Cagers In Loss To Tulsa Team

Although they took a licking, the cagers of the Tulsa team, at the hands of the Tulsa Hornets, the Whiteface cagers looked impressive in their first game of the season last Friday night. It was played in Tulsa. Starting strong, the Herd looked like a winner at the half when they were holding a 13 to 0 advantage. A substitute forward for Tulsa named Evans entered the game in the last half and wiped out the deficit by scoring nine points. Combined with Evans' hot shooting was the fact that L. E. Russell and Pleas Baker were chased in the last quarter because of four personal fouls each. Tied with Evans for the scoring lead was Butler, Tulsa guard. Captain Walter Seed and Russell tabulated eight points each to lead the Hereford scoring.

Despite the drubbing, Coach Tommy McCullon allowed as how his team pleased him mightily, since the squad had been working out only a week.

This Friday Coach McCullon will take the boys over to tangle with the Herman Troutman's Dismitt five. And the Friona basketball team of Bill Stevens will be hosts to the Hereford team Saturday night.

New Ford Shown By Local Agent

The 1934 model Ford V-8 was put on display here last week by the Hereford Motor Company after a delay of more than a week. The new machine has greater power, more speed, quicker acceleration, smoother performance, more miles per gallon especially at high speed and quicker starting in cold weather plus refined body types and a new built-in system of clear-astion body ventilation. The improvements in engine performance are the result of the use of a new dual carburetor and dual valve manifold which increase power approximately 12 per cent. The distinctive lines of the car have been refined by a newly designed radiator shell, grille and fenders. Interiors reveal new tufted upholstery and garnish mouldings, a cove type head lining, new instrument panel, arm rests, door pulls and hardware. Eleven body types are available. All are equipped with safety glass windshields, while the de-luxe types are fitted with safety glass throughout.

Brand Observes Thirty-Third Birthday With This Issue

With this issue The Brand embarks upon its thirty-fourth year of service in Hereford. The paper first saw the light of day on February 23, 1901. It was then the Hereford Reporter and was operated by F. L. Vandenburg. In 1903 the name was changed to The Brand. J. Ray, prominent Amarillo business man and holder of extensive properties here, was the next owner. Following Mr. Ray as editor was A. C. Elliott, then B. F. Guthrie. In 1917 the late Seth B. Holman and Earl Gough acquired The Brand. After a few months Mr. Gough went to the World-War and Mr. Holman became sole owner. In 1925 W. R. Steckman became a partner in the business, remaining thus for a year when Mr. Holman again became sole owner. The Num-Warren Publishing Company bought the paper in 1929. Mr. Holman retiring because of ill health. Mr. Holman took the paper over again in 1932, but was not active in its management between that time and his death last July. Mrs. Holman directing the business as she now is and intends to continue doing. "We want to thank The Brand's friends for their congratulations and good wishes on this birthday," Mrs. Holman says. "It's always been our aim to give the people of Hereford and surrounding territory the best newspaper we are capable of giving. It is still our aim."

HEREFORD MAN LENDS MUSEUM VALUABLE COIN COLLECTION

A coin collection, including pieces dating from Macedonia, 350 B. C. to U. S. coins of the present, is the latest addition to the Panhandle-Plains Historical Society Museum. There are 353 pieces in the collection, which is loaned by Elmer Patterson of Hereford. The Patterson coin collection is displayed in a case which contains nothing else. Each coin can be easily seen, and each is carefully labelled. There are coins of copper, nickel, silver, iron and gold. Children who have read and dreamed of "Plates of Gold" will find in the collection "Pieces of Eight," Spanish coins of 1790. Few people know that there were minted in gold coins worth one-half dollar. But after the gold rush, on the heels of these coins there appears an Indian head; the reverse side carries the figure of a bear. A gold \$3 piece is also of interest. Many early coins, especially those of the Roman Empire from 41 to 540 A. D., were highly artistic, but this quality was lost during the years of the Byzantine Empire, and handsome coins did not reappear until the reign of Queen Elizabeth of England. People who have felt a shortage of cash in 1933 will be interested in "Jackson's Hard Times Token," issued from 1835 to 1842, when the U. S. was going through a period of terrific depression and suffering. At least 44 countries are represented in the collection, including places as far apart as India and Norway, Japan and Brazil, Persia and the Philippine Islands, Roumania and Nova Scotia. There is one coin from Palestine on which there appears three different languages.

