

SIGHTS, FACES SEEN Around Town

Morning services of the First Baptist church revival here, Oct. 26 to Nov. 9 have been arranged especially for business men to make it possible for them to attend before going to work. At 6:45 a.m. coffee and doughnuts will be served to those attending and morning services will be held at 7:30 and Rev. Marvel Upton of Sunray will do the preaching and Lynn Odum of Dallas will conduct the singing. The morning services aren't just for the business men however, for everyone is cordially invited to attend every service.

We haven't seen Alex Thompson around much for the past week for some reason. What's the matter Alex, did you finally get your camera out of hock?

Bill Patton was on the ailing list a couple of days this week but is back on the job.

We hear that Clint Formby finally received his new tailor-made overcoat before the summer months set in.

Also heard that Dub Reeves threatened to swear out a pauper's oath to get his wife and new daughter out of the hospital . . . that is if it wasn't a boy . . . and it wasn't.

Hereford Garden club will meet at 9:30 Friday morning at the Camp Fire Hut. A school of artistic arrangements will be conducted and the meeting is open to everyone. Those attending are requested to bring a sack lunch.

The first three prizes awarded in The Brand's football guessing contest will be split only five ways this week. Jack Clark, George C. Loerwald, Dallas Phillips, Shelby Whitfield and Mrs. Joy Golden all wound up with the same number of correct games picked. They each picked 18 games correctly.

Central School Students Win In Quizdown Contest

Central School boys and girls, were the winners in the recent competing with Panhandle School, Globe-News Quizdown in Amarillo. The prize was a combination portable battery and electric Zenith radio.

Officers Question Local Youth Over Recent Robberies In Town

Gaylord Anderson, 18, Hereford youth, was being held Saturday by local officers in connection with a number of recent robberies and break-ins in Hereford. Officers were questioning Anderson in connection with the recent break-in and robbery at the Hereford Food Mart as well as several attempted robberies, one at Jiggs Service Station and the Roberson Service Station.

Also of interest to police was the recent theft from the Baker Potato Shed of a typewriter and an adding machine. Anderson is also being questioned in regard to this case.

Other cases involved in the questioning is Kaiser car mysteriously found running in an alley after it had been reported missing from the Square Deal Motor Lot.

New Polio Case

Espher Faye Haney, small daughter of Mr. and Mrs. L. L. Haney, Box 1027 Hereford was taken from the Deaf Smith County hospital Monday morning, where she had been a patient overnight, and taken to the hospital at Plainview where she is undergoing treatment.

The child has been definitely diagnosed as a medium severe spinal polio case and at this time has a partial paralysis of the left arm. She is a pupil of the Vega school.

Marriage Licenses

Court house records to date show marriage licenses issued to Jose Santelama and Eurfrancia Jaro on October 21, 1952.

FACES CHECK CHARGE

W. H. Waiser, Hereford was returned here from Bartow, Florida where he had been apprehended by sheriff's officers of that locality at the request of Hereford officials. Waiser was indicted by the grand jury some time ago in connection with the alleged passing of a worthless check in the sum of \$885 to the McCullough Motor Co. The case is filed in District court.

Biggest Draft Call In 20 Months Announced For December By State

State Selective Service headquarters Monday received a call for 2,784 men for the Army in December, biggest monthly call received by Texas in 20 months.

The national quota for December is 47,000 men, all for the Army.

Lt. Col. Morris S. Schwartz, deputy state Selective Service director, said calls to the state's 137 local boards will be mailed "later this month". He said the call would be largely filled with men in the 20-year-old group.

Local boards must fill the call from among men 20 years old and older at time of induction. The boards will not be able to send any man for induction below the age of 20 except delinquents and volunteers.

Local boards previously have been authorized in Texas to examine men down to the age of 19 years and 11 months, but such men cannot be inducted under

present authorization. Authority will have to be received from national headquarters before men can be inducted below the age of 20.

The December induction call is the biggest received in Texas since March 1951, when 4,145 men were inducted into the Army. Only 362 men were inducted in December 1951.

Induction of men in December will take place from December 1 through December 13 because of customary armed forces holiday leaves and furloughs at Christmas time. Normally, inductions and pre-induction examinations are spread more fully throughout a month.

State Selective Service headquarters Monday also received a call for 14 doctors and six dentists for the armed forces in November. This is the state's share of a national quota of 341 doctors and 200 dentists for both the Army and Air Force.

Price Support For Wheat Set At \$2.20 Per Bushel

Price support on the 1953 wheat crop will be not less than \$2.21 a bushel, national average, Secretary of Agriculture Charles F. Brannan has announced. This compares with a support of \$2.20 a bushel for the 1952 crop, now eligible for loans and purchase agreements.

If the wheat parity price as of July 1, 1953, is higher, the support level will be increased to reflect 90 per cent of the wheat parity price at that time. Minimum price supports are announced at this time in accordance with "forward pricing" provisions of authorizing legislation.

According to N. E. Gass, chairman of the County Production and Marketing Administration Committee, wheat prices will be supported through farm and warehouse storage loans and purchase agreements, available from time of harvest through January 31, 1953. He urges farmers who have had trouble getting storage for their wheat this past season to give serious consideration to the construction of additional storage capacity.

The national wheat production goal for the 1953 harvest calls for 72 million seeded acres, which, at average yields, would produce about 1,080 million bushels. This compares with 77.5 million acres seeded for the 1952 crop and an estimated production of 1,298 million bushels. Total wheat supplies for the 1953-54 marketing year which began July 1 amount to 1,677 million bushels, the third largest in history. The carry-over next July 1 is expected to be about double the 254 million bushels of mid-1952.

1953 Agricultural Conservation Program Well Underway In County

The 1953 Agricultural Conservation Program is underway in Deaf Smith county, says N. E. Gass, chairman of the County Production and Marketing Administration Committee. Training schools for community committeemen have been held, and now these committeemen are contacting individual farmers in their districts. A total of 25 PMA community committeemen are engaged in making these farm-by-farm visits.

Before these committeemen started making contacts, the chairman explained, they were given the benefit of instruction reflecting the training and expertise of specialists of the Soil Conservation Service, Forest Service, Extension Service, Farmers Home Administration, and PMA. This, added to their experience

as practical farmers in their local districts, gives them a good rounded preparation for contacting farmers in connection with the 1953 ACP sign-up. The committeemen are prepared to help individual farmers make the best possible use of the assistance provided under ACP for soil and water conservation practices. Where technical advice is needed, the chairman further explained, it is available through such agencies as the Soil Conservation Service, the Extension Service, and the Forest Service. The purpose of the committeemen's visit will be to help the individual farmer in determining the most needed conservation on his farm and to acquaint the farmer with the assistance available through the ACP.

Ike Continues 4-1 Lead Over Adlai In Late Poll

Balloting in the High Plains Poll was lighter last week but Gen. Dwight Eisenhower continued to hold nearly a four to one edge over Gov. Adlai Stevenson in the straw vote sampling of folks in the Tri-State area. Ike had 1,660 votes in the cumulative totals compared to 432 for Adlai.

But Stevenson was making a stronger race than was reported in the first roundup summary of the poll last week. He now is leading at two communities, Shamrock and Claude.

He led only at Shamrock in the first report. He held in to that lead, with the Shamrock Texan reporting a total of 70 for Stevenson, 59 for Ike. The vote reported by the Claude News was 17 for Ike, 21 for Adlai.

The High Plains poll is being conducted by weekly and daily newspapers throughout the Tri-State area. The papers are carrying straw vote ballots with which to sample voter preferences. The Amarillo Daily News is coordinator for the poll.

Final report for the High Plains Poll will be made out next week—just a few days before the November 4 election.

Grady Bowdry Named As Hereford City Manager

Grady Bowdry, former city manager at Stamford, Texas, has been employed for that office with the City of Hereford, according to Mayor Pro-Tem, S. O. Wilson. In a phone call to Stamford Friday morning, Bowdry agreed to accept the position here and stated that he and Mrs. Bowdry could move to Hereford around December 5, at which time he would assume the responsibilities of the new office created in the recent adoption of the home rule charter here. A letter of acceptance to the newly created post was received from Bowdry Wednesday morning at a salary of \$600 a month.

Mr. and Mrs. Bowdry were visitors in Hereford some two weeks ago at which time Bowdry met with the city commissioners in discussion of the position that was open with the city here. Present at that meeting were Mayor Pro-Tem S. O. Wilson, Commissioner Don Zimmerman, City Attorney Ray Cowsett, Cecil Massey and John Bennett. The commission at that time discussed the possibility of Bowdry taking the position and agreed to let him know within 18 days if the job would be open to him. During this 18 day period the commission agreed to check all references through letters and phone calls. This check was requested by Bowdry before he would say he would accept the job. Several applications were received for the position.

"We feel like we are indeed fortunate to get such a man as Mr. Bowdry to fill an important position with the City of Hereford," Mr. Wilson stated after learning that Bowdry would accept the city's offer. In a phone call to Bowdry Friday it was learned that he would accept the job and come to Hereford around December 5.

On checking of references and with Stamford businessmen, it was found that Bowdry had the highest of recommendations obtainable and was highly recommended for the job here by every person or firm contacted.

GRADY BOWDRY named Hereford City Manager

Bowdry was city manager at Stamford some 17 years during which time there was a reduction of \$303,232.50 in the general obligation debt of the city of Stamford in the past 19 years. This reduction in face of major improvements and projects is shown in a book balance statement of the two years on March 31 of each year prepared for publication on the request of Bowdry. That city moved from a defaulted position on obligations (bonds selling as low as 52 cents on the dollar) to a point where bonds are now selling at a premium. Auditor reports on the city's books that were requested by Bowdry before his resignation went into effect stated that the condition of the City of Stamford financially indicated careful handling and use of the city's money and obligations, and their report praised Bowdry for the work that he had done since taking over the office in Stamford.

On October 4, several prominent citizens and businessmen of Stamford went as a body and presented Bowdry at his office with a new Browning automatic shotgun with the inscription on the stock "Presented to Grady Bowdry for outstanding achievement as city manager, Stamford, Texas." (See Inside Photo).

Reading in part from the Stamford American newspaper, one merchant at the presentation expressed himself as:

"At a time when shady dealings on the part of public officials have been the rule rather than the exception, Stamford has been fortunate in having a man of (Continued on page 2)

Rural Route 5 Mail Boxes Must Be Erected By Monday

Mail boxes on Hereford's new rural route 5 must be erected with names attached by inspection time Monday morning, October 27, if that route is to be established as a permanent one, according to a report from Postmaster Jim Lipscomb.

According to Lipscomb an inspection was held on this new proposed route this past Monday morning and it was found that only 60 mail boxes had been erected and that only a portion of these had names attached.

"For this route to be established there must be at least 125 boxes erected and every one must have a name on it," Lipscomb said. "If there isn't enough boxes up by next Monday we must report it to the postoffice department and it may be quite some time before such a route could be established again. The new route must be in operation by

November 1." All boxes must be on the right hand side of the road as the mail carrier travels and should be three and one-half feet from the actual base of the box to the ground. Names in letters one inch high should be painted or stenciled on every box and must be so in order to be counted during the inspection Monday morning, according to the postmaster here.

