Warren Calls Meeting To Avert Strike

WASHINGTON, Jan. 2 (AP)—The government scheduled positive action today in one strike threat—that of 200,000 electrical workers—

Conciliation chief Edgar Warren called representatives of Westinghouse and General Electric companies to a delayed meeting to discuss their wage dispute with the CIO-United Electrical Workers.

Union officers, reporting that their conversations with GE and Westinghouse had been broken off, told Warren a strike against those two firms was "inevitable."

A third company, General Motors, is involved in the union's demand for a \$2 a day wage increase.

While Warren hoped to avert a walk-out at GE and Westinghouse by gaining an agreement for a resumption of negotiations,

President Truman Monday night appointed a three-man fact-finding panel to go into the steel wage dispute

Nathan P. Feinsinger, member of the War Labor Board until it went out of existence yesterday, was appointed to the panel

Packinghouse Strike Called

CHICAGO, Jan. 2 (AP)—A nationwide strike of approximately 200,000 members of the CIO-United Packinghouse Workers of America has been called for Jan. 15

He said that not only the large packers—Swift, Armour, Wilson and Cudahy—but also "most smaller independent packing plants" would be affected

The strike is being called, Clark told a news conference, in support of the union's demand for a 25 cents an hour wage increase.

Pedro Salas was hit with a \$25 fine and costs in justice court Monday after pleading guilty to the theft charge.

Theft Combination Nabbed By State

The state worked a double play combination successfully over the weekend, landing not only a man it accused of stealing blankets and a set of hand tools, but the person who allegedly took it from him for a cash consideration, as well.

Wednesday, Ramon Padilla appeared before the same authority to enter a plea on the charge that he handled the property, and was fined \$1 and costs.

City Schools Reopen With 60 New Pupils

Big Spring schools re-opened Wednesday after a two week holiday period with approximately 60 new pupils enrolled today.

New residents in town helped to account for the influx, Blankenship believed.

Send Seed To Syria

HILLSBORO, Jan. 2 (AP)—Bert and Wallace Stufflebeme of Itasca, state registered cotton and corn breeders, recently were requested by the chief agronomist of the experiment station, A. and M. College Station, to forward a sample of their latest improved blue tag Rowden and their new Mebane cotton seed to the Lebanese Republic, Syria, for test purposes.

Limited Numbers Of Automobiles Again Produced

Over Half Of Plants Resume Work; GM Still On Strike

DETROIT, Jan. 2 (AP)—Limited production of 1946 model passenger car was resumed in about half the nation's automobile factories today.

Remaining closed were the strikebound General Motors assembly lines which normally assemble approximately 50 per cent of all cars and trucks made.

Ford, Chrysler and Hudson, which closed last Friday night, were among the plants returning to production.

In nearby Windsor, Ont., the Ford Motor Co. of Canada, Ltd., brought back 10,000 production workers, following a 99-day wage and union security dispute which has been submitted to negotiation and arbitration.

Most of the plants reopening today obtain vital parts like fuel pumps, spark plugs and wiring harnesses from General Motors.

The production capacity restored today could account for about 100,000 vehicles during January, barring further parts curtailment.

The motor vehicle makers who last October talked about building 5,000,000 or more units in 1946 now are discussing the possibility of turning out 3,500,000 during the coming 12 months.

At South Bend, Ind., Studebaker today began shipments of passenger automobiles for the first time since January, 1942.

In Toledo, Willys-Overland went back into production of its peacetime "jeep," suspended for several weeks because of labor troubles in the plant of a parts supplier.

Building Permits Up In Costs For Month

Costs of building permits issued during December, 1945, were almost four times the amount issued in the same period of 1944.

Fifty-eight permits amounting to costs totaling \$48,615 was included in the December report as compared with 37 permits amounting to \$12,750 in December, 1944.

Year's end brought no lull in district court business.

Judgement was passed in five suits, including three involving divorce action.

Custody of three minor children was awarded Hazel Mendenhall as she gained legal separation from Tracy Mendenhall.

