AROUND TOWN

Sights and Faces Seen

O. E. Sherman returned recently from visiting in five southern states where he attended his first "Walking Horse Sale." He said that 500 horses were auctioned at the sale in Lynchburg, Tenn., averaging \$400 each. Mr. Sherman carried a load of horses to Georgia. During his journey he traveled 5,000 miles in 10 days, visiting Alabama, Georgia, Mississippi, Kentucky and Tennessee.

Several new air conditioning machines have already been installed, including the Packard Mill Offices, the Fashion Dress Shoppe, and the City Bakery.

New paint is also in evidence along Main Street, with a nice shade of green on the City Drug Store front, and a combination of black with red trim on Weir's Grocery front.

New directors of the Hereford Golf Club include Dr. J. W. Hendrix, J. H. Brooks, and Wirt Phillips. In the future, the club will be managed by directors and no other officials will be named.

Mrs. J. N. Messenger says that when Bill Kerr comes out in the country he should bring along several new gate posts—especially in case of muddy weather.

A large number of people are trying to find out why Ralph Clennon left the back of the Corner Drug Store in such a big hurry one night last week.

Edward Ray Roberson proved his prowess with the use of a "nigger shooter" to all doubters, Wednesday. With a frill wire stock, not more than four inches long, equipped with two small, narrow rubber bands, and miniature rocks—Edward shot a sparrow, even unto death, in three trials. The shooter was really weak and small, too.

Working your way through college by selling magazines is bad enough, according to W. W. Bennett—but when a woman tries to work her way to California by vacuum cleaners, that's the limit. The insistent woman was industriously sweeping the floor of his shop Tuesday when friends rescued him from the would-be traveler.

Horses Banned From Parks In Recent Decree

"Horses must be kept out of the city parks," Ed Curtisinger, city marshal, warned Wednesday. Boys and girls, especially, who own horses are asked to keep their horses out of the parks, and to refrain from tying them to the trees in the city parks.

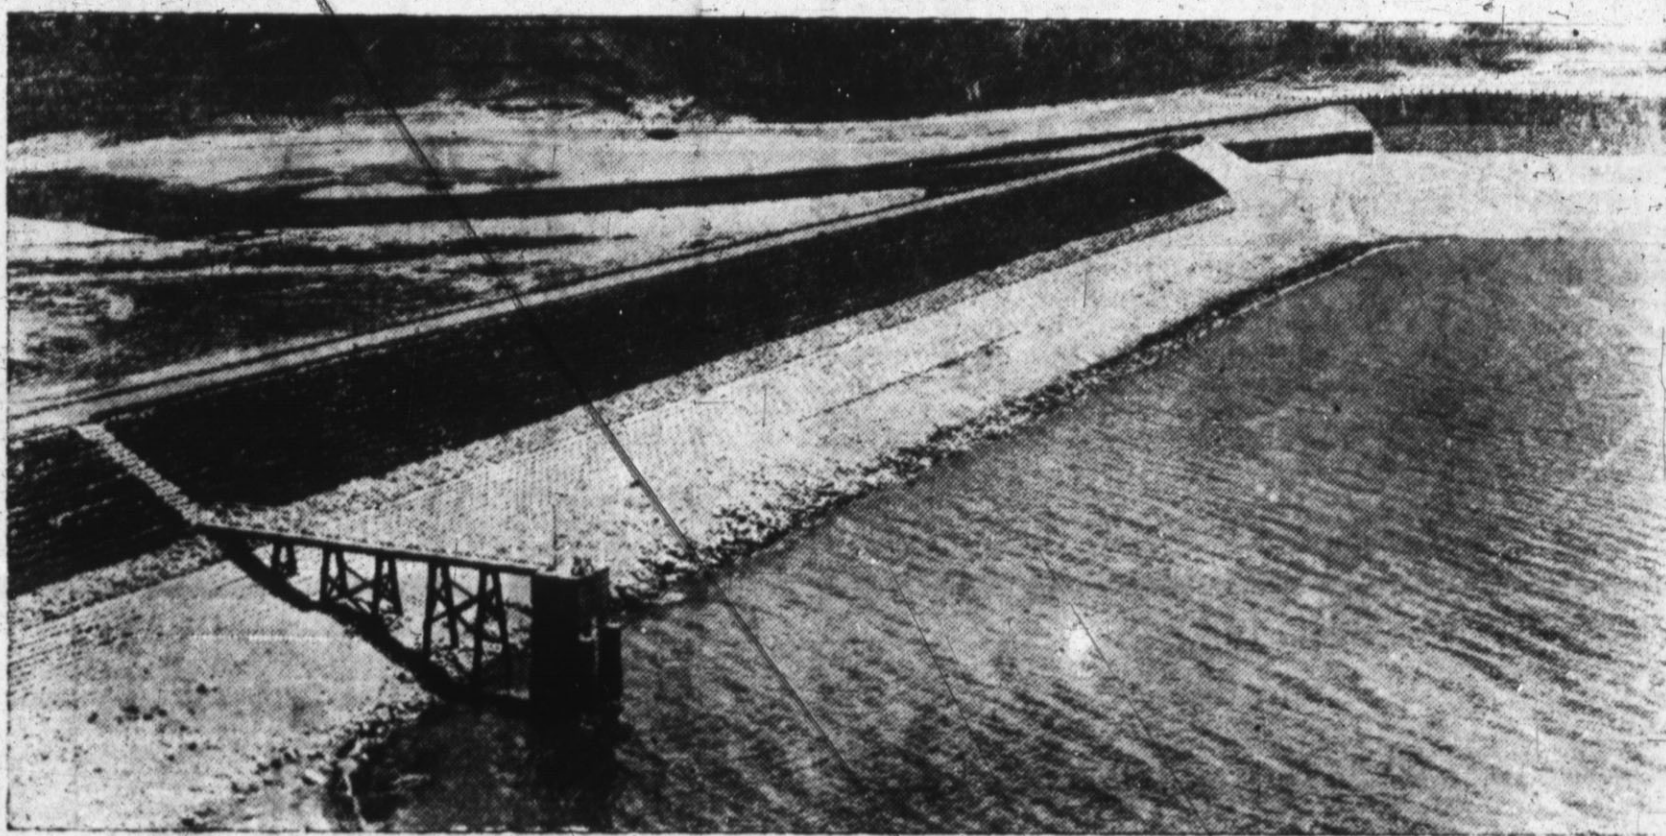

"Little has been done thus far to alter the situation, but the damage resulting from horses in the parks this year has made it necessary to exclude horses entirely from the parks," Curtisinger said.

In case this warning is ignored, he said, that it will be necessary to prosecute offenders.

Auto Caravan To Visit Irrigation Farms In This Area Next Thursday

Farmers and business men interested in irrigated farms in this immediate territory will leave Thursday morning, June 15, at 8 o'clock from the City Hall. Farms included in the morning tour, are those of Joe Ballinger, Glenn Boardman, Al Bracht Bros., John J. Paetzold, Albert Springer, Earl Springer, Ernest May, Albert May, J. B. Stoker, Eddie Rehnart, E. C. Eubanks, and Bonnie Brumley in the afternoon, after lunching in Hereford.

During the tour of the irrigated farms, members of the auto caravan will discuss the problems of irrigation with the farmers to discover the good and bad points of their systems in operation. After the tour different farmers whose irrigation plants were inspected by the caravan will speak at a meeting of the Irrigation Farmers' Association on the problems brought to light on the tour. The general public was invited to make the tour.

HERE IS A VIEW OF THE DAM AND SPILLWAY AT BUFFALO LAKE which has 19 feet of water in it and when filled will have 27 feet. This is the first of the lakes in the Panhandle Water Conservation authority program which was opened to the public on May 28, when 50,000 people paid tribute to water and to the men who made the program possible.

New Elevator Is Started By Alton Fraser

Alton T. Fraser Tuesday started construction of a new storage elevator just south of his old elevator. Workmen are now busy in the construction work, and Mr. Fraser says the new elevator will be completed in time to take care of the present wheat crop.

In reviewing specifications for the elevator, Mr. Fraser said that it will be 150 feet long, 80 feet wide and 46 feet high, offering a storage capacity of 300,000 bushels. When added to his present storage capacity of around 100,000 bushels, he estimates his total storage space will be approximately 400,000 bushels. A new dump is to be installed along with the new structure.

Featuring concrete floor and tunnels, the new elevator will have iron-clad wood sides. "No matter what the production may be, we believe that we will be able to take care of the demand," Mr. Fraser declared. "We are especially anxious to keep all of the wheat possible right here for use in our mill. The construction will be rushed to completion as rapidly as possible, because we expect to use the new elevator in the coming harvest season."

POPPY SELL OUT IS REPORTED HERE

Women of the American Legion who took active part in the Poppy Day sale last Saturday declared it highly successful and satisfactory. Every poppy had been sold before four o'clock, they reported.

Mrs. Glenn Weir, who had charge of the sale, in the absence of Mrs. Jim Black, had not estimated the proceeds, but she said that she was pleased with the results of the poppy sale.

Farm-To-Market Roads Set As Major Goal By Chamber of Commerce Board

MILES ROBESON IS NAMED PRESIDENT IN MEETING TUESDAY NIGHT

Adopting their major project the improvement of "Farm-to-Market" roads in this territory, members of the Hereford Chamber of Commerce Board of Directors for the coming year held their first meeting in the City Hall Tuesday night. Other business included election of officers, and temporary postponement of the election of a secretary.

New officers of the Hereford Chamber of Commerce include: Miles Roberson, president; Dave Alexander, vice president; and Jimmie Gillentine, treasurer. Other board members who took office at the Tuesday meeting were S. O. Wilson, C. H. Dyar, Harry Danforth, and Nester Gass. Retiring officers are: A. H. Streu, president; Harold Close, vice president; John Roberts, treasurer; Geo. Brumley, E. B. Hedrick, Jas. W. Witherspoon and Fred Hood, directors.

McLAIN OBSERVES ANNIVERSARY AND FORMAL OPENING

Announcing his first anniversary and formal opening in a new location north of the post office, I. R. McLain this week said that the two events will be observed this week-end with an anniversary sale.

In addition to modern equipment already boasted by the grocery and market, Mr. McLain has recently added a new vegetable refrigerator which features closed-in storage of vegetables and mechanical refrigeration, insuring fresh, crisp vegetables at all times. He said that the anniversary sale will continue through Friday and Saturday, selling garden seed, conducting

VOCATIONAL "AG" STUDENTS ENJOY RECENT OUTING

A good time for everybody was the keynote of the Future Farmers of America, Vocational Agriculture Club of Hereford High School, on the annual after-school trip to points in New Mexico last week.

Sixteen enthusiastic members of the club, accompanied by the advisor, W. M. Emmons, John Willoughby and G. P. Owen, left Wednesday morning, reaching Carlsbad in time to take the trip through the Caverns Thursday. The rest of the time was spent at an encampment on the Pecos River, where swimming, surfing and riding and motor boating furnished entertainment. The group returned Saturday tired, blistered, weary and worn—but convinced that the trip, which was both recreational and educational, was well worth the efforts of the past year.

During the school term just closed, the boys earned money for the trip in every way possible. (Continued on Page 8, Sec. 1)

HEREFORD PEOPLE IN SUNDAY CROWD AT BUFFALO LAKE

Between 30,000 and 50,000 Plains people were present at the dedication program of Buffalo Lake Sunday, with scores of Hereford people numbering in the crowd. For the first time in the Panhandle's history, a memorial ceremony honoring naval dead was conducted on Buffalo Lake.

Dr. H. H. Bennett, chief of soil conservation service, gave the main speech on the dedication program, in which he outlined the purposes of the lake. H. H. Fennell, regional head of the service, John McCarty, president of the Panhandle Water Conservation Authority, and A. A. Meredith, regional director of the WPA, were present for the program.

Highlights of interest at the dedication were the Recreational Hall, which was installed with a nickelodeon for dancing, and the boat races. Don Allred, a former resident of Hereford, placed in two races, winning second in the Class C free for all race, and fourth in the Class B race.

NEW DIRECTORS NAMED AT REA MEET WEDNESDAY

Members of the REA elected G. C. Hartman and Edwin Ramey to the position of directors on the Board of Directors for the coming year at the annual meeting of the REA members Wednesday afternoon in the district courtroom.

F. H. Robinson, an engineer in the REA from Washington, D. C., was the only out-of-town speaker, and he outlined the purpose of the REA, and the necessity for full co-operation by the members for progress. He compared the REA to a doctor or minister whose duty it is to help, rather than operate solely for profit.

After Robinson's speech, J. C. Ricketts, president, held a short business meeting taking care of routine matters. The month of May, it was reported, was the most fruitful month the Co-operative has experienced. Prizes donated by local electrical appliance merchants were awarded to members of the REA (Continued on Page 8, Sec. 1)

Connell Leases Bishop Paper

Mr. and Mrs. Ira Connell left this week for Bishop, Texas, where Mr. Connell has leased and will operate the Bishop News. They were accompanied by his father, E. F. Connell, who has been residing here with them several weeks.