"The name on every box on a new route is the most important thing since the carrier does not know anyone on the route and must have the names in order to tie out his mail in the post office," Lipscomb said.

Application for the new route was made in August 1950 and final approval would bring relief to approximately 175 families who now have to come to Hereford for their mail. Mail deliveries in this route would be daily except Sundays and holidays.

Local Mutual Concert Association Meets To Select Winter Program

Board of Directors of the Hereford Mutual Concert Association met Saturday night, October 18 to select programs for the winter season. Each member of the association was given an opportunity this year of stating his preference of program types. The member choices were considered in selecting the talent for the three concerts chosen. Times for the concerts have not been determined but the programs will be: A duo-piano team, a vocal trio and an actress.

The duo-piano team is composed of Allison Nelson and Harry Neal. They bring their own matched Baldwin pianos and will give a varied music performance.

The National Music League Trio lists for its selections songs from outstanding musicals, operettas and light operas, such as: The Student Prince, Bittersweet,

The King and I, and Kiss Me Kate. Miss Sara Carter will sing soprano; Charles Fuller, tenor and Norman Farrow, baritone.

Cornelia Stahler will bring her character sketches. She has been described as a one woman theater. She has appeared on radio and television and her sketches, monologues and Christmas stories have won her much acclaim.

The Board of Directors is proud to be able to offer this group of programs. They will all appeal to every taste in music and dramatics.

The membership of the Hereford Association totaled three hundred and eighty this year. Last year the membership was four hundred and fifty.

Membership cards will be mailed in the near future and the concert dates will be announced as soon as they are arranged.

HIGH PLAINS POLL

Mark your preference for President and return to the office of The Hereford Brand.

- FOR GOV. ADLAI STEVENSON
- FOR GEN. DWIGHT EISENHOWER

HAY BURNS—The Hereford Fire department answered an alarm at nine o'clock Tuesday morning when a small trailer loaded with baled green hay caught fire about one fourth of a mile beyond the city limits on Highway 51. The trailer, a two wheel affair was being pulled by a car and had a

load of about 30 bales of hay. Fire officials are of the opinion that a flat tire caused the blaze. The trailer and hay were a total loss in spite of the fast work of the two trucks of the department at the scene and the use of special penetrating chemicals. W. H. Patton Photo.

Mrs. E. R. Day Surprises Husband With Birthday Supper Saturday

By Mrs. E. R. Day Sr.
Mrs. E. R. Day surprised her husband Saturday night with a birthday supper. Unknown to Emmet who had been hauling grain to the elevator, Mrs. Day had every thing prepared when Emmet came in and the guests began to arrive. The center piece was fall cut flowers of bronze and yellow chrysanthemums. There were 29 present beside the honoree.

Those present were Mr. and Mrs. Paul Cantrell, Pauline and Frances of White Deer, Mr. and Mrs. Keith De Shane, Gene and Robert of Borger, Mr. and P. L. London and Janie, Mr. and Mrs. Walter Jasper on Amarillo, Mr. and Mrs. D. O. Robason, Mr. and Mrs. Carroll Day and Jerry, Mr. and Mrs. Oscar Baxter, Gladys, Carlon, Willene and J. L. Miss Virginia Whitaker and Tila Rue Day of Amarillo, and Mr. and Mrs. T. B. Armstrong. The evening was spent visiting and playing 42.

Mrs. R. E. Hays and her daughter and baby and Don Browley of Amarillo were guests in the C. D. Day home Sunday. All Mr. and Mrs. L. P. Cantrell and family of White Deer, Mr. and Mrs. Keith De Shane of Borger, Mr. and Mrs. T. B. Armstrong and Mrs. E. R. Day were visiting in the Day home.

The Friona MYF met Sunday night with Gay Cass with H. V. Rocky giving the program. H. V. gave some thought questions on God and Gay answered the questions. The troop discussed and made plans to go to the District meeting at Panhandle Monday night, Oct. 13. Mr. and Mrs. O. C. Jones are the sponsors for the group. There were thirteen present and Mr. and Mrs. Jones.

J. E. Knight returned home last week from Lewisburg, Ky. where he was for three weeks at the bedside of his father, who died on Wednesday of last week.

Edd New a former resident of Friona has moved back to Friona to make his home. Mrs. New passed away a short time ago and Mr. New came back here to make his home. He is now employed at the Buske Magness Insurance office.

Mr. and Mrs. H. K. Kendrick left Sunday for Menalia, Texas to visit for a while.

Mr. and Mrs. Jim Baxter, Joy and Patricia are visiting in Elk City, Okla., this week end with Mrs. Baxter's parents, Mr. and Mrs. Henry Marshall and a sister of Mr. Baxter, Mr. and Mrs. Leo Russell.

Gladys Barter and Patsy Carthel of Hereford visited Sunday with Glenda Pope.

Roy Hart of Amarillo visited

Grady's calibre as city manager. All of us have differed with him, but we always respected his opinion. In my case at least, usually I came around to finding that Grady was right.

Bowdry is a past president of Exchange club and past president of Stamford Golf and Country Club, holds membership in International City Managers Association, Texas City Managers Association, Municipal Finance Officers (a national organization), Texas Water Conservation Association, and is also licensed to practice public accounting.

Mrs. Bowdry is a past president of Business and Professional Women's Club and of Stamford Music Club. She was active also in Stamford Garden club and is program chairman of the Woman's Society of Christian service of St. John's Methodist church and is a former secretary of the Stamford Chamber of Commerce (which is now called mangar).

Bowdry will be new to the town... but he certainly will not be new on the job. He has been city manager 17 years under the same type home rule government that Hereford has adopted. And living in Hereford, he won't be a stranger long.

College Students Reminded Of Tests

Lt. Col. Morris S. Schwartz, deputy state Selective Service director, Wednesday issued a last reminder to college students that the deadline for application to take the December draft college qualification test is November 1.

"No applications will be accepted that are mailed after November 1", Col. Schwartz said. "Applications for the December 4 test must be postmarked no later than midnight, Saturday, November 1, 1952."

Students may secure application forms and bulletins of information which tell how to fill out the forms from any local board in the state. They also can secure self-addressed envelopes in which to mail the applications from the same source.

Draft boards are closed on Saturdays and Sundays, so application blanks may be picked up personally by students only during Mondays through Fridays.

To be eligible to apply for taking the test, a student must (1)

intend to request deferment as a student in writing directly to his local board, (2) be satisfactorily pursuing a full-time course of instruction, and (3) not previously have taken the test.

Colonel Schwartz emphasized in his statement that application forms can be secured at any local board.

PUMPKIN PIE

Pumpkin Pie
A McCall's Magazine Fall-Proof Recipe

1 cup milk or light cream
2 eggs
1/2 cup light brown sugar, firmly packed
1/2 cup sugar
1 teaspoon cinnamon
1 teaspoon ginger

1/2 teaspoon salt
1/2 teaspoon cloves
1 1/2 cups fresh cooked or canned pumpkin, drained and mashed
Unbaked 9" pie shell

Start your oven at 425°F or less.

Heat milk. Beat eggs slightly. Sift all dry ingredients together once. This gets the lumps out of the brown sugar if there are any. Mix into pumpkin thoroughly. Add eggs and beat until smooth. Stir in warm milk (heating the milk and beating the eggs makes a smoother filling).

Pour filling into unbaked pie shell and bake 10 minutes. Then reduce heat to 350°F or moderate and bake 30 minutes longer.

NAMED HEREFORD CITY MANAGER... Grady Bowdry, extreme right, former Stamford City Manager who recently resigned that post, this week accepted the city manager position here in Hereford, according to Mayor Pro-tem S. O. Wilson. Bowdry is pictured above as he was presented with a new Browning automatic shotgun by friends and businessmen in that city as a token of appreciation for the work he has done for that city. The shotgun bears a brass plate carrying the inscription, "Presented to Grady Bowdry for outstanding achievement as city manager, Stamford, Texas." Several Stamford councilmen and mayors were included at the presentations. Bowdry will take over his new office here around the first of December, according to Mayor Pro-tem Wilson. Mr. and Mrs. Bowdry were in Hereford some two weeks ago when Mr. Bowdry met with the Hereford city commissioners in regard to the job. He accepted the job the later part of last week. California Visitors Are Guests In Frio Community Past Week

By Mrs. Owen Andrews

Mr. and Mrs. H. C. Miller and sons, who lived on the Rinour place, have moved into the Jumbo community. They are now helping the Horace Bairds, and live north of the Jumbo community building. However, they are continuing to come to church here.

Shopping in Amarillo last week were Mrs. H. M. Mobley, her sister, Mrs. Claude Price of Floydada La Nolle Mobley and Mrs. Raymond Mobley. They visited a brother-in-law of Mrs. Mobley, John Stewart in Amarillo, also.

Mr. and Mrs. W. H. Andrews and children, Mr. and Mrs. Thea Lamb spent the week end visiting their parents and other relatives at Marlowe and Lawton, Okla.

Mr. and Mrs. Lee Johnson of Seminole visited her mother, Mrs. H. M. Mobley and other relatives during the week end.

Mrs. Jenie Buchanan of Manteca, Calif. visited last week in the home of Mrs. T. L. Sparkman. On Sunday afternoon, her nephew, C. W. Buchanan and family visited in the Sparkman home and took Mrs. Buchanan home with them for a visit. Other Sunday visitors in the Sparkman home were Mr. and Mrs. Elbert

Summers and children of Dimmitt and Mr. and Mrs. W. A. Springer.

Mr. and Mrs. Robert Simpson and Nellie spent the week end visiting their folks in Wellington.

Mr. and Mrs. Sam McAllen, Danny, Nora Jo and Sammie Lu were visitors in the Owen Andrews home Sunday.

Attending the youth rally at the Canyon First Baptist church Saturday were Leonard Schmidt, Clark Andrews, Veradelle Andrews, James Dobbs, Clark Dobbs, Marie Rhodes, Frances Andrews, Betty Robbins, Glenda Robbins, Tawana Thompson, LaVon Thompson, J. E. Andrews, Miss Alma Andrews, Mr. and Mrs. W. H. Thompson, Mrs. Herb Schmidt, and boys, and Rev. and Mrs. W. C. Wilson.

Mr. and Mrs. Parker of Lubbock were visitors this week in the home of their daughter, Mrs. Qin Parris.

Pvt. A. D. Edens Completes Course At Ft. Leonard Wood

Pvt. A. D. Edens, son of Mr. and Lonie Edens, Frio, recently graduated from the tractor-scraper operation course of the Army Engineer Specialist School at Fort Leonard Wood, Mo.

The 8-week course included classes in the use of the D-7 Caterpillar tractor, methods of bulldozing and the operation of earth moving equipment.

Preventive maintenance and lubrication were stressed throughout the course, which was conducted by the 6th Armored Division.

Private Edens has been in the Army since this June.

Harvesting Of Crops Highlights Community News This Week

The number of draft delinquents in Texas during the third quarter of 1952 decreased by 8 per cent, A. Col. Morris S. Schwartz, deputy state Selective Ser-

vice director, said Wednesday. Consolidation of local board delinquency reports at state draft headquarters showed that local Selective Service boards had 828 delinquents on their rolls as of the end of September, compared to 893 as of the end of June.