Katherine J. Jackson, in action against Thomas Wade Jackson, had the bonds of marriage severed by the state.

Application for change of name of Odessa Crenshaw Jones gained favorable reaction. She is authorized to drop the supplement.

In his suit to clear title of property, R. L. Cass was awarded judgment.

Crawford And Settles Hotel Sale Revealed

Transactions including Big Spring's two largest hotels and involving \$2,850,000 have been announced by J. B. Mills, Dallas, president of the Federal Hotel Company.

Properties involved in the deal were the Crawford hotels in Big Spring, Colorado City and Carlsbad, N. M., and the Settles hotel in Big Spring.

The Federal Realty Corp. of Dallas purchased the buildings and real estate properties, Mill said, while furniture and fixtures were sold to the Federal Hotel Company.

Purchase was effected from F. Hofues, Dallas, and associates. Not included was the Crawford hotel in Midland, where Calvin Boykin, who was associated in the venture with Hofues and others, retained his interests.

Boykin said Wednesday that for the time being he and his family would reside here.

The trade climaxed a series during the past three years. Effective Jan. 1, 1944, Hofues and A. J. Crawford, Carlsbad, N. M., cattleman and capitalist, acquired the Settles hotel here as well as the Colorado City hotel. These were added to the Crawford in Big Spring, Midland and Carlsbad.

Then in 1945 Hofues, Boykin and others purchased the Crawford interests.

Boykin had been here since the late 20's, coming to Big Spring from Carlsbad, N. M., where he was the youthful manager of the first Crawford hotel, to oversee construction of the Crawford structure at Third and Scurry. He had remained here since, later assuming the dual role of manager of the hotel here and at Colorado City. After the group was enlarged, he was general manager of all.

Federal Underwriters of Dallas will operate the hotels as a part of its system which has units in Houston, Dallas, Tulsa, Okla., and several smaller cities in Texas and New Mexico.

George C. Blocker Service Wednesday

Services were scheduled for Wednesday at 3 p. m. for George Christopher Blocker, 62, who died suddenly at the home of his brother in Stanton on Dec. 31, at 9:30 p. m.

Mr. Blocker was born in Hill county on April 27, 1878, and had been a farmer in Howard county.

Survivors include seven sons: Roland Blocker, Elm Mott; A. J. Blocker, Whitney; Earl Blocker and J. W. Blocker, Stanton; Bill Blocker and James Blocker, Dallas; Walter Blocker, Stanton; three daughters, Mrs. D. B. Griffin of Whitney, Mrs. Wiley Williams of Lomax, and Miss Margaret Blocker of Stanton; one brother, J. W. Blocker of Stanton; the mother, Mrs. Lula Blocker of Stanton; a sister, Mrs. Annie Hardaway of Stanton, and seven grandchildren.

Funeral was to be conducted by Rec. Briggs and burial was to be in the Evergreen cemetery.

Attack By Air Not Expected, Stark Testifies

Subs Off California Coast Would Not Be So Surprising

WASHINGTON, Jan. 2 (AP)—Admiral Harold R. Stark testified today that in December, 1941, the navy did not expect either an attack on Pearl Harbor or any such broad-scale offensive as the Japanese launched.

The former chief of naval operations told a senate-house committee he would not have been surprised by the appearance of Japanese submarines off San Francisco, but he was "not expecting an air attack on Hawaii at that time."

Stark took the stand for questioning by William D. Mitchell, committee counsel, as the inquiry group resumed sessions after a new year holiday.

Mitchell said it seemed apparent that the 1941 commanders at Hawaii were of the opinion that there was no possibility of an air attack on Pearl Harbor.

"I was not expecting an air attack on Hawaii at that time," the white-haired admiral replied. "I knew it to be a possibility, but as to actually expecting an attack at that time, I did not."

Stark said the only tangible evidence the navy department had was that the Japs would launch their first attack somewhere in southeast Asia.

Nevertheless, Stark said it was his intention in a Nov. 27, 1941 "war warning" message to put all of the Pacific commanders on guard against attack.