Mr. Connell previously operated the Bishop newspaper before coming back to Hereford Dec. 1, 1938, since having operated the Whiteface job shop in Hereford. Mr. Connell turned the Whiteface shop back to A. A. Foster, owner. The shop here is now being operated by Leonard Foster.

Farm Checks Total \$68,886 As First Shipment Arrives

BROKEN COLLAR BONE RESULTS IN BIKE SPILL

Betty Jane Robinson was painfully injured Tuesday when she fell from her speeding bicycle and broke her collar bone. Betty Jane was racing a friend home from the cemetery when her bicycle slipped on a rock and threw her to the ground, resulting in severe body lacerations in addition to the broken collar bone. This is the second time that she has broken the same collar bone. It will be encased in a cast for seven weeks.

MORE CHECKS EXPECTED TO ARRIVE HERE IN NEXT FEW WEEKS

Distributing of \$68,886 in conservation checks this week followed arrival of the checks here Sunday. Reports from the agent's office this morning stated that more checks were expected here at any time.

A total of 932 checks have passed through the auditing department at College Station and are now in the Dallas offices. The only remaining task before the payments arrive here is that of writing and mailing the checks. Dick Coffee, assistant agent, estimated that Dear Smith County will receive \$449,000 in Conservation payments this year. The payments will be around 25 per cent less than they were in 1938; he said that the difference will be made up on the Parity payments for 1939. No parity payments will be made for 1938, however.

In announcing arrival of the AAA checks, it was stated that notices will be sent to each person as soon as his check arrives here, and office employees asked co-operation of all persons in disbursing the checks—asking that they wait until their notice arrives before they seek their checks. More checks were expected this week, and the remaining amount of \$380,114 is expected to arrive here during the next few weeks.

Pitman To Use New Elevator After June 20

Stating that Pitman's new concrete elevator will be completed and ready for service on June 20, Francis Dawson, supervisor for A. F. Roberts construction company, today said that construction work is now complete on the main walls of the 180,000-bushel elevator.

The main walls of the elevator are 90 feet high and as soon as the top is placed over the main walls, a 40-foot headhouse, or cupola, will be constructed. The headhouse will be used for machinery which will operate the elevator.

In reporting progress on the construction, Mr. Dawson stated that work had probably progressed a little faster than ordinary on an elevator of the type installed here. Around 85 men have been employed on the project. Excavation started around May 10, and actual construction got under way on May 15. During the time construction has gone forward at the rate of 24 hours a day.

Pointing out that it is difficult to explain how forms in the concrete work are used, he said that a yoke is fastened inside the main walls of the elevator, being hooked to enforcing steel. Screw packs are fastened to the forms and each few minutes the jacks are screwed a few turns, gradually raising the forms and platform. He estimated the forms are raised eight inches an hour, when capacity production is in progress. This allows the concrete to dry and take care of the weight as the forms are raised.

"I believe this is one of the most modern and complete elevators to be found in any country elevator in the nation," Mr. Dawson said. "We have built lots of elevators, and generally the type built by Mr. Pitman is found only in larger cities. The only thing to be found in this country that will compare with it is in Amarillo." (Continued on Page 8, Sec. 1)

EMMONS ATTENDS DISTRICT MEETING

W. M. Emmons attended a district meeting of Vocational Agriculture teachers Monday in Tulla. A summary of the past year's work in all departments was given in reports and plans for the coming year were outlined.

Members of the group will attend the conference at College Station in August and another district meet will be held at Tulla, the latter part of August.

METHODIST MEET HOLDS INTEREST

Attendance at the Methodist revival meeting under the direction of Rev. Kirby of Wellington, is gradually increasing. Rev. M. M. Beavers, pastor, said today. More interest is being awakened in the revival, which began Sunday morning, because of the excellence of Rev. Kirby's sermons, he believes.

"We need your attendance to make this meeting a success, and you need to be there," Rev. Beavers declared. The meeting will continue through next week.

Blaze Razes \$4,000 School Building In Easter Community Tuesday Night

By Mrs. Carl Frye
Fire of unknown origin destroyed the Easter school house around 9 o'clock Tuesday night. Persons passing by the building noticed smoke coming from around the eaves and notified residents of the community. The Dimmitt Fire Department was called out, but had no way of combating the flames. The building was a total loss. The fire started in the attic and at least 30 minutes elapsed before it burst into flames. The building was so filled with smoke that none of the furniture could be saved.

Besides the building a good piano, two desk chairs, two cases of books and three stoves were destroyed. The building was erected at a cost of \$4,000 in 1924, with W. J. Sullivan and Carl Frye as supervisors. Two years ago school was discontinued, the students being transferred to Dimmitt. The building has been used as a church and a community social center during recent years. Residents of the community were undecided as to whether the structure will be replaced in the near future.

IN 3 SIZES

The HARVESTORS have many light weight, high speed, big capacity combine—weighing nearly a ton less than previous combines of its size. The HARVESTOR was the first patented feature that no other combines have.

The Record—The 12-foot Harvester is the most popular in its class... A Complete sell-out in 1934... In 1935 the biggest seller of all combines and again a complete sell-out. In 1936, increased production... and again the biggest seller in its size. Now, there are 3 sizes, 8-foot, 8-foot and 12-foot... and 1937's sales surpassed all previous records. 1938 sales were about 40 per cent ahead of 1937. For 1939 the famous M-M HARVESTORS offer many new improvements.

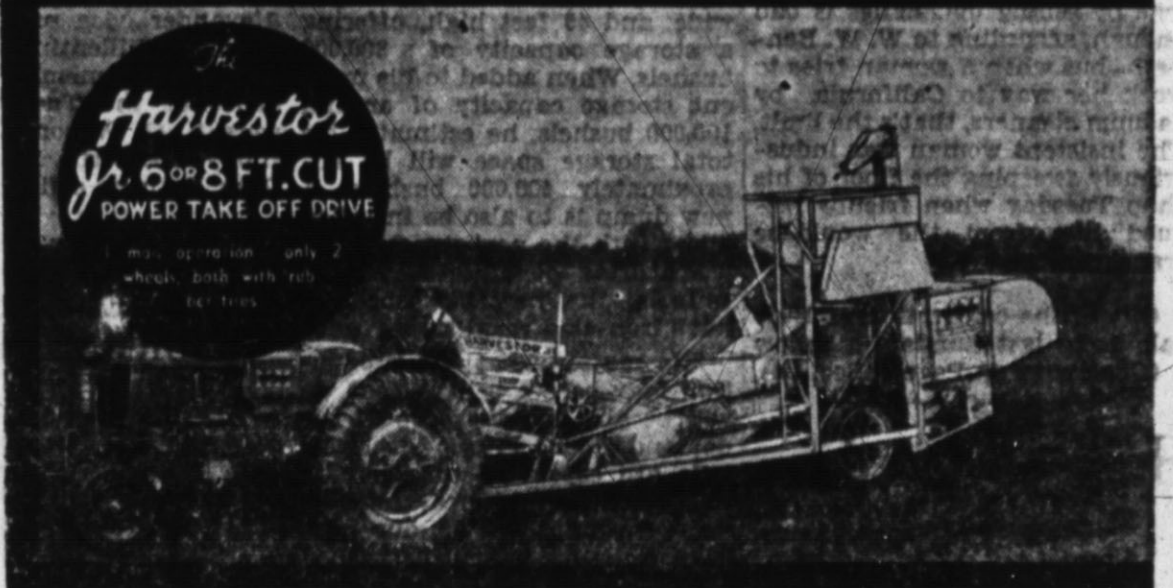

BIG CAPACITY—the record of the HARVESTOR, as the most popular combine through many tough harvests, under many varying conditions is outstanding proof that it leads the field, especially when it comes to saving, cleaning, and handling all crops successfully. More farmers than ever will be wanting M-M HARVESTORS in 1939. Get the facts! Don't take chances with the only wheat prospects you've had since '31. BULL

By Jimmie Gillentine

What's the matter with this wheat estimating business? Not one single estimate has yet been filed in the office. Figure out how much wheat you think will be handled in Hereford, Dawn, Black and Summerfield — and then send or bring it to The Brand office. You will stand a good chance of winning a prize, because not one single estimate has yet been submitted. Just to start it off, I'm going to estimate 3,997,545 bushels. And if I win, I'm going to raise a lot of Cain. If I don't get the prize, too. Folks, you have until June 15 to file your estimates in this contest so get down your pencil and do some real figuring.

At least two people have mentioned irregular appearance of the weekly Bull session, but I hope within a few weeks to do better. Right now we have been jumping around.

A lot of people have been wondering what we plan to do since R. V. Miller went over to Tulsa to take charge of the paper there. On June 12 Bill McLean will arrive and will have charge of the general news during the summer months. Bill is a mighty fine boy, and after two summers of experience on The Brand should do a fine job. He graduates from the University of Texas this week—and next fall plans to enter a medical school. We also have an added feature which will please many of our readers. Miss Mary Jane Morgan is going to do a theatre and amusement column for the paper during the summer. Mary Jane is studying journalism at Texas Tech, and is making a splendid record.

She started the column this week, but will likely change the style as soon as things sort of get straightened out. Did you see "Union Pacific"? If you missed that picture, you really missed some A-1 entertainment. Mary Jane's orders are to present the reviews as she sees them—and to pan the punk ones for all they are worth. Watch this feature and let us know if you like it.

Meanwhile, it looks like the golfing boys are about to get things straightened out. They have been pretty sore. It seems they sold their course to the county a year or so ago. Recently the county sold off 20 acres from the course, including one of the holes. The members said that the court, in turn, refused to sell them the remainder of the course at the same price which they sold the 20 acres. However, some of the boys have met with the court in the meantime and it seems that the court is offering to give them enough land in the State Park for a new golf course. The court likewise is considering a donation of the park land for a softball field and tennis courts.

I sure am glad to see this straightened out. Personally, I don't play golf—but if anyone is foolish enough to want to play the silly game, it should be their privilege. Besides, individuals in the club have around \$5,000 to \$7,500 tied up in golfing equipment. If we lose the course, they had just as well throw this stuff away.

Bonnie Brunley came in all excited the other day and insisted on taking me out to see his new dairy barn. The barn don't look like much from the outside, but he sure has things fixed up nice on the inside. In addition to concrete floors and modern equipment, he also has a radio installed in the milking rooms. The radio plays during milking time. I asked him if it made the cows more contented and he just grinned. Anyway, the cows seemed to like the music. The thought flashed through my mind as to just what some of the first settlers would think if they saw those electric milkers at work and the cows wagging their heads in time with Jimmie Dorsey's swing band.

Carl Spratt, who arrived here last week from Crosbyton to spend the vacation, will accompany his mother, Mrs. I. E. Spratt, to Big Springs, Thursday, for a visit with her son, Mr. Harold Spratt.

Miss Mary Jo Huckabay, who recently graduated from the Happy-grade school is here visiting in the home of her aunt, Mrs. Baker Womble and family.

Miss Bernice Harris, who was critically ill for some time, is getting along nicely, and able to be about.

In giving the names of Dawn students who achieved membership in the Honor Society at the West Texas Training School, the name of Miss Leona Luke was omitted. Leona, who is the young daughter of Mr. and Mrs. Carl Luke, is a member of the Junior Class. The three students before mentioned were Sarah Smith, Evelyn Luke, sister of Leona, and Eugenia Kuhles, all freshmen. Dawn is proud of these young people, and feel that they should be congratulated for their splendid records since entering the Canyon school.

Mr. and Mrs. M. H. Warren of Teague, enroute for Arizona, stopped by for a visit with Mrs. Warren's nephew, M. H. Burum and family. This is Mr. and Mrs. Warren's third annual visit here and they have a number of friends as well as relatives in the community.

Mrs. R. A. Frye and Mrs. Carl Wimberley attended the food demonstration meeting held at the club house in Hereford Saturday. Mrs. Frye had steamed bread and neufchatel cheese, both of blue ribbons quality, in the demonstration.

Among Dawn people to attend the senior play of WTSC, held in Canyon Thursday and Friday nights, were Mrs. Iverson Leake, Mrs. A. T. Frye and Mary Olive, Mrs. Julia Samuelson, Aubrey O'Neil, H. H. Miller and sons, Pat and Carroll, Mrs. Aubrey O'Neil of Dawn, who had the part of leading lady, did her part excellently, and has been complimented highly.

Mr. and Mrs. Jeff Roberson and son, Edward, of Hereford, and Mr. and Mrs. Harry Chenoweth of Panhandle, were Dawn visitors Sunday.

Mrs. W. P. Rambo of Hereford, called on Mrs. Iverson Leake, Wednesday.

