Hereford Goes Over The Top With Soaring Red Cross Fund

Around Town

Sights and Faces Seen Rudley awakened at 4:15 Wednesday morning...

Boosting its total contributions to \$551.12, the Deaf Smith County Chapter of the Red Cross went over its quota by \$71.12 by Wednesday night.

Expressing the thanks of the Chapter, John H. Olson, yesterday said:

"The American people down through the years have built up a tradition of speeding to the rescue of disaster stricken populations all over the world...

"On behalf of the Deaf Smith County Chapter, we wish to thank all who contributed...

Dick Muller's new home on East Third street will be of frame construction and will have five rooms and a bath.

Roofing work on the addition to Hudson Grocery is expected to be finished this week.

More people of late have been gathering in stores and shops to listen to the radio news broadcast.

Excavating Of Spud Warehouse Is Completed

Excavation work was practically complete this morning (Thursday) on the Hereford Potato Growers' Ass'n. Inc. cellars as work was rushed in order to be ready for the first of the harvest about July 1.

Hay baling to provide straw for insulating the roof was started today at Bovina.

Two cellars are being built at the location south of the Conoco Wholesale Agency.

The cellars will have stucco fronts for neat appearance.

District Court Ends Sessions At Dalhart

One of the heaviest Spring terms of district court in several years has just been concluded at Dalhart.

The session at Dalhart lasted six weeks. Two capital offense cases were tried, the first time in 12 or 15 years two capital offense cases have been tried in the same term of court.

In case of the State of Texas vs. Charles Smart, charged with murder, a life sentence was given.

Contest Winners To Be Given

Winners of the 90-piece Fiesta Dinnerware Ensemble in the Plax Contest will be displayed on the office window of the R. H. Kemp Lumber Co.

The contest, which was open to local people, required the writing of a 25-word statement regarding Plax.

Home-Coming To Be At Christian Church Sunday

A large crowd of former members of the First Christian Church congregation in Hereford is expected to return Sunday for the annual Achievement and Home-coming Day.

Plans have been made for the taking of motion pictures of the home-coming group as well as other members of the congregation.

Arrangements for the day are being made by a committee composed of Mrs. C. R. Smith, A. Lowther and Harry Seed.

Phillips Of Amarillo Noses Out 5-4 Win

In an outside game here Friday night the Phillips 66 of Amarillo nosed out Hereford's Phillips 66 5 to 4.

Amarillo made five hits count for five runs while Hereford collected seven hits but could score only four times.

Clayton led the loosers with three hits while Shock had two singles to lead the victors.

Candidate Night Service Planned At Methodist Church

A service of unique nature has been planned for the evening hour at the Methodist Church next Sunday night at 8:00 o'clock.

The pastor will preach an appropriate sermon to the members of his church...

Grady Hazelwood

Grady Hazelwood Seeks State Senator Office

The Hereford Brand was authorized this week by Grady Hazelwood to announce his candidacy for State Senate.

"I am 38 years old and married; most of my life has been on farms near Silverton and Canyon, Texas. I graduated from West Texas State College and the University of Texas Law School.

"No person 'urged' me to run for this office, and I will not be 'ham-strung' with political obligations if elected.

OLD AGE ASSISTANCE

"The governor of Texas told the legislature to pay a debt due the aged people, and that if they did not like his bill then to try another."

Needy aged persons who own non-revenue bearing homesteads are often refused assistance.

Ireland Motor Co. Moves To New Building

Formal announcement of removal into its new home is made this week by Ireland Motor Co.

"Down through the years it has been our dream," Woodrow Ireland, manager-owner, said today, in speaking of the new quarters.

Last Rites Held For Mrs. G. C. Hartman

Funeral services for Mrs. G. C. Hartman, 49 years old, were held Saturday afternoon at 4:30 o'clock at the Church of Christ, conducted by Minister J. E. Black of Plainview.

Mrs. Hartman died June 6, following an illness of several weeks. Her survivors include her husband, G. C. Hartman; four sons, Elwyn, who lives in California, G. C. Jr., Leon and Roger; three daughters, Mrs. Gordon Witherston, Mrs. C. O. Houser and Nina Beth Hartman.

That the post office dedication will probably be held Saturday, June 22, is announced this week by Jim Lipscomb, postmaster.

May Have P. O. Dedication On Saturday, 22nd

Tentative plans for the dedication are being made, but will not be announced until it is certain that the post office will be ready.

Burglar Again Visits Homes In Hereford

Hereford's burglar operated again last night, having entered or been near five homes. However, losses amounted to only 21c and a pocket knife taken at F. A. Millard's home.

Homes entered other than those previously mentioned were those of J. H. Pitman, and Frank A. Gyles.

Pack London Barber Shop Undergoing Extensive Remodeling

Work is expected to be completed tomorrow on extensive remodeling of the Pack London Barber Shop.

Orchestra And Band To Begin Summer Practice

Announcement of regular practice periods for grade school bands, orchestra, and high school band during part of the summer is made this week by Ralph Smith, director.

Nation Bewildered Is Way Rev. R. Thomsen Describes America

"We are Surprise-Drunk and don't know how to think," was the manner in which Rev. R. Thomsen, pastor of the Central Presbyterian Church in Amarillo, summed up feeling in this country when he spoke at noon Wednesday before members and guests of the Hereford Lions Club.

"Three years ago we saw the war coming," he pointed out. "Hitler told us so. It was probably the only honest thing he has ever done," he continued.

Carefully, he recounted incidents leading up to the present stages of the conflict, and analyzed the American attitude of never again "sending our boys to battle on foreign soil."

Employment Service To Open Office Here

That a Texas State Employment Service office will be maintained in Hereford during the harvest season was announced this week by W. S. Freeman.

Purpose of the office is to provide contacts between farmers and others wanting laborers and people wanting work to do.

Farmers are urged to leave orders for their probable needs at the office or at any of the elevators.

criminals found in possession of stolen property simply because no search warrant was procured. I favor a revision so that suspended sentences will be revoked upon subsequent conviction of similar crimes, whether felonies or not. I favor a revision of all court procedure to stop all this red tape and useless delays which waste jurors' time and the tax payers' money.

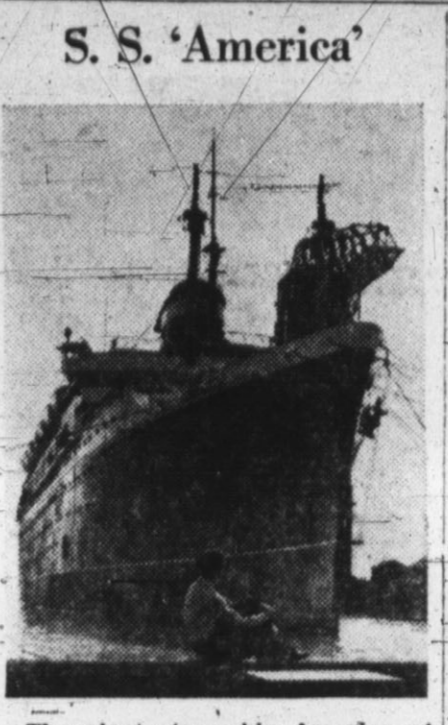

POLICEMEN'S AND FIREMEN'S PENSIONS

"I believe in provisions for annuities for city policemen and firemen. These officials are in constant danger of losing their lives—for the protection, security, and peace of those persons living within a municipality, and it is well known that they are not sufficiently paid to enable them to provide for old age. After they have given a life of service to the people for inadequate pay, I think we should have provisions that will take care of them upon retirement.

SOCIAL WELFARE

"The state owes the duty to provide for dependent and crippled children with the necessities of life. Unfortunate afflictions may be corrected in early life so that such children may grow up to be useful citizens instead of charges. Likewise, the state should take care of the indigent blind people.

"We owe a legal obligation to the aged, the teachers, and to

the blind; we owe a moral and human obligation to the dependent and neglected and crippled children of this state.

ROAD BOND ASSUMPTION BILL

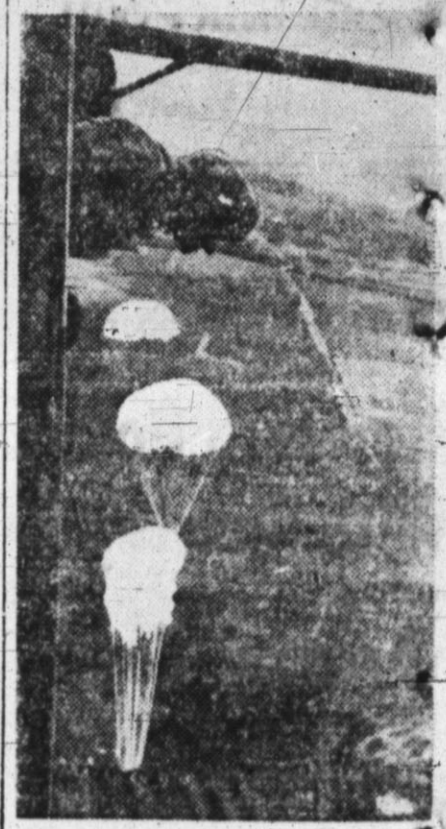

"I favor the reenactment of this bill every two years which assumes certain outstanding road and bridge bonds of the various counties of this district.

LABOR PROGRAM

"I believe in the principle of collective bargaining, and I shall favor any legitimate legislative program of organized labor. I shall oppose the confirmation of any man who might be appointed as state labor commissioner who is not a bona fide member of organized labor.

"Friends—I had rather be defeated standing for something, than be elected President of the United States standing for nothing. And, I'll either introduce a bill, or assist in introducing a bill in the legislature carrying out my program, or I'LL RESIGN at the end of the first session. Those who know me know I will work. I will stay on the job, and I will make you a senator of whom you will be proud. My radio-speaking dates are at 7:30 A. M. on Tuesdays and Fridays over KGNC."

obligations to meet, and it is wrong for them to have to spend one-fourth of their salaries running for office. The present situation causes public officers continual financial embarrassment and retards governmental efficiency.

FARM PROGRAM

"I favor more farm-to-market roads, and until this Senatorial District has its just share of good lateral roads, I oppose any diversion of the gasoline tax for other purposes. I am farming myself, and I know that the GASOLINE TAX must be REFUNDED to the farmers the same as it has been in the past. This tax refund is constantly attacked in every session of the legislature, and the farmers must not be deprived of it. I believe the state should lend the Federal government whole hearted cooperation in the splendid effort being made toward soil conservation.

OIL AND GAS CONSERVATION

"I think the state alone should control the production of oil and gas. We should regulate the petroleum industry for the prevention of waste, and in doing so, we should see that every producer has equal and uniform treatment. I vigorously oppose Federal control of the oil industry.

