Spectators Fire Wildly

LATE BULLETIN
WASHINGTON, March 1 (AP) — A group of men and a woman—shouting "Free Puerto Rico"—fired pistols from a House gallery at Congress members today and hit at least five.

In milling confusion, the members first ducked, ran, then turned back to aid their injured colleagues.

Spectators grappled with the pistol wielders in the gallery and police leaped after them.

The lawmakers wounded were:
Alvin M. Bentley (R-Mich).
Ben F. Jensen (R-Iowa).
Clifford Davis (D-Tenn).
Kenneth A. Roberts (D-Ala).
George H. Fallon (D-Md).

Bentley was struck through the chest. He dropped to the House floor apparently seriously injured.

The House had just decided to debate a bill to permit U. S. recruiting of Mexican farm labor.

While Bentley lay on the floor of the House near the speaker's platform, two members of the House who are physicians, Reps. Miller (R-Neb) and Fenton (R-Pa), attended to him as best they could.

Rep. Roberts (D-Ala) was carried from the chamber on a stretcher.

Rep. Van Zandt (R-Pa), who rushed from the chamber, said bullets pinged past him. He said Reps. Fallon (D-Md) and Roberts (D-Ala) were hit.

Van Zandt said bullets were sprayed across the House floor to the left of House Speaker Martin. He estimated there were 20 to 25 shots altogether.

Van Zandt said he raced up to the gallery, to the left of the speaker, and seized one of the men who had been firing a German Luger automatic.

During the struggle, he said two men and a woman were captured and hauled off by Capitol guards.

COFFEE HITS \$100 A POUND.

The price of coffee here was \$100 per pound Monday morning.

That was the fine levied in City Court by Judge W. E. Greengates against a man who admitted stealing a pound of coffee Sunday.

The man, a transient, was arrested in the 1900 block of Gregg after taking the coffee from Newsom's Super Market. He was charged with theft under \$5 and pleaded guilty.

The man had a record of 21 past arrests for such crimes.

Police Surround Building, Catch Burglars On Job

Two burglars were forced to surrender to police late Saturday night after being trapped in Radford Big Spring Company, wholesale grocery firm at 101 Runnels.

The two men yelled from a window of the building that they wanted to "give up" when they saw a cordon of officers surrounding the building.

Police had been tipped off that the two men broke into the building by R. F. Fallon, clerk at the Texas and Pacific Railway Company. Police Chief E. W. York said the building was immediately surrounded.

The two men, one from Fort Worth and the other from Dallas, are also being investigated today in connection with a break-in at Higginbotham - Bartlett Lumber Company.

A safe was "knocked" at the lumber company, but police said there was no money missing.

Both men arrested are between 30 and 35 years old. Capt. C. C. Aaron, who was questioning them this morning, said that each has a petty crime record, but that neither has been arrested before on breaking and entering charges.

One of the men was apprehended here several months ago on charges of displaying a deadly weapon.

Arrest of the two men took place about midnight. Fallon said he did not actually see the men enter the building but saw them loitering about the company loading dock.

County Fathers Set Landscaping For Courthouse

Decision to landscape all of the courthouse grounds except for street-widening space on three sides was reached this morning by county commissioners.

The commissioners court took the action after reviewing suggestions submitted by some 120 individuals and six civic organizations. The suggestions were overwhelmingly in favor of beautifying the grounds.

Six individuals suggested that part of the square be given over to parking area, but the remainder said they were in favor of landscaping.

Some of those favoring beautification also suggested that Third, Scurry and Fourth Streets be widened around the square.

Commissioners ordered that a landscaping engineer be retained immediately to start planning the beautification program. County Judge R. H. Weaver is to contact the Lambert Landscaping Company in Dallas to determine if that firm will be interested in the project.

Lambert representatives conferred with commissioners about the matter several months ago.

Judge Weaver also is to contact city officials to determine if the city will accept for street purposes such portions of the square as may be dedicated for widening the three streets.

Commissioners pointed out in their discussion this morning that widening of the three streets would permit head-in parking and thus increase the number of vehicles that could be parked around the square.

The commissioners court set aside last week for the receipt of suggestions concerning improvement of the grounds. In addition to the 120 individuals who submitted proposals, the following six organizations turned in suggestions: Kiwanis Club (unincorporated), 1946, 1948 and 1953 Hispanic Clubs, Big Spring Garden Club and the Women's Society for Christian Service (First Methodist Church).

Freeze Forecast Here Tonight With Norther Area Fruit Trees, Shrubs In Danger

Returns To U.S.

Cpl. Claude J. Batchelor is shown being interviewed upon his arrival in the United States Saturday at McClellan Field near Sacramento, Calif. Sunday he arrived in his West Texas home, after being greeted at El Paso airport by his parents. Just how the home town was going to receive Batchelor, who had been one of 23 prisoners who had chosen to stay with the Reds but then changed his mind, was not fully known.

Area Fruit Trees, Shrubs In Danger

A new norther heading southward across Texas is due to drop temperatures well below the freezing mark here tonight.

The Weather Bureau has predicted a low of 28 degrees in the Big Spring area.

This could damage some fruit trees and other plants that already have put on spring growth, said F. E. Keating, superintendent of the U. S. Experiment Farm.

Keating said some peach trees here are in full bloom, and these may expect some damage. However, the extent of damage would depend upon the length of time the thermometer remains below freezing. A period of several hours with sub-freezing temperatures could wipe out the fruit crops for trees now in bloom, unless the trees are protected, he explained.

Blowing dust is expected to accompany the fresh northerly winds into the area.

Ranger Charges Asked Dismissed

ALICE (AP)—Attorneys for two Texas Rangers accused of trying to murder political boss George Parr asked today to have the indictment thrown out of court.

The motion was based on grounds that three jury commissioners who chose the current grand jury were not qualified to serve on the commission.

The Jim Wells County grand jury returned the assault-to-murder indictment against Capt. Alfred Allee and Ranger Joe Bridge following a courthouse scuffle here Jan. 18.

Parr had his ear bloodied and his nephew, Duval County Sheriff Archer Parr, had his glasses knocked off in the brief scuffle. Allee drew his pistol but holstered it when a reporter yelled at him.

The Rangers' motion challenged Jury Commissioner W. C. Johnston on grounds he had not lived in Jim Wells County the required six months when he was appointed.

The other two commissioners, B. O. Goldthorn and Fidel Hul, were from grounds that when they were appointed they already were serving on a grand jury.

Representing Allee and Bridge were Jacob S. Floyd of Alice and the Corpus Christi law firm of Hyde, Shireman and Barber.

The courthouse scuffle occurred while Parr wanted to plead innocent to charges he illegally carried a gun while observing a meeting of the Freedom Party, which opposes him. His trial is set for March 15.

Since then, Atty. John Ben Shepherd and internal revenue and postal agents have brought into the open a long investigation into the affairs of Parr and two Duval County school districts.

After the Rangers were indicted, Parr sought a federal injunction ordering them to leave him alone. He claimed they had shown clearly that they wanted to kill him.

Over 20 Die In Sudanese Attack

By ZEIN NAGATI
KHARTOUM, Sudan (AP)—Police bullets beat off a wild attack on the British governor general's home today by yelling Sudanese tribesmen brandishing steel-tipped spears in a demonstration against visiting Egyptian President Mohamed Naguib.

