

## AROUND TOWN

SIGHTS, FACES SEEN

Hereford's bicycle-riding younger set will meet at the district courtroom Friday night at 8 o'clock to organize a Bicycle Club. Highway Patrolman Bill Fowler and City Marshal Bruce Woodell are the prime movers. Every auto driver who has had the experience of hitting the brakes just in time to keep from hitting a bike on some dusky street (and who hasn't?) will applaud the Clubs' rules, which provide, among other things, for lights on front and rear of every night-riding bicycle.

That's not a bad idea for automobiles, either. If someone would just organize a driver's club to teach local automobile chauffeurs a few common rules of safety, such as taking a backward glance before backing away from the curb into a busy street, the mortality rate on fenders would take a big drop. A few elementary lessons in Courtesy wouldn't hurt. And remember, it's NOT against the rules to use hand signals to let the opposing driver know what you're going to do next.

The Brand made a slight error of \$360 in transcribing the court records of condemnation proceedings against a strip of right-of-way for Highway 51 last week. The court awarded \$140, not \$500, to James R. Higgins for the 60-foot right-of-way off his property. The five hundred bucks was the asking price.

## C. R. Anthony Co. Opens New Store Here on Friday

The C. R. Anthony Company will open their big new store in Hereford tomorrow morning (Friday) at 9 o'clock, according to Paul Harvey, manager of the local store.

This will be the 7th store opened by Anthony's, Harvey said. The company operates stores in Texas, Oklahoma, New Mexico, and Kansas, serving the great southwest.

A new and modern building on Main Street has just been completed by Francis Hardwick for Anthony's. The building, which is of brick construction, is 40 feet by 140 feet, with a 50 foot mezzanine in the rear.

More than fifty employees will be on hand for opening day, Harvey announced. With the exception of the assistant manager, Roy Tabor, a Navy veteran from Weatherford, Oklahoma, all employees will be local people, he said.

Personnel from the Oklahoma City office, headquarters for the chain, and from Clovis and Amarillo stores, will be on hand for the opening Friday.

A big stock of new merchandise, valued at more than \$85,000, is on hand, Harvey said. Included are 25,000 yards of new piece goods, men's and women's ready-to-wear, shoes, nylon hosiery, sheets, towels, slippers, and shirts.

Harvey, who is manager of the store, comes to Hereford from Clovis, where he was employed at the Anthony store for the past several months. Prior to going to Clovis, he was manager for two years of the Anthony store in Chandler, Oklahoma.

The assistant manager, Tabor, is a Navy veteran recently discharged, and comes from Weatherford, Oklahoma. He served in the south pacific as a parachute rigger 2nd class. Mr. and Mrs. Tabor arrived in Hereford last week and have taken an apartment on 12th street.

## Corrine Jennings Opens Gift Shop

Corrine Jennings this week announces the opening of Corrine's Gift Shop, located in one of the Witherspoon buildings across the street from E. B. Black Co. on East 2nd.

The formal opening is set for tomorrow morning (Friday) and open house will be held from 9 o'clock until 7. No merchandise will be sold on opening day.

## Former Army Chaplain Opens Methodist Revival Sept. 25

Rev. Ray N. Johnson, former army chaplain, will open a revival meeting at the First Methodist Church in Hereford next Wednesday night, September 25, according to Rev. Marvin Boyd, local pastor.

The revival will continue from September 25 through October 6 with services twice daily, at 10:30 a. m. and 7:30 p. m. each week-day. Sunday services will be held at the regular hours.

Rev. Johnson, a member of the Southwest Texas Methodist conference, has been an army chaplain for 47 months. He served 29 months overseas with the 68th Station Hospital in North Ireland, England, and France.

He had had several years experience as a pastor and evangelist before the war, and will resume regular pastoral work after his conference meets on October 15. He is now conducting revivals since his discharge from the armed forces.

Rev. Johnson's last pastorate was the First Methodist Church at Brownsville. He is a graduate of Asbury and McMurry Colleges, and of Perkins school of Theology at Southern Methodist University.

