best'

Deaf Smith County's 1963 grain sorghum crop is moving closer to harvest. Just a trickle of grain is moving to area elevators as producers cut mainly to test grain sorghum now standing in fields.

None of the grain sorghum crop is absolutely ready to cut, commented an elevator employee here Saturday. A few are trying to cut, he added, but it will be a week or two before harvesting begins in the county.

Prospects for the crops are

good on irrigated and dryland acreage.

Milo, as a whole, looks real good, he commented. Area producers are saying that this year's crop is as good, if not better, than the one a year ago.

Several dryland farmers, he added, are predicting yields ranging from 2000 to 4000 pounds per acre and most, who have planted on dryland, will make a sorghum crop. He pointed out that the grain sorghum crop is one of the best in years.

Commenting on the harvesting of the crop, it was pointed out that milo in the county seems to be in three stages of development.

A portion of the crop was planted early this year with harvesting expected to begin in two to three weeks if weather conditions are favorable.

A second portion of the crop will come in as farmers are finishing up cutting of early varieties with the third portion of the crop to be cut following the first frost.

Representatives of the participating organizations of the Hereford Harvest Festival voted unanimously Friday to disband the Harvest Festival as a combined effort of the various clubs.

Competition for attendance was cited as the reason for dropping the event.

Each organization involved will probably continue their individual projects; however some dates will be changed in order to eliminate the competition for attendance.

It was also the feeling of the group that timing of some events were a problem. It was pointed out that the Jaycee Beauty Pageant should be held earlier in order to qualify the winner for the Miss Texas Pageant.

Riders' Club representatives were not present but had stated earlier that they were considering pulling out of the Harvest Festival and rescheduling their rodeo at a later date, probably late August.

For the past two years, crowds at the annual rodeo have been cut as heavy rainstorms struck the area. In 1962, the opening night crowd was rained out as was the closing night of this year's event.

### Three Wrecks Result In Heavy Property Losses

Three wrecks on Hereford streets during Wednesday, Thursday, and Friday resulted in heavy property losses and the injury of a 16-year old youth.

Injured in an accident Thursday about 6:30 p.m. on Harrison Highway was Gregory Cromer, 16. He was reported in good condition Saturday at Deaf Smith County Hospital.

The youth was injured as the 1963 model hardtop sedan he was riding in skidded into a culvert and overturned. Driver of the sedan was Steven Thomas Seigler, 16, Route 5.

### Annual Field Crop Tour Scheduled

A tour of Deaf Smith County croplands covering most of the county's agricultural industry has been scheduled by the County Crops Committee for Tuesday, Sept. 24.

The 1963 tour, will leave from the south side of the county courthouse at 1:30 p.m. Transportation will be furnished for persons going on the tour.

Five stops have been scheduled by the committee with those participating viewing sugar beet plots, grain sorghum variety tests, utilization of irrigated grass, fertility tests of grain sorghum and a weed control demonstration.

First stop on the tour will be at the Reinauer Farm from 1:50 to 2:15 p.m. where W. S. Fisher, assistant manager of Holly Sugar Corp., will discuss sugar beet variety plots.

At the next stop on the tour, the Lester English Farm, Bill

Gunter, area Extension Service agronomist, will point out results of a grain sorghum variety test.

In the plots to be viewed during the tour, there are 21 early planted varieties and 25 late varieties. Early grain sorghum was planted on May 15 with late varieties planted on June 15.

### POST-OFFICE EMPLOYEES

## Work Contract Is Signed Here

Hereford's first labor contract was signed Wednesday by employees of the United States Post Office here. The contract,

drawn up by members of the National Association of Letter Carriers, Branch 3168 of the AFL-CIO, and the United Federation of Postal Clerks, Local 1573, is to clarify parts of the contract which is given to all post offices in the United States.

According to postmaster Nolan Grady, the contract's main purpose is to let employees and the management of the local postoffice work out personnel problems according to the individual needs.

As government workers are not allowed to strike, this contract is a necessary improvement in the field of employee-management problems. It permits the employees to have a larger influence in the way that the post office policies are carried out, noted Grady.

Employees will be able to work out their problems with the management before a problem from Deaf Smith County jail.

### Adrian Man Is Sentenced By District Court

E. C. Parker of Adrian entered a plea of guilty to charges of burglary in 69th District Court, Judge Harry Schultz presiding, as the court convened in Vega. He was sentenced to 10 years in the penitentiary.

Parker had been apprehended by Deaf Smith County and Oldham County law enforcement officers in August for a series of alleged burglaries in the northern portion of the county. He was also alleged to have committed several burglaries in Plainview.

The Adrian man had been transferred to Oldham County as he was released on bond from Deaf Smith County jail.

### BY 12-13 SCORE

## 90-Yard Run, Left-Footed Conversion Trip Whitefaces

A 90-yard run and the left-footed kicking of Canyon guard Stanley Pritchard tripped Hereford High Whitefaces as they lost their second season game to the Eagles 12-13 at Whiteface

Field on Friday the 13th.

The long scoring run came with Hereford out in front of the Eagles 12-0. A long punt followed by a penalty had put Canyon on its own ten.

As the play developed, senior halfback Bobby Evans took the handoff around to the left side of the line. A Hereford defender got his hand on the ball carrier, spun him around, and lost his grip.

Evans then sped around to the right and up the sidelines outdistancing Hereford defenders and literally fell into the end zone for the score. The conversion was added by Pritchard as he placed the ball

through the uprights.

Hereford, however, had some surprises for the Canyon, Eagles, who are picked to win district in 1-AA play. Long runs by both Ronnie Duncan and Jim Haney put the Whitefaces on the scoreboard for the first time.

## Around Town

The Chamber of Commerce membership contest between the Deaf Smith County Chamber and the Dumas Chamber is getting off to a rousing start with Dumas taking the lead by late Friday. First reports coming after the first day gave Hereford a 2 to 1 lead in dollars increase, but the Dumas Chamber pulled ahead Friday and now leads the local chamber by \$145.00 according to campaign chairman Don Zimmerman. The contest will close Wednesday.

Ray Cox, who farms south of Dawn called to report a pumpkin measuring 52" around and weighing over 35 lbs. Cox grew the pumpkin in his one acre garden plot at the farm. Dedication service for the

new million-dollar Dimmitt High School will be held Sunday, Sept. 29 at 2 according to Paul Hilburn, superintendent.

Representative Walter Rogers will be the principal speaker and Leon Graham, assistant commissioner of education, will represent the Texas Education Agency on the program.

All mothers of second grade girls who are interested in their youngsters becoming Blue Birds in the Camp Fire organization are urged to meet at the Community Center on Tuesday, at 1:30 p.m. The meeting will be dismissed in time to pick up children at school.

And here's an item that will interest all ex-Aggies in the area. The Lubbock A&M Club is sponsoring an Aggie Barbecue preceding the Texas A&M vs Texas Tech football game in Lubbock on Oct. 5, at the U. S. Army Reserve Building, 2819-4th Street (near the Texas Tech Stadium).

The time will be 5 to 7. Price (Continued on page 8)

### Dumas Chamber Leads Hereford In Drive Contest

In a closely fought contest, Dumas Chamber of Commerce surged ahead of Deaf Smith County for the "Texas Spirited City Award", according to a report from Don Zimmerman, membership drive chairman.

While Deaf Smith County Chamber of Commerce reported 13 new members on Saturday with a net increase of \$1230, Dumas reported a membership increase of 22 with net dollar increase standing at \$1375.

The contest between the two (Continued on page 8)

### Temperatures Drop Into 50's As Fall Nears

As the fall season approaches, temperatures are dropping into the 50's and 60's during the night as the frost comes nearer. Along with the 27 of an inch moisture received this week, people are beginning to feel the approach of another long winter.

Cool breezes have done their part in cooling off the area in the late afternoons. At the second football game of the season in Whiteface Stadium, many people were decked out in heavier wearing apparel which was needed with the chilly breeze blowing.

The days are still comfortable with the temperatures in the 80's most of the time.

## Wheat Growers Form New County Organization Here

Deaf Smith County wheat farmers met here Thursday in the Community Center to form a new organization to take the place of a now defunct Wheat Growers Association.

As the commodity group was changed to Deaf Smith County Wheat Producers Association. Officers elected are Andrew Kershen, president; Frank Zinser, Jr., vice president, and Clinton Jackson, secretary.

"As the group met to re-organize, Laverne Edwards, Panhandle, vice-president of the National Wheat Growers spoke on needs for tightening dockage tolerances in wheat for export. He was introduced by Leo Witkowski, president, state organization.

Edwards, speaking to Deaf Smith County farmers, pointed out that recommended changes in wheat standards are a very controversial subject and that no stand has been taken on the issue by the national organization.

He noted that wheat standards were set up in 1916 and are still basically the same.

"As there has been technical progress in all areas of farming and wheat production, areas in which standard changes are needed have been established," he commented.

The vice president of National Wheat Growers Association noted that U. S. standards, compared those of other wheat producing countries, are considered "lax".

Since exports of wheat are greater than domestic consumption, he declared, overseas markets must be protected.

Edwards noted that high tolerance on dockage — up to 13 per cent — makes U. S. wheat undesirable on foreign markets. "It is just as unthinkable to export this wheat as trying to

sell a carton of 100 apples with 13 bad ones in it," the Panhandle wheat producer commented.