In the recent softball game played by Dawn and Wildorado, Dawn boys showed considerable improvement since their last game. The game scored 12 to 18 in favor of the Dawn team. Norman Miller, captain of the Dawn team, says he is going to get in some more good practice until the next match game.

A large number from Dawn attended the celebrations at Buffalo Lake Saturday and Sunday. The boat races, quite rare in this section, were the center of attraction; however all other events caused equal comment.

Mr. and Mrs. C. P. Caldwell and daughter, Miss Eunice of Progressive, and Mr. and Mrs. Martin Campbell and sons of Daniel, took Sunday dinner in the Jess Caldwell home. The entire group took in the Buffalo Lake celebration in the afternoon.

The past two weeks have been very busy ones for the Dawn teachers and pupils as school is nearing its close. A large number of school events have, and are being scheduled.

Dawn school held its closing exercises Friday night, May 19. A large crowd, including a number of visitors from outside the community were present. The program, directed by Mr. and Mrs. R. S. West, teachers, and Mrs. C. Aubrey Wimberley, public music director, was quite successful and thoroughly appreciated by the audience. At consisted of readings, songs by choral club, two plays, and several numbers by the Dawn rhythm band. The stage decorations were appropriate, and the costumes elaborate, lending much to the effect of the program. Every number showed the result of much effort and interest on the part of both teachers and pupils.

Four Dawn high school seniors will receive their diplomas from WT Wednesday. There are Johnnie B. Caraway, Charles

There will be a number of graduates from the 7th grade at the WT Training School, but their names have not yet been submitted.

Among the boys of the freshman agriculture class of the WT Training School to go on an observation trip included three Dawn boys, Obed Caraway, Orville Galley and Marvin May. The group left Thursday and expected to be gone about eleven days. They planned to visit at Austin, Galveston, Kingsville, and many other places of interest, including a number of large ranches. Among these, the King ranch. They plan to make an extensive study of soil conservation among other research work. The group which consists of 28 boys are making the trip with Professor Morris, instructor of agriculture in WT Training School, and Canyon High School. The company is made up of students from his classes in both schools, and because of their interest in their years work were awarded this trip by their instructor. The boys were thrilled over the prospects of a camping trip, as they were to do their own cooking, and sleep in the open.

Another event of interest was the second in a series of monthly reviews given by the pupils of Mrs. M. H. Burum's expression class, at the Methodist Church at Hereford Saturday at 4 o'clock. Mrs. Burum's fourteen primary pupils took part on the program. Special musical numbers were given by Lilly and Billy Burum, piano pupils of Mrs. Burum.

Mrs. Burum will open her summer term in expression on June 1, at Hereford.

Mr. and Mrs. Lloyd Bentley visited relatives at Claude Sunday.

Quite a number attended the High School Baccalaureate exercises at Canyon Sunday night, at the Methodist Church. Dawn had four graduates.

H. H. Miller and sons, Pat and Carroll, and Mrs. Julia Samuelson attended the West Texas State College Baccalaureate services at Canyon Sunday morning at the college auditorium. Miss Inez Miller, daughter of Mr. Miller, is one of the graduates. The entire party, including Miss Vera Crawford of Canyon, an aunt of Miss Inez, and Miss Lucille Morris, a school chum, were dinner guests at Randall Hall.

Miss Ella Smith attended the picnic sponsored by the Spanish

Club of WT Training School held at Six-Mile Crossing Wednesday.

Gus School of Canyon was a Dawn visitor, Friday.

MISS EDITH SHIELDS BECOMES BRIDE OF NEW MEXICO MAN

In an impressive ceremony Sunday evening at 5 o'clock, Miss Edith Shields became the bride of H. S. Martin of Carlsbad, N. M., at the home of her brother, Joe Shields in Amarillo.

The altar was arranged with palms, greenery and tall white tapers.

Mrs. Joe Shields played the wedding music and accompanied the bride's sister, the former Miss Rexine Shields, who sang "O Promise Me." She also played "I Love You Truly," softly, as the marriage rites were read by the Rev. E. Clyde Smith, pastor of the San Jacinto, Methodist Church of Amarillo.

The bride was attractive in a floor length sheer frock of white over tulle, made along fitted lines, with full skirt and puffed sleeves. Her flowers were sweetheart roses.

The couple was unattended. After the ceremony an informal reception was held. Refreshments were served in the dining room from a lace-laid table centered with the decorated wedding cake. Lighted candles were at each end of the table. The wedding cake was cut by the bride and served by Mrs. Janelle Gibson, Emmy Lou Martin, daughter of the groom, and Doris Shields, niece of the bride, presided at the silver coffee services.

Mr. and Mrs. Martin will make their home in Carlsbad, where he is manager of the Union Potash Company.

Those from Hereford attending the wedding, were Mr. and Mrs. C. H. Dyar, Mr. and Mrs. W. J. Stanford, Mr. and Mrs. J. H. Plunk, Mrs. J. W. Spradley, Eloyse Pitman and Gwendolyn Spradley.

Mrs. Martin was principal of Hereford Central School for a number of years, and it was largely through her efforts that the school cafeteria was first established.

WEDDING DATE FOR MISS GWENDOLYN SPRADLEY IS REVEALED AT CARLSBAD

June 24, was revealed as the wedding date for Miss Gwendolyn Spradley and Mr. Ralph Sellmeyer of Carlsbad, N. M., at a recent reception given at Carlsbad. Miss Spradley who is the daughter of Mr. and Mrs. J. W. Spradley of this city, has been teaching in the Carlsbad public schools for the past two years. She has also taught in Hereford.

The wedding will take place here at the Spradley home.

At the same time of Miss Spradley's announcement, other approaching marriages of local interest, were made known. The engagement of Miss Edith Shields, former Central School principal, and Mr. H. S. Martin of Carlsbad, and the wedding date, May 28, was announced, also the engagement of Miss Susy Floyd of Dalhart and Mr. C. E. Kneale, of Carlsbad. Miss Floyd has visited in Hereford on several occasions and has many friends here. The Floyd-Kneale wedding will take place in Dalhart, June 25.

Several lovely social affairs were given in Carlsbad to compliment the three brides-elect.

During the afternoon Mrs. Charles Noland gave appropriate readings; Mrs. Joe Story and Mrs. D. C. Walser entertained with vocal duets, and Mrs. A. L. Behrends played intermittent piano selections.

The shower was introduced when special delivery letters arrived for guests, revealing the "gifts" message.

Mrs. J. B. Noland presided at the refreshment table where an ice course was served to Mesdames Bill Edelman, R. D. Lance, N. H. Walser, J. O. Clark, Glenn Roberson of Hereford, O. B. Roberson, W. A. Epperson, Guy Walser, Ray Johnson, N. G. Behrends, Marvel Upton, J. N. Thompson, Pete Carmichael, Jack Streun, Ben Wilhelm, Ky Lawrence, Lee Kendall, B. E. Robertson, C. R. Walser, D. C. Walser, L. Story of Hereford, B. K. Green, Louie Huckert, Misses Mabel Behrends and Mary Lookingbill.

Those sending gifts but unable to attend, included Mesdames Wm. Upton, Albert Cross, Will Harris, Cullen Butler, George Story, Roy Coker, Ray Euler, John Hicks, B. A. Atchley, A. Blakemore, Tandy Legg, Archie Scott of Hereford, Chas. Roberson, J. R. Oglesby, L. L. Cannon, Andrew Jr., Billy and David Behrends, and Miss Edith Plunk of Amarillo.

High score prize in bridge games after the luncheon was awarded to Mrs. W. L. Davis.

Those present were Mesdames W. M. Emmons, Jimmie Gillentine, C. C. Rockwell, W. J. Davis, B. M. Wiltshire, J. C. McCracken, Alton Fraser and the hostess.

MRS. WAYLAND ENTERTAINS AT BRIDGE LUNCHEON

Among the many club affairs given last week was the attractively appointed bridge luncheon at the home of Mrs. Jack Wayland. Guests were members of the Wednesday Luncheon Club.

Using bright, colored table covers, with pink and red roses combined with honeysuckle as decorations, places were laid at small tables for eight club members.

MRS. J. A. NOLAND ENTERTAINS FOR DAUGHTER-IN-LAW

Mrs. J. A. Noland of Summerfield entertained Thursday afternoon with an informal reception for her daughter-in-law, Mrs. Mack Noland, a recent bride.

Wild flowers were used all through the house in baskets, and grouped arrangements. Lilac-blue potted hydrangeas were added decorations. Miniature silver wedding bells carried out the bridal theme.

In the receiving line were Mrs. Noland, Mrs. J. D. Story, with whom the bride has made her home for the past three years, and the honoree.

During the afternoon Mrs. Charles Noland gave appropriate readings; Mrs. Joe Story and Mrs. D. C. Walser entertained with vocal duets, and Mrs. A. L. Behrends played intermittent piano selections.

The shower was introduced when special delivery letters arrived for guests, revealing the "gifts" message.

Mrs. J. B. Noland presided at the refreshment table where an ice course was served to Mesdames Bill Edelman, R. D. Lance, N. H. Walser, J. O. Clark, Glenn Roberson of Hereford, O. B. Roberson, W. A. H. Lookingbill, A. F. Blakemore, A. Behrends, L. B. Lookingbill, H. H. Cannon, H. D. Buse, J. L. Lookingbill, J. E. Roberson, Jerry McMinn, J. B. Noland, Chas. Noland, Joe Story, J. D. Story of Hereford, B. K. Green, Louie Huckert, Misses Mabel Behrends and Mary Lookingbill.

Those sending gifts but unable to attend, included Mesdames Wm. Upton, Albert Cross, Will Harris, Cullen Butler, George Story, Roy Coker, Ray Euler, John Hicks, B. A. Atchley, A. Blakemore, Tandy Legg, Archie Scott of Hereford, Chas. Roberson, J. R. Oglesby, L. L. Cannon, Andrew Jr., Billy and David Behrends, and Miss Edith Plunk of Amarillo.

High score prize in bridge games after the luncheon was awarded to Mrs. W. L. Davis.

Those present were Mesdames W. M. Emmons, Jimmie Gillentine, C. C. Rockwell, W. J. Davis, B. M. Wiltshire, J. C. McCracken, Alton Fraser and the hostess.

TWO LOVELY PARTIES COMPLEMENT HOUSE GUEST AT J. W. WITHERSPOON HOME

Two of the loveliest of the social affairs given to compliment Mrs. Preston Heath of Denver, Colo., house guest of Mr. and Mrs. J. W. Witherspoon, were a bridge luncheon on Wednesday, and a bridge breakfast Thursday morning at the Witherspoon home last week.

Spring flowers in a variety of form and color, were grouped in effective arrangements for decorations.

Places were laid for four small tables for the luncheon. Guests included Mesdames N. E. Milburn, Ralph Roden, Grant Fuller, Travis Dameron, Woodrow Ireland, J. M. Posey, George V. Stambaugh, C. F. Moore, E. B. Hicks, Meade Halle, Ernest Medkief, Marlin Gilliland, Miss Lueta Borden, Miss Eloyse Pitman and the honoree. Mrs. Woodrow Ireland was awarded high score prize in games of bridge after the luncheon.

THURSDAY MORNING BREAKFAST

Guests for the Thursday morning breakfast included Mesdames J. C. McCracken, B. M. Wiltshire, Alton Fraser, W. M. Emmons, W. L. Davis, Jimmie Gillentine, Colby Conkright, H. A. Close, Jack Wayland, O. E. Eastley, C. C. Rockwell, Kellar Muse, Miss Katherine Kirby, Miss Rhita Jean Sullivan and the honor guest.

Mrs. Jack Wayland played high for score award in bridge games which followed the breakfast and a guest prize went to Mrs. Heath.

SUMMERFIELD W. M. S. MEETS

Circle two of the Woman's Missionary Society of the Baptist Church of Summerfield met at the church Tuesday evening, May 23.

A comprehensive review of the book "In His Steps," by Charles M. Sheldon, was given by Mrs. B. E. Roberson. Character sketches were given and excerpts were read as changes in life pattern of characters were discussed.

The next meeting will be held at the church on June 6, at 8 p. m. All young women of the church are invited to attend.

PLUNK-NOLAND

Announcement has been made of the marriage of Miss Emma Lewell Plunk, daughter of Mr. and Mrs. W. C. Plunk of Hedley, and Mack Noland, son of Mr. and Mrs. J. A. Noland of Summerfield.

The wedding took place Saturday, May 20, at the Baptist Church personage in Roswell, N. M. The Rev. Barnett officiated.

The bride wore an attractive beige crepe dress made with redingote of deep rose. Black patent leather accessories were used.

Mrs. Noland has taught in the Rance public schools for the past three years.

The young couple will live on a farm near Summerfield.

