What's Doing In West Texas

Tulla—Contract has been let for the construction of a 42-room modern hotel here, the cost of which will be approximately \$70,000.

Carlsbad, N. M.—Carlsbad will be host to members of the Pecos Valley Medical Association on October 28. A trip to the Carlsbad Caverns is included in the convention program.

Marfa—A bond election fostered by the local Chamber of Commerce recently carried here for the issuance of \$58,000 for waterworks and \$50,000 for sewerage.

Stamford—The West Texas Chamber of Commerce is ready to serve farmers of its territory in the shipment of car load lots of extra good vaccinated Missouri pigs, averaging about eighty pounds.

Rising Star—A number of improvements in the distributing plant of the West Texas Utilities Company have been made here.

Alamogordo, N. M.—A saw mill with 100,000 board feet capacity per ten hour shift, and a large box factory are under construction in this city by the Breece Lumber Company of Albuquerque.

Crowell—The building program here which has been steady for the last few years is still going forward, with about \$15,000 now going into the construction of new homes.

Winters—The Winters Chamber of Commerce directorate have figured out a model method for the renewal of memberships in the West Texas Chamber of Commerce. They proposed that each director of the Winters Chamber of Commerce renew a certain number of memberships and secure new ones in lieu of continuing the service of the regional membership solicitor. In exchange the West Texas Chamber of Commerce agricultural manager is to show motion pictures to rural communities tributary to Winters, and the publicity manager is to aid in community advertising schemes. The proposal has been accepted by the West Texas Chamber of Commerce as a great saving will be effected through the arrangement and at the same time Winters will have the benefit of personal work of the regional staff members. Winters offers this plan to all West Texas towns.

Bledsoe—Building operations for a new gin with four eighty saw stands have been started here.

Artesia, N. M.—Streets in the paving program for Artesia are being surveyed preparatory to the work of contractors which will begin at once.

Littlefield—Pres. Arthur P. Duggan, West Texas Chamber of Commerce, West Texas Chamber of Commerce, has announced the program for the second quarterly executive board meeting of that organization to be held in Fort Worth October 15. Big problems concerning the protection of West Texans' interest will be discussed among them being the proposed raise of insurance rates, state equalization of taxes, and the big question of the proposed Kansas City Southern, M. K. & T. and St. Louis Southwestern railroad merger.

Morton—The syrup mill west of this place has begun operations which are expected to continue for a long run as a large acreage of sorghum and sugar cane planted here for syrup making purposes has made a big yield.

Sixteen Killed Daily by Autos

4,162 Deaths In Nine Months' Period Recorded by Census Bureau.

A report covering automobile fatalities in seventy-eight of the United States cities for the period from January to September 11, issued October 7 by the Bureau of the Census, Department of Commerce, discloses that among the 31,878,016 population of these cities there were 4,162 deaths from automobile accidents in the 252 days, or 18.9 per 100,000 of population, with an average of 16 fatalities daily.

The full text of the report is as follows: The Department of Commerce announces that according to health officials in seventy-eight principal cities having an aggregate estimated population of 31,878,016, there were 4,162 deaths from automobile accidents during the 252 days from January 3 to September 11, 1926. This is an average of over 16 deaths each day and is equivalent to an annual death rate of 18.9 per 100,000 population. Some of the deaths were due to accidents which occurred outside the corporate limits of the cities.

The Department has been endeavoring to have the officials make separate reports of such deaths, and the accompanying tables gives for all cities the total number of deaths due to automobile accidents and so far as reported the deaths due to accidents which occurred within city limits.

Usually most of the deaths result from accidents occurring within the city. This is especially true as regards the largest cities. Only two of the 663 deaths in New York City and only six of the 435 deaths in Chicago were caused by accidents outside the city limits. In Washington, D. C., there were 52 automobile fatalities due to accidents in the city, but in addition there were fourteen deaths due to accidents which occurred in the

adjointing states of Maryland and Virginia. On the other hand, the cities of Albany, Camden, Grand Rapids, Kansas City, Kan., Paterson and Trenton, all had more fatalities from accidents outside the city limits than from accidents within the cities.

There was considerable variation in the number of deaths from month to month. Starting with 431 in the January period, the number fell off to a minimum of 347 in March, increased to 549 for the four weeks ending June 19, was lower during the next two periods but increased to a maximum of 569 in the period ending September 11.

The larger cities naturally show the greatest number of fatalities. The following statement ranks 38 of the cities according to the mortality rate per 100,000 estimated population due to accidents that occurred within the city limits for the first 36 weeks of this year. Probably this is the fairest way of ranking the cities as regards automobile fatalities.

Kansas City, Kan., with an estimated population of 117,000, ranks first with one fatality and a death rate of 1.2; Indianapolis ranks thirty-third, with 59 fatalities and a death rate of 23.3.

THE STATE OF TEXAS. To the Sheriff or any Constable of Deaf Smith County, Greeting: You are hereby commanded to summon George E. Cline, Ralph K. Cline, Eulah (Cline) Merrifield, Edgar J. Merrifield, Neva (Cline) Chapman, Elmer L. Chapman, Kathleen (Cline) Bauer, Roy L. Bauer, Lillian (Cline) Ferguson, Vaughn E. Ferguson, Georgia C. Platt, Thomas E. Platt and Martha Rose Cline by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, on the 16th Monday after the second Monday in July, 1926, the same being the first day of November A. D. 1926, then and there to answer a petition filed in said Court on the 8th day

of April A. D. 1926, and plaintiff's first amended petition filed thereon on October 2, 1926, in a suit numbered on the docket of said Court No. 1590, wherein George W. Williams is plaintiff, and George E. Cline, Ralph K. Cline, Eulah (Cline) Merrifield, Edgar J. Merrifield, Neva (Cline) Chapman, Elmer L. Chapman, Kathleen (Cline) Bauer, Roy L. Bauer, Lillian (Cline) Ferguson, Vaughn E. Ferguson, Georgia C. Platt, Thomas E. Platt and Martha Rose Cline, are defendants, and said petition alleging that plaintiff is the owner in fee simple of Section No. 9, Township No. 5 North, Range No. 2 East in Deaf Smith County, Texas, containing 640 acres of land, that he was in possession of the same on January 1, 1926, and that defendants ejected him therefrom unlawfully and that they unlawfully withhold from him the possession of said land that plaintiff received title to said land by regular chain of title from the State of Texas down to the same from Peter P. Cline and Georgia C. Cline, that the said Peter P. Cline is dead and that the defendants are all the heirs of said Peter P. Cline who died intestate.

Plaintiff prays for title and possession of the said land, damage and cost of suit, suit being in trespass to try title.

Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, on this 2nd day of October A. D. 1926.

Drilling Company, a corporation, and the unknown stockholders of Security Producing and Drilling Company, a defunct corporation, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, on the sixteenth Monday after the second Monday in July, A. D. 1926, the same being the first day of November A. D. 1926, then and there to answer a petition filed in said Court on the 2nd day of October A. D. 1926, in a suit numbered on the docket of said Court No. 1592, wherein J. A. Runyon is plaintiff and the Hoffman Oil Company of Kentucky, a corporation, the unknown stockholders of The Hoffman Oil Company of Kentucky, a defunct corporation, National Producing and Refining Company, a corporation, the unknown stockholders of National Producing and Refining Company, a defunct corporation, First National Oil Company, a corporation, the unknown stockholders of First National Oil Company, a defunct corporation, Security Producing and Drilling Company, a corporation, and the unknown stockholders of Security Producing and Drilling Company, a defunct corporation, are defendants, and said petition alleging that the

plaintiff is the owner in fee simple of the following described property in Deaf Smith County, Texas, to-wit: The southwest quarter of Section 23, Township 4 North, Range 1 East, the northwest quarter of Section 26, Township 4 North, Range 1 East, the southeast quarter of Section 20, Township 4 North, Range 1 East, the northwest quarter of Section 6, Township 2 North, Range 2 East, the northwest quarter of Section 6, Township 3 North, Range 1 East, and the east half of the south 230 acres of Section 31, Township 3 North, Range 1 East, containing 600 acres of land. That plaintiff received title to said lands by deeds conveying and showing a regular chain of title from the State of Texas down to himself. That defendants claim interest in said lands by reason of certain oil and gas leases thereon which plaintiff alleges have lapsed and been forfeited by virtue of the time limit on said leases and by failure to commence a well or wells thereon and by failure to pay rentals thereon. Plaintiff fur-

ther alleges that defendants unlawfully entered upon said lands ejected plaintiff therefrom and unlawfully withheld possession thereof from him.

