

SIGHTS, FACES SEEN

## Around Town

Promising skies as of Wednesday noon still failed to give out with any moisture for Deaf Smith county's parched dryland crops. The city weather station reported .02 inches and Carl Kropff said there wasn't enough precipitation in the gauge at Clover airport to run a moisture test.

The city commission met Tuesday morning and transacted routine business. The commission plans to meet again Thursday morning.

A new face-lifting is being given the city hall. Two coats of new trim paint are being applied.

There will be a picnic supper Saturday night on the lawn of the Presbyterian church honoring Rev. and Mrs. Jimmy Aiken. The picnic will begin at 7 p. m. All people attending are asked to bring supper and dishes for their family.

Sgt. Hicklin Harrel, local Army and Air Force recruiter, suffered a sun stroke last week while engaged in battle indoctrination exercises at Ft. Sill, Okla. Harrel will be unable to return to his duties here immediately, although his condition is not regarded as serious. The local recruiting office will be open only one day a week—Friday—from 9 a. m. to 4 p. m.—until Harrel returns. His duties here are being handled at the present time by Sgt. D. R. Perdue, public information officer at the Amarillo main recruiting station.

Three fashion buyers from Hereford—Miss Helen McCauley, Mrs. E. D. Fox, and Mrs. F. M. Cogdell, all of the Village Sport Shop—attended the American Fashion association mid-winter holiday market this week in Dallas. Some 5,000 women's apparel merchants filled all of the

(Continued on page 3)

## Clay Angelo Named Full-Time Fireman

Clay Angelo, veteran member of the Hereford Volunteer fire department, has been named full-time fireman for the department, effective September 1.

Angelo's salary was set at \$225 per month plus living accommodations in the apartment at city hall.

He will replace Leland Alderson, city policeman who formerly acted as watchman and had charge of the fire department equipment.

The change was made at the direction of the state fire insurance commissioner.

Mayor W. E. Dameron said some of the fire marshal's duties, now executed by Police Chief

HEREFORD HIGH SCHOOL'S prospective gridlers seemed to be enjoying their "get-together" Monday night as they talked over football with their dads and the boys as guests at a watermelon feed. Shown above enjoying the evening are, from left: A. H. Janssen, Assistant Coach-Wayne Stark, Toby Yates, Virgil Coconauger, and L. V. Watts. —Brand Staff Photo.

## Safflower Harvest In About Two Weeks

Harvesting of a new crop in the area, safflower, will begin in about two weeks.

Some of the crop will be ready by that time and some will have to wait until about the first frost, according to Alton Fraser, who introduced the new crop into the area with the sale of enough seed for 4,000 acres.

Of the original 4000 acres, Fraser expects that about 2500 to 3000 acres will be harvested. The rest was lost in this spring's prolonged rainy spell as the seed was washed out.

Some of the farmers who lost their seed replanted, but the number failed to bring the total to 4000 acres for the county.

Yields are excellent. Colorado growers say good yield of safflower seed pays off in the same proportions as a good (20 bushel) wheat crop.

Harvesting of the safflower seed, from which edible oils are extracted, is done with ordinary grain-harvesting equipment.

Farmers in the area growing safflower will market their crop through the Fraser Milling company, who in turn has an outlet in California and with the Western Solvents Corporation in Longmont, Colo.

One of Fraser's employees is at Longmont now visiting the processing plant there.

The experiment with safflower this year was tried by about 70 farmers in this area. Ralph Carter and L. C. Heath, who own a farm southwest of Hereford but live in Brownfield, have the largest single acreage here with about 200 acres planted.

Floyd Reeves, will be assumed by Angelo. He will make inspections of buildings, reported fire hazards, and will make any suggestions he feels will improve the city's fire risk and rate.

Angelo, who is driver of the city's largest fire truck, will have complete charge of the fire-fighting equipment.

Mayor Dameron cited the appointment of Angelo as a "step forward" in the city's fire department. "He is the best qualified man we have ever had in that position," the mayor stated.

Angelo's appointment was made after recommendations by Fire Chief Earl Phillips and members of the fire department.

Mr. and Mrs. John Kropff and family of Gardena, Calif., are visiting in the home of his sister, Mrs. Russell Hunter, and with other relatives here.

Mrs. J. W. Hendricks of Ralls visited here last week in the home of her daughter, Mrs. G. E. Davis.

## VFW Members To Attend NYC National Parley

Two local VFW members—Luther Norvell and Ed Bezzer—will leave Friday morning by plane to attend the National VFW convention in New York City August 26-31.

The Hereford VFW will pay all the expenses of the trip.

Bezzer and Norvell are the first Hereford members to attend the national convention since 1946 when four local VFW members went to Boston for a national encampment.

## Grand Jury Returns Ten Indictments in Burglaries

Grand jury Saturday returned 10 indictments against four migrant laborers charged with a series of farm burglaries dating back to July 24, 1951.

Indicted were: Augustine Garcia alias Jesse Martinez, charged on three counts of burglary; Fred Martinez, charged with three counts of receiving and concealing stolen property; Jose Angel Martinez alias Joe Martinez,

charged with three counts of burglary; and Arnulfo Limas, charged with one count of burglary.

Bail on each of the 10 indictments has been set at \$1000. No trial date has been set as yet for the four men.

Garcia, alias Jesse Martinez, was charged with the burglaries at the Dale Coleman place on July 24, the Wayne Johnson place on July 26,

and the Jack Farm-borough place on July 26.

Fred Martinez was charged with receiving and concealing stolen property of Dale Coleman on July 24, of Wayne Johnson on July 26, and of Jack Farm-borough.

Jose Angel Martinez was charged with burglaries at the Dale Coleman place on July 24, the Jack Farmborough place on July 26, and the Wayne Johnson place on July 26.

Arnulfo Limas was charged with the burglary of the Dale Coleman place on July 24.

The grand jury returned no other indictments. The panel was comprised of: J. C. McCracken, foreman; G. E. Benson, James S. Stocks, L. J. Straffus, T. E. Rohr, Phillips Miller, Glenn Hetzler, Arthur Brock, V. E. Dodson, and Hugh Bookout.

Those unable to play Saturday afternoon will be allowed to play two matches on Sunday and their final match on Labor Day, Terry explained.

A new club champion will be crowned as Jerry Stoltz, former Brand editor, is not expected to be on hand to defend his title.

A Calcutta Pool will be held on the championship and first flight. Entry fee will be \$5 plus green fees. "Plenty of good prizes will be put up in each flight," according to Terry.

All interested in the tournament are asked to see Frank Cogdell or Jim Terry for details.

## Set Inter-City Golf Championship Date

The third annual Inter-City Club Championship will be held over Labor Day at the Here-

ford Golf club, Pro Jim Terry announced today.

All players are invited to attend the event, Terry said. Participation is open to golfers not only in Hereford, but in Dimmitt, Friona, Muleshoe, Farwell, and in other towns where golfers use the Hereford course.

Qualifying will start Saturday, Aug. 25 and must be completed by August 31.

First matches will be played Saturday afternoon, Sept. 1, second matches Sunday, Sept. 2, and final matches on Labor Day, Monday, Sept. 3.

## Pipe Shortage Delays Park Work

Pipe shortages have put a temporary crimp on the city's plans for installing an underground water system on the new park at the corner of Park avenue and West Third, but the work will be done before fall, Mayor W. E. Dameron assured The Brand this week.

Work on the system was scheduled to start a few weeks ago, but the supply of galvanized water pipe from 3/4 inches up to two inches necessary for the work has

not been available. The city has plenty of cast iron pipe to cross the highway and also has the permit from the state to cross the artery, but still no pipe.

Onias Carroll, who will do the installation work, spent a half day in Amarillo recently with the wholesale firm usually supplying the city, but had to return empty-handed for the time being.

## Bootleg F-M Road Ready About Oct. 1

Completion of the Bootleg farm-to-market road (FM1412) is expected about October 1, approximately 90 days ahead of schedule, according to W. V. York, resident engineer for the Texas Highway Department.

Bell, Braden, Barker, and Gilven, Amarillo construction firm awarded the contract, was allowed 180 working days in which to complete the 37.5-mile hard-surfaced road. Work on the \$312,332.84 project was started the week of May 28.

The favorable progress of the road work was made possible by working "larger crews and longer hours", York's office stated.

At the present time, York told The Brand Wednesday, the final asphalt work is completed for a distance of 21.2 miles, west of Highway 51 along the 14-mile road, east-west leg of the project.

That is approximately half the east-west distance, on the 23.5-mile leg.

The caliche base is now completed for the entire 23.5 miles on the 14-mile road.

Crews are working on a stretch from the Walcott school north to the intersection of the Bootleg road and the 14-mile road. When this stretch of road is completed, the last section to be worked will be from Walcott school south to Harrison highway. The crews will work out of the caliche pit near the Harrison highway.

All the structures and the dirt work for the project has been completed, according to the resident engineer. Only two crews from the Amarillo firm are now working—the caliche crew and the asphalt crew. Four crews were working at the peak of construction.

Final "polish" must be added to the 12 miles totally completed, York explained. This consists of cleaning up the road and readying it for final use.

The parking area and the drive to the road property line at the Sims community house has been surfaced also, York said. This was done through the joint efforts of property owners in the community, the contractor, and the state highway department.

Two individual land-owners have had the lanes to their farms hard-surfaced, providing them with an all-weather road directly into Hereford.

York also gave The Brand some information on the progress of still another farm-to-market project in the county—the 21.2 miles north from Dawn to Wildorado.

Letting of the contract for the work is scheduled for about the middle of December. This precludes, however, the securing of the necessary right-of-way for the project in the proper time.

Plans for the final eight miles of the project are now being completed. The new contract would provide for a hard-surfaced road 5 1/2 miles north of Dawn, then two miles east to the Randall county line in addition to connecting Dawn and Wildorado.

Mr. and Mrs. John Harris and daughter, Diane, of Austin, and Mr. and Mrs. Marvin Harris and daughter, Shera, of Slaton, spent their two-week vacations in the home of their parents, Mr. and Mrs. G. E. Harris. They left for their homes last week.

## J. C. McCracken County Chairman Of USO Drive

County chairman for the U.S. O. fund-raising organization in Deaf Smith, Randall, and Oldham counties were named this week by J. A. Pitman, district chairman.

J. C. McCracken

J. C. McCracken of Hereford is Deaf Smith county chairman, Pitman said. Dr. R. A. Nibblitt is head of the drive in Randall county and Raymond Thompson will lead the fund-raising activities in Oldham county.

The USO fund in Potter county is part of the Community Chest and no chairman will be named for that county.

Details of the drive are expected to be released to McCracken some time this week.

Mr. and Mrs. Byron Durham and Lou visited Friday in the homes of their son and daughter, Ronny Durham and Mrs. Paul Creek at Portales.