IMPORTANT PARTY DATE FOR TWO

An important party date for two tiny tots was Wednesday, May 24, when the first birthday for Warren Thompson and Peggy Ann Aiken was celebrated at the Aiken home. Hostesses were Mrs. James Aiken and Mrs. C. A. Thompson, who directed the play-time.

Two birthday cakes were featured, both topped by one candle and both decorated to suit the occasion. Kodak pictures were taken for memory books.

Children enjoying the happy affair were Dorothy Faye Daniel, Charles Robert Seed, Beverly Saunders, Diane Emmons, Norman Kerr and the two honorees. Mothers who also were guests includes Mrs. Frank Daniel, Mrs. Walter Seed, Mrs. Saunders, Mrs. W. M. Emmons and Mrs. Will S. Kerr. The hostesses were assisted by Margaret Olson.

Other guests were Mr. and Mrs. D. H. Alexander, Mr. and Mrs. John Olson and Mrs. Frank Gyles.

TUESDAY AFTERNOON CLUB IS ENTERTAINED AT DAVIS HOME

A delightful afternoon bridge party entertained members of the Tuesday Afternoon Bridge Club at the home of Mrs. W. L. Davis, Tuesday.

Bowls of red roses placed here and there about the rooms furnished attractive decorations.

Mrs. W. M. Emmons played high for score prize.

Members attending were Mesdames Gaston Baer, W. M. Emmons, C. H. Dyar, W. J. Stanford, Travis Dameron and Woodrow Ireland. Special guests were Mrs. Wm. Black of Dallas, a former member of the club, who is visiting her husband's parents here, and Mrs. T. H. Coursey.

JUNIOR PIONEER CLUB ENTERTAINS SENIOR CLUB

Senior Pioneer Club members and mothers of Junior Pioneer Club members were honor guests when the Junior Club entertained Tuesday evening at the home of Mrs. J. B. Whitlow.

Mrs. Homer Brumley was in charge of the program. She introduced Mrs. R. R. Wills the retiring president, and Mrs. Urlin Streu, the new president of the club. Members introduced their guests.

The program consisted of numbers of special interest which were given at some time during the past year's work.

A discussion and comparison of the works of Amy Lowell and Edna St. Vincent Millay was presented by Lueta Borden. She stated that Lowell's works are all motion, no emotion, while Millay's works are emotional. Miss

Borden read representative poems from each author.

The origin and maintenance of the Pulitzer Prize was explained by Mrs. Elmer Patterson who also gave reviews of the 1937 Pulitzer Prize play "Our Town," by Thornton Wilder, and the 1938 prize play "Abe Lincoln in Illinois," by Robert E. Sherwood.

Delectable refreshments were served and plate favors were corsages of vari-colored sweet peas.

Members of the senior club and other special guests present, included Mesdames Wirt Phillips, H. D. Reed, Noah Ewton, Artie Daniel, Bob Higgins, P. H. Gilliland, Carl Frye, E. S. Ireland, Allan Bell, J. E. Beyer, Frank Terrell, F. M. Kester, N. E. Gass, Julia Sowell, Ray Johnson, C. T. Guseman, O. G. Hill, Burl France, O. T. Williams, Carl Mountz, L. F. Borden, F. W. Montfort, Arthur Thompson, A. O. Thompson and Miss Margaret Caskey of Topeka, Kansas.

Members of the junior club present included Mesdames Meade Halle, Urlin Streu, Frank Huckert, Lilburn Ray, R. R. Wills, Stub Jones, O. H. Culpepper, Troy Moore, Lynn Kester, Bill Edelman, Louis Woodford, Buford Crosthwait, Alton Miller, Homer Brumley, Troys Carmichael, A. J. Schroeter, Elmer Patterson and the hostess.

Arrangements for the meeting were made by Mesdames Alton Miller, Frank Huckert and Urlin Streu.

The program was in the hands of Mrs. A. J. Schroeter, Mrs. Homer Brumley and Mrs. Elmer Patterson.

What Goes On Here???

(Mary Jane Morgan)
 "You speak, and the Angels sing!" Contented Brand readers threatened, but the Cub Reporter writes again! Reason: Ed Cursinger, constable, promised all needed protection. Now, hears some half-baked reviews of well-done pictures showing at the Star Theatre next week.

As a starter, this is special. Can you imagine a picture of such recent vintage that the wisecracks are not bent and twisted with age before you get a chance to repeat them? No? Well, here's one. "BRIDAL SUITE," a light comedy, was released from the Hollywood studio May 26, and today and tomorrow (Thursday and Friday) only five days after the world premier, is showing at the Star. Not bad, huh, for a small town? Robert Young, currently popular as a radio master of ceremonies, and Annabella, Tyrone Power's first and thus far, only wife, are honestly funny in a mix-up of intended marriage, against a background of some Swiss Alps than bridal suites. Surpassing themselves in comedy in this flicker are Billie Burke, Arthur Treacher, Walter Connolly and Reginald Owen. It ought to be good because in titles, it went from a "Maiden Voyage" in the cutting room to a "Bridal Suite," and that's pretty fast in anybody's language.

"SILVER ON THE SAGE," playing Saturday, is an unusual western with Hopalong Cassidy, William Boyd and the regular cast for Hopalong pictures make it entertaining for all its horse-riding waxes villainous, and complicates the plot by playing a duel role. He's twin crooks in the picture, and frustrates officers by being two places at once. In other words, one twin brother furnishes an iron clad alibi for the other when he goes a "crook-ing." Also there's Chapter 13, of "Spider's Web," the serial. John Roberts said that so far not a single person had guessed correctly who the Octopus is, -so hear ye! A ticket good for any show will be given to all persons turning in a correct guess at the identity of the Octopus at the box office before Saturday, June 10th—see? Identify the Octopus correctly, turn in your guess at the box office before Saturday, and you will get a ticket to any one show you may wish to see.

"ROSE OF WASHINGTON SQUARE," the highlight of the week showing Sunday and Monday is a film-musical featuring familiar popular songs of past years. This picture sponsored the broadcast of the Kentucky Derby on May 6. Tyrone Power and Alice Faye start in it, and Al Jolson makes a successful comeback in the picture. Such songs as "Avalon," "My Mammy," "The Curse of a Breaking Heart," made famous by Fannie Brice, and "I Never Knew Heaven Could Speak," a new song, will be warbled by Al Jolson and Alice Faye in their own distinctive styles. Plot Brief: Al Jolson manages to make "My Mammy" and Alice Faye famous in the Folie only to find that Alice has married Tyrone Power, a shady character. Tyrone is arrested, and Al Jolson, who loves Alice Faye now, balls him out with the result that Tyrone hops his bond. In spite of this, Alice still esteems Tyrone deeply, and really means it when she sings "My Man." Tyrone reforms, gives himself up to the police, and Alice composes herself for a wait until he gets out of jail.

On the Tuesday menu is "SUDDEN MONEY," dealing with a sweepstakes winner and his family who jump from mediocre finances to wealth. Charlie Ruggles and Marjorie Rameau make this a hilarious comedy of the popular family type picture.

Charlie organizes a swing band and plays the trap drums in it, while the rest of the family develops similarly extravagant hobbies. Chaos results, and the family returns home broke, to unreasonable normality.

"HOUND OF THE BASKERVILLES," a Sherlock Holmes flicker, shows on Wednesday and is guaranteed to make people shudder and dread that long walk past the dark, spooky Christian church and City Park afterwards. It deals with the legend of a gigantic, blood-thirsty hound that haunts the weird moor and Baskerville family with no good intentions. It's quite elementary, my dear Watson, that Basil Rathbone makes a perfect Holmes, and Nigel Bruce, Dr. Watson. Richard Greene, Robert Taylor's best rival, and Wendy Barrie, will cause all sorts of heart throbs in it. Just thinking about that terrible howl of the legend hound makes this writer decide to seek more reassuring company than the typewriter. Aren'tcha glad?

MRS. MERLIN KAUL
 The high school pupils and those who took the trip to Galveston last week, returned home Sunday evening. Needless to say all were very enthusiastic over the trip. Henry Allmon kept a diary of the trip, which totaled 1741 miles. The group camped the first night at the dam on the Conchas River at San Angelo. The next day they visited points of interest around San Antonio, the Buckhorn curio shop and bar, and Randolph Field.

At Austin they visited the Capitol building, the House of Representatives which was in session, the Governor's mansion, and the library building at the University. They reached Alvin Tuesday in time to have dinner at the home of Mr. and Mrs. Morris Thomason. Mrs. Thomason was formerly Martha Ellen Dodson and was a teacher here. The most interesting visit here was to the Midget Cafe which is operated by midgets.

At Galveston all went swimming in the gulf and visited the docks. P. H. Gilliland and Henry Allmon, accompanied by Morris Thomason went out nine miles to a boat where they fished, but had only "fisherman's luck." However, they did have a fish supper that night—red fish from a Galveston shop. They went to see the ships which were freighters. At Houston they went through a Japanese freighter. East of Houston they visited San Jacinto Battle field and monument. At the monument they saw the original commission which Queen Elizabeth gave to Christopher Columbus when he sailed for America. It was dated in 1492.

The return trip included Huntsville where they went through the State Penitentiary, visited Sam Houston Museum, Sam Houston's home, seeing his log cabin law office, furniture, and a pecan tree which he had planted 109 years ago. They went through the business district at Dallas, stayed one night at Arlington at the Park and saw the Arlington Downs race track. They went through Fort Worth and on to Wichita Falls, where they had planned to visit the asylum but were unable to go through at that time. At Acme they visited the "gyp" mines and then continued to Childress, Plainview, and so back to Hereford.

There were no tragedies outside of chigger bites, mosquitoes, jelly fish, and crab bites. Edwin Skypala seemed to have been the champion pancake eater, with 15 to his credit one morning for breakfast.

Daniel Turrentine's name was omitted last week as one of those who took the trip, making the group total 22. Wanda Marie Allmon returned Friday after spending the

week visiting in the Albert Clubb home at Petersburg.

Miss Bette Moser of Friona, is helping Mrs. Merlin Kaul with her work this week.

Mr. and Mrs. Willie Landers of Okemah, Okla., are visiting in the home of his brother, Joe Landers. They plans to get work here this summer.

Mrs. Merlin Kaul and Mrs. E. B. Osburn were hostesses this Wednesday to a shower complimentary to Mrs. M. E. Roe of Hereford, at the home of Mrs. Osburn.

Bud Hopson is working in Hereford at the Piggly Wiggly store.

Rev. and Mrs. Jones of Dimmitt were dinner guests at the Kelly Gray home last Friday.

Mr. and Mrs. Clyde Shepard of Black, have named their new daughter, Jo Clydene.

Mrs. Al Werner accompanied Miss Sadie Lee Oliver to her home at Belton, Wednesday. Miss Oliver will visit her parents there and Mrs. Werner will visit her daughter, Mary Turrentine. Mary will return home with them.

Mr. and Mrs. Robert Corder and children of Kennedy, were guests last Friday night and Saturday in the home of his sister, Mrs. T. B. Cox. Mr. and Mrs. Corder have been teaching at Kennedy and will attend summer school at WTSC at Canyon.

Several in this community attended the opening and dedication services at Buffalo Lake, Sunday.

Mr. and Mrs. C. E. Dale and son, Charles, and Miss Ursula Dale of Shattuck, Okla., were week end visitors in the home of Mr. and Mrs. Jim Dale.

Dinner guests in the J. A. Roe home Sunday, included Mr. and Mrs. Moody Stephan. Miss Oliver was present and by using posters showed the value of vitamins in foods and the foods containing the different vitamins.

Eleven members and two visitors were present. The next meeting will be held at the home of Mrs. P. B. Sowell on Thursday, June 8.

Mrs. Maurice Tannahill received word last week from her mother, Mrs. Francis Carthel of Lockney, that she had fallen and broken her wrist.

Wayne Otts of Woodson came last week to visit in the Jess Otts home.

L. B. Wolfington and Leola went to Amarillo Monday, and moved Mrs. Leola Wolfington to Hereford, where she will live this summer.

Mrs. F. L. Sterner and son, Tim, returned Monday from Chickasha, Okla., with her daughter, Evelyn Sterner, who had been attending the Oklahoma College for Women there. Miss Sterner is a sophomore in college. Mrs. Sterner and son left here Wednesday for Chickasha.

To prevent damage by worms Cameron Siddall, our new assistant entomologist, says to dust the roasting ears at the beginning of the silking stage with rotenone and sulphur. It can be applied with a duster or even a salt shaker. Rotenone and sulphur can be purchased in most seed stores ready made. This material is not poisonous to human beings. Honey June and Surcropper

Sugar are varieties having a long tough shuck which also protects from injury by worms.

In 1938 Mr. and Mrs. G. E. Thiele grew more strawberries than they could use. When they moved to Wyche eleven years ago they bought six plants, and five of them lived. They have discarded all surplus plants produced.

