TUESDAYS—TWICE-A-WEEK—FRIDAYS

HEREFORD, DEAF SMITH COUNTY, TEXAS, TUESDAY, JAN. 31, 1922.

5TH SUNDAY OF BAPTISTS IS SUCCESS

FIVE COUNTIES SEND DELEGATES HERE LAST WEEK

SUNDAY BIG DAY

Large Crowd, Sumptuous Feed, Topped Off by Great Sermon

The Fifth Sunday Meeting of the Sierra Blanca Baptist Association closed Sunday evening at the local Baptist Church after a very successful session. Many delegates were in attendance from the five counties which comprise the Association.

The session began Friday morning by organizing. At eleven o'clock a sermon was preached by Rev. E. J. Barb, of Farwell. Sessions were then had each morning, afternoon and evening. On Friday afternoon the Women's Missionary Union rendered a program. Mrs. B. T. Johnson, of Canyon, who is District President of the Panhandle District of Texas, of the W. M. U., gave a report of the Texas Baptist Convention which was an inspirational uplift.

Vital phases of the Lord's work were discussed at the several meetings; such as The Sunday School, Missions, The Local Church, The Summer Assembly of the Panhandle Baptists and other things. These discussions were led by the delegates in attendance. Broader views and greater visions of our opportunities and duties were brought out by these earnest talks.

Saturday evening was given to The Wayland Volunteer Band. This band is a group of young people attending Wayland Baptist College of Plainview, who have consecrated their lives to the service of the Master. Some are studying for the ministry, others as foreign missionaries and others for different lines of special work. The theme of their program was "Wayland College." They discussed its history, its spiritual life and its future. It is considered one of the greatest institutions in our state and is having a wonderful influence on the spiritual and moral life of these great Plains.

Sunday was the banner day of the local Baptist Church. Two hundred and sixty-seven were in attendance at Sunday School. Rev. E. E. Dawson, of Tulla, preached at the morning hour. He brought a great message to the large congregation which filled the church.

The ladies of the church, assisted by the B. Y. F. U., prepared dinner for the visitors, members, and friends in attendance. After the sermon Sunday morning, dinner was announced and the great throng formed a line of single column and marched into the annex, where a great square table had been formed. The table was groaning under a burden which comprised everything which would tickle the palate of an epicure and was presided over by Mrs. Homer Wilkinson, as chairman, assisted by a corps of assistants. The diners were served cafeteria style. Each one was required to take two plates and were not allowed to leave the room until these plates were filled to capacity. Coffee, made by the B. Y. F. U., was served also. Between four and five hundred were present.

At two o'clock, the Associational B. Y. F. U. rendered a program to a large congregation. The theme of the program was "The Work of the B. Y. F. U. and its Plans." The addresses were educational and inspiring and were a demonstration of what the B. Y. F. U. can do, as those participating were trained in the B. Y. F. U. There were about one hundred representatives from the different B. Y. F. U.'s of the Association.

Special music was rendered at nearly every session by local members of the church. Rev. E. J. Barb, of Farwell, preached the closing sermon Sunday evening.

Space will not permit in giving the names of all the visitors, but the following pastors were in attendance: Rev. E. J. Barb and wife and two children, of Farwell; Rev. J. A. Lindley, Associational Missionary of Tulla; Rev. B. F. Fronabarger, of Canyon; Rev. E. E. Dawson, of Tulla; Dr. E. B. Atwood, pastor of the local church; Rev. James Corder, and Rev. S. W. Bedgett, ministerial students, Wayland Baptist College.

The business transacted at the session of the Sierra Blanca Baptist Association consisted of electing a Board Member from Hereford and establishing a Church Building Fund with which to assist the churches in the Association in building church houses. The local church has been greatly benefited and blessed by this meeting and is living in a higher spiritual plane. We know our opportunities better, we

Prisoner, Ford Car, and Gas Go Same Time

Shorty Williams, a trusty in the Dimmitt jail, made his escape in some fashion last Sunday night. A Ford car was reported missing next day, and ten gallons of gasoline was lifted Monday morning at Summerfield. Sheriff Arch Johnson of Castro county passed through Hereford Monday on the case, putting two or three things together, and conferred with sheriff Purcell. At last reports he was in Clovis continuing his investigations.