Boards at Dallas, Houston, San Antonio, El Paso, Edinburg, and Fort Worth have 89 per cent of the delinquent total of the entire state. El Paso has more than any other single county.

The number of boards having no delinquents increased from 24 to 26 during the third quarter of the year.

Boards currently having no delinquents are located at Lufkin, Pleasanton, Temple, Angleton, Brownwood, Linden, Cuero Eastland, La Grange, Richmond, Fairfield, Fredricksburg Longview, Anson, Jayton, Lampasas, Giddings, Groesbeck, Bowie, Henderson McCamey, Canton, Victoria, Huntsville, Brenham, and Gainesville.

A delinquent is defined in Selective Service regulations as "a person required to be registered under the Selective Service law who fails or neglects to perform any duty required of him under provisions of the Selective Service law". Only a local board can declare a man delinquent.

Delinquents are subject to loss of certain privileges under the law, also prosecution, penalty upon conviction ranging up to five years imprisonment and up to \$10,000 fine.

Letter To The Editor

Editor, Hereford Brand: I see by your paper that we recognize that we have a number of civic problems which need solving or will need solving in the near future. Among the problems is downtown noise. Now in order to solve a problem we have to begin somewhere. It seems to me that a good place to start on the noise problem is with the local diesel switch engine on the Santa Fe Railway. If we cannot solve this problem how are we going to solve the others if and when they come up? R. L. Ethridge

Mr. and Mrs. C. A. Peters of Maywood, Illinois, were visitors on the Sidney Fuller home this week. Mrs. Peters and Mrs. Fuller are sisters. Mr. Fuller is employed on the Maywood postoffice and holds the position of Superintendent of Mails.

PATIENTS DISMISSED - Walter Straight, med.; Harold Hamby, surg.; were released from the hospital Oct. 22. James Pope med.; Mrs. H. D. Robbins, surg.; Ester Frye Haney, and Robert Lamm, accident, on Oct. 20. T. E. Lindley, obs.; Beverly Lynn, OB; Mrs. W. F. Willis, med.; Mrs. L. A. Richards, med.; and W. G. Gilvens, surg., on Oct. 19. Delon Donnelia, med., on the 18 and Mrs. John Wood on the 17.

BIRTHS To Mr. and Mrs. E. M. Luce on October 22, a boy. To Mr. and Mrs. W. J. Reeves October 21, a girl. To Mr. and Mrs. M. Waldrep, October 19, a girl.

Card of Thanks We wish to thank everyone from the bottom of our hearts for all the cards, visits, flowers, toys, cows, clothes. The kind words and deeds and sympathy and for the Gary Stewart Trust Fund, since his accident and the loss of his little feet. Hereford may be a town without a toothache but it certainly is not a town without a heart and full of wonderful people. Again we say thanks to everyone. The grandparents of Little Gary, Mr. and Mrs. G. W. Craze, Box 593, Crosbyton, Texas

SUMMERFIELD NEWS

J. E. Roberson, Well Known In Community, Dies In Amarillo

By Bobbie Waiser
J. E. Roberson, well known in Summerfield, died Saturday at the home of his son, W. E. Roberson, in Amarillo. Mr. Roberson had been in ill health for some time. Mr. Roberson had lived near Hot Springs, N. M. but had returned to Hereford to live with his daughter two months ago and was visiting with his son at the time of his death.

The community party of the month will be held Saturday night, Oct. 25, at the Summerfield Community house at 8 p.m.

Mr. and Mrs. Woodford Harris of San Diego and their daughter Frances Harris of Phoenix and Herman Harris of Singer, Texas, spent a few days last week with W. G. Harris.

Mrs. Marnie Beckett of Porterville, Calif., is a visitor of her sister, Mrs. A. F. Blakemore.

Mrs. J. A. Stanford, Neal and Mr. and Mrs. J. A. McCafferty and son of Amarillo spent Saturday in the home of Mr. and Mrs. J. C. Carman.

Melrose Whitfield of Hereford spent Sunday night with Nan Longbottom.

Mrs. A. A. Simons has returned home after a stay in the Deaf

Smith county hospital following surgery.

Mrs. Lee Curry, was in the hospital last week for medical treatment.

Mr. and Mrs. L. H. Lookingbill Sr., and T. B. Lookingbill were in Paradise last week attending the funeral service of an uncle.

Blanton Clearman, Forrest Ward and J. C. Clearman of this community returned Sunday after spending several weeks in Colorado deer hunting. Their bag was a two limit. Others in Colorado hunting were W. A. Powell, Bob Powell and Doug Powell.

Mr. A. F. Blakemore made a business trip to Carlsbad last week.

Dannie White of Hereford spent Monday night in the home of Mr. and Mrs. Guy Waiser visiting their son Donald.

A Marine Corps Recruiter will be in Hereford the 27th of October to interview young men and women and to accept applications for enlistment in this land, sea and air team. To get more information about this organization see the Marines this coming Monday.

REAL ESTATE BOARD REPORT

Did any of you ever sit down and try to figure out how much our county is actually worth on today's market? This is just the results of some wool-gathering. First, our county is approximately 30 miles wide by 50 long making approximately 1500 sections of land, about 1/3 of which is irrigated. Lifting a value of \$100,000 on each irrigated section and \$32,000 on each dry land section gives us about an 83 million dollar valuation on Deaf Smith county land. After going over the courthouse records we guessed that only about 16 million dollars has been loaned on all the land in the county. That gives our farmers a net equity in their land of about 66 million dollars. Hmmm . . . and we come from a country where the farmers had to preach on Sunday and sell whiskey during the week to make a living.

A little more of the same. We just checked with our genial Postmaster, Jim Lipscomb, and found that up until the 13th day of October there had been \$6,279.45 worth of revenue stamps sold. These stamps as you know must be put on each deed that is recorded and at the rate of \$1.10 per \$1,000 of real estate sold. This means that in the first 10 months of this year there has been 5 and 1/2 million dollars worth of real estate change hands in Deaf Smith County.

However, this does not represent the total value of sales handled through Hereford Real Estate Agents, Hereford Law Offices, surveyed by Deaf Smith surveyor and farmed by farmers who live in Hereford. Our area also includes some 150 sections of Castro County land and about 75 sections of Parmer county land, nearly all of which is irrigated. If the same percentage of revenue stamps are sold on these 225 sections it would mean that for the first 10 months of this year that some 1 and 1/2 million dollars worth of that 225 sections have also changed hands since Jan. 1, 1952, making a total turnover of 7 and 1/2 million dollars worth of real estate sales in our area. Now that ain't exactly hay.

There are 20 active real estate agents in Hereford and 10 of them are members of the Hereford real estate board, Texas real estate Association and the National Realtors Association. Naturally we believe the other 10 should belong to our local board.

All the above calculations were roughed out while on the South Side of Conway's barn in the Sunday afternoon sun pulling cockleburrs out of the pony's tail. Even cockleburrs are good for something.

And the next time you drive out north on 51 be sure to look at Buck Parson's new paint job on his house, outbuildings, and corals.

DIMMITT NEWS

Dimmitt FHA Chapter Has Officer Installation At School Oct. 18

By Mrs. C. J. Mapes
Mrs. Ruth Wooten, member of Texas State Teachers Association and junior high English instructor, was one of the speakers on the grammar and composition

workshop program at West Texas State College Saturday at 9:30 in the Branding Iron theater.

Mrs. Wooten reports the Theme, "Something Old Has Been Added", given by Dr. George Vardman assistant professor of speech and communications at the University of Denver, during the luncheon session, was inspiring.

Ensign Bo Jackson, son of Mr. and Mrs. F. U. Jackson is home for a few days visit with relatives and friends. He is to report to San Diego.

Paul Stanford is reported to be improving satisfactorily after receiving a side injury on the gridiron last week.

Jay Lee Vaden, 51, died October 6, at San Francisco after a lingering illness. Jay Lee grew up in Dimmitt, and his parents, the late Mr. and Mrs. Sam Vaden, were among the early settlers. He valued his friendship and no doubt made a large host of friends in his 25 years with the Southern Pacific railroad.

He is survived by his wife, 3 children and two grandchildren. A brother and a sister, both of whom are Amarillo residents. Mr. and Mrs. Ernest Jones received direct word from their son Billy, now stationed in Korea.

Robert Netz, just home from Korea, due to serious illness in his family who live in Elida, N. M. drove to Dimmitt and delivered Billy's message in person to his parents. He reports Billy is well and sent greetings to his many friends.

Mesdames E. B. Wright, Posie Cunningham, Jack Cowser and B. A. Fuller attended the flower show in Amarillo last week and did some research at the library.

Old and new officers and candidates for the Dimmitt Chapter of FHA installation and initiation depicted an impressive scene as they entered the candle-lighted aisles of the high school auditorium ushered by eight guides, October 13, at 8 p.m.

The outgoing president, Miss Katy Coke, very capably presented the new officers, at which time Miss Decima Dennis, took over her new duties as president, in the initiation of 34 new members.

Solemnity marked the closing of the service by the rendition of musical numbers at the Steinway, by Miss Carolyn Rothwell, as the organized body marched to the Homemaking Department where a reception waited.

Miss Decima Dennis presided at the tea service.

Mr. and Mrs. Connard Dyer of Berkeley, Calif., have arrived for a visit with their parents, Mr. and Mrs. Elzie Teague, and Mr. and Mrs. C. L. Dyer.

Mrs. Dyer is the former Vernelle Teague.
Mrs. W. C. Cook, resident of Dimmitt for many years and former peace officer, has been appointed by the City Commission to the position as City Marshall and has taken over the official duty.

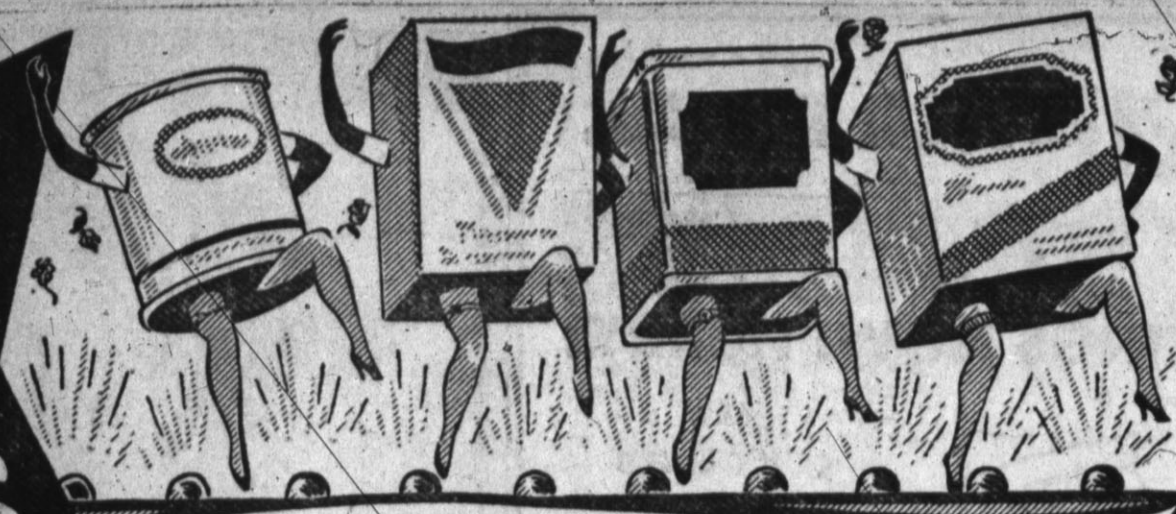

Cook succeeds Mr. McBrayer presented his resignation as City Marshall October 1, to become effective October 15. He had served in this capacity for the past two years.

