Whitefaces Bow to Panhandle Panthers 19-7 Friday Night

Blocked Kicks In Last Period Set Up Panther Scores

In a game that was remarkable chiefly for roughness, excessive penalties, and poor playing on both sides, the Hereford Whiteface bowed to the Panhandle Panthers 19 to 7 at Panhandle field last Friday night.

The Panthers drew first blood and scored early in the opening period after a bad kick from Worrell gave them possession of the ball on the Hereford 25 yard line; but failed to score the extra point.

The Herd trailed through the remainder of the first half, but turned on the heat early in the third period and clicked momentarily to shake Close loose for a 55-yard jaunt to pay dirt.

Worrell's kick was good, and the Whiteface led 7 and 6 going into the final quarter.

Farlowe, the Panther's left end, set up both of the Panhandle touchdowns in the final quarter by crashing in to block Worrell's attempted kicks deep in Hereford territory.

The Panthers scored early in the period after an error by the head linesman in shifting the ball between quarters had given Panhandle a 9-yard break and a first down deep in Hereford territory.

Stopped cold at the line, the Panthers attempted a field goal from the 25 and failed, and the Herd took over. Worrell's attempt to punt out of danger was blocked by Farlowe,

Travis Succeeds Strickland On State Committee

CANYON, Sept. 27—Walter Travis, superintendent of schools at Dumas, is the new appointee to the place of state committeeman of the Texas State Teachers Association. He was named to take the place of Chester Strickland formerly superintendent of schools at Hereford and now at Denton.

Announcement of appointment comes from E. A. Wooten superintendent of schools at Canyon, president of District IX of T. S. T. A. who also reveals that an executive committee meeting for the Northwest Texas Conference for education will be held early in October.

Mr. Travis is a former president of District IX and also has served as state committeeman while he was superintendent of schools at Floydada.

Panhandle. The Panthers, unable to gain through the line during the first half of the game, were at their best on end sweeps with Marvel, speedy Panther halfback, toting the leather behind well-organized interference.

The Panthers completed only one pass out of a dozen-odd attempts. Warren and Towe tossing wildly, with the ball frequently far out of reach of intended receivers.

Deaf Smith Products Draw High Praise; But Town Without Toothache Has Headaches Too

Deaf Smith county products, particularly potatoes and onions . . . and don't forget that good Hereford water . . . have been getting top marks from some unofficial judges during the last few weeks.

Building up interest in strategic places in the Deaf Smith exhibit at the State Fair, the Hereford Chamber of Commerce recently sent out samples of prize spuds and onions grown in this county. In return, Secretary-Manager E. B. Posey has received some glowing testimonials:

From Frank A. Briggs, managing editor of Farm and Ranch magazine: "Your onions get an A-1 rating for sweetness and crispness so large that some people may hesitate to buy them, but I believe you will eventually establish them on the market as a superior product."

From Ben Critz, general manager of the Dallas Chamber of Commerce: "The largest onions I have ever seen."

C. M. Kellar, Austin Chamber of Commerce: (about Deaf Smith potatoes) "I wonder what you fed them to bring them to such size."

From Dr. George W. Cox, State Health Officer: "It is gratifying from the public health standpoint to know that such foods are being grown in Texas for the benefit of Texas people."

Malcolm Orchard, associate editor of Farm and Ranch: "Intensely interested in the development of Hereford, and foresee for that region a rapidly expanding economy."

From R. J. Caldwell of Los Angeles, California: (about Deaf Smith water) "Scotch spoils its natural excellence. Scotch on anything else would spoil this

superb water." (Mr. Caldwell obviously takes his Hereford water straight).

From Walter Trout, Dallas chemist: "Deaf Smith water has one quality which needs no chemical testing to prove—it is the best tasting water it has been our fortune to obtain."

Trout, who is interested in foods from a health standpoint, predicted that "before long, you will find premiums being paid for the recognized high quality of your food products, based on protein, vitamin, and mineral content, as well as taste and color."

"The Town Without a Toothache" still has a few headaches, however, as a result of the nation-wide publicity accorded Deaf Smith county through several national magazines. A typical letter, from York, Pennsylvania, says, "I have read an article in The Post about beneficial effects of water, soil, etc., in Deaf Smith County on teeth, and am interested in living there for that reason. Have a small child whose teeth are frail, and would like to move there." The letter goes on to ask about housing accommodations, and there's the snag.

Another comes from Caracas, Venezuela, South America, from a man who has read in "Time" about Deaf Smith county and wants to make an appointment with Hereford's dentist for September or December. . . . plus reservations for housekeeping accommodations for wife and child during school year. Again the housing shortage!

Hundreds of requests for information about Deaf Smith county come to the Hereford Chamber of Commerce every day.

New Wildcat In Parmer County Starts Drilling

A new wildcat, located four and a half miles northeast of Farwell in Parmer county, was started last week by the Oil Well Drilling Company.