Mistaken Identity

Son Rushes In To Attend Own Death Inquest

STREATOR, Ill., Jan. 2 (AP)—Alfred Huber, 31, recently returned home from the Pacific after Army service, rushed into the Howland funeral home yesterday, interrupting an inquest into the cause of his reported death.

His father, Edward Huber, blinked his eyes in surprise; his mother fainted, and his two brothers greeted him with joy.

Earlier, Edward Huber, 52, a meat cutter, had identified the body of a young man killed in a taxicab accident as his son, Alfred.

Alfred's father said: "Son, I could've sworn that was you, but I was pretty sleepy about 6 a. m."

Alfred explained he had made an overnight trip to Ottawa, Ill., and upon arriving home was told by neighbors he "better hurry up or I'd miss my own inquest."

Later the body was identified as Walter Springman, 23, of Alton, Ill., also a discharged soldier.

Texas May Have Slim Chance To Fill Quota

Truman To Tell People Plans In Radio Talk

WASHINGTON, Jan. 2 (AP)—President Truman returned to Washington today from a cruise on the Potomac, ready to carry his fight for his legislative program direct to the people both by radio and television.

The presidential yacht Williamsburg docked here this morning. The president had breakfast aboard, after she docked at the navy yard, then drove to the White House.

Mr. Truman speaks at 9 p. m. (CST) tomorrow on all radio networks in his first straight-to-the-nation appeal to knock loose in 1946 the shucks a balky Congress placed in 1945 under his 21-point legislative wagon.

And on January 15 he will go before Congress in person to deliver the first televised presidential message. This is expected to be an elaboration of his Thursday night speech which White House aides have described as an "overall report to the nation."

Workmen have been installing television equipment at the capitol for several days.

The President has spent the last four days and five nights writing his speeches and releasing aboard the yacht Williamsburg on the cold, rainy Potomac river.

Except for tax revision, limited government reorganization authority and a single administrator for surplus property, Congress left Mr. Truman's domestic legislative program in various stages of frustration when it went home before Christmas.

Army and Navy merger, fact-finding boards for labor disputes, employment aids, health insurance—these are some of the things high on his schedule.

An indication that labor-management troubles would have a prominent place in the address was seen in the presence aboard the yacht of Dr. John R. Steelman, the President's newest administrative assistant and former head of the US Conciliation Service.

Defiant Prophecy

Adolf Certain His Spirit Will Rise From Grave

NURNBERG, Germany, Jan. 2 (AP)—Adolf Hitler was pictured today as going to his death with a defiant prophecy that his spirit would arise from the grave and that the world one day would see that he had been right.

The new version of the fuhrer's final hours was contained in a long, secret letter written by Joachim von Ribbentrop, Nazi foreign minister, to Winston Churchill and Anthony Eden just before he was captured last summer.

The war moved so swiftly, however, that the rambling handwritten letter, which Von Ribbentrop described as Hitler's "last political will," was never delivered to the then British leaders.

Von Ribbentrop, plotting the fuhrer as a broken and bitter man, said Hitler had never wanted war with Great Britain or the United States and that he had hoped until the last to come to terms with the British. The letter declared, in fact, that Hitler had entrusted Von Ribbentrop with the task of delivering an appeal for real friendship between Britain and Germany as a "fundamental necessity if both nations will live in the long run."

Hitler, Von Ribbentrop declared, looked upon the war solely as a struggle between two world conceptions—"nationalist and communistic."

Of the war with the United States, the letter said: "Hitler regretted the war with America because we had no possible divergencies with this big nation. We had always regretted this war from the beginning and have done everything we could to prevent it, even when our ships were being attacked."

POTTS BABY SAID FIRST IN 1946

Early reports indicate that Mr. and Mrs. Buddy Potts are the fortunate parents of the county's first baby born in 1946, which is to be complemented with several gifts from local merchants.

The boy was born at 4:10 a. m. Jan. 1 at the Malone-Hogan Hospital-Clinic. The child weighed six pounds and eight ounces at birth and has been named Earl Ralph.

Potts is employed at the Clark Motor Company.