Mrs. Martin Fulcher of Black and daughters Kay and Lou were overnight visitors in the home of Mayor and Mrs. Wright last week.

Q. How can I store a Panama hat for the winter?

A. The hat should be clean, before storing. Use a good spot remover and then cover with fuller's earth, wrap in a towel or cheesecloth and store away. When wanted the following season, brush off the powder and the hat will appear as new.

SNOOPIN AROUND

By The Rambler

Hear that whistle - seems like 10 miles down the track, then right through town - safety signal? Or is it just an unnecessary, needless noise of the trains here in Hereford, Yea, pretty noisy, but who isn't now days, politicians, auto horns, sirens, radios, noise, noise, noise but trains ever go to the station to watch the train come in. Remember way back, the first time I saw a train. Never forget it.

"Pappy, Maw, my five brothers and four sisters, we lived over the crest of the mountain in the holler from town, many a night I and my older brother use to slip up to the top back of the house and watch the oil lamps flicker in the general store and depot down in town.

And on cool, clear nights we could hear the train whistle as she pulled around the bend into Briney Switch. We use to pester Pappy to death to take us to town to see the steam engine, and beg him to tell us about it. Generally he'd say, "oh, it's nothing special", but brother and I felt he wasn't telling us the facts of life.

Well one day we had been after him to take us to see the train and he finally relented. For the first time that year we put on our shoes and brother hitched the white mule to the shaves of the buck board and with Pappy, brother and two biggest sisters we started to town.

We arrived at the depot just a few minutes before the train was due as Pappy said. He drove into the hitching stall at the depot and told brother to unhitch Louie, the mule, while he held up the shaves of the buck board, and I led Louie over to tie him to the rack.

Just about then the train banged into the station before any of us knew what was happening, a screech of brakes, and a scream of steam and the S-hhhhhhh of air. Boy was it something, but Pappy wasn't expecting it or hadn't braced himself for it. There he was standing with the shaves of the buck board in his hand, and the noise must have frightened him for he took off up the road in a cloud of dust, between the shaves of the old buck board. He ran about a mile up the road, then cut across a field and into a thicket of woods, smashed the buck board against a tree and skinned up the lowest limb. We kids ran after him and talked to him an hour before we finally got him to come down out of the

tree when he was convinced the pesky thing was gone. Pappy always said those trains were fit for nothin but to make noise, but do you know brother and I always doubted Pappy had ever saw one before. But a feller don't forget things like that easy eh.

Another improvement in a Main Street store, been in the City Drug lately. Well in a few more weeks a candidate will be "IN". Well, not in, they always let a couple of months pass before they go in so we can forget all the things they promised us. Now you take John L. There is a boy that is IN and just in case you don't know it he is the boy that is pulling the strings. Sure there is 85 million tons of coal above ground, (two months pinch supply) then what? That will shut this and that down, cut this or that, reduce this or that, won't it bother you. You're stark raving mad if you think it won't, and I'll bet a Texas Buck that he gets the 40 cents the NLRB cut off the pay hike.

Look if Bushy Brows were president, he could cut the coal off anytime, stop trains, boats, steel, food shipments and the Korean war. Now there is a dictator ship for you if I ever saw one or see one.

Ever notice a person all wrapped up in himself makes a pretty small package.

I'll be seeing you.

NOT A SOUND

Fidelis Matrons Class Sees Films

Fidelis Matrons Class of the First Baptist church met in regular business session in the home of Mrs. Roger Brumiey Monday evening.

The program was presented by Mrs. N. D. Bartlett Jr., who told of her trip to Guatemala and Old Mexico. Films the group had taken on the trip were shown by Wayne Evans.

Members of the class present were Mesdames; Clyde Rayburn, J. B. Snead, J. S. Martin, W. R. Hair, N. D. Bartlett Jr., Herbert Haseloff, W. H. Patton, Wayne Evans, Ray Howell, A. L. Manjeot, Lloyd Sharpe, Jason Luck, Clinton Jackson, Jimmie Mercer, Otis Lee and the hostess.

Mary Elizabeth class of the First Baptist church met with Mrs. Abe Martin Thursday afternoon. A short business session was held when plans for secret pals for another year were discussed. Mrs. John Hacker gave the devotional lesson.

Those attending were Mesdames; F. A. Tucker, O. G. Hill, Lucile Olson, Ralph McCullough, Parsons, R. H. Cagle, John Hacker, Sam McLallen, Fred Welsh and the hostess.

I don't think so) except the Senior rings which were ordered in the general order Friday. The ring selected is very pretty and will receive many compliments when it gets here next semester. We hope all the Senior class that ordered rings will get to wear theirs because if a Senior is not a prospective graduate when the final order goes in after Mid-Term you lose the three dollar deposit and the ring. I hope all the Seniors now will get to show their rings when the rings come in.

Hey, which Sue was with Arlis Edwards after the game last Friday night. I couldn't tell who it was but I overheard Sue Savage and Arlis talking and I know it was a girl named Sue. Things look pretty good between Sue Savage and Don Parsons. They are seen together a lot. She talks of Don in shorthand class and he talks of her in Band.

Good Luck to the following kids going steady or steadily going which ever it may be: Betty and Bill; Joan and Carl; Quendolyn and Billy; Sue and Don; Joan and R. L.; Barbara and Elmer; Nancy and Willie; Norman and Gene; Barbara and Bill; Rhoda and John George; Robert and Carolyn; Rosey and Jackie; Sylvia and Pat. There are many more but we will save them for next week.

Look for Snoopy in the Bull Pen in the Thursday Brand. See you next week and Beat Friona.

Commissioners Court Meets At Friona In Special Session

FRIONA — Members of the commissioners court met in a special session last week and made plans to go to Lubbock to confer with the District Highway Engineer, S. C. McCarty in reference to the additional farm to market roads in Parmer county.

The court was recently informed that Parmer county was due another road building program of 10 to 15 miles during the year of 1953.

The court will meet McCarty in his office in Lubbock in the near future and will follow the recommendations of the agreement made in 1948 between the court and members of the county road committee in the carrying out the county farm to market program.

Price Support Rates Announced To Assure Adequate Feed Supply

Secretary of Agriculture Charles F. Brannan has announced a level of price support for 1953 crop oats, barley, rye and grain sorghums designed to assure adequate supplies of feed grains for livestock production.

Commenting on the announcement Secretary Brannan said, "As in past years, price assurance for products of these important feed grain crops will be needed in 1953. They make up a very important part of the total feed supplies that are needed to support continued high-level production of meat, milk and other animal products."

"With adequate price protection, farmers can plan the necessary full production without fear that market prices might under

some conditions drop to disastrous levels. We have had price support programs for rye, barley, and grain sorghums for the past 12 years, and for oats since 1945. These supports have operated efficiently and economically, and they have been a major factor in production stability through the years. Price support of these crops is not mandatory under present legislation, but their continuation under the permissive provisions of the legislation is essential in a balanced production program.

The proper price relationships with corn, the leading feed grain, were considered in setting the support levels for these four crops."

The following national average

price support rates for oats, barley, rye and grain sorghums to be harvested in 1953 were announced:

Oats, 80 cents per bushel for Grade No. 3 or better
Barley, \$1.24 per bushel for Grade No. 2 or better (except "mixed" barley)
Rye, \$1.43 per bushel for Grade No. 2 or better or Grade No. 3 on test weight factor only but otherwise grading No. 2
Grain sorghums, \$2.43 per cwt. for Grade No. 2 or better (except "mixed" grain sorghums)

Feed grain price supports announced recently are the equivalent of 85 per cent of the latest parity price (August 15, 1952) as compared with 1952 support level of 80 per cent of the August 15, 1951 parity. Support for 1952-crop oats is at a national average of 78 cents a bushel, barley \$1.22 a bushel, rye \$1.42 a bushel, and

grain sorghums \$2.38 per cwt.

The supports for 1953 will be carried out through Commodity Credit Corporation farm storage loans, warehouse storage loans, and purchase agreements. To be eligible for support the oats must grade No. 3 or better; barley, No. 5 or better or No. 5 garlicky or better; rye, No. 2 or better or No. 3 on the factor of test weight only but otherwise No. 2 or better except that the rye may contain not in excess of 1 per cent ergot; and grain sorghums, No. 4 or better, or No. 4 smutty or better, and must not contain in excess of 13 per cent moisture.

Price support rates for these commodities are announced at this time in accordance with "forward pricing" provisions of the Agricultural Act of 1949. Eligibility requirements and operating provisions are substantially the same as those for the 1952 crops. Loans and purchase agreements will be available through the of-

fices of Production and Marketing Administration county committees from time of harvest through January 31, 1954.

Humming Blue Bird Group Holds Meet At Hut Wednesday

The Humming Blue Bird group met at the Hut Wednesday afternoon. Punch and cookies were served by Marilyn Jones. The girls began work on their new copper bracelets.

Those present were: Shirley Carthel, Bernice Denny, Paula Moore, Glenda Lester, Marilyn Jones, Beverley Robertson, Marilyn Martin, Patricia Bell, Janette Slack, Cecelia Loerwald, Kay Woolery, Wyndolyn Sheppard, Phyllis Ward, Mrs. Wesley Brown leader, Mrs. Harley Ward, assistant leader, and Mrs. J. L. Brown.

SNOOPY IN THE BULL PEN

Hi! This is the first column of Snoopy in the Bull Pen. If Snoopy can get around there will be many more, if you like it, that is.

Hey, have you seen Robert Bettis and Carolyn Virden around lately, together? They make a cute couple don't you think. Good Luck kids.

Are my eyes deceiving me and was that Nancy Milford leaving Girls Sextet practice with Tunny Wilson last week? Could something be in the air between these two because I've seen them together before.

What was the matter with Pat

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier

2805 Arbor Hills Drive
P. O. Box 3122
Jackson 7, Mississippi

Mc. and Sylvia Mc. last Friday morning. They were running around the halls chasing one another and acting like crazy people. Well I hope everything is settled by now and that Sylvia didn't freeze while she marched, especially since she didn't have Pat's coat to wear.

By the way, where was Nancy Patterson last Saturday night and last Sunday afternoon. She certainly wasn't at Girls Sextet practice. Could Willie have been the cause?

Well, well, guess who got five licks last Friday, or at least got called out of Shorthand class anyway. Elna Bishop and Sue Smith. I guess that will teach you girls to be better in class. Ha.

I hope everyone was pleased with their report cards and will get a privilege card. Maybe if you didn't get one this time you will get one next time.

I think Betty and Gale are going to have to teach Sue the yell she missed last Friday in Pep Rally. That's okay though Sue, we will forgive you this time.

Did you notice how nice everyone looked last Monday, Tuesday, Wednesday, and Thursday? Of course the Annual & Senior Pictures were made. Here's hoping they all turn out real good and prove to do justice to everyone.