The location of the new wildcat, which is listed as Oil Well Drilling Co. No. 1 Tharp, is 1980 feet from the north and west lines of Section 40, Block A, CSS Survey.

The Parmer wildcat is one of 11 new starts in the field, but all of the others were in producing counties; three in Sherman, two in Carson and Wheeler, and one in Hutchinson, Hansford, and Gray.

It is the fourth or fifth well started in Parmer county, the first in the southwest section of the county, and the only one now drilling.

Humble's No. 1 Northcutt, which is just across the Deaf Smith county line in Curry county, New Mexico, is reported drilling below 5905 feet this week, with tests showing oil traces at 4261 feet Monday.

To the northwest in Quay county, on the same structure, Jensen Oil Co. No. 1 First National Bank was reported drilling at 2570 feet at the week-end.

Farm prices of cotton August 15 advanced to a new high—133 per cent of parity—reflecting higher prices paid by farmers.

SHOW VEGETABLES NEEDED FOR FAIR

An appeal for fresh vegetables of all show types to be exhibited in the Deaf Smith County display at the Texas State Fair was issued this week by the Chamber of Commerce Exhibit committee.

Needed for the exhibit are green beans, black-eye peas, carrots, pimento peppers, bell peppers, squash, turnips, beets, celery and any other good vegetables which are available in Deaf Smith County gardens.

These items are needed for wrapping and packing by 3 p. m. on October 7, and again on October 11. Sufficient quantities to make a good display should be submitted. Vegetables for exhibit should be left at Beryl Elliston's office on 3rd street

Mrs. L. O. Gore Dies Saturday; Funeral Monday

Funeral rites for Mrs. L. O. Gore were held Monday afternoon at 2:30 o'clock at the First Baptist Church. Rev. R. H. Cagle, pastor, officiated.

Interment was in West Park Cemetery under direction of E.B. Black Funeral Home.

Mrs. Gore died Saturday, September 21, at the age of 60 years. She was born in Kansas on September 29, 1885 and came to Deaf Smith county from New Mexico in 1919.

She is survived by her husband; two sons, Homer R. Gore and Howard H. Gore, both of Hereford; two daughters, Mrs. Jack Flowers and Miss Gladys Gore of Hereford; two brothers, Jess Hill of Corpus Christi, and Paet L. Hill of Breckenridge; and two grandchildren.

Deaf Smith Exhibit To Be Outstanding

The Hereford Chamber of Commerce is preparing to tell the world . . . or at least as much of it as visits the Texas State Fair this fall . . . about Deaf Smith county, with heavy emphasis on high quality of agricultural products from this area.

The Deaf Smith County exhibit at the Fair's Agriculture building will occupy the most prominent exhibit space in the arena, squarely in front of the main entrance.

It will be centered around a flowing irrigation well, surrounded by a wide variety of agricultural products produced in this county. New films depicting the opportunities and advantages offered by Hereford and Deaf Smith county will be shown by Elmer Patterson as a part of the exhibit.

Fair officials estimate that at least a million and a half visitors from all sections of the United States will visit the Fair this fall. The Exposition opens on October 5, continuing for two weeks.

Beryl Elliston and Bank Ramsey will be in charge of the Deaf Smith county exhibit at the Agriculture Building.

An effort is being made by the Chamber of Commerce to have a large group of Hereford representatives present at the Fair on opening day, and throughout the exposition, to aid in publicizing the Deaf Smith exhibit.

The emphasis will be on quality foods, according to E. B. Posey, secretary of the Hereford Chamber of Commerce. Chemist. (Continued on Page 5)

PLAY BY PLAY
First Quarter
 Panhandle kicks off, and Worrell, taking the ball deep in his own territory, is dropped by Franklin on the Hereford 15. Close goes over guard for 5 yards, and the gain is cancelled by a 5-yard penalty. Whitaker fumbles on the next play and Cunningham, Panther end, recovers on the Hereford 20. Marvel picks up 9 yards on two smashes at the line, and Towe picks up a yard and first down on the 10. Marvel makes 2 at guard, then fumbles a bad pass

from center and loses 8 yards. Towe's pass is intercepted by Simmons on the 15 yard line, and the threat is stopped. Worrell kicks out of bounds on his own 25 yard line, and the Panthers renew their touchdown drive. Towe's pass is high and incomplete. Marvel picks up 4 at guard. Warren's pass is incomplete. Warren fakes a pass, rounds end for a first down on the 5, where he is stopped by Close. Warren makes a yard at guard. Towe and Warren hit the line in two smashes which net a yard each, and Warren smashes over center from the 2 yard line for the score. Franklin's kick is no good, and the Panthers lead 6-0.
 Panhandle kicks off, Close taking the ball on the 15 and punning it back to the 40. Rogers makes it first down on the 50, and Worrell picks up 4 at center. Whitaker goes for another first down on the Panhandle 40. Close makes 3 at guard. Worrell hits center for a

Robert Secor (bottom), say Chicago police, is a poor picker. They report he accosted Policewoman Alice McCarthy (top) in a park and when he tripped her and knocked her down, she yanked a revolver from her purse, shot him twice in the chest. She is a crack shot.

