Presbyterian Bible School Well Attended

A score or more of children met Monday morning at 8 o'clock for the opening meeting of the Presbyterian Vacation Bible school which is held annually during the first weeks of the summer.

The Bible school will continue through this week and next until Friday night, June 16, when diplomas and awards will be given those who attended in a closing program open to the public, Rev. Aiken said.

Classes meet from 8 until 11 o'clock every morning. The purpose of the Vacation Bible school is to acquaint more thoroughly the children with the Bible. It concentrates upon the work that cannot be covered in the regular Sunday School. During the morning, there is a period devoted to Bible memory work, craft work in which useful articles are made by the children, and subjects of similar nature.

Assisting Rev. Aiken in conducting the school are: Mrs. Clay Ridgeway assisted by Miss Vivian Olson who have the beginners, Mrs. Lee Conklin who has charge of the juniors, Mrs. Preston Walker and Miss Elsie Wilkens who have the intermediate group. An attendance of around 30 children is expected.

The Bugs Will Get You If You Don't Watch Out

By T. C. RICHARDSON, Secretary Breeder-Feeder Association

All insects are not bugs, strictly speaking, but we can't be too technical in a few words. When we use the short and ugly term "bug" every farmer knows we are talking about one of his most persistent enemies, though it may appear in many forms and under a variety of names.

Just at this season the cotton flea hopper is a timely subject. It is one of the most destructive and most widely distributed cotton pest in the Southwest, and yet is one of the least understood, most difficult to find, and therefore often robs the grower of the early part of his crop before the presence of the pest is recognized. Farmers cannot have a trained entomologist at beck and call, but they can learn for themselves to recognize the presence of the pest and when to apply control measures.

No way has been found by which to forecast with certainty whether flea hoppers will cause damage or when. When they do occur in damaging numbers they may be numerous in one part of the field and absent or scarce a few yards away. They winter in the egg stage and hatch out on weeds. As soon as wings develop they can migrate to cotton, which seems to be their favorite summer host plant. Both the winged or adult, and the nymph, or young, insects suck at the embryo buds and cause them to drop off, thus destroying the early "set" before it reaches the "square" or boll stage.

The nymphs are tiny active light green or yellowish insects; the adults look like pale, greenish white flies about one-eighth inch long. Dr. F. L. Thomas of the Texas Experiment Station tells us that both nymph and adults are usually to be found on horse-mint in bloom or the little lowgrowing yellow primrose in spring. Shake the weed on some clean surface and the flea hoppers, if present, can be readily distinguished from other small insects. After learning what to look for, anyone can identify the flea hoppers on the cotton.

Look for the adults on the upper surface of the foliage. Look for the nymphs in the terminal buds, by carefully opening the bud cluster with thumb and finger. The nymph if present, will show activity when disturbed. If twenty or thirty hoppers are found to the hundred plants it is time to get busy with dusting sulphur. Examinations should be made in different parts of the field, and at least every week until the crop is safe.

When cotton has six to eight true leaves (not counting the two which first "come up") it normally begins to form fruiting buds, and should set a new bud for every branch. If buds are not "setting" where they should be, or are falling off before developing into "squares" it is a pretty safe guess that flea hoppers are responsible, whether the grower can find the insect or not.

This is the stage (when the cotton has about six true leaves) when the grower must begin to watch his crop for insects, and the date may vary considerably in the same community or even on the same farm if there are different plantings.

By this time, also the boll weevils which have survived the winter may be coming out of hibernation into the cotton fields. If weevils are present at the same time flea hoppers are getting in their deadly work a combination dust (one-third calcium arsenate and two-thirds dusting sulphur) should be used killing both insects with one operation. Use a machine which will shoot the dust with considerable force right down through the terminal buds of the cotton plants.

Nutritional Value of Meat

Plan your meals around meat and you are assured of satisfying nourishing meals that all of the family will enjoy. What other food offers as much? Meat satisfies; practically everyone enjoys its flavor; it is easily and thoroughly digested, through some what slower than some other foods; it contains more of the recognized nutritional essentials than any other food and is therefore called one of our "protective foods." The U. S. Department of Agriculture, many state experiment

stations, and The National Live-stock and Meat Board have been doing co-operative research on meat for many years and are responsible for our newer knowledge of meat cookery as well as on nutrition. They point out nine food essentials found in meat:

1. Protein—builds and repairs body tissues.
2. Iron—prevents anemia.
3. Copper—helps body use iron.
4. Phosphorus—builds strong bones and teeth; regulates the body; needed for body processes.
5. Fat—produces heat and energy; carries certain important vitamins.
6. Vitamine A—promotes growth; increases body resistance.
7. Vitamine B. Complex (Thiamin)—stimulates appetite promotes growth; prevents and cures beriberi; is necessary for utilization of carbohydrate.
8. Vitamine B. Complex Riboflavin—promotes growth; protects against certain nervous disorders and liver disturbances.
9. Vitamine B. Complex (Nicotinic Acid)—prevents and cures pellagra.

The dietary habits and conditions which have been so much publicized and condemned are not typical of Southwestern rural diets, and where they exist can be corrected when people understand the dangers in a poor diet and the elements which go to the making of an adequate, health-giving, disease-preventing habit of eating. While the "Three M's" (diet meat, meal and molasses) is not as common as its publicity implies it is too common—like small pox, one case is too many—and is responsible, for scourge of pellagra which still plagues the South.

