HEREFORD, TEXAS, THURSDAY, AUGUST 17, 1916

NUMBER 29

W. A. Greer Dies.

Wednesday morning about four o'clock W. A. Greer of this city died at his home in the north part of town after but a few hours illness of paralysis. The funeral will be held this afternoon at the home at 3 o'clock.

The deceased was taken ill about one o'clock Tuesday and grew rapidly worse till the end. He had been in his accustomed good health till a few weeks ago when he had something of a nervous breakdown but had apparently recovered and was able to be engaged in his business of painting.

Mr. Greer was 34 years old being born in Gulf Port, Mississippi in 1882. They come from there here about a year ago. His mother, Mrs. M. Greer arrive from that city last night for the funeral. A sister, Mrs. C. W. Collins of Oklahoma City also came in. Mrs. Greer is a sister of Rev. E. E. L. Farmer, formerly pastor of the Baptist church here, now president of Wayland College at Plainview. Rev. and Mrs. Farmer and two sons came in yesterday evening. Mr. Greer was a member of the Baptist Church of this city. While he had been here but a short time he had many friends here who had learned to trust and respect him.

Distributing Blackleg Vaccine.

Stock owners in Texas will be interested in the decision of the Bureau of Animal Industry of the United States Department of Agriculture to make its local office at Fort Worth a distributing station for blackleg vaccine. The loss of young cattle from this disease in the State of Texas is considerable. It is being reduced to a minimum by those progressive stock owners who regularly vaccinate.

To secure the Government vaccine stock owners should make request for application blanks to Dr. L. J. Allen 217 Live Stock Exchange Building, Fort Worth, Texas. Vaccine will be sent on request made on blanks prepared for the purpose, but only to actual stock owners for their cattle alone.

The Bureau of Animal Industry, through its Fort Worth office, is cooperating with the Live Stock Sanitary Commission of Texas, County Commissioners' Courts, and stock owners in the eradication of the cattle tick which transmits Texas or Splenic Fever. About 40 per cent of the original area quarantined in the United States for these ticks has been cleaned up under such cooperative efforts, and released from quarantine. Systematic dipping is the only method used. A great volume of this work is being done in Texas. Three quarters of a million head of cattle, in some twenty counties in Texas, are being dipped at regular intervals for tick eradication in approximately 900 vats, most of which have been built since January 1st.

Chautauqua A Winner

The White and Myers Chautauqua closed its five days' program here Saturday with the people of Hereford and surrounding country lined up enthusiastically in its favor.

"The talent was good, the interest and attendance were good—both exceeding the expectations of the most optimistic chautauqua boosters. That this array of splendid talent was so well received speaks loudly of the demand which the people of this community make for good, clean, uplifting entertainment.

The chautauqua coming as it does when the busy season for the farmer is past, gives it an opportunity to reach a large per cent of the citizenship of the county and it is a decided mental and moral stimulus as well as a recreation.

It is aligned with the church and the school for progress and good citizenship and as such it deserves the hearty support of the people.

Much sentiment in favor of a permanent chautauqua is being expressed.

Joel Jettings

Mrs. Mary Hays spent two weeks with Mrs. Askren.

Mr. Snyder, of Illinois, who is putting down a well just two miles west of Joel switch, had a car load of lumber set off at that place which will go for improvements.

Mr. and Mrs. Wallis spent Sunday with Mrs. Hasser.

Mr. and Mrs. L. A. Smith and Mr. and Mrs. Miller, Mrs. Smith's father and mother, spent Friday evening at the Galley home.

Miss Esther Rice is staying with her sister, Mrs. Hollis Galley.

Quite a few of our neighborhood attended the revival meetings in Hereford.

Mr. and Mrs. Wallis spent Monday afternoon at the Marshall Chamness home.

Fred Shafer was sick a few days last week.

Mrs. Will Vetter entertained company Sunday night at supper.

Mr. Hardeeman is having his car repaired.

Mrs. Hollis Galley and Esther Rice spent Tuesday afternoon with Mrs. Ray Hershey.

Mr. and Mrs. Will Negelin went fishing last Wednesday and the fish they caught were served at breakfast the next morning in honor of Mr. Negelin's birthday.

Mrs. Geo. Douglas of Dimmitt, is visiting her old friend, Mrs. C. P. Galley.

Typhoid Patients Doing Well

The serious illness of James Rutherford and David McDonald has caused much uneasiness among the friends of both of these estimable boys, and all are glad to know that the condition of both is now considered favorable and that they have every chance of recovery.

THE TWO GLASSES

There sat two glasses, filled to the brim
On a rich man's table rim to rim.

One was ruddy and red as blood.

The other was clear as the crystal flood.

Said the glass of wine to his paler brother,

"Let us tell the tales of the past to each other."

"I can tell of the banquet of revel and mirth.

Where I was king for I ruled in might

And the proudest and grandest souls on earth.

Fell under my touch as though struck by blight.