CRIMINAL REFORM

"I favor such a revision of our civil, and criminal practice as will cease to protect the guilty but continue to shield the innocent. Among other things, I favor an amendment to the search warrant law which frees

Wayne Evans And Abilene Girl Are Married In Sunday Ceremony

June, the traditional bridal month, not only brought a wedding date for Miss Zona Horn, daughter of Mr. and Mrs. J. R. Horn of Abilene and Wayne Evans, son of J. G. Evans of Hereford, but another important milestone in the lives of the young couple was marked up for June. On June 3, they received degrees in the same class after having been schoolmates at Hardin-Simmons University for four years.

The wedding took place Sunday at the home of the bride's brother, Hugh Horn, in Abilene with the Rev. Millard A. Jenkins, pastor of the First Baptist Church, reading the impressive marriage rites.

Background for the ceremony was an arrangement of palms and woodwardia fern, forming an improvised altar in front of the fireplace with pink gladioli outlining a mirrored arch above the mantel. Gladioli, sweet peas and roses were used about the rooms. June Brahaney as maid of honor wore an azalea pink alpaca frock with laced girdle and sleeves. Her picture hat of rough straw and other accessories were in navy. She wore a corsage of dubonnet carnations.

Miss Nell Gee who was attractive in rose sheer gave the wedding music and played the musical accompaniment as Karl Bonneaux, who was Mr. Evans' roommate last year at HSU, read the words to the song "Because."

The bride's mother wore a navy sheer shirtwaist dress with navy hat and veil and white flowers.

Mrs. J. G. Evans wore a yellow jacketed dress with brown trim and she also wore white flowers.

The bride wore a becoming costume suit in navy blue Jerome sheer. The azalea, shade of her picture hat was repeated in the yoke and sleeves of her dress and in the coat. She carried an orchid on a small white Bible which was showered with white satin ribbon and flowers. For "something old" she carried a handkerchief which was made by the bridegroom's grand mother. A "something borrowed" was a gold necklace belonging to a niece.

At the reception which immediately followed the ceremony, the bride's table was laid with lace and centered with the wedding cake topped by a miniature bridal couple beneath an arch of orange blossoms, and encircled with a wreath of sweet peas and fern.

Miss Jeanell Green cut the cake and others assisting in the dining room were Betty Burns Williams, Elizabeth Williams, Mrs. Clifton Babb and the bride's sisters, Mrs. H. A. Girdner and

Mrs. E. T. Boyd. Miss Jane Gracey of Colorado City presided at the guest book.

After a short wedding trip the couple will return to Hereford where Mr. Evans will be associated with his father in the ranching business. They will be at home at the Hanna residence which they have recently purchased.

Mr. and Mrs. J. G. Evans and son, Rayland, attended the wedding.

Mrs. Evans, who graduated with a B. A. degree in journalism and education, served in her senior year as president of the Cowgirls, was elected to Who's Who in American Universities, was an officer in both her sophomore and junior classes, four-year member of the staff, and held membership in both the Press and Players Club. Last year she was named "sweetheart" of Phi Sigma Chi Fraternity.

Mr. Evans who is also in the American University Who's Who, was an honor graduate of Hardin-Simmons, president of Alpha Chi, national scholastic fraternity, two-year member of the Cowboy Band, and has served on both the student council and class officer lists. He graduated from Hereford high school in 1935.

This month Mr. Evans was elected president, and Mrs. Evans, secretary, of the 1940 class of ex-students.

LOCALS

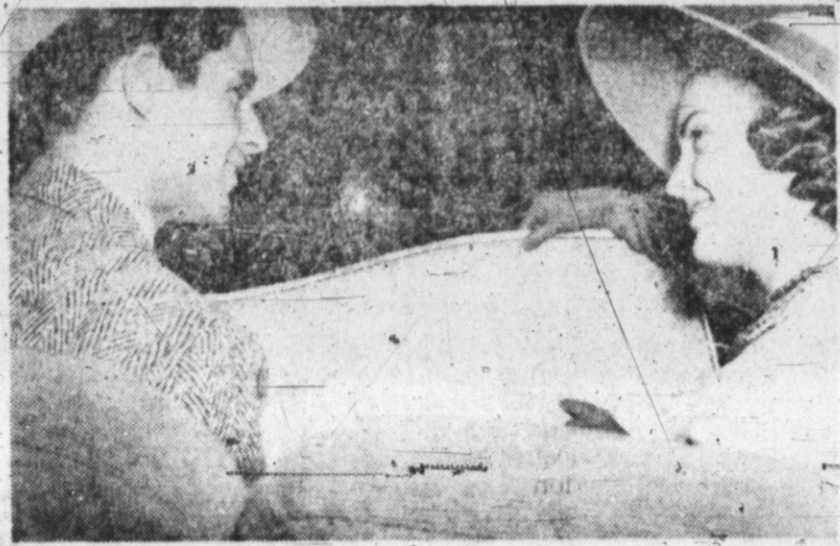

Arriving Sunday from Texas A & M College to spend the summer here with their parents were Chas. Bell, son of Mr. and Mrs. A. G. Anthony, visited relatives in Hereford last week. They were guests of Mr. and Mrs. Carl Luke of Dawn, Mr. and Mrs. H. M. Koelzer and Mr. and Mrs. E. A. Herr.

Mr. and Mrs. J. I. Funderburg and daughters, Dorothy, Inez and Mrs. Travis Caraway and daughter, Sandra Jo, returned Tuesday evening from a ten-day vacation trip which included points in eastern Texas, Oklahoma and Arkansas. Most of the time was spent visiting relatives in Crawford, Dill City, Erick, and Cordell, Oklahoma where Mrs. Funderburg visited a sister who is seriously ill. Sight-seeing trips to Oklahoma City and Fort Smith, Ark., were special points of interest.

Mr. and Mrs. H. M. Redford and Mrs. C. P. Cockrell spent Monday in Canyon and Amarillo making arrangements for the young people's camp in Ceta Glen.

A group of young people of the First Christian Church, accompanied by Rev. H. M. Redford, will go to Clarendon tomorrow night for a Quarterly Zone conference in which similar groups from over the Panhandle will participate. The local group will be in charge of the program.

BURNED ON TRIP

Carroll Newsom was burned about the face while on the return trip of the Methodist Young People from Abilene Saturday. The bus in which they were riding had stalled near Canyon and Carroll was holding a can of gasoline when the bus backfired, setting the gasoline on fire. He was taken to a Canyon hospital for treatment.

Those attending the Abilene Assembly included Kenneth Potter, Helen Plummer, Carroll Newsom, Darrell Blanton, and Jab Dickerson.

Mrs. Ike Holman left Friday for her home in Wichita Falls after a short visit here with her parents, Mr. and Mrs. Glenn Snyder.

Mrs. Edna Sears left Saturday for Rothville, Mo., to visit relatives. She expects to be away about two weeks and before returning to Hereford she will

her daughter, Mrs. Streu will return this week and Oliver will remain in Memphis for a longer visit.

DINNER GUESTS

Mrs. E. H. Norton complimented Edward Fullwood Sunday when she entertained with an informal dinner party. He will leave this week for Chicago where he will be employed. Guests included: Miss Lorna Combes of Canyon, Miss Opal Caraway of Tulsa, Mrs. Mary Palmer, Palmer Norton and Mr. and Mrs. Norton.

ATTEND BOY'S CAMP

J. W. Robinson, son of Mr. and Mrs. J. Wallace Robinson, and Chas. Skelton, son of Mrs. C. A. Skelton left Saturday for the L. Z. Boy's Camp, located twenty miles southeast of Perryton.

The boys, who attended the same camp last year, will be gone about eight weeks, during which time they will enjoy planned study in handicraft and instruction along various lines of constructive activity as well as other educational guidance and outdoor recreation.

Mrs. Uriin Streu and son, Oliver accompanied their mother and grandmother, Mrs. Maude Hackworth, to her home in Memphis, Monday. Mrs. Hackworth had visited here in the home of

visit a brother, Wallace Agee, in Clifton Hill, Mo. She was accompanied as far as Kansas City by her son, Ralph Sears, who transacted business in that city.

HEREFORD

BULL

By Jimmie Gillentine

Everywhere folks are talking about one thing, the War. The grim struggle is casting its shadow over towns, cities and countryside. Not only are men, women and children forfeiting their lives, but you might say the war is also killing their grandfathers, and the grandfathers before them. I do not mean that these persons are alive—but as surely as people are today being crushed, so are the efforts and achievements of their forefathers, many of which date back hundreds and thousands of years. Somehow, it seems as if a definite part of civilization will have been wiped out when the city of Paris is destroyed and riddled.

"Paris is a woman's town with flowers in her hair." That old line of grade school verse keeps coming into my mind as I read news dispatches. I have never been to Paris, but it seems criminal that this town should suffer the fate of Milan, Spain.

Meanwhile we are faced with the far graver problems at home. Last week I got down the 1916-17 files of The Brand and carefully searched them for the propaganda which is credited with having plunged the United States into the World War. To save me, I couldn't find it. True, there were a few write-ups and a few advertisements which hinged on patriotism, but The Brand was far more conservative back in those years than it is today. Mr. Guthrie, then editor, was indeed to be commended for the efficient and impartial manner in which the news of the day was presented. I should say the individual ads published by business men were far more colorful in propaganda than was the newspaper. In those days, just as today, newspapers were chiefly instrumental in recording what happened rather than making things happen.

Another bouquet to past editors and publishers of The Brand is the fact that every single issue of the paper has been preserved since it was started back in January, 1901. In all probability The Brand is the only newspaper in the Panhandle which can boast a complete file from its beginning and extending over such a lengthy period. I sincerely doubt if there are 10 other weekly papers in Texas which have all of their files intact for 40 years. We recently spent \$50 getting these old files rebound in order to preserve them properly.

One more paragraph and I will promise not to mention war again. I wish everyone could have heard Rev. R. Thomsen, pastor of the Central Presbyterian Church in Amarillo, when he spoke before the Lions Club at noon Wednesday. Dr. Thomsen made an excellent talk and although some may not have agreed with him in all he said, everyone will agree that he was correct when he said "Now is the time for us to think—and to think straight." We should not allow hysteria to cause unjust punishment of innocent people nor should we sit idly by and let Fifth Columns gain strength in our land. He was right, we should think, and above all we should think straight.

Distribution and production have hit a stump so far as I am concerned. Mrs. O. E. Sherman grew some of the finest lettuce I ever saw—and Mr. Sherman was kind enough to bring several heads by the office. Should we thank Mrs. Sherman, who grew the lettuce, or should we thank Mr. Sherman who brought it to us? It's a problem, so we'll just say thanks to both of them. It was undoubtedly the best lettuce we ever ate.