At least 21 persons were reported killed, including the British police commander, Col. H. S. McGuigan, and six of his men. More than 100 persons were wounded, 30 of them critically. Authoritative sources reported the Sudanese police chief Brig. Martada El Mahdi, among the victims.

The clash came after more than 30,000 demonstrators agitating for and against Naguib massed in the capital. Members of the pro-independence Umma party, brandishing spears and shouting anti-British and anti-Egyptian slogans, marched on the home of Gov. Gen. Sir R. Bert. How, where he was being entertained after his arrival by plane from Cairo.

Sudanese police, commanded by British officers, first tossed tear gas grenades at the pressing crowd and then opened fire with their guns while the tribesmen charged with outburst spears. The seven slain policemen fell before the spear charge.

Naguib came here with Egyptian Guidance Minister Salah Salem for the inaugural session today of the Sudan's first Parliament. After the fighting, the governor general announced the ceremony would be postponed indefinitely. Salem, who once did a dance in his underpants to win Sudanese support for Egyptian plans, was one of the men who helped engineer Naguib's ouster last week.

Rival factions representing the pro-independence Umma party and the pro-Egyptian National Unionist party led by Sudanese Prime Minister Ismail el Zahary invaded the city's streets early today shouting slogans at each other.

Plane Found In Wyoming

NEWCASTLE, Wyo. (AP)—A ground party early today found the shattered wreckage of an airplane which apparently crashed in a snowstorm and killed nine persons.

In the first brief report from the scene by radio, State Highway Patrolman George Wilcox told the sheriff's office here: "It's a mess."

Details were not immediately available.

The Western Air Lines Convair, en route from the West Coast to Minneapolis, disappeared Friday with six passengers and three crew members.

It first was located from the air yesterday and a three-man party headed by Sheriff Carl Thoenning, unable to find the wreckage in darkness, spent the night in the vicinity.

Batchelor Sees Family, Friends

KERMIT, Tex. (AP)—A soldier and the home town and family he once forsook for communism were quietly getting reacquainted today.

Cpl. Claude Batchelor, self-described former leader of other American prisoners who chose to stay with the Reds in North Korea, got home yesterday.

He was welcomed by his family at El Paso, where he arrived by commercial airliner.

How the approximately 6,912 citizens of Kermit will ultimately receive him couldn't be determined right off.

The town was Sunday quiet when he drove the family car up to his parents' frame house that stands alone in its block.

This oil and cattle town on the west Texas plains is where Claude, now 23, grew up, where he played cornet in the high school band.

Kermit saw him leave as a youth of 16 to join the Army. Later he heard he'd turned "Pro." He set the town to talking again when, last New Year's Eve, he returned to the Allied side.

He seemed unworried after his homecoming. He said he was happy, hoped to get out of the Army soon, wanted his Japanese wife in the United States and planned to continue his education.

Looming in white shirt and slacks, he told reporters: "Everyone is just as friendly as they can be." Then he added, "But I guess I should admit I haven't had much chance yet to talk to the folks here in Kermit. Some of my old friends have come around to say 'hello' already, though."

He said he is not due to report at Brooke Army Medical Center, San Antonio, for a checkup until Wednesday.

"Right now I want to relax, maybe go fishing. And, after Brooke, I'll have a 30-day furlough. I hope to spend it here in Kermit."

No Depression Due, Farm Meeting Told

A promise that this country is not headed for a depression particularly in agriculture, and opposition to Gov. Allan Shivers' compromise plan for pay increases for school teachers, were voiced in a Texas Farm Bureau District Six meeting at the Settles Hotel this morning.

Loy D. Barbour of Iowa Park, a director of the TFB told the 50 area county Farm Bureau officers and directors:

"We are not headed for a depression and there is not going to be a depression in agriculture as long as we have fair price supporters."

He said those who are looking backward have overlooked the fact there were no price supports in 1932. The speaker warned his audience to be on guard against partisan politics. "The party in power is always the party with the responsibility," he stated, "and the party not in power is always the party without responsibility. Don't be misled by partisan politics, because the program for agriculture must be non-partisan. It must be made up of, and have the support of, Democrats and Republicans alike."

Barbour warned that the enemies of agriculture are at work seeking to wreck the 35-year-old American Farm Bureau Federation, which he described as the largest and youngest agricultural organization in the world, representing 1,400,000 farmers and ranchers in all 48 states.

He pointed out that the AFBF, through the affiliation of the various state and county farm bureaus is probably the most democratic

WANTS TO RECALL ZWICKER

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) called Army men for questioning today for the first time since a truce was announced in his row with Secretary of the Army Robert T. Stevens on alleged abuse of a uniformed witness.

And the senator said yesterday Zwicker—the officer Stevens said suffered humiliating treatment at McCarthy's hands—should be recalled later because the general showed by his testimony he is "either mistaken or guilty of perjury, or the AP story and my investigators were wrong."

McCarthy was referring to an Associated Press account of a report given by the Army Friday on the case of a former major accused by McCarthy of subversive ties.

The truce announced five days ago rested on a memorandum by which Stevens agreed McCarthy's Senate investigations subcommittee might question Zwicker and other Army witnesses whose testimony it had been seeking. Earlier Stevens had directed Zwicker and another general not to heed a subcommittee subpoena.

Today's call was for the testimony of two privates, identified in ad-

10 Sign Up For Soap Box Derby

After only one full day of registration, 10 Big Spring boys have gotten their names on the dotted line for participation in the great Soap Box Derby, outstanding youth event in the nation.

Boys between the ages of 11 and 19 are urged to sign up to take part in the Derby, and may register at the Tidwell Chevrolet Company. Registration is for a limited time, so the boys are urged to act promptly.

A parent must accompany the youth to register. There is no charge for the sign-up, and only cost to the boy is the price of a standard set of wheels, available only through the Chevrolet dealer. Then he is not permitted to spend more than \$10 in building his racer, which he must build entirely by himself.

Sponsors will be arranged for those boys who desire to enter. So every boy is urged to register. The Lions Club, which is sponsoring the local event along with Chevrolet and The Herald, will see to it that sponsors are available.

Plans are for at least 30 boys to take part in the local races, which will be run off in July. There will be prizes awarded, and the top winner gets an all-expense paid trip to Akron, Ohio, to compete for national honors in the National Derby. Winner at Akron will win a college scholarship.

Syria Prepares To Greet Ruler

By SIMON ALLAWERDI
DAMASCUS, Syria (AP)—Revolt-wracked Syria's army chief of staff sternly warned against further violence and demonstrations today as the capital prepared to greet the nation's new chief of state, Hachem Bey el Attassi.

Through rival factions of army rebels united behind Attassi and ex-dictator Ad. Shihab's Cabinet agreed to step out, new rioting broke out in Damascus last night and 13 persons were reported wounded, some seriously.

Troops broke up the demonstrations by firing on the crowds and using tear gas. The capital for the second night was under a curfew.

Damascus was calm again today.

One person was killed and 30 injured Saturday night when Shihab's troops fired on mobs who were demanding the resignation of the ousted dictator's Cabinet and Acting President Mahmoun Kusbari.

Kusbari, who took over after the army revolt Thursday sent Shihab fleeing into exile in Saudi Arabia, agreed to step down in favor of Attassi yesterday.

A 19-year-old political veteran and two-time president, was proclaimed head of the state in a broadcast yesterday by Col. Shawkat Shkeir, the army chief.