From the heads of kings I have torn the crowns,

From the heights of fame, I have hurled men down.

I have blasted many an honored name,

I have taken virtue, and given shame.

I have tempted the youth with a sip and a taste,

And made his future a barren waste;

I have made good ships go down at sea,

And the shrieks of the lost were sweet to me.

For they said, behold, how great you be,

Fame, strength, wealth, and honor before you fall

And your might and power are over all."

"Ho! ho! pale brother," laughed the wine,

"Can you boast of deeds as great as mine?"

Said the water glass, "I can not boast,

Of king dethroned, or murdered host.

But I can tell of hearts that were sad

By my crystal drops made light and glad.

I have cooled the hot forehead of fever and pain.

I have made the parched meadows grow fertile with grain.

I can tell of manhood debased by you,

That I have lifted and crowned anew.

I cheer, I help, I strengthen, I aid,

I gladden the heart of man and maid.

I set the wine-chained captive free.

And all are better for knowing me."

These are the tales they told each other.

The glass of wine and his paler brother,

As they sat together, filled to the brim.

On a rich man's table, rim to rim.

A. H. Elliston Here

A. H. Elliston, a former Herefordite, but now of Pomona, California, is renewing acquaintances here this week. He expects to remain through the summer, as he is looking after his holdings in this section as well as enjoying a visit. He reports the health of his daughter, Ruth, to be much improved since going to Pomona.

Mr. Elliston handed us this clipping from the Norwalk (Cal.) Call, which will be of interest to the friends of Mr. and Mrs. Elliot in this county. Mr. Elliot is an uncle of Mr. Elliston.

Sixtieth Anniversary

Something very unusual took place on last Friday, July 14th, when a group of relatives and old-time Texas friends gathered at the home of Uncle James and Aunt Jane Elliot, of Norwalk, to celebrate with them their sixtieth Wedding Anniversary. A remarkable feature connected with this occasion was that Uncle John A. Freeman, the minister who performed this wedding ceremony sixty years ago, was present and enjoyed this occasion very much. There were six persons who crossed the plains from Texas to California in ox wagons "away back in the fifties," when moccasin tracks of the red skins were plentiful. The six were: Mr. Freeman, 95, Mrs. Rochell Eads, 84; James Dougherty and wife, and James Elliot, 81 and his wife 80.

Others present were: G. H. Lillard, wife and daughter; Mrs. Laura Merchant; A. H. Elliston, wife and daughter; Lafayette Elliot and family; Mrs. Nettie Fisher and Florence Elliot.

In the afternoon, A. H. Elliston hooked up his up-to-now ox team, a Buick Six, and drove the minister, with the bride and groom to Downey, where photographs were made of them representing July 14th, 1856.

Mr. and Mrs. Elliot both seem to be quite hale and hearty, and appear likely for several more years of useful life. When asked if they had applied for a divorce yet, they said they were not giving divorces when they were married, and that they had not learned how to apply for one.

They are comfortably located in their home on Church Street, and we wish for them many more years of happy life together.

"Down the stream of life together
We are sailing side by side,
Hoping some bright day to anchor
Safe beyond the surging tide."

Surgeon Left Body for Examination

Chicago, Aug. 14.—Dr. John B. Murphy, noted surgeon, who died at Mackinac, Mich., was true to the dictates of his science, even in death. Almost his last act was to will his body to his colleagues for a post-mortem examination to determine how closely he had diagnosed his own ailment.

Mrs. Whitsett to the Gyles' funeral at Vega, Tuesday evening.

Mrs. Owen of Vega and a sister of Mrs. Owen, also two nieces from Missouri, visited Mrs. Glava one afternoon last week.

There's a crowd at Adair's Sunday. They returned home by Vega and received a nice soaking at that place.

Mr. W. E. Stubbs, who made almost a week's visit at the ranch, left Monday for Farland and other points.

THE Bakers, Dixons, and Stewarts, left for Vega from a picnic to the brakes.

A lady friend of the Dixons is visiting them from Ohio.

Tom Bassett was at Fulkerson's on a cattle trade Wednesday afternoon.

Dr. Lowrey to Mississippi College

Dr. G. B. Lowrey, former president of the Amarillo Military Academy, and well known throughout the Panhandle as one of the foremost educators of the State, as well as one of the strongest moral forces, has been engaged as field manager of Mississippi College. He will have charge of the endowment interests and patronage of the institution.

Dr. Lowrey was prominent in the educational affairs of Mississippi before coming to Amarillo five years ago and the acquisition of his services is considered auspicious for the college to which he goes and for the general good of the entire State's educational interests.

Prairie Fire

A prairie fire Sunday burned over about a section of pasture west of town belonging to J. B. Jones. As the wind was high and the fire was discovered in the hottest part of an unusually hot day which made fire fighting exceedingly difficult, only the timely aid of the large number of men who responded immediately to the call for help, prevented a much more destructive fire.

