

Dick Cagle, pastor at the First Baptist Church, wants us to inform all his church members that the time of morning services in the revival meeting which Rev. Odell Jameson opened here last night have been changed from 10:30 o'clock to 10 o'clock. Evening services are still scheduled at 8 o'clock.

Veterans in the north part of Deaf Smith county, and over in Oldham county, will be interested to know that Ralph Smith, the county veterans service officer, is going to Vega each Wednesday and can be contacted about veterans problems at the courthouse there on that day. Ned Bradley, field man from the V. A. sub-regional office in Amarillo, will be in Hereford again on the 19th.

A telegram from Amarillo informs us that Mr. and Mrs. Horace W. Balze are the parents of a 7 pound, 11-and-one-quarter ounce boy, as of 5 p. m. Tuesday. The big event took place at the Northwest Texas Hospital, and Horace obviously didn't lose any time getting to the nearest Western Union office. Cigars are in order.

Post Collier didn't intend to be punny the other day when he described the 1947 spud-goal program as a "hot potato." Committee men Nestor Gass and Paul Mathers, who were standing by, seemed to agree.

IN THE MAILBAG: Ellis Posey, the Chamber of Commerce maestro, brings in a letter from one of Hereford's oldtimers, J.W. Lacey, Santa Fe Agent here from 1905 to 1908. Lacey is out of the railroad business after 56 years, and managing the Cotulla, Texas, Chamber of Commerce. Still interested in Hereford, he sends his regards to old friends here and recalls "When I quit Hereford, some of the business men gave me a gold watch with the following inscription, Hereford's Business Men to their Retiring Agent—J. W. Lacey, Nov. 30, 1908" and I still have it and prize it highly."

Mr. Lacey also asks for The Hereford Brand, and promises to (Continued on Page 8)

## Highway 51 Body Has Delegates in Austin This Week

Delegates from the International Parks Highway Association (Highway 51) are in conference in Austin today with State Highway Engineer Dewitt Greer regarding completion of the highway between Channing and Vega, including construction of a Canadian River bridge at Old Tassosa.

Greer is being asked to suggest procedure for securing completion of the route in Texas. Unpaved gaps in the highway from Vega south to Odessa are being paved or will be contracted soon, and the route from Channing north to Boise City, except for a 12 mile stretch between Boise City and the Texas-Oklahoma line, is paved.

### Nationally Known Speaker to Open Revival Meeting Here

A. N. Trotter, nationally known evangelist, will open a series of revival services at the Hereford Assembly of God Church next Sunday morning, Rev. S. E. Eldridge, local pastor, announced this week.

Trotter, whose home is in Muskogee, Oklahoma, is known nationally as a camp meeting and convention speaker, as well as an evangelist. "He has a very appealing evangelistic teaching method," Rev. Eldridge said, "and we are very fortunate to have a man of his calibre to hold services in Hereford."

The meeting, starting Sunday morning, will continue for two weeks. Services will be held each evening at 7:30 o'clock. Morning services on Sunday will be at 11 a. m.

Besides his work as an evangelist and speaker, Trotter has held pastorates in Boston and St. Louis. For the past several years,

Rev. A. N. Trotter, nationally known evangelist, who will open a two-weeks revival meeting at the Assembly of God Church Sunday.

## Whitfaces Journey to North Plains for Game Tomorrow

### Ask for Bids on Paving of Eight Miles Hiway 51

Bids for the construction of 8.7 miles of hard-surfacing on Highway 51 north from Hereford were asked this week by the Texas State Highway Department.

Bids will be opened at Austin at 9 a. m. on October 22.

Specifications call for construction of 8.8 miles of grading, flexible base, and double asphalt surfacing from a point 2.1 miles north of Hereford north on Highway 51.

Right-of-way for the stretch of highway was recently completed by condemnation proceedings.

Rights-of-way are now being secured on an additional 15 miles of the Highway lying between Hereford and Vega, and the Highway Department has indicated that bids for paving of this remaining section will be let as soon as the right of way is complete.

The Texas Safety Association reminds pedestrians to cross streets and highways at right angles, taking the shortest route possible—the shorter the safer! When you weave through moving traffic, you are weaving your own shroud!

## Four-Day Rains Soak Entire Panhandle During Week-End

The entire Panhandle-Plains region was soaked to the bottom this week by four days of rainfall which broke all records for October moisture and made prospects for winter crops the brightest in years.

Nearly five inches of rain fell in the Hereford area during a four-day period beginning last Friday, and similar totals have been reported from widely separated Panhandle points.

An optimistic but wary Whiteface eleven will journey to Dalhart tomorrow night for their second conference game of the season against the thrice-beaten Dalhart Wolves.

The game will be the first conference tilt of the season for the Dalhart squad, which has lost its last three starts against non-conference opponents.