Shkeir said he was agreed on at a meeting of political and military leaders Saturday night at Homs, 90 miles north of Damascus. The truce meeting apparently healed the split which had divided rebels after their uprising last week.

Attassi was due here today from Homs to be received officially.

Unconfirmed reports today said a new Cabinet had been formed with Nationalist party leader Sabri Asaali as premier. The rest of the Cabinet reportedly includes three other Nationalists, four members of Attassi's Populist party and four independents.

Asaali and his party were dominant in the regime of Al Sayed Shukri al Kuwaty, who was ousted from the presidency by a military coup in 1949.

Shkeir said Attassi already had begun consultations to form a cabinet.

The chief of staff said the army was returning to its barracks. He appealed to the public to help preserve Syria's security.

Cooks Prepared

The cooks are ready to whip out the pancakes for the annual supper in the Parish House of St. Mary's Episcopal Church, Shrove Tuesday evening. Pictured getting things ready are J. P. Utley, Chief Chef, J. T. Johnson, John Kelley, and J. N. Young Jr.

Shrove Tuesday Supper Planned

The annual Shrove Tuesday pancake supper will be served by the men of St. Mary's Episcopal Church in the Parish House beginning at 5:30 p.m. Tuesday. This annual affair is the final preparation for the Lenten season which opens on Ash Wednesday. The ancient custom has been kept from very early times and is significant from the fact that when the faithful came to the Church on the Tuesday before Ash Wednesday to make their final preparation by making their confessions and being shriven (forgiven) of their sins, they then ate of the cakes which are comparable to the bread cakes of the Lord's Supper. Lent is always a season of prayer and fasting and the cakes were symbolic of the bread of life which could sustain them even though they observed the strict fast by eating no meat. The men who will participate in the serving of the dinner are members of the Vestry of St. Mary's and the Episcopal Men's Fellowship.

Philadelphia Explosion Kills Five, Injures 21 And Routs Some 500

PHILADELPHIA (AP)—Five persons, including three children in a neighborhood luncheonette, were killed last night when a violent explosion destroyed two buildings in a crowded section of South Philadelphia. A 17-year-old girl, Ruby Moseley, trapped for six hours in a public telephone booth under the mountain of rubble, escaped unharmed. Twenty others, including four firemen, were injured. The blast, of undetermined origin, occurred on a quiet Sunday night in one of the most densely populated areas of the city. Deputy Fire Chief George E. Hink said it was "amazing" that the death toll was not higher. Just before daybreak Hink said he was satisfied there were no other bodies under the rubble. The roofs of two adjoining three-story brick buildings were lifted into the air, turned halfway around and dropped on the rear of the structures. Not a wall was standing when firemen arrived and flames licked at the pile of debris. Some 500 persons were routed from their homes and Red Cross authorities estimated 50 families were sheltered for the night. The buildings housed the luncheonette and an adjoining jewelry store. The upper stories contained apartments. The victims included the proprietor of the luncheonette, Isadore Pearlman, 50, and three young customers. The bodies of Bruce Schwartz, 9, and Salvatore Baladino, 6, were found under the soda fountain. The body of 15-year-old Marie Marone was uncovered nearby. The fifth victim was Mrs. Fanny Rudolph, 45, who lived in an apartment above the jewelry store. Her husband, Samuel, 45, suffered cuts and bruises. The impact of the explosion bent an electric sign across the street into a U-shape. Windows for blocks were shattered. Several neighbors told police they noticed the odor of gas before the blast. The fire marshal's office began an investigation today. The son of the luncheonette proprietor, 25-year-old Samuel Pearlman, a premedical student, described the experience as "a horrible nightmare." He and his 54-year-old mother fell from upper stories but were not seriously injured. "I felt myself falling through the floor, down through the total dark-

ness with a crash of sound," he said. "I must have blacked out for a few seconds for when I came to, I was on the first floor buried in plaster." The area of the blast—a part of old Philadelphia—is about three miles from the center of the city and a mile from the U. S. naval base.

Caracas Inter-American Parley Opens With Dulles' Reassurance

By BEN F. MEYER
CARACAS, Venezuela (AP)—Latin Americans here for the opening of the 10th Inter-American Conference today got word from Secretary of State John Foster Dulles that the United States' program of friendship with them has been the big northern neighbor's "most solid and dependable policy." "The friendly association of American states is the oldest foreign policy of the United States

and it is still our most solid and dependable policy," he said in a brief airport statement on his arrival for the 20-nation conference. The first day's program of the meeting was confined to formalities—a preliminary organization session in the morning and an afternoon plenary session with Venezuelan President Marcos Perez Jimenez extending the welcome. The conference is expected to last three to five weeks. Venezuela took extraordinary security measures to prevent a recurrence of the rioting in which some 1,500 persons were killed during the last Inter-American Conference, in Bogota, Colombia, in April 1948. Communists were blamed for that outbreak. High, well-guarded barbed wire fences surrounded the city where the conference activities center. Guards patrolled the airport at Dulles' arrival with his party of 15 experts on Latin America. Perez Jimenez sent his own automobile, which has bullet-resistant windows, for Dulles, but U. S. Ambassador Fletcher Warren said the special protection had not been requested. Dulles' statement emphasizing Washington's friendship with the southern neighbors came at a time when many Latin Americans were wondering out loud what policy President Eisenhower's administration would follow in this hemisphere. Communist infiltration in the Americas is one of the major topics for the conference, but Latin Americans consider economic matters the chief item. Dulles' brief statement made no mention of U. S. economic plans for Latin America. And he emphasized that U. S. friendship for Latin America is "based upon reciprocity and mutual aid." Any U. S. attempt to spotlight Guatemala for Communist influence on her leftist government appeared doomed to failure. The U. S. delegation had hoped to make this a clear-cut issue, but several foreign ministers made it plain they would hold out for discussion of communism only as a hemispheric problem, rather than in specific countries.

Congressmen May Issue Coffee Probe Subpoenas

By EDWIN B. HAAKINSON
WASHINGTON (AP)—Senators probing high coffee prices may decide today to order New York City coffee exchange members to turn over their lists of traders and speculators. Chairman Beall (R-Md) of a special coffee investigating subcommittee called a closed-door session to consider "subpoenas for books and records of some 50 coffee brokers."

ago. Since then retail prices, which had climbed to a dollar a pound or more, have gone up another 5 to 10 cents. The Senate group wants to examine books and accounts of the New York exchange to see if excessive speculation has caused any part of the increase. Beall said his group also has received reports that a corner in coffee may be causing some of the increase. "This is a trade term used when a group or individual acquires enough of a commodity or futures contracts to manipulate prices. Lobo and other officials have testified that the New York coffee exchange makes this impossible through its own regulations. The Senate has passed a bill that would impose government regulation and supervision of all speculation and futures trading in coffee by the Commodity Exchange Authority. Meanwhile, four U. S. clubwomen, who inspected Brazil's coffee situation on a 10-day trip there, have predicted that coffee prices will stay high for the next few years, and may climb even higher. The quartet from the General Federation of Womens Clubs were guests of the Brazilian Coffee Institute during their survey. And the Foreign Agricultural Service said yesterday available information lends to bear out coffee dealers' contention that the supply is short in relation to demand. However, the service said sizable unreported stocks of coffee may be held in the interior of Brazil, the major producer. It said current season production was estimated at 40,300,000 bags of 132 pounds each, while demand is expected to be at least up to last season's 41,300,000 bags.