The mutual interest which the stockmen have in these big land areas, the fact that an uncontrolled fire can quickly menace an entire community, leads people to undervalue the spirit of brotherly kindness which prompts men to such heroic work for their neighbor as was done Sunday.

Many, in fact the majority, of those who gave their services so freely had no personal interest except the desire to help, and such a spirit of helpfulness is found nowhere more largely than right here in Hereford.

Recital Pleases

The recital at the Presbyterian church on Tuesday evening, under the management of the library committee, was an excellent entertainment.

Miss Louise Irwin, of Waco, a graduate of the department of dramatic art of Baylor University delighted the audience with her artistic rendering of the numbers she gave. She is a pleasing reader, worthy of her art, and those who heard her were most fortunate.

A vocal solo by Miss Elzina Mounif and an instrumental duet by Mrs. Parker and Miss Mounif added much to the program.

W. C. Pitman Improving

Friends of W. C. Pitman are glad to know that he is rapidly recovering from the effects of his recent accident, although it proved to be more serious than was at first supposed. He is now able to sit up and his physicians feel that with good care his permanent recovery will not be long delayed.

Another Fire

A fire broke out yesterday on W. T. Valentine's ranch northwest of town and burned over considerable area but was under the prompt work of the fire boys soon extinguished the flames.

Boy Injured

of an unfortunate accident a few days ago, when in playing with some other boys at the Turner Tin Shop he got the end of one of his fingers clipped entirely off with the big tin shears. The injured member is giving him no serious trouble.

A better library for Hereford.

If the chance visitor in Hereford, who ordinarily sees only the business section of town, could be given a real view of the town including the residence portion, he would carry away with him a very different mental picture of this city of trees and flowers.

If every stranger who comes to Hereford could see the little park bordering Twenty-Five Mile Avenue, he would not only be charmed with its beauty, but would be impressed with the quality of the citizenship of the town.

The beautiful flowers, the luxuriant grass, all so attractive, is entirely the result of the enterprise and civic pride of the people of that immediate neighborhood. It is a worthy monument to generous public spirit and is typical of the good things which are the heritage of a town of progressive people.

A country where you can produce \$4,000 worth of hogs on forty acres and still have three hundred head left is sure to be settled by real farmers sooner or later. This is what D. L. McDonald has done on his forty just south of town, besides he is cutting alfalfa for hay, the hogs not being able to keep it down.

It is easy to whistle and sing when all goes well. He is the hero who can remain unperturbed when the dry weather burns his crops and the grasshoppers get the remnant; when the hogs and chickens have the cholera, the calves the blackleg, the horses are loosed, and the family all ill.

EVERY ONE SHOULD VOTE

On Saturday, August 26th, there will be held another primary to determine who shall be chosen United States Senator to succeed Charles A. Culberson, the present incumbent who is a candidate to succeed himself, and who is opposed for the nomination by Oscar Branch Colquitt.

Every eligible voter in Texas should vote in this primary. The character of the man chosen to the United States Senate is of the greatest importance to the people of this country. Already there are too many men in Congress and especially the upper house, who are serving the big interests more faithfully than the people who send them.

Chas. A. Culberson has made a fearless and able member of that body. He has been a staunch and valued friend of the president. He is a man of more than usual ability. To displace him now with a man who is as closely allied by ties of avowed friendship with the breweries as Colquitt, would be a grave mistake. If all the people of Texas would express their preference, there would be no danger of this happening. The great danger lies in people not voting. So let every good citizen get out and express his choice. The other kind always get out anyway.

THREATENED RAILROAD STRIKE

A strike to be nation-wide and include trainmen on all roads is now imminent. President Wilson and leaders of the trainmen's union and representatives of the rail roads have been holding conference in an effort to arbitrate differences. So far no tangible results have appeared. If President Wilson can effect a settlement of the difficulty and avoid this strike, he will have accomplished one of the big things of his administration. If he fails, it will be no fault of his. Without considering the justice of the demand made by the trainmen in this controversy, it is true that they are among the best paid labor in the world. Everyone believes they should be well paid that they may be at their best, mentally and physically. It is a high order of labor they are asked to perform. They are entrusted with the safety of millions of lives each year. It is only when something like this arises that we begin to realize just how dependent we are on the rail roads for the comforts of life. Stop all rail road traffic for sixty days and millions of people in the cities would be starving; those remote from the cities would be deprived of many of the things they think are necessary.

Whether such a condition as this is either necessary or desirable or not, is a question that sociologists and political-economists may well study. Mineral products, such as coal and iron ore may determine the location of manufacturing plants using large quantities of these, but there are many kinds of manufacturing that would be better located away from the big cities, and would be, except for the discriminating freight rates offered by roads for the purpose of building up these large centers with the view of increasing business.

There is no reason why our cattle and hogs should be shipped from the Panhandle to Kansas City to be slaughtered and the product shipped back to us with freight charges two ways, added with four or five middle profits, were it not that the packer can get better rates shipping out of Kansas City than the packer located here can. The same is true of many other products. The rail roads and their allied interests are largely responsible for the enormous growth of the cities and the consequent dependence of the people on their service. How far this is to go cannot be foreseen. However, there is no doubt that it is not conducive to the country's welfare in general.