Ralph Smith is interested in having the Hereford Band at its best when (and if) the new post office is dedicated. He is afraid because so many of the members are working that the band will not be complete. If you have a hand boy in your employ, why not let him off for the few minutes it will take to hold the ceremony? Business will be dull during this period, and

he will be back on the job by the time the folks continue their shopping. The band is one of the finest assets in the community. Let's help Ralph and the boys all we can. After all, it is as much for our own good as to the benefit of anyone else. Think it over. Tell the boys in the morning that they can have that time off.

Here are some jokes, clipped and stolen from exchanges, who in turn clipped and stole them from some one else:

Camper: Well, what's on the menu today?
Camp cook: Why, we have thousands of things to eat.
Camper: What are they?
Cook: Beans.

"Hello, Doc, this is Mr. Jones. My wife's got appendicitis."
"Impossible! I removed your wife's appendix three years ago. I never heard of a second appendix."
"Yeah, but you've heard of a second wife, haven't you?"

"Father, what's a counter-irritant?"
"A counter-irritant, son, must be a person who shops all day and doesn't buy anything."

Stenographer: Howja spell "sense"?
Employer: Dollars and cents or horse sense?
Stenographer: Well, like in I ain't seen 'im sense.

Irate parent: "I'll teach you to make love to my daughter!"
Boy: "I wish you would, old fellow, I'm not making much progress."

Loans On 1940 Wheat Subject To Recall On Demand

College Station, June 13—Because of unsettled world conditions, loans on 1940 wheat will be made subject to recall on demand, the Commodity Credit Corporation has announced. If no occasion for liquidating the loans arises, warehouse storage loans will mature eight months from the date of execution but not later than April 30, 1941, while farm storage loans will mature ten months from the date of execution. Interest will be at the rate of 3 percent instead of 4 percent, last year's rate, according to P. C. Colgin, state wheat loan supervisor.

No preliminary fee on warehouse storage loans will be required, the supervisor explained, but the loan fee has been raised from one-fourth to one-half cent per bushel. The increase was made necessary since the recording fees on the chattel mortgages are to be paid by the county AAA offices and since all wheat loan forms will be executed in the county offices.

This year, for the first time, the county AAA offices will handle the wheat loans from start to finish, dealing directly with the Kansas City regional office of the corporation in order to speed up the work.

Another innovation in this year's loan program is that indemnity wheat paid producers on crop insurance contracts will be eligible for loans.

A tremendous increase in farm storage loans is expected, Colgin said. If the wheat is stored on the farm, the corporation pays the producer seven cents per bushel provided the wheat is stored for the period of the loan and is delivered to the corporation upon maturity of the loan.

W. K. Medlin Injured When Tire Explodes

W. K. Medlin received a cut above one eye Tuesday afternoon at the Gunn-Hinerman Tire Company service station in Amarillo when a large tractor tire innertube blew out. The tube exploded when a tractor tire was being mounted on a rim for Mr. Medlin. An apparently defective rim broke and steel went flying in all directions. B. B. McCullough, attendant, received a deep gash in his arm. Pieces of the rim flew through the metal ceiling of the covered station driveway. Other pieces shot beneath a nearby car and put two big dents in the fender of another car. One fragment was found in the washing room about 25 yards away.

Several other persons narrowly missed injury. The attendant said he had put the usual 35 pounds of air in the tire and was bending over it when it exploded.

Troop 2 To Go On Camp At Ceta Glen

Approximately 15 members of Troop 2, Hereford Boy Scouts, will leave Monday for a five-day camp at the Methodist camp grounds at Ceta-Glen, Scoutmaster A. J. Schroeter has announced.

The boys will break camp Saturday morning, June 22, for the return trip to Hereford. Mr. Schroeter will accompany them.

Wolfen Caddy Golfers Coming To Hereford

Wolfen "caddy" golfers of Amarillo, will come to Hereford for a return match with local young players at 8:15 o'clock in the morning (Friday), Bob Renfro has announced.

The Hereford players will be seeking to even the score with the Amarillo group. Yesterday the Wolfen caddies beat the Hereford team 17-4 in matches at Amarillo.

Those who played at Amarillo were Grant Fuller, Jr., Varian Fuller, Jack London, Wayne Phillips, Billie Davis, Cleon Cawthon and John Estes.

Hereford Firemen Attending State Firemen's Convention

Four members of the Hereford Fire Department are attending the State Firemen's Convention in Houston this week. They left Monday night and will probably return tomorrow night.

Those attending the convention are Robert L. Thompson, Debs Knox, Onias Carroll and B. Y. Crosthwait.

Mrs. Homer Fox Is Luncheon Hostess

Attractive appointments marked the bridge-luncheon given Monday at the home of Mrs. H. K. Fox on Lee Avenue.

A pink and lavender color motif was featured with larkspur and roses furnishing the floral decorations for the table from which the luncheon was served. All white cloths laid small tables where places were marked for sixteen guests.

After the luncheon bridge games were enjoyed when awards for high scores were made to Mrs. Colby Conkright and Mrs. C. C. Acker.

Those attending the enjoyable affair were Mesdames Alton Fraser, Jimmie Gullentine, C. C. Rockwell, J. C. McCracken, W. L. Davis, W. M. Emmons, Colby Conkright, Seth B. Holman, Oscar Eastley, S. P. Rosson, J. A. Pitman, H. A. Close, A. R. Bateman, C. C. Acker and Miss Eloyse Pitman.

CIRCLE MEETS AT McCracken HOME

Mrs. J. C. McCracken was hostess to members of the Lutie Fox Circle of the Woman's Society of Christian Service of the Methodist Church at her home Friday afternoon.

Mrs. McCracken presided over the business session when members voted to assist the Primary Department during the Vacation Bible School.

Mrs. Oscar Eastley was leader. She gave a discussion of the life and work of Dr. Wm. Lambuth, missionary.

The new study book "Home and Harvest" furnished lesson topics. Mrs. Colby Conkright and Mrs. Homer Brunley reviewed the first chapter of the book which dealt with the harvest of religion dating from the beginning of missionary effort in the United States.

The next meeting will be held at Mrs. Brunley's June 21.

Y. W. A. MEETS AT COUNTRY HOME

Y. W. A. of the First Baptist Church met at the country home of Miss Avis Matthews Monday evening.

After a short business meeting Miss Imogene Roberson conducted the program of Bible study. Glennis Cockrell will be the hostess for the next meeting.

Those present were Mollie Jo Roberson, Glennis Cockrell, Louise Cress, Mrs. Jack Roberson, Bobby Turner, Ida Brock, Avis Matthews, Thornton Shirley, Imogene Roberson, Estelle Pace, Cloetzell Pace, Mary Brock, Kitty Kloe Harlin, Olive Stagner and three visitors who were Mrs. Billie Roberson, Miss Oddie Matthews and Mrs. R. W. Matthews.

Recital Is Given

Miss Nellie Jo Shreve, voice student of Miss Mattie Mae Swisher, was presented in recital at the Methodist Church Tuesday afternoon. She was assisted by Miss Katherine Danforth and Miss Madona Morrison. Miss Elizabeth Ireland was accompanist.

Miss Shreve presented three groups of songs including sacred, classical and modern compositions.

Mrs. Davis Is Club Hostess

A table of guests played with Tuesday Afternoon Club members at the home of Mrs. W. L. Davis this week. Larkspur in varied pastel shades were used about the house in decoration.

Mrs. Meade Haile played high in games of bridge for score award for the guests and Mrs. Woodrow Ireland played high for club members.

Special guests included Mesdames Knox Kinard, Meade Haile, Henry Sears and Miss Allen Walker who is visiting her sister, Mrs. Kinard.

Others playing were Mesdames W. J. Stanford, Tom McCollum, W. M. Emmons, Gaston Baer, Travis Dameron, Woodrow Ireland, T. H. Coursey and C. H. Dyar.

A. & M. Boys Get Together

An informal dinner party was given Monday evening at Ike's Cafe with A. & M. College boys and others who are just out of school for the summer, participating. All of the boys had attended Hereford High School together.

The get-together was in the form of a dispersal meeting for members of the "Hereford Herd" some of whom plan to leave soon for school again, for work, or for other varied interests. Those enjoying the "feed" were; Clyde Hussey, James Bell, Chas. Bell, Bill Stanford, Edward Fullwood, J. D. Clayton, Herbert Boardman, Brunell Clinier, Jack Gilliland and Palmer Norton.

CARD OF THANKS

We wish to thank each one who had a part in giving us the lovely gift which you sent us. It has been such a help and inspiration during these weeks in the hospital in Dallas, also the cards and letters have been a great help. May God bless each of you.

Mr. and Mrs. John P. Robinson and Billy.

CARD OF THANKS

We wish to thank this means of expressing our appreciation to our many friends and neighbors who were so kind and thoughtful during our recent bereavement. We feel that we are truly blessed in having such friends and neighbors. If your time of sorrow ever comes, it is our prayer that all of you may have the loving kindness you have shown us.

MEMORIAL SERVICE

Odd Fellows and Rebekahs will hold a joint memorial service Sunday afternoon, June 16, at 4 o'clock at the I. O. O. F. Hall. All members who have flowers are asked to bring them to the hall by 3 o'clock. Members will go in a group to the cemetery to dedicate the graves.

SEWING AND GAMES ENTERTAIN CLUB

Sewing and games entertained members of the Elite Sewing Club Thursday afternoon at the home of Mrs. Henry Williamson.

National Flag Day suggestions were carried out in appointments of the refreshment course. Tiny American flags were given as favors.

Those present included Mesdames Lyle Blanton, Noah Ewton, C. C. Cox, R. W. McCall, J. C. Cummings, Frank Terrell, Ross Fuller, Tom Alderson, C. M. Hicks, and the hostess, Mrs. J. O. Newell was a special guest.

Recitalists Entertain

Approximately 150 guests attended the reception given, after a recital presented at the Methodist Church Thursday night by Miss Adeline Koelzer and Mr. Anthony Luke of Muenster, Texas.

Miss Koelzer's program marked the completion of a year's work with Miss Mattie Mae Swisher, voice teacher, and Mr. Luke who entertained with both piano and organ selections, was a guest and cousin of Miss Koelzer's.

Mrs. A. O. Thompson presided at the refreshment table which was decorated with pink roses and baby breath. Others assisting were Mrs. Lloyd Neill, Leona Luke, Monica Albracht, and Mrs. H. M. Koelzer.

Covered Dish Luncheon Given For Club Members

A covered dish luncheon followed by quilting was the order of the day for members of the Energetic Club Friday when the regular meeting of the club was held at the home of Mrs. Chas. Gatlin.

In the afternoon a short business meeting was held when Mrs. C. E. Tice was elected president of the club for the coming year. Two new members, Mrs. Pearl Boyer and Mrs. Glenn Greer were welcomed into the club.