Son's Truthfulness Brings Dad Trouble

SAN FRANCISCO (AP)—Officers, seeking to serve six traffic warrants on Theodore, Martin Sr., went to his home Saturday. They said Mrs. Martin assured officer Jeremiah Taylor that Martin, an auto mechanic, was not at home. But 3-year-old Theodore Jr. knew differently. "Daddy's in the front room," he proudly told the policeman. Taylor went into the living room. There were empty chairs, a rug on the floor, an unoccupied sofa—but no Martin Sr. "Look in the sofa," little Ted shouted gleefully. And there was Papa Martin underneath. He was booked at city prison and held in lieu of \$35 bail. "That's all right. That's all right. I've always told Ted to tell the truth."

Roy Rogers Obtains Nosebleed in Mishap

EDINBURGH, Scotland (AP)—Cowboy film star Roy Rogers shot himself and his horse Trigger during a weekend performance at a local theater. But tell the kids to relax. Roy escaped with a slight nosebleed and Trigger with a stung flank. They were hit by small pellets which ricocheted off the stage while Roy was demonstrating his pistol marksmanship.

Sometimes It Doesn't Pay To Be Prepared

LYNN, Mass. (AP)—Irrked because his ice cream store was burglarized twice during the past week, George Roland, 34, stood guard with a rifle all Saturday night. A thief showed up. Just as he dozed off yesterday morning, the telephone rang. It was police reporting another break at his place. Thirteen stolen nine cartons of cigarettes.

Pistol Examination Results In Death

HAGERSTOWN, Md. (AP)—State police reported a 16-year-old girl was fatally wounded last night while she and her boy friend were examining a .22-caliber pistol similar to one they had just seen on a television mystery. Trooper Clyde Tucker said after a preliminary investigation the shooting apparently was accidental. He said Linda Ann Lewis and her boy friend, William Eugene Pyle, 17, both of Hagerstown, were watching television at the home of Samuel Berger, 21, of Williamsport, with Berger and his date. Pyle remarked there was a pistol in the bedroom similar to one they had just seen. While they were examining it, Tucker said, the pistol went off. The bullet struck Miss Lewis in the left chest.

Youth Dies Despite Heart Massage Work

CUMBERLAND, Md. (AP)—Six-year-old Walter Thomas Brown Jr. died at Sacred Heart Hospital here last night, 11 days after a surgeon had made a dramatic attempt to save his life by massaging his heart. The boy's heart had stopped during a tonsillectomy. A surgeon, hurriedly summoned from an adjoining operation, made a quick chest incision and massaged the heart to restore circulation. But the five minutes Tommy's brain was without oxygen caused too much damage, a hospital spokesman said last night.

Five Texas Firms Named In Ice Cream Competition Case

WASHINGTON (AP)—Five Texas ice cream firms are among 63 ice cream manufacturers accused of unfair competition in complaints announced yesterday by the Federal Trade Commission. All five Texas firms named are subsidiaries of parent firms also named in the FTC complaints. The FTC said the firms involved do 40 per cent of the nation's billion dollar a year ice cream manufacturing business. The complaints allege the firms' methods "injure smaller ice cream manufacturers and if continued will result in further concentration of the ice cream manufacturing business in the hands of a few major companies." Texas firms, and their parent companies, named were Houston Diced Cream Co., Houston, a subsidiary of Arden Farms Co., Los Angeles; Carnation Co. of Texas, Wichita Falls, a subsidiary of Carnation Co., Los Angeles, and the following subsidiaries of Foremost Dairies, Inc., Jacksonville, Fla.: Phenix Dairy, Inc., Houston; Tennessee Dairies, Inc., Dallas; Texanex Dairies, Inc., Dallas; and Texas Ice Cream Co., Dallas.

MRS. JAMES E. BROOKS

Gail Anderson Says Vows With James Brooks

In an informal double ring ceremony, Caroline Gail Anderson became the bride of James Edwards Brooks at 2 p.m. Sunday in the chapel of the First Methodist Church in Kerrville.

The bride is the daughter of V. F. Anderson of Muskogee, Okla., and Mrs. Willy Anderson, 702 Goliad. Mr. Brooks is the son of the late Judge James T. Brooks and Mrs. Brooks, 606 Johnson.

The Rev. Ben E. Briehan, associate pastor, read the ceremony before an altar decorated with gold candelabra and gladioli. A Bible rested on the altar.

Mrs. Olga Self, organist, accompanied Maurice Stovall as she sang "Give Me Your Hand," Grieg's "I Love Thee, Dear" and "The Lord's Prayer." Mrs. Self played the traditional wedding marches.

Given in marriage by a friend of the family, C. J. Woerner, of Kerrville, the bride wore a dress of white imported Swiss cotton lace, with bouffant skirt and elbow length sleeves. The dress fastened with tiny buttons in the back and had a high round neckline.

The bride's pumps were in avocado green and she wore a matching bow on the side of her hat which was made of white stephanotis. Her flowers were white stephanotis and ranunculus on a Bible with streamers of white satin ribbon.

Maid of honor was Betty Jean Woerner of Kerrville, who wore a pale blue silk shantung two-piece suit with navy accessories. Her flowers were blue ranunculus.

HOLLYWOOD BEAUTY

Follow Your Own Type To Be Well-Dressed

By LYDIA LANE

HOLLYWOOD — It wasn't too long ago that Zsa Zsa Gabor was almost completely unknown. But since her first appearance on television as a guest star on a panel show her career boomed. She has now made many pictures, debuted a new night club act and has won for herself a high place among Hollywood's famous stars.

"I grew tired of talented people coming to my house and acting superior because I did not have a public life," Zsa Zsa told me recently as we were on the way to visit a soldier's hospital. "So I decided to show them what I could do."

Miss Gabor was wearing a beautifully cut black dress which I admired.

"I always feel smart in simple clothes," she confided. "But the trick is to dramatize them with the right accessories. Even if you have a limited budget you can look chic if you buy a simple dress and wear good shoes, purse and gloves. I have more gloves than anyone I know. I adore them. I have them in every color."

"Always remember that it is better to buy one thing and feel well-

dressed in it than to go after bargains," Zsa Zsa added. "If you can't afford a dress, buy a skirt and blouse that fits you well and change it around with flowers or pearls at the throat."

I wanted to know how Zsa Zsa followed fashion.

"I dress for myself," was her

MOPE ABOUT ZSA ZSA

Zsa Zsa's ideas on fashion and diet are good. Try them. Also, you'll learn more about Zsa Zsa's make-up secrets when you get a copy of leaflet M-27, "The Art of Make-Up." Written by Bill Tuttle, make-up man at MGM who has helped such stars as Miss Gabor, Elizabeth Taylor, Ava Gardner, etc., the leaflet features hints on how to correct facial faults with make-up. Get your copy by sending 5 cents AND a self-addressed, stamped envelope to Lydia Lane, Hollywood Beauty, Big Spring Herald.

quick answer. "All women who are chic dress for themselves. You must know your own figure and what looks best on you. Never choose anything that won't flatter you. Pay no attention to what a sales girl may tell you about what everybody is wearing. If you choose something just because it is new, you may look ridiculous in it. Take those short skirts they tried to make you wear. They were silly. Every woman knows just what place in her leg looks best for her and she need not slavishly adopt any other length. If short looks best, then wear short. But if it doesn't look right, don't wear it."

"We passed a bakery and the air was filled with the smell of hot bread. This started us talking about food and Zsa Zsa remarked that the women in the United States, even though they ate a great deal, had the best figures in the world."