Church Women's Council Has Monday Meeting

For their regular fifth Monday meeting, the members of the United Council of Church Women gathered last Monday at the First Methodist church for a program conducted by Mrs. Bernard Fisher.

The group sang hymns directed by Mrs. Willard Reid and accompanied by Mrs. H. C. Smith. The devotional was given by Mrs. D. A. Koons, and the speaker of the afternoon was Rev. W. L. Porterfield, who discussed "The Woman's Place in the Home and Church."

After a solo, "Jesus Only," by Mary Sue McNallen, accompanied by Mrs. Sue McNallen, Miss Lucille Steers spoke to the women. Miss Steers, a returned nurse, discussed her experiences as a nurse in England, France and Germany.

At the short business meeting Mrs. Sylvan Dalmont was elected to represent the council at the annual conference of church women in San Antonio in April.

Those who registered at the meeting included Mrs. Dalmont, Mrs. L. M. Williams, Mrs. H. J. Whittington, Mrs. O. B. Bales, Mrs. T. S. Currie, Mrs. J. T. Allen, Mrs. J. B. Young, Mrs. George Hall, Mrs. Lee Porter, Mrs. Cecil Nabors, Mrs. Arthur Pickle, Mrs. B. Eckhaus, Mrs. J. M. Fisher, Mrs. H. M. Hall, Miss Sue Steers, Mrs. J. B. Mull.

Predicted Problem Of Texas Women In Industry Has Not Developed

By ELLA TARBELL PRICE
Associated Press Staff

Women, with war-born skills have failed to develop into the labor problem in Texas predicted for them back in the urgent production years of 1943 and 1944.

V-E Day turned the trend of employment of women downward, and V-J Day gave impetus to the rate at which women are leaving their industrial jobs and returning to housework.

But they are not deserting the labor force with such alacrity that employers are left without experienced help. Neither are they interfering noticeably with the employment of returning veterans by holding on to their production jobs longer than they are needed.

The war has left new fields of employment open for women. Employers found many jobs formerly considered men's work which women do as well or better than men.

And the women have found that, although they can do work they didn't think of trying before the war, they still prefer running a house to spot welding.

The percentage of jobs held by women in the state of Texas hit a peak in June of 1944, and has been dropping gradually since that time. But it is still far above the prewar level.

United States Employment Service statistics show that in the peak war production month a year and a half ago, 28 per cent of the 435,260 persons employed in over 700 Texas production industries, were women.

Today women comprise 26.2 per cent of the 285,633 people employed in comparable industries. The trend is down, but it may never reach its pre-war normal of 17 per cent of the non-domestic labor force in 1940, the USES predicted.

A survey of employers show that almost all separations are at the volition of the women employee herself. Employers are not laying

for men now in the Army to retain their present grades by reenlisting . . .

Men now in the Army who reenlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge, provided they reenlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Recruitment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

PAY PER MONTH—ENLISTED MEN

Table with columns for rank (Master Sergeant, Technical Sergeant, Staff Sergeant, Sergeant, Corporal, Private First Class, Private) and monthly pay amounts for 1, 2, and 3 years of service.

(a) — Plus 20% Increase for Service Overseas. (b) — Plus 50% if Member of Flying Crews, Parachutist, etc. (c) — Plus 5% Increase in Pay for Each 3 Years of Service.

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

- 1. Enlistments for 1 1/2, 2 or 3 years. (One-year enlistments permitted for men now in the Army with at least 6 months' service). 2. Enlistment age from 17 to 34 years inclusive, except for men now in the Army, who may reenlist at any age, and for former service men, depending on length of service. 3. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before February 1, 1946. 4. The best pay scale, medical care, food, quarters and clothing in the history of our Army. 5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service. 6. Up to 90 days' paid furlough, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist. 7. A 30-day furlough every year at full pay. 8. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist. 9. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement. 10. Benefits under the GI Bill of Rights. 11. Family allowances for the term of enlistment for dependents of men who enlist before July 1, 1946. 12. Opportunity to learn one or more of 200 skills and trades taught in Army schools in U. S. or occupied countries. 13. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments. 14. Privilege of benefits of National Service Life Insurance. 15. Reserve and A.U.S. commissioned officers who are released from active duty may be enlisted in Grade 1 (Master Sergeant) and still retain their reserve commissions.