All members of the club are urged to attend the next meeting which will be held at the home of Mrs. Greer.

Summerfield On Top In Softball Play; Dawn Holds Cellar Position

By GRANT FULLER JR.
June 5 — Summerfield got started in the fourth inning with four tallies and followed it with a six-run fifth to defeat the Lions 11 to 3. It was Summerfield's fourth straight victory with no defeats.

Both teams went scoreless for the first three innings and then Summerfield broke loose with four runs in the fourth. Hits by Roberson, C. Clark, D. Baize and Welty and one error accounted for the runs. The next innings only three hits brought in six runs but there was one walk and three errors to help out.

H. Baize limited the Lions to six hits from which they got three runs. He walked five men and struck out eight batters.

Lions 000 110 1 3 6 4
Batteries — Summerfield, H. Baize and Roberson. Lions, Willoughby, Wilson and Close, Alkin.

June 6 — The K. C. knocked the High School off of the undefeated list with a sixteen-hit assault off Brock for a 13 to 9 victory.

The K. C. started ahead with a two run rally in the first inning from three hits and held their lead easily for the remainder of the game. The K. C. had a big inning in the third when G. Loerwald was passed and was followed by L. Loerwald's double, Neill's single, E. Loerwald's double and T. Loerwald's long homer. After the third the K. C. failed to score only in the fourth.

The High School talked once in the third, once in the fifth, twice in the sixth, and with one last effort they scored five times in the last inning but it was to no avail.

Batteries — K. C. Koelzer and V. Stelzer. High School — Brock and J. Vaughn.

June 10 — Summerfield took their fifth straight victory when they slammed out a 17 to 3 win over the High School. Summerfield led 14 to 0 at the start of the fourth to coast into an easy victory. The league leaders col-

lected thirteen hits, seven of which went for extra bases. The hits combined with three walks and eleven errors accounted for the runs.

Although H. Baize pitched six hit balls, the High School scored eight runs due to six walks and six errors. All of the High School hits were singles.

Roberson led Summerfield at the bat with three hits, while Estes was the only High Schooler to get two hits.

TEXAS OUT-O-DOORS

FISHERMEN NEED BREAK

Fishing has been fair, but only fair, since the opening of the general fishing season May 1, according to reports to the Executive Secretary of the Game Department, who said bad weather, including heavy winds that prevented much sport, was the principal reason for poor catches.

TRIED THIS YET?

And speaking of fishing, have you joined the increasing number of anglers who have found that a lot of fun can be had fishing for gar with a fly rod?

The sport bids fair to become one of the leading pastimes of the Ike Waitons in Texas, due principally to an educational motion picture, released by the Game Department recently which shows exactly how the long-snouted fellows can be caught in a baited wire noose.

Jack (McFish) Sparks of Waco, several time world's all-around bait casting champion, demonstrates in the movie exactly how the noose should be made and baited, and then proceeds to go gar fishing with excellent results. If you don't believe a gar will put up a fight, you should see this movie. Or better still, you should go catch some gar yourself, using the baited noose on a fly rod.

AID TO GAME FISH

Fishing for gar not only will give the sportsmen much fun, but will directly improve fishing conditions in Texas waters because it will take much of the pressure off of game fish such as bass, the Director of Inland Fisheries reports.

"Most fishermen in the past have thought they could have no fun at all on a fishing trip unless they caught a bass, a crappie, or some other game fish," he said. "The result has been a heavy drain on the game fish supply, while gars multiplied unmolesied.

"Today the picture is changing. Hundreds of fishermen are absolutely deserting bass fishing in favor of gar fishing, because they have found out they can have worlds of fun at it.

OLIVER "Gets the Grain" Here's A Basic OLIVER Advantage

The cylinder is built large because a big cylinder means better threshing under all conditions — a basic advantage of Oliver Nichols and Shepard Combines and Red River Special Threshers. The big cylinder has played an important part in the success of these machines. The cylinder is 31 inches long and 20 inches in diameter. Cylinder heads are extra strong, carrying eight securely bolted corrugated bars. The shaft is high carbon steel running in accurately self-aligning-antifriction bearings. This strong, sturdy, rigid construction assures accurate spacing between the cylinder and concave bars, the whole length of the cylinder. The deep grooved threshing bars are highly efficient in handling all crops.

North Hereford H-D Club To Have Bake Sale

North Hereford Home Demonstration Club met at the home of Mrs. W. H. Miller on Friday, June 7, with Mrs. L. M. Rhodes in charge of recreation.

Mrs. Frank S. Wilde gave a report from council meeting and Mrs. Louie Olson gave a report from the Land Use Planning Committee.

Mrs. Oscar Vaughn gave a report from the poultry training school explaining some of the diseases and their treatment of chickens.

The Club will have a Bake Sale at Weir's Grocery on Saturday, June 15.

Refreshments were served to Mesdames Geo. S. Parker, Frank S. Wilde, G. A. Frye, Fred Saltzman, Louie Olson, Henry Koelzer, Oscar Vaughn, Roy Jowell, Earl DeHart, C. G. Robbins, W. H. Miller and Miss Tennie Miller.

As Miss Oliver will not be able to be with us on Friday, the club will meet Wednesday, June 19, with Mrs. Geo. S. Parker.

ed a big improvement over the last Sunday as did the Morning and Evening Worship services.

This Sunday, at the eleven o'clock worship hour, Mr. Herbert Boardman will preach for us. Mr. Boardman graduated from Trinity University at Waco, Texas this month and will enter the Presbyterian Seminary at Chicago in September where he will complete his education in preparation for the Gospel Ministry. Mr. Boardman was reared in Hereford and is the son of Mr. and Mrs. H. H. Boardman of our city.

Special music at the eleven o'clock worship hour will be rendered by Miss Mary Ann Baird, daughter of Mr. and Mrs. Horace Baird of Jumbo. Miss Baird is a student at Trinity University and will graduate from that institution next year.

A cordial invitation is extended to all who so desire to worship with us in these services.

The assessed taxable value of Texas petroleum properties is now more than one and one-fourth billion dollars, including taxable holdings in every county of the State.

Annuitants paid by Some Texas oil companies to retired employees total from three to six times those prescribed under the social security law.

The Texas petroleum industry alone, now pays 45 per cent of all state taxes, exclusive of sales taxes such as the gasoline tax which are paid by the consumer. Texas oil and its products

pay each year over \$100,000,000 to Texas state and local governments.

Next Lord's Day is Achievement Day throughout the Brotherhood of the Christian Church. The local Christian Church has set aside next Lord's Day, June 16, as "Achievement and Home Coming Day." Invitations have been sent out to all former members of the congregation, inviting them back to the home Church to enjoy a basket lunch immediately after the morning service. Mrs. C. R. Smith, A. Lowther, and Mr. Harry Seed are the committee members in charge of arrangements. Mr. F. M. Kester, Chairman of the Official Board, will serve as toastmaster for the occasion. Plans have been made for the taking of moving pictures of the home-coming group, as well as the local members of the Church. Every family represented in the membership of the Church is asked to bring a well-filled basket, sufficient for themselves and an additional supply for our guests from out-of-town. The pastor will preach on the theme, "I Shall Be Satisfied." Miss Nola Margaret Blue will sing, "I Am Satisfied With Jesus." There will be no Sunday night worship service.

BURK'S QUIT BUSINESS SALE

CONTINUES... and I repeat my Statement:

This announcement is one of the hardest things that I ever felt my lot to make, for I have grown to like Hereford and all of the people in this territory. But as many of you know, my father has operated the AMARILLO FURNITURE CO. for a good many years and now I have the opportunity to take it over. It is a dream I have long hoped for, so I am going to take it. On or about August 1, I will close my store here in Hereford and move to Amarillo. It is not far to Amarillo and I want each and every one of you to know that any promise or guarantee will be fulfilled just as if I were still doing business in Hereford.

This Close-Out Sale is to your advantage for I could just move my furniture to Amarillo and get regular prices for it — but to show my appreciation I intend to sell every stick of it to people of this community — AT MY COST PRICE OR BELOW, and I sincerely hope that you believe me and take advantage of this opportunity. Because I am closing out here is no reason why you cannot open an installment account... and you can buy it just as cheap as if I were going to stay in Hereford. Anyone interested in buying my place as a going business is invited to get in touch with me. — H. A. BURK.

MRS. KINARD LEADS MISSION LESSON

Mrs. T. P. Clements of Rockmart, Ga., gave the opening prayer for the meeting of the Woman's Society of Christian Service of the Methodist Church held yesterday afternoon at the church.

Talks were made by Mrs. S. L. Easley, a former member, Mrs. Clement and Mrs. G. S. Darritte, also of Georgia.

After a short business session Mrs. Marvin Norwood gave the devotional. Mrs. Knox Kinard led the lesson, taken from the book "Through tragedy to Triumph" by Matthews, on "The Church-Healer and Teacher." A brief summary of the lesson was given with a general discussion following answers given to questions by members.

Mrs. Norwood presented a gift to Mrs. R. W. McCall, a member who is leaving this week to make her home in Seneca, Kan.

Lamb at the Morgan home this week. Mrs. Gilliam is the former Miss Jewell Laney, who graduated from Hereford High School in 1929.

Mrs. T. P. Clements and Mrs. G. S. Darritte of Rockmart, Ga., are visiting their sister, Mrs. E. J. Hudson.

Peggy Anne Schlueter of Farwell-Texaco is visiting her uncle, Horace L. Schloss and Mrs. Schloss.

Mr. and Mrs. E. Ramey and Mr. and Mrs. Hartland Caraway spent the week end at Carlsbad Caverns, leaving Friday and returning Sunday. They attended Church of Christ services in Roswell Sunday.

Jimmy Easley returned yesterday from a three-week visit with Mr. and Mrs. Hal Bruner and family of Silver City, N. M.

wheat crop has been announced by the Commodity Credit Corporation, the chairman pointed out. Applications for loans will be accepted at the AAA office starting at harvest time.

All 1939 loans fell due on April 30. By that time, 1015 loans had been paid up. A total of 19 farmers have applied for an extension of their loans under the renewal provisions offered on farm storage loans.

The average loan rate in Deaf Smith county was 64.4 cents a bushel.

"The farmers of Deaf Smith county have shared with the wheat farmers of the entire Nation in benefiting from the wheat loan and the provisions of the new AAA wheat program," Mr. Pitman said. "At the time the wheat was going under loan last July and August, our prices in this country were between 30 and 35 cents a bushel above the world level. Since that time, United States average farm prices have gone up about 30 cents a bushel.

"By making use of the wheat loan program, our farmers have been able to take advantage of this price improvement."

Due to increased operating costs and loss of markets to other states, Texas oilmen drilled 2,221 fewer wells last year than in 1928.

Texas oil producers lost over 68 million barrels of their market to other oil states with cheaper producing costs in the past two years, according to Railroad Commission figures.