"But you can't go to parties and not eat," Zsa Zsa agreed. "And for this reason I think diet is important. The smart thing to do is diet when you add two extra pounds. That's not much trouble because you can do it by eliminating starches, sweets and alcohol for a few days. But be sure to have a scale handy all of the time so you can weigh yourself regularly."

Big Spring (Texas) Herald, Mon., March 1, 1954 Radio Quiz Show Brings Misery To Canada Man

OTTAWA (AP)—Money-hungry Canadian radio fans think Acting Prime Minister C. D. Howe is the pot of gold at the end of a quiz show rainbow...

The program over an Ottawa station offers the pot to the lucky listener who identifies a mystery man from clues given out each week. Until a winner comes up, the pot goes up \$50 a week...

The callers have asked whether Howe wears a hearing aid, a wig, false teeth, Does he own a gold mine, or a krait and pretzels? Where does he buy his clothes and for how much?

The callers have pulled the minister out of the House of Commons chamber and pestered him at its several offices, but he finally instructed his staff to intercept them.

What the sometimes sharp-tongued Howe tells the information hunters, Mrs. Howe did not say. When she takes the calls, "I tell them we answer no personal questions." But that doesn't always work.

"Women have called and when I refuse to answer their questions, they have pleaded that their husbands are jobless, their children starving, the rent unpaid, and that winning the prize money is simply life or death to them."

"They make it sound like soap opera—bad soap opera."

Seven Employees Die In Fire At Resort

GROSSINGER, N.Y. (AP)—Seven employees were killed and 28 injured yesterday as flames swept through a staff residence at the widely known Grossinger Hotel and Country Club in the Catskill Mountains.

Prompt action by fire fighters kept the blaze from spreading to other buildings at the resort, which had a weekend guest list of 900. Among them is heavyweight boxing champion Rocky Marciano, who is in training.

Most of the guests apparently slept through the early morning blaze, which took 45 minutes to get under control.

Fire authorities, who were continuing to investigate the cause of the blaze, estimated damage at \$300,000.

None of those injured was reported in serious condition today. Many were hurt jumping in their nightclothes from windows of the burning 24-story stucco-covered frame structure.

The dead were identified as Siegfried Haas, 51, and his wife Erna, 49; David Bernstein, 30, and his wife Hannah, 32; Fannie Rosenenthal, 39; Catherine Krick, 45; and Jack Shildkret, 40.

DATE DATA

Dating A 'Square' Is Wise Sometimes

By BEVERLY BRANDOW
The telephone is ringing and you're running. "Hello!" you answer breathlessly. Maybe it's Ralph, that Atlas-looking fellow who carries the fame of Ye Ole High on his back when he runs with the pig skin. Maybe it's Steve, that smooth talker who cops all the debating prizes. Or could it be Bill who's such a smooth dancer?
It could be, but it isn't. A wrong number? Of if it only were. No. It's Caspar Catwick, a xpal drip of lemon juice if there ever was one. He's not good looking, his bill fold stays as tightly closed as a clam shell, he can't talk without getting his tongue tangled up in his wisdom teeth, and as for his dancing, he has two problems. His feet!
"Guess who this is?" Ugh! What an approach!
"Caspar Catwick," you reply without having to look into your crystal ball. Who else would be on such a flat line?
"Wanna date?" Heavens to Betsy. With him? Before you answer, wait a minute. Could be this isn't the open and shut case it seems to be. Some popular girls claim they became popular only after they realized that often the shortest distance between two points is around a square.
You see, there are two things to consider. First impressions aren't always right. Caspar Catwick, hard to believe though it is, could be a diamond in the rough. He may have such a crush on you and may be so shy he can't talk straight, and maybe he has enough hidden good points to make up for his dancing. I don't say that this is so; just that it is possible.
Just scads of happily married people will tell you that at first they detested each other until they really made an honest effort to get acquainted.
If you have your eye on a handsome dreamboat, no one blames you for setting your goal high, but certainly hearing that you were out with a date on Saturday night will intrigue your heart-throb much more than hearing that you stayed home with the TV set.
Boys feel more like the conqueror-masculine hero when they are able to date a girl who is admired by lots of boys. Rouse their interest by being seen on Saturday night.
Also, and this is something worth thinking about, even though Caspar Catwick doesn't make your heart beat any faster he is a key into a crowd of people. Very possibly through him you will meet someone really grand beyond belief. Certainly the chances are much greater than if you stay in your own room.
"Wanna date?" Caspar asks. Well, do you?

Commie Candidate Leads French Vote

VERSAILLES, France (AP)—A once-jailed Communist editor was high man yesterday in a Parliament election in Paris suburbs. Because none of the 18 candidates polled a majority, a runoff vote will be held next Sunday.
Andre Stii, editor of the Communist party organ L'Humanite, ran first with 97,873 votes—38.6 per cent—in the voting to replace a deceased Gaullist deputy, Andre Diethelm, in the Seine-et-Oise department.
The anti-Red candidates were expected to unite behind one of their number to beat back the Communist threat next Sunday.
Stii was arrested last summer on a charge of plotting against the French state but later was released.

Australia Reports Violent Earth Tremor

ADELAIDE, Australia (AP)—This capital of South Australia and a large area of the state were shaken last night by the region's most violent earth tremor in 50 years. No casualties were reported. Chimneys and some masonry toppled, windows shattered and walls cracked.

UNCLE RAY'S COLUMN

The word "Norman" came from "Northman," and it was used to describe men of the North who invaded France more than a thousand years ago. These men sailed and rowed their long boats from Norway and Denmark down the North Sea, and conquered a section of France. To this day a part of France has the name of Normandy.
Some of the Northmen brought their families with them. Others married French women. The time came when the king of France was glad to make peace with these people, and to admit that they owned the land on which they had settled.
The Northmen, or Normans, learned to speak French, and in time it became their usual speech. The Norman ruler was granted the rank of duke.
One Norman duke gained the hardy name of Robert the Devil, and a son of this man later became Duke William. The new duke was to play an important part in the history of England.
At that time, England was under control of the Anglo-Saxons. There came a time when an Anglo-Saxon king named Harold took the throne.
Two years before he came to power, Harold went sailing on the English Channel, and in some manner reached the coast of Normandy. His vessel may have been wrecked. In any case, Harold fell into the hands of Duke William.
At a later time William stated that his prisoner had promised to give up all claims to the English throne—in favor of the Norman duke. If Harold really made such a promise, he felt that it was forced from him, and was nothing which could keep him from taking the position of king.
Filled with the desire to conquer, Duke William gathered an army of about 40,000 men, and set out to cross the English Channel. That event took place 800 years ago.
William's last boat reached England ahead of the others in his fleet. No English soldiers were there to bar his way, and he eagerly leapt to the shore. Tripping and falling, he caused his soldiers to groan and exclaim: "This is a bad omen!"
"Not at all!" replied the duke, waving a hand filled with sand. "I have here a handful of English soil, and it is a sign that I shall own all of England!"
Tomorrow: Battle of Hastings.

Redecorating Made Easy

A. A. Cooper, manager, (left) and A. W. Franklin look over their sign at Nabors Paint Store, 1701 Gregg, advising patrons of a remodeling and redecorating plan now available at the Nabors firm.