Towe attempted to lateral as he was tackled, and Hereford recovered, but the referee ruled that the play had been stopped before the fumble. Two passes are incomplete, and Warren kicks.

Worrell takes the punt to the Hereford 35. Whitaker makes 3 at guard. Rogers hits center for 8 and a first down on the 46. Close falls to gain at guard. Worrell goes off tackle for 7, and smashes at center for a yard, but fails to make first down.

Panhandle takes over. Marvel rounds end for a first down on the Hereford 42, where he is hit by Close and Worrell. (Hennington goes in the game for Rogers at quarterback.) Towe goes off tackle for 7, and then hits center for 5 and a first down on the Hereford 30. Dyer is hurt again on the play, and comes out of the game with an injured knee. Roger Corbett goes in at center. Worrell, also hurt on the play, stays in the game. Warren hits center for 5, but the play is called back and the Panthers are assessed a 5 yard penalty. Marvel gains 2 at guard as the period ends Panhandle's ball on the Hereford 33 yard line, with third down and 11 yards to go.

Fourth Quarter
 The head linesman, in moving the ball to the opposite end of the field, sets up the play for Panhandle with third down and 2 yards to go; ignoring protests from the chain carriers and by-standers, Warren picks up 2 for a first down. Three plays at the line fail to gain, and Warren drops back, attempts a field goal, which is no good.

The Herd takes over on their own 20. (Rogers goes back in the game at Quarter, relieving Hennington.) Two plays fail to gain, and Worrell's kick is blocked by Farlowe. Worrell recovers behind the line of scrimmage, and Panhandle takes over on the Hereford 15 yard line. Marvel fails to gain at center, and Towe rounds end for a touchdown. Warren's kick for point is blocked by Higgins, and the Panthers lead 12 to 7.
 Panhandle kicks off, Higgins taking the ball on his own 35 and gets back to the Hereford 48. Rogers fumbles, loses 5 yards. Whitaker makes 4 at center. Worrell passes to Rogers for no gain. Worrell's quick-kick goes over the goal line, and Panhandle takes over on their own 20.

After two plays fail to gain, Warren kicks out to the Hereford 30 yard line where Pan-

Tech Enrollment Soars Past Five Thousand Marker

LUBBOCK, Sept. 16—Almost three thousand veterans, joining with other students from over the state and nation, sent enrollment figures soaring over the five thousand mark during registration last week end at Texas Technological College, an increase of some 1800 over last spring.

Although school officials, student groups and civic leaders are making every effort to make residences available, hundreds of other prospective students did not enroll because they could not find rooms or apartments. More than 150 veterans are living temporarily in barracks at Lubbock Army Air field, several miles west of town.

yard, and Whitaker fails to gain at tackle. Worrell hits the center of the line, but is stopped short of first down, and Panhandle takes over.
 Hereford draws a 5-yard penalty. Towe laterals to Warren for 4 yards. Towe, on an off-tackle slant, picks up 6 and a first down on the Hereford 48. Towe passes incomplete to Farlowe. Marvel picks up 4, and the Panthers draw a 5-yard penalty. Towe's pass is incomplete, and Towe kicks out of bounds on the Hereford 23. Worrell picks up 5 over center as the quarter ends.

Second Quarter
 Rogers makes it first down on the 36. Worrell hits center for 4. Rogers' lateral goes wild, and is recovered on the Hereford 25 by Worrell. Worrell kicks out on the Panhandle 45.
 Marvel fails to gain at center, goes over tackle for 8. Panhandle draws a 5-yard penalty. Marvel is stopped on an end run by Close and Worrell. Warren kicks, Close taking the punt on his own 30 and getting back to the 40 yard line.
 Close makes 8 at guard, but the play is cancelled by a 5 yard penalty. Worrell is stopped at the line, and Rogers is dropped for an 8 yard loss as the Whiteface line falls to hold. Worrell kicks out on the Panther 40.
 Marvel makes a yard at end, stopped by Close. Hereford is penalized 15 yards for "piling on," and Marvel rounds end for another 15 to the Hereford 27 yard line. Marvel goes through center for 5, but the play is cancelled by another penalty. Marvel is stopped at guard, and Franklin picks up a yard at center. Franklin's pass is incomplete. Towe is stopped by Dyer for no gain, and the Herd takes over.