He stated that he felt standards needed changing. However the program should be something that is worked up to slowly rather than all at once, he added.

Edwards then noted changes recommended by Great Plains Wheat Growers Association. He added that the national organization has taken no definite stand for or against these changes.

He read portions of a survey in which various foreign wheat buyers noted their objections to U. S. exported wheat.

He also pointed out that U. S. wheat when it leaves the farm and local elevators is comparable to Manitoba No 1 wheat — the standard of world wheat trade.

Edwards, however, as he expressed a belief in the need for changes in shipping standards, commented that he was not advocating government controls.

In pointing out his problem facing exporters, the Panhandle wheat grower stated: "Even Russia is capturing our

### DWI Charges Are Filed Here; \$500 Bond Set

Charges of driving while intoxicated, first offense, were filed here Tuesday against Bobby L. Owen, 33, 110 W. Austin Road. Bond was set at \$500 by Deaf Smith County Court, Judge H. C. Williams presiding.

Owens was arrested for the alleged offense south of Hereford on U. S. 385 by a unit of the Texas Highway Patrol. The arrest was made on Sunday, Sept. 1.

DISCUSSING PROPOSALS TO CHANGE wheat standards in the United States are, from left, Clinton Jackson, Leo Witkowski, president, Texas Wheat Growers Association; Andrew Kershen; Laverne Edwards, vice president, National Wheat Growers Association, Panhandle, and E. M. Jackson and Kershen was named president. Jack, who was a vice president of the former group, served as chairman of the meeting at Hereford Community Center on Thursday. (Staff Photo)

## LET'S GO ROLLER SKATING Your Red Cross In Action

Corinne J. Neely  
Summer is over and so is the Water Safety Program for the year. Through we had a shortage of instructors we did get three sessions in for the youngsters, June, July, and August. The adults had good turn out for two sessions.

Without the fine volunteers, both adult and juniors, who aided the instructors (also volunteers as you know) we could never have gotten through the summer classes.

To these instructors and aides, a great big thank you and our deepest appreciation! We wish we could do more. But they say the feel well repaid in the achievements made. The last session certificates will soon be in the mail and we have a record of 276 adults, and juniors who passed and received certificates from beginner, intermediate, swimmer, Jr. Life saving (10) and Sr. Life Saving (18). The last is the highest number ever had in any year. This means good material for future instructors, which we need badly.

The summer classes in Staff-aides netted us two adults and two juniors, who help with office work and meetings when and where needed.

Eight Jr. Gray Ladies completed class work and have been added to the group to make 28 adult and Jr Gray Ladies. Though we have lost five through moves and college. The main Gray Lady project at this time is helping at King's Manor four days a week, in the afternoon when the relieve staff three days and teach arts and crafts one day. They have other duties in connection with

the chapter and their own individual projects.

During the summer we added one new First Aid instructor, Sylvia Sparks, who taught one class of Camp Fire Girls with nine of them earning certificates. We have a group of five women who plan to take instructor work in First Aid when the chapter can work our plans for this class work. We need these instructors too, as to date we have not been able to take care of requests from clubs and others for First Aid.

Under disaster, Dale Barkley, new chairman, has completely revised the disaster program plan, and added new personnel. All have been sent their new I. D. cards. He has had one occasion to work in the local program when we had a flooded area this summer.

O special and unusual interest we think is the number of "mother and daughter teams" now at work in the chapter. Probably the most difficult accomplished by a team is that of Mrs. Florence Robinson and daughter, Connie (Mrs. David Brumley) who in two years of the same class work in water safety program have received certificates in beginners, intermediates and swimmers.

Other teams include, Mrs. O. G. Hill Jr. and two daughters, Kandis and Charlotte; Mrs. Bruce Miller (Water Safety chairman) and two daughters, Kathy and Pam in the Water Safety program.

In the Gray Lady program there are Mrs. H. C. Williams and Charlotte; Mrs. T. B. Thomas and Diedra and Mrs. H. H. Miller and Audri.

ber will be a junior at Tech.

Funeral services were held at the Assembly of God church, Sayre, Okla., on Friday at 2:30 p.m. for Homer F. West, father of Homer West of Hereford. Mr. and Mrs. West left on Thursday to be with the family. Their children remained here with Mrs. West's mother, Mrs. B. H. Baldwin. Mr. West died unexpectedly on Thursday.

The Rev. Truett Allen and son Bobby spent Thursday night with the T. L. Sparkman Jr. family. They were on their way to Plainview where Bobby will enroll at Wayland for his sophomore year. The Allens live at Springer, N. M. where he is a Southern Baptist District missionary in that area.

Mr. and Mrs. Lloyd Shultz have moved into their new home which is located on the drive south of Tierra Blanca creek and across the road from the Hereford Country Club. The three bedroom house in brick construction and is decorated and furnished throughout in French Provincial design. Shultz farms the Peeler farm in this community.

Mrs. Flora Wallace of Ardmore is visiting her sister, Mrs. G. W. Parker and other relatives. Another sister, Mrs. Dove Kbell, Tahoka, also has been visiting the sister.

The Frio Baptist W. M. U. held services Tuesday, Thursday and Friday mornings of this week in observance of State Missions Prayers week. Twenty-four women participated in the programs. A short program will be given Sunday night by W. M. U. members on the Mission program.

Mr. and Mrs. Weldon Stephan and girls visited his parents, the Moody Stephens, north of Hereford, Sunday.

Mr. and Mrs. Earl Harkins, Sandra and Teresa, went to Plainview Sunday to visit Harkins' parents Mr. and Mrs. F. B. Harkins, and bring home their son, Russell, who had spent the week with his grandparents.

Mrs. Elmer Jones was honored Monday when her sisters, Mrs. Charles King, Amarillo; Mrs. T. L. Sparkman, and Miss Alma Andrews attended a birthday dinner for her. Mr. and Mrs. D. O. Benson also called.

# Hereford High Freshmen Run Past Dimmitt, 36-6

CARRYING UP THE MIDDLE for a first down is Hereford Whiteface freshman Gary Tucker (20). He was brought down by three Dimmitt Bobcats after gaining the necessary yardage. Other members of the Hereford team clearing the path for Tucker were, from the left, Bob Gentry (60), Bill Coffin (70), Mark Hicks (71), and Craig Crowell (81). Hereford fresh-

men scored early in the first quarter and continued to use long runs by halfback Jimmy Allison for scores. Hereford won 36-6 with Allison and Wayne Miller adding the last two touchdowns of the game in the final two minutes of play.

(Staff Photo)

Hereford Whiteface freshmen began their football season by handing the Dimmitt Bobcat freshmen a 36-6 defeat on Whiteface Field here Thursday.

The freshmen offense used the running ability of halfback Jimmy Allison as it climaxed long scoring drives with touchdowns. Also adding power to the freshman offense was halfback Gary Tucker as he applied power through the line.

To climax scoring for the freshmen, quarter back Gene Duvall passed to end Wayne Miller on a 40 yard touchdown play.

Freshmen defense only allowed the Bobcats to score once and ended a second Bobcat drive late in the game on the five-yard line by recovering a fumble.

As the game opened, Hereford freshmen kicked off to the Bobcats. After a series of plays from scrimmage Dimmitt was forced to punt on fourth down.

Hereford's first touchdown came with 8:45 on the clock in the second quarter as Allison broke through the Bobcat defense at left end and raced 70 yards. Hereford was unable to score the points after touchdown.

The Bobcat defense was again stalled after the kickoff and forced to punt. On the next series of play, Allison again broke loose for a 54-yard run and the score.

Neither team scored during the first part of the third quarter. In the waning minutes of the period, the Bobcats defense stiffened halting the Whitefaces. Dimmitt then made its only score.

Late in the fourth quarter, the Bobcats put on a sustained drive to the Whitefaces' five, but a fumble cost them the

touchdown and set up the longest run of the game.

Allison taking the pitch out from the quarterback raced up field on a 95-yard scoring play.

Seconds later, on the kickoff, the Whitefaces recovered another fumble. Duvall tossed to end Wayne Miller only to have a 15-yard gain rubbed out by a penalty.

On the next play, the same play was run with Miller taking the toss. He broke away from two tacklers as he scampered down the sidelines for the score.

Both touchdowns came with 17 seconds of each other with less than two minutes remaining in the final period.

## Gene D. Streun Completes Army Language Study

Army Specialist Four Gene D. Streun, son of Mr. and Mrs. Jack Streun, Summerfield, completed a German language course Sept. 4 while serving with the 24th Division near Munich, Germany.

Specialist Streun received instruction in basic German with emphasis on the ability to converse in the language rather than to read or write it.

Streun, assigned to Headquarters Company, 2nd Battalion, 21st Infantry, entered the Army in June 1961, completed basic training at Fort Hood, Tex., and arrived overseas in February 1962.

The 25-year-old soldier is a graduate of Hereford High School and attended West Texas State College, Canyon.

## Patio Breakfast Begins Year For La Madre Mia

A Spanish breakfast served on Mrs. Joe Locke's patio opened the club year for La Madre Mia Study Club on Thursday evening. Members wore sombreros and listened to Spanish music as they ate.