## VFW Convention Here Attended By About 200

About 200 VFW and Auxiliary members attended the District 13 encampment which was held in Hereford August 18 and 19.

Registration was held at Hotel Jim Hill at 3 o'clock Saturday afternoon followed by a buffet supper at the clubhouse at Veteran's park.

Don Davidson was the speaker at a breakfast Sunday morning at the hotel and the main speaker at the Sunday noon banquet was District Judge E. A. Bills of Littlefield.

Business meetings were conducted by both the VFW and the Auxiliary before the encampment was adjourned Sunday afternoon.

Ray Cowser was in charge of all speakers on the program.

## Three Named to Air Findings Of Research

Lytle Blanton, Delbert Kinsey, and Jim Bob Allison were named publicity chairmen to publicize findings of the Deaf Smith County Research Foundation.

Their appointment was confirmed at a meeting Tuesday night of the research committee. The three men will publicize what the research will do for the county and what the findings will mean for the county as a whole.

Tentative plans for raising money were discussed, but nothing definite was agreed upon. Initial work of sampling was approved and that work started on Wednesday.

## Rameys Return From National Carriers Meet

Mr. and Mrs. E. Ramey returned Sunday from the Rural Mail Carriers National convention which was held in St. Louis on August 14-17.

Ramey attended the convention as one of the 12 delegates selected at the state convention earlier in the month to represent Texas.

Oklahoma was chosen as the site for the 1952 convention. Highlights for the convention for Mr. and Mrs. Ramey were two major league ball games and a sightseeing trip on the Mississippi river.

## Re-Schedule Family Farm Meet Friday

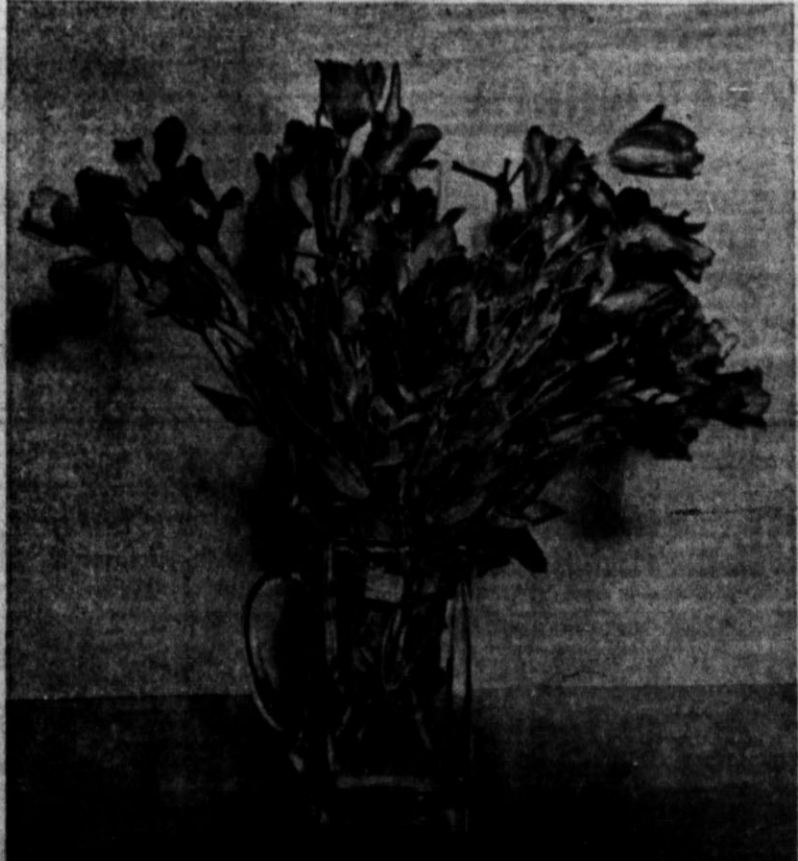

Another attempt at securing the views of farmers and businessmen on the United States Department of Agriculture's "Family Farm" policy will be made Friday night, Aug. 24.

The meeting, to which 42 businessmen and a representative list of 36 farmers in the area been invited, will be held in the county courtroom, beginning at 8 p. m.

A concentrated effort will be made to get a truly representative turnout for the meeting Friday night so the officers of each agency in the county under the USDA can explain their duties and operation.

From this meeting will come ideas from the representative businessmen and farmers on what to include or exclude in future USDA programs.

Any second meeting to present these suggested changes or omissions will depend on the turnout at Friday's meeting. County Agent Hugh Clearman said this week.

SCOTTISH BLUEBELLS—a rarity in this region—grow profusely on the Bob Higgins farm northeast of Hereford. What started as a small patch about two years ago has multiplied into 15 acres this summer. The flowers line both sides of the creek running through the Higgins farm. —Brand Staff Photo.

THE WEATHER was fit for ducks when the Hereford Lions club played the Hereford Kiwanis club in a golf match Tuesday at Hereford Golf club. The challenge levelled at the Lions by the Kiwanians prompted a few of the more riotous Lions to pin a sign on the above duck and send it waddling into the Kiwanis meeting last Thursday. The sign on the duck's back said, "Kiwanians, stop ducking the issue. Let's play golf and quit quacking about it." P. S.—the Lions lost Tuesday, 6-4. —Brand Staff Photo

### DIGGIN' DIVOTS By Jim Terry

It looks like the mortgage on the Hereford Golf club is finally going to be lifted. Directors of the club have been working hard to relieve the original debt. Twelve new stockholders have been added. Tasty Drive Inn, Stan Barrett, T. J. Clay, Blue Turpin, Dr. J. W. Barnett, Earl Hendricks, H. A. Close, Frank Craig, Hereford Parts and Supply, Maurice Tannahill, Ray Hardy, and Loyd Neill. The Hereford Golf club now has some 80 odd stockholders with a limit of 100.

Dr. John Channer was winner of the week-end sweepstakes with a 75-5-70, second place was tied by Henry Lewis of Friona with a 84-12-72 and Stan Barrett 76-4-72. Third place ball winner was Frank Latimer of Dimmitt with a 83-10-73.

The Kiwanians stopped the Lions roar with a 5-4 victory Tuesday. Despite mist and rain there was a good turn out. Worth Covington took on two opponents, Ray Cowser and Pick Harmon, and came out on top, 1 up. Gib Howard downs H. V. Stanton 3 up. Dub Reeves downs Lowell Sharp 2 up, Robert Thompson 4 up over Bob Wear, Pat Sullivan 3 up over Jimmie Allred, Walter Seed 3 and 1 over Clyde Cave, Jack Kirksey tied up with Bartlett Dowell, Frank Vogel 1 up over T. J. Clay, D. B. Roberson, 8 up over Wayne Phillips, Ray McCullough 4-2 over Harold Close.

Ray McCullough won 3 balls with low net of 82-14-68. Lowell Sharp and Dub Reeves tied 2nd place low net with 70 for two balls.

Third low net, one ball, D. B. Roberson, 76-5-71. Fourth low, Clyde Cave 98-27-71 on a putting cup. High score winners were Bob Wear with a score of 116, won 1 ball and a crying towel, Jack Kirksey, 2nd high score with 113 won 1 ball.

Players nearest to pin on No. 4 hole, Clyde Cave, and T. J. Clay tied, their balls coming to rest 92 inches from the hole. They will split the prize of two balls. More competition among civic clubs is in the making.

Golfingly Yours, Jim T.

### Around...

(Continued from page 1)

Dallas hotels to capacity for the market, August 19-24.

First and second grades at Central and Shirley schools will enroll from 9 a.m. to 12 noon on Friday, Aug. 31.

The Hereford Fertilizer and Insecticide company, owned and operated by Norman Moore and Joe Ballinger, has taken up temporary quarters one door south of the Texas theater. They are awaiting completion of their new building located on Ballinger's place south of town. The new company will carry a complete line of insecticides and fertilizers. They were recently appointed distributors of California Spray Chemicals.

Mourning doves oftentimes nest in Texas in the earl fall.

### Steer-Feeding Test Results

COLLEGE STATION — Sorghum gluten meal and sorghum gluten feed gave good results in the 1950-51 steer fattening trials at the Beeville unit of the Texas Agricultural Experiment station.

Sorghum gluten meal was equal in value to cottonseed meal as a protein supplement in this experiment, according to E. M. Neal, assistant animal husbandman for the Beeville substitution.

It was profitable in this test to use sorghum gluten feed as a replacement for cottonseed meal, gluten meal, or sorghum grain.

Neal pointed out that gluten feed can be used, to better advantage in combination with cottonseed meal and sorghum grain. Steers fed gluten feed as the only concentrate were below average in gain and grade.

Feeding three pounds of protein supplement instead of two pounds of supplement and one pound of grain per day did not increase the gain of the steers. The feed cost, however, was increased, since grain was the cheaper feed.

The results of these feeding tests are given in Progress Report 1386, which is available from the Publications Office Texas Agricultural Experiment station, College Station, Texas.

### Birthdays Celebrated

Christian Youth Fellowship of the Christian church was entertained at a back yard party Sunday evening after church at the home of Mr. and Mrs. Earl Phillips. The occasion honored Margaret Phillips and Bob Boyte, educational director of the church, on their birthdays.

Those attending were: Cecelia Wilkins, Earline Phillips, Jane Prichard of Pampa, Janelle Hilton, Kenneth Carmichael, Billy Bob Carmichael, Don Veigel, Billy Robinson, the honorees and Mr. and Mrs. John Robinson.

### J. W. Sexton Found Guilty in District Court

J. W. Sexton was found guilty in district court to a charge of defrauding by giving a worthless check.

District Judge Harry B. Schultz sentenced him to two years at hard labor in the penitentiary and placed on probation for a five-year-period.

Sexton was given the benefit of the adult probation law and put on probation. One of the provisions of his probation was that he must repay the \$811 worthless check he gave at the rate of \$50 per month.

### E. D. Nolen Died Monday in Austin

E. D. Nolen, well-known visitor in this community, died August 20 in Austin of a heart attack. Nolen is the after of C. C. Nolen, Colorado Springs, son-in-law of Mayor and Mrs. W. E. Dameron.

Mr. Nolen had not been well for about five years. He was formerly in the insurance business.

The C. C. Nolens flew from Colorado Springs to attend the funeral, which was held in Austin Wednesday afternoon. Burial was in Austin also.

The barn or screech owl is often called the "feathered cat" because it is a great foe of mice.

### FRIO NEWS

### Frio Residents on Vacations; New Resident From Oklahoma

By Mrs. Owen Andrews

Mr. and Mrs. J. H. Dobbs and sons are visiting relatives at Sparta, Tenn., for two weeks.

Frank Hines of Cordell, Okla., who is a brother of Mrs. Herb Schmidt, returned with the Schmidts when they came home after attending the funeral services for Mr. Schmidt's grandmother. Mr. Hines plans to work in this vicinity for some time.