PROBABLY TRUE

An old crow sat on a cornfield fence, and shouted his raucous cry; His remarks were stupid, and void of sense—even as you or I. But there he sat, as black as your hat, and tooted his harsh basso; That old fool bird's had to be heard—even as I or you. For all I know, that blamed old crow, as he squawked in his fiendish glee, was teasin' his folks with his harmless jokes—even as you and me! So, here's to the bird that's bound to be heard, no matter how crude his gem; let others inspect, approve or reject—it's a matter that's up to them.—Uncle John.

Real Orchestra Will Play Here On Next Friday

The Lleurance Symphony Orchestra, declared to be one of the best musical organizations that has ever visited Hereford, will appear at the Methodist Church Friday evening, Feb. 3, under the management of the local school lyceum.

The company is an all-string combination patterned after the metropolitan symphony orchestras and playing a real symphonic program. It was organized and especially coached for the present lyceum tour by Thurlow Lleurance, the noted composer and interpreter of Indian music, who miligles through programs of standard symphony selections a number of his wonderful Indian songs. The orchestra consists of five violins, a cello and piano, with Miss Violet Falk as contralto soloist. A small organization of first class musicians, it handles the different symphony arrangements usually given by orchestras of forty and even sixty pieces.

A repertoire, wide and varied, includes Tschalkowski numbers, the ballet music from Faust, "The Rustic Wedding," by Goldmark, "Valse Bluettes," by Anser, Dvorak numbers, etc. The composers own "By the Waters of Minnekaonka" is a favorite number, while a unique feature of the program is the rendering of popular sketches especially arranged by Mr. Lleurance, completing a musical entertainment that will please the most exacting musical critic as well as the lover of lighter melodies.

A real symphony orchestra program—a type of music seldom heard outside of metropolitan symphony halls—is offered Friday evening. Each member of the company presenting this program comes with the most flattering testimonials to his individual artistry. The musical press of the country gives to the organization and to its leader and violin soloist, Mr. Harry Anderson, the highest praise, while the local musicians and teachers of music are solidly behind the lyceum management urging that all who possibly can, hear this program. Especially do they urge the attendance of all music students of the town.

The program will be given at the Methodist Church, beginning at 8 p. m.

Murphy Acquires City Cafe From Greenwood & Son

The City Cafe changed hands last Friday when W. A. Greenwood & Son disposed of their interests to Albert Murphy. W. A. Greenwood has been in Mexico for some time, where he conducts a restaurant, and Albert Greenwood and wife and two children left for Mexico on Saturday morning.

Mr. Murphy formerly conducted the Stockmen's Cafe. Later he operated the filling station at the Hereford Garage, recently selling out to Jim Rutherford.

have a larger and broader conception of our duties as Christians, we love the cause more, we care more for our neighbors, and we love the brethren more. We are better citizens, we are better church members and we are more unselfish in our service for the Master on account of this spiritual uplift. Our prayer is that this great season may be repeated every fifth Sunday.

PRESIDENT OPENS FARM CONFERENCE

Secretary of Agriculture Wallace had the full personal support of President Harding in opening of the National Agriculture Conference at Washington. From the President down, all speakers agreed that agriculture is in a "bad way." The 325 delegates from all branches of agricultural activities, showed a decided willingness to take action on all recommendations made by Secretary Wallace. Provision for greater capital or farm loans received first attention. Pictures show (upper) Conference in session; arrows indicating the President and Secretary Wallace; (lower) President walking from White House to conference, accompanied by Priv. Sec. Christian.

A. E. Coneway Seriously Injured When an Automobile and Wagon Meet in Collision in the Dark

A. E. Coneway, of Black, Texas, was seriously injured Friday night in an automobile accident. Mr. and Mrs. Coneway were attending a shower given by Mrs. W. L. Johnson of Summerfield in honor of a bride-to-be. About ten o'clock Ray Johnson and W. E. Stanley had to go to Mr. Stanley's home on an errand and they asked Mr. Coneway to accompany them. Upon their return trip the lights on Mr. Johnson's car gave out and shortly after that they crashed into a wagon in which were Mr. and Mrs. Stanley and family, who were returning from the shower. Mr. Coneway received many injuries about the head, including a severely fractured skull above his left eye. He was hurried to the sanitarium at Hereford where Drs. Hicks, Price and LeGrand operated on him Saturday morning. The doctors say that if no complications arise Mr. Coneway has a chance to recover.