Mrs. Johnson will accompany him and assist in the revival. "I made arrangements with Ray for this revival by letter before he left France," Rev. Boyd said, describing him as an "experienced preacher, evangelist and chaplain—a red-headed freckled live-wire with a fine combination of intelligence and vital religion."

## Elite Cafe Robbed Saturday Night; Owner Was Slugged

## Five Hereford Delegates Attend Hiway 51 Meeting

A five-man delegation from Hereford attended a meeting of the Texas Division of the International Parks Highway Association (Highway 51) at Vega Monday, and heard optimistic reports from all Texas counties on the route regarding completion of paving through this state.

Commissioner Troy Moore, Howard Gault, Robert Veigel of the Chamber of Commerce Roads Committee, Wayne Evans, president of the chamber of commerce, and Jim Hill, president of the International Highway Association, represented Hereford at the meeting.

Delegates from every town on the route between Channing and Odessa were present for the meeting.

J. T. Long of Odessa, president of the Texas Division, presided at the meeting.

J. Johnson, owner of the Elite Cafe, was slugged and robbed of more than \$300 in cash shortly before 11 o'clock last Saturday night at his cafe on south Main street.

Two men believed to have been involved in the robbery have apparently escaped without trace.

Johnson was found unconscious behind the counter of the cafe at 11 o'clock Saturday night by City Marshal Bruce Woodell and Nightwatchman Earl Pittman. His wallet which was found near the cash register, had been rifled of more than \$300 in cash. A number of checks were untouched.

The robbery was discovered after a local telephone operator had received a signal from the Elite, and hearing groans issuing from the receiver, notified city police. Woodell and Pittman immediately rushed to the cafe, where they found Johnson unconscious behind the counter with the telephone clutched tightly to his chest.

Johnson told officers that he and his wife had closed the cafe shortly before ten o'clock. (Continued on Page 8)

## COMMUNITY BUILDERS: Mrs. A. B. Schultz

## Mrs. Schultz Celebrates 74th Birthday; Recalls First Automobile Ride to Old Escavada Ranch

Childhood memories of Mrs. A. B. Schultz date back to her life on the farm in Ohio where she was born and altho more interested in the news of her daily paper, the septuagenarian hasn't forgotten the hardships of farm life when she and Mr. Schultz battled the floods during the early years of their married life near Leavenworth, Kansas, nor the droughts in the Panhandle of Texas after they came to Deaf Smith County.

The men and women who tore up the roots of their lives in some other community and journeyed to the Panhandle all had special qualities and one qualification predominant in the old pioneers was the physical courage to endure the hardships of a new country. "Those were tough days" said Mrs. Schultz as she told how, after hearing the glowing tales told by prospectors, they decided to move to Texas. They were met at the train in Friona and in their first automobile ride were taken to their new home, the old Escavada Ranch near the New Mexico line. Mrs. Schultz said she didn't think she was afraid to ride in the car but that no one could have been happier when they all got out of the noisy thing and got into a house again.

All those things those prospectors said about the Panhandle of Texas weren't true, however, for they didn't do so well on the ranch and about a year later they bought a farm

a mile and a half east of Hereford and it was there that they established Hereford's first dairy. "It was a hard pull even when the children got big enough to help," Mrs. Schultz said, "for the privations were many." The bitter cold of the winters and the heat of the dry summers had to be endured and it was pretty hard to hang on, when, year after year, the failure of grass or the drying up of the water holes de-

## BRAND SUBSCRIPTION RATES TO INCREASE

Subscription rates for The Brand are going up, effective October 1.

Increasing costs of production, newsprint, and labor demand that subscription rates be raised. In doing so, The Brand is belatedly following a lead already taken by most newspapers and magazines.

The new rates will be \$2.50 per year in Deaf Smith and adjoining counties, \$3.00 per year outside this area.

New and renewal subscriptions will be accepted by The Brand at the old rates (\$2.00 in Hereford trade territory, \$2.50 outside) until October 1; but no subscriptions will be accepted at either new or old rates for a period of more than one year.