Plaintiff prays for title and possession of said lands, damage and costs of suit for judgment the defendants have no interest in said lands, for cancellation of said oil and gas leases, and the removal of the cloud cast upon said title by reason of said leases and the records of same.

Suit is in trespass to try title for cancellation of said leases and for removal of cloud from title.

Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, on this 2nd day of October A. D. 1926.

SHE TELLS THE STORY OF MANY OTHERS
 Dr. W. C. Rountree, Texarkana, Texas.
 Dear Doctor:—About 8 years ago I was taken with a bad case of stomach trouble. I got better in Winter and worse in Spring and Summer. I suffered untold agonies, took many kinds of medicine and found no relief. After four years I broke out with something that looked like sun burn. At first it appeared on my hands, later on my face and neck. My mouth got sore, feet burned and swelled until I could hardly walk. My heart beat too fast and I had a hurting in my chest. Some one sent you my name and you sent me one of your little books and Questionnaire, but I did not order your treatment at first. I waited thinking I would get better, but instead I got worse. Finally I got so bad that I could not walk 20 steps without resting. I ordered your Pellaars treatment and on the 9th day of July 1926 I began taking it. I soon saw that it was helping me and by the time I had taken one treatment the rash and many of the other symptoms had disappeared. I have taken four treatments and am entirely relieved of all symptoms of Pellaars. I appreciate the honesty and kindness with which you have dealt with me, for I have found everything that you told me about the treatment to be just like you said. I want to ask all who have this disease to not put off ordering your treatment like I did for while they are waiting this terrible disease is stealing their life away.
 (Signed) Savannah Taylor, Rt. 1, Box 100, Naples, Texas.

We had Sunday school last Sunday and appointed a committee to go to Amarillo the same week and buy a piano. Mr. Guy Smith and Mrs. Lester Galley were appointed. Thursday morning both families went to see about one and bought a real nice one for a considerable sum of money. It was delivered Friday morning. Some families offered to give so much toward the first payment and all have not decided just what they could give. If any one of you feel able we would certainly appreciate it if you would "chip in" and help us out on it, for it is a great necessity, not only for Sunday school but will also be used in school a great deal by the teachers.

A pie supper is to be given October 29, to help pay some on the piano. Misses Beda and Velma Williams, our teachers, have been so kind and are working hard on a program to be rendered the same night. Everyone come, bring your pies and money and enjoy yourselves.

Mrs. Walter London visited Mrs. W. T. Smith Wednesday afternoon of last week.

Mrs. W. R. Kelly returned to Mrs. Renfro's from her mother's where she has been ill several days of last week.

Mr. and Mrs. Lovelady and children spent the last of the week in Friona with her mother.

Mrs. W. T. Smith spent Monday night in town with her daughter, Mrs. John Renfro.

Mr. and Mrs. Chamness were in Hereford last Thursday evening.

Mrs. Walker and Cecil were in Hereford Saturday.

Guy Smith and family went to town Saturday night.

We had another shower Friday night and as usual Ed Botts, Troy Womble and all the wheat sowers are grinning but most of the others show drooping mouths.

Miss E. Dora Smith went to Canyon Friday evening to the ball game.

Mrs. Walter London had as her visitors Thursday evening Mrs. Boyd London and son, Jack.

Mrs. Rambo was at London's one day last week.

Walter London spent Sunday in town at Boyd London's for a birthday dinner.

Everyone come to singing at Asken school house Sunday night at eight o'clock. Visitors are very welcome.

Summerfield

The farmers were glad to see the sun shine and hope it continues. Everybody is busy either sowing wheat or working in the row crops. Mr. J. W. Sparks of Panhandle was here a few days last week looking over his farm. Mrs. L. J. McKinney's mother.

Mrs. Harrold, is here visiting her this week.

Mr. and Mrs. Britt Clark and sons and Mr. and Mrs. George Storey and son spent Saturday night and Sunday in Canyon visiting relatives.

Mr. B. J. Clark of Anthony Kansas, and Mrs. Joe Keener of Knoxville, Tenn., are here visiting their niece, Mrs. B. A. Atchley. Jim Noland spent Sunday with Asa and Thurman Atchley.

Mr. and Mrs. B. C. Roberson spent Sunday with Mr. and Mrs. Obe Roberson of Black.

Mr. and Mrs. Charlie Roberson have moved back into our community from Panhandle and Mr. Roberson is employed on the railroad.

Miss Marie McLarr entertained the young people of the community with a social Saturday night. At a late hour refreshments were served to about thirty-five guests.

Miss Virginia Hudstetler of Canyon spent the week-end with friends here.

Mr. Jack McBroom and Miss Nell Burton spent Sunday with Mr. McBroom's parents in the Wildorado community.

Mrs. B. C. Roberson and Mrs. L. Johnson spent last Friday and Saturday in Canyon with their sons who are in school there.

Mr. and Mrs. Walter Hawkins and Mr. W. L. Suttle made a business trip to Amarillo last Tuesday.

The W. M. U. met at the school house last Thursday afternoon and quilted a quilt for Mrs. Joe Kendall.

B. Y. P. U. met on time Sunday night with a large crowd present, but on account of bad weather no program had been given out.

Some business matters were discussed, new group leaders appointed as it was the beginning of a quarter. Let's work and make our Union go. Come, your presence will help and be appreciated.

The singing class met after the B. Y. P. U. and new officers were elected as follows: Mr. C. R. Walsler president, Joe Kendall leader, Mrs. Ky Lawrence secretary. The new 1927 song books have arrived and some good singing is expected. If you don't want to miss something you had better go.

AESOP'S FABLES

THE EAGLE AND THE JACKDAW.

An Eagle flying down from his eyrie, on a lofty rock, seized upon a lamb, and carried him aloft on his talons. A Jackdaw, who witnessed the capture of the lamb, was stirred with envy, and determined to emulate the strength and flight of the Eagle. He flew round with a great whirr of his wings, and settled upon a large ram, with the intention of carrying him off, but his claws becoming tangled in his fleece he fluttered with his feathers as much as he could. The shepherd, seeing what had happened, ran up and caught him. He at once clipped his wings, and taking his home at night, gave him to his children. On their saying, "Father, what kind of a bird is it?" he replied, "To my certain knowledge he is a Daw; but he will have it that he is an Eagle."

EAST-AMARILLO

A CITY IN ITSELF ~ ON THE PANHANDLE HIGHWAY

"A Conservative Investment With Remarkable Speculative Possibilities"

There have been two outstanding real estate projects in and about Amarillo in 1926—Ridgemere Addition to Amarillo, and East-Amarillo, a separate community in itself. Both developments are on the paved Panhandle Highway; and both have practical-

ly the same successful organizations back of them. Ridgemere sold out in 60 days, during the past summer; and East-Amarillo had the remarkable record of 247 sales, totaling more than \$112,000, within thirty days of the opening, with thousands

of dollars of building and street improvements under way. The following typical examples of profits made and rapid increases in value occurred in the Ridgemere Addition. And there is every indication that even more startling profits will be made by East-Amarillo investors.

READ THESE TYPICAL EXAMPLES OF PROFITS MADE:

100% Cash Profit In Two Weeks

A construction engineer bought Lot 19, Block 26, in Ridgemere on August 21, 1926. He paid \$50.00 down, held it two weeks, and sold his contract for \$50 profit. This man's transaction was a common occurrence—although most of the original building site purchasers held their property to build on, or for the great value increases they felt sure of later.

Druggist Makes \$175 On \$50 Investment

A gentleman associated with an

Amarillo drug firm sized up the possibilities of Ridgemere early. He picked a good building site, Lot 25, Block 19, on July 19th, paying down \$50 against the total price of \$650. On August 5th, just 17 days later, he sold it for \$825. Profit, \$175 or 350 per cent on his \$50 investment. And the buyer got a bargain!

\$300 Profit in 20 Days!