Game-time will be 8 o'clock at Dalhart's Memorial Stadium. The Whitefaces will be accompanied by the Hereford High School band and a large delegation of local fans is expected to follow the team on their longest road-trip of the season.

The Herd will be in good shape for the game, Coach Stanton reports; although a pair of regulars injured in early-season appearances are still out of the line-up. Bobby Millard, Whiteface guard who went out with a knee injury in the first game of the season, is still sporting a limp and won't get into the game this week, although he may be back in uniform for the remainder of the season.

John Dyer, regular center, who went out of the Panhandle game with a badly injured knee, may be lost to the Herd for the year. The cast on the injured leg is due to be removed in a week or so, and doctor's decision then will tell the story.

On the basis of season's performances, the Herd will be strong favorites tomorrow night; (Continued on Page 8)

to Tuesday morning. Measured at eight o'clock in the morning of each day, the day by day totals were:

Friday morning, .30 inch.  
Saturday, 2.30 inches.  
Sunday, trace.  
Monday, 1.90 inches.  
Tuesday, .20 inch.  
At Dawn, rainfall Monday had totalled more than four inches, and at Summerfield, between four and five inches of rain was reported.

The Eighth Annual Flower Show, staged at the Hereford Clubhouse last Friday afternoon and evening, was hailed by members of the Hereford Garden Club and Garden Beautiful Club, sponsors, as a success in spite of the weather, which cut down attendance and hampered a few entries.

A large number of exhibits were entered in the show. Mrs. Warren Daniel was winner of the Grand Prize with five blue ribbons. Mrs. John P. Slaton and Mrs. F. M. Kester won honorable mention with three blues each.

Winners as announced by the judges were:  
Section 1: Fresh Fruit and Vegetable display: 1st. Mrs. Louise LeGrand, 2nd Mrs. A. L. Manjeot, and 3rd, Mrs. O.M. Dickey.  
Section 2: Flowering shrubs and bearing plants:  
Class A (tea roses): Mrs. W.A. Dobbins, 3rd., and Mrs. E. Ramey, 3rd.

Class A-1 (Polyanthus) Mrs. E. Ramey, Mrs. Homer Brumley, and Mrs. Dennis Barnard each awarded 3rd place ribbons.  
Class B-1 (Pyracantha) Mrs. Jack Rose, 2nd place.

Section 3: Specimens for Horticultural Perfection:  
Class A (Hybrid tea rose) Mrs. C. H. Dyer, 1st; Mrs. F. M. Kester, 2nd; Mrs. W. S. Flutt, 1st; Mrs. A. O. Thompson 1st; Mrs. F. M. Kester 3rd; Mrs. John Jacobson Jr. 3rd; Mrs. Deward Robinson, 3rd; Mrs. W. S. White, 3rd; Mrs. D. C. Barnard, 3rd; Mrs. D. A. Alexander, 3rd.

Class B: (Dahlias) 1st Mrs. F. M. Kester, 1st; Mrs. Warren Daniel 3rd; (2) Mrs. C.H. Dyer 1st; Mrs. John P. Slaton 1st; and Mrs. Warren Daniel 1st; Mrs. E. W. Harrison, 2nd; and Mrs. Warren Daniel, three second-place ribbons and five 3rd place ribbons. (3) Mrs. Warren Daniel, two firsts, Mrs. P. H. Gilliland, (Continued on page 8)

## Highway Body to Hear Plea From Local Boosters

Representatives from Hereford and Deaf Smith County will meet the State Highway Commission in Austin next Monday morning for a hearing on the proposed state designation and paving of Harrison Highway.

Judge Fred W. Baird and County Commissioner Jeff Robinson, who are now in El Paso attending a convention of County Judges and Commissioners, will join the Hereford party in Austin Monday for the hearing.

Other members of the delegation will be Commissioner Troy Moore, T. E. Seigler, chairman of the Deaf Smith County Good Roads Committee, Wayne Evans, president of the Hereford Chamber of Commerce, and Mayor W. E. Dameron.