## Plans for County Exhibit at State Fair Completed

Plans for the Deaf Smith County exhibit at the State Fair in Dallas are moving along nicely, according to E. B. Posey, manager of the Hereford Chamber of Commerce.

Posey urged all persons who have subscribed to the exhibit fund and who have not yet paid their pledges to do so as soon as possible; and invited all persons who plan to contribute to the fund to call at the Chamber of Commerce office or mail checks within the next few days.

Peppers, tomatoes, sweet potatoes, and other small vegetables grown in this county are still needed for exhibition, and Beryl Elliston, who is chairman of the exhibit committee, is anxious to contact any one who can furnish these items.

Elliston and Sank Ramey, who are in charge of arranging the exhibit will leave for Dallas on September 29 to get everything in readiness for the fair opening on October 5.

A large group of Hereford representatives will be present at the exhibit on opening day, Elliston said. Among those who have been asked to attend and assist in presenting the Deaf Smith exhibit are experts on various phases of Deaf Smith agriculture and industry, including D. L. McDonald, water; Fred Baird, potatoes; Dan Finlan, vegetables; Hugh Clearman, county agent; John Paetzold, carrots; Homer Brumley, livestock; Alton Fraser, Frank Gyles, and J. A. Pittman, flour and grains; and A. R. Bateman, grain sorghums.

Others will be added to this list, Elliston said.

## Mass Exodus Of Laborers Halts Harvest

A mass exodus of farm laborers last week-end has left this area with a critical shortage of harvest crews for the vegetable crops which are now reaching peak production, County Agent Hugh Clearman reports.

Jim Roberson, superintendent of the Labor Camp at the Hereford Prisoner of War Camp site, reports that only 30 to 35 families are left at the camp and all of these are employed in tearing down the camp buildings.

More than 150 families of laborers left the camp Sunday and Monday on the heels of the rainstorm and cold snap which struck the area last week-end, and have moved south to join the cotton harvest.

Most of those who moved out were employed as harvest crews by the Deaf Smith County Food Products Company canning plant. The plant has been shut down since Monday, and harvesting of peas and beans is practically at a standstill for want of labor.

Worth Ware, manager of the canning plant, appealed to County Agent Hugh Clearman for aid in solving the labor shortage. Clearman immediately sent SOS calls to Texas Farm Labor offices, but had received little encouragement at mid-week.

"Prospects for getting labor immediately appear poor," Clearman said Wednesday, adding, however, that he is making every effort to secure help.

Hundreds of acres of black-eye peas and green beans remain to be harvested, and harvest will probably continue until frost if labor is secured.

Ware estimated that the canning plant could use 200 laborers on harvest crews for the next 30 days.

## Enrollment Still Rising in School; Situation Critical

Twenty-one additional students have enrolled in the Hereford schools this week, bringing the total enrollment now to 1183, Supt. George Graham announced Tuesday.

Still more students are expected to enroll before the year's peak is reached, putting a further strain on building and equipment facilities already loaded far beyond their planned capacity and on the heavily overloaded teaching staff.

A total of 686 students are now being taught in Central school in a building which would normally be used to accommodate half that number. An overflow of 88 seventh graders are being taught in temporary class rooms at the First Baptist Church; and 96 eighth graders are at the High school. High school enrollment is now (Continued on Page 8)

## REPUBLICAN HOPE

Frank T. O'Brien, Amarillo lawyer and Navy veteran of World War II, visited Hereford this week in the interest of his candidacy as Republican nominee for Congress from the Panhandle district.

## School for Scout Leaders To Open Here Wednesday

A training course for Scout Leaders will be inaugurated in Hereford next Wednesday, September 25, and will continue with sessions each Wednesday night for six or seven weeks, according to Urllin Streu, District Scout Commissioner.

Sessions will be held at the Scout Hut starting at 8 o'clock, and all troop leaders and troop committeemen, as well as others interested in the work, are expected to attend. Included are leaders of Friona Troop 56.

"These courses have been organized due to the need for trained leadership in scouting in this district," Streu said, pointing out that, due to the fact that most young men have been in armed services, there has been little time for training of new leaders during the past four years.