Even though one can only use about so many strawberries fresh and preserved, one might enjoy a new recipe for preserves. These two are recommended by Miss Grace I. Neely, Extension Specialist in Food Preservation, A. & M. College.

Strawberry Preserves No. 1
 1 quart sugar, 1 1-2 quarts strawberries (never double this recipe).

Wash and grade the strawberries into two classes—large and medium sized. If there are any over ripe berries these may be used for making jam. After the berries have been thoroughly washed in the colander, then remove stems with a stainless paring knife.

After removing stems from berries, place in colander and let water run over them lightly to remove any grit.

Place layers of berries and sugar alternately in an enameled, lined or extra heavy aluminum kettle. Heat slowly and stir gently until the sugar melts. Cook very rapidly from 15 to 20 minutes or until the syrup sheets from the spoon.

Remove any skim with a silver spoon. Allow to cool; when cool and before jelly stage is reached, pack the fruit in jars. Wipe surplus fruit or syrup from the jars, and seal.

Allow to stand over night and process for 15 minutes in hot water, keeping water just below the boiling point. Remove lid at once and pour hot paraffin over surface 1/16 inch thick. Seal at once.

Strawberry Preserves No. 2
 Take 2 cups sugar and 1 cup water and boil them until it begins to form a thread. Add 1 pint of strawberries and cook 10 minutes, add another pint of strawberries and 1 cup of sugar sprinkled over the top; keep this continuously boiling and boil about 10 minutes, or until it reaches a jelly stage. Remove them from the fire and shake the kettle gently until the foam forms in the center and can be easily removed. Then pour into a flat container and let cool before putting into the jars and place into hot sterilized containers, cover with wax and seal at once.

Miss Lindsey and J. C. Baker, Jr. Are Married In Memphis On Sunday

A wedding of interest here was that of Miss Mildred Lindsey, former Hereford teacher, and J. C. Baker Jr., of Adrian, which took place Sunday at the First Baptist Church in Memphis.

The marriage rites were read by Rev. James N. Morgan, brother-in-law of the groom, and pastor of the First Baptist Church at Handley, assisted by the Rev. J. William Mason, pastor of the Baptist Church of Memphis, before an improvised altar of latticed greenery and cut flowers. Tall white tapers in candelabra burned at each side of the altar, flanked by baskets of pink and white gladioli.

Proceeding the ceremony, Miss Mary Helen Lindsey played pre-nuptial music on the organ and accompanied Mrs. James N. Morgan, sister of the groom, who sang "Because." Miss Lindsey also played the wedding marches and softly played "I Love You Truly," as the vows were spoken.

Miss Lula Faye Oren was the bride's only attendant. She wore a beige crepe frock with bolero in Japonica. Her accessories were

Japonica and she wore a corsage of pink and fuschia sweet peas.

The bride wore a becoming dress of dusty pink with fuschia jacket and girde. Her accessories were white, and her shoulder bouquet was white gardenias.

E. L. Hammitt, a college classmate of both the bride and groom, served as best man.

The couple left immediately after the ceremony for San Antonio for a short wedding trip. Later they will be in Austin, where Mr. Baker will continue graduate work in the University of Texas. The bride traveled in a navy blue jacketed dress with chateause trim. Her accessories were black.

Out-of-town guests included: J. C. Baker of Fort Worth, Mr. and Mrs. John T. Baker of Mineral Wells, Dr. and Mrs. John Ollen Baker of Dallas, Mr. and Mrs. Henry Baker of Childress, and Mr. and Mrs. Robert Carlton of Washburn.

Mrs. Baker is the daughter of Mr. and Mrs. N. M. Lindsey of Memphis. He is the son of J. C.

Baker of Fort Worth. Both Mr. and Mrs. Baker are graduates of WTSC, Canyon. The past year she was a member of the Hereford Public School faculty. Mr. Baker has taught in the Adrian schools for the past two years.

MISS JENNIE CAMP, FOOD SPECIALIST, ADDRESSES COUNTY CLUB WOMEN

"Since it requires 1500 to 1800 pounds of food per person each year for an adequate diet, it is evident that the food problem is too large for the woman to solve alone," stated Miss Jennie Camp, Food Production Planning Specialist of A. & M. extension service to county Home Demonstration Club women at the club house in Hereford, last week. The speaker was introduced by Mrs. R. A. Frye of Dawn.

Continuing Miss Camp said, "we have increased our income, and are conserving our natural resources; so our big problem now is to conserve food and fiber. This can only be accomplished through gardens and liberal diet for everyone. If every person in this country had a liberal diet, we would need 1-6 more eggs, 1-3 more milk, 1-5 more fruits, and 1-5 more vegetables. Since vegetables are easily grown, the government is considering including gardens in the benefit payment units of the agricultural program for 1940, and farm folks are urged to voice their opinions on the matter to their local AAA representatives. The County Home Demonstration Councils are taking the lead in this in many places."

Miss Camp also scored whole

wheat yeast bread, steamed bread and Neufchatel cheese. Those entering whole wheat bread were Mrs. Clinton Homfeld of Bippus, Mrs. R. A. Frye of Dawn, Mrs. Louise Olson, Mrs. Geo. Parker, Mrs. G. A. Frye, Mrs. M. H. Koelzer and Mrs. Oscar Vaughn of North Hereford. Entering cheese, were Mrs. Frank Wilde and Mrs. Louie Olson of North Hereford, and Mrs. R. A. Frye of Dawn.

A picnic lunch was enjoyed at noon, with Mrs. John Kropff, County Recreation Chairman, in charge of recreational features.

Those present, were Mesdames Geo. Parker, R. A. Frye, E. J. Parsons, M. H. Koelzer, C. G. Robbins, Louie Olson, Oscar Vaughn, John Kropff, and Frank Wilde, Hereford; Mesdames Geo. Robertson, G. E. NORTH HEREFORD H-D CLUB MEETS

North Hereford Home Demonstration Club met at the home of Mrs. George Brumley with Mrs. Louie Olson as hostess last week.

A business meeting was conducted when Mrs. Olson and Mrs. Grady Parsons were appointed to attend training school on June 24.

Plans were discussed for a food sale to be held June 3, the proceeds to finance delegates to the annual Short Course held at A. & M. College, July 12-13-14. Mrs. G. A. Frye was chosen delegate.

Announcement was made of the Dairy School to be conducted in Randall County, June 6. Mrs. L. P. Shaw held the lucky number for the chance gift.

Miss Sadie Lee Oliver discus-

sed vitamins A, B, C, D and G, and games were directed by Mrs. Oscar Vaughn.

Those attending the meeting were Mesdames C. G. Robbins, Oscar Vaughn, G. S. Parker, L. P. Shaw, Otto Olson, G. A. Frye, Frank Wilde, E. J. Parsons, Grady Parsons, Misses Sadie Lee Oliver, Nancy and Christine Olson and Dorothy Wilde.

The next meeting will be held with Mrs. G. A. Frye.

GUESTS ARE ENTERTAINED WITH COTERIE CLUB MEMBERS

Green and pink colors predominated when Mrs. Colby Conkright entertained members and guests of the Coterie Club Friday afternoon at her home.

Worlds of pink roses, from the hostess' flower garden, with leafy green background suggested the colors carried out in appointments and accessories for bridge games, Talles, prize wrappings and the salad course served aft-

er games, repeated the spring motif.

Score awards went to Mrs. E. B. Hicks and Mrs. Preston Heath of Denver, Colo., a special guest. Mrs. C. F. Moore, cut prize.

Special guests were Mesdames George V. Stambaugh, Alton Fraser, C. C. Rookwell, O. E. Easley, Travis Dameron and Mrs. Heath.

Club members present were Mesdames J. W. Witherspoon, Grant Fuller, E. B. Hicks, C. F. Moore, F. L. Lucas, E. B. Hedrick and the hostess.

JUNIOR PIONEER CLUB TO MEET

Junior Pioneer Club will meet at the home of Mrs. R. R. Willis next Tuesday evening. This will be the regular club meeting and all members are urged to attend.

Falls enroute home. Little Miss Georgiana Pugh of Tulsa, Okla., Mrs. Snyder's niece, accompanied them to Hereford and will spend the summer in the Snyder home.

Right Now Is Your Last Chance To Get A COMBINE!

There is always a last minute rush on Combines — and the time for that Last Minute Rush is near at hand. Soon you will be faced with the fact that YOU CAN'T GET A COMBINE! In fact, they're getting scarce right now! If you don't have a SURE way of getting your '39 crop out — you had better do something this week. There is no need to point out that failure to get your wheat cut at the Right Time is a more serious hazard than either Hall or Drought. We can still get a few more Combines — and if you want one, you had better do something this week!

There Is No Room for "THE OTHER FELLOW" in this Picture!

You can't depend on "The Other Fellow" to harvest your crop. "The Other Fellow" is going to harvest his own crop first.

"The Other Fellow" will "promise" many to harvest their crop.

"The Other Fellow" cannot harvest everybody's crop when it is ready to harvest.

"The Other Fellow" will have a tendency to hurry — so he can get to someone else he has "promised."

"The Other Fellow" is usually after "acres" and not "bushels."

"The Other Fellow" may have a badly worn and inefficient thresher — even though he may have it painted and looking nice on the outside.

"The Other Fellow" may WASTE enough grain per acre to TAKE ALL THE PROFIT out of a wheat crop.

Strangers moving around the country are undependable — they have difficulty making their operations pay — they will probably be more scarce this year, and other years in the future, than they have been in the past.

Not considering the Waste and Undependability of "The Other Fellow" — Every Dollar Paid to him is simply buying a machine and giving it to him instead of keeping what you buy.

WHY PAY A PREMIUM? ORDER YOUR COMBINE NOW!

He also pointed out that the new elevator is to be equipped with the latest type machinery. A giant hydraulic dump is being installed, which will take care of large semi-trailers as efficiently and as fast as a pick-up. The wheat will be dumped into the underground storage tank, where it will be raised on an electric elevator to be stored in the huge bins. Automatic scales are also to be installed in the headhouse; with these scales it will be possible to weigh the amount of wheat in the entire elevator at any desired time; the scales will also weigh out car loadings for shipment.

The new elevator is to be painted a light grey color—and will be in operation in time to take care of the present harvest.

llams. She explained how the eleven families who came with Moses—Austin to Texas pioneered in the work. She told of the founding of the first Baptist Sunday School, Church, and of Baylor University. She also mentioned many leaders in the denomination throughout Texas. Mrs. D. H. Alexander began her discussion of Pioneers of the Presbyterian Church, with John Calvin and the reformation and included John Knox, Francis McCreary, John Elliott, John Witherspoon and the founding of Princeton University.

Mrs. A. O. Thompson and Mrs. Troys Carmichael, accompanied by Mrs. Wiley Roberson, sang "Though Your Sins Be As Scarlet." Mrs. Thompson gave the Bible reference for the song and explained that the writer, Fannie Crosby, was one of the oldest and best loved hymn writers. After the program a short business session was held with Mrs. D. H. Alexander, president of the Presbyterian Auxiliary, presiding. Mrs. Art Manjeot reported a meeting in Amarillo of Federated Church Women attended by Mrs. C. H. Dyar, Mrs. Alexander, Mrs. Frank Terrell and Mrs. Manjeot.

The group voted to join the district federation and elected Mrs. Harvey Redford as general president.

The next meeting of the Council will be held at the Baptist Church Tuesday, August 29.

A 300,000 Bushel STORAGE ELEVATOR

Work started Tuesday morning on our new 300,000-Bushel Storage Elevator, which is being constructed south of our old elevator. This new Storage Elevator will be 150 feet long, 80 feet wide, and 46 feet in height; concrete floors and concrete tunnels are to be installed, while the walls will be of Iron-Clad Wood. The elevator will be strictly modern in every respect — and a New Dump will also be installed to offer you faster and more efficient service. This will give us Three Modern Dumps, including one fast, over-head dump, and two Hydraulic Dumps. Work is being rushed on the New Elevator — and we likewise have our two old elevators, which have a capacity of approximately 75,000 bushels. When completed the three elevators will give us a total capacity of around 375,000 bushels.

We Will Be Ready TO SERVE YOU

We are building the New Elevator in anticipation of one of the best harvests seen in this territory since 1931—and because we are more anxious than ever to buy all of the wheat possible in this area. We refuse to make flour from any kind of wheat but the BEST — and experience has proven that wheat in this area is The Best. Try a sack of Fraser Milled Flour. You'll like it, and it's like trading with yourself — because our flour is Home Milled by Home Labor, from Home Grown Wheat!

Tues., June 6—K-C vs. Merchants.
Wed., June 7—HHS vs. Firemen.

BY GRANT FULLER JR.
May 30—The High School edged out a victory over the Laundry in the sixth inning when they scored four runs to win 7 to 4. The Whites faces had only three hits, but twelve Laundry errors helped immensely.