The Breeder-Feeder movement has enlisted the cooperation of various home economists and

diicians throughout the state in a concentrated effort to touch the subject from many angles. The Safe Diet is being explained and publicized. This diet calls for lean meat at least once a week. Medical science now prevents and even cures pellagra with nicotinic acid, and identified substance in vitamine B complex of G, as some authorities call it, of which meat is an excellent source. If the substance is present in the regular diet, pellagra will not occur.

Dr. Joseph Goldberg of the U. S. Public Health Service laid the foundation for pellagra research and his work today is still used as basis for further study. He once stated that the only way to prevent pellagra is to be sure that the diet included the foods containing the pellagra-preventive factor at all seasons of the year such as lean meat, milk and such vegetables as turnip greens, tomatoes, green peas, spinach and cow peas.

Only by practicing each day the Safe Diet can we insure the family diet against the deficiency diseases. Use of the protective foods liberally, with daily menus containing milk, meat and fruits in variety, and in sufficient quantities to satisfy the bodily requirements of the family is the best insurance against doctor bills. City people dependent upon cash earnings may find it impossible to buy all the elements of a safe diet. Country people can produce them for themselves regardless of what they cost their city neighbors.

SOCIETY.

NEW OFFICERS ARE INSTALLED

New officers were installed at a called meeting held by the Junior Pioneer Club Tuesday night at the home of Mrs. R. R. Wills. Mrs. Wills, retiring president, pinned a flower corsage on Mrs. Urilin Streu, incoming president, signifying a transferring of the duties of office and an unbroken chain of endeavor for the club, as the oath of office was repeated. Each retiring officer presented his succeeding officer with a corsage as duties were explained.

The new officers are: Mrs. Urilin Streu, president; Mrs. Meade Halle, vice-president; Mrs. O. H. Culpepper, recording secretary; Mrs. Jack Telford, corresponding secretary; Mrs. Willis Edelman, treasurer; Mrs. B. Y. Crosthwait, parliamentarian; and Mrs. A. J. Schroeter, reporter.

Committees appointed were: telephone, Mesdames Lynn Kester, S. J. Jones and Frank Hucker; Gifts, Mesdames R. R. Wills, Ralph Roden and Lilburn Ray; Finance, Mesdames Homer Brunley, J. B. Whitlow and Willis Edelman; Federation Junior and Extension Chairman, Mrs. Alton Miller; welfare chairman, Mrs. Elmer Patterson; Chairman Fire Arts committee, Mrs. Troy Carmichael; American Home, Mrs. Elvin Riddling; Citizenship, Mrs. Troy Moore; International Relations, Mrs. Louis Woodford; Education, Miss Edna Daughette.

The Club adjourned for the summer months, members voting to open the fall and winter season with a meeting the first Tuesday in September.

Refreshments were served to Mesdames Urilin Streu, Elmer Patterson, A. J. Schroeter, Meade Halle, Frank Hucker, J. B. Whitlow, Louis Woodford, O. H. Culpepper, Lynn Kester, R. S. Scott, Lilburn Ray, B. Y. Crosthwait, Troy Moore, Homer Brunley, Alton Miller, and the hostesses.

MRS. STANFORD'S PUPILS PLAY Piano pupils of Mrs. W. J. Stanford were presented in recital Saturday afternoon at the Stanford home.

Garden flowers were used about the house in decoration and guests included parents and interested friends.

Varied types of selections made up the program, which opened with an entertaining ensemble number played by Cecelia Guseman, Barbara Burney and Elise Walker, all eight years old.

Others playing were Billie Louise Davis, Phyllis Jean Radovich, Nita Jo Moore and Dorothy Nell Guinn.

After the program an informal reception was held, when pupils assisted with refreshments. Miss Mary Elizabeth Stanford presided at the punch bowl, which, surrounded with baby breath and rosebuds, formed the centerpiece for the decorated table.

JOURNEY SHOWER IS GIVEN MRS. McCLELLAN

On the eve of departure Saturday night for Seattle, Wash., Mrs. Florence McClellan was presented with a journey shower by members of the Win One Class of the Methodist Church, of which she is president. The shower consisted of a number of gift packages to be opened at intervals during the journey to Washington, where she will spend the summer visiting her daughter, Mrs. Myrtle B. Hatfield and children. Mrs. McClellan expects to take several sight-seeing trips in that section before returning to Texas.

BEWARE OF A "SQUIRT GUN" WATER SYSTEM

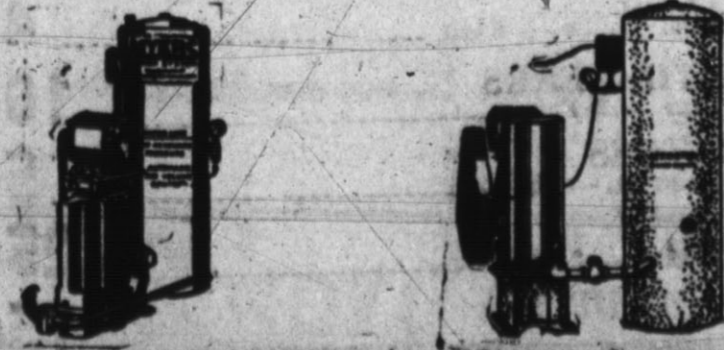

ONE faucet requires from 2 to 3 1/2 gallons of water per minute. When, as frequently happens, TWO or THREE faucets are opened at the same time, the demand per minute is doubled or trebled. Translate this into rate per hour and it is obvious that any water system with a pump capable only of delivering 175 to 185 gallons per hour or less, could not possibly keep up with the demand. One might truly call a water system of such limited capacity a "one faucet" or "squirt gun" system. Would YOU be satisfied with running water service so meagre? If your answer is NO, assure yourself full satisfaction by purchasing a precision built MYERS Water System, designed always with AMPLE CAPACITY to meet the many uses for which it is recommended.