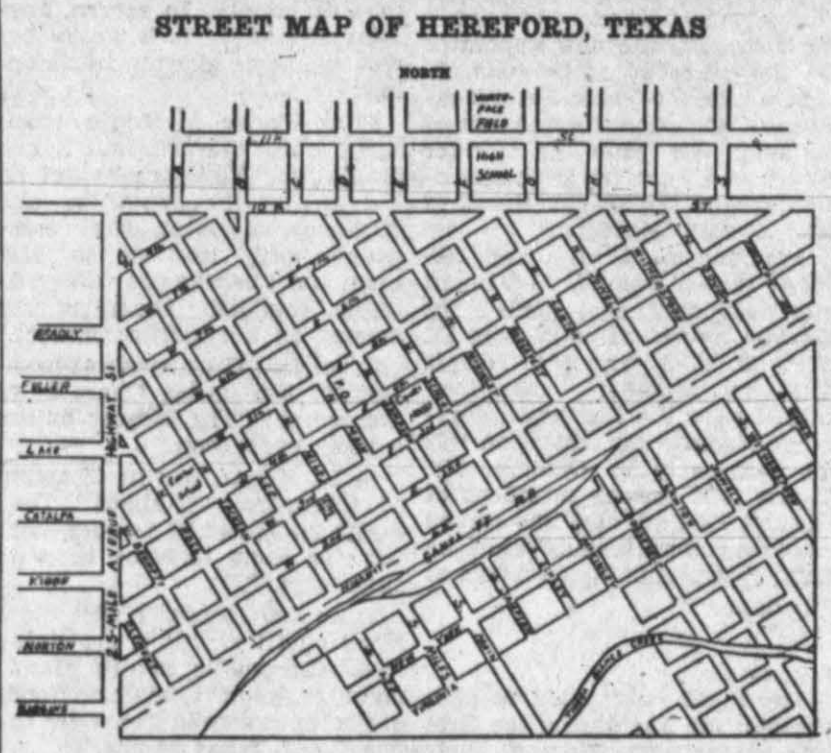

Close goes off tackle for 7, and Worrell makes 4 at guard but the play is called back and Hereford penalized 5 yards. Rogers makes 5 at guard. Worrell rounds end for 15 yards, but another penalty cancels the play. Worrell's quick-kick goes out of bounds on the Panhandle 47.
 Marvel goes off tackle for 5. Panhandle draws a 20-yard penalty for holding. Marvel fails to gain at center, and Warren kicks to Close who runs it back to the Hereford 45. Worrell's pass to Higgins is high and incomplete. Worrell passes, to Close for 10, but the play is called back and another 5-yard penalty assessed the Herd. Close strikes at the end as the half ends. Score: Panhandle 6, Hereford 0.

Third Quarter
 Hereford kicks off to Franklin, who is stopped on the 32. Two passes are incomplete, and an end run fails to gain. Warren kicks to Worrell on the Hereford 42, and the Herd takes over.
 Whitaker goes off tackle for no gain. Worrell picks up 3 at center. Close cuts over the left side of the line behind perfect blocking and dashes 55 yards for a touchdown. Worrell's kick is good, and the Herd leads, 7 to 6.
 Worrell kicks off to Marvel, who gets back 20 yards to the 45. Dyer is hurt in the scramble, but stays in the game. Towe is stopped by Worrell for no gain.

The Bench Warmer

Maybe it was the weather, which was cold; or the lights, which were poor; or the general disposition of The Benchwarmer, which wasn't so hot, but Friday night's game between the Hereford Whiteface and the Panhandle Panthers was as poor an example of high school football as these old eyes have seen in many a day.

To say that neither team was at its best is a positive understatement. The Whiteface Herd, which had functioned like a well-oiled machine at Sudan a week before, was at best a machine in poor working order.

And the Panhandle Panthers, who were billed, on the basis of their opening performance against McLean, as a powerhouse, looked good only by comparison.

Aside from an aggressive end with a flair for blocking punts (Farlowe) and a speedy half-back who's good but doesn't quite live up to his name (Marvel) the Panthers gave a strictly mediocre performance.

The biggest gains of the evening, aside from Freddie Close's sparkling 55-yard touchdown hike, were chalked up by Referee Oscar Hinger, who strode up and down the field all evening like the Grim Reaper, measuring off penalties. And while it may give the players a rest, the fans don't particularly enjoy watching the referee carry the ball.

We've nothing to say against the referee; the game was ragged and the penalties were undoubtedly deserved by both sides. However, that 'tween

quarters performance in the last half by Head Linesman Dixon was pretty raw meat for an old vegetarian like the Benchwarmer. Because the line markers at the Panhandle Field were missing below the 30-yard line; most fans probably didn't catch it, but Dixon donated 9 yards, and conceivably set up the winning touchdown, for the Panthers at the beginning of the fourth quarter.

Here's how: At the end of the third period, the Panthers had just taken a 5-yard penalty, and as the quarter ended, had 11 yards to go for a first down from the Hereford 31 yard line, or thereabouts, and it was third down coming up. The BW was standing by the chain, and is certain of this. When the last period opened, Dixon placed the ball down at the opposite end of the field on the Hereford 22-yard line, giving the Panthers third down with 2 yards to go, instead of 11. Dixon ignored protests from the chain-bearers, who called the error to his attention, and from fans on the sideline nearby who caught the discrepancy in positions. Coach Stanton was working over injured Dyer, and didn't see the situation. Apparently the players didn't catch it.