Gail Sims of Amarillo and Quinelle Cruse of Hereford spent Sunday night with their grandparents, Mr. and Mrs. D. O. Benson. Visitors Sunday afternoon in the B. O. Benson home were:

Mrs. Wiley Sims, and son, Mr. and Mrs. Richard Simpson and children, Royanna, and the Glenn Cruse family of Hereford.

Nellie Jo Simpson spent last week at Wellington visiting her

grandparents, Mr. and Mrs. C. E. Roberts and other relatives. On Thursday, she and some of her relatives attended a Baptist Fellowship meeting at Amarillo. Mr. and Mrs. J. C. Simpson took Mrs. Leon Roberts and Patricia to Wellington and brought Nellie Jo home with them.

Mr. and Mrs. Robert Simpson spent the week-end visiting her sisters at Dumas.

The D. Johnsons had as visitors last week the O. H. Samples

of Mexia, and O. C. Kunkles. Mrs. H. M. Mobley, Don and LaNelle visited Mrs. Mobley's sister, Mrs. Claud Price near Rapid City, S. D. last week while they were vacationing.

Mr. and Mrs. Jim Brooks took her mother, Mrs. McClennen to Albuquerque during the week-end to visit Mrs. McClennen's brother.

Buzzards do not scent carrion. They locate it by sight.

Mourning dove limits this fall are 10 per day or 10 in possession.

Shotguns capable of holding more than three shells are forbidden for hunting doves or waterfowl.

**Two Visitors Are Honored**

Mrs. F. H. Oberthier and her daughter Mrs. Frances Houston were hostesses at a get-together of old friends Saturday honoring Mrs. Oberthier's two daughters, Mrs. Louise Tinsley of New York City and Mrs. Dewey Lawrence of Tyler who have been visiting their parents here. The get-together was in the form of an informal coffee for close friends of the honorees with conversation centering around individual interests of the

guests. The refreshment table held a comote of ruddy-toned seasonal fruit and late-summer flowers were used in attractive decorations for the entertaining rooms.

WESSON REAL ESTATE West of Courthouse HEREFORD TEXAS DIMMITT

## Increase in Game Breeder Licenses

AUSTIN—An increasing number of Texans are taking out game breeders' licenses, according to the chief clerk of the Game Fish & Oyster Commission.

The increase in the sale of these permits, which cost \$2, is shown by incomplete figures for the fiscal year ending August 31 which show that more than 800 were sold. The total for the 1949-50 fiscal year was 284.

The chief clerk reported that about 90 per cent of these licenses raise pheasants because this is the only species of wild game that may be used for commercial purposes.

While most of the breeders apparently seek commercial gain, the chief clerk said few succeed because of the many hazards involved. In fact, it is a commission policy to discourage such projects as a means of profit because of the high rate of failure.

The 10 per cent who follow game breeding as a hobby raise

quail, wild duck and geese, mink and deer.

The comparatively few who raise migratory waterfowl are required to have a permit from the United States Department of the Interior, Fish & Wildlife Service, Washington, D. C. as well as the regular \$2 state license.

The state law governing game breeding provides: "Such a license does NOT entitle the holder to capture any of the wild game birds or wild animals of this state. He must procure his primary breeding stock either from a game breeder in this state or from a game breeder in some other state or from the Republic of Mexico or from some other country."

The game breeding permits issued for the 1950-51 fiscal year must be renewed by August 31, this year. They may be obtained by writing "the Game, Fish & Oyster Commission, Walton Building, Austin, Texas, 30."

## Nine Hereford Students Among 258 WT Grads

Nine students from Hereford will be among the 258 persons receiving degrees from West Texas State college this summer.

Commencement exercises have been set for August 24, at 8 o'clock in the evening, in Buffalo stadium, Canyon. Dr. Charles Forbes Taylor, noted minister and lecturer, will deliver the commencement address.

Those students and the degrees they will receive are:

Bachelor of Science—Thomas Albert Bourland, William L. Brady, James Ernest Ford, Leta Stoner Kaul, and Gladys Williams; Master of Arts—Ethel Womble; Master of Education—Bessie Barrett, Jewell Malone, and Douglas Groom.

## Damage Trial Against City Set October 2

A pre-trial in the Elmer and Effie Jones vs. The City of Hereford damage suit was held Saturday, Aug. 18 in district court.

District Judge Harry B. Schultiz set the date for hearing the trial on October 2.

A jury will be summoned for the case.

Trials will be held October 2 also for the Wilde vs. Clements suit and the C. F. Cole vs. Russell Giles suit to dissolve partnership.

## Hospital Notes

**PATIENTS IN HOSPITAL:** Mrs. Joseph Cargo, med.; Felix Masias, med.; Mrs. Glenn Weir, surg.; E. O. Billingslea, med.; Mrs. Guy Lawrence, accid.; Mrs. Ennis Davis, surg.; Mrs. Bonnie Wilson, OB; Mrs. Palmer Norton, OB; Mrs. W. C. Flack, med.; Mrs. G. S. Solomon, OB; Mrs. Cora Hopson, med.; Mrs. G. A. F. Parker, med.; Mrs. W. C. Wither- spoon, med.; A. G. Biggers, accid.; Mrs. E. Bridges, OB; Archie Barrett, surg.; E. J. Zimmerman, med.; Greldin Aguilar, med.; Mrs. Virgil Ritchie, OB; Charlie Warden, med.

**PATIENTS DISMISSED:** Mrs. Eugene Collier, OB, 8-22; Larry Joe Troxell, T&A, 8-21; Eddie Dean Troxell, T&A, 8-21; Mrs. E. R. Roberson, surg., 8-22; Mrs. Raymond Williams, OB, 8-22; Mrs. Delmo Williams, surg., 8-20; Mrs. Mary Phillips, med., 8-18; Jane Bookout, T&A, 8-18; Mrs. Tom Clay, med., 8-20; Jerry Don Lance, med., 8-21; Mrs. Alma Louise Cannon, OB, 8-21; Mrs. Rosa England, OB, 8-21; Otis Jours, med., 8-20; Merejildo Flores, med., 8-21; Mrs. Ann Daugherty, med., 8-21; J. B. Blankenship, med., 8-21; Mrs. Alice Verden, accid., 8-21; Mrs. G. V. Hall, med., 8-22.

**BIRTHS:** A son, David Thomas, to Mr. and Mrs. G. S. Solomon August 20. A son, Virgil Dewayne, to Mr. and Mrs. Virgil Ritchie Jr. August 21.

Miss Lucille Parke and Miss Thelma McMinn have returned from a vacation trip to Denver where they visited Miss Edah Park, sister of Lucille Parke. While in Colorado they visited Boulder and in Greeley and in the Red Rocks theatre they heard Dorothy Maynor, famous soprano. They also visited a Hereford soldier, Hershell Miller, Jr., who is stationed at Fort Warren in Cheyenne, Wyo. On the return trip they made a sightseeing tour of Colorado Springs.

The Jack Buses left last week for New Mexico and California where they will visit with their sons and families.

Mr. and Mrs. L. C. Thomas are spending a weeks vacation in Fort Worth and Ranger where they are visiting relatives.

Texans over 17 years of age must have hunting licenses providing, of course, they hunt beyond their own home county. All residents entitled to hunt in their own home area without a license must have an "exempt license" before hunting deer and turkey on the land of their residence.

## July Dairy Herd Improvement Records Released by Association

Production records for the local Dairy Herd Improvement association for the month of July were released this week.

The Holstein herd of H. Kriegshauser, Deaf Smith county dairyman, was third high in milk production with an average of 810 pounds of milk, 3.4% butterfat, and 28 pounds of butterfat.

The Kriegshauser herd was third high in average production of butterfat with 28 pounds and C. J. Albracht herd was tied for fourth with 27 pounds average.

A Holstein, No. 62, from the Jack Renfro herd, was sixth high in the association in milk production with 1760 pounds of milk with a butterfat average of 2.5% for 62 pounds of butterfat.

Renfro's "No. 62", was one of the top 10 cows in butterfat. C. J. Albracht's Holstein, "Christmas", was also in the top 10 listing.

Cows of Deaf Smith county dairymen in different butterfat classes are as follows:

50-60 pound class—H. Kriegshauser, Holstein, "Clabber", 50 pounds; C. J. Albracht, Jersey, "Brownie", 50; C. J. Albracht, Shorthorn and Jersey, "Dolly", 53.

40-50 class—H. Kriegshauser, Holsteins, "Daisy, Humpie, Velma, Violet, Tray, Stub, Marcia, Sloppy, Slew", 48, 42, 44, 47, 43, 45, 42, 45 respectively; Bob Kerschen, Shorthorn, "Star" and Brown Swiss, "Kitty", 48 and 40 respectively; Jack Renfro, Holsteins 35, 45, 55, 111, 114 produced 46, 49, 43, 40, 48 respectively; C. J. Albracht, Holsteins "Hilda and Flossie" and Shorthorn "Roan Cherry", 42, 40 and 49 respectively.

### S. J. Barclays, A. F. Hargetts Are Moving From This Community

By Mrs. R. C. Childers  
Mr. and Mrs. S. J. Barclay and Jim Barclay returned Saturday from Missouri. Jim Barclay purchased a farm close to Carthage, Mo. and is moving this week. Mr. and Mrs. A. F. Hargett left Tuesday for Cotter, Ark. to make

their home. The Hargetts were formerly of this vicinity, the girls, Billy and Glenda were members of the Workers club, and Mrs. Hargett was a member of the Cultural Home Demonstration club and served as secretary of the club a year. She

was elected to serve the second year, but had to resign as she was working in town. Daria Jane Hill of McLean, returned home after a weeks visit with Paula Beth Corbett. Paula Beth is the daughter of Mr. and Mrs. Paul Corbett.

Mr. and Mrs. Art Lewis, Georgia and Bonnie left this week for a sight-seeing tour through Arkansas, Missouri and South Dakota.

Women of the Cultural Home Demonstration club held a food sale at the Pinkert Welding shop auction sale last Saturday. Sandwiches, hot dogs and cold drinks were sold. Those helping with the sale were: Mrs. Paul Corbett, Mrs. Earl Dehart, Mrs. J. T. Richardson, Mrs. Leona Packard, Mrs. Louie Olson, and Mrs. Fred Wolfington. Mrs. Corbett is chairman of the finance committee and was in charge of the sale.

Pat Childers attended a party Friday night at the Elmer Patterson home, honoring Lula Mae Harris, who is visiting in Hereford this week.

Larry Curtis Barclay son of Mr. and Mrs. C. S. Barclay spent Friday in the home of his grandmother, Mrs. R. C. Childers.