Another Amarillo man figured that if one building site was a good investment, three would be three times as good. He bought Lots 21, 22 and 23, in the same block as the drug man. These lots were \$595 each and he paid \$150 down, or \$50 on each.

On August 10th, twenty days later, an Amarillo woman who has been very successful in real estate investments purchased these three lots at \$695 each. And the seller made \$300 in less than three weeks on his small investment!

Amarillo Woman Makes \$465.00

Women seem to be particularly successful in buying and selling building sites. One in particular purchased three lots on July 21st in Block 19, Ridgemere. Each was priced at \$595, and by holding them but 30 days this investor was able to sell them for \$750 each, securing the astounding profit of \$465 on

her \$195 down payment! The purchaser hopes to do as well and it is our guess that she shall.

\$500 Profit on Two Lots

Another woman who has made several Ridgemere investments at different times, secured Lots 11 and 12 in Block 1, on July 22nd. They were priced at \$500 each. Ten days later she sold them to another Amarillo woman for \$750 each—a profit of \$500 on the small initial payment! And these lots were cheap at her selling price.

900% Profit In a Month

An Amarillo man decided that he

wouldn't consider offers until he had held his Ridgemere building sites for a month. He bought Lot 9, Block 19, Ridgemere, on August 12th. The price was \$395. He paid down \$65 and five weeks to the day, September 16th, he sold it for \$1,200! Profit \$605 on a \$65 investment!

East-Amarillo Duplicates Ridgemere Profits

Unit No. 1 of East Amarillo was thrown open for building site selection on September 4, 1926. Resales have been few to date for a large percentage of the purchasers are holding their lots to build on—

or they believe it will pay them to hold their investment for greater profits later on.

However, where resales have been made, the experience of investors in Ridgemere is being repeated. For instance, one well known Amarillo man bought two building sites in East-Amarillo on September 9th, two days after the opening. These were lots 29 and 30 in Block 61. The price was \$395 each, or a total of \$790.

The man paid down altogether \$215, held the lots two days to September 8th and sold them for \$500 each, or a profit of \$210! And, in the opinion of the owners and developers of East-Amarillo, the purchaser has an excellent opportunity to make heavily on these two well-located building sites.

Tremendous Amarillo Boom Coming Next Spring

The excellent rains of the past thirty days are going to make another bumper wheat crop; the trend of the oil business is better all the time; and recent announcements for industrial development in the Amarillo area assures a continuous fast-growing city. Men in a position to know say that Amarillo is destined to have a boom next Spring of great intensity—larger even than the one experienced this year.

When such development take place property values are certain to jump by leaps and bounds with a rich reward for the owners of well located building sites. And in seeking for such property, East-Amarillo will be found to offer more opportunity for value enhancement with a lower range of building site prices, than anything else on the market.

Excellent Building Sites Still Available at Low Initial Prices

East-Amarillo is a separate model city in itself, yet closer to the heart of Amarillo than many of the built-up sections of Amarillo where lots are priced at \$1,500, \$2,000 and even \$3,000 each.

Yet excellent building sites in the desirable Unit No. 1 of East-Amarillo are still available at \$195 up, with down payments as low as \$25, and terms as low as \$15 per month. But selections need to be made quickly, for more than half of the building sites have been sold, houses are going up by the tens, and with the project an assured success, sales are increasing rapidly.

Every street in being asphalt paved, gas, water and electricity are going in, and a model community and civic center has been donated to the new city.

What's Doing In West Texas

Tulla—Contract has been let for the construction of a 42-room modern hotel here, the cost of which will be approximately \$70,000.

Carlsbad, N. M.—Carlsbad will be host to members of the Pecos Valley Medical Association on October 25. A trip to the Carlsbad Cavern is included in the convention program.

Marfa—A bond election fostered by the local Chamber of Commerce recently carried here for the issuance of \$58,000 for water-works and \$50,000 for sewerage.

Stamford—The West Texas Chamber of Commerce is ready to serve farmers of its territory in the shipment of car load lots of extra good vaccinated Missouri pigs, averaging about eighty pounds.

Rising Star—A number of improvements in the distributing plant of the West Texas Utilities Company have been made here.

Alamogordo, N. M.—A saw mill with 100,000 board feet capacity per ten hour shift, and a large box factory are under construction in this city by the Breece Lumber Company of Albuquerque.

Crowell—The building program here which has been steady for the last few years is still going forward, with about \$15,000 now going into the construction of new homes.

Winters—The Winters Chamber of Commerce directorate have figured out a model method for the renewal of memberships in the West Texas Chamber of Commerce. They proposed that each director of the Winters Chamber of Commerce renew a certain number of memberships and secure new ones in lieu of continuing the service of the regional membership solicitor. In exchange the West Texas Chamber of Commerce agricultural manager is to show motion pictures to rural communities tributary to Winters, and the publicity manager is to aid in community advertising schemes. The proposal has been accepted by the West Texas Chamber of Commerce as a great saving will be effected through the arrangement and at the same time Winters will have the benefit of personal work of the regional staff members. Winters offers this plan to all West Texas towns.

Bledsoe—Building operations for a new gin with four eighty saw stands have been started here.

Artesia, N. M.—Streets in the paving program for Artesia are being surveyed preparatory to the work of contractors which will begin at once.

Littlefield—Pres. Arthur P. Dugan, West Texas Chamber of Commerce, has announced the program for the second quarterly executive board meeting of that organization to be held in Fort Worth October 15. Big problems concerning the protection of West Texans' interest will be discussed among them being the proposed raise of insurance rates, state equalization of taxes, and the big question of the proposed Kansas City Southern, M. K. & T. and St. Louis-Southwestern railroad merger.

Morton—The syrup mill west of this place has begun operations which are expected to continue for a long run as a large acreage of sorghum and sugar cane planted here for syrup making purposes has made a big yield.

Sixteen Killed Daily by Autos

4,162 Deaths In Nine Months' Period Recorded by Census Bureau.

A report covering automobile fatalities in seventy-eight of the United States cities for the period from January to September 11, issued October 7 by the Bureau of the Census, Department of Commerce, discloses that among the 31,878,016 population of these cities there were 4,162 deaths from automobile accidents in the 252 days, or 18.9 per 100,000 of population, with an average of 16 fatalities daily.

The full text of the report is as follows:

The Department of Commerce announces that according to health officials in seventy-eight principal cities having an aggregate estimated population of 31,878,016, there were 4,162 deaths from automobile accidents during the 252 days, from January 3 to September 11, 1926. This is an average of over 16 deaths each day and is equivalent to an annual death rate of 18.9 per 100,000 population. Some of the deaths were due to accidents which occurred outside the corporate limits of the cities.

The Department has been endeavoring to have the officials make separate reports of such deaths, and the accompanying tables gives for all cities the total number of deaths due to automobile accidents and so far as reported the deaths due to accidents which occurred within city limits.

Usually most of the deaths result from accidents occurring within the city. This is especially true as regards the largest cities. Only two of the 663 deaths in New York City and only six of the 435 deaths in Chicago were caused by accidents outside the city limits. In Washington, D. C., there were 52 automobile fatalities due to accidents in the city, but in addition there were fourteen deaths due to accidents which occurred in the

adjoining states of Maryland and Virginia.

On the other hand, the cities of Albany, Camden, Grand Rapids, Kansas City, Kan., Paterson and Trenton, all had more fatalities from accidents outside the city limits than from accidents within the cities.

There was considerable variation in the number of deaths from month to month. Starting with 451 in the January period, the number fell off to a minimum of 247 in March, increased to 549 for the four weeks ending June 19, was lower during the next two periods but increased to a maximum of 590 in the period ending September 11.

The larger cities, naturally show the greatest number of fatalities. The following statement ranks 25 of the cities according to the mortality rate per 100,000 estimated population due to accidents that occurred within the city limits for the first 36 weeks of this year. Probably this is the fairest way of ranking the cities as regards automobile fatalities.

Kansas City, Kan., with an estimated population of 117,000, ranks first with one fatality and a death rate of 1.2; Indianapolis ranks thirty-third, with 59 fatalities and a death rate of 23.3.