Trojans Routed In Rose Bowl, 34 To 13

Californians Wilt In Last Half Play

PASADENA, Calif., Jan. 2 (AP)—Southern California's Trojans went to the well nine times before they fell in, but that ninth time—Never, say the oldest historians, has the Rose Bowl witnessed a more convincing shelling than Alabama's alert, hard-hitting Crimson Tide gave the Trojans yesterday in exploding the myth of Southern California bowl invincibility.

A crowd of 93,000 ho-hummed as Alabama rolled up 18 first downs to three for the Trojans, and won 34-13. With all due credit to the great Harry Gilmer, Lowell Tew, "Corky" Corbett, and other stiletto-sharp backs Coach Frank Thomas threw at the befuddled Trojans, it was the line that made the contest an old-fashioned Alabama barbecue. Tom Whitley, 190 pound tackle; Jack Green and John Wozniak, a tough pair of sowed-off guards; and All-America center Vaughn Mancha never let up. While the Trojans held him to four completions in 12 passes, the rubber-legged, deceptive-gaited Gilmer netted 116 yards in 16 running plays, scored one touchdown and tossed another. Bama tallied in every period and did not allow USC to score until coasting on a 34-0 lead. Three Tide counters came on sustained drives of 64, 69 and 78 yards. Halfback Ted Tainehill was Troy's lone standout, defensively and offensively. The rest of the Trojans only proved the moth-eaten adage: the bigger they are, the bigger they splash.

Trippi The Difference As Georgians Rock Tulsa In Oil Bowl Game, 20-6

HOUSTON, Jan. 2 (AP)—Charley Trippi was the ball game yesterday as a sharp band of Georgia Bulldogs whipped Tulsa's Golden Hurricanes, 20-6, in the second annual Oil Bowl classic.

Some 27,000 fans—just about a house full—came mostly to see the 180 pound ex-soldier do his tricks of football magic and they were rewarded by a great one-man fourth quarter show sandwiched into a magnificently played game. Henry Frnka's Hurricanes, making their fifth successive bowl stand, matched Georgia's first period touchdown in the second stanza, but their try for point failed and Tulsa trailed by a point, 7-6, going into the last stanza. The Bulldogs were parked on their own 46-yard line soon after the last quarter opened, on first down, Trippi took the ball from center, faded deep and whipped the ball down-field. John Donaldson, a wingback, made the catch on the run at Tulsa's eight yard line and the 54 yard scoring play was complete.

That was more than enough to win the game, but Trippi still had his classiest effort up his sleeve. Hardy Brown, great little Tulsa punter, booted the ball high and far. Trippi caught it on the Georgia thirty-one, side stepped a couple of Hurricanes, re-

versed his field and started down the sideline. Hurricane halfback J. D. Boone hit Trippi hard on the Tulsa thirty, but the Bulldog star kept his feet and continued his flight for a touchdown. Georgia jumped to a quick lead shortly after the opening kickoff. Little Charles "Rabbit" Smith, 151 pound wingback, scooted across from the three yard line after the Bulldogs had fumbled and lost the ball after a drive to the Hurricanes eighteen on the kickoff. George Jernigan, Georgia's place-kick expert, converted, to give the Bulldogs a 7-0 lead. Tulsa turned a Georgia fumble into a touchdown in the second period. Quarterback John Rauch attempted to pass from deep in his own territory and dropped the ball, 290 pound Forrest Grigg recovering for Tulsa 13 yards from a touchdown. Fullback Camp Wilson hammered the Georgia line for short gains and finally sliced through from the three yard line.

LOOKING 'EM OVER

With ANGUS LECHESTER For the many converts who have an insatiable mania for sitting in on the New Year's Day football bowl classics and will endure 600-mile pilgrimages to accept that privilege, i. e., the writer and his hosts, Mr. and Mrs. R. E. Blount, arrangements should be made to have the games played on the first day of the old year.