Laundry Loses
 June 5—The McCormick-Deering team finally came out on top of a slugfest with the Laundry, 15 to 14. The winners spotted the Laundry eight runs in the first inning, but they came back to lead by the end of the third inning. The Deering bunch gradually piled up a lead but the Laundry scored twice in the fifth and four times in the seventh to put them within one run of their conquerors.

McCormick-Deering had eleven hits with four doubles, but they were helped by seven walks and nine errors. Clayton, Russell and G. Fuller led the victors with two hits apiece. The Laundry had only ten hits but fifteen McCormick-Deering miscues were very helpful.

K-C Wins 16-7
 June 6—The Knights of Columbus tallied eleven times in the third frame to beat the Merchants 16 to 7. Five K-C players had two hits each to collect thirteen hits in all. The K-C were never worried for with so many runs for themselves they held the Merchants to three runs until the seventh in which inning they allowed four markers to cross the plate. The K-C errored only three times, two of them coming in the last inning.

H. Loerwald pitched his first game for the Knights and allowed nine hits, but he scattered them well.

Hammock led the losers with three hits out of four times to bat. The hits were a double, a triple, and a home run.

K-C Scores 19
 May 31—The Odd Fellows playing their first game of the year were thoroughly whipped by the Knights of Columbus 19 to 7. The K-C scored 15 of their runs in the first three frames from only 7 hits. While tallying for themselves, the K-C managed to hold the IOOF down to two runs for the first four frames and loosened to allow five the last three innings.

The Oddies have a new pitcher by the name of Frank Buck. He went in at the starting of the fourth inning and gave up only two hits, but errors allowed the K-C to gain four runs one inning.

Harold and Gene Loerwald led the K-C with two hits apiece. Sewell had two hits for the Oddies.

Lions Win Thriller
 June 1—The Lions staved off a last inning rally by cutting two Firemen off at second base for the first and third outs of the inning to win 9 to 8. The Firemen had staged a seven run rally in the sixth to put within one run of the Lions but they could not tally in their last chance.

The Lions started by pulling up a large lead when they had a five run rally in the second and scored a couple of more in the fourth. In the meantime they held the Firemen scoreless up to the fifth inning. The Fireboys big inning then came as they counted seven runs from eight clean hits. They knocked Close out of the box and then cleaned up on Willoughby. The Lions were out hit by their opponents 13 to 6.

June 2—The IOOF won their first game when they nosed out the High School 7 to 6. It was the Whitefaces first defeat of the season. The lead was constantly changing hands. The High School took it in the first inning when they held the Odd Fellows scoreless and Schumacher was safe on an error and Fuller brought both himself and Schumacher in with a homer.

The Oddies then gained the lead in the second when Wilson's homer scored three runs to cap a four run rally in that inning. The Whitefaces came back in the fourth, however, to take the lead again. A three run rally featured by doubles by Hales and Estes put them one ahead.

The Odd Fellows then came right back and scored three runs from singles by Johnson, Witherspoon, Roberson, and Sowell. This put them two ahead and they held the lead by stalling a High School rally in the seventh. Frank Vaughn had singled and reached third on an error. Wilkins brought him home and that was all the scoring.

BULL

By Jimmie Gillentine

Conditions are decidedly on an upward trend. No one seems interested in winning the \$2.50 prize for making the closest estimate as to how much wheat will be handled through Hereford, Dawn, Summerfield and Black. June 15, the deadline, is drawing near. Last week I estimated 3,997,545 bushels—and a lot of people are declaring that I am away too high. H. A. Burk was one who says I am too optimistic. However, he turned right around and said he believed the present crop will bring a dollar a bushel. If you want in on this estimating business, you had better do something pretty soon.

It sure would be fine if I was the only one to enter, giving me the prize by default.

I may be too high, but I was sort of basing my estimate on the sudden expansion in the elevator business. These grain boys are in the business—and it looks to me like they have been slipping out and counting the number of heads to the stalk or something. If this thing keeps on we can keep most of the nation's surplus right here in Hereford.

However, I can't blame the folks who won't send in their estimates. Even Secretary Wallace is getting cold feet along this line, according to the following editorial which appeared in the Farmer-Stockman last week:

There will be no marketing quotas for wheat this year. Secretary Wallace has made definite announcement to that effect. He estimates the 1939 supply at 974 million bushels which stands below the 1,021-million bushel quota level set up in the AAA Act of 1938.

The supply of 974 million bushels is made up of 704 million bushels as the estimate of the current crop plus a July 1 carryover of 270 million bushels.

If the 1938 crop does turn out to be 704 million bushels the crop will add little to the carryover a year hence. Total domestic use, waste and disappearance runs close to 675 million bushels. If in the year ahead we can again export 100 million bushels of wheat as we did in the year past, the carryover on July 1, 1940, will hand around 200 million bushels, which will not be excessive.