D. 1926, then and there to answer a petition filed in said Court on the 8th day

of April A. D. 1926, and plaintiff's first amended petition filed thereon on October 2, 1926, in a suit numbered on the docket of said Court No. 1590, wherein George W. Williams is plaintiff, and George E. Cline, Ralph K. Cline, Eulah (Cline) Merrifield, Edgar J. Merrifield, Neva (Cline) Chapman, Elmer L. Chapman, Kathleen (Cline) Bauer, Roy L. Bauer, Lillian (Cline) Ferguson, Vaughn E. Ferguson, Georgia C. Platt, Thomas E. Platt and Martha Rose Cline, are defendants, and said petition alleging that plaintiff is the owner in fee simple of Section No. 5 North, Range 2 East in Deaf Smith County, Texas, containing 640 acres of land, that he was in possession of the same on January 1, 1926, and that defendants ejected him therefrom unlawfully and that they unlawfully withhold from him the possession of said land, that plaintiff received title to said land by regular chain of title from the State of Texas down to himself, that he received deed to the same from Peter P. Cline and Georgia C. Cline, that the said Peter P. Cline is dead and that the defendants are all the heirs of said Peter P. Cline who died intestate.

Plaintiff prays for title and possession of the said land, damage and cost of suit, suit being in trespass to try title.

Herein fall not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

You are hereby commanded to summon The Hoffman Oil Company of Kentucky, a corporation, the unknown stockholders of The Hoffman Oil Company of Kentucky, a defunct corporation, National Producing and Refining Company, a corporation, the unknown stockholders of National Producing and Refining Company, a defunct corporation, First National Oil Company, a corporation, the unknown stockholders of First National Oil Company, a defunct corporation, Security Producing and Drilling Company, a corporation, and the unknown stockholders of Security Producing and Drilling Company, a defunct corporation, are defendants, and said petition alleging that the

plaintiff is the owner in fee simple of the following described property in Deaf Smith County, Texas, to-wit: The southwest quarter of Section 22, Township 4 North, Range 1 East, the northwest quarter of Section 23, Township 4 North, Range 1 East, the southeast quarter of Section 24, Township 4 North, Range 1 East, the northwest quarter of Section 25, Township 4 North, Range 1 East, the southwest quarter of Section 4, Township 3 North, Range 1 East, and the east half of the south 250 acres of Section 31, Township 3 North, Range 1 East, containing 950 acres of land. That plaintiff received title to said lands by deeds conveying and showing a regular chain of title from the State of Texas down to himself. That defendants claim interest in said lands by reason of certain oil and gas leases thereon which plaintiff alleges have lapsed and been forfeited by virtue of the time limit on said leases and by failure to commence a well or wells thereon and by failure to pay rentals thereon. Plaintiff fur-

ther alleges that defendants unlawfully entered upon said land ejected plaintiff therefrom and unlawfully withhold possession therefrom from him. Plaintiff prays for title and possession of said lands, damage and costs of suit for judgment, the defendants have no interest in said lands, for cancellation of oil and gas leases, and the removal of the cloud cast upon said title by reason of said leases and records of same. Suit is in trespass to try title for cancellation of said leases and for removal of cloud from title. We had Sunday school last Sunday and appointed a committee to go to Amarillo the same week and buy a piano. Mr. Guy Smith and Mrs. Lester Galley were appointed. Thursday morning, both families went to see about one and bought a real nice one for a considerable sum of money. It was delivered Friday morning. Some families offered to give so much toward the first payment and all have not decided just what they could give. If any one of you feel able we would certainly appreciate it if you would "chip in" and help us out on it, for it is a great necessity, not only for Sunday school but will also be used in school a great deal by the teachers.

A pie supper is to be given October 29, to help pay some on the piano. Misses Bada and Velma Williams, our teachers, have been so kind and are working hard on a program to be rendered the same night. Everyone come, bring your pies and money and enjoy yourselves.

Mrs. Walter London visited Mrs. W. T. Smith Wednesday afternoon of last week.

Mrs. W. R. Kelly returned to Mrs. Renfro's from her mother's where she has been ill several days of last week.

Mr. and Mrs. Lovelady and children spent the last of the week in Friona with her mother.

Mrs. W. T. Smith spent Monday night in town with her daughter, Mrs. John Renfro.

Mr. and Mrs. Chamness were in Hereford last Thursday evening.

Mrs. Walker and Cecil were in Hereford Saturday.

Guy Smith and family went to town Saturday night.

We had another shower Friday night and as usual Ed Botts, Troy Womble and all the wheat sowers are grinning but most of the others show drooping mouths.

Miss E. Dora Smith went to Canyon Friday evening to the ball game.

Mrs. Walter London had as her visitors Thursday evening Mrs. Boyd London and son, Jack.

Mrs. Rambo was at London's one day last week.

Walter London spent Sunday in town at Boyd London's for a birthday dinner.

Everyone come to singing at Asken school house Sunday night at eight o'clock. Visitors are very, very welcome.

The farmers were glad to see the sun shine and hope it continues. Everybody is busy either sowing wheat or working in the row crops. Mr. J. W. Sparks of Panhandle was here a few days last week looking over his farm. Mrs. L. J. McKinney's mother,

Mrs. Harrold, is here visiting her this week.

Mr. and Mrs. Britt Clark and sons and Mr. and Mrs. George Storey and son spent Saturday night and Sunday in Canyon visiting relatives.

Mr. B. J. Clark of Anthony Kansas, and Mrs. Joe Keener of Knoxville, Tenn., are here visiting their niece, Mrs. B. A. Atchley.

Jim Noland spent Sunday with Asa and Thurman Atchley.

Mr. and Mrs. B. C. Roberson spent Sunday with Mr. and Mrs. Obe Roberson of Black.

Mr. and Mrs. Charlie Roberson have moved back into our community from Panhandle and Mr. Roberson is employed on the railroad.

Miss Marie McLark entertained the young people of the community with a social Saturday night. At a late hour refreshments were served to about thirty-five guests.

Miss Virginia Hudstedler of Canyon spent the week-end with friends here.

Mr. Jack McBroom and Miss Nell Burton spent Sunday with Mr. McBroom's parents in the Wildorado community.

Mrs. B. C. Roberson and Mrs. L. Johnson spent last Friday and Saturday in Canyon with their sons who are in school there.

Mr. and Mrs. Walter Hawkins and Mr. W. L. Suttle made a business trip to Amarillo last Tuesday.

The W. M. U. met at the school house last Thursday afternoon and quitted a quilt for Mrs. Joe Kendall.

R. Y. P. U. met on time Sunday night with a large crowd present, but on account of bad weather no program had been given out.

Some business matters were discussed, new group leaders appointed as it was the beginning of a quarter. Let's work and make our Union go. Come, your presence will help and be appreciated.

The singing class met after the R. Y. P. U. and new officers were elected as follows: Mr. C. R. Walser president, Joe Kendall leader, Mrs. Ky Lawrence secretary. The new 1927 song books have arrived and some good singing is expected. If you don't want to miss something you had better go.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Deaf Smith County, Greeting:

You are hereby commanded to summon W. H. Johnson by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County, where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, on the 16th Monday after the second Monday in July A. D. 1926, the same being the first day of November A. D. 1926, then and there to answer a petition filed in said Court on the 30th day of September A. D. 1926, in a suit, numbered on the docket of said Court No. 1591, wherein Addie Johnson is Plaintiff, and W. H. Johnson is Defendant, and said petition alleging that said defendant and plaintiff are husband and wife, that plaintiff is and has been an actual and bona fide resident of Texas for more than one year and a resident of Deaf Smith County for more than six months and that by reason of cruel and harsh treatment and improper conduct of defendant toward plaintiff she was compelled to abandon him and that his actions and conduct toward her were of such a nature as to render their living together as husband and wife insupportable. Plaintiff prays for judgment dissolving said marriage relations and for costs of suit.