Grid fans, more than anyone else, need a day of complete rest after being witness to such a bout as the Cotton bowl classic Tuesday.

Texas university's great end, Hubert Bechtol, is thinking seriously of playing out his string at his old school, Texas Tech.

The soft-spoken, unassuming Bechtol, now a junior, winds up his V-12 training program shortly. That has been supplying the funds to keep him at the university. To date university nabobs have been slow in providing him with assurance of a part-time job, whereas Tech supporters would go the limit to lure him back to Lubbock.

Too, Hubert may soon become a benedict.

It is known, however, that he can get most anything he wants from university backers. It's simply that the Lubbock All American has kept most of his problems to himself.

The modest Beck has repeatedly told Big Spring's Pep Blount he thought he didn't deserve the All-America honor, which he won for the second consecutive year last Autumn.

Fans who were doubtful of his greatness, the writer among them, climbed aboard his bandwagon after the Missouri game Monday. He's an All-American in every sense of the word and

West Texas should be proud of him. Hubert, incidentally, is brother to the late Bud Bechtol, regular halfback on the Big Spring high school football team in the early '30's. Bud was killed in the Philippines about two years ago.

Sports writers throughout this broad land will give most of the credit for the Texas win to Bobby Layne—and Robin was pitching strikes all afternoon—but it was his great receiver who made him look good. The Tigers set their defense for Hugh and still with an incredible sense of timing, Beck was able to shake himself loose.

Tremendous on offense, the Lubbockan looked even better on defense. The invaders from the "show me" state were able to turn his end but twice and on both occasions the blocks thrown at him looked like unadulterated clipping from the stands.

Dallas is abuzz with the talk of increasing the seating capacity of the Cotton Bowl to 100,000. If such rumor becomes fact, a new stadium will probably be put up in a different section of the city.

It is quite probable that Matty Bell, SMU's mentor, will come out to Big Spring some time this month to show motion pictures of the Texas-SMU grid game of last fall, the classic which Pep Blount's 11th hour touchdown enabled the Steers to win, 12-7.

Yuell Robb, local theater magnate, has been talking with the Mustang mentor about such an expedition.

One of the lads who witnessed the Cotton Bowl show as guest of the Texas team is Odessa's popular J. W. Thompson. The Bronc all-state fullback won't commit himself but he seems to be fairly well sold on going to the university, despite all zealous Texas A&M backers in that part of the world can do. However, J. W. is expecting an early draft call and may have to spend a year in uniform before he can even think about college.

There was many a familiar face around Dallas over the week-end. Chet Fowler, the old Texas league third sacker who played at Big Spring with the Cowden Oilers in the early '30's, popped up in the Longhorns' headquarters downtown. Chet will umpire in the International league the next season, if he can't effect a transfer to the Texas league—and he's working through President J. Alvin Gardner for that very thing.

Tiny Reid, former grade school principal here and later a high priest at East New Mexico college, was conspicuous in the colorful crowd. He's going into Veterans' Administration work.

All the Robb family—Yuell and the missus, Ike and Janet, were apparent. So was Dewey Colum. Obie Bristol was supposed to be somewhere in the vast gathering.

Mileway Baker and M. O. Speers went down Monday and stayed over for an ice hockey game to-night.

NEW ORLEANS, Jan. 2 (AP)—The Cowboys of Oklahoma A. and M. won the Sugar Bowl game yesterday, but the gallant galloping Gaels of St. Mary's won the hearts of the biggest football crowd ever assembled in Dixie.

The score was 33 to 13. Most of the officially estimated 75,000 spectators will forget that before long, but they will never forget the Gaels' courage and fancy football.

The Aggies obviously had the better ball club. Their strapping linemen ripped holes for gains of 217 yards rushing, holding St. Mary's to 61. All-America halfback Bob Fenimore accounted for 130 Aggie yards, and plunges by Indian-Jim Reynolds for most of the others.

The Gaels, however, put on the show and drew the shouts from the crowd. They used flat passes from their 13-yard line; odd plays from fantastic spread formations; triple laterals, downfield laterals, laterals ending up with guards carrying the ball.