Corn-Hog Plan To Start Soon

Completion of the corn-hog reduction organization for the county has been held up because of a delay in printing of contract and application forms at the government printing office. The blanks are expected next week at which time the program will start. This program will be handled much in the manner of the wheat reduction and likely by the same community and county set-up, says Dewey Reed, county agent. Three sows and ten acres of corn or either is the minimum set for a producer who desires to participate. Allotments will be based on 20 per cent acreage reduction in corn and 25 per cent reduction in pigs. The corn allotment will be 30 cents a bushel on estimated average production on the contracted acreage during the past five years. Hog allotment will be \$5 per head on the number of hogs a farmer produced for market from litters sired by his sows, provided the farmer has reduced his production in accordance with the contract. Half of the corn allotment and \$2 per head on the hogs will be paid as soon as possible after completion of the contracts.

Charness of Canyon, state supervisor. The report also recommended that a full time librarian be employed and the school devote more time to a program of physical education. These shortcomings are due to financial stress, Superintendent C. H. Dillehay declared. Notification was also received this week by the high school that it had been unanimously accepted as a member of the Southern Association of Colleges and Secondary Schools. This is the eighth consecutive year the school has been granted membership in the organization. Enrollment in the schools following the holidays showed a net gain of 14 pupils, 21 in the grades and seven lost in high school. This brings the total enrollment to 595, 26 short.

Combined with duties of the sheriff's office is the post of tax collector. "Although this job is one that is relatively unglamorous, it is at the same time one of vast importance. Girl Scout Notes

We can call ourselves real Scouts now. At the first meeting of the New Year we received our membership cards. We sang an opening song and then the cards were awarded each girl who has passed the Tenderfoot test.

New Scout songs and a new game were learned and then the captain told how to become a Second Class Scout, which is the second big step in the program. Three girls have already passed several requirements of the second class and are trying to see which can get the second class badge first. "Taps" was sung and the meeting adjourned.

Patrol leaders and assistants met after this meeting in the Court of Honor and planned the meetings for January. Anyone interested is invited to come to the meetings each Wednesday afternoon at 4:30 in the basement of the First Christian Church. We are always happy to have visitors.

Amarillo Cards Big Time Show

Theatre goers of Hereford and vicinity soon will have an opportunity to see the first big musical show at Amarillo in more than a year.

Wilbur C. Hawk has been successful in booking the Greater Marcus Show for 1934 for one performance only, Tuesday midnight, January 23, in Amarillo's municipal auditorium.

Despite the magnitude of the show—there are more than 70 persons in the troupe—the price scale is exceptionally low, reserved seats ranging from 50 cents to \$1.50, plus tax.

Mr. Hawk in announcing the show urged patrons over the Panhandle to make reservations early to Miss Lois Black at the Globe-News in Amarillo.

The Greater Marcus Show of 1934 is on a round-the-world tour and will make no other stop between Amarillo and San Francisco. The company will sail February 8 to open the largest theatre in the world, in Nippori, Elga Gekijo at Tokyo, Japan.

On the transcontinental trip a special train of Pullmans and baggage cars is required.

For the midnight attraction in Amarillo the Greater Marcus show of 1934 will present "La Vie Parée," a French night club extravaganza. There are many stars in this attraction, including such foreign artists as Ha Cha San and La Fanette, sensation dancers; the Bounding Ali Babas from Mecca, Bagdad and way points, Leon Miller, Lillian McCoy, Bea Winsome and others.

"La Vie Parée" has a chorus of 36 "Marcus Peaches" and carries a band and orchestra, the California Night Hawks.

"It's been a long time since a big attraction has been booked and at the low price scale I am sure there will be a rush for reservations," said Mr. Hawk.

Mrs. W. R. Cain and little Miss Mary Beth McCullough went to Panhandle Sunday to spend this week visiting with friends, Mrs. R. L. Cornelius and family.

SOCIETY

CHRISTIAN FOLKS HAVE FOURSOME PARTIES

Ladies of the Christian church are becoming "Foursome Minded." The plan is to entertain at least four dime-paying guests, each guest in turn promising to have a foursome. This will result in an expanding party as well as an expanding profit. The proceeds go into the regular missionary budget.

Rev. and Mrs. McWilliams staged the party off with a double foursome Tuesday night. The evening was spent playing forty-two. Popcorn was served in gaily colored sacks. The guests were Mr. and Mrs. F. M. Kester, Mr. and Mrs. P. G. Blue, Mr. and Mrs. L. Z. Oldham, Mr. and Mrs. Ralph Barbyte.