Nabors Firm Can Help With Redecorating

There's little reason for putting it off if you want to remodel and redecorate your home, according to A. A. Cooper, manager of Nabors Paint Store, 1701 Gregg. The Nabors Paint Store specializes in redecorating materials and keeps a stock on hand that enables customers to select any type wanted. At present the firm is boasting a loan plan whereby customers can arrange for \$80 to \$2,500 in redecorating work with up to 36 months to pay. Either Cooper or A. W. Franklin, representative, will welcome an opportunity to discuss the plan with prospective customers. Cooper has had eight years of experience in the retail paint business, while Franklin has had five years of experience. They are both available for consultation, and can help patrons solve many home beautification problems. The firm also maintains an art shop, which has proved to be exceptionally popular.

Wagon Wheel Top Spot For Tourists

One of the most frequented spots in Big Spring by those passing through is the Wagon Wheel Restaurant at 803 East 3rd. Mr. and Mrs. H. M. Rainbolt, who operate the restaurant, say that a good percentage of their trade is made up of tourists traveling Highway 80. And the Rainbolts firmly believe that the attractive building with the novel decorative scheme is what catches the travelers' eyes. A number of the travelers stop in on return trips, however, and the owners attribute the second stop to the good food and service offered on the first go round. "We've got quite a reputation to live up to if we retain the title 'Big Spring's Finest Restaurant,'" Mrs. Rainbolt said. "Consequently we have to give the customer the best of everything." It is the "giving of the best" that accounts for the huge following that the restaurant has right here in Big Spring. The Rainbolts make sure that each customer is treated individually and according to his tastes. And right along with the good food and courteous service, there is pleasing atmosphere aplenty. Lights are low, seating is comfortable, and soft organ music is played in the background. Practically any dish desired can be ordered at the Wagon Wheel, whether found on the menu or not. Selections range from the dinner last, through a la carte orders, to sandwiches. Treatment by the waitresses, host-

Cornelison Cleaners Assure Quality Work

Absolutely top quality dry cleaning work, made possible by the best of equipment and expert cleaning know-how, is assured Big Springers by Cornelison Cleaners, 811 Johnson. Roy Cornelison, owner and operator of the establishment, acknowledges that good equipment is essential to good work. For that reason, he has equipped his shop with the best tools money can buy. But Cornelison points out that equipment is powerless by itself. Consequently, he says, cleaning "know-how" is the most important element in the cleaning business.

cleaned garments picked up without the necessity of getting out of the car. The convenient location of Cornelison Cleaners is another factor that has contributed to the concern's long list of satisfied patrons. Situated at 10th and Johnson, the establishment is handy for the housewife on a shopping trip or the breadwinner on the way to or from work. Two chores can be accomplished at once by leaving clothing at Cornelison's while on the way to town to attend to other business. Emergency one-day service is afforded Cornelison customers, also.

And Cornelison has that know-how, gained through more than a quarter of a century of experience, to go with his equipment. His cleaning and pressing skill is expressed in every garment processed by the plant. In addition to first rate work, Cornelison Cleaners provides Big Springers with speedy, courteous and convenient service. One of the most attractive of Cornelison's special services is the drive-in clothing deposit and pick-up. Customers are met in the driveway by one of the attendants, Pat Coats or Barbara Spears. Soiled clothing may be left or freshly-

Deputy Sheriff Badge Proves Winning Card

Palmer broke up the game with the winning card—his badge as chief deputy sheriff.

9 Killed In French Railroad Accident

TOULOUSE, France (AP)—A cog railway train streaking down a mountain in the French Pyrenees with holiday skiers jumped the tracks and plunged into a 1,500-foot ravine yesterday. Nine persons were killed and 14 injured. The train was 3,700 feet up the mountain on its way from a ski run to Luchon when it derailed. It was believed the brakes failed. As the train shot off the track and skidded over rocks to the ravine's brink, some passengers jumped. They were flung under the wheels and crushed between the rocks and the sides of the train. The train was the three-rail type for steep grades. The rail's center track is notched to mesh with a cog wheel on the engine.

Hefty 15-Year-Old Is Medical Problem

LOS ANGELES (AP)—It took two doctors, three assistants, and two X-ray machines to find what was wrong with a 15-year-old girl. She is Joyce, a 300-pound elephant in Griffith Park Zoo. "She'll be laid up about a month," Dr. Victor Tiersten, veterinarian, said. He and Dr. Willard D. Ommert said she had suffered a strained ligament in the left hind heel. The veterinarians yesterday used the two machines strapped together because rays from only one couldn't penetrate the foot-thick ankle.

Mickey Vernon Balks, Sens May Elect To Trade Him

Several Clubs Need Infielder

By BEN OLAN
Associated Press Sports Writer
The prospect of a major trade involving Mickey Vernon, the American League's leading batter last season, was more than a remote possibility as spring training officially opened in the major league camps today.

The 35-year-old Washington first baseman has yet to sign his 1954 contract. He is said to be asking for double the \$19,000 he received last year.

"No, I won't sell him," Clark Griffith, Senators owner, declared. "But I might trade him if they offered me the right players for him." He added it had never been his practice to trade players who are holdouts, but that he might be ready to make an exception in Vernon's case.

Several American League clubs, Cleveland and Baltimore among them, have been reported seeking first base help and in Vernon they'd be getting just that. Besides his pace-setting .337 average in 1953, the veteran drove out 15 homers and piled up 115 runs batted in.

Better news for the Senators was the return yesterday of star pitcher Bob Porterfield, almost completely recovered from a minor concussion. The big right-hander was hospitalized Saturday after being hit by a batted ball in practice.

Enos Slaughter, another veteran, made the big noise in the St. Louis Cardinals' camp at St. Petersburg, Fla. He belted four "homers" over the fence. Said Enos after the workout: "Never felt better."

On other spring training fronts, Boston Red Sox Manager Lou Boudreau announced that Ivan DeLoach and rookie Jim Ehrler would pitch the club's grapefruit league opener against Pittsburgh Saturday.

Rudy Regalado, a .325 batter in the American Assn. last season, hit Cleveland's first home run in an intrasquad game. Outfielder Bob Borkowski smashed a two-run homer in the first inning of Cincinnati's intrasquad game.

Brooklyn stalwarts Jackie Robinson and Pee Wee Reese worked out for the first time. Pittsburgh Manager Fred Haney said many rookies would be in the lineup against the Boston Red Sox next Saturday.

Ray Boone, Wall Droop and Don Lund showed up in Detroit's Lakeland, Fla., camp.

Several players just got in under the March 1 signing deadline, including second baseman Billy Martin and outfielder Gene Woodling of the Yankees, first baseman Whitely Lockman of the Giants and outfielder Johnny Wyrostek of the Phillies.

Snyder Baseball Workouts Start

SNYDER (SC) — More than 25 boys have reported for baseball workouts at Snyder High School here.

Milton (Speedy) Moffett will coach the team. Snyder has not fielded a team since 1950.

The Tigers launch play in a practice game with Big Spring here March 25. They play in Big Spring on March 25.

Snyder competes in a district which has Vernon, Abilene and Wichita Falls as other members.

Candidates For Steer Ehd Posts
Pictured above are the lads who are bidding for jobs as ends on the 1954 Big Spring High School football team. The Steers are in the midst of spring training. Left to right, top row, they are Milton Davis, John Birdwell, Calvin Daniels, Kenneth Davidson, Joe Liberty and Glenn Hancock. Lower row, Wiley Wise, Red McCarty, David Dibrell, Bobby Fuller, Tom Lynn and Don Reynolds. Liberty and Reynolds are returning lettermen.