Mr. and Mrs. J. H. Babcock, J. H. Jr. and Sweetie of Kermit, were week-end guests in the home of her sister, Mrs. R. C. Childers.

Sunday guests in the Childers home were Mr. and Mrs. A. H. Inman of Plainview, Mr. and Mrs. Wayne Johnson, and Mr. and Mrs. J. H. Babcock and family. The Babcocks left Sunday for Pampa and Groom where they will visit relatives.

Mr. and Mrs. R. N. Coke, Mrs. Gladys Dixon and R. C. Childers returned Sunday night from an extensive tour of northern and central Arkansas and Missouri.

Mr. and Mrs. A. C. Hershey are having to move this week as the place where they are now living sold, and the owner wants possession this week.

Mr. and Mrs. A. E. Speer and sons, Bobbie and Gordon Wayne, Mt. Belvieu, Tex. are visiting in the R. C. Childers home.

Mr. and Mrs. Bill Simpson, Mickey and Betsy, were visitors in the S. J. Barclay home Saturday night.

Mr. and Mrs. Jack Renfro and his parents from Fredrick, Okla., left Tuesday morning for Oregon where they will spend a two-week vacation, fishing.

## How Can I?

By Anne Ashley

Q. How can I clean used paraffin so that it can be re-used?

A. Heat the paraffin to the boiling point and strain through three thicknesses of cheesecloth over a funnel. Repeat if necessary. If not too dirty, it can sometimes be cleaned with a brush and warm water.

Q. How can I treat perspiring hands?

A. Try applying two or three times a day, or at least nightly, an astringent lotion consisting of one part boric acid to twenty parts of water, and then dust them with talcum powder.

Q. How can I restore rusty tools?

A. Soak the tools in kerosene; then rub with sandpaper, after which polish with engine oil.

### Too Late to Classify

FOR SALE  
Irrigated 340 acres, 247 in cul., 95 acres in cotton, 120 in feed, 30 ready for wheat. Six room house, bath, garage, granary, other imp. Price \$240 acre with crop and it is good. \$35,000 in loan, bal. cash.

J. M. HAMBLY, Real Estate  
South of Courthouse, Phone 701  
B-4-4-34-4p

Q. How can I remedy insomnia?

A. A very effective remedy for producing sleep is to stew spring onions in coarse brown sugar, and take one teaspoonful before retiring. This will not only produce sleep, but is very healthful.

Q. How can I prepare a good toilet water?

A. An excellent toilet water can be made by mixing two ounces of elder flower water with an equal quantity of distilled water.

Q. How can I remove mildew that has formed on shoes which have not been worn for a long time?

A. Rub the spots with petroleum ointment. After a little rubbing, the marks will disappear.

Q. How can I clean straw matting effectively?

A. Wash the matting with a cloth dampened in hot salt water (a handful of salt to a pailful of hot water); wash only a small space at a time and wipe dry at once. This also prevents the matting from turning yellow.

Q. How can I soften shoes that have become stiff from being wet?

A. A little kerosene rubbed into the shoes will soften them and make them pliable. Castor oil is also effective.

Q. How can I whiten yellow and dingy-looking clothes?

A. Wash them in water to which a cup of equal parts of lime water and turpentine, shaken until creamy, has been added.

Q. What are some of the uses of salt, other than as a seasoning?

A. Salt water is excellent as a throat gargle. It is also an effective spray for catarrhal infections. Salt is a wonderful tooth powder and aids greatly in making the gums more firm. Salt used generously in the water will both cool and rest-tired feet.

Q. How can I prevent cake from drying out?

A. Keep an apple in the cake box to prevent the cake from drying. Change whenever the apple becomes withered or shows signs of decay.

Mr. and Mrs. Marvin Bell, Noble Hoppy and children of Robert and Judy of Clovis are Borger spent the week-end in the spending the week in the Lloyd home of their parents, Mr. and Mrs. Sharp home. Mrs. Bell and Mrs. Mrs. R. T. Adams. Sharp are sisters.

Maxine Tolleson and Mrs. READ THE WANT ADS

### Notice to Long Distance Telephone Users

Certain changes in charges and practices pertaining to long distance calls within the State of Texas will be made effective September 1, 1951.

#### Basic Station-to-Station Day Rates

There will be increases on only 124 of the 815 mileage distances. In no case will the increase amount to more than 5 cents for the initial period of conversation on day station-to-station calls. There will be no increases in the station-to-station day rates over 202 miles.

#### Station-to-Station Night and Sunday Rates

A discount of approximately 20 per cent from the station-to-station day rate will continue to apply on all station-to-station calls costing over 50 cents completed during night hours and all day Sunday.

#### Person-to-Person Day Rates

Rates for person-to-person calls, which cost more to handle, are based upon the station-to-station rates. The differential will be 50 per cent instead of the present 40 per cent. The minimum differential of 15c will be continued.

#### Person-to-Person Night and Sunday Rates

The night and Sunday discount on person-to-person calls generally will continue to equal in amount of money the discount on station-to-station calls between the same points.

The principal changes to be made are described above. More detailed information may be obtained at any company business office.

### Official Memorandum

BY  
**ALLAN SHIVERS**  
Governor of Texas

AUSTIN, TEXAS

GREETINGS:

The percentage of farm homes in Texas receiving central station electric service has increased from 2.3 per cent to 90 per cent during the past 16 years, largely through the stimulation of the Rural Electrification Administration (REA) program.

More than 282,000 rural families of Texas now enjoy the benefits of electric lights and power through cooperatives which they themselves own and operate.

Each of the 77 rural electric cooperatives in Texas is a free and independent, tax-paying business enterprise, chartered under the laws of the state of Texas, and owned and controlled by the farmers and ranchers who receive service along its lines.

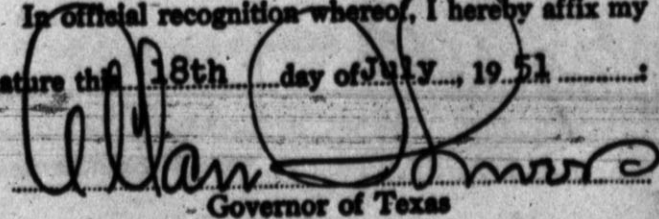

The availability of electricity has brought about a wholesome revolution in farm methods, production and living standards; has lightened the drudgery of farm tasks and increased farm output and profits; has been instrumental in keeping young people on the land, and has promoted the general welfare not only of rural people, but of urban residents as well whose prosperity and well-being depends upon a sound and prosperous agriculture.

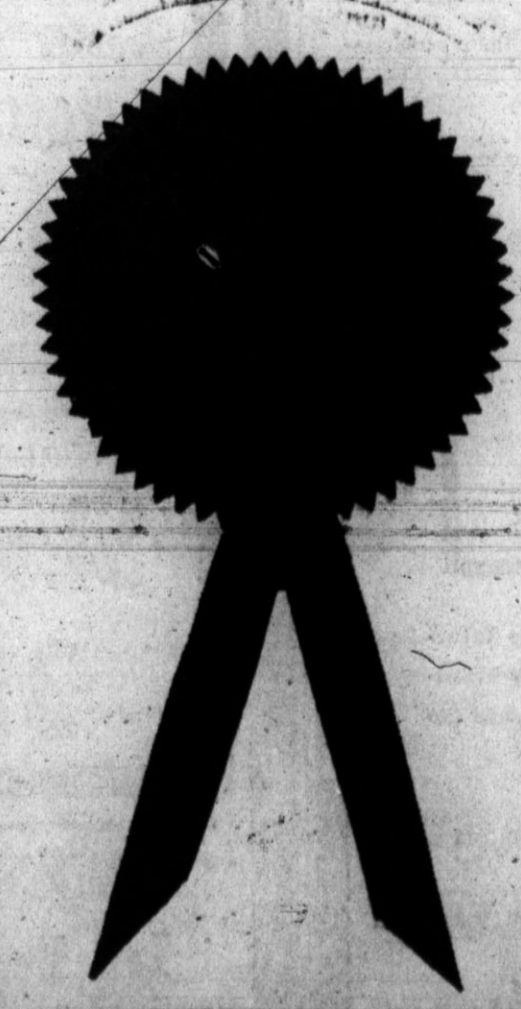

THEREFORE I, as Governor of Texas, do hereby proclaim the week of August 19th to 25th, inclusive, as

**RURAL ELECTRIFICATION WEEK**

in Texas, and call upon all citizens of the state to observe during this week the splendid progress that has been made in electrifying rural areas during the past 16 years, and to resolve anew that the program shall continue to expand until every farm family in the state shall enjoy the blessings of electric lights and power.

In official recognition whereof, I hereby affix my signature this 18th day of July, 1951.

  
Governor of Texas

Refreshments were served to: Alice Ann and Bob Caraway, Stanley Rutherford, Bob, Jan, and Johnnie Condron, Judy Millard, Nancy and Buz Atkinson, Glenn, H. S. and Doyle Joe Fuller and the mothers: Mesdames, J. B. Caraway, Hugh Grimes, Stuart Condron, H. S. Fuller, Bob Atkinson, Hughes Millard and Mrs. Carathers.

Robert Eldon Caraway celebrated his fifth birthday recently. Ice cream and cake were served to the young guests. Those present were: Ralph Atchley, Rosemary Stewart, Linda Kay Stewart, and Charles and Linda Carathers.

Mr. and Mrs. Joe Frank Wilkes and son Frank of Murfreesboro, Tenn. are visiting her brother, Jeff Gilbreath, and other relatives in Hereford.

Mrs. Louise Tinsley left Monday for her home in New York City after a visit here with her parents, Mr. and Mrs. F. H. Oberthier. She spent some time with her son Timothy and his bride in Albuquerque, New Mexico while on her vacation trip.

### Three Members Of County HD Clubs to Meet

COLLEGE STATION — Texas Home Demonstration club women will ring up the curtain on 25 years of progress during the convention to be held at Texas A. & M. college, August 29-30-31. Mrs. Frank Wilder, THDA chairman for Deaf Smith county, and Mrs. Herbert Hoover of the Bippus club, and Mrs. R. N. Cooke of the Cultural club will attend the convention.

Lucille Moore, recreation specialist, says 374 persons will take part in a pageant telling the story of the Texas Home Demonstration association and its 25

years of achievement. The "Wheels of Progress" will be shown on Kyle Field, Thursday evening, Aug. 30.

The pageant was written by Mrs. G. W. Ferguson, Bell County, editor for the association, and arranged by Mrs. B. M. Harris, Hale county, vice-president.

Miss Moore says singing voices will accompany the pageant and home demonstration club choruses have been invited to form the choir, directed by the specialist. Each county sending delegates will participate in the colorful pageant and choir.

Other recreation planned for the convention will be included in the workshop conducted by Mrs. H. D. Burton, Harris county; special singing during the general sessions, and a reception honoring past presidents, and officers of the association in the

Memorial Student Center.