MINNIE LEE HANNA HONOR GUEST

Nolla Ralston was hostess for a charming luncheon and handkerchief shower honoring Minnie Lee Hanna Thursday. She will leave in the near future for Corpus Christi. Quilting was the diver-

sion of the day. Attending were the honoree, Georgia Mitchell, Maude Orr, Jess Pickett, Boss Phillips, Laura Walker, Dess Johnson, Laura Long, Iva Posey, Ruby Shirley, Annie Smithers, Mae Valentine, Virgie Lee Whitsett, Mae Powelson, Nolla Ralston, Edna Bove and Elsie Thompson.

MISS MARY ANN BAIRD ENTERTAINS FRIENDS

NEWS OF HEREFORD HIGH SCHOOL

SENIOR HI-Y

"Oh, my side and back! My legs feel like lead." Such salutations of greeting were more than likely heard Thursday morning. No wonder: your back would also hurt if somebody's knee were placed on the weakest part (your back, not your head). In reality this was the case with the HI-Y boys. Last Wednesday night before the meeting came to order, the boys built a pyramid (this morning they realized it should have been a tombstone).

The meeting was entirely one of business. The father-son affair planned some time ago was never enacted, so another was planned instead. The older boys conference is going to be held this coming spring in Amarillo. Many expect to attend, especially if they obtain the necessary "do-re-mi." After business was over the boys sang "Bulldog on the Bank" twice and then the closing song.

The Student Council is working the constitution for the high school. The preamble and two articles are complete.

Who knew we had a Thomas Jefferson in our midst? Watch for Mr. Loys Carmichael's preamble to the high school constitution.

HIGH SEVENTH

The sub-freshmen are planning a party to be given after the examinations. The committee appointed are, entertainment, Robert Green, Dorothy Funderburg and Viola Phillips; refreshment, Henrietta Fritz, Mildred Hacker and Chilton Foster; decorating, Mildred Coleman, Nedra Clayton and Jasper Vaughn. WHERE THEY WENT—WHAT THEY DID

A few words on where our noble education instructors spent their happy holidays and how they fared:

Mr. Wilson's brother visited him a few days, then he went to Collin county, where the cotton grows, for a visit, returning via Portales, New Mexico, and held basketball practice for the remainder of the holidays.

Miss Crawford journeyed to Arkansas. Being so energetic, Miss Crawford graded term themes, outside reading reports, did some carpenter work, painting, baking and sewing; and the report is that she had a great deal of fun.

Miss Campbell went several places, Leesville, La., Greenville and Childress. No report on what she did—I hate secrets.

Miss Wrenn was at her home in Memphis for the holidays, and what she did—I wonder!

Miss Carlisle was in Dallas during the holidays.

Miss Rigler spent Christmas in Hereford. What she did, I don't know—ate turkey, perhaps.

Miss Westbrook visited her people in Paris, and reported a fine Christmas, but lousy weather.

Mr. Hopkins and his better half spent the time in Taylor. Mrs. Hopkins said that was all he would spend—the holidays.

The three McCollins were with relatives in Winters. He reported a nice time with the exception of a few flats. That means the expense of a couple of tires, Coach.

Mr. Dillehay was at his father's home in Decatur. He probably graded civics notebooks. FH

NEW STUDENTS

Hereford High is growing. The school is proud of its new members and wishes to welcome them. It hopes they find the Hereford school just a little more interesting and friendly than the others they have attended. The student body should see that they have this opinion.

Students who have enrolled since Christmas are Phillip Briggs, a freshman from Childress, the ex-Shirley Cress is a sophomore and she comes from Sunny Slope school. Her brother, W. C. Junkin, is also a new student.

T. L. Burkett, sophomore, is from Ralls. He has been in school here before this year.

We are also glad to have Patricia Westerbrook, an old graduate, back for post graduate work. SG

HAVE YOU HEARD THIS ONE?

Well, we're back in school again after a long vacation. Mr. Hudson said he didn't enjoy his vacation so much because he had to milk every morning.

Little John McGowan isn't dating Virginia Carlyle. He decided he had too many rivals like Wayne Ebyans, Virginia, how many boy friends do you have?

These boys and girls home from College caused quite a sensation among several of our students. I believe one or maybe both of the Carmichael twins gave several the big rush. Evidently they enjoyed it. And, too, Loys, Elizabeth Ireland didn't seem to miss you so much.

Earl Trimble seems to have fallen on hard time. Everyone wonders how long it will last. He's seen with her more often than occasionally.

For some reason, Wilbur Wombie, Jerry Parker, Florene Hunter and several others must enjoy hearing the glee club, for they were at nearly every practice. Why was Florene so interested?

There is also the question as to whether E. Walker kept tab on Spike Harris while he was gone. Question him closely, Florene.

Vivian Davis was reported to have had five dates the night of the glee club party. How do you manage them all, Vivian?