If you want to get rich quick go into the poultry business on paper. It beats a gold mine. But if you want to make a good comfortable living where the income is regular and sure settle on one of these sections near here and go in for cows and poultry with a few hogs. Build two silos and a good granary. In good year fill them all and hold half it over for bad years.

When you are sold breakfast bacon at 35 cents per you are cited to the fact that hogs are selling for 70 cents in Kansas City. That is true but it is also well to remember that the hogs that this 35 cent bacon was made from were bought last November and December at around six cents from the farmers and yet the poor packers are making nothing.

The County Library

That Texas has a county library law is probably an unknown fact to the majority of the people of the state. Such however, is the case.

The last legislature passed a bill introduced by Representative Dayton, of Cooke County, authorizing the Commissioners Court, to establish county libraries upon a petition of 25 percent of the voters calling for a library election. The issue must carry by a two-thirds vote. The court is further authorized to levy and collect a tax not exceeding six mills on the hundred dollars. The bill was amended almost beyond recognition and even at its best it was inadequate.

The same author, with the assistance of the Texas Library Association, framing another bill which will if passed furnish an adequate library system for the state.

Miss Sore, of the University of Texas Library Association in a paper read at Rosenberg in May, gives much information in regard to the county library. We quote the following:

"The county library is a comparatively new development in library progress. Library service has been costly because a large tax was levied on a small area, and as a rule, only the people of the towns and cities enjoyed the advantages. The county is a large enough unit to give adequate support from a smaller tax. A county library is supported by a tax on all county property and is free to every man, woman and child in the county. The main library is established at the county seat. From this center books and magazines are distributed to every citizen through branch libraries placed in the other towns of the county, in postoffices, in stores, rural schools, even in private homes when necessary. People who have not easy access to any of these sources may be reached by means of a book wagon

which drives up to the door with a balanced collection of a hundred books or so, and the family may come out, look over the ones they wish to read and return the ones borrowed from the last trip.

The advantages may be seen readily instead of each town and school in the county struggling to get together a few hundred volumes and to add to them each year, you can pool your accumulation and draw from them a much wider usefulness. You can begin with a collection of several thousand volumes which will grow yearly. By means of this interchange system when you have read the three or four hundred volumes allotted to your town, they will be sent to another town and you will have a fresh collection. Of course reference books are not exchanged. Each branch library should be provided with as complete a collection of reference books as the money will buy, and the should be stationary.

The county library is cheaper and more far-reaching than any other system yet tried out, and it is the only one that gives really equal service to the people of the country as well as to those of the town."

MANY IN HEREFORD

TRY SIMPLE MIXTURE
Many Hereford people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka. This simple remedy acts on BOTH upper and lower bowel, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT easy action of Adler-I-ka is astonishing. Betts-Clark, Druggists.

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work

Liven up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your system like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can get salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

WITH THE CHURCHES

Revival Meeting

A revival meeting commencing next Sunday, will be held at the Church of Christ and will continue for at least two weeks, possibly longer. The services of Evangelist O. M. Reynolds has been secured and a good meeting is expected. Everybody most cordially invited to attend these services.

The Epworth League enjoyed a picnic Tuesday evening. Mr. and Mrs. J. I. Walker and Prof. and Mrs. F. P. Wilson chaperoned the young people, and the evening was most pleasantly spent.

Notes from the Baptist Church

Last Sunday was a good day for us, two large congregations, and several united with the church. We give them a cordial welcome. The Sunday School is growing under the wise leadership of Brother Posey, 166 being present, let us make it 200 next Sunday. There was a large crowd at the B. Y. P. U. Sunday evening and we are going to have a larger crowd from all indications, as these young people have a mind to work, and have decided to make the union an A1 union. We will be disappointed next Sunday if there is not an increase of members, so let all members be present and bring some one with you. Sunday School at 9:45 and preaching at 11 a. m. and the B. Y. P. U. meets at 7:30 p. m. and the evening service at 8:30 p. m. Our subject for the morning hour will be "Faith Working Through Organization." The Y. W. A. of the church will arrange for special music.

At the Christian Church Sunday, the congregation resumed its regular work, which had been interrupted by the meeting.

The Sunday School reported a good attendance with several new pupils. The primary department is growing in numbers, in interest, and in efficiency. Children who are not enrolled in any Sunday School are especially urged to join this band of earnest workers and parents, and older ones will also find a warm welcome in the Christian Sunday School.

Two inspiring sermons were preached by Dr. Paris and nine converts were received into the church Sunday. Baptismal service was conducted on Monday at the Church of Christ, the congregation kindly proffering the use of its baptistry.

The church invites its membership, its friends, and the "stranger within the gates" to be present at each service. Those who have no church home are asked to find one here.