Frogs And Ponies Can Prove Spoilers In SW Cage Race

By THE ASSOCIATED PRESS
The Southwest Conference basketball race, as wild and woolly as any ever played, reaches its dramatic close Tuesday night with a tie for the championship the most logical result.

Rice and Texas, deadlocked for the lead with 6-3 records, and the only teams that can figure in the title, play tough foes in the finales, but they're on the home courts.

Rice clashes with erratic but often brilliant Southern Methodist Mustangs at Houston. Texas meets dogged and disappointed Texas Christian at Austin.

Defeat for either would give the championship to the other. Defeat or victory for both could mean a tie and a playoff for an NCAA spot.

Baylor and Texas A&M, with little left to fight for, play at Waco Monday night to wind up their season. Arkansas already is through. The Razorbacks closed out with 6-6 last week as they took a 67-57 thumping from Texas.

Second place is the aim of four teams—SMU, Baylor, Texas Christian and Arkansas. Chances are that SMU, Arkansas and Baylor will tie for it.

Southern Methodist and Baylor proved the files in the ointment for the leaders last week. SMU beat Texas, 90-63, and Baylor trimmed Rice, 76-73, but these results had no effect other than to keep Rice and Texas in a tie for the lead.

Rice beat Texas Christian, 72-65, Arkansas lashed Texas A&M, 67-54, and Southern Methodist trampled Baylor, 90-66 in other conference games. A&M lost a non-conference contest to University of Houston, 53-51.

If Rice and Texas tie for the title they will play at Houston Friday night, at Austin March 9 and on a neutral court March 9 if a third game is needed to decide which goes to the NCAA tournament at Stillwater, Okla., March 12.

For Bowling Green, which finished second to Toledo in the Mid-America Conference, the NIT appearance will be its sixth. It reached the final once and this year shows a 15-6 record.

The NCAA gets under way next week and although the brackets aren't filled, here is how the teams line up at the moment:

At Fort Wayne, Toledo will play either Notre Dame, Loyola or Penn State, all at-large teams. Toledo's opponent will leave the other two to play.

At Buffalo the same night, Fordham will play La Salle and Connecticut will go against Navy.

The rest of the Eastern field still is undecided. Duke is champion of the Atlantic Coast Conference, but the NCAA bid goes to the team that wins the league's postseason tourney. Ditto with the Southern Conference, where George Washington came out on top.

The Ivy League still has three contenders—Cornell, Princeton and Penn. The Big Ten will send either Indiana, Iowa or Illinois. The Hoosiers already have clinched a tie, and if they defeat Illinois Saturday, they're in. Illinois also plays Northwestern while Iowa tangles with Ohio State tonight. It could wind up in the three-way tie.

In the Southeastern Conference, Kentucky and Louisiana State are unbeaten and this one, too, could finish in a tie.

The Western section is more settled. The four at-large teams are Bradley, Santa Clara, Oklahoma City and Seattle, plus Idaho State, the Rocky Mountain title, and Colorado A&M, the Skyline champion.

The Big Seven representative could be decided tonight when Kansas plays Colorado, and the Border Conference winner will be determined tomorrow night when Texas Tech and West Texas State meet.

The Pacific Coast Title will be determined this weekend when Southern California, the Southern Division winner, plays Oregon State, champion of the Northern Division.

LOOKING 'EM OVER

With Tommy Hart

Pepper Martin, Big Spring's baseball major domo, holds one distinction in the Longhorn League. He's the first player who can lay claim to having hit home runs in all eight ball parks in the circuit.

How could that happen when the first time? Well, you see, Pepper played there numerous times when he performed for Greenville and both cities were in the Big State League.

Martin recalls one series against the Spudders, with mingled emotions. The first night, he practically beat the Spuds single handed with two home runs, a triple and a single. The next night, Greenville had the home club beat 2-1 going into the ninth but Pepper threw three balls away in that round to wrap the decision up for Wichita Falls in a neat little package.

That's baseball for you. One night you're a hero and the next night a bum. For a round object a baseball takes some unpredictable hops.

Martin's best year in baseball probably was the 1952 season, when he hit 40 home runs for Corpus Christi and Odessa. Four of those round trippers came while he was wearing Corpus' uniform, the remainder while he was with Odessa. And the last eight four-masters came in the dramatic playoffs, when Pepper really caught fire.

Pepper was hot in the latter stages of the '52 and in the playoffs because he was outgunning the opposing hurlers on every pitch.

He could figure out what the pitcher was going to dish up to him, by focusing his attention on how the pitchers gripped the ball and he rarely guessed wrong. He practically broke the series wide open with his smoking bat.

The Bronx boss says the Longhorn League park which gives him the biggest headache, when it comes to getting his boundary swats, is the one at Artesia.

"I don't think I've hit but one homer there in two years," says Pepper.

The local plant? It's built to order for Martin. He always did like to set his sights for the friendly left field barrier here. The 30 home runs he hit for the Broncs back in 1947 still stands as a club record.

Will the Artesia club be violating baseball law by displaying the name of that refinery on the back of the players' uniforms?

Seems to me there's a rule against it. Something should be worked out, though, for a concern that's willing to put up 10,000 claims to keep a club going.

I think Big Spring's Buddy Agnell, who is now a lieutenant colonel in the Air Force, is the fellow who gave Major Gen. E. J. Timberlake the idea of creating the Morris W. Williams Jr., Memorial Trophy.

The cup will go to future golf champions of the USAF.

Arizona clinched third place in the standings by downing Hardin-Simmons, 78-72.

Stage Is Set For State Basketball Tournament

By HAROLD V. RATLIFF
Associated Press Sports Editor
Some great winning streaks will be carried to Austin Thursday for the five-way Texas schoolboy basketball tournament, the grandest boasted by Bowie, kingpin of Class AA for three straight years.

Bowie has won 67 games in a row and doesn't appear in any danger of having the skein snapped in the Class AA tournament at Austin where the Jack Rabbits encounter Childress, Spring Branch and Lamar Consolidated.

Pampa, champion of Class AAAA, returns to the big tournament with a 54-game streak. But the Harvesters might run into a lot of trouble maintaining their pace. Facing them at Austin will be Crozier Tech of Dallas, Wichita Falls and Midby (Houston). Crozier Tech is a real threat. The Wolves have taken 30 straight in the heart of strong competition.

Another mighty win streak is boasted by Cayuga, defending state champion of Class B. Cayuga has swirled over 42 opponents in the drive that gave it the 1953 title and bids to bring Cayuga another. Cayuga has three all-state players from last year on the team—Ned Duncan, Bryan Southwell and Bernice Ball.

AUSTIN (AP)—Defending Conference AAAA champion Pampa meets Wichita Falls Friday night at 7:30 in its first test of the intercollegiate League Basketball Tournament.

The big tourney opens at 8:45 a.m. Thursday with Krum playing Samnorwood.

Here are the complete pairings: Conference B, Thursday; 8:45 a.m. Krum versus Samnorwood; 10:10 a.m. Cayuga vs Avoca; 11:35 a.m. Evant vs Rankin; 1:45 p.m. Big Sandy (Dollardville) vs Petrus.

Conference A, Thursday; 3:10 p.m. Sundown vs New Boston; 4:35 p.m. Sweeney vs Buna.