Then at this same time Virgil Cloyd courted a blonde fish—but ask Virgil about it.

I hear that Pleas Baker has a new flame. Is she really a flame?

We want to welcome Shirley Cress from Happy to our high school. We hope you'll enjoy attending H. H. S., Shirley.

SENIORS

Seniors, what is wrong with us? We can't decide on a thing! A good drill in parliamentary law would be very beneficial. A drill of that type would teach us how to speak, when to speak and how to maintain order. It would be beneficial because it would teach us how to give all people a chance to talk instead of a few having the floor constantly. Courtesy would be taught which would encourage friendliness, courage, responsibility and above all, cooperation.

Without cooperation we can do nothing. Cooperation is a social as well as an economic necessity. Seniors, our mothers are giving us a party January 11. Are we going 100 per cent and show that we appreciate what they are doing for us, or are we going only to go and show what kind of class we are? We must cooperate with the teachers, mothers, friends and class mates if we expect to live up to our motto, "Make our class the classiest class of classes." We can do it. Let's attend the party, enjoy it and bring back the old spirit of H. H. S. to our senior class. TLW

RESOLUTIONS WORTH WHILE

During the time of year when everyone was in good spirits after the Christmas holidays and the fact that a new year had begun was still something of a drama, it was comparatively easy for us to make numerous resolutions concerning ourselves and our conduct to be put into effect during the new year. We made the resolutions in all sincerity, but as is usually the case, after our spasm of good feeling had passed and we had again resumed our natural, everyday routine, we found that we had forgotten the majority of our would-be resolutions and that those which we remembered were not even worth remembering. Oh, well, we probably would not have kept them anyway.

Now is the time, then, in our sinner moments to make new and worthwhile resolutions. It seems that the first and foremost of these should be to solemnly resolve to keep the ones that we do make. Having decided to abide unconditionally by this statement, we have only to make our resolutions. But this is a hazardous task, and we should conscientiously strive to better ourselves by our resolutions. Most of us have already resolved to turn over a new leaf, but in turning over that leaf let us not forget the one we are covering up. Thus, we can profit by our past mistakes. Let us find certain goals that we need to reach in order to accomplish the most good possible during the ensuing year and resolve to reach them. Let us resolve that nothing shall detract from our enthusiasm or shift our eyes from our goal once it is fixed. We

WHAT WILL YOU MAKE OF THE FUTURE?

Are you starting the New Year right? After hearing that excellent lecture by Rev. Cloyd in assembly last Tuesday morning we should be striving to make progress toward a successful year.

Are you happy? Perhaps you think there are many reasons for your being unhappy. Let us stop and consider. Perhaps the reasons for your unhappiness are not really obstacles at all but merely things you desired and did not get. If this is the case, forget them and begin again because we do not always know what is best for us. Would the thing you desired have been beneficial to you? If you answer truthfully, the answer would many times be "No." Perhaps you did not get the coveted toy Christmas; probably you were reprimanded by your parents,

most of us are at one time or another; possibly you quarreled with your best friend—if these things are true, forget them. The toy probably was not useful; if you are not an exception, you deserved the reprimand; and the friend you quarreled with will accept your apology with small explanation. Forget these small items because after all they will not matter five, ten or fifteen years from now.

"So don't be glum and ruin your life by sorrow and regret. The present is what counts, you know, and the past—you can forget."

1934 will be the AMAZING YEAR that will make every man conscious of the new social and economic trends that are definitely closing an old and opening a more hopeful new. It will bring to every American the realization that the sacrifices of a few selfish interests can be desirable if it means the advancement of the interests of the many.

1934 will have its weak points and its sore spots, for our leaders are but human and will doubtless make mistakes. But it will undoubtedly be a momentous year—a year of courage, of purpose and of progress—a year when high hope is backed by effort and the cry is "FORWARD ALONG THE WHOLE LINE!"

THE CHURCH WORLD

First Presbyterian Church

The Christian Endeavor of the Presbyterian church met Sunday night for installation of officers, and the ceremony was beautiful and inspiring, and was conducted by Mrs. G. M. Hudson, sponsor. The 18 members and officers present took the pledge, "Trusting in the Lord Jesus Christ for strength, I promise Him that I will strive to do whatever He would have me do. I will make it the rule of my life to pray and read the Bible, to support the work and worship of my church, and to take part in the meetings and other activities of my church. These things I will do unless hindered by conscientious reasons; and in them all I will seek the Saviour's guidance." "Objectives for the New Year" was the subject for the round table discussion. A contest was arranged and captains elected to choose sides and see which could bring in the most members and be present and on time with a contribution for the betterment of the program. Captains are Patricia Wederbrook and John Williams. The losing sides must give the other side a party. All members absent Sunday, don't fail to come next Sunday, because Henrietta Frita has a delightful surprise for all of us about the middle of next month and will announce it at the meeting. Sunday night's program will be led by John Williams. Visitors always welcome. The program begins at 8:00 in the Endeavor room of the Presbyterian church.