"She can help you in your selection of the correctly-proportioned foundation, best suited to your own individual figure characteristics — and to the sculptured silhouette Paris has sponsored for fall," C. F. Moore announced.

"You are invited, mothers and daughters alike, to visit Penney's store and let Miss Warner advise you on your figure problems—or if you have no problem, she will help you select the garment best suited to your individual type and to the fashions of the moment," he added.

May Rainfall 3.03 Inches

Rainfall amounting to 3.03 inches fell at Hereford during the month of May records of the Department of Agriculture Weather Station show. This rainfall is slightly more than double what fell in the same period in 1939.

Despite the increased rainfall, the wheat crop this year is expected to be only one-fifth that of last year, as the rain came too late to benefit much dry-land wheat.

Rainfall in Hereford over the week-end amounted to .52 inches. Sunday night .48 inches fell and Tuesday there was .04 inches.

In the case of the State vs. Jerry Nowlin, who was also being tried for murder. This was the second hung jury in the case.

The life sentence given Chas. Smart was the second time such sentence had been given since Dallam county was organized, Schloss said.

Three states witnesses in the Smart case were fined \$75 each by Judge Witherspoon for contempt of court after they were found guilty of drinking and staging a fight in the hall outside the district courtroom.

Other cases on the criminal docket during the session included an aggravated assault case, one forgery case and two driving while intoxicated cases. There were about 28 cases on the civil docket, including 16 divorce cases, Mr. Schloss reported.

without funds or resources, took Austria, Munich, the Czechs, Danzig, Poland and then attacked France and England. He also flayed Congress' failure to aid Finland, then recounted the fall of Denmark, Norway, Holland and Belgium.

"We are dazed and bewildered," he said. "We don't want to think about the war; we don't want to hear about it."

"Now is the time to think, and above all to think straight. We should not think as democrats; we should not think as republicans. We should think as Americans. Be a good American first."

Dr. Thomsen's ideas on the final result of the war in America were anything but optimistic. He even went so far as to predict possible collapse of the capitalistic system in this country, declaring: "We may have new fundamentals, a new kind of religion, new international relations, new community relations and new economic doctrines."

If the Allies win, Dr. Thomsen predicted that the war will be of long duration, and that most of the small countries will again be restored, and that the German Empire will likely be broken into a United States of Europe, but he warned, "They will all be bankrupt." He pointed out that a bankrupt Europe will likely result in many changes in international trade and in the economic system of this country.

"If Germany wins," he predicted, "There will be no more small nations. None will be restored. All will be under Germany, Italy and Russia." He also added that they will sooner or later be under Germany, because three fellows like Hitler, Mussolini and Stalin cannot sleep in the same bed."

He further predicted that should Germany win there will no longer be a British Commonwealth of Nations, and declared that Canada will undergo the greatest "boom" since the influx of Europeans into America.

Expressing little patience with

Fifth Column activities, he advocated "sending them home," and declared "Anti-American activity reminds me of a nursing baby which bites its mother's nose!" Born in Denmark, Dr. Thomsen is a naturalized American, and he also stressed the necessity of not injuring or harming loyal, naturalized Americans, emphasizing the point by repeating that "We must think straight."

A victory for the dictators, he also feels, will curb religious development of Europe; he cited the manner in which the Pope had been disregarded by the Italian government as the fate

which all religions will likely suffer in case of a victory by the dictators.

"Above all, we should not maintain a 'Holler than thou' attitude," he said, pointing to the Americans having taken this country by conquest from the Indians, along with numerous other possessions which the United States now boasts.

"We are living in the most solemn times of the world," he stated. "Complacent optimism is bad. Complacent pessimism is worse," and he pointed out as the only course "Straight thinking and hard thinking" on the part of the American people."

NOT A BUCK IN 5 YEARS
Q-How does she "stand up" on a farm or ranch?
SAYS MRS. R. E. DILLARD, OF TUSCOLA, TEXAS:

Trigger-tray release—just a lift of the finger and tray is free—Cubes instantly released from flexible grid.

Vegetables and fruits stay fresh in the two big, roomy, porcelain vegetable fresheners.

A perfect place to keep fresh meat—right below the freezing unit. Fresh meat any time you need it.

"OUR Servel Electrolux has been in constant use since 1935, and is just as good now as when we bought it. We have never spent one dollar for repairs. It uses about two cents worth of kerosene a day. The first cost is soon forgotten, when year after year it keeps right on giving plenty of ice, cold milk, fresh meats and vegetables, and saves leftovers, besides."

Servel Electrolux operates on kerosene, butane, bottled gas, or natural gas. Convenient terms.—See it TODAY!

- No moving parts in its freezing system
- Permanent silence
- Continued low operating cost
- More years of dependable service

No Blackouts for America

Not long ago there was a man who set his outer cornfield ablaze to save his farm from a big prairie fire. But he didn't stop to figure that the wind was wrong and in the end his house, barn, corncrib and woodlot went up in smoke. You just know that farmer must have been an American. He could not have been anything else. We Americans are forever doing something that "sounded like a good idea at the time." Emotionally. Without thinking things through.

We are a hair-trigger people; forever going off half cocked. Most always it is on something a trifle funny and generous and lovably absurd, like taking up a collection to rehabilitate the town drunk and then handing him the money so he can get the D. T.'s all over again. Or building an eighteen-hole golf course for a whistle-stop town. Occasionally it is something tragic like lynching the wrong man.

But every now and then we really invite trouble. We want to dive off the deep end without bothering to see if there is any water in the pool. Lack of common sense can be funny, all right. But when it hurts it ceases to be funny.

There has been no blackout of common sense in America yet. But issues are commencing to fog up suspiciously and that is a danger sign. Because when people get confused they are forever apt to go on an emotional jag as a way out simply to end the torment of their own mental perplexity.

America's danger lies not so much in what it thinks—but in not bothering to think at all. Too many of us don't want to think; we'd rather talk crazy-talk instead. On the basis of some of the opinions you yourself may have handed out, can you blame your neighbor for seeing a fifth column in every bedpost or a Trojan-horse under the bed?

There do happen to be things we all care about, being able to vote, live, earn, travel, read and pray any way we doggone please. The safety of the things we care about doesn't depend so much on any decision this nation may ever take as it does on the fact that there always be a decision—made by an informed people—calmly and quietly—on the basis of facts. We can't leave it up to the lads on the lunatic fringe and blame anybody but ourselves afterward.

There must be no blackout of common sense, of clear thinking in America. So the next time a friend of yours bleats "Emergency! Follow the leader . . . jail the dissenters . . . gag the press . . . throttle the opposition . . ." just tell him you want all the facts, not just one side of the case and remind him that well-intentioned folks have been hollering like that ever since Washington's time and then feeling mighty foolish afterward.

SOCIETY

MRS. JOHN McLEAN, Society Editor Phone 181

Summertime is eating time just the same as any other time of the year. That old refrain, "It's too hot to eat" never did carry much weight for when the family comes in from work or play the only reaction to weather conditions is a desire for something cool to eat. There's a salad for every menu and that's where the art in meal planning comes in. For a heavy meal a crisp salad is preferred, a filling salad can be made in a whole meal and a sweet salad makes a good substitute for dessert on hot summer days.

Here is a recipe for what Mrs. W. E. Dameron calls her "White Salad." She likes it especially with fried chicken dinner or for a light evening meal with cinnamon toast. It might be called "Experiment Salad" for that's how Mrs. Dameron evolved the recipe. She experimented with fruit combinations and this delectable concoction is the result. Here it is:

- 1 package lemon jello
- 1/2 pint hot water
- Pulp of two grape fruit
- 2 cups chopped pears
- 1/2 cup nuts.

Dissolve the jello in the hot water and when it begins to congeal add the grape fruit, pear chunks and nuts. Sweeten the juice that was left in the grape fruit after removing the pulp and add enough pear juice to make a scant half pint. Add the juice mixture to the fruit and jello mixture, mix well and place in refrigerator to mold.

COTTAGE CHEESE SALAD

Almost every one has a different way of making cottage cheese, however you may make it, try adding finely chopped onion, green pepper bits, chopped stuffed olives and a dash of cayenne pepper and then fill scooped-out fresh tomatoes; green pepper rings or celery sticks with it. It's very pretty and it's good too. Mrs. Dameron uses this same cottage cheese filling for open-faced sandwiches. Vegetable coloring can be used to carry out a desired color scheme making a delightful "topper" for thin slices of bread in a variety of shapes. These sandwiches make a beautiful addition to a tea table as well as an appetizing bite to eat—and how the home-folks do go for them.

Mrs. Harry Seed Presents Pupils

Mrs. Harry Seed presented piano pupils in recital Friday afternoon at a musical tea at her home studio on Twenty Five Mile Avenue.

As a welcome to guests the pupils formed a receiving line for introductions and greetings, their colorful formal frocks repeating bouquets of pink and lavender the colors suggested by the larkspur which were used about the house in decoration.

Pupils were presented whose term of study ranged from three months to thirty one months. All solo parts were presented from memory and each pupil was required to play a solo and to appear also in an ensemble number. For some it was their first appearance and none were

'One-Term Man'

Referring to himself as a "one-term man," newly elected Gov. Sam Houston Jones promises to "give Louisiana back to the people" as he takes his oath of office as forty-ninth governor of that state.

Among such enjoyable affairs was the Al Fresco party given by Mr. and Mrs. C. C. Acker at their home Thursday night for members of the Tuesday Dinner Club.

Barbecued chicken, cooked in the open fire-place in the back yard, was served with appropriate accompaniments.

Inside the house games of bridge furnished entertainment after the supper party. Mr. and Mrs. J. A. Pitman played high for score awards.

Those attending were Messrs. and Mesdames H. A. Close, S. P. Rosson, H. K. Fox, J. A. Pitman, Alton Fraser, Jimmie Gillentine, Miss Eloyse Pitman, Jack Wayland, E. B. Hedrick, and the hosts.

Four-fifths of all the oil produced in Texas is also refined in Texas, making petroleum refining the state's largest manufacturing industry.

Breakfast Is Initial Outdoor Event For Club

Initial outdoor affair of the season for members of the Wednesday Luncheon Club was given by Mrs. Jimmie Gillentine last week at Hereford State Park.

An early morning breakfast was enjoyed with the meal prepared in the big ovens at the park.

After the breakfast members played bridge at the Gillentine home with Mrs. J. C. McCracken receiving high score award.

Those attending were Mesdames W. L. Davis, J. C. McCracken, W. M. Emmons, Alton Fraser, the hostess, and the special guests who included Mrs. Oscar Easley, Mrs. Frank Cogdell and Miss Eloyse Pitman.