PANHANDLE PRESS CONVENTION SET FOR APRIL 21-22

The annual meeting of the Panhandle Press Association will meet at Amarillo on April 21 and 22, according to a tentative agreement reached in Amarillo last Saturday between officers of the association. On February 18 a program committee will gather at Amarillo to determine definite details of the two days meeting.

The Panhandle Press Association is said to be the largest and most vital of any district organization in the country.

RAMSEY LANDRUM RELEASED BY NAVY ACCOUNT HEALTH

Ramsey Landrum reached Hereford Sunday morning from the Mare Island Navy yard at San Francisco, where he has been stationed with the U. S. Navy for the past four months. Mr. Landrum was discharged from the navy owing to failing health. He was accompanied here by Frank Osgood.

CHAIN STORE MAN LOOKS OVER CITY AS BUSINESS SITE

H. A. Mayfield, representing the United One Cent to One Dollar Stores, with headquarters at Amarillo, spent Monday in Hereford, giving the town the "once over." Mr. Mayfield attended the meeting of the Chamber of Commerce at noon. He said his company has its eyes on Hereford as a possible location in the future for one of their chain stores.

EARL GOUGH GOES TO MOODY BIBLE SCHOOL, CHICAGO

Earl Gough left Hereford Tuesday morning for Chicago, where he has arranged to enter the Moody Bible Institute. Mr. Gough will specialize in vocal work with the idea of entering the church work as an evangelistic singer. Mr. Gough has a magnificent baritone voice and his friends here are predicting all kinds of success for him in his new field of endeavor.

Thieves Strip O. Beene's Car Of Furnishings

Otho Beene was the victim of a concentrated bunch of hard luck Sunday night. Someone calmly swiped his Dodge touring car from in front of his house about 7:15 o'clock. A few moments later he missed it and immediately notified Sheriff Purcell. The two worked all night long, searching the roads and lanes in an effort to find some trace of the missing car but the hard condition of the ground eliminated all chance of tracking the car. About nine o'clock Monday morning the car was discovered by the side of the road four miles northeast, literally stripped of everything the thieves could pry loose. Three casings and rims were gone, the carburetor, electric wiring arrangement, etc. Nothing but the hull was left.

Mr. Beene bore up well under the blow and remarked cheerfully that he was very thankful to get back what he did, as he had about decided he had lost the entire car.

Hereford has been singularly free from car thefts and crime that is now rampant over the country generally, and it is sincerely hoped that this incident is not a forerunner of more trouble of the kind.

Friena Thespians To Tread Boards Thursday Night

The enterprising folks of the little city of Friena, who recently lost their church building by fire, have organized a home talent play combination that is attracting considerable attention all over this section. They recently put on two different plays at home and netted a handsome sum to apply on their new building, and on next Thursday night, February 2, at The Star Theatre, they will present "Jedediah Jackson Judkins, Justice of the Peace." Critics are outspoken in their praise of the excellence of the plot and its presentation. It is believed that the good people of Hereford will all the house Thursday night.

MASS MEETING ON LIGHT AND WATER RATES NEXT WEEK

The proposed mass meeting of citizens to discuss present light and water rates will be held some time next week, states Mayor Knight. It has been decided to postpone it until that time owing to the fact that the first of the month has everyone tied up this week and a few days will be allowed for cleanup of monthly book work and accumulated work incident to closing up January's accounts. The Mayor will issue a call for the meeting in Friday's Brand.

MISS BESSIE FOSTER AND O. G. HILL QUIETLY MARRIED

O. G. Hill and Miss Bessie Foster were united in marriage Saturday morning at the home of Mr. and Mrs. Lawrence Johnson at Summerfield. Immediately after the ceremony the couple left for Los Angeles in their honeymoon.

Miss Foster has been a teacher at the Summerfield school for the past two years. Mr. Hill has been engaged in the cattle business for a number of years. Both have scores of friends here who wish them every happiness together.

THE COUNTY'S SCHOOL FAIR IS PLANNED

COMMERCIAL CHAMBER BACKS COMMUNITY UNDERTAKING

SCHOOLS IDEALS

Are Discussed by Miss Griffith and Appeal Made to Hereford Parents

Deaf Smith County's School Fair, to be held just before the close of the county schools, was the principal topic of discussion at Monday's luncheon of the Chamber of Commerce held at the Stockmen's Cafe. About twenty-five were present and the meeting was full of vim and determination.