Mrs. T. N. Heifner and her niece, Mildred Cross, left this morning for the Kansas City and St. Louis markets. Miss Mildred will go, also, to Brookfield, Mo., for a visit with her father, while Mrs. Heifner will spend her time in the great millinery emporiums of the cities. She will visit the important sample rooms, including those of the D. B. Fiske Co., and will complete the purchase of her fall millinery.

Come in and inspect the new hats just received at the Heifner Millinery Parlor. New felts, latest shapes. Mrs. T. N. Heifner.

Judge J. G. Fisher returned from a trip to Dimmitt the first of the week and informs us that he bought 3,200 bushels of wheat of C. Ilen of near that place at \$1.25 per bushel. This wheat was threshed off of 100 acres of summer fallowed land and made a yield of 32 bushels to the acre, and a test of 63 pounds to the bushel. In dry years like this there is no doubt but what the summer fallowing is the proper culture for wheat, or any other grain crop. Vega Sentinel.

Miss Alice Miller who has been the guest of her aunt, Mrs. J. H. Pitman, has returned to her home at Marshall, Mo.

H. M. Jackson had the misfortune of losing his Oldsmobile the latter part of last week, by fire. He was driving the car near Saeche headquarters when he noticed that the car was on fire, but too late and the car was completely destroyed. Mr. Jackson bought another new eight-cylinder car the first of the week. Vega Sentinel.

L. G. Connor, from Dimmitt, was in Hereford last Saturday.

Miss Parks Resigns

Miss Nettie Parks, who for the past three years has been the efficient assistant in the post office, has tendered her resignation to take effect immediately and Miss Annie Anthony has been appointed to succeed her. Both of these young ladies are genial, capable, and courteous, and the excellent service at the office will doubtless be kept at its present standard.

Miss Louise Irwin, of Waco, formerly of this city, is the guest of Hereford friends.

J. H. Ball, of the Thomas Morrow Hardware Company, of Amarillo, was interviewing Hereford merchants the first of the week.

Wilson Runtun, of the Brand-force, spent a few days in Canyon this week in the office of the Randall County News.

Mrs. E. W. Morris of Abilene, who has been the guest of her sister, Mrs. J. H. Pitman, for several weeks, returned to her home Tuesday.

Mr. and Mrs. Lee Sullivan and Miss Jewel Rice all of Sanger, Texas, who have been visiting at the home of Mr. and Mrs. C. L. Sullivan went to Lubbock the first of the week. They will return to Hereford in a few days for a further visit. Mr. Sullivan is a brother of C. L. and Miss Rice is a niece.

Miss Rayzor Convalescent

Miss Edith Rayzor, who has been seriously ill since the first part of July, is gradually improving, and her many friends are hoping to soon see her out again. As soon as her health permits she will go away for several months for a complete change that it is hoped will assist her in recuperating her strength.

Before Prices Advance

Only \$1 Puts the Hoosier in Your Home While This Allotment Lasts

"Prices must advance" is the official announcement made by the Hoosier Company today in the Saturday Evening Post.

This is due to the increased cost of all raw materials used in the Hoosier. Our allotment at the old price is limited only a few of each pattern are left. These may be taken any day.

The factory has notified us that 20,000 cabinets were snapped up in three weeks when it first became known that Hoosier prices must be increased September 1st. You can judge for yourself how long our small allotment will last.

Your only chance of being sure to get one of these cabinets at the present low prices is to come at once before this allotment is gone.

1. \$1 puts the cabinet you choose in your home.
2. \$1 weekly quickly pays for it.
3. The low cash price fixed by the factory prevails strictly.
4. No interest—No extra fees.
5. This sale is under the direct supervision of the Hoosier Company.
6. Your money back if you are not delighted.

WHY WISH AND WAIT?

You need a Hoosier cabinet now more than at any other time. Your kitchen is hot and disagreeable. You have extra work to do—canning, fruit making preserves, and many other things that keep you in the kitchen extra hours each day. Is there any reason why you should spend this extra time in the kitchen toiling and working in hot weather when it is so easy to get your cabinet at once?

SALE MAY CLOSE ANY DAY

Our entire allotment may be sold out by tomorrow night. Decide right now which is the best for you.