Mrs. Witherspoon Gives Club Bridge Party

Bowls of bright red roses were placed in the living room to welcome guests on Wednesday afternoon, June 5, when Mrs. J. W. Witherspoon entertained members and guests of the Justakard Club at her home on Lawton Avenue.

In games of contract Mrs. Henry Sears played high and Mrs. N. E. Milburn, second high. Mrs. J. S. Maxfield was a special guest.

Members attending were Mesdames N. E. Milburn, Grant Fuller, R. R. Wills, George V. Stambaugh, Henry Sears, Speck Lunsford, Meade Halle and the hostess.

T. E. L. CLASS HAS MEETING

The regular business and social meeting of the T. E. L. Class of the Baptist Church was held at the home of Mrs. Walker Nicks Thursday afternoon. Mrs. J. B. Harlin was assistant hostess.

After a short business meeting a social hour was featured with Mrs. G. W. Brumley in charge of entertainment.

Delightful refreshments were served to Mesdames Jeff Gilbreath, J. B. Harlin, F. E. Bowe, W. A. Long, Si Orr, Lee Lambert, J. L. Mauk, Wirt Phillips, Jack Roberson, J. H. Miller and Mrs. Nicks.

Husbands And Children To Be Entertained By Ford H. D. Club

Members of Ford Home Demonstration Club met in the home of Mrs. J. A. Whitley Wednesday afternoon and spent a very pleasant evening quilting. Plans were made for a "Werner Roast" to entertain husbands and children, Saturday night, June 15, at the home of Mrs. F. D. Ferguson on the J. L. Light place. Games will be planned by Mary Ann Whitley and Elizabeth Ferguson.

The next regular meeting will be in the home of Mrs. H. D. Hill, to discuss insects and disease control for yard and garden.

Girls' 4-H Club Council Met Saturday

The work for the summer was discussed and goals set for the girls two demonstrations. A trip for the girls who complete their goals was planned.

After the meeting, the girls practiced singing the 4-H club songs accompanied by Mrs. J. T. Guinn. Those present included:

Ira Jeanne Ricketts and Wilma Higgins of Progressive; Georgia May Reeves of Wyche and Dorothy Nell Guinn, mascot of the Messenger club.

Higher taxes and other increased costs for Texas oilmen caused a decline of 4,355 in the number of oil wells drilled in the State in the past two years, compared with the previous year.

The Texas petroleum industry pays one-fourth of all the school taxes in the state.

MASONIC BULLETIN

Hereford Lodge 849 Stated meeting second Monday in each month. School of instruction each Thursday night. F. M. Kester, W. M. E. L. Brady, Secy.

ONE MILLION Texans

One million Texans would have to find other means of livelihood if the Texas petroleum industry were to shut down tomorrow.

Steady employment, good working conditions, reasonable working hours and fair wages are the industry's responsibilities to its workers and their families—a million Texans in all.

It must maintain production, find and develop new fields, meet competitive markets for its products, and pay its total expense bill of 750 million dollars a year, which includes its payrolls.

The Texas petroleum industry now has to pay 97 million dollars a year in taxes to Federal, State and local governments before it can consider wages and employment.

When expenses must be cut to satisfy increasing tax demands, employment suffers, and with it, the buying power that employment creates in our State.

SEEDS of ADVICE

from
The Garden Club

It is encouraging to garden-enthusiasts to watch the interest being manifested in the study of landscaping, the improvement of home grounds and in civic beautification projects. Dreams are the fabric of which garden clubs are made; and these dreams become tangible through the efforts of garden club members. More and more, garden clubs are coming to be recognized as a source of valuable information concerning the growth and development of plants, shrubs and flowers in local environments.

The Hereford Garden Club is a young club but its influence has already been felt along the lines of civic beautification. The club has sponsored two flower shows and is making plans for the third one which is scheduled for September. By request, and in order that the general public may share in the information brought to light at the meetings which are held every two weeks, members of the Hereford Garden Club will prepare articles to be published in the Hereford Brand, consisting of timely advice for this locality.

THE CARE OF ROSES

At this season rose growers usually here need for informa-

tion concerning diseases, insect pests, and chlorosis.

For chlorosis E. W. Johnson, Field Agent for the Bureau of Plant Industry at Woodward, Okla., advised recently that one pound of copperas (copper sulphate) be dissolved in a gallon of water and applied to the soil near the plant. Repeat if the plant is not green after a week. Do not permit the copperas to come in contact with the leaves of any plant. The copperas may be purchased locally.

Control of rose diseases and insects necessitates the repeated use of Arsenic, nicotine sulphate, and dusting sulphur. These should be kept on hand at all times and used to prevent injury.

Black-spot begins as a small purple or dark gray spot on the leaf. This spot is later surrounded by a yellow ring. The whole leaf may be yellow with many black spots. The spores of this disease develop when wet during rainy season or after watering. Every infected leaf should be burned. Dusting sulphur, which is much finer than flowers of sulphur should be dusted on the leaves to prevent the germination of black-spot spores. This treatment also pre-

vents mildew. Any spray containing arsenic will destroy leaf eating insects.

Professor L. M. Massey of Cornell University discovered that one part of arsenate of lead combined with nine parts of dusting sulphur will control all chewing insects, black-spot, and mildew. Massey Dust may be bought under many trade names or mixed as needed.

Plant lice are also called Aphis and Aphids. They may have wings and are green or black or orange colored. Look for them on tender shoots. Nicotine Sulphate or tobacco dust or Black Leaf 40 will destroy them if used when the temperature is above 65 degrees.

Frio Club Studies Garden Insects And Diseases At Meeting

Garden insects and diseases were discussed by Miss Oliver, CHDA, and the Frio H. D. C. Women last Wednesday afternoon at the home of Mrs. Hascal Robbins.

"If your garden stuff is turning yellow try using copperas in your irrigation water being careful to not get it up on your plants as that would kill them. A good proportion to use is 1 pound of copperas to 1 gallon of water."

"To spray for lice and many bugs on vegetables use 1 teaspoon of Black Leaf Forty to 1 gallon of water and a good powder to use is Rotenone Garden Guard."

Miss Oliver also discussed the insects and which to use for both the soft and hard bodied kinds.

Among those enjoying refreshments were Mesdames S. J. Barclay, J. M. Dixon, Virginia Cocanougher, Cecil Gunter, Ruby Sparkman, Helen Brown, John Johnson, T. L. Sparkman Sr., W. A. Springer, Verdi Benson, Esther Springer, Aldon Hawks, Henry Dobbs, Jewell Cassels, and Misses Sadie Lee Oliver, Elizabeth Ann Oliver, Alma Andrews, and Mary Lois Springer, and Ben Oliver, also 15 children and the hostess.

Be Careful In Getting Suntan

Austin.—"Use caution in getting your suntan this season" is the advice of Dr. Geo. W. Cox, State Health Officer.

"Under a misconception as to the amount of sun they can take without ill-effects, many persons thoughtlessly submit Miss Virginia Simpson was hostess to a 6 o'clock dinner Wednesday evening, honoring Lois Carpenter of Dimmitt, who is leaving to make her home in Hobbs, N. M. Guests were Jack Gladman, Joe Sellars, Lynell Carpenter and John L. Womack all of Dimmitt.

Mr. and Mrs. Frank Coalson their unprotected faces, backs, and legs to over-exposure to sun and suffer painfully, sometimes seriously, as a result," Dr. Cox pointed out.

Restraint in acquiring a suntan is advised. Exposure of ten minutes the first day should be ample, and the amount of time spent in the sun can be increased on a day-to-day basis as the skin becomes accustomed to sunlight.

Advising sun-bathers to "learn their limits" Dr. Cox further pointed out that individual differences may determine the length of time that a person can stay in the sun without being burned.

Before becoming too ardent over prolonged sunbathing, one would do well to remember that many a vacation or week end has been ruined because the blistering and illness-producing power of the sun's rays on tender skin was insufficiently appreciated.

MRS. ULLMAN HUNTER

and Yvonne of Sweetwater visited a few days with the Ullman Hunters last week.

The Daily Vacation Bible School closed Friday afternoon with a program at 2:30. Helping with the school were Mesdames H. C. Baird, Sam and Ullman Hunter, Miss Margaret Simpson and Joe Eason of Wichita Falls. Children attending were John Earl and Marvin Axe, Mary Jeanne and Jack Dyer, Louise Ann, Bob and Billie Simpson, Norma, Jimmy Doris, Sammie Lane, William Allen, Phyllis and Frances Hunter and Joe Anne Hughes.

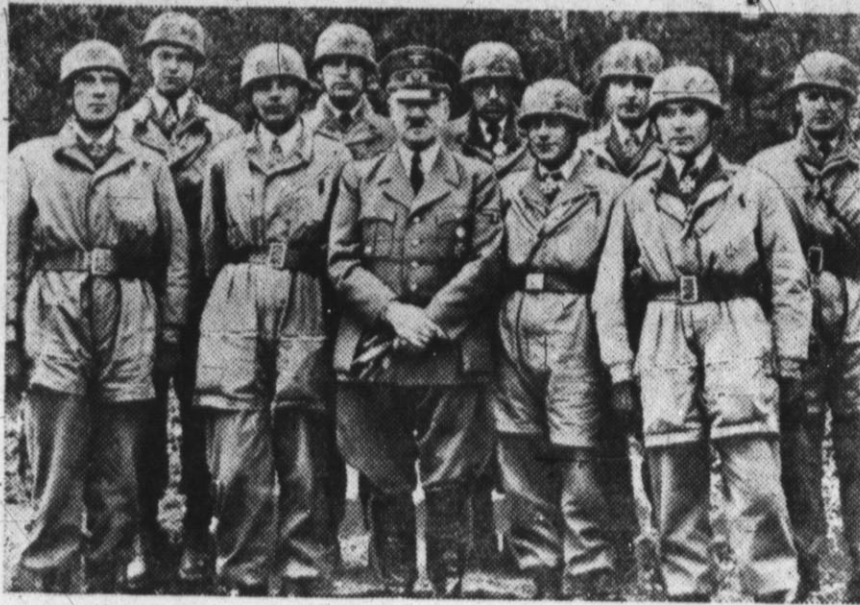

Miss Pauline Mathews returned Saturday from Abilene where she attended general assembly of Epworth Leagues of the Methodist Church. While there she visited the Bob Gilpins, former pastor here. The Gilpins adopted a baby boy about three months ago. He is now five months old.

Mrs. L. A. Matthews was leader of the Womens Auxiliary Wednesday afternoon when they met at the church. She gave the worship program followed by Mission articles by Mrs. M. T. Sparkman and Mrs. Gilliam, the latter giving Mrs. Simpson's part, who was absent. Present were Mesdames H. C. Baird, M. T. Sparkman, R. L. Stephens, Clem Gilliam, L. A. Matthews, Finis, Sam and Ullman Hunter. Mrs. R. L. Stephens left Friday for Mineral Wells where she will visit relatives and friends.