The score was close all the way through, each team getting a run in both the first and second innings. Neither team then scored until the fifth when Schumacher walked, Fuller singled, and Terry errored. The Laundry went ahead the next inning when they tallied twice. Two walks and an error accounted for the runs.

The wild sixth inning then came for the High School in which they scored four runs. The runs came in on three walks and three errors.

H. S. Beats Merchants
May 24—The High School, playing their first game of the year, made only two errors while cleaning the Merchants 13 to 2. Wilkins and Schumacher held the Merchants to four well scattered hits.

The High School collected nine hits, but eight Merchants' errors helped. The victors had two big innings, the second in which they scored six runs, and the fifth in which they scored five runs. Dowell, Worley, and Hales led the High School with two hits each. Foster and Fuller made the only two errors for the Whites faces.

K-C Downs Firemen
May 25—The Firemen seventh-inning rally fell short by one run as they were defeated by the Knights of Columbus 12 to 11. The K-C scored every inning to build up a large lead by the start of the last frame, but the Firemen scored five runs to throw a scare into the victors.

The K-C banged 12 hits off the Firemen's Joe Brock including three doubles and a triple. Although the Fireboys lost, they fought the K-C. They had 16 hits—six of which came in the last inning.

C. Albright, L. Loerwald, A. Stelzer and G. Loerwald each had two hits for the winners. A Carroll led the attack for the Firemen with three doubles out of four times at bat.

Lions Beat Merchants
May 26—The Lions slugged their way to a 15 to 10 victory over the Merchants, led by Charles and Whitlow, who each got a single, double, and a long homer. The roaring Lions hammered out twelve hits to gain their second victory of the year. The Lions, while launching their attack, held the Merchants to three runs until a wild sixth.

Farm Program To Go On Says Marvin Jones

FREIGHT RATES TO BE CONSIDERED IN NEW FARM ARRANGEMENT
BY MARVIN JONES
Chairman U. S. House Committee on Agriculture

The farm movement will be continued. The law will be improved, mistakes will be corrected, but the movement itself, since it is based on the fundamental principle of equality, must go on. The principle of equality was recognized by the early statesmen of every political faith. It was written into the Declaration of Independence. It was carried forward in the Constitution. It was recognized in the first report on manufactures. It is not a question of whether we shall have a farm program. It is a question of what that program shall be.

What parts of the long-range program should be kept, and what parts should be discarded:
(1) We have the lowest farm interest rates that have ever prevailed in this or any other great country. The farmers of America are now paying 160 million dollars per year less in interest rates than they were paying in 1932. These advantages should be retained.

(2) The freight rate provision of the present act authorizes the Secretary of Agriculture to file applications for correction of the rank discriminations against agriculture in the freight rate structure of the country. This is the first tangible step that has been taken in this regard and should be retained.

(3) The present act provides for the search for new uses, new outlets and new markets for farm commodities.
(4) The provisions of section 32 make available funds for widening distribution of farm commodities and the products thereof, both in this and other countries. These funds have been used effectively in respect to a great many different farm commodities and the products thereof.

(5) The Soil features provided for conserving and rebuilding of the soil. Some of the finest work that has been done in this generation has been done under the soil provision of the act. I do not see how anyone can object to continuing this work.

Practically all these features have been lost sight of in the discussion of loans and marketing quotas.
Personally I have never favored.

Poison Campaign Against Hoppers Continues Here

Grasshoppers are hatching thicker in some communities this year than they did last year, in spite of the quantities of poison distributed over the county, observers in the county agent's office report. An increase in grasshoppers hatching has been noted especially in the Bippus community.

The county agent's office is unable to account for the thicker hatching of grasshoppers this year after the poison campaign against them last year. More poison is being distributed to combat the insects now, however. First batches of poison put out this spring was spread over six sections of pasture land last Thursday, and more will be distributed later.

Twelve Hereford Students Will Receive College Degrees This Spring

Shown above are the 12 Hereford boys and girls who this year will receive degrees from colleges and universities during the next few days. From left to right, they are: Top Row—Mrs. Mary Lee Neill Morse, Mary Elizabeth Stanford, Avis Matthews, Sylvia Behrends; Second row—Imogene Roberson, J. C. Carroll, Elizabeth Ireland, Jack Gilliland; Third Row—Effie Lee Whitsett, Berry Orr-Jacobsen, Billie Stoker, and Bill McLean.

Local Students Lead In Campus Activities

TWELVE FROM THIS AREA WILL GET DEGREES IN JUNE COMMENCEMENTS

Twelve Hereford boys and girls attending various colleges and Universities of the state will receive diplomas in June, leaving outstanding records, made during the four years of student endeavor. As places are assumed in the business world and other fields of activity, each will have a different experience—as widely divergent as the vocations they have chosen.

Three from Hereford are members of the graduating class at West Texas State College in Canyon.

Effie Lee Whitsett, daughter of Mr. and Mrs. John Whitsett, will receive a B. A. degree, majoring in History with a social science minor. She has been a member of Pi Omega Sorority four years, a member of the College Annual staff two years and of the Woman's Chorus four years. She was vice-president of Cousins Hall for two years and was a member of the Press Club. Miss Whitsett taught two years in the Ford School and plans to teach the coming school term. After her graduation she will work on an M. A. Degree at W. T. for the first summer term.

J. T. Carroll has distinguished himself in music on the campus at W. T. S. C. He is a member of the Buffalo Band, which he frequently directs, and is a member of the College Orchestra

and of Raillard's Collegians Orchestra. He has majored in educational administration. During part of the current term he was in charge of the audio-visual aids laboratory. He is the son of Mr. and Mrs. Jim Carroll. Sylvia Behrends will receive a B. S. degree at W. T. S. C. in June. She is a primary education major. She is a member of the Women's Chorus and other student organizations at the College. She is the daughter of Mr. and Mrs. B. H. Behrends. Jack Gilliland, son of Mr. and Mrs. J. M. Gilliland, will receive his degree from Texas A. and M. College at College Station. He majored in veterinary medicine. He is a member of the American Veterinary Medical Association. He has made no definite plans but will spend a part of the summer in Hereford.

Mary Lee Neill Morse, who was selected from Howard Payne College at Brownwood as one of the outstanding students in America, is listed in "Who's Who Among Students in American Universities and Colleges." She entered Wayland College at Plainview in 1935 and enrolled at Howard Payne in 1937. She has been a member of the Panhandle Plains Club, Sponsor of Life Service Band and secretary of the Junior Class. She was a beauty nominee and was also elected as Senior Favorite. She was a member of Alpha Chi, national honor society, director of the College department in

B. T. U. work and for the past two years has been assistant to the Dean of Women. She will receive a B. A. degree this month as an English major with a Bible minor. She is the daughter of Mr. and Mrs. Lee Curry of Summerfield. On April 21 she was married to O. T. Morse and after her graduation she will live in Brownwood.

Billie Stoker, an English major, has done all her college work at Texas Christian University. She attended Hereford High School her sophomore year and graduated from Pomona, Calif. high school. She has been a member of the Forgetter's freshmen club, was president of the Leti Club, sophomore organization; member of the Women's Sports Association and manager of the Archery Club in '38. She also won a letter in archery. She has been a member of the Anglia Club, English organization; Sigma Tau Delta, national English fraternity; and the Poetry Club. She was a creative writer on the Horned Frog Staff and a member of the Home Economics Club in '38. For two years she has been on the honor roll listings. Her parents are Mr. and Mrs. J. B. Stoker who plan a trip to California, with her this summer. Miss Stoker plans to teach in the fall.

Elizabeth Ireland, daughter of Mr. and Mrs. E. S. Ireland, attended Texas Tech at Lubbock during her freshman year. For the past three years she has attended Trinity University, Wax-

ahachie, distinguishing herself in musical activities. Her major is public school music and her minor, education. She has been a member of the famous Trinity Choir for three years and has made several trips both in and out of the state with the Choir. She has been active in Y. W. C. A. work, has been a member of Delta Kappa Phi, honor sorority, and was elected this year as one of the Senior Favorites. She was also elected into the Chrononathanoletron Club, which is made up of those girls on the campus who have been nominated campus favorites. She is senior representative to the Drahe Hall Council. Miss Ireland plans to teach in the fall.

Berry O. Jacobsen is an honor student in mechanical engineering at Texas Tech. He is a member of Tau Beta Pi, Engineering Scholarship Society and of American Society of Mechanical Engineers. He plans to be in Hereford for a while after graduation. He is the son of Mr. and Mrs. John Jacobsen.

Avis Matthews will receive a B. S. degree from Hardin-Simmons University in June. She has majored in Elementary Education and minored in English, and has done practice teaching in the Abilene Public Schools. She was elected secretary of the Future Teachers Club this year and is a member of the University Choral Club. She has taken active part in the religious

Firemen Will Present Play Friday Night

FINAL REHEARSALS FOR HOME TALENT PLAY IS SLATED TONIGHT

With the final rehearsal being held tonight, "Mystery at Midnight," the Firemen's benefit show, is ready to be staged tomorrow night, Friday, June 2.

Desiring to co-operate with the Lions Club, Firemen Softball team in the exciting game scheduled for Thursday, tonight, the committee and director have decided to present "Mystery at Midnight" one night only.

The scene for the play is a deserted farm house miles from the nearest city. It is late at night and a fierce storm is raging. A bus has been wrecked, perhaps purposely, but then again the pavement was slick—the glare of headlights. It might have happened to anyone. And then things do begin to happen.

J. H. Trimble plays the part of the bus driver, you suspect him from the first. Tom Foster, one of the passengers on the bus, a deliberate individual, too sure of himself, and has no use for detectives, so he says, is well portrayed by Judge Major Schroeter. The love interests are carried by Barbara Brotherton and Jerry Jowell, as the pretty Bonnie Baker and straight-thinking Ralph Norris. They have been secretly married and are running away. Running away from what?

Detective Briggs, the rough, hard-boiled state policeman, who fumbles most of his opportunities and instead of helping to solve the mystery, usually manages to get in the way, is ably carried by Owen Stagner.

Then there is the rich, flighty, self-important Mrs. Holloway, who is very indignant at having to spend a night in such a place. She is accompanied by Sarah, her personal maid, who is not really a negress, but comes from the East Indies and has second sight. When she rolls those almond eyes and talks to the spirits, anything might happen. Mrs. Holloway and Sarah are played respectively by Mrs. Jack Rose and Mrs. Doyle Rose.

Frances Borden has been cast as Sally Grant, not an ounce of brains in her head, however when she finds the Judge has retired she thinks he might not be such a bad catch at that. At any

Modern Dairy Is Installed Here By B. E. Brumley

Installation of a modern, Grade "A" dairy barn was recently completed by Bonnie Brumley, who plans to wholesale Grade "A" raw milk in this section. The barns were this week approved by the state department, and Mr. Brumley states that he will distribute milk to Herb Sindt for this territory. There is also a ready market for Grade "A" milk in Amarillo.

The new dairy barn has a concrete floor throughout the entire building. The milking rooms offer 100 feet of milking space and are equipped to take of 16 cows at a time; new steel stanchions have been installed, and electric milkers are used exclusively.

The cooling room is equipped with special refrigeration machinery and as soon as the cows are milked, the milk is placed in the large cooling spaces. It is brought down from 93 degrees to 40 degrees. A special washing room has also been equipped to maintain sanitation and to comply with State regulations. This department is equipped with motor-driven brushes and is strictly modern.

Mr. Brumley extended an invitation for the public to visit the dairy barns and inspect the new equipment.

MRS. PATTERSON WILL LEAD CHILD STUDY GROUP

Mrs. Elmer Patterson was elected the new president of the Child Study Club of the meeting held Thursday afternoon at the home of Mrs. M. T. Rutter. Other officers chosen were Mrs. J. B. Whitlow, vice-president; Mrs. Cecil Lady, secretary and reporter; Mrs. Gordon Witherspoon, treasurer, and Mrs. W. B. Harris, parliamentarian.

During the business session members voted to extend the Summerfield Child Study Club an invitation to meet with the club at the next meeting.

The program for the afternoon consisted of four discussions, two dealing with disease and two with child problems. The first now being waged against Infantile Paralysis was the subject of a topic discussed by Mrs. Gordon Witherspoon and Mrs. N. W. Cayton answered the question: "What is a Serum Bank."

Mrs. J. B. Whitlow discussed an article taken from Parent's Magazine, on "They Call it Adolescence," and Mrs. Cecil Lady talked on "Why Join a Parent's Group."

Refreshments were served to Mesdames N. W. Cayton, J. B. Whitlow, Chas. Newell, Elmer Patterson, Gordon Witherspoon, M. S. Roe, C. P. Grimes, J. P. Robinson, W. B. Harris, C. R. Lady, Ellis Wilson and the hostesses.