Don't think anything about the Senior girls talking about their ring sizes. They aren't hinting for anything (at least

Football

There was quite a turnout of Hereford football fans at the Baylor-Texas Tech game Saturday night . . . and it was quite a ball game as most of the games played in this section are. Baylor fans (me included) had the daylight scared out of them during the first half and the third quarter when it seemed as if the Bears just couldn't get things going right. At half-time the Red Raiders led 10-0 and it was not until late in the third quarter that the Green and Gold opened up and then it was Baylor all the way. That game wound up 21-10. It's amusing to sit in a section of the stadium where there is just about as many fans for one side as there is for the other. Baylor fans had very little to say during the first three quarters of the game but made things miserable for Tech supporters that final quarter.

Whitefaces to play another hard one

The Whitefaces are going to be up against another good ball club when they play the Friona team here Friday night at Whiteface Field, according to reports from the coaching staff at Hereford High. John Poindexter scouted the Friona club last week and reported that they won't be easy. Anyway, its about time the Whitefaces won a game and hit full stride as their conference game schedule nears. We'll pick the Whitefaces to win . . . but don't be surprised if they don't have quite a night in doing so. The Whitefaces line played good defensive ball last week which accounted for the low score. Brownfield had two or three backs that were quick on the get-away and slow on the stop. The Whitefaces held the favored Brownfield club to 12 1st downs but were only able to muster 7 for themselves.

Hand Warmer

The Whitefaces had more support in last Friday's game than most fans realized. Some thoughtful person provided a portable butane heating stove for the Hereford boys on the bench. It helped a lot in eliminating numb hands during the game for the boys had a chance to warm them

up a little when they came out of the game. Then too, the photographers appreciated the opportunity to thaw out enough to turn loose of their cameras for a cup of coffee at the half. I see that Bill Patton has it made when it comes to taking movies at the games at Whiteface Field. The school has built another room or shall we say shooting gallery on top of the press box . . . just for Bill.

Photographing a football game at night is quite a job . . . especially when you are half frozen. . . . that high in the air. It's a shame they don't pipe up hot coffee to Bill and his pals in their new hide-out.

New Face Protector

Whitefaces center Bill Rose looked like something from another planet in his new plastic face protector that he is forced to wear because of a broken nose received in the Dalhart game. It hasn't impaired Bill's playing in the least for he showed a lot of hustle during the game here last week. I was talking to Coach Russell and he liked the plastic mask better than the muzzle-type that fastens to the helmet. The new type face protector doesn't provide a convenient hand hold for defending players. Coach Russell said it would be the thing if every player on both teams could be provided with one of these special plastic masks as it would practically eliminate facial injuries to the players. It doesn't bother the vision of the player too much except in Bill's case at center . . . where he sees the world upside down to begin with.

14 Ladies Now Qualified For City Tournament

Fourteen ladies have qualified for the Hereford Ladies City Tournament. Lucille Posey leads the qualifiers with a 95 total for 18 holes.

Match play got underway and one week will be allowed for each match.

Meet Your Team

BILL ROSE, senior center for the Whitefaces has been playing a lot of football for the Hereford eleven this season. Bill weighs 152 pounds, wears jersey 68 and a plastic mask to protect a broken nose. Photo by W. H. Patton.

JOE EASLEY, sophomore guard has seen a lot of action for the Whitefaces this season. He weighs 160, wears jersey 62 and is one of Coach Russell's up and coming players. Photo by W. H. Patton.

Herd To Play Impressive Friona Club Here Friday

The Whitefaces will be playing a real ball club in their game with the Friona eleven here Friday night, according to Coach B. Russell, and John Poindexter, who scouted the Friona team

last week. Gametime is 8 p.m. at Whiteface Field and the Whitefaces will be after their second win of the season after 5 straight losses. None of these have been conference games, however.

Friona ran over Bovina last Friday 52 to 6 while the Whitefaces were losing their game here with the Brownfield Cubs 7-0.

No new injuries have shown up in practice or were encountered in the game Friday night, and the Whitefaces should be in fine shape both mentally and physically for the game, Coach Russell said this week.

Conference play opens November 7 at Floydada and Coach Russell's young team is getting in a lot of experience before that three-game conference schedule starts.

The Whitefaces have run into some mighty fine ball clubs thus far in the season . . . some that had no business being beat if they had and others that perhaps they should have won.

Whiteface center Bill Rose looked like a man-from-Mars in his new plastic mask in last week's game with the Brownfield club. Bill received a broken nose in the Dalhart game and was forced to wear this special mask. Doesn't look like it has bothered Bill's playing much for there was a lot of him in the Brownfield game. In fact, the Whiteface line seemed to be a little ahead of the backfield in Friday night's efforts.

The Whitefaces are probably tired of this losing streak and will probably be fire-up for this game and should win it by a touch-down or so. Predictions are a dime a dozen so don't count on anything.

FOIBLES FANCY AND PLAIN

By Kent Snare

Friona at Hereford - The roster of the unsullied was whittled more than a whit on the last emergence

Arizona over Hardin-Simmons - Alabama, Colgate, Navy, Kansas, Purdue, Nebraska and Stanford made the grade, mostly without too much straining. . . .

Texas A & M over Baylor - That can't continue for long, on account the unsullied list couldn't stand it. The upright, that is untoppled gentry, is thin indeed among the biggies

Kansas over SMU - They be Michigan State, California, Georgia Tech, Oklahoma, Duke, USC, Pennsylvania, Maryland, UCLA, Virginia Villanova and Penn State. . . . You try deducting 7 beheads weekly for two weeks and see where you wind up. . . .

Texas over Rice - A Texas writer was asked, at the Kansas-Oklahoma game last week, how the Jay-hawks would do in the Southwest Conference. "They'd win it all", he averred. And as to Oklahoma, he inferred that they should be legislated against. He also added that the SWC looked to him like it would end in a seven way tie. . . .

Tempe over Houston - Time again to hear from John Henry. Altho it might be Houston running out of the sands of fortune, imagine a placekick winding up on the 6 inch line. . . .

Abilene Christian over West Texas - Tempe is bound to have left some abrasions. An Okie stacked Kansas' Mr. Reich under KU's rabid fans began chanting his number to call attention to his duplicity. An official on top of the play shivered from the impact but deemed it fair and allowable, and a scribe, on hearing the KU gripes, inquired, "What's he supposed to do, shake hands with him?"

Trinity over Lamar Tech and Duke at Virginia Saw Baylor overtake Texas Tech last lap, did her in the last 17 minutes but conclusively. . . .

USC over Cal - Just for variety. Both Baylor and Tech are in a training stage. Altho Tech might contend that soph Dupre don't

need it, on account he runs now with authority and some speed. . . .

Wisconsin over UCLA - But don't hook no family jewels to haxard on it . . . Dupre wasn't completely alone, being aided and abetted by a Mr. Coody, et al. . . .

Penn over Navy - Maryland didn't sink it and all Penn will do is summarily drop the hook for them. . . . Baylor took out their regular fullback, Parnia and put in one of the Jones boys

Indiana over Northwestern - Because of the trend . . . They had "beaucoup" Jones boys, too, listed as A. Jones, B. Jones and C. Jones - all backs. . . .

Detroit over Okla Ags - They put in A. and Tech would list him as just that grade and not as anonymous, for he was there in fact and running. . . .

Michigan over Minnesota - The Gophers have nibbled out two but Wolverines is tough. . . .

Illinois over Purdue - Bouncing. Reminded me of the Jones boys on the Kentucky team. Twins, they had 'em numbered 1A and 1B

(Continued on page 2)

Handicap Tournament Match Play To End Here Sunday, October 26

A few matches in the Handicap Match Play tournament were played Sunday and contestants who haven't played have to Sunday night October 26 to end their matches.

Matches played and yet to play are: Oscar Lange vs Gerald Wilson; W. W. Gilbreath vs John D. Pitman; F. M. Cogdell vs Frank Latimer; Ray Hardy vs Bill Amery; Bill Howard vs Dr. J. H. Channer; J. A. Pitman vs Bill Miller; Stan Barrett vs Mac Pitman; Bill Waldrop vs J. H. Brooks; Lee Rogers vs Clyde Cave; Sam Gilbreath vs Jim Garner; Wayne Phillips vs Don Martin; Tom Howard vs H. D. Blyth; Bill Davis, def. Sam Nelson, 1 up 20 holes; Alvin Shirley won by a bye; Wendell Burdine vs Walter Seed; M. E. Cleavinger vs Joe Butler.

First Flight

J. M. Posey beat Truitt Johnson, 2 and 1; Raylan Evans vs Bud Amery; Earl Stagner def. Roy Boyer 1 up on 19; W. L. Edmond def. Dean Herring 5 and 4; Earl Hendricks vs Bill Nunn; Henry Lewis vs Dr. Hap Cavness; Dale Tinnin vs Harold Loerwald; J. A. McWhorter vs Bob Lindsey; Urln Streu def. Lovis Wilkinson 1 up on 20; Dub Reeves vs Arthur Tinsley; Andy Anderson vs Dr. R. E. Langenfelder; Lloyd Neill vs W. B. Dowell; Matt Webb vs Ed Young; H. A. Close vs Jim Wood; J. H. Patton vs Kenneth Cowan and John Estes vs H. A. Lamm.

Players who have played their matches are requested to contact their opponents and arrange for play at their own convenience.

DROUGHT RELIEF HAY — Earth county livestockmen are shown unloading carloads of northern hay for emergency feeding under federal government loans. Twenty cars of hay were unloaded at Stephenville. Some 800 producers have ordered 480 carloads of the hay. The total cash value is more than \$230,000. Federal aid supplies the hay for drought relief at lower than market price. AP Photo)

Boy's Ranch Unit Now Complete; Cowboys Move Into Their New Home

Twenty-four lucky boys have been excitedly hanging curtains, washing windows, waxing floors and putting the final home-like touches in their rooms in the recently-completed housing unit at America's First Boy's Ranch, 40 miles Northwest of Amarillo, Texas.

Most of the boys had a hand in the construction of the building and for months they waited anxiously for the date when 24 boys would be chosen to take up residence. Since all the boys could not live in this first of the proposed series of units, a merit system was devised to select those who would call the new unit their home.

The young Ranchers are keeping their rooms spotless, perhaps more than necessary, but they are very proud of their new home and intend to see that nothing is done to mar its beauty and comfort.

The housing unit has an exterior of red Colorado stone and green vertical siding. The boys' rooms have a natural varnished finish with exposed roof beams. A masonite tile bath adjoins each of the six 4-boy rooms and every boy has his own private closet.

Quarters for a counselor and his wife are provided at one end of the unit and a recreation room, complete with library, is situated at the other end. The counselor has charge of the unit and is responsible for the program of the boys.

All furnishings are hand heavy oak pieces that are finished naturally. Double bunks, four chairs and a desk complete the furnishings of the boys' room. And each room has an Arvin radio, the gift of Hollywood's Queen for a Day when she visited Boys' Ranch. The boys' personal effects are arranged to suit individual tastes.

Plans for the new unit were drawn up by the 5th year architectural class of Texas A & M, the same group that will plan and design most of the buildings in the long-range Boys' Ranch expansion program.