Mr. and Mrs. W. A. Hunter and Miss Mattie Mae Swisher of Hereford were Sunday guests of the Simpsons.

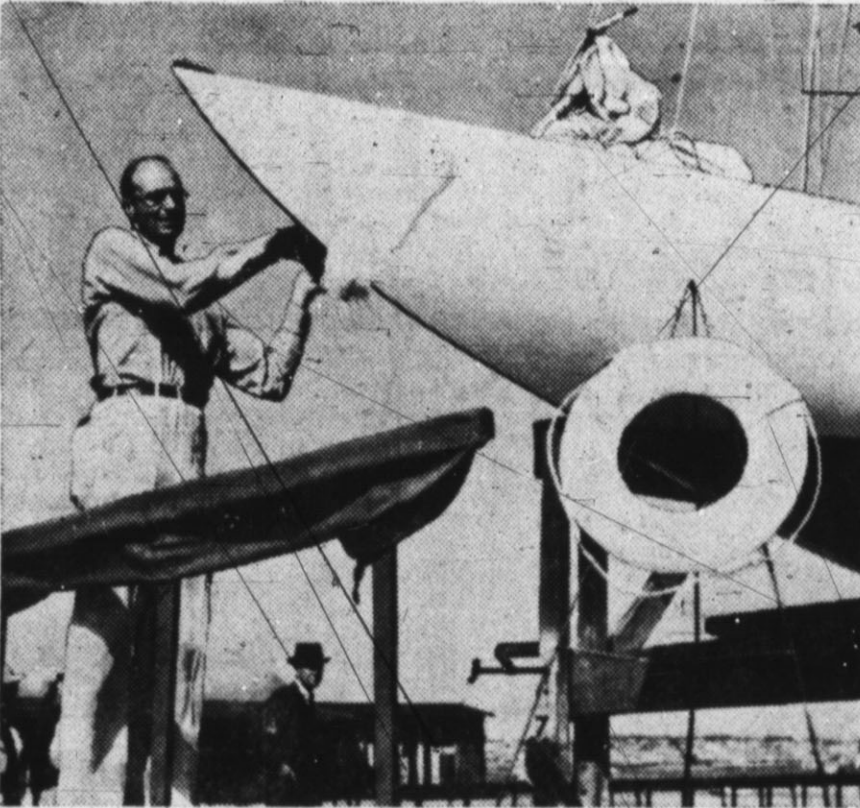

Rev. J. R. Sharpe of Canyon preached here Sunday, after which communion services were held. Rev. Sharpe was a guest

Hitler With His Parachutists at Front

In this picture of Adolf Hitler at the western front the Fuehrer is shown, according to the German censor-approved caption, with parachute troops whom he honored by awarding them the Iron Cross. The parachutists are credited with leading the attack on Fort Eben Emael, Liege citadel outpost. Note the crosses, Germany's highest honor.

James Roosevelt Christens His Sloop

James Roosevelt, movie producer and son of the President, is pictured above cracking a bottle of champagne over the bow of his new racing sloop, Half Moon. Young Roosevelt, like his father, is an ardent and capable sailor. He plans on entering his sloop in the spring series of San Diego, Calif., yacht club races.

of Mr. and Mrs. Sam Hunter. Miss Elizabeth Ireland of Hereford spent the week end with Miss Mary Ann Baird. Miss Baird was a guest soloist Sunday morning when she sang for the morning services at the church. She was accompanied by Miss Ireland.

Phyllis and Frances Hunter in company with the Coalson's left for Sweetwater where they will visit their uncle and aunt, Mr. and Mrs. J. T. Sparks at the city swimming pool and other relatives and friends.

R. L. Stephens spent Sunday in Dimmitt with his brother, Ozro.

Mr. and Mrs. L. A. Matthews and Merle left Saturday for Hot Springs, N. M. for several days vacationing.

Tuesday, Miss Mary Ann Baird returned home from Waxahachie where she has been a student at Trinity University.

Finis Nunn of Hereford spent Saturday night with the Simpsons and Sunday with Mr. and Mrs. Ullman Hunter.

Mr. and Mrs. V. E. Dodson and Mrs. Emzy May made a business trip to Amarillo Wednesday morning.

The community was very glad to receive about one-half inch of rain Sunday night. The moisture was needed and is expected to help both the wheat and row crops. A number of the farmers have considerable row crop up and growing fine. The irrigated wheat is very pretty, and some of the dry land wheat is expected to make some.

Mr. and Mrs. Lewis Harvey and sons, Homer and Harold, spent Sunday with his brother, Mr. and Mrs. Lloyd Harvey near Taftban, N. M.

The community wishes to extend its sympathy to Mrs. C. P. Caldwell whose brother, Mr. Luther Ralston, of Brownfield, passed away last week. Mrs. Caldwell and family attended the funeral there Thursday.

Mr. and Mrs. L. F. Boyd and W. A. Ricketts of Hereford called on Mr. Ricketts' son, Mr. and Mrs. Ira Ricketts, Wednesday afternoon. Mr. Ricketts also spent Thursday with his son. Mr. Ricketts has only recently returned from California where he visited his daughters.

Mr. and Mrs. F. H. Oberthier of Hereford called on Mr. and Mrs. E. T. Brookes and F. D. Perkins Sunday afternoon.

Miss Glennis Cockrell of Hereford visited her sister, Mrs. Edgar Russell and Mr. Russell Friday night. Mr. and Mrs. Russell have recently moved to their new home about four miles north of the school house.

Canning Methods Demonstration Set For Tuesday

The demonstration will be open to the public on Tuesday, June 18 at the Club house in the State Park, Miss Grace I. Neely, Food Preservation Specialist of the Extension Service of the A & M College, will can a non-acid vegetable and "bring methods up to date."

In a recent news release Miss Neely says, "Housewives who contemplate beginning work on their farm and home food budgets within the next few weeks had better get ready right away if they haven't already. Adequate preparation in advance will greatly improve the quality of the canned products, reduce the actual time of the canning operation, and help insure against spoilage."

First of all, the family's pressure cooker should be checked over to be sure that it is in good condition and safe or use. Frequently county home demonstration club leaders to conduct "pressure cooker clinics" back in their own communities. In some cases it may be necessary to return the cooker to the factory in the event there are major adjustments to be made.

Where glass jars are used, it is a good policy to inspect them for cracks and chips before the canning season. New supplies of lids and rubber rings are means of insuring against canning failures, the specialist points out. Successful use of glass de-

pends upon the quality of the rubber rings or composition tops and upon the rims being free from nicks and chips. The tops should fit and the balls be tight. If cans are to be used, it is better to secure new ones each year rather than re-flange the old ones. Miss Neely says sanitary or Renamel-lined cans preserve the color of such highly colored foods as berries, prunes, and beets and prevent corrosion in pumpkin and squash. Enamel-lined cans will help prevent discoloration of products such as corn, peas, hominy, chicken or fish products, but these should not be used for acid products or fat meats.

"Just like a man—with his superior air—he'd keep telling me any gasoline is the same as any other. But I argued there couldn't be much to lose, as long as they give you the Conoco Mile-Dial perfectly free.

"They certainly wouldn't tease you to take a thing that strictly counts up the mileage from their own gasoline, unless they're awfully sure of themselves. So I steered to the first Conoco station and in half a second the Mile-Dial was on the dash. Looks smart. Free, too.

"The total mileage on your speedometer goes on the Mile-Dial, so you know the start of your test. And you know the amount of your gasoline, by starting with just a full tank of Bronz-z-z. Then going along buying your 10 gallons more, or maybe 8, or 15 let's say, your Mile-Dial keeps count.

"Let's look. I'm up to 53 gallons. And... wait a second... it's 928 miles since starting this test of Conoco Bronz-z-z. Now watch this flip of the Mile-Dial. There!—it says better than 17½ miles from a gallon of Bronz-z-z with a car this big. And do I hear any pooh-pooh?"

"Even Henry won't say it's just luck any more, after all the different driving tests he's kept doing with this Mile-Dial... Luck?... It's just bad luck using mixed breeds of gasoline when Conoco Bronz-z-z is game to let you dial its true mileage. A smaller car like yours might even beat 17½."

"If you're a consumer that wants 36 inches in a yard, and real facts on everything, you certainly want the true count of mileage from your open-face Conoco Mile-Dial..."

Methodist Vacation Church School Has Large Attendance

The Vacation Church School at the Methodist Church started off well last Monday morning, and is growing in interest and attendance each day. Attendance was well over one hundred the first of the week, with new members coming in daily. Total attendance is expected to reach 150 before the school closes next week.

The school is issuing a daily news sheet, known as the VCS Announcer, which carries news, personals, worship programs and other items of interest. Mrs. R. P. Conaway is the general superintendent, and is assisted by a large corp of efficient workers in each department, including the Beginners, age 4 and 5, and up to the Intermediate Department.

The school meets at 8:30 each morning, and continues with classes, worship and activities of various kinds until 10:30 a. m., and will run through next week, with the "Commencement Program" on Sunday evening, June 23, at which time certificates will be issued to all the children who have not missed more than two days. An interesting exhibit of the work of the school will be presented for the benefit of the whole Church.

MRS. G. C. HARTMAN
This community was shocked and saddened Thursday afternoon, June 6, when the news came that Mrs. G. C. Hartman had passed away about 1:40 p. m.

Mrs. Hartman had undergone a major operation about two weeks ago and was returned to her home last Wednesday morning from which she passed away at the age of 49 years, 9 months, and 18 days.

Her relatives and friends had been so pleased at her condition as she seemed to be getting along so well.

Maudie Elma Wiley was born in Georgia on August 18, 1890. When she was four years old she came to Erath County, Texas where she made her home with her grandmother. It was when she and her grandmother visited her aunt, Mrs. W. D. Hatchett at Lockney that she met Mr. Hartman. On the 25th of April, 1911 they were married at Galveston and came back to Lockney to live. They moved to this community (Westway), in 1924.

Seven children were born to Mr. and Mrs. Hartman, all of whom survive. They are Mrs. Oleta Houser, who has recently moved to her parents home, Elwyn of Bakersfield, Cal., Mrs. Mra. Witherspoon of Hereford, G. C. Jr., and Leon of Hereford, Roger and Nina Beth of the home.

Other relatives left to mourn her passing besides her husband, George Cleveland Hartman, include two grandchildren, Jo Ann and Neil Witherspoon, two son-in-laws, Orville Houser and Buddy Witherspoon, and her aunt, Mrs. W. D. Hatchett of Lockney.

Mrs. Hartman was an active member of the Church of Christ from which church funeral services were held at 4:30 p. m. Saturday, June 8. Rev. J. E. Black of Plainview conducted the service assisted by Minister L. C. Chapin of Hereford.