First Methodist Church
REV. T. C. WILLETT, Pastor

We had a good day last Sunday. A large number took the communion and many expressed themselves to the pastor as being blessed and helped. Nothing can soothe your frazzled nerves and give rest to your troubled spirit like the wholesome atmosphere of Sabbath worship. The world needs nothing so much as this. We expect another great day next Sunday. The Sunday school meets at 9:45, with everybody from the Juniors on up together in the main auditorium. Our new superintendent, Judge C. W. Humble, is planning great things for the Sunday school. Don't wait until the children come home to tell you about it. You had better see and hear it first hand. And furthermore you had better be there by 9:45 if you don't want to take a front seat. Let's all be on hand next Sunday.

First Christian Church
REV. E. R. McWILLIAMS, Pastor

Church school, 9:45. Morning service and communion at 11:00. Christian Endeavor, 6:00. Evening services at 7:00. Bro. McWilliams will preach at both services. Darrell Atherton will lead the C. E. program. The public is invited to attend any and all services. Good teachers and graded lesson materials assure the Sunday school attendants a profitable and enjoyable hour. Friday evening from 5 to 7 the second year intermediate girls, Miss Edna Wheeler teacher, enjoyed a snapper at the parsonage with Mrs. McWilliams, department superintendent, as hostess. The girls attending were Nela Margaret Blue, Jo Ann Barhyte, Jane McKee and Erma Fay Robinson. W. M. S. meets the first Wednesday in each month at 3:00. The Y. W. M. S. meets the second Thursday in each month from 11 to 2 in a study hour, covered dish luncheon and devotional program. The women of the church are invited to attend the meetings of these organizations.

Sunday mass at 8:00, sung mass at 10, benediction at 8:00 p. m. Weekday mass at 8:00, Saturday at 7:00, convent; Thursday, feast of St. Peter's chair at Rome, January 18, begins octave of prayer for the intention of Christian unity throughout the world. Each evening during the octave there will be benediction of the Blessed Sacrament at eight. At the conclusion of the mass each morning and during benediction will be sung by the congregation. Also at both morning and evening services there will be repeated the following prayer taken from our Lord Jesus Christ's last discourse and prayer for his disciples, made to His Heavenly Father, just as He entered the garden of Gethsemane to begin His memorable passion for our redemption: "That they all may be one, as Thou, Father, in Me, and I in Thee; that they also may be one in us; that the world may believe that Thou hast sent me."—John 17:21.

Due to the universal appeal of this octave's intention, all are invited to join in these exercises. Recalling the words of Tennyson that "more things are wrought by prayer than this world dreams of, a wholehearted response to this invitation should be the harbinger of much good in these critical days. The beginning and end of the octave will be marked by a sung mass at 8:00 a. m.

Ten Years Younger

There is probably one statement we hear around the Crazy Water Hotel more than than any other. We hear it just as our smiling guests are shaking hands with Mr. Love and saying goodbye. It usually ends up with: "I feel ten years younger!"

What do they mean? Well, they might be thinking about the climate. Here in Texas, sunshine is no novelty—but have you ever tried our sunshine here? We don't have any copyright on fresh air—but have you ever stretched your lungs over our mountain air at sunrise on a nippy winter morning? And there are plenty of ways to enjoy this climate. We're still playing golf in our shirtsleeves. And the bass have been taking flies. And the first few days of the duck season, at daybreak every morning it sounded like a war.

All these things are right at the city's doorstep.

It may be our guests after all, however, are thinking about the wonderful relaxation, stimulation, youthification in a course of Crazy Mineral Baths. In giving their bodies a good overhauling, you might say, inside and out, with Crazy Mineral Water—Nature's perfect eliminant.

Come to the Home of Crazy Water. Throw off about ten years of unnecessary age. Go home with an appetite like a timber wolf. And what will this cost you in dollars and cents? Listen:

Rates by the week (our "Treatment Plan") include a comfortable outside room, Crazy Mineral Baths, as much Crazy Water as you can drink, your meals (and GOOD cooking)—in fact, all the comforts of a first class modern hotel—for as low as \$20 per week single, \$35 double.

If that isn't enough to make you drop everything and come, write us for more. Better still, just come and see!