The association expects more than 2000 of its members to at-

tend the anniversary convention held at A. & M. college for the first time in 10 years.

SUMMERFIELD NEWS

Mrs. Charles Noland Hostess to Visitation Campaign Wednesday

By Bobbie Walser

Mrs. Charles Noland was hostess to the Progressive visitation campaign conducted by the Woman's Society of Christian Service of the Methodist church on Wednesday afternoon, Aug. 15. Those present were: Mrs. Hobson, chairman; Mrs. Claude McGarvin and family, Mrs. W. A. Powell, Mrs. Mitchell, Mrs. Lee Curry, and the hostess. Mr. and Mrs. Kenneth Clayburn and children of Los Angeles are visiting Mrs. Clayburn's parents, Mr. and Mrs. B. G. Green, and also her brother and sister-in-law, Mr. and Mrs. J. D. Green and son of Hereford. The Homecoming at Summerfield is Sunday, Sept. 2 at the community house. Everyone who has ever been a resident of Summerfield is invited to attend. Each family is asked to bring a basket lunch. Mrs. C. R. Walser returned home from Dallas with Mr. and Mrs. Earl Lance Sr. of Summerfield, Mr. and Mrs. S. L. Walser of Hereford, and Mrs. Weldon Webb of Lubbock on Saturday. Mrs. Walser stayed with the Lan-

ces in Dallas helping them with Jerry Don Lance. Worker's conference is to meet Thursday, Aug. 23 at the Summerfield Baptist church.

Jerry Don Lance, son of Mr. and Mrs. Earl Lance Sr., returned home Tuesday. Jerry was flown from Dallas on Saturday to the Hereford hospital. He returned to his home in Summerfield on Tuesday. His condition is improving daily. Mr. and Mrs. Damon Nickols and sons Ralph, Larry, and Steve of Huntington Park, Calif., were visitors in the Frank Huckert home recently. Mrs. Nichols is a cousin of Mr. Huckert's.

Mrs. Weldon Webb returned to her home in Lubbock on Tuesday. She has been staying with her parents, Mr. and Mrs. Earl Lance, in Dallas.

Mr. and Mrs. L. G. Harris and children of Saritun, Tex., have been visiting Mr. Harris' father, Will Harris. Their small son had been visiting with his grandfather for about 10 days before Mr. and Mrs. Harris joined him.

Mr. and Mrs. Guy Walser and family left Tuesday to take their

son, Donald, back to Dallas for a polio check-up and also to take Mrs. Walser's niece and nephew, Kay and Klye Morse of Ft. Worth home. Their oldest daughter, Bobbie, remained home with her grandparents, Mr. and Mrs. C. R. Walser.

Mrs. Louie Huckert of Hereford spent one day this week visiting in the home of Mr. and Mrs. Lee Curry.

Irrigation wells are running full force now, both day and night. The feed and other crops need water badly. The feed is drying up and curling in places where there is no water.

Reese Dawson, son of Mr. and Mrs. John Dawson, returned to North Carolina Friday to continue his training. Mrs. Dawson will stay here in order to be with her brother, Jerry Don Lance.

Guests of Mrs. Nona Jowell the past week were her son, Charles Jowell and family of Odessa, and a daughter, Mrs. A. D. Hooper and daughter of Plainview. The group had enjoyed a family get-together with other members of the family, Mr. and Mrs. Jerry Jowell and children and Mr. and Mrs. R. K. Gentry and family of Clovis, N. M., the week before.

Ramblers Take Nazareth As Darkness Falls

Darkness overtook a Hereford Ramblers - Nazareth Swifties softball game at Nazareth Monday night in the sixth inning with the Hereford nine leading, 15-1.

Nazareth's lone run came in the third inning following two singles and an error.

Betty Holland handled the mound chores for the winning Ramblers with Doris Witherspoon behind the plate.

Hereford banged out 17 hits including a home run with one on

in the sixth by Hereford's catcher, Doris Witherspoon. Nazareth was limited to eight hits—all singles.

Mr. and Mrs. Floyd West returned recently from a three-week trip to California where they visited relatives.

ADMISSION: Adults, 75c — Children 35c

The famed Moslah Shrine Chanters, above, will present one of the feature acts, "Songs of the Plains" at the Shrine Chanters' Musical Festival in the Amarillo city auditorium on Friday evening, Aug. 31 at 7:45 p.m. The appearance of the Moslah Shrine Chanters is the feature entertainment event of the Texas Shrine association convention being held in Amarillo from August 31 to September 1. The musical festival is open to the public at no charge.

Noble Floyd H. Scott, well-known musician and nationally-known producer of musical festivals, will stage one of the lar-

gest musical shows ever presented to the public in Texas, which will include Shrine Chanters groups from all Texas Shrine Temples attending the convention.

G. E. Axman, well-known accompanist and organist of Amarillo, will accompany the 250 Shrine Chanters in their mass chorus songs and will also play the organ prelude starting at 7:45 p. m.

Illustrious Noble Robert Gardner Jr., Boston, Mass., imperial potentate of the Shriners of North America, will be guest of honor at this festival and will make a short address on Shrine activities.

A special invitation to Deaf Smith county residents to attend the festival was issued by Noble James H. Sears, aide to the potentate of Khiva Temple, Amarillo. Doors open at 7 p.m. Uni-

formed unit drills, 3 p.m. Friday afternoon at Fair park, street parade 2 p.m. Saturday afternoon.

# Whiteface Gridders In Training Prelim

# The Hereford Brand SPORTS

# Softball Loop's Second Spot Outcome Unsettled

Hereford, Texas, Thursday, August 23, 1951 Section Two

About 50 prospective Hereford Whiteface gridders and their fathers started the Herd's 1951 grid activity off Monday night with a "get-together" at the Whiteface fieldhouse.

After starting the evening off with a watermelon feast, things settled down to an outlining of the grid program by Coach Dalton Criswell. Criswell presented his coaching staff and introduced M. F. Hammon, new "B" coach.

Practice will start Monday, Aug. 27, Criswell told the athle-

tes. There will be only 10 workout days before the 1951 edition of the Whiteface grid combination makes its debut in a home-stander against McLean the night of September 7.

Practices will be held twice daily, Criswell said. The morning workout will be held at 8 a.m. and the evening workout is set tentatively for 7 p.m.

"We'll be on the field at 7, ready to go," the coach said.

Suits will be on the hangers for the first practice and the 1951

hopefuls will be ready to go after their fitting.

Bob Calaway of Bovina is spending the week in the home of his grandparents Mr. and Mrs. C. E. Sheppard of Hereford.

Mr. and Mrs. U. V. Pierce and children returned Thursday from Abilene where they attended a family reunion of her relatives. They also visited relatives in Abilene while away.

## Fish Life Suffering In Current Drought

AUSTIN—The assistant executive secretary of the Game, Fish & Oyster Commission said some concern is felt for fish life because of the drought's effect on water levels.

He said the danger is particularly acute in ponds and farm water tanks which have been shrunk by the prolonged dry

spell. One instance of fish dying was reported from Jacksboro. A farmer sent a sample of water. Since the tank was only two feet deep and temperatures had ranged up to 115 degrees, it was determined that lack of oxygen was the cause.

Seasonal decomposition of vegetation is another oxygen-consuming factor hazardous to fish life at this time of the year.

The assistant executive secretary said one means of temporarily restoring the oxygen supply in shallow tanks or ponds is to churn the water with an out-board motor-equipped boat.

He said some fish life loss might be mistakenly attributed to lack of oxygen when pollution, a common menace, could be the cause.

The assistant executive secretary cautioned that some fish losses inevitably will follow when showers finally come. This is because of the sudden change of oxygen condition and water temperatures.

Louis E. Pyka, son of Mr. and Mrs. E. L. Pyka of Hereford, underwent an appendectomy Aug. 13 at Canyon. He is doing well, his father said.

Ed Crow of Ft. Worth and student of Hardin-Simmons University visited in the Fred Welch home Thursday and Friday.

Mr. and Mrs. L. H. King of Chickasha, Okla. and Harold McCorkick of Hollywood, Calif. visited in the O. M. Dickey home for two days last week.

Mr. and Mrs. W. C. Winters of Calgary, Canada and Mrs. Bolin of Lincoln, Neb. visited in the O. M. Dickey home Thursday night.

C & R-Jiggs holds an undisputed second place in the Hereford Softball league as the result of their 6-3 victory over Magnolia at Veterans Memorial park on Monday night.

Hereford took an easy victory over the Knight of Columbus, trouncing them 16-2 in the opener of Monday's league activity.

C & R-Jiggs went ahead of Dawn with a 9-6 record as Dawn still rests with an 8-6 mark for the season. Dawn will get a chance to even things up in the last game of the season tonight when they meet Summerfield.

Box scores for the Hereford Hardware — K of C ball game were unobtainable, but the C & R-Jiggs win over Magnolia looks like this on the box:

## Florida Cubans Play Exhibition Here Saturday

Veterans Memorial park will be the scene of a colorful baseball exhibition next Saturday night, Aug. 25 when the Florida Cubans meet the Amarillo Colts in a nine-inning tilt. The game will start at 8:15 p.m.

Currently on an exhibition swing through Texas, the Cubans boast a 39 won 3 lost record for games in the Lone Star state. This is the first time an All-Cuban team has played in the United States, advance men for the contest indicated.

WHITEFACE GRIDDERS and their fathers line up for their share of the watermelon passed out in the fall football "get-together" at Whiteface fieldhouse Monday night. Training for the Herd's first game with McLean on September 7 begins August 27. —Brand Staff Photo

NEW EQUIPMENT purchased for the Hereford varsity football squad is shown above. Each year, some new gear is added, Coach Dalton Criswell said. One of the major additions is the shoulder pad for injured players, shown on top of the football pants. —Brand Staff Photo

# ATTENTION — MR. FARMER...

## Effective September 1st A New Texas Law States

**We Urge You To Come In Before September 1st and File Your Present Claims.**

- NO WHOLESALE GASOLINE DEALER CAN KEEP IN FILE YOUR TAX EXEMPTION
- NO WHOLESALE GASOLINE DEALER CAN PREPARE YOUR CLAIM
- NO WHOLESALE GASOLINE DEALER CAN NOTARIZE YOUR CLAIM
- PURCHASER MUST PAY TAX BEFORE DEALER CAN RECIEPT INVOICE

The new law also states that you must file personally or secure help from any Notary Public other than a wholesale gasoline dealer. It also provides that the dealer must get your Invoice of Exemption to you within seven (7) days following purchase!

**NOTE!**  
If Dealer Does Not Comply with Regulations of New Law, His License Will Be Revoked!

# Attend the Church of Your Choice This Week

## This Week's Calendar at Your Hereford Churches

**AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM**... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM.

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism.... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

COMMUNISTS declare theirs is simply the "scientific" application of the teachings of history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF THE STATE.