In fact, the second St. Mary's

Lakeview Lions Tuesday afternoon in the Cattle Bowl game. It was Tyler's game all the way, as they unleashed a ground attack which amassed a total of 220 yards, while their defense held the Lions for a net deficit of 25 yards for the afternoon. However, the Lakeview lads managed to stiffen their defense sufficiently to play on almost equal terms and make two serious scoring threats in the last half.

Walker-Goode Pass Enables West To Tie

SAN FRANCISCO, Jan. 2 (AP)—The East's outstanding college football players battled the All-Stars from the West to a 7-7 tie in the Shrine's annual New Year's Day charity game, emphasizing again the near equality of the squads over 21 years.

Three other games have ended in deadlocks and most of the other 17 have been close. The West has an 11 to 6 margin in victories. Doak Walker of Southern Methodist passed to Bob Goode of Texas A and M in the end zone for West's second period touchdown after getting the ball on the 10-yard line as the result of Syracuse Roger Robinson's fumbled punt. Jake Leight of Oregon converted from placement.

East took the second half opening kickoff to a touchdown, sparked by Dartmouth's Merrill Frost, who returned the boot 16 and tore off 35 more in three plays. Then Allen Dekrebrun, Cornell quarterback voted the game's outstanding player, broke through the line and raced almost untouched for a touchdown. Purdue's Tom Hughes place kicked the deadlocking point.

Flow Of TD's Keep Stands In Uproar

DALLAS, Jan. 2 (AP)—There have been better football games played than yesterday's Cotton Bowl but none ever had more action or more thrills than Bobby Layne's—er, beg pardon—or Texas' 40-27 victory over Missouri.

Wedemeyer couldn't match Fenimore on the ground in the All-America contest, but he completed nine of 18 passes for 155 yards, to Fenimore's four out of 41 for 76 yards.

St. Mary's scored first, on a 47-yard pass play from Wedemeyer to O'Connor. Two minutes later Fenimore looped a 29-yard touchdown heave to Cecil Hankins, climaxing a 64-yard advance made entirely on Fenimore runs and passes.

Fenimore's short plunge to a second-period touchdown after a 31-yard drive put the Aggies permanently ahead. De Salvo's score came soon afterward.

As the Gaels wilted in the second half, Fenimore and Reynolds each plunged to another score and on the game's last play Reynolds shot a pass which a Gael batted into substitute Bob Thomas' hands for an A. and M. touchdown.

A 47-yard pass from Layne to bill Baumgarner scored the first Texas touchdown, Layne ended a 60-yard drive by driving over from the Missouri one for the next Longhorn score, bounced over from the one-foot line for the third, passed 15 yards to Baumgarner for the fourth, took a 34-yard pass and ran 15 more for the fifth and took a lateral for three yards and the final Texas counter.

A pass play engineered by Bill Dellastatious and Roland Oakes that gained 65 yards got the initial Missouri touchdown, Dellastatious blasted over from the Texas three for the score, Howard Bohnett sped 21 yards through the line for the third and Hopkins cracked through from the Texas one-foot stripe for the final. Tackle Jim Kekeris kicked three points after touchdown.

It was Texas' third Cotton Bowl game in four years. The Longhorns have won two and tied one. Missouri has lost in the Orange Bowl, Sugar Bowl and now the Cotton Bowl.

Yesterday's game produced the largest number of points ever scored in the Cotton Bowl. The previous high mark was 50 set in 1942 when Alabama beat Texas A. and M., 29-21.

Red Cross Still Needs Volunteers
At least 100 more children's dresses must be finished by Jan. 15 to meet the chapter's quota, Mrs. G. G. Sawtelle, executive secretary of the local Red Cross, reported.
She has asked that women in town again take an active interest in production work, since the Red Cross rooms have been redecorated and freshly painted for an attractive place to work.
The sewing room is open from

9 a. m. to 5 p. m. on weekdays; from 9 a. m. to 1 p. m. on Saturdays.