County Judge Megert and Miss Millicent Griffith, superintendent of city schools both explained the School Fair to the audience and asked financial and moral aid in making the second effort a big improvement over the first. They were ably seconded in the plan by Mrs. E. W. Harrison, member of the school board. Judge Megert said that last year the Fair was new to all, but in spite of that the exhibits from the various grades had been wonderful and that the effect upon the work of the pupils in the rural school this year had been marked. Miss Griffith made a splendid address, stressing a definite objective in school work and good citizenship. She pleaded for more interest of the parents in the school work and heartily endorsed the County School Fair as a means to an end. The Chamber of Commerce appropriated \$100 to assist in making the coming Fair a success and appointed a special committee, consisting of C. O. Lee, chairman, E. W. Harrison and W. E. Stockman, to work with Judge Megert and Miss Griffith between now and the dates of the Fair.

G. A. F. Parker called attention to the forthcoming numbers of the lyceum course and urged cooperation. E. W. Harrison reported for the proposed One Day Short Course committee that correspondence was now out in an effort to secure proper instructors in hog and poultry work and that report would be made later upon the dates and arrangements made. Attention was called to home talent play to be presented at The Star Theatre Thursday night, February 2, by the people of Friena, the proceeds to be used for the benefit of the church, recently destroyed by fire.

The meeting next Monday will be held at the City Cafe. Those present Monday were: Wm. M. Knight, W. E. Stockman, Homer Wilkinson, F. H. Oberthier, E. S. Ireland, Ralph Barnett, Lee Biggs, W. H. Megert, C. O. Lee, G. A. F. Parker, D. L. McDonald, C. F. Galley, Miss Millicent Griffith, Mrs. E. W. Harrison, A. A. Foster, L. Foster, Chas. Purcell, J. E. Hill, Ralph Johnson, C. A. Skelton, H. L. Broadwell, N. C. Vogele, and A. J. Mayfield of Amarillo.

Weather Man Has Another Grouch; Just Teases Us

The Weather Man put out another teaser Monday, allowed just enough moisture to wet the top of the ground and then again turned on the sunlight. Monday was damp, cloudy and threatening. A dripping mist wet the sidewalks and during the night the ground was saturated on top. But it was clear-up Tuesday and the present outlook is the same old story of the past few weeks. It has been snowing in great gobs nearly everywhere else to the north and east and raining south, so the optimists are still hopeful for relief soon.

TAX MONEY COMES IN WITH RUSH AT VERY LAST MINUTE

Up to Saturday night only about fifty percent of the taxes due this year had been paid, according to city and county collectors. But Monday the rush started in earnest and all day and Tuesday the offices of both City Clerk Miss Grace Skelton and County Collector "Purcell" were rushed to accommodate the last-minute who wake up to the fact that January 31 was absolutely the last day and that afterwards they would have a penalty to pay.

"MONEY MAKES THE MARE TO GO"

Society

Bay View Club

A comprehensive study of O'Henry—his life, his character, and his place in literature—together with representative writings, formed the basis of an interesting program for Thursday's meeting of the Bay View Club.

A biographical sketch by Mrs. J. E. Ferguson, a paraphrase of "The Gift of the Magi" by Mrs. Elmer Dameron, and a reading, "The Unfinished Story," by Mrs. Charles Donald were the program numbers.

Mothers' Club

The Mothers' Club was delightfully entertained last Tuesday afternoon, Mrs. J. J. Clark being hostess.

The following program was rendered:

Bell Call—Books of New Testament.

Free—History.

The Promise of Power—Acts 2:1-5—Mrs. Phillips.

The Promise Fulfilled, Jerusalem—Acts 4:32; 5:11—Mrs. Ireland.

First Called Christian, Antioch—Acts 11:25—Mrs. Miller.

The Gentle Church, Samaria—Acts 8:14-25; Greece—Acts 16:12-31; Italy—Acts 28:16-31—Mrs. Cogdell.

This program was very interesting, as well as uplifting.

After the program a delicious salad course was served.

Bay View Club Enjoys Social Afternoon

A social afternoon with Mesdames P. W. Price, Seth B. Holman, Ray Barber, Charles Donald and Chris Garrison as hostesses, was enjoyed by members of the Bay View Club on Friday, the event furnishing a pleasant interruption to successive weeks of study.