A Mexican hat dance performed by Mrs. Joe Locke and Mrs. Gerald Martin followed the breakfast.

During the short business meeting, conducted by Mrs. Bill Lankford, president, Mrs. Jerry Landers was elected treasurer. Secret gifts were exchanged and secret pals revealed.

Plans were made for a style show to be held at the Hereford Country Club on Oct. 10 at 8 p.m.

Mesdames John Beasley, Joe Brooks, James Brownlow, R. V. Hall, Joe Henry, Dean Herring,

Jerry Landers, Bill Lankford, Joe Locke, Gerald Martin, G. C. Merritt, Harold Morton, Bob by Owen, Richard Pickens, John Smith, Eugene Sparks, Joe Whitely, Dale Wynn, Charles Frye, Gene King, Vance Robinson, and W. C. Russell were the members present.

A guest was Mrs. Roberta Robbins of Lubbock.

TRYING TO LEAP AWAY from the last Dimmitt Bobcat defender is Jimmy Allison. However, he was caught and downed on the 10-yard gain. Allison, on the next play, swept the end, and broke away for a 45-yard run to score the first touchdown for the Hereford Whiteface freshmen. The score came with 8:54 left on the clock in the first quarter. The freshman team went on to outplay the Bobcat freshman and handed them a 36-6 defeat. (Staff Photo)

### REPORT

**NEW OFFICERS NAMED**  
 New officers for the 1963-64 year were named for Neeki Horizon Club on Monday, when the group met in the home of Judy Crume.

Installation services have been set for Oct. 14, at which time Sharon Tinnin will be installed as president; Patsy Stoy as vice president; Judy McCarver as secretary; and Nancy Gripp as historian.

The program for the year was considered and accepted with meetings slated to be held on the second Monday evening of each month rotating in the homes of the various girls.

**ORGANIZATION PLANNED**  
 Mrs. W. D. Gibson announces that all sophomore girls who are interested in joining an Horizon Club attend a meeting in her home at 209 Western on Wednesday, Sept. 18, at 4:15 p.m.

Several of the girls have expressed the hope that we can continue the club this year, Mrs. Gibson said. She added that a turn-out of those interested will be the only way of determining if the group is to be continued this year.

**INSTALLATION DATE SET**  
 Election and installation of new officers for the Hereford Camp Fire Leaders Association has been set for Friday, Sept. 28, it is announced by Mrs. Gerald Hale, current president.

The meeting is to be held at the Camp Fire Hut from 7 to 8 p.m., Neeki Horizon Club members will serve as installing officers for the affair.

**ASSISTANCE IS ASKED**  
 A call was issued this week

to all women of Hereford who are interested in Camp Fire work to take an active part in the program. With the growth of the organization, new leaders and assistants are desperately needed if the need is to be met, said Mrs. Philip Barkley, executive secretary of the local council.

Training for those interested in becoming leaders will be offered, she added, and many leaders who have been in the work for years will be ready and willing to help from the sidelines.

The Camp Fire program embraces girls from the second grade through high school with a variety of activities planned for each age level. Last year, over 300 girls were registered locally, and it appears that at least this many will be seeking entrance into groups during the 1963-64 school year, Mrs. Barkley said.

Women interested are asked to contact Mrs. Barkley at the Camp Fire Hut, or Mrs. Ursalee Jacobsen.

### Sears Elected New Director Of State Group

Henry Sears has been elected as a new director of Texas Law Enforcement Foundation; John E. Lyle of Houston, president of the statewide association, announced Thursday.

Sears is one of the 59 new directors elected by the Foundation executive committee at a recent meet in Houston.

Texas Law Enforcement Foundation is a non-profit, non-political organization organized to encourage citizens' support of good law enforcement.

**VISIT IN LAKEVIEW**  
 Mr. and Mrs. Frank Bezer and family were in Lakeview Sunday visiting with Mr. and Mrs. Teddy Bedwell and son.

### Tommy Betzen Is President Of Dawn Boys' Club

Dawn Boys' 4-H club elected officers during their regular meeting on Monday, Sept. 9. Those elected were Tommy Betzen, president; Stephen Hoffman, vice-president; Mike Engler, secretary-treasurer; Gerald Witkowski, reporter; and Ted Richardson, song leader.

Gary Richardson was elected as chairman of the project committee, and recreation committee chairman will be Steve McAndrews. Council delegate will be Jon David Miller.

County agent Lefty Thomas discussed plans for the County Vegetable and Field Crops Show, which will be held Saturday at the Bull Barn under the sponsorship of the Dawn Club.

Gary Richardson, Tommy Betzen, Stephen Hoffman, Paul English, and Glen Polan were appointed to the field crops committee.

On the vegetable committee are Jack Thomas, Robert Galley, Jon David Miller, Kevin McAndrews, Gerald Witkowski, Wayne Polan, Ted Richardson, Douglas May, Dion Miller, Robert Richardson, Steve and Neil McAndrews, and Mike Engler.

Guests were Mr. and Mrs. Thomas, Mrs. H. H. Miller, Mrs. Earl Plank, Mrs. Jim McAndrews, Mrs. Lester English, Clarence Betzen, Tony Hoffman, and Ted Richardson.

### DRAGAR COMPLETES STUDY

Army Sgt. George A. Drager, son of Mr. and Mrs. Abraham A. Drager, Route 5, completed a pay specialist course at Adjutant General's School, Fort Benjamin Harrison, Ind. During the course, Sergeant Drager received instruction in personnel administration, military pay records, pay vouchers and related subjects.

### 90-Yard...

(Continued from page 1)  
this season and in five starts against opponents.

Play opened in the first quarter with Canyon kicking off. A penalty set the Eagles back five yards and they kicked again. Hereford ran a series of plays but failed to gain the necessary yardage for a first down. Hodges punted.

Taking the ball on the two, Canyon brought it out to the 28 and was forced to punt. Senior halfback Ronnie Duncan, playing in the right safety spot, received and threaded his way downfield 68 yards, behind good blocking for the score.

A Hereford attempt for a two-point conversion was halted by Walter Williams with stop-block short of the goal line. The score came with 7:01 left in the quarter.

For the remainder of the period and the third quarter both Hereford and Canyon battled in mid-field with the Whiteface defense stalling determined Canyon drives.

Long, high punts by sophomore Steve Hodges were used by the Whitefaces to set the Eagles back in their own territory.

Williams, Haney, Duncan, and Hodges were all used to pick up short yardage by quarterback Frank Cain.

Canyon drives were stopped by the Hereford defense as the Eagles tried to get on the scoreboard.

The second half opened with Canyon kicking off to Hereford. During the series of plays the Whitefaces failed to gain the needed yardage and punted.

On the exchange of punts, Hereford was again in possession when Haney broke into the Eagle secondary on a trap and powered his way 63 yards for the score with 9:14 left on the clock. Cain's attempt for the conversion was stopped and Hereford led 12-0.

With 3:41 on the clock, Evans broke away for his 90-yard scoring run and the conversion was kicked. Hereford still led 12-7.

Late in the fourth quarter, the Eagles began a drive from their own 42 which covered 58 yards in 10 plays.

On the first play quarterback Donald Breittling handed off to halfback Wayne Brewer but the play lost a yard. On the next three, Breittling on the keeper picked up 10, 3 and 9 yards.

He fed the ball to fullback Dennis Haley for two plays and Haley picked up five on each carry. Breittling again on the keeper picked up 12 to the Hereford 15. Haley added another five-yard gain before Breittling was trapped for no gain.

Breittling fed the ball to Haley again who pounded his way down to the one. The quarterback kept for no gain then sneaked over from one yard out for the score with 3:12 left in the game. The try for extra points, a fake kick, was smothered as Joel Richardson, quarterback, was trapped.

Hereford ran seven plays after the kickoff but the drive was stalled. Canyon took over on the Hereford 35 and on the final play, Breittling downed the ball to run out the clock.

Long, high punts by sophomore Steve Hodges were used by the Whitefaces to set the Eagles back in their own territory.

Williams, Haney, Duncan, and Hodges were all used to pick up short yardage by quarterback Frank Cain.

Canyon drives were stopped by the Hereford defense as the Eagles tried to get on the scoreboard.

### Annual...

(Continued from page 1)

The next portion of the tour, from 3:30 to 4:15 p.m., will be a stop at Dameron Hereford Ranch where Gunter and W. S. Dameron will discuss utilization of irrigated grasses with beef cattle.

To be discussed are uses of summer grasses such as a kaw oilestem, side oats and Indian grasses, and grasses, for cool weather such as Chapel Hill rescue, Canadian wild rye and western wheat grasses.

Refreshments will be served by Gifford Hill Western and WAC Seed Co.

The tour will then move to the Austin Rose Jr. Farm where Wendall Roberson, Bushland Experiment Station, will discuss grain sorghum fertility tests.

A demonstration on weed control will be the last stop on the tour and is scheduled on the Warner Farm from 5:30 - 6 p.m. Giving the demonstration will be George Warner and Dr. Allen Wiese, Bushland Experiment Station. Included will be discussions on the use of Atrazine on corn, Propazine on grain sorghum, Karmex D. L. on cotton, and Simazine on warm season grasses.

For tickets write or call James W. King, Box 457, Lubbock, Texas 79408, or phone Sherwood 4-8411, Extension 38.