The next meeting will be held with Mrs. Elmer Patterson, on June 8.

COLORADO GUEST HONORED AT SATURDAY PARTY

Naming Mrs. Preston Heath of Denver, Colo., house guest of Mrs. J. W. Witherspoon, as honoree, Mrs. Travis Dameron entertained with an enjoyable bridge party Saturday afternoon.

Mock orange blossoms and American Beauty roses were combined to carry out a lovely color effect. In the dining room the table was centered with an arrangement of the blossoms on a lace dolly. Deep cream candles burned in silver candelabra.

High score award went to Mrs. J. M. Posey in games of bridge. A guest prize was presented to Mrs. Heath.

Those present were Mesdames J. W. Witherspoon, Woodrow Ireland, W. M. Emmons, J. M. Posey, E. B. Hedrick, James Neill, Colby Conkright, E. B. Hicks, George V. Stambaugh, Meade Halle, the honor guest and Miss Virginia Barnett. Tea guests included Mesdames J. T. Gilbreath Jr., Newt Gilliland of Kilgore, A. M. Jones, W. E. Dameron and Miss Frances Dameron. A salad course with punch was served after the games.

SURPRISE STAG DINNER COMPLIMENTS CARL FRYE

To compliment her husband on his birthday, Mrs. Carl Frye entertained Thursday evening with a stag dinner at the Frye country home.

Those enjoying the delightful occasion were A. H. Streu, J. W. Robinson, John McLean, T. W. Roberson, Grant Fuller, Ed East, and the honoree.

Mrs. Frye was assisted by Mrs. Ed East and Mrs. Henard East.

FOR THE MOST WAGON AT THE LEAST COST

Go in your car!

Two can ride as cheaply as one... so can the whole family... when you go in your car!

You are not tied down by time-tables. You drive fast or slow. Make as many stops as you like. Take as many side-trips as you want. See both World's Fairs, and all the sights between, at the cost of a single fare.

Phillips offers 4 things to help you start the trip right and to keep it trouble-free and enjoyable:

1. Phillips new 1939 Road Maps with latest touring information are FREE, yours for the asking at any Phillips 66 station.
2. Phillips Bumper-to-Tail Light Greasing Service puts your car into condition

for the extra miles you'll pile up quickly.

3. Fresh Phillips 66 Motor Oil in the crankcase will take motor-lubrication worries off your mind.

4. Phillips 66 Poly Gas, which costs nothing extra, gives you extra zip and zing. Delivers the added power units of the scientific POLYMERIZATION process. Offers higher volatility (high test), which is the most accurately matched to monthly weather.

Remember, Phillips 66 Poly Gas is a different gasoline, and millions of motorists have felt that difference. So try a tankful. See if you, too, don't get greater economy and more motoring pleasure with this sensational, self-demonstrating gasoline.

FACTS FAVOR FORD

1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range — and the 60-horsepower engine is even more economical.

2 The structural strength of the Ford car — frame, bracing, axles, body — makes not only for safety, but durability and long life.

3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight.

4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway.

These four points — power, strength, safety, comfort — are by far the most important essentials in any motor car. They form the basic value of your investment.

With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring.

You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see — quality of materials, precision of manufacture, fundamental engineering.

DAREN'T START DRY

EVEN if this is the camel that holds all records for going without more drink, how long could he last if he had to start dry? Your car and your engine oil can't last either if you keep starting dry this Summer. But how can you help it?

You can't... not with any of these oils that are always in a rush to drain down to the crankcase completely.

You certainly can help it though, by getting your engine OIL-PLATED.

NEVER all down in the crankcase, no matter how long or how often you park your car, OIL-PLATING is lastingly close-knit to every inner engine surface by the action of Conoco Germ Processed oil. Patented Germ Processing creates the strong "power of attraction" that fastens non-detachable OIL-PLATING throughout your engine. Does chrome-plating drain down at a standstill? Neither does OIL-PLATING. Therefore actually in advance of starting, OIL-PLATING is ready to slide every working part into easy motion, without rasping dryness. And since OIL-PLATING doesn't fly off or fry up it helps your engine to shatter the record for going without more oil. Group Of Hostesses Compliment Miss Lueta Borden With Shower Thursday

A group of hostesses entertained with a lovely tea and shower Thursday afternoon, complimenting Miss Lueta Borden, who is scheduled to become the bride of Hal Kester of Denver, Colo., June 4. Hostesses included Mesdames Carl Mounitz, I. O. Crosthwait, C. C. Acker, C. A. Skelton, C. C. Ferguson, C. R. Barber, R. P. Coneway, F. H. Oberthier, C. H. Dyar, B. M. Wiltshire, S. P. Rosson, A. O. Thompson and Colby Conkright.

The enjoyable affair was given at the Rosson home, where a profusion of spring flowers was used in decoration. A mound of vari-colored iris adorned the center of the dining table which was laid with a normandy lace cloth.

In the receiving line were Mrs. F. M. Kester, mother of the groom-elect; Mrs. L. F. Borden, mother of the bride-elect; Mrs. O. H. Culpepper, sister of the groom-elect; Miss Frances Borden, sister of the bride-elect; Mrs. Rosson and Miss Borden.

Others in the house party besides the hostesses were Mrs. Lynn Kester, Mrs. E. Y. Crosthwait and Mrs. Ellis Coombes.

During the afternoon music was furnished by Mrs. Coombes at the piano and Mrs. B. M. Wiltshire and Mrs. Carl Mounitz, who entertained with vocal selections.

Gifts for the shower which were attractively displayed about

the rooms, included a beautiful array of pottery, china, pyrex, silver, crystal and linen.

Refreshments carried out the bridal theme with ice cream squares centered with pink hearts and individual cakes with white frosting decorated with pink and orchid sweet peas.

Invitations included approximately 150 guests.

HARDY SPRING BLOOMING PERENNIALS ARE LISTED AT GARDEN CLUB MEETING

Delightful examples of home landscaping with perennials, formed the basis for discussions on "Hardy Spring Blooming Perennials" at the Garden Club meeting held at the home of Mrs. F. M. Kester, Friday afternoon.

Mrs. Homer Brumley presided. Members answered roll call with names of wild flowers now in bloom. Mrs. F. H. Oberthier who has recently returned from New York, told of the beautiful wild flowers in that state, and Mrs. H. L. Broadwell, recently returned from an East Texas trip told of Texas wild flowers now in bloom, mentioning especially the brilliant blossomed standing cypress.

Mrs. N. E. Gass told how to prepare the soil for growing perennials, stressing the need to spade the ground 3 feet deep with a layer of drainage at the bottom, filled in with humus mixed soil.

Mrs. C. H. Dyar said to plant delphinium in August when the seed is freshest and baby breath in the spring. Fall is the ideal time for planting phlox she said.

Mrs. A. O. Thompson said the columbine is both showy and beautiful as well as hardy, delighting in moist soil and partial shade. She said that the oriental poppy should be transplanted in July or August.

The Lupine, Baptisea and perennial pea are all in the same family said Mrs. F. M. Kester, but to have success they must be planted at the proper time, which is in the fall.

Mrs. Homer Brumley advocated planting pentstemon here because of its hardiness. This new plant has a profusion of blossoms ranging from pink to crimson with gray, green foliage and is splendid for cutting, she pointed out. She also stated that perennial flax is ideal for this area and that the hollyhock is valuable in landscaping to hide unsightly places.

Members attending the meeting were Mesdames Ralph White, A. O. Thompson, Earl Springer, N. E. Gass, E. Ramey, J. F. Slaton, F. H. Oberthier, Clara Nance, C. H. Dyar, W. A. Dobbins, Homer Brumley, W. O. Laurence, Mrs. Hamilton, a guest, and the hostess.

LUTIE FOX CIRCLE TO MEET FRIDAY

Lutie Fox Circle of the Woman's Missionary Society of the Methodist Church will meet at the home of Mrs. W. M. Emmons Friday afternoon at 3:30 o'clock.

Farm Program

(Continued from Page 1, Sec. 2)

avored the mandatory loan features of the act. True, the bill as it passed the House contained a loan feature, but simply a discretionary one in order that complete price collapse, such as might have happened under the

tremendous cotton production of 1937, could be prevented. It had no mandatory features, either as to the making or as to the amount of the loans. These were inserted after the measure left the House.

I feel that these mandatory features should be changed. The World markets are important to us, and our program for the future should be so modified as to permit our commodities to flow freely into those markets.

I feel also that, as to wheat and cotton, at least, the benefit payments should be based on the lease of a definite percentage of the tilled acreage of each farm and conditioned on soil-building crops and practices on such leased lands. This would simplify the program and enable payments to be made more promptly.

The question of marketing quotas is the controversial part of the measure. Many of us hoped that these would be rarely used. They are invoked in reference to any commodity only when two-thirds of the farmers producing that commodity ask by their vote that the quotas be established. If quotas are to be used under any circumstances, I know of no wiser way than to allow the producers themselves to determine the matter.

For the current year, cotton farmers voted for quota provisions. The tobacco and rice farmers voted against provisions. It must be remembered that the cotton program is complicated by the six million bales over production of 1937. Any program, any plan that may be offered must deal with this tremendous carryover.

These quotas should never be formed on a scarcity basis. We should always produce all that the market will absorb both at home and abroad.

The farm problem is the primary outgrowth of tariff and other group legislation. Had there been no tariffs, no trade barriers, no trusts, no monopolies and no group legislation, there would have been little need for special farm legislation.

But for a hundred years these interests have been fighting for and securing legislation favoring their particular groups.

Everyone recognizes that, behind the tariff wall, the prices of industrial products have been greatly increased. The most ardent protectionist will not claim that the cotton farmer gets any advantages from the tariff. He is burdened with all of the disadvantages of that system.

Personally, I do not believe in the high protective tariff system. I believe in the principles of Thomas Jefferson. However, in a fight that has lasted more than a hundred years, the tariff schedules have grown higher and higher, until our economic system has become lopsided.

So long as we have a tariff system, the cotton farmer is entitled to an offset to the tariff. For this reason the benefit payments do not constitute a subsidy. They are merely restitution.

An interesting sidelight is the fact that since the adoption of the farm program there has been more discussion about removing the inequities of the high tariff system than in many generations heretofore.

Many people make the mistake of comparing farm prices now with those which prevailed in the 20's. In those years we were lending billions to foreign countries for the purpose of sustaining a market for the products of this country. We were living in a fool's paradise while we were headed for the deluge. A man running a grocery store could do a great business so long as he financed all of his customers in the making of their purchases. But ultimately pay-day arrives.

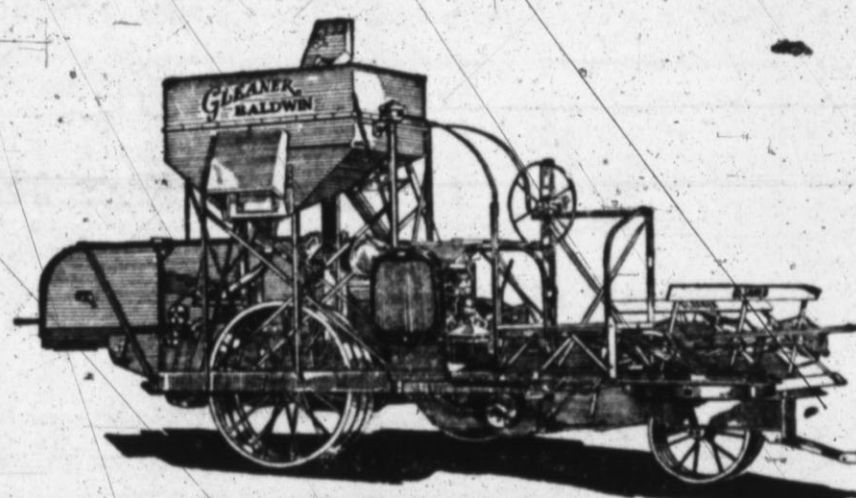

Pay-day arrived in the fall of 1929.

Comparison should be made between the prices of 1932 and prices today. In 1937 we produced the greatest cotton crop in history. We produced the greatest wheat crop since 1915. In 1932, with a smaller cotton crop than in 1937, cotton sold at 4 and 5c per pound. In 1932, with a smaller wheat crop than in 1937, wheat sold at 20 cents per bushel.

I do not believe that the solution of this age-old problem can be achieved or even materially contributed to, by extreme attacks and bitter personalities of by dogmatic statements. It certainly cannot be solved by approaching simply one phase of a many-sided problem. It involves credits, markets, freight rates, research, new uses, soil and water conservation and the disadvantages of a tariff system.

I am sure that if all those who have a simple heart interest in the success of the greatest of all American businesses, American agriculture, will be more tolerant and, realizing the magnitude of the problem, substitute helpful suggestions for extreme statements, much more progress will be made.