If, again, we might force the export of 150 million bushels in the year ahead the price of wheat might be developed up to a decent level once more. It is to the interest of the wheat grower and every citizen of the United States to get wheat back to at least \$1 a bushel. At that

price the wheat in a loaf of bread costs only 2 cents. A consumer cannot kick at that and when the farmer gets \$1 a bushel he gets back into the market to buy the things which the consumer of wheat produces.

Fishermen all over the community are fussing because the moss is so thick on the creek this year. They say that fish are feeding on insects caught in the moss—and simply won't bite.

Members of the Garden Club are asking co-operation in a general beautification movement for the community. These fine ladies are no little upset because of damage to trees, shrubs and flowers by passers-by, who thoughtlessly pluck a flower, or break a tree limb. The ladies are planning a fall Flower Show, and they are thoroughly interested in yard beautification. Hereford is naturally a town of fine lawns, spacious trees and beautiful flowers—and with a little co-operation, it will be even more beautiful. Let's all pitch in and really help these ladies make their fall show outstanding. If we do, everyone will become so well pleased that the show will become an annual event.

Are people less honest than they were a decade ago? It's a hard question to answer, but lots and lots of old timers say "Yes."

However, it may be that our standards of honesty have changed. Not long ago Jack Wright was telling about when he and Homer Wilson lived in the Garcia Lake camp. It took them three days to haul feed to Hereford and make the return trip. Jack says they left at day-break and usually made Hereford around sun down. Furthermore, he says that they never thought of locking a door. He also said that a traveler was expected to go into their camp, cook his meals, sleep if he wished—and

to leave things like he found them. His story proved both sides of the question. If we returned home now to find that some intruder had taken charge of the house during our absence, we would likely call the sheriff.

Personally, I think that people are just as honest as they ever were in the past. For every notorious outlaw of today, you can name a Jesse James of past years. Times and conditions will change, but human nature remains a lot the same.

Messenger News

(24 miles west, 4 south)
MRS. J. N. MESSENGER

Mr. and Mrs. Franks and daughter from McAllen, are spending a few weeks with their daughter, Mr. and Mrs. Elvin Green and family.

Mr. and Mrs. Ray Coleman visited last week with her parents, Mr. and Mrs. Pinkerton, at Elk City, Okla.

The community received 1-4 to 2 inches of rain Wednesday evening. The wheat prospects in this community seem good.

George Messenger and Mrs. J. N. Messenger were in Clovis on business Friday. Mrs. Messenger also visited her daughter there.

The small son of Elvin Green has been brought home from the hospital.

Tractors are running day and night in this community. Some are summer tilling the ground and others are planting. The row crops that were planted early, after the rain, are being replanted as there was not a good stand.

Plenty of space for eating and drinking is necessary for growing pullets during the summer, says the Packard Milling Company, local distributor of Checkerboard Feeds, because summer is the favorite period of the pullet's life preparatory for the fall egg harvest.

In order to facilitate body development of the pullet, plenty of hopper space is needed, and the mash hoppers from which she eats must be kept filled with reliable mash known for its production of a superior pullet. With sufficient clean water supplied, and four inches of hopper space per bird, or one Purina all-metal feeder for every 20 birds, pullets can eat enough mash for steady, maximum development, this feed merchant recommends.

Packard Milling Company says that Checkerboard mash is a big help toward getting enough feed into the pullets, because it is made of compressed growth producing mash which promotes faster feed intake. As an aid to giving local pullets sufficient mash hopper space this summer, the local Purina distributor is offering Purina all-metal mash hoppers at reduced prices.

SEE THIS NEW GOODRICH TIRE WITH THE SUPER-POWER TREAD

IT BITES!
IT DIGS!
IT PULLS!

SUN-RESISTING RUBBER

START SAVING NOW

Here's the new tire every tractor owner will want. It's the new Goodrich Hi-Cleat Silvertown — the tire with the SUPER-POWER tread. Each cleat is built to cut into the soil like a spade lug. Shoulders are extra high — for added traction. The tread works like a gear with the lugs forming the teeth. As the tire rolls over the ground these "teeth" dig into the soil. Between the rubber lugs the dirt is formed into upright "teeth" meshing with the rubber teeth of the tread.

Wet soil and cover crops are no longer a problem. The cleats of the new Silvertown will bite, dig in, and pull you through in any kind of going.

With the new SUPER-POWER tread you get the last bit of power out of any tractor. You can operate on hillsides, do jobs steel wheels can't handle, save more on fuel.

What's more, Goodrich Silvertowns are built of Sun-Resisting Rubber, a discovery that makes tires last longer. It prevents quick deterioration from constant exposure to sunlight. It's a Goodrich discovery — it's a Goodrich feature.

ACT NOW!

With this new tire you can save enough on fuel and repairs to pay for a new plow, a washing machine, or a cream separator! Why not start to get these big savings now? Let us give you prices on changing over your tractor. We have an easy-payment plan which will give you plenty of time to pay for the tires.

LOOK! SEE THIS NEW FRONT WHEEL "SKID-RING"

You never saw anything like this before! It's the new Goodrich "Skid-Ring" for front wheels. There's a rubber flange on the center of the tire. It cuts through the soil, makes the tractor easy to steer, easy to turn. The new Goodrich "Skid-Ring" lets you turn sharper. It does not cake up with mud. Because of the contour and smooth sidewall, it does not pick up soil and bind at the fork.