Streu will be in charge of the course, assisted by Scoutmaster Phillips.

## New Scoutmasters

Appointment of new scoutmasters for the two Hereford troops has been announced by Urllin Streu, who has been named District Commissioner of the Deaf Smith county district, which includes both Hereford and Friona.

Dr. Milton C. Adams has been named scoutmaster of Troop 2, succeeding Sylvester Slagle. Bud Brady is assistant scoutmaster. Billy Ross Phillips is the new scoutmaster of Troop 1, succeeding Streu, and David N. Beavers and Ben R. Plummer are assistant scoutmasters.

## Camping Trip

Recent activities of local troops have included a week's camping trip by 18 members of Hereford Troop 1 at Las Vegas, N. M. Attending were Oliver Streu, Gene Moore, Lonnie Cardinal, Clayton Rutter, Jim Wilkins, Jack Ramey, Jerry Reese, Jack Stanton, Stanley Slagle, William Rice, Ed Plummer, Delbert Conklin, Michael Kelly, (Continued on Page 8)

## Reserve Officers to Organize Hereford Chapter on Tuesday

Members of the U. S. Army Reserve Officers Corps from Deaf Smith, Farmer, Castro, and Oldham counties are invited to attend the charter meeting of the Hereford Reserve Officers Association next Tuesday night at the county courtroom in Hereford.

The meeting will open at 8 o'clock.

A partial list of reserve officers residing in this area has been sent here from R. O. A. Headquarters in Washington, D. C., and letters are being mailed this week to all known reservists in the area, notifying them of the meeting.

The list, however, is incomplete, and all Reserve Officers in the four-county area who are interested in the organization of the Reserve Officers Association here are invited to be present and become members of the Hereford Association.

The nearest ROA now organized is at Amarillo. National ROA headquarters has recently authorized a charter for a Here-

ford association, to serve Deaf Smith and adjoining counties. Officers for the Association will be elected at the meeting Tuesday night, and organization of the chapter will be completed at that time.

Purpose of the Hereford chapter will be to keep reservists in this immediate area informed regarding legislation and other matters pertaining to the Reserve Corps.

Important legislation affecting all reserve officers is now pending in Washington, including a retirement act which would permit reserve officers to retire, after 20 years service, on half pay. Other important information regarding the reserve corps will be disseminated through the ROA chapters.

Sixty-five reserve officers have been listed by headquarters as living in the Deaf Smith area. Best estimates are that a complete roster would list more than 100 names.

## Streets and Highway Flooded By Four-Inch Downpour Here

A torrential rain, swept by high winds from the southeast, brought a near-flood to Hereford last Thursday afternoon.

The rainfall was estimated at more than four inches, but no official measurement for the city area is available as the official gauge at the City Hall was overturned twice by the gale.

B. A. Witherspoon, custodian at the City Hall, reports that he had measured three inches of moisture before the wind whipped over the rain gauge, and estimates that at least another inch of rainfall went un-measured.

Streets and highways were flooded during the two-hour storm, and electric power and telephone service was disrupted.

Traffic through Hereford on Highway 60 was halted for nearly two hours as water rose high enough, in several places, to drown out the engines of cars. Dozens of automobiles on the highway within the city limits were stalled by high water, and highway department employees were busy towing stalled cars to clear the right-of-way.

Both Tierra Blanca and Friona creeks were out-of-banks, and the area around Lake Park in the center of town was flooded temporarily.

A hall in the Wyche community area southeast of Hereford caused some damage to crops. C. N. McClure, who had a promising cotton crop, was hailed out.

Electric service in the northeast section of town was interrupted for two hours Thursday afternoon. Several transformers were knocked out by lightning, according to C. D. Hardesty, local manager of the Southwestern Public Service Company.

REA Lines Out  
Service on rural electric lines throughout the area was disrupted by the storm, and many telephone lines were out of com-

## Canning Factory Damaged By Storm; Lightning Hit Plant

Considerable damage from wind, rain, and lightning was reported at the Deaf Smith Food Products company cannery three miles west of Hereford, during the storm last Thursday afternoon.