Herein fall not, but have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the

seal of said Court at office in Hereford, Texas, on this the 30th day of September A. D. 1926. (SEAL) BERRY ORR, Clerk, District Court, Deaf Smith County, Texas. By EVELYN JACKSON, Deputy. 38-4t

To the Sheriff or any Constable of Castro County, Greeting:

You are hereby commanded to summon Edward M. Taubman, and his unknown heirs, A. E. Burton and his unknown heirs, C. E. Whatley and his wife, Pearl Whatley and their unknown heirs, and Mary W. Aldrich and her unknown heirs, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 64th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 64th Judicial District, to appear at the next regular term of the District Court of Castro County, to be holden at the Court House thereof, in Dimmitt, on the second Monday in November A. D. 1926, the same being the 8th day of November A. D. 1926, then and there to answer a petition filed in said Court on the 17th day of July A. D. 1926, in a suit, numbered on the docket of said Court as No. 1433, wherein S. R. Crawford and O. M. James and wife, M. M. James, are Plaintiffs, and Edward M. Taubman and his unknown heirs, A. E. Burton and his unknown heirs, C. E. Whatley and wife, Pearl Whatley, and their unknown heirs, and Mary W. Aldrich and her unknown heirs are Defendants, and said petition alleging: Suit in trespass to try title to the following land in Castro County, Texas, to-wit: Being parts of Surveys Nos. 74 and 75, in Block T, described by metes and bounds as follows: Beginning at the N. E. Corner of said Survey No. 75; thence West 2719 yds to the N. W. Corner of said survey No. 74; Thence South which is 24 degrees E. 1350 yds. to point in the West boundary line of said survey No. 74, and the N. W. corner of a 643 acre tract in the name of A. E. Allsup, and the S. W. corner of this tract; Thence E. 2675 yds. to a point in the E. B. line of survey No. 75, same being the N. E. corner of said Allsup tract; Thence N. 1320 yds. to the place of beginning and containing 643 acres of land, and being the same land sold and conveyed by Derwin Brown and wife, Laura Brown of Lamb County, Texas, to S. R. Crawford, by deed dated March 11, 1926, and recorded in Volume 32, Page 425, Deed Records of Castro County, Texas, which deed and the record thereof is hereby referred to and made a part hereof for a more definite description. That the plaintiffs, O. M. James and wife, are the owners of West 320 acres of the above described land, being the same land conveyed to them by S. R. Crawford on the 26th day of April, 1926, and that the balance of the said tract is now owned by S. R. Crawford.

That both parties are jointly interested in this action and have joined herein as well for their joint interests, and to save the multiplicity of suits. The plaintiffs plead offensively both the three and five year statute of limitation and adverse possession and pray that their title and possession be quieted and that the cloud cast upon the title by reason of the defendants and each of them, be cleared, for writ of restitution, rents, damages, costs of suit and for special and general relief in law and in equity. Herein Fall Not, and have before said Court, at its aforesaid next regular term, this writ with

your return thereon, showing how you have executed the same. Given under my hand and the Seal of said Court, at office in Dimmitt, this the 17th day of July A. D. 1926. (SEAL) JOE HASTINGS, Clerk, District Court, Castro County, Texas. 38-4t

AESOP'S FABLES

THE EAGLE AND THE JACKDAW.

An Eagle flying down from his eyrie, on a lofty rock, seized upon a lamb, and carried him aloft on his talons. A Jackdaw, who witnessed the capture of the lamb, was stirred with envy, and determined to emulate the strength and flight of the Eagle. He flew round with a great whirl of his wings, and settled upon a large ram, with the intention of carrying him off, but his claws becoming tangled in his fleece he flustered with his feathers as much as he could. The shepherd, seeing what had happened, ran up and caught him. He at once clipped his wings, and taking his home at night, gave him to his children. On their saying, "Father, what kind of a bird is it?" he replied, "To my certain knowledge he is a Daw; but he will have it that he is an Eagle."

WHY HEREFORD PEOPLE SHOULD GO TO CHURCH

Texas & Texans

By WILL H. MAYES

Cotton Holding Essential.

The cotton price situation is the most important problem now confronting the entire South.

How All May Help.

First of all, every farmer who can possibly do so should take his entire cotton crop, after it is baled, back to his home and store it in a warehouse and hold it for a price of not less than twenty cents or whatever price may be generally agreed should be received.

All People Should Assist.

"The buy a bale" plan will not in itself solve the trouble, but it will help, and those who can buy and hold a bale for the agreed price could do so.

Inconsistency Largely to Blame.

I am not enough of a dreamer to hope that any great change in practices or habits of a people be brought about overnight or in a year.

Suggest Uses of Pecans.

Now that pecans are becoming a staple product in Texas, why is more not done to get them more generally used as food?

Texas Tech Registers Lot of Students

LUBBOCK, Sept. 30.—The registration of students at the Texas Technological College at the close of the first week had reached 1270 and with a few late arrivals the first of the week the number has now reached approximately 1300.

With the large enrollment the Tech buildings are taxed to their capacity. All the class rooms are crowded and some of the classes are meeting in the agricultural pavilion and the cafeteria.

Of the 1270 students enrolled Saturday, there were 814 boys and 456 girls, or almost two to one as was the case last year.

THE FIRST OF FOUR ARGUMENTS BY HEREFORD PASTORS IN INTEREST OF BETTER LOCAL CHURCH ATTENDANCE

THROUGH the generosity of The Brand, the pastors of four local churches are to write a series of articles on the above subject.

Every one hundred per cent community is one in which all the normal and legitimate wants and satisfactions and responsibilities are recognized and shared by the numerous individuals of that community.

It is only in the spirit of good citizenship, therefore, that the ministers seek in these articles to set forth the value of the church and the corresponding obligation to attend upon its services.

Every good citizen is interested in the morals of the community for morality concerns itself with the happiness which comes from the protection of all sacred rights of the individual in his community life.

All real progress of humanity in morals has proceeded along two well known lines—the repression of wrong tendencies in human nature and the expression of good tendencies.

Whenever the value of the church in morals is enabled to exert wholesome and strong pressure upon society it will not only arrest wrong moral tendencies but will also move society

YESTERDAY AND TODAY

Have you ever paused long enough to observe how unstable and untrustworthy are the moral foundations beneath those who fail to make use of its opportunities for spiritual improvement?

When the fierce storms of temptation are beating down upon humanity and there are no moral reserves upon which one may draw we know what must be the results.

The church, in fact, is God's plan for saving the world. It is the only institution which He has ordained for that purpose.

There are of course many institutions, by products of the church, which are auxiliary to the church in the work of uplift.

To despise the church is to despise God's plan for the salvation of the world. To despise God's plan is to despise Him.

Have you never paused to observe who are the bitterest enemies of the church? The low grade politician always berates the churches and preachers.

ONE EYE WERT. NOBODY KNOWS COOLIDGE. CALAMITY INSURANCE. PRESERVE THE TREES.

When you fall from your glory, as the British Cardinal and the French Emperor discovered, it is a short story.

There is a lesson, of course. Aim at some result that cannot be taken from you, a championship in the things worth while.

One hundred and fifty years ago, Nathan Hale was standing before a British firing squad and making his famous last remark.

Young gentlemen will note that Nathan Hale's Championship is one that no Tunny could take from him.

Bruce Barton, student of character, adds one to his "men that nobody knows."

Little Calvin on the Vermont farm didn't yearn to be a policeman, railroad engineer, pirate, or president.

And "attractions being proportionate to destinies," as Fourier says, President Coolidge is actually keeping the biggest store in the world.

President Green of the American Federation of Labor, says that "arm labor" or labor organizations built up within great employing corporations.

Florida fruit growers lose \$5,000,000 in the tornado. 1,200,000 boxes of grapefruit, 500,000 boxes of oranges are included in official estimates of the loss.

Could not the government establish an insurance fund to meet such emergencies and make that fund responsible, under careful management, for such mis-called "acts of God?"

When Judge Gary took charge of United States Steel, he established a fund to do his own insuring, instead of paying out the money to insurance companies.

The Government might ask Judge Gary to establish a "calamity insurance" fund to take care of great disasters, floods, tornadoes and earthquakes.

California voters will pass upon a plan to exempt from taxation during the growing period all lands newly planted with trees in a campaign of reforestation.

Vigilance would be necessary to prevent fraud and prevent carrying prospective oil and mineral lands free of taxes, but honest administration would take care of that.

Mr. and Mrs. Jack Rose are here visiting Mrs. Rose's mother, Mrs. L. R. Bradley and her sister, Mrs. D. R. Bradley.

Miss Mary Alice Weaver of Canyon, spent several days this week with Mr. and Mrs. N. C. Voegel.