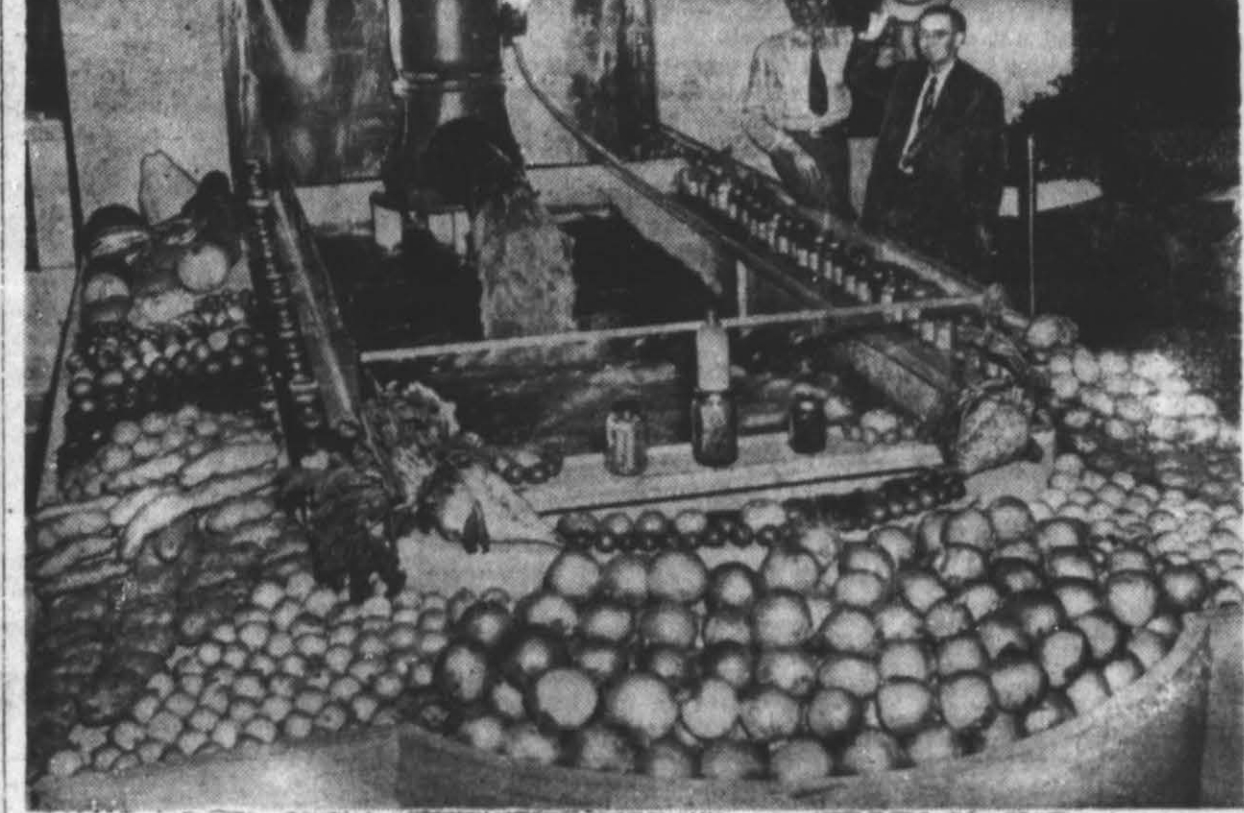

The group will also attend a meeting of the Texas Good Roads Association in Austin Monday. Governor-elect Beauford Jester will be the principal speaker at the meeting, and will launch a campaign for adoption of the Good Roads Constitutional amendment which will be presented to the voters of the state at the general election in November.

Some 500 good roads enthusiasts are expected to attend the meeting, which will be held at the Stephen F. Austin Hotel.

## Warren Is Named Director in Food Locker Association

W. M. Warren of Hereford has been elected as a director in the Texas Frozen Food Locker Association at the close of a two-day convention of the Association at Fort Worth Tuesday.

## DEAF SMITH FAIR EXHIBIT DRAWING CROWDS

A full-scale flowing irrigation well is the center of attraction at the Deaf Smith County State Fair Exhibit at Dallas, pictured above. Surrounding the well are sample products from Deaf Smith County. Sank Ramey and Beryl Elliston, who are managing the exhibit, look on. (Photo courtesy Dallas Morning News).

## Deaf Smith County Exhibit Drawing Large Crowds at State Fair Agriculture Building

DALLAS, October 7—Thousands upon thousands of visitors to the State Fair of Agriculture at the State Fair of Texas are learning how the mineral-rich soil of Deaf Smith County is playing a valuable role in building human teeth and in producing superior vegetables and grains in this area.

Through means of a display brought to the Fair by the joint efforts of the County and City of Hereford, spectators are able to see a modern 8-inch centrifugal water pump such as is used to churn water from the county's sub-strata wells, and also can view displays of outstanding farm products yielded in the area.

One particularly notable part of the exhibit includes illustrations and diagrams picturing industries the county needs for full economic development and pointing out the relative opportunities these needs present for investors.

Included among these industries which Deaf Smith County now lacks but which could profitably be developed are commercial orchards, breakfast

## FRESH VEGETABLES FOR FAIR EXHIBIT NEEDED

Fresh produce to replace that now on display in the Deaf Smith County exhibit at the State Fair in Dallas is needed by Saturday noon for shipment to the Fair Grounds. Tomatoes (just turning pink) bell and pimento peppers, green beans, celery, black-eye peas, cucumbers, squash, roasting ears, and cabbage . . . and any other good vegetables available, are wanted.