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you... attend your church and support her good work.

Williams Newspaper Features P. O. Box 211, Ft. Worth, Tex.

### Assembly of God

The Assembly of God church has the following regular meetings scheduled for Sunday, Aug. 26: Sunday school, 8:45; morning preaching, 11 o'clock; young peoples, 7 p.m.; evening service, 8 o'clock. Wednesday prayer meeting and Bible study will be at 8 o'clock. Thursday afternoon at 2:30 there will be a meeting of the Women's Missionary council.

### Avenue Baptist

Avenue Baptist services scheduled for this week are: Sunday school, 9:45; worship service, 11 o'clock; training union, 7 o'clock; worship service, 8 o'clock; week prayer service on Wednesday at 8:30 p.m.; Youth for Christ, Saturday at 8:30 p.m. Prayer service, Saturday at 8:30 p.m. Rev. H. V. Fields is the pastor. All visitors are welcome.

### Christian Science

Christian Science services are held in the Star Theatre each Sunday morning at eleven o'clock. Visitors are cordially invited.

The understanding that there are not many devil minds creating confusion and chaos, but only one infinitely good, all-wise, all-loving Mind, God, is the basis from which mankind can solve today's perplexing problems, according to the Lesson-Sermon entitled "Mind" which will be read in all Christian Science churches on Sunday, August 26. The Golden Text states, "God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" (II Timothy 1:7).

This Bible verse, included in the Lesson-Sermon, depicts God's ability to care for His children. "Behold, the Lord God will come with strong hand, and his arm shall rule for him: behold, his reward is with him, and his work before him" (Isiah 40:10).

From the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be read this summation of the subject: "The understanding that the Ego is Mind, and that there is but one Mind or intelligence, begins at once to destroy the errors of mortal sense and to supply the truth of immortal sense."

### Church of Christ

The Church of Christ has the following regular meetings scheduled for this week: Bible study, 10 o'clock; morning worship, 11 o'clock; young peoples, 6:45; evening worship, 8 o'clock;

and Wednesday night prayer service, 8:30. You are invited to listen daily at 9:30 to the Church of Christ broadcast over station KPAN.

### Church of the Nazarene

Regular Sunday services for the Church of the Nazarene are: Sunday school, 10 o'clock; morning worship, 11 o'clock; evening worship, 8 o'clock. Wednesday night prayer meeting will be held at 8 o'clock. Thursday night Aug. 23, at 8 o'clock the annual W.F.M.S. meeting will be held at the church. Roy Bickford is pastor.

### First Baptist

Sunday schedule at the First Baptist church is: Sunday school, 9:45; morning worship, 10:55; training union, 7:15; and evening worship, 8:30.

Wednesday evening at 8:30 there will be a prayer service followed by choir practice at 9:15. The Sunbeams will meet each week at the church at 4 p.m. on Wednesday instead of every other week as they have done during the summer.

### First Christian

Glenn Ricketts will deliver the message for the morning worship service at the First Christian church August 26. Mr. Ricketts whose home is Hereford is studying for the Bachelor of Divinity degree at Phillips university, Enid, Okla. He is also the minister of the First Christian church in Hinton, Okla. His parents are Mr. and Mrs. Ira Ricketts of Hereford.

Sunday school is at 9:45 each Sunday morning. The worship services are at 10:55 and 7:30. The youth groups meet at 6:30.

Chi Rho and CYF will have a joint party Friday night, Aug. 24. The party will be a scavenger hunt at Pat Frye's home at 8 o'clock.

### First Methodist

Rev. Ray Miller, Secretary of the United Drys of Texas, will be in the pulpit of the First Methodist church Sunday morning August 26. At the evening hour, Rev. Eugene L. Naugle, Associate Pastor, will preach.

The chief activity of the week will be the Victory banquet Friday evening at 8 o'clock at the church. This is to be for the entire membership of the church, their families and visitors. Rev. Marvin L. Boyd, Superintendent of the Plainview District, will be the guest speaker.

The Intermediate and Senior M.Y.F. groups will meet at 6:30

and will have their regular social hour immediately following the evening preaching service. The prayer group will meet Wednesday evening August 29 at 8 o'clock in Ward Hall.

### First Presbyterian

In the absence of Rev. Russell Wingert Sunday morning services, Aug. 26, at the First Presbyterian church will be held by Rev. Jimmy Aiken Jr. of Denton. Sunday school will begin at 9:45 and morning worship will be at 11 o'clock.

September 2 the church will begin its regular schedule again. Sunday school will be at 9:45; morning worship at 11 o'clock; and evening services at 7:30. Choir practice will be held at 8 o'clock on Wednesday night at the church.

Wednesday, Sept. 5, is the date when the women of the church will hold their regular monthly meeting at 3 o'clock.

### Immanuel Lutheran

For this Sunday only, a change is being made in the schedule of services at the Immanuel Lutheran church; Sunday school and Bible class will begin at 9:30 a.m. and the hour of worship at 10:30 a.m. This change is made to enable the members to attend the special services at Lutheran church in the Rhea community.

Each Saturday morning the church presents the devotion over KPAN at 8:45. The Lutheran Hour is heard each Sunday evening over KPAN at 6:00 p.m. The Rev. Herbert Ries, pastor of Immanuel from 1942 to 1945, was a visitor at the closing exercises of the Vacation Bible school last Friday.

### Seventh Day Adventist

The Seventh Day Adventist church heard F. W. Fortner, First Elder, at the 11 o'clock worship hour, Saturday, Aug. 18. His lesson was entitled "Ye Shall Know Them by Their Fruits".

Next Saturday, Aug. 25 the sermon will be "Creation - The Solar System and the Seasons" presented by Elder G. A. La Grone.

Sabbath school will be held at 10 a.m. and church services will be at 11 o'clock. The Seventh Day Adventist church is located at 3rd and Lawton streets.

### St. Anthony's Catholic

Regular services at St. Anthony's are: week day masses, 6:30 and 7:30 a.m.; Sunday masses, 6:30, 8 o'clock, and 9:30 a.m. Holy hour is every Thursday from 8:30 to 9:30 p.m.

## Long Time Ago

**45-Years Ago**  
Mr. and Mrs. L. R. Bagshaw, two of Hereford oldest residents were killed Tuesday in a runaway. J. N. Russel and Miss Lee were also riding in the carriage at the time of the runaway but they jumped to safety before they were hurt.

George Burns has finished threshing his wheat and finds that it yields 25 1/2 bushels per acre. His 20 acres should at present prices reward him for his trouble.

This week has been rather a busy one in the district court room.

Miss Zula Vanderburgh and C. R. Smith were united in marriage Wednesday afternoon at the home of the bride's parents.

A called meeting of the citizens of Hereford was held Saturday night at the courthouse for the purpose of taking steps towards the providing for Hereford's annual picnic which is to be held some time in the early part of September.

A phone message from Dimmitt this week brings the interesting news that depot grounds for the Panhandle Short Line

Road are being laid off in Dimmitt this week.

A called meeting of the board of trustees of the Panhandle Christian college was held to see if the citizens of Hereford would voluntarily donate money to buy the girls' dormitory at the college.

Miss Willie Dyer and James Matt Gilliland were united in marriage at the home of the bride's uncle and aunt, Mr. and Mrs. W. B. Beach, Sunday, Aug. 19.

**25 Years Ago**

Building activity in the city of Hereford continues with unabated intensity and enthusiasm and it is estimated by close observers that there have been more business houses and residences erected since January than there have been in the past 15 years.

In the near future the territory surrounding Hereford will be tested for oil and gas.

With the signing of a lease Wednesday-Hereford-is assured of a new dry goods store to open sometime during the month of October.

The Panhandle Lumber company is extremely interested in

the development of the Hereford shallow water.

The Committee on Arrangements for the Farmers' Annual picnic to be held at Sulphur park on Friday, Sept. 3, has invited Hon. Charles Ousley of Dallas and Hon. Lee Satterwhite, Speaker of the House to deliver the addresses.

More than 50 business men and their wives accompanied by the Merchant's band of Hereford will make the trip to Clarendon next Monday to stage a fight for the 1927 convention of the West Texas Chamber of Commerce.

Fred and Marybeth Ricketts, children of Mr. and Mrs. Jim Ricketts are spending the week in the John Hunter home while their parents are vacationing in New Mexico.

## Bethany Class Is Entertained

Bethany class of the First Baptist church met Friday in the country home of Mrs. J. D. Gilbert with Mrs. W. A. Dobbins as co-hostess. Mrs. Wirt Phillips gave the devotional lesson from the 37th Psalm discussing the topic "Putting Yourself in God's Hands". Roll call was answered by members giving items of religious news. Mrs. John Patton, president, presided over a business session.

Refreshments were served to Mesdames J. G. Evans, John Draper, Walter Easter, Si Orr, Jessie Radovich, Wirt Phillips, Carl Mountz, Otto Massie, John Patton, Mary Walters, R. E. Cadwell, Vivian Major, Ed Mosley, A.

O. Thompson, Hurst and the hostesses.

Mr. and Mrs. Jim Ricketts, J. A. Forrest, Albert, and Ralph left Monday to spend a week visiting Carlsbad and other points of interest in New Mexico.

## FACTS ABOUT MONEY!

KING SOLOMON

The very common expression, "worth his weight in Gold," dates back to the days of King Solomon, the very wealthy and wise ruler of Jerusalem. It is said that the expression originated from the fact that King Solomon took his weight in gold every year as payment for ruling Jerusalem.

... you may not be "worth your weight in gold," but systematic saving will insure a tidy nest-egg for your future.

**HEREFORD STATE BANK**

Mr. and Mrs. W. E. Dunlap are announcing the arrival of a new grandson, Eugene Ralph III. The new arrival is the son of Mr. and Mrs. E. R. Jones Jr. of Liberal, Kans.

## OPS Specialist To Explain CPR 34 on August 29

Robert W. Friedberg, price specialist from the district Office of Price Stabilization in Lubbock, will emphasize compliance with Ceiling Price Regulation 34—service establishments—when he confers with Hereford business men all day Wednesday, Aug. 29. He will set up offices in the Chamber of Commerce room at Hotel Jim Hill.

His regular visit here is one of 79 weekly price clinics held in the far West Texas district to help merchants bring their firms

into complete voluntary compliance with the federal economic stabilization program. They are sponsored jointly by the agency and local civic and business organizations and officials.

The OPS price specialist will be qualified to help not only service establishment representatives, but business men and women of all firms in meeting filing requirements, then in operating their businesses to conform to the pricing practices prescribed in the regulations.

Business men are urged to take advantage of the assistance offered through these weekly visits.

Mr. and Mrs. Ray Downey and family left Tuesday for Colorado Spring, Denver, and Estes Park, Colo. on a week's vacation.