Ray Barber made a business trip to Amarillo on Monday.

Society

The home of Mr. and Mrs. Rex Tynes was the scene of a delightful children's party Monday afternoon, October 4, when their daughter, Nina Marie, was hostess to a number of friends in celebration of her seventh birthday.

The lovely lawn at the Tynes home was a charming background for its blossoming of happy child-faces as the merry youngsters enjoyed the outdoor sports which supplemented a program of indoor games. In the dining room, gay with garden flowers, a prettily decorated table had for its center adornment a big, white birthday cake holding seven crimson candles. This was served later, accompanied by delicious strawberry ice cream.

The youthful hostess was made doubly happy by a gift from each of her little guests. Concluding the festivities, kodak pictures were taken to serve as mementos of the happy occasion which was shared by Billie Joe Roberts, Jean and Helen Ann Snyder, Geneva Sue Benton, Irma Faye Robertson, Virginia Carlyle, Catherine Skelton, Virginia Erle and Wanda Jean Reed and Mary Louise Henry.

THRILL AFTER THRILL, BROUGHT BY "THE BAT"

When the screen's big mystery melodrama, "The Bat" makes its local bow at the Star Theatre, the problem of its audiences will be to detect the identity of the title character as the film progresses. Thrill after thrill with everybody fooled to the top of their bent—that is the thunderbolt awaiting the placid fans who may suppose they will get one of those easy movie plots to solve.

As remembered for a perennial stage success and as now presented on the screen as a Roland West production, "The Bat" is a fascinating detective problem, with everything in it calculated to interest the most jaded of audiences. "The Bat" is one sensation after another with no solution bubbling up until the moment the story gives its secret up. There are attempted murders and sudden encounters on every floor of the seemingly haunted mansion, and its spooky garrets are filled with haunts of money. There is an hysterical slavey who jumps at every shadow that crosses the wall, and a comedy detective who butts in to add complications. There is the shuddery, expectant and destructive atmosphere of unexplained evil doings, with a dozen people under suspicion all at once. There is a bank robbery, a financial crash, and the demise of the respected president under peculiar circumstances, and the sudden absconding of the teller who holds the key to the debacle, or at least to the vault that held the money. Hidden blue prints of a secret room in the house are sought by eager volunteers. Romance shines undefeated throughout all the troublesome plots and counterplots. There is not one single minute that the spectator's spine is not called upon to rise and shiver, and his throat to rattle in frightful gasps of joy.

Although tens of thousands have seen the stage version of "The Bat" in its several years' career, the secret of its real culprit as finally revealed by its authors, Mary Roberts Rinehart and Avery Hopwood, has been well-kept. The public has refrained from giving away the solution to members who have not seen it, and it is expected that the same loyalty and good entertainment will prevail when the big film production of the play comes to this city.

Plaintiff alleges that he is the owner of the legal title to the following described property in Deaf Smith County, Texas, to-wit: Northeast, One-Fourth of R. J. Renfro Tract, being Northeast One-Fourth of a 640 acre tract out of Capitol Leagues Numbers 425 and

426, as per plat thereof of record in deed records Deaf Smith County, Section Number 3, Township 3 North Range 3 East, Capitol Syndicate Subdivision in Deaf Smith County Section 34 Township 4 North Range 3 East of a Capitol Syndicate Subdivision, Deaf Smith County, Northwest one-Fourth (Quarter) of Section 1, Township 3 North, Range 3 East in Deaf Smith County, North East One-Fourth (Quarter) of Section 12, Township 3 North, Range 3 East, Deaf Smith County, Southwest One-Fourth (Quarter) Section 18, Township 3 North, Range 4 East, Deaf Smith County, South One-half of the East 503.95 acres of Survey 32, Township 4 North, Range 4 East in Deaf Smith County, Texas, Southwest Quarter, Southeast Quarter and Northwest Quarter of Section 35, Township 4 North, Range 3 East in Deaf Smith County, Texas, Survey Number 5, Township 3 North, Range 4 East in Deaf Smith County, Northeast one-fourth of Section 2, Township 3 North, Range 3 East in Deaf Smith County, 320 acres of land out of Capitol Leagues Nos. 424 and 425 and being a part of Section 19, Township Number 3 North, Range Number 4 East, described by metes and bounds as follows: Beginning at the S. W. corner of said Section No. 19;

Thence East with its south line 907 varas to pipe in S. E. Corner said Section No. 19;

Thence North with West line of a tract formerly sold to C. F. L. & I. Co., to J. W. Davis tract 1297.5 varas to point;

Thence North 89 degrees 45 minutes West along a produced line of the North line of said J.

W. Davis tract 192.8 varas to point; Thence North 601 varas to a point in North line of said Section Number 19;

Thence West with the North line of said section 19, 804.2 varas to N. W. Corner of said Section 19;

Thence South with the East line of Section 24, 1900.8 varas to the plans of beginning.

113.5 acres of land out of Capitol Leagues 425 being a part of fractional Section 19, Township 3 North of Range 4 East, described by metes and bounds as follows: Beginning at Northeast corner of said fractional Section 19;

Thence West with North line of said Section, 1037.4 varas to point in North line;

Thence South 612.2 varas to point in north line of 640 acre tract sold to J. W. Davis;

Thence North with the East line of said Section Number 19, 623.2 varas to the place of beginning; all of the above described tracts are out of a Capitol Syndicate Subdivision as shown by plat thereof of record in the Deed Records of Deaf Smith County, Texas, in Vol. 15, pages 60-66.

Plaintiff claims title by regular chain of titles from the State of Texas and by adverse and peaceable possession under the three and five year statutes of limitations, that defendants, and each of them, are claiming some interest in and to said lands, the nature of which is unknown to plaintiff, said interest so asserted being an apparent and not a real interest. Plaintiff alleges that all

of said claims are invalid and should be removed as a cloud upon plaintiff's title; suit being in trespass to try title as well as for removing cloud from the titles to each and every tract of land above described and for the recovery and complete possession of all the lands. Plaintiff prays for title and possession, that the titles be quieted in plaintiff, that he holds title through regular chain of title from the State of Texas through duly recorded deeds; for all special and general relief in law and in equity to which plaintiff may show himself entitled.

Herein Fall not but have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 29th day of September A. D. 1926.

Amorillo Shows Rapid Development

The announcement during the past week of the \$15,000,000 super-gas plant, the \$4,000,000 MacMahon gas line, and the practical completion of the \$500,000 cotton oil mill, have combined to draw attention to the concentration of industrial development in and about the junction of the new oil field line of the Rock Island, with the main line of that railroad and the Santa Fe.

Previously, this district was the location of a number of the principal industries of the city, including the immense Great West Mills, the Western Packing Co. plants and the Amorillo Refinery. With the addition of the projects mentioned above the fact that this is probably destined to be the manufacturing and industrial center of Amorillo seems assured.

Negotiations have been going forward for the purchase of industrial sites in this same district by two prominent organizations, and announcements are expected to be made within a few days of development programs of large magnitude.

Along with this industrial development, home building and street and municipal improvements have been keeping pace. In Ridgemere addition, directly north of the industrial district, a separate water works plant has been completed, the Amorillo Gas Co. has just finished its extensions to this neighborhood and street improvements including asphalt streets are going forward rapidly. North Third Street is being asphalt paved at this time along with Ridgemere Boulevard with which it connects to furnish a short cut to the center of Amorillo from the Panhandle Highway.

Likewise at East-Amorillo, a separate suburban city, northeast of the industrial development, more than a dozen homes are under construction, asphalt street paving is going forward, and a majority of the home sites in the first unit

have already been secured by investors and home builders.

Experienced business and industrial leaders join in the prediction that within a very short time this whole northeast area will be a closely built up industrial and residential section.—Amarillo News.

Net Decline of 452 Reported in August in Pensioners List

Bureau Says \$18,584,585.02 Was Paid Out in Month; Roll Increased 501,298 Aug. 31.

The Bureau of Pensions of the Department of the Interior has announced that there was a net loss of 452 in the number of pensioners on the government's pension roll in August, according to a tabulation just made public.

The total number of pensioners on the roll as of August 31 was 501,298 as compared with 501,750 on July 31. The amount paid in pensions by the government in August was \$18,584,585.02.