Anyway, on the succeeding two plays, the Panthers barely made the two yards for a first down, and were far short of the

Dimmitt Garden Club Invites Local Entries

Members of the Hereford Garden Clubs have been invited to enter flowers in a show sponsored by the Dimmitt Garden Club at the Castro County Fair, which will be held in Dimmitt on October 5.

In a letter to Mrs. Homer Brumley of the Hereford Garden Club, Mrs. Faye E. Holland, secretary of the Dimmitt Club, extended the invitation.

"Your club is cordially invited to make entries in the Dimmitt Garden Club Flower Show, which will be held on Saturday, October 5, at the Castro County Fair," Mrs. Holland wrote.

"Flower show entries will be at the County Courthouse in Dimmitt and must be made not later than 11 o'clock on the morning of October 5."

The Dimmitt show will be held on the day following the Eighth Annual Hereford Flower Show, which is sponsored by the two local Garden Clubs.

Fall Gardeners Are Warned To Plant More Seed

COLLEGE STATION, September 22.—Since germination in the fall is usually poor, fall gardeners should plant about one-fourth more seed now than in the spring in order to obtain a good stand of vegetables.

This is the opinion of J. F. Rosborough and C. R. Heaton, horticulturists of the Texas A. and M. College Extension Service, who also points out that seed with a hard coat, such as spinach, beets, and swiss chard, should be soaked in warm water over night before planting.

These soaked seed should not be planted in dry soil. Gardeners should irrigate before planting or plant immediately following a rain. To bring the seed in direct contact with soil moisture so that growth will start at once, the soil may be pressed around the seed by tamping with a hoe. Walking along the row and pressing the dirt down will also help start germination quickly.

Due to high temperatures during the late summer and early fall, soil moisture is quickly lost through evaporation. It is important to stir the soil frequently to conserve moisture and prevent packing. Generally, say the horticulturists, it is safe to stir the soil about two inches deep. Deeper cultivation damages the roots of growing vegetables.

In irrigation, a shallow furrow between the rows should be made, so the water may run slowly and penetrate to the plant roots. This system is better than a rapid irrigation or sprinkling on the surface of the soil.

Farm Prices Drop In Texas During August Says BAE

COLLEGE STATION, September 23.—Prices received by Texas farmers and ranchers for a number of products dropped during the month ending August 15.

According to a report from the Bureau of Agricultural Economics in Austin, received by the Texas A. and M. College Extension Service, this decline in prices offset to some extent the general farm price advances 11 yards they should have faced at this point. Whether the course of the game would have been altered if the Herd had taken over then is doubtful, since the touchdown play which followed hinged on a blocked kick; but it was, at any rate, an inexcusable error for a competent official to make . . . and doubly so when he failed to correct it.

Don't sell the Herd short, however, because they had an off-night. They're still a real ball club, and this corner will go on the line right now with a prediction that they'll prove it when they meet Whitedeer on the home field tomorrow night.

Beckman Buys Surplus Air Compressor

FORT WORTH (Special)—Walter J. Beckman of Hereford, a veteran of World War II, was among the 34 successful veteran purchasers to participate in awards of farm and construction machinery in a sale conducted by the War Assets Administration's regional office in Fort Worth this week.

Beckman has been seeking an air compressor since March when he was certified by WAA for the purchase of this critically short supply item. He has been awarded a portable air compressor which was recently declared surplus at Childress Army Air Field. Since the air compressor was in used condition, Beckman acquired it at the low price of \$61.60.

recorded in July. The report showed slight to sharp drops in prices received for grains, peanuts, milk cows, chickens and all meat animals except hogs. The most significant declines were in prices of corn, grain sorghum, beef cattle, calves, sheep and lambs.

Sharp advances continued on cotton, cotton seed and hogs. Cotton at 33.6 cents per pound was the highest since July 1920, but was still 2.6 cents per pound below the peak of 36.2 cents reached in March, 1920. During the month, hog prices were at a record high of \$20.30 per hundred pounds. The previous record was \$18.60 in August 1919.

Only slightly higher prices were received by farmers during the month for turkeys, dairy products and alfalfa hay. Other farm prices did not change significantly during the period.

Brumley-Hopson Wedding Ceremony Held at Home of Bride Sunday

A wedding of interest took place Sunday afternoon at the home of Mr. and Mrs. B. E. Brumley when their daughter, Naomi, became the bride of Earl Dean Hopson, son of Mr. and Mrs. Earl E. Hopson.

Minister A. V. Isbell of the Church of Christ in Friona, read the double ring ceremony as the couple and their attendants stood before an improvised altar of orchid and white dahlias and seven branched candelabra holding white tapers.