Vegetables for exhibition should be left at Beryl Elliston's office Friday afternoon or Saturday morning before noon.

Food manufacturers, pump factories and foundries. Also, the lack of frozen and cold storage plants, testing laboratories, seed farms, powdered milk and cheese production plants and creameries is presented.

Other opportunities available in the county for new industries called forth in the exhibit are dehydration plants, spaghetti

and macaroni manufacturing plants, sugar beet factories and hotel and home-building developments.

Displays of meats and vegetables, fresh and canned, are designed to acquaint visitors to the exhibit with the fertility of the region and with the high quality of products produced by its farms. Literature, among which is a booklet entitled "Deaf Smith's Secret", an explanation of the county's soil and water composition, is distributed free of charge.

Among the vegetables displayed at the exhibition booth are high-quality Irish potatoes of half a dozen varieties, garden crops, fruits, wheat, oats, barley and grain sorghums.

The exhibition was arranged under the direction of Beryl Elliston of Hereford, and about 20 persons are manning it throughout the Fair, which opened Oct. 5 and closes Oct. 20. One of the men present at the display is D. L. McDonald, pioneer engineer and irrigator, and the first man to install shallow well irrigation back in 1912.

## Daily Service On New Route 1 Extensions Are Started October 1; Lipscomb Announces

Daily service on the newly extended Rural Route 1 went into effect October 1, Postmaster Jim Lipscomb has announced.

Extensions to the route now offer daily mail delivery in most homes in the north and east sections of the city not served by city delivery.

Three extensions to the old route have been put into operation. The first covers all territory east of the old town section and north of 10th street, including 16 city blocks.

The second begins at the Old Nursery Road northeast of town, goes west on 11th street to Avenue F, then north to 12th street, west to Avenue B, north to 13th street, east on 13th to Avenue H, south to 12th street, then east on 12th to the Old Nursery Road.

The third extension is at the east end of the old route, and

## Air Mail Rates Reduced to Nickel

Air mail letters can now be sent anywhere in the United States or territories for five cents. Postmaster Jim Lipscomb has announced.

The newly reduced rates went into effect on October 1. Domestic air mail rates had previously been 8 cents, and air mail rates outside the continental limits were as high as 20 cents. The five-cent rate is the lowest in the history of the air mail service.

Corresponding reductions in parcel post rates by air are anticipated.

Any person living in the areas served by Route 1 can now get daily mail delivery, Lipscomb said. All that is necessary is to arrange with the local post office for change of address, and to install an approved mail box on the route.

Extension of the route to serve patrons in the north and east sections of the city has been made in order to supplement city delivery service for the time being.

City delivery service cannot be extended beyond its present limits until all-weather streets are available in these sections and street markers are erected.

When these improvements are made in the city, Lipscomb reports, city delivery service will be extended and patrons in the sections of the city now served by Rural Route 1 can be shifted to the city routes.

The Republican party convention has nominated a full slate of candidates for State offices, but only one Democratic candidate will be opposed for election in district races, and none in the county.

Frank T. O'Brien has been nominated by the Republicans as candidate for Congress from the 18th Congressional district, and will oppose Congressman Eugene Worley.

Republican candidates have been nominated for all State offices with the single exception of Commissioner of Agriculture, where the Democratic nominee, J. E. McDonald, will be unopposed. (Continued on Back Page)

## Messenger Bridge Is Hit by Flood

MESSENGER, Oct. 8—This community has received nearly six inches of rain in the past few days. The draw south of Messenger Ranch was overflowing most of the day Monday, and the bridge has been nearly washed out.

Concrete supports under the bridge are cracked, and are a foot out of line. Cars are still using the bridge, but are proceeding carefully.

## Prizes Offered To Residences And Sections

A city-wide Fall Clean-up Drive, sponsored by the Civic Improvement Club, will be opened next Wednesday, October 16, to continue for two weeks, Mrs. Homer Brumley, president of the organization, announced today.

"This is another step in a long range plan for beautification of Hereford," Mrs. Brumley said in announcing the new drive.

The same organization of block and section chairmen which was set up for the city's big Spring Clean-up campaign in June will be used for the fall drive.

Prizes will be offered to individual residences in the winning block in each section, and a grand prize will go to the winning section. Awards will also be made in the business section of the city.

Nature of the prizes has not yet been announced, but the Civic Improvement Club has a working fund of \$200 put up by the Hereford Chamber of Commerce for this purpose.

A planning committee, composed of Mrs. A. L. Manjeot, Mrs. Ben R. Ezzell, and Mrs. O. L. Dickey, met with Mrs. Brumley yesterday afternoon to outline plans for the coming drive.