The Central School PTO will meet Thursday, September 19, for the first meeting of the year. Time of the meeting is 7:30 p.m. in the Central School Cafeteria. There will be a get-acquainted program for parents and teachers. All parents are invited to visit the children's classroom while there.

Don't forget... the Chamber of Commerce membership drive closes Wednesday. If you haven't been contacted and wish to join the organization, call Don Zimmerman at Hereford Hardware or Bill Thompson at the local Chamber of office. Either will be happy to take your membership dues.

In an early morning accident, damages to a 1963 automobile, driven by John R. Braxton, 19, Black, were estimated at \$500 as he failed to make a turn at the intersection of Vogle and Sunset. The accident occurred at 1:20 a.m. Friday.

Braxton's automobile skidded across the 60-foot wide street, clipped a fire hydrant, and slammed into a double brick wall at the Pete Carmichael home. Damage to the fire hydrant was \$50 with \$200 as estimated damage to the wall.

Braxton was ticketed for the collision.

The first of the series of accidents occurred here Wednesday at 12:28 p.m. as two automobiles collided at the intersection of West First and Lee. Damages were estimated at \$400 to 1963 model sedan driven by William Caldwell Bowie, 48 of Amarillo, and \$125 to a 1949 model sedan driven by Jeff T. Gilbreath, 84, 441 Lee.

The accident occurred as the Gilbreath sedan, headed north on Lee, pulled in front of the westbound automobile. Gilbreath was ticketed for the collision.

Also dropped from the 1963 show, was the air show at Hereford Municipal Airport. The event was held in 1962, but sponsors eliminated it when it failed to draw the interest expected.

An open house at the airport was held, however, during the Festival this year. Members of the Aviation Committee of Deaf Smith County Chamber of Commerce provided airplane rides over the area.

Those attending the Friday luncheon meeting and the clubs they represented were: Dean House, Rotary; Mrs. J. N. Jacobsen, Jr., B&PW Club; Charlie Stone, Kiwanis Club; Wayne Fuller, Junior Chamber of Commerce; Bill Thompson, Deaf Smith County Chamber of Commerce; Oliver Streu, 1962 general chairman of the Harvest Festival; Melvin Young and Melvin Jayroe, co-chairmen of the 1963 event.

Acting as moderator for the meeting was E. M. Jack, vice president of the old association. Clinton Jackson opened the nominations for officers and turned the meeting over to Kershner following his election.

A barbecue was served to interested farmers attending the association meeting by Hereford High Future Homemakers of America.

Grady said that the contract covers many important matters in employee-management relations. Among the topics agreed upon in the contract are: reassignments, light duty assignments, annual leave, compensatory time, rights and working conditions of the employees, and court assignments.

Postmaster Grady pointed out that employees in the post office sometimes have to work extra time when the post office is caught in a rush.

In the agreement, employees working extra time will have the same amount of time off sometime during the following work week.

The contract was signed by Nolan Grady, postmaster, and Bill Hutson, assistant postmaster, representing management. Representing the National Association of Letter Carriers were Leon McCutchen, president; Baxter London; and Marvin Knox.

Representing the United Federation of Post Office Clerks were Larry Paschel, Ray Watson, and Ernest Filippo, mails foreman.

"This contract will be an improvement in employee-management relations. It gives employees of the post office some power in formulating the post office policy and will result in more satisfied employees," commented Grady.

### 'Get Acquainted' Coffee Given By Mrs. Gene Fooks

A "get acquainted" coffee was given by Mrs. Gene Fooks, 320 Star, Thursday morning for her neighbors and women of the Central Church of Christ congregation, for which her husband is minister. About 80 guests were registered.

A neighbor, Mrs. J. M. Langford, 80, entertained guests with a reading, "Minister's Wife."

Variegated shades of pink were used in the decorations. An arrangement of pink flowers centered the table, which was covered with a linen cutwork cloth.

Members of the house party were Mesdames Dale Young, Floyd McGee, Maurice Tannahill, Marvin Knox, Floyd Walton, W. P. Axe, William A. Knox, N. D. Bartlett, Earl Huckabee, and Chester Wiggins.

### Legal Notice

THE STATE OF TEXAS  
To: JUANITA ALMAZAN

Defendant, Greeting:  
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 7th day of October 1963, at or before ten o'clock A. M. before the Honorable 69th Judicial District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 22nd day of August A. D. 1963, in this cause, numbered 4710 on the docket of said court, and styled, Robert Almazan, Jr. Plaintiff, vs. Juanita Almazan Defendant.

The names of the parties to the cause are as follows:  
Robert Almazan, Jr. is Plaintiff and Juanita Almazan is Defendant.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff sues the Defendant for divorce, alleging that they were married in Florida in 1956, and that Defendant separated from Plaintiff in the early part of 1957, and that the Defendant voluntarily left the bed and board of Plaintiff for a space of more than three years with the intention of abandoning Plaintiff. As is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process, shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford Texas; this the 22nd day of August A. D. 1963.

Attest:  
Lucille Posey Clerk,  
District Court, Deaf Smith County, Texas.

### A. L. Thomas Dies Saturday; Service Pending

A. L. (Uncle Andy) Thomas, 207 Jackson Street, died at 9:30 a.m. Saturday, after a long illness. Mr. Thomas had been in ill health for more than a year. He was staying with a daughter, Mrs. Bill Griswald of Lubbock, who operates a rest home in that city. He was 87-years-old.

Thomas served as Justice of Peace in Hereford for over 15 years, and was widely known in the Hereford area.

Survivors include the wife of the home; two daughters, Mrs. Viola Griswald of Lubbock and Mrs. Charlie Kemper of Liberal, Kansas; three sons, Paul Thomas of Phoenix, Arizona; Marvin Thomas of Ft. Worth and Clyde Thomas of Hereford.

Funeral services are pending with Gilliland Funeral Home of Hereford.

### Anniversary Party Is Scheduled For Hereford BPO Does

BPO Does made plans for their first anniversary party at their meeting in the Elks Lodge on Monday. The meal of chicken, salad, and cake will be followed by entertainment.

Also during the business meeting, conducted by Mrs. Carl Hollingsworth, the Does sent a donation to the Texas Elks' Crippled Children's Home in Luling.

Mrs. W. A. Riddle and Mrs. Ray Smith were hostesses for the meeting. Others present were Mesdames Carl Hollingsworth, Buck Neal, Howard Gore, Benny Cooper, Earl Evans, Jack Mitchell, Neal Young, Gordon Massey, and John Schneider.

SEATS FOR TWO  
OLD SAYBROOK, Conn. (AP) - A 16-year-old Manchester, Conn., boy recently discovered - the hard way - that two's company, three's a crowd.

He was arrested for having three persons in the front seat of his sports car which only provides seats for two.

CAT IN TROUBLE?  
TOO BAD  
HAMDEN, Conn. (AP) - The Hamden Fire Department will rescue a dog in trouble. But not cats.

"Once the department did go to the rescue of a cat," says Fire Chief Paul Leddy, "but it was at the end of a long swinging branch and we didn't have an aerial truck. The boys decided that a little water would convince the cat it ought to come down."

The cat came down, but the Society for Prevention of Cruelty to Animals received complaints about turning a fire hose on a cat. Since then, no cat rescues.

Dogs rarely get in such perilous situations, the chief says.

### Hereford High B Team Squad Wins Opener

The season opener for the Hereford Whiteface B Team resulted in victory over the Friona Chiefs, 12-0 here Thursday. The game was played even though it was showering at the time.

Hereford kicked off to Friona in the opening play. The Chiefs drove down to the Hereford 3 yard line only to fumble. Hereford recovered it in the end zone for an automatic safety.

The ball was put in play again on the 20 yard line as Hereford began its scoring drive.

The Whitefaces drove up field with Hereford backs gaining yardage around ends and up the middle. A penalty at the 12 put the Whitefaces in scoring position.

On second down, quarterback Roger Owen took the ball around the right end from the 10 for the first touchdown in the game.

During the second and third quarters, both teams battled in the middle of the field with neither making any important drives due to the slick field.

A heavy thundershower dampened the field during the second quarter with light rain continuing through the third period.

Fullback Greg Richards made the second touchdown for Hereford in the last of the fourth period as he made a plunge up the middle from Friona's one-yard line, bringing the final score to 12-0.

#### ABOARD USS KITTY HAWK

Joe C. Land, the son of Mr. and Mrs. C. N. Land, Star Route, is an aviation boat-swain's mate airman apprentice, USN, serving aboard the attack aircraft carrier USS Kitty Hawk, which recently completed a middle Pacific cruise in preparation for her Far East assignment with the Seventh Fleet in October. The Kitty Hawk began her three-week cruise Aug. 16, spent Labor Day weekend in Honolulu, Hawaii, and returned to her operational port, San Diego, Cal., on Sept. 9.

#### FROM FORT SILL

Lt. and Mrs. Adrian Ashley visited over the Labor Day weekend in the home of her parents, Mr. and Mrs. E. W. Young, and with other relatives.