Miss Ellen Posey sang "Through the Years" (Youmans) accompanied by Miss Thelma McMinn who also played "Al-

ways" preceding the ceremony and the wedding march from Lohengrin as the bridal party entered.

Honor attendant for the bride was Mrs. Marvin Knox. She wore a formal dress fashioned with ivory lace bodice and orchid taffeta skirt. She wore a flower corsage with shoulder length veil and carried a bouquet of white rosebuds and orchid asters tied with orchid and white ribbon. Elton S. Hopson served his nephew as best man. Jack Brumley and Glen Hopson lighted the tapers.

The bride, who was given in marriage by her father, made a

lovely picture in all white. Her dress was of silk chiffon made with sweetheart neckline, long fitted sleeves and flared skirt. Her veil of imported illusion fell from a halo of orange blossoms and seed pearls. She carried a bouquet of white rosebuds tied with white satin streamers. Her something old was her maternal great-grandmother's wedding ring worn on a gold chain. Her blue and borrowed handkerchief was one carried by the bridegroom's mother at her wedding and she wore a coin in her shoe for luck.

Mrs. Brumley wore an afternoon dress of black crepe with net inset and a corsage of gardenias. Mrs. Hopson, the bridegroom's mother wore a navy two piece suit with gardenia corsage.

Only immediate members of the two families were present for the ceremony and approximately fifty relatives were entertained at a reception which followed the wedding.

The bride's table was laid with lace and centered with a cluster arrangement of orchid and white asters and lighted tapers. A miniature bridal couple standing beneath a white wedding bell topped the three tiered wedding cake. Mrs. T. A. Wilson served the wedding cake and Mrs. Stanford Knox poured punch assisted by Miss Thelma McMinn and Miss Ellen Posey.

When the couple left on a wedding trip to points in New Mexico, the bride wore a gray wool gabardine suit with white jersey blouse and brown plumed hat. Her accessories were in cherry cokes patent and her corsage was of pink rosebuds. Mrs. Hopson is a graduate of Hereford High School and

Miss Vera Mae Latham Is Bride of Ernest Neff in September 4 Rites

The marriage of Miss Vera Mae Latham, daughter of Mr. and Mrs. Art S. Latham of Tuttle, Okla., and formerly of Amarillo, and Ernest Neff, son of Mary Neff of this city, has been announced here.

The wedding took place in Clovis, N. M. on Wednesday September 4, in the First Baptist Church with the Rev. H. R. Starling conducting the ceremony. Mr. and Mrs. Jim Loving were the only attendants.

The bride wore a fall suit of medium blue wool with white silk blouse and off-the-face hat. Her accessories were in black and her corsage was fashioned of talisman roses.

Mrs. Loving wore a black crepe dress with black accessories and a corsage of sweetheart roses.

Immediately after the ceremony the couple left on a brief wedding trip to Las Vegas and Eagle Nest, N. M. They have returned to Hereford and are now making their home here. Mr. Neff is operating a farm near Hereford.

Mrs. Neff attended Texas and Oklahoma schools and was formerly an instructor at the Arthur-Murray Studios in Oklahoma.

Mrs. Bob Lewis Is Hostess to Dawn Study Club

DAWN, Sept. 23—Mrs. Bob Lewis was hostess to the Dawn Study Club on Wednesday, September 18.

Mrs. Ernest May was program director, with Mrs. Boyd Stewart and Mrs. Carl Wilberly discussing the topics, Facts About Race and Music.

The next club meeting will be on October 1 in the home of Mrs. Herbert Miller. Each member is urged to attend the club.

A salad plate, with coffee,

attended Texas State College for Women at Denton last year, where she majored in advertising design.

Mr. Hopson attended Hereford High School before entering the Army in ebruary 1943. He spent 22 months with an armored tank division in the European Theater of War. He received his discharge January 1946 and he is now employed at the Deaf Smith County Packing Plant.

Mrs. Ernest Neff, a new arrival in the city, was Miss Vera Mae Latham of Tuttle, Oklahoma, before her marriage on September 4.

Mr. Neff who has recently moved to Hereford from Idaho, served in the Army during the War and has recently received his discharge.

Baptist Class Elects

Members of the Phebean Class of the First Baptist Church named new officers at a class party given at the home of Mrs. James C. Mercer recently. Mrs. Travis Caraway was cohostess.

Mrs. Jimmie Alford, retiring president of the class, was in charge of installation rites for the following officers: Mrs. Clinton Jackson, president; Mrs. Sneed, vice-president; Mrs. James C. Mercer, secretary-treasurer; Mrs. Gerald Wilson, stewardship chairman; Mrs. Jason Luck, membership chairman; Mrs. R. A. Singer, fellowship chairman; and Mrs. Travis Caraway and Mrs. Clarence Schulz, group captains.

was served to the following members and guests: Mesdames Lloyd Bentley, J. B. Caraway, Fred Fain, R. B. Latham, Carl Luke, Alfred May, Ernest May, H. V. McCabe, H. E. Miller, H. H. Miller, Norman Miller, Jed Miller, Boyd Stewart, Zed Stewart, Carl Wimberley, William Wimberley, Baker Womble, L. A. Smith, and Miss Mildred Luke and the hostess.