**A. O. Thompson Abstract Co.**

CONG. WALTER ROGERS REPORTS

Foreign Aid Bill Per Person Cost is \$57.36 Every Year

FOREIGN AID: The house is not considering the Mutual Security Act of 1951, or better named, the Foreign Aid Bill. The proposed program involves appropriation and expenditure of \$7,848,750,000. The original request from the executive branch of the government was \$8,500,000,000. This includes military assistance and economic assistance.

United States, or someone on their behalf, has paid \$57.36 per year since 1940. Breaking this down on a monthly basis, the cost has been approximately \$4.78 per month per person, or approximately 15-1/4 cents per day per person.

Since there are eight in my family, our cost has been approximately \$1.20 per day, or \$36.00 per month, or \$432.00 per year. By the same mathematical process you can determine the approximate cost to your family, your city, your county, or your state. For example, the total foreign aid paid and to be paid by Amarillo, is \$50,762,025.54 for

the period from July 1, 1940, through June 30, 1952.

The tremendous impact of this kind of program on the American as well as the world, economy front caused the Committee on Foreign Affairs of the House of Representatives to make an exhaustive search and investigation before reporting the bill to the house.

Included in this investigation and search was an on-the-ground investigation made by some of the members of the Committee on Foreign Affairs. That is, they went to Europe and visited several of the countries that are participating in the aid program. The report of the committee on its hearings consumed approximately 1600 pages of typewritten matter.

Much information is packed in this report concerning the peoples of those countries and their history and beliefs.

I will choose one of these to give you an idea of the depth to which the committee went. We will take India, because it was not so long ago that India hit the headlines in connection with the 190 million dollar food grain bill that was before the Congress. The testimony showed that the cow, which are considered sacred in India, do not consume much grain, simply because they do not get it. However, there is a monkey problem that is very serious. The monkeys, according to best estimates, consume a great deal of grain and destroy more than they eat—about 10 cents per day per monkey. The monkey population has never been determined, but in many localities it is equal to the human population, and they multiply fast.

In an effort to combat this problem in one state in India, the state refused to issue or renew a gun license until the holder of the license brought in five monkey tails. The license-seekers would go out and catch the monkeys and then turn them loose again. So the problem was not helped a great deal.

It was suggested that they could have cut off the monkey's tails and let them go. This of course would not have helped the problem any more than letting the monkey keep his tail. The respect of the Indian for the monkey is very deep and goes back far into the culture and history of India.

The story is that a great leader, Rama, had a very beautiful wife by the name of Sita who

was captured and taken to the island of Ceylon. Rama went to the forest and meditated and while there was approached by the king of the monkey tribe, who offered help. The monkeys came from all across India, from the far northern reaches, down to the Palk strait, the little strip of water separating Ceylon from the mainland. Rama could not get across, so the monkeys formed a bridge across the strait over which he rode his horse, and with the help of the monkey he was able to recapture his bride. For that service the Indians have always had a deep reverence for the monkeys.

The cow situation is similar in some respects. The story is that in the early history the people were a nomadic and pastoral group and were eating up all of the animals with no thought as to the food supply. They had no civil law, so they solved the problem by putting it into their religion. They said, "Why do you eat the meat of man that furnishes milk and is a beast of burden?"—referring to the cow. So it was said, "You must not eat the cow." Putting it into their religion was a measure of economics because they had no other way to enforce it. The thought occurred to me that if they consider their cows sacred and refuse to eat them, we could perhaps trade them canner cows from this country, which they would perhaps not consider sacred, for their so-called sacred cows, and thereby solve the food problem. The hitch is that a great number of their cattle have the hoof and mouth disease and we couldn't bring them into this country. The great seriousness of the food problem in India for the future is reflected by the estimate in the Colombo Report that India is going to have 720 million people in twenty years, approximately five times the present population of the United States. Their antiquated methods in agriculture are of course a great drawback in India's meeting its own food problems. Some seventy percent of the people of India are farmers. Their productivity is only one-half of ours. I wish I could give you more on this, but space will not permit.

I expect to be back in the district shortly after this news letter reaches you, and hope to see and visit with you on your personal problems. Visitors from the district this week were Mr. and Mrs. John Merriman, and

Hereford Short Course Planned For Monday, Aug. 27 at Pampa

The Top of Texas Hereford Breeder's association and the Texas Hereford association will sponsor a Hereford short course in Pampa on August 27 at the new Hereford Breeder's building located two miles east of Pampa on Highway 60 at Recreation park.

Ted Alexander, Canadian, chairman of the short course committee has worked out a fine program for the event.

The program will start at 9 a.m. with judging to begin at 9:15 a.m. Mr. W. J. Largent of Merkel, and Mr. Don Good, head of the Animal Husbandry depart-

ment at Kansas State college, Manhattan, Kans., will judge the following classes: yearling bulls, senior bull calves, yearling heifers, senior heifer calves and steers.

A free barbeque and special entertainment will be held at noon for all attending the short-course.

During the afternoon session, which will begin at 1:30 p.m., the following guest speakers will appear on a panel discussion: Jay Taylor of Amarillo; Charley Hunt, Stillwater, Okla., who is fieldman of the American Hereford association; W. J. Largent, Merkel; Dr. M. R. Callihan, Pan-Tech farm; Alfred Meeks, Dalhart; Dave Savage, superintendent of the experiment station at

daughter Maxine, of Amarillo; Herman VanSickle, Pampa; and John Chisholm, Pampa.

Woodward, Okla.; C. E. Weymouth, Amarillo.

Dr. J. C. Miller, head of the Animal Husbandry department at Texas A. & M., College Station, will serve as moderator for the Pannel.

A special invitation is extended to all persons interested in attending this short course which is designed to help registered and commercial Hereford breeders as well as future breeders in our 4-H club and vocational agricultural departments.

Mrs. A. E. Wyllis and children of Sarlsbad, N. M. left Aug. 16 after a visit with her parents,

Mr. and Mrs. Austin Rose Sr. Also visiting in the Rose home have been Dathne, Turdy and Steve Maeker of Lubbock who are grandchildren of Mr. and Mrs. Rose.

Fred Baird left Sunday, Aug. 12 on a week's vacation trip to Red River, N. M.

LOWER YOUR HAULING COSTS...

switch to DODGE "Job-Rated" TRUCKS

SAVE with bigger payloads

Ask any owner, and he'll tell you that payload goes up and costs go down when you switch to Dodge. You get balanced weight distribution, which permits you to haul bigger payloads. And to haul at low cost, you have the right engine for plenty of power.

SAVE with all these proved advantages—In a Dodge "Job-Rated" truck you get all these proved dependability features: Lightweight pistons, two fuel filters, heavy-duty radiator, twin carburetion and exhaust system on high-tonnage models, Cycle-bond brake linings, and others.

SAVE with a high-compression engine

When you switch to Dodge "Job-Rated" trucks, you get flashing performance with top economy—made possible by powerful engines with high compression ratios! For example, Dodge "Job-Rated" 3/4-, 3/4-, and 1-ton pickups, panels and stakes give you new, higher 7.0 to 1 compression ratio.

SAVE with lower upkeep costs Satisfied owners agree that when you buy a Dodge "Job-Rated" truck, you get years and years of low-cost hauling. You enjoy the money-saving advantages of 4-ring pistons with chrome-plated top ring and exhaust valve seat inserts—plus new moistureproof ignition and new 45-ampere generator.

SAVE with glyrol FLUID DRIVE

Available on 3/4-, 3/4-, and 1-ton models! You'll reduce upkeep—get more tire mileage—protect your load—drive more easily and safely! Let us demonstrate this Dodge exclusive.

SAVE with a truck that's "Job-Rated"

A "Job-Rated" truck is engineered at the factory to fit a specific job... to save you money. Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed. Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Come in today for a good deal on a truck that fits your job... a DODGE Job-Rated TRUCK

"I got the story on  
**50,000 Miles-No Wear**  
and changed to New Conoco Super Motor Oil"

says W. A. Riley, Jr.,  
Traveling Salesman,  
Fort Worth, Texas

"I do a lot of intermittent and long-trip driving," says Mr. Riley. "I never cease to be amazed at how clean new Conoco Super drains out of my engine."

**"50,000 Miles-No Wear!" Proved Here:**

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence; in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

**GARAGE MAN**  
"Believe me, this '50,000 Miles-No Wear' story is all you say it is," writes Harry W. Brown, Garage Man, Okaloosa, Kansas. "With cars using Conoco Super—I find engines cleaner, easier to work on, and show less wear."

**MINE OPERATOR**  
"After using many advertised brands, we have standardized on Conoco Super," writes Sherman L. Snyder, Mine Operator, Helena, Mont. "We find that we get better mileage, and operating costs on our cars and trucks are much less."

E. Terry, San Jon; Mr. and Mrs. Kenneth Terry, San Jon; Mr. and Mrs. Henry Warmuth, Wanda and Ronnei, San Jon.

## Household Scrapbook

By Roberta Lee

#### Ironing Soft Collars

When ironing soft collars, take an old napkin, starch well, and dry thoroughly. Place this on the ironing blanket and iron all the collars on it. This will give them quite a new appearance, and the collars will not crease quickly or soil easily.

#### Eyebrows

To thicken the eyebrows, gently brush in every other night a few drops of oil of capcut, always brushing from the nose outward. Remove with tweezers any hairs that by their position or irregularity, injure the perfect outline that the brow should possess.

#### Unvarnished Furniture

Unvarnished furniture can be polished with beeswax and turpentine.

#### For the Children

Try spreading an old sheet on the floor for the children to sit on when they are cutting paper dolls. This will save their clothes as well as the rug, and the scraps can be easily gathered up in the sheet when they have finished playing.

#### Fresh Bread

Soft, fresh bread can be cut into very thin slices, and without the least difficulty, if the bread is placed in the refrigerator and thoroughly chilled before slicing.

#### Fruit Stains

Sprinkle some dry salt immediately on a fruit stain, and it will seldom become permanent.

#### Wall Paper

Try using starch for cleaning soiled wall paper. Sprinkle it liberally on a damp cloth, and apply to the paper, using a circular motion. If there are some particularly bad spots, go over them several times.

#### Leather Bindings

Leather book bindings may be preserved by periodic treatments with an equal mixture of castor oil and paraffin.

#### Brightens Zinc

Lime and hot water mixed to a smooth cream will do wonders for brightening zinc.

#### Lime in Tea Kettle

To remove the furry lime deposits on the inside of a tea kettle put some vinegar and a little salt into the kettle and allow to stand for a while. When bubbles begin to appear on the surface, it indicates that the lime is dissolving. After it has been removed, rinse with clear water.