HALFBACK WYNN BUCK gets a key block from a unidentifiable teammate as he begins a 20-yard run which kept Hereford B team's scoring drive alive in the first quarter. The Whitefaces downed the Friona Chiefs in the opening game of the season 12-0. The most serious Chief threat was stopped as an alert Whiteface defense pounced on a Chief fumble in the end zone. ## Fourth Hereford Girl Achieves Highest Rank

Miss Mary Lynn Gibson, daughter of Mr. and Mrs. W. D. Gibson, 209 Western, has recently completed her Torch Bearer rank in swimming. This is the highest rank a Camp Fire girl can achieve. She is also the first girl in Hereford area to qualify for the Horizon Club Community Service Award.

ford Camp Fire organization since she was in the second grade. She is now a sophomore in Hereford High School.

At fifteen, Mary Lynn has been qualified as a Junior Life-saver under the American Red Cross swimming program, and during the past years has taken part in many water activities.

She has assisted with the Red Cross water safety program for the past three years and has taught younger children to swim.

Mary Lynn received certification for her Torch Bearer rank from Donna Smith and Wayne Lawrence, both of whom work with the Hereford swimming teams. She completed rank requirements on July 30.

Since 1957 she is the fourth Camp Fire girl to achieve an individual Torch Bearer rank and the third to qualify in swimming. Others who have achieved the rank are Judy Crume, Susan Stapp, and Helen Davis.

While working with swimmers in training, Mary Lynn earned the Horizon Club Community Service Award. This is a new achievement award for high school girls in Camp Fire.

It requires that an applicant complete four hours of special training for some type of service followed by the donation of at least four hours of time to her chosen work.

For both the rank and the award Mary Lynn has received her Camp Fire emblem, which she will wear on her ceremonial jacket.

With the end of vacation time and the beginning of school, Hereford women resume their club activities. Many women belong to several clubs, others to only one, but there is a great variety of clubs from which to choose—garden, music, social, study, service, home demonstration, arts and crafts, professional, and church.

Many of the clubs appeal to single interests, others attempt to cover a wide range of interests, but all of them are enjoyed by their members. Activities include the annual tour of homes, sponsored by Garden Beautiful Club, pilgrimages, fashion shows, flower shows, art exhibits, rummage sales, service projects, husbands' parties, and costume parties.

The year for most of Hereford's clubs extends from September to May. Meetings are usually once or twice a month and are scheduled for a time and day convenient for the members.

## Furniture Care Discussed For Ford HD Club

Ford Home Demonstration Club met Wednesday in the home of Mrs. Hardy M. Benson. Mrs. J. Raymond Flores was co-hostess.

In response to roll call members named "a new product to make housekeeping easier." Mrs. Raymond Smith presented a program on the care of furniture.

New members are Mrs. A. J. Jamerson, Mrs. LeRoy Edwards, and Mrs. J. C. Gossett. Others present were Mesdames A. L. Hollingworth, Luther Norvell, Raymond Smith, Truitt Wiseman, and the hostesses.

## Jolly Guys And Gals 4-H Club Holds Meeting

The Jolly Guys and Gals 4-H Club met at the Dawn School Thursday, Sept. 5, for the first meeting of the club year. The meeting was called to order by president Judy Jackson. Songs were sung and the 4-H ritual was recited.

The program on parliamentary procedure was given by Dick Plank, Jack Thomas, and Maura McAndrews. The program was divided into three parts: making a motion; opening and adjourning a meeting, and committee reports.

Following the program on procedure, Maura McAndrews gave a talk on being a good council delegate.

Roy and Ronnie Burges reported on their entomology findings.

New officers were elected for the coming year. They are Edward Hammit, president; Trudie Jackson, vice president; Roy Burges, secretary; Charlene Linderman, reporter; Judy Jackson, song leader; and Frankie Griffith, recreation leader.

The meeting was adjourned following election of the new officers.

Refreshments of brownies and punch were served to all present. ## "Potpourri" Describes Choice Of Programs

"Potpourri" was chosen as the word to describe the planned programs for La Afflatus Estudio Club for this club year. It is an apt word to use to describe the topics chosen for discussion by all the women's clubs in Hereford for 1963-64.

While a variety of topics are to be discussed at club meetings, many of them have chosen to hear Hereford's exchange students. World affairs, legal matters, book reviews, art and music, religion, and new developments in science and medicine are on the scheduled programs for many of the clubs.

Several clubs will follow a theme. For example, Calliopean Club has chosen the theme, "Windows of the World." "New Vision" is the theme to be followed by Pioneer Study Club. World religions will be discussed by L'Allegria Study Club.

Following their theme, "Windows of the World," Calliopean members will discuss fashions of today, Buddhist struggles, the English language, the New York theatre, segregation issues, and other topics such as science, home decoration, and art.

The grand essentials for vigilance are: Something to do, Something to love, Something to hope for. -Anonymous

This quotation appears with the final program for Pioneer Study Club, "New Vision-New Purpose." Each program begins with the words, "New Vision," and continues with the area to be studied, such as—Americanism, at Christmas time, concerning world brotherhood, in international affairs, and through friendship.

## Garden Beautiful Discuss Annual Tour Of Homes

Plans for the annual tour of homes were discussed by the sponsoring club, Garden Beautiful, at their first meeting on Friday morning, Sept. 6. The theme this year will be "Garden Fair." Homes to be featured on the tour Oct. 15 will be announced soon.

Mrs. E. W. Young was the presiding officer. Members discussed the success of their last year's project, which was assistance with the beautification of grounds at King's Manor.

The breakfast meeting was in the home of Mrs. Leo Witkowski. Two new members, Mrs. Ruth Kerr and Mrs. Roger Brumley, were welcomed.

Others present were Mesdames Tom Carter, Ray Cowsey, Wayne Edwards, Charles Hood, V. O. Hennen, Homer Newton, Charles Noland, Gwynne Owen, J. B. Pool, B. E. Roberson, Roy Smith, Howard Walker, Jess Robinson, E. W. Young, and T. E. Seigler Sr.

## Wedding Will Be In Lubbock

Mr. and Mrs. Denzil Pulliam, Star Route, have announced the engagement and approaching marriage of their daughter, Barbara Ann, and Charles Frank Weatherford of Lubbock. The wedding is scheduled for Oct. 19 in Lubbock.

Miss Pulliam is a 1962 graduate of Hereford High School, where she was a member of Future Homemakers of America and mixed choir and was active in journalism.

She attended Lubbock Christian College for one year. While there she was a member of the Meistersingers, the journalism staff, and LoA social club. She is now with Brown Supply Company.

Her fiancé is the son of Mrs. Xerxes Weatherford and the late Mr. Weatherford of O'Donnell. A 1959 graduate of O'Donnell High School, he was in the army and is now with Moss-Gordin of Lubbock.

## Lone Star Study Club Has Supper Meet Tuesday

A supper meeting in the home of Mrs. R. G. Blue began the year for members of Lone Star Study Club Tuesday. Co-hostesses were Mrs. Opal Bookout and Mrs. Thelma Chisum.

Mrs. Chisum, chairman of the yearbook committee, distributed and previewed the yearbooks. A miscellaneous course of study was chosen. The business meeting was conducted by Mrs. Baker Womble, president.

Members present were Mesdames V. E. Dodson, J. J. Durham, A. T. Frye, H. E. Henslee, John N. Jacobsen Jr., C. D. Kelton, Joe Kendall, C. O. Phillips, Ray Suit, S. S. Williams, Baker Womble, Ed Warren, Robert Thompson, and the hostesses.

The next meeting will be on Sept. 24. Hostesses will be Mrs. Opal Bookout and Mrs. S. S. Williams.

## Bippus HD Club Has Program On Furniture Care

Care of fine furniture was discussed by Mrs. Tom Draper at the meeting of Bippus Home Demonstration Club on Sept. 11. She recommended a cream polish or lemon oil, which are pure, for best results. New products to make housekeeping easier were discussed also.

The group met at the Bippus Community House. Hostesses were Mr. V. T. Adrian and Mrs. Jim Bradley. Others present were Miss Christine Fortenberry and Mesdames Jack Fortenberry, Charlie Burk, Elmo Hall, G. V. Hall, and Tom Draper. Guests were Mrs. John Hill and Jake Bradley.

## Social Calendar

## Program...

(Continued from page 1) tory of Texas, and education in Texas.

"Debate between an elephant and a donkey" is scheduled as one of the programs for Veleda Study Club. Other programs will range in variety from hatmaking to unusual religions. Simms Study Club will have programs on picture framing, Christmas candies, home crafts, and refinishing furniture. They also plan to discuss civil defense, first aid, and wills.

Programs chosen for members of Hereford Study Club include fall fashions, the poll tax referendum, Hawaii, flower arrangement, tableware, and juvenile delinquency. "America for Me" is a program scheduled for November.

Among the programs planned for Lone Star Study Club are the religious crusade, social security, family legal matters, the new world of plastics, racial issues, psychology, and medical hypnosis.

Young Mothers Study Club has directed most of their programs toward elements of child care. Care of children's clothing, education of toddlers, child of the state, and child study are planned for discussion.

L'Allegria Study Club has chosen to study the religions of the world during this club year. Scheduled for discussion are Hinduism, Islamism, Buddhism, Chinese religions, the Jewish faith, Catholicism, and Protestantism.