Worth Ware, manager of the cannery, was stunned but uninjured when a bolt of lightning struck the plant at the height of the storm. Ware was knocked unconscious momentarily when the bolt struck a

## Hereford Gridders Will Meet Panhandle Team Friday Night

Pop Stanton's Whiteface grid-ders are primed and ready for their scheduled encounter Friday night with the powerful Panhandle Panthers at Panhandle.

Fresh from their 27-14 victory over the Sudan Hornets last week, the Herd will meet a team Friday night which has also tasted blood this season and is eager for more. The Panthers defeated the McLean Tigers last week-end 33-0 in the season's opener.

Assistant Coach Dalton Criswell, who scouted the Panhandle-McLean game, reports that, while the McLean team was weak, the Panthers showed considerable power and will be dangerous opponents.

Both Panther and Whiteface have displayed powerful ground

defense bogs down, with big Jim Worrell probably doing the tossing.

The Panthers will run their plays from the old familiar short-punt formation.

The Herd will be without the services of their plucky left guard, Bobby Millard, who suffered a knee injury in the Sudan game which will keep him out of the line-up for the next three weeks. In his place, the most likely candidate for the starting slot will be Buddy Corbett who played a bang-up game last week after relieving Millard early in the third frame.

The only other probable change from last week's starting line-up will be Jimmy Whitaker at left-halfback in place of Leo Hennington. Hennington started the Sudan game, was relieved by Whitaker at the opening of the second quarter.

Game-time is set for 8 o'clock Friday night at the Panhandle High School stadium. Coach Stanton reported Wednesday that the new school bus which

## Musical Program Is Opening Event For Calliopian Club 1946-47 Season

To begin the 1946-47 club season, Mrs. Norman Harris presented a musical program at the meeting of the Calliopian Club held Thursday afternoon at the home of Mrs. Wayne Evans.

The meeting was in the form of a coke party with the social committee as hostesses. They were Mrs. Evans, Mrs. Alton Fraser and Mrs. L. B. Barnett.

A unique program plan is carried out by the club each year with year books carrying the date for the meeting, the place of meeting and the name of the member who will have charge of the program. Each member chooses her own subject and presents it in the manner she prefers. The year book com-

mittee this year consisted of Mrs. Richard Barnard, chairman, Mrs. Carl Perrin and Mrs. B. F. Cain.

Mrs. Harris in presenting her program played two groups of early music of Old Mexico and two groups of early Spanish music with Mrs. J. C. McCracken as guest accompanist. Both the entertainer and her accompanist were in colorful Spanish costumes, lending an atmosphere of the old countries to the performance.

Those present for the program party were Mesdames; Richard Barnard, L. B. Barnett, B. F. Cain, Clyde Cave, Paul Conaway, Paul Foster, Alton Fraser, J. T. Gilbreath Jr., Jack Gilliland, Norman Harris, J.E.

## Buffet-Tea Given For Visitor

Mrs. Timothy Tinsley of New York City was honor guest at a buffet tea given Friday afternoon by Mrs. W. E. Dameron at her home, 812 East Tenth Street.

Tea and a buffet menu were served from a table covered with an ivory lace cloth and centered with a silver bowl filled with pink roses. Tapering pink candles in silver candelabra flanked the centerpiece. Presiding at the silver tea service was Mrs. F. H. Oberthier, mother of the party honoree. Miss June Dameron, daughter of the hostess, assisted with the serving.

Red roses in bouquet arrangements were used in the living room for decoration.

Those attending the lovely courtesy were Mesdames; V. O. Hennen, Roy Ford, L. B. Barnett, Millard Nobles, F. H. Oberthier, W. J. Stanford, Herman Ford, C. C. Ferguson, Essie Cardwell, Tom Boyd, R. P. Conaway, Colby Conkright, John McLean, Miss Mary Bourn of Chicago who is visiting her mother, Mrs. J. D. Bourn and sister, Mrs. Essie Cardwell, Miss Frances Dameron, and the honoree.