A special score sheet will be used for each individual residence in determining the prize awards. Emphasis in scoring will be primarily on cooperation, with sanitation, cleanliness, and (Continued on Page 8)

## General Election Absentee Ballots Ready October 16

Absentee balloting for the General Election, which will be held on November 5, will begin on Wednesday, October 16, according to Robert Thompson, county clerk.

Deadline for absentee ballots will be at midnight of November 1.

Ballots are now being printed and will be available at the office of county clerk. Requirements for absentee voting are the same as at other elections, and qualified voters who expect to be out of the county on the date of election may cast their ballot during the two-week period authorized.

The Republican party convention has nominated a full slate of candidates for State offices, but only one Democratic candidate will be opposed for election in district races, and none in the county.

Frank T. O'Brien has been nominated by the Republicans as candidate for Congress from the 18th Congressional district, and will oppose Congressman Eugene Worley.

Republican candidates have been nominated for all State offices with the single exception of Commissioner of Agriculture, where the Democratic nominee, J. E. McDonald, will be unopposed. (Continued on Back Page)

## County Committee Asks Production Figures On Potatoes; Prepares to Set Farm Goals

Describing the problem as a "hot potato," members of the Deaf Smith County ACA committee this week began making tentative plans for setting up individual farm goals for 1947 spud production, in accordance with control plans announced by the Department of Agriculture.

"We must have figures from every potato producer on acreage planted and total production for each year from 1943 through 1946, plus a statement of the planter's 1947 intentions," F. G. Collier, secretary of the county committee, said this week.

Cards requesting this information have been mailed to all known potato producers in the county, Collier said, but since the committee has no records showing who has grown potatoes during this period, a few may have been missed.

The Department of Agriculture has announced the 1947 National Production Goal for Irish potatoes at 373,000,000 bushels. This is a reduction of 5 million bushels from the goal for 1946, and 72 million bushels below the present estimates for 1946 production.

The Department has announced that potato acreage goals will be set for individual farms to insure production in

accordance with needs, to prevent waste through excess production, and to provide equitable distribution of acreage among established growers.

Only growers who plant within their individual farm acreage goals will be eligible for price support in 1947. There will be no penalty for exceeding farm goals as was the case with wheat, cotton, and other programs in recent years, but a grower who plants in excess of his farm goal will be ineligible for price support on his entire production.

1947 goals for States and individual counties have not yet (Continued on Page 8)

## Worley Speaks to Lions, Rotary Here

Congressman Eugene Worley is scheduled to speak at a joint meeting of the Hereford Lions and Rotary Club at the banquet room of the First Christian Church today (Thursday) at noon.

A complete report of Mr. Worley's talk will appear in The Brand next week.

**Charles Campbell In Denton College A Capella Choir**

DENTON, (SPL) Oct. 9—Charles Campbell of Hereford, student at North Texas State college, has been named a member of the 47-voice A Cappella choir.

A tentative date of Oct. 28 through Nov. 10 has been set for a choir tour through New Mexico, according to Dr. Wilfred C. Bain, director of the choir and dean of the School of Music.

Campbell, a sophomore student at the college, is the son of Mr. and Mrs. Earl Campbell.

**ANNOUNCEMENT**

October 20, is the last day that Early Bird cards can be issued for payment of dues in the American Legion Auxiliary. All members are urged to send in dues before that date.

**Westway**

Mrs. Cawthon Bryant announces that a pie supper will be held Friday night at the schoolhouse for the Cafeteria benefit. Everybody is invited to attend.

There was no Sunday school or Church service here Sunday. Rev. and Mrs. Carlton Thomson of Canyon came, but after the rain continued, they did not remain for services. They will return again on fourth Sunday. Rev. and Mrs. J. B. Harlin of Plainview will be here next Sunday.

Rain falling here most of Friday, Sunday, and Monday morning brought the total precipitation to nearly three inches. The school buses did not run Monday and there was no school. A dinner Sunday at the Kelly Gray home honored Mrs. Gray on her birthday. Mrs. Earl Scott baked the 3-tiered decorated

birthday cake, which centered the table.

Those present included the Earl Scotts, Elmer Combs, and Herbert O'Connors, Miss Ara Lewis, Mrs. W. A. Vaughn, Mr. and Mrs. Carlos Vaughn, and Mr. and Mrs. Gray.

Mr. and Mrs. Dave Aldridge of Tecumseh, Oklahoma, and Miss Ella Gunn of Wewoka, Oklahoma, came Saturday to spend the day with Mr. and Mrs. R.M. Gunn and help Mr. Gunn celebrate his birthday.