Hair fashion, civil defense, interior decorating, wills, childhood accidents, and etiquette are among the topics chosen for discussion by members of La Madre Mia. "The Day I Really Felt Married" is the title of one of their programs.

The yearbook committee of Area Council of the Texas Home Demonstration Clubs chooses the year's programs from suggestions sent in by club members. The main objective is the fulfillment of the needs of the members. The choice of programs is flexible so that a club

may choose from several suggested topics.

General topics listed in the yearbook are home management, citizenship, family life education, interior and exterior decoration, 4-H work, and foods. Care of fine furniture and filing papers are programs prepared for the home management unit.

The constitutional amendments, United Fund, civil defense, and traffic safety are possible programs in the unit on citizenship.

Mental health and recreation are stressed in the family life education series. Window treatment, color in the home, and landscaping are sub-topics of the decoration unit. During the foods course members will discuss care of purchased frozen foods and preparation for food preservation.

These are the scheduled programs for only a few of Hereford's many social and study clubs. Programs for the garden clubs, music clubs, sororities, and church groups are varied and interesting. The women of Hereford will gain much from their club work this year.

## North Hereford HD Club Installs 1963-64 Officers

North Hereford Home Demonstration Club officers were installed at the Sept. 5 meeting in the home of Mrs. O. L. Williams. Mrs. John M. Gooch conducted the installation and then presented a program on mental health.

Officers installed were Mrs. Clyde Smithers, president; Mrs. O. L. Williams, vice-president; Mrs. A. E. Hodges, secretary; Mrs. Otto Olson, treasurer; Mrs. Martin Wagner, reporter; Mrs. John Gooch, parliamentarian; Mrs. Tony Hoffman, council delegate, and Mrs. O. C. Williams, alternate delegate.

Those present were Mesdames Mary Bodkin, A. A. Hare, David Watson, Clinton Ward, Otto Olson, O. C. Williams, A. L. Hodges, Clyde Smithers, John Gooch, Otto Massey, C. L. Whitehead, R. A. Fullwood, and O. L. Williams. The next meeting will be with Mrs. Clyde Smithers at 200 E. Gracy.

Chamber of Commerce manager Bill Thompson called Thursday afternoon to report that the local chamber was leading the Dumas folks after the first day of the new membership drive. Dumas had reported eleven new members and three increases in dues from old members for a total of \$442.00 while the Deaf Smith group reported thirteen new members and two increases for a total of \$900.00 additional dues. That's a little better than two to one on the first day out, but the Dumas folks are up in arms now. They don't like to be second best, and plan to make a concerted effort to pull

ahead before the drive is completed. Later results will be carried elsewhere in this issue of the paper.

Getting tired of hearing about the growth of Hereford? Brace up, there's more to come. The city water department reported this week that water usage in the month of July, the peak month, topped 123 million gallons compared to only 96 million for the same month in 1962. Tie this to the fact that the city had requests for 94 water taps in the first nine days of September, and you come up with the most phenomenal

growth ever envisioned by the progressive people of Hereford and Deaf Smith County. The 94 water taps may not sound astounding to the average citizen, but they represent more new homes in nine days time than we had in the entire year of 1957, 1958, 1959, 1960, or 1961.

This growth is the factor that has city water department crews working until dusk trying to keep up with the demand, and city fathers lying awake nights trying to figure ways to salvage the city budget.

Coming soon... a new car show to be held on the parking lot of the Hereford State Bank. The local automobile dealers have banded together, along with the folks at the Hereford State Bank to secure a large 60' x 120' tent for the show and plan to stage the event on the 12th and 13th of October. All new models will be on display by that date. Also included in the show will be new pickups and trucks.

Plans now call for refreshments and door prizes. We'll have more on this as plans are completed.

And speaking of new cars, Mrs. Leonard Ciek called this week concerning the new Amphicar that has recently hit the market. She says that one of the little auto-boats caused quite a stir at Buffalo Lake Sunday afternoon. Apparently the owner of the vehicle just drove into the water while the amazed spectators watched.

After thinking it over, we have decided that this is just the thing for Casey Gilbreath. If "Casey" had an Amphicar, he could do a little fishing in the morning, change the water at the farm, and still get back to town in time for lunch.

And "Slim" Wester is another prospect for the Amphicar dealers. "Slim" had rather fish than do anything, but has never figured out how to "make a living" while fishing. With the new Amphicar however, he could run out to the lake, fish a couple of hours, and get back to pouring concrete without so much lost time. And he could probably get R. C. McGilvery to go along to drive and bait the hook.

### August Wrecks Kill One Person; Twelve Injured

Texas Highway Patrol investigated 12 accidents on rural highways in Deaf Smith County during the month of August, according to Sgt. W. E. Wells Highway Patrol supervisor of this area.

These wrecks accounted for one person killed, 6 injured and estimated property damage of \$3,735.

The rural traffic accident summary for this county from January through August, 1963, shows a total of 59 crashed resulting in one death; 16 injured and an estimated property damage of \$21,740.

Now is the time to have all motor vehicles "winterized", the Sergeant stated; that is to have their vehicles safety inspected at one of the approved inspection stations to determine that all parts are in top condition.

The new 1964 vehicle inspection sticker is now available. All vehicles registered in this state are required to be inspected. Motorists are urged to have their vehicles safety inspected to avoid the rush later on.

The veteran patrol supervisor said, "The Vehicle Inspection Program has proved to be a valuable tool in reducing accidents in Texas."

And then there is the story about the couple who owned a

bright-eyed cocker spaniel, that always became excited when the telephone rang. At the sound of the bell, the dog would run through the apartment. So his owners fell into the habit of calling home when they out for any length of time, knowing the bell would awaken their pet and give him a few moments of exercise.

One evening during their absence, a friend who knew about the arrangement let himself in to their apartment. He seated himself and waited, sure the telephone would ring sooner or later. When it did, he let it ring several times. Then he lifted the receiver, panted enthusiastically for a few seconds, barked once, and quietly replaced it.

The couple is still wondering.

## Hereford's Rapid Growth Becomes Small 'Boom'

Without a doubt, 1963 will go into the records as the year in which Hereford has established the greatest growth in its history. Previous to this time, the record growth year for the community has been 1955.

There seems no doubt that 1963 will be far out in front of previous years when the 12-month period closes, chiefly because it is already well ahead in many phases of growth -- and still has more than two months to go. Residential building permits for 1955, the record previous year, totaled \$1,607,177 for instance, while the first eight months of 1963 recorded \$2,325,180 in building permits and -- if present trends hold -- the total for the year should run close to \$4 million. These figures come from city records but are substantiated through school district records which, this week, reported a jump of 381 students over 1962 -- a one year gain of 12 1/2 percent. In addition to these two sure-fire methods of calculation, let us note that similar phases of growth are parallel in reports from other agencies.

People all over town, including the "man on the street," realize that Hereford is growing, but we wonder how many of these people actually realize what astronomical bounds current growth is making. Let us look for instance, at water meter connections:

In 1957, Hereford recorded a total of 52 meter connections. Yet on Monday, Sept. 9, the city recorded requests for 62 meter connections. In one day alone, more connections were requested than for an entire 12-month period -- and that period was only five years ago. For the sake of further comparison, Hereford recorded the following meter connections: 128 in 1962; 91 in 1961; 72 in 1960; 57 in 1959;

70 in 1958; 52 in 1957; 113 in 1956, and 185 in the record 1955. Judged on these figures, it is about time that we realized that we are faced with a mild "boom," rather than a speedy growth cycle which has blessed us in the past.

And regardless of the interference to be drawn, it is further quite obvious that population and residential growth are jumping far out ahead of business and professional expansion during the current year. While the residential permits, shown in paragraph two above, are far in advance of the 1955 figure, it is to be noted that commercial permits are barely ahead for the same period: in 1955, commercial permits totaled \$237,575 as compared with \$255,600 for the first eight months in 1963. We mention this figure, not to criticize or alarm business people, but instead, to predict a continuation of Hereford's present growth trends into 1964.

Past experience in Hereford, along with growth in other communities, generally indicates that business expansion closely follows residential and population growth. More people naturally demand more services. Consequently present business expands and new businesses move into the community as populations increase. Currently supporting this situation is the fact that several chains are eyeing Hereford carefully at the present time, along with consistent rumors of shopping centers and expanded downtown facilities.

One large chain made a detailed survey in Hereford during the past week, and when they had finished the local manager was startled and amazed at their findings. Like most of us, he had not taken the time to drive around and inspect new construction for several months; again, like most of us he talked about growth, but did not begin to realize the full extent of expansion which Hereford presently enjoys.

The entire situation is much like a youngster in the family. We see him each day and know that he has grown during the past year -- but only when grandmother and granddad come for a visit and point out how much taller he is than last year, do we begin to realize the true facts.

During recent months, Hereford's growth has been indicated through city, school and county sessions; officials have even been troubled and puzzled over what steps to take. Now the problem is with us. It is time the average man began to realize what is happening. It is time he took a careful inventory -- and started planning on how he will personally meet this new expansion. Regardless of personal reaction to the situation, we all know from experience that it is much better to grow on a planned schedule than to meet our problems on a catch-as-catch-can basis.

Hereford is today in the midst of an era of record growth. What we do about it is up to us.

## County Fairs Make Come-Back

History frequently repeats itself down through the years, especially when it comes to the area fads and movements, and we are wondering if such is to be the case of once popular County Fair.