Advent of Bride's Month Finds Weddings In Social Spotlight

LUETA BORDEN BECOMES BRIDE OF HAL KESTER

Another early June wedding of interest which took place in Colorado Sunday, June 4, was that of Miss Lueta Borden, daughter of Mr. and Mrs. L. F. Borden, and Hal Kester, son of Mr. and Mrs. F. M. Kester, both of this city.

The service was read by Rev. Warren S. Bainbridge, pastor of the Methodist Church of Glenwood Springs, a close friend of the groom, in one of the world's greatest beauty spots, known as Hanging Lake, in Glenwood Canyon, ten miles from Glenwood Springs, Colo.

The colorful ceremony was performed against a natural background of trees, shrubbery and fern that covered the mountains and canons as far as the eye could see. Nearby was Bridal Veil Falls, which flowed into the lake from the high cliffs above, together with hundreds of tiny streams of water making their way through the moss and vine-covered edge of the bowl.

The couple was accompanied by her brother, C. J. Borden, who made the trip to Colorado with the bride-elect, and his brother, Clifford Kester and Mrs. Kester of Glenwood Springs.

The bride was appropriately dressed in a semi-sport suit of chartreuse linen, with matching hat. Her accessories were black.

After a short wedding trip to points in Colorado, the couple will be at home at 2110 East 17th Avenue, Denver, Colo.

Mr. and Mrs. Kester are both graduates of Hereford High School. Mrs. Kester studied piano and dancing at the College of Music and the Music and Arts Conservatory in Amarillo. She has taught dancing in Hereford, Dimmitt and Friona for the past four or five years.

Mr. Kester received his jeweler apprenticeship in Glenwood Springs and is employed in a jewelry store in Denver.

DINNER PARTY ENTERTAINS CLUB AT J. A. PITMAN HOME

A lovely dinner party followed by bridge games for entertainment was given at the home of Mr. and Mrs. J. A. Pitman on Tuesday evening.

Gay linen covers laid quartet tables in the house and on the wide west porch. Radiance roses in deep crystal bowls were placed here and there about the rooms for the floral accent.

Six special guests and members of the Tuesday Dinner Club made up the party.

Bridge awards in games after the dinner went to C. C. Rockwell guest, and to Mrs. Alton Fraser and H. A. Close for the club.

Special guests were Mr. and Mrs. Jimmie Gillentine, Mr. and Mrs. C. C. Rockwell, A. R. Bateman, Mac Pitman and Mrs. Jon Wayland of Amarillo, who is visiting her son, Jack Wayland and family.

Members present, were Messrs. and Mesdames H. K. Fox, C. C. Acker, H. A. Close, Jack Wayland, Alton Fraser, Mrs. Seth B. Holman, Eloyse Pitman and the hosts.

PICNIC FRIDAY HONORS MISS JONES

A "going away" picnic was given in honor of Miss Thelma Jones Friday evening at the state Park ovens, by friends. Fried chicken comprised the main food at the picnic.

Miss Jones was transferred to the Farm Security Administration office in Dimmitt to serve in the same capacity as she did here.

Friends giving the affair were Miss Evelyn Sachs, Clara Wedel, Paula Gaertner, Gertrude Martin, Dorothy Tilman, Coraue Barton and Mary Tiefel.

MRS. W. J. SMITH CLUB HOSTESS

Mrs. W. J. Smith entertained members of the Pleasure Hour Bridge Club at an afternoon bridge party, Thursday.

Mixed garden flowers with red roses predominating decorated the rooms. Mrs. Boyd London was awarded high score prize, and went to Mrs. Chris Renfro.

Mrs. Ralph Smith was a special guest.

Members playing were Mesdames Roy Jowell, Harry Lomas, R. Dixon, Earl Phillips, Boyd London, Elmo Lawhon, Chris Renfro and the hostess.

Mrs. J. H. Loving of Wellington came here Sunday to be with her sister, Mrs. L. F. Tennison, who is ill.

MISS HOFFMAN BECOMES BRIDE

Miss Lucille Hoffman, daughter of Mr. and Mrs. Joe Hoffman, became the bride of Walter Isabel Monday morning at St. Anthony's Catholic Church, after which a breakfast was held at the Hoffman country home.

The nuptial mass was read by Rev. Father Daley of Borger, with Miss Edna Urbanczyk, organist, playing and accompanying Miss Adeline Koelzer, who sang "O Perfect Love." Miss Urbanczyk also played the wedding marches and was accompanied by the choir sang "The Mass of St. Angela."

The chancel rail of the church was entwined with ferns and greenery. On the main altar white tapers burned and bowls of red roses formed the decorations.

Miss Edna Hoffman, sister of the bride, was her only attendant, and Edward Hoffman, the bride's brother, served as best man.

Miss Hoffman wore a pink net frock trimmed with blue, with puffed sleeves and soft full skirt. She wore a flower bandeau in her hair and carried a bouquet of pink and white carnations.

The bride wore coronation blue net trimmed in pink. Her gown was made with low neckline, full puffed sleeves and long full skirt. Her finger tip veil was held in place with flower clips.

GUESTS PLAY WITH LONDON BRIDGE CLUB

A table of guests played with London Bridge Club members Thursday afternoon, when Mrs. R. R. Wills was hostess at her home on Lawton Avenue.

The Wills home was gay with summer flowers in a variety of colors. Old fashioned pinks and stately larkspur furnished contrasts both in form and color for bowls of wine and red roses.