The high esteem in which Mrs. Hartman was held was evidenced by the profusion of flowers she loved and she had many of those in her garden. Many of her bouquets have gone to her neighbors and friends and to those who were ill.

Her kind, jolly disposition made her a character not to be forgotten by all who knew her. To Mr. Hartman and to all the children, may we say that with you we grieve and mourn her passing.

Miss Mary Turrentine accompanied Miss Sadie Lee Oliver Ben and Elizabeth Ann Oliver of Hereford to Canadian over the week end.

Jake and Ed Huseman of Bushland, George Turrentine of Hereford were visitors in the Al Werner home Sunday.

Mrs. Roy Lee Wilson and children, Mrs. Jess Otts, Muriel and Camella were visitors of Mrs. Sam Wilson at Summerfield Thursday.

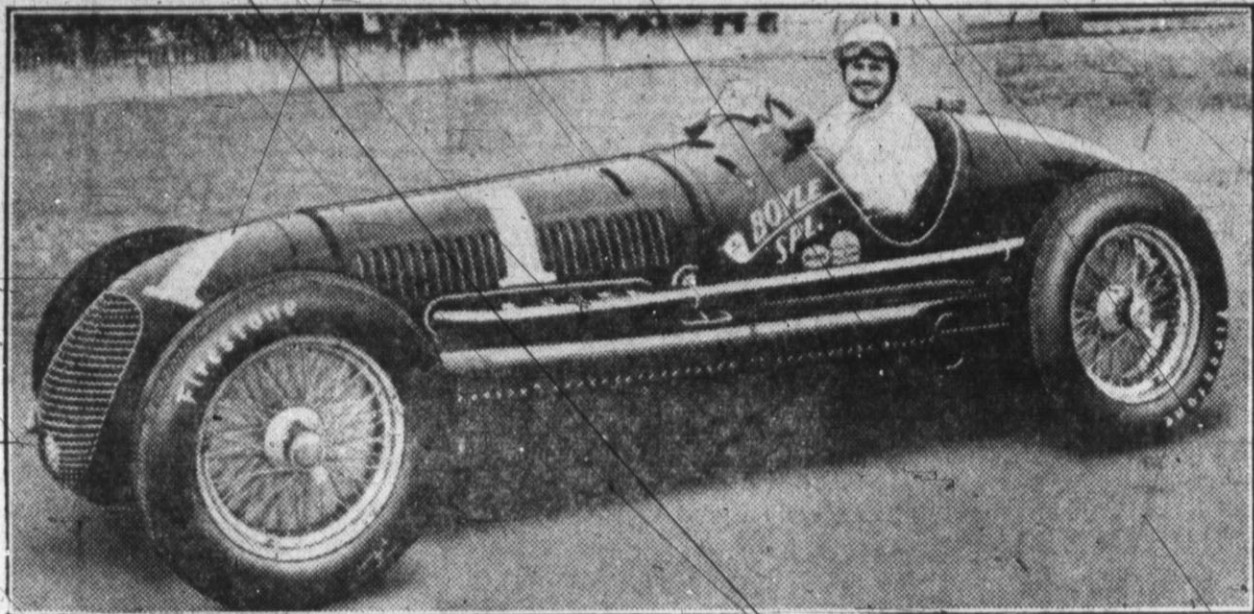

Miss Nellie Jo Shreve of Hereford was a guest of Mary Turrentine last Tuesday.

Mr. and Mrs. E. D. Osburn and family were dinner guests last Sunday of Mr. and Mrs. M. S. Roe in Hereford.

The dry spring has taken its toll of the water in this vicinity. Several wells have had to be drilled deeper lately.

Mrs. J. M. Simpson and son,

Winner At Indianapolis

Wilbur Shaw won his third Indianapolis 500-Mile Race last week and became the first man in the history of the Indianapolis Motor Speedway to win two years in succession. Like the other 32 drivers in this year's race, Shaw rode on Firestone Tires and when he flashed across the finish line at the end of the 500-mile grind it marked the twenty-first consecutive victory for Firestone.

Wesley of Amarillo, and Mrs. E. W. Harrison of Hereford visited Mrs. Al Werner and family, Thursday.

Mr. and Mrs. John Winters of Douglas, Okla., and Mr. and Mrs. Curt Griffin of Groom were dinner guests Saturday of Mr. and Mrs. Earl Little and family.

Mr. and Mrs. Albert Clubb, Albert, Jr., and Patsy Jean were visitors Sunday in the home of her sister, Mrs. Henry Allmon. Wanda Marie returned home with them to spend a week.

Henry Allmon, Merlin Kaul, Grady Wilson, Jr., Jack Allmon, George Turrentine, and Albert Clubb, Jr., left Monday morning for the mountains in New Mexico. Their trip will include Mora, Taos, Pecos and most any good place to fish. They expect to be gone a week.

Mr. and Mrs. R. M. Gunn, Mrs. Joe Landers, Roy, Vesta Mae, and Ross Joe Landers went to Olton Sunday where they attended a birthday dinner at the Henry Taylor home honoring Mrs. Taylor. Mrs. Gunn reports about 75 friends and relatives present.

Mr. and Mrs. Guy Lawrence and Nelda Guy of Hereford called at the Kelly Gray, Merlin Kaul and R. M. Gunn homes Sunday afternoon.

Mrs. Floyd Tucker and children went to Plainview Tuesday afternoon where they attended a family reunion at the Charley Morris home. Mrs. Tucker's parents, Mr. and Mrs. Lee Morris, her sister, Mrs. T. T. West and baby, and her brother, General Morris and his family were all present from Gainsville.

Mr. and Mrs. Charley Whitehead of Hereford visited G. C. Hartman and children Sunday afternoon.

Mrs. William Ponder, accompanied by Mrs. Carroll Walden, went to Hart Camp Saturday to visit Mrs. Ponder's mother, Mrs. M. L. Echols. Mrs. Echols was taken on Wednesday to the hospital at Lilliefield for medical treatment and was returned to her home Saturday.

Mr. and Mrs. Foy Dodson and Monte Max went to Olton Saturday night where they visited their parents, Mr. and Mrs. B. A. Dodson and Mr. and Mrs. A. T. Walthall over the week end.

Mr. and Mrs. G. C. Merritt and son moved to the Maurice Tannahill home Friday where they will work.

Mr. and Mrs. Francis Carthel and Mrs. John Belt of Lockney were supper guests Saturday night of Mr. and Mrs. Maurice Tannahill and Carlton.

Mrs. Grady Wilson was called to Brownfield last Tuesday by the serious illness of her sister, Mrs. Myrtle Stockton. Mrs. Stockton passed away Wednesday morning. She had been suffering for some time with heart trouble. She had made her home at Crosbyton until her illness became so serious that she went to the home of her son, Charley, at Brownfield. She was 56 years of age, the eldest child of the family. John Johnson of Friona accompanied his sister, Mrs. M. F. Johnson, their mother, who makes her home with Mrs. Wilson, was unable to attend the funeral. She stayed with Mrs. John Johnson at Friona.

Mrs. Wilson and Mr. Johnson returned here Thursday after the funeral. We extend our sincere sympathy to Mrs. Wilson and Mrs. Johnson in their bereavement.

Donald Dean and Larry Wilson spent several days last week with their sisters, Mrs. M. S. Roe and Mrs. Hughes Millard at Hereford.

The rain Sunday night was spotted as gauges in this community showed from 19 to 26 of an inch.

Mrs. Ellis Wilson and children of Hereford spent the week end in the Grady Wilson home.

Mrs. A. C. Pierce and Mrs. Merlin Kaul called at the M. S. Roe, Walker Nicks, and Ullys Pierce homes in Hereford last

Frio News
MRS. MALCOM CASSELS

The attendance in Sunday School Sunday jumped to sixty-five from fifty the Sunday before. This goes to prove what a good Sunday School we could have if everyone would attend. Our superintendent urged every visitor who did not attend Sunday School somewhere else to come back next Sunday and join our Sunday School and be one of us. We sincerely hope that they will.

Here are the scores of the contest: Adult Class 6574, and the Young People's Class 6360. The teachers of the classes appreciate the efforts of each individual and hope that each one did get some good out of the Sunday's lessons that will stay with them and help them along life's highway.

The young people are going to entertain the whole Sunday School this Friday night and everyone in the community is invited to attend. The entertainment will be in the form of a picnic in the east end of the park on Tierra Blanca and we plan to meet at 8 o'clock promptly for our supper. Be there if you want some good clean fun.

Next Sunday morning we will study "The Recovery of Worship" and for Bible Study we are studying the fourth chapter of St. Luke. Mrs. Robbins will

be the leader.

Don't forget that Saturday night and Sunday is Rev. Lloyd Waters regular appointment. Let's all who can attend—each preaching service.

Mr. and Mrs. G. B. Darling of Pratt, Kan., visited in the home of their nephew, Mr. Aldon Hawks and Mrs. Hawks and boys Thursday.

Adela Benson of Ft. Stockton and Ida Belle Hicks of Hereford spent Monday evening visiting Mrs. Wesley Brown.

Mr. and Mrs. Edward Roberson of Amarillo took Sunday dinner in the home of Mr. and Mrs. T. L. Sparkman Sr. In the afternoon Mr. and Mrs. W. A. Springer, Charles Ralph and Mary Lois visited Mr. and Mrs. Roberson at the Sparkmans. They all visited the other relatives, Mr. and Mrs. A. T. Jones and Mr. and Mrs. J. E. Springer later in the afternoon.

Mr. and Mrs. Aldon Hawks were Amarillo visitors Saturday. Among those of this community who attended the funeral services of Mrs. G. C. Hartman Sunday afternoon were Mr. and Mrs. John Johnson, Mrs. W. A. Springer and Mary Lois, Mrs. Wesley Brown and Mrs. Malcom Cassels and children. We extend our most sincere sympathy to Mr. Hartman and family.

For those Tough Plowing Jobs investigate the Moline Wheatland Plow

The MOLINE is the original successful Wheatland Disc Plow which pioneered the 26-inch discs spaced 10 inches apart to prevent clogging and pioneered the solid heavy rear end construction on both hand and power lifts to perfect Wheatland disc plowing.

The MOLINE has patented rear end construction that puts rear wheel in furrow regardless of how plow is reduced or angled.

And now the new MOLINE offers these additional features:

1. Cross rolled electrically heat treated discs and super-alloy discs—the most nearly split-proof discs made. See cut above.
2. Boiled in oil wood bearings that hold a cup of oil right in the wood and never need lubrication—most perfect sealed and they wear longer also because:
3. One Ocean Liner type bearing at end of gang takes all the end thrust.
4. The lightest draft Wheatland Plows that cut plowing costs tremendously—and do better work.