A dinner Saturday at the R.M. Gunn home honored Mr. Gunn on his birthday and also honored Mr. and Mrs. Ralph Johnson, whose wedding anniversary was on that date. Attending were Mr. and Mrs. Dave Aldridge of Tecumseh, Oklahoma, Miss Ella Gunn of Wewoka, Oklahoma, Mr. and Mrs. Guy Lawrence, Nelda Guy and Melba Gay, John Ross, and Mr. and Mrs. Roy Landers of Hereford; Mr. and Mrs. Ralph Johnson and Jackie Lynn, and Mr. and Mrs. Gunn.

Mr. and Mrs. Joe Landers and Ross Joe and Joe's sister, Mrs. Ida Green of Yakima, Washington, left the first of the week for Okemah, Oklahoma, where they were called by the illness of their mother, Mrs. Cordia Landers. Mrs. Landers fell recently and broke her hip. Mr. and Mrs. Roy Landers of Hereford are staying at the Joe Landers home and caring for things while they are away.

Mrs. Paul Rudd is convalescing at the home of her sister, Mrs. Curt Griffin, in Amarillo, following a minor operation last week.

A. A. Head and Harold and E. H. Little Jr. are in Colorado looking after their cattle.

Mr. and Mrs. Norbert Skypala and children of Hereford were visitors Sunday in the V. Skypala home.

**Treatment of Small Grains for Rust**

LUBBOCK, Oct. 8.—Treatment of small grains to prevent rust is of utmost importance, Dr. A. W. Young, head of the plant industry department of Texas Technological College reminded farmers this week.

Two ounces of copper carbonate or one half ounce of the new, improved Ceresan, a commercial preparation, is sufficient for each bushel of grain and may be applied in any type of seed treater.

Mrs. T. C. Jones of Bushland visited in the Rue Wells home Monday night and Tuesday.

Mrs. Belton Finney and children were called to Plainview Thursday night on account of the death of a friend, Tom Snellson, who died Thursday afternoon.

Mr. and Mrs. J. T. McClain visited Mrs. John Williams (formerly Oma Lee McGuahey) who is ill in the Hereford hospital.

Mrs. J. T. McClain and daughter, Joyce, attended a banquet of the Homemaking class Tuesday night in Canyon.

Miss Alice Morgan of Seaside, New York has arrived to spend the winter here with her sister, Mrs. Ben Ezzell. She is a senior student in Hereford High School.

**Sour Cream Can Be Used Instead Of Oils and Fats**

By using sour cream to make salad dressing, you can save other fats and oils that are now scarce. This suggestion comes from Edith Lawrence, specialist in food preparation of the Texas A. and M. College Extension Service.

Even a half pint of sour cream, says Miss Lawrence, will make enough salad dressing to serve six people, at the same time saving the salad oil you would normally use. Here's a recipe for chilled fruit salad that you may want to try in putting your sour cream to good use.

Use either 2 whole eggs or 4 egg yolks; 1-4 cup vinegar; 1 cup sour cream; 1-3 tablespoon sugar; 1-2 teaspoon salt; 1-4

teaspoon mustard; and 1-8 teaspoon paprika.

Beat the eggs and add the other ingredients, then mix thoroughly. Cook in a double boiler and stir constantly until the mixture thickens. Chill before serving on chilled fruit.

### O. E. S. Chapter Commemorates Fortieth Year

A special meeting of the Order of Eastern Star was held at the Masonic Hall Tuesday night commemorating the 40th anniversary of the foundation of the Hereford chapter.

A pot-luck supper was served and a candlelighting ceremony was held when the 40 candles on the two-tiered birthday cake were lighted by past worthy matrons and patrons of the chapter.

A regular chapter meeting was held after the supper when a program under the direction of Mrs. Belle Hromas, was dedicated to past worthy matrons and patrons and living charter mem-

bers. Mrs. Nora Russell and Mrs. L. R. Brady were the two charter members present.

Greetings were given by the officers of the chapter and the honorees were presented with ruby-red corsages, significant of the 40th birthday, by Mrs. Chloa Brown, bluebird of happiness for this year.

The past worthy-matrons and patrons gave highlights of their years of service and Mrs. L. R. Brady, official mother of the work of the organization.

Highlight of the evening was the presentation of an electric signet in the form of a large star featuring the emblematic colors and emblem of the Order.

### Rural Youth Day Hailed Big Success by Texas State Fair

Rural Youth Day, a new addition to the roster of "special days" at the State Fair of Texas, made such a hit this first post-war fair that it will be continued in all future fairs as the greatest gathering of farm youth in the country, announced R.L. Thornton, president of the State Fair Association.

The Dallas Chamber of Commerce and Jaycees served them a free barbecue lunch and the kids waded through 17,500 pounds of beef, 2,000 gallons of lemonade, uncounted tubs of baked beans, 1,000 loaves of bread, and 1,000 gallons of ice cream.