The boys are extremely proud of their new home and invite all their friends to visit the Ranch and see it. This, and other new units will gradually make it possible for Boys' Ranch to take more homeless and destitute boys from all over the nation and give them a home and the need so badly.

Upsurge Of Rabies Found In Two Widely Separated Texas Areas

Two widely separated areas in Texas face an upsurge in rabies between now and June, State Health Officer Geo. W. Cox predicts. The disease could easily spread to other vulnerable areas.

One focus is in Travis, Bastrop, Fayette, and Hoys Counties in Central Texas. The other is in Panola, Shelby, San Augustine Counties in East Texas. Individual instances of mad foxes have been occurring in both these sections throughout the year.

Blanco, Comal, Guadalupe, and Gonzales Counties are directly in the path of the southwestern spread of the Central Texas focus. In East Texas, the trend is east and southeast, threatening Sabine, Jasper, and Newton Counties, Dr. Cox reports.

"The first case of fox rabies in any county is an indication that work needs to be started immediately on control," Dr. Cox said. "You know you're in for trouble."

Fox rabies is six times more prevalent in winter months than in summer, Cox indicated. He added that every fox killed now will save trouble later.

He made the prediction of increased rabies incidence despite the fact that rabies-suspect animals heads autopsied at the health department Bureau of Laboratories in September were fewer than at any time since May.

Dr. Cox said wildlife rabies in most affected areas kills off wildlife to a point where rabies cannot maintain itself. It thus dies out and does not re-appear until the population builds itself up again.

Skunk rabies is prevalent in three separate areas of the state, the health officers said. But the disease is "20 times" more serious in fox than in skunk, he said.

Guest in the home of Mrs. J. W. Alexander the past week was Mrs. Wayne Morow of Phoenix who was home visiting her parents. Also visiting in the home was Mrs. C. C. Loving of Amarillo and Mr. and Mrs. Bruce Cleland and son of Amarillo.

Approved 1953 Grasslands Goals For Deaf Smith County Announced

Goals to be achieved in 1953 for additional acres of grassland and of practices to improve the quality of forage are approved in Deaf Smith County. All Agencies of the Department of Agriculture are to help in achieving the goals.

Many of the practices suggested for improving forage quantity and quality are approved practices in the State's Agricultural Conservation Program. Among these are applications of lime and of phosphate and potash fertilizer and the seeding of pasture and hay lands. Also to be stressed are the growing of winter grain and legumes for winter grazing and of sudangrass to supplement summer grazing. Practices for improving the quality of forage include harvesting the crop on time and curing it either as silage or hay to insure maximum feed value. The seeding of depleted ranges also will be stressed. Furrows, renovation, ponds, fences, and fire guards also will be encouraged where needed.

Cover crops are to be pushed where the land is in cultivated crops in 1952 and would otherwise stand bare during the coming winter. In many areas the sowing of grasses and legumes

in grain crops in the spring of 1953 will be encouraged.

1953 grasslands goals approved for this county are:
1c Apply phosphate fertilizer, 3,000 acres
1e Rotation grazing - tame pasture, 1,000 acres
1f Grow winter grains etc., 300,000 acres
1g Grow Sudangrass, 10,000 acres

1h Irrigate meadows and pastures, 3,000 acres
2a Hay vetch seed production,

100 acres
3c Deferred grazing on rangeland, 15,000 acres
3f Harvest native grass seed 150 acres
4a Seeding cover crops, 10,000 acres

Mr. and Mrs. Warren Dennis of Hutchinson, Kansas and Mrs. Lois Robertson of Cross Timbers, Mo., were guests of relatives, the D. H. Alexanders, the past weekend.

Q. How can I remove tarnish from my silver?

A. Put some sour milk in a pan and lay the table silver in it. Let remain all night; then wash the silver in hot suds. All tarnish will have disappeared.

Rat Control Year Round Job On Farm To Cut Loss, Destruction

Rats are mighty expensive rodents to have around the farm. It is estimated that each will actually eat \$2 worth of food but the big loss comes in what is wasted and destroyed -- about \$20 worth. In addition, says J. E. Poore, assistant district leader, U. S. Fish and Wildlife Service, rats are known to be carriers of some 27 different diseases including typhus fever and bubonic plague.

With the coming of cooler weather, Poore says these undesirable tenants will be moving into their winter quarters especially into grain bins, feed stacks and buildings where the winter's feed supplies are stored. The first step in a successful rat control program is a farm clean-up.

Pile posts and lumber on supports at least two feet above the ground and scrap lumber, not worth saving, and junk should be destroyed or removed from the farm. Stack bottoms, other feed waste and manure piles should be scattered in the fields so they will not provide hiding places for rats. Tall weeds also make fine hideouts if left standing.

Clean up, poison and then rat-proof farm building is Poore's advice. Farm building in a good state of repair aren't likely to be

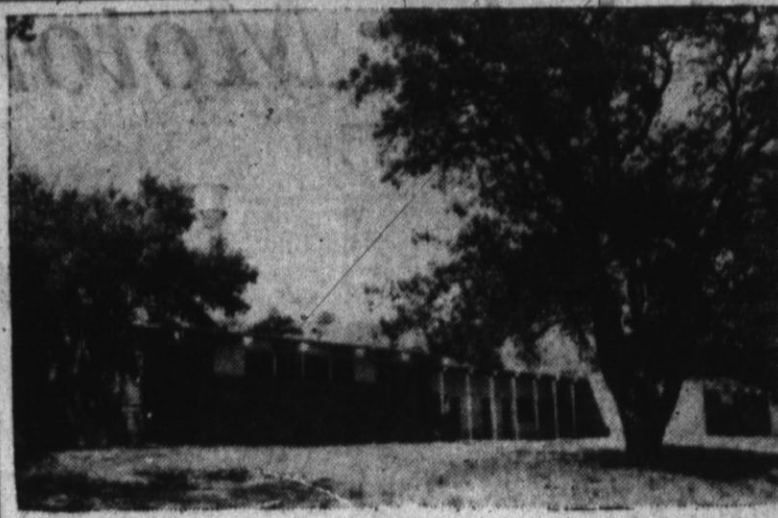

infested with rats. Check to see that walls are tight, and foundations and floors are in good shape.

A strip of galvanized metal, three feet high, placed around the building will keep rats out, says Poore, provided they can't get in through the floor. If a new granary is being built, set it in piers at least two feet above the ground, and then construct it so rats can't get in.

Poore recommends following the farm clean up with a poisoning program. Last year, in a campaign which he supervised, 11,898 rats were killed at a cost of about four cents per rat. Warfarin bait was used and the amount needed to kill a rat averaged a little less than one quarter of a pound.

Warfarin says Poore, has worked very well. It is relatively safe to use because a single dose is not fatal and it acts as an anti-bleeding which so weakens the rats until they die. Bait usually must be taken for some five days before death results.

In some cases, other types of poison must be used to completely rid a farm of rats, says Poore. Other effective poisons are available but many must be used with extreme caution, he adds, be-

NORRIS BUSBY OF HEREFORD, Texas, is one of the lucky boys chosen to live in the newly completed 24-boy housing unit at America's First Boy's Ranch. An angle view of the new unit shows counselor's apartment in foreground, part of boys' living quarters, center, and the recreation room, far right. Every four-boy room has its own bath and all the boys have individual closets.

cause they are deadly poisons. He suggests before using these poisons that a Rodent Control Service fieldman or the local county agent be contacted for advice.

After a complete program has been carried out on a farm, don't let re-infestation occur, says Poore. Watching for signs and getting new arrivals before they have a chance to become estab-

lished will keep the farm relatively clear of rats. With feed supplies short in most sections of the state, Poore says farmers just can't afford to feed rats. The \$22 per head they eat and waste will go a long way toward taking care of the feed needs of the farm livestock, especially if the rat population on the farm is high.

CONTINUES STUDY AT 81—Dr. E. P. Schoch, research chemical engineer at the University of Texas in Austin is shown in his laboratory on his 81st birthday. He celebrated only briefly. Dr. Schoch has developed an economical method of using lignite for fuel, but continues to seek new uses for natural gas. For 25 years he has battled against wasting natural gas resources. (AP Photo)

DAWN NEWS

Rev. James Tydenbury Of Clovis To Conduct Services At Dawn

By Bertha Frye
Rev. and Mrs. Paul McClung left Monday for Overton where Mrs. McClung and Kenneth will visit Mrs. Dale Durham, Rev. McClung's sister, while he attends the state Baptist convention in Fort Worth. They plan to visit in Marshall before returning home.

Rev. James Tydenbury of Clovis will have charge of the services at the Dawn Baptist church Sunday October 26.

The Parents Council met Thursday evening at the school house and made plans for a carnival.

Mr. and Mrs. Charles Corder spent last week end in Clovis.

Mrs. C. C. Stewart who has been ill for the past few weeks is reported much improved today.

Mrs. Wesley Cox and children spent last week at Frankston while Mr. Cox was deer hunting in Colorado.

The Dawn Home Demonstration club met Friday afternoon in the home of Mrs. Melvin Gill.

The Dawn Study club met Wednesday afternoon in the home of Mrs. Clarence Betzen.

Visiting in the home of Mr. and Mrs. Melvin Gill are her parents, Mr. and Mrs. E. C. Gaylor of Long Beach, Calif.

Mr. and Mrs. G. Mixon and daughter and Mrs. Harold Robinson of Borger spent Wednesday night in the Zed Stewart home.

Mrs. Harold Robinson left Thursday for California to be with her husband who is now stationed at Camp Roberts.

Mr. and Mrs. L. M. Harris and Mrs. Jess Dodson of Canyon spent Wednesday in the C. C. Stewart home.

Visiting in the J. M. Carathers home Sunday were Mr. and Mrs. W. D. Carathers and Billie of Amarillo and Mr. and Mrs. Roy Mathewson of Reno.

Sunday guests in the Zed Stewart home were, Mr. and Mrs. Boyd Stewart and children of Shamrock, Mr. and Mrs. W. J. Stewart of Canyon and Mr. and Mrs. Clifford Stewart and children.

Mr. and Mrs. Zed Stewart and Dwayne spent last week end visiting with the Boyd Stewart family at Shamrock.