Special guests included Mesdames James Neill, J. W. Witherspoon, Kellar Muse, Grant Fuller and Newt Gilliland of Kilgore, with guest award going to Mrs. Witherspoon. Club award was presented to Mrs. Ralph Roden.

PLAYLET FEATURES Y. W. A. PROGRAM

An instructive playlet which told the life story of Henrietta Hall Shucks, missionary to China, was an interesting feature of the program when members of the Y. W. A. of the Baptist Church met at the home of Mrs. J. W. Cockrell Monday evening.

Imogene Roberson was in charge of the lesson. Those taking parts in the playlet were: Thornton Shirley, Imogene Roberson, Glennis Cockrell, Dorothy Funderburg and Anna Jo Owen.

During the business meeting plans were discussed for a picnic to be given soon. The next meeting will be held at the home of Thornton Shirley, Monday evening, June 12.

and she carried a white prayer book and rosary. The breakfast, where places were laid for the bridal party, was followed by a dinner at the Hoffman home for relatives and friends. The tiered wedding cake topped by a miniature bride and groom, centered the table.

Monday evening a dance was given at the Catholic School Hall in honor of the couple. Mr. and Mrs. Isabel left Tuesday for Borger, where they plan to live. He is employed with the Phillips Petroleum Company.

Members present were Mesdames N. E. Milburn, Ralph Roden, Sherman Morgan, Ernest Medkief, J. T. Gilbreath Jr., Meade Haile, Nelson McRight, and the hostess.

Recent Bride Is Honored With Shower In Summerfield Community On Friday

Mesdames Ray Johnson and G. Hill were co-hostesses at a delightfully planned shower and tea given at the Baptist Church in Summerfield Friday afternoon, to compliment Mrs. Marvel Opton, a recent bride.

The colors, blue and pink, which were used in the wedding were used in the flowers. The church was decorated with baskets of corn flowers, roses and honeysuckle in mass arrangements. Members of the house party were dressed in floor-length frocks in pastel shades. They wore corsages of sweetheart roses and corn flowers.

In the receiving line were Mesdames Johnson and Hill, the bride and the bride's sister, Mrs. Ross Roye of Springlake.

Other members of the house party, were Mesdames D. C. Walter, H. D. Reed, James Neill, Billie Roberson, Hazel Atchley, B. E. Roberson, Lloyd Lookingbill, Misses Orvella Hill, Wanda Jean Reed, Helen Oglesby, Mary Louise Lookingbill and Shirley Thomas.

As the guests arrived Mrs. Asa Ashley played soft music at the piano, followed by a violin solo played by Mrs. Billie Roberson, with piano accompaniment by Mrs. James Neill. Mary Louise Lookingbill and Mrs. D. C. Walter entertained with appropriate readings; solos on the clarinet and flute were played by Wanda Jean Reed and Orvella Hill. Vocal selections were presented by Mrs. James Neill and Helen Oglesby.

The shower was revealed when Mrs. Reed gave an original toast to a bride and the gifts were displayed in attractive packages, ranged on tables.

Refreshments were served from a lace-covered table, centered by a punch bowl surrounded by pink roses and blue corn flowers. Pale blue mints, cake squares with pink icing and other dainties decorated the table. Mrs. Lloyd Lookingbill presided at the punch bowl, assisted by Mrs. B. E. Roberson.

Miss Shirley Thomas presided at the guest book where more than 100 guests registered.

LITTLE FOX CIRCLE MEETS AT EMMONS HOME

Little Fox Circle of the Women's Missionary Society of the Methodist Church met at the home of Mrs. W. M. Emmons Friday afternoon.

Mrs. O. L. Click was in charge of the program and led the devotional. Reports from the various committees were heard.

Mrs. Emmons discussed "Widening the National Outlook," calling with the co-operation of the church and the government of the vocational departments of the government, and showing the relation between the church and the federal government.

The next meeting will be held at the home of Mrs. Bob Wilson, June 16.

Refreshments were served to Mesdames O. L. Click, Colby Ankrwright, Homer Brumley, B. Wiltshire, Bob Wilson, J. C. Cracken, T. H. Coursey, C. F. Gore and the hostess.

NATURALLY we're proud of our NEW ELEVATOR

BUT...

MORE IMPORTANT THAN

Concret, Wood or Paint

is our reputation for Fair Treatment and Consideration for the Welfare of Our Patrons!

Naturally, we are proud of our big, new elevator — because we feel that we can serve you better and more efficiently. This new structure marks the realization of a Dream of Long Standing... for we feel that farmers of the Hereford area can boast of one of the most modern and efficient elevators in all West Texas. Furthermore, we feel that this is your elevator, because it is your patronage and loyalty which have made it possible. In return, we have always tried to serve you in a manner that was fair to you, and which considered first your welfare. These two factors have always stood first in our association with the farmers of this area, for we consider each patron a personal friend, — and if we had a hundred new elevators, our business would still operate on the Same Old Policy of FAIR TREATMENT and Consideration for the WELFARE OF OUR PATRONS!

SUMMERFIELD Y. W. A. HOLDS GRADUATION AFFAIR

Marking graduation day for the Summerfield "Light of the World" Y. W. A. of the Baptist Church, a picnic was held at Hereford State Park Tuesday for members and their guests.

The organization which has completed work as a junior division will now become affiliated with the Woman's Missionary Society of the Church.