Mr. and Mrs. Archie Dougherty and children of Broadview, N. M., spent the week-end with her parents, Mr. and Mrs. Ira Ricketts.

Mr. and Mrs. Lewis Harvey and sons, spent Saturday at Happy, with her mother, Mrs. J. J. Bauer. A good crowd attended the play "Hero Is As Hero Does," at the school house, Friday night.

Bobbie Fairweather (played by Glenn Ricketts), an adolescent who wishes to impress his sister Helen's (Eunice Caldwell) friend Chloe Converse (Ira Jeanne Ricketts), who treats him as a child, convinces his friend Bill (Howard Higgins), who is in love with Helen, to play the part of a burglar while he acts as the hero. Monty (Noel Higgins) an older young man who has a way with the women, appoints himself as their stage manager. Mr. and Mrs. Fairweather (Calvin and Norma Lea Edwards) cannot understand their son's romantic notions and Cousin Cecily (Mrs. David Boyer), who talks baby talk, imagines herself in love with all men, especially the sentimental burglar (Bill Bowman), who happens on the scene to spoil Bobbie's hero act. When four burglars start prowling it is difficult to distinguish the real burglar from the make-believe ones. Hank the sheriff (Garland Higgins), appears on the scene but because of wasting his shots the real burglar must needs be bluffed with a toy gun by Bobbie, who proves to be a real hero — but Bobbie decides he wants to be a rough guy instead of a romantic figure. Pearl Edwards acted the part of the Fairweather's maid.

Miss Doris Jo Hodges of Hereford, spent Friday night and Saturday with her grandparents, Mr. and Mrs. C. P. Caldwell.

Mr. and Mrs. Ray Hershey and Mr. and Mrs. Horace Hershey and sons of Springfield, Colo., arrived Saturday for a few days visit in his parents' home. Mr. and Mrs. Ray Hershey, Sammy and Joe remained for an indefinite stay with their grandparents.

Eggs Lauded As Valuable Food In All Diets

With bright prospects for a plentiful supply of eggs and poultry in Texas, these foods are coming in for extra attention as regular additions to the diet, says Miss Sadie Lee Oliver, County Home Demonstration Agent.

Eggs are richer than most foods in some of the minerals and vitamins the body needs. Since much of the mineral and vitamin content is concentrated in the yolk, this part is especially valuable. That is why it is one of the first foods added to the baby's milk diet.

Eggs are particularly valued for their iron, vitamin A and for their protein, which is in a readily available form. They are also rich in phosphorus and are a good source of calcium. Besides vitamin A, eggs are an excellent source of vitamins G and E, and the yolks are one of the relatively few good natural sources of vitamin D.

Nutrition workers consider eggs one of the better foods to help promote growth in children. The Texas Food Standard, prepared by Extension Service nutritionists, at A. & M. College, specifies an egg a day for children, and adults also need to eat a minimum of four or five every week.

Slow cooking at a low, even heat is the secret of success for all egg dishes.

"Eggs at Any Meal" leaflet No. 39 has been distributed by the office of the CHDA. Dawn Home Demonstration Club asked for it first.

The Adrian High School held its annual graduation exercises at the high school auditorium, Wednesday evening, May 24. After the invocation and an assembly song, Supt. Syms introduced the speaker of the evening, Dr. A. M. Meyer of West Texas State College. Diplomas were presented to Clifford Chapman, Lonella Fortenberry, Roselee Morris and Mozelle Phillips.

Seventh grade graduation was conducted Friday morning, with Mr. Hammitt in charge. The class prophecy was read by Guyeth Bogle; the class will by Frances Lemke; the class history by Robert Chapman; the class poem by Louis Fleshute; a duet was sung by Vera Carlson and Josephine Barnett. Diplomas were then presented to the class members by Supt. Syms.

Eighteen awards for perfect attendance were presented. To Lonella Fortenberry, Sarah Calhoun, Jean Spande, Clyde Phillips, Robert Chapman, Wayne Thomas, Nancy Levi, Roy Fortenberry, Grady Shaggs, Geneva Youngblood and Robert Lee Jacobson.

The annual award for best school citizenship was presented to Miss Lonella Fortenberry.

After the exercises the children, their parents and teachers went to the Painted Rocks for a picnic dinner. They enjoyed climbing the canyon and wading in the creek until time to return on the school buses.

Mr. J. C. Baker left after the picnic for Memphis, where he was married Sunday to Miss Mildred Lindsey of that city. The couple will make their summer home in Austin, then return to Adrian where Mr. Baker will continue his work as English teacher, and Mrs. Baker will teach grades three and four.

Mr. Hammitt went to his home in Quay. He stopped by Memphis for the Baker-Lindsey wedding.

The Syms family will remain in Adrian for the first part of the summer.

The Bridge Club met Thursday afternoon at the home of

Snake's Fast Broken by Zoo Keepers

Strangler, a 15-foot anaconda snake, who started to fast upon his arrival at the Philadelphia zoo last August, was finally forced to eat despite himself. Roger Conant, zoo curator, used a ram rod through the snake's open mouth, pushing food through a tube in its throat. It took 10 men to hold Strangler during the forcible feeding process. Rabbit meat was served.

Mrs. O. G. Calhoun. After games, lovely refreshments were served to Mrs. Youngblood, Skaggs, Levi, McAdoo, Creitz, Howard, Speed, Tolbert, Davis, Jas. Mohon, Adrian, Mohon, Monahan.

High score went to Mrs. Tolbert, low to Mrs. Youngblood, and traveling prize to Mrs. Howard.

Wednesday afternoon a lovely tea was given at the home of Mrs. E. C. Chapman, by the ladies of the P-T-A, honoring the girl graduates and their mothers.

A program of piano numbers by Mrs. McAdoo was given; also a reading by Mrs. E. L. Brown, and songs by the high school girls. Mrs. Levi and Miss Sarah Calhoun assisted at the tea table. Some 30 ladies called during the tea hour.

Henry Creitz was brought home from the Amarillo hospital Monday, May 22. He is recuperating rapidly.

WE ARE READY FOR

Harvest

Harvest time is almost here . . . and we are ready to handle your wheat more efficiently than ever before. Our elevators and equipment have been completely overhauled in preparation for the coming season. We have recently installed modern scales in the old Great West Elevator, which we purchased this spring. Bring us your wheat this season.

TWO ELEVATORS

In addition to our Milling Business, we have also gone into the Elevator Business on a large scale. Our two elevators offer you ample storage — and will be manned with crews of men to give you the best service possible. We are more anxious than ever to get your wheat this season and as in past years, will pay top market prices at all times. In the past the Elevator business has been a sideline with us, but this year we expect to push this division of our business more than ever before.

FREEDOM FOR COOKS

WON BY NEW SELF-TIMING GAS RANGES

YOU'LL agree that these amazing Gas Ranges almost "do the cooking by themselves." They're so far ahead of ordinary ranges—there's no comparison! All sorts of marvelous modern improvements make the cook's job easy. Heat control . . . simmer burners . . . smokeless broilers . . . non-rust, easy-to-clean burners.

The new Gas Ranges are even faster, too! And they're so smart and handsome they dress up any kitchen.

Visit your dealer and see the many new models. He will be glad to explain all the new features. You'll enjoy looking around even if you don't want to buy now!

"Canning Tips" Are Heard By Westway Women

"Canning is not luck; canning is sterilizing," quoted Miss Sadie Lee Oliver at the Home Demonstration Club meeting which was held last Thursday, May 25, at the home of Mrs. Moody Steph-

an. "Use a stainless steel knife for cutting and a wooden spoon for stirring in canning to prevent objectionable flavors and colors," further continued Miss Oliver.

An illustrative lesson showed the value of different foods to the body. One illustration showed the cross section of a grain of wheat, others showed the importance of calcium, protein, phosphorus, and iron in the body, and of the vitamins A, B, C, D and G. These illustrations showed how growth may be controlled by diet, showed how the different vitamins were of value to the body and gave the foods in which each could be found.

During the business session members voted to recommend that gardens and orchards be included in Soil Conserving Crpps. Roll call was answered by each member stating the number of containers needed to furnish her family with an adequate supply of canned vegetables for a year. Figures show that 430 containers of vegetables are needed each year for a family of five persons.

Members present at the meeting were Mesdames E. B. Osburn, E. H. Little, Merlin Kaul, Bill Rice, R. L. Wilson, G. C. Hartman, Al Werner, P. B. Soffell, Paul Rudd, Jim Dale, Miss Oliver and the hostess. Mrs. Marion Clark and Mrs. M. C. Callahan were visitors. The next meeting will be held

Four old Judge Rollins, elderly dignified, the victim of circumstances, but then after all, why did you carry \$10,000 in cash in that little black bag. No you will not recognize Alex Petersen in this role.

Not to forget Professor Rockbottom, a noted archeologist, but very absent minded. He can't remember from one minute to the next what he is doing or what is happening. Marlin Killiland does one of the cleverest bits or acting in his long career in amateur theatricals. There is one person who does not forget about the Professor and that is Elvira Nosegay, a spinster about 40, but wishes she were 20 and anxiously on the outlook for a husband. Look out, professor, or you may wind up with a wife. Can it be? Yes, it is Bernadine Phillips.

Then there is the man of Mystery and "Pete" Murchison whose affairs are so intermingled. What is he doing around the place, anyway? Surely he is the guilty one, or is he?

In addition there are a number of featured choruses, the Bats, the Policeman and the Nurses. In their gay uniforms they add much with their bits of song and dance.

The chorus girls are Dorothy Nelle Trimble, Lois Standifer, Margaret Miller, Mary Jane Morgan, Virgie Lee Sparks and Nona Dean Rose. Mrs. Ellis Coombes does the work at the piano in her usual capable manner.

"Mystery at Midnight" is being presented as a benefit for the Hereford Fire Department. You will want to see it. Tickets may be secured from any of the Fire Boys, at Close Drug Store, or from John Patton Insurance office. The doors will be open at 7:30.

William F. McLean, son of Mr. and Mrs. John McLean, will receive a B. A. degree at the University of Texas in June. He has been a member of Phi Eta Sigma, honor freshman fraternity for men, Alpha Epsilon Delta, honorary pre-medical fraternity, was secretary of that organization his junior year and president this year. Member of Tejas Club, fellowship club for professional men, and made Phi Beta Kappa his senior year. He has been laboratory assistant in Zoology for the past two years. He has also been active in Y. M. C. A. work. He will be employed in Hereford this summer and plans to enter medical school at Galveston in the fall.

Mary Elizabeth is guardian of the local Camp Fire Girls organization and has demonstrated commendable ability and interest in youth movements.

Imogene Roberson who is the daughter of Mr. and Mrs. Jack Roberson will graduate from Wayland Junior College at Plainview. Her major has been religious education with future plans to attend Baptist Seminary at Ft. Worth. She has taken active part in the religious activities of the school, having been treasurer of the B. S. U. council, and has done Y. W. A. work. She was on the College basketball team last year and was extension chairman for the Volunteer Band. She has been employed as a teacher in the Ford school for the coming year.

Mary Elizabeth Stanford received her degree in clothing and textiles at Texas Tech in 1937. She returned to the Technological College last fall to complete the requirements for a vocational major in Home Economics. To meet those requirements she has stayed in the Home Management House where students have all the responsibilities of a home, including the care of a baby. She has also done student teaching and has supervised an N. Y. A. project for girls in Lubbock. She is the daughter of Mr. and Mrs. W. J. Stanford and expects to be at her home here for the summer, but will teach in the fall.

To Serve You Better...

We Will Have Our New 185,000 Bushel Concrete Elevator Ready By June 20th!

We are glad to announce that construction of our New Concrete Elevator is advancing rapidly — and that it will be completed not later than June 25th. We are looking for a big harvest season this year, and we want to be in a position to serve you better than ever before. Down through the years we have operated this elevator with your interest and your welfare at heart. As times changed and equipment improved, we have zealously watched these improvements and have added pieces of equipment with which to give you better service. Our new Concrete Elevator climaxes these improvements — and we believe it will be one of the most modern and most complete to be found on the entire Panhandle Plains. In addition, it will feature a 40-foot Kewanee dump, which will lift six-wheel trailers with the ease that ordinary dumps handle a pick-up; likewise, it will handle a pick-up with equal ease. This is the only dump of its type in any Country Elevator in the United States — and is of the very latest type available. This new dump will improve service and handling of your wheat.

WHEAT HARVEST

WILL SOON BE HERE!

It is possible that we may not have the new elevator in operation when the first load of wheat comes into Hereford (although we expect it to be ready by then) — but we still have the same facilities offered in past years. Our old elevator is strictly modern and has a storage capacity 55,000 bushels; last year we installed new scales and improved our unloading devices. Just in case the New Elevator is not complete when harvest first begins, we will be ready to give you the same service and personal attention as in past years. We want your wheat. Remember our policy of Top Prices and Fair Treatment at all times.