To take chances and miss this opportunity, or

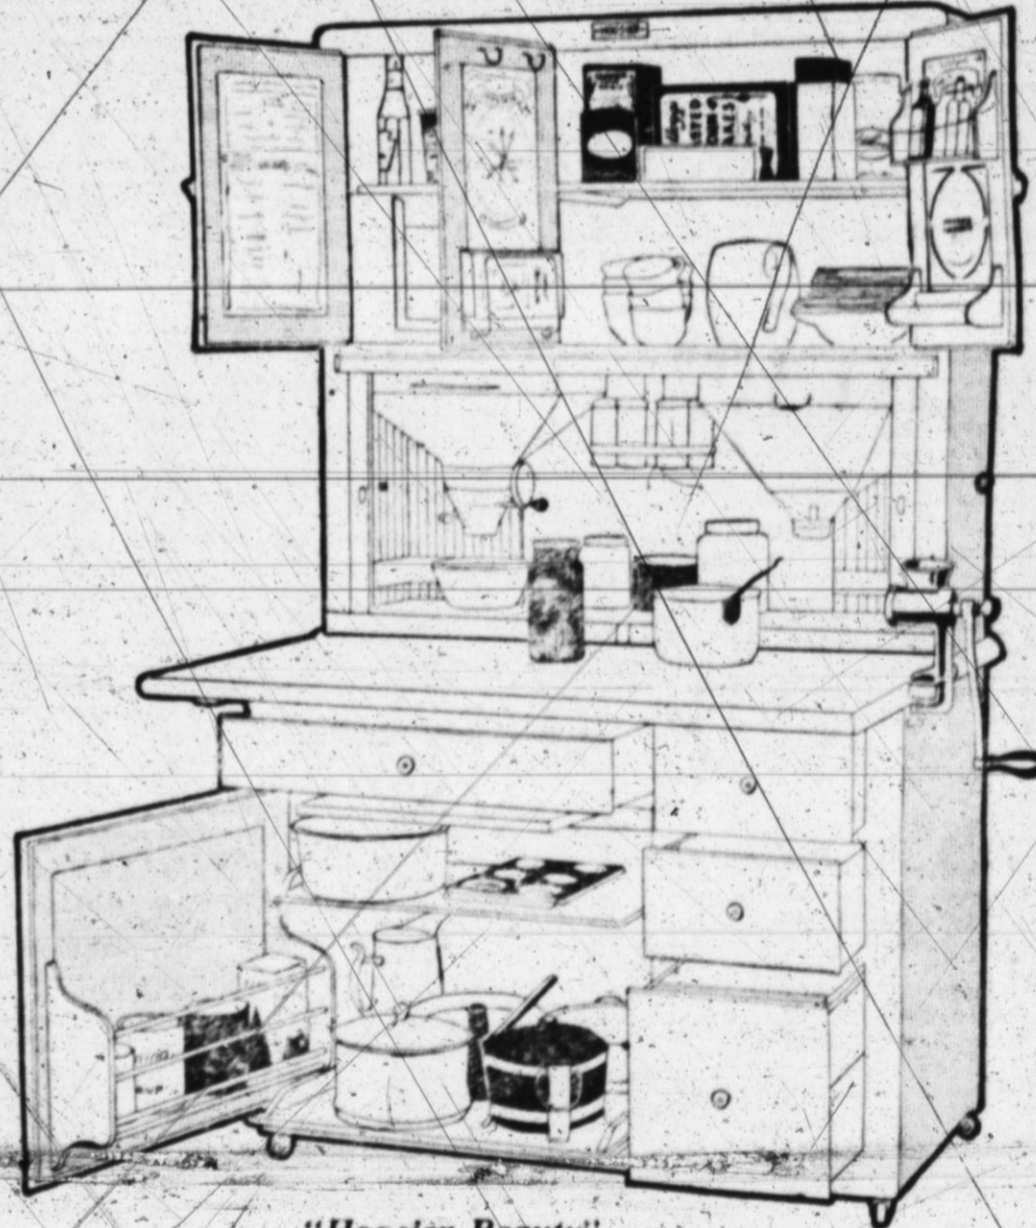

Come to our store at once and find out about this cabinet before it is too late.

EVERY WOMAN HAS A RIGHT TO A HOOSIER

Sooner or later you will probably get the cabinet anyway, so why waste your energy, health and time by waiting until prices increase?

It need not take you ten minutes to decide once for all whether you intend to buy now or later after prices go up; and you are deciding, remember, whether you will save many dollars and miles of unnecessary steps you now take in a hot kitchen.

LET OTHER THINGS GO AND DECIDE THIS QUESTION TOMORROW WHILE YOU HAVE TIME

"Hoosier Beauty" Advertised in Leading Magazines

What the Hoosier Cabinet Will Do for You

- Places for 400 articles all within arm's reach.
- 40 labor-saving features, each like a helping hand.
- The Hoosier will cut your kitchen work in half.
- Will save you miles of steps.
- Will save you hours of weary toil.
- Will make it a pleasure to cook and bake.
- Will save your energy and beauty; and keep you feeling young and strong.
- Will help you get good meals quickly.
- Will help you tidy up in just a few minutes when the meal is over.
- These are only a few of Hoosier's conveniences. To really appreciate the great amount of time the Hoosier will save you, you must see and examine these features yourself in our store.
- Tomorrow for only \$1 you can start using these labor-saving features in your own kitchen, but if you wait and let tomorrow drift by and think that you still have time to accept this offer, you may be too late.

SOCIETY AND CLUBS

A dinner party at the hospitable country home of Mr. and Mrs. D. P. Vaughn last week was an occasion of genuine pleasure to those who were privileged to share it.