After a picnic dinner the group assembled for a program led by Mrs. D. C. Walsler. The examinations were given by Mrs. B. E. Roberson, Y. W. A. sponsor for the past year. Mrs. Jim Clark led the devotional after which a talk was made by Mrs. A. O. Thompson of Hereford. Mrs. Harry Whitechurch of Hereford, discussed the organizations of the Woman's Missionary Union.

A round table discussion pertaining to the new work followed. The graduation theme was furthered with programs in the form of diplomas tied with red cellophane.

A brief business session was held when new officers were elected. Those chosen were Mrs. D. C. Walsler, chairman; Mrs. W. H. Walsler, co-chairman; Mrs. J. B. Noland, secretary-treasurer; Mrs. Guy Walsler, reporter; Mrs. Jim Clark, program chairman; Miss Gertrude Atchley, pianist, and Mrs. Asa Atchley, song leader.

Guests attending were Mesdames A. O. Thompson, Harry Whitechurch, Arle Tartar, a former member, all of Hereford; Miss Marjorie Caskey of Topeka, Kan., and Mrs. Ky Lawrence and Mrs. Lee Kendall of Sumnerfield.

Members attending were Mesdames J. B. Noland, W. H. Walsler, D. C. Walsler, Cullen Butler, B. E. Roberson and Jim Clark.

PICNIC FOR FOUR

Among the several informal four-somes gotten together to compliment Mr. John Kane of Fayetteville, Ark., who is visiting in the home of Mr. and Mrs. J. H. Miller this week, was a picnic for four at Hereford State Park Tuesday evening. Preparing the supper at the large ovens was enjoyed by Mary Elizabeth Stanford, Dick Barnard, Katherine Miller and John Kane.

GROUP SESSIONS HELD BY AUXILIARY

Members of the Woman's Auxiliary of the Presbyterian Church met in three groups yesterday for regular study programs.

Group 1 met at the home of Mrs. John Olson with Mrs. H. L. Broadwell opening the lesson with the devotional on "Work and Prayer," taken from the book, *Lord Teach Us To Pray*.

For the Bible Study the book of Matthew was used with questions answered by members.

Group 2 met with Mrs. J. E. Gyles with the lesson subject, "The Kingdom of God is at Hand," Mrs. Raymond Cottingham discussed the Four Gospels followed by round table discussions. Mrs. Arthur Rogers read a poem for the devotional.

Group 3 met at the country home of Mrs. Paul Mathers. In this group a series of programs on "The Home," are being conducted and the devotional, led by Mrs. Will S. Kerr, dealt with the Christian home. Statistics of church attendance in relation to the population of Hereford were given by Mrs. Clay Ridgway, in which the fact was brought out that half of the people of Hereford are attending church regularly.

The first chapter of the study book was reviewed by Mrs. James Alken, who asked the question, "Are parents justifiable in compelling children to attend church?"

Discussions on the home were concluded by Mrs. J. T. Gilbreath Jr.

FIDELIS MATRONS MEET AT DAWN

Fidelis Matrons Class of the Dawn Baptist Church, met at the home of Mrs. C. A. Wimberley at Dawn Friday afternoon, with Mrs. Aubrey Wimberley and Mrs. H. E. Miller as assistant hostesses.

The T. E. L. Class of the Baptist Church held its regular monthly social and business meeting at the home of Mrs. R. W. Carlton Thursday afternoon. Mrs. Artis Daniel, president, opened the meeting with the devotional. Mrs. Jack Roberson gave the Scriptural reading. Committee reports were heard and plans discussed for quilting a quilt for the Baptist Orphanage at Waco.

Those attending were Mesdames Artis Daniel, Frank Merritt, J. H. Miller, Jack Roberson, Mark Hanna, W. A. Long, Lee Lambert, Pearl Boyer, Mrs. Hammack and the hostess.

ENDEAVOR GROUP HAS INTERESTING PROGRAM

"Growing Up" was the theme of the program at the Christian Endeavor meeting held at the Christian Church Sunday evening. Clifford Estes was in charge of

the lesson, and Mrs. Ellis Coombes furnished special music.

Glenn Ricketts gave the opening prayer and the Scripture lesson was in the hands of Robert Petersen. Ann Cockrell read a poem, "Growth," and Ira Jeanne Ricketts gave a review of "Daily Devotions."

Miss Frances Borden gave a review of the first chapter of the book, "Issues of Life," by Nelson Wieman, educator at Chicago University. A general discussion of the program theme completed the program.

The group of young people meet regularly at the Christian Church each Sunday evening at 7 o'clock. All young people not affiliated with other church groups are invited to take part in the programs and social hour which follows.

L. Z. OLDHAMS ENTERTAIN

Mr. and Mrs. L. Z. Oldham entertained with a "Forty-Two" party at their home Friday evening.

Red and white roses, sweet peas and baby breath were combined to carry out a color motif. Six tables were arranged for games and refreshments were served to Messrs. and Mesdames R. G. Blue, Ellis Coombes, W. E. Dameron, Carl Cockrell, Cawthon Bryant, Claude Ricketts, Carl Williams, F. M. Kester, Earl Phillips, Rev. and Mrs. H. M. Redford, Mr. and Mrs. W. B. Harris and the hosts.

At the evening worship the subject will be "Pearl Seekers." Everyone is cordially invited to attend these services.