Recently we picked up a regional newspaper to note with interest that five county fairs were in progress in the territory. The nearest was Vega, where the event was held with considerable success. Many people will recall that County Fairs were all the rage in the 1930's, when practically every county in the Panhandle constructed a Fair Grounds and sponsored a huge display and entertainment program. Some of these grounds were purchased and improved with bond issues which, no doubt, have plagued governing bodies down through the past 25 years.

In fact, until the past two or three years, many of these Fair Grounds had become a laughing stock in the various communities as buildings rotted away and the grounds eroded. Are we now witnessing a revival of the County Fair in West Texas? If so, will it be lasting or temporary?

Deaf Smith County has no fair at the present time. We do have a comparable event, however, in the form of a Harvest Festival, in addition, the Junior Livestock Show provides another outlet which borders on a County Fair activity. Soon, we will no doubt be faced with the question of combining these two events and joining the swim. We will also have to decide how the event should be managed and financed. This appears especially likely if the popularity of County Fairs continues to grow in the area.

The answer will, of course, be pretty well up to the people, from where we sit, however, it seems practical and plausible that we should continue with our present activities for another year or two, and find out in which direction the wind blows? Certainly, we do not want to be gathered up in fad movement -- and we already have a reasonable substitute, which should meet most challenges in the form of community service and county obligations.

## Home Owners Warned To Beware Of Buyers

Deaf Smith County Chamber of Commerce today warned the homeowner planning to sell his home to beware the prospective "buyer" who wants to rent the home for office use and offers to remodel it free of charge.

The local Chamber said that according to the National Better Business Bureau with which it is affiliated through membership, the scheme is a new version of the widely condemned "model home" racket and is aimed at property owners who advertise their homes for sale in the classified columns of newspapers.

The respondent to the ad may represent himself as president

or son of the president of a re-siding and re-roofing firm. In reality he is a salesman whose sole purpose is to get the homeowner's signature on a costly home improvement contract and high-interest loan.

Bill Thompson, local chamber manager, said the scheme works this way: The salesman makes no offer to buy the home advertised but instead makes an astonishing proposal designed to increase the market value of the home at no cost to the owner.

He explains that the home offered for sale is just what his firm needs to demonstrate the quality of its aluminum or

simulated stone re-siding work. He further claims that the firm needs a branch office in the neighborhood.

To secure this dual objective the salesman offers to re-side the home free of charge and to rent it for a year for office use on a cash-in-advance basis.

The homeowner with visions of a major home improvement "free", plus a windfall of a year's rent, may instead find he has obligated himself to make regular payments on a re-siding job and a high-interest loan.

Among the papers the victim is induced to sign without full knowledge of their meaning is a request to borrow a sum of money equal to a year's rent. This application for a loan may be a separate form or it may be included in the remodeling contract.

The salesman represents the form or forms as "authorization" for the re-siding job. Actually, the "authorization" is a sales contract and the check given for a year's rent is a high-interest loan.

The salesman insists that the agreement be kept secret from competitors and neighbors. The reason for the secrecy: To prevent the finance company which discounts the loan from learning of the irregularities.

By the time the victim receives a time-payment book and discovers what he has contracted to pay for the salesman has skipped.

In the "model home" racket, salesmen for unscrupulous re-siding and re-roofing firms also used the come-on that a home is needed to demonstrate the firm's workmanship. The victim is promised \$50 or \$100 for every customer who inspects the home and signs a similar home improvement contract.

A contract calling for monthly payments is required but the homeowner is told that this is only a formality and is assured that the volume of payments will more than offset the cost of the re-siding.

### DA NEEDS HELP SAYS GRAND JURY

Randall County grand jury says Criminal District Attorney Truett Hull needs help. The grand jury deliberated most of the day Wednesday, returning nine indictments, two no bills and recommended the county hire an assistant for the district attorney. In a report to District Judge Gene Jordan, the grand jury noted that one man handling the office of criminal district attorney does so at the hazard of his health. The grand jury praised Hull for the manner in which he is handling the office, but took note of the rapid growth of the county's population. "Since the population of Randall County has increased and the work load of the district attorney's office has also increased, it is our feeling that it is a physical impossibility for one man to handle this position without impairment of one's health," the report stated.

### SENIOR CITIZENS' HOME CONTRACT LET

The contract for construction of Garretson Senior Citizens' Center was awarded and construction began here Friday. Low bidder on the job was Southwestern Bricklaying Co. of Amarillo with a bid of \$12,921. The Amarillo firm was awarded the contract on the second call for bids for construction of the center. Bids submitted earlier were all above the figure estimated by the architect and the board. They were rejected. Several changes were made in plans including revision of heating and air conditioning system and new bids were sought.

### CITY ACCEPTS RESIGNATIONS

In a special meeting, called by Mayor H. S. Gaski, Friday afternoon, Judge Arliss McBea, city tax assessor-collector and corporation court judge, resigned his post in order to accept a position with Transcontinental Telephone Electronics Corp. where he will serve as comptroller. He set as the date for the resignation to be effective Sept. 23. In a second resignation, J. Bob Cox, city commissioner, resigned effective immediately with the statement:

"I need to devote more time to my business, and with the present circumstances feel that I can not do justice to my position." The Commission accepted the separate resignations with regret.

### COUNCIL OFFERS COUNTER PROPOSAL

A compromise proposal to a series of rate hikes sought recently by General Telephone Co. for its Littlefield exchange was made by the City Council Thursday in a two-hour swapping session with the company. The company had sought boosts in base rates for both residential and business telephones to be made when two-way Extended Area Service, non-toll, is opened from Littlefield to Bula, and from Littlefield to Whitharral, which already has one-way, non-toll services. They also asked to up rates on extension telephones in the exchange.

## THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his hindwired farm tries to shed some light on international finance this week, his letter indicates.

Dear editor:

Sometimes the difference between a big man and a little man is that the big man just owes more money.

I don't know why I mention this, unless it was because of an article I read last night while going over some bills I was supposed to pay before the 10th of the month.

According to it, the United Nations is 100 million dollars in debt and its financial situation is getting worse instead of better. This has shocked a lot of people.

Now I'm not going into a lot of philosophical purposes of the United Nations, that's out of my field, although if the world ever eliminates war it'll probably be through a single police force, but don't ask me how we can swing it.

What I was interested in was the financial aspects of the organization. I mean, what's so surprising about the fact the UN is head over heels in debt?

You take 75 or 100 countries, each one of which is head over heels in debt, and let them form a super-organization like the UN, and what can you expect?

If 75 or 100 farmers who can't quite make ends meet organized a bank, how long you reckon it would be before that bank was out of money?

Idealists who are shocked that the United Nations is financially embarrassed just don't understand how the world operates. I'll explain it to them. It goes this way:

"The first unit of government a man comes in contact with is the precinct or town or city governments, 90 per cent of which are in debt. The next is the county, 90 per cent of which are in debt. The next is the state, 90 per cent of which are in debt. The next is Washington, 100 per cent of which is in debt, the same as London, Paris, Moscow, etc. Under this system, where else would the United Nations be except in debt?"

The only debt-free place I know of is the moon, and we're fixing to remedy that just as soon as we can get there.

You know where I can borrow some money on a second lien on a 1946 tractor?

Yours faithfully,  
J. A.

**COOL PINK CRANBERRY-TEA PUNCH** — a refreshing beverage for a festive summer party.

By **CECILY BROWNSTONE**  
 Associated Press Food Editor  
**VICTORIAN CHEFS** used tea in two surprising and interesting ways — to flavor ice cream and to give piquancy to the sugar syrup of poached fruit.

A friend of ours, spurred on by this example, recently made an interesting experiment: she added instant tea to a pound-cake mix. We followed suit. The tea, plus grated lemon rind, makes a real cake-mix change that you might like to try.

Tea punches have long been in vogue. The earliest recipes for these punches included spirits and the beverage was served hot. An 1862 rule calls for green tea infused with boiling water, served flaming over brandy, rum, lump sugar, and the juice of a lemon.

But since the 1900s when iced tea probably first arrived, tea punches have been popular in chilled form. Here's a modern non-alcoholic combination that features tea plus cranberry juice. It's easily made and pleasant to serve at a summer party.

**PINK TEA PUNCH**  
 3 cups boiling water  
 12 teabags or 4 tablespoons loose tea  
 2 to 2 1/2 cups sugar  
 2 cups fresh lemon juice

Pour boiling water over tea; steep for 5 minutes. Stir, strain and cool. Add sugar, lemon juice, cranberry juice cocktail; stir to dissolve sugar. Just before serving stir in club soda. Pour over ice cubes in punch bowl or pitcher. Insert cloves in lemon slices and float on punch. Makes 1 gallon or 32 one-half cup servings.

## Pete Progress

speaking for the Deaf Smith County Chamber of Commerce

"If it is a very rare occasion when directors of Deaf Smith County Chamber of Commerce publicly endorse and urge general support of an organization or cause not directly based in the county," Pete observed. "That they should do so while in the very midst of the membership drive for the Chamber of Commerce in competition with Dumas is particularly noteworthy."