The Dawn Music Club met

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

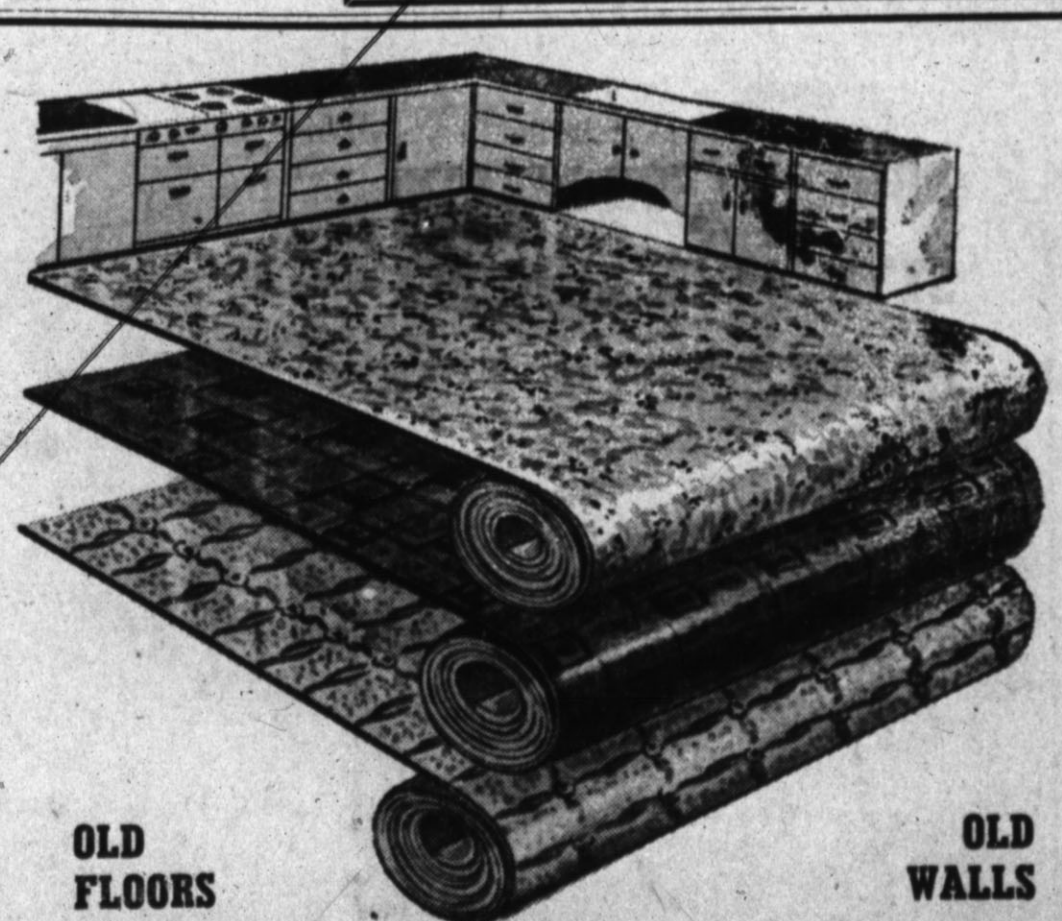

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get relief but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Church of Nazarene

Each Sunday morning worship services are held at the Church of the Nazarene at 11 o'clock.

The Sunday night services are conducted at 7:45.

Sunday school hour is at 10 o'clock Sunday morning.

Rev. Jess Rains is pastor of the Church of the Nazarene which is located at Fourth and Jackson.

First Presbyterian

Sunday school is held at 9:45 each Sunday morning at the First Presbyterian church.

It is followed by morning worship at 11 o'clock.

The First Presbyterian church is located at Seventh and Lee. Rev. Russell Wingert is the pastor.

Assembly of God

Each Sunday morning Sunday school is held at 9:45 and the morning preaching is at 11 o'clock.

Young people's and Junior children's church meets on Sunday night at 6:45. The two groups are meeting on the lawn during the summer months.

Each Sunday morning at 8:45 over KPAN the Assembly of God church has a radio program.

Prayer meeting will be held at 8 o'clock on Wednesday night.

Christian Science

Christian Science services are held each Sunday morning at 11 o'clock in the Star Theater. All are invited to attend.

There is Bible authority for trusting that good is more powerful than evil, and seeking to prove that God is omnipotent. In Romans are found these words (12:21): "Be not overcome of evil, but overcome evil with good." And in James (4:7): "Resist the devil, and he will flee from you."

Christian Science assures that this is not only possible but necessary, in the Lesson-Sermon to be read in Christian Science church this Sunday. The subject is "Probation After Death". This Golden Text will be read from I Corinthians (15:56,57)

Church of Christ

Each Sunday morning at the Church of Christ Sunday school is held at 10 o'clock. The morning worship starts at 11 a.m.

The mid-week prayer service is held each Wednesday night at 8 p.m. at the Church of Christ.

Sunday evening the young people of the church meet for Bible study at 7:15 followed by evening worship at 8 p.m.

The Hereford Church of Christ radio broadcast over KPAN may be heard daily at 9:30 a.m.

The nationwide broadcast by the Church of Christ is each Sunday afternoon at 1 o'clock.

Immanuel Lutheran

Church services are conducted each Sunday evening beginning with Sunday School and Bible Class at 7 p.m. The hour of worship begins at 8 p.m. Serving the congregation during the vacancy is Rev. E. W. Lichtsinn of Friona.

Listen to the Lutheran hour each Sunday at 5 p.m. over KPAN.

The Sunday School Teachers meet each Sunday at 6:30 p.m.

Children's instruction class meets each Wednesday at 4:15 p.m.

The Ladies' Aid meets on the third Wednesday of each month at 2:30 p.m.

GOD SENDS THE SUNRISE! God sends the Dove! May she light on the cross atop the steeple of our church. May she drop her message of "Peace on earth, goodwill to men." May this symbol of the Holy Spirit eliminate rivalries of Methodists, Presbyterians, Baptists, Catholics and all the other religious groups. *May we give the "Prince of Peace" a chance in our lives, in our families and with our neighbors.* May we care more for progress of soul than in progress of things. The ways of Peace are more difficult than the ways of strife. They bear the mark of culture, of civilization, of deep piety and of genuine religion. May we be faithful to God and to His church. *May we be Peacemakers for they shall be called the children of God.*

This Series of Church Ads Is Being Published Through the Cooperation of the Local Ministerial Alliance and Is Paid For By The Undersigned Individuals and Business Institutions

St. Thomas Episcopal

Services will be held at 8 a.m. Sunday morning with Rev. Seaman conducting.

First Baptist

Sunday school at the First Baptist church is held at 9:45 and the morning worship services are held at 10:50.

Sunday evening the training union will be held at 6:15 followed by the evening worship services at 7:30.

Officers and teachers meet at 6:30. Prayer meeting at 7:30 and at 8:15. Choir practice on Wednesday evening.

First Christian

Sunday school is held each Sunday morning at 9:45 at the First Christian church. The morning worship service will be held at 10:50.

Evening services are at 7:30. The new pastor Rev. Don Root will fill the pulpit at morning and evening services.

Seventh Day Adventist

Pastor G. A. LaGrone of the Seventh Day Adventist church announced a special temperance offering to be received Saturday, Oct. 25, in the Hereford church.

"A Chosen People" will be the subject for the study period. Scripture Lesson, Deut. 28:1-13 and Daniel, 1:

Memory Verse, Deut. 28:13
Sabbath School 10:00
Worship Service 11:00

Avenue Baptist

Each Sunday morning at the Avenue Baptist church Sunday school is held at 9:45. The morning worship services are held at 11 o'clock.

Training union is held each Sunday evening at 7 o'clock.

The Avenue Baptist church has evening worship services on Sunday evening at 8 p.m.

Mid-week prayer services at 8 p.m. on Wednesday night.

First Methodist

Sunday school is at 9:45 a.m. at the First Methodist church. The morning worship service at 10:45 will be broadcast over KPAN. The MYF groups will meet at 6:45. The evening preaching service will be at 7:30.

On Tuesday at 9:15 a.m. the Women's Prayer Group will meet in Ward Hall.

On Wednesday at 9:30 a.m. the Dorcas Circle will meet in Ward Hall. At 3 p.m. all other WSCS Circles will meet in Ward Hall. Both groups will continue the study, "Home Missions and Human Rights", led by Mrs. Floyd Ross. The Choir will meet for rehearsal at 7 p.m. Prayer meeting will be in Ward Hall at 7:30 p.m.

St. Anthony's Catholic

Sunday Mass at 6:30, 8 and 10 a.m.

Daily Mass at 7 a.m. at the new church and 8:15 at the old church. Holy Hour at 8 Thursday.

Confessions:
Thursday from 8:30 to 9:30 p.m.
Saturday from 5 to 6 p.m. and 8 to 9 p.m.

Texas To Benefit From \$1,800,000 Cancer Society Research Program

AUSTIN -- Texas will benefit from the \$1,800,000 American Cancer Society Institutional Grant research program, it was disclosed here by the Texas Division of the Society.

A grant of \$60,000 was made to the University of Texas, M. D. Anderson Hospital for Cancer Research at Houston, for a program entitled, "Factors affecting growth, a hormonal and radiobiologic study."

The grant was the fifth consecutive renewal of an appropriation first made in 1947 to the official state agency for cancer research and treatment. It brings to \$265,575 the sum given by the ACS to American Hospital.

In addition to several grants made to individual scientists there.

Among the projects are chromatographic investigation of proteins in normal and cancer tissues; hormone effects upon cancer; activity of the enzyme, glucuronidase, in cancer; the use of radioactive isotopes in cancer

studies; and the effects of radiation on blood.

J. Louis Neff, Texas Executive Director, said, "These grants are part of the overall research attack on cancer being pushed this year with greater vigor than ever before."

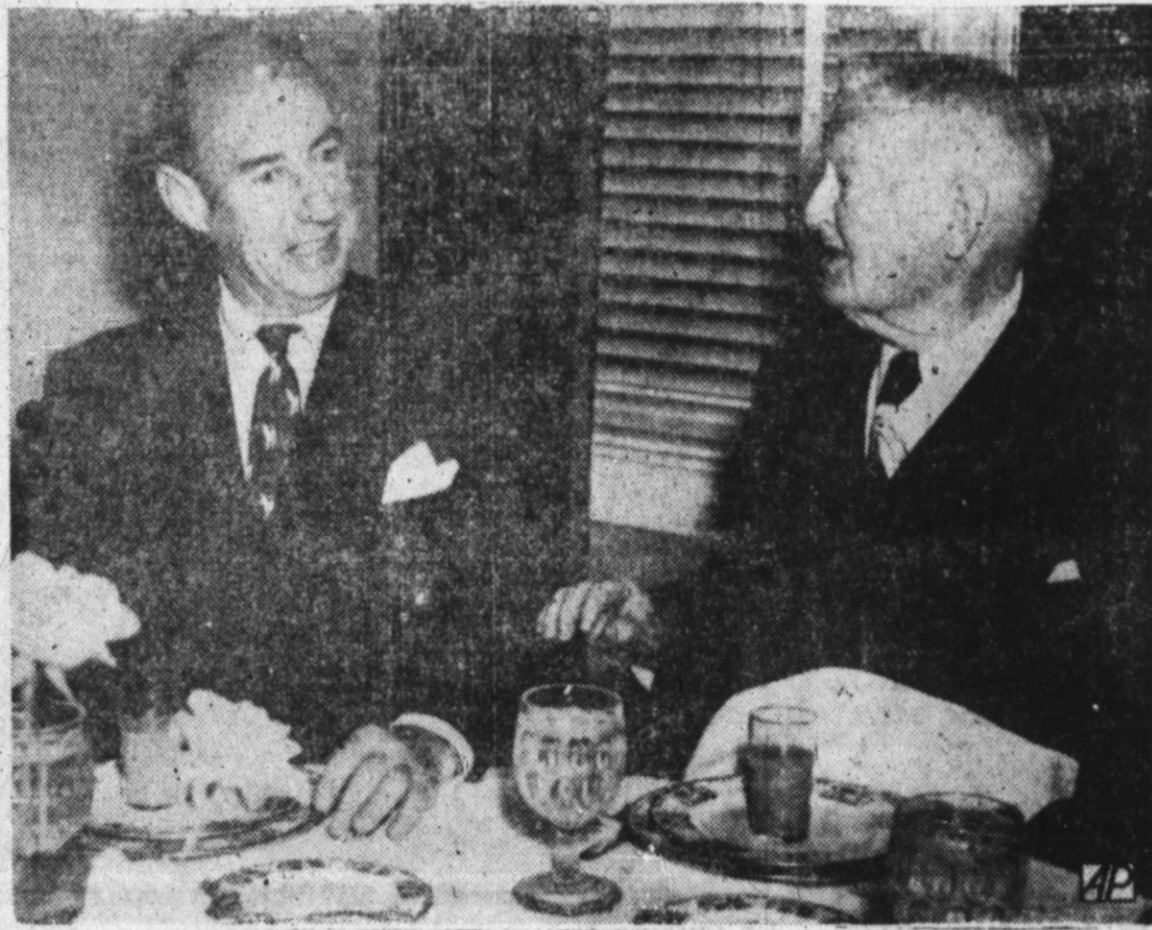

"More than \$4,000,000 will be expended by the Society on cancer research during the current fiscal year," he said. "Besides the present allotment for institutional grants the program will include 269 grants-in-aid and 59 fellowships."