BAPTIST CHURCH NEWS
The pastor and his family are home again and he will preach at the usual times next Sunday, except the evening services begin with BTU at 7:15, and preaching

at 8:15. These changes are made due to the length of the day. Attendance was better at Sunday School, 333 present, and also at the preaching hours. There were two additions at the morning hour.

Our Vacation Bible School started off well. There were 124 Monday morning and up to the present, 145 have enrolled. We hope that every boy and girl between the ages of 4 and 17 who is not in some other Vacation Bible School will enroll and study with us these two weeks.

Let's make next Sunday a great day for the Lord. We invite all who will to worship with us.

Horse Sense In The TIRE BUSINESS

In the Next Thirty Days many Truck and Pick-up Tires will be Sold in this Territory! Most every hauling vehicle will be overloaded, old tires will go and a good many new ones will fail, and owners will wonder why. To them, we want to say this: "Like any other commodity, you get only the tire you pay for. Don't expect an off-brand tire at a special price to give the service of a standard brand at the standard price. Likewise, beware of the standard tire at special prices — it may be a second, third or fourth grade represented to be a first."

That you may buy FIRESTONE TIRES intelligently and above board, we want you to become familiar with our grades and prices. Reliable Tires cannot be bought for less. Here they are:

| Truck Sizes | | | | Pick-up Sizes (Cont'd.) | | |
|----------------------------|------------|------------|--------|----------------------------|------------|--------|
| | High Speed | Standard | Convoy | Champion | High Speed | Convoy |
| 6.50-20, 6-ply | 29.95 | 26.95 | 22.45 | 6.50-16, 6-ply, Car Type | 22.80 | 20.50 |
| 7.00-20, 8-ply | 38.95 | 35.05 | 29.20 | 6.50-16, 6-ply, Truck Type | | 25.75 |
| 7.50-20, 8-ply | 48.75 | 43.90 | 36.55 | 7.00-15, 6-ply, Car Type | 25.20 | 22.70 |
| 32x6, 8-ply | 37.60 | 33.85 | 28.20 | 7.00-15, 6-ply, Truck Type | | 30.20 |
| 32x6, 10-ply | 50.60 | 45.55 | 37.95 | 7.50-16, 6-ply, Car Type | | 32.80 |
| Pick-up Sizes | | | | 7.50-16, 6-ply, Truck Type | | 38.45 |
| | Champion | High Speed | Convoy | 7.50-16, 8-ply, Truck Type | | 42.40 |
| 6.00-16, 4-ply, Car Type | 15.95 | 14.35 | 11.95 | 6.00-17, 6-ply, Truck Type | | 21.75 |
| 6.00-16, 6-ply, Car Type | 19.00 | 17.10 | | 7.00-17, 6-ply, Truck Type | | 31.85 |
| 6.00-16, 6-ply, Truck Type | | 22.30 | | 7.00-17, 8-ply, Truck Type | | 35.90 |

Note the Difference between Passenger Car and Truck Types. A Passenger car tire should never be mounted on a Pick-up in this territory. Buy the right tire for the job. Consult the following reliable FIRESTONE dealers as to the proper size and carrying capacity for your individual problem . . . follow their advice and get your hauling done promptly, easily and economically.

SOCIETY

JUNIOR SHAKESPEARE CLUB TO BE FORMED

Plans are being made for the organization of a Junior Shakespeare Club in Hereford. Interest in such a club has already been evidenced, and it is hoped that a large class can be enrolled in this national organization. Miss Louise Hamm, a recent

college graduate has been selected as supervisor of the club. Miss Hamm is an English major and is well qualified for the work, having taught in the public schools of Quanah for the past year.

The Club is educational in purpose and is designed to give grade and Junior High School children a combination course in Speech, Dramatics and Story-Telling based on the works of the famous bard. It will be especially beneficial in preparing children for their High School English Studies.

Club membership is opened to children from the third to eighth grades. Twenty lessons will be given throughout the summer and a diploma in Elementary Dramatic Arts will be awarded each pupil who completes the course. A Shakespeare play in simplified form may be given at the close of the course. Meetings will be held in convenient places and a small fee will be charged to cover materials.

The parents of children who are interested may see Miss Hamm at the County Library on Friday or Saturday afternoon, June 9 and 10. Classes will probably start within a week or ten days.

Frequently people ask us why we are building our new 300,000 bushel Storage elevator. There is but one answer: "TO SERVE YOU BETTER." This year we want your wheat more than ever, and we know that the factor of SPEED is essential in handling your wheat. When you lose time during harvest, you lose money. For that reason, we have recently installed large scales to take your big trucks and trailers. In addition to our modern Hydraulic and Overhead Dumps, we will add another fast dump with our new Elevator. We want the best in equipment, because we want to give the Best Service in the entire South Plains. Visit us today. Inspect our modern Elevator System. We are equipped to take care of your wheat this season — and we are anxious to buy as much of it as possible.

Remember...

Since our Elevators and Flour Mill are Home Owned, Operated by Home Labor — for Home Improvement, we ask you to remember that our entire organization is working for the betterment of this territory. Our entire business, farms and homes are right here in this community. We had faith in this territory... and this faith led us to construct our mill and elevators because we felt that this country is bound to grow. We are not merely satisfied with serving you — Serving You Better is Our Aim, and for that reason we have spared nothing in Equipping ourselves to give you the kind of Service you Deserve and Rightfully Demand.