Losses by death to the pension roll in August totaled 3,130 of which 1,553 were soldiers and 1,577 widows. The losses by death occurred principally among soldiers of the Civil War, the total being 1,200. There also was a loss to the roll by death of 241 Spanish-American war veterans.

The tabulation showing the changes in the pension roll follows:

Number of pensioners on the roll July 31, 1926, 501,750; gains to the roll, soldiers, 1,871; widows, etc., 894; total gain, 2,765; total on the roll, 504,515.

Losses to the roll by death, soldiers, 1,553; widows, 1,577; total losses by death, 3,130; for other reasons, soldiers, 10; widows, etc., 77; total for other reasons, 87; total losses, 3,217. Number of pensioners on roll August 31, 1926, 501,298; net loss, 452; amount paid in month of August, \$18,584,585.02.

YOUR BIRTHDAY Is It This Week?

OCTOBER 17-23.

If your birthday is this week your most marked characteristic is your unconscious loyalty to duty. You feel a responsibility that you have no desire to divide, and if you succeed or fail in your undertakings, you want to do it all yourself.

Your executive, mechanical and commercial ability enables you to direct others in an intelligent and capable manner, and you become a leader in all things.

You are honest and true, and have a sympathetic, kindly nature. You are just in your dealings with others, and charitable in your judgments. You are rather silent and reticent at times, but when you want to, you are a fluent and interesting speaker.

You are impatient and impulsive and sometimes cause yourself ser-

ious trouble by jumping too quickly at conclusions.

Both men and women born during these dates excel at music. Men born during these dates become executives, buyers, salesmen, financiers and politicians. Women become teachers, interior decorators, saleswomen, designers and actresses.

Sarah Bernhardt was born October 22, 1844.

Post Office Department Says Ill-Temper Toward Patrons Will Not Be Tolerated.

The Post Office Department announced on October 1 that Postmaster General New will not tolerate discourtesy on the part of postal clerks in their dealings with the public. Attention was called to the statement to instructions sent to all postmasters to see that window clerks do not display ill-temper toward patrons. The full text of the statement follows:

Discourtesy or ill-temper on the part of postal clerks in their dealings with the general public will not be tolerated by Postmaster General New.

The Post Office Department has sent out notices to all postmasters throughout the country urging that they should be very careful whom they assign to "window service," where the person assigned has contact and dealings with the public. Postmasters are instructed to be careful, not only with the assignment, but with the supervision of clerks after they have been assigned.

"If a clerk is not naturally patient and cheerful," the instructions point out, "he or she should not be put on a window. And any person on a window should be taken off as soon as he or she begins to show any signs of ill-temper or discourtesy. Ability to get along with the public is a quality of merit and should be considered in matters of promotion. Postmasters must have courage to make changes in accordance with this policy, whoever is concerned or affected thereby."

Lorgnettes Adopted by Engineers' Corps

Glasses Will Be Used to Read Aerial Maps, Announcement States.

The Department of War announced on September 29 that lorgnettes have been adopted by the Corps of Engineers as a standard article of equipment. The full text of the department's announcement follows:

The Corps of Engineers has been authorized to adopt lorgnettes as a standard article of equipment. The military brand of this article will take the form of a stereoscopic lorgnette, which will serve a thoroughly practical rather than ornamental purpose in reading stereoscopic aerial photographs, maps and drawings.

VICE VERSA.

We've had city talk about the farmers sending into the mail order houses for their necessities. Now why not a little farmer talk to the merchants who are continually sending out of the country for fresh vegetables and produce that the local growers have that can well supply their trade.

One farmer said he brought in some fine home grown tomatoes and tried to sell them to the grocers but was informed that a produce house from down south was supplying all their needs. Other cases have been brought to our attention and the farmers are wanting a fair deal.

If you ask their patronage, why not take care of the produce that they have to sell? Providing, of

EAST-AMARILLO

A CITY IN ITSELF ~ ON THE PANHANDLE HIGHWAY

"A Conservative Investment With Remarkable Speculative Possibilities"

There have been two outstanding real estate projects in and about Amarillo in 1926—Ridgemere Addition to Amarillo, and East-Amarillo, a separate community in itself. Both developments are on the paved Panhandle Highway; and both have practical-

ly the same successful organizations back of them. Ridgemere sold out in 60 days, during the past summer; and East-Amarillo had the remarkable record of 247 sales, totaling more than \$112,000, within thirty days of the opening, with thousands

of dollars of building and street improvements under way. The following typical examples of profits made and rapid increases in value occurred in the Ridgemere Addition. And there is every indication that even more startling profits will be made by East-Amarillo investors.

READ THESE TYPICAL EXAMPLES OF PROFITS MADE:

100% Cash Profit In Two Weeks

A construction engineer bought Lot 19, Block 26, in Ridgemere on August 21, 1926. He paid \$50.00 down, held it two weeks, and sold his contract for \$50 profit. This man's transaction was a common occurrence—although most of the original building site purchasers held their property to build on, or for the great value increases they felt sure of later.

Druggist Makes \$175 On \$50 Investment

A gentleman associated with an

Amarillo drug firm sized up the possibilities of Ridgemere early. He picked a good building site, Lot 25, Block 19, on July 19th, paying down \$50 against the total price of \$650. On August 5th, just 17 days later, he sold it for \$825. Profit, \$175 or 350 per cent on his \$50 investment. And the buyer got a bargain!

\$300 Profit in 20 Days!

Another Amarillo man figured that if one building site was a good investment, three would be three times as good. He bought Lots 21, 22 and 23, in the same block as the drug map. These lots were \$595 each and he paid \$150 down, or \$50 on each.

On August 10th, twenty days later, an Amarillo woman who has been very successful in real estate investments purchased these three lots at \$695 each. And the seller made \$300 in less than three weeks on his small investment!

Amarillo Woman Makes \$465.00

Women seem to be particularly successful in buying and selling building sites. One in particular purchased three lots on July 21st in Block 19, Ridgemere. Each was priced at \$595, and by holding them but 30 days this investor was able to sell them for \$750 each, securing the astounding profit of \$465 on

her \$195 down payment! The purchaser hopes to do as well and it is our guess that she shall.

\$500 Profit on Two Lots

Another woman who has made several Ridgemere investments at different times, secured Lots 11 and 12 in Block 1, on July 22nd. They were priced at \$500 each. Ten days later she sold them to another Amarillo woman for \$750 each—a profit of \$500 on the small initial payment! And these lots were cheap at her selling price.

900% Profit In a Month

An Amarillo man decided that he

wouldn't consider offers until he had held his Ridgemere building sites for a month. He bought Lot 9, Block 19, Ridgemere, on August 12th. The price was \$595. He paid down \$65 and five weeks to the day, September 16th, he sold it for \$1,200! Profit \$405 on a \$65 investment!

East-Amarillo Duplicates Ridgemere Profits

Unit No. 1 of East-Amarillo was thrown open for building site selection on September 4, 1926. Its sales have been few to date for a large percentage of the purchasers are holding their lots to build on

or they believe it will pay them to hold their investment for greater profits later on.

However, where resales have been made, the experience of investors in Ridgemere, is being repeated. For instance, one well known Amarillo man bought two building sites in East-Amarillo on September 6th, two days after the opening. These were lots 29 and 30 in Block 61. The price was \$395 each, or a total of \$790.

The man paid down altogether \$215, held the lots two days to September 8th and sold them for \$500 each, or a profit of \$210! And, in the opinion of the owners and developers of East-Amarillo, the purchaser has an excellent opportunity to make heavily on these two well-located building sites.

Tremendous Amarillo Boom Coming Next Spring

The excellent rains of the past thirty days are going to make another bumper wheat crop; the trend of the oil business is better all the time; and recent announcements for industrial development in the Amarillo area assures a continuous fast-growing city. Men in a position to know say that Amarillo is destined to have a boom next Spring of great intensity—larger even than the one experienced this year.

When such development take place property values are certain to jump by leaps and bounds with a rich reward for the owners of well located building sites. And in seeking for such property, East-Amarillo will be found to offer more opportunity for value enhancement with a lower range of building site prices, than anything else on the market.