From the Grandstand of Fair Park they saw an hour show of cowboy and hillbilly radio entertainment experts put on by the three Dallas radio stations. The show was climaxed by the presentation of Honor Awards of the State Fair of Texas to the outstanding young farmers of the State. Future Farmers of America, and 4H Club boys and girls, 32 of them from all corners of the State, were given their scrolls by R. L. Thornton.

The outstanding Future Farmer of America was Timothy Marsh of Granger. Area winners in FFA were Cloy Weems, Ralls; Frank McMullen Jr., Big Lake; George Nelson, Katy; Andy Dale Young, Burkett; Bert Gibbs, Justin; Curtis Adams, Hughes Springs; Sonny Johnson, Joaquin; Jack Jefferson, Jasper; and Hillier Person, Mathis.

### SOCIETY WYCHE H-D CLUB

Wyché Home Demonstration Club met with Mrs. Paul Wilson Thursday afternoon for an Achievement-Day program. New bulletins were distributed by Miss Sadie Lee Oliver, CHDA, and reports were recorded by members for annual reports. Mrs. R. L. Carmichael gave the council report.

Mrs. Troyce Carmichael was named chairman of the nomination of Honor Awards of the State Fair of Texas to the outstanding young farmers of the State. Future Farmers of America, and 4H Club boys and girls, 32 of them from all corners of the State, were given their scrolls by R. L. Thornton.

The outstanding Future Farmer of America was Timothy Marsh of Granger. Area winners in FFA were Cloy Weems, Ralls; Frank McMullen Jr., Big Lake; George Nelson, Katy; Andy Dale Young, Burkett; Bert Gibbs, Justin; Curtis Adams, Hughes Springs; Sonny Johnson, Joaquin; Jack Jefferson, Jasper; and Hillier Person, Mathis.

District winners among 4H Club boys were Harold Rumpy, Lakeview; Walter Bob Rogers, Lubbock; Tommie Duffie, Vernon; Alvin Chandler, Quinlan; Ray Hardin, Kilgore Perry Walker, Big Spring; Bobby Ray Wilkinson, Ovalo; Gilbert Kuretsch, Marlin; Tom W. Ross, Beaumont; Dale Boenig, Converse; D. B. Camp, Houston; and William Thomas, Robstown.

Girls who received awards as outstanding 4H Club farmerettes were Georgene LaVerne Mengers, Skidmore; Lanelle Riedel, Buda; Eddie Virginia King, Howland; Dorothy Reardon, Conroe; Wanda L. Weems, Rotan; Joy Williams, Shamrock; Norma Jean Schuler, Lorenzo; Fay Ryder, Gilliland; and Marie Smith, Crandall.

### Junior High-Central Schools Band Parents in First Meeting Tuesday

The first meeting of the Junior High-Central School Band Parents' Association was held at Central School Tuesday night. Mrs. Tom J. Boyd, president, outlined the aims and objectives of the meeting and introduced Superintendent of schools, Geo. L. Graham, who spoke on the problems of the schools here, mentioning some solutions to the problems which he hoped to carry through. He expressed the hope that the nine-room Junior High School unit will be ready for use in a few weeks.

T. V. Brantley, band director for the three schools, outlined plans for the year and asked for cooperation of the parents. He made an appeal for band instruments not in use, pointing out that many students are in need of instruments which are not available in the market.

R. D. Ford, Central School principal, told of the progress made by Central School to ease the overcrowded condition. Members of the school board and their wives were honor guests for the evening and the president welcomed and introduced them. Leo Forrest, president of the board, spoke on the plans and efforts of the board to furnish more class rooms.

Herman Ford, chairman of the finance committee, conducted a round table discussion on ways and means of meeting the needs of the association. Ellis Coombes, president of the High School Band and Orchestra Parents Association, told of the planned activities of that organization for the coming months.

A projects committee was appointed by Mrs. Boyd consisting of Herman Ford, chairman, Mrs. J. C. McCracken, Mrs. J. L. Woodford, Mrs. Herman Ford, and A. J. Schroeter. Buffet refreshments were served at the conclusion of the meeting by the entertainment committee which was made up of Mrs. Herman Ford, Mrs. A.H. Janssen, Mrs. L. J. Matthews, and A. J. Schroeter.

### County Com- (Continued from Page 1)

will be faced with the problem, when acreage goals are set by the state committee, of assigning individual goals to farms in this county for all growers who wish to take advantage of the support program.

The Agriculture Department is committed to the support program for two years after the official end of the war, which has not yet been declared. Support prices on spuds this year were set at "2.25 per hundred on U.S. No. 1's, and it is estimated that at least 50 percent of the Deaf Smith production went at support prices after the bottom dropped out of the potato market in mid-harvest.