Conference AA, Thursday; 7:30 p.m. Lamar (Rosenberg) vs Spring Branch. Houston; 8:50 p.m. Bowie vs Childress.

Conference AAAA, Friday; 3:10 p.m. Galena Park vs Sherman; 4:35 p.m. Alamo Heights (San Antonio) vs Plainview.

Conference AAAA, Friday; 7:30 p.m. Pampa vs Wichita Falls; 8:50 p.m. Crozier Tech (Dallas) vs Midby (Houston).

The first championship game will be played at 1:05 p.m. Saturday, in Conference B. The Conference A title game is at 2:35 p.m. Saturday, AA at 3:45, AAA at 5 p.m., and AAAA at 9:30 p.m.

Rice, Texas Each Place 2 On Team

By The Associated Press
Texas and Rice, fighting for the championship down to the last whistle, each placed two men on the All-Southwest Conference basketball team selected by coaches for The Associated Press.

Rice's two—Gene Schwinger and Don Lance—were unanimous picks. Schwinger, considered one of the best players in the conference ever produced, was selected by all seven coaches for the center spot. Schwinger has scored 516 points in 23 games and has one more to play.

Lance was picked for both forward and guard, getting all seven votes. Lance has made 344 points and has a game to go.

Texas contributed its giant Fred Saunders, a 6-7 star, and Billy Powell, the pepper pot playmaker. Saunders landing a forward spot and Powell going to guard.

Derrell Murphy, Southern Methodist's long shooter, was the fifth man on the team.

Powell and Murphy each got four votes while Saunders had three. Barely beaten out for first team positions were Jim Addison of the Texas Aggies, Gerald Barnett of Arkansas and Murray Bailey of Baylor.

The All-Southwest Conference basketball team: Derrell Murphy, SMU, forward, 6-3, senior, of Shallowater, Tex. Fred Saunders, Texas, forward, 6-7, senior, of Mission, Tex. Gene Schwinger, Rice, center, 6-4, senior, of Houston.

Johnny Palmer Wins Open In Mexico City Hard Way

By JACK RUTLEDGE
MEXICO CITY (AP)—Johnny Palmer, he fell just short of overtaking Palmer. De Vicenzo posted a final round 74 for a total of 287.

With Roberto pecking away at Palmer's lead, the pair came down to the final hole shoulder-to-shoulder.

Here's the sequence on the 18th: De Vicenzo drove into a tree and took three to get on the green. When he did get on, the ball was only one foot from the hole. He dropped it in easily.

Palmer, equally nervous, drove well, but overshot the green and the ball went through the crowd. He clipped onto the green, but the ball landed 12 feet from the hole. He missed his first putt. But it stopped only two feet from the cup.

A mis on the second would have tied it. But Johnny took his time, and the ball barely curled into the hole to give him the title.

3 Rockwall Buildings Destroyed By Fire ROCKWALL, Tex. (AP)—A stubborn fire destroyed three brick business buildings on the southeast corner of the square of this Rockwall County seat yesterday. The loss from the 4 1/2-hour blaze was put at between \$125,000 and \$150,000 by Sheriff W. A. Price. All three structures were old. Walls of the two-story Jack Cunningham Drug Store building, which housed two doctors' offices and an aluminum company office on the second floor, caved in. Only the walls were left standing of two adjacent one-story buildings. One housed a cleaning shop and a dress shop and the other a school tax collection office.

State Legion Panel Urges Negro Action AUSTIN (AP)—The state American Legion executive committee has recommended full voting privileges for Negro members. Heretofore, they have had a separate Legion organization. The recommendation, approved at a meeting here yesterday, must be approved by the state convention at Fort Worth this summer.

Nehru Rejects U. S. Offer Of Arms Aid

NEW DELHI, India (AP)—Prime Minister Nehru blisteringly rejected President Eisenhower's offer of arms aid for India today and demanded that American observers with the U.N. cease-fire team in disputed Kashmir be withdrawn.

By giving military aid to Pakistan, Nehru told his cheering Parliament, the United States had intervened in the Indian-Pakistan fight over the Himalayan state and the American observers therefore "can no longer be regarded by us as neutrals."

At the end of 1953 the United States had 14 officers with the 48-member U.N. military mission supervising the Kashmir truce. The U.S. Air Force also makes a C-47 transport and crew available when needed.

Eisenhower's offer of American arms aid "has done less than justice to us or to himself," the Premier declared, continuing:

"If we object to military aid being given to Pakistan, we would be hypocrites and unprincipled opportunists to accept it ourselves."

Announcing the aid to Pakistan last week, Eisenhower had said the United States would give "most sympathetic consideration" to any request from India for such help.

In a letter to Nehru he also assured India that the United States would see to it that Pakistan used the arms from America for defense only.

"I have no doubt the President is opposed to aggression," Nehru said, commenting on Eisenhower's assurance that the aid to Pakistan would not be misused.

"But we know from past experience that aggression takes place and nothing is done about it. Aggression took place in Kashmir 6½ years ago and thus far the United States has not only not condemned it, but we have been asked not to press it in the interest of peace. Aggression may well follow in spite of the best intentions of the President and then a long argument will ensue on what exactly is aggression."

Ballots Growing At Colorado City

COLORADO CITY — Contests developed in both city and school elections at Colorado City last week, with four candidates competing for three openings on the city council and three hopefuls on the ballot for two vacancies on the school board.

All three council incumbents dropped their hats in the ring, with Jeff Taylor and Walter Grubbs choosing last weekend for their announcement. Alton Moore had previously announced. The newcomer in the council race is Trevor Crawford, World War II veteran and Col-Tex Refinery engineer.

In contrast, neither of the outgoing school trustees is yet in the race, with one, Abbie Northcutt, definitely out. The other, Dr. J. D. Williams, has not yet committed himself. Candidates are Dr. Oscar Rhodes, Johnny Moore, and A. T. Caffey.

Sunday Offering Stolen At Church

AMARILLO (AP)—While the Rev. Hal Upchurch led hymn-singing in Temple Baptist Church here yesterday, a thief stole the \$870 Sunday School offering.

The bold culprit, who officers said apparently made his plans well, swiped the money while hidden in the floor under the pulpit.

He had cut a hole in the floor of the rostrum, directly under the pulpit. From beneath the floor he was able to reach up to a shelf in the base of the pulpit, where ushers place the offering. He escaped through a small door which gives access to the space under the pulpit.

Police theorized the thief waited until the congregation started singing so the sound would cover the noise of his movements.

Johnson Urges Boost In Tax Exemptions

By The Associated Press

Boosting personal income tax exemptions would pump up consumer buying power and help the nation's economy, Senate Democratic Leader Lyndon Johnson declared Sunday.

Johnson said in his weekly transcribed radio broadcast to Texas constituents it would be better for the government to lose some money now through eased income taxes than "face the necessity of spending many billions of dollars later on WPA or PWA projects."

"I do not say that is the choice we face. But these are alternatives that we need to be thinking about."

Dies Against Death Penalty For Commies

WASHINGTON (AP)—Rep. Martin Dies (D-Tex.) says he thinks the Communist party should be outlawed—but not with the death penalty for membership.

Dies, who headed the House Un-American Activities Committee seven years, said last night in an NBC television interview he does not agree with Gov. Allan Shivers of Texas that belonging to the Communist Party should be made a capital offense. He has introduced a bill providing for imprisonment up to 10 years and fine up to \$10,000 as penalties for Communist membership.