The pretty home of Mrs. Holman, bright with the sunshine of an ideal winter afternoon and tastefully adorned with cut flowers and growing plants, was in itself a pleasure; while the informal "hominess" of gathering round the open fire, each with an original story to relate, was at once a soothing of the good-time goddess and a strengthening of "the tie that binds."

Forty-two constituted the formal

program, refreshments of sandwiches, cake and hot chocolate being served at the close of the games.

Shower

One of the most pleasant affairs of Summerfield society was given at the home of Mr. and Mrs. Lawrence Johnson Friday night, in the form of a shower for Miss Begala Foster, whose marriage to Mr. O. G. Hill took place the following morning. Miss Foster has been principal of schools the past two years, and that she and her work were appreciated was shown by the many pretty and useful gifts given her.

At a late hour delicious refreshments were served by the hostess, assisted by Mrs. B. C. Robertson and Mrs. Fate Walker, to about sixty guests.

Music and games provided the entertainment for the evening and at the close all were enthusiastic with good wishes for the bride and groom elect.

Educational Column

"What is there sadder under the sun, than a day that is gone and nothing done."

The High School had a treat on Monday morning, when Mr. McKissick, President of Midland College gave the pupils a very interesting talk. The motto Mr. McKissick left for the pupils is:

"Good, better, best;
Let us never rest
Till we make good, better,
And better, best."

Miss Lois Vincent, of Amarillo, taught in the Science Department the past week and will continue to teach until Miss Read is able to take up the work again.

Miss Isla Beauchamp, teacher in the Central School, was not able to fill her place the past week because of illness.

Mrs. B. F. Guthrie and Mrs. E. W. Harrison, members of the School Board, visited our school parts of two different days last week. We should be glad

if the gentleman members of the board would also visit our schools.

The great pianist, Paderewski, who is now in California, will soon return to his native country, Poland, of which he was the first Premier. He expects to arrive about the time the first President of Poland is elected, and it is possible that Paderewski, himself, may be elected the first President.

It may be of interest to pupils in the higher grades to know how the new Pope will be chosen. He is elected by the College of Cardinals from one of their number. A paper published in Rome states that a German Cardinal may be the next Pope.

Men and women are not, as a rule, self-reliant and independent. They need props and aids both to stand and move. What are called the great men and women of any age are those who have found their appointed places in the economy of nature, and then equipped themselves to fill these respective places.

When that "man of destiny," Napoleon Bonaparte, had had himself proclaimed Emperor of France, and the English government, ignoring the fact, continued to address him simply as general, he remarked to a friend, "They may call me what they please, but they cannot prevent me from being myself." The being himself was what puzzled the men of Napoleon's time. The man who would not follow custom or precedent, who would copy nobody and who for fifteen years kept all Europe in an uproar and frenzy of fear, was a man who was self-reliant.

RATES
 The question is, are Electric rates in Hereford too high? If they are they should be lowered in keeping with the cost of producing same, if not, then the agitation should stop and we will be entitled to your confidence.
 We are willing to meet the citizens of Hereford in an investigation of the costs of Electric service here and we have asked the City Commission to call a mass meeting for that purpose some time in the near future. We shall be supplied with all the data necessary and ask that the entire citizenship of Hereford attend that meeting which will be very interesting, as it affects you all.

Easy to Operate
Easy to Clean

The De Laval bowl can be completely taken apart for washing. The discs, bowl parts, and tinware have no tubes, crevices, holes or corrugated surfaces which are hard to clean.

The De Laval discs are washed as a single piece and the whole machine can be thoroughly cleaned in five minutes.

There is no part of the De Laval bowl which cannot be easily reached and seen, so that the operator can always tell whether or not every part has been properly cleaned.

The ease with which the De Laval can be thoroughly washed and kept in a sanitary condition is one reason why practically all creamery-men prefer De Laval, and is also one of the reasons why butter made from De Laval cream scores highest at the National Dairy Show.

C. C. Carstens, of New York, in an address at the middle western conference of the Child Welfare League of America, held in Chicago on January 27, seems to blame prohibition for the cause of the League's not being able to supply the demand for babies to be adopted.

The Brand is unable to get complete statistics in regard to this matter, and is wondering whether Mr. Carstens intended to convey the idea that prohibition had increased the demand for, or decreased the supply of such babies—probably the latter.