Recent Bride Is Shower Honoree

A recent bride was feted at the home of Mrs. H. V. Stanton Tuesday afternoon September 17, when Mrs. Howard Higgins and Mrs. Hartland Caraway were cohostesses with Mrs. Stanton at a shower honoring Mrs. Jack Williams.

Asters were combined with gladioli and dahlias for attractive decorations for the party and refreshments were served from a table emphasizing the blue and white theme used by the bride at her wedding.

Mrs. Higgins directed games and Mrs. Caraway gave readings for entertainment.

Those present were the honoree, Mrs. M. B. McGoughey, the bride's mother, Mesdames; Clyde Battles, Elmer Patterson, Ulysses Pierce, Paul Wilson, Truett Johnson, E. Ramey, Asia Campbell, Albert Higgins, Ernest McGee, B. E. Brumley, Gordon Witherspoon, Clinton Reece, Burl France, M. H. Wiseman, E. J. Reynolds, Wilburn Axe, H. R. Patterson, Raymond Childers and the hostesses.

Mrs. Williams is the former Miss Oma Lea McGoughey of Vega. He is the son of Mr. and Mrs. Arthur Williams of Amherst. The couple was married on August 17 at the Church of Christ in Canyon with minister Lyle Bonner officiating. They are now making their home in the Wyche Community.

Worley Finds Japanese Industry Is Smashed by American Air Forces

EDITOR'S NOTE: This is another in a series of articles by Congressman Gene Worley reporting on a Congressional inspection trip to the Far East.

We landed at Atsugi Airport which is thirty miles from Tokyo but the closest landing field. Traveling from the airfield we went through Yokohama which was the most heavily industrialized section of Japan. Practically every industry had been completely smashed by incendiary and explosive bombs. One proof of the desperate shortage of steel during the last days of the war could be seen in the removal of steel rails across numerous Japanese bridges. The Japanese people are living in any kind of shelter they can find. General MacArthur stated there is not an inch of tillable soil in any part of Japan which is not being cultivated and in spite of these efforts a relatively large number of Japanese are still starving to death daily.

The attitude of the Japanese people themselves is hard to evaluate. We were told that dur-

ing the war and due to the propaganda of the war lords the whole populace was united practically 100% behind the war effort. Since the government controlled all means of information, the Japanese thought they were winning the war even when they were being defeated on every hand. Today, however, they seem to have learned just how badly they were fooled and are very bitter toward their former leaders. General MacArthur gave the Committee a detailed report on the success of the current occupation but it was significant to note that again a rather large number of Russians were trying to incite dissatisfaction among the great masses of Japanese laborers. It might also be interesting to point out that Russia has at least a million Japanese prisoners of war for which they have never accounted to anyone. It is assumed, of course, that these prisoners have been taken into the interior of Russia as slave labor and will never come back. A good part of downtown Tok-

Dr. J. A. Hill to Head USO Drive in This Area

Dr. J. A. Hill, president of West Texas State College of Canyon has accepted the appointment of Governor Coke R. Stevenson, General Chairman for the next and final Texas USO drive, to lead Deaf Smith, Oldham, Randall and Potter counties in the coming campaign, it was announced today.

Texas, with a quota of \$800,000 in the "See-It-Through" campaign which will continue USO activities through 1947, has been divided into six regions and 66 districts. Mr. Robert L. Anderson of Vernon is chairman of the Northwest Texas region, and will work with Doctor Hill and the county chairmen in this district.

"General Jonathan Wainwright has pledged his support in the Texas campaign, saying that many of the USO services which helped immeasurably in keeping morale of our armed forces at a high level during the war should be continued through the present difficult transition period," said Col. Carl L. Phinney, president of the 36th Division Association and State Campaign Chairman.

"We owe an inestimable debt to our Purple Heart veterans. The least we can do is continue the USO hospital service activities which mean so much to those still under treatment for war injuries," said Colonel Phinney.

"Nor can we forget the armies of occupation, the men still overseas striving to maintain the hard-won peace, or the young boys now in training. These men need more than ever a 'home away from home.'"

"General Eisenhower has said, 'We want as much of USO as we can get as long as we can get it.' Now every Texan has the privilege of 'seeing it through.'"