## Pioneer Club Has Meeting at Home Of Mrs. O. G. Hill

A program at the home of Mrs. O. G. Hill with Mrs. Ray Johnson as cohostess, opened the coming year's activities for the Pioneer Study Club Tuesday afternoon September 10.

Mrs. Wayne Evans, guest reviewer, gave "The Egg and I" by Betty McDonald. A short business session was held when a new constitution and by-laws were adopted. Mrs. A. B. Christian and Mrs. Noah Ewton, both former members of the club, were welcomed back into active duty, and Mrs. O. M. Dickey was extended membership into the club.

The course of study for the new year is "The Pattern of America" and will be brought out in a series of book reviews which will include "Maverick Town," "Spin a Silver Dollar," "The Cherokee Strip," "Stirling of the White House," "The Huckster," and "Peace of Mind," as well as in well chosen topics for discussion.

The year book committee included Mrs. Ray Johnson, chairman, Mrs. O. G. Hill and Mrs. Fred Barrett.

Those attending the first meeting of the year were Mesdames; Fred Barrett A. G. Bell, J. E. Beyer, N. E. Gass, Bob Higgins, E. S. Ireland, A. L. Manjeot, Wirt Phillips, B. E. Robertson, Frank Terrell, Al Werner, H. A. Close, T. E. Seigler Sr., Z. B. Christian, Noah Ewton, O. M. Dickey, and the hostesses.

Kirby, D. C. McWhorter, N. E. Milburn, Milburn Nobles, Carl Perrin, Elizabeth Womble, Miss Genevieve Eberle and the hostess.

## Summerfield

BY MRS. GUY WALSER

Sunday school and church was attended by a large crowd Sunday morning. Rev. Ralph McLean, pastor, and his wife, are back after several weeks absence. Rev. McLean has been in the Baylor Hospital at Dallas.

Dr. and Mrs. Channer of Hereford spent the week-end in the home of Mr. and Mrs. J.P. Noland.

This community received from 2 to 4 inches of rain Thursday afternoon. The wind almost blew down some of the row crop. Farmers are waiting for the ground to dry so they can plant wheat. Wheat that had already been sowed is up and looking good.

Mr. and Mrs. Lee Curry and Mr. and Mrs. Guy Walser and family attended the funeral of Mrs. Curry's mother, Mrs. W. A. Davis, at Claude Sunday. Mr. and Mrs. Curry were called to Clearendon last Wednesday to be at the bedside of Mrs. Davis, who died Friday morning.

Mr. and Mrs. Chris Clark and family are living in the house recently vacated by the Carl Lee family.

Mr. and Mrs. Cleo Wade have moved to Hereford.

Mr. and Mrs. Ky Lawrence and Mrs. Lee Kendall are in Hot Springs, N. M.

Rev. and Mrs. Ralph McLean, Mrs. Jim Clark, Mrs. O. B. Sumner, Mrs. Elbert DeLozier, and several other ladies attended the Baptist Workers Conference at Dimmitt last Thursday.

Mrs. Weldon Webb of Dimmitt visited her parents, Mr. and Mrs. Earl Lance last Tuesday and Mr. and Mrs. Webb spent the week-end with her parents.

Mr. and Mrs. Walter Hawkins of Lamesa spent the week-end in the home of her parents, Mr. and Mrs. B. A. Atchley.

Mr. and Mrs. Mack Noland enjoyed a visit from her brother last week.

## Sale of Surplus Motor Vehicles At Amarillo Field

Amarillo Army Air Field is announced as one of six sites at which sales of surplus used motor vehicles will be conducted by War Assets Administration's Fort Worth regional office during the week starting Monday, Sept. 23. The sales include "set aside" items offered exclusively to veterans of World War II and all veterans holding certificates for the vehicles be-

ing offered are eligible to participate in any or all of the sales.

The sale at Amarillo Army Air Field which will also include vehicles of the Pantex Ordnance Plant which have been declared surplus, is scheduled for Tuesday, September 24 from 9 to 5. Inspection of the vehicles may be made both Monday as well as the day of sale from 8:30 a.m. to 4:00 p.m.