Excellent Building Sites Still Available at Low Initial Prices

East-Amarillo is a separate model city in itself, yet closer to the heart of Amarillo than many of the built-up sections of Amarillo where lots are priced at \$1,500, \$2,000 and even \$3,000 each.

Yet excellent building sites in the desirable Unit No. 1 of East-Amarillo are still available at \$195 up, with down payments as low as \$25, and terms as low as \$15 per month. But selections need to be made quickly, for more than half of the building sites have been sold, houses are going up by the tens, and with the project an assured success, sales are increasing rapidly.

Every street in being asphalt paved; gas, water and electricity are going in, and a model community and civic center has been donated to the new city.

Society

The home of Mr. and Mrs. Rex Tynes was the scene of a delightful children's party Monday afternoon, October 4, when their daughter, Nina Marie, was hostess to a number of friends in celebration of her seventh birthday.

The lovely lawn at the Tynes home was a charming background for its blossoming of happy child-faces as the merry youngsters enjoyed the outdoor sports which supplemented a program of indoor games. In the dining room, gay with garden flowers, a prettily decorated table had for its center adornment a big, white birthday cake holding seven crimson candles. This was served later, accompanied by delicious strawberry ice cream.

The youthful hostess was made doubly happy by a gift from each of her little guests. Concluding the festivities, kodak pictures were taken to serve as mementos of the happy occasion which was shared by Billie Joe Roberts, Jean and Helen Ann Snyder, Geneva Sue Benton, Irma Faye Robertson, Virginia Carlyle, Catherine Skelton, Virginia Eric and Wanda Jean Reed and Mary Louise Henry.

THRILL AFTER THRILL BROUGHT BY "THE BAT"

When the screen's big mystery melodrama, "The Bat" makes its local bow at the Star Theatre, the problem of its audiences will be to detect the identity of the title character as the film progresses. Thrill after thrill with everybody fooled to the top of their bent—that is the thunderbolt awaiting the placid fans who may suppose they will get one of those easy movie plots to solve.

As remembered for a perennial stage success and as now presented on the screen as a Roland West production, "The Bat" is a fascinating detective problem, with everything in it calculated to interest the most jaded of audiences. "The Bat" is one sensation after another with no solution bubbling up until the moment the story gives its secret up. There are attempted murders and sudden encounters on every floor of the seemingly haunted mansion, and its spooky gables are filled with bales of money. There is an hysterical slavey who jumps at every shadow that crosses the wall, and a comedy detective who butts in to add complications. There is the shuddery, expectant and destructive atmosphere of unexplained evil doings, with a dozen people under suspicion all at once. There is a bank robbery, a financial crash, and the demise of the respected president under peculiar circumstances, and the sudden absconding of the teller who holds the key to the debacle, or at least to the vault that held the money. Hidden blue prints of a secret room in the house are sought by eager volunteers. Romance shines undefeated throughout all the troublesome plots and counterplots. There is not one single minute that the spectator's spine is not called upon to rise and shiver, and his throat to rattle in frightful gasps of joy.

Although tens of thousands have seen the stage version of "The Bat" in its several years' career, the secret of its real culprit as finally revealed by its authors, Mary Roberts Rinehart and Avery Hopwood, has been well kept. The public has refrained from giving away the solution to members who have not seen it, and it is expected that the same loyalty and good entertainment will prevail when the big film production of the play comes to this city.

Plaintiff alleges that he is the owner of the legal title to the following described property in Deaf Smith County, Texas, to-wit:

Northeast One-Fourth of R. J. Renfro Tract, being Northeast One-Fourth of a 640 acre tract out of Capitol Leagues Numbers 425 and

426, as per plat thereof of record in deed records Deaf Smith County, Section Number 3, Township 3 North Range 3 East, Capitol Syndicate Subdivision in Deaf Smith County Section 34 Township 4 North Range 3 East of a Capitol Syndicate Subdivision, Deaf Smith County, Northwest one-Fourth (Quarter) of Section 1, Township 3 North, Range 3 East in Deaf Smith County, North East One-Fourth (Quarter) of Section 12, Township 3 North, Range 3 East, Deaf Smith County, Southwest One Fourth (quarter) Section 18, Township 3 North, Range 4 East, Deaf Smith County, South One half of the East 503.95 acres of Survey 32, Township 4 North, Range 4 East in Deaf Smith County, Texas, Southwest Quarter, Southeast Quarter and Northwest Quarter of Section 35, Township 4 North, Range 3 East in Deaf Smith County, Texas, Survey Number 5, Township 3 North, Range 4 East in Deaf Smith County, Northeast one fourth of Section 2, Township 3 North, Range 3 East in Deaf Smith County, 320 acres of land out of Capitol Leagues Nos. 424 and 425 and being a part of Section 19, Township Number 3 North Range Number 4 East, described by metes and bounds as follows: Beginning at the S. W. corner of said Section No. 19;

Thence East with its south line 997 varas to pipe in S. E. Corner said Section No. 19;

Thence North with West line of a tract formerly sold to C. F. L. & I. Co., to J. W. Davis tract 1297.5 varas to point;

Thence North 89 degrees 45 minutes West along a produced line of the North line of said J.

W. Davis tract 192.8 varas to point; Thence North 601 varas to a point in North line of said Section Number 19;

Thence West with the North line of said section 19, 804.2 varas to N. W. Corner of said Section 19;

Thence South with the East line of Section 24, 1900.8 varas to the plans of beginning.

113.5 acres of land out of Capitol Leagues 425 being a part of fractional Section 19, Township 3 North of Range 4 East, described by metes and bounds as follows: Beginning at Northeast corner of said fractional Section 19;

Thence West with North line of said Section, 1037.4 varas to point in North line;

Thence South 612.2 varas to point in north line of 640 acre tract sold to J. W. Davis;

Thence East with North line of J. W. Davis 640 acre tract 1037.4 varas to the most Eastern Southeast corner of said fractional Section 19;

Thence North with the East line of said Section Number 19, 623.2 varas to the place of beginning; all of the above described tracts are out of a Capitol Syndicate Subdivision as shown by plat thereof of record in the Deed Records of Deaf Smith County, Texas, in Vol. 15, pages 60-65.

Plaintiff claims title by regular chain of titles from the State of Texas and by adverse and peaceable possession under the three and five year statutes of limitations, that defendants, and each of them, are claiming some interest in and to said lands, the nature of which is unknown to plaintiff, said interest so asserted being an apparent and not a real interest. Plaintiff alleges that all

of said claims are invalid and should be removed as a cloud upon plaintiff's title; suit being in trespass to try title as well as for removing cloud from the titles to each and every tract of land above described and for the recovery and complete possession of all the lands. Plaintiff praying for title and possession, that the titles be quieted in plaintiff, that he holds title through regular chain of title from the State of Texas through duly recorded deeds, for all special and general relief in law and in equity to which plaintiff may show himself entitled.

Herein Fall not but have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 29th day of September A. D. 1926.

Amorillo Shows Rapid Development

The announcement during the week of the \$15,000,000 super-plan, the \$4,000,000 MacMaha gas line, and the practical completion of the \$500,000 cotton oil mill, have combined to draw attention to the concentration of industrial development in and about the Rock Island, with the main line of that railroad and the Santa Fe.

Previously, this district was the location of a number of the principal industries of the city, including the immense Great West Mills, Western Packing Co. plants at the Amorillo Refinery. With the addition of the projects mentioned above the fact that this is probably destined to be the manufacturing and industrial center of Amarillo seems assured.

Negotiations have been going forward for the purchase of industrial sites in this same district by two prominent organizations, and announcements are expected to be made within a few days of development programs of large magnitude.

Along with this industrial development, home building and street and municipal improvements have been keeping pace. In Ridgemere addition, directly north of the industrial district, a separate water works plant has been completed, the Amorillo Gas Co. has just finished extensions to this neighborhood and street improvements including asphalt streets are going forward rapidly. North Third Street is being asphalt paved at this time along with Ridgemere Boulevard in which it connects to furnish a short cut to the center of Amorillo from the Panhandle Highway. Likewise at East-Amorillo, a separate suburban city, northeast of the industrial development, more than a dozen homes are under construction, asphalt street paving going forward, and a majority of the home sites in the first unit