Luncheon Opens Bay View Season

The Bay View Club, one of the oldest women's organizations in Hereford, began its work for the year with a luncheon at the home of Mrs. Travis Dameron Thursday. The club was organized in 1909.
 Autumn leaves and garden flowers were combined with bright orange berried sprays to emphasize a Fiesta theme with the shades of the flowers repeated in all the lovely colors of Fiesta table service. Quartet tables were centered with crystal vases holding miniature blossoms in the same gay colors and tiny flower sprays decorated the mirror place cards. Tapers in the Fiesta colors gave candle-lighting.
 The social committee consisting of Mrs. D. H. Alexander, Mrs. Howard Gault and Mrs. C. F. Moore were in charge of all arrangements.
 After the luncheon a short business session was conducted and Mrs. J. R. Allison was welcomed as a new member of the club.
 Mrs. Marvin Boyd, chairman of the year book committee, presented new year books and commented on outlines which are built around a course of study on "Literature." Other members of the year book committee were Mrs. Travis Dameron and Mrs. Herman Ford.
 Five special programs, besides the regular study programs, have been included this year; A Camp Fire Work program when members of Shishtintia Camp Fire Group, which group the Bay View Club sponsors, will entertain. A religious program when the Rev. Roy Ford will give an introduction to the Revised Standard Version of the New Testament, Texas Day, a musical program at Christmas time and a program on city planning which is scheduled for early spring.

Good Harvest

Canada's western wheat farmers hit the jackpot this year with a harvest of 440,000,000 bushels, 100,000,000 more than in 1945 and the largest crop since 1942's alltime record. Above, C. O. Wagoner of Regina, Saskatchewan, checks samples of his fine product.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.
 Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.
 If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.
 You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 30 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
- Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- Choice of branch of service and overseas transfer (of those still open) on 3-year enlistments.

NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothing and Medical Care	Master Sergeant or First Sergeant	MONTHLY RETIREMENT INCOME AFTER:

Shower Honors Bride-Elect

A shower complimenting Miss Naomi Brumley whose marriage to Earl Hopson Jr. took place Sunday, was given at the State Park club house Thursday evening. Hostesses included Miss Ellen Posey and Mesdames Elmer Patterson, H. H. Caraway, Phil Radovich, J. C. Reece, Stanford Knox, Burt France, F. G. Witherspoon, L. R. Blevins, and J. R. Williams.
 The club house was aglow with flowers in all of autumn's bright colors and lighted tapers. A low arrangement of orchid and white dahlias emphasized the bride's colors chosen for her wedding. Cake squares and other refreshment dainties repeated the colors. Mrs. L. R. Blevins poured punch and Mrs. J. R. Williams served the cakes.
 Mrs. Elmer Patterson greeted the guests at the door and introduced them to the receiving line which was made up of Miss Brumley, the honoree, Mrs. Bonnie Brumley, the bride-elect's mother, Mrs. Earl Hopson Sr., mother of the bridegroom-elect,

To those who eagerly await their new Chevrolets... Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

KEEP YOUR Present Car Alive
 Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

IT PAYS TO GET GENUINE Factory-Engineered CHEVROLET PARTS

For repairing your Chevrolet car or truck, insist on getting genuine parts... made expressly for Chevrolets to the standards and specifications of the original parts... It stands to reason that Chevrolet engineers know what's best for the vehicles they design. And a part made to fit a number of makes may not be so good for one particular make as the part designed for that one make alone.

Fan Belts, for instance...
 Different yearly-model Chevrolets have different-size pulleys with different V-angles—so Chevrolet has a particular belt for each model—just any belt won't do. (In tests, genuine Chevrolet belts have stood up 2 1/2 times as long as non-genuine belts.)

As with Fan Belts, so with Other Parts — It Pays to Use Genuine CHEVROLET Parts!

Who Will Benefit? That's the 12 Million Dollar Question of your Public Service Co.

There are just about as many answers to that question as there are people in the Panhandle Plains Pecos Valley area.

Your Public Service Company's 12 million dollar expansion program will benefit everyone.

There'll be many new industries using low cost, reliable electric power, more homes with the advantages of electrical living, more farmers taking on Reddy Kilowatt as their new "hired hand."

We're happy that in our 22nd year, we're a pioneer in building ahead for the future. Our expansion program will bring better living, electrically, to everyone in the years to come.

Soil Poisons To Kill Termites Recommended

Sprays, fumigants, or paints, will not kill wood termites that are attacking house timbers, but using a soil poison to cut off the mud gallery from the house will do the job.

So stated Dr. John B. Schmitt, assistant professor of entomology at Rutgers University, New Brunswick, New Jersey.

"The real answer is in the soil," said Dr. Schmitt, who also is a staff member of the New Jersey Agricultural Experiment station. "The key to the whole thing is the termite's need for soil moisture; it must be able to go back and forth between the soil and the wood. Cut it off from either one, and it dies. Sometimes a small structural change will do the trick, but more often you need a soil poison."

There many soil poisons, Dr. Schmitt asserted. The easiest one to use, he said, is orthodichlorobenzene. "You dig a shallow trench along your foundation wall and pour in orthodichlorobenzene at the rate of two gallons to ten linear feet," Dr. Schmitt explained. "With an earth-filled porch, the best thing to do is dig up the porch along the foundation."