Included in the offering are listed command and reconnaissance cars, carryalls, ambulances, weapon carriers, pickup trucks, scooters and a wide variety of various makes and models of trucks.

Other sales listed for the

same week include: Sept. 23, Big Spring AAF; Sept. 24, Abilene AAF; Sept. 24, Goodfellow Field at San Angelo; Sept. 26, Sheppard Field at Wichita Falls; Sept. 26 and 27, Camp Hood, which is a two day sale of some 461 vehicles, the largest sale of the six scheduled.

## B & PW Club Has New President

At a business meeting of the B & PW Club in the home of Florence Wilkins on September 16, Corinne Jennings accepted the office as club president.

Because of the resignation of Beale Lee West as president for the club year, the first vice-president was chosen for the position.

All other officers include: Lil Poff—Vice-President, Velma Hodges—treasurer, Lilye London—parliamentarian, Frances

Young—corresponding secretary, and Adeline Koelzer—recording secretary.

A certificate was awarded the group by the State Federation for having increased its membership over 20% in the last year.

During his absence, employees of the local store are holding an "employees sale," announcement of which will be found in this issue.

McLallen is expected to return on September 28. While in New York, he will study company policies and present-day merchandising at the J. C. Penney home office.

## Elizabeth Womble Heads Final USO Drive in County

Mrs. Elizabeth Womble will head the next and final USO Campaign in Deaf Smith County, Governor Coke R. Stevenson, General Chairman, announced today.

Stevenson said, "We feel particularly fortunate to enlist Mrs. Womble in this final USO drive for funds. Our state quota of \$900,000 will be reached with similar top leadership in all of Texas' 254 counties."

Carl L. Phinney, State Cam-

aign Chairman, in a letter to Mrs. Womble said, "The final USO drive is an important undertaking. Having had the honor of serving 18 months with the 36th Division in the Italian theater, I learned first hand

what USO means to the boys overseas. I also have known of the billion acts of kindness to our millions of men in this country. Continuation of these morale services is, if anything, more important than ever. The combat phase of the war is finished but the transition period presents fully as many morale problems. The life of the men in the service is not glamorous. They need and deserve the "home away from home" that USO Clubs and USO Camp shows give them. USO in 1947 will concentrate its services for those who are still hospitalized, those overseas, and our kid brothers now in training. I want to join Governor Stevenson in expressing appreciation to you for accepting the Chairmanship of Deaf Smith County. We are confident that under your leadership Deaf Smith County will meet its obligations to those men still in service."

Mrs. Womble said Wednesday that plans for the campaign have not yet been settled, and the opening date will be announced later.

Mr. and Mrs. Homer Sanders Jr. and Mr. and Mrs. Howard Williamson of Muleshoe were Hereford visitors Sunday.

Yes — 1941 prices in 1946! Imagine what that means to you in cold cash savings! During the last five years, the cost of living rose sharply—but not the cost of your favorite nationally advertised health and beauty aids. We're still selling most of them at low pre-war prices—and many products are actually priced below 1941 levels. It seems too good to be true, but you'll see plenty of convincing proof in these timely values.

333, a number which would comfortably fill the present eighth school building without the addition of the 8th grade.  
No release has come from Washington yet on the buildings at the Hereford Prisoners of War Camp which the local schools have counted on for temporary relief for the classroom problem.  
Release of the buildings is now being held up by the U. S. Bureau of Education, Graham reported. A strongly worded telegram urging immediate action on the Hereford school application was dispatched to Washington Tuesday by the superintendent and members of the board of trustees.  
Part of the buildings will be converted for use as class rooms to relieve the critical overcrowding at Central School. Tentative plans are to set up a sort of junior high for the sixth and seventh grades.  
This will provide only a temporary solution for the problem, however, Graham pointed out, stating that the Hereford school system is faced with the absolute necessity of a construction program to care for present and future needs.