The affair was something of an old neighbor's reunion, most of the guests having been at one time, neighbors and friends of the host and hostess, in Denton county.

The bountiful dinner could not have been surpassed either in excellence or quality or in the prodigality with which it was served. There were all the delicacies known only to the country housewife who can supply them fresh from her own stores.

The afternoon was spent with reminiscence stories of the old days and old-time friends. A watermelon feast just before the departure of the guests was not the least of the day's pleasures, some very fine melons—the Denton county type—being provided.

Nowhere is the spirit of hospitality more manifest than in the rural homes and it is to such progressive citizens as Mr. and Mrs. Vaughn that any community owes much that makes living really worth while.

The day so rich with good things was enjoyed by Mr. and Mrs. C. L. Sullivan, Mr. and Mrs. Lee Sullivan, and Miss Jewell Rice, of Sanger, Texas, Mrs. J. A. Johnson, Mrs. C. N. White, her daughter, Carrie Lee, and son A. R. of Denton, Mr. and Mrs. J. M. Stratton, of Des Moines, New Mexico, Mr. and Mrs. Edgar Johnson and children, and all members of the Vaughn family living in this vicinity.

Guests included in the house party at the home of Mr. and Mrs. Edgar Johnson, together with their host and hostess, were entertained on Thursday, with an elaborate 12 o'clock dinner at the home of Mr. and Mrs. John E. Wilson, and again on Friday by Prof. and Mrs. F. P. Wilson.

Both occasions gave much pleasure and are numbered among the most delightful of the many courtesies being tendered these genial visitors.

One of the largest and prettiest social affairs of the week was a garden tea given by Miss Louise Oberthier, honoring a number of charming young visiting girls who are gracing Hereford's social circle.

The spacious grounds at the beautiful Oberthier home furnished a most inviting retreat, where the flower-scented breeze bore no hint of burdensome heat, but crowned a scene of loveliness, with a most exquisite coolness.

In the receiving line were Misses Ball, of Amarillo, Gerry, of Big Springs, Lauck, of Kansas City, Irwin, of Waco, Braunig, of Halleysville, Mrs. Claud Witherspoon, of California, and Misses Shirley, Dunlap, Mounts, and Oberthier, of Hereford.

The guests were welcomed at the door by Mrs. C. E. Ferguson, and in the reception hall were served with punch by Mrs. Ray Barber. Tea was served on the lawn from daintily arranged tables, presided over by Misses Blanche and Pearl Pollock.

The time spent "Over the Tea cups" was made doubly pleasant by a reading graciously contributed by Miss Litta Ball.

A large number of guests enjoyed the delightful afternoon.

A meeting of exceptional interest and pleasure was enjoyed by the Mothers' Club Tuesday afternoon, Mrs. J. L. Walker being hostess to the club.

The Awakening of the Adolescent Girl formed the subject of two very instructive papers, read by Mesdames Pollock and Walker. Mrs. Pollock's paper discussed "The Mother as a Factor in a Girl's Life," and Mrs. Walker's "Looking Ahead." The general discussion of these papers was most helpful.

The social features of the afternoon were very enjoyable. In the dining room delicious lunch was served as the guests arrived, and later refreshments of cake and ice cream were enjoyed.

Mrs. Walker's mother, Mrs. Deau, was a club guest.

The next meeting will be with Mrs. A. G. Bell.

Mrs. P. W. Price was hostess on Friday morning at a most delightful forty-two party given in honor of Mesdames Jarrot, of Ft. Worth and Tannehill of Los Angeles.

Ferns and cut flowers gave of their beauty to enhance the attractiveness of the pretty reception rooms and the inspiration of a perfect summer morning gave zest to the spirited games which afforded so much pleasure.

A pretty courtesy to the honor guests was shown in the dainty score cards which showed water color reproductions of the polsetta and the bluebonnet.

Refreshments consisting of a salad course, was served to twenty-four guests.

Of the pretty affairs which have paid tribute to the charm of the visiting young ladies, none have been more truly delightful than the twelve o'clock dinner party given Tuesday, by Miss Elzina Mounts, and whose honor guest was Miss Litta Ball, of Amarillo.

Covers were laid for ten, the table with its elegant dinner service and handsome napery brightened with a

color scheme of white and yellow giving a most artistic picture.

A cut glass bowl of golden glow graced the center of the table and tiny yellow birds made charming place cards.

The prettily adorned table surrounded by its galaxy of youthful beauty effected an ideal harmony.

The dinner was served in five courses to the following guests:

Misses Litta Ball, Louise Irwin, Bell Gerry, Louise Oberthier, Clara and Mary Dunlap, Lota Fuqua, Jane Gregg, Bess Snyder and Elzina Mounts.

A number of guests were delightfully entertained on Thursday morning by Mrs. J. E. Ferguson, the occasion complimenting Mrs. L. B. Tannehill, of Los Angeles, a sister of Mrs. Ferguson.