"On Sunday, Sept. 22, there will arrive in Hereford on buses fifty community peasant leaders from Old Mexico. They will have visited farms, experiment stations, and such communities as Eagle Pass, Sonora, San Angelo, Big Spring, Lamesa, Lubbock, Dalou and others before arriving here."

"They will arrive about five p.m. and will be barracked in the Bull Barn. On Monday, the 23rd, they will be escorted on a tour of Hereford area farms and then will return to Hereford for lunch."

"Whoa, Pete! Just who is sponsoring this trip and what is it all about," I interrupted.

"A logical and expected question," Pete replied. "The tour is sponsored by the Mexico Good Neighbor Project with headquarters at 1920 - 18th street, in Lubbock. Executive director is Dr. Walter O. Parr co-chairmen are Dr. Gerald W. Thomas, dean of agriculture, Texas Technological College, and Herb Byars, Pioneer Natural Gas, Tulsa, Texas. Any of these gentlemen would welcome your inquiry."

"The purpose of this tour is to determine if these peasant leaders can benefit from showing them practical ways to improve their crops, how to use water for maximum benefit, and to let them see for themselves that Americans are willing to help them to help themselves."

"But just why is this tour being made at this time?" another skeptic asked.

"As you know, or may suspect, intense efforts are being made by Russia, Red China, Castro's Cuba, and some other nations to influence the Mexican peasants towards collective farming, anti-Americanism, socialism and communism, as opposed to free enterprise, democracy and private ownership of property," Pete explained.

"West Texas and New Mexico are so similar in climate and geographical conditions to northern Mexico that a tour of this area would be especially valuable to these peasant leaders. By letting them see how Americans have transformed these desert areas into blooming agricultural oases, we hope

to inspire these visitors to carry back to their own Mexican communities a new hope and better techniques for a better standard of living."

"The people who have organized this visit hope to give these peasant leaders dramatic proof that the American people are vitally interested in their future."

"They plan to recruit a very enthusiastic group of agricultural experts, civic leaders, school bands, city and Chamber of Commerce officials, and others who may be willing to be truly Good Neighbors."

"This project could easily become one of the most vital ever attempted on a people-to-people basis between the U. S. A. and Mexico. If the first tour is successful, they shall promptly proceed to bring several hundred more Mexican peasant leaders so that this program may have very far-reaching results."

"It is sure that news coverage of these events will yield intensely favorable pro-American goodwill in Mexico and the rest of Latin America. They are hopeful of getting extensive national and international coverage on radio, newspapers and television as this is the first time in history that a project of this type has ever been attempted."

"What about the necessary support of the Mexican and U.S. governments?" another asked.

"This is a people-to-people tour at the grassroots. While it has the blessings of the U. S. and Mexican governments, the program is being operated without government funds nor assistance of any kind. It is firmly believed that this is the best way

that private citizens can help to carry out the most effective type of foreign aid," Pete concluded. "Of course, I had to ask the inevitable question 'What is expected of us?'"

"I'm glad you asked," Pete said, smiling. "Hereford is to provide lodging — they will be barracked in the Bull Barn — coats must be provided. There will be ten women with the group who must be found separate accommodations with local families of Mexican descent. The group must be fed Sunday evening dinner, Monday breakfast and lunch, and informed guides must be obtained to conduct the tour of area agriculture. Service clubs are being asked to provide the meals — the Rotary

has already agreed to provide the breakfast. "Also in order to meet the cost of the tour — the buses and other expenses — the Mexico Good Neighbor Project advisory group are seeking memberships from local citizens interested in supporting this project. Cost of the membership is \$25.00 and has already been declared tax deductible."

"The Rev. Fred Beverdorf, pastor of the Lutheran Church here, has been named local chairman of the activities. Supporting memberships may be reported to him or to the Chamber of Commerce office. Checks should be made out to 'Mexico Good Neighbor Project.' That is Pete's report for this week."

# Nectarines Offer Sweet Flavor

By CECILY BROWNSTONE  
Associated Press Food Editor

SUMMER'S NECTARINE has a lot to offer.

Smooth skin (no peeling necessary) and delightful flavor are two of the best attributes of this relative of the peach.

Undoubtedly you serve nectarines to eat out of hand, but there are also other delicious ways to treat this fruit.

Nectarines make refreshing salads. Team them with cottage cheese or cream cheese and salad greens. Or add them to other summer fruits.

Poach whole or halved nectarines in a vanilla-flavored sugar syrup for a French-style compote. Or concoct Nectarine Melba — scoops of vanilla ice cream topped with halved poached nectarines and raspberry sauce.

Brush nectarine halves with melted butter and sprinkle their cavities with sugar; broil until heated through and serve with bacon and scrambled eggs for breakfast. Or let these broiled nectarines accompany baked ham or pork chops for dinner.

Fold sliced or diced nectarines into gelatin desserts — plain, Spanish, Bavarian or snow-pud-

ding variety. And consider trying this recipe for Tender Pancakes with Nectarine Sauce. It was liked so much at our house that four of us ate up what is designed for six! We served this dish for a summer evening company snack, but it's also perfect brunch fare.

**TENDER PANCAKES WITH NECTARINE SAUCE**

6 nectarines  
3/4 cup sugar  
1/2 cup and 1 tablespoon water  
Pinch of salt  
1/2 lemon, thinly sliced  
1 tablespoon cornstarch  
2 tablespoons butter  
Tender Pancakes

Slice nectarines. In a saucepan over low heat, stir together the sugar, 1/2 cup water and salt until sugar dissolves; bring to a boil. Add lemon; simmer 8 to 10 minutes. Mix cornstarch and 1 tablespoon water; stir into hot mixture. Cook, stirring gently, until slightly thickened and clear. Remove from heat. Stir in butter and nectarines. Reheat gently just before pancakes are finished. Spoon some of sauce over each pancake; fold in half. Accompany pancakes with remaining sauce.

**TENDER PANCAKES**  
1 cup sifted flour  
1/4 teaspoon salt  
1 tablespoon sugar  
2 eggs  
1/2 cup milk  
1/2 cup heavy cream  
2 tablespoons butter, melted and cooled

1/4 cup finely chopped blanched almonds  
Butter for frying

Sift together the flour, salt and sugar. Beat eggs with milk and cream just to combine; gradually stir into flour mixture keeping smooth. Stir in butter and almonds. Generously brush a 6-inch skillet with butter and heat; hold skillet off heat and pour in 2 tablespoons batter; swirl off heat so mixture covers pan. Brown rapidly on both sides; turn out. Generously brushing skillet each time, continue making pancakes; keep them warm until batch is finished. Makes about 18 pancakes.

In a saucepan over low heat, melt the butter; stir in flour; add milk. Cook and stir constantly until slightly thickened. Combine egg yolks and lemon juice and mix with the sauce. Stir over low heat for about a minute. Off heat, stir in cheese, mustard, pepper and salt until cheese melts. Makes about 1 1/2 cups.

**COMPANY DINNER**

Refreshing tangy dessert for a hot summer day.

Fried Chicken Hominy Grits  
Green Peas with Butter Sauce and Mushrooms  
Sliced Tomatoes Bread Tray  
Frozen Lemon Cream Beverage

**FROZEN LEMON CREAM**

1 cup milk  
1 cup cream  
1 cup sugar  
Grated rind and juice of 2 lemons  
2 to 4 teaspoons ginger

In a mixing bowl, stir together the milk, cream and sugar until sugar is entirely dissolved; stir in ginger. Set the bowl in the freezer or pour the mixture into a refrigerator tray and freeze it until it is mushy. Add grated lemon rind and juice; beat well with a rotary beater; freeze again for 2 hours. Beat again thoroughly and return the cream to the freezer to stiffen and store. Makes 3 pints. To store, Frozen Lemon Cream may be packed in a plastic container and covered tightly.

Note: For a slight subtle taste of ginger, use the smaller amount; for more distinctive ginger taste, increase the amount.

NECTARINE SAUCE, made from the fresh fruit, accompanies tender pancakes to which almonds give a delightful fillip.

**TEA CAKE**

1 package (1 pound, 1 ounce) pound cake mix  
1 tablespoon instant tea  
1 teaspoon grated lemon rind  
Make up and bake the cake mix according to package directions, adding the instant tea and lemon rind to the liquid called for.

**FAMILY LUNCH**

Green beans served this way make the main course:

Snap Bean Luncheon Plate  
Lettuce and Tomatoes with Basil Dressing  
Fruit Gelatin Beverage

**SNAP BEAN LUNCHEON PLATE**

1 1/4 pounds snap beans  
Boiling water  
6 slices toast  
Mustard-Cheese Sauce  
12 slices crisp bacon

Wash and remove tips from snap beans. Place in a saucepan with one inch of boiling water and salt. Bring to a boil and cook, uncovered, for 5 minutes. Cover and boil 10 to 15 minutes or until beans are crisp-tender. Drain beans and arrange on toast. Serve with Mustard-Cheese Sauce and lemon. Makes 6 servings.

**MUSTARD-CHEESE SAUCE**

1/4 cup butter or margarine  
2 tablespoons flour  
1 cup milk  
3 egg yolks, beaten lightly  
2 tablespoons fresh lemon juice  
3/4 cup grated sharp American cheese

1/2 teaspoon dry mustard  
1/8 teaspoon pepper  
Salt to taste