Faced with serious overproduction in 1946, the Department of Agriculture has found it necessary to set production goals for next year. The Department however, was careful to point out that compliance with the acreage goals will be purely voluntary, and the only penalty for overplanting will be exclusion from the benefits of the price support program.

However, Collier pointed out, the committee must have the specified information on previous production and 1947 intentions, and is endeavoring to get this information as quickly as possible so Deaf Smith County growers can be informed of their individual '47 goals as soon after the county goal is announced as possible.

"It is of the utmost importance to every grower who expects to take advantage of the price support program in 1947 to furnish the county committee with accurate figures on past acreage and production," Collier said. The County Committee has received no information to date on what production years will be used in basing 1947 goals. The USDA has made no public announcement of what provisions will be made in the 1947 support program for new growers. In 1942, the last year in which production quotas were set on potatoes, ten percent of the allowable acreage was allotted to new growers. At that time, only about 2550 acres were planted in potatoes in this county. 1946 acreage more than doubled that figure.

### Miss Olson to New York City

Miss Vivian Olson, office secretary of the Inter-Board Commission of the Presbyterian Synod in Dallas, has accepted a similar position in New York. She will be secretary to Dr. H.S. Randolph, Department of Rural Missions and Indian Work for the Board of National Missions, 156 Fifth Avenue, New York.

forward the price of a year's subscription. He'll find that The Brand, like Hereford, has grown and changed a lot since 1908.

Ex-railroader Lacey also asks for one of "those big Hereford onions" which shows that his Chamber of Commerce training is beginning to take effect.

Mrs. Cawthon Bryant calls to remind us that there'll be a pie and box supper at Westway schoolhouse at 8 o'clock Friday night... that's tomorrow... always providing that the floods are abated. The supper is for the school cafeteria benefit. Prizes will be offered for the prettiest box... and the prettiest girl.

**Vacant, but No Vacancy**

OPA rent controls and landlord recalcitrance produced this at Wichita, Kan.—five apartments frozen at \$10 a month, but withheld from occupancy by owner H. F. Hudson, who said he wouldn't rent them until ceilings were raised to \$40 or Congress does away with OPA.

but Coach Stanton, while optimistic, is keeping his fingers crossed.

The Wolves dropped a 7-6 decision last week to the White-deer Bucks of District 2-A for their third straight loss. The Bucks had lost a 51-0 shutout to Hereford a week before.

Dalhart fans are moaning low over their team's showing this year. The sport's editor of the Dalhart Texan, comparing scores and notes on the season's play, comments on tomorrow night's game: "Even with rose-colored glasses on, you can see that the outlook for Friday night is about as bright as a buck nigger in a snowbank."

Both Hereford and Dalhart are employing the T-formation this year; although the Wolves use a slightly un-orthodox version, with the wingbacks pointing in on each play... a feature which Coach Stanton mutters is a sacrilege.

Stanton, who likes his "T" straight, doesn't like the Wolves' variation, but isn't complaining about the results they've gotten from it so far this year.

The Whitefaces will take a breather next week, and will make their next appearance on the local field on October 25, when they take on the Dumas Demons.

**CARD OF THANKS**

I would like to thank everyone who has patronized us and especially those who have stuck by us when help, food, etc., were hard to get. Good luck. Florence Wilhelm, Mom and Dad.

**CARD OF THANKS**

To our many friends and neighbors who were so lovely in our hour of sorrow, in the death of our daughter and loved one, goes our heartfelt thanks for the kind words of sympathy, flowers and food. May God bless each and everyone. Mr. and Mrs. Waldo Jennings, and relatives.

attractiveness being scored in that order.

Based on a perfect score of 100, the score sheets list Cooperation as No. 1, with 30 points, scoring being based on cooperation by individual residence and property owners with block and section chairmen. Second on the list is Sanitation, with 25 points, which includes use of city-approved garbage containers, condition of chicken yards, cowpens, outhouses, etc. Third is Cleanliness, with 25 points, scored on the basis of weeds cut, disposal of excess lumber piles and unsightly fences, loose paper and trash, and condition of alleys.

Fourth point in the scoring is Attractiveness, with 20 points, based on general appearance of house and yard, lawn, trimming of shrubs and trees, flowers, etc. The system of scoring, the committee explained, is designed to give an even break to all classes of residences by placing the major emphasis on cooperation and general improvement and the least on attractiveness of house and garden.

Final judging and scoring will be completed on October 30. Scoring of individual residences will be carried out by the block chairmen, and the final judging will be done by the committee. Each lot in the city, whether vacant or not, will be scored before and after the campaign.

The Civic Improvement Club was formed during the Clean-up Drive last spring, and at the request of the Mayor, was organized as a permanent committee to carry out a long-range program of sanitation and beautification in Hereford.