The guests were welcomed by Miss Julia Lambert, and after being presented to the hostess and honor guest, were served with punch by Mrs. McQueen. A "California program," in deference to the honoree was both novel and enjoyable. Appropriate music was furnished by Mrs. McLain who had charged of the playerphone—that liquid-toned instrument whose notes are so sweet, so soft, so thoroughly enchanting that it delights any audience.

A descriptive poem paying tribute to the Golden State was effectively read by Mrs. Jarrott and a combined talk and reading by Mrs. Roloson was pleasingly given. The call of the outdoors was so alluring that the guests repaired to the shady lawn after the program and were there served with delicious angel food, iced watermelon and ice cream. About twenty guests were present.

A delightful children's party was enjoyed Friday at the home of Mr. and Mrs. J. H. Wilson, when their daughter, Avis, was hostess to a number of friends in honor of Fannie Cash of Dimmitt.

The afternoon was devoted to games such as children most enjoy, Miss Waldine Wilson graciously assisting with the entertaining.

The serving of delicious ice cream

and cake added to the pleasures of the afternoon. Enjoying the occasion were Fannie Cash, Annie Fitz-Hugh Parker, Zephia Valentine, Mary Jones, Dorothy Barber and Avis Wilson.

Neighboring Society

Party at Dimmitt

On Thursday evening Mrs. J. W. Alexander opened her beautiful home to a number of her young friends.

The guests of honor were the Misses Loving from Amarillo. Interesting games and amusements were afforded and on the arrival of the guests each caught the pleasant atmosphere of the surroundings.

Music was rendered throughout the evening and delicious refreshments were served.

The evening passed so quickly that it was a late hour before the guests realized that they must bid the charming hostess good night.

Those present were, Misses Loving, Lena Tate, Lily Easter, Nell and Clara Turner, Ora Ramey, Ruby Bell, Gerlie Lovelace, Nora Mae Waldrip and Faye Alexander; Messrs. Miller, Turner, Hastings, Smith, Ramey, Stapleton, Easter, McDonald, Shepherd, Patton, Kimball and Durel.

Notice

The City Commission will receive sealed bids at their regular meeting on the 29th day of August, 1916, from any and all banking corporations, associations, or individual banker doing business in the city of Hereford, Texas, that may desire to be made the depository of the funds of the city. Said bids, stating the per cent upon daily balances that you propose to pay the City for the custody of the City funds, for the year next following the date of said meeting, shall be filed with the City Clerk on or before the date of said regular meeting of the Commission. J. E. Crouch, City Clerk. By order of the Commission.

Mrs. Vogele went to market this week. Miss Lillian Bennett is in charge of the store.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surface. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free. F. J. CHENEY & CO., Props., Toledo, O. Sold by Druggists, price 75c. Take Hall's Family Pills for constipation.

GO TO THE RESCUE

Don't Wait 'till It's Too Late—Follow the Example of a Hereford Citizen.

Rescue the aching back. If it keeps on aching, trouble may come. Often it indicates kidney weakness. If you neglect the kidneys' warning, look out for urinary disorders. This Hereford citizen will show you how to go to the rescue.

Mrs. W. S. Berry, Fifth St., Hereford says: "At times my back got weak and ached steadily. Then the kidney secretions passed too frequently. I also had dizzy spells and black spots floated before my eyes. Every time I have been this way, I have used Doan's Kidney Pills, procured at Burns' Drug Store with the best of results. They have always given relief.

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Berry uses. Foster-Milburn, Co., Props., Buffalo, N. Y.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 59 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

This Overland is the world's most powerful low-priced car.

It has a 31 1/2 horsepower en bloc motor that is a perfect marvel for speed, power and endurance.

By increasing the bore of the motor from 3 1/8 to 3 3/8 we are able to offer a power plant which at 1950 R. P. M. develops full 31 1/2 horsepower.

Tests under every condition in all parts of the country dem-

onstrate that it easily develops better than fifty miles per hour on the road.

Speed of course varies under different conditions, but in practically every instance it has been getting fifty miles an hour and with ease.

We have scores of telegrams showing that twenty to twenty-five miles per gallon of gasoline is not unusual.

The performance of this car is almost beyond belief.

Take any other low-priced car on the market. Pit it against this new Overland. Compare them for sheer speed, for abundance of power, for riding comfort and economy, and you'll find this car will back anything else clean off the boards.

That's a strong statement, but a fact nevertheless.

Try it yourself and see.

Here are more important facts.

It has four-inch tires which are more than generous for a car of this size.

Not only has it a large and roomy body, but it has an attractive, up-to-date streamline body.

It has the latest and most improved system of ignition.

It has the cantilever springs—the easiest riding springs in the world.

What's more, it's complete. Not a thing to buy. You get the finest Auto-Lite electric starting and lighting system, magnetic speedometer, one-man top, demountable rims and practically every accessory found on the highest priced cars.

It only goes to prove how big production can cut cost and save you money.

First come, first served. Place your order now.