"The Anderson Hospital grant is one of 29 institutional awards, all of which were renewals," he said. "This can be interpreted meaning that Anderson Hospital is performing promising research that will contribute valuable material in the quest for cancer control."

"It was impossible to provide all the funds requested by institutions doing worthwhile cancer research. Applicants for renewal grants asked for \$2,317,761 and received only \$1,573,366. Altogether, including new applications, the requests totaled \$3,193,756 for institutional grants."

"Although more funds are being provided each year for the cancer research program," Mr. Neff said, "public contributions, generous as they are during the annual Cancer Crusade, have not kept pace with the rapidly growing need of qualified researchers who have new promising avenues of investigation constantly opening to them."

"Twenty-five per cent of all money given in the Texas Cancer Crusade goes into the Society's research program. This year, Texas is furnishing about \$135,000 to this research program, which seems like a small sum when compared with the urgent need to fight a disease which annually kills more than 8000 Texans."

POLITICAL BREAKFAST—Gov. Adlai Stevenson of Illinois (left), Democratic presidential nominee, paused in his campaign tour at Uvalde to eat breakfast with former vice president John Nance Garner, 83. They ate pheasant. Garner said Stevenson is "as well equipped and qualified to become president as any man who has been nominated by either party during the last 50 years." (AP Photo)

EIGHTH GRADE - High Honor Roll: Carlynn Williams, Harold Manning.

Low Honor Roll: Darlene Scroggins, Sue Springer, Frances Funk, Jeanette Zellner, Cecilia Waters, Jackie Brown, Ida Busby, Ted Moore, Ronald Zimmerman, Gale Sterling, Vella Kee Skypala, David Bell, Sue Kirby, Jane Newson, Billy Woodford, Nieves Olguin, Mary Ann Young, Billy Paul Knox, Bobby Viegel, Dorothy Daniel, Inez Brown, Pat Ferguson, Carolyn Shirley, Elane Wagener, Carol Walser, and Sonja McGee.

Beta Sigma Phi Holds Tea Here

The Beta Sigma Phi tea was served in the home of Mrs. Norman Moore, 211 Avenue C last week. The home was decorated with beautiful fall flowers and the table laid with silver and china center piece with decorations of chrysanthemums in a yellow pastel shade.

Mrs. Ernest Wade presided at the silver service and Mrs. E. W. Ditman played the organ during the serving.

Those attending were: Mrs. Bill Hennen, Mrs. Bob Lingenfelter, Mrs. Eddie Johnson, Mrs. Pete Guinn, Mrs. Birdie Fellers, Mrs. Kenneth Cowan, Mrs. Lowell Sharp, Mrs. Neal Cooper, and Mrs. R. J. Cramer, Mrs. Ernest Wade, Mrs. E. W. Ditman and the hostesses.

Cooperation Of All Hunters, Outdoorsmen Needed To Avert Catastrophe From Fires

AUSTIN, October 22 -- The Executive Secretary of the Game and Fish Commission said cooperation of hunters and outdoorsmen generally is needed to avert a catastrophe to woods and forests from fire.

He said the woods and fields in most of the state have been reduced to extreme inflammability by the prolonged drought. He added that some fires already have caused great property loss as well as tragic loss to wildlife.

The Executive Secretary quoted a letter from the Texas Forest Service to emphasize his appeal. The letter, signed by D. A. Anderson, head of the Research & Education Department said, in part:

"Of increasing importance are the fires attributed to hunters. The fires charged to hunters are no doubt caused through negligence but nonetheless they are increasing our fire problem. . . . I felt that you could possibly assist us immeasurably by calling attention to hunters to the condition which presently prevails in the East Texas area and asking them to take every possible precaution in preventing fires. Not only are the forest resources at stake, but the wildlife as well. . . .

"I assure you that any help you can give will be sincerely appreciated. It is urgent of course that action be taken at once since our problem is now critical."

The Executive Secretary suggested that Texans in the field can prove their understanding of the peril to conservation by not only preventing fires but by offering to help control any fires they may encounter.

The Shift's To SHAMROCK

SHAMROCK TRIPLE ACTION HEAVY DUTY MOTOR OIL

Yes, Shamrock's getting the play — and for a good reason: LUBRICATING ABILITY is what you want and what you buy when you change oil. Shamrock heavy duty oil has proved its ability. Anti-oxidant and anti-corrosive additives toughen the oil film — high detergent elements take out dirt particles which prevent oil from clinging to the cylinder walls. Result — faster, more complete lubrication, less wear. This fall change early and change to Shamrock.

GASOLINES - LUBRICANTS

Lubricate with winter weight Shamrock NOW!

"Best Seller" that's too good to miss

YES, this is a RIVIERA. Sleek and swift-lined, like a convertible. Solid-topped like a sedan. Six-passenger roomy — and just about the smartest number that's made its bow in years.

And how folks love it. The day it was first displayed, orders started rolling in. The rest of the industry took a look — and decided to make a carbon copy.

Over the years, these "hard top" jobs have spread to every price range — including

the big-volume, lower-priced three. But this Buick version has forged ahead in popularity — and today it's the "best seller" in the whole "hard top" field — bar none.

What's the reason? Well, it is — as you can see — a smoothie to look at and a smoothie to drive.

It's a Buick — with Buick's famous Fireball 8 Engine — Buick's Million Dollar Ride — Buick's exclusive Dynaflo Drive* — Buick room,

Buick's Power Steering† — Buick comfort, Buick style — and Buick durability.

And when it comes to price — you will find out this: What you pay for a SPECIAL, a SUPER or a ROADMASTER RIVIERA will shine by comparison with the price tag of anything in their fields.

Isn't that enough to make you want to try out a RIVIERA today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only.

Miss Geraldine Helton and Joe Bishop To Marry Here November 22

Mr. and Mrs. W. A. Helton are announcing the engagement and forthcoming marriage of their daughter, Geraldine to Joseph O. Bishop, son of Mr. and Mrs. H. N. Bishop.

The wedding is planned for Saturday, November 22, in the Presbyterian church with the Rev. Travis Jordan of Vigo Park, officiating.

Miss Helton is a graduate of Amarillo High School and of Amarillo Junior College. She also attended NTSC, Denton for one year. She is employed by the Phillips Petroleum company in Amarillo.

Mr. Bishop is a graduate of Hereford High School and attended the University of Texas. He is now Sgt. Bishop stationed at the Amarillo AFB.

Rev. and Mrs. R. H. Cagle are in Fort Worth this week attending the state Baptist convention.

Miss Della Stagner Will Direct District 9 B&PW Club Members

Miss Dell Stagner was elected director of District 9, at the Business and Professional Womens Clubs convention held in Lubbock Saturday and Sunday.

Seven members of the local B & PW club attended the Lubbock session and joined the delegation to visit Girlstown on Sunday. Other featured events on Sunday were a breakfast and a workshop. In conclusion members voted to hold the annual fall district meet in Dumas.

Those attending the convention were; Della Stagner, Earline Walton, Grace Thomas, Irma Walker, Mon McMasters, Ursalee Jacobsen and Velma Cooke.

Miss Stagner, co-ordinator in the Hereford Public Schools, is a past-president of the Hereford B & PW club.

FRIONA NEWS

Visiting Highlights News From Friona Community During Week

By Mrs. E. R. Day Sr.

Mr. and Mrs. Wilson Wyley and family of Pierre, S. D., arrived Sunday to visit with his mother, Mrs. Alta Wyley and his brother J. A. and family.

Mr. and Mrs. Harry Poindexter and son have been in Friona for the past week visiting relatives and friends and attending to business. Hal, the youngest son remained at home with his grandparents.

Mr. and Mrs. Tom Jarbo moved their household goods to Canyon this week and Tom was to report to the service on Thursday and Mrs. Jarbo will remain with his parents until she can join him. He was a teacher in the Friona school.

Mrs. Clyde Howard and daughter and a friend were the guests in the Henry Lewis home this week.

Mr. and Mrs. Jim Baxter and

family returned home this week from Plains, Texas where they have visited his sister and family, Mr. and Mrs. Ray Duff and family.

Mr. and Mrs. J. A. Wimberley are in the hospital this week and on the sick list from Friona are M. H. K. Kendrick and Miss Lola Goodwine, Preach Campbell is in the Scott and White Hospital undergoing surgery.

Cotton harvest and feed cutting has speeded up since the freeze and 175 bales of cotton have been processed at the North Plains Gin to date.

Mr. and Mrs. Lou Baxter of Crede, Colo., were in Friona this week visiting his parents, Mr. and Mrs. J. W. Baxter. Mrs. Baxter's mother, Mrs. Mae Short, is very ill in the Parmer County hospital.

J. FRANK DOBIE—J. Frank Dobie, the Texas author, autographs a copy of his latest book, "The Mustangs." His new story of the wild horses of the Southwest is a companion work to his book on Longhorn cattle. (AP Photo)

MIGHTIEST 4 TONS in trucking history!

GASOLINE—4,300 GVW to 90,000 GCW
DIESEL—19,500 GVW to 100,000 GCW

A product of General Motors

Watch the TV Football Game of the Week Every Saturday on NBC Television.

Here's the new gasoline-powered GMC Model 472-30A—the tractor that will haul more payload within the 45,000 GCW limit than any ever built, by as much as 1,200 EXTRA pounds of cargo in some cases!

Fueled and ready for the road, this revolutionary new highway tractor weighs a trim 8,000 pounds—the result of new engineering techniques, developed by GMC, which eliminate load-robbing "dead weight" from truck design.

A good example is this GMC's revolutionary new "302" valve-in-head engine—pound for pound the

mightiest in truck history. It achieves a record-breaking 7.2 to 1 high-compression ratio from regular fuel, produces 145 horsepower—yet weighs as much as 500 pounds less than competitive engines!

It has all the features you want in a great truck. Standard equipment includes full air brakes and husky rear axle rated to accommodate 10:00/20 tires. Available in conventional and cab-over-engine models in a variety of wheelbases.

It's waiting—ready to haul a bigger payload than you've ever been able to put behind your tractor before!