after checking in the day's receipts and placing the cash in his wallet, and had gone home. Then, missing his dog, he had returned to town to look for him.  
Johnson said he had entered the cafe by the front door, apparently falling to lock it after himself, and went through to the rear door to call for the dog. As he came back through the cafe, he noticed "a large man, wearing blue overalls and a light hat" standing in the door and was watching him carefully as he walked forward.  
As he passed the end of the rear counter, he was slugged from behind, his assailant having apparently hidden himself between the two counters.  
Officers said the weapon was probably a sand bag or bag of small shot.  
Time of the robbery was placed at about 22 minutes to 11, as the electric clock in the front of the cafe was stopped at that time and Johnson was certain that it had been running when he entered the building. The clock, which has a bright neon front, had been disconnected.  
Johnson was taken to the Deaf Smith County hospital by E. B. Black ambulance, and was released the following day.

## Good Roads Association Asks For Adoption of Good Roads Amendment

Charles E. Simons, executive vice-president of the Texas Good Roads Association, expressed gratification today in the State Democratic Convention's resolution recommending adoption of the Good Roads Constitutional Amendment by the people in the November 5 General Election.  
"This is a great step forward," Simons said, "and it is extremely gratifying that the convention adopted the resolution unanimously."  
The Good Roads Amendment provides that motor vehicle registration fees and gasoline taxes, other than the one-fourth of the gas tax allocated to the Available School Fund, shall be used for the construction, maintenance and policing of public roadways and for the purchase of necessary rights-of-way.  
"The development of a system of rural highways and farm-to-market roads is essential to the economic welfare of the state and is vital to the enrichment of the lives of our rural people," the Convention resolution pointed out.  
Continuing, the resolution stated, "This proposed Constitutional Amendment has the endorsement of those public agencies responsible for the development of our road system."  
Threats of diverting road money to non-highway purposes in the past caused confusion and uncertainty among road planners, who felt a hesitancy to begin long-range projects without the assurance that funds would be available when necessary.  
Realizing the existing situation, the convention's resolution declared, "Stability of road finances is necessary to permit road administrators to plan effectively a long-range program of rural road construction, which stability can be guaranteed only through constitutional means."

# Streu's Diary

DEAR DIARY:  
I am very happy again this morning. Have been trying to run a business for the last few months without the benefit of OPA regulations and bulletins — but they are coming through again. In this morning's mail I find the following—Document No. 57189, Part 1499, (2nd Revision to SR 14, Amdt. 40)—Section 5.4, of same—Amdt. 2 to Revised Order No. 1 under MPR 188—also Order 5122 under MPR 188 — and, about a dozen more!  
I am sure that most of the customers understand all of these regulations as well as I do, and will help me to observe each and every one of them down to the last amendment to the last revision of each order and supplementary order.  
Now that we are once again being taken care of by the OPA, we can offer several items for sale with a clear conscience. In Stock: Good assortment of aluminum and stainless steel cooking utensils—cotton rugs in a wide range of sizes and colors—all kinds of house cleaning aids including floor waxes, polishes, mops, dust cloths, chamois, woodwork cleaners, venetian blind cleaners, etc. We also have for rent a new Clark floor polisher. Try It!

Just Received! Two only... Lionel Electric Trains!... the first ones since 1941—first come, first served. An assortment of Kleenspoons — the new unique kitchen utensil that can be used as a spatula, skimmer, turner, a scraper, and paddle for the children—comes in left hand models, also, for south-paw cooks. The price—OPA ceiling 59c  
Coming: Footballs and football helmets, good microscope sets, wood burning sets, and maybe — just maybe—a few .22 rifles. We will now take names and preferences on rifles—to be delivered upon arrival.  
I have an excellent cure to offer for the feeling that the world is rapidly going to pieces — it's free — just visit one of the local Scout Troops on meeting night—such a visit will furnish you with entertainment, information, and will cure you of any idea that this country is going to the dogs—or communists—or politicians.  
STREU.  
P. S. I have almost \$100 in cold checks that will soon adorn one of the front windows if the signers of same don't pick them up.  
S.