Rev. and Mrs. Noel Bryant and family of Borger visited in the home of his parents, Mr. and Mrs. D. H. Bryant Monday. After a brief visit to Odessa where they will visit Mrs. Bryant's sis-

## Moss-Control In Farm Water Tanks Outlined

COLLEGE STATION—A great deal of interest has been shown in Fayette county in the use of sodium arsenite for controlling moss in farm ponds, reports James S. Reese, assistant county agent.

A five-acre pond on the Glen Praise farm was sprayed with 100 gallons of sodium arsenite solution per acre in May, said Reese. Three weeks after being sprayed, the moss had turned brown and was sinking slowly from the surface of the water.

A small gasoline-powered pump and a fifty gallon drum were used for the spraying operation. These were placed in a large boat, and a long hose with a nozzle was used to apply the spray material as the boat was rowed slowly through the moss.

With this equipment, 400 gallons of spray were put out in the pond in approximately five

hours. Mrs. Gerald McDonald, they will return to Hereford for another visit.

Sodium arsenite should be used with caution to avoid killing fish in the water, warns R. E. Callender, extension wildlife conservation specialist of Texas A. & M. college.

He suggests that persons interested in controlling moss in their farm ponds contact their county agents for recommendations for using sodium arsenite.

J. W. Bowers of Houston has returned home after visiting his sister and brother-in-law, Mr. and Mrs. W. E. Dunlap.

Miss Thornton Shirley left Thursday for Albuquerque, N. M. where she is visiting her aunt, Mrs. Neil Morgan.

## You can Beat the Bushes—but you can't Beat this

If you want to know why shrewd car shoppers are saying "Smart Buy's Buick," take a look at this. It's the new Buick SPECIAL 2-door, 6-passenger Sedan — and it's roomier than most 4-door sedans, higher-powered than many costlier cars—and priced, as you'll discover, right down near the lowest. Now, we ask you: where can you beat it for the money? Can you beat this beauty on looks and style and rich bearing in any other car near its price? Can you match, at the same money, the big power of its valve-in-head Fireball Engine (128hp with Dynaflo Drive\*)—or the big miles-per-gallon figure it delivers with such thrills? Can you equal this traveler's roomi-

ness in any other car of comparable cost—get full-size headroom, legroom and hiproom both front and rear in any other 2-door automobile? Can you come even near the gentle levelness of its ride and the solid steadiness of its going—have coil springs on all four wheels and a torque-tube keel beneath you—except in another Buick? And where can you top the restful ease and luxurious smoothness of this sweetheart's Dynaflo Drive\* in any other automobile at any price? The answers, from a lot of certain- sure folks, sum up to a great big, "YOU CAN'T!"

But why take anyone else's word for it? Come in and get your own answers. Look over this bedrock-priced Buick—compare it with any other automobile at the same money—and you'll agree you can't beat this smartest of buys.

**No other car provides all this!**

**DYNAFLO DRIVE**—saves strain on driver and car

**FIREBALL ENGINE**—high-compression, valve-in-head—gets more miles from every tank of fuel

**PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection

**WHITE-GLOW INSTRUMENTS**—greater clarity at night

**TORQUE-TUBE DRIVE**—seals the chassis, steadies ride, improves driving control

**4-WHEEL COIL SPRINGING**—cushions and levels the ride, saves servicing costs

**DUAL VENTILATION**—outside air fed separately to right or left of front compartment

**SELF-ENERGIZING BRAKES**—hydraulic—multiply pedal-pressure five times at brake drum

**DREAMLINE STYLING**—lapped, car-length fenders, gleaming sweepers on most models

**Plus:** Self-latching luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

When better automobiles are built BUICK will build them

## Still Plenty of Time To Plant Winter Legumes

COLLEGE STATION — The continuing dry, hot weather over much of Texas is not conducive to getting a big acreage of fall and winter legumes planted but as the old timers say, "it has always rained." So despite the drought, farmers should be making plans now for getting the seed and fertilizers they will need for the legume plantings.

According to E. A. Miller, extension agronomist of Texas A. & M. college, there is still lots of time for planting legumes. In most areas of the state, the best time for fall planting is from the middle of September to November 1 and not later than November 15.

He points out that the best legumes for fall planting in the East Texas Timber area are hairy vetch, Singletary peas, Austrian winter peas and crimson clover. In the southern half of the area, common and Willamette vetches and Dixie Wonder peas are also adapted but are not winter hardy enough for the northern part of East Texas.

In the Gulf Coast Prairie and South Texas, annual yellow blossom sweetclover, (Melilotus indica), is well adapted. The vetches and winter peas including Dixie Wonder can also be grown. In the river valleys, such as the Brazos, Colorado and Trinity, where the soils contain more lime than those in the coastal prairies, hubam and Madrid sweetclovers do well without the addition of lime to the soil.

For the Blackland, Grand Prairie and South Texas regions, Miller recommends hubam and Madrid sweetclovers because of their ability to increase yields, reduce the losses from cotton root rot and their deep root systems opening up the soil. This puncturing of the soil and especially the subsoil, allows faster and

deeper penetration of water into the soil and also materially increases the amount of organic matter in the subsoils. The organic matter comes from the decaying matter system. Evergreen biennial is an excellent sweetclover for the area, however, the supply is limited.

Hairy vetch and winter peas are adapted to the area but are not as effective in controlling cotton root rot as the sweetclovers nor in opening up the soil with their root systems. Miller recommends planting the sweetclovers in the fall in the areas south of Waco and adds it's safer to plant them in the spring in the areas north of Waco.

For the West-Cross Timbers area, hairy vetch is the most dependable legume; however, winter peas and the sweetclovers are also adapted to this region.

Recommended legumes for the Rolling Plains area are alfalfa, hairy vetch, sweetclover and Austrian winter peas. Alfalfa does especially well on the sub-irrigated soils of the area.

For the High Plains and the El Paso and Pecos valleys, the principal adapted legume is alfalfa under irrigation, but the biennial sweetclovers, hairy vetch and Austrian winter peas can also be grown if irrigation is available.

Miller suggests that you check with your local county agent for information on the best legumes for your particular area as well as on fertilizing, inoculating and seeding operations.

Mrs. Burl Elliston was called to Pampa Sunday because of the illness of her daughter, Mrs. R. W. Curry.

Mrs. Roy Stocking of Amarillo, a former Hereford resident, has been a guest in the home of Mrs. E. W. Harrison the past week.

### Gift Party Given

A pink and blue-gift party honored Mrs. Walter Fangman Friday afternoon in the Black club house. Hostesses were: Mesdames Dick Rocky, Tom Prasley, James McLean, K. E. Deaton, Lloyd Pruitt, and R. E. Barnett.

Games, music selections and readings provided entertainment and the shower was introduced by little Misses Ann Pruitt and Marie Roberson.

Flowers were used throughout the house in decoration and refreshments were served from a table laid with a Madeira linen cloth and centered with an arrangement of gladioluses. Betty Deaton presided at the punch bowl.

### Martinez Fined On DWI Charge

Elijio Martinez was fined \$50 and costs of \$29.30 in county court on August 20 after he pled guilty to a charge of driving while intoxicated.

The charge against Martinez was filed on August 20. The offense occurred on August 18.

### Registration For Draft Among 18-Year-Olds Off

AUSTIN—The number of 18-year-old Texans failing to register under the federal draft law is increasing, Brig. Gen. Paul L. Wakefield, state Selective Service director, said here today.

State draft headquarters records indicate that registration has been falling off since the end of March. General Wakefield estimated that 2,000 to 2,500 18-year-olds currently are unregistered.

"We've been watching this situation closely since last spring with the hope that the trend would stop," the state draft director said. "We've asked the local draft boards to act under a provision of the regulations whereby a letter will be sent to men in their communities suspected of being delinquent under the law."

General Wakefield reminded males subject to registration of penalties if convicted of failure to comply with the law. He quoted from a section of the law providing maximum penalties of fine up to \$10,000 and imprison-

ment up to five years. Under the draft act, all 18-year-old males are required to register with the nearest draft board on their 18th birthday or within five days thereafter.

"It's up to local boards whether or not they want to turn any man over to federal district attorneys for prosecution," the state Selective Service director said. "Our board members are patient, considerate men, and usually give a man better than a fair chance, if he's willing to cooperate."

"If the registration record doesn't improve within the next two or three months, we're going to advise the boards to be a little tougher than in the past. After all, the man who doesn't register on time isn't pulling his share of the load our people are carrying. He isn't being fair to the man who does register on time."

"A man is dealing fairly with his neighbors if he obeys the law just as they do. We hope parents and public-spirited citizens will keep 18-year-old men reminded of their responsibilities under the law," General Wakefield concluded.

## Fastest Selling 1 1/2 Ton Truck in America!

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

1 out of 2 Ford F-5's had a running cost of less than 3 1/2 cents a mile in the Ford Truck Economy Run, according to daily on-the-job expense records kept during the 6-month run covering all kinds of hauling!

## ...Now yours with POWER PILOT ECONOMY!

At no extra cost, you get the gas-saving Power Pilot that helped set such low running-cost records in the nationwide Ford Truck Economy Run!

If you've got tough heavy-duty hauling to do—and a budget that must be handled with care—then the Ford F-5 is your truck! F-5 ruggedness assures the longer life Ford Trucks are famous for. And the F-5,

like all Ford Trucks, has the POWER PILOT which gives you most power from least gas! Only Ford in the low-price field has the Power Pilot.

You get a power choice of V-8 or Six according to your needs. Choice of three wheelbases. Choice of two smart new cabs, the 5-STAR and; at slight added cost, the 6-STAR EXTRA (shown) for extra convenience and efficiency!

FOR EVEN BIGGER LOADS... the Ford F-5 134-inch chassis-cab is ideal for tractor service. G.T.W. up to 24,000 lbs. With 100-h.p. V-8 and 6.87 standard axle ratio, calculated top road speed is 47 m.p.h.

## FORD TRUCKING COSTS LESS

F.D.A.V. because FORD TRUCKS LAST LONGER Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford Trucks last longer!

- ONLY THE FORD F-5 GIVES YOU ALL THESE VALUE FEATURES**
- Body and payload capacity—up to 10,000 lbs.
  - Choice of V-8 or 6-cylinder truck engines...
  - Ford Power Pilot for most power from least gas.
  - Choice of two new cabs for job driving ease.
  - Choice of three wheelbase lengths.
  - Single-speed or (at added cost) 2-speed rear axles.
  - Sturdy Double Channel frame (except 134" wb.) for great strength at minimum weight.
  - Long-lived 4-speed spur gear or (at added cost) 4-speed Synchro-Silent transmissions.
  - Powerful hydraulic truck brakes—302 sq. in. lining area. (Vacuum booster available.)
  - Removable brake drums for easy maintenance.
  - Positive-acting 11" Gyro-Grip clutch.
  - Ball-action steering with automatic tie rods.
